

Wanda's Corner

by Wanda Hallmark

Janice Casey, Cisco Police Department Secretary, husband, Tom, and children, Cheryl and Danna and friends Almee Clayton and John Davis returned from vacation recently. Janice said they met some relatives in South Texas who only live 10 miles away. They were at Sulphur Springs fishing camp and after talking to a couple there found out they were J.W. and Inez Vincent, of Eastland! To their amazement, Mrs. Vincent's maiden name was Casey and turned out to be Tom's second or third cousin.

Mr. and Mrs. Revis Gregg of Cisco were recent weekend guests of Mr. and Mrs. Ace Connell of Killen, Texas. They met at the Connell's lovely lake home located on Lake Buchanan. Accompanying the Greggs were their daughters Ms. Joyce Surlis of Arlington, and Ms. Faye Cameron of Colorado Springs, Colorado. Everyone had a great time visiting, swimming, and eating good food. The Greggs especially enjoyed exploring the lake shore for beautiful rocks and shells.

Tom and Pat Mertl just returned from a trip to Eagle River, Wisconsin by way of St. Charles Mo. where they picked up their daughter Terry S. Schlansker and family and drove on to Eagle River to attend their younger daughter Debby L. Mertl's wedding who is a flight attendant with United Air Lines. The wedding was held July 22, out of doors in the back yard of the grooms family on the Lake front. It was a beautiful setting and the weather was perfect. The reception was held after the ceremony in the same beautiful area. Mr. and Mrs. Mertl's son Ronald and family from Philadelphia also joined them for the wedding. The Mertl's said Wisconsin is a beautiful state with all its lakes and rivers.

Ken Diehm, pastor at First United Methodist Church, reported that after Ray Bringham, president of the National Prayer Summit, spoke in a county wide service last week, a decision was made to set up prayer time every Monday morning at 6 a.m.

Ken said on the first morning, this last Monday, there were 31 men and women who were there to pray. These dedicated Christians were from the First Baptist Church, the First Christian Church and the First United Methodist Church.

There will be early morning prayer services held each Monday at 6 a.m. at the FUMC. Everyone is invited.

A fellowship luncheon was held at the First United Methodist Church recently. During the lunch the kitchen was named the "D.P. & Annie King Kitchen" in recognition of their many years of service to the church. The late Mr. and Mrs. King were the primary workers in the kitchen and always had everything ready when needed.

David Bodini, grandson of Mr. and Mrs. John Geist, and Lena Boland of Scranton, graduated from Theodore High School in Fresno, California on June 16. He was the president of the 580 member senior class. He won five awards including a Zerax award, Bank American award, outstanding leadership awards and the principal award. David composed a duet for him and a flute player and performed at the baccalaureate services. He is a classical guitar player.

He applied at the San Francisco Conservatory of Music and was accepted and will begin in August.

A pair of glasses in a red case were left at Mott's store, on Conrad Hilton, recently. If they are yours, they can be picked up at the office during their regular business hours.

Sherri Pevey Moreno, of Grand Prairie, and Lonnie Pevey, of Cisco, celebrated their 21st birthday recently. They were born on August 1, in Dallas, nine minutes apart. Sherri is the older twin.

Sherri's son, Johnny Moreno celebrated his 2nd birthday, last week in Grand Prairie. Johnny and three little friends had a picnic at the park and chased ducks, and had a all around good time.

Begin Two-A-Days August 14

Loboes Physicals To Be Held August 9

All Lobo athletes, boys and girls, need to report to the high school gym for physicals Aug. 9, from 1:30 to 5 p.m.

All high school coaches will be there to handle paper work and assist Dr.

Carpenter and his staff in giving physicals. Dr. Carpenter's fee will be \$10 that day only; otherwise the cost will be \$25. Every student, boys and girls, must have a 1989 physical before participating in athletics at

Cisco High School. Every student who wishes to receive a physical will get one regardless of ability to pay.

Two-a-day football practice will begin at 9 a.m. Monday, Aug. 14, at the Com-

munity Gym practice field.

The Booster Club is looking forward to the 1989 season. A club spokesperson said, "We believe this will be an exciting season. We're going to surprise some people. Go Loboes!"

Cisco Athletic Boosters To Hold Meeting Aug. 7

The Cisco Athletic Booster Club will hold its 1989 organizational meeting Monday, Aug. 7, at 7:30 p.m. in the high school library.

This is the most important

meeting of the Booster Club's year. Officers will be elected and fund raising events will be planned. The 1989 membership drive will also begin at the meeting.

It is very important that as many parents as possible get involved because it does make a difference to Cisco youth when they see their parents working for their

welfare and supporting their athletic activities in the Cisco Independent Schools. Please attend and show you care!

Begin Practice August 28

Jr. High Loboes Physicals To Be Aug. 23

The 1989 7th and 8th grade boys and girls will receive their physicals Wednesday, Aug. 23, from 1:30 to 5 p.m. at the high school gym.

The junior high coaches will be on hand to help with

paper work and answer all questions from incoming 7th graders or their parents. Dr. Carpenter and his staff will give the physicals this year. The cost will be \$10 this day only.

No student who wishes a physical will be denied regardless of ability to pay.

This is going to be a great year for junior high football, so come out and back the Junior High Loboes of '89!

CHS Senior Picture To Be Taken

The group colored picture of the 1990 CHS Seniors which is used for the end-sheets of the Yearbook will be made at 4 p.m. on Sunday, August 27, at the home of Bill and Sherry Wright.

If you are to be a senior this school year, plan to be present for this group picture. Wear church-type clothing. Also, help spread the word about the pictures so that every senior will be informed.

To get to the Wright's home go out the Albany Highway past the dam. Just as you top the hill on the

north, you will see a gate on the right. Enter the gate to reach the house (a sign will be posted on the gate).

Texas Community Development Program To Be Held August 8

The City of Cisco will conduct a public hearing at 5:30 p.m. Tuesday, Aug. 8, 1989, at City Hall, 116 West 7th Street, for the purpose of soliciting citizen input for the development of a Community Development Program Application to be submitted to the Texas Department of Commerce. This hearing is being held in compliance with a written Citizen Participation Plan, which includes a com-

plaint/grievance procedure, and is available at City Hall between the hours of 8 a.m. and 5 p.m. Monday through Friday. All citizens, particularly low income residents, are invited and encouraged to attend this hearing. In addition, citizens unable to attend this hearing may submit views and proposals to City Hall during regular office hours.

Cisco Police Report

July 18-Cisco Police officer Kenneth Preston took a report from a 29-year old white male. The man reported that a storm door and aluminum screens, valued at \$135, were damaged at a rent house that he owns. Juveniles are suspected; Chief of Police Billy Rains and Officer Preston took a report from a 31-year old white female who said that while she was away someone entered her residence and took a 25 automatic pistol and then poured a liquid substance over some food, her clothes, television, stereo and other household goods. The items were destroyed. There is a suspect in the case.

July 19-Officer Preston took a report from a local convenience store concerning the theft of a cassette tape, valued at \$5.00; Officer Larry Weikel took a report from a 18-year old white male about the damage to his car, that occurred while it was parked at a local park-

ing lot. The total damage was \$232.00.

July 21-Officer Weikel took a report from a 33-year old white female. The woman had filed simple assault charges against her husband after an incident during an argument; Chief of Police Billy Rains arrested a 25-year old hispanic male for DWI at West 11th and Front Street.

July 23-Officer Kenneth Preston filed a report of paint on the outside of the skating rink and on a stop sign on West 3rd and Ave. E.; Officer Darrell Shipman took a report from a local car lot of a burglary of a building. A Sharp portable jam box was reported taken.

July 28-Officer Weikel took a report from a 32-year old black female who said that someone had slit four tires, valued at \$60. There is a black male suspect; Officer Weikel arrested a black male and charged him with possession of marijuana and traffic offenses. He was

JERRY BACON

Myo-Massage Clinic Is New Business

The Myo-Massage Clinic, 801 Conrad Hilton, is a new business in Cisco, managed by Jerry Bacon, licensed massage therapist. Mrs. Bacon is a certified reflexologist, certified acupressurist and a registered massage therapist. She received her degree after completing 290 hours of study at the Texas School of Scientific Massage in Graham. The school is with the American Massage & Therapy Association.

Mrs. Bacon said Swedish massage is a natural therapy, or method of treatment, the value of which has been recognized from earliest days of history to the present time. She said this method of treatment is not

only recognized by drugless therapists, but by medical men as well.

Mrs. Bacon said she is not in competition with the local doctors. She added that she does not, (she repeated this twice) does not diagnosis anything. She does not treat specific illnesses, and she is not a doctor or a chiropractor.

Some people come in for a treatment on joint problems or for a general fitness program. She said doctors have given their patients a prescription for her type of treatment, such as accident victims, muscular aches or for headaches. In some cases insurance companies will pay for her services. But she added, "You don't

have to have problems to get a good massage."

Swedish massage is vigorous and bracing. It exercises the muscles to the bone, and gives the same benefit at each treatment as would a walk of several miles, yet without producing fatigue, a point of great importance, especially in connection with diseases of the heart.

The effect of Swedish massage is also documented to help circulation, respiration, digestion, organs of eliminations, the brain and nervous system, and locomotion. The program is for both men and women patients.

Mrs. Bacon will give treatments on Monday thru Friday. Her phone number is 442-4149.

Corinth Baptist To Hold VBS

Dick and Betty Turner will teach about Joy With Jesus through their puppets and balloon sculpturing at the Corinth Baptist Church Vacation Bible School, to be held August 7-11.

The VBS will be for children 4-years of age to the sixth grade. The classes will be held Monday through Friday, from 9 a.m. till 12 noon. The theme of the Vacation Bible School will be

"JOYTRECK!" and will be a journey with Jesus through time and space.

For more information to if a ride is needed, call 442-3916, 442-4841, 442-1140 or 442-4568.

Missionary To Speak At Mt. Top Church August 7

Missionary Mary Seay will speak at a program at the Mountain Top Church, 600 East 8th, Cisco, on Monday, August 7.

There will be a salad supper and all area ladies are invited to bring a salad and a friend to hear Mrs. Seay speak.

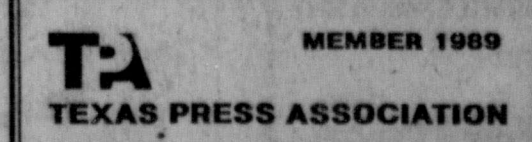

Methodist Women To Hold Bake Sale On Friday

A bake sale and casserole sale will be held by the Methodist Women Friday, Aug. 4, starting at 9 a.m. at the First National Bank.

Scranton Country Western Musical To Be Saturday

The Scranton Country Western Musical will be held on Saturday, August 5, in the Community Center.

Everyone is invited, especially area musicians. The concession stand will open at 5:30, and the music will begin at 6 p.m.

MISSIONARIES TO AMERICA will be at Calvary Baptist Church Sunday through Wednesday, Aug. 6-9. Members of the team are shown in the above photo. Standing, left to right, are: Dariusz Kowalewski, Poland; John Matsika, Zimbabwe; Luis Castillo, Mexico; Joseph Assad, Egypt; Kristjana Thorarsen, Iceland. Kneeling, left to right, are: David Ware, Australia, (leader); Agrippa Makathini, South Africa; Claudia Fresneda, Colombia; Julie Concepcion, Philippines; Robin Ware, Australia, (leader).

Missionaries To America Team To Be At Calvary Baptist Church For Revival Aug. 6 Thru Aug. 9

A Missionaries to America team consisting of young people from Egypt, Poland, Zimbabwe, Colombia, South Africa, Australia, Mexico, Iceland and the Philippines is traveling throughout the United States for a year to bring their message of revival.

The team will be at Calvary Baptist Church Aug. 6-9, Sunday through Wednesday, 6:30 p.m. Sunday, and 7 p.m. Monday through Wednesday.

The program will include slides of each team member's home and country, unique cultural blends through singing and instrumental specials, puppet shows and testimonies of perseverance by the young

people. Over 15,000 teenagers from North America have served on Teen Missions teams in countries on every continent except Antarctica since its organization in 1970. In 1982, Teen Missions, Inc. began training teenagers and leaders in other countries to help with needy projects and to share the gospel with their own people. This program, in operation in eight different third world countries, has involved over 2900 young people. Over 500 have committed their lives to full-time service.

Teen Missions staff members coordinate the Boot Camp training in these underdeveloped countries. Training includes laying

blocks, mixing mortar, tying steel, personal evangelism, Bible classes, music and puppet shows.

Possible VFW Post To Be Formed

Pete Guerra, District 8 Commander of the Veterans of Foreign Wars, VFW, in Austin, will be in Cisco on Saturday to see if there is enough interest in organizing a new VFW Post in Cisco. To start a new post, there must be 25 members who are eligible to join the Veterans of Foreign Wars.

All veterans must show a DD214. Checking eligibility is comparatively simple ac-

cording to Guerra. Assuming that a person is a United States citizen and has an honorable discharge from the U.S. Armed Forces, it only remains to be proven that the person served outside the continental limits of the United States and has earned a campaign or service medal recognized by the VFW as meeting the campaign medal requisite for membership.

Guerra said that a careful check of eligibility at the time a person joins will save a great deal of trouble and embarrassment later. A veteran who is not accepted for membership because of ineligibility at the time of application is only disappointed. But, he said, a member who is removed for ineligibility after having paid dues for several years is justifiably angry.

MORAN NEWS

By Mrs. Luke Huskey

The weather continues to be hot and dry in Moran. A good rain was received last Thursday afternoon. Seven tenths fell in town and out on each side of Moran, over an inch was recorded. However, a good rain in the inches is needed. Until the good rain falls, the weather will continue to be hot.

Mrs. J.W. Booth celebrated her 91st birthday last week. We want to say "congratulations" and hope that she has many more.

The Moran Birthday Club will meet Tuesday night, Aug. 8, at the Ridge Cafe in Breckenridge. Those attending who will have a birthday in August will be honored.

Paul Howard of Monahans visited with his parents, Mr. and Mrs. Jim Howard. Mrs. Howard is recuperating in the nursing home in Cisco.

Carrollyn Loudder of California spent a few days with her mother, Mrs. Carroll Loudder, who is residing at the present time in the Blue Bonnet Nursing Home in Albany. Mrs. Loudder was able to attend church at the Baptist church in Moran Sunday night, and is looking forward to the time when she will be able to be home, which she hopes will not be too long.

Nicholas Sooter of Sher-

man is visiting his grandmother, Marie Smith, this week.

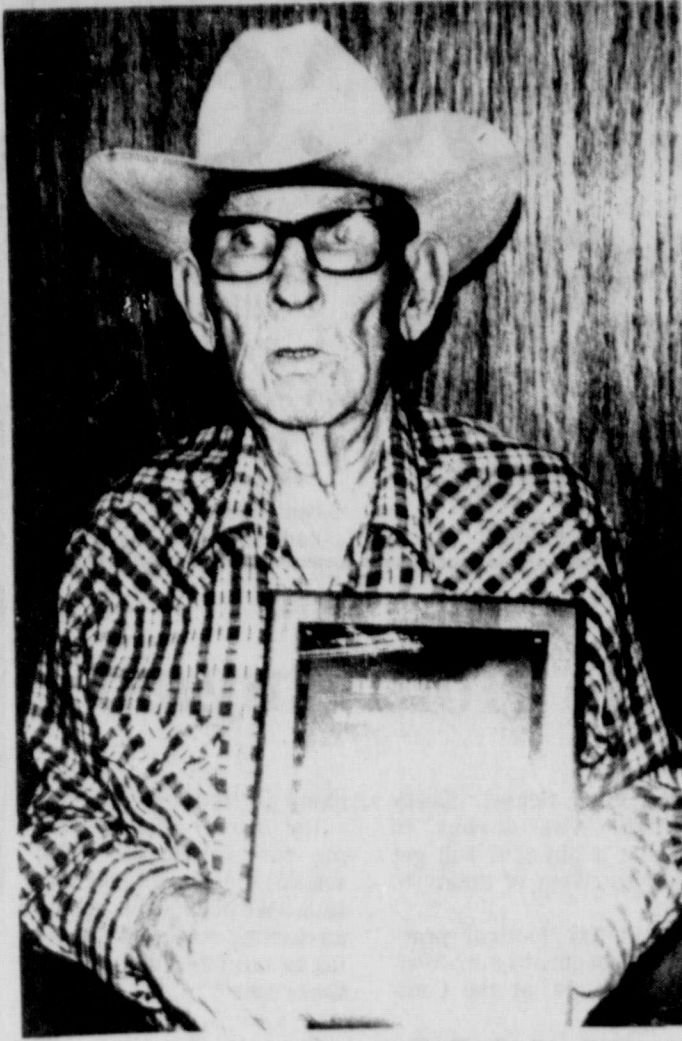

Winfred McCoy of Cross Plains, Norman McCoy of Sanger and Mrs. Bob King of Houston have been at the bedside of their father, Roy McCoy, who had surgery in Humana Hospital, Abilene, last week. The report is that Mr. McCoy is improving.

Mrs. Barbara Whitt Tucker of Mesquite spent last week with her daughter, Sherry McComas, and family.

Sunday out of town guests of Mrs. Ruth Breeden were Mr. and Mrs. John Collinsworth of Albany, Mr. and Mrs. Sid Collinsworth and sons of Breckenridge, Mr. and Mrs. Donald Strickland and Mr. and Mrs. Dale Bradley and children of Santa Anna, Mr. and Mrs. James Wilson Collinsworth and baby of Crane, Mrs. Mary Perryman of Baird and James Agnew of Gordon. Mr. and Mrs. John Collinsworth are moving to Orange where he will be employed.

Silas Boyett of Monahans spent some time with his grandparents, Mr. and Mrs. Don Boyett.

Walter McCollum of Breckenridge was greeting friends in Moran last Friday.

District Attorney Emory Walton presented this plaque to William A. (Bill) Hunter on behalf of the Eastland County Law Enforcement Officers Association, and recognized him as an honorary member. Hunter was the Precinct 1 Constable for 18 years from 1970 until 1988.

DONATIONS ACCEPTED-- The Cisco High School Senior Class is accepting donations for the 12-gauge pump shotgun shown in the above photo to be given away in September. Donations are \$1.00 each. A name will be drawn at the first Cisco High School Lobo Varsity football game played in Cisco. Times and places where donations are being accepted for the gun will be announced at a later date. Shown in the above photo are Sean Schaefer (left) and Ken Drozeski (right) Cisco High School Seniors. (Staff Photo)

"Friends Of Music" Memberships Available

The Eastland Music Study Club invites people of this area to become members of an auxiliary organization called "Friends of Music".

Frances Bishop is Chairman of the "Friends" group, and she encourages persons in outlying communities to join with Eastland people in this worthwhile organization.

The dues are small - only \$3 per year - and the benefits are great. There will be invitations for members to attend a number of fine programs during the 1989-90 season.

Money raised by dues in the "Friends" group goes into Scholarship funds and other music projects in the area, providing extra support.

The "Friends of Music" group is especially arranged for busy people who want to take part in music activities at their own pace, Mrs. Bishop says. There is no obligation to take part in business meetings or other set events. Membership in "Friends of Music" is also an excellent chance to learn more about the work of the Music Club.

The new Music Club sea-

son will begin in October, Frances Bishop says, and programs are scheduled into May, 1990. There will be four special studies on the composer Schubert during the year. In one program Donna DeLuca will present Schubert songs, and during another

program Dr. Robert Mathews will give Schubert numbers on the piano.

There will be a wide variety of other programs during the season, including a performance by the Weeks family on their fiddles. Area songwriters will present a

program, the Siebert Singers will perform, and local piano teachers will hold recitals. The season will end with a String Program by the Abilene Fine Arts Trio.

Anyone wishing to become a "Friends of Music" member may mail dues to Frances Bishop, Box 911, Eastland, Texas, 76448.

RUMMAGE SALE-- Cisco High School Seniors Tammy Glover, (left) and Rachel Valek (right) are shown at the Senior Class rummage sale held last weekend at the First United Methodist Church. Money made at the sale will be used for the class Senior Trip. (Staff Photo)

How To Keep Your Assets From Ending Up In A Nursing Home.

Get A Long-Term Care Plan That Helps You Care For Your Assets.

The high cost of long-term care could quickly deplete a lifetime's worth of assets. But if you qualify for the IDS Long-Term Care Plan, a nursing home care insurance policy, you can receive coverage for all levels of care and you can opt for an unlimited benefit period and inflation protection. For more information, give us a call.

WARNING: Heed Hazards Of Heat

Summer traditionally is a time for fun in the sun. The Texas Medical Association warns that hot, humid weather may pose severe health problems, ranging from the less serious heat fatigue or heat exhaustion to the potentially fatal heat stroke.

To avoid heat-related illness, drink plenty of water and juices, bathe or shower frequently with cool water and use fans and air conditioners liberally. When outside wear lightweight, light colored, loose fitting clothing; cotton is best. Avoid vigorous activity during the hottest part of the day, noon to 4 p.m., and wear a hat or use an umbrella when in the sun.

In hot weather or during strenuous exercise the body cools itself through perspiration. Cooling occurs when perspiration evaporates from the skin. However, when challenged by long

periods of intense heat, the body may lose its ability to cool. Hyperthermia is the result. Poor ventilation, improper clothing and the lack of fluids can contribute to this.

Heat fatigue, the least serious of heat-related illnesses, causes weakness. Symptoms include cool, moist skin and a weakened pulse. The person may feel faint or dizzy. Mild hyperthermia can cause heat cramps - muscle spasms in the abdomen, arms or legs after strenuous activity. With both heat stress and heat cramps, body temperature usually remains normal.

Heat exhaustion, caused by the body's loss of fluids and salt, is a more serious warning that the body is overheating. Symptoms include thirst, giddiness, weakness, profuse sweating, loss of coordination and appetite, and nausea. Body temperature often is

elevated but usually no higher than 101 degrees.

Heat fatigue, cramps and heat exhaustion may be treated in several ways. Victims should lie down in a cool place, preferably air conditioned, and drink water or fruit and vegetable juices. Alcohol and caffeine should be avoided. Victims also should shower, bathe or sponge off with cool water. If left untreated, heat exhaustion can progress to heat stroke.

Heat stroke can be life threatening and immediate medical attention is required. Heat stroke usually is preceded by headache, dizziness, nausea, confusion and even convulsions. The victim may be flushed, but may not be perspiring. The pulse generally is strong and rapid and the body temperature may reach 104 degrees Fahrenheit and keep rising. The person may lose consciousness.

Congressman Charles Stenholms 11th Annual FunDay Is Sept. 9

Only a few weeks remain before the top leaders of the House Democratic leadership arrive in West Texas to join Charlie and Cindy Stenholm for their annual FunDay in Stamford.

House Speaker Tom Foley, Majority Leader Richard Gephardt, Congresswoman Barbara Kennelly and Congressmen Mike Parker and

Bill Sarpalius will join the Stenholms for the weekend.

Foley, of Spokane, Washington, has an active interest in agriculture issues. He was the Agriculture Committee Chairman from 1975 to 1981 and actively worked on the 1985 farm bill.

Gephardt, of St. Louis, Missouri, is a former Presidential candidate and former

Democratic Caucus Chairman.

Kennelly is from Hartford, Connecticut. She serves on the House Ways and Means Committee and the Democratic Steering and Policy Committee. She supports child-care deductions and standard deductions for single-parents families.

Parker is a freshman lawmaker from Brookhaven, Mississippi. He serves on the Veteran's Affairs Committee and the Public Works and Transportation Committee.

Sarpalius is also a freshman lawmaker from Amarillo. He traded in his seat in the Texas Senate to run for Congress and currently serves on the House Agriculture Committee, and Small Business Committee.

"I am honored to have the top House Democratic leaders as well as my fellow colleagues come to our FunDay," said Stenholm. "Not only will they be sharing their friendship with us, they will also

have an opportunity to meet my constituents of the 17th District. I think this helps them better understand our part of the country."

This is Stenholm's 11th year of service in the U.S. Congress.

Everyone is invited to the picnic on Saturday, September 9, 1989 at the Ericksdahl picnic grounds, east of Stamford. The food line opens at 4:30 p.m. and will be topped off with the annual treat of Comanche County watermelon.

The cost of the Saturday picnic is \$10.00 a person. Those who sell or buy ten tickets (\$100) will be listed as a picnic host and will also be invited to the Congressional Reception Friday evening.

Anyone selling or buying 25 tickets (\$250) for FunDay will be listed as a host of the picnic and Friday reception.

More details can be obtained by calling the campaign office in Stamford at (915) 773-5521.

Stenholm Funday preparation--Workers in the office of Cong. Charles Stenholm, along with numerous volunteers, are hard at work preparing to mail letters to more than 7000 longtime supporters of the annual fundraiser. Funday this year will be Saturday, Sept. 9, at the Ericksdahl Picnic Grounds. Annette Wilson and Mary Kainer are shown wrestling just a small portion of the letters to be mailed this year.

Erath County To Receive Award To Help Create Jobs

Erath County has been awarded \$177,250 from the Texas Capital Fund, a part of the Community Development Block Grant Program, according to J. William Lauderback, executive director of the Texas Department of Commerce.

Lauderback said that these funds, which are administered by the Texas Department of Commerce, will result in the creation of 67 full-time jobs for Texans in Erath County. The money will be spent on infrastructure improvements

to assist Associated Milk Producers, Inc.'s expansion.

The Texas Capital Fund's objective is to expand economic opportunities that create or retain jobs for low and moderate income persons. Funding originates from the U.S. Department of Housing and Urban Development and is made available on a continuous basis for small Texas communities. The allocation for the 1988 Program Year for Economic Development is \$12,369,030.

Funds for this award will

Cisco High School Senior Class To Sponsor Dance

The Cisco High School Senior Class and the Parents For Teens will sponsor an area teen dance to be held Saturday, August 5, from 9 p.m. till 12 midnight, in the Corral Room, 404 Conrad Hilton Ave.

Jason Phillips will be the D.J. Admission will be \$3.00 per person. Soft drinks will be available.

There will be adult chaperones at the dance and parents from surrounding towns are invited to also help chaperone.

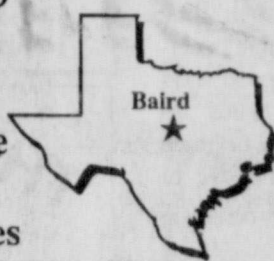

Definite rules have been established for high school students as follows:

1. Only high school students will be allowed to attend the dance.
 2. Students may leave the dance at any time, however, once a student leaves they may not return.
 3. No drugs, alcohol or dipping will be allowed.
- Says a "spokes parent" for Parents For Teens, High School parents should be assured that the dance will be well chaperoned and our definite rules will be followed. Please feel secure in allowing your teenager to attend our dance, and feel free to join us if you can.

News Briefs

EASTLAND

Dr. Charles Barnes, coordinator of the HOOS-GOW project, has delivered a proposal for a prison in Eastland county to the Texas Department of Corrections in Austin. He was accompanied by Don Shepard, President of the Eastland County Economic Development Committee. The published proposal consisted of 177 pages, including 77 letters and petitions of support for the prison. Dr. Barnes said, "The balance of the proposal included technical aspects of the project. Selection of the prison site is expected to be announced by the TDC in September."

Mayor C.W. Hoffmann Jr. has been appointed by Gov. Clements to the Regional Review Committee for the State Community Development Block Grant Program.

Over \$35 million in grant money is available across the state, and over \$1 million for a 19-county area including Eastland County. Last year seven of twenty-five applications for funds in this area were approved. Mayor Hoffmann will have to excuse himself from deciding on the City of Eastland's present request for some \$250,000 to repair the Eastland Lake Dam. Reports are that 17 of the 151 unsafe dams in the state are in this region, so flood control has been to high priority in this area.

The City of Eastland has officially ordered water rationing, according to City Manager Paul Cutre. Citizens determine which days they are to water: those who live on the side of the street with odd numbers are to water on odd-numbered days, and

those on the even-numbered side on even-numbered days. These conditions are expected to prevail from 30 to 60 days, depending on rains. The need for curtailment comes about this time every year, when the water plant can't keep the city's towers full in overnight pumping. There can also be breaks and other causes. Citizen cooperation is appreciated, the Manager says.

The Eastland County 4-H Recreation Team will be meeting on Friday, Aug. 11, 2 p.m. in the Courthouse Extension office. The team members will make plans and prepare to go to Albany on Sunday, Aug. 13 from 7-9 p.m. to lead Recreation in the Shackelford County 4-H Awards Banquet.

CISCO

The Rev. and Mrs. Otto Urban are moving from Cisco, Tex. Urban gave his farewell sermon at Redeemer Lutheran Church last Sunday, marking his retirement from the active parish ministry. Vonda Urban has resigned her position as a Special Education teacher in the Cisco School District, and the couple will be moving to the Houston area to be closer to their family. Both Otto and Vonda were active in the community of Cisco, and will be greatly missed. Future plans are for Otto Urban to teach in a College in the Houston area, and Mrs. Urban to teach Special Education in a Houston School.

A Bake Sale and Casserole Sale will be held by the Methodist women on Friday, Aug. 4, starting at 9 a.m. at the First National Bank. There is certain to be some good food available - these ladies can cook. So stop by and brighten up your menu with one of their creations.

Two acres of land on Highway 80 west of Eastland are being acquired for the future home of Primera Iglesia Bautista, the Spanish-speaking First Baptist Church of Eastland. There will be a meeting on Aug. 7 at 7 p.m. at the Cisco Associational Office of the Southern Baptist Convention Churches to make plans for the new Church. Spanish speaking people from various Eastland County cities are members of this Church.

RANGER

A Great Waves swimming event to benefit Cystic Fibrosis is set for Aug. 8, 6-9 p.m. at City Swimming Pool, Ranger. "People of all ages who want to swim for health,

fun and prizes can register," according to Julie Wheeler, event Chairman. "Participants will collect pledges for each lap they swim during Great Waves, and can win prizes ranging from T-shirts to stereos to VCR's." For a sponsor form or more information on Great Waves, call Julie Wheeler at 647-9330. All money raised will help the Cystic Fibrosis Foundation Fund research.

A Public Hearing on an application for community development funds was held Tuesday, 5 p.m. Aug. 2 at City Hall. Purpose of the Hearing was to discuss with citizens housing and community development needs, the amount of funds available, all eligible activities, and the use of past grant funds. At 6 p.m. the same evening a Public Hearing was held on the housing rehabilitation program, funds for which

were won in the 1988 regional competition.

Bill Tackett, son of Mrs. Wanda Tackett and the late Bill Tackett Sr., was recently named Branch Manager for Norwest Financial in San Angelo. A 1984 graduate of Ranger High School, he attended Angelo State University and was associated with Texas Commerce Bank and then Norwest Financial. Bill received special recognition for being one of the youngest to become Branch Manager and this within the shortest time frame. He gives credit for his success to management and company policies of business and financial training.

BAIRD

The Baird Chamber of Commerce will have a street dance on Saturday night, Aug. 5, featuring the band "Bareback". The dance will be from

9 p.m. - 1 a.m. Absolutely no glass containers will be allowed, and coolers will be checked at the game.

The Baird High School

Band Director has received word that the band placed Third in the Texas Music Educators Association State Honor Band Finals. The Band competed with other Class A bands across the state by submitting the tape that was recorded at the concert Band Contest in the spring of this year. This was Baird's second time to submit a tape to the State level. In 1987 the local band placed Second in the State. Winners in the State this year were Irian County First, Wheeler Second, Baird Third, Plains Fourth and Rankin Fifth.

The Callahan County Commissioners have entered into a contract where the Tax Appraisal District will renovate the west wing of the old hospital building at their expense and no cost to the County. The contract is for 11 years, during which time the Appraisal District will not pay rent, but will be responsible for maintaining the building, janitorial services, and utilities. There will be five offices, plus computer and drafting facilities. At the end of the 11 years the county may renegotiate the contract. "This move and expense will not increase the Tax Appraisal District's budget any," Chief Appraiser Lewallen said. He also said that the present Appraisal District offices were "bursting at the seams."

RIISING STAR

The Rising Star High School Ex-Students Association will host the 1989 Homecoming on Saturday, Sept. 16. The football game will be between the Rising Star Wildcats and the Santa Anna Mountaineers. The schedule of the Day's activities, and information regarding Homecoming assembly speaker Robert Cox will be released soon, said Guy Nell West, an officer in the Ex-Students Association.

A men's Softball Tournament will be held in Rising Star August 10, 11 and 12, Thursday, Friday and Saturday. The deadline to enter is Wednesday, Aug. 9, and the entry fee is \$90 for 12-man rosters. If interested call Debbie Green: 9-5, 643-2251, after 5, 643-3974, or Sue Vandifere, 9-5, 643-2023, or after 5, 643-6451. The Tournament is being sponsored by the Junior College of Rising Star High School.

Safe Driving Tips from Rhonda
During a rainfall the road surface can be deceptively dangerous. Be prepared for hydroplaning. Hydroplaning occurs when tires are skiing on top of water or an oil slick and are not touching the road. When hydroplaning, do not hit the brakes. Let off the accelerator until the tires grip the pavement and then gradually accelerate. Maintain a reduced speed until tires are keeping a constant traction on the road. Factors involved in hydroplaning involve presence of oil or water on road, speed, low tire pressure, and poor tread.

County History Book Sets September 15 Deadline

The Eastland County History Book has been a long-time a'borning—but it's now almost a reality!

A pre-holiday delivery date is hoped for but cannot be guaranteed as yet.

A "last chance" pre-publication book rate of \$52.50 is being offered through Sept. 15th.

After that date, all books will sell for \$62.50, or \$70 each after publication, if extra copies are available.

After lots of hard work and cooperation from the people of Eastland County, the final proofs of over 2,100 family stories have been returned to the publishers so that final corrections may be made.

The number of general history pages available is determined directly by the total number of books sold, so this is the time to make final purchases locally, and to let friends and loved ones elsewhere know about the new deadline so that as many books as possible will be sold. This is a once-in-a-lifetime offer and won't be repeated

once the book is printed and delivered.

Business and memorial pages are still available and may be secured by contacting Roy Smith at 817 629-2995 or 817 629-2365 after 6 p.m. (Family stores which were not included in the free section could be added on purchased space it is reported.

Books at \$52.50, plus \$3.68 postage each may be ordered from Eastland County Family History Book, P.O. Box 856, Eastland, TX 76448.

The book will be a 9x12 inch 800 page classic, believed to be the biggest and best ever produced by Taylor Publishing Co.

You and everyone who has ever lived in Eastland County will want at least one.

But now is the time to place orders.

Merriman Christian School

The summer has brought more changes to Merriman Christian Schools. We have been doing a lot of remodeling. The kindergarten classroom has been enlarged so we can have more room for more students this year.

The pre-school area has been painted and more desks have been built for the entire school.

Merriman Christian Schools offers quality Christian education for grades K-4 thru 12.

Opening Night Approaching For Oliver

by Jackie Kincheloe

For an evening of good music, fine food, and all-around excellent entertainment, mark your calendars now and make plans to attend OLIVER at CJC's Hilton Dinner Theatre. The musical opens Friday, Aug. 4th and runs through Saturday the 12th. The musical is adapted from Charles Dickens book, *Oliver Twist*. Set in London in the 1800's, OLIVER depicts the problems of the working class and gives insight into the decadence created by a failing economy. Dickens weaves a tale of sordid lifestyles that has been translated into the various characters who, despite their hard times, reveal humor, compassion, and personalities that make them all-together endearing. The music is up-beat, the action is fast-paced, and the storyline is not overly complex. Those of you who select to attend a dinner performance will feast upon tossed salad, dinner steak, broccoli spears w/cheese, rolls, and strawberry short cake.

There are several important individuals who must be credited for this final production of the CJC summer theatre productions. DR. TOM SOARE is directing OLIVER. Tom was just seen as Victor Velasco in *Barefoot in the Park* and was the king in

last summer's *The King and I*. He is a professor at Sam Houston State specializing in lighting design. Dr. Soare's undergraduate and masters degrees are from the University of Denver and he obtained his PhD from Florida State. He began his acting career in kindergarten when he played a crepe papered robin. Originally from New York Tom has done quite a bit of traveling. He earned his living via theatre for 30 years. Originally involved in acting, directing, and design, it has only been the past 18 years that Tom has channeled his talents into teaching. He spent a tour of duty while fulfilling his military obligation in Germany. There he became involved in USO theatre and at the end of his enlistment was asked to remain as a civilian and act as Entertainment Director. After Germany, Tom went to Ft. Bragg, N.C. to manage the base theatre. He also worked with the Fayetteville community theatre. When the Ft. Bragg Civilian job played-out, he accepted directorship for the Lakeland Little Theatre in Florida. In 71 Dr. Soare joined the teaching staff at Sam Houston State. Tom has directed over 75 productions during his career. This is his 3rd summer with the CJC Dinner Theatre. He will be directing *The Crucible* at Sam Houston in the fall and plans to continue teaching and doing summer stock.

SCOTT TAYLOR is the man behind the music. You'll hear him playing during OLIVER, but it must also be noted that Scott did all the choreography and musical directing for the show. Scott just closed the successful run of *Barefoot in the Park*, where he was leading man. He was in last summer's production

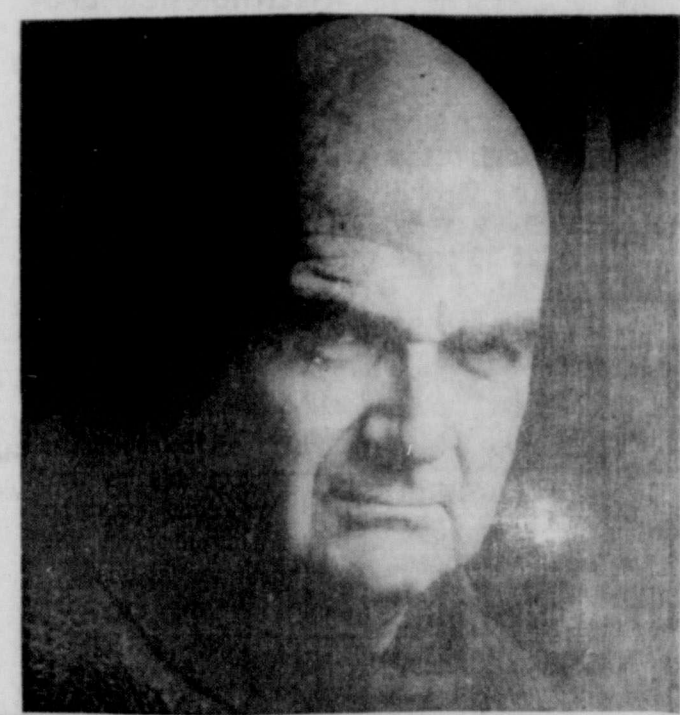

of *The King and I*. Scott has just graduated from Texas Tech with a degree in music and theatre education. He's been playing the piano for 14 years and has composed the music for two published children's musicals, *Happily Ever After* and *A Kidnapped Santa Claus*. Scott has been acting since the 4th grade and has had several years of formal voice training. At Texas Tech he was in *Annie, Brigadoon, A Funny Thing Happened on the Way to the Wedding*, and *Springtime Awakening*. Scott was musical director for that marvelous production of *Scrooge* that Texas Tech brought to the Majestic this past December. Scott has been involved with CJC summer stock for the past 3 years working behind the scenes as musical director as well as performing. Scott's professional credits include membership in a Lubbock theatrical troupe, Company 5, that took theatre arts into the schools and hospitals. Scott has worked with Clent Bowers of Broadway fame, Richard Thomas, and Mikhail Barishnikov. The best of luck to this talented young person for upon the closing of Oliver, Scott will be BROADWAY BOUND!

DAN HUFF is assistant director to Dr. Soare and will

be "pounding the skins" (he plays the drums) in OLIVER. Dan was seen in *The Sound of Music* in the role of Rolf and worked behind the scenes in *Barefoot*. Dan was newly introduced to the lure of live theatre last semester when he was enticed into being in *The Red Shoes* and then appeared in *My Three Angels*. A rising sophomore at CJC, Dan's involvement in drama has revealed here-to-fore untapped talents. A student of psychology, Dan also sings, plays a "mean" piano, and composes.

JASON ARNETTE is both stage manager and in the chorus of OLIVER. Entering CJC in the fall on a full drama scholarship, Jason was involved in drama throughout high school and worked under Mary McGrew. This is his first summer production but he has gained a great deal of experience having been in the chorus of *Sound of Music*, the delivery man, stage manager, and assistant director for *Barefoot* as well as his roles in OLIVER. Jason plans to major in drama and complete his undergraduate degree at Sam Houston.

Opening night for OLIVER is fast approaching!! For information and reservations call 442-2589.

Ten Free White Flowering Dogwoods

Ten free white flowering dogwood trees will be given to each person who joins The National Arbor Day Foundation during August, 1989.

The free trees are part of the nonprofit Foundation's efforts to encourage tree planting throughout America.

The white flowering dogwoods will add year-round

beauty to your home and neighborhood,"

John Rosenow, the Foundation's executive director, said, "Dogwoods have showy spring flowers, scarlet autumn foliage and red berries which attract songbirds all winter."

The trees will be shipped postpaid at the right time for planting between October 15

and December 10 with enclosed planting instructions. The six to twelve inch trees are guaranteed to grow or they will be replaced free of charge.

To become a member of the Foundation and to receive the free trees, send a \$10 membership contribution to TEN DOGWOODS, National Arbor Day Foundation, 100 Arbor Avenue, Nebraska City, NE 68410, by August 31, 1989.

79th Annual Fox Reunion

The Annual Fox Reunion will be held Sunday, August 6th, 1989 at La Mancha Ranch at Lake Leon. This is the 79th Reunion. La Mancha Ranch is on Lake Leon Road, South of Ranger and Southeast of Eastland. The reunion is usually held at Olden Gym, but due to the heat and no air conditioning, it was changed. All friends and relatives are invited to attend.

A meeting of officers for the reunion was held July 23, in the home of Arleta Mace, Reporter. Those attending were: Melvin & Ann De Laney (the new President) of Wylie, Texas. Nick and Kathleen Fox of Dallas. He is 2nd Vice President. Paul Fox of Desdemona and Eastland (first Vice-President). Harvey and Lottie Fox of Olden. She is Secretary and Treasurer. Ada v. Morren, Chairman of Food Committee and Arlita Mace, Business was discussed for this year and next year. Meeting was adjourned, followed by refreshments and visitation.

Defensive Driving

Eastland County Defensive Driving class will be held Saturday, Aug. 5, at 8 a.m. at 600 East 8th Street, Cisco. Fee will be \$20. Call 442-4479 or 442-2673. Cisco, for more information.

Thursday, August 3, 1989

THANK YOU

Dearest Friends: I would like to thank each one of you personally but since I cannot do that I will use our paper to do it. Let me say thank you for your many beautiful cards, telephone calls, visits, letters, potted plants, beautiful floral arrangements and other gifts, but above all, thank you for your prayers while I was in Hendrick Medical Center, both Hospital and Extended Care Unit. Thank those who stood by during surgery. Since I have been home you have been so kind to visit and bring food. I will ever be grateful to you. May God bless each one of you.

Thelma Bosworth

Crisis In Rural Health Care

To rural Americans, the local hospital is often much more than a source of health care — it is a mainstay of the community economy. The rural hospital is frequently the largest or second largest employer in the community, and its presence is often critical in attracting physicians, as well as other business and industry, to the community. In addition to providing personalized health care services at a reasonable cost, rural hospitals provide many valuable social services, such as transportation for the elderly, home-delivered meals, and meeting facilities.

In rural areas, it is essential that some health care services be available locally. Otherwise, poor road conditions, adverse weather, or a lack of adequate transportation could result in life-threatening situations for the sick or injured.

Yet despite the invaluable role that rural hospitals play in their communities, their future is at risk.

CHANGING TIMES Rural hospitals are facing rapid and far-reaching change — change that threatens the stability of the rural health care system.

Rural areas are experiencing severe economic distress — unemployment is high and some farms and other businesses are failing. In addition, the nation's growth in service jobs is primarily oc-

curring in urban rather than rural areas. An absence of national rural economic policy and the financial problems of many rural state and local governments compound existing economic problems.

Economic troubles are driving many rural residents to urban areas in search of employment. Among the rural residents who remain, a higher proportion are poor, elderly, or unemployed. In rural areas, income tends to be lower and the incidence of poverty higher. Both of these factors inhibit residents' ability to seek preventive or early health care, which can lead to more serious health problems and greater poverty.

For rural hospitals, troubled economies mean fewer paying patients, as more residents lack health insurance and government is less able to help hospitals pay for care of the poor and unemployed.

COMPETITION AND PAYMENT INEQUITIES

Rural hospitals also face more competition for patients than in previous years. As more and more medical care is provided on an outpatient basis, urban facilities have established clinics in rural areas and rural hospitals have also expanded their own out-patient services. Physicians are also competing for

patients and are performing more tests and procedures in their own offices.

Rural hospitals must also compete for personnel with other health care providers, rural and urban. Historical disadvantages of rural hospitals in attracting physicians, nurses, and allied health professionals are compounded by federal payment policies that pay rural providers at a lower rate than urban providers. Rural hospitals will again receive less per Medicare patient in fiscal year 1988 than urban hospitals; the difference may be as high as 40 or 50 percent at some hospitals. Medicare also pays physicians in rural areas less than it pays urban physicians for the same services.

Payment systems appear to discriminate against rural providers in other ways as well. Medicare's peer review program sometimes fails to consider unique rural factors in evaluating cases, which can lead to unfair sanctions against rural providers. And the rural poor — who are typically intact families in which at least one adult works — are less likely than the urban poor to qualify for Medicaid, a program that favors single mothers, their children, and the unemployed.

Fishing Outdoors

by Terry L. Wilson

Bass Club Meeting

August 3, 1989

The Texas Parks and Wildlife Department has counted two separate saltwater state fish records for fish that were caught on the same day, May 20.

Texas Parks and Wildlife Dept. officials said a 258-pound Warsaw grouper caught off Port Lavaca by Thomas D. Howard of Point Comforts has been certified as a state record. The fish was caught with an electric reel, so the record is in the unrestricted category, reserved for taken on legal means other than rod and reel.

The former unrestricted record Warsaw a 255-pounder caught by handline off Freeport in 1982.

A new saltwater record in the rod and reel category is a 99-pound blacktip shark caught by Gary L. Rooth of Bay City about 35 miles southeast of Matagorda Bay. The big blacktip was 81 inches long. It bested a 166-pounder off Port Aransas in 1980.

Some long awaited news from Lake Proctor is that the crappie are biting again. The runs aren't huge but some limits of good sized fish are being taken on minnows and jigs. The catfish fishing is also doing quite well on shimmer lines with live bait. The night hours are the best times. And our old friend the black bass are awake after the high water, with crankbaits and worms producing very well.

Most area lakes are in dog day patterns with fishing being only fair at best. But a few of the sleepers are, and its no surprise, some of our smallest lakes. Pioneer has recently produced two blacks over 9 pounders, Daniels has for two weeks been turning out some heavy stringers with the big fish over 6 pounds. Clyde lake is still turning in some huge bass up to 8 pounds. Lake Graham is running fair with one stringer tipping the scales at 13 pounds. Lake Fort Phantom and Champion lake near Snyder both produced fish over 7 pounds.

And its no surprise what baits are producing these big fish from these little lakes. The forgotten bait of summer "The Jig" and that old noise maker that irritates till it hurts "The Rat L Trap".

Lake Leon catfishermen are gearing up in hopes of another big yellow cat run this

month. Last year an abundance of big yellow's were taken during August. Hopefully I can get in some good photos for you this year. The bass fishing at Leon continues to slow, but as was evident Sunday there still out there we just have to cover a little more water.

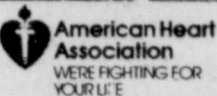

August 3, 1989 all present and potential members of the Eastland County Bass Club are urged to attend this month's meeting. Once again we will be at the Eastland National Bank Bldg. And members are asked to arrive at 7:30 p.m. Members of the board of directors are asked to arrive at 7:00 p.m. This is for lake selection and other important board matters which must be addressed prior to the general meeting.

Plans are underway for the 14th annual Eastland County Bass Clubs Open Invitational at Lake Leon. This years date is September 10, 1989. And this year first place will be awarded \$1,250.00 up \$250.00 from previous years. Once again many extras will be offered like free Trilene line for all paid contestants, a junior division for youths 13 years and under, a special award will be given for 14th place in the open division. And lots more extras, but best of all you can enjoy it all at the same low entry as last year excluding junior entry.

I will try to have an updated tournament calendar for you at our next meeting. Till then don't forget about our new "BWT" law in effect.

WERE FIGHTING FOR YOUR LIFE

Water Development Board Reports State Reservoirs At Record Levels

AUSTIN--Water-supply reservoir data collected by the Texas Water Development Board (TWDB) indicates that the State's major water-supply reservoirs are at their highest recorded level. The heavy rains in May over the eastern third of the State combined with the rainfall from Tropical Storm Allison in late June put this area's streams and reservoirs at near record levels. As of July 1, 1989, the 74 major reservoirs monitored by the TWDB contained a record 31,049,630 acre-feet of water (one acre-foot = 325.851 gallons) representing 91 percent of their conservation storage capacity. Conservation storage is the water stored between the

lowest outlet of a dam and the top of the normal operating level. Additional storage is provided in some reservoirs above this level for flood protection.

Out of the 74 reservoirs monitored by the TWDB, 33 reservoirs contained over 100 percent of their conservation storage capacity. Eighteen (18) of these reservoirs contained an additional 3,564,310 acre-feet in flood storage. Fifteen (15) reservoirs without flood storage were spilling (an uncontrolled release of excess water) and contained 431,780 acre-feet in excess of conservation capacity.

Several reservoirs are worth mentioning specially

for various reasons. Lake Texoma on the Red River near Denison in North Texas was full and contained 925,900 acre-feet in flood storage, the most of any reservoir. Wright Patman Lake on the Sulphur River near Texarkana in the northeast corner of the State was also full and contained 863,560 acre-feet in flood storage, the second most of any reservoir. Lake Livingston on the Trinity River above Houston was spilling and contained the largest volume of water, 199,000 acre-feet in excess of conservation capacity of the state's reservoirs without flood storage. Water spilling over the dam in excess of 70,000 cubic feet per second (cfs) helped the Trinity River below the dam to reach near record flood levels. Three newly completed reservoirs above Lake Livingston in the Dallas-Fort Worth area benefited from the heavy rains. Joe Pool Lake, Ray Roberts Lake and Richland-Chambers Creek Reservoir contained 678,880 acre feet in conservation storage in late April 1989. As of July 1, 1989, they contained 1,878,470 acre

feet in conservation storage and 65,860 acre feet in flood storage (Joe Pool Lake). Streams across the State from the North Concho River near Carlsbad in west-central Texas, eastward through the middle of the State to the entire eastern border were flowing above normal including some at record levels. The North Concho River near Carlsbad during the month of June flowed at 4,388 percent of the June average flow for the period 1951-80. The North Bosque River near Clifton flowed at 1,880 percent of the June average flow for the same period. Also on June 14, a record daily flow of 16,700 cfs was recorded, eclipsing the 1941 record of 11,200 cfs.

Meanwhile, the Neches River near Rockland flowed at 693 percent of the June average flow for the same 1951-80 time period. Record flood peaks were also recorded near the end of June on many of the small creeks and streams in the Houston area.

Texas Gas Production Increases In May

Railroad Commission Chairman Kent Hance announced that Texas oil and gas wells produced 465,218,919 Mcf (thousand cubic foot) of gas in May, compared to the April gas production total of 460,664,392 Mcf. May production was down 0.35 percent compared to May 1988's production of 466,859,630 Mcf.

The state's top producing counties, rank ordered by preliminary May production were: Webb 25,188,888 Mcf; Zapata, 24,315,891 Mcf; Pecos 19,724,707 Mcf; Hi-

dalgo, 13,811,768 Mcf; Panola, 10,730,078 Mcf; McMullen 9,196,191 Mcf; Hemphill, 8,888,373 Mcf; Crockett, 7,462,344 Mcf; Moore, 6,825,836 Mcf; and Matagorda, 6,308,869 Mcf.

Texas gas production in May came from 188,677 oil wells and 46,607 gas wells.

In the Eastland County area in May Eastland County produced 1,252,881 Mcf and Calahan County 404,905.

Crude oil production for Eastland County during the same period of time was 86,411 barrels, and Callahan County 86,286 barrels.

Strain On Resources, Failure To Benefit Elderly Listed In Petitions

Strain on resources and failure to benefit senior citizens appear to be the main reasons a number of citizens oppose the location of a prison facility in this county.

Petitions bearing the signatures of 284 citizens, from various towns in the county, and resolutions from the Carbon City Commission and the Carbon I.S.D. board of trustees are addressed to County Judge Scott Bailey, the County Commissioners Court, the Texas Department of Corrections and the Eastland County Economic Development Council.

The petitions state in part,

POEM

DREAMS

As the old man sets in his rocking chair
His eyes filled with silence
Tears
He thinks of days of long ago
And wish they were with him, those he adore.

His eye lids grew heavy
and start to close
He dreamed of day so long ago
These dreams were ever on his mind
When there were joy, happiness and peace of mind.

The picture of Jesus on the wall
Gave him strength he recall
Through heartache, sorrow and tears
And He is with me all these years.

So trust in Jesus He would say
For in trusting Him you'll find the way
Tell Him your sorrow, trouble and fears
And His love will guide you through the years.
Bob Harbin

Assesses Penalties

AUSTIN--The Railroad Commission of assessed a total of \$42,000 in administrative penalties this week to ten oil and gas companies for problems under Commission well plugging and pollution rules.

Penalties for inactive and unplugged wells included \$3,000 to Graycourt, Inc. of Port Worth for two wells on the T.T. Fair lease in Eastland County.

AMERICAN CANCER SOCIETY

"We believe that the location of such a prison in our community would seriously strain and burden all community resources such as hospital, fire protection, law enforcement, court systems, school systems, water and sewage treatment facilities and would require the incurrence of substantial community debt to provide such services for such a detention facility.

"Further, the many retired and/or fixed income residents of Eastland County would fail to realize any of the economic benefits, if any, of such a prison and would certainly be negatively impacted by an increase in taxes and rates for the increased services required by such a facility."

The documents reportedly

were included with the applications delivered to T.D.C. by the County Economic Development Council last week.

The resolution by the Carbon City Commission, signed by Mayor Royce McGaha on July 13th, substantially repeats the objection that such location would be a strain and burden on resources and necessitate substantial community debt, and "that such a prison facility would cause an influx of undesirable elements into our community."

The trustee resolution, passed July 20, on a motion to "not support a proposed state prison for Eastland County," came on a vote of three for the resolution, two against and one abstaining.

Legal Notice

1989 Property Tax Rates in Eastland County
This notice concerns 1989 property tax rates for Eastland County. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required

by state law. The rates are given per \$100 of property value.
Last Year's Tax Rate
Last Year's Operating Taxes General Fund \$1,078,705; Special Road & Bridge Fund \$191,447
Plus Last year's debt taxes - \$138,889; -
Equal Last year's total taxes - \$1,217,594; \$191,447
Divide Last year's tax base \$462,963,793; \$455,828,003
Equal Last year's total tax rate - \$263/\$100; \$0.42/\$100
This Year's Effective Tax Rate
Last year's adjusted taxes (after subtracting taxes on lost property) - \$1,203,385; \$189,029
Divide This year's adjusted

tax base (after subtracting taxes on new property) \$434,218,949; \$427,180,399
Equal This year's effective tax rate for each fund - \$277/\$100; \$0.4425/\$100
Total Effective Tax Rate (Both funds) \$32138/\$100
Times 1.03 equal maximum rate unless unit publishes notices and holds hearing \$33102/\$100
This Year's Rollback Tax Rate
Last year's adjusted operating taxes (after subtracting taxes on lost property) \$1,066,116; \$189,029
Divide This year's adjusted tax base \$434,218,949; \$427,180,399
Equal This year's effective operating rate \$24552/\$100; \$0.4425/\$100
Times 1.08 equal this year's maximum operating rate \$26516/\$100; \$0.4779/\$100
Plus This year's debt rate

DEBT SERVICE
The unit plans to pay the following amounts for long-term debts that are secured by property taxes. These amounts will be paid from property tax revenues (or additional sales tax revenues, if applicable).
Description
Bond
Principal \$120,000
Interest 9,900
Other -0-
Total Payment \$129,900
Total required for 1989 debt service - \$129,900
Subtract Amount (if any) paid from funds listed in Schedule A - \$0-
Subtract Excess collections last year - \$3,141
Equal Total to be paid from

SCHEDULE A: UNENCUMBERED FUND BALANCES
The following balances will probably be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.
TYPE OF PROPERTY TAX FUND
General Fund (Maintenance & Operation)
BALANCE \$546,230
Bond \$176,696
Road & Bridge \$327,628
SCHEDULE B: 1989

taxes in 1989 \$126,759
Plus Amount added in anticipation that the tax unit will collect only 90% taxes in 1989 \$14,084
Equal Total Debt Service Levy \$140,843
This notice contains a summary of actual effective and rollback tax rate calculations. You can inspect a copy of the full calculations at: Eastland County Auditor's Office-Eastland County Courthouse, Eastland, Texas.

Putnam Musical To Be Held August 4

Friday, August 4 is the date for the regular Musical at the schoolhouse at Putnam. Robert D. Weeks Sr. of Eastland will be in charge of the program.

The concession stand will open at 5 p.m. with good home-cooked food. The music will begin at 6 p.m. The public is cordially invited, especially area musicians.

Social Security Travel Schedule

The Social Security Travel Schedule for Eastland County in August will be as follows:
CISCO: SENIOR CITIZEN CTR., WEDNESDAY, 1 P.M. AUGUST 16;
EASTLAND: COURTHOUSE BASEMENT, TUESDAY, 9:30 A.M.,

AUGUST 1 AND AUG. 15; RANGER: JOSEPH BLDG. (MAIN ST.), WEDNESDAY, 9:30 A.M., AUGUST 16
Due to reduced staffing, the Social Security office is experimenting with different ways to continue bringing the public the highest quality service it can.

You can call Social Security toll-free 7 days a week, 24 hrs. per day by dialing 1-800-234-5777.

The Next Best Thing -

...to a clear conscience and a good night's sleep is the feeling of security in owning your own home with a clear title. Peculiar to the real estate field, values are based on land and the improvements thereon, if any. But values on these are based on the title. The title then comes the most important item to be considered when purchase of real property is contemplated. So be careful to buy good title based on an abstract of title or a policy of title insurance.

Last Two Weeks Of Life Of Christ Pageant For 1989

The 1989 summer productions of the Kendrick Religious Pageant "THE LIFE OF CHRIST" will come to the end of August 11, 1989 which leaves only two weeks. It is presented each Thursday and Friday night at 9 o'clock DST and is the complete LIFE OF CHRIST from the birth through the resurrection, portrayed in 63 scenes, lasting two hours.

This production, which was termed by the July 1980 edition of the *Texas Monthly Magazine* as being the "BEST OUTDOOR SHOW" in the State of Texas, is celebrating its 25th anniversary this year.

Close to 1,000,000 have viewed this production these 25 years. Many have made

their commitment to our Lord and Savior at the presentations. There is a known ten young men, to the Kendrick Family, that are now ordained ministers of various denominations as a result of viewing the production.

Just this past week, a group of Senior Adults were here from Seymour, Texas, and one in the group told the cast and Kendricks that "she had been to the GREAT PASSIONPLAY in Arkansas two times, and she enjoyed the Kendrick Life of Christ Pageant twice as much in the one viewing as she did the Arkansas production both times." Many other church groups, senior citizens' groups, families and individuals have

made similar comments praising the production.

Thus far, during the 1989 summer productions, the following towns have been here for the pageant productions: Abilene, Fort Hood, Dublin, Blanket, Breckenridge, Crowell, Seymour, Anson, San Saba, Rising Star, Merkel, Centerville, Mineral Wells, Fort Worth, Madisonville, Brownwood, Weatherford, Sweetwater, Ranger, Dallas, Midland, Truscott, Gilliland, and Wichita Falls, Texas, and Lovington, New Mexico, as well as Cisco and Eastland.

Sonow, who don't you plan a Spirit-filled evening of entertainment and bring your family or church group to the final four presentations of THE LIFE OF CHRIST.

For further information or to make reservations, contact THE LIFE OF CHRIST PAGEANT, Route #2 Box 46, Cisco, Texas 76437, or phone 817-629-8672.

Pastoral Care And Counseling Center Seminar

Charnell Brown, therapist at Pastoral Care and Counseling Center, will present a seminar entitled "Understanding Your Grief" and the First Monday presentation on August 7. The one-hour program will begin at 7:00 p.m. at 751 Hickory Street in Abilene. First Monday's are sponsored by Skinny's and are free to the public. For more information call 672-5683.

Carbon News

By Dorothy Jackson

It is still hot and dry, we could sure use one of those frog stranglers about now. How nice it would have been had we been able to battle some of the over flow rain that fell in late May, to be used now. This is August, hot and dry is the normal for these parts.

Bro. Donnie Cavenshine was the visiting preacher for the morning and evening services Sunday, July 30. Bro. Donnie brought his family with him, they were dinner guest of Mr. and Mrs. Lynn Hogan. Bro. L.C. Landers will be the guest preacher Sunday August 6th.

Such a sad day for our little town and its hard to find words to say, the Church of Christ in Carbon has closed its doors. With only 2 or 3 families, it is impossible to keep it going.

The paint day at the Carbon School on Sat. July 29th went rather well. A good number came out to roll that paint on those walls. It is really pretty, if you get a chance to go up and take a look at it, this is something all students, parents or any one that enters the school building can be proud of.

Sunday, July 30 was the 5th Sunday singing at the Baptist Church, not a large crowd but did have some good singing.

Carey and Cody Cox of Arlington is spending the week with their grandparents Keppy and Jarrell Jackson.

The descendants of the late Archie and Jewell Jackson met at the Christian Retreat at Lake Brownwood for their reunion July 28, 29, 30. Sixty three were present for visiting and reminiscing. Some had not seen each other since

1973. The eldest son, Leland, died in 1971, most of his family was there. Pauline, his widow from Nixa, Missouri; their daughter Mrs. Linda Lee Hallam of Pierce City, Missouri; their son Larry of Nixa, Missouri; and their youngest daughter, Diane (Jackson) Lacy, her husband Greg, and their son Jason and daughter Kerrie all of Republic, Missouri.

The next eldest, La Vern died in 1981, all his family was there. Dorothy (Guy) Jacson, his widow of Carbon, their son Dale, his wife Nancy, their children Darrell, Michael and Joshua of Sweetwater; their daughter Laveda (Jackson) Tucker, her husband Stan and their children, Andy and Erin of Sweetwater. Next in the line up of all the Jackson's is Bob, his wife Freddie of Odessa. Keppy Jackson, his wife Jonell of Carbon; their daughter, Mrs. Debbie (Jackson) Cox of Arlington. Dwain Jackson, his wife Doc of Ft. Stockton, their grandsons,

Kris, Anthony, and Boone of Ft. Worth. Drew Dan Jackson, his wife Debbie, their daughter Dena, and their son Michael of Concord, Texas; their daughter Cindy (Jackson) Heston, her husband Scott and their son Eric, all of Ft. Worth; their son Steven Jackson of Rio Vista, Tx. Lou Ann (Jackson) Griffith, her husband John of Midland; their three daughters; Gwen (Griffith) Gunter, her husband Kerman, their son Travis and their daughters Amanda and Ashly all of Midland; Judy (Griffith) Wilhit, her husband Dennis, their sons Robert, James and Brian all of Odessa; Jill (Griffith) Nail, her husband Norman, their daughters Kristinna and Rachael all of Midland.

Betty Jackson of Denver,

Colorado. Patsy (Jackson) Sims her husband Henry Sims of Graham, their son Rodney, his wife Denise of Shawnee, Oklahoma. Virtruss Hayes, a nephew of Archie Jackson, his wife Opal of Shreveport, Louisiana, Virtruss mother was a sister to Archie Jackson. Leonard Payne, a nephew of Jewell Jackson, his wife Carlene, their daughter Julie and their son Jeff, all of Leonard, Texas. Leonard is the son of the late Thurman and Betty Payne of Baird, Betty was a sister to Jewell Jackson.

All 63 enjoyed fun, food and little or no sleep. All tried to catch up on all the news of each family. It will be held again next year same time, same place.

Obituaries

Nita Walker

ODESSA—Nita Walker, 68, of Odessa, died Saturday, July 29, 1989, at Medical Center hospital in Odessa. Graveside services were held at 2 p.m., Monday, July 31, 1989, at Sunset Memorial Gardens in Odessa. Emmett Barnard officiated.

Born June 20, 1921, in Pioneer, Texas, she married A.J. Walker, December 14, 1941 in Rising Star. He preceded her in death in 1988. A son, James Douglas Walker also preceded her in death.

She was a housewife and a Baptist and lived in Odessa for 43 years.

Survivors include a son, Michael Cade Walker of Monahans; a daughter, Clayann Halbrock of Odessa; a brother, Marvin Lee Cade of Cross Plains; a sister, Velma Cox of Solomon, Arizona; three grandchildren and numerous nieces and nephews.

Robert L. Barnhill

RANGER—Robert L. Barnhill, 77, died Sunday at an Abilene hospital.

Services were at 2:00 p.m. Tuesday at the First Pentecostal Church with the Rev. Ken Colegrove officiating. Burial was in the Evergreen Cemetery, directed by Edwards Funeral Home.

Born in Whitney, he came to Ranger in 1936 from Oklahoma where he had attended school.

He was a water well contractor and a member of the First Pentecostal Church.

Survivors include his wife, Mary Ann Barnhill of Ranger; a son, Roy Barnhill of Ranger; and a granddaughter, Susan Rodgers of Ranger.

Mamie Lee Clement

GORMAN—Mamie Lee Clement, 92, died Wednesday at an Eagle Lake hospital.

Services were held at 10 a.m. Saturday at the Higginbotham Funeral Home chapel with the Rev. Benny Hagan officiating. Burial was in the Weaver Cemetery near Gorman.

Born in Winfield, Ala., she graduated from Carbon High School in 1914 and John Tarleton State University, receiving her master's degree from the University of Texas in 1949.

She taught school in Gorman, Eastland County and in the North Forest district of Houston for 49 years.

She was a member of the Hibbard Memorial Baptist Church in Houston, Rebekah Lodge and was the widow of James Franklin Clement.

Survivors include a daughter, Charlotte Treadwell of Wallis; a son, Frank Clement of Houston; two sisters, Pearl Callaway of Phoenix, Ariz., and Mae Campbell of Lovington, N.M.; four grandchildren; and 24 great-grandchildren.

Jimmy Earl Sandefur

WACO—Jimmy Earl Sandefur, 53, former Strawn resi-

dent, died Saturday in Temple.

Services were held at 2 p.m. Monday at the Edwards Funeral Home Chapel in Ranger with Bill Owens officiating. Burial was in the Mount Marion Cemetery in Strawn.

Born in Strawn, he attended elementary school in Strawn and moved to San Angelo and attended Lee Junior High.

He was an artist, worked in the construction field and was a U.S. Marine Veteran of the Vietnam War.

Survivors include his wife, Elgenia Naylor Sandefur of Waco; his mother and stepfather, Inice Sandefur Hill and Warren Hill of Ranger; two stepsons, Sr. Airman John Loving of Austin and Sgt. Bill Loving of Hahn, Germany; three brothers, Gene Sandefur of Omak, Wash., and Danny Sandefur and Ray "Butch" Sandefur, both of Dallas; and three sisters, Jackie Sandefur of Garland and Geri McCleskey and Jonnie Goodwin, both of Dallas.

Ethel Mae McClelland

CISCO—Funeral services for Ethel Mae McClelland, 70, were held at 3:30 p.m. Wednesday, Aug. 2, 1989, at Cisco Funeral Home Chapel with the Rev. Sherman Ervin officiating, assisted by the Rev. Jim Manning. Burial was in the Oakwood Cemetery.

Mrs. McClelland died Monday, July 31, 1989, at an Abilene nursing home.

Born Dec. 9, 1918, in Cedar Rapids, Iowa, she moved from San Angelo to Cisco in 1952. She owned and

operated the Longhorn Cafe for 20 years. She was a member of First Baptist Church, and the widow of Roy Clifton. He died in 1955.

Survivors include a stepson, Roy McClelland of Bryan; a stepdaughter, Jean Russ of Florida; a brother, Robert C. McDougall of Dallas; three sisters, Dorothy Richardson of Cisco, Mary Anderson of San Angelo and Elizabeth Hoover of Portland, Ore.; and a number of nieces and nephews.

Pallbearers were Vernon Orr, Jack Roberson, Doug Sandison, Charlie Anderson and Revis Gregg.

Why Should Women Have A Screening Mammogram?

One out of ten women in the United States will develop breast cancer sometime in her life. It is currently estimated that over 37,000 women die each year as a result of breast cancer.

Ninety percent (90%) of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50% five year survival rate. Conversely, a woman diagnosed as having breast cancer before a lump can be felt has a 97% 5 year survival rate and a 90% 10 year survival rate.

A mammogram can detect a cancer this small, even before it can be felt.

WHO SHOULD HAVE A SCREENING MAMMOGRAM?

The American Cancer Society has established guidelines for mammography.

Those guidelines have been adopted by the American Academy of Family Physicians, American College of Obstetricians and Gynecologists, and The American College of Radiology. The guidelines for mammography are as follows:

I. 35-40 year old asymptomatic women should have a baseline mammogram.

II. 40-50 year old asymptomatic women should have a mammogram every 1-2 years depending on breast type and risk factor until age 50.

III. Asymptomatic women over 50 years of age should have annual physical examination and annual mammogram.

IV. Asymptomatic women over 50 years of age with significant high risk factors should be examined at appropriate intervals. Risk factors listed below are an example.

a. Previous breast cancer - year examinations.

b. Family history of breast cancer in mother, sister, or daughter baseline examination should be done at age 30 with follow-up as recommended in Section II above.

V. Symptomatic women at any age.

a. Breast mass, palpable by physician or patient.

b. Nipple discharge.

c. Skin changes.

d. Unexplained breast pain.

VI. Symptomatic women will not be seen at the Screening Clinic. A woman with any of the above symptoms should call her physician or make an appointment for a complete breast study at the Regional Breast Care Center in Odessa.

WHAT IS A SCREENING MAMMOGRAM?

A screening mammogram is an x-ray of the breast on women who have no symptoms of disease, (asymptomatic).

A screening mammogram utilizes extremely low dosages of radiation (usually comparable to dental x-rays) and is designed to find very early cancers in unsuspecting women.

A screening mammogram utilizes extremely low dosages of radiation (usually comparable to dental x-rays) and is designed to find very early cancers in unsuspecting women.

Thursday, August 3, 1989

HOW CAN A WOMEN GET A SCREENING MAMMOGRAM?

The Regional Breast Care Center of Women's & Children's Hospital and Odessa Radiology Group are co-sponsoring a Mobile Breast Screening Program.

The Mobile Breast Screening Unit will be in most towns in West Texas.

The Mobile Breast Screening Unit will work by appointment as well as non-appointment. You may make your appointment by calling your local hospital or the Regional Breast Care Center at (915) 334-8888.

WHAT HAPPENS AFTER A WOMEN HAS MADE AN APPOINTMENT?

When the Mobile Breast Screening Unit is in your city please report approximately 5 minutes prior to your appointment time for registration.

The charge for the screening mammogram is between \$45.00 and \$75.00 depending on location and payment must be made at the time of service. The clinic accepts cash, check, Visa, Mastercard and American Express.

Typically, the exam takes less than 15 minutes. Wear separates (skirt/blouse; slacks/blouse) to allow easy disrobing from the waist up. Also, avoid overuse of deodorant.

A female technician will perform the examination and teach you how to do breast self-examination.

In some cities the local Radiologist will interpret the films and forward the results to your physician. If the local Radiologist does not interpret the films, the films are returned to the Regional Breast Care Center at Women's & Children's Hospital. There they are interpreted by a Radiologist from Odessa Radiology Group. The results are then forwarded to your physician.

You will be instructed to call or see your physician for the results of your study. If you have no physician, we will provide you with names of local physicians who have agreed to take new patients.

You and/or your physician will be mailed a reminder when it is time for further check-ups.

WHAT IF MY SCREENING MAMMOGRAM IS POSITIVE?

As stated earlier, a screening mammogram is designed to find very early cancers. If your mammogram shows any suspicious signs you will be asked to have further evaluations done.

These evaluations may be performed by your physician or by a complete diagnostic breast center such as the Regional Breast Care Center at Women's & Children's Hospital.

Should you be asked to have further studies done, DO NOT PANIC. This does not mean you have cancer, it simply means there is an area which needs further study.

If a mammogram shows a definite cancer, you will be advised of such.

If you require further evaluations and receive these evaluations at the Regional Breast Care Center at Women's & Children's Hospital, the fee which you paid for the screening mammogram will be discounted from the Complete Study charge.

BREAST SELF-EXAMINATION

During your visit to the Breast Screening Unit you will be taught how to perform breast self-examination (BSE). Breast self-examination is a very important tool to every woman. Any changes which may occur in your breasts will be first noticed by yourself.

Letters To The Editor

To The Editor:

I am amused, at times, at how hard it is for some people to accept that they can't always have their way. And at the lengths they are prepared to go to change things to fit their desires. But after watching the majority of the Cisco Hospital Board try to ignore the wishes of the persons who voted in the last election on whether to raise the Hospital tax in order to keep the Cisco Hospital open, I am rapidly ceasing to see any amusement in the actions.

We were told that if the voters didn't approve the increased tax in the last election, the Hospital would have to be closed. Since the tax failed, I have to assume that the majority of the persons who voted expected, and indeed even wanted, that to happen. After the election, some members of the board said that since the vote was so close, they didn't feel they had received a "Mandate" to close the Hospital. Well, I don't know what they consider a "Mandate" to be, but my Webster's Dictionary defines a mandate as, and I quote, "The wishes of constituents expressed to a representative, as through an election, and regarded as an order." It didn't say anything about how many votes the election had to carry by to be considered a mandate. Now that seems clear enough to me. And, it should be to the Hospital Board.

Some arguments used to justify keeping the hospital open are:

1. "No major business will relocate to Cisco unless they have a hospital." No major business is likely to relocate to Cisco until it solves its water problem whether it has a hospital or not. Most large businesses would consider having a hospital within a ten mile radius to be adequate.

2. "It will mean transporting patients to the Eastland hospital, a distance of 10

miles." In most larger cities the vast majority of the patients are transported 10 miles or more. They don't have a hospital on every block. And, believe me, you can transport a patient ten miles in this predominately rural area a lot quicker and easier than you can in a large city.

3. "We will still have to pay for the bond indebtedness already incurred." Well, of course we will have to pay for these bonds if we don't have the Hospital, but we won't have to pay for any more indebtedness that will be incurred in the future. And, if they apply the money they say they have in savings to the indebtedness, it should reduce it measurably. It might even mean that the taxes could be reduced during the life of the bonds.

According to some of the information presented in the newspaper in the past, the Hospital employs some twenty-odd personnel to service a patient load of approximately two per day. That seems a little out of kilter to me. Not many businesses could survive under these conditions. And, whether we like it or not, the Cisco Hospital is a business and a luxury we can no longer afford.

I think the prudent thing would be to close the hospital and, if the Hospital Board just HAS to spend some more of the taxpayers' money, spend it on the Eastland hospital to make it even better, since it appears to be the only one with any hope of survival. And, please, stop trying to throw a scare into the elderly with dire predictions and talk of how little they will have to contribute. The elderly are not nearly as dumb as some think they are. They do know one thing, while their contribution might be small in relation to some others, most of them live on fixed incomes and a dollar means a great deal more to them. If their

expenses exceed their income, they don't have any taxes to raise to pay for the difference.

I realize these opinions expressed by me will not win a popularity contest with some. But, I have had some 30 years of experience in a great many of the fields of Public Service including Ambulance and almost all the other Emergency Services and I know there has to come a time when you say "enough is enough," bite the bullet and cut your losses.

I think the Hospital Board should respect the wishes of the constituency as expressed in the last election and stop trying to find ways to circumvent them. That is what the election was held for.

A.C. (Pete) Larkin

Dear Editor,

My name is Herman Eaker. I operate Herman's Auto Parts at 1903 Conrad Hilton Ave.

I received my bank statements from the First Nat. Bank of Cisco and found a monstrosity enclosed by way of another tax ballot on the E.L. Graham Hosp. This hit me like a ton of brick, the silliness of it.

Folks, we voted two different times to close this hosp. and the board says "We don't understand the taxpayers vote. They haven't given us direction or a mandate."

I have news for you. This board understands very well what the tax payers said at least any other board would understand. Why is the 1st Nat. Bank so interested in a tax raise for the hospital to put a ballot in my bank statement instead of spending a 25 cent stamp and putting it in the hands of all the tax payers.

No. 1. One of the hospital board works for the bank.

No. 2. One of the hospital board worked for the bank 25 years and owns stock in the bank.

No. 3. One of the hospital board owns major stock in the bank.

No. 4. Member of the hospital board works for one of the doctors of which I consider a conflict of interest and shouldn't be a board mbr. at all.

No. 5. Member's signature is not on the petition because he is very much opposed to the thing.

If this was a true up front petition it would not have been slipped into my bank statement, but would have come by way of every tax payer in Pet. 4.

Why is the bank so interested in keeping this bankrupt hospital open which at this time has no patients while Eastland Hosp. has 20 plus (good question).

Why all the vacant buildings up and down Hilton Avenue?

To be honest Cisco has been plagued with slimy politics for 50 years. It's a plague every small town is tempted with and most fall

far. "If we distort the facts, pull the wool over their eyes, and keep them asleep long enough we will have our way."

The ballot says "Your taxes will be raised very little if you vote yes." That very little will be 125 percent and my hospital taxes will jump from \$300.00 to \$800.00. Can you afford such a tax increase? If so can the retirees of which the majority of Cisco is afford it? We're paying 20 or 25 employees to run the hospital and a mg't corp., plus a hosp. administrator and today as I write this letter, there may be one person in said hospital.

There was an opportunity for a patient last week. An elderly man was brought to the hospital by ambulance but was refused a bed because there was nothing wrong with him. He was carried to Eastland Hosp. and diagnosed as having a severe brain tumor, and is now in Humana Hosp. in Abilene.

There is another distortion in the petition that the preferred tax payers received, read carefully. "If you vote yes sign your name and return to the bank." "If you're against a tax increase don't vote anything." This means we will count the yes votes and can publish that the majority said "Yes we want a tax increase."

Do you have an alternative? Yes, I have copies of these ballots. If you will pick up one and vote no, sign your name, I will see that the board has these ballots at the proper time.

Herman E. Eaker

Dear Editor,

I have just read in The Cisco Press 27 July 1989 edition that the board of directors of the E.L. Graham Memorial Hospital District, except one, are still trying to impose the tax hike that was voted down in the May election at the ballot box by the voters.

They, the board, has asked us to fill out a questionnaire of our wishes. One had already been turned in and the answer was no. New taxes and no borrowed money. The answered questions, they say when turned in that no response will be considered against tax raise. Personally I think this is a sneaky and underhanded way to get what the four of them want.

The article also states if the hospital closes property values will go down. Well from what I can see they have already gone down with the hospital in operation.

Also a decrease in attracting industry; I have not seen a 10 story building built here since is has been open. Some 15 plus years of operation I can see no new industry. Get

in your car and start at the railroad north of town and drive down Avenue D. Conrad Hilton if you like and count the vacant buildings south until you come to I-20 and see if you count 43 vacant buildings.

As for as going to a hospital in another town, namely Abilene, the added cost of expense for the patients and someone to stay with them. I have had that experience twice. And I can assure that the extra care is well worth it. The facilities are for much better than we have in the rural hospital. And as for as to the doctors, there are no comparison.

Now also we are told by the board, 4 of them, that we do not know how to vote. We did not know what we were voting on. The tax referendum was not a true vote. May I say for myself and I think I can speak for others I knew what I was voting on. I did not want to be saddled with a million dollar debt as one of our sister cities.

If the board is all bent on keeping the hospital open, then I suggest that every two weeks they take their check books over to the hospital and make the approximately \$18,000.00 payroll.

I suggest that we take what money we have on hand, if any, and pay it on the hospital dept. and close it up before the citizens of the E.L. Graham Memorial Hospital District is hung with a huge debt that we, our children, and grandchildren will be paying on for years.

Thanking you again for your time and courtesy, I remain,

Yours truly,
Wayne F. Brock

A Thought
For
The Day...

DeAlva Chambers

The Roman scholar Cicero called gratitude the mother of all virtues. Disraeli, the English statesman, called it the rarest of all virtues.

We're sure that there are times when each of us become so involved in our busy activities, trials, concerns and frustrations that we expect more thanks than we give. We take our many blessings for granted. Yet we all know of those rare people who seem to be continually thankful for what they have ... be it much or little. Conversely, we all know people who never seem to be content. They bewail their 'bad luck' and complain bitterly about anything and everything.

There is an old hymn: "Count your many blessings - name them one by one." Wouldn't today be just the day to enumerate your blessings, count them one by one? You just might be surprised how blessed you really are!

Sheriff's Dept. News

Friday evening Sheriff's officers raided a residence in the 600 block of East 10th Street in Cisco. An 18 year old white female was arrested and what was described as 28 hits of L.S.D. was seized. The illegal drug, also called acid, was on the back of stickers bearing pictures of Snoopy, a cartoon character dog. The young woman made a statement to officers, admitting that she bought and possessed the drug. According to Sheriff's deputies, she also said that she had used illegal drugs since she was a 13 year old girl in Houston. She now has a baby of her own, which she said that she has been caring for, while using drugs. She is being held under \$25,000 bond.

While escorting the property owner to a Lake Leon residence which had been damaged by fire, Deputy Ben Sancillo found and seized some marijuana growing behind the barn. The rental property had been vacant for a while.

There was an attempt to pass two checks stolen from the residence of a couple living near Cisco. A hitchhiker with a pregnant wife was taken into the home and fed on the afternoon of July 19 and he is suspected of taking the checks. He was described as a white male about 165 lbs. aged 25 to 27 with brown hair and a neat beard.

A bull missing from the Kelly Ranch near the Stephens County line was recovered.

A report was received that an unconscious man was being treated at the hospital after being assaulted in a Lake

Leon park. Investigation established that he had attended a beer party and attempted to leave in a car with another man. Sheriff Dee Hogan said that they were under the influence of the beer and ran into a ditch resulting in his head hitting the dash, which knocked him out.

A dead body was reported to be lying on I-20 south of Eastland, but a deputy awakened the man who had fallen asleep.

Some cattle stolen near Rising Star were located, but the investigation is continuing.

On July 25 a 23 channel Robyn CB radio was stolen from the back seat of a vehicle in Ranger. There are suspects.

Cuorto Oil Corp. personnel reported that a pump jack switch box in the Scranton area had been vandalized.

Citations and subpoenas were served.

Two red four wheel bumper pull peanut dryer trailers were taken from the Green property on I-20 west of Cisco between July 25 and 28. The trailers numbered BSNE9937 or BSN39868 and B9773 had been repossessed by the Eastland National Bank. There is a possible suspect.

A trailer with two A.T.V. four wheelers was taken from behind a locked gate on the Greenhaus Place sometime during the past seven months. The place is on Hwy. 16 nine miles south of I-20 east of Ranger. The two Honda 350cc 4x4s had the name "The Foreman" on them.

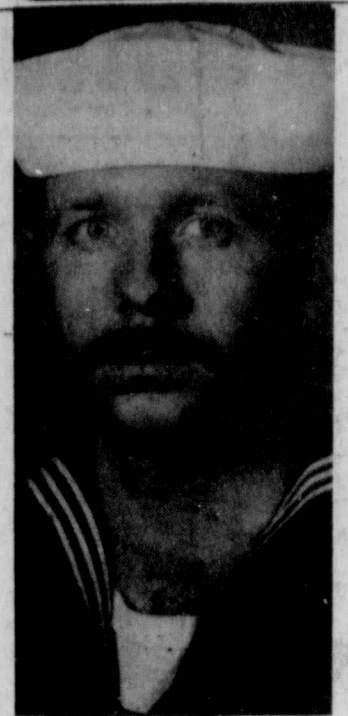

**Lutheran Youth
Enjoy Day At
Six Flags July 29**

The Redeemer Lutheran Youth enjoyed a day at Six Flags Saturday, July 29. The group left early Saturday, ate breakfast at McDonald's in Weatherford, spent the day at Six Flags and had a great dinner at the Ponderosa Steak House before returning home Saturday night. The youth want to say thanks to all who supported them in their efforts to raise money to go on this trip.

Members going were Brad Fleming, Donny Choate, Jr. Stroebel, Kevin Ziehr, Stephen Reich, Matt Schaefer, Andrew Moore, Kerstin Gerhardt and Christy Hughes.

Taking the youth were Keith Reich, Marilyn Fleming and Jerry Choate.

Men In Service

JOHN W. THORNTON

Petty Officer 2nd Class John M. Thornton, son of Leon and Mittie Thornton of Cisco, has completed the prescribed course of study and graduated with honors in Photographic Equipment Maintenance and Camera repair at the Naval School of Photography in Pensacola, Fla.

After a brief visit with his family he has returned to the USS Carl Vinson in San Francisco, Calif., to prepare for his third tour of duty in the Western Pacific and Arabian Sea near the Persian Gulf.

Air Force Senior Airman Sean K. Manire has been awarded the Good Conduct Medal at Holloman Air Force Base, N.M.

The award was presented for exemplary conduct while in the active service of the United States.

He is an aircraft electro-environmental systems technician with the 49th Component Repair Squadron.

Manire is the son of Mr. and Mrs. William E. Manire of 705 E. 22nd St., Cisco.

The airman is a 1984 graduate of Cisco High School.
