YARD OF THE WEEK-- The Cisco Garden Club has chosen the yard of Mr. and Mrs. Eddie McMillan, 1004 Front Street, as the Yard of the Week. The Cisco Garden Club will have a picture printed in The Cisco Press each week

as the Yard of the Week. If anyone knows of a yard that can be nominated for this honor, please call 442-2134, and have the name placed on the Club's list of yards. (Staff Photo).

City To Participate In Water Study

At the regular council meeting held last Tuesday at City Hall, members approved a resolution for the City of Cisco to participate in a regional water planning study to be conducted by the West Central Texas Municipal Water District.

City Manager Mike Moore said this resolution is the first concrete step that has been taken to help find an alternate source of water for the City of Cisco. He said Cisco is very fortunate to participate with the West Central Texas Municipal Water District in this study.

The study will address all the alternate sources and costs of water for this area, Moore said. The study will tell what will be the best way to go to find alternate water for this area and region.

Moore said by April 1, 1989, an engineer should be working on the study and it should be completed by October 1, 1989. Moore said the city will get to the brass tacks about finding more water for this area after the study.

"Water is a very precious commodity," Moore said. "Attaining the right of water will be the hardest part of the battle."

He said at the present time, it seems that the best alternate source of water for this area is Lake Hubbard in Breckenridge, and with this study the City of Cisco can find out what they can do, and if they can do anything about it. Moore added that he is very pleased the city is going to start on the study.

In other action the council approved a resolution authorizing the filing of an application with the Texas Department of Commerce for the Community Development Fund. If the grant is approved by the State of Texas, the City of Cisco will receive \$250,000 to start street pavement, housing rehabilitation, code enforcement, engineering and inspection, in the northeast section of the town. Moore said the city will give \$37,500 toward the work in cash and in-kind services. But Moore said the \$250,000 grant is available by the state and they will pick a town from those that file. Moore said the City of Cisco should know if they have been chosen by June 4, 1989.

Fullen Motors, Co., of Eastland was awarded the bid of a city pick-up truck for \$9,271.50. Moore said the city

also received two bids from Davis Truck and Equipment, Clinton, Texas, for a used sanitation truck for \$16,500 each. Moore said someone will go to Clifton and check the trucks over and report back to the council at the next meeting to be held October 25.

Council members approved the financial reports of the hotel/motel occupancy tax for the Conrad N. Hilton Memorial Park and Community Center Hotel for 1987-88. The quarterly report of the Municipal Court Judge was also approved.

Council members approved the motion to cancel bids to lease five lake lots owned by the City. Moore said the lots are not at water level and it would be best not to receive bids on the lots until next spring. He said at that time the bids for the lots would be advertised.

Council members approved the first reading of an ordinance establishing a 15 mile per hour speed limit around the Cisco Elementary School on West 11th Street, Avenue H and Avenue I. Moore said the speed limit will become effective after the ordinance has been approved by the

council for the second time and the new signs are in place.

Cheerleaders

For CJC Selected

Cheerleaders for the 1988-89 year were recently selected at Cisco Junior College. Leading cheers for CJC will be Leigh Callarman, Kay Scott and Krista Shepard of Cisco; Christy Gann of Abilene; Amy Harrison of Breckenridge and Melanie Morrison of Albany. Mascot for the cheerleaders will be Kassie Schusterreit.

Kay Scott was designated as head cheerleader. Sponsor of the cheerleaders is Mary Schusterreit.

The cheerleaders will be out in full force for the CJC vs. Tyler football game on Saturday, Oct. 15, at 7:30 p.m. in Cisco.

County Commissioners:

Hospital Matters On Agenda

The Eastland County Commissioners met Tuesday, Oct. 11, with all four Commissioners present. County Judge Scott Bailey presided.

The Commissioners passed a Resolution supporting Proposition 1 on the Nov. 8 General Election Ballot. This Proposition is called the "Good Roads Amendment," because it attempts to clarify how the approx. \$800 million collected in Federal Excise taxes from the state each year can be spent.

Judge Bailey, who is a Volunteer Chairman for Proposition 1, said this amendment was very vital to the state and also Eastland County.

"It will assure that money from the Highway Trust Fund will be used exclusively for roads," the Judge said.

Marcia Carr, Administrator of Eastland Memorial

Hospital, spoke to the Commissioners about Indigent Health Care.

Mrs. Carr said that nothing was more crucial to the county right now than the whole Health Care issue. She reminded Commissioners that they had designated Eastland Memorial Hospital as an Indigent Health Care provider. She said she felt they should require indigent residents to use this Hospital, except in an emergency.

She and Emmett Lasater, Hospital Board member, remarked on the County recently paying Humana Hospital in Abilene around \$1800 for treatment of a jail inmate.

The Commissioners said they were just presented a bill from the Abilene Hospital, and didn't know why the man was taken there. Richard Robinson, Comm. of Pct. 1, said he would ask Sheriff Don

Underwood about the matter. The Commissioners said they would cooperate with the local Hospital, urging it to be used when possible.

On another matter, Commissioners approved hiring a part-time clerk to work in Justice of the Peace R.G. Lyerla's office. Reports were that Judge Lyerla was ill, and the work load for his Secretary was very heavy. The Commissioners indicated they would try to find someone acceptable to Judge Lyerla.

Billy Bacon, Comm. of Pct. 4, said that 18 inmates were presently in the County Jail, leaving the facility well under the population "guidelines" of the State Jail Standards Commission. He said the jail also appeared clean.

James Wheeler, Abilene architect, was also in the courtroom, and he said he had completed an inspection of the jail lighting and sound systems while they were still under warranty. He reported that he found no defects.

Wheeler also said that he would like to talk to the Commissioners about a jail enlargement project, in which the present 24-bed capacity would be doubled to 48 beds. He mentioned that his previous estimate of \$1.3 million

for jail enlargement might be modified, especially since the land north of the jail had already been acquired.

Various members of the Court indicated they wanted to first clear the land and then consider moving forward if required.

In other items concerning surplus property, the Commissioners accepted a bid of \$226 from Gene Hicks of Rising Star for a green '72 Ford car. Also accepted was a bid of \$178 from Joe Bailey of Rising Star for a blue 1978 Ford car. Bailey gave the only bid on this vehicle.

The only bid on a 1971 trailer was rejected as being insufficient.

A bid for the purchase of a 1979 Mack Truck for Pct. 3 was accepted, on condition that the truck meets the specifications and approval of Pct. 3. The bid was submitted by M&S Excavation of Mott, Texas.

As the meeting ended there was discussion about the giving of tickets by the City of Eastland to persons parked around the Courthouse Square, especially jurors and Court Judges.

The Commissioners voted to pay a number of current bills, then adjourned.

Several Arrested With Drug Charges

The last term of the 91st District Grand Jury considered thirty-six cases. Twenty seven indictments were returned, seven were no-billed and two cases were passed until a later date. Among those indicted were a number either from Cisco or apprehended in Cisco.

Deborah Karen Bouds 28, of Vernon, also known as Deborah Karen Finch, Deborah Karen Richardson and Debbie Karen Richardson, and;

Danny Royce Brazil, 35, of Wichita Falls, also known as Danny Braziel, Danny R. Braziel and Danny Royce Braziel.

The three indictments returned against the three were for conspiracy to manufacture a controlled substance--phenylacetone, over 400 grams; conspiracy to manufacture a controlled substance--amphetamine, over 400 grams; and unlawful manufacture of a controlled substance--amphetamine, less than 28 grams.

Other indictments returned, were against:

Barry Glenn Seabourn, 24, of Abilene for one count of unauthorized use of a motor vehicle, one county, credit card abuse; Edith Revis, 23, of Ranger, theft over \$750.00 and under \$20,000; Randall Franklin Caraway, 24, Cisco, forgery by making; Nicolas Barrintez 42, and Joe Lara, 26, both of Snyder, burglary of a vehicle; Jerry Lynn Romines, 31, Rising Star, securing execution of a document by deception; Freddy Flores, 22, Rising Star, felony driving while intoxicated; Felix Landa, 21, Gorman, sexual assault; Franklin Eugene Wicker, 51, Cisco, felony driving while intoxicated; Chad Everett Flores, 17, Cisco, burglary of a habitation; Derryl Wayne Boyd, 31, Cisco, forgery by passing and burglary of a habitation; Patrick David Bonney, 31, Cisco, criminal mischief by tampering and impairing public service; Charles Ray Taylor, 34, Caddo, possession of amphetamine--less than 28 grams, possession of methamphetamine--less than 28 grams; Lola Raylene Wier Smith 41, Lubbock, possession of amphetamine--less than 28 ounces; Marshall Dodson Tharasher IV, 19, Rising Star, sexual

assault; Beryl Ann Michalk Williams, 29, Breckenridge, possession of amphetamine--less than 28 grams, possession of methamphetamine--less than 28 grams; Thomas Michael Fox, III, 37, Scranton, aggravated possession of methamphetamine--less than 28 grams.

There were several indictments returned, but have not been served or arrested as of yet.

ton, aggravated possession of methamphetamine--less than 28 grams.

WALTER WILLIAMS

Que Paso En La Clase De Senor Williams?

I would like, this week, to begin writing news articles on Cisco High School's new faculty members. To begin with I have chosen our new Spanish teacher, Walter Williams.

Walter Williams was born in Sacramento, California, in 1959, to Mr. and Mrs. Walter Williams. He attended public schools in Carbon, Texas, and graduated there in 1978. His parents were engaged in farming in the Carbon community. In 1978 Walter attended Cisco Junior College and between work and school graduated in 1984. In his first year at Cisco Junior College, he met and married Elvie Jean Graham, a longtime Cisco resident. The Williams have one daughter, Aleasha Shea, two years of age, and are expecting another child sometime in January.

In 1984 Walter attended Tarleton State University and graduated there in 1988 with a Bachelor of Arts degree. While attending TSU, he was inducted into Phi Alpha Theta, the national

honor society for the field of history.

This past summer Mr. Williams attended language school in Cuernavaca Morelos, Mexico, to help his proficiency in the Spanish language.

Mr. Williams enjoys collecting artifacts from all over the world. These come from his travels and from his friends that travel. He utilizes these with his class instruction. In reports his students are required not only written information but also something visual such as pictures, statues, pottery, clothing, jewelry and other items of interest.

He also teaches World History for Cisco High and has started a new course of photography. He has a photography display to enhance the interest of his students and to interest others in this new class. He feels that it could be very beneficial to students.

The Williams attend the Mountain Top Pentecostal Church south of Cisco.

Christmas At The Hilton Looking for High And Low Nativity Sets

The third annual Christmas at the Hilton will be at 7 p.m. Dec. 3 at the Hilton Community Center. The tickets are \$7.50 for adults and \$2.50 for children under 12. Tickets are available from Civic League members. There is a limited number of seats available, and everyone is urged to purchase tickets soon.

Christmas at the Hilton will feature the Community Youth and Adult Choirs performing, a display of unique nativity sets, and light

refreshments. "The last two years we have had marvelous response to our request for the loan of Nativity sets but we want new ones to display," a Civic League member said. "If your nativity set is unique because of age, style or place of origin, please share it with us. The committee for display is Polly Wright, Vonda Urban and Kathryn Muller. If you have a nativity set please contact one of them."

Boss Glove Glove Factory To Have 2nd Reunion November 5

The Boss Glove Factory will have their second reunion, for all past employees and their families, of the Cisco factory, on Saturday, Nov. 5, 1988, in the Corral Room, 400 Conrad Hilton, Cisco. The reunion will be held from 10:00 a.m. until 4:00 p.m.

Especially invited to the reunion are the employees that helped ship out the first shipment of gloves from the plant.

A luncheon will be held at noon and everyone is asked to bring a covered dish for the meal. Plates, napkins,

silverware and drinks will be furnished.

There were 119 people who registered at last year's reunion. That includes employees, families and guests. Everyone is looking forward to a bigger and better reunion this year, according to reports. The reunion was a chance for people to renew old acquaintances and have a day of fun.

Tony White, former manager, will be the master of ceremonies for the day. For more information call Mr. White at 442-2496 or Juanita Roberson at 442-4086.

Lutheran Church Youth Group To Have Car Wash

The youth group of Redeemer Lutheran Church will have a car wash Saturday, Oct. 15, from 1 until 3 p.m. at Pride Service Station, Conrad Hilton Avenue and 12th Street.

Cost will be \$5 for cars and \$8 for trucks and vans.

The money will go to youth organization activities. If vehicles need to be picked

Lord's Acre October 15 At Cisco FUMC

The sixth annual Lord's Acre will be held this coming Saturday, October 15, at the First United Methodist Church, 405 West 8th, Cisco. The booths will open at 9 a.m., in the Fellowship Hall along with an auction beginning at 10:30 a.m.;

up, call the church at 442-2090.

Get Acquainted Revival To Be Held At First Assembly Of God

The Cisco First Assembly of God church, 307 West 7th, will begin a Get Acquainted Revival on Sunday, October 16, with the 11:00 a.m., morning service. The revival will be held so everyone can meet the new pastor, Rev. Dean Williams. The evening revivals will also begin Sunday, at 7:00 p.m., and continue through the week.

Rev. Williams, his wife, Frances, and son, Steven, are in the process of moving to Cisco from Merkel. He was pastor in Merkel for six years before going to Dallas

for a year. After Dallas they have been living in Merkel where he is also an evangelist.

Rev. Williams said they have seven children, two sons, Carl and Steven, and five daughters, Karen, Linda, Brenda, Cindy and Pamela. He said his oldest son, Carl is a pastor in Rowlett, and Cindy, is married to a pastor in Pasadena.

Rev. Williams would like to extend an invitation to everyone, to meet and worship with them at the Get Acquainted Revival next week.

Eastland Next

Jr. High Team Continues Winning Streak

The Cisco Junior High eighth grade football team defeated the DeLeon Cubkats by a score of 36-10 Thursday night at Chesley Field. The Little Lobos kept intact their two year win streak with a tremendous showing of offensive power.

Powerful running back Jay Nixon displayed an awesome offensive show behind the best blocking of the season. Huge holes allowed Jay to score five touchdowns and run for two of the points after touchdown. Quarterback Robert Smith kicked two extra points and passed to end Jason Hoffman for two more points. Running back Brent Shepard also had some nice runs as well as Hoot Beckett. Coach Jones was really pleased that his offensive linemen performed so well. This group included Tony Elzalda, Randy Boles, B.J. Burrus, Bradlee Rains, Jason Hoffman, Tommy Thompson, Jeremy Rhodes and Michael Maples.

The eighth grade team is looking forward to the Eastland Doggies next week. The seventh grade team played one of their best games of the year, but came up short by a score of 20-10.

Quarterback Jeff McCoy scored Cisco's only touchdown but there were some good runs by Matt Schaefer, Doug Jones, Brody Honea, Reagan Pence, and a

new addition to the team Elias Sanchez showed promise as a power runner. The defense was led by John Gaeta, Elias Sanchez, Dusty Ferguson, Ty Roberts and

Mike Harrison. Both teams travel to Eastland's Maverick Stadium next week. Game time will be 5 p.m. See you there!

Junior Varsity Defeated By DeLeon

The Cisco High School Junior Varsity team, played a hard game last Thursday night against DeLeon, but were defeated 28-10. JV coach David Gunter said DeLeon has an outstanding team this year, but he is proud of the way the Lobos played.

The Lobos scored in the

fourth quarter when Jerry Marshall ran into the end zone from the 1-yard line. A pass from quarterback Frank Powell to Kelly Cozart, gave the Lobos the extra two points.

Gunter said he is proud of the entire defense line. He said what hurt the Lobos so bad was the ball turn over.

DeLeon scored three times on turnovers. This brings the JV Lobo record to 2-1.

The JV team is scheduled to play Eastland next week there after the 7th and 8th grade teams. He said the Lobos should have a good game.

Coach Ronnie Hearne Speaks To Lions Club

Cisco Junior College Lady Wrangler Basketball coach, Ronnie Hearne, spoke to the Cisco Lions Club at their regular meeting held last Wednesday at White Elephant.

Hearne said the Lady Wranglers have already played in two scrimmages against McMurry and Ranger this year and are scheduled to play Tarleton at 6:00 p.m., in Stephenville on Monday, October 17. Their next home scrimmage game will be Thursday, October 20, against Howard Payne. The game will begin at 6:00 p.m.

Hearne has been the women's basketball coach at CJC for six years now. There have been 21 former basketball players who played at CJC who have been awarded scholarships at major 4-year universities and colleges since he has been coach.

Hearne said this year's team will have the smallest and youngest players in a long time. But, he said, they will be quick and have some good outside shots. He said they are now lifting weights

and run cross country track, and they put in a lot of work.

Olin Odum was in charge of the program and introduced Coach Hearne. J.V. Heyser was in charge of the Lion's roar. John McGuire presided over the meeting and told members the club made \$525 at the Cisco Homecoming Fish Fry, October 7. Olin Odum gave the invocation and Wyley Peebles led the singing and the Pledge of Allegiance.

Jerry Taylor was a guest of the meeting and also became a new member.

Tutors Needed For Literacy Program

Volunteer tutors are urgently needed for the Literacy Program now being conducted at Eastland Centennial Memorial Library.

MEMBERS OF SOUTHBOUND Country and Western Band who entertained at Canterbury Villa were, left to right, J.V. Rhyne, Frank Spangler, Will Johnson and Jack Sandefer.

The Villa Speaks

On Wednesday evening, Oct. 4, the residents at the Villa walked to a different beat. The beat created by Cisco's own Southbound Country and Western Band was the pleasure of many a bright eye and tapping feet.

presented a song filled evening with many a special request from the residents being played. Many stated they wish they could have danced all night.

Many thanks again to Southbound and the added bounce in our feet they have created.

DAVID DACUS #13 Quarterback at HSU

touchdowns. The HSU Cougars began their season with a 60-0 victory.

When Dacus was at CJC he was second in the nation in passing and total offense.

While at Houston he has set Southwest Conference records for most passing yards in a season (1,849), most passes attempted in season (291), most passes completed in a season (168) and most total yards in a game (442). He is a senior.

The other quarterback, sophomore Andre Ware, completed 14 of 21 passes for 194 yards and three touchdowns against Louisiana Tech.

Ware is from Alvin Junior College and a 1986 graduate of Dickinson High School. He was also selected to the Southwest Conference all-academic team last season.

Head coach Jack Pardee said, "We're not juggling or pulling string on quarterbacks. We'll have one starter and keep the other one ready to go." But at the present time, Dacus is the starter.

CHS Head Coach Buddy Sharp Speaks To Rotary

Cisco High School Lobo head football coach Buddy Sharp spoke to the Cisco Rotary Club at their regular meeting held last Thursday at White Elephant Restaurant.

Sharp said he is proud of the attitude of the kids on all the teams and said he appreciates their attitude as much as their skill on the field.

He said over 50 students signed up to play football for the Lobos this year. He said the first year he was here, there were only 33 students who signed up and the next year there were over 40.

He said in all high school sports, what comes around, goes around, and the Lobos will have their winning season again. He said at the present time, there is not

any size to the team, and nothing that can be done about that. But, he said the 7th and 8th grade teams have size now and the coaches are looking forward to them being a winning team.

Sharp told the Rotary Club out to come out and support the kids in all their sports.

Otto Urban, president, gave the invocation and led the Pledge of Allegiance. Attendance was at 80 percent. Gene Stack and Joe Sitten were guest. Clois Purvis will be in charge of next week's program.

CISCO, TEXAS
GRAHAM MEMORIAL HOSPITAL
Call 442-3951 for appointment
According to the American Cancer Society, one out of ten women will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as a result of breast cancer. Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate. (The cost is only \$55.00. A mammogram can detect a cancer this small, even before it can be felt.)

Letters to the editor ...

EDITOR:
The following is an editorial from another newspaper which I think should be considered very carefully by everyone in Cisco since we have a group here doing the same things to our Halloween festivities.
Sincerely,
Shirley L. Smothers
(EDITOR'S NOTE: The following is reprinted from the editorial page of The Abilene Reporter-News edition of Wednesday, Oct. 28, 1987. The editorial was entitled "Halloween wet blankets")
"A San Antonio group calling itself Exodus wants to prevent local schools from sponsoring Halloween parties, saying the Oct. 31 holiday is a pagan tradition with satanic links."
"In Louisville, Colo., parents who say Halloween celebrates witchcraft and the 'dark side' have persuaded a local elementary school to ban traditional Halloween activities this year."
"What a bunch of stodgy old poops! You'd think, from the solemn balderdash they speak, that they were never kids themselves, that they sprang full-grown from the womb wearing grey suits and sensible shoes."
"Didn't they ever experience the fun and excitement of dressing up in a costume, trick-or-treating, eyeing the orange glow of a jack-o-lantern's face, bobbing for apples and, yes, feeling the tingle of uncertainty that otherworldly creatures might be afoot in the night?"
"Halloween began as a pagan custom. It has its roots in occult practices. But the significance of those practices has been lost to antiquity. For the vast majority, Halloween is a night for fun and revelry."
"Kids dress up not only as witches, ghosts and goblins, but also as cowboys, ballerinas, clowns, pirates, animals, soldiers and princesses, to name a few. It's impossible to see how any of this represents a pact with 'the dark side.'"
"The atmosphere at most Halloween parties is more like a carnival than a witches' coven. In fact, Halloween offers the chance for everyone, children and adults alike, to act a little silly."
"Not, however, as silly as the stick-in-the-muds who want to do away with Halloween. Not by a long shot."

Anniversaries

Mr. And Mrs. Pippen Celebrate 50th

Martha Catherine Boatman and Clifford Roswald Pippen were married on October 9, 1938, in Cisco.

The couple was feted on their 50th wedding anniversary at K-Bobs in Eastland by their family on Sunday, October 9, 1988.

A family spokesman said, "Congratulations, Mother and Dad, for your 50th anniversary. Not only are you among the select few to reach the 50th, but among an even smaller number to have done so in the Cisco community."

Mr. Pippen is still actively involved in farming and ranching. He has many varied and interesting stories collected through his many

years of service in the Cisco Independent School District as bus driver.

Mrs. Pippen is employed at Russell-Newman, and has always been involved in the community, especially enjoying Monday nights spent singing at the nursing home.

At the celebration Sunday, the table was decorated with an ivory silk flower and fan arrangement. After the meal, a two-tiered wedding cake was served.

Hosting the meal were Lynda Foster and Judy Singleton, daughters of the couple.

Mrs. Pippen was presented an ivory colored silk rose corsage, and Mr.

and run through December 7. Wrangler Belles will be conducting the dance and exercise classes Christine West of Abilene and Angie White of Early will be instructing the Jazz classes and Donna Duran of Abilene and Shannon McBride of Clovis, New Mexico will be instructing

Beef Opportunities Expand

Beef producers have used the beef checkoff to make significant advances in improving how consumers perceive their product.

"One of the checkoff's major accomplishments in reaching consumers was formation of a working relationship between the beef industry and the American Heart Association," said Bill Brown, and Eastland County Cattleman.

"Just in this state alone, the Texas Beef Industry Council and the American Heart Association have joined together to publish two brochures that better explain the health benefits of beef."

The most recent one, called "On the Trail of Hidden Fat," was distributed to 4 million Texas shoppers during the American Heart Association's Food Festival Week in September. The two groups' working relationship has also generated invitations for TBIC staff members to the Exercise class.

The Exercise class will place an emphasis on aerobics, however the class will include a generous amount of stretching and isolation work. It will be designed for adult participation but can be enjoyed by all ages.

To register or for information concerning dates, location and costs contact Loretta Donham at 442-2567 ext. 115.

provide facts on beef's role in the diet to physician conferences.

Brown noted that part of the funding of these programs in Texas came from an escrow previously targeted for refunds. Since actual refunds fell below the escrow balance, the remainder will be invested as checkoff dollars.

Cattlemen could request refunds on checkoff assessments from Oct. 1, 1986 to May 27, 1988. The latter date was when then Secretary of Agriculture announced that producers had approved a permanent checkoff program in a national referendum earlier that month. No provision for refunds was made by Congress for the permanent program.

"Our programs with Texas health professionals have allowed beef to be seen in a different light," Brown said. "You seldom hear anyone question beef's contribution to a healthy diet anymore. That's the type of progress we wanted our checkoff dollars to make, and I'm happy to see we've come so far in such a short time."

On the national level, the Beef Board has refunded all dollars requested. The surplus will be invested into checkoff programs as directed by the board's operating committee.

Figures released by the

Beef Board show that \$11,056,605.52 were held in escrow for refunds. By Aug. 25, the Beef Board had returned \$7,521,433.84. These refunds went to 14,441 applicants.

Although Texas has the nation's largest cattle population, it ranked third with \$1,191,351.42 in total refunds. The nation's importers, who requested \$1,415,580.12, led refund requests. In second place were Nebraska who were refunded \$1,207,793.67.

Texas ranked sixth in individuals who requested refunds with 762. The state was surpassed by Missouri, Nebraska, Iowa, Kansas, South Dakota and Wyoming in that order.

On Aug. 26, 1988, everyone who requested refunds received their full checkoff assessment.

Now that the Beef Board no longer has to hold 10 percent in escrow, it will have more money for beef programs. The national effort will benefit from the decision of the TBIC board of directors as well. The Texas board will increase its contribution to the Beef Industry Council from 32 percent to 40 percent, which is 80 percent of the 50 cents retained in state.

"The beef industry is gathering momentum," Brown said. "Beef is starting to come back because of what the industry is doing with check-off-funded programs."

Farm Bureau Convention: Resolutions Passed, Directors Elected

The Eastland County Farm Bureau held its annual County Convention on Saturday, Oct. 8 in the Siebert Elementary School. Around 225 members attended the meeting, which included a Barbeque Dinner catered by J.B. Williams of Breckenridge.

President Joe McCollum welcomed the crowd, and introduced the Farm Bureau Directors and their wives, Sec.-Treas. Charles Walker read the minutes of last year's meeting and the financial statement for 1987.

He also introduced Agency Manager Jim Kennedy, Agents Dee Wilson and Brad Stephenson, and office Secretaries Danilda Gevara and Dinah Wilson.

One of the Directors, Bob Shultz, read the Resolutions. One, submitted by Frio County, asked for a \$2 per ton

peanut checkoff for the advertising and promotion of peanuts.

This Resolution was voted down. Some of the peanut farmers in the crowd explained that they already had a peanut assessment of \$2 per ton for the same purpose - and they didn't want another.

Another Resolution, also on a State level, asked that the valorum tax be replaced with a sales tax, one specifically designed to do so. This Resolution was approved.

Also approved was a Resolution on a National level: To limit the power of Federal Judges to their own jurisdiction. Farm Bureau Members said they didn't want a Judge in Florida to commute a sentence handed down in Texas, for example.

During the meeting Farm Bureau Directors were elected

for a two-year term. They were Randy Bledsoe of Carbon, Steve Brown of Desdemona, Gregg Goode of Gorman, Donnie Gray of Desdemona, Truet Hart of Eastland, Preston McWhorter of Eastland, and Bob Shults of Rising Star.

Brian Lasater of Gorman, a student, was present at the meeting. Brian, the son of Mr. and Mrs. Brent Lasater, was sponsored by the Farm Bureau to a Citizenship Seminar in San Angelo last June.

He gave a speech to Farm Bureau members which he will give in the Free Enterprise Speech Contest (District) in Brownwood on Oct. 22. It was an excellent speech, and Farm Bureau members said they felt he had a chance to win District.

Local Farm Bureau members were pleased to learn that Truet Hart of Eastland had won the Young Farmer and Rancher District (7) Award this year.

He was presented a Plaque during the meeting, and given a \$100 gift certificate toward the purchase of a pair of boots.

Hart also won a Silver

Committee Award on a County level, and was presented a jacket in recognition of this honor. Other young Eastland County Farmers and ranchers presented jackets were Kris Brown of Carbon, Philip Lewis of Desdemona, Donnie Gray of Desdemona, Harold D. Lewis of DeLeon, Steven Brown of Desdemona, John Buckley of Desdemona, and Jeff Buckley of Desdemona.

Farm Bureau members were reminded that a number of West Central Texas counties make up the District from which outstanding young farmer and rancher Truet Hart was chosen.

Hart works a family-owned farm near Carbon. He raises hay, peanuts, wheat and cattle, and custom-bales hay.

After the various awards the Guest Speaker for the evening was introduced - the Rev. Weems Dykes of Eastland. Rev. Dykes is a retired minister and writer.

Late in the program a drawing was held for door prizes, and some very nice ones were distributed. The list follows:

Bob Green won a 50 lb. bag of dog food, courtesy of Gorman Milling Co. of Gorman.

George Zummer won a toy Ford tractor, from Perkins Implement of Eastland.

Roy Kinslow won a 50 lb.

bag of cubes, from Thornton's Feed Mill in Cisco.

Mrs. George Dawkins won a 50 lb. bag of cubes, from H&R Feed and Seed, Ranger.

Jack Stephenson was a box of baler twine, from Johnson's Seed and Fertilizer of Desdemona, Texas.

Hollis Pippen won a Ford toy tractor, compliments of Perkins Implement in Eastland.

Those winning Farm Bureau memberships were Norman Christian, Harold Lewis, John Smith, and J.D. Downtain. Each were presented their memberships with the compliments of the Eastland County Farm Bureau.

Frank Snodgrass won a bag of horse and mule feed, compliments of Brown's Feed Store, Gorman.

D.F. Fitzgerald won an eight-foot windmill, compliments of Eastland Farm and Ranch, Eastland.

Mr. and Mrs. Everett Ray Hutchinson and Mr. and Mrs. Oakley Kidd each won 50 gals of propane, courtesy of Hardwick LP Gas of Ranger.

The Farm Bureau officers and Agency members expressed appreciation to the businesses which contributed door prizes. They were also happy about the good program and delicious meal at the event.

Truet R. Hart District Winner Of Farm Bureau

Truet R. Hart, of Eastland County was one of the district winners in the 1988 Texas Farm Bureau Outstanding Young Farmer and Rancher Award competition. Three couples from West Texas were selected as finalists in the contest.

The finalists, selected from nine district winners, include Charles W. Bowers and his wife Janyth of Pam-

pa (Gray County); Carl F. Guelker and his wife Sue of Colorado City (Mitchell County); and John Synatsch and his wife Carla of Olton (Lamb County).

The finalists and their spouses will attend the 1988 TFB Convention at Corpus Christi, Dec. 4-7, where the state winner will be announced.

Mr. Hart, who is single,

was chosen among David B. McMahan, 29, of Princeton (Collin County) and his wife Margaret; Jilia Marietta of Crockett (Houston County) and her husband Ronald Cook; Curt Mowery, III of Rosharon (Brazoria County); and his wife Diana; Thomas Natho of Runge (Karnes County) and his wife Kyra; and Terry Galle of Lyford (Willacy County) and his wife Karen.

Each of the district winners received a plaque and \$100 toward the purchase of a pair of boots.

Wrangler Belle Reunion Planned For CJC

A special Wrangler Belle reunion is planned for the Cisco Junior College Homecoming/Parents Day on October 22. For 28 years the precision dance/drill team has played an important part at the college. In an effort to recognize the many women who have contributed their time and

talents to this organization, the current Wrangler Belles invite them back to the CJC campus to be honored.

The reunion schedule includes a morning reception at the renovated Hilton in downtown Cisco followed by a barbeque lunch catered by Oscar's Bar-B-Q. A special performance during

halftime at the afternoon game will give the returning Belles an opportunity to go onto the field "just one more time."

Many former Wrangler Belles are currently living in the numerous communities throughout the Big Country. They are encouraged to take the drive to Cisco once again and enjoy a day of reminiscing and fun. For more information contact Nicki Harle, CJC, 817-442-2567.

Ima Berry

EASTLAND - Ima Berry, 79, formerly of Big Spring, died Thursday, Oct. 13, 1988, in Eastland.

Services will be held Saturday, Oct. 15 at 2:00 p.m. in Nalley-Pickle Funeral Home in Big Spring.

She was born May 2, 1909 in Moran. She married W.D. Berry on April 22, 1929. He preceded her in death on March 25, 1984. She was employed by W.H. Wharton, Accountant, until her retirement in 1973. She was a member of First Baptist Church of Big Spring.

Survivors include two sons, Harold Berry of Lubbock, and John Berry of Eastland; seven grandchildren; and five great-grandchildren.

Ruby Huffman

CISCO - Ruby Huffman, former Cisco resident, died early Friday morning, October 14, 1988, at a Houston hospital.

Funeral services were pending at Cisco Funeral Home.

Cleo Bell

CISCO - Cleo (Buster) Bell, 77, died Wednesday, October 12, 1988, at a local nursing home.

Graveside services were at 3 p.m. Friday, October 14, 1988, at Oakwood Cemetery with Neal Moore officiating, directed by Cisco Funeral Home.

He was born November 19, 1910, in Merkel. He married Lucy Yarbrough on December 13, 1958, in Baird. He moved to Cisco in 1969. He farmed in Merkel and Cisco and was a U.S. Army veteran of World War II.

Survivors include his wife, Lucy Bell of Cisco; a stepdaughter, Loretta Kanady of Cisco; two stepsons, Ollie Moran and Luther Jernigan, both of Cisco; two sisters, Zada Bird and Leona Hogan, both of Merkel.

Margie Tabor

ALBANY - Margie (Mrs. Newt Sr.) Tabor, 84, died Tuesday, October 11, 1988, in Albany.

Services were at 2 p.m. Thursday, October 13, 1988, at First Baptist Church with the Rev. Lloyd Conner officiating. Burial was in Albany Cemetery, directed by Godfrey Funeral Home.

Born in Scurry County, she lived in Albany most of her life. She was a homemaker and a member of Baptist church. She was the widow of Newt F. Tabor Sr.

Survivors include three daughters, Bessie Lee Echols of Albany, Ruth McDonald of Odessa and Ruby Nell Jeanis of Seminole; two sisters, Ella Lee of Brownwood and Mary Branch of Tyler; nine brothers, W.H. Norman of Cisco, Herbert Norman and Rosco Norman, both of Breckenridge, Roy Norman and Oscar Norman, both of Odessa, Claude Norman and Jesse Norman, both of California, Floyd Norman and Harmon Atwood, both of Granbury; seven grandchildren; and 11 great-grandchildren.

Ruth Ellis

COMANCHE - Ruth Ellis, 98, died Thursday in Bisbee, Ariz.

Graveside services were at 2 p.m. Wednesday in the Oakwood Cemetery with Dr. Russell Martin officiating, directed by Comanche Funeral Home.

A longtime Comanche resident, she taught school in Comanche and was a school principal.

She was the widow of James Clarence Ellis.

Survivors include a sister, Eva Bobo of Ranger; and three grandchildren, Michael James Ellis of Corpus Christi, Dr. Dee Barkley Ellis of Rockdale and John Clinton Ellis of Blanco; and a great-granddaughter.

Lila Naomi Rogers

RANGER - Lila Naomi Rogers, 73, mother of Ranger mayor David Leander Rogers, died Tuesday at an Abilene hospital.

Services were at 11 a.m. Thursday at Edwards Funeral Home Chapel with Roy Foutz officiating. Burial was in Alameda Cemetery.

She grew up in the Alameda and Chaney communities where she attended school.

A homemaker, she was a member of the Eastside Church of Christ and the widow of J.D. Rogers.

Survivors include three sons, James Douglas Rogers of Brownwood, David Leander Rogers and Michael Dwight Rogers both of Ranger; two sisters, Ann Rodgers and Eunice Love, both of Ranger; 10 grandchildren; and several nieces and nephews.

Officers Installed And Manuscripts Read At Writer's Meet

Officers were installed for the 1988-89 season and prize-winning manuscripts were read during the Cisco Writer's Club meeting Oct. 4.

The First National Bank of Cisco Community Room had a crowd of members and visitors for the session. Several came from Albany, Abilene, Eastland and Ranger.

Mary Ann Ziehr, outgoing President, installed Shirley Strawn as President, Gail Hagar Vice President, Ruth York Secretary, and Ruth Stewart Treasurer. Also installed were Julia Worthy as Program Chairman, Ruth York Contest Director and Lela Latch Lloyd, Assistant, Betty Townsend, Historian, and Viola Payne, Reporter.

Shirley Strawn stated that she was highly honored to serve as President of this group. "There has been a revival of the arts in this area,

including writing, music, Theatre and painting," she said.

"This county is turning into another Kerville - and I am happy to be a part of it."

Julia Worthy introduced the program for the evening. A number of the 1988 Writer's Contest winners were present, and their material was read and discussed. Various comments from the Judges were passed on to the membership.

Among the winners bringing or sending manuscripts were Lela Latch Lloyd, Mary Ann Ziehr, Bernice Prescott, Gail Hagar, Elsie Sturgeon, Duluth Jackson, Weems Dykes, and Ruth York.

The audience enjoyed this sampling of the various types and styles of writing. After listing to these winners there was general agreement that

the Judges did a good job on picking outstanding material.

Program Chairman Julia Worthy advised writers to "Get some of this in the mail." To encourage them in this step, she announced another "Rejection Slip Contest." This is the kind of thing you can win by losing!

The next Writer's Club meeting will be Tuesday, Nov. 1 at 7 p.m., back in the Community Room at the First National Bank. There will be another good program, and all are welcome to attend.

Corinth Baptist Church To Start "Children's Church" Sunday, Oct. 16

Corinth Baptist Church will start at "Children's Church" Sunday, October 16, at 10:45 a.m.

Why a "Children's Church?" It makes learning about Jesus fun for kids. There will be exciting Bible lessons, lively singing, puppet shows, plus more. They will make new friends, have nice teachers who love the Lord and who love kids! Exciting new things to see and

near and become!

Children's Church provides concentrated learning on a single theme. And this concentrated study will introduce God's Word and His wonderful Son to some children for the very first time, according to a church spokesperson. Children will learn to know and love Jesus in a richer and deeper way.

Corinth Baptist is in the "Life Changing Business,"

and we want your children to meet the Master who teaches how to change our life, according to Rev. Benny Hagen, pastor. "Isn't that what you want too?" he asked.

Corinth Baptist Church is located half way between Cisco and Eastland, off Hwy. 80. Turn at the sign for Corinth Cemetery and the church is a half mile down on the left. For more information or for rides for children, call 442-3841 or 442-2126.

"In every lesson, behind every song, is Godly truth that can bring New Life. Your child and you can have a New Life! Come see!" added Rev. Hagen.

Social Security Toll-Free

"The Social Security Administration has improved its telephone service for the residents of the Eastland area," Glyn Hammons, Social Security manager in Abilene, said.

Anyone who has had to pay a long-distance charge to call Social Security can now call without cost by using the toll-free number 800-234-5572. In addition, the hours people can call have been extended.

With the new toll-free number, anyone can call 24 hours a day. Calls between 7:00 a.m. and 7:00 p.m. each business day will be answered by a live operator, and, at other times, a caller can leave a message which will be answered the next business day, or at a convenient time chosen by the caller.

Hammons said that callers should find SSA's new toll-free telephone service especially convenient when they need to change a mailing address, obtain their earnings record, or make an appointment to apply for benefits. All calls in the Eastland area to conduct Social Security business should now be made using the new telephone number, 800-234-5572.

nient time chosen by the caller.

Meet The Loboos

BRANDON HONEA

DAVID ZELL

MATT GOOSEN

This week "Meet the Loboos" turns your attention to three hardworking Junior football players.
Matt Goosen, No. 12, is a 5'9" quarterback for the Loboos. Earlier this year, Matt sustained a broken hand in the opening game, leaving him unable to participate for several weeks. Matt emphasized that, "I think the win last week motivated us and changed a lot of attitudes, and we're looking forward to the rest of

District play."
Brandon Honea, No. 20, is a 5'8" fullback, weighing a threatening 160 pounds. Brandon stated that, "This being the week we play DeLeon, it will be the most challenging week of our high school football years. If we focus our minds on what we are supposed to do, we will be able to give DeLeon a very good game."
David Zell is one of Cisco High's very own fullbacks. He wears jersey number 24 and stands 5'9", and weighs 184 pounds. When we asked David how he felt about the season he replied, "This has been a really great year for me. What we lack in athletic ability this year we make up for with fun and friendship. Although we might not have an outstanding winning season, we all have tried our hardest and that's all that matters to me."
The Loboos may not have done well in the pre-district, but we believe that they will do well through the rest of the season.

Coleman X-Country Meet

The cross-country team ran well this last Saturday. The girls placed 4th behind Wall, Iron Co., and Coleman. There were 15 schools with teams, (5-7 individuals per team). There were 11 other schools represented with four or more runners. A

total of 120 girls ran.
The Cisco team consists of (Sr.) Ginny Pope, Dee Wages, (Jr.) Jana Yowell, Rachel Valek, (Sr.) Kay Ingram, (Soph) Marlana Trice, Shelly Rhyne and (Fresh) Stephani Carlile.
Saturday Jana finished 10th in a time of 14:15.6. Marlana was 14th at 14:20.04.
In the JV boys division, Steve Summers placed 4th, with a 5,000 meter time of 19:38.87. Our next meet will be in Abilene this Saturday.

A Trip To The State Fair

On Saturday, October 15, the Cisco FFA Chapter will travel to the State Fair in Dallas to join in the fun of the Youth Rural Day.
This is the first time that this trip has been substituted for the stockday that has been held in the past.
The Cisco FFA Chapter's name will be put in with other chapters for a drawing to be held to receive money for the chapter. The money can be used to help out with activities or on chapter programs.
There are 40 or more students from Cisco going. The chapter will be able to get in free for the day. The Livestock Raiser's Association will provide each student \$5 for their meals.
I am truly looking forward to meeting with other FFA members from around the state to get acquainted with

them and to talk to them about their hometowns and their activities.
This will be an opportunity for all of us to make new friends and to get to know other teenagers from around Texas and to meet the leaders of our future.

Greenhand Leadership Conference

Six students from the Cisco FFA attended the First Area IV Greenhand Leadership Conference. This meeting was held at the Bobby Holder Camp on Possum Kingdom Lake on October 8. The theme of this meeting was, "We Are On Fire."

The morning session was led by the district officers, area officers, and the State FFA President, Donnell Brown. In the afternoon, there were smaller group meetings covering several different ideas including: concentration, self-image, public speaking, and proficiency awards.
"Greenhands" are the first year agriculture science students. Those attending from the Cisco Chapter were Glenn Andrews, Frank Powell, Jr. Stroebel, Brad Fleming, Cressie Beesley, and David Burditt.
Advisor Jim Bob Webb, who accompanied these youth, had this to say about their trip, "I feel the convention was thoroughly enjoyed by all who attended."

Queens Crowned

For the first time in the history of Cisco High School, the student body elected two Homecoming Queens. Ginny Pope, daughter of Baylis and Judy Pope, and Cindy Coates, daughter of Jim and Jerry Choate, received the honor Friday night. The student body would like to congratulate both these fine young ladies.

The FHA

The FHA will begin selling cookbooks starting Friday, October 14, through Friday, October 21.
The price range is from \$4.95 to \$8.95. These cookbooks have some really good recipes in them, so plan now to purchase a cookbook from an FHA member.

Eastland Music Club To Meet

Marjorie Young will give a program on "The World of Musical Comedy" at the Eastland Music Club meeting on Wednesday, Oct. 19. The study will begin at 3:30 p.m. in the Women's Clubhouse.
This will be the first 1988-89 program in a series on a musical comedy book by Stanley Green. "The World of Musical Comedy" was also the Music Club's theme for last year, and the current studies are a continuation. Mrs. Young will begin with compositions in the 1960's.
Although Musical Comedy will be the main theme during the year, the Club will also present a number of other types of music. Band programs, a piano recital, a string concert, and a variety of vocal and instrumental music

Scouts Help In Lake Proctor Clean-Up

The annual Proctor Lake Clean-up was held on September 24 with the participation of Cisco Boy Scout Troop 101. Shown in the above picture are Reagan Pence, Jason Harris and Chance Schafer of Cisco Troop 101. Ten scout groups totaling 133 scouts and leaders cleaned over seven miles of shoreline.
After the clean-up the scouts gathered at Sowell Creek Park for a chicken dinner furnished by the

Texas Conservation Foundation and the Boating Trades Association of Texas. Soft drinks were furnished by Eastland Coca-Cola Bottling Company.
The Boating Trades Association of Texas furnished rod and reel fishing outfits that were given away in a drawing. Other prizes given away in the drawings were furnished by these businesses: Barnes and McCullough, Stephenville Bank and Trust, Town and Coun-

try Bank, Pizza Inn, Cook Lumber and NCMB Bank, all of Stephenville. Dublin businesses that donated prizes include Higginbotham Bros. and the Dublin National Bank. Blairs Hardward of Hico also furnished prizes. The clean-up was organized by the U.S. Army Corps of Engineers Management Staff at Proctor Lake.

The Nimrod Willing Workers held their monthly meeting for the month of October.
Presiding was President Leslie Allen. Mr. Allen discussed the business of County Awards Banquet, Photography Club, the upcoming Jr. Leaders Meeting.
A new County Horse Club that will be starting soon, along with other business was discussed was the upcoming Jr. Leaders Soak Hop on November 19. Valida-

tion of animals for the Stockshow was brought up, and to be sure and mark your calendars in December.
The guest speaker was Wayne Tager, a letter carrier for the Cisco Post Office. Mr. Tager presented a very interesting talk and display about his stamp collection. He talked about his collection of Plate Blocks, which are sheets of stamps of which he collects different series and the four corners that have the serial numbers.
New stamps are issued to one state every year and then sent out to other states. Other stamps that he collects are 22kt gold original plate stamps that were dated back to 1863, priced at 5 cents, 10 cents, 25 cents, which are now worth about \$100.
Old, used stamps American stamps, stamps that have been to the moon, and stamps that are from the war are just to mention only a few of the interesting members of his collection.
Mr. Tager has been collecting for eight and a half years and spends anywhere from three to four hours on his collection.
I really enjoyed listening about the different types of new and old stamps. I found it very educational. I hope that he will give another talk later on in our 4-H future.

Early Families In Cisco Area

(This is the last of part of a three-part of a series about the early day families of Cisco.)

By: Celia Walters
Later the Mary Boyd family moved on the Stubblefield place as renters. Effie Boyd and Fay Boyd were students. Then there were Roy and Nadine Speegles, Mrs. Flora Stubblefield, and Nany Parks. The boys wore nice britches that was gathered below the knees with long socks. There was an east door near the cistern and the woodpile on the east. The west door we could see the big wagons hauling pipe to Pioneer, such big beautiful horses, with the beautiful harnesses.

In 1919 the Cozart and Rich schools wanted to meet half way on April 1 and have a picnic. Finally the boys asked Mr. Morgan if one of his students could race him, if he agreed to it. He said yes. We all got in the road. Teacher got in the west rut expecting one of the big boys. Those ruts was deep and wide and hard as a rock. Then Roy Speegle, John Leveridge said; "Era come on" and when she stepped in the east rut everyone was surprised. I was scared if she was to fall, it would hurt her bad, but Roy and John said get ready and go teacher, who was a 18-year old track boy. He settled down close to the ground-Era stood her full 5 ft. 6 inches tall and stayed side by side until they got 2/3 of the race; Era was as sure footed and as fast as a deer. She left the teacher like he was a turtle in his tracks and all students cheering like big games as now 1988, at a big event.
Mr. Guy Abbott, 1100 Ave. G., mother was Molly Parks, but Elmer Abbot was cousin, 1919-1920 student of Cozart #2.
We all walked to the rock hole on the Marvin Snoddy farm. The Indians used water from it when the lived near and the church used to camp there for their Summer Revival in the 1880's. Mr. R.D. Snoddy went and brought me a rock from this hole and it had a buffalo track that had walked on the mud and it turned to solid hard rock.
In 1920 I went one day, then run a high fever and cough and lost my breath. Johnnie Right sent me and someone to draw water. I only had 18 days when I could go to school the whole term of 1920. I guess I must have drawn a lot of water for 2 of the big boys had to go to a tank for water the last of school.
When I lost my breath, Fay was one side, Christine was on the other side and their mother Ethel Stoke Cozart poured Flax Seed Cough Syrup down me by the cap full.
There was only one more teacher at the Cozart school, Vernon Jobe. Then, Cozart school was consolidated with Scranton school. The school house was moved to Scranton for the boys shop. This was the first consolidation in this part of Eastland County.
The Blue children were Raymond, Ollie, two sons and Peat-Emmadee the youngest. Their grandmother was Deene Cozart. She married Dave Lane. Rachel Lane married Hick Belue, a brother to Kate Belue Cozart, wife of Mr. Ben Cozart, wife of Mr. Ben Cozart of Scranton.

County Cooperative Dispatch Met Monday

The Eastland County Cooperative Dispatch has enough money in reserve to pay for a new teletype computer, the chief dispatcher said during a meeting Monday.

The teletype will be installed when phone lines become available, Bob Mercer said.

The dispatch's bank account should grow some more now that Patterson Ambulance Service, once threatening to close, has decided to stay in Eastland County, including Cisco. Mercer was asked to advise the ambulance service that it is expected to continue paying its monthly assessment.

Eastland County and the cities of Eastland and Cisco each pay \$50 per month in behalf of the ambulance service, and the ambulance company pays \$50.

In other business: Mercer said residents using the police emergency number to report the disruption of TV

cable service should be stopped.

Michael Moore, board chairman, promised to speak to the manager of the cable company to ensure the practice does not continue. The dispatch serves as an answering service for the cable company but customers should dial the correct number, Moore said.

Board members voted to hire the Abilene firm of Davis Kinard and Co. to conduct an audit of the dispatch books for a proposed fee of \$890.

Resource Assoc. To Meet Wednesday

The Eastland County Resource Association will meet on Wednesday, October 19 at 12 noon at Eastland Centennial Memorial Library. David Bondurant, President of the organization, will lead out. Bring a sack lunch if you wish.

Around 30 individuals and groups are now involved in this Association, which deals with the critical needs of area people for food, clothing, shelter and other necessities.

All interested persons are urged to and join in this humanitarian work. Come to the meeting and be informed on how needs are being met. Learn where help is most needed.

Cottonwood Musical To Be October 21

The Cottonwood Musical will honor the 35th anniversary of the Rehab Center Friday, Oct. 21, at 5:30 p.m. at the Cottonwood Community Center in Cottonwood. There will be barbecue with

all the trimmings, country store and bake sale. Barbecue will be \$5 for adult plate and \$2.50 for children 10 and under.

All area musicians are invited to help celebrate.

Red Cross Certifies 16

The Eastland County Chapter of the American Red Cross certified sixteen people for Multimedia First Aid during classes held at the TU Electric Reddy Room in Eastland.

On October 15, the Eastland County Chapter will be certifying students in CPR at the Corral Room, Senior Citizen's Center in Cisco. On behalf of the Red Cross

and the students, volunteer Red Cross instructors Tom and Carol Patterson expressed their thanks for the use of the rooms to hold Red Cross classes.

Classes for First Aid, CPR and babysitting for teens may be scheduled in the future.

For information from the Eastland County Chapter of the American Red Cross, you may call 629-8285.

THANK YOU

We would like to thank everyone for their prayers, visits, food, telephone calls and beautiful cards during the loss of our loved one. We appreciated so much the love and concern from our pastor, Cecil Deadman. We want to especially thank our neighbors, our friends Doris Crutchfield and Bonnie Erwin and all who were so helpful and comforting at this time. Also, we are very grateful to those who sent get-well cards to Russell while he was hospitalized awaiting a heart transplant in Richmond, VA. The Family of Russell Fink

SENATOR BOB GLASGOW'S ENDORSEMENT FOR RE-ELECTION IN NOVEMBER GENERAL ELECTION

The Employees Political Action Council of Texas (EMPACT) which is the political action arm of the Texas Public Employees Association is proud to announce the endorsement of Senator Bob Glasgow for re-election to the State Senate of Texas. Senator Glasgow has been a friend of the public employees of Texas as well as being fiscally conservative in the spending of taxpayers' dollars," stated O.V. Milstead. "He has been one of the most active State Senators I have ever seen work in the State Capitol in all areas that effect the State of Texas and especially his district."

The twenty-one members of the PAC voted unanimously for the endorsement of Glasgow.

Hubbard Creek Produces a 10 Pound 3 Ounce Black Bass

With the past E.C.B.C. club tournament held at Lake Proctor October 9, 1988. The current standings are: 1st Jerry King 38.43 pounds, 2nd Terry Wilson 38.05, 3rd Tommy Maynard 35.68, 4th Ron McCollough 34.91, 5th Don Flowers 34.19, 6th Steve Pennington 30.46, 7th Chuck Burgess 29.22, 8th Eddie Green 24.34, 9th Rick Browder 19.73 and rounding out the top ten Jimmy Johnson 18.40.

As you can see folks it's tight this year with anglers even below tenth well within striking distance. Currently to qualify for the first ever mini classic in the E.C.B.C., Clint Lovelace is the cut off with 5.00 pounds even. This event will feature the top 16 anglers in a draw tournament, with the top 8 anglers drawing partners from the second 8 anglers. So everyone should make plans to attend the last two events November 12, 1988 and December 11, 1988. Also by attending the monthly meetings you could gain that little edge by placing your favorite lake in the hat.

At present Jerry King holds the honor of Big Bass of the Year during a club event with a lunker from Lake Cisco weighing 5.20 pounds. But as we all know Fall is prime hawg time so make plans now to fish out the year.

And plans are underway now for a major overhaul in the Eastland County Bass Club to better serve a wider variety of anglers. Past, present and future members are urged to make plans now to come to the next few meetings to make your views and suggestions known. For further information contact Eddie Green in Eastland, Jerry King in Ranger, Don Flowers, Lake Leon and Will Johnson in Cisco. The Eastland County Bass Club wants "you".

Hubbard Creek Lake located 4 miles west of Breckenridge on Highway 180 recently produced a true lunker weighing 10 pounds 3 ounces unofficially. The

hawg was taken on an inline yellow spinner in the Sandy Creek area. The unofficial weight could have become a new lake record I understand, but due to not having been weighed on certified scales this can only be assumed. And to add to this fact the lunker was calmly cleaned for supper, all that remains is a very, very large head.

Some food for thought "The Fourteen Commandments of boating safety:

1. Be sure to wear a life jacket (Personal Flotation Device). Even an expert swimmer is not safe without one.
2. Overloading a boat can be fatal. Don't do it. Check the U.S. Coast Guard rating stamped on your boat.
3. Alcohol and open water don't mix. Drinking can dull the judgement and ability of any boater.
4. Tell someone on shore where you're going and when to expect you back. File a "float plan".
5. Insure your safe return. Check fuel and equipment before leaving shore.
6. Never ignore weather warnings or signs of unexpected bad weather.
7. Guard against a fire on board. Carry a fire extinguisher.
8. Frequently check your wake to see how it affects others in the water.
9. Understand that the skipper is responsible for the safety of all on board and it is his or her duty to see that everyone knows and complies with safety measures.
10. Never start your engine until you have visibly checked to see that everyone is well clear of the prop.
11. Stay with the boat if it capsizes.
12. Avoid swimming areas and keep a sharp lookout for swimmers, divers and fallen skiers.
13. Follow rules of the road for boat traffic.
14. Enroll in a safe boating course.

James Johnson would like to invite everyone by his rod and reel shop located on Commerce in Eastland behind the Old Jody's Pizza

Place. James will be building custom rods and cleaning reels. I also understand in the near future tackle will be added.

Finis L. Johnson Honored On 80th Birthday

Finis L. Johnson of Eastland was honored with a surprise party celebrating his 80th birthday on Sunday, Oct. 9, 1988. It was held at the ENB Community room.

Western was the theme of the day and the honoree's favorite colors of red and white were used. The serving table was covered with a red bandana cloth. A large white sheet cake was topped with a chocolate horseshoe cake trimmed with red and inscribed "Happy 80th Daddy". Another horseshoe cake was inscribed "Happy Birthday Paw-Paw." Red punch was served from a crystal punch bowl and nuts were in a heart shape crystal dish. Centering the table was a brass and clear glass swirl candle holder with red candles, entwined with red and white flowers. A brass western hat and two brass horses were on either side of the arrangement. Red and white napkins and red plates and cups were used to serve guests. Presiding at this table were Deborah Kilpatrick, Diane Tucker, Darla McElvany and Dana Sadler, all granddaughters

of the honoree.

The registry table was also covered with a red bandana cloth. On this table was a pair of small brass boots, a plaque inscribed "DAD, Thanks for Being You," a photo of the honoree taken on his horse and a red registry book. Bandi Kilpatrick, great-granddaughter, registered guests.

Mr. Johnson was born Oct. 7, 1908 near Gorman. He and Bernice Everett were married Sept. 5, 1926 in Gorman. Children and spouses are Bryan and Jolene Johnson, Kenneth and Joann Johnson and Linda and Eddie Sadler, all of Eastland.

Grandchildren and spouses and great-grandchildren include Kenney and Rhonda Johnson, Jody, Jason and Justin of Eastland, Deborah and Benny Kilpatrick, Bandi and Brent of Abilene, Steve and Kellye Johnson, Christopher, Matthew and Stephanie of Waco, Diane and Gary Tucker, Ashley and Cass of Carbon, Darla and Randy McElvany and Madyson of Fort Worth, and Dana Sadler and Darren Sadler of Eastland.

Health Fair Planning Committee To Meet

Volunteers are needed to assist with the upcoming County Health Fair!

A morning committee meeting will be held Monday, October 17, at 9:00 a.m. We will meet at the Senior Citizen Center states, Janet Thomas, County Extension

Agent. You are invited to assist!

The meeting will focus on final plans and arrangements that need to be made before the Health Fair on October 27th.

Your're support and involvement will be appreciated.

Countywide Health Fair Announced

A Countywide Health Fair will be held Thursday, October 27th at the Cisco Senior Citizen Center.

The Health Fair is being sponsored by the Eastland County Agricultural Extension Service, and Cisco-Eastland AARP Chapters.

The Health Fair is intended to provide information-not the complete services of physician. However, free screenings such as diabetes, blood pressure, hearing exams, developmental screening of children from birth to 6 years, strength, nutrition screening, finger printing of children, cholesterol, and much more will be offered. Mrs. Janet Thomas, County Extension Agent, states that although all screenings are free there is one exception. The cholesterol screening will cost \$5.00.

The Health Fair is meant to be educational. Any results you get back that might be suspicious, go to your doctor.

All health care providers are invited to participate. To register for a free booth space, contact Mrs. Thomas at 817-629-2222 or Mrs. Cartee at the Cisco Senior Citizen Center 817-442-2263.

At the present time, the following groups plan to have booths: Graham

Memorial Hospital, Ranger General Hospital, Summer Sky, Inc., Stephenville, Child Development Center, Brownwood, Girling Home Health, March of Dimes, Abilene, Sheriff's Department-Child Identification, West Texas Rehab Hospital, Eastland Memorial Hospital, Wal-Mart Pharmacy, Woods Psychiatric Institute Abilene, AARP Pharmacy, Social Security Regional Office Abilene, Texas Agricultural Extension Service.

Some Whirlpool Undercounter Dishwasher Models Need To Be Modified To Prevent Fires

In cooperation with the U.S. Consumer Product Safety Commission, Whirlpool Corporation of Benton Harbor, Michigan, announced a modification program involving five Whirlpool undercounter dishwasher models; DU7400XS-0, DU7600XS-0, DU7800XS-0, DU9000XR-0 and DU9000XR-1. The pushbutton selector switch on these models could, under a specific set of conditions, catch fire. There have been twelve fire incidents including three which spread outside the dishwasher. No injuries have been reported.

The Whirlpool modification program involves replacing the selector switch, at no charge, on approximately 75,000 dishwashers, of the above models, sold nationwide since March 1986.

Although Whirlpool is attempting to locate all affected dishwashers, owners who have not been contacted should have their model and serial numbers ready and immediately call 1-800-541-5746 toll-free to arrange for free service.

The model and serial number

can be found on a plate located along the right front edge of the tub after the door is opened.

Until service is performed, owners must not use their dishwasher, and should turn the power off or leave the door unlatched.

To report an unsafe consumer product or receive safety information, consumers may call the CPSC toll-free hotline number at 800-638-CPSC. A teletypewriter number for the hearing impaired is 800-638-8270; the Maryland TTY number is 800-492-8102.

The Next Best Thing -

.....to a clear conscience and a good night's sleep is the feeling of security in owning your own home with with a clear title. Peculiar to the real estate field, values are based on land and the improvements thereon, if any. But values on these are based on the title. The title then becomes the most important item to be considered when purchase of real property is contemplated. So be careful to buy good title based on an abstract of title or a policy of title insurance.

WE BELIEVE IN AMERICA

Open Letter To The Citizens Of County

First of all this is not a panic letter designed to induce or scare the citizens of Eastland County into a panic situation regarding the future availability of healthcare within Eastland County. It is, in my opinion, an opportunity to help provide information that is important in the decision making process that will come out of the Wednesday, October 19, 1988 meeting scheduled in Cisco. I want to urge those who have received invitations to be there. I believe that the future of our hospitals lie in a cooperative effort. Yes, we can wait and do nothing, and continue to limp along, or we can challenge our future and improve the availability of healthcare in our services. The simplest answer to some is to close two of the hospitals in Eastland County, but the reality of that solution is that it leaves a minimum of 1.5 million dollars in debt to be paid. Those are critical dollars in our economy, especially if they are paying for empty buildings that are producing a weed infested eyesore in the community. No one in Ranger, Eastland or Cisco wants that to happen to them.

I firmly believe that a properly designed cooperative effort will benefit the entire county. I believe we can and should keep all three hospitals open. I believe that we can have a common interest of caring for all the people of the county. We can provide both basic services and specialized services under a cooperative effort.

This is not a primrose path, it is a path of hard decisions and compromise. Rural healthcare in this country and Eastland County is faced with the same problems that have closed 52 hospitals in Texas in the last 3 years, 15 in 1988 alone. There are 48 counties in Texas without a hospital and 18 of those do not have a resident physician in the county. By those standards we are extremely blessed in Eastland County, but given the facts we may not be so blessed in the near future. I know that all three hospitals in Eastland County are feeling the burden of changes mandated by both state and federal governments in the payment of services. We are now seeking answers, that will insure our being able to provide services in the future. I do not mean to imply that any of us are ready to close the door, we are seeking answers that will allow us to succeed, not fail, and closing the doors of any hospital is failure.

Please do not misunderstand me, while the problems are immense, there are solutions and the solutions can be found in cooperation. We must find a viable way for all three Eastland County hospitals to work together for the good of all three communities and the county as a whole.

While I have the opportunity, let me ask you to spend your healthcare dollars first in the Community. If you do, then we will have more dollars to invest in healthcare for you. We are indeed facing hard times, and the challenge is before us. We do have the opportunity to control our future, and the decisions we make today will ensure a bright future.

DID YOU KNOW?

The average Texas uses 50-75 gallons of water a day. We are a growing state in population. You may wonder how you use so much water. Here is a breakdown: Toilet - 32

gallons; Bathing/personal - 21 gallons; Laundry/dishes - 14 gallons; and Drinking/cooking - 3 gallons.

Conserving our most precious natural resource is a responsibility of all Texans.

RECIPE FOR THE WEEK

Everyone loves to use a microwave. Candy making adapts very well to microwave cooking. Some tips follow are:

1. Assemble all equipment and measure all ingredients prior to microwaving.
2. Because candy mixtures are high in sugar, they become very hot. If possible, use a 2 quart glass measuring cup with handle.
3. Only a microwave candy thermometer should be used in oven during cooking. To use a standard candy thermometer, remove dish from oven to test candy temperature.

Nutrition Program

Participants in the Senior Citizens Center must be at least 60 years of age or the spouse of one that age. In addition to the regular activities in the center a hot nutritious meal is served Monday, Wednesday and Friday. Please call and make reservations. Cisco 442-1557, Eastland 629-1382 and Rising Star 643-5141. Invite a friend to come with you and enjoy the fun and fellowship.

The Senior Citizen Centers are sponsored by the Cisco Junior College. Eastland Center is co-sponsored by the City of Eastland.

Cisco programs for the week were: Dinner music by Lois Holder, Mildred Johnston, Richard Paker, Senior Citizens Band and Choir. Blood pressure was taken by Mable Thefford. Cantervy Villa Nursing Home honored the Senior Center band, choir members and volunteers with an outdoor cookout Tuesday night. Everyone enjoyed the good food and musical entertainment.

Eastland programs were dinner music by LaRue Broussard and Ruth Kendrick. Blood pressure was taken by Girling Home Health. AARP held their regular monthly meeting and covered dish dinner.

Menus for the coming

4. Most cooking times given in recipes are based on 600-650 watt microwave ovens.

5. For best results, avoid doubling or halving recipes.

6. Follow the times given in the recipes, and check for doneness at the shortest time. After candy mixture reaches 200 degrees the temperature rises very quickly; check at 30 second to 1 minute intervals near the end of cooking time.

Ravishing Rocky Road

1 1/2 pounds milk chocolate, broken or chopped

2 cups large marshmallows, halved or miniature marshmallows

1 1/2 cups coarsely chopped pecans or walnuts

Place chocolate in 2 quart glass measuring cup with handle. Microwave at HIGH 2 1/2 minutes. Stir until evenly melted. Fold marshmallows and pecans; coat evenly. Turn into buttered 8 inch square pan. Chill until set. Cut into squares. Makes 2 pounds candy.

Breast Cancer Awareness Week Oct. 17-23 To Stress Early Detection

For the fourth consecutive year, a week in October, this year October 17-23, has been designated "Breast Cancer Awareness Week" as part of a national effort to prevent some of the 42,000 deaths from breast cancer predicted this year by the American Cancer Society. One in ten women is at risk for breast cancer, up from 1 in 13 just ten years ago.

Next to lung cancer, breast cancer is the second leading killer of American women, despite new medical developments that enable successful treatment in up to 95% of cases if the cancer is detected early enough. The sponsors of National Breast Cancer Awareness Week are urging women to perform a simple 3-step breast cancer early detection program consisting of monthly breast self-examinations, periodic physician visits for checkups, and a regular schedule of mammograms according to American Cancer Society guidelines.

organizations sponsoring this fourth annual program are: the American Academy of Family Physicians, the American Cancer Society, the National Cancer Care Foun-

ation (Cancer Care), ICI Pharma, Ladies' Home Journal Magazine, and National Alliance of Breast Cancer Organizations. Financial support for the program has been provided through an educational grant from ICI Pharma, a business unit of ICI Americas Inc.

Susan Ford Vance serves as National Spokeswoman for the event. Ms. Vance, daughter of former President and Mrs. Gerald Ford, has firsthand knowledge of the personal trauma of breast cancer from her mother's much-publicized experience. "As the daughter of a woman who has suffered breast cancer, I am a high risk candidate for breast cancer myself. I have undertaken the role as National spokesperson to encourage all women to practice early detection techniques."

In addition, Myrna Blyth, Publishing Director and Editor-in-Chief of Ladies' Home Journal will also make media appearances stressing the importance of Breast Cancer Awareness Week and the important role of Ladies' Home Journal in bringing vital information about breast cancer to its millions of read-

ers. Diane Blum, Director of Social Services of Cancer Care, one of the founders of Breast Cancer Awareness Week, will also be available to the media for interviews and information about the social and psychological implications of breast cancer.

Dr. Harry Metcalf, President of American Academy of Family Physicians, will announce the kick-off of National Breast Cancer Awareness Week to over 5,000 family physicians attending the annual Scientific Assembly of the AAFP in New Orleans on Oct. 3, 1988.

National Breast Cancer Awareness Week activities include:

*National and State publicity campaigns on radio and TV encouraging women to find out how they can help detect breast cancer. An ancillary campaign directed at spouses, partners and families of women will offer guidelines on how to support women in detecting breast cancer.

*Distribution of free pamphlets and educational materials on breast cancer and its detection through the 42,000 active members of the American Academy of Family Physicians, the 3,000 local chapters of the American Cancer Society, the 102 member organizations of the National Alliance of Breast Cancer Organizations, and the National Cancer Care Foundation.

Parents Day And Homecoming To Be Held

Saturday, October 22 will be Parents Day and Homecoming on the Cisco Junior College campus.

Parents and Ex-Students are asked to register at any of the following:

10:00 to 12:00 Registration in Maner Memorial Library
9:00 to 11:00 Wrangler Belle Reunion and Parents Reception at the Hilton
10:00 to 12:00 Open House in all Dormitories

10:30 and 11:30 Performance by the CJC Singers in Harrell Fine Arts Auditorium

The bookstore will be open from 9:00 to 1:00 and will be offering

"Homecoming/Parents Day Special" for the game-spirit towels for \$2.50.

The CJC cafeteria will be serving lunch from 11:15 to 1:15 for the cost of \$2.75.

Pre-game activities will begin at 2:40 p.m. followed by the CJC/Navarro football game at 3:00 p.m. The halftime show will consist of a special presentation by the Wrangler Band and Belles and the presentation of the Homecoming Queen. The days' activities continue with a dance at 8 p.m. in the Student Center.

A Pep Rally and bonfire will be held on Thursday, October 20 at 7:30 p.m. The pep rally will be held in the gym and the bonfire will be held on the side of the hill.

Deer Hunting Conditions

EAST TEXAS PINEYWOODS

Although white-tailed deer populations have reached a saturation point in some areas, the Pineywoods herd continues to expand faster than those in other parts of the state. District biologist Gary Spencer of Jasper said dry weather this year may have caused a leveling of the deer population, with a lower fawn crop.

"We have had barely adequate moisture this year, and this has resulted in below-average range conditions," said Spencer. "The acorn crop is below average, and browse conditions are only fair." This means another record harvest is possible if deer are forced to forage more actively. "Our hunting success in East Texas is largely dependent on the weather, as rains early in the season can reduce hunter access and participation," Spencer explained.

The Pineywoods harvest likely will set a third successive record, since the cither-sex bag limit system this year includes most of the region's traditional deer hunting range.

GULF PRAIRIES AND MARSHES (OAK PRAIRIE)

This flat region roughly between Houston and San Antonio is not known for high deer populations, with habitat consisting of scattered oak groves. Timely rains in the region during the summer have maintained deer in fair

to good condition, according to district biologist Bob Carroll of LaGrange.

"We had a good deer season last year, and we should have another good one this year," said Carroll. "There won't be much tall weed growth to hinder hunting, and the deer should be moving around quite a bit." Bucks should have average to better-than-average antler development, he added.

CROSS TIMBERS AND ROLLING PLAINS

The 1988 deer season in this varied ecological region of North and West Texas may be as good as the outstanding 1987 season for numbers of deer, if not quality, according to district biologist Larry Holland of Brownwood. "Deer populations may be a little higher than last year, because of an excellent 1987 fawn crop," said Holland, "but body condition and antler development won't be up to last year's standards."

Dry weather during April and May suppressed antler development and continued dry weather in some areas is probably causing some losses of deer, Holland believes.

"We are in danger of losing some deer in the near future, so it's extremely important for hunters to take all the antlerless deer they are allowed by regulations and landowners." He said the most critically dry counties in this region are Coleman, Brown and Mills.

On the bright side of the dry-weather situation, deer will be coming readily to food plots planted with oats or other greenery, Holland said.

TRANS-PECOS

The normally dry Trans-Pecos has received unusually high rainfall amounts during the past two years. This year started out dry, but late summer rains revitalized the habitat and made conditions fairly good for the region's mule deer herd, according to biologist Tim Bone of Alpine.

"I expect about an average hunting season this year, with the deer in reasonably good body condition and antler development about average," Bone said.

The 1987 Mule deer harvest in the Trans-Pecos and Panhandle combined was 6,700 animals, for a 28 percent increase over the previous year. Bone said hunters may be able to have comparable success because the dry habitat may cause deer to move during the daytime, and also because the mule deer season was lengthened from nine to 16 days this year.

POST OAK SAVANNAH

This scenic region is located roughly between the Blackland Prairie and the East Texas Pineywoods. Its rolling, oak-studded hills provide good deer habitat, with the most productive areas being in Freestone, Anderson, Leon and Robertson Counties.

District biologist John Wallace of Tyler said deer populations remain at fairly high levels, and their body condition is fair to good in spite of fairly severe drought in some spots. "We probably have an average acorn crop on the upland species such as post oak, but the bottomland trees don't have many," said Wallace. The "soft mast" crop, including fruits and berries, is only average, he added.

"I would recommend that hunters take their antlerless deer early in the season, because the dry range could deteriorate rapidly as the fall progresses," said Wallace. Last season, the Post Oak Savannah was the only ecological area posting a lower total deer harvest than the previous year, but Wallace said deer populations are sufficient to have a good hunting season in 1988.

PANHANDLE

For the second year in a row, range conditions in the Panhandle region are better than average. Mule deer in the Palo Duro Canyon, along the Canadian River and the rugged country below the Caprock are in good body condition and have good antler development, according to district biologist David Dvorak of Amarillo.

White-tailed deer occupy a widespread area of the High Plains, primarily along river and creek drainages. Dvorak said ample rainfall during the

past several months has been beneficial to whitetail populations which have remained fairly stable.

SOUTH TEXAS PLAINS

South Texas produced an all-time record doe harvest in 1987, due largely to the late antlerless season held during January in nine counties. The buck harvest of 55,600 was only a three-percent increase, but it included many quality animals with outstanding racks, according to district biologist W.J. Williams of San Antonio. "Weather conditions were perfect for growing antlers last year," Williams said. "This year I think antler development will only be average, because the weather was dry during the critical antler-growing period in the spring." This dropoff in quality, however, probably

will not be noticeable to the average hunter, he added.

South Texas hunters will see large numbers of yearling bucks this fall, resulting from an outstanding fawn crop in 1987. Body condition should be fair to good, with conditions improving due to increased rainfall during late summer.

There's been another study of whether aspirin can prevent heart attacks, this one last winter by researchers from Brigham Hospital and Harvard Medical School in Boston. The study of 22,000 doctors concluded that taking one aspirin tablet (325 mg) every other day cuts heart attack risk by 47 percent. However, Julie Burnham, a lead researcher, warns against taking aspirin without a doctor's guidance because of possible adverse side effects.

Anti-cancer treatment devised from algae has had good results in laboratory tests at Harvard. It contains high levels of natural Vitamin E and carotenoids.

Better results after glaucoma surgery are reported from the University of California at San Diego Medical Center. Doctors there are using small doses of 5-fluorouracil, a cancer drug, to slow the formation of scar tissue and let the eye drain.

Reminder: booster shots against tetanus and diphtheria should be scheduled every 10 years or so. It's easy insurance against a painful and dangerous disease.

New infant formula to be introduced is made of what that's been treated with enzymes so it's easier to digest. The manufacturer says it will relieve the symptoms of milk allergy in babies.

If it's better for baby, you'll find it at Wal-Mart Pharmacy, Hwy. 80 East, Eastland, 629-3347. We're proud of our wide selection of baby needs. CER 104

Scouts To Hold Annual Popcorn Sale

The Comanche Trail Council, Boy Scouts of America kicked off its second annual Council-wide "Trail's End Gourmet Popcorn Sale" Saturday, Oct. 1. Comanche Trail Council Executive Alford Havens has announced a major new initiative by the local council to market a product throughout the council. The

product-program will involve the sale by Scouting units of a popcorn product called "Trail's End Gourmet Popcorn." Proceeds from the sale will be used to benefit the Scouting activities of the local council, as well as individual Scouting units.

Sam Mangrum, Council President, stated that escalating program costs, the need for camp equipment and maintenance, as well as continued growth in youth participation have prompted the Executive Board of the council to seek new, additional sources of financial support. He also stated, "The Comanche Trail Council is making this an annual affair, such as the 'Girl Scout Cookie Sales.' 'Trail's End Gourmet Popcorn' is a great tasting, fun to make, wholesome nutritional snack that the entire family can enjoy.

Cub Scouts, Boy Scouts and Explorer Scouts will begin contacting the public to have them "sign-up" for one or more 3 1/2 pound bucket or microwave "Trail's End Gourmet Popcorn." The price will be \$5 for bucket or \$5 for box of five microwave. Each pound makes 19 quarts of popcorn. Delivery will be the first week in December.

Anyone not contacted has been asked to call the local Den Leaders or Scoutmaster Marvin Cole, 442-2009; or call the council office at (915) 646-0616. Den leaders are: Gwen Johnson, 442-4095; Darlene Patton, 442-4377; Tony Little, 442-1350; Jay Maples, 442-4465; or Cubmaster Ivan Webb, 442-3647.

Please support Scouting in Cisco. Place your order today.

WHERE CAN SENIOR CITIZENS GET HELPFUL INFORMATION?

We have been asked often for information and literature about services available to our community's senior citizens. We've had to seek out material about Social Security, old age and survivor's benefits, VA claims, insurance-processing, wills, retirement-planning, etc.

We've become a kind of Information Center from which senior citizens (or anyone else for that matter) may receive pamphlets, reading lists, and even free advice on "where to find it" for all manner of important data.

We sometimes speak before adult and school groups on these subjects and others pertaining to funerals. We'd be glad to speak to your group.

If you have questions on some of these topics, we'll try to help you get the answers. There's a wide range of source material, some of which we have and others we can help you locate.

There is a Mother-in-Law plant located at Dean Rexall Drug, 621 Conrad Hilton, that is blooming now. It is a beautiful plant, and has been over at Dean's for several years without ever blooming.

Heard reports that its not suppose to bloom.

The Cisco High School Junior class held a Homecoming Dance on October 7. At the dance they put out a jar so people could give donations to the Ricky Chamber's Memorial Fund.

Ricky was a Cisco youth, who died this summer, from a pick-up accident. A memorial was dedicated in his name to help the youth of this town with scholarships.

Everyone who is associated with the Ricky

Chambers Memorial Fund said they want to thank all who have contributed to the Fund.

The students who are writing stories for the Lobo Howl, printed in each Sunday issue, are really to be commended. They work to get these stories written and several times, they tell about news that could not have been covered by The Press.

Their names are listed on the Lobo Howl, so when you see one of these students or sponsors, tell them you appreciate their hard work.

We haven't heard much reports from our readers about what's going on in their lives. It might be because everyone is so busy and they haven't had any time to let us know.

If you have any visitors or take a trip somewhere, let us know. Everyone enjoys reading about the happenings of the ones they know.

Cisco Elementary School Update

PTO won first place trophy in the Homecoming Parade. All the credit goes to Community Projects Chairman Arlene Thompson and her helpers, Lynda Wende, Cheryl Stennett, Becky Pence, Janice Winge. Special thanks to Larry Leibetter for the use of the trailer and James Winge for the welding. And I can't forget to thank all the smiling children who rode on the float. Congratulations! The second grade class including teachers walked along the parade and threw candy. They were dressed in black and gold and looked so cute. The whole parade was a treat to watch!

The Cisco Fire Department deserves praise for taking the time to give many of our school children a ride on a fire truck in honor of

Fire Prevention Week. If you heard a lot of sirens last Wednesday morning, that's what was going on.

The fire department also judged the posters the third graders drew. The winners were: Mrs. Ferguson's class: 1. Linsey Myers. 2. Gary Franqui. 3. Jessica Hamilton. Miss Gosnell's class: 1. Kristi McCulloch. 2. Bekah Fields. 3. Josh Hendricks. Mrs. Sumner's class: 1. Ashley Kelly. 2. Tim Lawrence. 3. Nicky Moran.

Mark your calendar for Tuesday evening, Oct. 18, 7 p.m. at the Elementary Cafeteria. That is the first General Meeting of Cisco PTO. Please come and be in on decisions made concerning your children.

Can you believe that 6 weeks has already passed?

Report cards go out on Wednesday, Oct. 19th.

Coming up this week is Indian Day for the 5th graders. On Thursday, Oct. 20, they will dress in Indian attire and pretend they are Indians with many planned activities. They will bring their Indian houses to school for display the 17-20th. As a special project they made Indian rattles in Mrs. Jobe's choir class. They covered light blubs with paper mache', then broke the light bulb. Mrs. Jobe also taught them Indian songs and dances.

The second grade recently walked all over town to study their community first hand. They drew pictures of Cisco and have them on display in the windows downtown at 110 W. 6th, across from the fire station. Stop and look at their beautiful artwork. They are very proud of Cisco.

As you know, October is perfect attendance month. For the first week of October, overall percentage of attendance was 97.43. Those rooms in the 100 percent perfect attendance club as far as Mrs. Hearne, Mrs. Reynolds, Mrs. Webb, Mrs. Sumners, Mrs. Clark and Mr. Demison. Keep those kids coming to school if at all possible!

Cisco Elementary has a speech therapist two days a week. She is Jeannette Moran, who lives in Eastland, and also serves the schools in Moran, Carbon and Gorman. Any child beginning at age 3 who has a communication handicap is eligible for her services.

In the library last week, I noticed two things to share with you. First, the 4-H Club had a wonderful display certainly worthy of praise. This was in honor of 4-H Week. Then, I inquired about a picture of a lady hanging on the wall. Mrs. Zarate explained that it was a picture of Be-

tye Cheshire, who was a teacher at Cisco Intermediate in the early 1970's. She taught 3rd and 4th grades and passed away quite unexpectedly in 1975. Her family donated all of her books to our school. The principal then, Ken Norris, requested to honor her by naming our library the Betty Cheshire Memorial Library, and so it is today. Two of Mrs. Cheshire's nephews attend Cisco Elementary and her sister, Kay Hawari, is presently an English teacher at Cisco Junior High. What a nice tribute to a beloved teacher!

Remember the PTO General Meeting on Tuesday, Oct. 18.
