USPS No. 113780

LADY LOBOS CROSS COUNTRY DISTRICT CHAMPIONSHIP team is shown in the above photo. They won first place in the district meet held Monday, Oct. 24, at Perry County Club at Hamilton, and are now preparing for the regional meet set for Saturday, Nov. 5, at Vandergriff Park in Arlington. Shown, left to right, are Shelly Rhyne, Ginny

Pope, Rachel Valek, Jana Yowell, Coach David Sumners, Marlana Trice, Steffi Carlile, Dee Wages, members of the girls team; and Steve Sumners, who won 7th place in the 5000 meter race in the boys division at the district meet Monday.

Cisco's 87-88 Budget In The Black

City Manager Mike Moore told city council members at their regular meeting held last Tuesday at City Hall, that the fiscal year for the City of Cisco ended on September 30, 1988. Moore told council members that the City of Cisco has ended up in the black in their financial statements.

He said 99% of the budgeted revenues, \$879,171.57, came in to the city and the city spent 96% of the budgeted expenditures, \$855,173.36. Moore added the city did not have to dip into their meager savings this year.

Moore said he hopes that in the future, the city will continue to bring in the budgeted revenue as they did this year.

Moore told the mayor and council members, the city also had enough money this past year to seal coat and pave more than 71 blocks. Moore said the city employees paved 45½ new blocks and seal coated 25½ paved blocks.

Moore said this was largest total amount of blocks that were paved in

one year's time. A total of 272 blocks have been paved over the past five years using only city revenues. He broke the time down and said in 1984 a total of 47 blocks were paved, 8 seal coat and 39 new blocks; 1985 a total of 58 blocks were paved, 24½ seal coat, 33½ new; 1986, a total of 64 blocks were paved, 32 seal coated, 32 new; and 1987 a total of 32 blocks were paved, 25 seal coated and 7 new.

Moore said he and the city council are looking forward to the future in Cisco. He said, "In the next two years if the city's resources come in as they did this past year, then I believe the city can pave 100-130 more added blocks."

He added, "We are going to concentrate on new paving in Cisco. In the next two years I believe that a total of 80-85% of the city of Cisco will be paved. This will be 90% of the streets for the population of Cisco."

Moore then said, "But the key to having this work done is for the City of Cisco to have the revenue. People need to pay their taxes and shop at home as much as

they can. With the city taxes and the sales taxes the city receives from local sales, the city can continue with the seal coating and paving of the streets in Cisco."

In other action the city approved the second reading of an ordinance to establish a 15 mile an hour speed limit around the Cisco Elementary School, between the hours of 7:30 a.m. to 4:00 p.m.

Streets included in the new speed limit are the 500 block of West 11th, the 1100 and 1200 blocks of Avenue H, and the 1100 and 1200 blocks of Avenue I. Moore said the speed limit will become effective when the speed limit signs are erected and speed will be monitored. He said the signs have been ordered.

The City of Cisco has purchased a "new-used" refuse truck from Davis Truck and Equipment Co., in Clifton, Texas. The bid from Davis was \$14,500. The truck is a 1981 diesel International. Moore said the truck will be delivered on Monday, October 31.

A revision of the bid from Fullen Motor Company for

the purchase of a pick-up truck was approved by the council. Because of a revision in Fullen's order guide it was necessary to add power steering to their bid in order to receive a V-6 engine. The cost for the option was \$233.75. Moore said even with this addition, they still had the lowest bid.

Moore said the city swimming pool ended up the year with a deficit. He said the admissions and concessions were down \$1,000 from last year and the maintenance was up. He said the pool is a substantial expense to the city of Cisco.

The pool had to purchase a new pump and equipment for a cost of \$2,097.22. With chemicals, supplies, maintenance and other expenditures the pool showed a loss of \$7,110.73.

Council members attending the meeting were John Muller, Bural Chambers, Verneeta Pierce, Olin Odum, III, Arlie Whitley and Allen Masters. Also attending were city secretary Ginger Johnson, Mayor Joe Wheatley, and city Manager Mike Moore.

Clements In Mellow Mood In Eastland Visit

A dro-in visit by the governor is one thing that'll make a Texan even PROUD-ER!

And when Gov. William P. Clements stopped by the offices of Eastland County Newspapers this week to talk with editors, visit supporters, and meet with a High School Civics Class, it was a Texas-Proud occasion.

Certainly it was a "stumping" with the General Election two weeks away, but Gov. Clements also fielded a number of questions and sought input from citizens on upcoming appointments, in his visit at the newspaper offices at the Courthouse later.

We had been advised that he would arrive at our place

at 2 p.m. for a "laid-back" visit, with no specifying or formal ceremonies expected or wanted. Our people put on an extra pot of coffee, and laid out some store-bought cookies, and began greeting supporters a little before the appointed hour.

True to the campaign trial, the governor was a little late in arriving accompanied by an aide, and D.P.S. Troopers. Hitting the front door, Gov. Clements made up in enthusiasm if not in time, and was warmly greeted all around, before getting comfortable in our crowded breakroom for conversation.

Bouncing and respondent, the governor gave no evidence of his recent illness, and in answer to a question about his health, responded that he had had a great warning. He described his physical condition as good, and true to reports, showed that he has in fact picked up a great deal of his wife's charm and grace. Known for his quick temper in the past, the governor was nothing but the mellow, perfect guest in Eastland.

Comfortable in dark blue, cuffed slacks, a soft blue shirt with a muted, but colorful red print tie. A striking blue blazer was thought first to sport buttons with the state seal, but on closer inspection, turned out to be pretty stars.

His jewelry included only a well-worn watch, and simple and long-worn white gold wedding ring, an small enameled Texas flag on his lapel. (He probably added a gold plated Old Rippin, given to him later by County Judge

Scott Bailey.)

His clear, bright eyes sparkled through silver frame glasses, and complimented his thinning, but handsome greying hair and bushy eyebrows.

For the better part of an hour, he was the center of attention as he patiently answered questions, gave brief civics lessons (on Texas' antique commission form of government) and generally played the perfect guest.

His opening remarks touched on the state financing (looking better) and the importance of Supreme Court election outcomes, affecting the public education in Texas. These topics were springboards for him to recommend the Republican importance wins in upcoming elections. He indicated that the State House can generally be depended on to do the right things for the State, but that the Senate is another question.

"Too often," he said, "these senators say one thing in the district, and then get in Austin and vote with the big money crowd." Asked to be specific, he said that (Sen. Bob) Glasgow falls in that category. He says that Republicans are expected to win at least three seats in the Senate: one in the Panhandle, one in East Texas and another in northeast Texas. "Three others (including the 22nd District here) are marginal," the governor guessed.

A man of less-than-great physical stature, Gov. Clements stood Texas tall with his well-wishers here, Tuesday.

Hospital Auxiliary To Hold Blood Drive October 31

The E.L. Graham Memorial Hospital Auxiliary will hold a Blood Drive on Monday, October 31, 1988, in the lobby of the Cisco Junior College Student Union Building, (SUB) between the hours of 9:00 a.m.-1:00 p.m.

Technicians from Meek Blood Bank, Abilene, will be working the drive.

Ginny Page, president of the hospital auxiliary, said anyone between the ages of 17 and 66-years of age and in good health can donate blood. She said a 17-year old donor must have written parental permission to donate. Anyone over 66-years old must have their doctors permission to donate blood.

Another requirement for persons donating blood is that they must weigh at least 110 pounds. A person who is on medication needs to be sure and tell the Meek Blood Bank technician the name and dosage of the prescription. Certain medications will not prevent a person from donating. If a person is on medication, they can still donate blood.

Everyone needs to eat a good hearty meal within four hours of donating blood. Fruit juice and cookies will be given a donor before they leave the SUB. The total donation time should not exceed 45 minutes, including the time a donor eats cookies and drinks juice.

Donors need not fear transmissions of diseases such as AIDS because these are not passed to the donors. A donor's blood is screened, however, to rule out the possibility of transmitting disease to those who require transmission.

The chance to restore health to a neighbor or even save a life is begin offered to everyone just by donating at the Blood Drive, according to Mrs. Page. With this drive a credit at the blood bank will be given that will be issued to Ciscoans who must use out of town hospitals in Abilene or Fort Worth. This will save these citizens a lot of money according to Page.

Everyone is encouraged to stop by the SUB on October 31, and donate their life saving gift of blood.

HIGH COURTS DECISIONS An Editorial

Because so many of us laymen are not familiar with the candidates for the state's high courts elections in the upcoming election, recommendations would seem to be in order.

Six places are to be decided for the State Supreme Court and three places for the State Court of Criminal Appeals.

Based on inquiries to attorneys and judges in this area, these are this newspaper's recommendations:

State Supreme Court: Phillips, Murphy, Hecht, Gonzalez, Culver and Cook. (All but Gonzalez are in the Republican column.)

State Court of Criminal Appeals: the three Democratic incumbents: McCormick, Campbell and Miller.

The importance of electing qualified, competent judges to our state's high courts can not be over-emphasized.--H.V.O.

Cisco Child Care Center Issue Appeal For Funds

The Cisco Child Care Center has issued an appeal to the general public for donations to offset recent expenses which have depleted the funds of the non-profit organization.

Established in 1968 as a community service, the Child Care Center serves parents who must have care for their children or be unable to work.

The Center does not receive any state or federal aid, but is licensed and regulated by the State of Texas. To maintain fees at a level to provide child care for all families, regardless of income, the Center must have regular support from

the community, and receives monthly supplemental income from churches and civic organizations.

But, recently maintenance requirements and lower than usual fee receipts have caused a money crunch. The center needs the additional funds to maintain its service to working parents.

Donations may be brought to the center, or mailed to the center at 804 Avenue H.

State Debt-Free With Surplus, Clements Reports

Governor William (Bill) Clements had some interesting comments during the news conference at the Eastland Telegram last Tuesday.

Even before the no-nonsense question and answer session Clements began with prediction on the Nov. 8 election.

"We're going to carry this area," he said, referring to the Bush-Quayle ticket.

When asked if he thought Lloyd Bentsen would win over Beau Boulter in the Texas Senatorial race, some of Clements' smile faded.

"The polls show Boulter 16-17 percent behind. I wish I could tell you I'm optimistic, but that's a hard nut to crack. Bentsen has more name identification - he's on TV every day.

"I think George (Bush) must win Texas by at least a 54 percent margin to pull in some of the state races by his coattails.

"This election is going to be tough," he said. "We can't afford to take anything for granted - not the President's race or anything else."

Turning to state affairs, Clements defined "The two most important matters facing the state government when the Legislature goes into session next January.

"The State Budget is the first thing," the Governor stated. "When I came into office (in 1987) I inherited a \$1.2 billion deficit.

"Three months into the Legislative session I was told we had another shortfall of \$700 million, making a \$1.9 billion debt in all."

Dealing with that made a tough, acrimonious session, Clements said. "I was fresh meat - and some people tried to take advantage of me.

"But at the end of this fiscal year (Aug. 31) the \$1.2 million deficit was paid, the \$700 million shortfall gone, and we have \$700 million in the bank. "It ain't easy," the Governor chuckled. "Good management is what it amounts to.

"All temporary taxes will expire Jan. 1, and I don't aim

to sign them back in," Clements added crisply. "But we're out of debt, and that ought to give some tax relief."

The Governor stated that the second most important issue facing the state is a ruling by District Judge Harley Clark on the Edgewood vs. Kirby case - a litigation over the manner and distribution of school financing. Clark rules that Texas' financing of its public school system is unconstitutional - and discriminates against poor districts.

Meeting the gaze of press members around the room, Clements said he would fight hard in the next legislature for a constitutional amendment to keep courts from deciding how the state should pay for education.

"If we can't get this passed in the first Legislative session, "I'll keep them in session until it is settled - 'till Christmas, if necessary. I won't leave this undone!"

Upon questioning, Clements explained why he was so firmly opposed to changes in the financing of local schools. "If this ruling is upheld by the Texas Supreme Court, you will have no more independent school districts, no school board members, no local tax base - and all control will go to Austin.

"There will be six mega school districts instead of the local districts around the state."

Clements said he believed an amendment to stop this will pass in the House, but faces major trouble in the Senate. The Senate, he charged, has some ultra-liberal members, and it will be difficult to get a constitutional amendment through it.

Clements was asked if the Legislature should also deal with the cost of Workman's Comp. He replied that this is probably the third most important issue.

"Gib Lewis (Speaker of the House) and I agree that something must be done. "The high cost of Workman's Comp is affecting industries relocating or expanding in Texas.

The premiums paid by employees are too high, and the pay to workers is too low. The money is being siphoned off by trial lawyers."

Clements again said he expected trouble in the Senate. "Some of those Senators talk one way in Austin, another way back in their home districts." He lowered his voice slightly. "Your Senator - Glasgow - is on the 'big spender' side.

"If we can turn out our vote in Denton County for Coffey (Glasgow's opponent) we might have a change there."

When asked about his stand on an Oil Import fee Clements said that the National Oil Policy must be changed - there had been no significant change since the days of Eisenhower.

"I've known George Bush for over 30 years," the Governor said. "We've been friends - been in the oil drilling business together. He knows the oil business, and will address whatever needs to be changed to protect the national interest. He understands the problems."

Another topic came up - the Texas Jail Standards Commission. "Does the Governor have any control over this group?" He was asked. "If not - who does?"

"Yes and no, as to control by the Governor," Clements stated. "The Governor appoints members on the Commission, but their terms are staggered - and no one Governor appoints them all. The only state body they answer to is the State Legislature."

"Texas has a 'Commission' form of government," he continued. "We have an Agriculture Commission, an Insurance Commission...we're the only state with this type of operation."

Upon further questioning, the Governor said that he thought a Commission system made the State government more susceptible to bureaucracy. He looked toward the Eastland High School civics class standing nearby and said he hoped "our school children are really

being taught something about the workings of government."

Toward the end of his visit Gov. Clements said there would also be some legislation next year concerning authority over water. "In the long range water will be the most important subject in Texas," he said.

He touched again on the economy, saying that the general trend was up, with more people in Texas at work now than ever in history. Unemployment was down, with a current \$312 billion gross product.

"The state is diversifying," he said. "But two areas are still soft - banking and real estate. Banking is in terrible condition, and real estate is tied in with it. But I think things hit bottom last fall, and are ticking up now."

As he left the Telegram the Governor asked everyone to work for Bush, and said he hoped that support for the national Republican candidates would spill over into the Texas races.

He thanked the H.V. O'Briens and others for their hospitality, and said he considered the Eastland Telegram stop very worthwhile.

Writers Club To Meet Tuesday

The Cisco Writer's Club will hold a meeting on Tuesday, Nov. 1, at 7 p.m. in the Community Room at First National Bank. Writers and others interested in writing are invited.

All are requested to bring original manuscripts for reading and discussion.

President Shirley Strawn will open the meeting, and Julia Worthy will be in charge of the program.

Scranton Business Meeting Tuesday

There will be a Scranton business meeting at 7:00 p.m., Tuesday, November 1, in the Community Center.

All members of the Community Center are urged to attend.

DON'T FORGET!!

...to set your clocks BACK one hour 2 a.m. Sunday morning (or Sat. night), or you'll be early for

Rotary Club Gives \$200.00 To Care Center

The Cisco Rotary Club voted to give \$200.00 to the Cisco Child Care Center at their regular meeting held last Thursday at the White Elephant Restaurant.

Bill Philpott, Rotarian said the Child Center had to buy equipment recently and the enrollment is down. But, he said because of state regulations, they can't reduce the staff. They are in need of donations.

Rotarian Anton White, and president of the Cisco Cemetery Association, told club members they are winding up the 1988 moving season this month. He said they have four men working part time at the cemetery. He said the cemetery is looking good and he invited everyone to drive out by the cemetery and see how good it looks.

Mr. White said donations to the Association are smaller than what they use to be, but they are still receiving some. He said the six month financial report showed the Cisco Cemetery Association had \$147,000 in their trust fund.

Rotarian president Otto Urban, presided over the meeting and gave the invocation. He told the club members a Rotary Information Seminar will be held in Weatherford on Saturday, December 3. He said the seminar will give more information on the Rotary International Club.

Billy Reynolds will be in charge of the November 3, program. Otto Urban will be in charge of the November 10, meeting and Roger Schusteret in charge of the November 17. The club will not meet on November 24, since it is Thanksgiving Day.

Attendance averaged out to 80% for earlier this month and 90% for Thursday.

Wranglers Lose Homecoming Game To Navarro Bulldogs 30-14

By MARLOW McSHAN
The number one ranked Navarro Bulldogs defeated the Cisco Wranglers 30-14 in last Saturday's homecoming game. The Wranglers were hoping to upset the Bulldogs and it appeared that they might after the end of the first half when the score was 14-10 with the Wranglers ahead.

The Bulldogs scored on their first two possessions in the first quarter. After they kicked a 30-yard field goal the score was 3-0. On Navarro's next possession Mike Anderson scored on a four yard run which increased their lead to 10 points.

In the beginning of the second quarter the Wranglers began their rampage. On their first possession of the quarter the Wranglers scored on an 83-yard pass from quarterback John Brayton to flanker Anthony Stinnett. After the ensuing kick-off the Wranglers forced the Bulldogs to punt and found themselves in good field position. The Wranglers began moving the ball down the field and then Brayton fired another touchdown pass to wide-out Anthony Stinnett. This score put the Wranglers ahead 14-10.

In the second half Navarro showed why they are the number one team in the conference and scored three touchdowns while not allowing Cisco to score at all. Navarro's first score of the quarter came on a four yard run by Mike Anderson. This made the score 17-10-14. After the Bulldogs recovered a fumble in Wrangler territory Terrace Miller scored on a five yard run. The extra point conversion failed and Navarro was ahead 23-14.

Cisco moved the ball well on their next possession but was stopped short of scoring due to an interception. When Navarro's offense took over the ball they drove

all the way down to the three yard line before James McConan scored, making the final score 30-14.

Despite Cisco's loss Roderick Tatum, Victor Ramirez and Anthony Stinnett all played well. Tatum played extremely well on defense and set a school record by having 25 tackles. Ramirez should be commended on kicking and punting. He had a net-punt average of 39 yards and his great kicking kept the Bulldogs from beginning offensive possession beyond the 20 yard line. Another outstanding job was done by Anthony Stinnett who had two catches for 108 yards and two touchdowns.

Next week the CJC Wranglers will travel to Kilgore where they will meet the Kilgore Rangers. Game time is 7:30 p.m.

church services... REDEEMER LUTHERAN CHURCH

Our worship service begins at 10:30 a.m. Pastor Urban's message is entitled, "We, Too, Can Make a Good Profession," based on I Timothy 6:12. Sunday School and Bible Class begin at 9:30 a.m.

"Martin Luther believed in the teachings of the Holy Scriptures. And his much-needed reforms echo through the centuries, even until today," says the Rev. Wallace Schultz on "The Lutheran Hour." Hear what he means next Sunday as he bases his comments on II Corinthians 4:13. Catch the broadcast at 7:04 a.m. on radio station KSTB (1430) or at 8 a.m. on KBWT (1380) or at 8:30 a.m. on KFQX (1470).

Today, 4 p.m. Reformation Rally at Brownwood. 7 p.m. Sunday School sponsors Family Night with a costume party.

Tuesday, LWML Executive Board meets at 8 a.m. Topic and Business are at 9 a.m.

Wednesday, Nursing Home worship at 10 a.m. Confirmation Class is at 3:30 p.m.

Thursday, Jesus' Friends meets at 9:30 a.m.

Saturday, Confirmation Class meets at 9 a.m.

Cisco Elementary School Update

School pictures were delivered to students on Wednesday, Oct. 26. Mr. Lindsey has announced retakes will be Nov. 3.

To continue the story about the 5th graders Indian Day, the kids received an unexpected guest. As luck would have it, Mr. Duane Hale, who grew up in Cisco, was here visiting his mother, Mrs. Oleta Hale. He talked to them about Delaware Indians and gave our library one of his books. Today, he is an Indian historian in Oklahoma and has written several books about Indians.

Thrift Mart honored Cisco Elementary students making straight A's with a certificate for a free banana or orange. These were distributed in the 2nd through 6th grades. That's a neat way to encourage good grades!

The school nurse, Mrs. Johnnie McLaughlin, asked me to say that she is busy checking the children's hair for lice. Unfortunately, she is finding some. She is asking for cooperation with the parents to buy the special shampoo, follow the directions, and use it. The shampoo is available without a prescription at any drug store. It will also help to wash and sterilize bed linens with disinfectant. These steps can be very effective if done properly.

At the end of the 3rd week of October, attendance month, the overall attendance is 97.8 percent. Mrs. Reynolds and Mrs. Webb's classes remain in the 100 percent club. Remember, that in each grade, those with perfect attendance for the month will have their names in a drawing to win \$10, \$5, or \$1. I'll announce those winners next week.

Cisco PTO would like to give a very big thank you to Mr. Standlee McCracken of Cisco. He is our No. 1 Campbell's Soup label saver. Last school year we earned enough credit from labels to buy three discs for our computer room worth about \$200.00. We thank all who

gram, Osama Hawari, Jason Glueck, John Exline, Blyth Dunlap, Dusty Christmas. Thank you to each one for contributing your time for these jobs.

With our national election time at hand, the teachers are incorporating many interesting ideas into the children's school day. The 6th graders are preparing for debates, by actually studying the Republican and Democratic platforms and certain stands on issues by each candidate. The 2nd graders divided into 2 parties in each room and each elected a candidate to run for President of the 2nd grade. The children made very creative posters for their parties choice, declaring each of the 8 candidates' campaign promises. They walked down the street to the 1st United Methodist Church to be used as the voting place. Voting by secret ballot, Zeb Campbell was elected president. He is in Mrs. Johnson's class and he promised a trip to Hawaii and lunch at the Dairy Queen!!

Mrs. Choate's 6th grade class had safety patrol duty during October. Thanks goes to Caren Bates, April Duncan, Jason Harris, Jane Hounshell, Daniel Kitchen, Carrie Roark, Gary Summers, Tim Thompson, Oscar Weeks, Larry Wende and Curtis Cheek.

Mrs. Cearley's 6th grade students were in charge of flag duty during the month of October. They include: Treva Webb, Shalor Pryor, Jill Rutledge, Kevin Prickett, Jennie Potter, Bridget McCulloch, Kim Lindley, Steven Ingram, Wes Hogue, Elizabeth In-

try's debts, pick honest people to help him, get rid of drugs, lower taxes if he can, help get good health care for people, help other poor countries, help the handicapped people, try to solve pollution problems, help homeless people get shelters, help farmers keep their farms, help our country to be respected by the world, help to fight crime, help to make good schools, protect our country from its enemies, keep us from having a depression, help us to keep our freedom, make safe recreational places to play, have a neat appearance, and make shorter speeches.

All the teachers will be emphasizing the 2nd 6-weeks theme, "Feel the Power - Vote," in some way around election time. There will be more on this next week.

Last week Mr. Lindsey attended an administrative workshop for the Gifted and Talented program at Hardin Simmons University in Abilene. He was presented many good ideas that will help us with our program. Five of our teachers also attended a training session for the Gifted and Talented program at the Education Service Center in Abilene. Mrs. Choate, Mrs. Rains, Miss

Mrs. Kirks' 4th graders are writing papers about what traits are best for a president. They did brainstorming first, then wrote individual papers. Student ideas included: believe in God, be honest and dependable, try to keep the peace, respect people's rights, punish criminals, make wise decisions, keep banks from failing, try to pay our coun-

Gosnell, Mrs. Webb and Mrs. Saunders listened as some teachers from Lubbock, with 7 years of experience in this field, gave them ideas to improve our program.

These classes received treats for having the highest attendance at the Oct. 13 general PTO meeting. Kindergarten, Mrs. Hearne; 1st, Mrs. Webb; 2nd, Mrs. Odom; 3rd, Miss Gosnell; 4th, Mrs. Maxwell; 5th, tie between Mrs. Clark and Mrs. Schaefer; and 6th, Mrs. Cearley. Your attendance does count and your child's room gets rewarded for it.

If you are reading this on Saturday, remember the PTO fundraiser is a Mexican Food supper Saturday, Oct. 29, from 5:30 until 7:30 p.m. in the elementary cafeteria. Plates are \$4 each. Thanks to all the children, parents and teachers that sold tickets for this supper. This kind of fundraiser takes many hours of work by many people. Most everyone is willing to support a project that is specifically designated for the children's benefit. A sincere thank you is sent to all who work so hard for our children.

Second Generation Funeral Directors
CLIFFORD BURAL
SEEK OUT A PROFESSIONAL!
"It is a truism in the legal profession that the vast majority of widows lose a substantial part of an uncontrolled bequest within seven years." So states Ms. Theresa Morse in her book "Life is for the Living."
She points out that a team of experts (a lawyer, accountant, and investment counselor) can provide the professional advice that well-meaning friends and relatives simply cannot. All of us may need some or all of that "team." Ms. Morse counsels a widow, especially, to seek out a lawyer with whom she can communicate frankly and comfortably. He must be "right" for her, and he and the other counselors must earn her confidence and trust. Only through this trust can they help chart her short and long-range courses of action.
So, too must we earn your trust. You should be comfortable discussing your funeral wishes with us. As with your lawyer, we conduct our affairs on a professional level. We want you to consider us as members of your "team," ready to help make pre-planned arrangements or provide information in advance of need.

Wanda's Corner

by Wanda Hallmark

Pat Lieske Mikitt, formerly of Cisco, and her son, Miles, both of Fort Worth are both seriously ill, according to Pat's sister, Erna Carroll, of Cisco. Pat is at home, and Miles is in a Fort Worth hospital.

Erna also reported that A.J. Paul, of Big Spring, and husband of Hilda Lieske Paul, formerly of Cisco, and Erna's cousin, recently died in Big Spring. He was buried in Lubbock, October 19.

Dan Montgomery, men's basketball coach at Cisco Junior College, said the Wranglers will play their first home game on November 14. He said he would like to invite everyone out to watch the Wranglers play and support them. He said in this area basketball is not a strong point, football is, but if anyone ever comes out to watch the college games, they will be hooked.

He said there is no question, CJC basketball is very high quality and he would like to get the respect of attendance from the community of Cisco for his team.

The home games for the Wranglers and Lady Wranglers are played in the college gym. To get more information call the college, 442-2567.

Don't forget to turn your clocks back one hour Saturday night before you go to bed. You don't want to be late for church. The time change will go into effect this weekend.

Maria Yolanda Newton, daughter of Sylvia and David Newton, celebrated her first birthday, Tuesday, October 25. Yolanda weighed 1 pound and 10 ounces when she was born and had an extensive stay in the hospital. Sylvia was formerly the manager of the Cisco Credit

Bureau last year.

In the East Cisco Baptist Church newsletter there was an important health test on it. There was a circle on the letter with instructions to blow your breath on the circle. If the circle turned black there is a harmful chemical in your breath and you should see your physician immediately. If the circle remained white you are well enough to be in church this next Sunday morning.

This Sunday has been designated as 'Go To Church Sunday' by the Cisco Ministerial Alliance. Everyone is urged to go to the church of their choice on Sunday.

We received the following letter from Walter Dale of Long Beach, California. It speaks very well of the city of Cisco. The letter said,

In passing thru you city last March and buying your paper, I was not only impressed with it but with the community as well. We have spent a great deal of time these past few years looking for "the place" for our retirement and have found that the local newspaper give us more information about the area and the attitudes of the people than possible other than actually living there for a period of time.

Mr. Dale subscribed to The Press and I know they will be greatly impressed with our city happenings and hope maybe they will decide to settle down and retire in Cisco. This is a great place to live and Cisco has some of the finest people in the world living here.

Dan Montgomery Speaks To Lions Club Wednesday

Dan Montgomery, head coach for the Cisco Junior College Wranglers men's basketball team spoke to the Cisco Lions Club at their regular meeting held last Wednesday at White Elephant Restaurant.

Montgomery said the team has an abundance of talent this year. He said they don't have much height, but they have a lot of quickness.

He said they have already played a lot of games, and the regular season begins next week. The first home game will be November 14, against Western Texas Junior College out of Snyder.

Montgomery invited everyone to attend as many of the home games as they can. He said the Wranglers don't have the support of the community he would like to see. The CJC Wranglers always have a good team. He said he has been the coach for six years and the Wranglers have played in the conference games for the last four years.

Robbie Robinson was in charge of the program and introduced Coach Montgomery. Walter Knowlden gave the Lion's roar. Dr.

Charles Cleveland gave the invocation. Wyley Peebles led the singing and the Pledge of Allegiance.

Lions Club member Jerry McBeth gave tickets to everyone for the Cisco Lobo Spirit Afghan. The tickets will sell for \$1.00 each. All money made for the sale will go to the Lions Club Camp for Crippled Children in Kerrville.

Phillip Cockrell and Jerry Taylor became new members of the Cisco Lions Club. Winston Heidenheimer pinned the new members and told them the motto of the Lions Club is "We Serve, To Help Our Fellow Man."

Couple Makes Cisco Permanent Home

Mr. and Mrs. Roger Logerstedt is happy to have purchased a nice three bedroom dwelling located at 807 West 7th St., and have moved in. Mr. Logerstedt is an employee of the U.S. Postal Service.

The Garl D. Gorr Real Estate Brokerage finalized the transactions.

News Briefs

EASTLAND

A number of exciting plans are in the development stage for Eastland as the result of a Chamber of Commerce Retailers Trades Committee meeting last Tuesday morning. Among the topics being developed is a city-wide employee training program, the consideration of a city-wide Treasure Hunt following Thanksgiving, and more decorations for the Square. The Civic League will stage a Holiday lighting contest again this year, and is considering adding a commercial division. The Retail Committee will meet again on Tuesday, Nov. 1 at 9 p.m. at the Chamber to further plan holiday events and employee training. Chairman Don Griffin, Gene White and Jerry Chaney will work out details for the training program.

Chief of Police Lyndall Underwood and the Eastland Police Department plan to be out during Halloween to enforce the law regarding reckless driving, criminal mischief and disorderly conduct. During the past several years the Courthouse Square has been a special target of Halloween pranksters, leaving debris to be cleaned up the next day. Hopefully everyone wishing to celebrate will find something else to do on Halloween night this year. If not, presiding Judge Robert Webb will be in session throughout the weekend.

The Civic League and Garden Club will have a special program on Nov. 9, 12 noon at the Women's Clubhouse. Lou Rodenberger, President of the Texas Folklore Society, will speak on Oil History and Texas Tradition. Mrs. Rodenberger is also President Association Profes-

sor of English at McMurry College in Abilene. For reservations to this dinner meeting, call 629-8002 by noon Nov. 7.

Eastland Chapter 280, Order of the Eastern Star, invites all chapters in District 3 Section 4 to attend the Fraternal visit of the Deputy Grand Matron, Betty Wilcoxen, on Tuesday, Nov. 1. A salad supper will be at 6:30 p.m. and the meeting at 7:30 at the Masonic Hall in Eastland. Please come.

CISCO

J.V. Heysler, Cisco, has been elected as a delegate to the 105th Annual Meeting of the American Angus Association Nov. 13-15 in Louisville, Ky. Heysler is one of some 260 Angus breeders who have been elected to serve as state delegates. They will participate in the business meeting and elect a new President, Vice President, and five directors. The American Angus Association has more than 23,000 members, making it the largest beef breed organization in the world.

The Cisco High School Lobo Band received a I Superior rating in the University Interscholastic League district Contest held last Saturday at Shotwell Stadium in Abilene. CHS Lobo twirler Diatra Hearn was also given a I Superior in the Contest. Twirlers Shelly Rhyne and Stacey Saunders each received a II Excellent rating in the Contest. Wayne White, Band teacher, says he is proud of the students, who have worked very hard to achieve these ratings. This makes five years in a row that Cisco has received a I Rating.

Four Cisco High School

trombone players have been chosen to play with the Texas Tech University Band during half time activities on Nov. 12 in Lubbock. The Texas Tech Band has 400 members, including 76 trombone players. Those Cisco musicians who will play are Curtis Lacy, Junior Stroebel, Robi Speegle and Cheryl Dowdy. The students will also attend an all-day Clinic at Texas Tech.

The Cisco Service Club's Fall Festival will be held from 6:30 - 9 p.m. Saturday, Oct. 29 at the Cisco Elementary School gym. There will be game and food booths, a cake walk and dart game. There will not be a costume contest this year, but everyone is urged to wear a costume to the Festival. Mayor Joe Wheatley has signed a proclamation stating that Halloween Trick or Treating will be celebrated on Saturday night in Cisco. Everyone who has treats for the youngsters is asked to leave porch lights on so the children will know where they are welcome. All adults are asked to drive carefully on Saturday night, and watch for the Trick or Treaters.

The First Christian Church will hold a traditional annual bazaar Friday and Saturday, Nov. 4-5 at 301 W. 8th St. Many beautiful handmade items will be ready for Christmas shopping. There will be baby quilts, decorative pillows, household items and many other things. A bake sale will be held, and breakfast and lunch will be served each day at reasonable prices. Everyone is invited to come shop at the bazaar.

Tuesday, Nov. 1 is the date for the monthly meeting of

the Cisco Writer's Club. The group will meet at 7 p.m. in the Community room at the First National Bank, Conrad Hilton Ave. Manuscripts will be read and discussed, with Program Chairman Julia Worthy in charge. The public is invited.

RANGER

There will be some Halloween Festivities around Ranger, including the annual Band Boosters Halloween Carnival, beginning at 7 p.m. Saturday, Oct. 29 at the Old Gym. There will be fun, games and activities for the whole family, including a Pony Ride in front of the Gym. There will be candy and prizes on the games, and a concession stand available. Mayor David Rogers has proclaimed Saturday night as the time to Trick or Treat, and is asking citizens to turn on porch lights to insure the safety of the children.

Bill Brown was hired for the Water, Sewer and Sanitation Department and other action taken at the Ranger City Commissioners meeting on Oct. 24. The Commissioners discussed and voted to close a portion of Railroad Ave. which runs into Doc Moody's property. The Council went into Executive Session and interviewed two applicants for police patrol, but did not decide on this matter.

Tracey Johnson, daughter of Mr. and Mrs. Will Johnson of Ranger, has been selected as one of the winners of the 1988 NCTE Achievement awards in writing. Being a winner in the National Council of Teachers of English writing contest is worthy of special recognition. The con-

test is on a national level, and Tracy competed with other High School Juniors. Tracey was required to submit two samples of her writing. One of the samples was an original, unpublished work, and the other was an essay or "impromptu theme" written under teacher supervision. She had to finish this in 75 minutes and be submitted in longhand with no revisions. Tracey was presented a special winner's certificate by Charles Koch, High School Principal, on Oct. 21.

The Ranger 4-H Trailblazers will meet Monday, Oct. 31 in the Ag building at 7 p.m. Food Show contestants will discuss their entries with Janet Thomas. The contestants are asked to bring their recipes and menu analysis for Mrs. Thomas to review. The Club will also have a Halloween Party, and each member is asked to bring chips, dips, drinks or cookies. All are urged to attend.

Parkinson Support

Group To Meet Nov. 3

The Big Country Parkinson Support Group will meet Thursday, Nov. 3, at 2 p.m. in Calvary Baptist Church located at North 12th and Minter Lane, Abilene.

November's program will feature a film about exercises specifically designed to benefit Parkinsonians. Meetings are scheduled for the first Thursday of each month and are for Parkinsonians, family members, support personnel and any other interested person.

Each month's meeting includes informative programs, fellowship, entertainment and refreshments. For more information call (915) 673-9244.

Area Writers To Organize Club

A large group of area writers are organizing a writer's club. Writers from Brady, Brownwood, Cisco, Coleman, Cross Plains, Lake Brownwood, May, Rising Star, Santa Anna, Sidney and Stephenville have voiced an interest.

A meeting was held October 11 at Lake Brownwood, at which time it was agreed to organize a mother club and two outreach or satellite clubs.

The mother club chose the name "The Circuit Writers" and will meet the fourth Tuesday of each month from 7 to 9 p.m. at 507 West Commerce at the Pizza Hut in Brownwood.

One satellite or outreach club will meet in Cross Plains. They will meet for the first time November 1 from 7:30 to 9 p.m. at the Cross Plains Public Library on Main Street. They will be choosing a name, electing a chairperson and a secretary and making other business decisions.

The other satellite club will be conducted in Brownwood for those who can't attend evening meetings. It will be held during the day, but other details are pending at this time.

Our sincerest hope is that

anyone interested in writing, on any level, will attend one or more of these meetings.

A Steering Committee has been formed to set up by-laws and guidelines. They will meet for the first time on October 27.

The Circuit Writers have elected officers. Cross Plains, Rising Star and Brownwood are well represented on both these

committees.

We have great expectations for this organization and hope you will come and bring a friend.

For more information and/or if you're interested in a carpool to any of these meetings please call Glenda Wills 817-725-7727 or Linda George 817-643-3011 days or 817-643-2061 evenings.

New Life Tabernacle Announces New Ministry

Rev. Bill Bailey of New Life Tabernacle in Cisco has announced that the church is starting a deaf ministry.

Three ladies from the church have had special training and are now ready to use their talent for the kingdom of God, he said.

They have been practicing in every service to be able to follow all aspects of the ser-

vice. Now everyone is used to seeing sign language in worship, Rev. Bailey reported.

Rev. Bailey would like to invite all those who would benefit from this ministry to visit. Rides will be furnished for those who need one.

Anyone having any questions has been asked to call the church office at 442-1389 or Rev. Bailey at 442-1057.

**Constitution
Amendments**

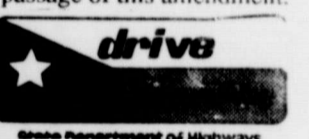

Texas will surely be grateful that this fall's ballot brings only three amendments to the Texas Constitution. However, the fact that the list is short should not be taken as an indication that the amendments are not important.

To the contrary, they are critical.

Amendment One gives to the highway department all money that is received from the federal government as reimbursement for state money spent to acquire rights of way and to construct, maintain and police public highways. It is unclear whether such federal reimbursements absolutely must be used for highways. That doubt should be cleared up, and this amendment serves that purpose.

Amendment Two proposes to establish a "rainy day" fund to prevent or eliminate temporary cash deficiencies in the state's general revenue fund. The money would come from 50 percent of any unused general revenue remaining at the end of a biennial budget period; 75 percent of any amount of revenue from oil or gas production taxes in excess of the amount received in 1987; and interest and investment income credited to the fund. Had this intelligent approach been in effect in the good old days when Texas government regularly ran a billion-dollar surplus, the steep tax hikes of the past few years could have been much lower.

Amendment Three establishes a "growth fund" that would serve as a source for investments, including venture capital investments for business in Texas. The amendment would allow money in the \$6 billion Permanent University Fund and the \$10 billion Permanent School Fund to be used in any prudent investment, including the Texas Growth Fund. Texas' small to medium-sized businesses are starving for capital while the state has billions locked away. A happy marriage of available state capital and investment opportunity can occur with the passage of this amendment.

State Department of Highways

The Next Best Thing -

...to a clear conscience and a good night's sleep is the feeling of security in owning your own home with with a clear title. Peculiar to the real estate field, values are based on land and the improvements thereon, if any. But values on these are based on the title. The title then becomes the most important item to be considered when purchase of real property is contemplated. So be careful to buy good title based on an abstract of title or a policy of title insurance.

Nutrition Program

The catastrophic medicare coverage act for 1988 raises the hospital deductible to \$64, or a \$24 raise, beginning January 1, 1989. There is an added benefit however, and that is you may stay in the hospital for one year, under certain conditions, and there will only be the one deductible per year. Presently you must pay \$540 deductible for each "spell of illness" and co-insurance payments for each covered hospital day past day 60. Do not feel, however, that you may stay the entire year without the diagnostic related group concept becoming effective, thus limiting your duration in the hospital. The new medicare law is very complicated and increases the responsibility on the medicare receiver to understand the act.

The following events happened during the past week at Cisco and Eastland. In Cisco the dinner music was provided by Bob Bevers, Lois Holder, Mildred Johnston, Gerald Parks, the Senior Center Band and Choir. Blood pressure screening was by Mabel Thetford. The Eastland County Health Fair was conducted at the Senior Center. At Eastland the dinner music was conducted by Linda Horn, Ruby Smith and La Rue Broussard.

The menus for the coming week are:

Monday-- Oven fried chicken, mashed potatoes, cream gravy, green beans, apple, raisin and carrot slaw, jello with peaches, bread, butter and milk.

Wednesday-- Barbecue beef sandwich, pinto beans, potato salad, pineapple up-sidenedown cake, milk.

Friday-- Fish, tartar sauce, potato rounds, pineapple, carrot coleslaw, peach halves with topping, peanut butter cookie, bread, butter and milk.

Eastland Music Club Begins Season

Eastland Music Study Club members were treated to the first study of the season at a meeting in the Women's Clubhouse on Oct. 19.

Marjorie Young gave a review of several chapters from a book called "The World of Musical Comedy" by Stanley Green. This was a continuation of last year's theme dealing with American composers from various eras.

The musical commentary for this program began with compositions from around 1960. Some of the composers featured were Leonard Bernstein, Jules Stern, Betty Compton, Frank Loesser, Meredith Wilson, Richard Adler, Jerry Ross and Bob Merrill.

Mrs. Young illustrated her discussion with recordings - many of them contemporary songs. There were numbers from "West Side Story," "Funny Girl," "The Music

Man," and others. These pieces were first sung in Broadway musicals or stage plays, and have since become a familiar part of American life. Mrs. Young told of the background of the composers, and the struggles of some of them.

During the meeting Music Club President Joyce Hewett reviewed the Club yearbook for the new year. There will be two more programs devoted to "The World of Musical Comedy," and a number of other programs and concerts. Special events scheduled for November are a Business Luncheon at The Crossin' on Nov. 2, a Patron's Guitar Concert on Nov. 13, and a program and film at the Eastland High School Band Hall on Nov. 16.

4-H NEWS

By Crystal Wilbanks, County Agent

This week welcomes a new month and lots of 4-H activities will be taking place during November. All 4-H'ers are urged to attend and be a part of the upcoming activities.

JR. LEADER ASSOCIATION NEWS:

The November 4-H Junior Leader Association will be Sunday afternoon, November 13th, at 2 p.m. in the TU Electric Reddy Room.

A 1989 Leadership Team and 1989 Recreation Team members will be announced.

A video on Method Demonstrations will be shown and plans for demonstration discussed.

4-H SOCK HOP

The 4-H Jr. Leader Association will be sponsoring a "Sock Hop" on Saturday, November 19th, from 8:00 to midnight at the Lost in the Fifties restaurant, Eastland.

All Senior High School and Junior High School youth are invited. Admission is \$5 per couple or \$3 for singles.

Proceeds will go to the Jr. Leader Association.

4-H FOOD SHOW

DEADLINE:

All entries for the County 4-H Foods Show are DUE MONDAY, NOVEMBER 7TH, at the Extension Service Office. 4-H'ers should submit their recipe, day's menu analysis, and 4-H project record form.

4-H FOOD SHOW COMMITTEE MEETS:

The 4-H Food Show committee will meet MONDAY, OCTOBER 31st, at 4:00 p.m. in the Extension Service Office. Committee members are: P.J. Kca, Natalie Stevens, Christy Arther, Amy Logan, Cathi Thomas, Diane and Barbie Butler, Jennifer Jarrell, Mrs. Sharon Arther, Mrs. Kathy Stevens, and Jeremy Keith.

Plans will be made for hosting the 4-H Food Show on Saturday, November 12, at Siebert Elementary Cafeteria in Eastland.

4-H PARENT/ADULT LEADER ASSOCIATION NEWS:

The bi-monthly meeting will be TUESDAY, NOVEMBER 15th, from 7-8 p.m. in the Eastland National Bank Community Room.

All 4-H Parents are urged to attend.

Breckenridge Fine Arts Center Schedules Oil Painting Workshop

The Breckenridge Fine Arts Center is pleased to announce it has scheduled an Oil Painting Workshop with noted teacher William (Bill) Earle on November 11-18 from 8 a.m. to 4 p.m. daily. Cost of the workshop is \$160 per person. Individuals may audit the classes for \$16 per day.

Mr. Earle is a highly sought after teacher and his classes fill quickly. For more information or to register, please call the Breckenridge Fine Arts Center at 559-6602.

A graduate of St. Luke's School in New Canaan, Conn., Mr. Earle has studied at the Arts Students League in New York City, and the Beaux Arts and Le Grande Chaumier in Paris. He has taught with the U.S. State Dept. in South American, Avon Old Farms School, Walden School, Buckley School, Greenvale School, Art Career School, and the New Canaan Country School. He has been a member of the Salamagundi Club and the National Arts Club and presently holds membership in Artists and Craftsmen of Dallas, The American Artists Professional League, the Coppini Academy, and the American Watercolor Society.

E.H. Leaders

To Meet Nov. 1

The E.H. Program Leader training "How to Communicate with Your Doctor" will be presented to club program leaders on Tuesday, November 1, at 10 a.m. in the TU Electric Reddy Room, Eastland.

Wrangler Belles To Sponsor High School Drill Competition

Cisco Junior College Wrangler Belles will be sponsoring the 6th Annual High

School Drill Team competition at the college Saturday, November 5th. Teams from all around the big country will be competing for ratings and sweepstakes trophies. Competition includes team routines, officer lines and soloist performances. The event is open to the public with a general admission of \$1.00.

In addition to the competition the "Top Ten High Kickers" are selected prior to the announcement of awards. The day of events begins at 10:00 a.m. with final awards presented at approximately 4:00 p.m. Entries have been received from Bangs, Dublin, Evant, Abilene Cooper, Hico, Knox City, Lometa, Merkel, Millsap, May, Mineral Wells, Stephenville and Weatherford.

Eastland Senior Citizens Bazaar To Be Nov. 3-4

The annual Eastland Senior Citizens Bazaar will be Thursday and Friday, November 3 and 4, at the Rebekah Lodge.

All persons 55+ are invited to come and sale your handmade articles. All proceeds go to the owners. Booth space is free.

The Extension Homemaker which will feature stew/cornbread for \$1.75 and beans/cornbread for \$1.00. Lots of homemade baked goodies will be sold for reasonable prices.

Pharmacy Topics

By Bob Mueller

Smokeless tobacco has been linked with cancer and gum disease (plus cavities, where tobacco is flavored). Free booklet on smokeless tobacco is available from the American Dental Association, 211 East Chicago Ave., Chicago IL 60611. Send a stamped, self-address envelope.

New patent was awarded for a device that monitors the fever of a sleeping child without awakening it. Sensors sewn into pajamas under the arm can be wired to a digital readout.

Colchicine, a drug that's been used for many years to treat gout, is now being tested against cirrhosis of the liver. Study at the National Institute of Nutrition in Mexico City indicates the colchicine seems to slow the course of damage to the liver.

Screening test for tooth decay measures levels of cavity-causing bacteria in saliva, and helps spot youngsters who may need extra dental care. Test is being investigated at the University of North Carolina.

Dental hygiene starts at home - and you'll find everything you need, from toothbrush and floss to the latest dental irrigators, at Wal-Mart Pharmacy, Hwy. 80 East, Eastland, 629-3347.

Obituaries

A.W. Harris Jr.

CISCO—Funeral services for A. W. Harris, Jr., 64, were held at 2 p.m. Friday, October 28, 1988, at the I-20 Church of Christ with W.K. Boyce officiating, assisted by Jim Hatcher. Burial was in Oakwood Cemetery, directed by Kimbrough Funeral Home.

Mr. Harris died Wednesday, October 26, 1988, at Hendrick Medical Center in Abilene.

Born July 26, 1924, in Breckenridge, he attended Breckenridge schools and worked for King Appliance and Community Public Service there before going into the dairy business and farming in 1956. He was a longtime Cisco resident.

A dairy farmer, he was a veteran of World War II, serving with the U.S. Army in Germany and with the U.S. Coast Guard in Pensacola, Fla. He was a member of the I-20 Church of Christ.

Survivors include his wife, Liz Procter Harris of Cisco; a son and daughter-in-law, Royce and Dianne Harris of Cisco; a daughter and son-in-law, Jackie Mae and James Reese of Goldthwaite; a brother, Roy Don Harris of Dallas; two sisters, Mrs. H.C. Simms of Weatherford and Mrs. Gail Lamb of Artesia, N.M.; and four grandchildren, Robert Allen Harris and Deborah Harris Smith of Cisco, Britt Reese of Odessa, and Tammy Reese of Abilene.

Mary E. Phillips

GORMAN—Mary E. Phillips, 89, died Saturday in San

Francisco, Calif.

Graveside services were held at 10 a.m. Thursday at Murray Cemetery near Carbon with Ron Carroll officiating, directed by Higginbotham Funeral Home.

Born in New Hope community, she was a Baptist and a homemaker.

Survivors include a son, Jessie Z. Phillips Jr. of Castro Valley, Calif.; three grandchildren; and great grandchildren.

Mary E. Casey

EASTLAND—Mary E. Casey, 72, died Wednesday at a Fort Worth hospital.

Services were at 2 p.m. Saturday at Bakker Funeral Home Chapel with the Rev. Dwayne Clower officiating. Burial was in Merriman Cemetery near Ranger.

Born in Red River County, she was a longtime resident of Fort Worth. She grew up in Eastland County. She was employed by Williamson-Dickies for more than 30 years, retiring in 1980. She was a member of First Baptist Church of White Settlement.

Survivors include her husband, W.E. Casey of Fort Worth; a son, Danny Casey of Haltom City; four brothers, J.D. Griffin Jr. of Carbon, Houston Griffin of Andrews, Jimmy Griffin of Cresson and John A. Griffin of Cleburne; six sisters, Josephine Casey of Fort Worth, Waldine Stephenson of Carbon, Juldine Singleton of Azle, Juline Perkins of Mullin, Florence Emmert of Tahmina, Okla., and Allene Warden of Lubbock and several nieces and nephews.

Annie E. Bryan

RANGER—Annie E. Bryan, 91, died Tuesday at a local nursing home.

Services were at 10:00 a.m. Thursday at Edwards Funeral Home Chapel in Ranger with the Rev. James Upshaw officiating. Burial was in the Eastland Cemetery.

Born in Belle Plaine, she moved from New Mexico to Eastland in 1964 and to Ranger in 1984.

She and her late husband, Thomas Bryan, operated a laundry in Silver City, N.M. She was a member of the First Christian Church in Eastland for many years.

Survivors include a sister, Bess (Mrs. R.C.) Wilson of Ranger; and a number of nieces and nephews.

Connie Austin Yarbrough

RANGER—Connie Austin Yarbrough, 86, died Tuesday at a Bedford hospital.

Services were at 2 p.m. Thursday at Edwards Funeral Home Chapel with the Rev. Douglas Diehl officiating, assisted by Rev. James Upshaw. Burial was in Merriman Cemetery near Ranger.

Born in Fairy, he moved to Euless in 1967 from Arlington. He attended the Long Point schools in Hamilton County. He was a pipeline contractor for Prairie Pipeline, laying many miles of pipeline in the Desdemona and Ranger area, which is still in use today. He was an area sales representative for Tiffany Division of Alcoa Chemical Company. Later, he was affiliated with the *Ranger Times* as circulation manager. He was widely known as a breeder and trainer of Walker Hounds. He also managed the Ranger Community Swimming Pool for several summers.

Survivors include his wife, Georgia Yarbrough of Euless; three sons, James A. Yarbrough of Fort Worth, Raymond A. Yarbrough of Mansfield and Leroy Yarbrough of Evant; a daughter, Juanita (Mrs. Bob) Williams of Ranger; 14 grandchildren; and 14 great-grandchildren.

Emergency Response System-- There Is No Place Like Home

The West Central Texas Council of Governments, Area Agency on Aging, offers an emergency response system that allows local residents to signal for 24 hour emergency assistance from their homes simple by pressing a button.

With ERS, senior citizens can continue to live at home and know that help can be obtained by simply pushing a button that is worn on a chain around the neck. When the button is pushed a signal is sent to Hendrick Medical Center where a staff of highly trained personnel will identify the emergency and send help to them fast.

Persons 60 years of age

and older can apply for this service and other services offered by West Central Texas Council of Governments Area Agency on Aging.

These services include congregate and home delivered meals, transportation, telephone reassurance, information and referral, senior employment, health screening, and Ombudsman activities for nursing home clients.

For information on any aging service program sponsored by the Area Agency on Aging, contact WCTCOG, P.O. Box 3195, Abilene, Texas 79604 or telephone 915-672-8544 (collect calls accepted).

CJC Drama Department Needs Help To Find Props

The Cisco Junior College Drama Department needs help finding props. The props are needed to complete the set of this year's season opener, "The Odd Couple."

In this female version of Neil Simon's well known play, "The Odd Couple," Olive Madison is a sloppy, sports fanatic.

Sports equipment, trivia,

and souvenirs are needed to add the finishing touches to the set. Props needed include trophies, jackets, hats, posters, etc. from the major league sports teams.

Any donations will be greatly appreciated and all items will be returned immediately after the production.

Call C. Brown at 442-2567 if you can be of assistance.

Poem

SEEK AND YE SHALL FIND

In the shadows of my mind
The picture seem so clear
I dream of peace and happiness
And my Lord's love so near

As we travel down life's
Highways
The sorrow and trouble we find
The Lord's guidance is with us
And in Him we find peace of mind.

So listen closely my brother
If you seek you shall find
A house that's built on solid ground
Will last through out all time.

So see ye first the Kingdom of God
And all these things will be added to you.

He's waiting with both arms open wide
With Him you can start life a new.

BREAST CANCER DETECTION UNIT
available to area women!

Monday, November 7, 1988
Eastland Memorial Hospital
Eastland, Texas
Call 629-2601 for appointment

According to the American Cancer Society, one out of ten women will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as a result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate. (The cost is only \$100.)

A mammogram can detect a cancer this small, even before it can be felt.

Century III Scholarship

Recently two students from Cisco High School competed for a chance to enter the Century III Scholarship. Celia Walters and Lori Ann Speegle both took a current events test Friday to qualify them. Lori Ann Speegle was named the winner and will advance to the next round of the competition.

By: Lori Ann Speegle

Cross Country

The Cross Country girls team won first place in the district meet which was held in Hamilton.

Jana Yowell placed first with a time of 12:53; Ginny Pope 2nd, Marlana Trice 5th, Stephanie Carlile 8th, Dee Wages 10th, Rachel Valek 16th, and Shelly Rhyne 25th.

Overall, Cisco placed first; Goldthwaite, 2nd; De Leon, 3rd; Hamilton, 4th. The girls will be heading to Arlington on November 5 for the regional meet. As for the boys team, Steve Summers placed 7th. We wish the girls the best of luck next week.

A Certain King

A great King for He did die, for on a Cross He was crucified.

He wore a crown of thorns, Nails were thrust through His feet, and His tender pains.

Again He was born. His heart has been torn For most people did not believe in Him.

A Great, High, Powerful, ALL-MIGHTY KING!

Cisco JV Loboos Defeat Dublin 36-10-0

The Cisco High School Junior Varsity football team defeated the Dublin JV team 36-10-0, in a game played here Thursday night. Coach Steve Gunter said the Loboos did some good playing and it was a good game. Gunter said everyone was able to play in this game and it was good experience for everyone.

This brings the season record to 4-1 for the JV Loboos. They will travel to Jim Ned next week for their final game. Gunter said the Loboos should do pretty good on that game too. He is looking forward to the game.

In the Dublin game he said outstanding defense players were Manuel Ayala, Brad Gonsen, Brack Dempsey, Don Daddie and Phillip Gaettis.

Scoring for the game were:

Quarterback Frank Powell threw a 72-yard pass to Joe Campbell for their first touchdown. Powell threw a pass to Ryan Duncan for the extra two points.

Joe Campbell ran a 31-yard interception for a touchdown. Ryan Duncan ran in for the extra two points.

Darryl Morrison ran 20-yards for a touchdown. The PAT was missed.

Quarterback Frank Powell threw a 35-yard pass to Joe Campbell for a touchdown. Powell ran in for the extra points.

Joe Campbell ran 97 yards on a interception for a touchdown. The PAT was missed.

KODY WALLACE

1988 Cheerleader Beau

The 1988 Cheerleader Beau was named last Friday at the high school Pep Rally. Kody Wallace was given the honor of becoming this year's Cheerleader Beau. Kody wears the No. 40 jersey and plays the position of wide receiver. He has done an excellent job this year for the Loboos, and we are all very proud of him.

Meet The Loboos

DUSTY SCHAEFER

This week we would like to introduce you to two more fabulous Loboos.

Meet Lobo No. 71, Dusty Schaefer. Standing an enormous 6'8", he weighs in at 230 pounds. Dusty plays left defensive tackle for the Loboos. Delbert and Joyce Schaefer are the parents of this exceptional Junior. Dusty says, "We have worked really hard in practice, and we appreciate the support of the fans."

No. 66, Ken Drozeski, is a 155 pound center. The proud parents of this exceptional player are Jim and Dorothy Jackson. Ken stated, "This has been a really exciting

year, and I'm looking forward to beating Dublin."

We would like to express a special thank you to each of the Lobo players for helping to make our column a success.

Safety Committee Plans Activities

The Student Council's Safety Committee will be attempting to promote public awareness of safety precautions.

Lori Ann Speegle, committee chairperson, commented that in the future they will be helping with a driver's license check, they will monitor a fire drill at CHS to determine how to better our evacuation speed and skills, and the committee has sent information on Fire Prevention to the Elementary Students.

This division of the Student Council will be sponsoring periodic projects such as these throughout the school year to promote safety awareness.

Members of the Safety Committee are: Lori Ann

Speegle, Kim Rhodes, Deanna Parrigan, Teresa Gaeta, Julie Weathers, Aki Kleiner, and Jana Yowell.
