Final Jury Selection In Garcia Trial Continues

Prospective jurors for the Organized Crime Trial were still being questioned individually in the 91st District Courtroom Friday.

At Presstime, more than 40 people had been instructed to return Monday. Court officials indicated that final jury selection would begin at that time.

Joe Thomas Perry and Barbara Williams are being tried in connection with the 1981 death of Debra Jo Garcia of Cisco. They are the sixth and seventh people to

be tried in this case. Judge Herman Fitts of Palo Pinto is presiding in this latest trial. The Judge said Friday that is seemed like an unusual number of people did not respond to the jury summons. A number of these have been accounted for, however.

Five hundred people were called up as prospective jurors.

CHS Class To Present Picnic And Dance

The Cisco High School Class of 1989, will present a picnic and street dance, from 6 p.m., to midnight Saturday, August 27, in the 100 block of East 5th, in front of the old Rockwell Lumber Yard.

Hamburgers will be sold for \$1.50 and soft drinks for 50 cents. The dance, for all ages, will begin at 8 p.m., with Jason Phillips as disc jockey. Admission to the dance is \$3.

Proceeds from the activities will go towards the seniors end-of-school trip to the Bahamas.

Swimming Pool To Have Splash Weekend

The Cisco Swimming Pool will have a Splash Weekend, Saturday and Sunday, August 27 and 28, according to a report from Shirley Darr, pool manager. There will be no admission to the pool for those two days.

The City Pool will close after Sunday and will not open again until next summer.

Cisco Community Youth Choir To Begin Rehearsals Sunday

A Community Youth Choir has been formed and is being sponsored by First Baptist Church. The choir will rehearse every Sunday from 5:30 p.m. to 6:30 p.m. beginning September 4th at the First Baptist Church.

The choir will be rehearsing a collection of Christmas songs arranged by Ted Nichols, the composer of

music for the Flintstones, Scooby Doo and Johnny Quest. The music is very exciting and upbeat and will be a challenge to learn and perform.

Any young person in grades 7-12 is invited to participate. Doug Bromley, minister of music at First Baptist, will direct the music.

Students Required Current Immunizations

All children entering Early Childhood or Kindergarten in the Cisco School System are required to have DPT, Polio and MMR immunizations up to date. All Junior High and High School Students who have not had a DT immunization in 10 years are required to have one before entering school next week.

There will be an immunization clinic held Thursday, Sept. 8, from 10 a.m. to 11 a.m. and 1 p.m. to 3 p.m. at 611 Commerce in Eastland. Charge will be determined on a sliding scale of parents income, number in family, etc. All children must be accompanied by a parent. If you

plan on attending this clinic please come by the nurses office on Thursday, Sept. 1 or Friday, Sept. 2 to pick up a form to be filled out. If she is not in her office go to your principal to obtain a form.

CHS Yearbook Staff To Hold Meet Aug. 31

The Cisco High School yearbook staff will meet Wednesday, August 31, at 9:30 a.m. with Mrs. Chambers in the typing room. Mr. Jacks will meet with them at 11:00 a.m.

Charlie's Pets, Fish And Supplies Is New Business

Charlie's Pets, Fish and Supplies, located at 711 Conrad Hilton Ave., opened their doors last week in Cisco. Owners are Charlie Tatum and Star Reese.

They have several birds including parakeets, (especially a beautiful baby blue parakeet), a Nanday, finches and several other animals. They carry supplies including bird cages.

Some of the other animals they have are guinea pigs, mice and ferrets. They have several aquariums filled

with tropical and salt water fish. They even have a Band-ed Shark.

Star said they will a supply of aquariums in the near future.

Charlie and Star said they would like to invite everyone to stop by their business for all their pet supplies and needs.

They are open from 9 a.m. to 6 p.m., Monday thru Saturday. Their phone number is 442-3001. See their ad in this issue of the paper.

Drug Fighting Task Force Needs New Ammunition

The strongest weapon in West Texas in the War on Drugs is running out of steam, and if the West Central Texas Interlocal Drug Task Force isn't strengthened with cash soon, it could be out of business.

A number of Eastland Countians attended a meeting of the 13-county force Thursday, and heard Native Eastland Countian James Eidson, Taylor County District Attorney, report: "Without funding, this task force is in danger of being extinct."

The Force in its short eight-month life has solved 133 drug cases involving 92 defendants and seized some \$800,000 in cash, five vehicles, 12 weapons and 100 pieces of jewelry.

Several of the successful busts have been in Eastland

County it was pointed out.

Emergency funding for the Task Force is set up on a population basis, and Eastland County's share of the needed \$75,000.00 is \$5,325.00. This needs to be raised by October to be eligible for federal funding of \$175,000.

Attending from Eastland County were Sheriff and Mrs. Don Underwood, Mayor C.W. Hoffmann Jr., and Attorney Mike Siebert, all of Eastland; and Cisco Police Chief Billy Raines, Cisco Detective Adrian Huddleston and Accountant Joe Cooper.

With increased funding, law officials indicated that great strides could be made against the illegal drug traffic.

Citizens Are Reminded Of Water Conservation

The City Council reminds all residents and Cisco water users that the city's Voluntary Water Conservation is still very much in effect; and still very necessary during the extremely hot and dry weather we are experiencing. City Manager Michael Moore stated that since June 15th Lake Cisco's water level has dropped five feet.

The largest portion of this significant loss must be attributed to the very high evaporation rate we are experiencing now. However, water consumption is also up substantially. During the month of July, average daily consumption was up to 801,000 gallons per day; and for the first 23 days of August, consumption daily average has risen to over 916,000 gallons per day. This amounts to a 35% increase in daily average annual rate.

If water consumption continues at this rate, and we receive no relief from the weather, the

City Council will have no choice but to consider mandatory curtailment at their September 13th meeting. According to Moore, this action will definitely result in very restricted outside irrigation for all water customers, and strict enforcement on the part of the City.

The current voluntary water conservation program means irrigating is restricted to two days a week only -- Tuesday and Saturday, 1 a.m. to 12 noon.

While the City is diligently pursuing the lengthy and complex process of acquiring an additional long-term, stable alternate water source, our residents and water system customers must continue to cooperate and work together to conserve and not waste the limited resources of Lake Cisco until an efficient alternate source can be obtained.

29 Members Of Pacific Atlantic Crossing Tour Stopped In Cisco

Twenty-three bicyclists and six crew members in three vans who are with the Pacific Atlantic Crossing Tour stopped for a brief rest in Cisco last Monday, at Madison's Western Store. They had started from Snyder, Texas, early Monday morning and were expected to spend the night at the Classic Inn Motel in Eastland that night.

The group are riding their bicycles from San Diego, California to Jacksonville, Florida. They started their journey on August 14, and expected to be in Florida on August 30. They will fly home at the end of their trip. The cyclists are from across the United States but one is from Great Britain. They reached the halfway mark of their journey, just outside of Moran, Texas, and celebrated with cherry cheesecake.

They ride 8 to 12 hours a day and stay in motels at night. The shortest day has been 143 miles, but the longest they have ridden in one day is 183 miles. That was from El Centro, California, to Hillaband, Arizona. The temperature was 110-115 degrees that day.

One crew member is ahead of the group at the stop place, the next crew van is stopped middle way and one crew member remains behind the group in case someone needs help to finish the ride.

Jo Ann Madore, crew member, said everyone in Texas has been the friendliest of all people they have met. She said at one town in another state, they were asked to leave the resting spot in front of a business. She said Don Schaefer, owner of Madison's even told them to park in front and he made them feel so welcome.

The bicycles, according to Madore, are high tech machinery. She said they are 10 to 12 speed and weigh about 14 pounds. The tandem cycles had 18 gears on them.

The cyclists range in ages from 19-to-61. They begin their training in early February. They usually have to begin their practice indoors if they live up north. Madore said a cyclist has to get their body use to cycling all day long.

The riders use 600 to 800 calories an hour when cycling. They drink about 6 cups of water an hour and eat fruit and granola snacks, between meals, during their ride.

Their average speed is 40-50 miles per hour. The

ride they are on now, is a real endurance trial, but, this is how most of the riders are spending their summer vacations.

Madore said these are the best riders in the country. She said two of the men in

the PAC tour, Lon Haldeman and Pete Penseyres are cross country winners. They have crossed America on a tandem in 9 days.

Some of the girls in the tour have raced in Europe. Susan Notorangelo has won

the race across America twice. She is the one who started this tour.

The group left Eastland Tuesday morning to go to Corsicana and then to San Augustine. They will then go across Alabama and onto Florida.

Harry Garvin Tells Rotary Club About God's Word Related To AIDS

Harry Garvin, former pastor of Cisco First Baptist Church, spoke to the Cisco Rotary Club at their regular meeting held last Thursday at White Elephant Restaurant.

Garvin, who has just returned from Uganda, said

the government has decided to begin using pamphlets given out by the Baptist of Uganda on "God's Word Answers Five Questions Related To Aids." Garvin said under the present government, stability is improving in the country of Uganda.

Garvin said if God's word is used in controlling the AIDS disease, then the disease can be a 'has-been' in the future.

Another pamphlet given at the same time is entitled, "Medical Science Answers Five Questions Related To AIDS." Garvin said these pamphlets are taken to schools, libraries and public meeting places.

Uganda, is the center of the AIDS virus. Garvin said one out of five pregnant women who were tested for the H.I.V. virus, in the city of Kampila, Uganda, tested positive. Garvin said in 10 years, the women who tested positive will be dead. He added, that all the children born by these women will all die of the disease.

Garvin said AIDS is a world-wide problem now. It is not only in the country of Uganda. But, he said in four years, it is estimated that 1 million people will die in Uganda with AIDS.

The pamphlet on God's

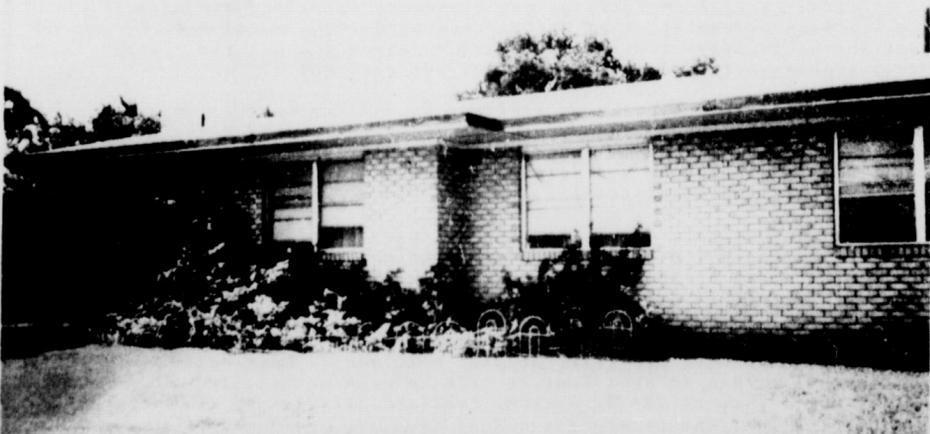

Word had five points on it. 1. What is God's Plan for Sex and Marriage?-- Sex is only for husband and wife together; sex outside of marriage is foolish and deadly. Proverbs 5 and 7. Sexual immorality is like living in darkness; sex in loving marriage is wisdom and light. Ephesians 5. Whoever rejects God's teaching about sex and marriage rejects God Himself- I Thessalonians 4:1-8.

2. How Can I Control Sexual Behavior?-- Knowing what is right is not enough; doing what is right is only possible through the Holy Spirit- Romans 7:14-17. You can choose a life controlled by human nature or life controlled by the Holy Spirit- Galatians 5:16-26. Don't be influenced by your past mistakes; get a new start through confession and forgiveness- I John 1:5-2:6.

3. What is My Responsibility Toward People With AIDS? Treat them as you would Jesus Himself; give food, drink, clothing, shelter, nursing care, and comfort- Matthew 25:31-46. Treat them as your neighbor; be filled with pity, give medical care, and take care of their physical needs- Luke

(From Page 1...)

10:25-37. Treat them as yourself; prove faith by actions-James 2:8-26.

4. How Can I Receive Comfort If I Have AIDS? God is still God; trust in Him-Psalms 23-27. Nothing can separate you from God's love-Romans 8:18-39. God's love and forgiveness are greater than all sin and guilt-Psalms 103. God can heal-James 5:13-20. God controls life, death and eternal life-John 11:17-44. Live by faith and not by sight-2 Corinthians 4:13-5:10. Additional comforting readings-John 14, 1 Corinthians 15, Luke 5:12-26, Psalms 40-41, 1 Peter 1, 1 John 4:7-21, Matthew 11:25-30.

5. How Can I Live Forever If I'm Dying From AIDS? Repent of your sins-Acts 2:32-47. Put your faith in Jesus-Romans 3:21. Receive assurance of eternal life-1 John 5:11-15.

Garvin said the people in his churches need bicycles and a roof over the top of a church. He said the Cisco Rotary Club can be in the forefront of helping the Baptist churches in Uganda achieve them.

Garvin read verses in the Bible to give even more meaning to his talk. In James 2:15-17 he read, "If a brother or sister be naked, and destitute of daily food,

And one of you say unto them, Depart in peace, be ye warmed and filled; notwithstanding ye give them not those things which are needful to the body; what doth it profit? Even so, faith, if it hath not works, is dead, being alone."

Garvin spoke in two languages that are spoken in Uganda. He said the home they had lived in before in Uganda was burned in February of 1986.

Garvin said he was saved when he was 8-years old and preached his first sermon when he was 12-years old in a Lueders church.

Ken Diehm gave the invocation and led in the Pledge of Allegiance. Bural Chambers presided over the meeting. Bill Philpott was in charge of the program and introduced Pastor Garvin.

Guest at the meeting was Marvin Culp, new administrator at E.L. Graham Memorial Hospital. Attendance was 68.18 percent for Thursday and 78.25 percent for the month of August.

1945-46 Classes Enjoy Reunion Aug. 20

Eighty-three people including 24 from the class of 1945 and 25 from the class of 1946 and four ex-teachers were reunited at a reunion held at the Corral Room August 20.

The group began to gather at 10:00 a.m. for a time of visiting and renewing old friendships. Highlight of the morning was a visit from Beryle Cutting and husband Dick from Lake Leon.

At noon the group went to the Cisco Junior College Cafeteria for a very enjoyable meal. The blessing was given by Rev. Harry Grantz of Amarillo.

Returning to the Corral Room after lunch, Joe Philpott, presided over a program that included several trivia questions about events that happened in 1945 and 1946. Next he reported on several ex-students that could not attend but had sent their regards. He then read the names of the ex-students that have passed away. These were remembered with a time of silent prayer.

The group was led by Joe in singing the "Varsity" after which a round of applause was given for Ella Cone Nelms and Wanda Joyner Nelms for the efforts they put forth in planning the reunion. It was decided to have another one next year.

One of the ex-teachers, Lela Latch Lloyd, gave a talk entitled "Down Memory Lane".

Next Joe called on Arlin Bint, another ex-teacher, to say a few words. Mr. Bint stated he believed that half the people who travel Interstate 20, on which he lives, are ex-students of his because there is always someone honking or waving day and night.

Olga Fay Ford Parker, another ex-teacher, told the group that she remembers her ex-students that were either very good or very bad. Before the group dispersed, several decided to meet again at K-Bob's for dinner at 7:00 p.m. There were 24 that attended and another good time was enjoyed by this group.

Those attending from the class of 1945 were: Vera Doyle Tarver of El Campo; Dwayne Doyle of Jax, Florida; Nora Beth McKinney Dudley of El Paso; Ella Joe Cone Nelms of Bridgeport; Norval D. Gallogher of Dallas; Betty Amerson Anderson of Arlington; Billy Carroll Anderson of Arlington; Colleen Owens Green of Eastland; Alene Knowles Brawley of Vidor; Bobbie Miller Cornish of Fort Worth; Peggy Nix Miller of Brownwood; Melvin Proctor of Houston; Bill Dobbins of Highlands; Mac Harrelson and Mayonne Lomax Harrelson, both of Lubbock. Those attending

from Cisco were Velda Weathers Witzsche, Charles Preston, William Graham and Delores Kilgore Sharpe, Billy Lloyd Sharpe, Joe Philpott, Emma Lee Jones Nichols, Don Gorr and John Nelms.

Those attending from class of 1946 were John Edward Dudley of El Paso; Robert Scott of Tulsa, Oklahoma; Marjorie Reynolds Grantz of Amarillo; Bill Greenhaw of Abilene; Nelda Smith Nesloney of Corpus Christi; Glover Duff of Arlington; Donald Blackburn of Big Spring; Dail Page of Station; Max Cawley of Abilene; Wanda Hibbert Olson of Abilene; Robbie McNeely Garrett of Brownfield; Patsy McCrea Isenhower of Santa Anna; Jim (Punk) Sauls of Allison; L.C. Agnew of Abilene; Charlie Pence of Bellaire; Coise Walker Cawley of Conroe; Mary Winn Wood of Tyler. Those attending from Cisco were Dorothy Cooper McCune, Laverne Steffey Andrews, George Brown, Patsy Morrison Philpott, Ted Fields, Emma Lee Wende Donovan and Wanda Joyner Nelms.

Visitors attending were Fred and Wanda Johnson of Jacksboro; Dick and Beryle Cutting of Lake Leon; A.L. Tarver of El Campo; Caroline Doyle of Dallas; L.J. Nelms of Bridgeport; Mrs. Norval Gallogher of Dallas; Coy Miller of Brownwood; Rita Proctor of Houston; Beulah Dobbins of Highlands; Harry Grantz of Amarillo; Mrs. Bill Greenhaw of Abilene; Joan Penn Blackburn of Big Spring; Jan Teel of Brownwood; Dorothy Joe Garrett Knight of Midland; and John and Katherine Reynolds Deere of Plano. Those attending from Cisco were Bill Philpott, Emma Morris, Teddy and Nina Anderson, Olga Fay Parker, Arlin Bint, Lela Latch Lloyd, Alma Philpott, Mrs. Ernest Damron, Margie Bryant Mitcham, Dorothy Preston, Johnny Bob Graham, Mrs. Virgil Brown, Carson and Omalee Holdridge and Robert (Jib) Donovan.

Yolanda Derstine Is Guest At Cisco Lions Club

Yolanda (Walters) Derstine was a guest at the Cisco Lions Club at their regular meeting held last Wednesday at White Elephant Restaurant.

Yolanda, who is a 1980 graduate from Cisco High School, recently returned from a missionary trip in India. She brought a letter from a Lions Club in India to the Cisco Lions Club.

The Indian Lions Club wrote asking for help for a young girl in India who has had polio since she was very young. They believe the girl can regain the use of her legs with an operation and they were asking the Cisco Lions Club to co-operate with them in getting the operation.

Members voted to see about helping the India Lions Club.

Steve Thomas was in charge of the program. He asked Wylee Peebles to show the slide show of the trip the Wrangler Band and Belles took last year to Vamos A Tabasco, Mexico.

The Wrangler Band was the only band marching in the parade, and they led the parade. The parade was 2½ miles long and the parade lasted 3 hours. There were an estimated 85,000 people at the parade.

The band and belles also performed in a concert and a river parade during their Mexico visit.

In other matters Lions Club members were given tickets for the Lions Club Benefit Bowl to be held September 17, at 7:30 p.m., at the Buckaroo Stadium in Breckenridge. The Cisco Junior College Wranglers and the Ranger Junior College Rangers will play in a football game.

Adult tickets for the game are \$3.00 in advance, and \$4.00 at the gate. Student tickets are \$2.00 in advance and \$3.00 at the gate. Tickets can be bought from any Lions Club member or picked up at the Cisco Press.

Other guests at the meeting were C. Lee Smith, Lions Club zone chairman from Clyde, and John Dyer, Jr.

Dr. Chief Brown led the

Lions roar, Steve Thomas gave the invocation, Ronnie Ledbetter presided over the meeting. Wylee Peebles led the club in singing and in the Pledge of Allegiance.

Ledbetter Attends Conference In Washington

Rodney Ledbetter, son of Larry and Peggy Ledbetter of Cisco, joined approximately 350 outstanding recent high school graduates from across the country at the National Young Leaders Conference August 9-15 in Washington, D.C. Rodney was selected as a Congressional Scholar based on demonstrated academic achievement, leadership and citizenship. He is a May 1988 graduate of Cisco High School.

The theme of the National Young Leaders Conference is "The Leaders of Tomorrow Meeting the Leaders of Today". Throughout the six day Conference, the Congressional Scholars met with key leaders and newsmakers from the three branches of government, the media, and the diplomatic corps.

Culminating the National Young Leaders Conference was the Mock Congress in which the Scholars assumed the roles of United States Representatives by debating, lobbying, and voting on proposed drug testing legislation.

The National Young Leaders Conference is sponsored by the Congressional Youth Leadership Council, a non-profit, non-partisan educational corporation. Founded in 1985 by Co-Chairmen Barbara Harris and Richard Rossi, the Council's goal is to provide a unique "hands on" experience in civic education. Over 250 Members of the United States Congress comprise the Council's Honorary Congressional Board of Advisors joining in the commitment to educational excellence.

An Open Letter to:
THE CITIZENS OF EASTLAND, CISCO AND SURROUNDING AREAS

Dear Supporters,

First of all, we would like to express our sincere appreciation to those who have signed up as members of the Patterson Ambulance Emergency Service. Right now, we have approximately 900 members to start our next year, for which we are most grateful.

We learn that many others are planning to join but just haven't gotten around to it, and we would encourage one and all to act now to become members because our membership support is what makes it possible for us to offer this service.

In telephone conversations and in person, we have also learned that many might be waiting to see "if we make our goal" before they join because they don't want to join if the service is not going to be here in the future. This is understandable, but unfortunately it won't help us to reach our goal or provide the ambulance service.

After careful analysis of our expanding operating expenses, it has been determined that the minimum of 1,700 members must be met for us to offer the current service and/or advance the service to a higher skilled level of care for our patients.

We are taking a positive attitude because we want to continue to live in this county and provide this service. We believe we can reach the minimum and we would encourage citizens to share our positive attitude by signing up and joining fellow citizens in helping to provide this important service.

In the unlikely event that the minimum is not reached, members will be refunded a pro-rata amount of the membership fee, so there's nothing to lose by joining, and everything to lose if the ambulance service is lost in our-area.

Applications are available through the county. If you need an application call 629-2882, we will mail you an application or we will sent someone to your home to pick up your membership. You may visit our office at 201 S. Ostrom, Eastland, Texas. We look forward to Serving Eastland County for a long time.

Wedding

Mitchell - Owen

Sharla Gene Mitchell of Moran became the bride of Jim Owen of Albany on Saturday, August 20, 1988, at 7:00 p.m. in First Baptist Church at Moran.

Mitchell of Moran. The groom's parents are Mr. and Mrs. Norman Owen of Eastland.

The bride is the daughter of Mr. and Mrs. Eugene E.

The Rev. John D. Stainslaw, Pastor of First Baptist Church, Santa Anna, officiated the double ring ceremony before an arched

candelabrum flanked with 7-branched Candelabra entwined with greenery, silk flowers and white doves.

The bride, given in marriage by her Father, wore a gown of soft white bridal satin featuring a fitted bodice with V-shaped neckline and dropped waist. The bodice and long sleeves were enhanced with aleon lace appliques, beads and iridescent sequins. The skirt, with matching lace edge, flowed into a cathedral train. The bride's veil of bridal illusion trimmed with orange blossoms and pearls was borrowed from her sister, Mrs. Sheryl Scott. The bridal bouquet was white silk roses, white lace leaves, pearls and iridescent beads entwined with white miniature lights. The bride carried out the tradition of something old, something new, something borrowed, something blue and a penny in her shoe.

Melanie Mitchell, sister of the bride, was Maid of Honor. Sheryl Scott, also sister of the bride, was Matron of Honor. Bridesmaids were Jana Kit-chens of Albany and Gay Adams of Moran. Candelighters were Miss Dora Cook of Stephenville and Connie Hudson of Moran. Tera Hudson of Moran was flower girl. The attendants wore identical gowns of antique satin with lace overlay to the knee, flaring into long, gathered trains. The bodice featured a sweetheart neckline dropping into a deep-V in back with 3 strands of pearls draping across the back. The dresses were accented with lace puff sleeves and large satin bows back of the flounces. They wore alternating colors of burgandy

and navy. They carried lighted candles in crystal votive cups with navy and burgandy silk roses, ribbon, English Ivy, pearls and baby's breath. They wore pearl necklaces and earrings, a gift of the bride. The flower girl wore an identical dress in navy and carried a lace basket filled with navy and burgandy rose petals.

Terry Knowles of Albany served the groom as best man. Groomsmen were Kelly Scott, brother-in-law of the bride, and Mick Hammond, both of Albany and Ken Swift of Graham, Texas. The groom wore a silver gray Dynasty Tuxedo with tails with gray cummerbund and bow tie. The groomsmen wore gray tuxedos with alternating burgandy and navy cummerbunds and bow ties. Jason Warren, cousin of the bride, from Gorman, Texas was ring bearer. Ushers were Chance Mitchell, brother of the bride, and Michael Warren, cousin of the bride of Gorman. They wore tuxedos identical to the groomsmen.

Mrs. Garland Shelton of Moran was organist. Soloists were Sara Maxey and Randal Palmore, both of Albany. They sang "Both to Each Other" and "Nobody Loves You Like I Do" with Palmore's accompaniment on the guitar.

For her daughter's wedding, Mrs. Mitchell wore a tea length gown of iridescent wine taffeta and lace, sweetheart neckline, full gathered skirt and Elizabethan sleeves. The groom's mother chose a tea length gown of misty mauve chiffon with accented pleated skirt with wrist ruffled hem. Both wore wrist corsages of silk burgandy and

navy roses and baby's breath.

The bride's parents hosted a reception immediately following the ceremony at the Moran Community Center. Guests were registered by Mrs. John Meadows, sister of the groom, of Lewisville, Texas.

For going away attire, the bride wore a navy blue double breasted coat dress trimmed with silver nautical buttons and navy shoes. Following a wedding trip to Waikiki, Hawaii, the couple will be at home in Albany.

The bride is employed at Peoples State Bank in Moran. The groom is

employed at Halliburton Services in Albany.

The rehearsal dinner, hosted by the groom's parents, on Friday, August 19th, was catered by Fort Griffin General Merchandise Restaurant at the Pioneer Building in Albany.

The bride was honored with a miscellaneous shower on July 19, 1988 in the home of Mrs. Richard L. Johnson, Jr. in Eastland, Texas and at First Baptist Church in Moran on July 23, 1988. On August 4, 1988, The Peoples State Bank of Clyde and Moran hosted a reception shower at the bank in Moran.

Eastland County Adult Leaders Attend Training

Eastland County Adult Leaders attended the Statewide 4-H Foods Project training which was sponsored on August 13-14, at the State 4-H Center on Lake Brownwood. Pictured left to right are: Mrs. Patti Cozart of Ranger; Mrs. Shelly Bailey, and Mrs. Paul Collins, of Rising Star 4-H Club. Also, attending the training was Mrs. Janet Thomas, County Extension Agent.

A countywide 4-H Foods Workshop is being planned for September 10. Complete plans will be announced soon.

Engagement

Crutchfield - Cotten

Mr. and Mrs. Travis Crutchfield of Cisco announce the engagement and approaching marriage of their daughter, Karen Sue, to Edward Dane Cotten, son of Nadine Haynes of Rising Star and Mr. and Mrs. A.D.

Cotten of Langleville. The couple will be married at 4:00 p.m. Saturday, September 17, at Green Acres Baptist Church in Stephenville. All friends and relatives are invited to attend.

Ex-Pows Object To WW II Reparations Pay-Off

Members of the American Ex-Prisoners of War Association across the country — and locally — are objecting to the Reparations Bill which would pay \$20,000 to each Japanese-American who was relocated from the West Coast during WWII.

Especially vocal are the Ex-POWs in Arkansas where a number of Japanese-American camps were set up. News releases asking opposition to the payment plan are being distributed across the country.

A copy of the objection was shared here by Arlee Wetsel of Eastland who spent 42 months as a prisoner of war, for which he and other POWs were eventually paid \$1.00 per day for time in prison.

The U.S. House and Senate bills would pay \$20,000.00 to each person (man, woman or child) who was re-located under the emergency war measure, and further will provide the establishment of the "Civil Liberties Public Education

Fund" which purpose will be to sponsor research and public educational activities; i.e. to teach our children and future generations of the "misdeeds" of our U.S. government during WWII, the press release points out.

As can be imagined, the veterans and especially the ex-POWs, are very upset about the entire plan.

The release further points out that of the 19,963 male Japanese-Americans in the Relocation Centers who were eligible to serve in the

U.S. armed forces, only 1,181 did so and 4,783 of the total admitted their disloyalty by refusing to take an unequalled loyalty oath to the U.S.A., the veterans point out.

In 1948, the Congress provided compensation for any claim for damages to or loss of real or personal property for Japanese-Americans who had been relocated.

The veterans and ex-POWs ask the citizens join their appeal to the Congress to stop this effort.

The Wetsels recently attended the annual Ex-POW convention in Fort Worth where this was a major topic of discussion. Several of the local POWs have received their recently-approved POW medal, and Mr. Wetsel has been advised that his will be forthcoming.

(ED. NOTE: Taken to its extreme, this kind of thing could lead to reparations payments to the British for inconveniences suffered by them dating back to when we won our independence.)

of the item quickly or it's a garment with a limited use, such as a dressy dress.

Check the catalog sales at the department stores that have mail-order services. Sometimes the catalog sale price will be less expensive than the in-store price for the same or a very similar item.

If your child is growing rapidly, buy sizes as large as possible without being ill-fitting. Clothing with adjustable straps and waistbands, raglan sleeves, stretchy fabrics, deep hems, dropped waistlines and two piece outfits provide more room for growth.

You may be better off waiting to buy clothes as your growing child needs them. This can also give your youngster time to see what the other kids are wearing and feel happier about his or her choices in school clothes.

RECIPE FOR THE WEEK: The recipe I'm sharing this week was picked up at the 4-H State Center. Our registered dietitian, Suzanne Doggett, served this for a brunch. It is simply delicious. The recipe features mozzarella cheese and low-fat cottage cheese.

CHEESE SQUARES OLE'
3 eggs
1/4 cup plus 2 TBSP all purpose flour
3/4 tsp. salt
1 1/2 cups (6 oz.) shredded mozzarella cheese
1 cup plus 2 TBSP low-fat cottage cheese

1 can (4 oz.) diced green chilies, drained

1. Beat eggs with mixer 3 minutes

2. Combine dry ingredients; add to eggs and beat until smooth.

3. Stir in cheese and green chilies.

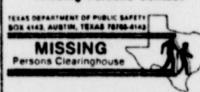

4. Pour mixture into a 9" square baking pan coated with cooking spray.

5. Bake at 350° for 30 to 35 minutes.

6. Cool in pan for 10 minutes before serving.

7. Cut into 16 - 2 1/4" squares.

WCTCOG Sub-Region IV To Hold Meeting Sept. 13

The West Central Texas Council of Governments (WCTCOG) Sub-Region IV meeting will be held at 12 noon Tuesday, Sept. 13, at the White Elephant Restaurant in Cisco. The meeting will consist of a noon luncheon followed by a business session.

Elected and appointed officials of all governmental entities in the three-county

sub-region (Stephens, Eastland and Comanche counties) and their guests are invited to attend and to participate in the selection of representatives to the council's board of directors and executive committee.

A discussion will also be held concerning new programs and services which could possibly be implemented by the WCTCOG in the next year.

Deputy Sheriff Fillingim To Work In Stephens County

H.T. Fillingim, Deputy Sheriff from Eastland County, has accepted a position as Deputy with the Stephens County Sheriff's Department, Breckenridge. He replaces Randy Miller, who resigned on Aug. 19.

Fillingim, age 37, has worked with the Eastland County Sheriff's Department for the past four years. He

has 14 years of experience in law enforcement, having worked in Hereford, Ft. Stockton and Sweetwater before coming to Eastland.

A crime prevention specialist, Fillingim will reportedly head the Neighborhood Watch Program in Breckenridge for Sheriff James Cain. He will also be the investigative officer for the county.

Meeting Cancelled

Due to the genealogical research trip, the regular September and October meetings of Frontier Trails Genealogical & Historical Association have been cancelled. Any member who is not going on the trip and would like to meet informally can contact Patsy Leonard at 442-2407 (Cisco).

Notice will be given at a later date for the time and place of November meeting.

Also, if you have not received your quarterly by the end of August, you should contact James Plyant, Editor, NORTH CENTRAL TEXAS GENEALOGY, P.O. Box 1587, Stephenville, Texas 76401.

Study Shows Advertising Works Even More Effectively Than Many Imagined

A study conducted jointly by the Advertising Research Foundation and the Association of Publishers sought to measure definitively how trade advertising affects sales and profits. Many of the nation's leading manufacturers, advertising agencies and publishers helped sponsor the study.

Potential buyers were divided into three groups of equal size. Each group was exposed to a different ad schedule and then examined for reader response. Manufacturers' and distributors' records of sales and inquiries were identified both when ads were appearing and after.

Conclusion - the more a company advertises, the more it benefits from increased sales and profits. Here are the highlights:

1. **More Advertising Means More Sales.** Advertising produces more sales than would occur without advertising. Increasing an advertising schedule results in even more product sales.

2. **More Advertising Results in Higher Profits.** In every single study example, advertising increased profits. And the more advertising, the higher the profits.

3. **More Advertising Increases Sales Leads.** Increasing the ad schedule increases qualified sales leads (per thousand recipients) dramatically. Not only do you get more sales leads because of more insertions, but you get more sales leads per insertion.

4. **Results Begin Almost Immediately.** Publication advertising begins paying dividends very quickly.

5. **Color Advertising Dramatically Increases Sales.**

6. **An Advertising Campaign Keeps Working for a Full Year...and More.**

7. **More Advertising Helps Build a Dealer Network.**

8. **It Pays to Advertise to Both Dealers and End-Users.**

Homemaking Hints

From Janet Thomas, County Agent

BACK TO SCHOOL CLOTHING COSTS:

The mythical average American family spent an estimated \$353 for clothing and shoes for each child ages 6-11 in 1987, according to U.S. Department of Agriculture figures.

Yet depending on where they shop and what they buy, families can easily exceed that figure just buying school clothes.

A Texas Agricultural Extension Service clothing specialist priced a complete school wardrobe for a 10 year old boy and another for a girl of the same age. Each wardrobe included enough underwear and socks, shoes, jeans, shirts and tops for a week at school; one casual and one dressy outfit; and a lightweight jacket.

When purchased at a discount store, the girls' wardrobe cost \$249 compared to \$576 for similar items at the department store. The boys' wardrobe cost \$182 at a discount store and \$559 at the

department store, she said.

Most children don't need a complete wardrobe at once, so costs are spread over several months. Beginning the school year in summer shorts and making use of hand-me-downs from older siblings also reduces clothing needs.

Whatever the size of your clothing budget, it's good strategy to spend the most money to buy quality in those clothes that will be worn most often, receive the hardest wear and be laundered frequently.

Then shop for these items during the children's clothing sales, generally held in August and October.

For staple items such as underwear, socks and t-shirts, discount stores may have real bargains, especially if you buy in quantity.

Discount and outlet stores carry a variety of less-expensive clothing, but it may also be less durable. That may not matter if you expect the child to grow out

The Next Best Thing -

.....to a clear conscience and a good night's sleep is the feeling of security in owning your own home with a clear title. Peculiar to the real estate field, values are based on land and the improvements thereon, if any. But values on these are based on the title. The title then becomes the most important item to be considered when purchase of real property is contemplated. So be careful to buy good title based on an abstract of title or a policy of title insurance.

Katie Daniels

EASTLAND-Katie Daniels, 91, died Tuesday at a local nursing home.

Graveside services were held at 11 a.m. Thursday at Mt. Marion Cemetery in Strawn with the Rev. Bill Chambers officiating, directed by Edwards Funeral Home of Eastland.

Born in Gordon, she moved to Eastland in 1979 from Ranger. She grew up in the Rush Creek community in Erath County. She later lived in Thurber and Fort Worth before moving to Strawn in 1940. She was a homemaker and worked in the school lunchroom at Strawn. She was the widow of Joe Daniels.

Survivors include a grandson, Rodger Sexton; a nephew, B.G. McGinnis of Troy; a niece, Wanda Robertson of Breckenridge; and eight great-nieces and nephews.

Sharon Brown Miller

EASTLAND-Sharon Brown Miller, 28, died Saturday, August 13 at Fort Worth hospital.

Services were held at 2:30 p.m. Tuesday, August 16 at the Edwards Funeral Home Chapel with the Rev. Gerald Magaha officiating. Burial was in Eastland Cemetery.

Born in Eastland, she attended school in Eastland and was a member of the Pentecostal Church.

Survivors include a daughter, Kimberly Brown of Eastland; a son, Cody Brown of Eastland; her father and

stepmother, Rayford and Beverly Brown of Fort Worth; her mother, Alvarece Seay of Eastland; step-father, John Seay of Eastland; three brothers, Joe Ray Brown of Eastland, Clifford Ray Pittman of Ranger and Dakota Lee Brown of Fort Worth; five sisters, Stella Louise Marlow of Glen Rose, Elizabeth Ann Briley of Stephenville, Lavada Lynn Brown of Fort Worth, Rose Lecheminant of Belton and Lindagiles of Marlin; and her grandmother, Ava Fleming of Richardson.

Roberta Jean Murphy

GORMAN - Roberta Jean Murphy, 57, died Tuesday at a DeLeon hospital.

Memorial services were at 2 p.m. Thursday at First Baptist Church with the Rev. Richard Watson officiating, directed by Higginbotham Funeral Home.

Born in West Sacramento, Calif., she moved to Gorman in 1975 from Nevada. She was a cook.

Survivors include her husband, Frank Murphy of Gorman; two sons, Edwin Murphy of Cisco and Arthur Murphy of Wheeler; a daughter, Katherine Torres of Gorman; two sisters, Peggy Kemp of Red Bluff, Calif., and Alice Litkin of Orland, Calif.; two brothers, Raymond McReynolds and Gary McReynolds, both of Sacramento, Calif.; and nine grandchildren.

Mary Kay Grumbles

RANGER - Mary Kay Grumbles, infant daughter of Mr. & Mrs. Arles Grumbles of Fort Worth, died Tuesday in a Fort Worth hospital.

Services were at 3 p.m. Thursday at Church of God on Strawn Road with the Rev. Bruce Coker officiating. Burial was in Evergreen Cemetery, directed by Edwards Funeral Home.

She was born July 29, 1988 in Eastland.

Other survivors include her maternal grandparents, Hulen and Ruby Huckaby of Ranger; and a stepgrandmother, Marie Grumbles of Ranger.

Carlos Figueroa

ABILENE--Carlos Figueroa, 83, of Abilene, died Wednesday at a local hospital.

Rosary was at 6 p.m. Friday at Adams-Korzenewski Funeral Home Chapel, 1443 N. 2nd. Mass was at 2:30 p.m. Saturday at St. Francis Catholic Church with Rev. Bictorino Aranda officiating. Burial was in Cedar Hill Cemetery.

Born in Mexico, he moved to Texas in 1910 and then to Abilene in 1977 from Cisco. He was a retired section hand with Texas & Pacific Railroad and a member of St. Francis Catholic Church.

Survivors include his wife, Maria Barbosa Figueroa of Abilene; five daughters, Dora Alvarez of Abilene, Josefina Juarez of Lawndale, Calif., Rose Gomez of Fremont, Calif., Dolores Garcia of Amarillo and Sally Lujan of Fort Worth; 18 grandchildren; and 24 great-grandchildren.

War Dead Of Vietnam Era To Be Honored By County

A memorial honoring the Eastland County war dead of the Vietnam era will be placed in the Courthouse soon.

At the County Commissioners Court Monday Judge Scott Bailey submitted a plan for the purchase of a bronze memorial tablet. It will be inscribed with the names of those who died during the Vietnam conflict. The Commissioners unanimously approved the project.

The memorial, with appropriate insignia, will be placed in the Courthouse lobby near the large plaque honoring the dead of World War II and the Korean conflict.

It is hoped that all information pertaining to the tablet can be verified by Veteran's Day of this year, and that it can be dedicated by Memorial Day, 1989, Judge Bailey says.

The Judge and others have been working on this project for some time, and currently six names of deceased servicemen have been verified by the Defense Department. Monte Hood of Eastland

undertook the job of gathering names, and went to great lengths to compile the list, Bailey noted.

The Judge is releasing this list to be studied, and hopes if anyone knows of other Eastland County servicemen who died during the Vietnam War this information will be made available.

This date would need to be verified by the Defense Department, which will

decide on the final and official list.

"The six we have listed so far were from well-known families here," Judge Bailey says. "These men gave their lives in service, and we wish to honor their sacrifice."

1988 PROPERTY TAX RATES IN CISCO HOSPITAL DISTRICT

This notice concerns 1988 property tax rates for Cisco Hospital District. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. Compare it to the tax rate the taxing unit proposes for this year. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

LAST YEAR'S TAX RATE:

Last year's operating taxes \$101,435.38
 Plus Last year's debt taxes \$43,472.30
 Equals Last year's total taxes \$144,907.68
 Divide Last year's tax base \$120,756,406
 Equals Last year's total tax rate \$ 12 per \$100
THIS YEAR'S EFFECTIVE TAX RATE
 Last year's adjusted taxes (after subtracting taxes on lost property and taxes to correct appraisal roll errors) \$143,465.79
 Divide This year's adjusted tax base (after subtracting taxes on new property) \$112,749,783
 Equals This year's effective tax rate \$ 12.724 per \$100
Times 1.03
 Equals Maximum rate unless unit publishes notices and holds hearings \$ 13.105 per \$100

THIS YEAR'S ROLLBACK TAX RATE

Last year's adjusted operating taxes (after subtracting taxes on lost property and taxes to correct appraisal roll errors and adding taxes lost in court suits) \$100,426.06
 Divide This year's adjusted tax base (after subtracting taxes on new property) \$112,749,783
 Equals This year's effective operating rate \$ 0.8906 per \$100
Times 1.08 \$ 0.9618 per \$100
 Plus This year's debt rate \$ 0.3738 per \$100
 Equals This year's rollback rate \$ 1.3356 per \$100
SCHEDULE A: UNENCUMBERED FUND BALANCES
 The following balances will probably be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.
Type of Property Tax Fund
 - Maintenance & Operation Balance: \$193,500
 -- Bond Balance \$28,600
SCHEDULE B: 1988 DEBT SERVICE
 The unit plans to pay the fol-

lowing amounts for long-term debts that are secured by property taxes. These amounts will be paid from property tax revenues (or additional sales tax revenues, if applicable).
 Bond - Principal \$15,000 - Interest \$23,250 - Total Payment Due \$38,250
 Total required for 1988 debt service \$38,250
Subtract Amount (if any) paid from funds listed in Schedule A \$ 0
Subtract Excess collections last year \$ 0
Equal Total to be paid from taxes in 1988 \$ 38,250
Plus Amount added in anticipation that the unit will collect only 90% of its taxes in 1988 \$ 4,250
Equal Total Debt Service Levy \$ 42,500

Craz-z-y Day Is Held At Canterbury Villa

By Shirley Gary
 You missed out on the fun if you did not visit the nursing home on Thursday, the 18th of August, for it was Craz-z-y Dress Day at Canterbury Villa.
 The staff came in to work dressed with their crazy creations and the residents all got busy creating their

own and joined in the act. You would be surprised of how really crazy and wonderful everybody looked and felt. We had clothing inside out, upside down, backwards, mix and not matched, mop heads and strange faces too.

We try to have one fun day each month to remind everyone that you can laugh and feel good while doing a good job all at the same time.

As the ol' saying goes "All

Work and No Play Makes Johnny A Dull Boy", well by far there were none at our home Thursday.

FINANCIAL F.O.C.U.S.

Submitted By Robert Steed of Edward D. Jones & Co. Economic Growth Will Continue

Through short-term fears of rising interest rates and inflation are slowing the economy, these concerns will be offset by the continued strength of the dollar and the increased demand for American goods abroad, according to Robert J. Christian, chief economist of the Provident National Bank of Philadelphia.

Christian, one of the nation's leading economists, told a group of Edward D. Jones & Co. investment representatives recently the dollar is showing no signs of slowing down and people have shifted their short-term worries to the drought in the Midwest.

"The drought is a short-term phenomenon just as the decline of the dollar was," Christian said. "People believe higher food prices will lead to greater rates of inflation, which will lead to higher interest rates and will drive up stock prices."

"There are factors in the economy that will offset the increase in food prices, though. The probable outbreak of peace in the Middle East will drive the price of oil down, and gold prices are also coming down. Finally, the

strength of the dollar will result in little or no increase in the price of imported goods."

While food prices account for about 20 percent of the consumer price index, energy expenses constitute 10 percent and imported goods around 10 percent, so the net change in the consumer price index will be very small Christian said.

Christian said he believes interest rates will begin to drop in 12 to 18 months, and by mid-1989 the long-term treasury-bond rate will be in the 8.5 percent range.

"Consumers are still ready, willing and able to borrow," Christian said, "but they are not likely to increase their debt level much more."

Christian pointed to the increase in foreign trade and capital spending as two strong indicators of the nation's continuing economic growth.

"Though I expect the economy's growth rate to slow from 3 percent today to around 2 percent by 1989, it's a healthy slowdown. We will still have positive growth, and unemployment will be lower," Christian said.

"Right now the capacity for growth in the economy is about 2.5 percent," he said. "A higher growth rate would lead to inflationary pressure. The Federal Reserve knows this and has increased the interest rates in order to keep the economy growing at a rate

between 2 percent and 2.5 percent."

Christian went on to discuss the Social Security surplus and how it will affect the investment community in the future.

Due to increased Social Security tax rates, Social Security is currently running a surplus of around \$35 billion. By the early 1990s, that amount could be as high as \$70 billion. According to Christian, the Social Security surplus must be invested in treasury securities, which would take a great deal of the government spending burden off the investment community.

Finally, Christian commended on the effect of the presidential election on the economy.

"No matter who wins, their first priority is going to be to cut government spending and raise taxes. Since government spending can't be cut drastically, we will see a rise in taxes, though neither candidate will say it before the election," Christian said.

CJC Prepares For 1988 Fall Semester

Cisco Junior College is making preparations to begin its 1988 fall semester. Since 1940, CJC has offered quality academic and vocational programs in a small college setting at a very low cost. The smaller classes and interested, well-qualified faculty provide more opportunity for individual instruction. CJC's Counseling Office provides information about career choices, qualifications and job opportunities for students unsure of their career plans. Various financial aid programs are available to students on the basis of need and/or merit in the forms of grants, loans, work study and departmental activity scholarships. Financial aid is available if qualified at all four locations - Cisco, Clyde, Coleman and Abilene.

In Clyde CJC offers day and night academic classes. These courses are designed to help fulfill the first two years of study leading to a baccalaureate degree.

Cisco Junior College offers numerous vocational programs at the Abilene Center at Office Park West (209 S. Danville). Programs offered are Auto Mechanics, Child Care and Development, Electronics, Fire Technology, Human Services, Law Enforcement, Licensed Vocational Nursing, Maintenance Engineering, Mid-Management, Real Estate, Refrigeration and Air Conditioning, and Medical Assisting Technology. Fire Technology and Law Enforcement are taught at Dyess.

In Coleman CJC will offer History 113 and English 113 at night.

Registration for the Cisco campus is September 1 from 8:30 a.m. to 12 noon and 1 to 4 p.m. Night registration will also be held on Thursday,

THANK YOU

We the family of Ricky Chambers would like to thank all of our friends for the food, flowers, cards, calls, poems, words of sympathy, memorials, kindness, prayers, caring smiles, and all other acts of caring that was shown to us during our great loss. Words cannot express what is in our hearts. A simple thank you does not seem like enough but that is all we can say. Ricky was a very special young man, but it takes friends to make someone special. So each of you, young and old, can take a piece of the credit for what he was and what he stood for. And we would like to say to each of you young friends, please take this loss and make something good come from it. There are so many things we would like to say to each of you. But can only put it this way: Dreams are where you go, work is how you get there. We pray God will bless each of you, each day. Again thank you from the bottom of our hearts.

How to live high on the hog and steer clear of the fat.
It's easier than you might think. Because, believe it or not, cutting down on saturated fat and cholesterol doesn't mean cutting out pork and beef. It simply means being more selective. Taking the time to find the leanest cuts of meat and asking your butcher to trim away as much fat as possible.
To find out more about having your steak and eating it too, drop by during American Heart's Food Festival, Sept. 13-19. We'll be passing on some information that will help you live to your stomach's desire and your heart's content. And that's no bull!

Gordon Spot

By DeMarquis Gordon, County Agent—

Pork producers in Eastland County will have an opportunity to vote in a special referendum September 7-8, as authorized by the Pork Promotion, Research and Consumer Information Act of 1985.

Purpose of the referendum is to determine the continuance of the 100 percent checkoff program which provides funds for pork research and promotion to enhance the pork industry. The checkoff is at the rate 25 cents per \$100 on all hogs and pigs as well as on all imported hogs and pork products.

Referendum voting will be conducted in the county Extension office during normal business hours September 7-8.

All pork producers who produced and owned porcine animals in the U.S. for sale in commerce and who are subject to assessment during the representative time period are also eligible to vote. Also, eligible are 4-H, FFA and other youth who owned porcine animals and are subject to assessment during the representative time period.

The Agricultural Stabilization and Conservation Service will count ballots, and report referendum results.

A meeting for Shackelford County and surrounding county livestock producers who will need their livestock scales on private ranches tested in order to buy and sell cattle, will meet at the Courthouse in Albany, Texas at 7:00 p.m. on Thursday, September 8, 1988, according to Lawrence E. Winkler, County Extension Agent, Shackelford County.

The purpose of the meeting will be to explain the change in policy of checking private livestock scales and this will be done

by the Texas Department of Agriculture personnel. The second phase of the meeting will be devoted to scales companies that are registered with the Texas Department of Agriculture, presenting proposals to carry out this registration procedure. The final decision will be for the ranchers to independently or as a group, to form their own decision as to how they will proceed with registering their scale. All livestock producers with private livestock scales in Eastland County are invited to attend this meeting.

It is time to spray your pecan trees to control the pecan weevils. This is one of the most destructive pests of pecans. The adult weevils, which look much like a cotton boll weevil except that the pecan weevil is slightly larger, comes from the ground in late summer to lay eggs in pecans. The weevils emerge from moist soil sooner than from dry soil. I have already seen weevil damage in yard trees that have been watered.

The weevils puncture a hole in the pecan and deposits eggs. The eggs hatch larvae which then eats the kernel as it grows. The larvae are creamy-white

grubs with reddish-brown heads. They grow to about 3/5 inch long at maturity.

Weevils must be controlled in the adult stage while on the pecan trees, but preferably before they begin laying eggs.

Carbaryl (Sevin) has been shown to be an effective

labeled insecticide for pecan weevil control. Its residual has been found to remain active for 8-12 days following application. The trees should be sprayed to the point of runoff. If weevils continue to emerge a second or third application of insecticide may be needed at two week intervals.

Fishing Outdoors

"Tournament Updates"
Bass fishermen around the world are making their picks of which will be crowned as the Worlds Champion this week during the 1988 B.A.S.S. Classic.

Thursday 42 of the top bass fishermen competing on this circuit will be fishing for the \$50,000.00 first place money. This event is billed as the most prestigious bass tournaments in the world. The \$50,000.00 is only a small portion of the rewards connected with the win. Endorsements, speaking engagements, sponsorships, and promotions generates hundreds of thousands of dollars for the winner and all of the 42 contestants reap rewards.

The James River in Virginia will be the host waters with 85 miles of area to fish. Classic headquarters will be the Richmond Convention Center. This years final weigh in will be seen on The Nashville Network on Sunday, August 28 at 2 p.m. and 6 p.m.

Texas will be well represented at this years event with 7 anglers from the Lone Star State competing.

The odds on favorite would have to be Woo Daves of Chester Virginia. Fishing the James regularly a home field advantage sometimes helps anglers. But as we all know it can also hurt if you allow yourself to become caught up in past success in an area and not allow your skill and knowledge to guide you. But for myself I'll have to go out on a limb here and say that Lonnie Stanley or Larry Nixon both of Texas are my choices for the win. Both gentlemen have been gaining momentum lately and should be razor sharp for the competition.

But whoever wins will be a true champion of anglers everywhere. The lure or lures used will become a must for every tackle box.

This event is only one of many upcoming tournaments. Our calendar shows that between August 28th and September 30, 1988 there are 57 tournaments slated in Texas alone. Some

of the local events are: August 28, 1988, Lake Granbury, Trophy Bass Club, Inc. Payback based on number of entries. September 10, 1988 - Lake Possum Kingdom, Mineral Wells Bass Club, \$4,000.00 cash plus prizes guaranteed. September 11, 1988 - Lake Leon, Eastland County Bass Club, \$1,000.00 guaranteed for 1st place, 2nd thru 20th based on entries. September 17, 1988, Boy Scout Troop 223, Clyde, Tx., Lake Coleman, 1st \$500.00, 2nd \$300.00, 3rd \$200.00 guaranteed. October 1 and 2, 1988, Lake Brownwood, Brownwood Chamber of Commerce Open, \$1,500.00 guaranteed for 1st place. October 9th, Lake Ballinger Old and New Runnels, County Bass Club, 1st place guaranteed \$750.00. October 15, 1988 Lake Possum Kingdom, Palo Pinto County Bassmaster's, over \$3,600.00 cash and prizes guaranteed.

Thursday, September 1, 1988 will be the date for the Eastland County Bass Club meeting. This months meeting location is unknown at this time. All members are urged to attend as this will be the final meeting prior to the Open Invitational at Lake Leon September 11, 1988. For more information contact Eddie Green at 629-2184.

TEACHERS JOIN STUDENTS IN NEW SCHOOL YEAR

September not only marks the start of another school year for more than 3 million Texas children, but also signals a return to classrooms for some 185,000 school teachers.

Joining these teachers will be approximately 27,000 instructional aides, 14,000 administrators and 16,000 support professionals ranging from counselors and librarians to psychologists and educational diagnosticians. Collectively, these individuals will account for nearly a quarter of a million people.

About 10,000 of the estimated 185,000 teachers are new educators entering a classroom for the first time. Another 12,000 are second-year teachers, the largest group among the teaching population.

Before being allowed to take on the responsibility of educating the state's schoolchildren, prospective teachers are given two tests.

College sophomores wishing to enter colleges of education must take a test ensuring that they have the basic skills necessary to handle the rigors of upperdivision college coursework.

Graduates of teacher education programs must take the Examination for the Certification of Educators in Texas (EXCET) in order to be certified to teach. The EXCET also is given to out-of-state teachers, participants in alternative teacher certification programs or teachers seeking to be certified in additional subject areas.

Teachers' performance also is regularly evaluated through the Texas Teacher Appraisal System (TTAS). Teachers who earn high scores on the TTAS and take additional hours of college coursework or advanced academic training are eligible for placement on the teacher career ladder, which rewards outstanding teachers with salary bonuses ranging from a minimum of \$1,500 to as much as \$6,000 a year.

During 1986-87, more than 95,000—nearly 50 percent—of Texas teachers earned average career ladder supplements of \$1,657. That amounted to more than \$157 million in state and local funds spent on financial rewards for teachers who met career ladder requirements.

IMMUNIZATIONS

Regardless of whether a child attends public or private school, every student in Texas must have proof of immunization.

Upon enrolling a child in school for the first time or transferring the child to a Texas school from another state, a parent must provide proof that the child has been immunized appropriately for his age against diphtheria, tetanus, poliomyelitis, measles, mumps and rubella.

With rare exceptions, Texas law forbids schools to accept children without proof of immunization. The Texas Department of Health has established minimum requirements for immunization for the admission of school-age children to schools. They are as follows:

- Four-year-olds entering pre-school:
 - Three doses of oral polio vaccine.
 - Three doses of diphtheria-tetanus-pertussis (DTP) vaccine.
 - One dose measles vaccine or a physician-verified history of the illness.
 - One dose mumps vaccine or a physician-verified history of the illness.
 - One dose rubella vaccine.
- Five years and older:
 - Three doses oral polio vaccine (one dose since the child's fourth birthday). Applies to children through age 17.
 - At least three doses of DTP and/or tetanus-diphtheria vaccine (one dose since the child's fourth birthday and within the past 10 years)
 - One dose measles vaccine or a physician-verified history of the illness.
 - One dose mumps vaccine or a physician-verified history of the illness. (through age 16)
 - One dose rebella vaccine (through age 11)

If a child is on a ideal immunization schedule, he or she will have received five doses of DTP vaccine and either four or five doses of oral polio vaccine by the time he or she enters school.

Children can be immunized by their family doctor or at their local health department. Any validated document of immunization will be accepted by the schools providing it shows at least the month and year when each immunization was given. The Texas Department of Health and local health departments will provide record-keeping cards free of charge for maintaining school immunization files.

For more information about immunizations, parents should contact their local schools or health departments.

Stephen Kael Joiner Receives Bachelor Of Business

Stephen Kael Joiner of Eastland received a Bachelor of Business Administration degree from Stephen F. Austin State University in Nacogdoches, Texas, during commencement exercises held August 20, 1988. While at SFASU, Joiner was named to Who's Who In American Colleges & Universities, a member of Phi Chi Theta, business honor fraternity, and a member of the SFASU Lumberjack football team. He was a participant in the SFASU Management &

Marketing Advisory Council Seminar and was named to the Dean's List for four semesters. SFASU was founded in 1923 and has an enrollment of 13,000 students. Prior to attending SFASU, Joiner attended Ranger Jr. College where he was named to Who's Who In American Jr. Colleges, a member of Phi Theta Kappa national honor society and a member of the RJC Ranger football team. Joiner is a 1984 graduate of Eastland High School and the son of Mr. and Mrs. Tommy Warford of Eastland.

Popover Registration September 1

The Eastland County Popovers will be holding their registration for the fall on Thursday, September 1st from 6:00 until 7:00 p.m. at their new location on the corner of S. Seaman and E. Commerce (the old Eastland National Bank Building). After registration there will be a Parent's Meeting from 7:00 p.m. until 8:00 p.m. to elect new officers, discuss new uniforms, and plan for

the upcoming competition to be hosted by the Popovers. The coach, Valerie Wells, would like to go over the rules, meet new parents, answer questions and show the new facilities. Classes will begin September 6th and will be held for boys and girls, ages 3 thru high school for Beginner, Intermediate and Advanced. Valerie will also hold a cheerleading class if there is enough interest.

Isaiah Chap 26, V. 8. Now go write it before them in a table, (newspaper) and note it in a book, that it may be for the time to come forever and ever: That this is a rebellious people, lying children, children that will not hear the law (word) of the Lord: which say to the seers (Pastors) See not, and to the prophets (Evangelists) prophecy not unto us right things, speak unto us smooth things, prophesy deceits: (not the truth). Get you out of the way, turn aside out of the path, cause the Holy one of Israel to cease from before us. Because today (now) people do not want to hear the truth. God himself sends people a strong delusion, that they should believe a lie. That they all might be damned who believed not the truth, but had pleasure in unrighteousness. Now Gal Chapter 5, Verse 24, tells who a child of God is. 1st John Chapter 3, V. 3, tells what a child of God will do, and Rev. Chapter 3, Verse 5, Jesus doing the talking, tells who is going to live with him forever and ever. Souls prepare to meet God in peace. James J. Keeling

EASTLAND MEMORIAL HOSPITAL INTRODUCES

THE CARROUSEL CLUB

The Carousel Club gives you a choice.

You've come to depend on Eastland Memorial to offer you the kind of one-to-one, personalized hospital care that makes the birth of your baby the wonderfully special event you've been planning for. Now, we are bringing you the Carousel Club, designed to give you and your baby all the advantages of prepayment, including free gifts and little extras unique to Eastland.

And, Eastland Memorial Hospital is the first in Eastland County to offer you Carousel Club packages — one-time, all-inclusive* prices based on the length of time you and your baby choose to stay in the hospital. Carousel Club packages include all normal labor, delivery and postpartum services as well as routine newborn nursery care. Attractively decorated labor rooms and delivery suites are available. You may choose rooming-in for your baby as often as you like. There is also a Carousel Club package for planned Cesarean childbirth, which includes a four-day hospital stay.

In addition to hospital care, each Carousel Club package includes:

- **Baby Care Basics** — a comprehensive newborn infant care course, during your hospital stay, covering skin care, circumcision care, umbilical cord care, feeding techniques and safety principles including relief of the choking infant.
- **Childbirth Education** — a four-week course for first-time parents-to-be including a general introduction to the birthing process and Lamaze breathing techniques. "Old hands" at childbirth may wish to attend this course as a refresher. All classes include a tour of Eastland Memorial Hospital's labor and delivery suites, nursery and the postpartum rooms.

Prepaid Carousel Club Packages*

24-hour hospital stay, normal delivery, routine newborn nursery care	\$ 700.
48-hour hospital stay, normal delivery, routine newborn nursery care	\$ 850.
72-hour hospital stay, normal delivery, routine newborn nursery care	\$1150.
Cesarean childbirth four-day hospital stay	\$2250.

* Covering normal hospital charges — physicians' fees are not included. PAYMENT PRIOR TO DELIVERY IS REQUIRED.

Important Points

- The final authority for Carousel Club package eligibility, length of stay and type of service must rest with your physician.
- You must be pregnant to register for Carousel Club.
- In the event that complications arise which affect the length of stay or type of service, each Carousel Club patient's payment requirements will be handled on an individual basis.
- Only physicians who are accredited members of the Eastland Memorial Hospital medical staff may admit patients to Eastland Memorial Hospital.
- To assure maximum safety and security, attendance at Carousel Club education classes is encouraged.
- You must preadmit and pay the Carousel Club price in full prior to delivery.
- Prenatal hospitalization and /or testing are not covered by the Carousel Club packages.

The Carousel Club Gift Package

As a part of your Carousel Club package, you will receive the following special gifts at Eastland Memorial.

- 1) A Carousel Club Diaper Bag — This canvas, vinyl-lined carry-all is brought to you by the Eastland National Bank and Eastland Memorial Hospital and will include an assortment of baby products and formula.
- 2) A Newborn Diaper Shirt — Custom-printed, "The Carousel Club," courtesy of Coca-Cola and Eastland Memorial Hospital.

- 3) A Rib-eye Steak Dinner — Complimentary for two at "The Crossin'."

- 4) A Relaxing Manicure — For the new mother, compliments of Jamie's Salon.

Discuss Eastland's new Carousel Club packages with your doctor.

To find out more about the Carousel Club, or if you need help in locating a physician, call Eastland's obstetrics representative: (817) 629-2601, extension 319.

To register for a Carousel Club package, call (817) 629-2601.

For your convenience, the best time to call about the Carousel Club is between 8:00 am and 4:00 pm, weekdays.

EASTLAND

Words and letters of endorsement are coming in to the Eastland County Water Supply District, encouraging that board of directors to "fix the water problem." The board has asked for opinions, and now it's up to the citizens to let them know that they are supported in their efforts to upgrade the system. It's a year-in, year-out scramble during the dry months to keep the Eastland tanks full, not to mention some of the other delivery problems. Clubs and organizations are invited to pass resolutions, write letters, and generally let their feelings be known.

A large crowd attended the two performances of "The First Wedding In Eastland County" last Saturday and Sunday. Eastland County Historical Society President Roy Lee Smith wrote the script and produced the drama, with more than 50 people in the cast. Complete video tapes of the production are available at \$20 each from the Society. The address is Smith's residence at 200 N. Walnut St., Eastland. All proceeds will benefit the history group, which is currently helping recognize and record the county's history. Plans are being made for some future historical productions.

This Saturday at the

10 a.m. Chamber of Commerce drawing on the Courthouse Square some name will be drawn for \$300 Old Rip Bucks. The person whose name is drawn will have to be present to receive the \$300 Bucks, as well as the person whose name is drawn for \$25 Bucks. The Bucks may be spent with participating Eastland businesses for merchandise, and they accumulate at the rate of \$100 per week until a winner is present to claim them.

Eastland County Art Association will hold their first meeting of the season Thursday, Sept. 1 at 7 p.m. in the TU Electric Reddy Room. Sue Mullinax from Cisco Junior College will be the demonstrator.

The American Cancer Society, Eastland Unit, will begin a new year Monday, Aug. 29 at 6:30 p.m. at K-Bob's. There will be an installation of officers, awards for the year, and committee reports. All are welcome to attend, and will benefit from the knowledge shared and fellowship of the group.

RANGER

Vernon R. Caughron, 42, formerly of Fort Worth, has been hired as Ranger Police Chief. He fills the position vacated recently by Chief Charles Edwards, who resigned and moved to New

Mexico. Caughron began his duties this week. He and his wife, Barbara, has two daughters and three grandchildren.

A meeting has been called Tuesday, Aug. 30, to discuss the future of Ranger General Hospital. The meeting will begin at 7 p.m. at the Gholson Hotel. All interested citizens from Ranger and the area are urged to attend. Some of the subjects to be discussed are: What is the future of our hospital? Setting up teams for donation? What will happen if we lose our hospital? What will the loss of the payroll do to the economy in the community?, and Where will our loved ones go for medical treatment? Please come out and gain information about this most urgent matter.

V.C. Carandang, M.D., will close his practice of medicine at Ranger Family Clinic on Sept. 15. He will no longer be able to attend to you professionally after this date. He suggests that you go to another Doctor of your choice. With your written approval, he will make available to this Doctor your case history and information regarding diagnosis and treatment. There will be a \$5 charge for copying and handling of these records. Dr. Carandang is sorry he cannot continue as your physician. He thanks you for support and trust, and most of all your

friendship. He and his family give best wishes to all.

A fund has been started at First State Bank in Ranger for the premature baby of Patricia and Joe Daniels. The infant was born last Sunday at Eastland Memorial Hospital and transferred to Fort Worth Children's Hospital by CareFlight. All donations will help defray expenses at the hospital.

RISING STAR

Aubrey and LaJean Lawrence attended the Texas Housing Association's annual meeting in Wichita Falls on Aug. 17-19. There were 327 people registered from throughout Texas and Oklahoma for the event, and a number of Seminars were available. Some of the topics covered pipeline safety, leases, rentals, open meetings, communication skills, and maintenance. One session was on AIDS, and another on drugs.

Evelynn Ruth Donham of Rising Star was awarded a bachelor of general studies degree during the Howard Payne University Commencement Exercises on Aug. 19. Mrs. Donham was formerly the Editor of The Rising Star, and is now postmaster in the town. She and her husband, Mike Donham, have two children.

CISCO

"Returns from Judges in the Cisco Writing Club Contest indicate local writers hold up well in competition against a broad field of entrants," state Julia Worthy, Contest Chairman. The names of the winners will not be released until awards are made in the Community Room, First National Bank, at 7 p.m. on Sept. 6. The awards meeting will be open to the public. Materials returned to entrants go in the mail Sept. 7.

The United Methodist Women will host a rummage sale in the Fellowship Hall of the Church Thursday and Friday, Sept. 1 and 2. The hours will be 8 a.m. - 5 p.m. This has been an annual occasion each September for many years. All proceeds help meet local, district and state obligations and expenses of the UMW. Homemade pie and coffee will be offered for sale throughout both days.

A general orientation for the new Gifted and Talented Program will be held at 7 p.m. Monday, Aug. 29 at the Cisco Elementary Cafeteria. This program will be at the Elementary School, according to Bob Lindsey, Principal. The public is invited, especially the parents of children who have been identified as eligible for the program.

The Cisco High School and Junior Varsity Loboos tied in touchdowns against Baird in a controlled scrimmage held there last Friday. Coach Buddy Sharp said he was very impressed with the teams. He said the Loboos have a small team this year, but they are fast. The Coach said they will make a very competitive team. The teams are in Santo this Friday, Aug. 27 for another before-season scrimmage.

We're Fighting Drugs in YOUR Community
But Now We Need YOUR Help!

WHO?

We are the West Central Texas Interlocal Crime Task Force. Our organization consists of highly trained and specialized narcotics officers who are currently working with local law enforcement officers in your area.

WHAT?

These officers are now involved in numerous investigations in an attempt to rid your community of illegal drug manufacturing, drug dealers, and drug users. Their specialized training and experience allow these officers to work effectively in a combined effort throughout the West Central Texas Area.

WHY?

Everyone's a potential victim of a drug-related offense. Statistics show that drugs are the primary cause for most BURGLARIES, ROBBERIES, and other THEFT related offenses as well as other violent crime.

HOW CAN I HELP?

WE NEED YOUR DONATIONS NOW!
Although the basic program was originally funded by grant money from the federal & state governments, we are desperately in need of additional funds for day-to-day operations. On the average, it costs about \$1,500 a month for each officer to conduct an effective investigation. We need more money now to continue to operate. This is your chance to help!

Please send your donations (of any amount) to:

Gates And Jessup Are New Naval And Marine Corps Recruiters

New recruiters EO2 R.W. Gates and SW3 Claud L. Jessup have received a "Welcome Aboard" at the Naval and Marine Corps Reserve Center in Abilene.

EO2 Gates, a native of Albany, has been serving as a recruiter with the Abilene Center since his transfer from the Naval and Marine Corps Reserve Center in Lubbock March 8, 1988. Before "coming aboard", Petty Officer Gates served six years active duty with the United States Navy. During that time he was aboard the Cruiser USS Biddle (CG-34), as an operations specialist. Since his separation from active duty, Gates has changed rates to equipment operator and has been a member of Det. 1022, RNMCB 22 for nearly five years.

When asked what prompted him to become a Navy Reserve Recruiter, EO2 Gates replied, "I had an invitation to become a Naval Reserve Recruiter, and I believe in the program, so here I am."

In his off-time hours Recruiter Gates enjoys hunting, fishing and square dancing.

SW3 Jessup, a native of Cisco, is quickly learning to be a Naval Recruiter. As a former Texas National Guardsman he is facing a unique challenge to learn all about the Navy and its reserve component.

After serving six months as a Naval Reserve "Seabee" with the 1022

Detachments, his greatest asset to the Abilene Naval Reserve Recruiting Team is his ability to talk to other branches of the Armed Service.

When questioned on what he enjoys most about his recruiting duties, SW3 Jessup answered, "As a recruiter I enjoy meeting and talking with new people." He is married and he and his wife Glenda have four daughters, and one granddaughter, Courtney.

The two new recruiters will be taking over the duties of ET1 John F. McMahon, recruiter in charge. ET1 McMahon will be leaving the Abilene Reserve Center in October for transfer to a Naval Reserve Center in Manchester, New Hampshire.

Guadalupe Inez Ayala, husband of Gracie Ayala of Gorman, enlisted in the Air Force today, according to Sergeant Juan J. Guerra, Air Force Recruiter located at 300 Early Blvd., Heartland Mall, Brownwood. Upon successfully completing graduation from the Air Force's six-week basic training course at Lackland Air Force Base, San Antonio, he is scheduled to receive technical training in the Security Police career field.

He is a 1983 graduate of Cisco High School and will be earning credits toward an Associate Degree in Applied Sciences through the Community College of the Air Force while attending basic and technical training schools.

Peacock Enlists

In Air Force

Lonzo Doris Peacock III, son of Lonzo Peacock Jr. and Mary Fahr of Cisco, enlisted in the Air Force today, according to Sergeant Juan Guerra, Air Force Recruiter located at Heartland Mall, 300 Early Blvd., Brownwood. Upon successfully completing graduation from the Air Force's six-week basic training course at Lackland Air Force Base, San Antonio, he is scheduled to receive technical training in the General career field.

He is a 1987 graduate of Piggott Ar High School and will be earning credits toward an Associate Degree in Applied Sciences through the Community College of the Air Force while attending basic and technical training schools.

Weeks Is Home Doing Well

Fiddler R.D. (Robert) Weeks called the newspaper just before presstime to report that he is home from the hospital and doing well.

He returned home Thursday after treatment and reports that "They found the problem and hopefully fixed it." He is breathing good and eating good, he said, and hopes to mend fast.

He underwent heart surgery one month ago, and had recently had to return to the Fort Worth hospital for treatment.

MINNIE LEE SCARLETT

Minnie Scarlett Plants Cotton At Her Home

Minnie Lee Scarlett, of 1012 West 6th, Cisco, will be picking cotton she planted in her garden at her home this summer. Minnie has two little rows of cotton, all with big bolls. She is shown in the above photo holding two bolls of cotton she picked.

She laughingly said she beat Roscoe and Sweetwater with their cotton harvest this year.

Minnie said she will pick the cotton and take the seeds out of the bolls to plant next year.

She was raised on a farm in Pleasant Hill. This part of Texas use to be big cotton country, she said, but it is now mostly peanut country now.

Minnie said she always heard you can take the girl out of the country, but you can't take the country out of the girl, and in her case, it's true.

Dale Stewarts Make Trip To Oklahoma City

By Ruth Schaefer Stewart

On June 20, 1988 Cisco bronze artist Dale Stewart and his wife Ruth visited the National Cowboy Hall of Fame and Western Heritage Center in Oklahoma City. The museum is located on Persimmon Hill, a 37-acre site overlooking a segment of the old Chisholm Trail, which was the gateway to the West. The building resembles a pioneer's tent, or a circle of wagons surrounding a campfire. Seventeen western states sponsor this memorial. Included in the collection of art works are those of C.M. Russell ("Smoke Talk," "Red Man's Wireless") and Remington's ("In From the Night Herd") and Hunters' (Camp in the Bighorns"). One of Russell's sketchbooks containing 87 sketches is here and some letters that he illustrated. A collection of bronzes includes "Coming Through the Rye," "Bronco Buster," and "The Outlaw" by Remington. The museum has over 50 bronzes by Russell. Outside there is a 30 feet statue of Buffalo Bill on a horse. In a specially designed pavilion is a heroic sized "End of the Trail," a defeated Indian warrior

sitting dejected on his exhausted horse, by James Earle Fraser, who also designed the buffalo-Indian head nickel.

The Stewarts traveled through part of Kansas in 100 degree plus weather, then through part of Colorado and up to Cody, Wyoming to see the Buffalo Bill Historical Center of Western Art. It includes the Whitney Gallery, The Plains Indian Museum, the Winchester Museum, and the Whitney Gallery of Western Art. There is a large collection of personal and historical memorabilia of Col. William F. (Buffalo Bill) Cody. The Winchester Museum contains a collection of over 5,000 projectile arms showing the development of firearms in America. Works of Frederic Remington and Charles Russell, the paradigms of Western artists, are here in great numbers.

The Stewarts decided that it would take days rather than a few hours to adequately study the vast collection of art works and memorabilia in the Buffalo Bill Historical Center of Western Art. (Paintings of Yellowstone were plentiful as well.)

Anna Dytzel Celebrates 82nd Birthday Aug. 12 At Senior Center

Anna Dytzel was 82 on August 12th. She was honored at the Senior Center on the 15th. Ice cream and cake was served to 140 Senior Citizen friends. Special music was provided by Gerald Parks.

Mrs. Dytzel has been an active participant in the Senior Center since it was organized. She was born in Eastland County and has lived here most of her life. She is a lifelong member of the Church of the Nazarene. Her husband served as pastor of the church here for many years.

She has three sons, Howard Pryor of Indiana, Martin Pryor of Abilene and Marshall Pryor of Sacramento, California; a daughter, Nantha Weatherby of Oxnard, California; three sisters, Leona Calaway and Ila Wilson of Cisco and Lillian Pence of Canyon.

The Stewarts traveled the very scenic route from Cody into the northern part of Yellowstone National Park. According to the map, the distances seem small, but the winding and mountainous terrain make a 50 mile trek stretch well over an hour by car. (Folks from the Big Country count 50 miles as about 45 minutes, but not so in the land of Yellowstone.)

Spring was just coming up the mountain the third week of June. The bold spring flowers thrust out of the mountainsides almost within arm's reach from the car window as the winding roads led deeper into this land of enchantment. The Stewarts investigated Tower Falls via overviews and a trail descending to the bottom of the misty falls. The lush vegetation, pure air and exhilaration of making it to that beautiful spot was spiritually refreshing. We then understood the meaning of the often repeated message of those coming up the trail: "It's worth it!"

The next morning the Stewarts traveled through the northwest exit of the park. An impressive archway spanned the road. It was dedicated by President Roosevelt "For the enjoyment of the people."

The road to Great Falls, Montana was quite scenic - forest, massive rocks, mountains all around the horizon, and sage brush. "Big Sky Country" was frequently seen on signs near towns.

The City of Great Falls has one main street, the highway through town. The C.M. Russell Museum, his original studio and house were the main attractions for the Stewarts. The collection of small humorous models Charlie had done for his friends were displayed as well as many of his illustrated letters.

The next destination was Helena. Points of interest were the Montana Historical Society (a museum) and the State House. The museum was showing a documentary about C.M. Russell. The State House contained a very large painting by Russell over the chair of

the Speaker of the House. The worth of the painting is estimated to be over a million dollars. (Russell was paid \$5000 for doing it.)

The guide reviewed some history of Helena, saying that it was known as "Last Chance Gulch." Two prospectors were about to abandon their dreams of finding gold, when one of them decided to start digging in the dirt. To their amazement a rich vein of gold was struck near the surface. The City of Helena literally sits on a gold mine.

(It is at the foot of a mountain and was receiving showers on the day the Stewarts were there.)

The Stewarts then returned to Yellowstone National Park and enjoyed seeing world famous sights such as Old Faithful, the Morning Glory Pool, the Steamboat Geyser, Minerva Terraces, Fire Hole River, the Grand Canyon of the Yellowstone, Sheepeater Cliffs, the Upper and Lower Falls, and many other geologic features. Moose, elk, deer, bison, marmots, pica and other animals seemed unafraid of the many visitors. Some visitors reported seeing bears, but they were not too much in evidence. Fly fishing and boating were popular sports, but the only swimming seen was in Fire Hole River. The other rivers are too icy to permit safe swimming. The Continental Divide causes the rivers of Yellowstone to flow to the Pacific and the Atlantic Oceans.

Four days were spent in Yellowstone, sight-seeing from early morning until late in the evening. This allowed most of the sights on the Grand Loop (100 miles) to be explored.

A quick trip was made to see the Grand Tetons south of Yellowstone. The majestic beauty is unsurpassed in the opinion of many travelers.

The workshop offered by the Cowboy Artists of America was at the Bar N Ranch near West Yellowstone. The dirt road from the highway to the ranch is near an artesian

well. The force carried the water high into the air and a small lake resulted.

The C.A. Artists welcomed the 80 participants and guests during registration. The next day the groups divided into Sculptors (in the 100 year old log barn) with the water colorists and oil painters outside to take advantage of the postcard perfect scenery and live models (Crow Indians and mountain men).

The artists received critiques on their work. Professional film producers were on location making a short documentary.

There was a great deal of camaradery among the students and teachers. Those who stayed in the bunk houses were fed sumptuous meals.

Most of the students were inspired and came away with a wealth of new ideas.

The Stewarts then went to Salt Lake City and took a brief tour of the Mormon Square. It contains the Mormon Tabernacle, exhibit buildings, and other places of worship. The Mormon Tabernacle choir was practicing for the special Fourth of July service. The orchestra provided the music.

Although they wanted to hear the whole practice, the Stewarts stayed for a few minutes and toured parts of the exhibits. There were many impressive oil paintings and sculptures. A copy of "Christos" was compelling.

The archives containing geneological information is located across the street from the Square.

CALL FOR FINANCIAL AID INFORMATION

Wanda's Corner

by Wanda Hallmark

When the PAC Tour bicyclists came into town last week, (see the story in this issue of The Press), two Cisco students were so impressed with them, they asked if they could ride with them for a little while.

Timmy Skiles, 13, and Skutter Hutt, 12, rode their bikes to Eastland with the group. The two made the trip in about 45 minutes.

Timmy and Skutter fell back about half way, they said, but they never lost sight of the bicyclists. One man with the tour gave the two boys some money to buy a hamburger in Eastland and told them they did very well.

Judy Skiles, Timmy's mother, picked them up in Eastland, and brought them back home.

Dee Wages, senior at Cisco High School, made the scoring touchdown for the Bahama's Mamas, at the Powder Puff football game held August 20.

In the story in the last issue of The Press, it said that Ginny Pope made the touchdown, but it was Dee. Sorry about that Dee.

Robert L. Galle celebrated his 65th birthday on August 23. He had two occasions to celebrate, first, on August 13, his family took him to Arlington for the weekend and a fun filled day at Six Flags Over Texas, and on the day of his birthday he was honored with a special dinner planned by his wife, Helen Galle, daughters, Diana Galle and Linda Walton, son-in-law, Joe Walton and grandson, Dusty Walton.

Robert and his wife, Helen, have lived at Lake Cisco over 20 years, moving here from Abilene.

Robert was very honored with the special treatment and had these words to say, "Thank You, Thank You, Thank You," and "I will never go to Six Flags Over Texas again."

Sears, is not going to shut their doors completely, according to Don Shepard, Cisco Chamber of Commerce manager. They are changing locations and will be re-located, in Cisco. They will be changing to an agent store whereby all the services that are available now, except receiving payments, will be in effect.

Don said one of our local merchants will become the agent and it will be announced at a later date who it will be. He said the new agent cannot receive Sears payments and they won't have any floor merchandise in their store.

We received a news release from the American

Cancer Society that the Great American Smokeout in Texas will be observed November 17. This gives everyone plenty of time to think of a smoker they can adopt for that day, and maybe help them to quit smoking for that one day.

The Cisco High School Athletic Boosters have reported that John Bailey and David Summers have volunteered to film the football games for the Cisco Lobos this year. John is the son of Scott and Mary Bailey of Cisco. David is the girls athletic coach at Cisco High School.

Ingrid Valek, who is a 1988 graduate of Cisco High School, is in basic training at Parris Island, South Carolina. She joined the Marines and will finish her basic training in October.

Her dad, Wesley Valek, said Ingrid enjoys the service so far, but would like to hear from some of her friends in Cisco.

Her mailing address is, Pvt. Ingrid N. Valek 453750241; P.O. Box 4th Bn; MCRD, Parris Island, South Carolina 29905.

Ken Diehm, minister at First United Methodist Church, said in planning for their revival to be held September 18-21, one question keeps coming up, when was the church's last revival. If anyone could remember when the last revival was, or who was the minister when it happened, to please let him know.

The youth at the UMC are planning a Christmas break ski trip. They will meet Sunday at 4:30 to make plans for the trip.

Sandra Prickett of Brownwood sent in a poem she has written to The Press recently. It is entitled "Happiness".

Happiness is mine
I feel so good today!
I laugh and smile
and dream and scheme.
The world is full of joy,
goodness and great truths.
But it wouldn't be this
good,
if yesterday wasn't so bad.

The Press has tickets to sell to the Lions Club Benefit Bowl game, to be held Saturday, September 17, at 7:30 p.m., in the Bucaroo Stadium.

The Cisco Junior College Wranglers and the Ranger Junior College Rangers will play in a benefit football game that night.

So stop by The Press and pick up your ticket. They are \$3.00 for adults and \$2.00 for students. The tickets are \$4.00 and \$3.00 at the gate.

The rivalry between the

two colleges is so strong, so this is always a good hard fought game. Be sure and get your tickets now.

Charles Stephenson, owner of Dollar Video in Cisco said if you spray a crickets with Windex window cleaner, it will kill the insect! He said his brother, Casey Ellison of Ft. Stockton told him about it.

Charles said another sure way to get rid of the crickets is to spray with diesel gasoline.

But the Windex would smell a lot better than the diesel, wouldn't it.

Russell Fink, who is in a hospital in Virginia waiting for a heart transplant, sent in his address to The Press. The address is: Russell Fink, Veterans Administration Medical Center, 5B173-39, Richmond, Virginia 23249.

He said he would enjoy hearing from folks back in Cisco.

Rev. Ken Diehm was scheduled to go to Wichita Falls with three other young ladies, who attend FUM to ride in the "Hotter-N-Hell" Bike Ride Saturday. There were 14,000 expected entries in the bike ride.

Going with Ken was Rachel Valek, Jana Muller and Jana Yowell, juniors at Cisco High School. Jana Y., Rachel and Jana M., were going to ride 25 miles in the ride and Ken was going to ride 100 miles.

Ken said the ride is sponsored by the Wichita Falls Bike Club and all money made in the ride will go to the parks and recreation areas in the city.

To preserve the honor for students, members' names and their high school accomplishments will be listed in the Society's 1988 Membership Registry, which is published and distributed nationally.

Dorothy Farnsworth and Maryann Perry teamed up to win first place in the second flight at Legends Golf Course in Stephenville recently. They also played with Carrel Smith at the Lone Cedar Country Club Three Person Scramble, but did not fare as well, tying for sixth place in the second flight.

Local Students Are Awarded National Honor

The Society of Distinguished American High School Students announced today that two students from Cisco have been selected as members in its honor society for 1988.

Membership in the 20 year old Society is designed to be a national honor and incentive for top performance among high school students. To be accepted, candidates must excel in academics, extracurricular or civic activities.

Local students accepted as 1988 members include: Jason Phillips, son of Mr. and Mrs. Jack Phillips. Jason is a 1988 graduate of Cisco High School and will be attending Cisco Junior College in the Fall. And Christine Deadman, daughter of Mr. and Mrs. Cecil Deadman. Christine will be a junior at Cisco High School.

As members, these students will have the opportunity to compete for college scholarships through the Society's National Awards Program. This year, 140 colleges have earmarked more than \$700,000 in scholarship funds for Society members.

Additionally, the Society sponsors members-only cash awards of up to \$2,000 per recipient for higher education purposes, and its college referral programs recommend members for admission and grants-in-aid to 350 major colleges and universities.

To preserve the honor for students, members' names and their high school accomplishments will be listed in the Society's 1988 Membership Registry, which is published and distributed nationally.

How Does One Adjust To Widowhood?
There are many excellent texts and reference books relating to the adjustments which surviving widows and widowers must make. Most are not overly technical and may help you understand better the transitional stages of widowhood. These books help explain how to facilitate healthy mental and physical adjustments after the loss of a loved one.

Here are just a few of them:
"Parents Without Partners"- J. Egleson.
"Explaining Death to Children"- E. Grollman.
"For the Living"- Edgar Jackson.
"When Death Takes a Father"- G. Koolman.
"On Death and Dying"- E. Kubler-Ross.
"The Widow-to-Widow Program"- Mental Hygiene Magazine, Volume 53, No. 3, 1969.
"When Your Wife is a Widow"- Changing Times Magazine, June, 1971.

If you would like additional information or discussion, stop by, phone or drop us a note.
