Local Man's Home Was Destroyed By Fire Thurs.

The Cisco Volunteer Fire Department responded to a home fire, located on the corner of 13th and Beech street, at 10:50 p.m., Thursday night. The home was totally destroyed by the fire.

Willy Hunt, who lived at the residence, was at E.L. Graham memorial hospital, where he works, when the

fire broke out. He said his shift was scheduled to have been over and he could have been at home, about 20 minutes after the fire started. He is also the driver for Patterson Ambulance in

The fire was caused by electrical problems. Hunt said he had called an electrihome this Saturday to do some work.

Cisco firemen responded to a small fire Friday morning when a log stump was still smoldering in the Cisco High School bon fire held the night before. The bon fire was located in the football stadium parking lot

Parents For Teens To Sponsor Dance

The Parents for Teens in coordination with Senior Class parents, is sponsoring an Eastland County and Area High School Dance, on October 15, 1988.

The dance will be held in Cisco, at The Corral Room, 400 Conrad Hilton, from 8:00

a.m. to 12:00 midnight. Jason Phillips will provide the music for the dance. Admission will be \$3.00. Soft

drinks will be available. A donation jar will be available for those wishing to contribute to the Ricky Chambers memorial scholarship. Ricky died this summer in a wreck, south of Cisco. Because of the Parents For Teens we welcome the opportunity to support this project. Cisco has an active group

of parents, Parents for Teens, who have sponsored monthly parties for Cisco High School students for the last five years. Senior Class parents who work with Parents for Teens, will serve as chaperones, in addition to other interested Senior parents, or parents from other classes. Parents from all surrounding towns are in-

vited to also help chaperone. Definite rules have been established for high school students as follows:

1. Only high school

students will be allowed to attend the dance.

2. Students may leave the dance at any time, however, once a student leaves they may not return.

3. No drugs, alcohol, or dipping will be allowed.

Says a "spokes parent" for the Parents for Teens, High School parents should be assured that the dance will be well chaperoned and our definite rules will be followed. Please feel secure in allowing your teenager to attend our dance, and feel free

to join us if you can. For further information, please call 442-3113, 442-4627 or 442-2537.

Cisco Boy Scouts were preparing for their annual Popcorn Sale when the above picture was taken. The scouts are taking orders for 31/2 buckets and microwave "Trail's End Gourmet Popcorn" in their sale. Delivery will be the first week in December.

Scouts To Hold Annual Popcorn Sale

The Comanche Trail Council, Boy Scouts of America kicked off it's second annual Council-wide "Trail's End Popcorn Sale" Saturday, Oct. 1. Comanche Trail Council Executive Alford Havens has announced a major new initiative by the local council to market a product throughout the council. The product-program will involve the sale by Scouting units of a popcorn product called "Trail's End Gourmet Popcorn." Proceeds from the sale will be used to benefit the Scouting activities of the local council, as well as individual

Scouting units Sam Mangrum, Council President, stated that ex-

calating program costs, the need for camp equipment and maintenance, as well as continued growth in youth participation have prompted the Executive Board of the council to seek new, additional sources of financial support. He slso stated, "The Comanche Trail Council is making this an annual affair, such as the "Girl Scout Cookie Sales." "Trail's End Gourmet Popcorn" is a great tasting, fun to make, wholesome nutritional snack that the entire family can en-

Davis, son of June M. and Sharon B. Davis of Cisco. has completed recruit training at Marine Corps Recruit Depot, San Diego.

During the 11 week training cycle, Davis was taught the basics of battlefield survival. He was introduced to the typical daily routine that he will experience during his enlistment and studied the personal and professional standards traditionally exhibited by Marines.

He participated in an active physical conditioning program and gained proficiency in a variety of miliary skills, including first aid, rifle marksmanship and close order drill. Teamwork and self-discipline were emphasized throughout the training cycle.

A 1988 graduate of Cisco High School, he joined the Marine Corps in June 1988.

Sutton Crofts Return From Recent Trip

The Sutton Crofts attended services on Thursday, Oct. 6, for Maurine (Mrs. Droel) Looney, a former Cisco resident, who died Oct. 4 in Denton, after a long illness. Mr. Looney will be remembered as principal of the intermediate school some years ago. He also owned a motel on Highway 80 and later operated the Ridge Motel in Breckenridge for several years.

The Crofts also visited their granddaughter, Aimie Tullos, at North Texas State University, and went on to visit their daughters in the Metroplex for the weekend. One purpose of the visit was to view the famous Georgia O'Keefe exhibit at the Dallas Museum of Art. The exhibit ends Oct. 16.

Friends And **Fellowship Ministry Meets**

The regular meeting of the Friends and Fellowship Ministry of East Cisco Baptist Church was held Sept. 22, 1988, in the Educational Building at 6:30 p.m., and was a "pot luck" supper and 'game night."

Marshall Ivie, president, brought the meeting to order. Bud Clack gave the opening prayer.

After the delicious meal, the business meeting and program were the next

The minutes were read by Laverne Ivie, secretary, and approved as read. The treasurer report was read by Marie Ivie, treasurer, and

approved as read. The program was next and was given by Verna Wilson in the form of a devotional taken from Isaiah 43:2, 41:2, and I Corn. 13:13. When clouds of illness, death or other sorrows hang over, you read these verses and remember God is always there to help make the clouds a little lighter and your fears lighter, also.

To cheer up some confusion about committee duties. Marshall read the committee names and the duty assignments of each that were decided on at an executive meeting. Dorothy Thomas made a motion to accept assignments as read, seconded by Jewel Kinard,

and passed. Marshall reminded everyone that those going to Senior Adult Day at Leuders on Oct. 4 were to be at the church at 7:15 a.m. to leave. They were also asked to pre-

Laverne Ivie reminded the group to gather up their items for the garage sale so they could raise money for the van. Florine Hagen volunteered her carport. (Later due to health reasons she asked this reporter do withdraw the offer.) The date for the sale was set as Oct. 27,28,29 from 8:30 a.m. until?

The closing prayer was by Fave Clack to dismiss the meeting so the group could play games.

-Some of the food served was five casseroles, corn, cornbread, green beans, potatoes in gravy, fruit salad, brownies, fruit cake, apple cobbler, lemon cheesecake, banana pudding, pecan pie, etc.

Those present: Marshall and Laverne Ivie, Paul and Marie Ivie, Dorothy Thomas, Florine and Newt Hagen, Eva Kinard, Ollie Smith, Lucy Hagen, Bud and Faye Clack, Bill Howell, Ollie and Leota Hughes, Mary Lou Williams, Ruth Carey, Verna Wilson, Thelma Bosworth, Viola Payne, Jewel Kinard and a guest, Mildred Hall.

This report should have been given to the paper Sept. 26, but at that time this reporter had a death in her family and was very busy trying to be helpful and supportive to her family. I'm sorry for the delay.

ANOTHER GOOD **DEER SEASON ON TAP** FOR HUNTERS

AUSTIN-Texas hunters may be in for another recordsetting white-tailed deer season this fall.

Last year about a half-million hunters harvested about a half-million of the state's estimated 4.1 million deer.

Deer hunting is on a roll in Texas, with hunters harvesting record numbers of whitetails every since since 1984. This fall may see another such year, as deer populations remain high and dry weather may increase deer movement and make them more visible to hunters, according to the Texas Parks and Wildlife Department.

Officials said the 1987 season will be hard to beat,

since records were set in an terless harvest, hunter numbers and hunter success in addition to total harvest. The 505,000 total harvest eclipsed the 445,000 harvest of the previous year.

This increase is attributed mainly to consistently high deer populations and regulations designed to increase harvest of the antlerless segment of the deer population, a necessity in many areas because of chronic overpopulation of the deer herds.

This year, the Parks and Wildlife Commission adopted regulations that make it even easier for hunters to take their legal allotment of antlerless deer. The eithersex bag limit system has replaced the landowner-issued antlerless deer hunting permit arrangement in most of the state's main deer hunting counties. This means that in either-sex counties, hunters are not required to obtain a

Day 629-8243 "doe permit" from the landowner to take antierless deer. Instead, the hunter simply tears the appropriate tag from his hunting license and attaches it to the carcass of any

antieriess ucer taken. The landowner, as in the past, still can specify the number and sex of deer to be taken on his property. Antlerless permits still are required in some counties where deer populations are concentrated in lo-

calized areas. During the deer season, which is Nov. 5-Jan. 1 in most counties, and Nov. 12-Jan. 8 in South Texas. Hunters are allowed to take four whitetailed deer, no more than two bucks in most counties. There is a one buck limit in some counties, and hunters will be allowed to take only one

bucks in other counties.

Other recent innovations aimed at a higher antlerless harvest are a special early antlerless-only season Oct. 22-Nov. 4 in all or portions of six East Texas counties, and a similar season for selected South Texas counties Jan. 14-

Horace Gore, white-tailed deer program leader, said hunters may not match the 1987 deer harvest although the deer numbers are sufficient to reach that level. "I don't expect the harvest in South Texas to be as large as last year, simply because of landowners' reactions to dry weather conditions. But !

expect increased harves. ... Texas Texas because of the additional counties coming under the either-sex program," Gore said.

Gore said Texas habitat is supporting "peak numbers" of deer in most areas, and the herds could be on the brink of a major die-off in the event of a prolonged drought. "A strong harvest of antlerless deer would be as beneficial to the herds as it would be to the hunter," Gore said.

Gore said the dryness of the habitat and the spotty mast crop should enhance the deer harvest. "I think the deer will be coming to supplemental feeders and oat patches very well, especially later in the season," Gore said.

Officials point out that the annual hunting season is important to more than just the hunting camp fraternity. It's a billion-dollar boon to the Texas economy, bringing outside revenue into rural communities and giving ranchers and farmers hunting lease income during a difficult period for Texas agricul-

Hunting regulations can be found in the department's 1988-89 Hunting Guide, available free at department offices and hunting license udets across the state.

The following is a regionby-region wrapup of deer hunting prospects for the

upcoming season: **EDWARDS PLATEAU**

The Hill Country west of Austin is Texas' deer factory, producing the most whitetails of any ecological area and more than most states can claim. Last season was a banner one in the Plateau, with a total harvest of almost 230,000 deer, or an 18 percent increase over 1986. Hunters obviously took advantage of the either-sex regulation which was in its first year in most of the Plateau. The 107,500 antlerless deer taken represented a 26 percent increase.

This season's prospects are good in terms of prospective harvest, according to district biologist Max Traweek of Kerrville. Traweek said overall dryness of the range should contribute to hunting success. "I don't know if we will set another record, but there certainly are enough deer," he said. "If the weather cooper-

ates and the hunters turn out in good numbers, we might break another record." Acorns, an important deer food during the fall, are in short supply in most areas, Traweek noted, causing deer to move around more during

daylight hours. Deer body condition is reasonably good in most of the Plateau because of summer rains, but parts of the northern section including San Saba and McCulloch county are extremely dry. In those areas deer are beginning to reflect the stress of poor range conditions. Traweek believes antler development will only be average this fall in most areas, and elow average in dry areas.

located roughly south and west of San Antonio. "The deer came through the summer in better shape than a lot of people expected, so I see no reason why we shouldn't have a typically good South Texas deer season."

40 Days Of Prayer To Be Observed

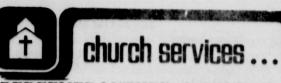

National Prayer Summit of Fallbrook, Ca., is currently sponsoring a national 40 Days of Prayer, according to Rev. O. R. Williams, local Cisco minister.

'This event is being held from September 30 through November 8, a critizal time in our history," Rev. Williams said.

"We believe," Rev. Williams said, "that the United States of America is a needy nation with the AIDS epidemic, abortions, drought, alleged im-properieties in government, financial debt and insecurity. We believe that the Church of Jesus Christ needs to repent of division, indifference, materialism, secularism, and lack of godliness. We believe that the entire nations should be called to 40 days of Prayer Sept. 30 through Nov. 8, prior to the national election on Nov. 8. The summit has encourag-

ed all prayer ministries in the United States to call the nation to 40 Days of Prayer, and all denominational and other Christian ministry leaders in the United States join in calling the nation to 40 Days of Prayer, and that prayer ministries, denominational and other Christian ministry groupings, local churches, citywide groupings, families and individuals, implement the 40 Days of Prayer as directed by the Holy Spirit.

Anyone needing further assistance is asked to call National 40 Days of Prayer, 6813 North 11th, Tacoma, Wa. 98406 (206) 752-5763.

WHERE CAN SENIOR CITIZENS GET HELPFUL INFORMATION? We have been asked often for information and

literature about services available to our community's senior citizens. We've had to seek out material about Social Security, old age and survivor's benefits, VA claims, insurance-processing, wills, retirement-planning, etc.

We've become a kind of Information Center from which senior citizens (or anyone else for that matter) may receive pamphlets, reading lists, and even free advice on "where to find it" for all manner of important data.

We sometimes speak before adult and school groups on these subjects and others pertaining to funerals. We'd be glad to speak to your group.

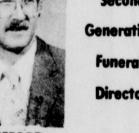

If you have questions on some of these topics, we'll try to help you get the answers. There's a wide range of source material, some of which we have and others we can help you locate.

RANGER

The seventh annual Roaring Ranger Days, one of the best street festivals in Texas, will get underway next week. The main part of the festival will be held on Saturday, Oct. 15, but things will also be lively on Friday night, Oct. 14. There will be a street dance downtown that evening following the Ranger-Eastland football game, with food and soft drinks available. Saturday morning there will be the ever-popular Lions Club Cowboy Cookout Breakfast from 7-9 a.m., with a big Parade on Main Street at 10 a.m. World War I Veterans will lead the Parade. Immediately following this the food and craft booths will open along Main Street, and various events will begin all over town. At 11 a.m., there will be a Classic Car Show and an Ugly Pickup Contest. Throughout the day there will be live entertainment on the big stage downtown. At 4 p.m. the Fiddler's Contest will begin, with over \$700 in prize money. The conclude the celebration that night, the Ranger Jaycees will host a Barn Dance in the Dance Barn adjacent to the Ranger Rodeo Arena.

The Ranger City Council

hired two new officers on Friday, Sept. 30. These will fill vacancies left by recent resignations. One new officer is Virginia Skaggs of Stephenville, who received her certification from Tarleton State University. Clayton Ladd, of Mineral Wells was also hired, and he received his certification from Tarleton State. Both these officers are now on active duty in the

Pastor Bill Chambers resigned his position at the First Baptist Church of Ranger, and has become the pastor of Northwest Baptist Church of Milwaukee, Wisconsin. He and his wife, Louise, have returned to the Great Lakes. where they have spent most of their ministry since Chamber's graduation from the Seminary in 1960. He served previously on the staff of the Minnesota/Wisconsin Southern Baptist Convention as well as pastor in Michigan and Ohio. The Chambers moved to Ranger four years ago, and Mrs. Chambers has taught typing and journalism and directed the annual staff at Cisco High School for more than three years. Chambers reported that Southern Baptist work in Minnesota/Wisconsin is the smallest in the

ACT Assessment

By LORI ANN SPEEGLE

As the new fall term opens, Cisco High School juniors and seniors should give some thought to taking the ACT Assessment.

The ACT Assessment, which consists of four academic tests that measure educational development and a detailed questionnaire that collects information relevant to educational and career planning, is recommended or required by more than 3,000 postsecondary institutions and scholarship programs.

Most students take the ACT Assessment during junior year or early in senior year, so their results will be available in time for use in planning for postsecondary education and careers.

The guidance office has the information and forms students need to register for the ACT Assessment. ACT also provides free copies of the booklet, "Prepaing for the ACT Assessment,' which contains information about getting ready for the examination, plus a complete practice test.

The basic registration fee for the Assessment is \$11.50. Late registration will be ac cepted for an additional \$12.00 late handling fee. For 1988-89, ACT has established this test date schedule, listed by test dates, registration deadlines and late registration deadlines:

October 22, 1988; September 23, 1988; October 11, 1988.

December 10, 1988 November 11, 1988 November 29, 1988. February 11, 1988 January 13, 1989; January

31, 1989 April 15, 1989; March 17,

1989; April 4, 1989. June 10, 1989; May 12 1989; May 30, 1989.

It takes about three hours to complete the four ACT examinations in English math, social studies, and natural sciences. The Assessment also includes a two-part questionnaire that students complete at home when they register. It focuses on interests academic and nonacademic accomplishments, and vocational and educational plans and needs.

Colleges use information from the ACT Assessment for academic advising, admissions counseling, course sectioning and placement, student services, and institutional research. ACT Assess ment reports are sent to students, their high school counselors, and the institutions and agencies students

specify. The ACT Assessment is a major service of The American College Testing Program, which has national headquarters in Iowa

City, Iowa. For more information about the ACT Assessment, see Amy Johnson, school counselor

Meet The Loboes

DAVID BURTON

HARVEY PERKINS

introduce you to three

Loboes who always work

Lobo No. 33, David Burton,

is a 166 lb. Senior End. Stan-

ding a powerful 6'0", he is a

player respected by parents

as well as students. David

requested that, "We want all

the fans at the games to sup-

their hardest for the team.

This week we would like to

port us as we prepare to win our remaining games.

Meet Lobo No. 42, Senior Lobo David Steddum. David is 5'10" and weighs 165 pounds. He plays wing back on offense and monster on defense. David stated, "I hope that we will do our best to win every game for the rest of the season.' Also, this week we would

like you to meet No. 11, Harvey Perkins. Harvey is a 6'1"156 pound Junior. He is a defensive tackle and a receiver for the Loboes. Harvey declared, "I think we have a chance to defeat Eastland because of our hard work and dedication to the team.

Good luck to all the Loboes! We love you and are behind you 100 percent!

Teacher Feature

WAYNE WHITE This week's featured

teacher is Wayne White. Mr. White is a graduate of Breckenridge High School where he participated in band, debate and tennis. He attended Cisco Junior College then transferred to West Texas State University. Mr. White has been teaching for 20 years, and his classes this year include band and choir. When he is not busy working on his farm, Mr. White enjoys golf and hunting.

Applications Available For Seminar

All sophomores interested in the Hugh O'Brian Youth Foundation State Leadership Seminar should obtain an application from the counselor. The deadline is November 14, 1988.

The sophomore chosen will enjoy an all expense paid weekend this spring to meet with leaders in business, education, government, and the professions. If chosen, you will be given the opportunity to question these leaders about our world - today and tomorrow. You will also share experiences and ideas with other sophomores statewide. It is a wonderful chance to meet and make many new friends.

I would urge every sophomore to apply for a nocost, fun-filled weekend. As a HOBY alumnist, I would say that it is definitely worth the small effort it takes to fill out an application. I will never forget the fun and positive encouragement I received at last year's

with factory cooling system, cassette, and radio for the customers listening pleasure while they enjoy tanning in Sunal Wolff System. The breakthrough resulted

in special bulbs which emit no UVC, and which Elite uses in their tanning system. The miminal UVB is less than 5 percent, just enough to trigger the release of remain and almost exclusively UVA over 95 percent to oxdize the released Melanin. UVA tanning has been tested and proven by millions of people in Europe, where these systems were first

developed. By using this excellent equipment and following manufactures instructions carefully, anyone can be assured of a fast and great looking tan the year around.

You are getting older. Are you getting better? As further impetus to take care of you body because you may be living in it for a long, long time, here are some figures from the Metropolitan Life Insurance Company, as reported in the University of Berekely California,

wellness letter. Our chances of making it to the ripe of old age of 100 are rising by leaps and bounds. By 1990, according to the bureau of census projections the number of 100-year olds will double to 50,000. That number will double in the decade that follows.

At the turn of the century, 1900, just 31 people in 100,000 reached their 100th birthday. The 1979-81 life tables indicate that 1150 Americans in 100,000 are likely to hit 100.

What does all of this mean? We are eating better and taking care of ourselves better. We can help you with a balance diet if you will call your senior center registrar at 442-1557 or 629-1382.

In Cisco the dinner music was provided by Richard Parker, Lois Holder, Mildred Johnston, Choir and Band. A 55-Alive Defensive Driving Class was conducted during the week. A blood pressure screening was held by the Girling Home Health. Wednesday was an exciting many other pictures.

The Next Best Thing -

.....to a clear conscience and a good night's sleep is the feeling of security in owning your own home with with a clear title. Peculiar to the real estate field, values are based on land and the improvements thereon, if any. But values on these are based on the title. The title then becomes the most important item to be considered when purchase of real property is contemplated. So be careful to buy good title based on an abstract of title or a policy of title insurance.
