

# Mr. Muleshoe ...

By J. M. Forbes

## SCOOP! SCOOP!

This week we have something hot off the wire for the citizens of Muleshoe!

The city dads have authorized this newspaper to report that a comprehensive paving program is being worked out and will be announced to the public for their approval in a very short time.

They will submit plans for paving about 85 per cent or more of all the blocks in the city of Muleshoe.

When ready, the plan will be explained in detail and the people will be told just where the paving is to be laid and what it is going to cost us.

Watch for details about this program concerning paving, one of the most important projects on our agenda right now.

And to the dwellers in the lowlands where water from a big area accumulates every rain, it will be welcome news that the city commission is considering ways and means to divert at least 50 per cent of that water away from their neighborhood. It can be done with proper drainage that will be a part of the paving program the boys have in mind. They won't ever stop it all, but they can help a lot, they think.

The writer of this column is always flattered when he gets an invitation, especially so if it's printed or engraved. We feel particularly flattered and of course interested in the following invitation:

"The First National Bank of Amarillo requests the honor of your presence at the Formal Opening of the new First National Bank Building, Amarillo, Texas, Monday evening, August 7, 1950 from 6 to 10 o'clock and cordially invites you to visit the new quarters of the bank on the occasion of its Sixtieth Anniversary."

You understand the bank people mean YOU as much as they do me and you no doubt would enjoy a visit there on this occasion.

But Sixty Years in Business! What a wealth of history has piled up behind this mighty influence for progress and development in this half century and decade to boot of the First National's existence. Their influence has pervaded every nook and cranny of the Panhandle-Plains. The bank is a great institution in Amarillo I do not doubt, and what, may I ask, would the Plains be like without old Amarillo as one of its main focal points. I have about in these paragraphs, sold myself on the idea of attending this Anniversary, myself.

Houston Hart, young Muleshoe business man, has furnished this column with a few definitions that you might like to ponder a little. (Somebody mailed it to him). Here they are:

Capitalism: If you have two cows, you sell one and buy a bull. Socialism: If you have two cows, you give one of them to your neighbor.

Communism: If you have two cows, you give them to the government and the government gives you milk.

Fascism: If you have two cows, you keep the cows and give the milk to the government.

New Deal: If you have two cows, you shoot one, milk the other, then pour the milk down the drain.

Fair Deal: If you have two cows, you let them starve so you can buy your milk in cans, thus making business better.

County Agent J. K. Adams has loaned the editor a copy of the annual report of the Texas Agricultural Extension Service and the Texas A & M College System, just released, and entitled "The Half-Way Point". In a forward, G. G. Gibson, director, said:

Here at the half-way point in the century all of us face a challenge—a challenge to review the technical and social advance of the past fifty years and of the part we have played, individually and collectively, in bringing about these advances.

Agriculture has made great strides in that half century. In the past 50 years output per farm worker has increased by 250 per cent. New practices and new techniques have been developed by the research workers and put to work on farms and ranches. Mechanization and electrification have not only made the farmer more efficient, but have eliminated much of the drudgery of farm life for him and his family.

At the turn of the century the farmer resisted change. He learned to farm as did his father before him and he was suspicious of book learning. Here and there however, and individual was willing to work with his county agents in trying out the things the scientists had proved were practical.

These pioneers, they learned by doing. They were the first to fight the cotton boll weevil, to farm on the contour, to seed winter legumes for soil building, to plant corn hybrids, to can food, to produce quality eggs and milk, to apply the principles of human nutrition.

## TO HELP MAKE PLANES

Herschel Dennis has returned to San Diego, Calif., to resume his old job of helping to make warplanes at Rohr Aircraft. He came here to learn the printing trade under the GI Bill and has been making his home with his aunt and uncle, Mr. and Mrs. J. M. Forbes, while working at the Journal. Dennis considered it likely he would be called to the service again in the coming months.

# The Muleshoe Journal

DEDICATED TO THE PROGRESS AND DEVELOPMENT OF BAILEY COUNTY AND THE GREAT MULESHOE COUNTRY

Volume 28, Number 32

MULESHOE — County Seat of Bailey County — TEXAS

Thursday, August 3, 1950

## July Rainfall Here Was 7.64 Inches, Total For The Year Is Now 11.62

Rainfall in Muleshoe for the month of July totaled 7.64 inches. R. J. Klump, weather recorder, reports. Parts of the Muleshoe territory received much more.

It was the most rainfall for any July since records have been kept with the exception of July, 1924, when 8.13 inches were recorded. The heavy rainfall year, 1941, had only 6.92 recorded for July.

More heavy rains have fallen here since the books were closed on July 1 a rain Monday afternoon and Monday night August 1, brought 1.66 inches to add to the above total. Rainfall for the first six months was 9.96 inches and now totals 11.62.

Rain fell in Muleshoe on 18 days out of the 31 in July, being recorded by dates as follows:

2nd, .95; 4th, .67; 5th, 1.29; 6th, .06; 7th, .37; 9th, .02; 10th, .53; 11th, .14; 12th, .43; 15th, .16; 16th, .16; 17th, .45; 18th, .02; 20th, .58; 21st, 1.41; 24th, .02; 25th, .25; 30th, .07.

Mixed results were noted from the heavy rain. While crops that were up to a good start were practically "made" by the rains, those farmers who had not had sufficient moisture to plant found their fields still bare of plants, and those who had planted after first light rains fell had to replant, and in some instances will not have time to mature their crops.

There is lots of young feed in the Baileyboro area and south and southwest that some observers believe will make grain, although it is a touch and go proposition, since cooler weather in late September sometimes slows down the growth of feed. There is not much cotton in the county excepting on irrigated places and this is estimated at about 13,000 acres growing now.

Predictions are being heard that a large acreage will be planted to wheat this year, especially since some land is idle and there is now an excellent season in the ground to get wheat well started.

## A. F. Ashford Rites Conducted

A. F. Ashford passed away at the home of his daughter, Mrs. George B. Cox, Choctaw, Okla., July 23. Funeral services were held July 26 at 2:30 p. m. at Creston Hill Methodist Church in Oklahoma City.

Rev. Cates, pastor of Mountain View Methodist Church conducted the services. He was laid to rest in Spencer cemetery by his wife, Laurie, who preceded him in death just six weeks ago. Mr. Ashford was born in DeQueen, Ark., February 12, 1871. In 1897 he was united in marriage to Laura B. Suttle of Bonham, Texas. To this union nine children were born, Floyd, Ansel, and Athel who preceded him in death and the following who survive:

Mrs. Raymond Precute and Alton F. Ashford, of Muleshoe; Mrs. Geo. B. Cox, Choctaw, Okla.; Arnold Ashford, Tulsa, Okla.; Elmer Ashford, El Reno, Okla.; and H. F. Ashford, Nicoma Park, Okla.

He also leaves two sisters, Mrs. Bertha Snyder, Prague, Okla., and Mrs. Annie Nichols, Shawnee, Okla., three brothers, J. D. Ashford, Houston, Texas, Andrew and Charlie Ashford of Ceres, Calif., who attended the funeral.

Mr. Ashford survived by twelve grandchildren and a host of other relatives. He gave his life to Christ in early manhood and joined the Methodist church. Most of his life was spent near Mountain View, Okla., where he and his wife were engaged in farming. In March of this year they moved to Oklahoma City to be near some of their children.

On June 3 his wife passed away. He was making his home with a daughter, Mrs. Geo. B. Cox, Choctaw, Okla., at the time of his death.

## Rotary Club Plans Program

Extracts from a recent address of Benjamin F. Fairness, president of the United States Steel Corporation on "Business, Big and Small Built America", were read by Ray Keeling, president of the Rotary Club of Muleshoe at the regular meeting Tuesday. The speech a powerful statement on the American system of private enterprise, was enjoyed by the members.

A meeting of 14 aims and objects committee of the Club Tuesday night was called to outline programs for the coming six months. Sturman Clark, of Sinton, was a guest of Estelma George Macy.

## Jack Durham Last Rites Held

Jack Denzel Durham, 4 year old son of Mr. and Mrs. Homer Durham, of Muleshoe, passed away Saturday morning, July 29, at 6 o'clock in the home of his aunt and uncle, Mr. and Mrs. Chess Gollman, in Hereford. The little boy had suffered from leukemia and had been ill the last time for three months.

Funeral services were held in the Avenue Baptist Church of Hereford Monday, July 31, at 9 a. m. Rev. Fields, pastor, officiated. Interment was in Hereford cemetery.

Jack Denzel is survived by his parents; one brother, Bill, of Muleshoe; six sisters, Mrs. Horace May, Clovis, Mrs. Charlie Shaw, Texico, Mrs. David Brookshier, Muleshoe, Mrs. W. L. Brookshier, Sapulpa, Okla., Betty Durham, and Joyce Durham, of Muleshoe. His grandparents are Mr. and Mrs. Charles Durham of Hickory, Okla.

## Methodists To Begin Revival

The First Methodist Church of Muleshoe will begin a revival meeting August 13, to continue through August 20, Rev. H. W. Hanks, pastor, announces.

Services will be held twice daily. The morning service will be at 10 o'clock, closing 10 minutes to eight. Rev. Hanks said this is an hour that many congregations have tried and found to be very practical. This gives the farmers and ranchmen time to get in for the service and get back and do a full day's work. The business men will get to their places of business by eight. Doughnuts and coffee will be served at this hour.

The evening service will begin at eight o'clock. Prayer groups are planned. The men will meet in their room and the women in their room. Young people and intermediates will meet in their room and the juniors and younger children will meet in their room, for thirty minutes of prayer service, and then all will go immediately to the auditorium for the preaching service.

The preaching will be done by the Rev. U. S. Sherrell, pastor at Sudan. Rev. Sherrell is said to be a splendid preacher and a fine man. He is now serving his fourth year as pastor at Sudan. Rev. Hanks said, "The success of the revival depends upon you and me. May each of us make prayerful preparations and do our best."

## NEW BOOKS ADDED TO LIBRARY

Three new western books have been added to the Library this week. They are: "Black Boulder Ranch" by Bret Austin, "The Kid From Sunset Bluff" by Abel Short, and "The Heppern" by Westcott.

Three new readers have bought cards this week. Mrs. E. R. Wright, Librarian

## WARNING!

We note that some are still turning the tractors, the paved farm to market roads in this county allowing the plows to damage the paving. This is strictly against the law and unless the practice is stopped the Commissioners' Court will be forced to see that the law is enforced. The law provides a penalty of a fine of not less than \$25 nor more than \$200 for such violations. Please help us to protect our public roads.

COMMISSIONERS COURT  
Bailey County, Texas

## Last Rites Held For Mrs. Goodson

Funeral services for Mrs. Savannah Goodson were conducted at 9 a. m. Monday at the First Baptist church in Muleshoe, with Rev. A. W. Blaine, pastor in charge. Interment was in Muleshoe Cemetery under direction of the Muleshoe Funeral Home.

Pallbearers were Charles Lenau, Ray Keeling, Woodrow Lambert, O. D. Ray, Horace McAdams, and Buck Wood, all members of the Ben Richardson Post, American Legion. Mrs. Goodson always took an active interest in the Legion Auxiliary, and was a charter member of the local Auxiliary.

Mrs. Goodson, who was 84, passed away at 4 p. m. Saturday, July 29 after suffering a heart attack. She had been a resident of Muleshoe for 25 years.

Mrs. Goodson was born February 18, 1866, at Cartersville, Ga. On August 10, 1884, she was united in marriage to M. A. Goodson at Cartersville, Ga. To this union were born nine children, two daughters and seven sons.

Three sons, S. A. Goodson, F. E. Goodson, and Homer Goodson preceded her in death.

She is survived by the following children: J. P. Goodson, J. A. Goodson, and W. T. Goodson, all of Childress, Texas; Claude Goodson, Clayton, N. M.; Mrs. Mary Hart, and Mrs. Ethel Hudson both of Muleshoe, Texas. Other survivors include 24 grandchildren and 16 great grandchildren.

Mrs. Goodson became a member of the Baptist Church at the age of 15 and had been active in the work of the church throughout life. She also was a member of the Eastern Star.

Out of town friends here for the funeral services include Mrs. L. W. Brooks, and Miss Jaunice Brooks, Dallas; Mr. and Mrs. J. W. Bailey, of Olton; Mr. and Mrs. Charlie Bailey, Eakersfield, Calif.; Virgil Burnett and Alvin Burnett, Lubbock.

## CONGRATULATIONS TO:

Mr. and Mrs. Perry Lyasky of Lovington, N. M. formerly of Muleshoe, are announcing the birth of a son, named Raymond Perry Jr., on July 15. He weighed eight lbs. and 14 oz.

## 12,000 Bales Is Forecast For '50 Cotton Crop In Bailey County

## Baptist Revival Starts August 13

Lee Hemphill

The First Baptist Church of Muleshoe is to have a revival starting Sunday, August 13, and continuing through Sunday, August 27. Rev. Lee Hemphill, pastor of the First Baptist Church, Littlefield, will be the evangelist.

Plain gospel messages and good singing are in store for all who attend the revival. Rev. A. W. Blaine, pastor, announced. There will be two services daily, 10 a. m. and 8 p. m. Everyone is welcome and extended a cordial invitation to attend.

Music Director for the revival will be Euell Porter, head of the Voice Department at Hardin-Simmons University in Abilene.

## Aug. 15 Draft To Call 30 Men

The Tri-county Selective Service Board composed of Bailey, Lamb and Cochran Counties has received a call for 30 men to be sent for physical examinations in Amarillo on August 15.

The first Selective Service call was for 20 men and they are to report for physical examinations on August 8. In this first call, records show that 14 men are from Lamb County, four from Bailey County and two are from Cochran County.

CONGRATULATIONS TO  
Mr. and Mrs. Perry Lyasky of Lovington, N. M. formerly of Muleshoe, are announcing the birth of a son, named Raymond Perry Jr., on July 15. He weighed eight lbs. and 14 oz.

## McWilliams Cafe Opens Monday

Mrs. Gladys McWilliams, well-known cafe operator in Muleshoe, re-opened the cafe on North Main Street Monday which was formerly operated by Royce Garth. Mrs. McWilliams has been in the restaurant business here since 1935, having operated the Muleshoe Coffee Shop and the Cross Roads Cafe. She began her restaurant career in Muleshoe in 1928.

This cafe has been redecorated, and repainted throughout. The walls have been painted pastel blue and new linoleum laid, and the woodwork repainted. Mrs. McWilliams will specialize in lunches, short orders, coffee and drinks, and steaks.

The preparation of meals and fry cooking will be under the direction of Mrs. McWilliams. Other employees will be Cleo Johnson, Mrs. Doris Lambert, and Mrs. P. W. Wilmore.

Mrs. McWilliams extends an invitation to her many friends and former customers in this area to visit her in her new restaurant. She assures them of prompt and courteous service and fine food.

# Parking Meters To Be Installed For Six Months Experimental Period

The City Council of the City of Muleshoe met and among other things the question of installing parking meters in Muleshoe arose. The difficulty faced by patrons of business firms in finding parking space near where they want to park prompted the council to take action in trying to eliminate the congested traffic condition in the downtown area. As the following release from Mayor King's office states, the meters are to be installed on a six months trial basis only, and if they prove satisfactory and the people want them, they will remain, otherwise they will be removed at the end of the period.

The statement follows: The City Council announced today that parking meters will be installed in the business district of Muleshoe.

Quotations have been received from four of the leading manufacturers of parking meters and Mayor King says that the make of meter will be decided after careful check with neighboring towns now operating meters.

The members of your City Council are in unanimous agreement that the advantages of parking meters so far outweigh the disadvantages, that we should give them a tryout. The 2 members of the Commission and the Mayor do not say the parking meter plan will prove successful in Muleshoe; we do say a large majority of towns with similar problems to Muleshoe's recommended we give them a trial after having tried the meters in their towns.

Before considering the possible advantages of parking meters let us make it clear at the start that:

1. The meters will be installed without a penny cost to the city, on a 6-month trial basis. The City of Muleshoe will receive one-half of all revenues during the 6-month experiment; then if the City should decide to buy the meters, the 50% of collections from the meters already sent to the Co. will be applied on the purchase price. Normally, a meter pays for itself in revenue collected within two years, after which time the entire proceeds go into the general fund of the city.

Your City Commission consists of two commissioners and the Mayor, all elected by popular ballot. It goes without saying that none of us is serving because of the salary men, pay taxes and have the best interests of all business men and citizens at heart, the same as any 3 other business men. If parking meters or any other city project helps or hurts the welfare of Muleshoe, it helps or hurts the members of your city commission the same as it does your theatre man, your druggist or your banker.

We 3 men were unanimous in agreeing to try out the meters after thorough investigation, for the following reasons:

1. Public convenience, enabling townspeople and other customers of downtown business establishments to park their cars within close proximity of shopping points, by discouraging long time free parking of cars owned by business men and persons employed downtown, as is now the custom.

2. Safety, by making parking

space available during most of the day, thus avoiding temporary doubling of parking in our busiest area which creates hazards to pedestrians and motorists alike.

3. City revenues would be increased a few thousand dollars annually by meters.

Those are the principal advantages promised by parking meters. Now as to the disadvantages or objectionable features: Would the 10 to 50 parking meter fees "drive" customers away from Muleshoe to nearby smaller towns which do not have meters? Your Commission frankly doesn't know, but we think not, judging from the experience of several towns we have checked.

The Commission believes persons needing to park near a certain store where they wish to make a purchase, would gladly pay 1c for 12 minutes, five cents for one hour or ten cents for two hours, if their need were urgent enough, whereas under the present system they might have to park two or three blocks away from the particular store they wished to visit; consequently they might shop elsewhere.

Wouldn't the fact that a parking fee is required, penalize the firms in that area by "driving" their customers to competitive stores where parking meters were not located? It is the considered judgment of your Commissioners it would not hurt them but would actually benefit their business by making parking space available to many times more customers, few of whom can now find space near the firm where they need to make a purchase.

If parking meters are a good thing why don't all towns of Muleshoe's size have them? Scores of towns of less than 5,000 population do have parking meters. Towns like the citizens making up these towns, are reluctant to take on new ideas until they have been proven beyond any doubt. But scores of towns of Muleshoe's size have adopted the parking meter plan since the end of the war; more are doing so every month, and your commission knows of only a few cases, where after they have been tried, they were taken up.

To those of you who are opposed to parking meters, we might say that some of the members of the City Commission were also opposed to them when the subject was first brought up. After considering all the angles the Commission unanimously voted to try them out.

We would remind you our only interest in parking meters or any other problem pertaining to your city government, is the best interest of our town as a whole. If parking meters are good for Muleshoe, the members of your Commission want them, and if they are detrimental to Muleshoe we do not want them.

The meter company will pay the entire cost of installation, and the City of Muleshoe will not spend one penny. On the other hand the City treasury will receive one-half of all revenues during the 6 months we are trying them out, and all of the revenue if we decide they are a good thing. The way we see it, we have everything to gain and nothing to lose, and we hope and trust the public will conduct this experiment with an open mind.

Latest forecast of the 1950 Bailey County cotton crop is 12,000 bales, compared with a production in the county last year of more than 65,000 bales. The first estimate of K. N. Clapp, Lubbock, area observer for the Anderson-Clayton Cotton Co.

Mr. Clapp estimated the county now has 12,000 acres of cotton growing, indicating how conditions have been "spotty" this year, the estimate for Lamb County, Bailey's neighbor to the east, is 105,000 acres now growing and a predicted production this year of 95,000 bales.

Conditions lately have been fine for cotton that was up good before the rains begin. Ample moisture and many hot days have given the plants a rapid growth. Insect damage in this immediate section has not been great as yet, it is believed. Some dusting has been done and more will be done when it appears the rains have let up for a while.

Big Crop For The South Plains  
A 1950 South Plains cotton crop of 870,000 bales based on present field conditions is the forecast of Mr. Clapp.

Prospects favor the largest production, acreage considered, in the area's history, he commented. Clapp estimated that 1,442,000 acres of the 1,531,000 originally planted this year still remains in the staple.

A crop of this size forecast would be the fourth largest in history and, based on present market prospects, would represent a cash value of between \$140,000,000 and \$175,000,000.

Entering Critical Month  
Years when larger crops were harvested above the Caprock and the approximate total acreage in cotton were: 1949—1,625,000 bales from 2,750,000 acres; 1937—959,000 bales from 1,650,000 acres; and 1948—944,000 bales from 2,059,000 acres.

Clapp commented that the 1950 crop is entering the critical month of August in the best condition of any he has observed since he moved to the South Plains more than 27 years ago.

Prospects in 10 of the 20 counties of his territory were "good," "excellent" in nine others, they are rated "good," and in only one, Yoakum, were they classified as "fair." Yoakum has only about 12,000 acres of cotton land.

## Bailey Farmers Ask Reservoir Be Designated

Bailey County farmers at a meeting here Monday night voted to petition for designation of a water reservoir here with the view eventually of organizing a water conservation district under the State Law authorizing such a procedure.

Nearly thirty persons were in attendance at the meeting, about twenty of them actual farmers. The meeting was called under auspices of the Bailey County Water Conservation Association.

Those present signed a petition and other petitions will be passed among those who use irrigation and those who plan to do so.

In a business session, the Association elected Henry Schuster as president and unanimously approved a petition requesting designation by the State Board of Water Engineers of an underground water reservoir. Eighteen persons signed the petition.

Bailey County is among 21 Panhandle-South Plains counties given notice of a public hearing in Plainview August 29 at which the State Board will "designate any or all (of the counties) as an underground water reservoir or subdivision thereof."

The board recently returned filing fees for petitions submitted by Lamb, Hale and Hockley Counties announcing that it has jurisdiction on its own motion under provisions of the law to set a hearing. The board felt that one hearing would expedite the designation required by law.

Counties named in the hearing notice were Armstrong, Bailey, Briscoe, Castro, Cochran, Crosby, Deaf Smith, Dickens, Floyd, Garza, Hale, Hockley, Lamb, Lubbock, Lynn, Oldham, Farmer, Potter, Randall, Swisher and Terry.

### SPIRALING PRICES

Profiteering, an ugly word that practically was banished from polite language after World War I, has been revived as a term applicable to rising prices since the outbreak of the Korean war. The description has been used at least twice by the President in recent weeks, frequently in Congress and often in ordinary conversation.

The Senate banking committee has called off a scheduled price investigation because of more pressing matters, but a collateral inquiry is being conducted by a Senate subcommittee headed by Senator Gillette. The word "Profiteering" is a prejudicial epithet of a generalized nature, and in justice to all concerned the charge should be fully explored by a competent, impartial agency.

Price rises inevitably occur in war. They developed in 1941 and 1942 as in 1950. A factor in these occasions has been stampede buying which skyrockets demand and dislocates local supply, although national stocks of most commodities have been and still are abundant.

Another basic force for inflationary spiraling is the continued policy of deficit spending which puts more money in circulation. Loose credit has the same effect. Yet, some price rises have been unjustified from the public standpoint.

A hidden cost of this inflation will be that added billions for defense will buy less and that still additional billions will be required to finance defense security. Whatever the reason for inflation, the nation should not temporize with it.

### RABSON DISCUSSES

#### Advertisers

Babson Park, Mass., July 28—I have just been reading a most interesting advertisement of a great steel company. In effect, it constitutes a report of the progress this company has made in its production of steel plates for ships, bombs, and other war materials. This company has nothing what-so-ever to sell to the general public, but it chooses to buy considerable newspaper space to give the people some most encouraging facts.

**RELIANCE AND RETURNS**  
The public has come to rely upon stances people make it a practice to read the ads first and the news stories second. Naturally, there is some waste in advertising; but 90% of it is to the good. The merchant who pays a bill for advertising expects his ad to "pay its way". The return in merchandise sales per dollar spent for space is carefully watched.

In certain types of copy featuring the sale of shoes, dresses, and various other articles of consumer goods, a merchant thinks he can determine an hour after his store opens for business whether or not the advertisement is a success. He fools himself by trying to do this. Statistics show that money spent on one daily newspaper advertisement will be a factor in increasing sales for a period of some months ahead.

**DON'T WORRY ABOUT KOREA**  
Many believe that the consumers goods industries must now fall off and are curtailing advertising. I cannot necessarily agree with this position. Whatever happens in Korea, the vast machinery of manufacturing and distributing which makes up our great retail trade must be kept running. Newspaper advertising is the best means of making this possible. Besides, I am more optimistic on the international situation than I have been for some years. The Koreans will get such a punishment that it may be many years before Russia gets some other satellite to try the same stunt.

Too many readers accept their newspapers as a matter of course. Newspapers are, however, as important to their communities as are municipal conveniences and other services. Probably no single item would be missed more from our daily lives than our local newspaper. A newspaper is the greatest buy in the world. All newspapers, regardless of size, are highly educational. Unlike other great institutions of learning, however, they are not endowed and must be self-supporting. Naturally, what keeps a paper going is its advertising revenue. Everyone should help on this as a civic duty.

**SERVICE RENDERED BY NEWSPAPERS**  
Newspapers are vastly more important to retailers, manufacturers and the city itself than merely increasing sales. All kinds of civic and social organizations rely upon free notices of their activities. We all have more of a stake in the business of advertising than we realize. Our papers not only give us the news each day but the growth of our cities depend upon the prosperity of our local newspapers. Washington certainly owes a debt to all newspapers whether editorially they are "for" or "agin"

under the delusion that boom times are good things. Spiraling prices will hasten price control, which should not be necessary when there are abundant surpluses of food and many other commodities. It should be remembered that in the war years the diversion of spending from the consumer market into savings bonds was the prime deterrent to inflation. Hoarding or stampeede buying has been having the opposite effect. —Star Telegram.

### 60 Lives Saved By Texas Drive

AUSTIN, — An even 60 Texans were alive at the end of June because of the Texas Highway Patrol's war against speeders. That figure represents the number of less lives lost in traffic accidents during that month than in May.

Walter J. Elliott, Chief of the Texas Department of Public Safety's Patrol Division, reported today that his men filed more arrests for speeding during June than any previous one-month period in the history of the organization. In that 30-day month, Patrolmen spread a total of 3,390 speeding charges on the arrest records of the state, thereby bringing to, at least, a temporary halt the continuing upward trend of traffic fatalities which has been noted each month since the beginning of the year.

Colonel Homer Garrison Jr., Director of the State Safety Department, points to the 146 traffic victims of June and calls attention

to the Administration. Successful manufacturers are carrying on a most sensible campaign of paid publicity with no chance of now getting their money back through immediate increased sales. I hope more local firms will take advantage of the opportunities of advertising which are offered today. Yes, I am optimistic for advertising for those who will stick to it "rain or shine". Sensible continuous advertising is the best investment that there is.

**ADVERTISING AND TAXES**  
Merchants who cut down advertising appropriations at this time are making a great mistake. Not only do all merchants now need more sales, but those who advertise now get more attention when their competing merchants are not advertising. Now is the time to advertise.

One of the best ways to avoid the "boom or bust" policy would be for Congress to allow a special tax reduction as an incentive for five-year contracts for advertising expenditures. Then instead of merchants spending freely good years, with very little left for lean years, the advertising appropriations would be spent over a five-year period. This would do much to keep business on an even keel which is what is especially needed today.

Mr. Link Robinson, 519 Lindsey, is the most content and satisfied man in Newport, Ky. In fact, he says there isn't a thing in the world that can irritate or upset him now that he is on the HADACOL band wagon. If there ever was a man who thought HADACOL is the most wonderful thing in the world, it is Link Robinson, since he learned that his system lacked Vitamins B, B<sub>12</sub>, Iron, and Niacin.

Here is what Mr. Robinson has to say about HADACOL, which is now supplying liberal quantities of these essential elements: "I have been a steel worker for over twenty years. When you are a steel worker, you have to do plenty of good, hard work, and you need lots of good, substantial food. But when a stomach is in as bad a shape as mine was . . . I couldn't eat, I had gas pains, stomach bloating and nervousness; well, I just couldn't eat the proper foods I needed. My boss told me about HADACOL and I started taking it immediately. After the second bottle I could tell a definite improvement. Now I can eat the foods I need to eat to really be on the job. In fact I can eat anything I want to—am not nervous anymore, either. Best of all, I haven't got those terrible gas tabs and no more stomach bloating. HADACOL is the best ever. I recommend HADACOL to everyone."

**HADACOL is Different**  
Countless thousands are benefiting from HADACOL. . . . ever-hundreds of doctors are recommending HADACOL to their patients whose systems lack Vitamins B, B<sub>12</sub>, Iron, and Niacin. HADACOL is so wonderful because HADACOL helps build up the hemoglobin content of your blood (when Iron is needed) to carry these precious Vitamins and Minerals to every organ, and every part of your body—to the heart, liver, kidneys and lungs, even to the eyes, hair and nails.

Give remarkable HADACOL a chance and if you don't feel better with the first few bottles you take—you get your money back. Only \$1.25 for Trial Size; Large Family or Hospital Size, \$3.50.

### HOLT CHILDREN BECOME NEWSPAPER PEOPLE

The Clyde Enterprise, of Clyde, Texas, is carrying in its masthead these days the following names: Mrs. J. R. Ward, Editor and Publisher; Jimmy Clyde Holt, Pressman; Stereotyper; Mary Jo Holt, General Utility. The two Hols are grandchildren of Mrs. Ward and are spending the summer with her.

They quickly got into the thick of things in the newspaper office. Jimmy Clyde especially is lots of help to his grandmother; and as for Mary Jo, the people over town may not know her real name but they all call her "General Utility". They the children of Mr. and Mrs. Clyde Holt, Mrs. Holt being the society editor of The Journal. "Like Mother, Like Children", one might say.

ion to the fact that this a decrease of 19 over the same month of 1949. And referring to the fact that June was the first month of this year which showed a decrease he attributed it to the all-out directive issued by Chief Elliott to his men to "bear down" on the speeders.

"Speeding," Garrison stated, "accounted for the largest proportion of the 11,724 cases of all types filed during June by members of the Texas Highway Patrol." He further stated that members of the Patrol filed 733 D. W. I. cases and 878 passing violation cases during the same period. The average rate of convictions in all traffic offenses was about 95% he said.

### SONGS OF TRUST AND ASSURANCE

"God setteth the solitary in families . . ." (Psalm 68:6) Read Psalm 90:1-12.

The thought of the psalmist as originally expressed was this: "God maketh the solitary to dwell in a house." A Bible scholar of our day has restated it this way: "God brings home the desolate."

A father and his two young sons had walked farther than usual. The hustle and bustle of traffic confused the younger lad. At last, with trembling voice, he exclaimed, "How shall we find our way home?" How troubled one may be in a crowd or on some busy street of a great city!

God invites us; indeed, expects us, to help in bringing home the solitary. The Master honors His

disciples as co-workers by commissioning them: "Go ye into all the world, and preach the gospel to every creature."

Best of all, God brings us home to Himself. He is "our eternal home." We come from Him and return to Him. William Wordsworth's great "Ode" sings it beautifully:

" . . . trailing clouds of glory do we come From God, who is our home!"

**PRAYER**  
Dear Father, grant us joy in comforting the desolate and in bringing them home. In Jesus' name. Amen.

**THOUGHT FOR THE DAY**  
God requires our aid in keeping the family Christian and in bringing the solitary ones into it.  
Arthur Bonner (Calif.)

# TRADE IN YOUR OLD REFRIGERATOR NOW

Let us show you the 1950 SERVEL

AT THE NEW LOW PRICES

## COMPARE BOTH TYPES

Only Servel the GAS Refrigerator

STAYS SILENT—LASTS LONGER

Look at both types of refrigerators. One uses motor, machinery, moving parts to make ice and cold. The other—the famous Servel Gas Refrigerator—operates with a tiny jet of gas flame. Not a single moving part to wear or make noise. So Servel alone stays silent, lasts longer. Come see the new Gas Refrigerator models today.

NO MOTOR TO WEAR!  
NO MACHINERY TO GROW NOISY!

New! QUICK-CHANGE INTERIOR  
MAKES IT EASY TO STORE BULKY FOODS

## Ben Ramsey Thanks Voters

Ben Ramsey of San Augustine, candidate for Lieutenant Governor and former Secretary of State, thanked the voters of Texas this week for the votes and support which put him in the second primary run-off for Lieutenant Governor.

Ramsey expressed confidence in victory in the second primary election August 26.

Ramsey's statement to the voters said:

"My showing in the first primary for Lieutenant Governor fills my heart with humble gratitude. It convinces me that I will be nominated in the run-off.

"Among my opponents were some of the ablest and most experienced of Texas' public servants—men whose legislative records have made them widely and favorably known. It seems clear that they divided with me the support of that great majority of citizens who believe that experience counts in public service, as it does everywhere else.

"I served in the Senate while three of these men were members of that body and three others were members of the House. Many of my friends are also their friends and many others who know me only from my legislative record faced a choice between second men whom they deemed competent and deserving.

"The situation in the run-off will be very different. I will no longer be confronting the popularity and prestige of men who have served ably in one or both Houses of our

### CARLES VISITORS

Miss Belle Larmone of Redlands, Calif., and Mrs. Roland Spees of Tulsa, Okla., visited with Mrs. Beulah Carles last week.

### NEW ORLEANS MAN Buys Lots Here

After looking over towns and cities all the way from New Orleans to Albuquerque, James O. Tucker has bought four lots in Muleshoe, two residence lots and two business lots, all in the Lenau addition to the city.

He is a brother of Mrs. Lela Barron, of the Bailey County Abstract. Mr. and Mrs. Tucker live in New Orleans, where he is district manager for the Mohawk Carpet Co. They set out to see the country with a view possibly to opening a business of their own, first visiting Bryan and Waco, Lubbock and other cities before coming here for a visit. Mrs. Barron said they liked Muleshoe very much.

During their stay here the group went to Albuquerque to visit Mrs. Barron's daughter and husband and there took the visitors over the famed Sandia drive, which was especially beautiful that day. Mrs. Barron thought it was a compliment to Muleshoe that her brother chose to buy property here after looking over so many other places, and probably the proximity of this city to the Sandia drive added to his favorable impression of this country.

### NOTICE TO BIDDERS

Notice is hereby given that the Commissioners' Court of Bailey County, Texas will receive bids on the following described road machinery, to-wit:

Two (2) All Wheel Drive and Steer Power Graders equipped with 100 HP diesel engine, 13' blade with 2' LH extension, 14.00 X 20 tires front and rear, enclosed cab, lights, scarifier, defroster, heater, drawbar-delivered in Bailey County, Texas and take in trade 2 used Austin-Western 99-M Power Graders.

Warrants in payment thereof not to exceed \$20,000.00 bearing not more than 5% interest and being due not later than April 15, 1955.

Contract to be made by the Commissioners' Court of Bailey County, Texas for the purchase of such machinery on the 14th day of August, 1950. Bids may be delivered to the County Judge of Bailey County on or before 10:00 a. m., August 14, 1950. The Commissioners' Court reserves the right to reject any and all bids.

Cecil H. Tate  
County Judge  
Bailey County, Texas 31-37c

### BACK FROM ILLINOIS

Dr. and Mrs. M. F. Green and their sons, Bill, Bob, and Jim, have returned to Muleshoe after spending a week in Benton, Ill., with their parents, Mr. and Mrs. C. N. Harrelson. Dr. Green, who has not had a vacation in five years, got in lots of golfing, swimming, and boating on the lake of the country club. The Greens said the corn looks fine, but since fields there are small, the sight was not so impressive as the large cotton fields of West Texas. The peach crop, a big industry around Anna, Ill., is a bumper one this year, they found. Everything was lovely on their trip but they were happy to get back home. Dr. Green has resumed his duties at the Green Hospital and Clinic.

### MARDIS VISITORS

Visiting in the C. F. Mardis home Sunday, were their sons, Homer Mardis and family of Clovis, N. M., Harold Mardis and family of Muleshoe, a grandson, Herbert Mardis and family of Clovis, and a granddaughter Mrs. Kenton Davis and baby of Plainview.

### TO OKLAHOMA

Mr. and Mrs. W. H. Thompson left today for a visit with relatives in Enid and Prague, Okla.

## New Orleans Man Buys Lots Here

## Drill Wildcat Well Near Sudan

Lamb County will have another wildcat in its future.

An Ellenburger wildcat is slated to be drilled soon by H. L. Hunt of Dallas near Sudan in the Central-West portion of the county.

The wildcat is another step that may result in the development of one or more oil fields in Lamb County, where it is generally recognized that oil possibilities exist.

The new prospector will be on a block of 18,000 acres which Hunt has recently acquired from O. L. Johnson of Midland.

Exact location of the wildcat not been selected, but work is to be started in a short time.

Johnson assembled the block of 18,000 acres by taking a amount of 10,000 acres of checkerboarded leases in that area from Honolulu Oil Co. by buying leases on an additional 8,000 acres in the same area.

Johnson turned all of the acreage to Hunt to drill the deep wildcat. He retained an override on the acreage. Honolulu still has leases on about 9,000 acres interspersed in the Hunt-Johnson spread.

### CARD OF THANKS

We wish to express our gratitude and thanks to our friends, for the beautiful flowers and words of sympathy at the death of our daddy. May God's richest blessings be with you all.

### ATTEND SCHOOL

Mesdames F. B. Pierson, Ray Edwards, H. C. Holt, and O. N. Jennings are in Lubbock this week attending a school of instruction for the WSCS and the Wesleyan Service Guild being held at Texas Tech.

### VISIT RUIDOSO

Mr. and Mrs. Jesse Osborn and daughter, Norma Lee, are spending a few days at Ruidoso.

## Progress Marine Gets Promotion

MARINE CORPS RECRUIT DEPOT, SAN DIEGO, CALIF.—Marine Private First Class Roy M. Moore, son of Mr. and Mrs. W. M. Moore, Progress, Texas, recently completed his initial 10 weeks of training at the Marine Corps Recruit Depot, San Diego, California.

Upon completion of this training Moore was promoted to the rank of Private First Class, an honor bestowed upon every man who finishes his training with a clean record.

The Progress devildog spent his first three weeks of training here at the Post receiving instructions on small arms, first aid, field sanitation, map and compass reading, military courtesy and infantry drill.

The following three weeks the young Marine spent at the Marine rifle range.

The new Private First Class spent his last four weeks in the Recruit Depot boning on additional subjects necessary to a Marine. These included bayonet fighting, combat formations of a rifle squad, digging of fox holes and a series of field problems where practical experiences was gleaned through the application of classroom work.

Moore will be attached to Casual Company at the Depot upon his return from leave. From this company he will be transferred to one of the many duty stations where Marines serve their country.

## Sudan School Opens September 4th

Sudan schools will open for the fall session on Monday, September 4, according to A. Dooley, superintendent.

He also announced the hiring of two new teachers for the 5th and 6th grades. They are Mr. and Mrs. Jack Cooper of Crowell, Texas. Mrs. Cooper was an instructor in the school system in Amarillo last year. They are attending West Texas State College in Canyon this summer, working on their master's degrees.

### VISIT IN AMARILLO

Mr. and Mrs. Murrell Brown and Kay visited in Amarillo Sunday with Mrs. Brown's parents.

### ATTEND REUNION

Mr. and Mrs. Carroll Howell attended a family reunion of the A. H. Howell family, Sunday at the McKenzie State Park in Lubbock. There were 45 present for the reunion.

### Big Demand For Tech-Texas Ducats

LUBBOCK. — Football ticket sales at Texas Tech are moving swiftly and indications are there will be several sell-outs.

Demand is heavy for the opening game with Texas on September 23 and for the homecoming encounter November 11 with Tulsa.

West Texas State, October 7, always draws a near sell-out crowd, and sales are expected to be heavier for the October 28 game with Texas Western, since the Miners and Tech may be battling for the Border conference title. A good sale also is reported for the November 25 game with New Mexico.

Season ticket sales have taken almost all of the four sections allocated for the season-long ducats. Two sections have been set aside for each visiting team, and five will be taken by the Tech student body.

Persons holding season seats last fall have been given until August 15 to reserve the same space. After that date others on the waiting list will be accommodated. Payments for seats will be made on delivery of tickets.

### Water District Hearing Slated

PLAINVIEW, Aug. 3.—Farmers from 21 counties will gather here Aug. 29 for a public hearing ordered by the state board of water engineers in connection with the proposed establishment of water conservation districts in this area. Hockley, Lamb, Lubbock, Hale, Dallam, and Swisher counties have petitioned to the board to designate water reservoirs for the purpose of forming districts. The number of irrigation wells in the area affected by the plains has been estimated at 12,000 to 15,000. The High Plains Water Users and Conservation Association office at Levelland reported the meeting here will begin at 10 o'clock in the city auditorium.

### ATTENDS OKLAHOMA CITY MEETING

Arnold Morris, local Dodge dealer attended a company meeting at Oklahoma City last Thursday. Mr. Morris said that the president of the Dodge Corporation made a very interesting talk. He drove to Amarillo where he caught a plane to Oklahoma City. He returned Thursday night.

The average adult has 20 square feet of skin.

### Population Of United States Is Estimated At 150,520,298 Persons

The population of the United States for 1950 has been estimated at a record breaking total of 150,520,298 and revealed a definite migration to the West coast.

These figures were announced by the Census bureau which said that the number of persons in America on April 1, 1950, showed an increase of approximately 19 million persons during the past 10 years.

The census figures indicate there will be a switch of 14 congressional seats as a result of changing state populations with 18 states affected.

The three Far Western states gain 10 of the 14 seats in the U.S. House of Representatives. Eight will be picked up by Oregon and Washington at the expense of Eastern states.

Florida, Indiana, Michigan and Texas gain one each. The losers are: three by New York, two by Pennsylvania and one each by Arkansas, Georgia, Illinois, Kentucky, Mississippi, Missouri, North Carolina, Oklahoma and Tennessee.

California's gain of eight seats is the largest since the same state picked up nine new seats as a result of the 1930 census. It will tie with Pennsylvania in the future, each having 31 seats while New York leads both with 42 seats. Illinois drops to fourth place with only 25 seats.

Congress is required to pass a new reapportionment act before the changes in the House seats takes effect. Under normal conditions it would become effective in the 1952 campaign.

In addition to changing House seats reapportionment also will change the states' votes in the electoral college and in political conventions, thus California will have an equal voice with Pennsylvania for the first time in its his-

### Cox Says Syphilis Unnecessary

AUSTIN, August 1.—Expectant mothers have positive control of whether or not their babies will be born with congenital syphilis.

This is from State Health Officer Geo. W. Cox, who characterizes the condition of a baby being born with syphilis as negligent, unnecessary, and entirely preventable.

"All that's necessary is for the expectant mother to place herself under the care of a competent physician as soon as her pregnancy has been confirmed," the health officer said.

He believes all too many Texas babies are being born with the affliction, passed to them by an infected mother during the prenatal period. Early prenatal care, he explained, would include a blood test of the mother to determine the presence or absence of syphilitic infection.

Dr. Cox charged that many times the mother-to-be delays her visit to the doctor until a few weeks, or days, before she expects the infant. Then, he says, it may be too late to prevent the birth of a syphilitic child.

Almost 2600 cases of congenital syphilis were reported last year. Dr. Cox says he sees little indication that there will be any appreciable reduction in cases reports this year. Incidence of congenital infection will probably remain at a fairly constant level, he predicted, despite a slight reduction in total syphilis of all types. "Advances in medical therapy for syphilis have progressed to the point where it is now possible to effectively prevent congenital infection—but not without the mother's complete cooperation," Cox warned.

The explanation is that even though a mother contracts syphilis just prior to pregnancy, she can be restored to health and the baby can be born sound and healthy, provided treatments are started within the first three prenatal months. Even after that time, a high index of protection for both mother and baby is assured, but the chances for a normal birth decreases with each week of delay. Prenatal clinics are held by all local health units for those women who would not otherwise have this care because of lack of financial resources, Dr. Cox said.

Mrs. Bessie V. May, Oregon

While both New York and Pennsylvania gain slightly in population, they will lose congressional seats because of California's tremendous gain. Other states like North Carolina went up only 13 per cent while Washington rose 36 per cent in population. That is why North Carolina lost one and Washington gained one.

### TEXAS DRAFT QUOTA RAISED OVER 1,000

AUSTIN—Texas Selective Service headquarters was advised Friday its draft quota has been raised to 2,513 men to be inducted before Sept. 30.

The state's original quota was 1,005.

Brig. Gen. Paul L. Wakefield, state director of selective service, said the increase was ordered by

### VISIT JULIANS

Mr. and Mrs. C. D. Julian have had as their guests his sister, Mrs. Ruby White, Norman, Okla., and his niece and husband, Rev. and Mrs. Simpson Daniels, of Tyler, Texas.

Maj. Gen. Lewis B. Hershey, national draft director.

"The same rate is indicated for October and November," Wakefield said.

### How Mrs. Always-Broke Balanced Her Budget

#### SHE NEVER USED TO KNOW WHERE HER MONEY WENT

Who could blame her husband for getting cross once in a while? She never seemed to know just where the household money went. It just went.

How different now! When hubby asks about the finances, she confidently reaches for the old check book. There in the stubs is the whole story—a businesslike record of the months expenditures.

It is so simple to balance your budget when a checkbook record is kept of each expenditure.

Too, a cancelled check is always a good receipt. It also provides a safe and easy way to send money through the mail. Come in today and open a checking account.

### HERE'S A GASOLINE ECONOMY

# QUIZ

## For Car Owners

**QUESTION:** Are you losing engine efficiency and gas economy because of the condition of your battery, distributor points and electrical connections?

**QUESTION:** Are you wasting as much as one gallon of gasoline in ten because of badly burned or dirty spark plugs?

**QUESTION:** Are you sure that your octane selector (spark control device) is properly set for the particular grade of gasoline you are using.

**QUESTION:** Are you getting correct engine temperature through the proper functioning of your cooling system?

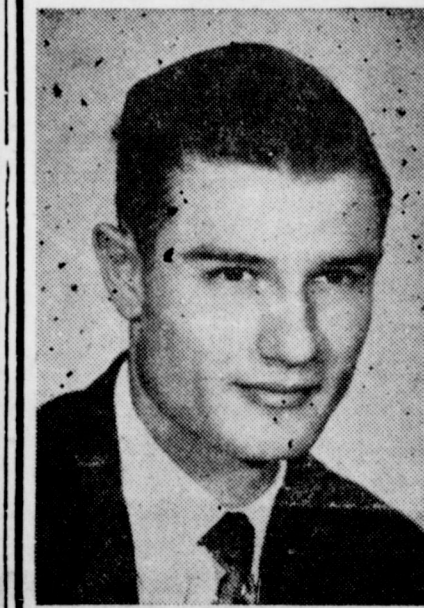

**QUESTION:** Are you dissipating power before it gets to the rear wheels because your clutch is slipping?

Now for the Jack Pot Question  
WHAT CAN YOU DO ABOUT IT?

YOUR ANSWER—  
Get A Summer Economy Check-Up at

**VISIT AT CAPITAL**  
Mrs. Leon Smith and children,  
Mona, Leon, Sigman, David, and  
Tony went to Austin July 20 to at-  
tend a Baptist meeting. While there  
they saw the magnificent capital  
building. They went from there to  
San Antonio, where Mrs. Smith's  
brother, Carroll Sigman and family  
and sister, Faye Sigman Jones and  
family live. They visited historic  
missions and battlefields. On ar-  
riving home July 26 they received  
word that Butch Sigman, of Port-  
ales, N. M., nephew of Mrs. Smith  
and of Mr. and Mrs. Cecil Sigman  
was critically ill in a Portales  
hospital. Mr. and Mrs. Smith  
hurried on to Portales and found  
Butch improving. Later word from  
him was even more favorable.

**RECENT VISITORS**  
Mrs. Stella Finch and daughters  
Barbara and Doris from Indiana  
and Mr. and Mrs. Bob Evans and  
daughters of Billings, Mont. have  
been recent visitors of the Tom  
Zimmer, Fred, Leslie, Don and Jack  
Brums, and Kenneth Briscoe fam-  
ilies.

**FROM WASHINGTON**  
Floyd Bracken of Kennedy, Wash.  
flew to Amarillo on a business  
trip, stopping in Muleshoe Saturday  
afternoon to visit his mother Mrs.  
Ann Bracken and other relatives.

**RECENT VISITORS**  
Mr. and Mrs. Gil Wollard recently  
spent a week visiting in Fort  
Worth, Dallas, Waco and Bynum.  
He attended the State Rural Mail  
Carrier's Convention at Dallas. Mrs.  
Wollard's mother and father, Mr.  
and Mrs. C. E. Fritchett of Bynum  
returned to Muleshoe with them  
for a several days visit.

**TWO LOCAL BOYS GET LONE  
STAR FARMER DEGREE**  
Boys from over the Panhandle  
were awarded Lone Star Farmers  
degrees in a meeting and banquet  
held at Childress for Area 11.  
Future Farmers of America Friday  
night.  
Bailey County boys who received  
this coveted degree were R. E.  
William and Marvin Waggoner.

**MRS. LOYD ROBERTS  
ATTENDS SCHOOL**  
For the past two weeks Mrs.  
Juanita P. Roberts, Muleshoe  
Funeral Home, has been a student  
at the Benz School of Floral Design  
in Houston, completing the course  
July 28th. She specialized in shop  
management, wedding decoration,  
bouquets, corsages and table ar-  
rangements.

**TO OMAHA**  
Mr. and Mrs. Roy Jordan are  
visiting in Omaha, Neb., with the  
family of his brother.

**RAY VISITORS**  
Visiting in the home of Mr. and  
Mrs. Blondy Ray and son this week  
are Mrs. S. D. Vanderwerth and son  
Dickie and her mother Mrs. A. L.  
Hunt all of Houston.

**WATERMELONS RUINED  
WHEN HAIL HITS EARTH**

Twelve acres of watermelons  
were ruined on the Bruce Burreson  
place in the hail that struck around  
Earth several weeks ago. Mr.  
Burreson, in the Journal office to  
renew his subscription told the  
editor.

He said the melons looked fine  
until the hail came, they were  
earlier than his melons were last  
year and since the price is good  
he was expecting a nice return  
on the crop.

Mr. Burreson says Muleshoe  
watermelons have a good reputa-  
tion everywhere. He said last year  
he loaded trucks with melons for  
Dallas, and as far away as Arizona,  
and Truckers were enthusiastic  
about them.

**NEW MEXICO VISITOR**  
Dewayne Burkhead is this week

## Society News

THE MULESHOE JOURNAL, Thursday, August 3, 1950

### Mrs. Gabe Anderson, Jr., Bovina Gives Copper Tooling Demonstration

Demonstration of copper tooling given by Mrs. Gabe Anderson, Jr., of Bovina was the program when the West Camp Pollyanna Club met Wednesday, July 26, in the lunch room of the West Camp Baptist Church.

Mrs. Johnnie Williams gave Council report.

The club voted to contribute four dollars to the District 2 scholarship fund.

There will be a county wide picnic for the Home Demonstration Clubs of Bailey County in the Clovis Park, August 10, and the members made plans to attend.

The annual club picnic will be August 25, on the lawn of the Austin Jones home. Each member is urged to come and bring their families and a picnic lunch.

Those making copper pictures following the demonstration were Mesdames: Woodrow Couch, Bert Williams, Elmer Hargrove, Austin Jones, Seaborn Busbice, O. W. Pair, Johnnie Williams, and Willie Williams. Visitors from the Muleshoe Club, Mesdames S. C. Caldwell, Elean Dutton, E. E. Holland, A. W. Copley and from the Progress Club Mesdames Gordon Murrach, John Thompson and Hailey.

Refreshments of punch and cookies were served.

### Shower Honors Mrs. L. Smith

A shower honoring Mrs. Laverne Smith, was given in the home of Mrs. W. E. Payne, in the Lazbuddie community, Tuesday, July 25.

Those attending were Mesdames: Jimmy Seaton, Glen Scott, W. F. Greene, Nelse McCurdy, Perry Barnes, Wesley Barnes, Burke McGee and Terry, Leroy McDonald and sons, O. D. Spitzer, L. B. Edwards, Jack Smith, Katherine and Beverly, Henry Ivy, Jewel Treider and W. S. Menefee, and Miss Rita Joy Graef.

Several sent gifts who were unable to attend.

Delicious refreshments of angel food cake and punch were served.

### MULESHOE VISITORS

Miss Anne Elliott and Bennetta Caudill of Odessa are visiting a few days in Muleshoe with friends. Anne formerly lived here.

### Progress W. M. U. Met July 24

(Too late for last week)

The Progress W. M. U. met Monday, July 24, at 3 p. m. in the Baptist Church with eight members, six Sunbeams and two babies present.

The meeting was called to order by the president, Mrs. Locker. In the absence of Mrs. Redwine, Mrs. Locker led the group singing of "Higher Ground" to open the meeting. Prayer was given by Mrs. Bishop. Mrs. Locker gave a very appropriate devotional which she took from Psalms 16:1-11. Minutes were read by Mrs. Henry and the business was taken care of.

Mrs. Raney had charge of the home mission program. A report was given on the last chapter of the book, "Of One." This has really been an interesting book and is worth anyone's time to read it. It is about racial problems.

Due to the absence of Mrs. Walker, the Bible quiz was given by Mrs. Locker. The meeting was closed with prayer by Mrs. Hous-ton.

Those present were Mesdames: E. W. Locker, J. H. Wimberly, C. A. Bishop, Claude Thomas, H. T. Pugh, Raymond Houston, Clyde Henry, and Vernon Raney, two babies and six Sunbeams.

### Miss F. Toten Has Lawn Party

A lawn party was held at the home of Miss Frances Toten, Friday, July 28th.

Refreshments were served to Tommy Bovell, Carolyn Kirk, Jo Addine Wagon, Sammy Carroll, Rita Peeler, Norma Graves, Bobbie Collins, Dean Herrington, Jody Blaylock, Jimmy Hall, Rex Robinson, Cleave Bland, Roald Johnson, Bobby Reid, Billy Wayne Wagon, Bob Daniels, Johnny Ladd, Buddy Lane, Donald Harrison, Keith Bray and the hostess.

Everyone reported a very enjoyable evening.

### Elizabeth Boarman And Harry Musson Exchange Vows

(From Norman Transcript, Norman, Okla.)

Miss Elizabeth Boarman, 1015 South Jenkins Ave. and Harry E. Musson, Muleshoe, Texas, were married at 9 a. m. today (July 18) in the parlor of McFarlin Memorial Methodist Church by the pastor, the Rev. Finis Crutchfield in the presence of Mrs. Musson's sister, Mrs. L. L. Surber and Mr. Musson's niece, Mrs. Harry Akers, Oklahoma City.

The bride wore a dress of navy blue lace with blue accessories and a pin belonging to the bridegroom's grandmother. She wore a white orchid.

The couple left for a wedding trip to the Rocky Mountains and to Colorado, Salt Lake City and Yellowstone Park. They will visit Mrs. Musson's father, C. Boarman, Delta Colorado, and an aunt in Utah.

Mrs. Musson was doing private nursing and nursing at Ellison Infirmary. Mr. Musson is a retired electrical engineer.

Following their return from the wedding trip the first of September, the couple will make their home temporarily in Muleshoe.

### Mrs. Marrs Host To Muleshoe HD Club

The Muleshoe Home Demonstration Club met in the home of Mrs. E. E. Marrs, Thursday, July 27.

Mrs. C. E. Briscoe presided in the absence of the president, Mrs. Aylesworth.

Mrs. Caldwell and Mrs. Copley gave a report of the Council meeting. Mrs. Copley, Mrs. Busby and Mrs. J. J. Gross were elected as delegates to the State meeting in Big Springs, August 23-25.

Copper tooling will be demonstrated at an all day meeting and covered dish luncheon, Tuesday, August 1.

The County wide picnic will be in the Clovis Park, August 10. All members are urged to meet on the courthouse lawn at 9:45 a. m. and bring your bathing suits.

Fun night will be in Mrs. Awtrey's home, August 31. Everyone come and bring a well filled picnic basket.

Refreshments of ice cream, cookies and punch were served to one visitor, Ruby Jane Carney and members, Mesdames C. D. Julian, C. E. Briscoe, W. H. Awtrey, A. W. Copley, S. L. Jackson, S. C. Caldwell, O. L. Dutton, Roy Carney, C. H. Gillis, E. E. Holland and the hostess.

### OES IN Meeting August First

Muleshoe Chapter of OES met Tuesday evening, August 1, for their regular meeting and Rob Morris program with 51 members and visitors present.

The visitors included Mrs. Bessie Cearley, Worthy Matron of Earth Chapter, Mrs. Gladys Laing, Deputy Grand Matron of the State of Texas of Earth, Mrs. Audrey Wilkins of Clovis, and Mrs. Flora Louise Self of Oklahoma City.

Mrs. Margaret Collins, Worthy Matron presided and all the officers were present.

Mrs. Anna Lucy McAdams and Mrs. Beth White had charge of the program in which a resume of the life of Rob Morris and a reading were given.

At the close of the meeting refreshments were served in the banquet hall.

### Party Honors Mitzi Leonard

A birthday party, Sunday, July 30, at 3:00 p. m., in the home of Mrs. Carl Kindred, honored her granddaughter, Mitzi Leonard, who was six years old, Wednesday, Aug. 2nd.

Various games were enjoyed by the children during the afternoon, after which refreshments of cocoa, tea and cake were served to: Cindy Ray Leonard, Shirley Ann Henry, Janice, Danny and Donnie Gulley, Wayne and Shirley Holland Lee, Wayne and Glenn Raney, Betty, Jimmie and Stanley Gouge, Marie and Eugene Houston, Beverly, Margaret and Leon Halford, Dorothy Jean McMahon, and the honoree.

Also Misses Lillie Ruth Lee and Lucille McMahon and Mesdames Bill Leonard, Elton Gulley, Vernon Raney, E. L. Gouge, Raymond Houston, Carl Kent, A. S. Hill and the hostess.

J. C. Harts To Celebrate 50th Anniversary

Joe C. Hart and Beulah M. Hart are holding open house to celebrate their Golden Wedding anniversary, on August 16, 1950 from 3 until 5 p. m. Everyone is cordially invited to attend and make this a joyous and happy occasion.

TO KENTUCKY

Mr. and Mrs. H. K. Freeman are visiting in Kentucky.

### Miss Ruby Cooper Mr. Garvin Pruitt Exchange Vows

Miss Ruby Cooper, daughter of Mr. and Mrs. H. L. Lewis of Floyd, N. M. and Mr. Garvin Pruitt, son of Mr. and Mrs. W. C. Pruitt of Muleshoe, were united in marriage in a double ring ceremony at 3:00 p. m. Sunday, July 30 at the home of the brides parents with Rev. Booth of Floyd officiating.

The bride wore a navy blue crepe dress with navy and white accessories. To carry out the tradition of something old and borrowed, she carried an old handkerchief belonging to her mother. Something new and blue was her dress.

Attending the bride as maid of honor was Miss. Johnnie White. The best man was Mr. Thomas Lee Hollis.

Following the ceremony a reception was held in the home of the bride's parents. After the bride and groom cut the first slice of cake, cake and punch were served to the 36 guests.

Those attending from Muleshoe were: Mr. and Mrs. W. L. Hollis and family, Mr. and Mrs. J. D. White and family, and W. C. Pruitt and children.

The couple plan to make their home in Muleshoe.

### Shower Honors Mrs. H. H. Carlyle

A surprise pink and blue shower honoring Mrs. Howard Harding Carlyle was given August 1, in the home of Mrs. Chet Layne with Mesdames Spencer Beavers, Alton Epting, Henry Schuster and Dan Bray as co-hostesses.

The entertaining room was beautifully decorated with cut garden flowers and ivy.

The serving table was decorated with a beautiful hand embroidered cut work cloth with a center piece of pink roses arranged in a baby blue basket.

Mrs. Carlyle received many beautiful and useful gifts. Many sent gifts who were unable to attend.

Coffee and toasted donuts were served to Mesdames Ray Griffiths, Herbert Griffiths, Eddie Lane, Edward White, L. T. Green, R. J. Klump, H. H. Carlyle, B. L. Harding and W. J. Matthews of Texico, N. M., N. R. Harding of Farwell, Miss Mary Harding of Texico, and the honoree.

### Muleshoe HD Club Birthday Party

The Muleshoe Home Demonstration Club had their monthly Birthday party Saturday night, July 29, on the lawn of the C. D. Julian home.

The party was in honor of Mrs. C. D. Julian, Mrs. Charlie Sims, Mrs. Jack Stallings, and Mrs. J. T. Boydsteen. Three of the ladies had a birthday in July and Mrs. Stallings will have a birthday in August. The ladies received many nice and useful gifts.

Games of forty-two and dominoes were played through the evening.

Ice cream and cake were served to Mr. and Mrs. W. L. Carnes, Mr. and Mrs. C. H. Gillis, Mr. and Mrs. S. C. Caldwell, Mr. and Mrs. Roy White, Mr. and Mrs. W. H. Awtrey, Mr. and Mrs. E. H. Baugh, Mr. and Mrs. M. S. Stidham, Mr. and Mrs. C. E. Briscoe, Mr. and Mrs. John Mock, Mr. and Mrs. Olin Dutton, Mr. and Mrs. Dave Aylesworth, Mr. and Mrs. A. W. Copley, Mr. and Mrs. Mack Hale, Mr. and Mrs. Charlie Sims, Mr. and Mrs. Jack Stallings, Mr. and Mrs. J. T. Boydsteen and Mr. and Mrs. C. D. Julian.

Progress W. M. U. Meets At Church

The Progress W. M. U. met Monday afternoon at 3 in the Baptist Church.

The meeting was called to order by the vice-president Mrs. Pugh. Prayer was led by Mrs. Henry. After the minutes were read and business was taken care of a program of Benevolences was given by Mrs. Bishop.

Each one understands better the meaning of Benevolences after each member read verses of scripture.

Mrs. Pugh had charge of the Bible questions. The meeting was closed with prayer by Mrs. Raney.

Those present were Mesdames H. T. Pugh, Vernon Raney, H. C. Lee, Clyde Henry, J. J. Redwine, E. L. Gouge, C. A. Bishop, Misses Lillie Ruth Lee and Maxine Pugh. Seven Sunbeams and two babies were also present.

The next meeting will be Monday, August 7 at 3:00 p. m. in the home of Mrs. Gouge. Each member is asked to be present if possible. Visitors are always welcome.

**Recreation Program**

By EARL JENNINGS

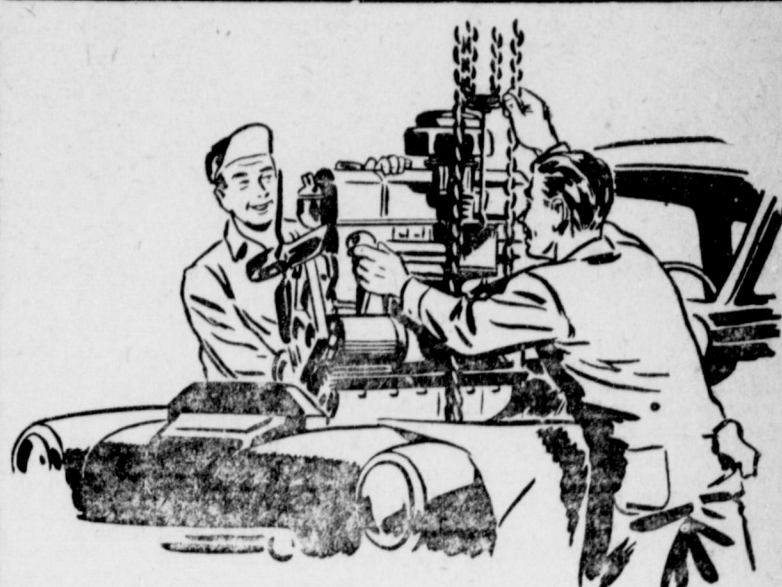

The Lions' Club Summer Recreation Program was completed last week and the annual All-Star game was played Friday evening. Donald Roddam's All-Star team defeated Robert Waggoner's by a score of 19-16. Bobby Seid of the losers was the leading hitter with two doubles, a triple and a home run while scoring four times. This marked the third straight year that Robert Waggoner has played in the All-Star game and he has yet to be on the winning team.

The Cardinals won the Pennant for the third straight year by defeating the Yankees in the playoffs three to one. Last year the Cardinals beat the Tigers and the year before they beat the Yankees. A swim meet was held at the swimming pool last Wednesday. Jimmy Allison took off most of the honors in the beginners meet. While Dean Herrington was tops in the other meet, Allison won first in the Ping Pong ball blow and won a first and a second in swimming events. Roger Graves took first in one swimming event and a second in another. He also brought out nine pennies to lead in that event. Jimmy Wilkerson, Buddy Pool, and Roger Graves won the candle relay. In the senior meet Dean Herrington placed in the 25 and 50 yard swim. Allen Berry, Travis Clements, and Donald Roddam won the Candle Relay. Allen Berry and Roddam each took out six pennies to lead in that event.

**BROTHER OF FRIONA RESIDENT MISSING IN ACTION**

Second Lieutenant Roger W. Hartman of Hereford has been reported missing in action in Korea. The Army notified relatives last week. Hartman is a brother of Mrs. Orville Houser of Friona, and has numerous relatives in Hereford. Lt. Hartman left the United States for Japan just over a month ago. He let his wife and two children in Sante Fe, N. M. with her parents and the family planned to join him in Japan as soon as convenient.

Lt. Hartman, 25, graduated from Hereford High school and attended Texas A. M. before going into service. He was a German prisoner of war during the World War 2, being captured in the Battle of the Bulge, and also reported "missing in action" at that time. —Friona Star.

Help build Sub Stations?

THAT'S RIGHT... many a housewife has a lot to say about building your Public Service Company.

How? Through her investments, of course. Whether it be a sub station or a service car, our company is truly "owned" by the stockholders—ministers, doctors, lawyers, teachers—yes, even you or your neighbor... and no one of them owns more than 2% of the total stock.

Perhaps you have a savings account—or a life insurance policy—it's pretty certain that some of those funds have been re-invested in your Public Service Company.

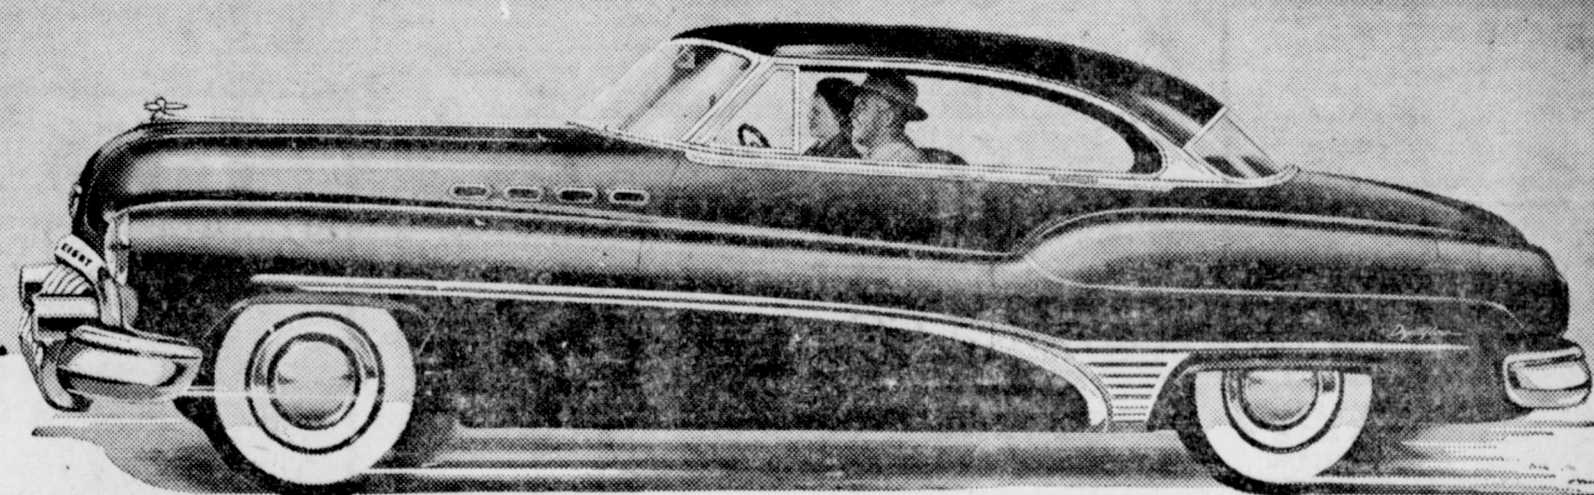

And so, you see, we really belong to the people. It's a working example of free enterprise... the system that has made America great and strong.

**SOUTHWESTERN PUBLIC SERVICE COMPANY**

33 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

*First of the Fine Cars in Value*

**Even Wiser than He Seems**

PLAINLY, here travels a man wise in the ways of fine motorcars.

You know that, by the four Ventiports and the rich sweep of chrome which mark his car as a ROADMASTER.

You know it, should you trail him on the highway, by the smooth lift of the big Fireball

power plant at his toe's command, by the obvious levelness of the ride he enjoys, the swift ease with which Dynaflo Drive solves his traffic problems.

What is not so plain from what you see is that here also is a man very wise in what today's dollar should buy!

For this man has all that a finer car owner can ask for—brilliant performance, a ride without equal for gentle softness, finger-easy handling, abundant room all around him, styling that is easily the most distinguished on the highway.

Yet he paid considerably less than comparable merit costs elsewhere.

He found fewer extra charges in his delivered price, with such things as Dynaflo Drive, foam rubber cushions, windshield washers, electric clock, even non-glare rear-view mirror included in the price.

If you know fine cars, it won't take fifteen minutes behind a ROADMASTER wheel to see that here is one of the finest.

If you have inquired about prices, a single glance at the delivered figures establishes this as the big buy of the field.

Why not make both checks—especially since your Buick dealer will be glad to arrange a trial run in a ROADMASTER any time you care to call on him?

Only BUICK has Dynaflo-DRIVE and with it goes:

HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) NEW-PATTERN STYLING, with MULTI-GUARD fenders, taper-through fenders, "double bubble" taillights. WIDE-ANGLE VISIBILITY, close-up road view both forward and back. TRAFFIC-HANDY SIZE, less over-all length for easier parking and maneuvering, short turning radius. EXTRA-WIDE SEATS cradled between the axles. SOFT BUICK RIDE, from all-coil springing. Safety-Ride rims, low-pressure tires, ride-steadying torque-tube. WIDE ARRAY OF MODELS with Body by Fisher.

\*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

**Buick Roadmaster**  
with Dynaflo Drive

# Bailey County People Buy 251 Per Cent Of Their Savings Bond Quota

Bailey county was one of 103 counties in Texas that exceeded their quotas in the recent Independence Savings Bonds Drive, Jesse M. Osborn, county Savings Bonds chairman, announced today after receiving final sales figures from Nathan Adams of Dallas, state chairman.

Sales in this county were \$40,237.50, or 251.48 per cent of the \$16,000,000 quota.

The Independence Drive was held May 15 - July 4, with sales through July 17 being counted toward the quota.

Total sales in Texas for the drive were \$25,383,274.75, or 105.37 per cent of the state's \$24,088,000 quota. The goal was reached and exceeded during the last week of the drive, with a final outburst of bond buying accounting for over \$7,000,000 in sales.

"You and the people of your county can be proud of your record in this drive," Mr. Adams told the local chairman. "By exceeding their quota they have helped the state preserve an unblemished record of always going over the top in bond drives. At the same time the people of your county have added substantially to their savings and, consequently, to their personal financial security."

## Fellowship Hall Scene WSCS Meet

The Womens Society of Christian Service of the Muleshoe Methodist Church met Wednesday afternoon in Fellowship Hall.

Mrs. Beulah Carles brought a program on the "Status of Women". The opening song was "Must Jesus Bear The Cross Alone", followed by prayer by Mrs. R. L. Bayless.

Mrs. Carles read several pages from the affirmative side of a debate, "Should females be educated equal with males", written by a young school teacher in 1876. She then gave several parts from the hand book.

Mrs. W. D. Moore, vice president, had charge of the business meeting in the absence of the president, Mrs. F. B. Pierson.

Mrs. C. R. Farrell urged the women to sell as many of the book books as possible. She has a supply at her home.

The meeting was closed with a prayer by Mrs. H. W. Hanks.

## Dowell, White To Receive Awards

G. S. Dowell, who has taught vocational agriculture in the Muleshoe high school the past year, will be awarded a bronze lapel pin for meritorious service in his 15 years as Voc. Ag. teacher. Edward White, also a Voc. Ag. teacher in Muleshoe high school will be awarded a certificate for meritorious service in his 10 years of teaching. White has been on the local faculty 6 years.

They will receive their awards August 9 at a meeting of the Association in San Antonio.

According to Lewis B. Taylor, Executive Secretary of the organization, there are 741 teachers of vocational agriculture in Texas. Of this number 465 have taught less than 10 years, 183 have taught 10 to 14 years, 62 have had 15 to 19 years' experience, 24 have served 20 to 24 years and 8 have taught more than 25 years.

Teachers with at least 10 years service will receive certificates at the meeting. Bronze, silver and gold lapel pins will be presented, respectively to teachers with 15, 20 and 25 years service.

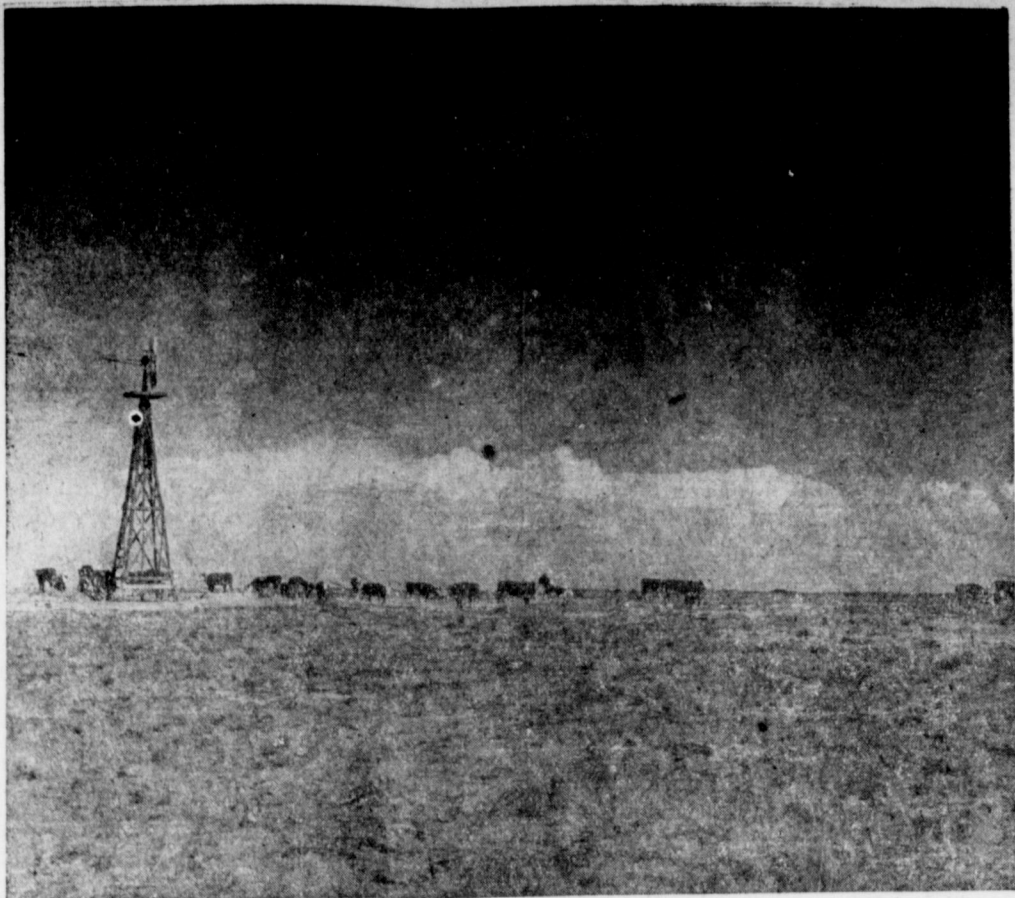

## YL Methodists To Begin Revival

A revival is to begin at the YL Methodist Church on August 6th and it is to continue through August 13th. Rev. H. Clyde Smith, district superintendent of the Abilene District of the Methodist Church, will be the guest preacher.

Rev. Smith has held pastorates in the Northwest Texas Conference for quite some time; some of his most outstanding work has been done as pastor of the First Methodist Church, Big Spring, Texas, at San Jacinto Methodist Church, Amarillo, Texas, and at First Methodist Church, Pampa, Texas. He became district superintendent in June 1949 when he was sent to the Abilene District.

He is one of the most outstanding preachers of the entire Northwest Texas Conference, and has done a wonderful work with student pastors at McMurry College, Abilene, Texas.

Services are to be held every morning at 10 a. m. and in the evening at 8:30 p. m. Prior to each evening service there will be prayer groups for the adults, young people and children. "We cordially invite everyone to attend," said Thomas A. Bandy, pastor.

## Local Ranch Breaks Into News On Magazine Cover

One local scene broke into the news this month when it was used as a cover picture for "The Gas Employees News" a publication for all the West Texas and Panhandle gas companies.

The picture was taken on the John McMurry ranch near Muleshoe by Bill McCarroll, advertising manager for the West Texas Gas Co., showing the famous West Texas white-face Herefords lined up by the familiar windmill with a broad expanse of grazing land stretching as far as the eye can see. (Photo courtesy Gas Employees News.)

## Rev. Brashear Addresses Lions

Rev. Dave W. Brashear, retired Methodist minister of Dimmitt, was guest speaker at the Lions Club luncheon Wednesday noon. The subject of Rev. Brashear's address was need for rest and relaxation and humor in the life of pre- and post-war Americans. He illustrated his talk with several humorous stories.

Three new members received their certificates and Lions pins. They were F. Heathington, Boots Bryant, and Elmo Evans.

A. J. Gardner, postmaster, was the guest of Vance Waggoner, and two youngsters were guests of their dads, Rufus Glibreath, and "Red" Johnson.

Attendance showed a remarkable gain last month with an average of 70.5 per cent for the month. The first week showed 60 per cent attendance, second week, 63 per cent, third week, 66 per cent, and fourth week, 93 per cent.

**TO BORGER AND AMARILLO**  
Mr. and Mrs. W. M. Dudley, Mrs. A. H. Owen and Miss Carolyn Totten spent the week end visiting Mr. and Mrs. J. F. Easter and children at Borger and Mr. and Mrs. Arie Owen and sons at Amarillo.

**FROM OLTON**  
Mr. and Mrs. Clayton Clack and daughter, Donna Jean, of Olton spent the week end in Muleshoe visiting relatives.

**MULESHOE VISITORS**  
Recent visitors in the home of Mr. and Mrs. H. D. King and children were her sister, Mrs. Ted Herman, of Oceanside, Calif., a cousin, Mr. and Mrs. Presley Young and children of Ontario, Calif., and her uncle, Ira Harrell, of Ontario, Calif.

**HART IS CHANCELLOR OF UNIVERSITY OF TEXAS**  
James P. Hart, associate justice of the Texas Supreme Court, has been appointed chancellor of the University of Texas. In this position, he will head up all the far-flung branches of the university.

Justice Hart is well known here. A few months ago he was the principal speaker at a meeting in Muleshoe of the 64th Judicial District Bar Association. He and Mrs. Hart were guests during their stay here of Mr. and Mrs. Pat R. Bobo, and many local people met him during his visit.

**TO MULESHOE**  
Mr. and Mrs. Lawton Thomas of Olton visited with Mr. and Mrs. Clyde Holt Sunday. The group went to the Curry County speedway outside of Texico, N. M. and watched the midget car races.

**CONGRATULATIONS TO**  
Mr. and Mrs. Herbert S. Funk on birth of a daughter, Janith Larine, born in a Littlefield hospital on July 31.

## JayCees Meet Monday Night

The Muleshoe Junior Chamber of Commerce met at the Cross Roads Cafe for their regular meeting Monday night. Plans were made for the Muleshoe Club to send representatives to the regional meeting to be held in Hereford the 26th and 27th of August. Myron Pool, II, and Paul Gardner have entered the JayCee golf tournament that will be held during the convention.

The paving committee met with the members of the City Commission to further investigate the possibility of paving for the City of Muleshoe.

Several of the JayCees collected for outstanding house numbers Wednesday afternoon. This money collected will be used to complete the house numbering project.

Next regular meeting will be Monday night at the Cross Roads Cafe and all members are urged to attend. Dinner will be served at eight o'clock. Anyone interested in becoming a member of the organization is invited to attend.

## Ramsey Thanks Texas Voters

**BEN RAMSEY**, run-off candidate for Lieutenant Governor, thanked Texas voters this week for the vote they gave him in the July 22 primary election. Ramsey, shown here in his San Augustine law office, said his heart was "filled with humble gratitude," and asked his supporters to continue the fight and elect him Lieutenant Governor in the Aug. 26 second primary. Ramsey is the only experienced candidate in the race.

## Sunshine Club Meets Staas Home

The Sunshine Club met in the home of Mrs. Lillie Stass July 27, with thirteen members and four visitors present.

The afternoon was spent quilting and visiting. Refreshments of sandwiches, cake, koolade and tea were served to the four visitors, Mrs. Blanche Vay of Pueblo, Colo., Mrs. Neal Ware and daughter Maxine of Littlefield and Mrs. Vina Vay of Muleshoe; and members Mesdames Ruby Crawford and children, Myrtle Chambliss, Bertha Williams, Myrtle Lee, Lucille Nash, Blanche Coulter, and children, Florence Harvey, M. M. Simmons, I. M. Stinson, L. D. Tipton, Tom Payne, C. H. Odum and Misses Margie Stass and Doris Lee.
