Loyal Lundstrom Denied Rehearing By Texas Court

The Texas Court of Criminal Appeals in Austin denied a motion on Wednesday, January 6 for a rehearing for Loyal Lundstrom of Cisco. This, in effect, affirms his conviction in Eastland County, and he will remain in prison.

Emory Walton, Eastland County District Attorney was informed of this decision on Friday, January 8. Walton prosecuted the case, which involved the slaying of Lundstrom's wife, Doris, on March 3, 1983.

Lundstrom fled the county at that time, and remained at large for about 10 days. He contacted authorities and was later tried for the murder.

The two-week trial in the

91st District Court ended on September 6, 1983. A jury found Lundstrom guilty of his wife's death, and he was sentenced to life in prison.

Attorney Bill Hart of Eastland represented Lundstrom in the case, and District Judge Jim Wright presided at the trial.

After his conviction Lundstrom appealed to the 11th Court of Appeals in Eastland for a ruling. In 1984 Judges McCloud, Dickenson and Brown affirmed Lundstrom's conviction.

The case was then referred to the Court of Appeals, the highest in the state. In 1986 this Court overturned Lundstrom's conviction, stating that 91st District Judge Jim Wright improperly

denied Lundstrom's change of venue request.

District Attorney Walton then filed a motion with the Court for a rehearing. The Court granted the rehearing in the early part of 1987, with the panel of Judges affirming Lundstrom's conviction.

The Defendant asked for a rehearing on that opinion, but was turned down last Wednesday.

In speaking of this case, Emory Walton said, "We were dealing with a very heinous crime that left five children without a mother. I'm glad the jury gave him (Lundstrom) life in prison."

"I hope this final decision will give people more faith in our state judicial system in Austin."

Cisco Junior College Bible Chair to Offer Free Course

The Biblical Studies Center at Cisco Junior College will offer a ten week, non-credit evening Bible course on ROMANS AND GALATIANS beginning on Tuesday evening, January 19, according to an announcement by a CJC Bible Chair spokesman.

The class will meet from 7:00 to 9:00 p.m. each Tuesday, and will be open to anyone wishing to participate at no charge. The sessions will be informal, and there will be no tests, special requirements, or assignments, it was pointed out.

Dr. Ken Hammes, chairman of the Bible Chair Committee for the Cisco Church of Christ, stated, "The lessons will be helpful to any person wishing to gain a deeper knowledge of the scriptures—particularly the Romans and Galation epistles—and anyone in the vicinity of Cisco is welcome."

Charles Stenholm To Speak In Eastland January 14

CONG. CHARLES STENHOLM ... to visit county

Cong. Charles Stenholm will appear at a Town Hall Meeting to which the public is invited Thursday, Jan. 14th, in the 91st District Court Courthouse at the Eastland County Courthouse, from 10 to 11:30 a.m.

The Congressman will discuss topics arising out of the 1987 session, comment on legislative action ex-

pected in the 1988 session and answer questions from citizens.

Accompanying him will be Dale King and Don Starr.

Citizens are invited and urged to attend to visit Cong. Stenholm.

Congressman Stenholm has filed for re-election to the United States House of Representatives.

Stenholm is seeking his sixth term as the representative of the 17th Congressional District, composed of 35 counties in West Texas and parts of North Texas.

First elected in 1978, Stenholm has served on the House Agriculture Commission, the Veterans Affairs Committee and the Small Business Committee during his first nine years in office. He is currently chairman of the Subcommittee on Dairy, Livestock and Poultry.

"I look forward to continuing the challenge of representing the 17th Congressional District," Congressman Stenholm said. "I have learned much during my time in Washington. Through my experience and growing seniority, I feel I will have a greater opportunity to represent and respond to the needs of this area."

Chamber Of Commerce Banquet To Be Held

The Cisco Chamber of Commerce has received nominations from citizens who feel a person or organization should receive an award at the Cisco Chamber of Commerce Banquet. The deadline for the nominations is Thursday, January 14, at 5:00 p.m. Nominations need to be submitted in writing stating the reasons why the award should be given to the nominee.

Awards that have been given in the past are Helping Hand Award, Agriculture Award, Community Service Award, Community Improvement Award, Commercial Building Award and Over Due Award. But these

are not the only awards that will be given out. If a nomination is turned in for another category, it will be considered, according to Don Shepard, Chamber of Commerce manager.

The Chamber of Commerce Banquet is an annual affair that is held to show appreciation to individuals or a group of citizens who have worked hard to help keep Cisco a good place to live and raise a family in. Shepard said the Chamber of Commerce board of directors appreciates the interest and involvement of the city of Cisco and the community when they send in their nominations.

This year's banquet is ex-

pected to be the best ever according to Shepard. George Brazell, of Desdemona will be the guest speaker. Mr. Brazell taught at Cisco Junior College for several years until his retirement four years ago. His quick sense of humor is sure to please everyone according to Shepard.

Tickets for the banquet are \$7.50. They can be bought at the Cisco Chamber of Commerce office. Mr. Shepard said it is important for everyone to call the Chamber at 442-2537 and make their reservations for the banquet. The banquet will be held at 7:00 p.m., Thursday, January 28, at the Corral Room.

CISD Superintendent Contract Is Extended For Two Years

The contract for Ray Saunders, CISD superintendent was extended at the regular meeting of the Board of Trustees held Monday night.

Mr. Saunders has been the superintendent for the Cisco Public Schools since June 15, 1984. His contract was ex-

tended for two more years.

In other action the board decided to check into the building of the elementary physical education facility a little bit more. Saunders said the construction is still under consideration.

The Board voted to hire an

athletic aide to help Coach Rusty McLeskey with the Cisco High School baseball program. Saunders said they have a person in mind and will speak with him in the near future to see if he will be able to accept the position.

Recertification To Be Held In Cisco Thursday, Jan. 14

Anyone who qualifies and would like to receive food commodities from the Texas Opportunities Inc., Temporary Emergency Food Assistance Program, will have to be recertified in Cisco, this Thursday, January 14, from 8:30 a.m. to 4:00 p.m. at the Cisco Senior Citizens Center, 400 Conrad Hilton.

Peggy Roberts, Eastland County Center Director and CTO staff will be at the Corral Room to assist clients in filling out their applications.

The Texas Department of Human Services guidelines state that to receive USDA commodities, households must apply once a year in the contracted service area

where they live. Citizens who participate in this much needed program and those who would like to check on their eligibility should also go by the Senior Citizen Center.

According to Mrs. Roberts, everyone has to be recertified in order to receive the commodities this year.

There are new income guidelines for 1988 which has raised the maximum income a little bit. By the old guidelines a single person under 60 years of age could receive commodities if they did not make over \$569 a month and now they can make up to \$596. For a single person over 60 years of age, the old income guideline was

\$722 a month and now it is \$757.

The Texas Department of Human Services has raised the income guidelines a little bit so there might be more people that would be eligible to sign up if they want to check and see.

Clients who come in Thursday to be recertified must provide proof of identity, residency and income.

Cisco Police Investigate Cisco Pump Burglary

A safe was broken into at Cisco Pump, located on East Hwy 80, when it was burglarized last Wednesday. Taken in the robbery was approximately \$250 cash, around 15 commemorative pocket knives and a collector Bowie knife. The safe received around \$500 worth of damage during the robbery.

Cisco Police received the call at 5:56 a.m., Thursday, January 7, according to Billy Rains, Chief of Police. Rains said the robbery occurred between 5:00 p.m. Wednesday and sometime before it was reported.

Sheriff Don Underwood and Texas Ranger Gene Kea are helping with the investigation.

Cisco Police are also investigating the robbery of a VCR and a 22 Rifle taken from the Jimmy Dennis residence on January 7.

Arrests made by the Cisco police department since the first of January include a 26-year old male arrested for public intoxication; a 32-year old male for protective custody; a 30-year old male for DWI; a 19-year old male for possession of drug paraphernalia; a 29-year old female wanted for three DPS warrants; and a 19-year old male wanted for two DPS warrants.

Cisco Firemen Answer Three Alarms

The Cisco Volunteer Fire Department were called out three times last week, according to a report from the fire department.

Firemen were called to a home on West 7th last Monday for a smoke report, but no fire was found. They received another call for a smoke report on Tuesday at the Cisco Elementary School.

Last Sunday Cisco firemen responded to a pickup fire on I-20. The firemen received the call at 6:38 p.m. The owner of the pickup was not known by Monday afternoon.

Wanda's Corner

by Wanda Hallmark

Ada sixth grade student, and Micah Jarrett third grade student, of Cisco went from business to business and to homes last week collecting money for the West Texas Rehabilitation Center in Abilene.

Ada and Micah collected \$96.15 for the Rehab Center. The two students said they would like to thank everyone who donated money.

A woman who lives on the east side of Cisco said she and her neighbors are having a terrible time with about six dogs that are running loose in her neighborhood.

She is a senior citizen and she said if she hears the newspaper man throw the paper she can go right out and get it, before the dogs do. She said most of the time she has to try to get the paper away from the dogs.

One day she said there was fifteen dogs outside her home. She lives on Sandler Drive, where several other senior citizens live and they all have the same trouble.

She said they have called the dog catcher several times, but the dogs won't come out when he goes by.

The Cisco Police Department takes the calls for a dog catcher. The man who has the job comes in about 2:30 or 3:00 everyday and checks on the reports. But unfortunately the dogs are usually gone by then.

I hope whoever has these dogs will begin to keep them either tied up or kept in their yard like they should. It is a city ordinance and if caught they can be fined.

We received the following

letter with a check for a year's subscription to The Press. It said:

"I always look forward to the paper and don't want to miss an issue! I miss Mr. Sitton's column. (Everyone does) What happened to it?"

"I was born and raised in Cisco. I was the former Norma Ghormley, daughter of the late Dr. and Mrs. W.I. Ghormley.

"I have taken the paper since I graduated in 1938 from high school there. I missed a few years getting it since that time but have taken it most of the time.

"We have lived in Kerrville 27 years, moving from Cisco. Leslie is still a realtor. Sincerely, Mrs. J.L. Sherman.

The annual Cisco High School King and Queen Lobo Coronation will be held on February 13, at Cisco Junior College.

We will have a bigger story announcing the winner in a future issue of the Press.

Mr. Neal Moore was recently in the hospital here in Cisco. He had a bleeding ulcer. Mr. Moore is the kind gentleman who goes to the hospital to visit the sick whether he knows them or not.

I asked him if he had plenty of visitors while he was sick and he said that he did.

My mother was in the hospital around Christmas in 1986. Mr. Moore brought everyone of the patients a plant from his business, the ABC Plant Garden on West 13th. Her plant has really grown since then and she said she wanted him to know she appreciates the thought of what he did at that time.

CJC Bible Chair Study

From page 1...

Colvin has Bachelor's and Master's degrees from ACU, and a Doctor of Ministry degree from the Pacific School of Religion.

In announcing the special class, Dr. Hammes said, "We are extremely pleased to have Dr. Gary Colvin coming to conduct this course for the Cisco Junior College Biblical Studies Center. He is highly recommended as a very knowledgeable and interesting Bible teacher, and we are certain that all those taking it will profit greatly in gaining a deeper understanding of the subject matter of the class. He continued, "These free night classes held at the CJC Bible Chair each semester provide a unique opportunity for persons in our area to study under college professors but at not cost whatsoever. Similar

courses at Abilene Christian, Hardin-Simmons, Howard Payne, or McMurtry would cost several hundred dollars in tuition."

The CJC Bible Chair is under the direction of the elders of the Cisco Church of Christ, and is supported by other Churches of Christ in the Big Country area. Programs of the Bible Chair include free professional counseling services for students and staff members of CJC, social activities on campus, and special spiritually related speaker series and retreats.

Dr. Hammes, who is chairman of the Bible Chair Committee, is head of the Language Arts Department at CJC. More information about the Bible course or Bible Chair activities may be obtained by contacting him at CJC, 442-2567, or at his home, 442-3299.

Moran News By Mrs. Luke Huskey

There was not much stirring around in Moran over the weekend, as the weather was the trouble. Below freezing temperatures were recorded, the last of the week, and the moisture that fell froze and people stayed by the fires. Winter is still with us, and will be for some time to come.

Mr. and Mrs. Bill Groda spent a few days this week with her sister, Mrs. Fred Green, and family in San Angelo.

Paula Reynolds and Ricky Reynolds and a friend from Tucson, Az., visited with their parents, Mr. and Mrs. Charles Reynolds, during the holidays.

Visiting with Mr. and Mrs. James T. Matthews during the holidays were Mr. and

Mrs. Leroy Mason and Mr. and Mrs. John Riddle of Clyde, Mrs. Pamela Park and children of Mineral Wells, Pamla Gravitt and daughter of Arlington, and Van Holbrook of San Antonio.

Mr. and Mrs. Lynn Williams of Cisco and Mrs. Sue Wheeler of California visited with Mr. and Mrs. L.C. Kays and other friends in Moran during the holidays.

Remember the Moran Country Musical will be held on Saturday night, January 23, at the Moran Community Center. This will be first musical for the New Year. Come and enjoy an evening of fellowship and music. All area musicians are invited to come and be on the program. Sid Vick of Breckenridge will be master of ceremonies. A concession stand will open at 6 p.m. with homemade pies, sandwiches, coffee, tea and soft drinks. The musical will start at 7 p.m.

Rollin Fuller received treatment in Humana Hospital, Abilene, last week.

Mrs. Lela Moore will be honored with a birthday party Saturday, Jan. 16, from 2 until 4 p.m. at her home by her daughters, Mrs. Charlene Finn of Hempstead and Mrs. Shirley Wissman of Illinois. Everyone is invited.

Mrs. Lucy Burton received treatment in the Albany Hospital last week.

Miss Shannon Shelton, daughter of Mr. and Mrs. James Shelton of Breckenridge and granddaughter of Mrs. Garland Shelton and the late Mr. Shelton, became the bride of

Gregg Samberson, son of Mr. and Mrs. Gene Samberson of Lovington, N.M., in a double ring ceremony at the Bethany Baptist Church in Breckenridge on Saturday, Jan. 9, at 4 p.m. Rev. Dan Connally, uncle of the bride, officiated.

Several friends from Moran attended the wedding and reception. The reception was held at the Woman's Forum Building in Breckenridge.

Dear Betty Crocker

Q. Tops of cakes don't brown in my microwave oven. What can I do to make them attractive? S. A., Gladewater, Tx.

A. Use frostings, glazes or sauces. Powdered or granulated sugar dustings with or without stencils make attractive cakes. Other toppings include fresh fruit pieces, chocolate curls or morsels, flaked coconut, nuts or candy pieces.

Q. What are the best fillings for sandwiches that I plan to freeze? G. B., Maynard, Ia.

A. Sandwiches made with sliced meat, poultry, cheese, cheese spread, peanut butter, salmon and tuna freeze well. Use applesauce, fruit juice and dairy sour cream to moisten ingredients. Don't use mayonnaise, salad dressing, jelly, fresh vegetables or boiled egg whites.

Q. What's wrong with a cake that rises in the middle and then cracks? P. B., Butte, Mt.

A. Several factors could cause cakes to crack. If the oven is too hot, the crust sets too fast and the remaining batter rises causing cracking. Secondly, imbalance of the flour-liquid ratio makes the batter too thick. Finally, a pan that is too small makes the batter deeper which may cause cracking.

Do you have a question? Write Dear Betty Crocker, Box 1113, Dept. Betty, Minneapolis, Mn. 55440.

Get Involved In Voter '88 Drive

On January 5, 1988, four Ranger citizens joined Governor Bill Clements drive to sign up more voters in Texas. Leo & Eloise Williams and Bill & Anita Walton attended the event, which was held at the State Capitol, to learn more about registering Texas citizens to vote.

According to what these Rangerites learned while in

Austin, Texas lags far behind other states in the number of individuals registered to vote. An all-out drive to register as many voters as possible has begun, and will be the largest voter-registration drive in the history of Texas.

The March 8 Primaries are nearing. If you are not registered to vote, please do so now. You must be registered at least 30 days before any election in which

you want to vote. Every voter's ballot is needed in any election. This is your chance to make your voice heard. It only takes a few minutes to register to vote. And all of you that are registered voters, too, need to go to the polls and let your voice be heard. Take an active part in what affects you and yours by voting for the candidate of your choice.

YOUR VOTE DOES MAKE A DIFFERENCE!!

"The Cathedrals" To Perform

The Cathedrals, a well known gospel singing group, are scheduled to perform at 7:00 p.m., Tuesday, January 19, in Bailey Auditorium at Breckenridge High School.

With over two million miles traveled (including the first ever gospel music tour of the Holy Land) and five thousand performances to their credit, The Cathedral Quartet has also recorded some of the most memorable albums in the entire Southern gospel catalog. Number fifty in a long line of Cathedral classics is "The Master Builder". The uplift-

ting song, "Can He, Could He, Would He" was the national number one hit in October of 1986.

Members of the Cathedrals are Glen Payne, George Younce, Danny Funderburk, Mark Trammell and Gerald Wolfe. Their latest LP is entitled "Travelin' Live." The first nationally promoted single, "Boundless Love" hit the number one position in the Singing News and Gospel Music News charts. Tickets are \$5.00 in advance and \$7.50 at the door. Majestic Theatre To Present

"Baby Boom"

"Baby Boom" will probably receive its share of critical barbs for being too predictable and sitcom-like. But let the grouches grumble among themselves, because audiences are going to love it. Diane Keaton, performing everything here from sophisticated comedy to slapstick, hasn't been this appealing in ages. And the story, even in its most predictable moments, is breezy, funny and perfectly in tune with social trends.

Keaton plays J.C. Wiatt, a high-powered New York executive who shares an apartment with Steve (Harold Ramis), a stuffy investment banker. She works 14 hours a day, is on the verge of a promotion and loves her stressful life. But then she inherits a year-old bundle of cuteness named Elizabeth. The baby moves in and Steven moves out. Her attempts at combining parenting and a demanding

career meet with predictable failure. Her boss pushes her off a big assignment, prompting J.C.'s resignation. Having also become fed up with her fellow yuppie parents and their attempts at creating "designer babies" through pre-pre-school, J.C. moves to a Vermont farmhouse. But that lifestyle proves to be less than idyllic when the roof caves in, the pipes back up, the well runs dry and she's snowed in for the

winter. To while away her time, she cans baby food made from her orchard apples. She sells a few jars, develops new packaging and before you can say "Mrs. Fields' Cookies" she has a booming mail order business.

Meanwhile, she has met the local veterinarian, Jeff Cooper (Sam Shepard, in his Gary Cooper mode). As he points out, they're the only two adults under 60 in this quaint community and soon they fall in love. But then J.C.'s old company comes a-calling, wanting to arrange a takeover of her babyfood company. It's a lucrative deal and the details get J.C.'s juices flowing again. But then she realizes that back in Vermont she finally "has it all", and she turns down their offer.

"Baby Boom" is a fantasy. In the end J.C. gets to turn down lots of money for moral reasons, while still retaining a good business, a cozy country home, Sam Shepard and the cutest darned baby you've ever seen (the last item obtained without the messy problems of childbirth). It's a beyond fantasy. It's a fairy tale.

But the movie never pretends to be anything heavier. The satire is gentle and the soapbox is kept in the closet. The Vermont scenery is gorgeous, the photography is flattering to everyone involved and it all adds up to the sort of glossy, highly enjoyable entertainment that hasn't been

around much since the early '60s. What it is, actually, is a Doris Day movie for the '80s. We could do a whole lot worse.

It's rated PG for some mild language. Feature times: Friday, Saturday and Sunday at 7:00 p.m. All seats are \$2.50.

AARP To Sponsor Income Tax School

The AARP will sponsor, in cooperation with the IRS, an income tax training school for volunteer tax-aid counselors at the Best Western Motel in Cisco from January 18 through January 22.

Walter Knowlden, overall coordinator for the Cisco area, said, "Tax-aid counselors will receive 40 hours of instruction, by certified IRS instructors, to bring them up to date on all the new tax changes that have been made on this year's federal income tax returns." He also said, "Many of our counselors have been in the program for several years and they gladly volunteer all their spare time in assisting taxpayers who may need help."

There will be volunteers from Breckenridge, Cisco, Eastland, Gorman, Cross Plains, May, Brownwood, Comanche and Coleman attending the seminar this year.

The AARP tax-aid program is a volunteer program to provide income tax assistance for the elderly and for taxpayers who are unable to afford professional assistance. Nationally there are over 21,000 volunteer counselors in more than 9,000 sites who have been trained by the IRS and AARP instructors in tax law changes.

In 1987 tax-aid volunteers nationwide completed or assisted in completing over 1.25 million returns and assisted shut-ins by 29,000 visits to hospitals, nursing

homes and in their own homes.

In the Cisco area counselors will be staffing sites located in libraries, churches, community centers and senior centers from February 1 through April 15. Persons who may be shut-in or unable to go to a site may receive assistance by telephoning their nearest senior center and a counselor will make an appointment to visit them.

Counseling sites are also being established in Eastland County, Stephens County, Callahan County, Coleman County, Brown County and Comanche County.

I've Been Wrong Before

By Gordon S. Clark

From the fog of my memory came another unwelcome question, "What ever happened to ramie?" So maybe somebody will write and inform me. Unless you are a crossword puzzle addict you may never have heard of it. I went to a meeting where a man wore a nice neck tie woven from it and he was promoting its growth as a superior fiber. That was shortly after the war and about the time synthetics first invaded the natural fiber market. In all probability they drove ramie out before it even had a chance to be tried by the public.

Ramie is a very old fiber, much like linen but more durable. The wrappings on many Egyptian mummies were of linen but some were of ramie. The gum around the fibers presented a difficulty in removal and may have been the greatest reason it was less used. I do not know whether it was ever tried as a mix with other fibers. Most cloth labels read percentages of different fibers.

A popular mixed fiber cloth of the home-spun colonial days was linsey-woolsey, a mix of linen and wool but also said of cotton and wool. Mohair added to wool made a superior suit cloth though again the synthetics hurt that market.

One of the worst mixtures ever, still troubles me. It was cotton and cotton. I still remember the rotten cotton shirts we sometimes got swindled with during the depression. In one direction they were good enough but very little stress in the other ripped them to shreds. The trouble was Chinese cotton. Most often we see American upland cotton (scientific name *Gossypium hirsutum*) and some sea island, pima or Egyptian long staple cotton (*Gossypium barbadense*) but I never heard what they called that very short Chinese stuff.

Before the Reds took over we shipped large amounts of cotton to China and they shipped about the same

amount here but theirs was very short staple and thus made a weak thread and poor quality cloth. The people who needed something cheap and durable paid the two way freight across the Pacific and got stuck with inferior merchandise. I believe the Yiddish term for such goods is schlock.

Why do they grow it? It is a short season, catch crop following the rice harvest in South China. Now that we are supposedly friends with the Reds we may again be trading cotton but I think it should be totally rejected, detante not withstanding.

WORD of GOD

On Speaking in
Tongues:

And they were all filled with the Holy Ghost, and began to speak with other tongues, as the Spirit gave them utterance.

Cretes and Arabians, we do hear them speak in our tongues the wonderful works of God.

Acts 2:4,11

He that speaketh in an unknown tongue edifieth himself;

I would that ye all spake with tongues,

For if I pray in an unknown tongue, my spirit prayeth,

I thank my God, I speak with tongues more than ye all:

Wherefore tongues are for a sign, not to them that believe, but to them that believe not: forbid not to speak with tongues.

HEY DUMMY!

It's not funny!

If you're bent on driving yourself to drink, take a lesson from statistics...don't become one! Statistics will show you that there are too many people drinking and driving. As a result, people are getting hurt...getting killed. Now, the laws are getting stricter and the courts are getting tougher, but they can't do it all. There's still one person who can do his or her part...to try to put a stop to these horrifying statistics...and that's you. It's easy to remember and easy to do...don't mix automobiles and alcohol. Only a dummy would drink and drive!

RANGER
Leo and Eloise Williams and Bill and Anita Walton went to Austin on Jan. 5 to join with Governor Bill Clements' drive to sign up for more voters in Texas. An event marking the beginning of this drive was held at the State Capitol. Texas lags far behind other states in the quota of voters registered to vote, so an all-out effort to register as many as possible has begun. Bill and Anita Walton have placed voter registration cards in the Ranger Times office and the United States post office for convenience in registering. The Democratic primary will be held on March 8.

The Ranger Volunteer Fire Department Auxiliary will have a meeting on Monday, Jan. 18 at 7 p.m. at the Ranger Fire Department. Officers will be elected for 1988. All members and persons interested in joining are invited to come out.

Scoutmaster Westley

Sumpter says that the Boy Scouts still do not have enough material to complete the much needed repairs on the roof of the Scout Hut. If you would like to contribute, they still need sheets of plywood, 2x4's, etc. Your donation will be appreciated. Also, due to the economy, many Scouts have dropped out of the Troop, not being able to afford the dues. If you wish to sponsor a Scout, the annual dues are \$5. The charge for attending Summer Camp is \$75, and you also might wish to assist a Scout in attending this special event.

He has held various law enforcement positions, including that as Chief of a Crime Prevention Bureau, detective, Patrolman, and Juvenile Probation officer. He has also served in management for large corporations.

BAIRD
On Dec. 29 about 8 p.m. a 1984 Pontiac was taken from Hanner Chevrolet. At 11 p.m. the car was spotted by a passerby who reported to the Baird City Marshal Don Groce, that the car was unoccupied and has apparently been wrecked by running through the west side of the rock wall that surrounds the Baird Football field. There was an undetermined amount of damage to the car and the wall. The following morning a 14 yr. old juvenile was taken into custody by the Sheriff's Department. Reports were made from information gained from the juvenile, and turned over to the Juvenile Detention Center. This information also cleared another case of vehicle theft that had occurred several days before. It is possible that these "joy rides" have happened before, and these vehicles were returned to the dealership without incident.

Lights From The Christian World

By Josephine Cleveland

In 1938 Douglas Corrigan, a young airplane mechanic, climbed into the cockpit of his single engine plane and took off from Floyd Bennett Field in New York. He headed for California with nothing guiding him save his taste for adventure and his temperamental compass. Corrigan landed some 28 hours later in what he thought was Los Angeles.

Forgiveness Week Offers Opportunity

Are you holding a grudge? Don't feel guilty. Many of us are. But w/z don't have to hold it forever. Did you know there is an International Forgiveness Week? It's from February 8 until the 14. Robert Muller, a former Assistant Secretary-General of the United Nations, wrote this piece for International Forgiveness Week.
DECIDE TO FORGIVE
Decide to forgive
For resentment is negative
Resentment is poisonous
Resentment diminishes and devours the self.
Be the first to forgive.
To smile and to take the first step.
And you will see happiness bloom
On the face of your human brother or sister.
Be always the first
Do not wait for others to forgive
For by forgiving
You become the master of fate

questioned. They informed him he was in Dublin, 6000 miles off course.

"I got up in the clouds and flew the wrong way," he exclaimed, blaming a stuck compass. The consequences of this navigational blunder earned for him the name, "Wrong Way."

Proverbs 14:12 tells us, "There is a way which seemeth right unto a man, but the end thereof are the ways of death." Corrigan was fortunate. He flew the wrong way and survived but how often there are those who do the things that

seemeth right to them and do not survive. Often the thrills and highs they receive from drugs, alcohol, and permissive sex, and such leads only to heartaches and despair. They are lost in the "clouds" and lose their way.

Solomon tells us, "The fear of the Lord is the beginning of knowledge, but fools despise wisdom and instruction" (Proverbs 1:7). Solomon offers his Godly wisdom, "Trust in the Lord with all thine heart and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths" (Proverbs 3:5,6).

God's word is a never failing guide. The practical wisdom of taking God into consideration in every aspect of life continually enables one to make right choices and prevents us from losing our way.

Cable TV Campaign Successful

Officials at TCI Cablevision of Texas Inc. announced that as a result of their annual Toys for Totz campaign, 188 toys were received by community children in time for Christmas.

The TCI Cable office was the collection point for all new toys donated through the cable system to needy children. Those who donated a toy valued at \$9.95 or more were offered free installation of new basic or premium cable service.

"Our community residents continue annually to support this worthy cause and I would like to thank all who contributed," stated Robert Moore, System Manager.

Through Eastland Goodfellows, Ranger Volunteer Dept. and Cisco Goodfellows, and were received just in time for Christmas.

The Next Best Thing -
.....to a clear conscience and a good night's sleep is the feeling of security in owning your own home with a clear title. Peculiar to the real estate field, values are based on land and the improvements thereon, if any. But values on these are based on the title. The title then becomes the most important item to be considered when purchase of real property is contemplated. So be careful to buy good title based on an abstract of title or a policy of title insurance.

How to live high on the hog and steer clear of the fat.
It's easier than you might think. The cause, believe it or not, cutting down on saturated fat and cholesterol doesn't mean cutting out pork and beef. It simply means being more selective. Taking the time to find the leanest cuts of meat and asking your butcher to trim away as much fat as possible.
To find out more about having your steak and eating it too, stop by during American Heart's Food Festival. Sept. 13-19. We'll be passing out some information that will help you live to your stomach's desire and your heart's content. And that's no bull.

Cisco Woman Wins Award

Jayne Bridges of Cisco has received an "Award of Merit Certificate" from World of Poetry in Sacramento, Ca.

Mrs. Bridges entered a poem entitled "Fates Sons" in a writing contest and received Honorable Mention.

Mrs. Bridges and her husband, Jackie, are the parents of four children, Kelly Bridges, David Bridges, Melissa Medina and Shannon Bridges. They also have one grandson, Jackie Medina.

Mr. and Mrs. Bridges are employed by Russell Newman.

Mrs. Bridges' winning poem is as follows:

FATES SONS
A Mother often wonders...
What fate will be her sons,
A life of rich and gracious things
Or that of poorer ones.

And if it be the later
Will he be strong and brave,
Or weakness overcome
him

And ruin his life with
crave.
Then she looks upon his
face
And sees the goodness
there,
And in her heart can see
No reason for despair.

He stands as does a mighty
oak
God, mankind and world to
love,
With helping, loving hand
from her,
And Guiding light from up
above.

And when the task of rear-
ing
Seems to be said and done,
A Mother will still Wonder
What fate will be her sons.

Dear Bob Bullock:
I own a small bakery with tables and chairs for customers to use when eating on the premises. Should I collect tax on orders

that are eaten in the bakery and on orders that are "to go"?

B.L.M. Waco

Dear B.L.M.:
That's a good question. You should collect tax on bakery goods that are sold for consumption on the premises. You should not collect tax on baked goods that are sold "to go"

Dear Bob Bullock:
I am the treasurer for a for-profit private club, and I need to know if some of our club fees are taxable. The ones I'm not sure of are our liquor pool fees, membership fees and scholarship fund fees.

quor pool and membership fees are taxable since they are fees charged for an amusement service that entitles members to bar privileges. But the fees for the scholarship fund are not taxable.

Dear Bob Bullock:
We provide chemical and cleaning services to residential swimming pool owners. All of our chemicals are purchased in bulk quantity and we pay tax to the supplier at the time of purchase. We bill our customers a flat rate each month for our services. Are we required to collect sales tax on our service fees?

T.J.O. San Antonio

Dear T.J.O.:

Yes, you are. The total charge for materials, labor, transportation and other items is taxable, whether billed as a lump sum or charged separately. But any materials that are transferred to your customer, such as the chemicals you put into a pool, can be purchased tax-free with a resale certificate. You do owe tax to your supplier on equipment and supplies you buy to perform the service, such as a suction hose or chemical container.

Dear Bob Bullock:
I rent, sell and lease plants and I'm not sure when I should be collecting sales tax, and on what items. Maybe you can clarify this for me? G.P.

Fort Worth
Dear G.P.:
You bet I can clear it up for you. You need to collect tax when you sell, lease, rent, or take care of plants. The collection of tax used to depend on who was responsible for the plant, but this changed when the new tax law went into effect on October 1 this year. You can issue resale cer-

tificates for plants you buy and sell and for plant food, soil and other items that you transfer with the plant to your customer. Landscaping services are now taxable, except for mowing right-of-ways, trimming trees for power lines, and some services performed on farm or forest land when the plants and trees are grown for selling purposes.

Tickets On Sale For Tom Wopat Concert

Actor/Singer Tom Wopat, who has become well known as Luke Duke on the television series "Dukes of Hazzard," will be in Eastland at the Majestic Theatre on Thursday, January 28.

Mr. Wopat is becoming a singing star with records of "Susannah" and his new LP "A Little Bit Closer" climbing the popularity charts. Music and his singing career are the first loves of Tom Wopat, who continues to be quite successful as an actor. He even writes many of the popular songs that he sings.

Singing what he calls "progressive country," Mr. Wopat will be accompanied by one or more bands but we are yet to learn if his band. "The North Hollywood All Stars" will be here.

There will be a 90 minute show with an intermission and all seats will be reserved. Theater manager Gary Ford reports that public response to having Tom Wopat come to Eastland has been great, and now the appearance has been confirmed. Tickets will range from \$5 to \$12.50 with most being \$7.50. Ticket outlets

will probably include locations in Eastland, Cisco, Ranger, Breckenridge and maybe Gorman.

Tickets will go on sale early next week and more information should be in the next issue of this newspaper as plans are finalized.

After starring with John Schneider as Bo and Luke Duke, Wopat and Schneider again got together to play in the CBS Christmas Special "Christmas Comes to Willow Creek." Wopat has the dark hair while Schneider is blonde.

Starring in plays in Washington, D.C., and New York City, Wopat has been called back to Hollywood to star in a CBS prime time, hour long, weekly family drama that is to begin this month called "Blue Skies". It is about a widower and a divorcee who have married, bringing kids from the former marriages along with his dad.

But Wopat still finds time for an occasional concert in his busy schedule and will be singing "Love," "I Won't Let You Go," "Put Me Out of My Misery" and "True Love."

Fishing Outdoors

By Terry Wilson

A very important moment in the 1988 E.C.B.C. season will be Thursday, January 14th. Voting of proposed changes will be taking place at this time. All past and future members are urged to attend. These changes need a 100% attendance in order for an accurate representation to be made.

Voting will begin at 7:30 p.m. sharp!

Many changes are proposed for the 1988 season. Your vote could be the determining factor in the direction this organization travels.

Friday, January 15, 1988, the awards and recognition of achievements for the 1987 season will be held at The Crossin' Restaurant in Eastland, Texas. Ceremonies will begin at 7:00 p.m. sharp. This event is for all members, family and guests. Members are required to pay for any guest and family members who do not qualify.

This event will consist of awards for first, second and third place winners in the E.C.B.C. monthly club tournaments, monthly big bass winners, announcement of the T.A.B.C. Region III Top Six team, the top point man for 1987 and cash awards for the top three anglers by total weight for 1987. Also recognition will be given for special individual accomplishment for various reasons during 1987.

Big bass have earned their places in the minds of anglers everywhere. But the size of the big bass doesn't

just happen. Somewhere down the generic line big fish are thought to have inherited these genes as a rule. Some bass do reach lunker size due to old age. But for the most, big fish are bred.

There are many anglers nationwide who simply fish for bragging size bass. But most of these gentlemen are firm believers in not removing these genetically better bass from the waters. They are simply satisfied to have had the chance to hunt, hook, fight, and release a bragging bass.

Is there a move by organized clubs towards possibly harming our lunker populations statewide? There are an increasingly large number of big bass

clubs only in practice at this time. Perhaps if we mention to them our concern, they could find a reward for their members to see that each fish is released alive and chemically treated. Why not set down and write your letter today to these folks. After all, we all want fishing for years to come to be the best we can make it today.

Cisco Girl Scouts To Begin Selling Cookies Friday

Cisco Girl Scouts will kick-off the annual Girl Scout cookie sale on January 15. The girls will be taking orders through February 1; then cookies will be delivered to customers from February 19 to February 29. Payment for cookies will not be accepted until cookies are delivered.

is a major fund raising project held annually to help enable the important work of Girl Scouting to be carried out in our community. The sale provides a sound program experience for girls.

In recognition of the World Community of which we are a part, this year's cookie sale theme will be "A World of Friendship." The Girl

Scout cookie sale experience along with other Girl Scout program events can be a girls first understanding of their role in the World Community as they achieve their troop's goals.

Girl Scout council president, Janice Smith of Weatherford, says that the cookie sale is much more than a simple fund raising activity. "As we begin our

sale this year, we realize that we are carrying forward a tradition of quality - quality program for the girls in our communities and a quality product for the hundreds of thousands of customers who enjoy Girl Scout cookies each year," Smith said.

There are currently more than 47 girls in two troops in Cisco who are benefitting from the Girl Scout program. Volunteer leadership for the girls is provided by more than 12 adults in our community. Girl Scouts in Cisco are part of the Heart of Texas Council which serves more than 3500 members in central Texas.

While earning is a vital reason for the annual cookie sale, learning continues to be the value that takes precedence for the Girl Scout organization.

Girls establish their own sales goals. They have an opportunity to learn that a well-known product whose quality is carefully controlled is easy to sell; customers appreciate courtesy, promptness and reliable delivery of goods; effort and initiative are rewarded by the incen-

tives and awards system; the hard work of each member contributes to the shared success of all members in reaching program goals.

Girls take pride in earning their own way for special events, including summer camp. Camping facilities were built and are maintained through the cookie sale. Heart of Texas Girl Scout Council has operated a resident camp at Lake Brownwood since 1956.

Planning and decision making, an important part of the Girl Scout program, are also an inherent part of the cookie sale. It offers girls an opportunity to set goals for a special project, to make worthwhile choices for the use of money, to establish and live within a budget, to be responsible for management of their own bank account.

According to president Smith, the Girl Scout cookie sale is not perceived by the public as just another fund drive for very good reason. "Girl Scouts have been selling cookies for more than 50 years. In a sense, we have

raised our own market. Grown up Girl Scouts who are wives and mothers today have fond memories of their cookie selling days. They

remember being scared to death to knock on that first door to make that first sale, and they remember that each new sale made them

walk a little taller as they discovered friendly, interested, caring support of their Girl Scout aims," Smith said.

Cisco Lobo Varsity Basketball Team Lose To Gorman

By LORI ANN SPEEGLE
Last Tuesday night the Lobos played the Gorman Panthers in Cisco. The Lobos went into this game with the gumption to win. The Lobos have failed to beat the Panthers in the 87-88 season of Lobo basketball.

At the half, the Lobos had pulled off what must have been a great upset to the Panthers as they were leading 33-28. The team didn't quite keep the will up that they had started with and lost the game 59-49 to Gorman.

Jason Phillips, number 12 of the Lobos, scored 19 points and Campbell of the Panthers scored 21 points.

Phillips was helped by Kody Wallace, number 34 for the Lobos. Kody had 8 points, Roark, number 40, had 4 points, and Hohertz, number 24, had 2 points.

The Lobos played the Dublin Lions Friday, January 7, in Dublin. This game began the district season for the Lobos. The game was a great upset for them. Although the Lobos only lost by 2 points, they were not playing as well as usual. Only 30 percent of the Lobos free throws were made, as compared to 60 percent of the Lions. Jason Phillips was once again the leading scorer for the Lobos. Jason made 17 of the

Lobos 42 points. Teddy Patton of the Lobos followed Jason with 10 points, 9 rebounds and 4 fouls. Other members of the team scoring were Hohertz with 8 points, 3 rebounds, and 2 fouls. McGuinness, number 50, scored 6 points, had 3 rebounds, and 2 fouls. Wages was another scorer for the Lobos. He had 6 points, 2 rebounds and 2 fouls. Roark had 6 points, 1 rebound and 2 fouls.

The Lobos may have lost their first district ballgame, but they hope to be on top after their games this coming week.

The Lady Lobos played Eastland here Tuesday and will meet Ranger in Ranger on Friday. All four teams will play with games beginning at 4 p.m.
