As of Monday afternoon, there were 32 absentee votes that were turned in at City Hall, according to Ginger Johnson, city secretary. Ginger said this is a large amount of absentee votes. She said 8-10 absentee votes is the average.

Saturday, May 6, is election day in Cisco. Be sure to vote. Your vote will count.

The Cisco High School Lobo baseball team will have a home game on Friday, May 5, at 5:00 p.m. They will play Hawley High school.

The name drawn in the Secretary's Week contest held at Philpott the Florist, last week was Janie Wilson, who works at Burgess Industries. She will receive a bouquet of flowers each month for a year from Philpott's. Her name was placed on a business card, and it was the lucky one to be drawn.

The Cisco High School Band Spring Show will be held at 7:30 p.m., Tuesday, May 23, in the CJC auditorium.

The band received a I division in concert in the UIL contest and a II in sight reading. Wayne White, band director, said the contest was real tough and he is proud of how well his students did.

The band students will go to Carlsbad, New Mexico, on May 12-13, to perform in their Music Festival Contest. This will also be the band's spring trip.

Jimmy Cearley, Cisco High school ag teacher, said he entered The Cisco Press in a contest with the Vocational Ag Teacher Association and the paper won at the

area contest. He said only 10 papers across the state of Texas win each year, and this year The Cisco Press was one of them. The paper was nominated for the coverage of the High School FFA class activities.

Walter Knowlden, the overall coordinator with the AARP Tax-Aide Program, said the volunteer counselors in the Cisco area assisted over 1,000 taxpayers with their returns this year.

Jack Davis of Cisco, recently entered a poem in the World of Poetry Contest, and won honorable Mention for it. He received a certificate and a free subscription for a year to World of Poetry. His poem read as follows:

PARTING
Emotions concealed by words,
In a stitchwork of phrases,
We are transfixed on custom's Cross.

Karen Frazier, fourth grade teacher at Cisco Elementary School wrote the following paragraph. It reads as follows:

"PRIME TIME"
Welcome to "Our House" where we strive to learn new concepts. Even though we are struggling through many "Growing Pains," we realize these are our "Wonder Years." Our endeavors in learning are guided by our teacher "Who's The Boss" in the classroom. We would all like to be at the "Head Of The Class" and with you our parents, and our "Family Ties," success is possible.

DO NOT FORGET TO VOTE SATURDAY, MAY 6!!

Louise Nelms Needs Names Of Gold Star Wives, Sisters, Mothers, Daughters For May 28

Louise Nelms said the Gold Star wives and daughters, along with the Gold Star mothers and sisters, will be honored at the Big Memorial Day Ceremony to be held at 10:00 a.m., Monday, May 29, at Oakwood Cemetery. Louise said in previous articles it was reported that only Gold Star mothers and sisters would be honored, but she

said all Gold Star women will be honored at the ceremony. She said all Gold Star women need to get in touch with her at 442-1907, to list their names with her so they can be honored during the Memorial Day Ceremony.

A Gold Star mother, sister, wife or daughter is one who (Continued On Next Page)

DeAlvan Chambers Announces Candidacy For Hospital Board

DE ALVA CHAMBERS
I am a candidate for reelection to E.L. Graham Hospital board. I came to Cisco in 1970 with my late husband Armo when the hospital was being built. I am active in First Christian Church and operate the Cisco Funeral Home with my two sons. Two of my three children attended Cisco Public Schools and all

three C.J.C. I have always had an interest in hospitals as a number of my close family members are in the medical profession.

As a board member while our hospital was leased to Hendrick the boards' business was very routine. Since the board took over operation again in March 1988 it has been a struggle to keep the doors open. E.L. Graham Hospital is now facing a crisis!!! Much time and thought have been put into searching for a solution. Not being a person who gives up easily I would like to serve another term on the board.

If elected I pledge to do my best in the interest of E.L. Graham Hospital.

I will appreciate your vote May 6, 1989.
(Political Ad Paid For By De Alva Chambers.)

Vergil Patrick Announced Re-Election Bid For Board

I wish to announce my intention to be re-elected to the Cisco Hospital District Board of Directors. I am completing my first full term after selection to complete an unexpired term. I have been on the Board of Directors of the hospital district for just over three years, the last two as president.

I graduated from Texas A&M University in 1968 with a degree as a Doctor of Veterinary Medicine. My wife, Edna and I, have lived in Cisco since 1971, where we operate the Lake Cisco Animal Hospital. We are members of the First Baptist Church.

Since we got the hospital back, at the most inopportune time, I believe that we've done a decent job of holding our own, and we are now beginning to see improvement each month in the operations of the hospital. I believe that we have spent money as wisely as we could. I feel that we don't have time to wait for the federal and state government to act and that we need to find a way to survive until they do finally help. I will work for the betterment of the hospital and the betterment of Cisco.

I believe I've got the experience to see the job to the finish. I want to continue the effort to build a strong hospital for Cisco, and urge your support on May 6th.

CHISOLM AND SCHRADER HOME AT 1508 MANCILL DRIVE

Firemen Fight April Home And Grass Fires

The Cisco Volunteer Fire Department were called out twice over the weekend to battle house fires in Cisco, and twice on electrical fires.

On Saturday, April 29, at 11:50 p.m., Anthea Patton and her daughter Ursula, heard a boom and a crack and then saw fire, as they quickly got out of the house. The fire started at the back of the home between the kitchen and the back porch.

About one third of the frame home was gutted by the fire and the rest of the house was ruined by smoke and water. The home was not insured.

On Sunday, April 30, at 3:35 p.m., Cisco firemen were called out to a house fire at 1508 Mancill Drive. The fire started in the closet of a bedroom, and gutted the room. The rest of the home received smoke and water damage.

The two women, Lynn Chisolm and Mary Lou Schrader, who were renting the house, were not at home when the fire broke out. They are employees at

Ranch House Restaurant. The house is owned by Kenneth Way. The women had no insurance on their personal belongings. Lynn said the pictures of her children were safe though, but that was about all.

Cisco firemen have been busy during the second half of April. They made the following calls:

April 17—Firemen were called out to extinguish a car fire in the 1100 block of West 15th.

April 18—Firemen were called out at 11:50 a.m., to the rest area on I-20 in the west bound lane to extinguish a trailer fire. There were no injuries. At 7:15 p.m., firemen extinguished a trash fire on Park Street.

April 20—Cisco firemen extinguished a grass fire in the 1100 block between East 17th and 15th.

April 21—Cisco firemen had to hose down a gas spill at Taylor Food Mart on West 8th, at 10:58 p.m.

April 25—Cisco firemen helped with the gas leak, on

Highway 6. The gas leak was caused by a contractor using a trench digger, and accidentally hit a gas line.

April 28—Cisco firemen had to be on standby for another gas leak on the North Shore Road on the east side.

April 29—At 7:15 a.m., Cisco firemen responded to a call for help with an electrical fire at the Mancill house on the Putnam Highway, and the Patton home fire.

April 30—Cisco firemen worked the house fire on Mancill Drive and answered a called about smoke in a home caused when the electric motor of a dryer burned out. At 11:30 p.m., the firemen were called out on a storm watch as threatening clouds rolled in close to Cisco.

Literary Festival May 5-6 At Community Center

Event of the year four journalists in Eastland County is the Texas Circuit Literary Festival in the Hilton Center in Cisco on May 5-6. The Festival is expected to draw a big crowd of Editors, Publishers, teachers and writers from the area and across the state.

The Austin-based Texas Circuit group is returning to Cisco this year for several reasons - because of the literary magazine "Cross Timbers Review" at Cisco Junior College, and because of the interest and hospitality shown at the Cisco meeting in March, 1988.

It's also a good bet that some Circuit members are returning for more of Oscar's Barbeque, considering their enjoyment of the barbeque plate last year!

The Festival this year will begin at 1:30 p.m. Friday, and it is crammed with interesting details until the conclu-

Large Crowd Expected To Vote May 6

A large voter turnout is expected in Saturday's election to be held in the Corral Room. Voters will decide on a referendum to decide if the Cisco Hospital District can raise hospital taxes from 12.74 cents to 28.409 cents per \$100.

Voters will also decide on two City of Cisco council members, Janelle Schrader and incumbent Arlie Whitley, for Council Place II. Incumbents Allen Masters and Mayor Joe Wheatley are unopposed.

In the E.L. Graham Memorial Board of Directors, Robert Conner and Kitty McCracken will run against incumbents DeAlva Chambers and Vergil Patrick.

In the Cisco Independent School District Board of Directors incumbents Allen McGinnis and Rick Roark will run unopposed for Places I and III. Randy Taylor and Bruce Stovall will run against each other for Place II.

National Day Of Prayer To Be Observed Thursday

Calvary Baptist Church members invite the people of Cisco to join with them in a National Day of Prayer Thursday, May 4, an annual observation established officially by President Reagan in May, 1988.

Calvary Baptist will be open for prayer from 5 a.m. until midnight on that day.

A special prayer emphasis will be on the needs of our city, both economic and spiritual. Rev. Ronnie Shackelford, pastor, said, "Psalm 24:1 says, 'The earth is the Lord's, and everything in it.' We invite you to come and join us as we intercede for our city. Prayer is a freedom that could slip away if not exercised."

EMPLOYEE OF THE MONTH- Claudine Wilcoxon was named May Employee of the Month at Canterbury Villa Nursing Home, and will be given an honorary parking place in the front of the building. Claudine is the cook's helper. The winner of the employee of the month contest is picked by fellow employees and is judged on attitude, attendance, uniform and personal appearance, and job performance. Shown in the above photo are left to right, Claudine, Mel Serratt, nursing home administrator, and Jo Freeman, dietary supervisor. (Staff Photo)

Deciding About Your Hospital

By CONGRESSMAN CHARLES STENHOLM
Over the past two years, there has been perhaps no issue of greater concern to the residents of the 17th Congressional District of Texas, and therefore to me, than the survival of hospitals and other forms of health care in our rural areas. Cisco now faces the question so many of our other communities are facing: Do we want to hold on to our hospital, and if so, how can we go about doing it?

It comes as no surprise that the possibility of a hospital closing its doors is often very alarming to a community. The danger posed by such an event can threaten not only individual lives but the life of the entire community as well. A national study recently completed by the American Hospital Association revealed that often extraordinary hardship, particularly for the elderly and the working poor, results from the closure of a rural community hospital.

Despite the reputation for good, healthy living those of us who reside in rural areas enjoy, the facts show some startling figures indicating how much we need access to health care in rural areas. For example, did you know that the death rate from accidental injuries in most rural areas is over twice the rate for the largest cities? Or consider the fact that almost two of every three deaths involving motor vehicles occur in rural areas. Or perhaps you would be surprised to learn that although farm workers constitute only 4 percent of total U.S. workers, 38 percent of all machinery-related deaths occur on farms. When its Daddy who just had a tractor accident or Mama who is ready to deliver her baby or Junior who broke his arm on the football field or Grandma who needs regular physical care, we suddenly consider the importance of available health care.

Christmas In May To Meet 6 a.m. Saturday At Traditions

The Christmas In May volunteers will meet Saturday, May 6, at 7:30 a.m., at Tradition's Restaurant, for coffee and donuts. Jobs will be assigned at that time.

Don Shepard, Cisco Chamber of Commerce manager, said, "Make plans now to pick up your hammers and saws and come out to help us with the Christmas In May projects."

He said there will be six homes that will be worked on. There will be porches to be worked on and small usual repair work on the homes.

The noon meal will be furnished for the volunteers.

Cisco Cemetery Association To Meet

The annual meeting of the Cisco Cemetery Association will be held on Thursday, May 4, in the Community Room of the First National Bank.

The financial and progressive report will be given at the meeting. All members are urged to attend.

Scranton Country Western Musical To Be Held Saturday At Center

The Scranton County Western Musical will be held Saturday, May 6, in the Scranton Community Center. The concession stand will open at 5:00 p.m., and the music will begin at 6:00 p.m.

Everyone is invited, especially area musicians.

Parents For Teens To Have Important Meeting Sunday

There will be an important meeting of Parents for Teens at 2 p.m. Sunday, May 7, at the Cisco Chamber of Commerce. Items to be discussed include the sports banquet

dance and Parents for Teens scholarships. All parents are urged to attend.
For more information call 442-4627.

Mitchell Cemetery Association To Have Work Day May 13

Members of Mitchell Cemetery Association will meet Saturday, May 13, 1989, at 8 p.m. to clean the

cemetery. A short business meeting will follow the clean-up. Anyone interested in Mitchell Cemetery is welcome to attend.

Letter From Congressman Stenholm

But frequently the life of a community is also at stake. Often the largest or second largest employer in the community, a rural hospital's closure can substantially increase unemployment and decrease the value of the overall income and tax base in the area. In addition, businesses considering relocating to small communities are unlikely to choose a community without a hospital. Nor are physicians or other health care professionals likely to settle where no hospital exists.

So that's the bad news; now where is the good news? The good news is that all across the Country, including here in Washington, people are seeing the rural health care problems and trying to determine what portion of the solution they can contribute.

Three years ago, there were a handful of Members of the House of Representatives who started talking about the problems facing rural hospitals and doctors. Now, this Spring more than 100 Members of the House Rural Health Care Coalition and I joined together to introduce a package of legislation to bring relief to rural health care. Some of the solutions we came up with during the last two years have started bringing some measure of relief to hospitals, but we still have a long way to go. I stand ready to continue fighting this battle as long as it takes.

At the State level, the current Legislature is considering an omnibus rural health care measure seeking additional ways to preserve access to health care. Having now passed the State House of Delegates, it's up to the State Senate to add their seal of approval.

At the local level one of the many things your own hospital administrator and board recently tackled was the formidable task of writing a lengthy grant application for federal funds to establish a new program for the hospital.

But despite all of these efforts, it may well be that the most important players in deciding the fate of a community hospital are the residents themselves. Not every community feels that it needs a hospital, and that decision should certainly be theirs to make. The extensive hospital construction that was encouraged by the government back during the 1960s established a system which may be unsustainable in today's economic environment.

The decision about access to health care which a community makes should not be made lightly. Either decision, to keep or to forego a local hospital, is a costly one and every taxpayer should carefully consider the costs and benefits involved on both sides. While such a decision may seem a heavy responsibility, we are indeed fortunate to live in a land where such self-determination is a privilege we enjoy.

Be sure that as an American and a resident of Cisco, you act on those privileges and responsibilities to decide: Our hospital -- shall we keep it or let it go?

MORAN NEWS

By Mrs. Luke Huskey

Mrs. Jim Howard had the misfortune of falling and breaking her pelvis bone. She is receiving treatment in the Cisco hospital.

George Mark, Sr. had heart surgery in Hendrick Hospital, Abilene, Wednesday.

Mrs. Ola Gaskins was taken back to the Albany hospital for further treatment.

Mrs. Guy Thomason and Mrs. Harvey Wagley visited with their children, Mr. and Mrs. Dale Thomason and family in Andrews, recently.

Funeral for George Eberle III was held Thursday, at the First Baptist Church in Moran with Rev. Jim Lawless officiating. Mr. Eberle passed away in an Abilene hospital after a long illness. Burial was in the Moran Cemetery under the direction of Godfrey Funeral Home.

He was a self-employed truck driver, a U.S. Army veteran and a Baptist.

Surviving are his wife, Debbie Hudson Eberle of Eula; two daughters, Tammy Watts of Big Spring and Kim Lorraine of Hico; two sons, Daniel Eberle of Midland and Jason Eberle of Eula; one brother, David Raymond of Abilene; and three grandchildren.

The All-Awards Banquet for the Moran school will be Friday night, May 5, at the Moran Community Center. There will be no charge. All are asked to bring a vegetable and salad. All other things will be furnished. The banquet will start at 7 p.m.

The government commodities will be given away at the Moran City Hall on Tuesday, May 9, starting at 10 a.m. If you want more information about securing the commodities contact the Moran City Secretary at the City Hall.

Mrs. Susie Whitten of Weatherford visited with her brother, Jim Howard, Sunday and with Mrs. Howard in the Cisco hospital.

Mrs. Ola Gaskins celebrated her 93rd birthday Monday, May 1. We say congratulations to Mrs. Gaskins

for her birthday.

Mr. and Mrs. Margo Martinez and family visited with relatives in Brownfield Sunday.

Mrs. Jim Levine of Roadriver, Oregon, is visiting her mother, Mrs. Ola Gaskins, and sisters, Myrtle Rountree and Mrs. Mae Saunders in Moran, and a sister in Albany.

Moran and community received some much needed rain Sunday night. The amount varied from place to place. Much thunder and lightning was seen. Monday was a cool, very nice day, with people wearing jackets. We are indeed grateful for any moisture that we receive.

Funeral for Charles (Chick) Ellis is pending at this time. Charles passed away at his home in Moran.

Literary Festival On Fri.-Sat.

(From Page One)

Publisher of The Eastland County Newspapers, will speak. He will present a book called "Painting For Freedom" which he and his wife Gaynell O'Brien have written. It tells the story of Abilene artist Laurie Harle, who sold tapestry paintings to help get her son, Dr. Charles Harle, out of a Mexican prison. Dr. Harle later rode with Pancho Villa as his personal physician.

Another Friday evening speaker will be Dr. Jim Linebarger, noted poet and professor at North Texas State University in Denton. Dr. Linebarger is the author of a book of poetry and much commentary about poetry. He has been named "Poet In Residence" at the University.

The meetings will resume at 8:30 a.m. Saturday. Speakers will be from the Texas Circuit - Philip Stevens, who publishes books at his award-winning Backyard Press in Austin, and Akwari Evans, black poet from Austin.

Open readings will be held

Voluntary Water Conservation Must Continue In Cisco

The City of Cisco again reminds all residents that the level of Lake Cisco remains very low and that the City's voluntary water conservation ordinance is still in effect. As we enter the hot, dry weather of the summer season, everyone must be even more cognizant of their water consumption and eliminate waste and unnecessary water use. "In order for our conservation efforts to be truly effective, and prevent significant mandatory cut-backs this summer, it is imperative that all Lake Cisco water users recognize the potential severity of the situation and cooperate," stated City Manager Mike Moore.

The current voluntary water conservation stage means that lawn and garden watering must be restricted to two days per week - Tuesday and Saturday, from 1 a.m. until 12 noon. It also requires our residents to fix water leaks as quickly as possible; not allow water to

run down the gutter; hand-water whenever possible; and generally eliminate the needless use and waste of water.

While the City Council and administration continue to locate and establish a stable, efficient and realistic alternate source of water, they ask that the citizens of Cisco work together in order to conserve the precious water resource of Lake Cisco. Necessity requires that the City identify and address flagrant violators of the voluntary water consumption program, because if the voluntary program is not successful, the City will have no choice but to consider mandatory water curtailment.

Over the next several weeks, the City will be monitoring daily water pumping levels, and if the high consumption rates of the last two summers continue this year, the City Council will institute Stage Two of the City's water conservation ordinance, which would include severe restriction or the elimination of outside watering. Stage Two would also include consideration by the City Council of higher water rates to encourage and promote conservation.

As we head toward the hot summer months, please keep our water conservation program in mind, and eliminate the waste of our water!

their lost loved ones during combat. This is either during World War I, World War II, the Korea War, or the Viet Nam War.

Eastland County Judge Scott Bailey will read the names of these women during the ceremony.

Louise said she also needs the names of P.O.W. or M.I.A. veterans from this area. She said these men will be honored on Memorial Day also. She said these families need to get in touch with her at 442-1907, before Friday, May 26.

During the ceremony, wreaths will be posted around the flagpole, each one in memory of a veteran who is buried at Oakwood. During the ceremony, Carroll Barnhill will read the names of the veterans on the wreaths and who is presenting the wreath for them.

Mrs. Nelms said the wreaths can be ordered from either one of the two florists in town, Carolyn's Florist or Philpott the Florist. Or they can be sent in from out of town. She said she has had several calls concerning the wreaths from out of state families.

Mrs. Nelms said everything is going great. She said there is going to be a luncheon held at Ranch House Restaurant in honor of the men from Dyess Air Force Base.

She said she would like to

keep the patriotism alive. She said with this Memorial Day Ceremony it will not be forgotten in Cisco.

The Dyess Air Force Base Honor Guard will be in Cisco to give a 21-gun salute during the patriotic program. She said a large crowd is expected to attend the ceremony to be held in the middle of Oakwood Cemetery at the Flag Pole.

18th Kerrville Folk Festival Set For May 25 - June 11

The 18th annual Kerrville Folk Festival is set for May 25-June 11 at Rod Kennedy's Quiet Valley Ranch 9 miles South of Kerrville on Texas Highway 16. The first two week-ends of the three week-end festival run concurrent with the Texas State Arts and Crafts Fair on the Schreiner College campus in Kerrville. Among the artists returning to the festival this year are a number of young singer-songwriters who have grown up with the festival over the years including a number of former New Folk Award Winners from the series of competition concerts for emerging songwriters. Included in this group are Nancy Griffith (MCA), Lyle Lovett (MCA), Darden Smith (Epic), Tish Hinojosa (A&M Records), and Rounder Records

new artist, Kimberly M'Carver from Houston who was recognized at the Ballad Tree last year. The Cinderella story, of course, is the story of Michelle Shocked who was a festival volunteer selling tickets at the game, recorded in the campgrounds on a Sony recorder by an English producer who released an album called "The Campfire Tapes" which sold thousands of copies in England and Europe and earned Michelle a contract with Polygram. Michelle is one of the most publicized and popular of the new songwriters across the country now. Other artists on the 1989 roster include Columbia Records artist Mary Chapin Carpenter, Gold Castle Records star Eliza Gilkyson,

singer-songwriter-fiddler Laurie Lewis on Rounder Records and Anne Hills from Pennsylvania who records on Kaleidoscope. Popular guitar virtuoso Nina Gerber also returns as a staff guitarist on the second weekend. Other favorites this year include, Shawn Phillips, Carolyn Hester, Steven Fromholz, Ray Wylie Hubbard, Peter Yarrow, Gary P. Nunn, Shake Russell, John Stewart, and Chuck Pyle. For ticket information, concert schedules, camping information, and to order tickets, call (512) 257-3600 or write Folk Fest, P.O. Box 1466, Kerrville, Texas 78029. With tickets for three days or more, camping is free at the festival and children under 12 are admitted free with advance ticket holding parents.

Comanche Man Charged In Boy's Accidental Death

Dyland Roe, 11, was killed about 5 p.m. Monday when his bicycle and a pickup truck collided on Texas Highway 16 inside the Desdemona city limits. The youth was pronounced dead at the scene by Ranger Justice of the Peace Alford Bush, and his body was taken to the De Leon Funeral Home. Paul Salinas, 21, of Comanche, was charged with criminal negligence homicide. Bush set his bond at \$2,500, and he was taken to the Eastland County Jail.

Hageman Reunion

The annual Hageman Reunion will be held Sunday, May 7th, at the Cisco Country Club. A covered dish dinner will be served at noon. All friends and relatives are invited to come and visit.

Roe was the son of Wanda Roe of Eastland John Roe of Desdemona. He was staying with his step grandfather, Jesse Clark, in Desdemona at the time of the accident.

E.V.F.D. Tournament a Huge Success

Sunday, April 30 anglers from across the state met at Lake Leon for the 1st annual Eastland Volunteer Fire Dept. Open bass tournament. This event hosted 180 senior division entrants and 18 junior entrants.

Contestants were greeted with many wind and weather changes for this tournament. A cool partly cloudy morning produced a lot of early and mid day fishing action. It appeared at weigh-in that anglers in the main lake area had the better patterns working. Worms gizzits and crankbaits were the preferred lures.

A final tally of exact numbers of fish weighed and their weights was not available for this run, but when it becomes available I will list it. Only 6 of the large number of fish caught were unable to be treated and released. This is an excellent example of improved handling by anglers and tournament officials. I know everyone will join me in saying thanks not only to the fishermen but the E.V.F.D. also.

At the 4:00 p.m. close of weigh-in line the final results were as follows:

1. Bob Freeman 3 fish 10.32
 2. Jimmy Wren 3 fish 9.92
 3. Ben Villapando 3 fish 9.81
 4. Bobby Johnson 3 fish 9.69
 5. Danny Crowell 3 fish 9.34
 6. Bill Whaley 3 fish 9.30
 7. Johnny Clark 3 fish 9.21
 8. Rick Glenn 3 fish 9.02
 9. James Moore 3 fish 8.99
 10. Russ Hahn 3 fish 8.85
- Other E.C.B.C. members besides 1st and 8th who placed well were 14th Tommy

Maynard 3 fish 8.16 and Bud Wood 3 fish 7.76 finished 19th.

The top 3 big bass winners were 1st Jack York 6.76, 2nd Martin Gohlke 6.03 and Buddy Hamilton 5.91. Congratulations to all the winners and better luck next time for the rest of us.

This event being in its first year looks to be an annual event that many of the states anglers will plan to attend each year.

A precedence was set in this tournament, with the automatic disqualification of two contestants. The tournament rules stated anyone who had failed a polygraph test in a fishing tournament would be ineligible for awards. As I stated two contestants were dropped from the standings due to this rule. One brought in fish which could have been taken 1st place and big bass money. The other angler was in sixth place. With this action I look to see the same rule adopted in many more fishing events.

Rules are rules, but what if an angler simply casts two minutes early. Or doesn't wear his life jackets are small rule violations grounds for barring an entrant? This is a hard one folks. Only the poly examiner can tell you what questions the person has flunked. And the majority of people at tournaments don't care why a person flunks, just that he did. Perhaps for the minor rule infractions that a person flunks on, he or she could carry a signed test results and be allowed to enter other events. I don't have the answer, but it seems this matter is one all tournaments and their sponsors must face.

May 7th Bass Printings 5th Open Bass tournament is

slated for Possum Kingdom Lake. Over \$2,500 in cash and merchandise will be awarded. Headquarters will be the #4 public ramp at South D&D.

May 6th and 7th Lake O' The Pines KYKX Big Bass Bonanza. 1988 saw first place play \$105,000.00. Plus the big bass of the hour winners and the top 50 places.

May 20 and 21 Hubbard Creeks KEAN Big Bass Bonanza. 1988 winners Delton Womack won \$80,200.00. More details to follow.

Till next time out remember children learn by observation. Set good examples while "Fishing Outdoors" don't litter.

Sheriff's Department News

Monday evening the Cisco Police Dept. and the Eastland County Sheriff's Dept. jointly conducted a raid at 801 West 13th Street in Cisco.

A quantity of marijuana and some roaches were seized and have been sent in for laboratory analysis. Drug paraphernalia such as scales, coolers, and syringes were also seized in the raid.

A man was arrested at the location, and his bond was expected to be set at \$2,500 for possession of the items, according to Sheriff Dee Hogan.

Cisco Officers Adrian Huddleston, Don Wylie and Larry Weikel, and Deputies Don Griffith and Ben Sancillo, along with Sheriff Hogan, conducted the raid.

The raid was delayed while officers tried to locate the mother of eleven year old Dylan Roe, who was killed in an accident in Desdemona.

An Eastland man living on North Oaklawn street reported the theft of some tools to the Sheriff's Dept. Deputy Sancillo determined that the tools were probably taken by some hitch hikers in Nolan

County and referred the complaint to the Sweetwater police.

Last Thursday or Friday, someone jumped a fence and entered a field 5 miles west of Carbon on Hwy. 2526. A Barton gas meter no. 215446 was unscrewed and taken.

Jeff Byrd's watch and ring, reported taken in a burglary last week, have been recovered. Deputy Sancillo is investigating.

Deputy Frank Saylor transported a man to Austin for emergency commitment.

A man was arrested by Dallas Police for Eastland County on a motion to revoke, and he posted bond in Dallas.

Local Beauty Expert To Attend Merle Norman Cosmetics 1989 Annual Convention

Allene Smith, owner of the Merle Norman Studio East Main in Eastland, will join more than 2,000 of her peers at the 58th Annual International Merle Norman Convention at the Loews Anatole Hotel in Dallas, May 16-18, 1989.

is sponsored by Merle Norman Cosmetics Headquarters in Los Angeles. The three-day event will feature all the latest news about beauty, fashion and cosmetics and will include an array of exhibits, mini-seminars, workshops, new product presentations and speeches.

Dr. Jeane Kirkpatrick, former U.S. Ambassador to the United Nations, will provide the keynote address in the Chantilly Ballroom the morning of May 17.

Other highlights include several appearances by fitness and health expert Richard Simmons, who will give a presentation of May 18 and participate in several work-

shops and seminars.

The convention will close with the Final Banquet, a formal affair in Chantilly Ballroom, on the evening of May 18, featuring a performance by multi-award winning composer, conductor and pianist Marvin Hamlisch. At the Banquet, convention attendees will be eligible to win fabulous prizes, including a 1989 Ford Thunderbird, an all-expenses-paid trip for two anywhere in Europe, and a \$2,500 shopping spree at Neiman Marcus, with limousine service.

Merle Norman Cosmetics has more than 2,400 Merle Norman Studios in the United States and Canada.

Direct Deposit: The Right Decision

Direct deposit of Social Security benefits to an account in a bank or other financial institution is becoming very popular. Presently, 48.4 billion in benefit payments go directly to the bank accounts of 18 million retirement, survivor, and disability beneficiaries. And it is predicted that 80 percent of all beneficiaries will receive benefits through direct deposit within 10 years.

Why is the popularity of this method of payment growing so fast?

For many reasons:
Safety - Beneficiaries have the assurance that their benefits will arrive on time to their bank accounts without any chance of being lost or stolen.
Freedom - The beneficiary can be out of town without having to return home earlier out of concern for the safety of the check.
Convenience - The money

should notify Social Security. With direct deposit it is more difficult to keep track of beneficiaries if they do not notify Social Security of their whereabouts. If notices mailed by Social Security to a beneficiary are undeliverable, and the search to locate him or her is exhausted, the payment of benefits may be suspended.

Enjoy the advantages of direct deposit of benefits, but keep Social Security informed of your present address. This way both you and Social Security can benefit from this method of payment.

THANK YOU

We have received showers of blessings from friends and loved ones. The flowers, the food, the kind words and deeds, and the many who came uplifted our sorrowing hearts. Friends are the richest blessings we have. Eternity has come close to us, has kissed us gently and tenderly. We wanted to stay longer, but time said we must go now. Thank you ever so much. From our hearts we love you and are determined to be better husbands, fathers, sons, and brothers. Richard Hulen Pope's life touched us all; his death embraced us. We will not forget you, your prayers, and your works of love.

News Briefs

EASTLAND

The Eastland County Art Association will have its final annual meeting Thursday, May 4 at the Reddy Room in Eastland. The meeting will begin at 7 p.m., and all members and interested artists are encouraged to attend. There will be no visiting artist or demonstration at this meeting. Refreshments will be served, and the future of the Club will be discussed.

An opening celebration of National Music Week will be a recital by the Abilene Fine Arts Trio at the Womens Clubhouse Sunday, May 7 at 3 p.m. Sponsored by the Eastland Music Study Club, the program will feature music by Debussy, Mozart, and other composers. Members of the Trio are Nancy Frost of Eastland, Violin, Frances Powell of Abilene, Cello, and Lora Lynn Christiansen, also of Abilene, Piano. This group has performed in Eastland, Abilene, and other area towns. The Music Club invites Friends of Music and other interested persons to attend this special program. National Music Week is May 7-14 this year, and a number of things are planned to mark the occasion.

The Eastland Band Boosters are holding their monthly meeting this Tuesday, May 2 7 p.m. in the Band Hall. Phil Hewett, Band Director, will make a final presentation of the Florida trip scheduled for June 8-14. Total proceeds of the Pancake Supper and the Trash and Treasure Sale will be announced. Plans for the Spring Concert on May 15 at the Majestic Theatre and the Banquet on May 25 at Siebert Elementary School will be discussed. Election of officers for the 1989-90 school year will be held.

For the second year Sophomore John Mark Vermillion has earned a trip to the University Interscholastic State Tennis Meet in Austin May 12 and 13. In the Region Tournament at Tarleton State University April 24-25 John Mark won three rounds of varsity boys' singles. In the finals John Mark was defeated in a close match by Grant Goodwin of Royce City. Both boys advanced to the state tournament in Austin where John Mark is expected to have a good chance of winning.

The Eastland Wal-Mart Associates have planned several events at the Eastland store to help raise funds for the Children's Miracle Network Telethon. This event is sponsored by the Osmond Foundation, and benefits more than 160 children's hospitals across the country. CMNT hospitals treat all diseases and ailments which affect children. "Miracle Week" is May 1-7, and the Telethon will be aired June 3-4. Fund-raising events in Eastland include a craft show on May 4, a flea market May 6, and a car wash and petting zoo on May 7. Anyone who would like to donate craft items for the craft fair are asked to bring them for Thursday, May 4. Bring items for the flea market, no clothes please, on May 6. These items will be appreciated.

CISCO

The Texas Circuit Literary Festival will begin at 1:30 p.m. Friday, May 5 in the Hilton Center. The event is sponsored by Cisco Junior College and the Cisco Writer's Club, with Drs. Monte Lewis, Ken Hammes and Cleatus Rattan from CJC as hosts. A number of Editors, Publishers, teachers and writers from around Texas are expected to attend. There will

be speakers, book displays, readings by local and regional authors, and much more else. Two meals will be served, and you may call Cisco Junior College at 442-2567 to make reservations at \$7.50 for Oscar's Barbecue or the CJC Cafeteria luncheon. The public is welcome to come to meals or programs. The meetings (without meals) are \$1 daily. Students and Writer's Club members may attend meetings without charge.

Mandatory water conservation may be necessary soon for Cisco, reports City Manager Mike Moore. "We must conserve water until a new source is obtained," he says. A grant has been approved for a water study, and six proposals have been received. There will be a presentation on May 15, with a Regional Water District with Abilene being studied. A Subcommittee will recommend a proposal to the Board, a contract will be let, and the first report of the study will be received by Aug. 31. The final report will come in October or November.

E.L. Graham Memorial Hospital will host Open House May 4 and 5 from 4 p.m. until 7 p.m. each night. The purpose of the Open House is to allow the community to visit the facility and gain a better understanding of its operation. The tour will conclude in the dining room, where refreshments will be served and questions about the May 6 referendum discussed. Hospital Administrator Marvin Cole says, "This will be the final opportunity for questions to be answered before the voting on Saturday. We feel it's important to create this type of event to answer questions, and hopefully correct the misinformation and rumors concerning the effort to create a solid financial base for our hospital. While we certainly want to see the voters vote for the referendum, it's equally important to us that we send informed voters to the polls."

Cisco Lumber and Supply, 110 Sandler Square, will hold a big sale and sponsor a contest with prizes, beginning at 7:30 a.m. Thursday, May 4. There will be large reductions on merchandise wall-to-wall, and prizes such as \$600 toward a trip for two, a VCR, a microwave, a television and much more. Joe Wheatley, store owner, says they are going to stir up fun and interest while offering the public fabulous discounts. Wheatley explains, "It's time to take control on an individual basis and start making positive things happen."

The Cisco Rotary Club will hold their annual Citizenship Awards Dinner at noon on Wednesday, May 18 at Traditions Restaurant. Mary Scott Nabor, with the Texas Employment Commission will speak. On other awards, Club President Otto Urban says that Mary Bailey and Jim Puryear are working on a list of students who will be eligible for the Rotary Club Scholarship. The winner will be announced during the CHS graduation ceremonies on June 2.

The Long Branch Homecoming will be Sunday, May 7 under the tabernacle. Coffee and visiting will begin at 10 a.m., with lunch at 12 noon. Plates, cups and silverware will be furnished. Everyone

is invited to attend and join in the fellowship.

RANGER

The City of Ranger has been notified by the Texas Department of Commerce that the city has been successful in obtaining community development funds of \$250,000 to be used for housing rehabilitation in association with an overall rehabilitation effort. This Grant was won in competition with 27 communities throughout the West Central Texas Council of Governments area. Five communities were funded from this competition. A portion of the funds are set aside for use in encouraging moderate-income younger citizens to repair and upgrade their homes. Public meetings will be required as previously, and that portion of the policy not already defined in the city's contract with the Department of Commerce will be developed.

Ranger Junior College Commencement will be on May 5 in the auditorium in the Library on campus. The program will begin at 8 p.m., and speaker for the evening will be Eastland County Judge Scott Bailey. Twenty-nine candidates will receive diplomas, with special awards for students selected for "Who's Who in American Junior College." A reception for

graduates and families will follow the program.

The Third Annual Memorial Day Barbeque sponsored by the Ranger Volunteer Fire Department will begin at 12 noon on Sunday, May 28 at the Fire Station. Barbeque and all the trimmings will be served for \$5. The RVFD will once again have carry-outs for those who wish to eat at home before returning to the service at 2 p.m. Tickets will go on sale soon - watch the papers for the date and location of sales.

McCrary-Keese Engagement

Mr. and Mrs. Darby McCrary are proud to announce the engagement and approaching marriage of their daughter, Beth, to Mr. Fred Keese, son of Rev. and Mrs. Fred Keese of Gordon.

Beth is a 1983 graduate of Eastland High School.

Fred is a 1981 graduate of Gordon High School and is employed by "The Link Ranch" of Stephens County.

The couple are planning a May 13 wedding in southern Stephens County.

Volleyball Tournament

The Spring Ladies Volleyball tournament sponsored by the Cisco Association of Texas Professional Educators (ATPE), is scheduled for Saturday morning, May 6, at the Cisco High School Gymnasium. The tournament was at first scheduled to be held in the Cisco Community Gym, but the location was later changed to the Cisco High School Gym.

All proceeds will be used for a scholarship to be given to a local high school senior.

For more information on the tournament contact Ruth Stewart, 442-4280 or Darlene Hearne at 442-4630.

Safe Driving Tips from Rhonda

Who has the right-of-way? The cause of intersection collisions is two people trying to go through at the same time, unfortunately they often meet in the middle with a bang! The law does not give anyone the right-of-way. It only dictates which driver is responsible to "yield" the right-of-way to the vehicle on the right. But it does not say that the vehicle on the right has the right-of-way. Each driver must fulfill his own "responsibility". Right-of-way is something to be given - never taken!

Working Hard For Your Health: Nurses Honored

Although there are two million registered nurses in this country, many people have an outdated and inaccurate perception of what the nursing profession entails.

This is the purpose for National Nurses Day, May 6, 1989. This is a day to honor nurses who are working to insure the quality of health that every individual deserves. Nurses are making the health care system work

harder for their communities, while changing the lives of thousands in a positive way.

And, no one works harder to accomplish this than the nurses in the public health setting. Public Health Nurses provide preventative health care services to the residents in their communities who come from all income levels and who are all ages.

Included in the services that they provide are:

- * Clinics for well children, two months to four years old
- * Family Planning when it is not available from another agency
- * Adult Health Screening for Chronic Disease
- * Immunization & Tuberculosis clinics
- * Women-Infant-Children (WIC) Services & Nutritional Counseling
- * Maternity Clinics
- * Health Education &

Counseling

These services vary from one public health clinic to the next. Please contact your local health department for more information on the services offered to your community.

Prevention through an organization community effort is the major activity for the Public Health Nurse. This is no easy task. There is an art and science to it which should be recognized. So please join this effort on May 6 to show some appreciation to those who insure the quality of health every individual deserves.

Roping School To Be Held

A calf-roping school designed for 4-H members in Eastland county will be held this Sunday, May 7th, at 1:30 p.m. at Tim Barton's Roping arena, located south of Cisco. Sessions will continue through the summer months.

according to how much schooling is needed by the participants.

Cost is \$5.00 per student, additional participants within the same family are \$2.50 each. A maximum of 15 stu-

dents will be allowed to participate in this school. Pre-register by calling in your name to the County Extension Office at 629-1093.

Directions to Mr. Barton's arena are as follows: Go south on the Cross Plains Hwy. (FM 206) from Cisco for 3 miles. Turn right on the Scranton

road cut-off, go about 5-6 miles, the arena is located on the left side of the road. There will be signs posted as the arena turn-off.

For further information contact Debby Ingram in Cisco or Crystal A. Wilbanks at the County Extension Office.

4-H NEWS

By Crystal Wilbanks, County Agent

Spring is a busy time for everyone, including Eastland County 4-H members. Following is a list of reminders:

* 4-H Record Book Training - Saturday, May 6th, at TU Electric Reddy Room in Eastland, beginning at 5:00 p.m.

* 4-H Youth Leadership Task Force to meet Saturday, May 6th at TU Electric Reddy Room at 7:00 p.m.

* Club officer elections should take place at May club meetings. Officers for 1989-90 should be reported to the

County Extension office in June.

* 4-H Congress applications may be picked up at the County Extension office. They MUST BE RETURNED BY FRIDAY, May 12th.

* May 13th, Eastland Showgrounds. Second 4-H Horse Show in a series of three. Everyone invited.

* May 27th, District 4-H Horse Show co-sponsored by Eastland and Stephens Counties. To be held in Breckenridge.

The 4-H Youth Leadership Task Force will meet Saturday, May 6th, at 7:00 p.m. at the TU Electric Reddy Room

in Eastland. Several very important items will be discussed. A meal will be served for those present. All county delegates are urged to attend.

The 1989-4-H Record Book Workshop is scheduled for Saturday, May 6th, at 5:00 p.m. at TU Electric Reddy Room.

All 4-H members that completed a project in 1988-89, are urged to submit a record book. County winners will advance to District competition, with Senior winners advancing to State competition.

Age divisions as of January 1, 1989 will include: Sub-Junior (8-11 yrs. old), Junior (12-13 yrs. old) and Seniors (14 yrs. old and up).

There are many divisions that may be entered. Some of these are Horse, Beef, Agriculture, Clothing, Dairy, Dog Care, Wood Science, Foods and Nutrition, Sheep, Swine, and many others.

Keeping accurate records of activities is vital in most households and organizations. 4-H'ers that submit a record book learn how to keep up-to-date on things such as expenditures, receipts, etc. Many scholarships, trips and awards are given to record book winners each year.

Second Session Of 4-H Jam Workshop To Be May 5

The second session of the 4-H Jam Workshop will be this Friday, May 5th, from 9:00 a.m. to 3:00 p.m. at the Olden Community Center. Eighteen Rising Star 4-H'ers are pre-registered to attend, states Mrs. Janet Thomas, County Extension Agent-Home Economics.

A special thanks to all the Extension Homemakers Club members for assisting as leaders.

The workshop provides young 4-H'ers with an opportunity to learn how to use a sewing machine, pattern placement, cutting and marking, and sewing techniques. At the end of the workshop, each 4-H'er had sewn jam shorts.

On Saturday, April 29th, 15 4-H'ers from various 4-H Clubs in the county participated in the first session of the jam workshop.

4-H Record Book Training To Be Saturday, May 6

All 4-H'ers, parents, and leaders are encouraged to attend the 4-H Record Book Workshop to be held Saturday, May 6th, at 5:00 p.m. at the TU Electric Reddy Room in Eastland.

This is your opportunity to learn how to compile your 4-H record book. Each section of the book will be explained and discussed. Among the sections to be discussed are the Juniors, Sub-Juniors, and National Report Form, The Parts of the 4-H Story Project Pictures; Animal and Non-Animal project record forms.

4-H record books are a very important part of 4-H as our young people learn at an early age that record keeping is essential and developing the skills to keep accurate records are a must.

Of course, any 4-H'er is

welcome but we especially encourage the 4-H'ers who have never had the opportunity to compile a 4-H Record Book to attend. All the necessary forms will be available and record book covers (folders) will be available for \$1.00.

Remember, there are many activities offered in the 4-h program that require record books, such as the Gold Star and Danforth Leadership Awards, 4-H Scholarships, Outstanding Junior Leader, and many club activities (officer eligibility, etc.).

Extension Homemaker's Tour

All Extension Homemakers are urged to make plans to attend the annual spring tour.

The tour is scheduled for Thursday, May 11th, to the State 4-H Center on Lake Brownwood. Lunch will be served at the center for \$3.75. Pre-registration is requested. Please call the Ex-

tension Service Office by Thursday, May 4th, if planning to go on the tour, and number of guest you are bringing.

For additional information, contact Mrs. Janet Thomas, County Extension Agent-Home Economics, at 629-2222.

4-H Junior Leader's To Meet Sunday, May 7

The 4-H Junior Leaders Association will meet on Sunday, May 7th, at 2:00 p.m. at the county Livestock Showgrounds.

We will help the Eastland Auxiliary clean up from the hospital fund raiser.

This will be an excellent community service project for you. This will take less than 1 hour.

Following this activity, there will be a short business meeting to discuss upcoming summer activities.

For more information, contact Janet Thomas, County Extension Agent-Home Economics. Mrs. Thomas states, that all 4-H'ers 14 years of age with 3 or more years of 4-H experience are invited to join this group.

The Next Best Thing -

...to a clear conscience and a good night's sleep is the feeling of security in owning your own home with a clear title. Peculiar to the real estate field, values are based on land and the improvements thereon, if any. But values on these are based on the title. The title then comes the most important item to be considered when purchase of real property is contemplated. So be careful to buy good title based on an abstract of title or a policy of title insurance.

Ruby Lee Butler Black

CISCO—Services for Ruby Lee Butler Black, 76, of Abilene and formerly of Cisco, were at 2 p.m. Monday, May 1, 1989, at the Cisco Funeral Home Chapel in Cisco with Roy Hathaway officiating, assisted by Alvis Gillispie. Burial was in Oakwood Cemetery.

She died Friday, April 28, 1989, at an Abilene hospital. Born July 10, 1912, in Canton, N.M., she was a longtime Cisco resident and moved to Abilene several years ago. She was a homemaker and a member of the East Cisco Baptist Church. She worked for the Boss Manufacturing Co. in Cisco.

She was married to Ralph Butler from 1925 to 1952 and married to E.A. Black from 1952 to 1963. She was preceded in death by Mr. Butler and Mr. Black.

Survivors include a son, Earl Lee Butler of Hillsboro; three daughters, Mary Smith of Riverside, Calif., Bessie Faye Butler of Arlington and Dorothy Farmer of Abilene; a niece, Edna Bint of Cisco; 17 grandchildren and 17 great-grandchildren.

Nina McGough Sheehan

EASTLAND—Nina McGough Sheehan, 78, former Eastland resident, died Thursday at a Big Spring hospital.

Services were held at 2 p.m. Monday at the Bakker Funeral Home Chapel in Eastland with the Rev. Jim Andrews officiating. Burial was in the Eastland Cemetery.

Born in McGough Springs, a community founded by her family, she graduated from Eastland High School and moved to Los Angeles in 1929.

She attended Los Angeles College, and while attending college she was a medical technician for Good Samaritan Hospital.

Later, she became a doctor while at Cedars of Lebanon Hospital, worked in cancer

research at Hollywood Veterans Administration Hospital for 12 years and later at Mount Sinai Hospital.

She was a Baptist. Survivors include a brother, W.C. McGough of Ranger; two sisters, Margie Taylor of Midland and Nova Gatch of Eustis, Fla.; and several nieces and nephews.

Nellie Ivy Woods

RANGER—Services for Nellie Ivy Woods, 68, were held at 11 a.m. Monday at the First United Methodist Church with the Revs. Richard Ivy and Bill Reed officiating. Burial was in the Evergreen Cemetery, directed by Edwards Funeral Home of Ranger.

She died Friday in Midland.

Born in the Frankel community in Stephens County, she lived in Ranger, moved to Hobbs in 1954 and to Midland in 1969.

She attended school in Colony, was a homemaker and a member of the First United Methodist Church.

Survivors include her husband, H.O. Woods Jr. of Midland; two daughters, Barbara Hamilton of Cheyenne, Wyo., and Gloria Sadler of Midland; five brothers, Earl Ivy of Abilene, Clyde Ivy of Mendoza, Argentina, Richard Ivy of Fort Worth and Bob Ivy and Irving Ivy, both of Farmington, N.M.; a sister, Norma Ruth Bridges of Beaumont; three grandchildren; and a number of nieces and nephews.

Bertha E. Pittman

RANGER—Bertha E. Pittman, 84, died Thursday at a McKinney hospital.

Services were held at 10 a.m. Saturday at the Edwards Funeral Home Chapel with the Rev. Jasper Masseege

officiating. Burial was in Merriman Cemetery, directed by Edwards Funeral Home.

Born in Texas, she was a longtime resident of Ranger before moving to McKinney in 1988. She was a homemaker.

Survivors include her husband, Codie L. Pittman of McKinney; three sons, Raymond Pittman of Dallas, Hubert Pittman of Abilene and Coy Pittman of Farmersville; a daughter, Connie Phennel of Plano; eight grandchildren; and 14 great-grandchildren.

Vester Kitchens

STRAWN—Vester Kitchens, 66, died Friday at Ranger hospital.

Services were at 2:30 p.m. Sunday at First Baptist Church with the Rev. Fred Keese officiating, assisted by Rev. Mike Orsini. Burial was in Mt. Marion Cemetery, directed by Edwards Funeral Home.

Born in Thurber, he lived in Strawn most of his life. He graduated from Strawn High School and Ranger Junior College. He was a U.S. Army Air Corps veteran of World War II. He was transportation foreman for the civil service at Tinker Air Force Base in Oklahoma City and at Fort Walter Army Base in Mineral Wells. He was a member of Masonic Lodge No. 906, where he served as past master and district deputy grand master. He was a member of Order of Eastern Star No. 361 where he was past patron, Volunteer Fire

Department and the Church of God.

Survivors include his wife, Mary Katherine Kitchens of Strawn; a daughter, Joy Knight of Gordon; and two grandchildren, Kay Knight and Kynn Knight, both of Gordon.

Marie Gafner

RANGER—Marie Gafner, 84, former Ranger resident, died in Victoria Nursing Home Monday.

Services will be at 2 p.m. Friday at Edwards Funeral Home Chapel. Dr. Joseph McClain will officiate, assisted by Steve Williams. Burial will be in Evergreen Cemetery.

She was born in Gatesville on June 17, 1894. She was a homemaker, a member of First Baptist Church and VFW Auxiliary. She was active in the nursery and homebound ministry at First Baptist Church. She moved to Victoria in 1979. She was the widow of Otto Gafner. She was preceded in death by a daughter, Eleanor Lewis in January 1988, and one son, Otto Gafner Jr. in March 1989.

Survivors include three daughters, Margaret Pettit of Oklahoma City, Okla., Elsie Adams of Victoria, and Dora Jean Williams of Wharton; 16 grandchildren; and 31 great-grandchildren.

Karen Sue Walton Of Eastland Named All-American Scholar

The United States Achievement Academy announced today that Karen Sue Walton has been named an All-American Scholar.

The USAA has established the All-American Scholar Award Program in order to offer deserved recognition to superior students who excel in the Academic disciplines. The All-American Scholars must earn a 3.3 or better grade point average. Only Scholars selected by a secondary school instructor, counselor, or other qualified sponsor are accepted. These scholars are also eligible for other awards given by the USAA.

Karen Sue who attends Weatherford College was

nominated for this National Award by Dean Tibbitts.

Karen Sue will appear in the All-American Scholar Directory, which is published nationally.

"Recognizing and supporting our youth is more important than ever before in

American history. Certainly, winners of the All-American Scholar Award should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the United States Achievement Academy.

The Academy selects All-American Scholars upon the exclusive recommendations of teachers, coaches, counselors, and other qualified sponsors. Once awarded, the students may be recognized by the USAA for other honors.

Karen Sue is the daughter of Mr. and Mrs. Emory Walton. Her grandmother is Mrs. Lillie Hunt of Eastland, Tx.

Gatekeeper Program

West Texas Utilities Co. has announced its participation in the Gatekeeper Program. The program is designed to assist vulnerable older people who need help but may be unable to get it for themselves.

"We have long been active supporters of programs like the United Way, volunteer fire departments, and other community programs," said Glen Churchill, president and chief executive officer of the electric utility. "Our employees also participate in the Neighborhood Crime

Watch in our communities. The Gatekeeper Program offers us an opportunity to further serve West Texans."

Each year the elderly population grows. In fact statistics show that people over 85 make up the fastest growing segment of the U.S. population. Many of them are healthy, active people involved with family and friends, church and community groups.

But many others are not that fortunate. They live alone and have little contact with others. If they become

ill or unable to function independently, they can easily go unnoticed and unattended. According to Churchill, the Gatekeeper Program seeks to help remedy the problem by using meter readers and other customer service representatives who may have contact with the elderly in the normal course of their jobs.

Nancy Johnson, WTU supervisor of residential audit services, recently conducted training sessions for those employees throughout the company's 52 county service area. The training taught the Gatekeepers to recognize certain signals in the elderly such as a change in appearance or behavior, or signs of confusion or disability.

When the employee sees a warning sign, the local agency for the aging is contacted. The agency takes it from there.

They contact the elderly person, assess their needs, and get whatever help is required from the appropriate health or social service organization. This may include medical care, food preparation or delivery, help with household chores, transportation, or other services.

In discussing the company's reasons for participating in this nationally recognized program, Churchill pointed out that it is a logical extension of what company employees do in their normal line of work. He added, "The Gatekeeper Program is a way to help our neighbors, customers and friends."

Abilene Fine Arts Trio To Perform In Eastland On Sunday, May 7

The celebration of National Music Week will begin in Eastland on Sunday, May 7 with a special Crusade For Strings program by the Abilene Fine Arts Trio.

These musicians will perform at the Womens Clubhouse at 3 p.m. Sunday, with the Eastland Music Study Club sponsoring the event.

Abilene Fine Arts Trio members are Nancy Frost of Eastland, violin, and Abilene players Frances Powell, cello, and Lora Lynn Christianson, piano.

The Trio is noted for melodic beauty, feeling and harmony. The group has performed a number of times in Eastland, Abilene and area towns.

The program in Eastland next Sunday will be varied as to composers and subject matter. It will begin with two movements from a Sonata by Loeliet, and continue with a Movement from a Mozart Trio known as K-548.

Also included will be the Debussy Trio in G, and four

pieces from a Suite by Juon, a modern Russian composer. The recital will end with a lively piece called *Ensemble*, written by American composer Scott Joplin.

Music Club hostesses for the event will be Annette Pierson, Chairman, and Nettie Wilson and Beulah Smith.

Club members invite "Friends of Music" and other interested in a superb Strings program to come out and enjoy this Abilene Fine Arts presentation.

West Texas Utilities' customer service employees participate in the Gatekeeper program by assisting vulnerable older people who need help but may be unable to get it for themselves. The employees are taught to recognize certain signals like uncollected newspapers or other changes in appearance or behavior and pass along that information to the local agency for the aging. The company's employees also participate in the Neighborhood Crime Watch program and various other community activities.

Winners in the Junior High and below age-Ice Cream contests held at the 16th Annual Folklife Festival, April 22-23 are as follows: First place, Brandon Carile, Chris Maples, with peach ice cream; Second place, Amy Whitley and Stacy Alvaredo, with banana ice cream; and Third place, Josie Flores and Kanitha Rogers with chocolate ice cream.

Host Families Sought For International Students

Host families are being sought for high school exchange students from Sweden, Norway, Denmark, Finland, Holland, Austria, Switzerland, Germany, Spain, France, Italy, Brazil, Ecuador, New Zealand, Australia and Japan for the school year 1989-90 in a program sponsored by the American Intercultural Student Exchange (AISE).

The students, age 15 through 17, will arrive in the United States in August, 1989, attend a local high school, and return to their home countries in July, 1990. The students, all fluent in English, have been screened by their school representatives in their home countries and have spending money and medical in-

urance. Host families may deduct \$50 per month for income tax purposes.

AISE is also seeking American high school students, age 15 through 17, who would like to spend a high school year in Sweden, Norway, Denmark, Germany, Switzerland, France, Spain, New Zealand or Australia or participate in a five week summer host family stay throughout Western Europe, including Ireland.

Families interested in either program should call toll free 1-800-SIBLING.

Marketing Seminar For Small Business To Be Held May 6

Small business owners often see the need for effective marketing but feel limited in their abilities and resources. Marketing, a fundamental building block for any successful organization, encompasses many aspects. It is not simply advertising, although advertising is included. It is not just selling, but selling is an important aspect of marketing. Successful small businesses are those which can implement an effective marketing plan.

In an effort to enhance small business owners marketing skills, the Tarleton State University Small Business Development Center is sponsoring a one day seminar entitled "Effective Marketing for Small Business." This seminar targets the small business owner who desires

to become more familiar with the different components of marketing and to learn how to use them for greatest impact. Persons thinking of starting a business will also benefit from this seminar. The seminar will be, in essence, an in depth short course on marketing including the following topics: The Marketing Concept, Strategic Planning and The Marketing Process.

Customer Analysis, Understanding Your Competition, Obtaining a Sustainable Competitive Advantage, The Marketing Mix, Basic Market Research: Getting the Information You Need, and Tying it all Together, Developing and Implementing a Marketing Plan. This presentation will be valuable to owners and managers of small and medium sized firms.

Dr. Robert E. Wilkes, an experienced consultant to small as well as large businesses, will present this seminar. Dr. Wilkes is a professor of Marketing and the Marketing Department Chairman in the College of Business Administration at Texas Tech University. He is well known for research in consumer behavior, specifically in the area of

specialty markets such as singles, mature markets, and Hispanics. Dr. Wilkes has also presented many marketing seminars for organizations such as the Houston chapter of the American Marketing Association, Texas Tech School of Banking and the Texas Tech Center for Professional Development. The seminar will be Satur-

day, May 6, at the Business Building (West on Washington Street) on the Tarleton State University campus. Cost will be \$10. The program will begin at 8:30 a.m. and will conclude at 4:30 p.m. For additional information please contact the Tarleton Small Business Development Center at (817) 968-9330. Applications are also available at the Cisco Chamber of Commerce.

A Thought For The Day...

Some time ago, as some of you may recall, we published a series of thoughts in this paper captioned, "A Thought for the Week." That practice is being resumed today.

Through the years, we have cherished many soul-inspiring thoughts expressed to us by countless friends. We would like to share these thoughts with you so we plan to relay them to you through this column every week. We hope you gain from them - as we did...

The many comments we received in the past concerning the thoughts we published were deeply appreciated. The comments gave us much encouragement... We were grateful...

As the thoughts appear in this paper in future months, we again invite your comments... Whether pro or con, they will always be warmly welcomed...

Letters To The Editor

Dear Editor:

I too, worked to help build our hospital. Also made a pledge to help furnish a room. Workers walked our city, door to door. I would like to relate a story of working an area of low income. I knocked on a door, where two lovely elderly ladies lived. (To be honest, I really wanted to pass that house.) A little sweet lady answered my knock, invited me into their home, and I told them why I was there. They were so responsive - told me they had no money to donate - except one nickel! Needless to say, I wanted to give a donation to them. But, they wanted me to take their nickel (.5 cents) - they wanted to do what they could. It really touched me. Of the many dollars I did collect and was pledged, to my last days in this world, I will always feel that the one nickel was one of the most important collections made.

Both of those little ladies have long passed on. To me, and hopefully to all our citizens, you will know how important a few nickles will be to keep our hospital operating for those not so fortunate enough to be able to get to larger hospitals (unless need is only answer). Personally, there is no way to express my appreciation of having our hospital. I've used it a few times - and am so thankful the hospital was there for my father, late husband, mother and other members of my family, including Dr. Chief.

Please don't use the excuse, more taxes! Our hospital increase in tax will be the smallest nickles spent for the best and most important tax nickle spent. Please vote to make a way for our hospital to be here for all our little ladies and peoples that only have a nickle to contribute to get a hospital in our district for one and all for local hospital care. If we don't keep our hospital, I feel we will almost betray the loyal, great faith of these little sweet ladies and others.

I also want to homes that a nickle wasn't even worth talking about - as all known in those homes were dealings in dollars beyond my realm! And I personally know two of the first patients in our new hospital were affluent citizens but refused to donate even a measly nickle. These are only two tales - I'm sure all of the others that worked could relate other touching tales. And ones that could donate and didn't have faith, later found need for our hospital.

Marge Davis Brown

Dear Editor:

In regard to the tax increase for E.L. Graham Hospital, I would be the first to say go ahead if I thought it feasible.

First, I am concerned about the senior citizen. The board has already said they did not consider them before hand, what makes us think they will consider them after the election of they cannot pay their taxes. Will they file on their homes?

Secondly, the tax is for three years; have you ever heard of a tax being cancelled once it is enacted?

Thirdly, the indebtedness of the building is \$450,000.00. This will have to be paid regardless of a yes or no vote.

Fourthly, we have not been told all the story. The hospital board is 5 months behind in payments of \$3,000.00 per month. That's another \$15,000.00 owed to the management corporation.

Fifthly, I understand the hospital pays out some \$30,000.00 per month, salaries, utilities, etc. Also I understand the hospital is nearly broke. Now if the vote is yes they will have to borrow money to operate the hospital until tax money can be collected, which could be January 1990. If the hospital borrows money to operate the hospital until January they will need to borrow for 8 months. So 8 times \$25,000.00 per month would be \$200,000.00, at, say, 14 percent the interest would be \$2,333.33 per month for 8 months. That's \$18,666.64 added to the \$200,000.00 making \$218,666.64.

At 80 percent collection would be \$200,000.00 for the year, and starting the year off \$18,000.00 in the red, and having to borrow to operate

for one full year, compounds itself.

I think personally we are fighting a losing battle with a lot of help from the Federal Government. The government has done everything but send us a postcard that they are going to close the small hospitals.

Someone is going to have to absorb their debt. I don't think the economy here can stand it.

I still don't think we need a tax increase of any kind. Thanking you for your time and consideration.

Wayne Brock

Dear Editor:

Saturday we will go to the polls to decide the future of our hospital and possibly the future of our struggling community.

A vote to adequately finance and to support a hospital and a school system is a vote for the survival of that community.

It is true that many of our young people go to larger communities for employment. Some of them come back when they can find employment here. Many look forward to coming back when they retire. This is because they love their community.

This community has always been a desirable place to raise a family. It is made up of good honest and caring people.

We have the very best school system, an excellent hospital and good churches.

Our people are working together on many projects for the improvement of our community. It is encouraging to see so many professional people willing and busy on these projects and willing to "get their hands dirty."

It is easy for one to feel that the social and ethical order of today are deteriorating, but we must realize this is only a small segment of our society.

I wouldn't be so presumptuous as to say, or even to believe, that our community is perfect, but we must make good decisions even for its survival.

Our community has faced serious problems in the past and we will face them in the future. We have never failed before and we will not fail this time.

We are looking to the future with great anticipation that Cisco will prosper because the hospital proposition carried by a wide margin.

Sincerely,
Arline Bint

In 1983 Hendricks Hospital took over Hospital (Graham Memorial) in order to try to keep it open and as results loss \$500,000 in 5 years.

We, taxpayers continued to pay taxes which were put out on interest by our Hospital Board.

A few months ago in a town hall meeting it was revealed that we had \$270 or \$280,000 in reserve in bank with a debt of \$460,000 with one or two patients per day using the Hospital.

The situation was bankruptcy or close the hospital immediately.

It was suggested to the board that the almost \$300,000 in reserve be paid on the outstanding debt of almost \$500,000.00.

A questionnaire was sent to the taxpayers asking "shall we raise taxes or borrow money to keep the hospital open? The answer was a resounding NO.

About a month ago the Abilene Reporter News printed an article by a local correspondent that Graham Memorial had \$96,000 left in reserve tax money. That meant that almost \$200,000 was lost since the questionnaire was mailed and the town hall meeting was held.

Now the tax referendum on May 6th the board is asking the taxpayers for a 123% increase in taxes and according to the Hospital Administration this is big time and will not guarantee the hospital will remain open.

He also says the most expensive way is to close the

hospital as we would still have to pay the \$450,000 owed.

Common sense says the \$450,000 will have to be paid regardless of whether the hospital is open or closed.

It has been said in the newspaper discussion that the board could lower the 123% tax later down the road. Have you ever heard of a tax being lowered?

Texas has a law for state government that no bill can be passed unless there is money to fund the bill. It is a good one and should have been used by Graham Memorial Hospital years ago. Time has been bought time and time again through the years with total negative results.

If you value your property your community or your grandchildren vote NO on May 6.

E.L. Graham Memorial Hospital To Host Open House May 4 & 5

E.L. Graham Memorial Hospital will host an Open House Thursday, May 4, and Friday, May 5, from 4 until 7 p.m. each night.

The purpose of the Open House is to allow the community to visit the facility and gain a better understanding of the operations of the facility, and conduct a question and answer session regarding the referendum.

The idea is to have a self guided tour through the hospital. We will have members of our staff from each of the various departments who will present important facts concerning that department's operation and answer any questions about the department. The tour will conclude in the dining room where refreshments will be served and questions about the referendum will be discussed.

Hospital Administrator Marvin Cole said, "This will be the final opportunity for questions to be answered before the voting on Saturday, May 6th. We feel that it's important to create this type of event to answer questions, and hopefully, correct the misinformation and rumors concerning this effort to create a solid financial base for our hospital. Hopefully, we'll have several people come out who have questions that we can answer. While we certainly want to see the voters vote for the referendum, it's equally important to us that we help send informed voters to the polls on Saturday."

Cisco Man Wins Top Award From National Small Business

Phillip Dye of Cisco has received the top sales award offered by the nation's largest small-business advocacy organization, the National Federation of Independent Business.

NFIB, which has more than 570,000 members in all 50 states, represents more than 45,000 Texas small-business owners.

Dye, named to NFIB's Hall of Fame, has consistently been among the

organization's membership sales leaders. He joined NFIB after serving as a secondary mathematics teacher for 21 years, 20 of those were completed at Breckenridge High School.

A graduate of Breckenridge High and Abilene Christian College, Dye is NFIB's North Central Texas representative, serving Brown, Comanche, Eastland, Erath, Stephens and Young Counties.

Dye and his wife, Judy, have two sons, Tim and Terry.

Friends And Fellowship Ministry Meets

The Friends and Fellowship Ministry of East Cisco Baptist Church met in regular meeting at 5 p.m. Thursday, April 7, in the Educational Building of the church.

Pastor Cecil Deadman led in the opening prayer, then "Pot-Luck Supper" was served between 5 and 6 p.m., during which there was quite a lot of visiting and "chit-chat."

The business meeting began at 6 p.m. with Marshall Ivie, president, presiding. Most of it was dull statistics to anyone except members, other than two or three items, mostly fun things.

One fun thing was when Marshall presented Venita Mitchell with a red and white pin to wear during her three months "Sweetheart" reign. Another was when Lucy Hagen gave her a crown to wear.

Another important thing was when Lucy Hagen gave the devotional. Her subject was the place of older people in society.

She read Psalms 133:1 and Titus 2:1-7. She read a poem on "Friends" from a book of friendship poems and readings. She ended the devotional with this quote, "It's not how old we are, but it's how we are old!"

The president complimented the committee on their good work. It was decided that the spring garage sale will be May 19-20 at the M.B. Payne residence at 1605 Avenue N, from 9 a.m. to 4 p.m. with Bud and Faye Clack in charge.

Bud Clack led in closing prayer.

The meeting adjourned to continue the visiting and "chit-chat."

Some of the delicious dishes served were: dumplings, English peas, pinto beans, butter beans; casseroles of rice, ground meat, yams, potatoes au

gratin; salads of tomatoes and English peas, cornbread pastas; also bundt and coffee cake. Drinks were tea and coke. Cornbread sticks were also served.

Those present were: M.B. Payne (back from surgery, great!), Laverne and Marshall Ivie, Paul and Marie Ivie, Joye and Cecil Deadman, Faye and Bud Clack, Dorothy Thomas, Bill Howell, Venita Mitchell, Lucy Hagen, Ollie Smith, Eva Kinard, Ruth Carey, Thelma Bosworth and Jewel Kinard.

Those who were absent were greatly missed.

Boy Scout Troop 287 To Have Bake Sale May 6

Boy Scout Troop 287 will have a bake sale Saturday, May 6, at Thrift Mart, starting at 8 a.m. Some of the baked goods to be offered for sale will be tea cakes, cookies, cup cakes, quick breads, pies, cakes, candies and popcorn.

Proceeds from the bake sale will go to the fund raising for camping equipment and camp fees.

The paper and aluminum beverage can drive is a great success. The Troop would

like to thank all of the citizens who have contributed to the fund raiser. The Cisco Press has helped with the news releases. The paper and aluminum beverage can drive will continue as long as citizens of Cisco and surrounding area are willing to donate their papers and beverage cans. It serves two purposes - it helps keep the city clean and earns money for a good cause.

Senior Citizens who are unable to lift and want to contribute their papers or aluminum beverage cans may call 442-4759 and make arrangements for a member of the Troop to pick up their contributions. All others are asked to bring their contributions to the trailer located at 301 East 21st for their convenience.
