

## Wanda's Corner

by Wanda Hallmark

Have you driven out to the Lake recently? It is getting very low, and the need to cut back on water usage is a must. It is a critical situation now.

Make sure there are no leaks in your home and cut back on outside watering as much as possible. The city will have the results back on the water study they are participating in the first of October. It will then take time to hook up to the best alternate water source, so unless it rains heavily, everyone will need to "bite the bullet" and cut back on their water usage.

If this area does not receive any rain, then the next step will be to cut out all outside watering. (See the story in this issue of The Press.) But water conservation can be done! Ciscoans will work hard to help their city.

I know that several people have been praying diligently for rain, and the Lord will answer these prayers soon. But we must keep praying for rain until then.

George Simmons, who lives on Humble Avenue, said he was put into the goat business last week when his twin Spanish nanny goats, had five little baby goats within a three hour period!

He said one had two baby goats, at 12 noon last Wednesday, and the other twin had three baby goats at 3 p.m.

George and his wife Dorothy, were delivering meals on wheels and when they came back his neighbor was telling him he needed to check on his goats. One of them was a new mother.

George said it was kind of unusual that twin goats had their babies so close together and had twins and triplets themselves.

Pat Isbell said it is well worth the time to drive to Brownwood, to look at the pretty wildflowers. She said between Cisco and Brownwood the roadside is thick with bluebonnets, Indian paint brush and other wildflowers.

Cisco Lady golfers, Dorothy Farnsworth and Maryann Perry, teamed up and shot 74 at the Abilene country Club on Thursday in that club's two-lady scramble. They were three over par, but tied for first place in the first flight.

Joe Cooper has a smaller bandage on his left hand than what he had last week. Joe ended up with a few stitches on one of his fingers, when his hand was caught in a troll motor while he was cleaning it. He said his hand was resting on the chain, and when he accidentally hit the starter button with his right arm it pulled his hand into the winch before he knew what happened. Joe is a local CPA in Cisco.

Dr. Robert Blackstock, former Cisco dentist, renewed his subscription to The Cisco Press recently. He said he is a grass farmer now.

Mrs. L.C. Girardi, sent in her renewal for a subscription and wanted to know if any plans were made for a CHS class of 1949 reunion.

There will be an all-school reunion on June 9, 1990. The life size bronze statue of the Cisco High School Lobo will be unveiled at that time.

Mrs. Girardi said she enjoys catching up on the local news, so be sure and call in or send in news about your trips, visitors, or reunions to The Press, P.O. Box 1072, 442-2244.

Gerald and Francine Winnett have bought the Taylor buildings in Cisco and Eastland and will open the stores again soon. They will have a convenience store and a laundromat. We will have more information at a later date.

Mrs. Rust with Rust Processing, located between Cisco and Eastland on Highway 80, said hunters reported that the turkeys weren't as plentiful this year as they have been in the past. Turkey season was over last weekend.

But, she said the wild hogs have been plentiful. She said these are domestic hogs that went wild. She said there are several of them between Cisco and Moran, but she has heard there are some in Stephens County.

She said they have heard from several out of town people who want hunting leases in this area. She said it is good for the economy of this area when these hunters come in. They buy from the local stores and eat at the local restaurants. She said they have a list of out of town hunters if anyone is interested.

### Kitty McCracken Announces Candidacy For E.L. Graham Hospital Board

KITTY MCCRACKEN

I am a candidate for election to E.L. Graham Hospital Board. I am a long time resident of Cisco and my late husband, James, and I reared our four children here. We worked diligently to get a Hospital District established and the present hospital built. I will

continue to work to keep the hospital doors open if elected.

I have been an active member of E.L. Graham Hospital Auxiliary since its organization. Presently, I am serving as a director on the Boards of First National Bank Cisco, Eastland National Bank and Sunland Life Insurance Co. I am a member of Calvary Baptist Church, Cisco Historical Society and Cisco Chamber of Commerce.

I believe the hospital is a cornerstone of our community and its continued operation is vital to the growth of Cisco. If elected, I will try to serve the best interest of the hospital and community.

I will appreciate your support and vote on May 6, 1989. (Political Advertising paid for by Kitty McCracken.)

### Boy Scout Troop 287 To Have Bake Sale May 6

Boy Scout Troop 287 will have a bake sale Saturday, May 6, at Thrift Mart, starting at 8 a.m. Some of the baked goods to be offered for sale will be tea cakes, cookies, cup cakes, quick breads, pies, cakes, candies and popcorn.

Proceeds from the bake sale will go to the fund raising for camping equipment and camp fees.

The paper and aluminum beverage can drive is a great success. The Troop would like to thank all of the citizens who have contributed to the fund raiser. The Cisco Press has helped with the news releases. The

paper and aluminum beverage can drive will continue as long as citizens of Cisco and surrounding area are willing to donate their papers and beverage cans. It serves two purposes-- it helps keep the city clean and earns money for a good cause.

Senior Citizens who are unable to lift and want to contribute their papers or aluminum beverage cans may call 442-4759 and make arrangements for a member of the Troop to pick up their contributions. All others are asked to bring their contributions to the trailer located at 301 East 21st for their convenience.

## Ambulance, Water Are City Concerns

Continued Ambulance Service and an adequate water supply for Cisco were two major concerns at Tuesday night's meeting of the Cisco City Commission.

Mayor Wheatley and Commissioners Pierce, Odum, Chambers, Mueller, and Masters were joined by as many as twenty people, besides two television camera crews for the meeting.

After the minutes were approved, the March finan-

cial report was reviewed and accepted.

City Manager Moore announced that Cisco's application for a Community Block Grant was placed 13th on the priority list and only the first four or five would be funded. There was some question as to whether Cisco should apply again next year.

It was reported that an effort to establish a Regional Garbage Collection Service and Landfill with Brecken-

ridge doesn't look like it will succeed. A local effort to establish such a program was suggested and plans were made for further investigation.

Requested funding for a boat ramp is still in the works and City Manager Moore is optimistic about it.

Mayor Wheatley and City Manager Moore visited with State Senator Glasgow and Representative Parker in Austin. Chances of passage

for the bill to raise franchise tax limits seem slim it was reported. Project Hoos-Gow was also discussed with the two men. T.U. Electric opposes the franchise tax bills.

The Commission was given notice that mandatory water conservation may be necessary soon for the city. "We must conserve water until a new source is obtained," reported City Manager Moore.

A grant has been approved for a water study and six proposals have been received. There will be a presentation May 15. A Regional Water District with Abilene is being studied. The Subcommittee will recommend a proposal to the Board, a contract will be let, and the first report of

(Continued On Next Page)

Eastland County's junior livestock judging team of (L-R) Kevin Hearne, Kerstin Gerhardt and Garrett Gerhardt won the District Contest in Stephenville April 15. With fifty livestock judging teams participating, Kerstin was high point individual and Garrett was third high individual.

## Five Students Will Go To State UIL Academic Meet

Cisco High School has qualified five students for the University Interscholastic League Academic State Meet, May 4-6, at The University of Texas at Austin. Qualifiers include:

Jana Muller, first in calculator application and first in literary criticism. Jeff Roark, first in physics, and fourth (first alternate) in Sciences overall.

Stacy Saunders and Lori Ann Speegle, 3rd in team debate.

Shilo Denison, first alternate in Lincoln Douglas debate with a fourth place finish.

The students earned eligibility by placing first, second or third at the UIL regional meet, held Saturday, April 22, in Stephenville. Other results of regional meet are as follows: Jeff Roark, 4th in number sense; and Rachel Valek 6th in calculator and tie for 5th place in literary criticism.

"Reaching the State level of academic competition shows determination and

preparation on the part of the contestant and sponsor," Dr. Bailey Marshall, UIL director said. "Students who compete at the UIL State Meet represent the elite in their field. The development of the skills to handle the intense competition and the

(Continued On Next Page)

## Deadline For Reservations For Texas Circuit Meals

The deadline for making reservations for meals served during the Texas Circuit Literary Festival in Cisco is Thursday, May 4, according to Dr. Monte Lewis, one of the hosts.

Friday, May 5 and Saturday, May 6 are the dates for the Festival, which will be held in the Hilton Center. Oscar's Barbeque will cater the Friday 6 p.m. meal, and the Cisco College Cafeteria will cater the noon luncheon on Saturday.

Each meal will be \$7.50, and reservations may be obtained by calling Cisco Junior College at 442-2567. Persons who want to attend programs but not the meals will walk in for a \$1 fee daily. There will be no charge to students or Writer's Club

members. A number of southwestern Editors and writers are expected to be in town for the event. The program will begin at 1:30 p.m. on Friday and end late Saturday. Speakers, book displays, and readings by local and out-of-town writers will highlight the meeting.

The Austin-based Texas Circuit group will lead out with some of the discussions. Mayor Joe Wheatley of Cisco will open the Festival with a welcome from the City.

The Festival is sponsored by Cisco Junior College and the Cisco Writers Club, and hosted by the CJC Resident Editors of "Cross Timbers Review." These Editors are Drs. Monte Lewis, Ken Hammes and Cleatus Rattan.

## Writer's Club To Meet Tuesday

The Cisco Writer's Club will meet at 7 p.m. on Tuesday, May 2 in the Community Room at First National Bank, Cisco. Plans will be finalized for the Club's part of the Texas Circuit Literary Festival, which will be held May 5-6 at the Hilton Center

in Cisco. Persons who plan to read manuscripts during the Festival are invited to bring this material Tuesday for a preview reading.

Cisco Is A-OK

## E.L. Graham Memorial Hospital To Host Open House May 4 & 5

E.L. Graham Memorial Hospital will host an Open House Thursday, May 4, and Friday, May 5, from 4 until 7 p.m. each night.

The purpose of the Open House is to allow the community to visit the facility and gain a better understanding of the operations of the facility, and conduct a question and answer session regarding the referendum.

The idea is to have a self guided tour through the hospital. We will have members of our staff from each of the various departments who will present important facts concerning that department's operation and answer any questions about the department. The tour will conclude in the dining room where refreshments will be served and questions about the referendum will be discussed.

Hospital Administrator Marvin Cole said, "This will be the final opportunity for questions to be answered before the voting on Saturday, May 6th. We feel that it's important to create this type of event to answer questions, and hopefully, correct the misinformation and rumors concerning this effort to create a solid financial base for our hospital. Hopefully, we'll have several people come out who have questions that we can answer. While we certainly want to see the voters vote for the referendum, it's equally important to us that we help send informed voters to the polls on Saturday."

## Voluntary Water Conservation Must Continue In Cisco

The City of Cisco again reminds all residents that the level of Lake Cisco remains very low and that the City's voluntary water conservation ordinance is still in effect. As we enter the hot, dry weather of the summer season, everyone must be even more cognizant of their water consumption and eliminate waste and unnecessary water use. "In order for our conservation efforts to be truly effective, and prevent significant mandatory cut-backs this summer, it is imperative that all Lake Cisco water users recognize the potential severity of the situation and cooperate," stated City Manager Mike Moore.

The current voluntary water conservation stage means that lawn and garden watering must be restricted to two days per week - Tuesday and Saturday, from 1 a.m. until 12 noon. It also requires our residents to fix water leaks as quickly as possible; not allow water to run down the gutter; hand-water whenever possible; and generally eliminate the needless use and waste of water.

While the City Council and administration continue to

locate and establish a stable, efficient and realistic alternate source of water, they ask that the citizens of Cisco work together in order to conserve the precious water resource of Lake Cisco. Necessity requires that the City identify and address flagrant violators of the voluntary water conservation program, because if the voluntary program is not successful, the City will have no choice but to consider mandatory water curtailment.

Over the next several weeks, the City will be monitoring daily water pumping levels, and if the high consumption rates of the last two summers continue this year, the City Council will institute Stage Two of the City's water conservation ordinance, which would include severe restriction or the elimination of outside watering. Stage Two would also include consideration by the City Council of higher water rates to encourage and promote conservation.

As we head toward the hot summer months, please keep our water conservation program in mind, and eliminate the waste of our water!

## Commissioners Court Meeting On The 911 Service For County

At presstime Friday the Eastland County Commissioners Court was holding a called meeting to discuss the possible use of the 911 Emergency Services for the County.

Meeting with County officials, lawmen, dispatch personnel and other citizens were Jim Compton, Director of Administration for the West Central Texas Council of Governments, and Sue Smith, Director of Special Programs for this 19-county organization.

A representative for Comanche County Co-Op was present, but no one from Bell Telephone arrived during the first part of the meeting.

Compton spoke to the group, explaining that this meeting was to discuss specifics of the 911 System "You want in this county."

He said that one important part of the 911 services was where the answering point would be. Eastland County is ahead of others by having a centralized dispatch system where this could be handled, he stated.

There are 9359 phone lines in Eastland County, Compton said, and the Automatic Number Identification (ANI) would probably be the kind of system used here. There are other more sophisticated systems, he explained, but they also cost a lot more to install.

He had no definite figures on cost for 911 but said there would be a final review in July, with no cost information.

The discussion on the 911 System was expected to last throughout the morning in the Commissioners Courtroom.

## Cisco Police Arrest Man In Standoff

A 26-year old white male was arrested and charged with aggravated assault on a peace officer, after a standoff that lasted until 11 p.m. last Tuesday night.

Police found the man hidden beneath a mobile home in the 800 block of West 3rd

Street, where he had tried to bury himself. Police had to remove the underpinning to get to the man.

The incident began when Cisco police were requested to accompany a bondsman who was going off a bond for the man on a felony drug

charge. At that time assault charges were received for the man.

When officers first arrived at the scene there were children in the home, but they left soon after.

(Continued On Next Page)

## Cisco City Council Meeting

...From Page 1

the study will be received by August 31. The final report will come in October or November.

There may be a proposal next month to restripe downtown parking places, it was reported.

Mr. and Mrs. Morris White requested that Commissioners consider changes in sanitation rates for their Royal Oaks Apartments. We are paying for services for vacant apartments, services we are not receiving, and we need some relief to be able to stay in business, said the Whites. Apartment rates apply to all apartments in Cisco, and the ordinance would have to be revised to adjust the rates, it was pointed out. The subject was tabled for study.

With ambulance service subscriptions getting harder to sell, Patterson's Ambulance Service may not be able to remain in business in Eastland County, and without dependable continuing ambulance service, several announced at the meeting. It was concluded from a discussion that a volunteer program wouldn't work, and that the hospital should be the focal point of health care services. If we have to subsidize it, it was said, we want to subsidize a publicly owned and controlled service not a private business. And other said that if there is any money to be made, the hospital should

make it.

Hospital Administrator Cole said that there is a lot to be worked out, but he indicated that the Graham Hospital was willing to operate an ambulance service.

It has been suggested that the city, county, and hospital district jointly support an ambulance service with each paying one third of the cost. The hospitals third would be in service, by operating the ambulances.

With ambulances, insurance, and trained labor being major costs, it was suggested that one new ambulance and one used ambulance could be purchased.

The hospital would also collect fees for ambulance service under the proposal.

County Commissioner Bacon voiced his support for the proposal, and several said that they believed the hospital could do a good job. Some who voiced disapproval of the present service said that they believed services could be improved.

If the Graham Hospital should be discontinued in the future, the Eastland Hospital is willing to assume the operation of ambulance services in Cisco, stated Mr. Cole. Patients requiring surgery, such as heart or trauma patients, would be taken to the local hospital to be stabilized before being taken to a large city hospital, it was indicated.

The meeting then adjourned.

## Cisco Police Arrest Man

(From Page One)

The man went in under the home from the inside and buried himself in one corner. Cisco detective Adrian Hudleston said there were reports that the man had a

30-30 rifle and a 12 gauge riot gun, but no shots were fired and there were no guns found in the home.

The man was taken to Eastland County jail after he was arrested.

## Five Cisco High School Students To Attend UIL State Contest

From Page One...

tainment of knowledge required to achieve this honor will benefit the contestant far beyond the high school years."

Contests range from headline writing to Lincoln-Douglas debate, calculator applications to accounting. Of the million and a half students who participated in UIL activities in 1987-88, over one half million students competed in one or more of the 19 general academic contests.

In participating at the State Meet, students qualify for Texas Interscholastic League Foundation scholarships. During 1988-89, the TILF awarded more than \$437,000 in scholarship grants to 336 college students who competed at the UIL State Academic Meet. In 1989-90, the TILF expects to award an estimated 350 new and renewed grants, valued at approximately \$460,000. The TILF funds are made possible through grants from foundations, individuals and

**CJC STUDENT GOVERNMENT--** Members of the Cisco Junior College student government are shown in the above photo while at the state contest held in Austin. Shown standing back row, left to right are, Kevin Rhodes, Leigh Callarman, Krista Shepard, and Jill Reynolds; seated, left to right, John Longoria, Jason Phillips, Goldie Abshire, Donna Duran, Renee Dillard and Shelly Smothers.

## CJC Student Government Wins First Place In State Contest In Austin

The Cisco Junior College Student Government won first place in a state contest held in Austin in multimedia, and the slide presentation that won first place was shown to the Cisco Lions Club at their regular meeting held last Wednesday at Tradition's Restaurant.

Two of the students who worked on the slide presentation, Jill Reynolds and Kevin Rhodes, were at the meeting, along with Gus Smothers, CJC instructor. The other two team members are Jason Phillips and Shelly Smothers. CJC won first place over 35 colleges who

competed in the contest. Guests at the meeting were Raymond Scott from Fort Worth and Mark Harris, of Albany. Sutton Crofts led the Lions roar, Bob Conners gave the invocation, Wyley Peebles led the singing and Jerry McBeth, presided over the meeting.

## Cisco Service Club Elects Officers

Officers were elected at the regular meeting of the Cisco Service Club held Thursday evening in the First National Bank Community Room.

Those elected were Gabby Masters, president; Gina Winnett, first vice president; Sue Lacy, second vice president; Joyce Schaefer, secretary; and

Carlene Conner, treasurer. The newly elected officers will take their office after the Service Club banquet to be held Tuesday, May 9, 1989, at 6:30 p.m., at Tradition's Restaurant. During the business part of the meeting, club members voted to donate \$25.00 to the Christmas in May program. The club

members voted to donate \$100 to the Project Graduation. And they also voted to donate \$25.00 to Project Lobo.

Discussions were held concerning the Sue Witzsche Scholarship. Betty McGrew was the hostess for the meeting.

## USE THE CLASSIFIEDS

## Cisco Rotarian Citizenship Dinner To Be Held May 18

The Cisco Rotary Club will hold their annual Citizenship Awards dinner at noon on Thursday, May 18, at Tradition's Restaurant. Mary Scott Nabor with the Texas Employment Commission will be the guest speaker. The date for the dinner was announced at the Cisco Rotary Club club assembly held last Thursday at Tradition's.

James Cotton gave the invocation and Otto Urban, president, led the Pledge of Allegiance.

Urban said Mary Bailey and Jim Puryear are working on a list of students who will be eligible for the Rotary Club scholarship. The winner will be announced during the CHS graduation ceremony to be held June 2.

Urban said the Brownwood Rotary Club will be hosting a golf scramble on June 17, and invited all Cisco Rotarians to participate. All proceeds will go to the Polio Plus program.

The Cisco Rotary Club voted to donate money to the Cisco Little League to help buy equipment. Billy Reynolds will be in charge of the May 4, meeting, and Roger Schuster will be in charge of the May 11 meeting.

## Church Services

### Redeemer Lutheran Church

Our worship service begins at 10:30 a.m. Pastor Urban's message is entitled "Legacy," based on John 14:23-29. Sunday School and Bible Class begin at 9:30 a.m.

Wednesday, Nursing Home worship at 10 a.m. Board of Evangelism meets at 7:30 p.m.

If you go to a parade too late, it just might pass you by! When it comes to God's gifts, are you missing the point? Be sure to hear Dr. Dale Meyer, Lutheran Hour speaker, next Sunday at 7:04 a.m., as he speaks on the topic "Don't Let This Parade Pass You By!" based on Eph 4:8. Hear it on radio station KSTB (1430) and at 8 a.m. on KBWT (1380) and at 8:30 a.m. on KFQX (1470).

## Use The Classifieds

## Sue Witzsche Scholarship Applications Available To All Cisco Women

All female high school seniors and other interested women in Cisco still have time to apply for the 1989 Sue Witzsche Memorial Scholarship. The deadline to turn in an application for the scholarship, sponsored by the Cisco Service Club, is Monday, May 1, 1989. The scholarship is available to any female resident who has lived here for one year or more, and who would like to obtain additional financial aid for her pursuit of an academic, technical or vocational training.

Applicants need not be presently in school, nor is the scholarship limited to

## Join Wal Mart In Making A "Miracle" Happen

The Eastland Wal-Mart Associates are asking you to join them during "Miracle Week," May 1 to 7, to make a miracle happen. You are being asked to watch the Children's Miracle Network Telethon on June 3 and 4 on television.

The Children's Miracle Network Telethon, CMNT, is an annual televised fundraising event in its 7th year which spans 21 hours the first weekend after Memorial Day. Live from Disneyland in Anaheim, Calif., on June 3 and 4 this year, it benefits more than 160 children's hospitals across the country.

Sponsored by the Osmond Foundation, which is committed to ensuring that 100 percent of the dollars donated go directly to member hospitals in your area to benefit children, CMNT hospitals treat all diseases and ailments that affect our children.

The children's fair will have a ring toss, a basketball throw, a baseball throw, a cake walk, a fishing booth, a coin toss, a dunking booth, a flea market, live bands, a dart throw, and a concession stand. There will also be a drawing for a Sony jam box.

Associates invite you to bring lawn chairs and spend the day at Wal-Mart during the children's fair.

CMNT refers to children who, through treatment and their perseverance, overcome a physical or mental obstacle as "miracles."

In 1988, over \$59 million was raised, making this telethon the most successful in the history of television fundraising.

The Eastland Wal-Mart Associates have planned several events at the Eastland store to help raise funds for CMNT. Included are a craft show on May 4, a flea market on May 6, a children's fair, and a car wash and petting zoo on May 7.

Anyone who would like to donate craft items for the craft show, please bring them on out for Thursday, May 4th. Bring items for the flea market, no clothes please, on May 6th. These items will be appreciated.

Associates invite you to bring lawn chairs and spend the day at Wal-Mart during the children's fair.

## Canterbury Villa Says Thank You

Thank you so much for your local support of the changes we are making in the Canterbury Villa Nursing Home in Cisco. Everyone has been so receptive and concerned. We are still in need of some sitting furniture for conversation areas. If you have such items, please call 442-2202 and ask for Mel Serratt.

## Scranton Business Meeting To Be Held On May 2

The Scranton community business meeting will be held at 8 p.m. Tuesday, May 2, at the Scranton Community Center. All voting members are urged to attend.

## Registration For Baseball Continues

Registrations are still being accepted for summer baseball. All boys attaining the age of 13 by August 1st are eligible. Anyone interested in playing baseball should call Dana Gooßen at 442-3958 or Jackie Williams at 442-2329 for further information.

## Legal Notice

## Carlile - Lewis

Miss Dana Michelle Carlile, daughter of M.D. and Twila Lee and the late Dale Carlile of Cisco, joined Michael Lee Lewis, son of Mike and Sharon Lewis of Eastland, in holy matrimony on December 17, 1988. The couple exchanged vows at the I-20 Church of Christ in Cisco with Bob Martin of Gustin officiating.

Decorations for the occasion featured a brass archway accompanied with a fan-shaped candleabra blank-

ed by spiral candlebras. They were accented with greenery and red satin bows. Brass pew markers accented with greenery and Christmas plaid banded the aisles. Fresh lined poinsettias adorned the front of the church. The unity candle was held by a brass stand accented with fresh cedar wrapped with multi-colored lights. A Christmas tree with white lights and paid bows stood in the foyer. The bride wore an elegant

white taffeta gown by Eve of Midway. Chantilly lace, pearls, and iridescent sequins accented the bodice. Long tapered puffed sleeves were enhanced with an iridescent sequin bow. Bordering the full skirt was a scalloped hemline that flowed into a cathedral length train which was trimmed with Chantilly lace and iridescent sequins. She carried a cascade bouquet of fresh red poinsettias with accents of white roses, gardenias, and baby's breath.

Music selections included "Glory of Love," "Sunrise, Sunset," "The Wedding March," "To Me," and "The Lord Bless You and Keep You." Singers for the occasion included Wayne and Guyula White, Gene and Gina Kinser, and Ken Boyce. The best man and maid of honor sang "To Me" as the unity candle was being lit.

The bride was escorted by her step-father who wore a black tuxedo with black cummerbund and bowtie with a red miniature poinsettia boutonniere. The bride's mother wore a tea length royal blue dress of silk and a corsage of white gardenias accented with baby's breath. The groom's father wore a black tuxedo with black cummerbund and bowtie with a red miniature poinsettia boutonniere. The groom's mother wore a tea length green dress of silk and a corsage of white gardenias accented with baby's breath.

Tami Roberts, friend of the bride, served as maid of honor. Bridesmaids were Stefanni Carlile of Cisco, niece of the bride, Crysti deBusk of Clyde, friend of the bride, and Kori Lewis of Eastland, sister of the groom.

The bridesmaids wore tea length dresses with black velvet bodices and red and green taffeta dropped waist skirts accented with bow. Each attendant carried a bouquet of red and white silk poinsettias enhanced with Christmas plaid ribbon. Their ensembles were completed with red and green taffeta rosette hair pieces and black suede shoes.

The groom wore a white shadowweave tuxedo with tails accented with a white rose boutonniere. Ken McKillip of Abilene, friend of the groom, served as best man. Groomsmen were Curtis Chambers of Clyde, friend of the groom, Brad Johnson of Stephenville, friend of the groom, and Brandon Carlile of Cisco, nephew of the bride. They wore matching short coat black tuxedos with red and green bowties and cummerbunds accented with red miniature poinsettia boutonnieres.

Wayne Carlile and Warren Carlile of Cisco, brothers of the bride, and Matt Theford of Abilene, friend of the groom, served as ushers. Krystal Thomas of Eastland, cousin of the groom, served as flower girl. Taylor Thomas of Eastland, cousin of the groom, served as ring bearer.

Immediately following the ceremony, the bride's parents hosted a reception at the Hilton Community Center in Cisco.

The bride's table was covered with a Christmas plaid gathered skirt with an overlay of gathered red net. Featured on the table were a gold candleabra with red candles and the bride's bouquet. The three tiered white

cake was decorated with red hearts and red silk poinsettias. Topping the cake was a Precious Moments bride and groom figurine. The bottom tier was encircled by six small cakes featuring red and green satin ribbon leading up to the bride and groom. Completing the dressing of the table were red and green mints along with red napkins. Punch was served from a gold punch bowl. Attending the bride's table were Diane Carlile, the bride's sister-in-law, and Sue Scott, friend of the bride, both from Cisco.

The groom's table was covered with a Christmas plaid gathered skirt with an overlay of gathered green net and centered with two gold candleholders featuring green candles. Coffee was served from a gold coffee service. His German chocolate cake was decorated with chocolate icing and slivered almonds. Hors d'oeuvres were served from gold and crystal trays. Attending the groom's table were Sampty Sipe of Waco and Wendy Endsley of Cisco, both friends of the bride.

Registering the guests was Kay Scott of Cisco at a table covered with a white lace tablecloth and centered with a vase of red and white silk poinsettias, a picture of the bride and groom, and the wedding book.

For going away the bride wore a black velvet dress with a black and red plaid taffeta collar. Following a wedding trip to Ruidoso, New Mexico, the couple is making their home in Cisco.

A 1985 graduate of Cisco High School, the bride attended Abilene Christian University for two years.

From there she attended Cisco Junior College Cosmetology School. She is currently employed at Elite Beauty Shop in Cisco. The groom is a 1986 graduate of Eastland High School and is now attending Abilene Christian University majoring in Secondary Education. He is currently employed at Hendrick Medical Center in Abilene.

Rehearsal dinner was hosted by Mr. and Mrs. Mike Lewis at the I-20 Church of Christ Fellowship Hall.

## Men In Service

Jeffrey M. Parker, son of Linda G. and Jack M. Parker of 411 Briarwood St., Eastland, has received the silver wings of an Army aviator and was appointed a warrant officer upon completion of the rotary wing aviator course at the U.S. Army Aviation School, Fort Rucker, Ala.

The course provided training in leadership and helicopter flying techniques as well as instrument flying. He is a 1983 graduate of Eastland High School.

## Megan Kinen & James Morton Plan June 10 Wedding

Mr. and Mrs. Gary Kinen of St. Francis, Kansas is proud to announce the engagement and approaching marriage of their daughter, Megan Ann to James Bascom Morton III. James is the son of Dr. and Mrs. Dick Hodges and Mr. and Mrs. Bill Morton all of Eastland.

The bride-elect is a graduate of St. Francis Community High School, West Texas State University and Texas Tech University. She is presently employed as a Physical Therapist at St. Anthony's in

Amarillo.

The future bridegroom is a graduate of Eastland High School and West Texas State University. He will receive his Masters Degree in July from West Texas State University. He is presently an assistant football coach at West Texas State University.

The couple is planning a 8:00 p.m., June 10, 1989 wedding in St. Hyacinth Catholic Church in Amarillo.

All friends and relatives are invited to attend.

## Arthur A. Boerger

Arthur A. Boerger, 68, of Houston, died Friday, April 21, 1989, in a Houston hospital. Memorial services were held at 4 p.m., Sunday, April 23, 1989, at St. Andrew Lutheran Church in Houston with the Rev. Harold Fleischhauer officiating. Graveside services were held at 11:00 a.m. Monday, April 24, at New Elm Cemetery, New Elm, Texas.

He was born April 12, 1921, in Wharton, Texas. He married Hilda Jacob April 11, 1948. He was an active member of St. Andrew Lutheran Church and the Lutheran Laymen's League. He was also a member of American Society of Mechanical Engineers. He was in the Navy during World War II.

He is survived by his wife, Hilda Boerger of Houston; daughter, Sylvia Nance of Bellville; a son, Carl Boerger and wife Kathy of Houston; and a grandson, Christopher Boerger of Houston. He was a brother-in-law of Laura and William Ziehr.

## Robert E. Rowlett

EASTLAND-Robert E. Rowlett, 60, died Tuesday at a local hospital.

Services were held at 2:30 p.m. Thursday at the Bakker Funeral Home Chapel with the Rev. Gaylon Nelms and the Rev. David Henley officiating. Burial was in the Eastland Cemetery.

Born in Seymour, he moved to Eastland in 1960.

He was a retired truck driver and a member of the Calvary Baptist Church.

Survivors include his wife, Willie Mae Rowlett of Eastland; two sons, Bobby Herbst of McGargle and Tony Rainwater of Blue Mound; two daughters, Vanolah Humphrey and Jessie Joyner, both of Eastland; two sisters, Imogene Kunkle of Olney and Geneva Spellman of Wendell, Idaho; 10 grandchildren; and seven great-grandchildren.

## Annie Belle Briden

BRECKENRIDGE-Funeral services for Annie Belle Briden, a 93 year old Breckenridge resident, were held on Tuesday, April 25 at 11 a.m. at Morehart Mortuary. Reverend Bubba Stahl, pastor of First Baptist Church, officiated. Burial was in the Breckenridge Cemetery under the direction of Morehart Mortuary. Mrs. Briden died at 1 a.m. Friday at Lake Country Nursing Home.

She was born on February 2, 1896. She grew up in Garner. She had lived in Strawn, Ranger and Ft. Worth before moving to Breckenridge in 1962. In Ranger, she was an active member of the First Baptist Church where she taught Sunday School classes. She married Andrew H. Briden in Ft. Worth on Nov. 22, 1962. He preceded her in death. In Breckenridge, she helped found the Senior Citizen Center. She was a member of the First Baptist Church.

Survivors include: (1) son, Carl Tom Walters of Wichita Falls; (4) grandchildren, (8) great grandchildren and (1) great great grandchild. She was preceded in death by one son, Ted R. Walters, six brothers and four sisters.

## Clara Post

BRECKENRIDGE-Clara Post, 81, died Wednesday at a local hospital.

Services were held at 10 a.m. Saturday at Elliott Street Church of Christ with Mike officiating. Burial was in Breckenridge Cemetery, directed by Melton Funeral Home.

A lifetime resident of Stephens County, she was a homemaker and a member of Elliott Street Church of Christ. She was the widow of J.W. "Jim" Post.

Survivors include three daughters, June Weatherby of Midland, Nancy Dye of Breckenridge and Jeanene Cozart of Carbon; a son, J.C. Post of Chinle, Ariz.; 10 grandchildren; and 13 great-grandchildren.

# Sheriff's Dept. News

The Byrd residence on the Yellow Mound Road was burglarized with the front door being pried open. Missing items include a Siewko wrist watch, a high school senior ring with a diamond in the center, a 30-06 Remington semi-auto rifle, and a 20 ga. single shot Remington shot gun. The ring has garnet with number 58 and Jeff Byrd on it.

Another residence was burglarized in the Chaney Community. This time the back door was pried open and off its hinges. The kitchen stove, sink, cabinet, refrigerator, and even an air conditioning unit on the side of the house were removed.

Deputy Ben Sancillo is investigating the two burglaries. Deputy Frank Saylor transported four prisoners to T.D.C. and Deputy Morris Hardin has been serving as a court bailiff. Deputies have also identified more than 48 recovered items which had been stolen.

Since the washer and dryer in the jail didn't last very long due to their heavy usage, a new commercial washer and dryer have been ordered. The heavier units have a one year warranty and cost \$1,045. All of the prisoner's clothes are washed, keeping the units busy.

A new overdrive transmission has been installed in Deputy Don Griffith's patrol car, replacing a worn one, and he reports that he is quite happy with the new transmission and the fuel it is saving.

A car which had been driven into Lake Leon was found to have been stolen in Stephenville. The D.P.S. impounded it.

When an officer attempted to serve bond forfeiture on a Cisco resident Tuesday evening, the man locked the mobile home door and refused to come out. Officers suspected that he was on drugs since a large amount of drugs had been seized from him in an earlier raid. His wife, who waited nearby with other members of his family, said that she didn't think that he had a gun.

Cisco officers, taking every precaution, called for officers from the Sheriff's Dept. to back them up in case of trouble, and called for emergency people, fire and ambulance, to stand by.

Officers waited at the home for some time, making sure that the man inside didn't leave, while others went for a search warrant. After officers finally learned that District Attorney Emory Walton was out of the state, a warrant was obtained from Judge Jim Wright.

Cisco Police Chief Billy Rains then used a key to un-

lock the door, and he entered the home, followed by other Cisco officers. Officers soon realized that the man had crawled through a hole in the floor and was under the mobile home, which had under pinning around it.

The man had crawled behind a pile of loose dirt so that he was not visible from the hole, according to Sheriff Dee Hogan, so officers quietly moved around the home until they determined where the man was. An officer quickly jerked the under-pinning next to the man away and a group of officers quickly reached under the home and grabbed the man, pulling him out.

The man was placed in the Eastland County jail and, showing symptoms of drug withdrawal, was checked by a doctor.

A number of prisoners have passed through the county jail in the first three months of the year, and while they have received medical treatment as needed or requested, Sheriff Hogan points out that medi-

cal costs were reduced to \$300 from the county, as compared to \$12,000 the three months before Sheriff Hogan's term started.

A man aged 28 was being held for parole violation. A man aged 26 was released after serving time for public intoxication. A man aged 27 was released after serving time for D.W.I. A man aged 40 held for D.W.L.S. bonded out. A woman aged 22 held for theft was released on bond. A man aged 26 was being held for aggravated assault on a peace officer. And a man aged 46 served a day and paid a fine for P.I.

## TDCA Weatherization State Plan Approved For 1989

General Willie L. Scott, Executive Director of the Texas Department of Community Affairs (TDCA) has been notified by the U.S. Department of Energy that TDCA Weatherization State Plan for 1989 has been approved. The State Plan provides for the expenditure of approximately \$6,975,000 to weatherize an estimated 3,768 homes throughout the state. Pursuant to the State Plan General Scott has warded

## Thurman Dedication And Reception Friday, May 5

The Cisco Junior College Board of Regents invites you to attend the dedication and reception honoring the memory of Floyd Thurman on Friday, May 5 at 10:30 a.m. in the Maner Memorial Library.

Mr. Thurman, through his generosity, created a Library Memorial Fund honoring his parents John C. and Hettie D. Thurman. The fund is perpetual and the annual interest is used solely for library pur-

poses for the purchase of books and materials.

Mr. Thurman was a 1929 graduate of Cisco High School and attended Randolph College from 1929 to 1931. Randolph College was located in Cisco and was affiliated with the Disciples of Christ (Christian) Church. Randolph, along with Britton Training Institute which operated from 1909 until WW I, are predecessors of CJC.

CJC president, Roger C. Schustereit, encourages everyone, especially Randolph College exes, to attend this reception and dedication.

Mr. Jan Thurman of Arlington, nephew of Floyd Thurman, plans to be present for the dedication and reception.

ing TDCA at P.O. Box 13166, Capitol Station, Austin, Texas 78711. Persons wishing to apply for weatherization assistance should contact Central Texas Opportunities, Inc., P.O. Box 820, Coleman, Texas 78634.

Eastland Telegram - Ranger Times-Cisco Press  
Sunday,  
April 30, 1989

\$137,135 to Central Texas Opportunities, Inc. to weatherize homes in seven surrounding County(ies).

During the past ten years, more than 39,200 low-income Texas families have benefited from TDCA's weatherization program. A dwelling unit is eligible for weatherization under the program if it is occupied by a family of single person whose income is at or below 125% of the poverty level. Priority is given to providing weatherization assistance to elderly and handicapped low-income persons.

**Pharmacy Topics**  
By Bob Mueller  
Genetic engineering may help high-cholesterol sufferers of the future break down the fat. Work by scientists at the Whitehead Institute in Cambridge, Massachusetts, is still in the preliminary stages; humans will have to wait awhile.  
Ultrasound probe may be able to determine, before biopsy, whether prostate trouble is caused by aging or cancer. Research is being done at the University of Florida College of Medicine in Gainesville.  
New laser catheter, using ultraviolet light, can cut calcified plaque from an artery without burning the artery itself. Doctors at Cedar-Sinai Medical Center in Los Angeles report an 80 percent success rate.  
Experimental vaccine helped patients with ovarian cancer live longer, feel better and do more, according to researchers at the University of Texas M.D. Anderson Cancer Center in Houston.  
Taking eye drops? The smart way is to keep eyes closed about three minutes after insertion, so blinking won't pump out the drops.  
You'll always get good advice -- and good service, too -- from the pharmacists at Wal-Mart Pharmacy, Hwy. 80 East, Eastland, 629-3347.

**Homemaking Hints**

From Janet Thomas, County Agent

As we observe National Consumers Week, be CAUTIOUS with telemarketing offers. Your phone rings! The offer is appealing. A vacation for two in Hawaii - for the price of one. A tax-free investment which will help lower the amount you will owe for the Medicare surtax. A chance to buy, at a reduced rate, a new and highly publicized high-tech product. Telemarketing is big business. It is a convenient way to shop. However, some cautions are in order. You can't see the product or the salesperson. You have only the word of the caller, someone you have never met.

The majority of telemarketing businesses are legitimate, but there is an increasing problem with what is known as "WATS-line hustlers". Telemarketing scams are becoming so serious that fraud-alert warnings are being issued to customers with their credit card statements. Elderly persons in particular have been targets of hoaxes.

Legislation providing for more regulation of telemarketing has been introduced in Congress. However, the best defense against fraud of any type is YOU.

Develop a healthy skepticism about all offers, particularly when you are not familiar with the person or the company with whom you are doing business. Any deal which is "almost too good to be true" should raise all sorts of caution flags. Businesses are quite competitive and few legitimate businesses can afford to offer prices which are far below the selling costs of similar businesses.

Telemarketing offers call for particular vigilance since you are dealing with intangible verbal promises. The following guidelines are sug-

gested by Everyday Law as protection against telemarketing fraud.

• Don't give your credit card number to unsolicited callers. Ask that information about the offer be sent to you. If the offer seems legitimate, you can then order by mail.

• Before you commit an offer, make sure you know exactly what you are getting, and from whom. You may wish to check on the legitimacy of the company through the Better Business Bureau.

• Don't allow yourself to be pressured into buying immediately. Legitimate business doesn't expect an instant decision.

• Don't be over impressed with testimonials. Swindlers often hire "references" to praise their product. Investment promoters sometimes use the money from new investors to pay high returns to early investors, who then naturally praise the company. Such scams have left later investors with no return of either principal or interest.

• Get promises in writing before you commit a sale.

• Find out all you can about the company. If the company is selling an investment, check the prospectus with someone whose financial advice you trust.

• If you have doubts about the company or the offer, just say "No".

**SPRING FASHION TRENDS....**The major fashion change is away from the structured look and toward the fluid, soft-flowing lines. The trend is toward full skirts, usually softer, wider pants, draped details, and interesting new uses for pleating. In many cases, even shoulder pads will be eliminated or smaller to give garments a softer look.

**RECIPE OF THE WEEK:**

**BAKED ONION CASSEROLE** is delicious served with roast or baked chicken. It's a little

different than the usual potatoes and green beans which make for a delightful change of the family menu.

**BAKED ONION CASSEROLE**

- 6 large onions, sliced
- 1 1/2 cups crushed potato chips
- 3/4 cup grated cheddar cheese
- 1 can cream of mushroom soup
- 1/4 cup milk
- In 2 layers, layer the onions, chips and cheese. Then mix soup with milk and pour over layers of onions. Bake at 300 degrees for 1 1/2 hours. Serves 8 to 10.

**Nutrition Program**

We have completed a most enjoyable week. Many school friends and family members were here to participate in the 16th Folk Life Festival, school class reunions and enjoy the many events.

Lois Holder and Walter Knowlden were honored as King and Queen of the festival. They enjoyed riding in the parade. The Senior Citizen Band participated in the parade and performed at the festival.

Cisco programs: Dinner music by Bob Bevers, Anna Dytzel, Lois Holder, Mildred

Johnston, Richard Parker, Senior Citizens Choir and Band accompanied on the piano by Gerald Parks. Janet Thomas, County Extension agent, presented a most interesting nutrition program on how to fight food spoilage and preventive bacterial foodborne illness. Mabel Theford took blood pressure on request. Birthdays and anniversaries for the month were honored. Eastland programs: Dinner music by La Rue Broussard and Ruth Ken-

drick. Birthdays and anniversaries for the month were celebrated.

Invite a friend and make reservations for lunch, call Cisco 442-1557, Eastland 629-1382, Rising Star 643-5141.

Menus for the week:  
Monday-- Turkey roast, cheese-riced-broccoli, sliced beets, cookies, fruit cup, cornbread, butter and milk.

Wednesday-- Barbecue beef on roll, pinto beans, potato salad, apricot, oatmeal cookie, milk.

Friday-- Chicken fried steak, cream gravy, sliced potatoes, vegetable medley, pineapple tidbits, cornbread, butter and milk.

**Safe Driving Tips from Rhonda**

Who has the right-of-way? The cause of intersection collisions is two people trying to go through at the same time, unfortunately they often meet in the middle with a bang! The law does not give anyone the right-of-way. It only dictates which driver is responsible to "yield" the right-of-way to the vehicle on the right. But it does not say that the vehicle on the right has the right-of-way. Each driver must fulfill his own "responsibility". Right-of-way is something to be given - never taken!

# April 28, Is 96th Anniversary Of Cyclone

This year will be the 96th anniversary of the cyclone that virtually destroyed the town of Cisco at 9 p.m., April 28, 1893.

More than 20 persons lost their lives in the storm and a number more died as a result of injuries suffered that night. Newspapers stories written about the tragedy said that every building in the little community of Cisco was either destroyed or seriously damaged, including every church building that was standing in the town at that time.

On the night of the great storm, the cows came running home early as the winds began to gather. The sky was one of the blackest ever recorded, but when the storm was over, the moon came out to bathe the wrecked town in beautiful moonlight.

By Sunday morning, April 30, the town was jammed with people; some who had come out of curiosity and some who had come to help clear away the debris and care for the stricken. Neighboring towns sent work crews, food, clothing and other supplies to help the people of Cisco start back up the road to recovery.

Quoting from an account written in a 1952 issue of The Cisco Press, by the late Mr. R.W. (Bob) Mancill, who was one of the witnesses of the storm, "There was about 23 people killed outright and some 15 more died later of injuries received during the storm. It came from the west and was furious while it lasted. A terrific rain came with the storm. Had the cyclone arrived Tuesday night instead of Friday night, the death list might have totalled 1,000 as the famous Cisco Silver Cornet Band gave a free concert in the opera house Tuesday night. This building was a 2-story stone structure.

"We had borrowed a piano for the occasion, but could

"We started out again and heard a terrible roaring in the south part of town, and when we investigated we found that it came from West 12th street. We all went into the house and found out that it was Fred Grist who was only three days old. We not find ever one of the keys. J.W. Carter, from whom the piano was borrowed, would not let us pay him for it. His home was also destroyed, and the piano would have gone with the wind anyway.

"After the storm passed we got together and began a search for the injured and dead. I was one of four that went to the east side first. We first located Mrs. William Knight, who was so badly injured that she died while the doctor was working with her. We carried her to Martin Drug Store.

"We returned to the east side and found Dave Cameron dead. We carried him to the store of John F. Patterson which was located where the Reynolds Building now stands.

found that he wasn't suffering so we went on to other parts of town.

"Several people have asked me which building were the Hickman children in when they were killed. The five Hickman children were killed in the stone building at 417 Avenue D. They had a store in front of the building and lived in the back. They were all in bed at the time, and their parents were blown a number of yards east and were not killed.

"On Saturday and Sunday all freight trains through here were lined with people on top of the cars and the

town was full of sightseers. "We got our water then from Twin Lakes, and J.V. Smith, the pumper, kept pumping all night, not knowing that there had been a storm. The storage tower was damaged and wouldn't hold water. Next morning Mr. Smith came in to see why he couldn't get the tank full. The water tower was located just east of the W.J. Foxworth home.

"Hard winds here in March are mere puffs of winds compared to compared to the big blow that night. I recall that while the terrible storm was passing through this town, it was the darkest night I ever saw, but by the time it got to Lem Switch, it was the most beautiful night I ever saw."

## Pictures Of Cyclone In Eastland County History Book

A reminder of our season is brought more real through 16 pictures given to the Eastland County Historical Society by Betty Spears of Sherman who requested them be preserved for the history of Eastland County.

On April 28, 1893, about 9:00 p.m. a cyclone moved into the area through Cisco, the Texas Almanac states "April 28, 1893: TORNADO, CISCO, EASTLAND COUNTY; 23 KILLED, 93 INJURED; DAMAGE \$400,000."

In reviewing the pictures, with existing buildings a person can recognize many standing structures that had severe damage that was repaired.

Ron Bailey said "This group of pictures could be the first documented cyclone by photography."

The Eastland County Historical Society is trying to gather and record the events of this county in old photo's, letters, news articles and personal remembrances help to preserve our history.

We are compiling such in a History book for the County. It is now at the printer. The section of business history is almost complete and we hope to have a finished product by mid summer or fall.

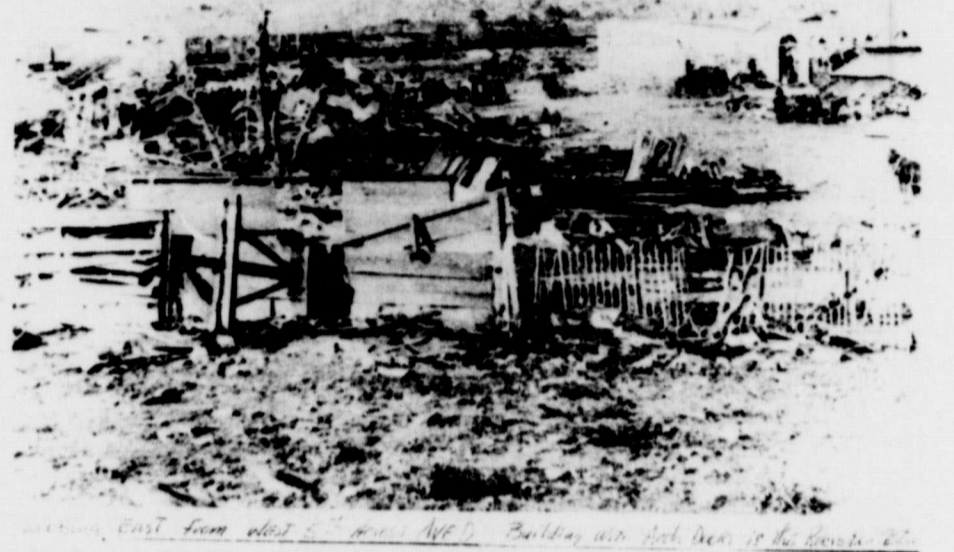

Eastland County has had several tor-

nados. Some causing severe damage but this Cisco cyclone was the most destructive and loss of life which was by far the worst in our history.

Let us be aware it could happen any time especially in the Spring season.

We cannot stop them, but we can learn how to protect our lives. Know what to do when threatening weather approaches and follow the instructions of the Authorities to protect yourself and your loved ones.

Roy Smith  
Eastland County Historical Society

### TORNADO SAFETY RULES

**A TORNADO WATCH** means that tornado development is possible. Keep a watchful eye on the sky for threatening weather, and stay tuned to radio, television, or NOAA Weather Radio for the latest weather information.

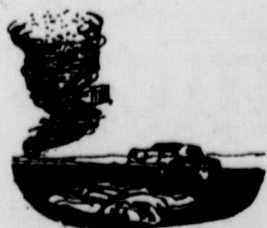

**A TORNADO WARNING** means a tornado has been sighted or indicated by weather radar. Persons in the path of the storm should seek shelter immediately, preferably on the lowest floor of a substantial building.

**IN HOMES:** A basement offers the greatest safety. In homes without a basement, take cover in the center part of the house, on the lowest floor, and in a small room such as a closet or bathroom, or under sturdy furniture. Stay away from windows. Do not attempt to open windows.

**IN SCHOOLS, HOSPITALS, AND SHOPPING CENTERS:** Move to predesignated shelter areas. Interior hallways on the lowest floor are best. If the building is not of reinforced construction, go to a nearby one that is. Stay out of auditoriums, gyms, and other structures with long, wide free-span roofs.

**IN YOUR CAR:** Do not try to outrun a tornado. If available, leave your car and get into the nearest ditch or depression until the tornado passes. Cover your head with your hands.

**IN MOBILE HOMES:** Mobile homes and trailers are particularly vulnerable to overturning during strong winds and should be evacuated when strong winds or tornadoes are possible. Mobile home communities and trailer parks should have a community storm shelter. If there is no shelter nearby, leave the trailer and take cover in a ditch or depression.

## Eastland County American Cancer Door-To-Door Drive In Final Stages

The Eastland County American Cancer Society's 1989 door-to-door drive is in the final stages. Sixty volunteers in Eastland are finalizing their work; Ranger and Olden will be canvassed this week. If you have been missed and wish to contribute, you can call Dale Squiers, President of the Eastland County

Chapter, Mrs. Fehman Lund, Eastland Residential Drive Chairman, or any of the following Area Chairmen: Jennie Bradley, Barbara Anderson, Wanda Hull, Joan Hill, Donna Robertson, Rosalie Bradshaw, Sue Alexander, Pam White, Linda Davidson, Ethel Sparks, Judy Underwood, or Dale King.

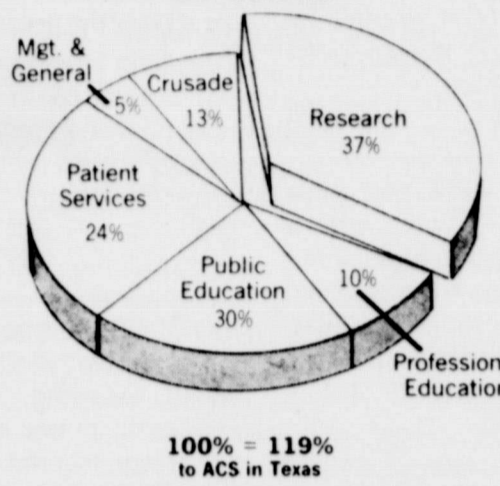

The Businessmen's Drive will be spearheaded by Robert Steed and will be getting underway this week also. Robert and his workers will be calling on businesses to ask their continued support of the Cancer Society's work.

One important source of contributions to the Cancer Society is the memorial program. Volunteers calling at

residences have supplied memorial envelopes and hope that Eastland County citizens will use these envelopes throughout the year. As well as a remembrance to the family of a deceased loved one, memorial gifts to the Cancer Society work for the good of all of us by supporting on-going research, public and professional education, and patient services. The chart below shows how your dollars fight cancer in Texas. The 1988, \$35,000 was spent for cancer patients in Eastland County. One-third of that amount was collected in the county from various fund-raising events.

In these last few weeks of the Society's fund-raising campaign, the Eastland County Chapter urges you to remember the vital work the American Cancer Society is doing to conquer cancer and contribute generously.

### HOW YOUR AMERICAN CANCER SOCIETY DOLLARS FIGHT CANCER IN TEXAS

100% = 119% to ACS in Texas  
This 119% expenditure reflects increased research allocations to Texas by our National Society.

## Long Branch Homecoming To Be May 7

The Long Branch Community Homecoming will be May 7th under the tabernacle. Coffee and visitation will begin at 10 a.m. with lunch at 12 noon. Plates, cups and silverware will be furnished. Everyone is invited to attend and join in the fun of fellowship and visiting.

### WORD of GOD

#### Fast and Pray

Defraud ye not one the other, except it be with consent for a time, that ye may give yourselves to fasting and prayer; and come together again, that Satan tempt you not for your incontinency.

1 Corinthians 7:5

## Former Rising Star High Graduate Receives International Recognition

Don Hicks graduate of Rising Star High School in 1958 has been named teacher of the year for the state of New Mexico in industrial technology. The award was presented to him in Dallas at the International Technology Association Convention March 22, 1989.

The award is given by the International Technology

Education Association to one teacher in each of the fifty states, Japan, Norway, Sweden, Finland, Great Britain, Canada, and West Germany.

Don has been teaching drafting for the past twenty-five years in Albuquerque, New Mexico. He attended North Texas State University in Denton, Texas and started

teaching in 1964.

He has worked for Sandia National Laboratories in Albuquerque, New Mexico the last three summers as a design draftsman.

The Albuquerque public schools have implemented computer-aided drafting as a result of Don's proposal. "In

1984 when we purchased AutoCAD, we were the largest school district in the U.S. to implement 66 Cad stations to do computer drafting."

Don is the son of the late Rufus and Leta Hicks of Rising Star and Eastland and the brother of Lee Worley of Eastland.

**West Texas Utilites Has Changes In Company**

The board of directors of West Texas Utilities Co., re-elected all officers at its regularly scheduled meeting, recently.

Officers re-elected include: Glen D. Churchill, president and chief executive officer; Jerry Johnson, vice president-administrative services; G.H. King, vice president-corporate services; Randal G. Meador, vice president-engineering; and Donald A. Wash, vice president-customer services. Also re-elected were Lawrence B. Connors, secretary and director of accounting and finance; David B. Carpenter, controller; George W. Woodfin, treasurer and assistant secretary; Ann Hawkins, assistant secretary; and Sharon King, assistant treasurer.

The board also elected Terry D. Dennis vice president-engineering and a member of the board effective June 1. Dennis will replace Meador upon his retirement in June.

Dennis at present is Director of engineering. A native of Abilene, he graduated from Abilene High School in 1965. He attended the University of Texas in Austin and graduated with a bachelor of science degree in electrical engineering.

**Texans Have Serious Probles In State's Rural Health Care**

Rural health care could be a life or death matter to any citizen of Texas who had an accident or medical emergency while traveling through the state, members of the Texas Chamber of Commerce and legislators were told at a breakfast meeting this week.

Problems with rural health care delivery in Texas were reviewed at the regular biweekly legislative breakfast of the Texas Chamber of Commerce by Larry Milner, President and Chief Executive Officer of the Chamber, Rep. Mike McKinney and Sheryl Boyd, Ed.D. of the Department of Internal Medicine of the Texas Tech Health Science Center. Both panelists were members of the Special Task Force on Rural Health Care Delivery that made its report to the Governor and the legislature this year.

The panelists zeroed in on the declining number of health care facilities in rural areas of the state. Rep. McKinney said that 72

ing in 1970. While in college he also worked half time as a research assistant for the Texas Atomic Energy Research Foundation. TAERF conducts research in nuclear fusion.

He and his wife Shirley attend the Pioneer Drive Baptist Church and have two children, Brady and Amy.

Meador graduated from Bronte High School in 1942. From November of that year until September 1945 he served the Marine Corps in the Pacific. His commendations include the Bronze Star and Purple Heart.

Meador is a registered professional engineer and a member of the Texas Society of Professional Engineers. He also has been a member of the Institute of Electrical and Electronics Engineers, served on the board of the Expo Center of Taylor County, and is a member of the Key City Kiwanis Club.

Randal and his wife Kathy are members of the St. Paul Methodist Church. They have two daughters and three grandchildren.

West Texas Utilites is an electric utility serving customers in 52 counties stretching from the Red River to the Rio Grande River.

Texas hospitals failed in the past five years, most of them in rural areas. One of the latest was the hospital in Leon County where Rep. McKinney a physician, practices. Last year alone, 17 hospitals in the state closed their doors.

Dr. Boyd a member of the Texas Chamber Board of Directors, was vice-chairman of the task force. Sam Gorena, a member of the chamber staff was the executive director. The group held eleven hearings throughout the state and heard from more than 250 witnesses.

Dr. Boyd pointed out that the economy of small towns and rural areas are severely impacted when there is inadequate health care. "Not only does a lack of doctors and hospitals make the attraction of new industry almost impossible, but health care itself is an industry, that goes to the next larger city when facilities in a small town close," she said.

## District Attorney Emory Walton Testifies At Washington Hearing

Emory Walton, District Attorney, testified in Washington, D.C. April 26 on Health Care and Insurance Sales Abuse before a group from the House of Representatives Committee of Energy and Commerce.

Walton said that apparently a Consumer's Union organization in Austin had recommended that he attend this hearing, mainly because he had done quite a bit of prosecution work on insurance sales fraud.

Some of this was discussed in an article in the Dallas Morning News about a year ago. A reporter for the paper quoted Walton on an insurance scam the District Attorney had investigated.

Walton flew from DFW Airport to Washington on Tuesday, April 25, and went to the Rayburn House office building about 9:30 the next morning. He had a chance to visit briefly with the Chair-

man of the panel, Rep. John D. Dingell (Demo) of Michigan, and other panel members. The hearing began at 10 a.m.

The panel consisted of people from across the country - an assistant District Attorney from Santa Cruz, California, the head of the Consumer's Union for California, a private attorney from St. Louis, Mo., and Walton.

The room was filled with an interested audience, Walton said. Panel members spoke for five minutes each, the Chairman opened the floor for questions. The whole meeting lasted over two hours.

When Walton's turn came he identified his county and told briefly of his work. He said that all of his experience involving possible fraud or swindling of the elderly by Insurance Health Care involved out-of-county, door-to-door sales persons.

"I have never received a complaint of possible fraud or swindling involving local independent ages or local door-to-door salesmen of Health Care Insurance," he stated.

"Such local people have been extremely helpful to me in every instance when I asked for technical assistance," he added.

Then Walton told the panel how victims are obtained by out-of-county, unscrupulous salespersons.

He listed: mass mailings to local addresses, exchange of prospective customer lists, flyers in newspapers and magazine, advertisement on TV and Radio with 800 telephone numbers, newspaper articles about elderly persons, and salesmen asking their customers if they have family or friends who might need insurance.

Walton went on to explain some of the sales techniques employed by these people. They portray themselves as friendly, caring, concerned and helpful.

The elderly are generally more susceptible to such techniques than young people, the District Attorney said. They

## Richard High Named United States National Award Winner

The United States Achievement Academy announced today that Richard Allen High has been named a United States National Award winner in Leadership.

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes less than 10% of all American high

school students. The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors or other school sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability, and recommendation from a teacher or director.

Richard Allen High is the son of Sid and Kathy High. The grandparents are Trecey High of Eastland, Texas and Neoma Ingram of Cisco, Texas.

school students. Richard Allen High, who attends Eastland High School was nominated for this National Award by Mrs. Snider a Counselor at the school.

Richard Allen High will appear in the United States Achievement Academy Official Yearbook, published nationally.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly United States Achievement Academy award winners should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the United States Achievement Academy.

## Defensive Driving Course Offered

Open to the general public will be the opportunity to be a part of a defensive driving class which on completion can result in a 10 percent annual decrease in your insurance and/or dismissal of a traffic ticket.

Classes will be held by state certified instructors at Eastland County's Defensive Driving School, 600 East 8th Street, Cisco, (formerly the Spot Restaurant), Saturday, May 6, at 8 a.m. Fee for the class will be \$20.00.

For additional information or to enroll call 442-2673 or 442-4479.

are more trusting, and many times they are lonely and enjoy the attention of these conniving salesmen.

Also, the elderly often have the concern of finding themselves in a future health crisis. High pressure salesmen induce a psychological fear of large medical bills - or of the elderly leaving their children burdened with large medical debts.

Walton also reported on the problems of prosecution of fraud cases, such as the embarrassment of the elderly at being a victim, and the desire of the elderly to manage their own affairs without interference.

Things Walton thought could be done to help included uniformity of health care policies, the review and strengthening of laws governing health care sales, and education of the elderly on the subject.

"I see no 100% solution on stopping sales abuse to the elderly," he said. "Nevertheless the citizen action and interest should send out a loud message that the Health Care Insurances sales abuse will not be condoned."

After he spoke, Walton was questioned by the Chairman of the panel. Other panel members told of experiences and their ideas on Insurances

Sales fraud. Walton said all these speakers were interesting, and it was amazing how similar some of their problems were to ones he had dealt with.

When the Hearing ended Walton caught a plane and headed west. He reached home about 1 a.m. Thursday morning.

"That trip was a great experience," he said in his office Thursday. "It was quite an educational one."

"I'd like to thank some people for the help they gave me on the report I gave in Washington," Walton said. "Roy Cartee of Cisco, a state AARP officer, and Neil Eaves of Carbon, Eastland County Chapter of NARFC assisted on this."

Walton said that he believes the Hearing did some good - and he will continue to work along the lines the panel talked about.

## "Cry From The Mountain" To Be Shown At Calvary Baptist In Cisco April 30

CRY FROM THE MOUNTAIN, a World Wide Pictures production, will be shown at 6:30 p.m., Sunday, April 30, at the Calvary Baptist Church, 1800 Conrad Hilton Ave., Cisco. It is an adventure film set in the majestic wilderness of Alaska by screenwriter Daniel L. Quick. Scene after scene portrays the beauty and wildlife of this "last frontier" state.

The story centers around the Sanders family. Larry Sanders takes his 10-year old son Cal on a camping trip where he is to break the news that he and his wife Carolyn are getting a divorce. Meanwhile Carolyn,

filled with bitterness and unable to forgive her husband for an affair he has had with a woman in his office, considers the option of having an abortion. Through a life-threatening accident and an old hermit living in a deserted mining camp, the course of events is changed for the Sanders.

Starring in the film is James Cavan, as the Jonathan the hermit, Wes Parker as Larry Sanders, Rita Walter as Carolyn, Chris Kidd as 10-year old Cal Sanders and Coleen Gray, the mother of Carolyn. Billy Graham appears as himself with a message of hope.

By Terry Wilson

## "Lake Leon Bass Event April 30"

Eastland County Water Board election are just around the corner folks. These gentlemen have lots of responsibility on their shoulders over many important matters. But one matter I hope everyone will consider while casting your vote is the lack of attention that has been paid towards Lake Leon's recreational care. There are many items that if done would be an economical boost for small business around Lake Leon as well in surrounding Ranger and Eastland. Choose your vote wisely, if you can't vote for any of the candidates with a clear conscious at least vote against them. You can make a difference.

Sunday, April 30 anglers from across the state will be competing for the \$1,000.00 first place award in the Eastland Volunteer Fire Departments First Annual Open Bass Tournament. This event will be headquarters at Chock-O-Block on FM 2214 at Lake Leon. Why not load the family up and drive out for the day and drop by weigh-in and see all those lunkers be released alive to fight again. And watch here next week for the listing of this year's winners.

A quick run down of a few of the hot spots we have heard about at Lake Leon: Main lake rock ledge near La Mancha, Rock ledges near Chock-O-Block, Staff Slew, under the Chock-O-Block bridge, and

the south bank near the dam. Some preferred baits are brown crankbaits, chrome Rat-L-Traps, Electric blue, Golden Flake, and purple and white worms and spinner baits.

Leon's lake level is at a dangerous level right now folks. But thanks to our local game Warden Kenneth Payne boat travel will be a little safer. Kenneth placed a number of boat path flag markers to help aid in moving about at Lake Leon. Thanks for your special effort Kenneth in making Lake Leon a little nicer place to enjoy the "Fishing Outdoors".

And of course everyone is speculating on what will it take to win this upcoming event. As you remember only last weekend the winning 3 fish string was over 9 pounds. And big bass of the day was near 6 pounds. With the ex-

singular purpose to rebuild rural Texas through strong agricultural leadership," the spokesman said.

Organizations joining the rural revitalization effort include: Blackland Cotton and Grain Assn.; Cotton and Grain Assn. of the Lower Rio Grande Valley; El Paso Valley Cotton Growers Assn.; Gulf Compress; High Plains Vegetable Assn.; Independent Cattlemen's Assn.; Independent Cotton Ginners Assn.; Livestock Marketing Assn. of Texas; Lone Star Corn Growers Assn.; and Plains Cotton Growers Assn.

Also: Rio Grande Valley Sugar Growers, Inc.; Rolling Plains Cotton Growers Assn.; South Texas Cotton and Grain Assn.; Southwest Meat Packers Assn.; Texas Agricultural Cooperative Council; Texas Agri-Women; Texas and Oklahoma Watermelon Growers Assn.; Texas and Southwestern Cattle Raisers Assn.; Texas Association of Cotton Producer Organizations; and Texas Cattle Feeders Assn.

and would make that happen. Farmers and ranchers would benefit. Small town business and rural communities would prosper. Over, the state and its citizens would be better off. It's the right thing to do," the spokesman said.

The appointment of an agricultural commission or commissioner has been standard practice in 39 states. Of the top 10 agriculture-producing states, Texas would be adopting the same approach as California, Nebraska, Illinois, Minnesota, Kansas, Wisconsin and Indiana, the group said.

"The time has come in Texas for a change. The people in agriculture in this state, by and large, want a change. We are pleased to announce the formation of this group representing all types of agriculture in all areas of the state. We are bound by a

pected 150 entries present this weekend I believe the 3 fish string will need to weigh around 12 pounds to win. And I truly look for big bass honors to require a fish in the 8 pound range. If high winds don't hamper the anglers. At the present week's winds force the winning string could very easily be 10 pounds.

To place in the projected 15 place payback, I feel an angler will need at least 6 pounds to make the cut. Their are a lot of 2 pound fish out there folks, the key will be those anglers able to find that one good fish to pad the stringer with.

Some of my favorites to finish well are: Bob Freeman, Jack York, Tommy Maynard, Monty McJimsey, Ben Villapando and Chuck Burgess. But just like the bass you never know whats going to happen or how till it does.

Hope to see you all in weigh-in line at Lake Leon Sunday, April 30.

Terry L. Wilson

Also: Texas Cattlewomen Assn.; Texas Citrus and Vegetable Assn.; Texas Citrus Mutual; Texas Cotton Ginners Assn.; Texas Cotton Assn.; Texas Cottonseed Crushers Assn.; Texas Division of Associated Milk Producers, Inc.; Texas Farm Bureau; Texas Federation of Production Credit Associations; Texas Forestry Assn.; Texas Grain and Feed Assn.; Texas Pecan Growers Assn.; Texas Sheep and Goat Raisers Assn.; Texas Vegetable Assn.; Trans-Pecos Cotton Assn.; and Valley Co-op Oil Mill.

# Gordon Spot

## By DeMarquis Gordon, County Agent—

The Heart of Texas Cow-Calf Clinic will be held May 4, featuring a wealth of business information for ranchers and the humor of author and public speaker James "Doc" Blakely of Wharton.

Admission is the Clinic is free. Registration begins at 8:00 a.m. at the Heart of Texas Coliseum in Brownwood and the formal program opens at 9:00 a.m.

The Brownwood gathering brings ranchers together with experts in many fields of business and ranching. The Clinic has the goal of providing information to enable ranchers to do a better job of managing cattle operations.

Doc Blakely is a full-time professional speaker of worldwide experience. His messages are of inspiration and success while punctuated with clean humor.

He is a Ph.D. from the University of Missouri in Animal Science and taught Agriculture at Wharton Jr. College. He is a private pilot, author, writer, and consulting editor for Prentice-Hall. He writes a weekly syndicated humor column titled "Pokin' Fun". In 1978, he was elected by his peers to the Hall of Fame of the 2,500 member National Speakers Association.

He is in demand for speaking engagements at many of the nation's largest corporations. His message is thought-provoking and humorous but hones in on human relations, communication and personal development. Despite that, Blakely quips, "if I tell you anything important it will be purely by accident."

The clinic is sponsored by TU Electric, the Texas Agricultural Extension Service, the Brownwood Chamber of Commerce, and the Federal Land Bank Association.

Panels and Panelists include:

—Pasture and Range Management: Dr. Tommy Welch - Moderator Texas Agricultural Extension Service College Station. David Ralls-Herbicide Marketing Specialist Dow Chemical Co.-Dallas. Ken Smith-Sandoz Crop Protection, Overton. Gerald Hobson-Sales Representative-DuPont, Weatherford.

—Herd Health: Dr. Buddy Faries, Veterinarian - Texas Agricultural Extension Service - College Station - Moderator. Dr. Larry C. Hollis - Field Technical Services Manager, Syntex Animal Health, Inc. - Amarillo. Dr. Robert E. Messersmith - Professional Services Veterinarian - Hoffman-LaRoche, Inc. - Denton. Dr. M.G. Scroggs - Field Technical

Services Manager - MSD-AGVET Amarillo.

—Cow-Calf Management: Dr. Steve Hammack - Beef Cattle Specialist Texas Agricultural Extension Service Stephenville - Moderator. Robert Langford - Link Ranch, Strawn

Gary Mathis - Swen R. Swenson Cattle Co., - Stamford

Jim Theeck - Mayfair Ranch - Brenham

Coordination of the program is handled by the Beef Cattle Subcommittees of Brown, Callahan, Coleman, Comanche, Eastland, McCulloch, Mills, and San Saba Counties.

For further information, contact Eastland County Extension Agents DeMarquis Gordon or Crystal Wilbanks at 629-1093.

## Thirty-Seven Farm And Ranch Groups Want To Make Rural Texans Equal In State's Economic Recovery

AUSTIN—Thirty-seven farm and ranch groups today called for an appointed state agricultural commission to make rural Texans equal partners in the state's economic recovery.

The broad-based, grassroots organization, unprecedented in modern Texas history, was announced by Jimmie Powell, president of Texas and Southwestern Cattle Raisers Association; Wes Bonner, president of Texas Cattle Feeders Association; and S.M. Truscott, president of Texas Farm Bureau.

"Our message is simple. Texas needs leadership in the Texas Department of Agriculture that understands the economic health of rural Texas is based on the ability of agriculture to change and adapt new technology. We know that an appointed agricultural commission could

and would make that happen. Farmers and ranchers would benefit. Small town business and rural communities would prosper. Over, the state and its citizens would be better off. It's the right thing to do," the spokesman said.

The appointment of an agricultural commission or commissioner has been standard practice in 39 states. Of the top 10 agriculture-producing states, Texas would be adopting the same approach as California, Nebraska, Illinois, Minnesota, Kansas, Wisconsin and Indiana, the group said.

"The time has come in Texas for a change. The people in agriculture in this state, by and large, want a change. We are pleased to announce the formation of this group representing all types of agriculture in all areas of the state. We are bound by a

People who care about People

## OUR CARING STAFF MAKES THE DIFFERENCE

You'll find many nursing homes that, like ours, are clean and comfortable. What sets us apart is the caring and dedication of every single member of our staff.

You're invited to stop in anytime to observe these exceptional people at work, ask questions of them and our residents, and discover for yourself the very best in nursing home care.

Valley View Lodge is located at 700 S. Ostrom, phone 817-629-1779. Here we offer complete care of the aged, sick, and convalescent.

This nursing home is well located, has plenty of sunshine, never enough noise to bother the sick, yet near enough to town so friends and relatives of guests can call without inconvenience.

Heating, ventilation and sanitary arrangements are most completely planned for the comfort of each guest and all methods are approved by the supervising medical authorities.

All rooms are light and cheerfully decorated, and have that home atmosphere which has a good psychological effect.

Their food is prepared by a specialist under the most sanitary conditions, giving the guests well balanced meals, nourishing and appetizing for rebuilding the health and strength so necessary for the inactive person.

This and the surrounding area is very fortunate in having a nursing home, "so like a home."

Kevin Wayne Rhodes, Eastland - Dean's List, Who's Who Among Students in American Junior Colleges, Outstanding Student in Music, Most Valuable Member of the Wrangler Band, Round-Up Staff Photographer, Student Government Parliamentarian.

## POEM

### Harbor of Rest

As we watch the waves of sin  
Splashing high above the land  
Are we safe in the harbor of love  
Built by the Master's hand.

Or are we like little boats  
Ever on a stormy sea  
Always tossing to and fro  
With no hope of finding thee.

There is a small voice calling  
Echoing across the waves  
Take up your cross and follow me  
And I will guide your days.

When we finally reach that harbor  
And our work on earth is through  
Will the Lord say welcome home  
I am very proud of you.

Bob Harbin

## Men's Monday Night Bowling League Formed

A Men's Monday night bowling league has been formed. Bowling will begin Monday, May 1 at 8 p.m.

Anyone interested in forming a team should contact Jim Ewing at Eastland County Bowling Center, 629-1661.

Each team will consist of 3 men per team and the length of the league will be determined at a later date.

## Donkey Softball Teams Announced For May 6 Fundraiser In Eastland

The long-awaited list of Donkey Softball team members is now complete! All players have expressed much enthusiasm - and only a little

apprehension - in participating in this event, being played on May 6, at 11:00 a.m. at the Eastland Baseball Complex.

The "Hospital" Team members are Drs. Bob Alexander, Bill Oswalt, Robert DeLuca, Sandy Hazelip, and Bob Matthews; Emmett Lasater, Donna DeLuca, Lesa Oswalt, Roy Gevara, Don Tonroy, Rhett Miller, Gary Wilson, Kirby Stephens, Jim Keffer, Cary Meeks, Steve Foster, George Howell, Terry Hastings, and Debby Howell.

The "Civic" Team members are Brad Stephenson, Jerry Bridgens, Larry Vernon, Gary Upchurch, Randall Logan, Robert Steed, Philip Arther, Saul Pullman, John Berry, Jim Kennedy, Mike Snowden, Larry Duncan, Dennis Shumard, Sandra Adams, Sam Beggs, Mike

Perry, Julie Elrod, Cindy Carlton, and Butch Cain.

Umpires for the game will be Robert Jeffress and David Bondurant. Announcing the pre-game and play-by-play events will be Gary Montgomery.

The team of donkeys being used in the game are from Stephenville. They have been used in softball games and in Boy Scout pack races, and they are trained to follow the orders of their owner. Their owner says he can really live up the game with his unexpected commands, but he also says that the safety of the players is his primary concern.

Make your plans now to attend this event! Concessions during the game will be provided by the Eastland Kiwanis Club. Admission will be \$3.00 for adults and \$1.00 for children under 12.

## Fish Pond Stocking

The Upper Leon Soil and Water Conservation District is now accepting orders for catfish fingerlings for stocking ponds. Bass, minnows, and bluegill are also available.

Persons interested in order-

ing fish should contact the Soil Conservation Service, Farm Bureau Building, in Eastland or call 629-1480. May 10th is the last day to place orders. The fish will be delivered to Eastland about May 15th.

## Putnam Musical To Be Held May 5

There will be a Musical in Putnam on Friday, May 5 at the schoolhouse. The concession stand will open at 5 p.m., and the music will begin at 6 p.m. Robert D. Weeks of Eastland will be in charge of the music.

Robert Weeks reports that some fine musicians are coming out to these monthly entertainments. The crowds are growing, with around 300-400 people present each time. Weeks says that the schoolhouse will hold 500 people, and he would really like to fill that auditorium. So come out Friday and help Bob Weeks reach his goal of 500 people!

## The Next Best Thing -

...to a clear conscience and a good night's sleep is the feeling of security in owning your own home with a clear title. Peculiar to the real estate field, values are based on land and the improvements thereon, if any. But values on these are based on the title. The title then comes the most important item to be considered when purchase of real property is contemplated. So be careful to buy good title based on an abstract of title or a policy of title insurance.

## CHS Class Of 1966 To Hold Reunion May 13

The Cisco High School Class of 1966 is going to have their 23rd class reunion. It is going to be Saturday, May 13, 1989, in the meeting room at the Best Western Motel in Cisco. Registration will begin at 10:00 a.m. with coffee and doughnuts. Lunch will be catered by Oscar's Barbecue at 12:30 p.m. A dance will be held at Red's Steakhouse from 9:00 p.m. to 1:00 a.m.

If you have not sent your reservations for the luncheon you need to do so by May 2 in order to finalize the plans.

Addresses are needed for the following classmates: Jean Campbell, Mark Ger-

rard, Ronnie Willis and Bennie Whitehead. If you know of their whereabouts, please get in touch with them and tell them about the reunion.

For more information contact Ross Honea, 817-442-3068 or Weezie Ferguson, Box 129, Olden, Texas 76466 (days) 442-3348 (evenings) 817-653-2277.

## Twenty-Two CHS Students Attend UIL Regional Competition

Twenty-two Cisco High School students attended the UIL Regional Competition on Saturday, April 22, in Stephenville. The students competed with other area students in both math and literary events.

This meet will select the two highest scores in each event, and one alternate. These students will compete in the UIL State Meet to be held in Austin on May 5-6.

Those students who attended the Regional Meet were: Patricia Hutchens and Maribeth Fish, Informative Speaking; Sean Schaefer, Persuasive Speaking; Allison Williams, Poetry Interpretation; Stacey Saunders, Lori Ann Speegle, Jim Bob Maples, and Steve Summers, Team Debate; Joel and Prickett and Shilo Denison, Lincoln-Douglas Debate; Celia Walters,

Feature Writing; Jana Muller, Rachel Valek, and Martin Powledge, Calculator Applications; Jeff Roark, Science; Deana Lane, Accounting; Jeff Roark, Henry Ingram and Rodney Logerstedt, Number Sense; Jana Muller, Rachel Valek, Literary Criticism.

We would like to thank all the students and teachers who were involved in anyway with UIL.

## Letters To The Editor

Dear Editor,  
Everyone hates the thought of paying more taxes. BUT good judgment dictates that one must weigh the cost of the proposed increase of the hospital tax against the end result if the referendum fails and we lose E.L. Graham Memorial Hospital.

Perhaps the following example will help those that are uncertain about what the tax will cost them.

1) The proposed raise from 12 cents to 28 cents is not really bad. One retired couple on a limited fixed income owns a home valued at \$27,290 for tax purposes. As senior citizens, they receive an exemption of \$12,000, leaving the taxable value of their home at \$15,290. In 1988 their hospital tax at the 12 cent rate was \$18.87. If the valuation of the home remains the same in 1989 (which is likely), the hospital tax at the 28 cent rate would be \$43.94 or an increase of \$25.07.

2) The increase under the 28 cent rate is for three years only.

3) The additional \$25.00 per year seems a very small increase to pay for the knowledge that almost immediate medical attention and subsequent hospital care is available within blocks of their home.

4) In an emergency seconds count. The life saved by having a hospital and medical attention nearby could be your neighbor's, your grandchild's, or your own.

5) Aside from the time involved, the nearest urban hospital may not have a room available for you. It's happened to Cisco people and others in the Big Country more often than you think.

It is our feeling that Cisco

voters should think a long, long time before voting against the referendum to raise the hospital tax. Vote May 6!

Most sincerely,

Pat Isbell, Rachel Cagle, Jerry Toland, Tommy Toland, Dr. Gary W. Harris, Janelle Schrader, Jim Schrader, Robert C. Lindsey, Terri Madison, Dorcas Sitton, Ruth Heidenheimer, Lois Blaine, Paul Blaine, Louise Cooper, Bob Isbell, Jane Ray, Trixie Whatley, Pam McClintock, Wanda Nelms, Burnice Gorr, Ken Diehm, Andy Taylor, Betty Taylor, Ilene Cotton, Dan Dixon, Eddie McMillan, Gary Don Harris, Ronnie Ledbetter.

Dear Editor:

The E.L. Graham Memorial Hospital of Cisco has come to the rescue of our families many times, both in emergency situations and illness that required hospitalization. Now, we would like to rescue our hospital by supporting the tax increase so that we will still have the convenience of good doctors and hospital staff at our fingertips rather than travel many miles for health care, which is expensive and inconvenient.

We realize specialists are necessary in certain cases, but our doctors recognize this and are quick to refer.

Thank you.

Bob and Nadine Elliott

To the Editor:

Never was the need for a local hospital brought home to me more forcibly than when my wife recently suffered what appeared to be a heart attack. In a matter of minutes, I had her in E.L. Graham Memorial Hospital under the care of a local physician. The following morning after further examination, the doctor referred her to a cardiologist in an area city and called to make an appointment for

her only to learn that no room was available in the urban hospital which she would enter. It was not until the following day that a room became available, so she remained in Cisco hospital and was carefully monitored until she could be transferred. I hesitate to think what might have happened had not a local physician and Graham Hospital been in the immediate vicinity!

It is my opinion that the public is too little aware of the crush that is being experienced in urban hospitals across the country where rural hospitals in the surrounding areas have closed. The situation is becoming more critical daily and is already in crisis in heavily populated areas where urban hospitals have had to assume the load of closed hospitals nearby.

Every community needs its hospital. Representative Mike McKinney, who is sponsoring House Bill 18 in the Texas House of Representatives, known as the Rural Health Care Rescue Act, says it plainly, "When hospitals close and access to medical care is otherwise limited people die!"

With legislation pending in Washington and Austin to rescue rural hospitals, Cisco voters would be wise to go to the polls on May 6 and vote for the referendum to raise the hospital tax from 12 cents to 28 cents for three years. This would save the hospital until such time as pending legislation could be enacted.

E.L. Graham Hospital has safeguarded you for 20 years! Now it's your turn to safeguard your hospital!

Sincerely,  
Paul Brashear

Dear Editor:

I want to express my appreciation to The Cisco Press for letting us tell our story. You have allowed us a

lot of space and have not cut a single word. I hope we have not overstayed our welcome. On behalf of the Board of Directors and the staff of E.L. Graham Memorial Hospital, we do thank you. While we hope you never need our services, because of your help, we believe we'll be there when and if you do.

Please allow me this one more liberty to use the newspaper to communicate what I consider the facts regarding this referendum.

Dear Cisco Hospital District Voters/Taxpayers,

The past few weeks we have tried to give you the information you need to make an informed decision regarding the referendum which will permit the Board of Directors to raise the ad valorem tax from the present \$12724 to a maximum of \$30 for the next three years. We have worked hard to present this information without any kind of harshness, pointing fingers, or in any way seeking to divide the community. I feel we have been successful in that respect.

It was suggested to me that we address some very difficult aspects of this referendum, so without offense to friend or foe here is how I see this referendum.

1. This referendum will determine the direction Cisco will go in the next few years.

Should the decision be against the referendum, the Board of Directors will ultimately be faced with a decision to close the hospital, because of lack of funds. That decision could come as early as May but most certainly will come within the next 12 months. The decision will be determined by census, and when reserves have been exhausted.

If the increased tax is the fear please consider this: if you close your hospital, and you wish to sell your property, the best guess is that property is worth 20 percent less after the hospital closes. Suppose you have a \$30,000 piece of property which does in fact depreciate 20 percent, that's \$6000.00 you've lost for fear of paying an additional \$51.00 per year for three years. It will take 117 years to recoup your investment. To me that doesn't make sense.

2. Without a hospital, you will not have emergency services in Cisco, other than an ambulance to take you to Eastland. Dr. Cermin and Dr. Boersma are not obligated to open an emergency clinic. To my knowledge both would continue to operate their clinics and practice in Cisco, but that practice would probably be limited to office hours. The reasoning is simply this: emergency services do not pay for themselves. The emergency services provided through the hospital are paid for by admissions to the hospital. No admissions no emergency services. It's just that simple.

3. Voting against this referendum because we don't like ... whatever. We can point our fingers at what we consider the source of the problem. That solves nothing. Familiarity breeds contempt, when it should breed understanding that all of us make mistakes. It's more productive to find reasons to work together, and find ways to succeed. If you spend time finding those who are still around because one of our doctors was able to stabilize them until we could get them to Abilene, you might change a negative opinion and create the impetus to cause a third physician to come to Cisco, and stay. If you would spend the time to come to a board meeting, you'll discover that there are sometimes tough decisions to make, but when they are given the facts and properly informed they make good decisions.

4. What do you get for a FOR vote? I hope more than anything else a sense of accomplishment in having made a positive statement about where you want Cisco to go.

The hospital plans call for the following:

A. Recruitment of another physician who brings a specialty service, such as surgery.

B. Upgrade equipment in laboratory, and nursing.

C. Computer equipment/facsimile equipment.

E. Maintain operations.

F. Time to develop alternate programs that will help pay for services provided:

1. Skilled care.  
2. Swing beds.  
3. Ambulance services.  
4. Home health care.  
5. Other services that are self funding.

We do an adequate job with what we have, but we would like to do a better job, and that takes money.

I've written alot the past four weeks, please consider that this is not a simple problem. It is very complex and cannot be explained in two or three paragraphs. If you still have questions please come out Thursday or Friday and ask them. We'll give you an honest answer. All we ask is that you keep an open mind, so we can, too.

We have a positive feeling right now, and are anxious to get May 6th behind so we can begin working for the future.

We have every reason to feel positive about that future.

Respectfully,  
Marvin E. Cole  
Administrator  
E.L. Graham Memorial Hospital

## School Menu

The menus for Cisco public schools for the week of May 1-5 have been announced as follows:

- MONDAY**  
Breakfast-- Toast, jelly, apple juice and milk.  
Lunch-- Pizza, macaroni with sauce, buttered corn, peaches, cookies and milk.

## Cisco Elementary School Update

Frontier Week was a success! Many classes had extra activities to tell about pioneer life. I was happy that so many of the students participated in the "dress-up" day on Friday. Congratulations to the grade winners.

Their names and pictures were in last Thursday's The Cisco Press.

The PTO Executive Board will meet Monday, May 1, 1989, at 3:45 p.m. in the

cafeterium. Then on Tuesday evening, May 2, 1989, at 7 p.m. the general body of PTO will meet. Every parent of a school student is invited to come.

Sarah Hounshell  
PTO Reporter

Some time ago, as some of you may recall, we published a series of thoughts in this paper captioned, "A Thought for the Week." That practice is being resumed today.

Through the years, we have cherished many soul-inspiring thoughts expressed to us by countless friends. We would like to share these thoughts with you so we plan to relay them to you through this column every week. We hope you gain from them - as we did...

The many comments we received in the past concerning the thoughts we published were deeply appreciated. The comments gave us much encouragement ... We were grateful...

As the thoughts appear in this paper in future months, we again invite your comments... Whether pro or con, they will always be warmly welcomed...
