Sunday, November 6, 1988

USPS No. 113780

AT HALFTIME ACTIVITIES of Parents Day and Homecoming at Cisco Junior College, Kelly Scott of Huntsville was crowned Homecoming Queen for 1988. Miss Scott is the daughter of Mr. and Mrs. Malcolm Gibson and Mr. and Mrs. Grady Scott.

Kelly is a sophomore senator, member of the Blue Jackets, Secretary of Phi Theta Kappa, on the Dean's List, Secretary of the Band, and member of the Stage Band.

Prior to the kickoff at the 3 p.m. football game between CJC and Navarro, plaques were presented to Susie Vaughn Scott from California, ex-student who traveled the greatest distance; and to Mr. and Mrs. Timothy Smith of Miami, Florida, parents who traveled the longest distance.

VONDA URBAN

Vonda Urban New CHS Teacher

A new teacher to Cisco High School Staff that I would like to interview is Mrs. Vonda Urban, wife of Rev. Otto Urban, of the Redeemer Lutheran Church in Cisco.

Vonda Lee Green (Urban) was born in Jackson, Michigan, in 1937 to Mr. and Mrs. Kenneth Green. Her father owned and operated a Lennox Air Conditioning and Heating business and her mother, Vera, was the first woman ever elected to Brooklin, Michigan City Council. While attending high school Vonda was a cheerleader, band member, member of student council, class officer and was salutatorian of her graduating class. After graduation in 1955 from Brooklin High she then attended Michigan State on an academic scholarship. While attending Michigan State she met and married Otto Urban in 1957, who was from Houston, Texas and attending MSU.

The couple moved to California where Rev. Urban had his first pastorate. After several moves with the church, the couple moved to Concordia, Missouri, where Otto taught in the city's junior college and Vonda resumed her college studies. She then attended Missouri State University and between having six children, being a pastor's wife and maintaining a home, received her

Bachelor of Science Degree in 1976.

The Urban children are: Le Ann, 31, a nurse in Galveston; Lynette, 30, resource teacher in Tomball, Texas; Douglas, 28, fifth grade teacher in William-bury, Iowa; Delisa, 27, accountant in Billings, Montana; Natalie, 22, is a senior at North Texas State University studying speech pathology; and Nathan, 20, is a junior at Baylor and is studying music education.

Mrs. Urban taught Home Economics in the high school at Colstrip, Montana, for seven years. September 12, she was employed by the Cisco Board of Trustees to teach in the resource education department at the high school because of the growing number of students in their program. Prior to this she worked as a child protection worker in Eastland County.

She hopes to equip the students with the adequate skills to be successful in life. She also feels that it is important to tell students why they should learn so they will see the need to learn better.

In all the years I have been associated with school business I've never seen such an excited person about teaching our children. It takes dedication and their positive attitude toward our youth to make this nation's future citizens successful.

Jack Martin

Polls Open 7 To 7 In Voting Precincts On November 8

The culmination of months (years?) of campaigning will come Tuesday when '88 General Election ballots are picked up by voters in the nine voting precincts in Calahan County — and across the nation.

The polls will be open from 7 a.m. to 7 p.m. at nine voting sites in the County.

Absentee balloting has been heavy at the County Clerk's office and ended Friday at 5 p.m.

Qualified voters will be making decisions that will affect them for years to come.

At the top, of course are the choices of Republicans George Bush and Dan Quayle for President, Vice President, or Democrats Michael S. Dukakis and Lloyd Bentsen for President and Vice President.

(And no, these combinations cannot be split up.)

Moving down the extra big ballot, voters will find U.S. Senator Lloyd Bentsen challenged for that spot by Republican Beau Boulter. Sen. Bentsen, as all know, is running both for Vice President and his Senate Seat.

For State Railroad Commission, Jim Nugent (Democrat) is opposed by Republican Ed Emmett, and Incumbent Republican Kent R. Hance is challenged by Democrat Clint Hackney.

The hotly contested State Supreme Court races find Tom Phillips, Paul Murphy, Nathan Hecht, Charles Ben Howell, Barbara G. Culver and Eugene A. Cook (all Republicans) opposed by Ted Robertson, Lloyd Doggett, Bill Kilgarlin, Raul A. Gonzalez, Jack Hightower and Karl Bayer, all Democrats.

For presiding judge, Court of Criminal Appeals, Incum-

bent Mike McCormick (Democrat) is opposed by Republican David A. Berchmann; and Democrat Charles Campbell is opposed by a Republican, but Democrat Chuck Miller is opposed by Republican Tim Rickhoff for another seat on that court.

Democrat Bill Hudson is opposed by Republican Donald Dorsett for the District 14 seat on the State School Board.

Incumbent Democratic State Senator Bob Glasgow is opposed by Republican Jesse Coffey.

State Rep. Jim Parker is unopposed as are 11th Appeals Court Chief Justice Austin McCloud and Justice Bud Arnot. The 91st District Court Judge Jim Wright is unopposed as are County Sheriff Nominee Dee Hogan, and Incumbent County Tax Collector-Nancy Trout.

Vote Tuesday

Polling Locations And Judges Are Announced

There are nine voting precincts, each with its own polling location, in Eastland County as well as the absentee voting at the County Clerk's office in the Courthouse.

Lil Martinez is the judge for the absentee ballot board.

The precincts, polling locations, judges and alternates are:

Precinct 1, Eastland - Courthouse, Mrs. Bernard Campbell and Pam White.

Precinct 2, Olden - Community Center, Margaret Kennedy and Dr. Dick Hodges.

Precinct 3, Ranger - Community Club House, Bill

Walton and Margaret Ramsey.

Precinct 4, Desdemona - Community Center (old school), L.E. Clark and Bobbie McKillip.

Precinct 5, Gorman - Fire Hall, Mozelle Rhymes and Francis Simpson.

Precinct 6, Carbon - School Building, Hope McGaha and Mrs. M.M. Stubblefield.

Precinct 7, Rising Star - City Hall, C.M. Carroll and Faye Medley.

Precinct 8, Cisco - College Hotel Annex, Dorothy Thomas and Donald Gorr.

Precinct 9, Lake Leon - Morris Newnham home, Mrs. Morris Newnham and Mrs. Howard Hill.

BY VOTING PRECINCTS

Eastland Voting Box: Incumbent County Commissioner Richard Robinson is unopposed, as is Constable Nominee W.T. Bill Harris.

Olden, Ranger, Desdemona and Lake Leon: Incumbent County Commissioner L.T. Owen is unopposed and is Constable Gene Hicks.

Gorman and Carbon: Commissioner L.T. Owen and Dewey D. Keesee are unopposed.

Rising Star: Commissioner L.T. Owen and Constable Gene Hicks are unopposed.

Cisco: Constable Ted Parrish is unopposed.

Incumbent County Tax Collector-Wauneta Estes is unopposed as is Brad Harris for County Attorney.

And there are three proposed Constitutional Amendments on the ballots for which voters will mark either a "for" or "against" decision.

NEW SPEED LIMIT-- City employees Jerry Boles and Darrell Price are shown in the above photo installing 15 miles per hour signs around the Cisco Elementary School. With the signs installed, the new speed limit is now in effect.

Large Turnout For Absentee Voting Reported

Nine hundred and fifty people had voted absentee by 10:30 a.m. Thursday, County Clerk JoAnn Johnson reported. So the absentee vote for this election will probably be a record, which probably indicates strong local interest in the election.

Plans Underway For Annual Treasure Hunt

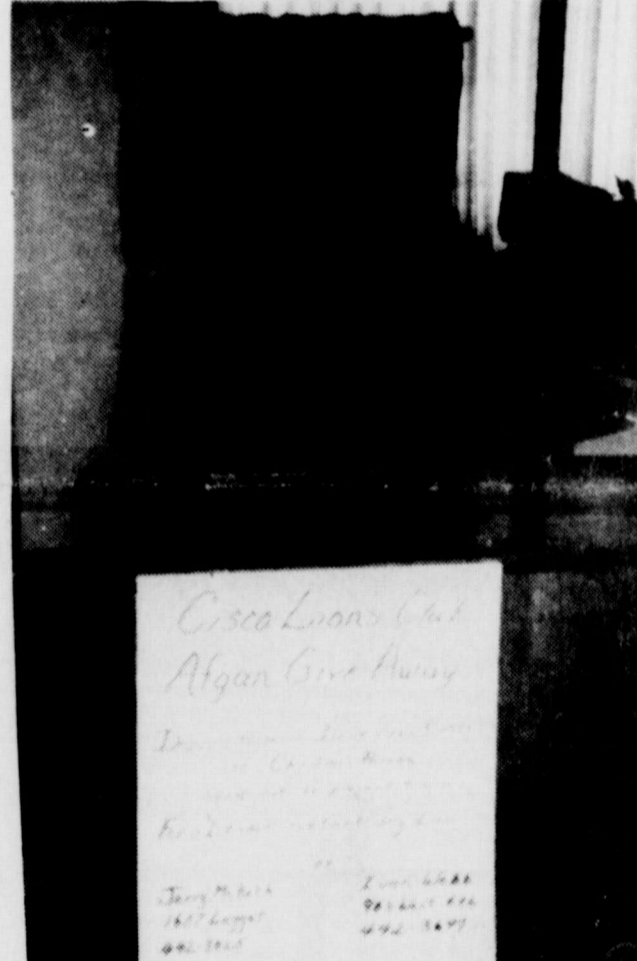

Plans are being made by the Cisco Chamber of Commerce for the annual Cisco Treasure Hunt which will be held Saturday, Dec. 3, immediately following the Christmas Parade. The parade is set to begin at 10 a.m.

The Treasure Hunt is held each year as the official start of the Christmas shopping season in Cisco. Participating merchants in Cisco offer a free prize to the person who has the winning ticket. Winning numbers will be displayed in the store or in a window of participating merchants.

Tickets will be given at the Chamber; one for each member of the family. Tickets will be available Nov. 28 through Dec. 2.

Don Shepard, manager of the Chamber of Commerce, has reminded all local businesses to have gifts in mind when the chamber contacts them. It was hoped that the list can be started in The Cisco Press on Nov. 10.

Wedding Invitations & other formal available at The Cisco Press

Lions Club Is Accepting Donations For Afghan

The Cisco Lions Club is accepting donations of \$1.00, and a drawing will be held at the Christmas Parade, December 3, for a beautiful black and gold Spirit Afghan. All donations received by the Cisco Club will be given to the Texas Lions Camp for Crippled Children in Kerrville.

Donations have been coming in pretty good, according to Lions Club president, John McGuire. He said the donations will give a chance for more children to attend the camp in Kerrville. The Lions Club are well known in this area for helping children to

attend this camp. They also help people to have glasses with their eyeglasses bank.

The afghan is on display in the lobby of the Cisco First National Bank. There is a box by the afghan to fill out a donation card and drop it in. The Spirit Afghan was crocheted by Cisco Lions Club secretary, Jerry McBeth. Mr. McBeth said it took about 45 hours to crochet the afghan.

Donations can be given to any Lions Club member. Or they can be given to Ivan Webb at his office, 902 West 6th, or to Jerry McBeth at his home, 1607 Liggett.

Cisco Goodfellows To Begin Work

By Wanda Hallmark

"If everyone could see the look of wonder on a child's face when they are able to pick out toys for Christmas, then everyone would donate as much as they could to the Cisco Goodfellows again this year," according to a member of the Goodfellow board of directors at a meeting held Thursday night at the Chamber of Commerce office building.

The member added that it is such a joy when parents are able to pick out toys for their children, who would have otherwise gone without toys if not for donations made to the Cisco Goodfellows.

The member added that helping the Goodfellows can be sad at times when you see the troubles some families are having to face, but it is also a happy time, when these families thank you, some with tears in their eyes, for helping them at a time when it is most needed. But they could not be helped without your donations made to the Cisco Goodfellows.

Stanley Pirtle, last year's president of the Cisco Goodfellows, gave the first donation of the year Thursday night, when he gave the fund a \$100.00 check.

Christmas is not that far away and the Cisco Goodfellows will be working hard to feed the needy families in Cisco and provide toys for their small children.

But, they won't be able to do it, if they don't receive the donations.

The Cisco Goodfellows are expecting a larger number of applicants this year due to the economic problems in this area, but they are also expecting the people who can afford to donate, to do so again this year and to give enough to take care of these people. Cisco has always been a caring town and when there is a need, the people of Cisco have always been there to help.

Applications to the Cisco Goodfellows will be accepted beginning Monday, November 7. Families who are requesting help this year with food, or food and toys for Christmas, can pick up an application at the Cisco Chamber of Commerce of-

Schools To Dismiss Early Tuesday

Cisco schools will dismiss classes and busses will run early Tuesday, Nov. 8, according to an announcement. Kindergarten and first grade will dismiss at 1:50 p.m.; second and third at 2 p.m.; and 4th, 5th and 6th at 2:15 p.m.

Junior high and high school will dismiss classes at 2:30 p.m.

YARD OF THE WEEK-- The Cisco Garden Club has chosen the yard of Revis and Virgie Gregg of 400 West 10th, as the Yard of the

Week. The Cisco Garden Club will have a picture in The Cisco Press each week as their choice of Yard of the Week. (Staff Photo)

John Muller Discusses Three Propositions On Election Ballot

John Muller, instructor at Cisco Junior College, talked about the three propositions to be voted on Tuesday, to the Cisco Rotary Club during their regular meeting held Thursday at White Elephant Restaurant.

Muller said Texas has added more amendments to their state constitution than any other state in the nation. He said 304 amendments have been added to the state constitution since 1876. He said voters approve 66% of proposed amendments.

The three propositions facing Texans Tuesday are called the Good Roads, Rainy Day and Growth Fund propositions.

On the first proposed constitution amendment, to vote for the proposition will be to keep the funds reimbursed that was spent for highway construction, maintaining and policing, kept for the use of public roadways work. He said the opposition say if the proposition is voted down then the funds can be used any way the state chooses and the highway maintenance quality will go down.

On proposed constitution two, the Rainy Day proposition, to vote for it is to establish an economic stabilization fund in the state treasury to be used to offset unforeseen shortfalls in revenue. He said opposition

to the proposition is that the legislature only meets every two years for 140 days and in those years. When the money is tied up in a savings account and can't be used as needed. He said 50% of any surplus money will go into the fund and 75% of any excess of oil and gas production will go into it.

For proposed constitution three, it will provide for the investment of the permanent university fund, the permanent school fund and public retirement systems in the Texas growth fund created by the amendment which will directly create, retain and expand job opportunity and economic growth in Texas. He said opposition says that 1% of the balance of these funds will be taken from these funds and these school funds are the backbone of the public schools and universities. The state could become involved with banking and private business should stay private and not become socialist. The 1% will be paid back in a business point mind.

Billy Reynolds was in charge of the program and introduced Mr. Muller.

New officers for the 1989-90 year will be Burl Chambers, president, Ken Diehm, vice president, Bill Reynolds, secretary and James Cotton, treasurer. New board directors are Bill Philpott,

Stewart Cleveland, Mike Moore and Roger Schustereit.

Visiting Rotarians were Bob Maniss of Abilene and Larry Vernon of Eastland. Ken Diehm gave the invocation. Attendance was put at 95% for last week. Otto Urban will be in charge for next week's program and Roger Schustereit in charge of the next week.

Industrial Arts Club To Sponsor Party

The First Industrial Arts Club will sponsor a 42 party Thursday, Nov. 10, at 1 p.m. It will be held in the Community Room of First National Bank.

The cost will be \$2 per person. There will be door prizes given as well as some homemade food items for sale. Please call Helen Houshelle at 442-1590 or Faye Gardenhire at 442-1125 for advance reservation.

Gun Club Cancels Meetings

Due to the hunting season, the Cisco Gun Club's November and December general meetings have been cancelled.

The next general meeting will be in January, 1989. There will be more details about the meeting published at a later date.

Many residents and staff at Canterbury Villa Nursing Home came dressed in their special Halloween costumes and mask on October 31. There were witches, dolls, hobos, draculas, gypsies, and others just wore black and gold. (Staff Photo)

A party was held in the Canterbury Villa Nursing Home dining room at 2:30 p.m., Monday, October 31, hosted by members of the volunteer council. The residents were served orange punch and cake. It was a nice day. Hope everyone had a safe Halloween. (Staff Photo)

Answers To PTO Questions

(Editor's Note: The following article was submitted by Sherry Wright, President of the Cisco PTO.)

Q. Why are the room mothers no longer on the executive board?

A. The 1987-88 membership of PTO voted to decrease the size of the executive board to make it more productive. There are working mothers who could not volunteer for room mother because of the monthly meetings. This seemed unfair especially since the executive board made all the decisions including how the funds of the organization were spent. Now, as in other organizations, the executive board votes on the functions of the organization but the general membership decides on how the funds are spent. This was explained at the Oct. 18 meeting and the membership was asked for any ideas they had for how the funds should be spent to be given to a board member to present to the general membership. Also the executive meetings are open to anyone who would like to come.

Q. How are room mothers chosen?

A. In some previous years the president and officers chose the room mothers. This year we asked the teachers to draw names and

put them in order as they were drawn. If one mother was chosen for more than one room we went to the next name on the list.

Q. How was the Fund Raiser decided on?

A. As in the past the executive board listened to suggestions and were sensitive to the complaints that 60 percent of the profit left town with professional fund raisers. Also we polled the teachers for their advice. As past ways and means chairman, Sarah Houshelle suggested we try something new. Many people had given their opinion to Sarah after the last two years and we tried to incorporate some of these ideas in our fund raiser this year. Many people felt a dinner would be a success.

As a board we want to do what is right but we can't please everyone. If there are any other questions please feel free to ask us. The executive board meets the first Monday of the month at 3:45 p.m. and everyone is welcome. We all want what is best for our children.

Sherry Wright

Chambers Family Serving Your Family

Second Generation Funeral Directors

CLIFFORD BURAL

WHAT IS INVOLVED IN A FUNERAL COST?

There are generally four funeral expenses which can be incurred: 1) professional service of a funeral director and his funeral home, including facilities, staff-time, equipment and casket; 2) the cemetery plot and opening of the grave; 3) monument or grave marker; and 4) miscellaneous expense such as flowers, obituaries and extra cars.

Some of these expenditures are optional. Most of them have a fairly wide range of costs, depending on the family's wishes. You will not find any undue influence exerted for exorbitant funeral costs by funeral directors in this service area. We - and most funeral directors we know - prefer that the funeral expenses be appropriate for each family served. We spend much time with each family to make sure that all arrangements and decisions will best serve their own interests.

We'd be glad to discuss this in complete detail, showing you the ranges in pricing available to you.

News Briefs

RISING STAR

This weekend the Rising Star Wildcats take on the Cross Plains Buffaloes for the District 16-A Championship. Both teams are 4-0 in District play, and this showdown will determine the District champs. The Wildcats have been District Runner-up the last two seasons, and are determined to come away from this game as victors. Cross Plains is equally determined, since it's been 32 years since they have made the play-offs. Cross Plains dropped down from 2A last year, and has an advantage in numbers and size. They have 45 players and R.S. 22. But Rising Star will be playing at home - and they haven't lost a home game this year. This should be a hard-fought match.

CISCO

Oscar Lopez, formerly of Cisco, has been named as Program Supervisor at the Texas Lions Camp for Crippled Children in Kerrville. Oscar comes to the Camp in a full-time capacity after spending nine summers working there in various leadership positions. As program supervisor, Oscar will be responsible for conducting and planning a summer camping program that serves over 1,000 orthopedically handicapped, blind, deaf and diabetic children. Oscar has resided in Austin for the last nine years, having received his Degree from the University of Texas and then teaching English/Journalism at Murchison Middle School. He won a number of excellence awards in his teaching program at the school.

The Hilton Community Center is sponsoring a "Christmas Market at the Hilton" on Nov. 19-20. This event is intended to give persons an opportunity to have a local market at a reasonable fee. Each booth will be \$15, and the exhibitor is expected to provide his own table and display equipment. Setup will begin on Friday, Nov. 18 at 5 p.m. The Market will be open 9 a.m. - 9 p.m. Saturday, and from 1-5 p.m. on Sunday. There should be some beautiful handcrafts and other items out at this Market - a good place to find that special Christmas gift.

The Cisco Goodfellows are making plans for this year's Christmas dinners and children's gifts. The Board says they are expecting a larger number of applications to be turned in than last year, and are accepting donations to help with this project. Checks can be made payable to Cisco Goodfellows and sent to First National Bank, 418 Conrad Hilton, Cisco, Texas 76437.

Once again the Civic League is asking local merchants to decorate their buildings and windows for the Holidays. "We feel it is such a boost to the Christmas spirit and our Christmas at the Hilton that we urge all merchants to one again decorate." Merchants are also asked to outline their buildings in lights. These will be burned on Thanksgiving weekend and be lighted each night through Christmas.

RANGER

The Band Booster Carnival on Halloween was a huge success, and the Band Boosters would like to thank the following people who helped: Ranger volunteer Fire Department, for stringing the lights across the street, the Chamber of Commerce for use of the lights, Joe bond for the tractor, Luther Fambro for the wagon, Buzzy Rutledge for the hay, J.R. McCormick for

the horse trailer, and Alan Thomas, for driving the hay ride. Also to the Ranger Police Department, for giving up their free time to patrol the carnival area and the streets of Ranger, Dr. Pepper, for the canisters and bottles of drinks, Hale Dunson, for coming to rescue on the tickets, and to band students and their parents who worked or brought food items to the Carnival.

The Citizens for Good Government will meet on Monday, Nov. 21 at 7 p.m. at the Community Clubhouse. One item to be discussed will be Christmas activities in this area and for the shut-ins. Everyone is invited to attend the meeting.

This week the students of Ranger High School were among two million students and parents taking part in a mock Presidential Election sponsored by Time magazine. The senior government class sponsored the local survey of RHS students and their parents to see who they choose for President, Vice President, U.S. Representative, U.S. Senator, and whether they favored or opposed a number of proposals. The results were broadcast on Channel 17 Cable TV on Thursday night, Nov. 3. The results of both the local and national polls will be in Sunday's issue of The Ranger Times.

EASTLAND

Friday night's game in Eastland between Eastland and DeLeon will decide the 8AA District Championship. It is also a big game interest-wise, for both teams have played close, hard-fought games. The winner will probably be the team which makes the fewest mistakes. District 8AA teams will play 7AA teams a week from Friday for Bi-District. Anson looks like one of the teams in the play-offs, with others yet to be decided.

A Christmas Arts and Crafts Bazaar will be held on Nov. 12 by the Eastland Civic League and Garden Club. It will be at the Fullen Bldg. on Commerce Street, with hours from 9 p.m. to 4:30 p.m. There will be unique wood crafts, ceramics, jewelry, ornaments and other decorative items. At present there are only three booths left available - for more information call Mrs. Jim Kennedy at 817-653-2407.

The B&C Muffler Shop at 306 East Main in Eastland has become the C&C Muffler Shop, and is now operated by Cecil Holifield, with Victor Cornelius owning the building. Full service will soon be added to the Muffler Shop, and it will include oil change and grease jobs, brake service, and shocks. "We're going

to give quality workmanship at affordable prices," says Holifield, a native of Eastland. He will have the shop open Monday through Friday from 8 a.m. until 5 p.m. The phone No. is 629-8243.

Eastland City Commissioners are taking a serious look at the Texas Main Street Project as a possible undertaking to improve downtown Eastland. Some improvement are already underway, for Commissioner Don Griffin at Coats Furniture already has a man working on his building. Only five cities are accepted into the Main Street Project each year, and they must hire a coordinator. In return, they get low interest improvement loans and technical assistance to improve the downtowns.

Council by-laws will be discussed and upcoming activities planned.

YOUTH LEADERSHIP CONFERENCE ANNOUNCED!

The 4-H and Youth Program Development Committee, along with the Extension Homemakers are sponsoring an educational and informative conference on Saturday, November 19th, at Camp Inspiration in Eastland. Joe Wilkerson, Youth Minister for the Church of Christ in Brownwood will kick-off the evening at 5:00 p.m. with a motivational talk on "Outlook for Tomorrow's Youth". At this point parents and youth will divide into separate sessions.

Kathy Swift, Counselor for Summer Sky in Stephenville will address the adults. Topics that she will cover include: How To Cope In Today's World, Update on Drug Abuse and Communication Skills.

Sessions for the young people include "How To Make Parents Listen" - Stephanie Snyder, Eastland High School Counselor; The Popularity Contest - Joe Wilkerson and a panel discussion on drug abuse featuring recovering substance abusers.

Supper will be served for

those present. There is no charge for participation. All Eastland County youth and parents are invited to attend. Programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic level, race, color, sex, religion, handicap or national origin.

4-H FOOD SHOW DEADLINE:

All entries for the county 4-H Foods Show are DUE MONDAY, NOVEMBER 7th, at the Extension service office. 4-H'ers should submit their recipe, day's menu analysis, and 4-H project record form.

4-H'ers needing assistance should contact Janet Thomas, County Extension Agent.

The County 4-H Food Show will be Saturday, November 12th, at Siebert Elementary in Eastland.

JR. LEADER ASSOCIATION NEWS:

The November 4-H Junior Leader Association meeting will be Sunday afternoon, November 13th, at 2 p.m. in the TU Electric Reddy Room.

The 1989 Leadership Team and 1989 Recreation Team members will be announced.

A video on Method Demonstration will be shown and plans for demonstrations discussed.

4-H PARENT/ADULT LEADER ASSOCIATION NEWS

The bi-monthly meeting will be TUESDAY, NOVEMBER 15th, from 7-8 p.m. in the Eastland National Bank Community Room.

All 4-H parents are urged to attend.

4-H SOCK HOP

The 4-H Jr. Leader Association will be sponsoring a "Sock Hop" on Saturday,

November 19th, from 8:00 to Midnight at the Lost in the Fifties Restaurant, Eastland.

All Senior High School and Junior High School youth are invited. Admission is \$5.00 per couple or \$3.00 for singles.

Proceeds will go to the Jr. Leader's Association.

A Gift to the AMERICAN CANCER SOCIETY MEMORIAL PROGRAM goes a long way in cancer control.

4-H NEWS

By Crystal Wilbanks, County Agent - 4-H COUNCIL TO MEET

ODD COUPLE- Florence Unger, is being helped to the sofa after a horrifying experience, by her Travia Pursuit buddies in a scene from the Neil Simon's play "Odd Couple" to be presented by the Cisco Junior College drama department. The play, which begins Monday, November 7, will continue thru November 12. Shown in the above photo are Kim Graham, Tara Fuller, Danetta Bible, Stacy Norton and Lana McConnaughy. Reservations can be made by calling 442-2589. Preview performances will be November 7, 8 and 9. Dinner performances are November 10, 11, and 12. (Staff Photo)

Cast Members Of "The Odd Couple" Perform At Lions Club Wednesday

Cast members of the Cisco Junior College play, "Odd Couple" performed for members of the Cisco Lions Club at their regular meeting held Wednesday at White Elephant Restaurant.

The play, which starts Monday, is about Florence and Olive, who are room mates. Performing the scene were Danetta Bible who is from Rising Star, Scott Bradshaw from Eastland and Anthony Annan from Florida. The scene was about when Florence is left alone with their dates and has to carry on a conversation. It is a hilarious scene.

Lions Club member Earl Ray said he has some movies he received from the U.S. Department of Education on ways to help combat the drug problem in schools. He said right now he needs people in Cisco who want to help stop the drug problem in Cisco.

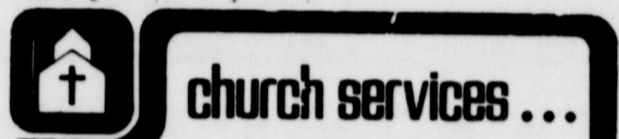

He said if anyone wants Cisco to grow then they can work to get the schools here drug-free. He said it can be done and when this area can advertise there are drug-free schools here, then

manufactures will want to come here. He said if any church group or if schools want to view the movies they can call Ivan Webb at 442-3647.

Lions Club president John McGuire encouraged all members to sell tickets for the Spirit Afghan they are selling. The money made for

the afghan will go to the Lions Club Camp for Crippled Children in Kerrville. It was reported that Earl Ray has already sold 100 tickets.

Ronnie Ledbetter led the Lions Roar. Wyley Peebles led the singing and the Pledge of Allegiance. Roy Dennis gave the invocation.

REDEEMER LUTHERAN CHURCH

Our worship service begins at 10:30 a.m. Pastor Urban's message is entitled, "The Gift" based on Matthew 26:26-28. Sunday School and Bible Class begin at 9:30 a.m.

"Last year alone, over 5,000 teen-agers and children were buried in unmarked graves. This is a staggering statistic! Nobody knew them, and those that buried them didn't know who they were, either," says the Rev. Wallace Schultz on "The Lutheran Hour." But there is Good News, based on John 11:24-25. Hear about it at

7:04 a.m. on radio station KSTB (1430) or at 8 a.m. on KBWT (1380) or at 8:30 a.m. on KFQX (1470).

Tuesday, Sunday School Staff meeting is at 7:30 p.m. Wednesday, Nursing Home Worship at 10 a.m. First year Confirmation Instruction Class is at 3:30 p.m. 7:30 p.m. Board of Elders meets.

Thursday, Jesus' Friends meets at 9:30 a.m.

For Classified Ads Call 442-2244.

Cisco Thrashes Kilgore 29-To-25

By MARLOW McSHAN
The Cisco Junior College Wranglers defeated the Kilgore JC Rangers 29-to-25 in one of the most thrilling and exciting games of the year. The Wranglers had to come from behind in the last 52 seconds of the game to win. The Wrangler offense, under the direction of signal caller John Brayton, raced 80 yards down the field to score with 14 second left in the game.

Kilgore put the first points on the scoreboard thanks to a three yard run by Eric Brown. The Wranglers scored their first points of the quarter when tailback Alan Washington raced 17 yards to the end zone. This touchdown was set up by a Kilgore fumble, which was recovered by Tim Bryant at the Rangers 45 yard line.

In the second quarter Kilgore and Cisco both scored a total of eight points. Kilgore scored their first points of the quarter when Cisco had to begin field position on their own two yard line after a Kilgore punt. The Wranglers could not move the ball and tailback Alan Griggie was tackled in the end zone for a safety. When Kilgore regained possession after the Wrangler punt they managed to score again. The touchdown can be credited to Eric Brown who ran the ball in from five yards out. This touchdown put the Rangers up 15-to-7. The Rangers extra point attempt was blocked by defensive back Perry Kyles who ran 97 yards to the Kilgore end zone to give the Wranglers 2 points. On Cisco's next offensive possession, flanker Gabe Smith put the Wranglers in great scoring position by making an outstanding catch on the Ranger 2 yard line. On the next play CJC quarterback John Brayton found tight end Stacey Hunter in the end zone. The extra point attempt failed and the score was tied at 15 at the end of the first half.

In the second half the Wranglers were able to score first due to a 34 yard pass from quarterback John Brayton to flanker Anthony Stinnett. This touchdown put the Wranglers ahead 22-to-15. Going into the fourth quarter, the Wranglers were

still ahead by seven points and seemed to be in control of the game. Then all of a sudden John Read of the Rangers kicked a 37 yard field goal. Now the Wranglers were only ahead by four points and Kilgore's fired up defense forced the Wrangler to punt on their next possession.

The Rangers took advantage of this opportunity and with the clock ticking down quarterback Todd Valentine fired a 9 yard pass to split end Charles Morgan for a touchdown. Kilgore was now ahead 25-to-22 and there were only 52 second left in the game. After the Rangers kick-off, the Wranglers began offensive possession on their own 20 yard line and went to work. Bayton fired a couple of passes to Gabe Smith which advanced them beyond the 46 yard line of Kilgore. With 29 seconds left in the game split end Rolanda Reese made a spectacular catch on the 2 yard line, which set up the game winning touchdown by Terry Strambler. With 14 second remaining on the clock the Wranglers were ahead 29-to-25 and the Kilgore Rangers had no chance of scoring.

Next Thursday the Wranglers will travel to Brenham where they will

East Cisco Baptist Women To Host Prayer Meet

East Cisco Baptist women will host a special prayer meeting Monday, Nov. 7, from 9:30 until 11 a.m. at the church.

"The prayer meeting will be to pray for our country on the eve of the election, and to pray for our world today," a church spokesperson said.

All interested people are invited to come and pray at the church.

Signed Letters to the Editor are welcomed at The Cisco Press

battle the Blinn Buccaneers. Game time is 7:30 p.m.

WHO IS TELLING THE TRUTH?

Jesse Coffey says, "Senator Bob Glasgow is weak on crime."

ROSS PEROT on Friday, October 28, 1988, said, "Senator Bob Glasgow led the fight against drugs in Texas. He is an outstanding public official. The people of Texas are fortunate to be served by a man of his caliber."

LEE JOHNSON, President of the Texas State Troopers Association, on Saturday, October 29, 1988, said, "Senator Bob Glasgow has passed more major criminal law legislation than anyone in the Texas Legislature. He is a true friend of law enforcement."

TIM CURRY, District Attorney of Tarrant County, on Saturday, October 29, 1988, said "Anyone who says Senator Bob Glasgow is weak on crime is obviously misinformed."

WHO DO YOU BELIEVE????

Re-elect
State Senator
Bob Glasgow
District 22/Democrat

Wedding Bells

MRS. WILLIAM EDWARD WELLS

Cooper-Wells Exchange Vows On October 22

Miss Kyle Elaine Cooper and Mr. William Edward Wells were united in marriage on Saturday, Oct. 22, at Perkins Chapel in Dallas. Dr. William S. Banowsky, a

cousin of the bride, officiated the ceremony.

The bride is the daughter of Mr. and Mrs. Gordon Cooper of Austin. The groom is the son of Mrs. Julia Wells of

Williamsville, N.Y. The bride's grandmother is the late Mrs. Frances Cooper of Eastland.

The bride who was given in marriage by her father, wore a cathedral-length white satin gown, the bodice being adorned with tiny seashells. The maid of honor was the bride's sister, Kelley Claire Cooper. Serving as bridesmaids were Ellen Becker, Rebecca Kloc, Debi Kornmaier, Cindy Malone and Claudia Phaneuf of Dallas, Julia Clegg of New York City and Nancy Ford of Chicago. Rebecca Moline of Dallas was the flower girl.

Best man was Robert Wells, brother of the groom. Groomsmen and ushers included Michael Becker, Tom Davidson, Gary Kloc, Alan Krov, Jim Stelzl and Mark Woodson of Dallas and Terry Clas of Rochester, N.Y.

Members of the house party were Bonnie Day of Houston and Candace Flanary of Deer Park.

More than 300 guests attended from California, Florida, Georgia, Illinois, Louisiana, Mississippi, New Jersey, New York, Pennsylvania, Texas and Washington.

The bride is a graduate of Stephen F. Austin High School and the University of Texas with a bachelor of business degree in marketing. She is a flight attendant with Delta Airlines in Dallas. The groom graduated from

Buffalo State University with a bachelor of science degree in mechanical engineering. He is an engineer with Texas Instruments in Dallas. After a wedding trip to Switzerland, the couple will live in Dallas.

Manolo, Spanish classical guitarist

Spanish Guitar Concert To Be In Eastland Nov. 13

A special guitar concert will be presented in Eastland on Sunday, Nov. 13, 2 p.m. at the Meeting House on the corner of Lamar and Plummer.

Called "An Afternoon With the Guitar," the program will feature Manolo Parra, noted Southwestern artist. He will play various styles of music - Spanish Classical, Flamenco and Modern.

This is a Patron's Concert arranged by members of the Eastland Music Club, and the public is encouraged to attend. Tickets are \$4 for adults and \$2 for students. They may be obtained at the door, or in advance from Viola Payne at the Eastland Telegram.

Homemaking Hints

From Janet Thomas, County Extension Agent

Stains on your laundry? Cloudy water? Water that smells or tastes funny? Two new publications on water quality from the Texas

Agricultural Extension Service give consumers some suggestions for dealing with these and other water impurities.

Water related problems are found primarily in homes served by a private water supply, although a few of them will also be found in water from municipal water supplies.

In some areas where impurities are not a concern, consumers would still like to improve the taste quality of their tap water.

The fact sheet "Home Water Quality Problems", (L-2279) describes the symptoms, probable causes and suggested treatments for common household water problems.

A new publication on "Home Water Treatment Systems", (L-2280) provides consumer information on the advantages, disadvantages and costs of various types of filters and reverse osmosis units for improving household water quality.

A single copy of each publication is free from county Extension offices or can be ordered by title and number by writing the Texas Agricultural Extension, 102 Reed McDonald, College Station, Texas 77843-2112.

IMPORTANCE OF TOGETHERNESS

Maintaining a happy home is a challenge and a difficult chore for families today. Children of all ages and parents of all ages develop best in a relaxed, warm, stimulating home environment. Some of the characteristics of a happy home climate are:

1. It has a minimum of pressures. Pushing for excessive work or school achievement, fighting for social status or putting monetary worth over self worth are pressures that destroy family unity and closeness.

2. It treats each member as an individual, and respects and values him for what he/she is. No family member is compared to other members or outsiders.

3. It encourages all family members to attain their maximum potential with love, support and encouragement from the rest of the family.

4. It encourages open channels of communication... the key to successful relationships. Each individual has a voice in family decisions, is heard by others and listens in turn to other family members.

5. It works as a team. Parents serve as captains and take their responsibilities of family leadership seriously.

6. It recognizes that mother and father, boys and girls are all needed equally in a close family. Girls learn to be feminine and boys learn to be masculine when family power is shared between the sexes, and one is not shown as being

more important. 7. It has love, affection and humor... the foundations of a happy home and happy families.

All parents make mistakes. All children learn from mistakes. Mistakes on the part of all family members are not taken seriously if love and laughter prevail and the willingness to try again if you fail is always present. Together — all things are possible in a family.

RECIPE FOR THE WEEK:

As cold weather approaches, nothing is better than Bean Chowder served with steaming, hot homemade cornbread.

BEAN CHOWDER

- 1 Tablespoon Oil
 - 1 lb. ground beef
 - 1 medium onion, chopped
 - 1 pint tomatoes
 - 1 quart cooked pinto beans
 - 1/2 cup catsup
 - 1 pkg. chili seasoning
 - 1/2 teaspoon salt
- Heat oil in large skillet. Add ground beef. Brown on medium high heat. Add onion and cook until onion is transparent. Add remaining ingredients. Cover. Bring to a boil on medium heat; turn to simmer and cook for 30 minutes. Serve piping hot.
- Also good topped with grated cheese.

Make Reservations Now For "The Odd Couple"

Cisco Junior College has a double treat in store for audiences November 7-12, when it presents the recently released Broadway hit THE ODD COUPLE. For those who seem to remember this play being released 20 years ago, bravo! This isn't the same old story. This version, adapted by Neil Simon, has Madison and Unger at odds with each other, but this time it's Olive Madison and Florence Unger.

Olive is still messy and grumpy but bitingly sarcastic. She still knows more about sports trivia than most men and she still misses her ex-husband, Phil. Florence and Olive hate each other and get on each other's nerves. They finally take the opportunity to tell the other off only to discover that their friendship was stronger than they thought. Simon never intended either version of his play to have deep inner meaning; laughter was the key in 1965 and still is. Simon is quoted as saying that all theatre is a mirror reflecting the playwright's view of the world; comedy is a look into that mirror that shows real people in real situations but

everything is slightly exaggerated. That's the beauty of his plays: we can see ourselves and people we know and laugh at the irony. Jana Sitton Spangler and Danetta Bible, both students at Cisco Junior College, play Olive Madison and Florence Unger in this first full production. Their Friday night Trivial Pursuit buddies are Kim Graham, Stacy Norton, Tara Fuller and Lana McConaughy. The two "elevator dates" are Scott Bradshaw and Anthony Annan. Mr. Bradshaw is stage manager and Mr. Annan is props master. Brian Evans will be lighting console director.

9 with curtain at 7:30 p.m. Ticket cost is \$1.00. Dinner performances are November 10, 11 and 12 with dinner served at 7:00 p.m. and curtain at 8:00 p.m. Ticket cost is \$10.00. There are discounts available for groups, senior citizens and students to the dinner performances.

Call 817/442-2589 for reservations for THE ODD COUPLE.

Parents Day And Homecoming Held

At half time activities of Parents Day and Homecoming at CJC, Kelly Scott, of

Huntsville, was crowned Homecoming Queen for 1988. Miss Scott is the daughter of Mr. and Mrs. Malcolm

Gibson and Mr. and Mrs. Grady Scott.

Kelly is a sophomore senator, member of the Blue Jackets, Secretary of Phi Theta Kappa, on the Dean's List, Secretary of the Band, and member of the Stage Band.

Crosstimbers Shootout Winners Are Announced

Around one hundred entrants participated in the Eastland Rifle and Pistol Club's Crosstimbers Shootout last Friday, Saturday and Sunday at the old Merchants Building, it was reported.

Shootout winner were: Bruce Ferguson winning a .223 rifle in the mens division; Kaylon Johnson winning \$50 in the ladies' division;

Terry Rose winning a .22 rifle in the junior division; Billy Hogan winning \$25 in the unsighted archery division; and Jack Johnson winning \$25 in the sighted archery division. One hundred and sixty dollars in additional prizes were also given away.

The Next Best Thing -

.....to a clear conscience and a good night's sleep is the feeling of security in owning your own home with with a clear title. Peculiar to the real estate field, values are based on land and the improvements thereon, if any. But values on these are based on the title. The title then becomes the most important item to be considered when purchase of real property is contemplated. So be careful to buy good title based on an abstract of title or a policy of title insurance.

Geneva & Chad

State Department of Highways and Public Transportation

THANK YOU

We wish to express our sincere appreciation to the many friends who helped us with their presence and acts of kindness during the time of our grief at the loss of our loved one. May God's richest blessings be with you.

The Phillips Family

The children and families of Rowena Penn Speegle wish to express our sincere gratefulness to the community of Cisco for your never ending kindness during Rowena's lengthy illness. Each of you helped to make a difficult time easier with your delicious foods, kind deeds, special visits, and prayers. Our family will always be grateful to you. May God Bless you.

We are truly grateful to the good friends who did so much for us during our recent sorrow. May we take this means of saying thank you for the many comforting expressions of your friendship and affection. We want to especially thank Dr. A.R. Cermin and E.L. Graham Hospital, the Chambers family, the Hallmark family, Tom and Carroll Brown and Willard Johnson.

The Family of Frank Spangler Sr.

I would like to thank all of my friends and family and the churches in Ranger, Eastland and Cisco for all their prayers for me while in the hospital. I would also like to thank everyone for their visits to me and all of the beautiful plants and flowers. They helped a lot. And to thank Dr. Oswalt and Dr. Mathews and all the great nurses at Eastland hospital. I am doing a lot better thanks to all of you and the Lord.

Obituaries

Lora W. Horn

Lora W. Horn, 86, of Eastland, died Wednesday in Ft. Worth. Funeral services were held at 2:00 p.m. Saturday at the Inspiration Church of God in Eastland with the Rev. Larry Smith, pastor officiating. Burial was in the Eastland Cemetery under the direction of Bakker Funeral Home.

She was born Lora Williamson January 5, 1902 at the Staff Community in Eastland County. She was a lifetime resident of the Eastland area. She married Truman Horn, July 26, 1921 in Eastland County. He preceded her in death on June 29, 1981. Mrs. Horn was a homemaker and a member of the Inspiration Church of God.

She is survived by five daughters, Athlee Bradshaw of Dallas, Margaret Olsen of Colorado Springs, Co., Bonnie Gloeckner of Merritt Island, Fla., Jane Williams of College Station, Tex., and Elouise Justice of Fort Worth, Tex.; four sons, James D. Horn of Fort Worth, J.T. Horn of Eastland, Marcus Horn of Fort Worth and Bill Horn of Fort Worth; two sisters, Daisy Steele of Ft. Sumner, New Mexico and Etheridge Massengale of Grand Falls, Texas; one brother G.W. Williamson of Tulia, Tex.; 18 grandchildren; 15 great-grandchildren and one great-great grandchild.

Benjamin Oren Speegle

CISCO- Funeral services for Benjamin Oren Speegle, 92, were held at 2 p.m. Friday, Nov. 4, 1988, at Kimbrough Funeral Home Chapel with the Rev. Ken Diehm, pastor of First United Methodist Church, officiating, assisted by Rev. Roy Lee Williams. Burial was on the Scranton Cemetery.

Mr. Speegle died Wednesday, Nov. 2, 1988, in an Abilene hospital.

Born May 12, 1896, in Eastland County, he was a longtime resident of this area.

A retired farmer, he was a member of the First United Methodist Church, the American Association of Retired Persons and the Cisco Senior Citizens Band and Choir.

He was the widow of Clotilde Merrett Speegle, who died in 1981, and Rowena Penn Speegle, who died Oct. 28, 1988.

Survivors include a son, Oren Merritt "Speck" Speegle of Cisco; a sister, Nadine Millar of Cisco; a grandson, Randy Speegle of Cisco; two great-grandchildren, Lori Ann Speegle and Mike Speegle, both of Cisco; and several nieces and nephews.

Pallbearers were Harlan Reynolds, Glenn Cross, Tooley Massey, O.C. Penn, Ben Williams and Jay Nelson Williams. Honorary pallbearers were Bill Reynolds, Olin Odum, Hollis Williams, and Donald Babers.

Nutrition Program

Last week we had a very successful County Health Fair in Cisco. Many booths were brought to the Senior Center. One of the more popular was the cholesterol booth. Over 180 people participated in the screening. We find that cholesterol may be controlled by eating the proper fiber breakfast and watching carefully the type of fats we eat. According to the authorities cholesterol may also be controlled by a good walking program.

At our Senior Center luncheons we watch very carefully your diet and give special attention to cholesterol control. So why not call the registrar in Cisco: 442-1557, and in Eastland: 629-1382 for a reservation and participate in good diet.

The menus for the coming week will be:

Monday-- Beef stroganoff with spaghetti, peas and carrots, tossed salad with French dressing, jello with topping, peanut butter cookie, bread, butter and milk.

Wednesday-- Ham and cheese sandwich, vegetable soup, cabbage, carrot, raisin salad, apples crisp, bread, butter and milk.

Friday-- Oven fried chicken, baked beans in tomato sauce, potato salad, carrot cabbage slaw, oatmeal cookie, bread, butter and milk.

The events at the centers during the past week were: Cisco - Richard Parker and Lois Holder played the piano; Joe Bullion played the mandolin; the Senior Center Band and Choir; a nutrition program by Janet Thomas; a going away party for Essie Glenn; those having birthday and anniversaries were honored; blood pressure screening was conducted by Mable Thetford and the Eastland County Health Fair was conducted. The Eastland County Senior Citizens Bazaar was held in Eastland.

Eastland-- Recognized those having birthday and anniversaries; a special birthday party was held for Clyde Campbell; a nutrition program was presented by Janet Thomas; and the members attended the Eastland County Bazaar.

Lori And Mark Carouthers

Carouthers And Company To Be At Life Tabernacle Nov. 12

Rev. W. M. Bailey of New Life Tabernacle in Cisco has announced that on November 12 at 7 p.m., Carouthers and Company will be at their church, located at 307 W. 17th Street.

Mark and Lori Carouthers have made many records and are a very talented couple, Rev. Bailey said. Lori Carouthers used to sing with the "Lanny Wolf Trio" which won the coveted Dove Award for Christian music.

The Carouthers write most of the songs they record and sing and the songs are also used by many other musicians for recording.

Everyone is invited to join in and receive a blessing from this concert, Rev. Bailey added. There will be no charge although a free will offering will be taken.

Rev. Bailey said, "Carouthers and Company is well worth the time and effort to hear them."

Carbon Football History

(ED. NOTE: This important Eastland County Historical Document was written by Grady G. Morton of Bowie and shared with us by Loretta Morris.)

Football Comes to Carbon Carbon High School Wolverines

I was in Carbon the other day for the Golden Exes gathering for 1988. The class of 1938 was the honored group of the day. There I saw a billboard calling attention to the Carbon High School Wolverines.

It stirred memories: The year was 1924 - September. A new school year was beginning. There were thoughts of football throughout the land.

Little Carbon boys were playing their own version of the game in the sandbed alongside the path to town, where most of us had our

introduction to the sport.

Cisco Hi, "Big Dam Loboes", were getting ready for big time competition. Cecil and Harrison Couch from Carbon and Ted Huestis from Dothan, were outstanding players on that team. They would be playing the Waco "Tigers", the Oak Cliff "Panthers", and the Abilene "Eagles".

Gorman would field a team for their third year.

DeLeon and Comanche had been experimenting.

Rising Star, Strawn, Moran, Pioneer, Cross Plains and Thurber were all ready to try the new game.

That was the year (1924), when the right combination of circumstances, meant football for Carbon.

That was the year Professor W.W. Reed (we called him Prof.) and Howard Boswell came to Carbon as

teachers. They had been together for two years at Tarleton Junior College.

Reed had been quarterback for the Tarleton team. He was ready to be our coach. Boswell was not a player but was ready to his bit as trainer, assistant and business manager for the team.

That was the year our school had an outstanding roster of "sand-bed" players ready for bigger and better things.

Bill Jackson, Floyd Gilbert, Lois Hines, Tex Reese, Matt Graham, Grady Morton, Merritt Dunn, Gorance Owens, Lexton Martin, Sexton Martin, Weldon Tate, Gilbert Thurman, Dillard Elliott and Faris Reese. Most of these had never seen a regular football game before they played in one.

Prof. Reed set about the task of molding us rag-tags into a coordinated cooperative competitive team. The huddle had not been invented at that time, so the quarterback, (Matt Graham) would line us up in double-wing formation and start barking signals. The numbers he called out indicated whether pass or run, who would carry the ball and the direction of the play.

In those days a team had four plays to make a touchdown. If not successful the other then got the same try. There was no need for ten yard markers, head linesman, or field judge; just a referee with a little knowledge of the game.

Howard Boswell along with Dr. Jackson, blitzed main street for money to buy uniforms.

Trading Co., Gorman Bros., Yarbrough Drug, Elliott Drug, Dinger Hdw., Foster Groc., Hall Groc., Trimble Barber, Camp Barber, Tate's Music, Rockwell Bros. Lbr., Gilbert's Gin, First State Bank. These and others contributed.

Twelve uniforms were ordered, padded pants, numbered jerseys, and plain shoulder pads. Each player provided his own shoes - any old brogans would do. Boles shoe repair would remove heels and put six cleats in place for fifty cents (50 cents).

I paid one dollar (\$1.00) for helmet with ear flaps. Most were baseball caps.

Merritt Dunn got the extra uniform. He became known as the "phantom substitute" in tennis shoes. He would roam the sidelines hoping for a chance to play. We did not want him to play - he was too fragile. The starting team went all the way in all the games, playing offense and defense. No one got seriously hurt.

Someone gave us the loan of his cow pasture, over west of the cemetery for a playing field. Wrather Gilbert provided lumber for goal posts. We cleared brush and weeds from the area and wore out the grass-burrs and goat-heads by rolling around on them.

Finally, about the second week in October the big day arrived - we would play Rising Star at 2:00 p.m.

Howard Boswell called for a pep rally at 12:30 p.m. in the auditorium. All high school pupils were there to find out what a pep rally was all about.

The first order of business was to select and appropriate name for an up and coming grid-iron power. Howard explained that an animal name was sort of traditional.

He suggested that we list several names on the blackboard then vote for one.

Some nut in the back called out "Pole Cats". Howard declared him out of order, then wrote in rapid order - "Bears" - "Wolves" - "Armadillos" - and others. Someone suggested "Wolverines". Howard wanted to know if anyone knew what a "Wolverine" was.

Bill Jackson spoke up. He had read all of Jack London's books about the North country. London described the "Wolverine" as a small short

legged animal with a fighting disposition.

He could hold his own with much larger animals. So, it was no contest. We would be the Carbon Hi "Wolverines".

I was there. It seems so short a time ago - 1924-1988 = 64 yrs. I was fullback on that team. I wore #1 jersey.

Beautiful memories. Yea "Wolverines"! P.S. October-November 1924

We played six games that year. We over Rising

Star, Cross Plains, Pioneer, Strawn and Moran.

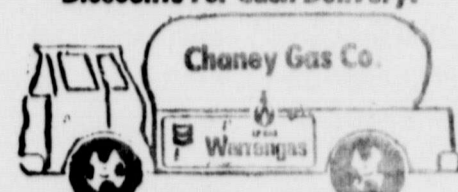

We lost the game to Gorman. They were old experienced hands at the game.

There was no football for Carbon the next year. Most of us had moved on and Prof's Reed and Boswell were off for further educational pursuits.

FIFTEEN YEARS FIGHTING CRIME

... AS DISTRICT ATTORNEY ...

- ◆ Seven years experience as D.A. for Erath, Hood, & Palo Pinto counties
- ◆ Successfully prosecuted 864 criminal cases with 22 life sentences

... AS TEXAS SENATOR ...

- ◆ Worked hard to pass the comprehensive crime package and critical anti-drug laws
- ◆ Passed Texas' first law allowing the use of oral confessions in court

... AND IN THE FUTURE ...

- ◆ Will work tirelessly for prison reform, stricter anti-drug laws, and better and more effective law enforcement
- ◆ Will fight to guarantee that dangerous felons remain behind bars

Bob Glasgow FOR SENATOR DISTRICT 22

Let's keep a good man - A great Senator working for us.

Editorial

State Sen. Bob Glasgow
An Editorial Endorsement

We believe that Bob Glasgow has been a good state senator and deserves to be re-elected.

He is not a flamboyant politician, although a major newspaper credited him with giving the Best Speech of the 70th Regular Session. The Tarrant County Democratic Chairman said this of him: "He is well thought of as a man who takes care of business in Austin and at home."

Our experience has been, and others locally tell us that they have had similar experience, that Sen. Glasgow and/or a member of his staff has always responded when called upon. He works in a quiet way, and it's entirely possible that the general public might not readily know of his many untiring efforts in behalf of projects for the city, the county, and folks who need help.

Unfortunately Bob is being made the target of a lot of negative statements regarding his stand on crime, his attendance and voting records and other things.

Because public service is not the remunerative, Bob Glasgow, who has to earn a living like the rest of us, practices law. He had an excellent record as a hard-fisted prosecutor.

But now, as a trial lawyer, especially when he defends alleged drug pushers or other unpopular defendants in court, he's often faulted as being "easy on crime." It needs to be remembered that he is simply a part of our wonderful system which holds that every person deserves a fair day in court.

Week on crime? Bah. He carried more major law enforcement legislation than any other member, including the oral confessions, the wire tap, the forfeiture, the Ross Perot War on Drug, the look-a-like-drug and 55 other bills. He's been endorsed by the Texas State Troopers Association, the D.P.S. Officers Association, the Combined Law Enforcement Association, the Texas Municipal Association and others, and as well as by every district attorney and ever county attorney in the 22nd district.

Attendance and voting? It's certified that Bob had a 94 per cent voting record in the regular session of '87 and a 99 per cent record for the two called sessions.

He's been labeled a "big spender". In fact, he's been endorsed by the most conservative business groups in Texas who do not support big spenders.

The Senator states that he will introduce election law reform in the next session to regulate campaign materials by politicians and their consultants. "If a person is not honest with the voters while he is seeking office, how can you expect him to be honest with the voters after he is elected," Glasgow has stated.

There's 14 counties in the 22nd District with a population of from 490,000 to 700,000, so it's pretty near impossible for our senator to visit us once a week, but as long as he's accessible when we need him and doing his job, there's not much more that we can ask, is there?

The Tuesday General Election ballot offers a patch-work quilt of choices from the courthouse to the White House and there's certainly picks for everybody.

Down the ballot, you'll find the name of Bob Glasgow in the Democratic column and we recommend him for re-election because we believe he has the best interest of Texas, his district, this county, this city and its people at heart.

The bulk of the 22nd is rural. Glasgow is rural — and we think it'd be wise to keep it that way.

Christmas Market Draws Out Of Town Exhibitors

One of the participants in the first Christmas Market at the Hilton is a stained glass artist, whom many residents will remember from the early Folklife Festivals. She is Leta Durst of Mullin, Texas, and will be present with stained glass suncatchers, night lights, and mobiles. The accompanying picture is her interpretation of Texas bluebonnets, which she stated is one of her most popular-selling items.

Mrs. Suzanne McGuire of Rochester will be present with a large assortment of collectible clowns, T-shirts, and a few "pretty" dolls.

Coleman, Texas will be represented by Mrs. Gladys Tomlinson, who will be selling stuffed toys and hand-made items.

Gerl Justice of Fort Worth will be bringing country and western what-not shelves, collectible Texas Christmas ornaments, door and table arrangements, and hair bows. Ms. Justice's booth will be in the upstairs lobby.

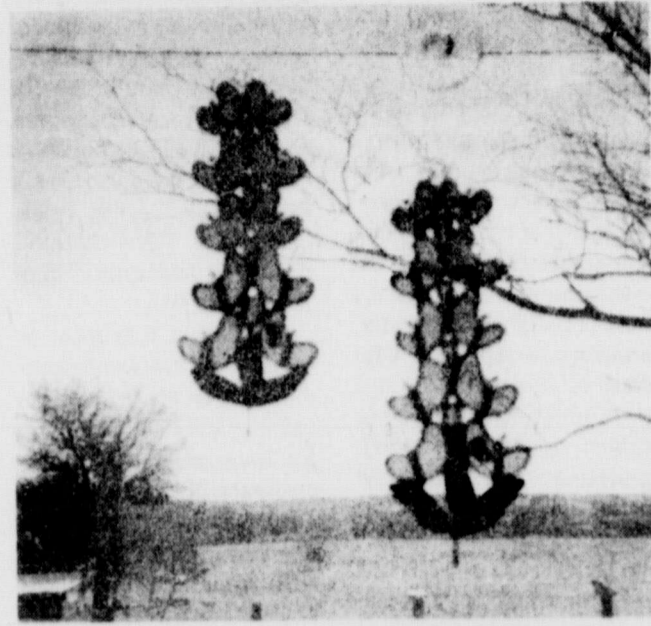

Bill and Donna Taylor of Abilene are additional participants who will have a booth in the upstairs lobby. Their merchandise will include woodcrafts, needlework, and quilts. Alvarado, Texas, is home for Jack and Iva Reynolds,

who will be selling hand made wood items that are useful and decorative, and handquilted quilts, belts and ties.

Betty Beasley will be coming with her wares from Temple. Ms. Beasley, Tommy and Dorothy Barron will be displaying and selling a

large variety of ceramics.

For an exciting weekend, and unique shopping, be sure to come to the Christmas Market at the Hilton in Cisco Nov. 19-20. Door prizes will be awarded to lucky registrants many times through each day.

Pharmacy Topics

By Bob Mueller

Did you grind your teeth at night? Psychologist at the University of Florida has devised a system to break the habit. Patients wear sensors that can detect bruxism and sound a wake-up alarm.

Three-dimensional ultrasound imaging system is expected to help doctors diagnose heart disease. The patient was assigned to the Georgetown University Medical Center.

Calcium absorption can be increased by taking some glucose or glucose polymer with it, say researchers at the USDA Human Nutrition Research Center on Aging at Tufts University. Further studies may find that other starches work, too.

Doctors recommend that pregnant women discontinue vitamin A supplements, and vitamin A-derived acne medications, too, because they are potentially toxic to the child. Vitamin A from food is fine, though.

More-potent injectable polio vaccine is now available, the Journal of the American Medical Association reports. It is as effective as oral polio vaccine but without the risks of developing the disease.

What's new in medicine? We keep up with the latest, the better to serve you at Wal-Mart Pharmacy, Hwy. 80 East, Eastland, 629-3347.

Fishing Outdoors

By Terry Wilson

Final Reminder Issued on Either Sex Deer Regs.

Reports from the field indicate some Texas hunters are confused about either-sex bag limit regulations for white-tailed deer.

Texas Parks and Wildlife Department officials said the either-sex system simply eliminates the use of landowner-issued antlerless deer hunting permits (doe permits) in certain counties.

In any of the 137 counties that have the either-sex system, a hunter needs only to tag antlerless deer with the appropriate tag from his hunting license, just as for buck deer.

This system was adopted to encourage hunters to utilize the antlerless segment of the deer herd. Landowners, however, still retain the right to specify the numbers of sex of deer to be taken from their property.

Most of the state's prime deer hunting regions now have the either-sex system. The Edwards Plateau and South Texas regions were included for the 1987-88 deer season, and most of East Texas was added for the upcoming season.

The regular season for most of Texas is Nov. 5-Jan. 1. In some South Texas counties, the season is Nov. 12-Jan. 8.

A few short tips on winterizing your outboards from Mercury Marine and Roy Ridgell.

In addition to his long-time work with the Mercury Marine Bass Tournament Support Team, Roy Ridgell has driven both racing and test boats, headed the European Racing program and for the past 14 years worked with Tournament pros on several major circuits.

Preparing an outboard for winter storage isn't the job it was 20 years ago, but a few things need attention. Take a look at your owner's manual for complete details. Check the lower unit lubricant. If it hasn't been changed recently, drain it and replace it with clean oil. Grease all fittings and lubricate the steering cables. Under the cowl, modern outboards have few areas that are affected by improper storage. But the fuel system can be a culprit. If possible, run all fuel through the engine or drain the fuel tank. Quicksilver fuel stabilizer will help if boaters have built in tanks. Protect the propeller hub by greasing the splines, replacing the prop and covering it. Store the engine in a vertical or running position.

With the approaching November 12, 1988 Eastland County Bass Club tournament anglers are looking to make a move towards outdistancing the rest of the field. These hopes are in anticipation of capturing the 1988 Angler of the Year title. This award is given to the angler who has

the largest total of fish caught during club events at the year's end based on the fish total weight.

Each angler is allowed to weigh up to but not more than 5 fish per event which measures 14 1/4 inches or longer. And with the limits set at 5 fish the race this year is wide open. Present standings are unofficial. 1st Jerry King 38.43 pounds, 2nd Terry Wilson 38.05, 3rd 1981 defending Angler of the Year Tommy Maynard 35.68, 4th Ron McCollough 34.91, 5th Don Flowers 34.19, 6th Steve Pennington 30.46, 7th Chuck Burgess 29.22, 8th Eddie Green 24.34, 9th Rick Browder 19.73, and tenth Jimmy Johnson 18.40.

These next two monthly events will not only determine Angler of the Year, but also the 1989 T.A.B.C. Top Six Team, and the 16 qualifiers for the first ever E.C.B.C. Draw Mini Classic date to be announced. So everyone make plans now to fish these final two events and end the year on a positive note or two.

Lake reports are fair with Leon black bass fair to 3 pounds on jigs, crappie good in numbers but small in size, catfish slowing but still good on perch. Water is clear to slightly stained. Water temp is 65 degrees.

GIBBONS CREEK: Water clear, 75 degrees, 18 inches low; black bass fair, most are within the slot or below, on topwaters early, worms and Fat Getzits good later; crappie good to near limits to 1 1/2 pounds each on minnows; catfish good to 7 pounds on stinkbait, chicken livers and shrimp.

WHITNEY: Water clear, 74 degrees, 10 1/2 feet low; black bass good to 4 1/2 pounds on white spinners in shallow water; smallmouth good to 4 pounds on cranks; striped good to 17 pounds on live

bait and topwaters; crappie improving on minnows, a few limits but most fish are small; white bass good with limits on slabs, fish generally small; catfish slow on worms and shrimp to 2 pounds.

FORK: Water clear, 71 degrees, 15 inches low; black bass fair to 8 pounds on dark worms in 13 feet of water; crappie good to 3 pounds to 25 fish per string on minnows; catfish slow.

MURVAUL: Water clear, 72 degrees, 5 inches low; black bass fair to 11 pounds, 14 ounces on dark worms, good numbers of smaller fish in the 14-15 inch range on minnows; channel catfish good to 5 pounds on trotlines on cutshad and small perch. Water turkey have arrived for the winter.

HOUSTON COUNTY: Water clear, 68 degrees, 18 inches low; black bass are very good to 8 pounds, 12 ounces on Tequila Sunrise, Rat-L-Traps, topwaters; a 5 1/4 pound bass was caught on a Jointed Rebel midweek in 6 inches of water; striped fair to 4 pounds on topwaters; crappie very good to 2 pounds with limits near the marina on minnows; white bass fairly good along with the crappie near the marina with limits; catfish good to 7 pounds on minnows. Good numbers of white pelicans and water turkey are now on the lake.

LIVINGSTON: Water clear, 78 degrees, 5 1/2 feet low; black bass good to 10 1/4 pounds on black worms with blue tails and chrome cranks; striped good early to 10 pounds on slabs and trolling Pet spoons; crappie good in 5-7 feet of water to 10 fish per string on minnows and jigs; white bass fair with some limits on slabs over the old roadbeds; catfish good to 6 pounds on rod and reels with stinkbait, channel catfish good to 3 pounds on rod and

reels with stinkbait; yellow catfish good to 72 pounds on trotline baited with live bream.

BRAUNIG: Water murky, 74 degrees, normal level; black bass are good in number but most in the 14-16 inch range, no keepers; striped good in numbers but few keepers, no limits; crappie slow; catfish good in numbers to 3 pounds each on chicken liver and shad; redfish good to 18 1/2 pounds, no limits. On Tony Accetta spoons; corvina slow.

CALAVERAS: Water clear, 80 degrees, normal level; black bass good to 6 pounds on Rat-L-Traps and plastic worms; striped are fair to 4 pounds on silver spoons and tilapia; crappie slow; catfish good to 12 pounds on tilapia and shad; corvina good to 7 pounds on cranks and shad.

FALCON: Water clear, 1 foot above normal level; black bass excellent in number to 8 pounds, a 12-pounder caught over the weekend, several in the 4-6 pound range on worms and spinners. Tiny Torpedoes; striped fairly good near the dam; crappie good but few limits on minnows off the docks; white bass good in number but small in size on Knocker spoons; catfish good on frozen shrimp and sponge baits.

HUBBARD CREEK: Water clear, 73 degrees, 7 1/2 feet low; black bass good to 4 pounds on topwaters, buzz baits and spinners; hybrid striped are fairly good to 6 pounds on silver slabs, white slabs, spinners, live bait; crappie good on minnows to 3/4 pounds; white bass are good and mixed in with hybrid striped; catfish slow. Some water turkey have arrived at the lake.

OAK CREEK: Water clear, 70 degrees, 3 feet low; black bass good to 5 pounds, 3 ounces on jigs and Model A Bombers; crappie fair to 12 fish per string on minnows, most fairly small on minnows; white bass slow; catfish good on trotline baited with large minnows.

POSSUM KINGDOM: Water clear, 78 degrees, 10 1/2 feet low; black bass slow;

smallmouth fairly good but most below keeper size on topwaters; striped good while slabbing for white bass; crappie picking up with string to 40 fish per boat on minnows; channel catfish picking up to 3 pounds on trotline baited with perch, blood bait and shrimp; yellow catfish fairly slow.

PROCTOR: Water murky, 72 degrees, 6 inches low; black bass slow, some on ark worms in deep water; striped slow; crappie good in deep water on minnows; catfish fair on trotlines baited with shad.

SPENCE: Water clear, 70 degrees, 24 feet low; black bass good to 6 pounds on plastic worms and spinners; striped fair to 10 pounds on big shiners and slabs in 35 feet of water; crappie slow; white bass good to 1 1/2 pounds with some limits on slabs; catfish good to 3 pounds on shrimp and nightcrawlers.

Eastland County 4-H Horse Club

Holds Organizational Meeting

The new Eastland County 4-H Horse Club had its first meeting October 31st. By-laws were adopted and officers were elected. The officers are: President - Tessie Ingram; 1st Vice President - David Williams; 2nd Vice President - Rocky Ingram; 3rd Vice President - Brody Honea; Council Delegate - Teresa Grace; Secretary - Holly Greenwood; Treasurer - Kristy Rogers; Reporter - Michael Grace; Parliamentarian - Aaron Kennedy; Historian - Erin McDonald. The new name chosen for the club is The Eastland County Roughriders 4-H Horse Club. Lots of fun activities were discussed and plans to ride in the December 3rd Cisco Christmas parade were made. The next meeting of the horse club will be November 28th in Eastland. This is a county-wide club and anyone interested is encouraged to attend the next meeting.

County Unit Of Cancer Society To Meet

The Eastland Co. Unit of the American Cancer Society, Texas Division, Inc. will hold a meeting at K-Bob's Nov. 7th at 6:30 p.m. Plans for the Great American Smokeout will be made. All are welcome.

Letter To The Editor

Editor:

Homework is so important for parents, as well as their children. We, as parents and concerned citizens, should do our homework and research the candidates for state senator, Dist. 22. I assure you this homework won't take much of your time.

The senator we presently have - does he represent his constituents? Or someone else? Unfortunately, my family has first-hand experience with Senator Glasgow. My family lost our home in Eastland Co. 2 1/2 years ago in a tragic fire. State Farm Ins. Co. has refused to honor our homeowner's policy, and the attorney they've chosen to represent them against us, is Senator Glasgow! That's right - he represents big insurance,

not us.

And that's why I urge everyone to vote for Jesse Coffey on Nov. 8th. He'll represent us. I know because I did my homework.

Susan K. Rohe

Editor:

The Tarleton State University Small Business Development Center, in conjunction with the Texas Agricultural Extension Service at Texas A&M and the Tarleton State University Home Economics Department is in the process of planning a Home Based Business Seminar tentatively set for March, 1989 here at the University. I am writing to you to ask for assistance in putting together a mailing list of individuals in your area who may be involved in a home-based business or may have even begun their small business from a home operation. I realize that this is a tough list to prepare. We have looked at various other ways to compile such a list, but to no avail.

If you have any suggestions as to how this list may be compiled, please let my office know. We want to personally invite as many individuals as possible to be a part of the seminar, but will also be doing other publicity on the event as time gets closer.

Any assistance you may be able to give us will be greatly appreciated. Please let us know if we can be of any assistance.

Sincerely,
Rusty Freed
Assistant Director,
TSUSBDC

Democratic (Dukakis)

(A condensation of the 1988 Democratic Platform) "THE RESTORATION OF COMPETENCE AND THE REVIVAL OF HOPE"

WE THE PEOPLE OF THE DEMOCRATIC PARTY OF THE UNITED STATES OF AMERICA,

In order to initiate the changes necessary to keep America strong and make America better, in order to restore competence, caring and incorruptibility to the Federal Executive Branch and get it working again fairly for all Americans, and in order to secure for our children a future of liberty and opportunity,

Hereby pledge our Party, our leaders, our elected officials and our every individual effort to fulfilling fundamental principles for all members of the American family.

WE BELIEVE that all Americans have a fundamental right to economic justice in a stronger, surer national economy.

... that the time has come for America to take charge once again of its economic future.

... that it is time for America to meet the challenge to change priorities.

... that government should set the standard in recognizing that worker productivity is enhanced by the principle of pay equity.

... that America needs more trade, fair trade, an Administration willing to use all the tools available to better manage our trade in order to export more American goods and fewer American jobs.

... that the education of our citizens, from Head Start to institutions of higher learning, deserved our highest priority.

... that illegal drugs pose a direct threat to the security of our nation from coast to coast, invading our neighborhoods, classrooms, homes and communities large and small; that every arm and agency of government at every federal, state and local level—including every useful diplomatic, military, educational, medical and law enforcement effort necessary—should at long last be mobilized and coordinated with private efforts under the direction of a National Drug "Czar" to halt both the international supply and the domestic demand for illegal drugs now ravaging our country; and that the legalization of illicit drugs would represent a tragic sur-

render in a war we intend to win.

... that the federal government should provide increased assistance to local criminal justice agencies, enforce a ban on "cop killer" bullets that have no purpose other than the killing and maiming of law enforcement officers, reinforce our commitment to help crime victims, and assume a leadership role in securing the safety of our neighborhoods and homes.

... that we honor our multicultural heritage by assuring equal access to government services, employment, housing business enterprise and education to every citizen regardless of race, sex, national origin, religion, age handicapping condition or sexual orientation.

... that the housing crisis of the 1980's must be halted.

... that we can rebuild America, creating good jobs at good wages through a national reinvestment strategy to construct new housing, repair our sewers, rebuild our roads and replace our bridges.

... that all Americans should enjoy access to affordable, comprehensive health services for both the physically and mentally ill.

... that the last seven years have witnessed an unprecedented assault on our national interest and national security through the poisoning of our air with acid rain, the dumping of toxic wastes into our water, and the destruction of our parks and shores.

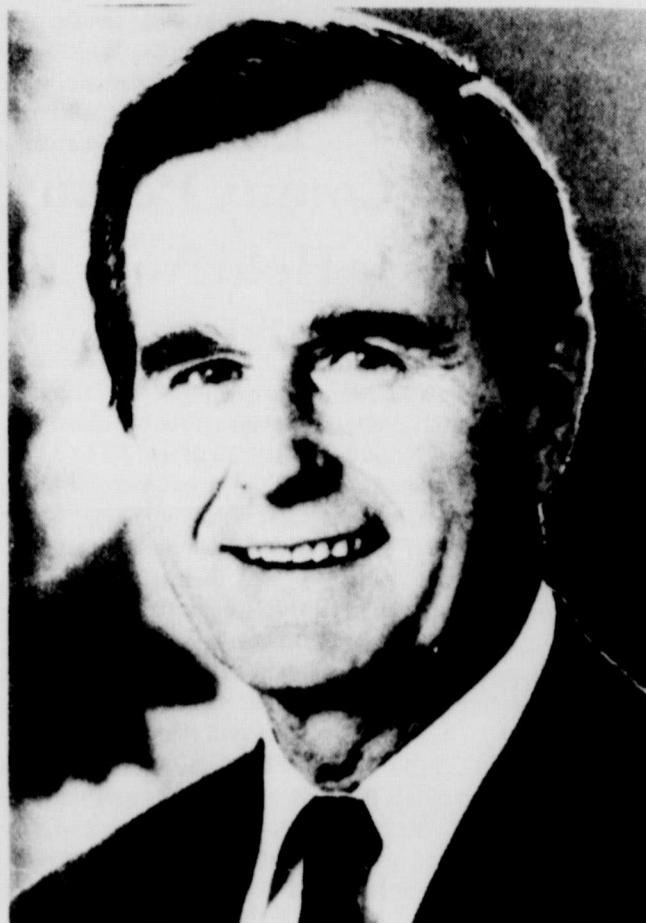

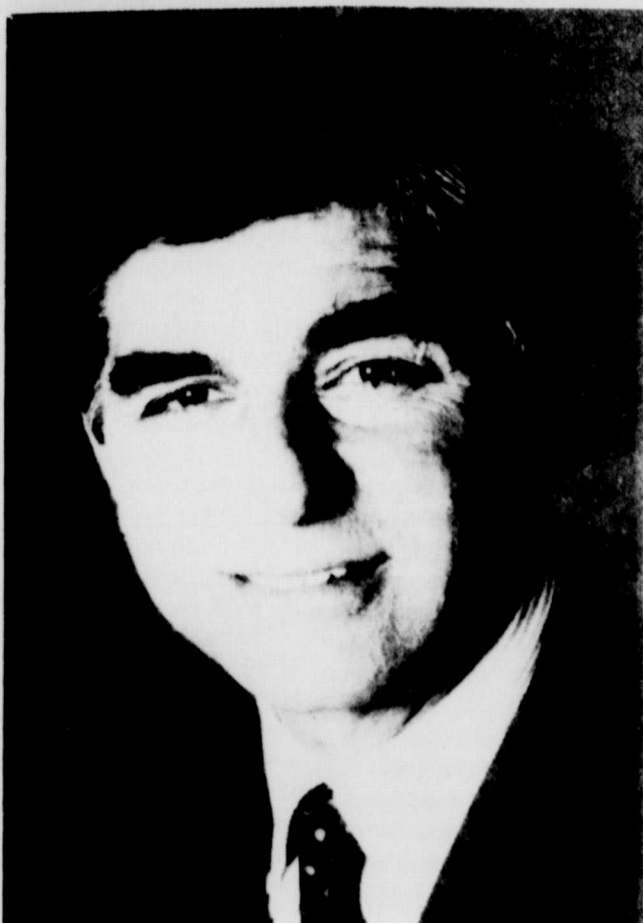

... that all Americans, producers and consumers alike, benefit when food and fiber are produced not by a few large corporations and conglomerates but by hundreds of thousands of family farmers obtaining a fair price for their product.

... that a balanced, coherent energy policy, based on dependable supplies at reasonable prices, is necessary to protect our national security, ensure a clean environment, and promote stable economic growth and prosperity, both nationally and in our energy producing regions.

... that this country's democratic processes must be revitalized: by securing universal, same day and mail-in voter registration as well as registration on the premises of appropriate government agencies; by preventing the misuse of at-large elections, the abuse of election day challenges and registration roll purges, any undercounting in the national census, and any dilution of the one-person, one-vote principle.

... in a stronger America

Dukakis or Bush?

ready to make the tough choices of leadership in an ever-dangerous world; militarily stronger in our overall defense and anti-terrorist capabilities and in the cohesion of our military alliances; economically stronger at home and in the global marketplace; intellectually stronger in the advances of our schools science and technology; and spiritually stronger in the principles we exemplify to the world.

... in a clear-headed, tough-minded, decisive American foreign policy that will reflect the changing nature of threats to our security and respond to them in a way that reflects our values and the support of our people, a foreign policy that will respect our Constitution, our congress and our traditional democratic principles and will in turn be respected for its quiet strength, its bipartisan goals, and its steadfast attention to the concerns and contributions of our allies and international organizations.

... that our national strength has been sapped by a defense establishment wasting money on duplicative and dubious new weapons instead of investing more in readiness and mobility.

... in an America that will promote peace and prevent war—not by trading weapons for hostages, not by sending brave Americans to undefined missions in Lebanon and Honduras, not by relaxing our vigilance on the assumption that long-range Soviet inter-

ests have permanently changed, not by toasting a tyrant like Marcos as a disciple of democracy, but by maintaining a stable nuclear deterrent sufficient to counter any Soviet threat, by standing up to any American adversaries whenever necessary and sitting down with them whenever possible, by making clear our readiness to use force when force is required to protect our essential security commitments, by testing the intentions of the new Soviet leaders about arms control, emigration, human rights and other issues.

... in following up the INF Treaty, a commendable first step, with mutual, verifiable and enforceable agreements that will make significant reductions in strategic weapons in a way that diminishes the risk of nuclear attack by either superpower; reduce conventional forces to lower and equivalent levels in Europe, requiring deeper cuts on the Warsaw Pact side; ban chemical and space weapons in their entirety.

... in an America that recognizes not only the realities of East-West relations but the challenges and opportunities of the developing world; that will support and strengthen international law and institutions, promote human and political rights and measure them by one yardstick, and work for economic growth and development.

... this country should work harder to stop the supplies of arms, from both East and

West, that fuel conflict in regions such as the Persian Gulf and Angola.

... in an America that will promote human rights, human dignity and human opportunity in every country on earth; that will fight discrimination, encourage free speech and association and decry oppression in nations friendly and unfriendly, Communist and non-Communist, that will encourage our European friends to respect human rights and resolve their long-standing differences over Northern Ireland and Cyprus; that will encourage wherever possible the forces of pluralism and democracy in Eastern Europe and that will support the struggle for human rights in Asia.

... the apartheid regime in South Africa to be a uniquely repressive regime, ruthlessly deciding every aspect of public and private life by skin color, engaging in unrelenting violence against its citizens at home and promoting naked aggression against its neighbors in Africa.

IN SUM, WE BELIEVE it is time for America to change and move forward again in the interest of all its families—to turn away from an era in which too many of America's children have been homeless or hungry and invest in a new era of hope and progress, an era of secure families in a secure America in a secure world.

WE BELIEVE the American dream of opportunity for every citizen can be a reality

for all Americans willing to meet their own responsibilities to help make it come true.

THEREFORE, THE DEMOCRATIC PARTY in Convention assembled and united, the Party of hope and change and fairness for all, hereby declares its readiness to end the stalemate in Washington by challenging, encouraging and inviting the American people—challenging them to do their patriotic best to meet their community responsibilities, encouraging them to protect and preserve their families, our most precious assets, and inviting them to join with us in leading the land we love to a brighter and still greater future of opportunity and justice for all.

Republican (Bush)

(From the publication "First Monday")

THE GOP PLATFORM

This year, Vice President George Bush and Sen. Dan Quayle, as well as Republican congressional, gubernatorial and local candidates, are running on a positive, detailed platform that spells out exactly what the GOP will do for America in the next four years.

The platform, unanimously adopted at the party's national convention in New Orleans in August, fully explains the

GOP's positions on a variety of issues. While the 40,000 word document retains much of the language of the 1980 and 1984 platforms, the Republican plan also covers new issues, such as child care.

Key planks include:

Jobs
The best jobs program - the one that created 17 million jobs since 1982 - is lower taxes on people. We believe that every person who wants a job should have the opportunity to get a job.... The failure of government make-work programs proves that jobs are created by people in a free market.

Taxes
The Republican Party restates the unequivocal promise we made in 1984: We oppose any attempts to increase taxes. Tax increases harm the economic expansion and reverse the trend to restoring control of the economy to individual Americans.

Child Care
In returning to our traditional commitment to children, the Republican Party proposes a radically different approach: Establish a toddler tax credit for pre-school children as proposed by Vice President Bush, available to all families of modest means, to help them support and care for their children in a manner best suited to their families' values and traditions.

Education
Because education is the key to opportunity, we must make America a nation of learners, ready to compete in the rapidly changing world of the future. Our goal is to combine traditional values and enduring truths with the most modern techniques and technology for teaching and learning.

Equal Rights
Since its inception, the Republican Party has stood for the worth of every person. On that ground, we support the pluralism and diversity that have been part of our country's greatness.... bigotry has no place in American life. We denounce those persons, organizations, publications and movements that practice or promote racism, anti-Semitism or religious intolerance.

We will continue our vigorous enforcement of statutes to prevent illegal discrimination on account of sex, race, creed or national origin.

Abortion
...the unborn child has a fundamental individual right

to life, which cannot be infringed. We therefore reaffirm our support for a human live amendment to the Constitution, and we endorse legislation to make clear that the Fourteenth Amendment's protections apply to unborn children.

Women's Rights
We renew our historic commitment to equal rights for women. We must remove remaining obstacles to women's achieving their full potential and full reward.

Defense
Republicans will support U.S. defense capabilities by keeping our economy strong and inflation rates low.

We stand in unity with our European allies in the conviction that neither a nuclear war nor a conventional war should be fought. Nonetheless, we must stay on the cutting edge of weapon system development and deployment to deter Soviet aggression in Europe and throughout the free world.

SDI
We have begun a historic transition from an America threatened by nuclear weapons to an America defended against the possibility of devastating nuclear attack.

SDI is already working for America. It brought the Soviets back to the bargaining table, and it has energized and challenged our research and technology community as never before. It has started to reverse the trend of unmatched heavy Soviet investment.

U.S.-Soviet Relations
Steady American leadership is needed now more than ever to deal with the challenges posed by a rapidly changing Soviet Union.

Republicans are proud that it was a Republican president who extended freedom's hand and message to the Soviet Union. It will be a new Republican president who can best build on that progress, ever cautious of communism's long history of expansionism and false promises.

Central America
Today, thousands of Nicaraguans are united in a struggle to free their homeland from a totalitarian regime. The Republican Party stands shoulder to shoulder with them in this struggle and is committed to assist them with both humanitarian and military aid. Peace without freedom for the Nicaraguan people is not good enough.

FHA Initiation

The FHA officers had an initiation and spaghetti supper on October 27 in the Homemaking room. The supper and initiation was to welcome the 11 new members. The officers dressed the new members up in decorated garbage bags and aprons. The initiation consisted of numerous activities, but the members thought it was worth it. They also played several games and had fun. At the end, they all enjoyed a spaghetti supper which welcomed 11 new members.

By Vanessa Clement

Class Of '89

There is this class of '89 who sticks together so devine.
 They to school at Cisco High.
 You can hear their voices sigh.
 They have the ability to get things done,
 From place to place they're on the run.
 From start to finish they never quit,
 They work-work-work and never sit.

The Homecoming float they built from scratch,
 "Loboes Raisin Cain" won the match.
 The football games they'll always remember,
 They'll never forget, come December.

The night we had more than one Homecoming queen
 Was really a surprise, much less a scene.
 But, never the less everyone was glad,
 When the Loboes won no one was sad.

Basketball games soon will take football's place,
 Then track will come with every race.
 Other sports will come along, and
 We'll cheer for them with a happy song.

When these things have finally passed
 Into the halls of time,
 We'll always remember we once were
 The Seniors of '89.

By: Aki Kleiner

Classes Elect Favorites

Classes at Cisco High School recently elected class favorites for the 1988-89 school year. The Freshman class named Brandi McCulloch and Derrick Roberts as class favorites. Brandi is the daughter of Ted and Delores McCulloch, and Derrick resides at the Matthews Boys Ranch.

Lela Beckett, daughter of Bob and Dawn Beckett, and Tris Parnell, son of Charles and Pat Parnell, were elected as Sophomore favorites. The Junior class elected Jana Muller, daughter of John and Katherine Muller, and Brandon Honea, son of Randy Honea, as their favorites.

Seniors, Dee Wages, daughter of Dick and Lynn Wages, and Phillip Shackelford, son of Ronny and Celia Shackelford, will represent the Senior class as favorites of 1988-89.

Congratulations, favorites, from the Lobo Howl Staff.

By: Lori Lopez

Poem

AUTUMN LEAVES
 Autumn leaves are red and brown,
 They fly through the air then hit the ground.
 Their beauty is a wonderful sight to see,
 For Autumn leaves are meant to be.
 A time of year for laughter and fun,
 The season of Fall has just begun.

 Lunch-- Fish, tartar sauce, tater tots, catsup, cole slaw, roll, milk and manager's choice cookie.

THURSDAY
 Breakfast-- Toast, jelly, grape juice and milk.
 Lunch-- Barbecue bun, pork and beans, chips, mixed fruit and milk.

FRIDAY
 Breakfast-- Sausage, biscuit, gravy, apple juice and milk.
 Lunch-- Chicken fried steak, baked potato, green beans, milk, iced grahams and roll.

CHS Student Council Attend Fall Convention In Ballinger Nov. 2

On Wednesday, Nov. 2, the CHS Student Council will travel to Ballinger for the District II Convention. They will leave at 7 a.m. and will spend most of the day at the Convention.

Several activities are planned for the day in Ballinger. Some of the activities include conducting elections for school officers and holding discussion groups. Marty Powledge and Lori Ann Speegle will be conducting one of the discussion groups.

Presently, the Cisco Student Council holds the District Office of Vice-President. Because of this office, CHS Student Council cannot run for another office until the other councils - not already officers - file to run for office. If no other councils choose to run for the office of Parliamentarian, then the Cisco Student Council will run for that District office.

The students from Cisco High who will be attending the convention are Martin Powledge, Tammy Glover, Allison Williams, Alicia Lambeth, Celia Walters, Lori Ann Speegle, Steve Couch, Ginny Pope, Sean Schaefer, Amy Haskins, Clay Lorance, Kammie Jessup, Lela Beckett, Christine Deadman, Teresa Gaeta, Kari Hull, Kerrie Jessup, Aki Kleiner, Jana Muller, Deanna Parrigan, Brandi McCulloch, Donielle Rabel, Kim Rhodes, Stacey Saunders, Rachel Valek, Julie Weathers, Kelli Whately, Julia Wickham, Roy Worley, Jana Yowell, and Tina Crozier.

meeting notices . . .

NOTICE OF MEETING OF THE GOVERNING BODY OF CITY OF CISCO
 Notice is hereby given that a regular meeting of the governing body of the City of Cisco will be held on the 8th day of November, 1988, at 6:00 P.M., in the Council Chambers at which time the following subjects will be discussed, to wit:
CALL TO ORDER:
INVOCATION:
MINUTES:
ITEM I: Regular Meeting of October 25, 1988.
NEW BUSINESS:
ITEM I: Consider Appointment of City Health Officer.
ITEM II: Consider Cancelling Regular Council Meeting of December 27, 1988 for Christmas Holidays.
ITEM III: Discuss City's Role in Promotion/Development/Expansion of Business in Cisco.
CITIZEN-COUNCIL DISCUSSION:
 I, the undersigned authority, do hereby certify that the above Notice of Meeting of the governing body of the City of Cisco is a true and correct copy of said Notice and that I posted said Notice on the bulletin board in the City Hall of Cisco, and said Notice was posted on November 4, 1988, at 10:00 A.M. o'clock and remained so posted continuously for at least three days immediately preceding the date of said meeting.
 Dated this, 4th day of November, 1988.

Junior High Football Teams Ended Season

The junior high football season came to a close Thursday night in Jim Ned. It was a very good season for both teams. The seventh grade ended with a won 4, lost 3 and tied 1 season while the eighth grade team had 8

wins, 0 losses and they remained undefeated for their two years in junior high. The last junior high team to be undefeated may have been a "Little Midgets" team in the late 1930's.

The seventh grade team battled to a 0-to-0 tie with the Indians from Jim Ned. Both teams played well on defense as the game was played in the center of the playing field. Coach Kent had high praise for his team and he congratulated the players for having a winning season.

Scoring for the Mighty Loboes of the eighth grade in their 38-to-8 romp over Jim Ned were Jason Hoffman on a pass from Quarterback Robert Smith. Hoffman also caught a two point PAT. Running Back Brent Shepard chipped in with a touchdown while work horse Jay Nixon continued his touchdown string with three trips to the end zone and a run for an extra point. Kicker Robert Smith split the goal posts for his two extra points.

Coach Jones has coached the team to two straight years of victories. He said he was very proud of the team and happy to be a part of such a feat. He predicts good things for this group of young Loboes in the future.

Cross-Country Comments

This week we interviewed our famous coaches, Lori Whately and David Summers. Mrs. Whately's comment on the team was, "They were all great." She also stated that Jana Yowell and Ginny Pope have a great

chance at state by themselves in our district. I asked Coach Summers how he felt about his star runner, and he said he prefers to think of the team as a whole. So, that shows how good a coach he is.

By: David Longoria T.

District Leadership Conference

On Nov. 15, several members of the Cisco FFA will be attending a District Leadership Conference at Cisco Junior College. There are approximately 30 members planning to compete in eight different con-

tests. These members will have an opportunity to qualify for Area Contests at Tarrant State University. The Lobo Howl Staff would like to wish all these FFA members the best of luck.

By: Frances Gonzales

CHS Football Sweetheart

Friday night is the end of the line for the football season, and what better way to end the last football game than starting it with the crowning of a football sweetheart.

This year's crowning will be before the football game on Friday, which is against Jim Ned. One of these honored girls will be the varsity football players' choice of a sweetheart.

The nominees are as follows: Aki Kleiner, the daughter of Mr. and Mrs. Carl Kleiner. The second girl is Cindy Choate, the daughter of Jim and Jerry Choate. Stacey Saunders, the daughter of Mr. and Mrs. Ray Saunders, is the third Senior girl that has been nominated. The last two Senior girls are Dee Wages, daughter of Mr. and Mrs. Dick Wages. Last, but not least, is Ginny Pope, the

daughter of Mr. and Mrs. Bayless Pope. These five girls were nominated by the football boys as their choices for sweetheart.

We would like for everyone to come and show their support to the Loboes as they play their last and final game of the year against Jim Ned.

And The Winner Is.....?

Wanda's Corner

by Wanda Hallmark

We received a call from a former teacher in Cisco about the third Proposed Constitutional Amendment to be voted on Tuesday, November 8. The amendment is to whether to vote for the investment of the permanent university fund, the permanent school fund and public employee retirement systems in the Texas growth fund created by the amendment, which will directly create, retain and expand job opportunity and economic growth in Texas.

This teacher is against the amendment and hoped that it does not pass. She said one of the retirement systems that the amendment would take money from is the teacher's retirement fund. And this is made up of individuals giving to this fund for their retirement and she doesn't want to see the government step in and take this money away from them.

She said right now a teacher's retirement is based on their wages of their last five year's of teaching. She said some teachers who are now living in Cisco and are living on this retirement taught school when teachers did not make very much. She said they need to increase the retirement fund, not give money out from it.

John Muller gave the pros and cons on the three amendments to the Cisco Rotary Club Thursday. (see the story in this issue of the paper) and I agree with the teacher who called me and endorse voting against Proposed Amendment No. 3.

I also endorse going to the polls on Tuesday, November 8, and voting for the president of your choice, the Supreme Court Justices of your choice and other officials who are running for office. All reports we have received say there will be a heavy turnout of voters Tuesday. So be sure and vote! Your vote counts!

Earl Ray and Ivan Webb have two movies from the U.S. Department of Education on how to combat the drug problem in schools. Mr. Ray said the department claims a school can become drug-free if a program they have is worked through.

Mr. Ray said he needs volunteers to help him work with this program. He has worked very hard to help rid our town of drugs. If you would like to help call Earl Ray at 442-3433 or to find out about getting a movie for a church group or school group, call Mr. Webb at 442-3647.

In the October 12, 1988 issue of the Fort Worth Star Telegram, the front page had a picture of a security guard at an apartment complex there holding a rifle. He had to carry the rifle to protect the tenants and himself from the drug users and pushers that were there.

When I lived in the Dallas area 20-years ago, there was trouble there, but the security guards did not have to walk around with rifles for protection, the police did. But, that was 20-years ago.

If this area does not start fighting drug abuse here, what will it be like in 20-years?

The residents of a town can fight to change bad to good if they want to and I believe that Earl Ray is ready to help fight the drug problem here. But he is going to need help, so if you can help give him a call.

We have had several calls recently about the names that are scattered in the classified pages of The Cisco Press. If you see your name in the classifieds, stop by The Press and pick up a free ticket to the Majestic Theater in Eastland.

Gladys and Ivan Page of Cisco recently celebrated their 58th wedding anniversary. Their three daughters, Ruth Wiley of Cisco, Anita Webb and her husband, Wayne, of Cisco and Gloria Terry and her husband and son, Ray and Sam, took their parents on a sight-seeing trip for an anniversary gift.

They rode the river ride in San Antonio, and stopped at Inks Lake and Lake Buchanan. It was reported they all had a good time.

Turkey and deer season opened Saturday, November 5. It was reported the spring 1988 wild turkey production was the lowest in recent history. But, hunters still should see plenty of turkeys during the upcoming fall and spring hunting seasons.

The fall turkey hunting season runs concurrently with the white-tailed deer season. In most of Texas the regular season is Nov. 5-Jan. 1. In South Texas, the whitetail season is Nov. 12-Jan. 8.

Larry Milner, who was the Cisco Chamber of Commerce manager from January, 1962, to May 3, 1963, recently made news in a Dallas newspaper.

He and Bill Sarpalus are fighting for Beau Boulter's place in the 13th Congressional District race, which encompasses 37 counties in the Texas Panhandle and around the Wichita Falls area to the southeast, but not Eastland County. Boulter is trying to unseat Democratic U.S. Senator Lloyd Bentsen.

When Milner left Cisco he moved to take a job with the San Angelo Chamber of Commerce. He has since been an executive with Southwestern Public Service, an Amarillo-based electric company, an utility lobbyist and most recently served as president of the Amarillo Chamber of Commerce.

P.T.O. Cisco Elementary School Update

Attendance figures for the month of October are impressive. Overall attendance for the month was 97.89 percent. A total of 376 of our 493 students had perfect attendance all 4 weeks! Miss Stiles' class won in kindergarten with 97.63 percent attendance. There was a tie in first grade with Mrs. Reynolds and Mrs. Webb's classes each maintaining 100 percent attendance! Mrs. Lawrence's second grade class won with 98.69 percent. In third grade, Mrs. Summers' group scored 98.63 percent. Mrs. Maxwell's fourth grade was 98.75 percent. In the fifth grade, Mrs. Clark's class had 98.82 percent. Then, Mrs. Choate's sixth grade had 99.29 percent attendance. Each of these classes will receive a party for highest attendance in the competition between classes. Mr. Lindsey would like to thank everyone for the cooperation shown for better attendance. Many of the teachers have remarked that the students' grades are better with the increased attendance totals.

All the children have received a gold medal from PTO and the teachers. Each teacher decided on an attitude that described your child's efforts for the first 5 weeks and that attitude was printed on his/her gold medal.

The PTO Mexican supper was a success thanks to the efforts of many people. A total of 315 tickets were sold. Special thanks to the moms that helped cook, set up, decorate, serve and clean up. Thank you to Thrift Mart for being so accommodating and to Rust Country Meats for giving us a good price on the meat. Special thanks to all the people who came to the dinner and help support our school and its children. There are pictures in the paper of all the room winners that sold the most tickets per room. Kate Hounshell won the top seller prize of \$25. Each room winner chose a folder or a spiral as a prize. Thanks, children, you sold 240 of the tickets.

To continue the report on the study of elections, I found out that all the 4th grade classes and one 3rd grade class took part in a national poll by Weekly Reader to see who that age group thought would be the best President. They all voted and results were sent to

Weekly Reader to be published after the election on Nov. 8th.

All of the 3rd and 4th grades have been going over the steps in the election process. Those rooms participating in the Weekly Reader poll were 4th- Mrs. Kirk, Mrs. Maxwell and Mrs. Zell; and 3rd- Mrs. Ferguson.

Miss Gosnell's 3rd grade class just finished an at-home project about communication. Some of the subjects were codes, Braille, how animals communicate and radio commercials. Mrs. Sumner's third grade recently taped radio plays, complete with sound effects. They were given the beginning of a story, then they had to finish it. They wrote it, taped it with sound effects, then played it back for entertainment. Most liked the sound of his/her own voice.

Mrs. Webb's first grade is trying to "Go to the Top," earning their way up the ladder to the Presidency, by accomplishing special activities and learning certain skills. They go from mayor to state representative to state senator, to governor, to U.S. Representative, to U.S. Senator to President. All first grades are soon to begin the study of Pilgrims and Indians.

The presidential debate in Mrs. Choate's 6th grade class went well. She was very satisfied that the students researched the issues and presented them in a respectable manner. In the hall outside Mrs. Cearley's 6th grade classroom, there is a picture of a train made of different seeds. They have been studying different types of seeds in Mr. Denison's science class. Also in the hall are the children's names written in cuneiforms - the earliest form of written communication that is translatable. Cuneiforms date back to around 4000 BC, Sumerian times. I had never heard of these, so I was intrigued.

Remember that next Tuesday, Nov. 8, the children get out early. Buses will run early also. Kindergarten and first grade get out at 1:50 p.m. Second and third grade dismiss at 2 p.m., and 4th, 5th, and 6th grades can leave at 2:15 p.m. That is also Election Day - please go vote!

Two dwellings located at 2010 and 2012 Conrad Hilton Avenue, one or both \$6,500 each.

Will listen to an offer on a nice two bedroom frame, close to school, paved street.

Good solid three bedroom frame, desirable location and priced to sell, can finance.

Neat 2 bedroom stucco, possible financing, priced right.

400 ac very scenic land, deer and turkey and located good.

300 ac on paved highway and close to town.

Two very desirable commercial buildings on Conrad Hilton Avenue.

We do not need to many for sale signs, "because we sell our property".
