Mr. Muleshoe ...

By J. M. Forbes

Road "Buck" Johnson's playing on the local football team ought to be a boon to men's clothing store operators this fall. If son Buck gets away with a nice run that looks like a touch, papa Fred gets so excited that he calls that hat out over the crowd. If you, my friend, are in need of a hat, attend the Muleshoe vs. Brownfield game tomorrow night, wait until Buck gets his chance, then keep your eye on the hat. Fred usually wears a pretty nifty sombrero.

Everlast one of these boys is playing his head off and let's get with them, win, lose or draw.

No one can find pleasure in the contemplation of an official's prediction that "U. S. program of disarmament may continue for a generation." If a generation is 25 years, a little more or less, that means a certain part of the future is laid out for us boys who are yet unborn. Already our young men getting into uniform at a pretty fast rate; hate to see them leave their schooling, their work or business; their games, their courtships for that matter. I hate to see these boys and their mothers have to have to do these things. And the worst is that there seems no end to this program; let us hope that some future generation will be wiser than we, will know how to organize this world and enforce the peace among all nations and among all peoples.

We have already paid a terrific price for upholding what we know is right in Korea. Few counties in the U. S., I venture to say, have escaped a casualty, some of our neighboring counties have had more than one young man killed in action.

And, Mr. Civilian, if you think for one minute that life will become easier for you in the next 15 to 20 years, please think again. You have it straight from the Great White Father in Washington, through solemn-sounding officials, that this will not be so. It will be harder to make a business pay off; the Government will take more and more from income, so that take-home money will be less. It will cost you more to live; there will come a time when there will be restrictions on what and how much you may buy. The wise man will give thought to these things if peradventure he may avoid becoming enmeshed in the mire of debt, over-extension, and finally despair.

I think it is perfectly obvious that our freedom is now in jeopardy and that if we want to retain it, as I know we do, we must give up something to do it.

In this connection, I wish you would turn the page of this paper on which we have printed a speech made here the other night by E. A. Wells of El Paso, before a Masonic gathering. The speech would have been as good if made before any other patriotic group, the Masons were the fortunate ones to hear it. But I want you to read it, and I really believe it is more impressive in reading. Save it, send a copy to a friend. It's true and it's sensible.

The 12,000 acres we finally planted cotton in this county would, if counted in a three year average, have been ruinous to our cotton planters. The Farm Bureau believes it will be able to get those responsible to use our allotted acreage figure this year instead. Hall has cut down the total of what we might have produced on these 12,000 acres by some two of three thousand bales. Milo maize is going to be short unless a miracle happens; and all in all, even though we have had way above normal rainfall for the year, this year's crop gives promise of being about the poorest old Bailey County has had in the memory of the older inhabitants.

Doyle's Cab And Service Station Opens Saturday

Opening of Doyle's Cab and Station is set for the coming Saturday, Willie Doyle, proprietor announced. He has received a franchise from the city of Muleshoe to operate his taxi service.

He will have one car on the job 24 hours a day and said if the demand is sufficient he will increase the service with one or more additional cars.

The service station is the station at the corner of Avenue B and West First, formerly known as the Hurst Station, across the street east from the phone office.

Mr. and Mrs. Doyle comes here from Abilene. She is the dietitian for Muleshoe school lunch rooms. The station will serve free donuts and coffee Saturday and their cab service will be free that day. The first purchaser of 10 gallons of gasoline and an oil change will receive a free wash job.

ATTEND NUNLEY FAMILY REUNION IN JACKSBORO

Mr. and Mrs. J. A. Richards and Donnie and Mrs. O. S. Richards attended a family reunion in Jacksboro this past weekend. There were 130 present. The reunion was for the Richards' boys' mother's side of the family.

Mahan Rites Held Monday

Funeral services for Othel R. Mahan, of Lazbuddi, were conducted at 3 o'clock Monday afternoon in the Lazbuddi Baptist Church with Rev. Silas Dizon officiating. Interment in Lazbuddi cemetery was under direction of the Muleshoe Funeral Home. Members of Muleshoe Masonic Lodge conducted the Mason burial rites at the graveside.

Mr. Mahan, who was postmaster at Lazbuddi, passed away Sunday morning at 5:26 a. m. in the Friona Hospital.

He conducted the Lazbuddi store in which the post office was located.

Mr. Mahan was a native Texan. He was born July 1, 1906, in Collin County. He was 44.

He is survived by his wife, Mrs. O. R. Mahan, of Lazbuddi; a daughter, Leota Mahan, Lazbuddi; his parents, Mr. and Mrs. O. R. Mahan of McKinney; three brothers, Jimmie Lee Mahan, Westminster, Texas, B. J. Mahan, Blue Ridge, Texas, and Audie L. Mahan, Celina, Texas; four sisters, Mrs. Fay Michalek and Mrs. Jack Wolter, both of Dallas, Mrs. Cylestine Miller and Miss Myrtle Mahan, both of McKinney.

13 Men Report For Induction

Thirteen more young men of Bailey, Lamb, and Cochran Counties are to report for induction into the Armed Services of their country on October 4, the local Draft Board, which serves all three counties announced today.

Listed are: Charley Eugene Pratt, Littlefield; James Fulton Cleavinger, Springlake; Granville Fulton Wood, Muleshoe; Don Morris Thorpe, Whiteface; Robert Laverne Bula, Amos Dale Wesley, Littlefield.

Raymond J. Evans, Muleshoe; Edward Franklin Neagle, Morton; Joe Brock, Morton; Elmer Ray Bennett, Earth; and Weldon Bynum Merritt, Morton.

Thirteen were inducted from these three counties on Sept. 21. Young men are constantly being called up for examination. Usually names of those going for examination are not published and will be made known when and if they are inducted in the service.

New Dishwasher Now On Display

A new type of "jet-thrower" dishwasher is now on display at Wilson-Sanders Lumber Co. This new appliance is manufactured by the Youngstown Company, known for their all-metal kitchens.

This new dishwasher was on display at the local fair last week and many people were impressed with its advantages. A dishwasher is to be given away and anyone may register at Wilson-Sanders Lumber for a chance for this dishwasher. This is absolutely free and there is no obligation to anyone. Two miniature models of the dishwasher also will be given away.

At the fair, Mrs. J. M. Stinson received selections of free wall paper compliments of the firm. She is one of the many who have registered for the dishwasher.

Everyone is invited to come by and see this new revolutionary dishwasher now on display at Wilson-Sanders Lumber Company.

Cafe Burglarized Here Last Night

Muleshoe Cafe this morning was minus a cash register, which was removed from the premises sometime last night. Bill Collins, the proprietor, said about \$25 was in the register when the cafe closed last night.

The burglar entered the cafe through a rear window. So far as was learned, nothing else was taken.

Cashway To Have Party Night Oct. 4

Cashway Grocery and Market will have a party at the Cox Drive Theatre next Wednesday night Oct. 4. Persons may come by the store this Friday or Saturday and pick up their tickets.

Thurman White, manager of the store, stated this was one of the ways that Cashway is taking to show their appreciation to their many friends and customers for their patronage.

Large Crowd Attends Meeting Of Water Conservation Tuesday Night

Approximately 75 persons interested in the conservation of our underground water resources attended a meeting of the Bailey County Underground Water Conservation District at the County Court House last Tuesday night.

Jesse M. Osborn was principal speaker for the meeting and gave the history of the conservation unit since its organization to those present.

Mr. Osborn explained the meeting of representatives of the Plains counties with the State Board of Water Engineers in Plainview on August 29. If the underground reservoir now furnishing the Plains farmers with an abundance of water should extend below the Caprock and into the southern parts of the state, we would be prevented from using water that areas further south would claim.

It has been decided by the engineers that the reservoir is only under the Plains counties and does not extend south of Caprock, therefore, water users of the Plains will be governed by an underground water conservation unit composed of all the counties of the Plains and its directors will be elected from the different counties.

If any county or group of counties can furnish proof that the underground water beneath them is from a separate reservoir instead of one large reservoir covering the entire Plains area, separate water conservation districts can be formed to regulate the use of water from each reservoir.

Harry Schuster was elected president and O. M. Self was elected secretary-treasurer of the Bailey County conservation unit, succeeding Delma McCarty, who has held the office for the past two years.

It was also voted that each member of the Bailey County Underground Water Conservation District would pay \$5.00 for each irrigation well operated by him in order that funds might be raised so the Bailey County organization can participate in and pay for their portion of the projects of the Plains farmers in forming conservation units more suitable for their needs.

Your underground water is one of your most valuable assets and you should protect it by joining your neighbors and helping to keep control of it locally and conserve it to the best interest of you and your children.

You may send your \$5.00 fee to O. M. Self, Treas., Muleshoe, Texas or leave it at Muleshoe State Bank, and they will receipt you for same.

Plumbing Firm Buys Building

A. P. Lambert, of Lambert Plumbing Company, announced this week that he has purchased the building which he formerly occupied, located on a 25-foot lot north of the courthouse.

He plans to move his plumbing business to this building by October 1. During the last year or so he has been operating from a room of the Moeller building on Main Street.

He purchased the building and lot from J. L. Ivey.

KNIFE & FORK CLUB TO MEET

The Knife and Fork Club will have its first meeting at La Vista in Clovis tonight and several local members expect to attend. It was said the club will this year have some vacancies and any couple of this vicinity who would like to join and hear these fine lectures may see Mr. or Mrs. Ray Griffiths or other local members.

WTS Coach Addresses Lions

"Send us one of your Mules," said Frank Kimbrough, head coach of West Texas State College at Canyon as he concluded his talk to the Muleshoe Lions Club at their regular luncheon Wednesday noon at Gerald's Cafe. A record crowd attended this luncheon.

Kimbrough is known for his football fame at Hardin-Simmons University in Abilene and was coach at Baylor University in Waco before accepting his present position. In his talk he illustrated the troubles of a coach with a couple of humorous stories. He referred to himself as a "sorry coach who needed good players," but persons who have seen his winning teams are convinced otherwise.

West Texas State tries to build their football team from material found in the Panhandle area, and usually 150 miles from Canyon, he said. Two of last year's Muleshoe seniors were especially attractive to the WTS football squad, and they went to other schools. He asked Coaches Woodie Green and T. J. Bailey and members of the Lions Club to try to convince some of the Muleshoe players to try to go to school in Canyon next year.

Mr. Kimbrough was introduced by J. M. McCasland, of Amarillo, who owns quite a bit of property in Bailey County and was also his roommate at Hardin-Simmons.

Cecil Massey, head of the recreation program in Canyon, and former Baylor football star produced by Kimbrough, gave an interesting skit dressed in a football uniform and explaining the different plays one might hear while listening to a football game on the radio.

Visitors at Wednesday's luncheon included Coach Coase Woodie Green and T. J. Bailey, guest of Jeff Peeler; Mr. Lynn, guest of Buck Woods; Jed Clarida of Amarillo, guest of Jim Cox; Aubrey Heathington, guest of W. O. Casey; Bobby Seid and Dr. B. Z. Beaty, guests of Blondie Ray; and the speakers.

Last Thursday night the losing side in the attendance contest entertained the winning side with a dinner of barbecued chicken at the home of Tye Young. About 30 members were present for the affair. Judge Landis, owner of the Clovis Radio Station, was principal speaker for the occasion. His topic was "Americanism."

Gene Murdock Is Polio Victim

Gene Murdock, 21, son of Mr. and Mrs. E. F. Murdock of Muleshoe, was stricken with polio last Sunday, Sept. 17, at Albuquerque, where he is employed by the Bell Telephone Co. Mr. and Mrs. Murdock left for Albuquerque Thursday when the doctors reported that Gene had polio. They were accompanied by Mr. and Mrs. Bob Murdock of Littlefield.

After being admitted to the Veterans Hospital Thursday, he was quickly rushed to the Polio Center. He was in the service 18 months, serving as an M. P. in Albuquerque.

He has a wife and two small children.

At the last report Wednesday his condition was regarded as serious.

Local Boys Win Honors In Lubbock Pig Show

Marion and Jerry Inman brought considerable honor to the Muleshoe 4-H Club the week end just past when they drove their Poland China gilts to Grand Champion and Reserve Champion honors over all breeds in the FFA and 4-H Club show sponsored by the Bailey County Fair Association.

Marion's gilt, winner at Muleshoe, became eligible for the district competition and won the Reserve Championship over all breeds against 100 other gilts from 13 counties shown at Lubbock.

Gene Paul Jarman took his blue ribbon Poland China male from the Muleshoe Fair to the District Show at Lubbock and came home with the coveted Grand Champion honor. To Jimmie Cannon of Bula went the fourth prize pen of three fat hogs at the District Show.

The day's premium at Lubbock amounted to \$110.00 and added to the \$56.00 won in county competition the total would indicate a very successful year for Muleshoe 4-H Boys and their eight Sears gilts given to them last May by the program sponsored by the Sears Foundation and directed by J. K. Adams, the Bailey County agricultural agent.

Mr. Adams is proud of the record made by his 4-H Boys during the same for use of livestock would be a maximum of one year in jail and a \$1,000.00 fine.

This program will also control the traffic of habit forming drugs and require that all patent medicines be properly labeled and directions for use given. This will also be the same for foods and cosmetics. Any of the merchants who endeavor to be honest in their business will not be injured in any way if this law is passed, but will benefit from it.

Double Funeral For Mother And Son At Earth

Double funeral services for W. C. Hall of Earth and his mother, Mrs. Mary Hall, of Ringling, Oklahoma, were held Friday afternoon at 3 o'clock at the First Baptist Church in Dimmitt, with burial in the Dimmitt Cemetery.

Hall died just about five hours before his mother.

Tuesday previous to his death, he, accompanied by his wife, and son-in-law, Curtis Jaquess of Earth, had gone to Amarillo to be treated for sinus trouble. The group had gone to the bus station in Amarillo, from where Mrs. Hall, while at the bus station, Hall died suddenly of a heart attack. The body was taken to Dimmitt, and his mother was notified at Ringling, Okla. She arrived in Dimmitt that same night at eight o'clock and also suddenly died of a heart attack about five minutes later.

Both bodies were taken to the Blackburn Funeral Home at Dimmitt.

Mr. Hall, who had lived in Lamb County for a number of years until recently, is survived by his wife, five daughters, and two sons.

The daughters are: Mrs. Lester McDermott, Mrs. Dovie Coleman of Dimmitt, Miss LuLaible Hall of Oklahoma City, Mrs. Phillip Jones of Springlake and Mrs. Curtis Jaquess of Earth.

The sons are: Ephram Hall of Amarillo and Carl Hall of Cotton Center.

Bailey County Farm Bureau Begins Its Drive For Additional Members

A drive for a vastly increased membership was launched this week by the Bailey County Farm Bureau Federation, which has and will continue to concern itself with problems that directly concern the farmer.

Farmers who will join and help the organization are asked to pay their \$5 a year dues to Ray Carter, president, or to H. E. Schuster, secretary and treasurer.

The Farm Bureau throughout the nation will stage its membership drive during October, local leaders said.

Some Plains counties have as many as 1200 members and in these counties the Bureau wields a potent influence in such matters as acreage allotment and in other problems confronting the farmer.

In this county, the Bureau has paid out considerable money in recent months on such issues as the Water Conservation Law, Cotton Allotments, etc. The local county federation gave \$50 to help pay the expenses of a group to Washington. As a consequence of this visit, it is believed that Bailey County will receive its allotted acreage instead of the 12 or 13 thousand acres actually planted this year due to the drought, when the year 1950 is included in acreage allotment calculations.

Three dollars of the membership dues goes to the State Federation, \$2 remains in the county for work here. The member gets a subscription to the Texas and to the National Farm Bureau publications. Another advantage for the member is that he is entitled to receive Farm Bureau insurance.

Whiskey Making Unprofitable For Bailey Negro

County and state officers discovered a whiskey still in operation in Bailey County 13 miles south west of Needmore Saturday afternoon. This was the first time in a number of years that a still has been found in operation in this part of Bailey County.

The still was found in the home of John W. Williams, negro, on his farm home. He was arrested and charged in county court with illegal possession of whiskey, and was fined \$126.85 by the court Monday.

Back Creeper, Bailey County deputy sheriff, Paul Williams, Muleshoe city marshal, and Harold Greenwood, Liquor Patrol Officer, had evidence the negro was "bootlegging" and went Saturday afternoon to search his premises. They found the crude contraption in operation on the kitchen stove.

The officers confiscated one pint and ten half-pint bottles of the "corn" and a half-barrel of mash was near by to be distilled that afternoon.

The still was a crude affair, being made of a ten gallon lard can with a copper tube leading out of the top, forming a coil, and then five feet of the tube running through a trough of water to condense the vapor into alcohol. The whiskey dripped out of the end of the tube into a container of charcoal, and was then strained and bottled.

This made the fiftieth person arrested and charged with illegal possession of whiskey in Bailey County since Sheriff Hugh Freeman began his tenure of office in 1949. Several of the offenders have been convicted more than once.

Lewis Bros. Bulls Win In New Mexico

Lewis Bros., Bailey County Hereford breeders, came out right well at the New Mexico State Fair, in Albuquerque, with four bulls they had on exhibition.

Of the four bulls, all yearlings, the local breeders won a third, a fourth, a fifth, and an eighth place. Their animals were in competition with all Herefords at the Fair. It was their first time ever to exhibit at the New Mexico exposition.

Dr. A. E. Lewis, of Muleshoe, said it was one of the best livestock shows. Especially, he said, was the calf show put on by the boys a top notcher, with some of the best individuals he had ever seen at a show.

JONES VISITORS

Mrs. Maude Jones had as visitors in her home last week a daughter and family, Mr. and Mrs. A. R. Robertson and two little daughters of Denair, Calif., also another daughter of Levelland, Mrs. H. B. Byerley, Sr., Mr. Byerley and son Robert Earl spent the week end. It was a very enjoyable get together.

AFTER FUMBLE—In a mad scramble for a Slaton fumble last Friday night is a rushing Mule player (black jersey) and two speed-in Slaton players. In the background are two more players rushing to the aid of their teammates. Muleshoe came out on the bottom of the pile with the ball in their possession and began their drive that carried across the Tigers' goal in the first of the fourth quarter. Tomorrow night the Mules play Brownfield here for another conference tilt. (Journal Photo)

RABSON DISCUSSES KOREA

NEW YORK CITY, Sept. 22—During the past few days I have again been in New York City where I contacted some very important people. Perhaps you would like a brief summary of what these real thinkers believe regarding the Korean situation and the world in general.

OUTLOOK FOR CHINA

Even some leading Republicans feel that we have pursued a wise Chinese policy in accepting the theory that Communism would inevitably spread throughout China. When I visited China, I found terrible poverty and suffering amongst these hundreds of millions of people. I am not surprised that they blindly grasp at the promises of the Communists. The State Department, therefore, may have been prudent in not backing Chiang Kai-shek; it may be unjust for us to persecute Lattimore or any other honest man for taking a similar position.

Certainly, at all costs, we should hold Formosa but avoid war with China. These people have always been friendly to us. By a "hands off" attitude, we can again have their friendship after the present storm is over. People, in close touch with the Far East, believe that Communism is less likely to spread throughout Indo-China, Burma and India if we stick to the State Department's much criticized position.

WHAT ABOUT EUROPE

My knowledge of Europe indi-

cates that our policy there should be "to hope for the best but prepare for the worst". The people in Western Europe are unhappy and this includes the English people. They have been through two wars and feel that if World War III comes, their homes and farms will be the center of the conflict and they would suffer tremendously whoever wins. Certainly, their only hope is for the formation of a United Western Europe and Great Britain with a combined Army, Navy and Air Force as urged by Winston Churchill. Governments will attempt this, but what the reaction of the masses will be at that time is uncertain. The Communists are making great promises while the Conservatives have little to promise excepting the Status Quo.

It is hoped by the common people of Western Europe and Great Britain that Russia will not risk a World War III, but if Russia does, that they can remain neutral. However, it is up to us now to help arm these people and aid them in every way. Otherwise, if we should get into war with Russia, our boys might be left to fight Russia pretty much alone. I have no fear of Russia licking us; but it is possible we cannot lick Russia! My present guess is there will be no World War III now; but that the Cold War will surely become hotter and more expensive.

LET'S LOOK AT HISTORY

All readers should secure from their local library, Wells' Outline of History or some popular History of England and read same. Starting several hundred years ago, when our ancestors were all serfs and had no property or other rights, up to the present time, there has been a continuous series of Revolutions. These have come about once every 150 years and have been accompanied by bloodshed, sabotage and most inhuman actions by the masses against large property owners. The same frightful practices, now used by the Russians and their allies, were common during the days of the English Cromwell, the French Revolution and the Thirty Years European war. This does not justify present Russian practices but it indicates that through such crimes, dishonesty and atrocities have the masses secured for us the freedom which we today enjoy.

The fate of wealthy people in Poland, Bulgaria, Hungary and other Russian satellites is only a repetition of what has happened many times before. Those who owned only their own homes and land which they themselves cultivated were not disturbed, but the rich who collected rents for houses or land or interest on money suffered great losses. Those who had followed among many things including small amounts of coins, jewelry, good furniture, useful tools, etc. got by. Those who had some trade or profession were protected. This included stone masons, carpenters, mechanics, shoemakers and even musicians, artists and poets. All these revolutions were, however, followed by periods of destructive inflation which today would seem to make a well-diversified list of good common stocks and especially convertible bonds the best hedge. Of course a home in the country, in good repair having all modern conveniences and enough fertile land for self support, with well-educated grandchildren, is our best protection.

CHILD DIES OF POLIO

W. R. Robinson, residing south of Muleshoe, received word of the death Sunday in Waco of a four year old niece from effects of a polio attack. Mr. and Mrs. Robinson were in Waco for funeral services held there Wednesday.

ORDER OF ELECTION TO CHANGE FROM COMMISSION TO ALDERMANIC FORM OF GOVERNMENT.

THE STATE OF TEXAS, COUNTY OF BAILEY:

WHEREAS, on the 18th day of September, A. D. 1950, a petition was presented to me, signed by more than ten per cent of the qualified voters of the City of Muleshoe, for an election to be held in the City of Muleshoe on the question of determining whether or not a majority of the legally qualified voters of the City of Muleshoe desire to change from the Commission Form of Government to the Aldermanic Form of Government.

It appearing to me that said petition is in due and legal form and is signed by more than ten per cent of the qualified voters of the City of Muleshoe, and that said city has been duly formed and created under the Commission Form of Government.

THEREFORE, I, in my capacity of Mayor of the City of Muleshoe, Texas, do hereby order that an election be held on the 28th day of October in the City Hall of the City of Muleshoe to determine whether or not a majority of the legally qualified voters of said city desire that the form of Government be changed to Aldermanic form.

I further order that said election shall be held at the City Hall within the city limits of the City of Muleshoe.

I further order that TOM ZIMMER be and he is hereby appointed presiding officer to hold said election and he shall select two judges and two clerks to assist him in holding the same and he shall within the time prescribed by law make due return thereof as is provided by law.

All persons who are legally qualified voters of the State of Texas, County of Bailey and who are resident voters within the city of Muleshoe shall be entitled to vote at said election, and all voters who favor the proposition to change from Commission Form to Aldermanic form shall have written or printed on their ballots, the words: "FOR CHANGE TO ALDERMANIC FORM"

And those opposed to the proposition to change to Aldermanic Form shall have written or printed on their ballots, the words: "AGAINST CHANGE TO ALDERMANIC FORM"

Notice of this election shall be given by publishing such notice in some newspaper within the city limits of the city of Muleshoe thirty days, if there be one, and if none, then by posting notices of same at three public places in said city of Muleshoe.

Dated this 18th day of September, A. D. 1950.

H. D. KING
Mayor of the City of Muleshoe.

CHRIST, THE LIGHT OF THE WORLD

"I will not leave you comfortless: I will come to you." (John 14:18. Read John 14:22-27.)

David Hume, the skeptical philosopher, used to walk some miles to hear the English preacher, John Brown. "That's the man for me," said Hume.

"He means what he says; he speaks as if Jesus Christ was at his elbow." John Brown had overcome serious obstacles. He was born into a poverty stricken home and lost both parents early in life.

How Hume's judgment of John Brown sticks in the mind! "He speaks as if Jesus Christ was at his elbow." That is a choice way of saying something essential. John Brown was not alone. Christ was beside him, with him. This conviction was the secret of his rich, consecrated spirit.

Lord Tennyson is a witness to the same truth. "To feel," he said to a friend, "that God is by my side just as much as you are, that is the very joy of my heart."

The Lord, who knows all the demands of our lives, is waiting to share His love and presence with us. He is the Light of our lives.

None of us needs to be alone.

PRAYER

Amidst all the demands of our daily life, O Lord, may we discover the reality of Thy nearness. Help us to know beyond all doubt that Thou art with us in sunshine and storm, giving steadiness to our purpose and firmness to our steps. In the Master's name. Amen.

THOUGHT FOR THE DAY

None of us is alone if he has Christ.

From where I sit... by Joe Marsh

New Use For Old Windmills.

I drove past Larson's farm last week and saw him perched on top of his 75-year-old windmill. "Still planning on tearing it down?" I shouted up to him.

"Not on your life," says Curly as he climbs down. "I'm getting myself a television set from Buzz Ellis' and he says this windmill is going to come in mighty handy."

"You see," Curly went on, "I'm going to put my TV antenna right on top of it. Since the windmill is higher than the house, I'll get the best reception around here—but if it wasn't for Buzz and his advice, I'd have scrapped it."

From where I sit, Curly's success as a farmer and his popularity in town is due, in a large part, to his open-mindedness and his willingness to listen to people and their opinions. He'll listen to Buzz Ellis over a malted milk or he and I can talk politics—each with a glass of temperate beer. Yes, Curly's as modern as television itself!

**CITATION BY PUBLICATION
THE STATE OF TEXAS
TO: WILLIAM D. MORRIS
GREETING:**

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 6th day of November, A. D., 1950, at or before 10 o'clock A. M., before the Honorable District Court of Bailey County, at the Court House in Muleshoe, Texas.
Said Plaintiff's petition was filed on the 21st day of September, 1950. The file number of said suit being No. 1665. The names of the parties in said suit are:
MADELYN MORRIS

as Plaintiff,
and
WILLIAM D. MORRIS
as Defendant.

The nature of said suit being substantially as follows to-wit:
Suit for judgment of divorce, dissolving the marriage between plaintiff and defendant. On divers occasions, while plaintiff lived with defendant, defendant was guilty of excesses, cruel treatment and outrages toward plaintiff, of such a nature as to render their further living together insupportable, which culminated in defendant striking plaintiff upon the face with his clenched fist, on May 15, 1949, under circumstances which showed an utter disregard for plaintiff's health, if not her life. Issued this the 21st day of September, 1950.

Given under my hand and seal of said Court, at office in Muleshoe, Texas this the 21st day of September, A. D., 1950.

Mason Speaker Warns Communism Seeking To Destroy Our Way Of Life

Editor's Note: When E. A. Wells, executive secretary of Scottish Rite Bodies in El Paso, delivered a speech before a large crowd of local and visiting Masons in the Muleshoe Masonic Lodge Tuesday night of last week, many present expressed a desire to see the speech in print. H. S. Sanders, Sr., talked Mr. Wells into leaving the script of his talk and Marion Harris brought it to us. We are happy to have the opportunity to print this speech, wish we could print it and mail a copy to every human in the U. S. The speech follows:

This nation, carved from the virgin resources of a new continent, was founded as a God-respecting land of justice and opportunity. Many of the founding fathers were Freemasons. They worked fervently, amid most signal dangers, to create a new world where hate and prejudice, born of intolerance and bigotry, would not

blight the lives of men and women. They hoped, through the tolerance, and mutual respect, to weld the American people into an unshakable unity. These men under the divine genius of the supreme architect of the universe, did their work well. Freemasonry has, for centuries, meant constructive building, in the hearts of men, in the life of institutions, and in the souls of nations. The virtue of tolerance and the ability to respect different opinions, beliefs and ideas have enriched the life of America. Tolerance is the eternal virtue through which good conquers evil and truth vanquishes untruth. In the glow of tolerance the talents of all Americans—Protestant, Catholic, and Jew, alien and citizen—flow harmoniously together in a common endeavor to erect, stone by stone, the magnificent temple of free government. The very virtues which intolerance and prejudice have repressed in many areas of the world have become fountains of strength, inspiration, and achievement in America.

Many individuals and groups, however, both within and without the Nation, hate tolerance—they consistently abuse and defile it. In fact, these elements, the criminal and the subversive, are utilizing America's tolerance as a cloak to plan and to perpetrate crimes which, when successful, destroy the very tolerance which enables them to gain their victories.

These elements, which would destroy American liberty, are today at work in America. The greatest crime in our nation today is our tolerance of crime. When a minority group, by abusing tolerance, attempts to destroy the fabric of democracy, it forfeits its right to a nation's tolerance. Tolerance to a tyrant is absurd. We, the beneficiaries of a heritage of tolerance, have a duty to defeat the criminal and the subversive, and thereby preserve for the future the constitutional liberties which have made this nation strong, peaceful, and a refuge for the oppressed.

The times demand candid and forthright words. Communists have been and are today at work within the very gates of America. There are few walks in American life which they do not traverse. Their allegiance is to Moscow; their hopes are spurred by the writings of Marx and Lenin, not Jefferson, Madison, and Lincoln; their enthusiasm is whetted by expediency and deceit, not tolerance and brotherhood. The destruction of the God of our Fathers is their goal. Whenever they may be, they have in common one diabolic ambition: to weaken and to eventually destroy American democracy by stealth and cunning. There is an organization built and supported by dishonesty, deceit, and tyranny, and a deliberate policy of falsehood. They know that as long as the ideals of common endeavor, mutual respect and tolerance remain alive they can never bring to fruition the communist world revolution. That is why communists consider America their number one enemy.

The symbolic tools of all Masons, the square, the level and the plumb, are hated and detested by the adherents of the hammer and the sickle. The Communists possess a destructive force of approximately 55,000 members in the United States. In actual numbers, their membership may not be large, nor have the communists polled at any time a large number of votes in an election.

But, behind this force of traitorous communists, constantly gnawing away like termites at the very foundation of American society, stand a half-million fellow-travelers and sympathizers to do the communist bidding.

Communist members, body and soul, are the property of the party. They scorn the standards of American democracy. They function like puppets on a string, ready at a moment's bidding to execute the will of the directing master—the Red "Hitler" at Moscow.

The thought of a Soviet United States is at once revolting to every right-thinking American. We have seen the Communists at work and have observed the application of their principles sufficiently to know what would happen here if they succeeded in the attainment of their objectives. If every American faced the reality of what the fulfillment of the Communist objective would mean to him—he would be inspired to work harder to protect and preserve the individual liberty and freedom which is part and parcel of our American way of life.

In these troubled days, a civilization is at stake. Each day, we come closer to an eventual hour of decision. The outcome of Western civilization, the peace, security and freedom of our children hang in the balance. Never was there a time when there was a greater need to put first things first.

The struggle for the preservation of our freedoms places a duty on every man, woman, and child in the nation to do his bit in order that this government of the people, for the people, and by the people shall continue to flourish.

You folks do not have to be here. You are not regimented, you have not been oppressed. You are free men and your lives are your own because

you, and we, are blessed above many peoples in that we live in a free country, where we may enjoy liberty and pursuit of happiness.

Freedom and liberty and the pursuit of happiness not many years ago were little more to us than beautiful words. We had them, we took them for granted. Never was there a thought that there was a possibility that we might some day lose them. It is an outrageous thought now. But it has become a fact.

Can it happen here? Can regimentation and stupefaction come to America as it did to Germany and turn free and happy Americans into dumb driven cattle as it did the Germans?

You men can leave here and find a job. After a while you may want to change it. You will find the job on your own and change it as you wish. But no longer can you do that in England. You must go to the employment office. There you will be told where to work. And if you do not obey you may be fined or jailed.

And no longer is it true that "an Englishman's home is his castle." The bureaucrats inspecting the use of those doles that are handed out from the cradle to the grave, may now enter an Englishman's home without a by your leave.

To such a state has Socialism brought a once proud people. And thus the great tragedy of the ages unfolds, and in the wings, the Red stagehands make ready the scenery for the last act.

There are people in America who offer you all that Socialism has given England. There are people in America demanding it for you, in the name of youth.

You may take it if you wish. But remember, please, that if you take you must give. And if you take from the State you must give up your freedom. Little by little they chip away at it, and then one day it is gone—liberty and the pursuit of happiness. Yes, and life, too; because the live you live is no longer your own.

We who have lived before you, and those who will live after you, must put our trust in you. For this is a present thing. Before the century is over, the tale will be told. You and your children, my friends, must meet it. You and your children must do most of the fighting. Freedom has been won and lost many times by many peoples in the history of this our world. Won with blood and then lost as character slips away, beaten down by the promise of something for nothing.

"Freedom is a hard bought thing." It was worth the cost, we know. And whatever more the cost shall be, we must pay it.

For freedom MUST be preserved. It is the simple truth to say that our ancient fraternity—faithful, wise and heroic, presided in the birth hour of our republic, just as it guards its sanctity today. There are those who would belittle its influence but the facts stand. It was not an accident that Washington and most of his generals were members of our craft. The story of the War of the Revolution might have been different had not its leaders been bound together by the ties which Masonry knows how to weave between men, making them brothers. Even LaFayette was not given a place of power until he had been initiated in a military lodge.

Among the creative forces by which America has been made so great, none has been more effective and benign than the influence of Freemasonry. What patriotic memories cluster about the Old Green Dragon Tavern in Boston. Webster called it the "Headquarters of the Revolution", and it is also the headquarters of Freemasonry where the Boston

Tea Party was planned. As Freemasons we believe that the things that made our Republic great in the past—made it not only possible but powerful—are the things that will make it still greater in the future.

There is an old maxim by a famous Latin author that the greatness of a nation is preserved by the same methods by which it has been won, and if this theory is correct in principal, it cannot be wrong in practice.

For that reason we need today, all of us, a new baptism of the spirit of citizenship, of public-mindedness, of devotion to the State for what we can put into it and not for what we can get out of it. The greatest heritage that we, as citizens, should enjoy seems to be the one most neglected of all our rights and privileges. How can we expect to keep this a government of, for and by the people, if we fail to register our choice with the ballot? Today hardly half of our people who are entitled to vote ever vote on an issue. Even the excitement of a Presidential campaign does not bestir them from their lethargy.

Men have not changed—we are like the members of that famous Boston Tea Party and it is high time that we were called from "Refreshment to labor" again, to preserve unspiced and unadorned, for those who are to come after us, that precarious heritage that our ancestors so generously gave us, to have and hold forever.

Toy Dishwasher Works Just Like Mother's

This pretty model is showing off the Jet-Tower, Jr. automatic dishwasher, a plastic miniature of the new Youngstown Kitchens Electric Dishwasher. Originally designed as a display and demonstration device, it is also being made available as a toy. The miniature actually operates, washing tiny plastic dishes racked in two wire baskets. The jet tower, a chrome tube which extends through the center of the tub, spins and throws water on the dishes. Water is furnished by a hose connected to a faucet. Unit is 10 inches high and has a plexiglass lid.

Deep Breaking Now Available

The latest deep-breaking equipment manned by experienced operators is now available in this area, according to information received from Thomas L. Moran, Contractor. Two complete units of new giant Towner plows and D-8 Caterpillar tractors will plow in this area under the supervision of R. D. "Bear" Camp, of Sudan, area manager.

Local farmers who are interested in this service are urged to contact Camp as soon as possible in order to make sure their land is scheduled, if they so desire.

All deep-breaking is done to meet standard PMA and SCS requirements so that farmers and stockmen may benefit from government payments.

PRINTING OFFICE AGAIN PRODUCES BEST SELLER

The Federal Government is carrying on a thriving book-selling business, the Government Printing Office announced today, as it found another best seller on its hands—the second within a month. Orders started pouring in to the Superintendent of Documents in Washington for the National Security Resources Board's newest publication entitled "United States Civil Defense," which sells for 25 cents. Over 5,000 were sold the first day of an initial printing of 50,000 copies of the book, which is described as the most comprehensive publication issued to date by the Federal Government on civilian defense.

The Government's other best seller called "The Effects of Atomic Weapons" was released last month and is now in its fourth printing. Over 40,000 copies have been sold at \$1.25 each of this book issued by the Atomic Energy Commission which describes what may be expected when an atomic bomb explodes.

TEN STEPS FROM A MISTAKE?

don't take your Corn Harvester off the tractor UNLESS...

... it is 100 percent ready for next year. If it has seen hard service, here are three things we'd like to do while the machine is still on your tractor:

- 1 Inspect the harvester carefully for worn, bent or broken parts.
- 2 Make any needed repairs.
- 3 Protect all polished surfaces from winter rust.

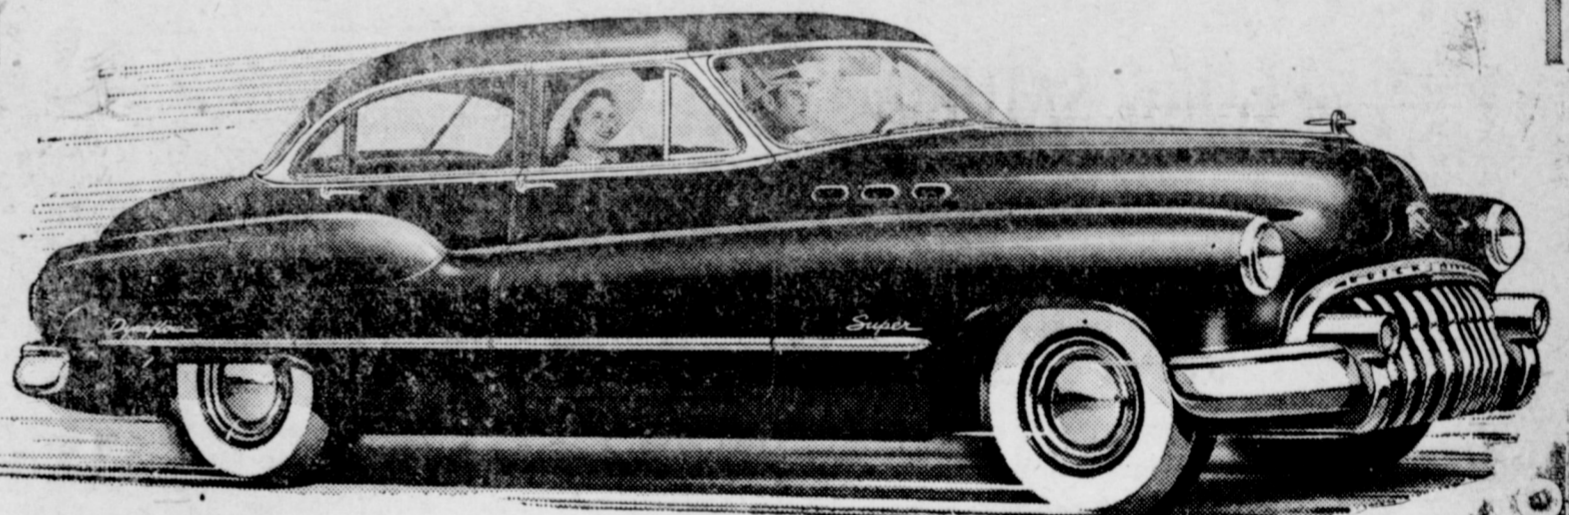

So, lay those wrenches aside for a few days. Drive your tractor in; or phone and we'll come for it. If you need the tractor, we'll send it back while our shopmen check your Corn Harvester.

Looking for honest-to-goodness COMFORT?

Better Buy Buick!

You've probably heard a lot of talk about comfort in 1950 cars.

But we'd like to offer one suggestion, which is—let a Buick speak for itself.

We'd like to have you settle yourself (your family too, if you

have one) on a Buick's soft, deep, comfort-angled cushions, and see how restful they are.

More than this, we'd like you to sample that comfort in motion. Slip your fingers around that slender steering wheel, touch toe to treadle and take off in the smooth, unbroken surge of power that Dynaflo Drive* delivers.

We'd like to have you hunt out some of the less-smooth streets or back roads that never seem to get fixed—and put Buick's soft coil springing and solid underpinning to tough and practical test.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

All the while, be thinking about what such riding and driving ease can mean on long, all-day trips, and compare it with what you've been used to.

This whole experience is bound to make you want a Buick—and when you ask "how much" you'll get a second pleasant surprise in the low delivered prices your dealer is quoting—prices that start at a level that is actually lower than you'd pay for some sixes.

Your Buick dealer is the man to see and this is the best of all times to see him. Drop in, won't you, to see about getting an order signed?

FOUR-WAY FOREFRONT This rugged front end (1) sets the style note; (2) saves on repair costs—vertical bars are individually replaceable; (3) avoids "locking horns;" (4) makes parking and garaging easier.

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

Winners of Livestock Awards For Bailey County Fair Listed

Large crowds each night viewed the big variety of exhibits in the Bailey County Fair, held Thursday, Friday and Saturday of last week and officials joined in pronouncing the annual event an unqualified success.

Bill Moore, president of the Fair this year, told the Journal it is the intention to set the Fair dates for next year in October, probably around the 10th.

He said that this would give grain and other products longer to mature and that the quality of exhibits as well as their variety would be greatly improved with this additional three weeks of time.

Livestock, women's department, flower show, and the various merchants booths attracted lots of attention. Each night there was a fine crowd out at the Fair pavilion.

Sam E. Fox, secretary and treasurer reported the Fair's finances were in good shape. He said that the Fair premiums totaled \$500. This time the Fair had some money left over from last year's show, but the Fair Association had to buy the barracks and have them moved from the school grounds.

Money paid in by merchants for the booths was the main source of revenue.

Awards in the various departments were made as follows:

Progress HD Club In Meeting

October 3, at the home of Mrs. David Gulley, the Progress HD Club is observing annual Achievement Day with an all day meeting. Everyone is to bring sandwiches with all the trimmings for the noon meal.

At ten o'clock the demonstration on copper tooling will begin. If you plan to make a copper picture bring a hard lead pencil and a picture frame to mount the picture, if you have one.

The program will be in the form of a fair. Any handwork you have made bring to be exhibited. All leatherwork, comforts, crochet, canning exhibits, sewing, etc. Ribbons will be awarded to the winners by judges.

Mrs. Kistler Host To Half Century

Mrs. Bill Kistler entertained the Half Century Club in her home Sept. 21, with 23 members and 3 visitors present.

The afternoon was spent looking at movies, shown by Mrs. Elliott, games and visiting.

The hostess served a delicious plate lunch assisted by Mrs. Jones and Mrs. Willard.

The next meeting will be with Mrs. Witte Oct. 5, from 2 to 5 p. m. All members are urged to be present as there is business to attend to.

Rainbow Assembly Friendship Night

Muleshoe Assembly of Rainbow for girls met last Thursday night, September 21, at the masonic hall in a regular meeting and for Friendship Night program.

There were two visiting Assemblies; Clovis, N. M. with 26 Rainbow girls, Eastern Stars and Masons, Bovina with three Rainbow Girls.

Joan Schuster, Darla Myers, Joan Wright and Elizabeth Ann Farley were initiated into the Order.

After the meeting the girls had their program in the banquet room. The Bovina girls had parts on the program. The main feature on the program was a reading "The Robe" by Lloyd C. Douglass, read by Marilyn Gupton.

Frosted punch and cookies were served from a lace covered table, the center piece was fall flowers banked with seven candles of rainbow colors.

Muleshoe WSCS Has Birthday Party

The WSCS of the Muleshoe Methodist church met Monday afternoon Sept. 28 at the church for a birthday party in honor of the 10th anniversary of the organization.

Members of the WSCS of Earth and the Muleshoe Wesleyan Service Guild were guests.

The meeting opened with music, with Mrs. Noel Woodley at the piano. The opening song was "OH, Yes You Can."

Mrs. F. B. Pierson gave a few words of welcome and introduced those who had parts on the program.

Mrs. Roy Bayless brought the devotional from Matthew 12, showing how Christ's message is brought to all parts of the world by our missionaries, and told the story of Dr. Snell, who gave his life for China.

Mrs. O. N. Jennings had charge of the program, Health and Healing For The Nations. Mrs. H. C. Holt told of medical missions in many parts of the world. Mrs. W. D. Moore told of the work of our hospitals and Mrs. Woodley told of the work of our missionary doctors, and explained the work of the World Health Organization.

Mrs. I. F. Willman and Mrs. H. W. Hanks sang "Send The Light."

Mrs. Sam Cearley told of the beginning of the WSCS at Earth and Mrs. Beulah Carles told of the early days at Muleshoe.

Candles on the birthday cake were lighted by the officers as each told of the things their societies are doing.

The cakes were then cut and cake and hot tea were served to the 35 members and guests present.

MULESHOE STUDY CLUB MEETS TONIGHT

Muleshoe Study Club meets tonight (Thursday) at 8 p. m. with Mrs. G. O. Jennings. The program is Keeping Up With The World Through and Mrs. Milton Forbes and Mrs. Clifton Griffiths have charge of the program.

Progress WMU Meets Sept. 25

Progress W. M. U. met September 25 at the church with nine members present. The president, Mrs. E. W. Locker, presided.

The opening song was "His Love Won My Heart." Prayer was led by Mrs. J. R. Walker. The lesson at this meeting was on Mary Hill Davis' State Missions and it was a good lesson.

The regular Bible quiz was given by Mrs. J. R. Walker. A box of clothing was prepared for the orphans home.

The meeting was closed with a season of prayer. The next meeting will be October 2, at 2 p. m. All members are urged to come and visitors are always welcome.

beneficial to all. This is the beginning of the 1950-51 program. "It's Up to Us" and first discussion is "Where do teen-agers get their standards?" and "What is more often followed than the models of parents?" Mrs. Juel Trieder has charge of the program for the night.

Our annual membership drive is on and since the State Convention last year, it is necessary that we get the membership dues sent in to the state board. All who would like to join may turn in their dues to any of the teachers, who are assisting in the drive.

There is to be a social hour following the meeting and program. This will be an opportunity to meet and visit with the teachers of your children.

Griffing-Elder Vows Exchanged

Miss Bessie Griffing, daughter of Mr. and Mrs. W. K. Griffing, and Mr. George Elder, son of Mr. and Mrs. Buck Elder, were united in marriage at the Longview Baptist Church by the Rev. J. E. Moore, on Friday, September 15, at 7 p. m.

Mrs. Willard Heathington was matron of honor and Mr. Willard Heathington was best man. The bride wore a navy blue gabardine suit with black and white accessories. Her corsage was three pink carnations.

For something old and borrowed she had her matron of honor's white Bible and gloves that she carried in her wedding three months ago, when Bessie was her maid of honor.

George is employed by Heathington Lumber Co.

The couple is making their home in Muleshoe.

Announcement Of Grandy - Covert Marriage Made

Mr. and Mrs. C. W. Grandy are announcing the marriage of their daughter, Miss Barbara Joyce to Mr. Dale Lowell Covert, son of Mr. Alice Lent Covert and Fred Covert, on Saturday, September 16, 1950.

The ceremony was performed in the home of Dr. and Mrs. T. J. Raber in Clovis, N. M., with only the immediate families present.

At present Mr. and Mrs. Covert are making their home in the country home of the Grandys; but in January both will enter the school of Journalism at Texas Tech and in addition Mr. Covert will major in voice.

TO ENTER NAVY SERVICE

Martel Leveque, son of Mr. and Mrs. W. B. Leveque, is to go to Albuquerque Tuesday for his physical examination, and if accepted he will enter Navy training at San Diego, Calif.

Progress WSCS In Church Meeting

The Progress Womans Society of Christian Service met at the Methodist Church Sept. 25. There were 14 members present including one new member, Mrs. McDorman.

The president, Mrs. Johnnie Westbrook presided at the business meeting. The minutes of the last meeting were read and approved. The society voted to buy the paper for three rooms of the new parsonage which is almost completed. Reports on the sale of Christmas cards were given. The president urged all who could to attend the Annual Conference the 4th, 5th and 6th, at Abilene. A letter from Miss Naomi Hare, our missionary to Lima, Peru, was read. Also a letter from Miss Flora Forman of LaCombo, Belgian Congo, was read. These gave us information about our work in these foreign countries. A review of Seminar at Amarillo was given by Mrs. Garrett and Mrs. Gray.

The worship service opened with a short scripture followed with an accordion solo during which the group prayed silently. Mrs. Garrett gave the meditation. Mrs. Adams very interestingly gave chapters 4 and 5 of the study "Rural Prospect". She also told two stories out of the supplementary study book "One Foot On Land."

Mrs. Arnold Gross reviewed the first half of the book "So Sure of Life". Out of these studies grows the feeling that the Methodists have a large work to do. The meeting was closed with a prayer by Mrs. Bwyn.

Sunshine Club In Meeting

Mrs. Cecil Harvey was hostess to the Sunshine Club, Thursday, September 14 with 15 members one new member, Mrs. W. P. Wilkins, and two visitors, Mrs. L. E. Ware and Mrs. Hattie Ware of Littlefield present.

It was decided to send flowers to Mrs. John Ladd and Mrs. J. C. Hart who have been ill.

The next meeting will be with Mrs. L. V. Kolar. The first meeting in October will be with Mrs. Geo. Chambless.

DES TO MEET

Muleshoe Order of Eastern Star will meet in regular session next Tuesday night, October 3 at 7:30 p. m. There is to be initiation also at this meeting. Members will please note the time change from 8 o'clock.

Mrs. Edwards Hosts Guild

Wesleyan Service Guild met Monday night, September 25, in the home of Mrs. Ray Edwards. The group continued their study with Mrs. James Case and Mrs. Fred Johnson each giving one chapter.

One visitor, Mrs. Ruth Burchett, and members Mesdames Curtis Spivey, Fred Johnson, James Case, A. S. Stovall, H. A. Phillips, and H. W. Hanks were present.

GO AND SEW CLUB MEETS WITH MRS. MAGBY

The Go And Sew Club met in the home of Mrs. Esther Magby Thursday, Sept. 21. Tea towels were embroidered for the hostess.

Refreshments were served to Mesdames Louetta Testerman, Lee Dudley, Bethana Watts, Cora Thomas, Lou Dudley, Barbara Klooper, and Lucille Thomas.

The next meeting will be in the home of Mrs. Bethana Watts, on Thursday, Sept. 28, at 2:30 p. m.

Shower Honors Mrs. H. Harris

A wedding shower honoring Mrs. Howard Harris, the former Miss Doris Sims, who was married July 15 in Hobbs, N. M., was given Monday evening September 25 from 5 to 8 o'clock in the home of Mrs. Claude Sanders with Mesdames J. T. Eubanks, Lila B. Nickels and O. D. Spittler as co-hostesses.

Guests were met at the door by Miss Gay Sanders and registered in the guest book.

Autumn flowers profusely decorated the receiving rooms, where the gifts were attractively displayed.

A lovely damask cloth covered the serving table which had a centerpiece arranged by Mrs. Sanders, it was of yellow and purple fall flowers centered in double wedding rings of silver with silver bows. Two tall yellow tapers encircled with silver wedding rings were at each side.

About 50 guests called during the evening, several being from out of town.

Talk By Bills On Rotary Program

If Communists came to power in America they would aim at tearing down three American houses—the church house, the school house, and the court house, Judge E. A. Bills told the Rotary Club of Muleshoe at its noon luncheon Tuesday.

Judge Bills, here in court that day, was supply speaker when the scheduled program failed to materialize.

He developed his talk on the theme "Life Tenancy," comparing our tenancy of our place in life with that of the tenant who inherits the right to farm a place so long as he shall live. "We are just life tenants of this system of Liberty and Freedom here in America, and it is our obligation to transmit the system to our children and grandchildren in as good condition

Progress HD Club To Hold An Achievement Day

Progress Home Demonstration Club met in the home of Mrs. G. T. Maltby Sept. 19. The opening exercise was a game. The inspiration was given by the president on the "County Fair."

Silent prayer was observed for peace, followed with a prayer by Mrs. Maltby. Roll call was answered with "Why I should like a feather comfort," with everyone answering.

The program was turned over to Mrs. A. W. Copley THDA chairman and Mrs. Gross who gave a very interesting report on the state meeting at Big Spring.

Refreshments were served to all present.

Tuesday Oct. 3 the club will meet all day at the home of Mrs. Davis Gulley, with demonstration at 10 o'clock.

CARD OF THANKS

We wish to thank our friends and Rev. A. W. Blaine for their kindness, help and beautiful floral offerings at the death of our father.

May God's richest blessings be with you.

WILHITE VISITORS

Mrs. Carrie Wilhite was very pleasantly surprised recently when an old neighbor she had not seen in 25 years came to visit. Mrs. L. F. Glazner, son Max and his family of Granite, Okla., were the visitors.

Max and family have recently moved to Roswell, N. M. The Wilhites and children were neighbors at Granite.

COLORADO VISITORS

Mrs. J. J. Haun and Melva and Mr. and Mrs. Donald Schumann and family of San Diego, Calif., spent last week visiting Mr. and Mrs. C. L. Haun of Dolores, Colo. On their way home they visited Mr. and Mrs. M. D. Haun at Kline, Colo., and Mr. and Mrs. O. S. Haun and family at Cimarron, N. M. They enjoyed the beautiful scenery of colorful Colorado in its autumn colors.

Mr. and Mrs. Schumann and family are leaving Thursday for their home in San Diego after enjoying their visit with relatives and old friends in Muleshoe.

as we found it, just as it is the farm life tenant's obligation to keep the farm and its soil in good condition for those who shall use it after him."

Judge Bills, a member of the Littlefield Club, frequently makes up his attendance here when he is presiding in district court here and misses his home club meeting.

Mr. Clary, a member of the Littlefield Club, also was a guest of the Club here Tuesday.

Kenneth Grissom, farmer and coordinator of the Bailey County GI agriculture instruction, was introduced as a new member.

Legion In Drive For Memberships

Three Way Beats Lazbuddie At Lazbuddie

By S. L. SELF
Three Way Coach

The Three Way six-man football team severely defeated the Lazbuddie team 40 to 26 last Friday, September 15. Three Way's more experienced team plus weight and numbers, were responsible for the less experienced team falling to the hard running backs and fast charging line.

Stafford, made several spectacular runs. A hand-off from Jimmie Wheeler to R. J. Van Lien for an 82-yard touchdown was called back because of an infraction of rules. Three Way tallied 19 points in the first 7 minutes of play.

The first touchdown was made on a pass from Van Lien to Royce Baker. Stafford ran one over, Van Lien scored the third touchdown. The other touchdowns were a combination of Archie Sowder, Van Lien and Stafford's passes and runs.

The hard charging line, Roger Baker, Adrian Baker and Homer Richardson, held Lazbuddie to a 33 to 6 in the first half. Aubrey Myers, did some outstanding work in the line of both the offensive and defensive.

Stafford was the outstanding ball carrier while Van Lien looked good on the passing end of the game.

JOHNSON GAINS 99 YARDS
Roald Johnson, 145 pound left half for the Mules, gained 99 yards rushing against the Portales Rams here last Friday night. In 15 tries in carrying the ball, he averaged more than 6½ yards for each try. His longest run was 12 yards and his shortest was three yards.

Sudan Downs Kress, 27-0

The alert Sudan Hornets took advantage of six costly Kress fumbles here Friday night and rolled to a 27-0 victory over the Kangaroos, defending champion in Region 1-B football.

Two of the recovered-bobbles led directly to Sudan touchdowns, while another cut short a possible Kress scoring thrust—11 yards from pay dirt and prevented the host club from tying the count 6-6 late in the third period.

Had Kress scored at that point, the outcome of the contest might have been different. But as it turned out, the Hornets picked up steam to turn the tide with three markers in the final period for the decisive margin of victory.

On the other side of the ledger, Coach Francis Smith fielded a well-drilled club, well-versed with reserves and sparked offensively by Harlan Pickett and Don Whitmore.

The only weakness detected in the Hornet attack was the lack of an aerial game. The Hornets attempted 10 passes and completed none.

Sudan garnered a 6-0 edge late in the first quarter on a drive of 45 yards, climaxed with Whitmore driving into pay dirt from the one. His try for the extra point over left tackle failed.

Kress threatened early in the second period when G. C. Freeman and Murl Cheetwood ripped off 31 yards in two tries to carry down to the Sudan 5, but the drive faltered when a pass from center got away from Freeman and sailed all the way back to his own 31, where Sudan took possession.

Mules Down Slaton 14-6; To Play Brownfield Tomorrow Night

Nickels And Heathington Score; Mules Have More Yardage, Downs

By Travis Barnett and Harry Linderer

The undefeated Mules rolled on to another victory last Friday night when they held the previously unbeaten Slaton Tigers to six points and ran up seven points in the first half and another seven points in the last half to bring the seasons total to 66 points against six for opposition. Friday night was the first time the Mules had been scored on this season.

Tomorrow night the Mules will tackle Brownfield on home territory for what should be another easy victory. Brownfield has lost two of their three games, winning their opener over Lovington, N. M., 26 to 0. The next Friday night after losing 13 to 0 to Muleshoe, the Tahoka Bulldogs cleaned them 18 to 0, and last week they lost 19-0 to Phillips.

Muleshoe hit pay dirt in the last half of the second quarter and again in the first part of the fourth quarter Friday night. Both tries for extra point were successful. Slaton scored in the last of the first period for her only tally of the game.

Ed Nickels scored the first touchdown after a drive that began deep in Muleshoe territory and ended across the double-stripe marker. Aubrey Heathington, blocking back, broke into the scoring light for the first time of the season when he drove over from the 12 yard line for the second touchdown. Heathington does very little ball carrying in the backfield but is always there to provide effective interference that helps enable his running mates to chalk up yardage.

The Tigers threatened to score again in the closing minutes of the game when they broke loose with an aerial barrage that carried from their own 20-yard line to the Mules 25-yard line when the game ended.

Although outweighed, the Tigers forward wall held until the third quarter when the hard-charging Mules battered through for 62 yards and again for 101 yards in the fourth quarter.

The Tigers made up in speed what they lacked in brawn and at the end of the half had rushed through the Mules defensive to pick up 145 yards while they held the Mules to only 38 yards.

Muleshoe took to the air when their ground offensive didn't click in the first half and gained 57 yards to only 5 yards on passes of the Tigers. Muleshoe lost 13 yards rushing during the first half, but set Slaton back 19 yards.

Final statistics of the game were:

Mules	Tigers
201 yds. gained rushing	76
14 yds. lost rushing	47
57 yds. gained passing	88
11 yards lost passing	0
6 for 60 penalties	6 for 70
4 for 115 punts	4 for 113
9 passes attempted	8
1 fumbles	3
2 fumbles recovered	2
15 first downs	9

Lazbuddie Football Schedule Given
Schedule for the Longhorns is: Sept. 22—Petit at Muleshoe; Sept. 29—Bula at Bula; Oct. 5—Bovina at Muleshoe; Oct. 13—Open; Oct. 19—Threeway at Muleshoe; Oct. 27—Petit at Petit; Nov. 2—Bula at Muleshoe; Nov. 9—Bovina at Bovina
All home games are scheduled to start at 8 p. m. Admission will be 25 cents for students and 65 cents for adults.

Littlefield Tramples Post 40-12

Littlefield's football-wise Wildcats—not as big as the state A class champions last year but just as rough and lots faster—downed the Post Antelopes, 40-12, Friday in a 4-A contest.

The Wildcats proved they have the stuff it takes to beat down a fierce aerial onslaught and dish out plenty of bad medicine in the same prescription. Post has probably the best passing attack in High Texas.

This lopsided score wouldn't lead you to think so, but for three quarters fans who packed Seeley Field tonight saw a give-and-take battle of wits and skill. Littlefield led at halftime, 13-6.

Coach J. S. Fikes' defending state champions garnered two touchdowns as a result of two rather fantastic breaks, both in fumbles and scrambles in the first two periods.

Bula To Play Lazbuddie Friday

Playing Lazbuddie, the Bula Bulldogs will open their new playing field Friday night, September 29. This will be a big occasion with the Bula school and Bula school district, and faculty, students, and parents are all participating in the making of the occasion one that will reflect immensely to the credit of the school and section.

The lights have been installed the field has been sodded, and other improvements made.

The game to be played September 29 will be the second conference game of the season for the Bula team and will be the first conference game this year on the home field. The game in which Bula beat Pettit, and the first conference game, was played at Pettit.

Bula is playing 3-B ball, and the coaches are C. W. Dukes and Jim Green.

This is the fourth year of football for the Bula school.

Mule Colts Down Farwell 19-0

The Muleshoe Junior High eleven broke loose last Thursday night to trample the Farwell juniors 19-0. Buddy Truelock, Mules halfback, was the key man in the offensive, scoring all three of the Mules touchdowns.

Truelock hit pay dirt in the first quarter, again in the second quarter, and added six more points in the last quarter. The Mule colts outplayed the Farwell team all the way.

Several yards were gained on passes throughout the game. One type of pass that seemed to click was a short pass over center and several longer aerials were completed. Muleshoe intercepted several of the Farwell passes.

Coach Willard Hedges announced that the Colts will play Brownfield Thursday at Brownfield and the following Thursday the Littlefield Juniors will play here. The game last Thursday night and those tonight and next Friday night are conference games.

All but three of the 41 boys in the junior high team saw action in last Thursday night's game.

IF YOUR'E INTERESTED IN SAVING TIME MONEY ENERGY (and what woman isn't)

LEAVE IT TO YOUR ALL-ELECTRIC KITCHEN!

Time, energy and budgets are three mighty important considerations for the modern homemaker! Is it any wonder that more and more women prefer kitchens all-electric. For electricity is a miracle worker... especially in the kitchen. All the right appliances in correct labor-saving arrangements add up to more time for yourself, and your family. Less work, easier work... with results more satisfying. Besides saving precious time and energy, low cost, dependable electric service does its work at a very modest wage. The services of your range, refrigerator, dishwasher... and the many other components of your all electric kitchen costs but a few cents a day!

Your electrical appliance dealer will be happy to discuss an all-electric kitchen to fit your budget. See him today!

PECAN PRALINES
 By Lucille Farrell

1 cup light brown sugar
 1 cup white sugar
 5 lb. chopped pecans
 METHOD: Combine sugar and
 butter, when mixture begins to
 boil rapidly add pecans. Boil, stirring
 constantly, until mixture
 forms large bubbles on the top
 and looks sugary. Remove from
 fire, drop by teaspoonfuls onto
 well buttered marble slab or plat-
 ter.

4 tablespoons cocoa
 1/4 teaspoon salt
 1 1/2 cup egg whites (10 to 12
 eggs)
 1 teaspoon cream of tartar
 1 1/4 cup granulated sugar (sifted)
 1 teaspoon vanilla
 METHOD: Sift flour once, mea-
 sure, add cocoa and sift 4 more
 times, beat egg whites and salt
 with flat wire beater. When foamy
 add cream of tartar and continue
 beating until eggs are stiff enough
 to stand in peaks but not dry.
 Fold in sugar, 2 tablespoons at a
 time until all is used then fold in
 vanilla. Sift small amount of flour
 over the mixture and fold in care-
 fully. Continue until all is used.
 Bake in angel food cake pan in
 slow oven for 1 hour. Begin with
 oven at 275 for first 30 minutes
 then increase heat to 325 for last
 30 minutes. Remove from oven and
 invert pan for 1 hour or until cool.

PINEAPPLE SQUARES
 By Mrs. T. G. Craft

1 tablespoon butter
 1 tablespoon sugar
 1 cup flour
 1/2 teaspoon salt
 3 teaspoons baking powder
 3 eggs well beaten
 1 cup drained crushed pineapple
 1 cup sugar
 1 tablespoon melted butter
 2 cups coconut
 METHOD: Cream butter and 1
 tablespoon sugar. Sift flour, salt
 and baking powder and add to
 first mixture. Mix as for pie crust.
 Add 1/2 of the beaten eggs, mix
 thoroughly and pour into greased
 8x8x2 in. pan. Spread with pine-
 apple. Mix 1 cup sugar, melted
 butter and coconut, add remain-
 ing eggs, mix well and spread
 evenly over pineapple. Bake in
 moderate oven about 30 minutes
 Cool and cut in squares. Makes
 1 1/2 dozen.

STENOGRAPHERS IN MANY DEPARTMENTS ARE NEEDED

Defense preparations have creat-
 ed an even greater need for certain
 types of State workers according
 to a statement issued by Chas. S.
 Gardiner, director of the Merit Sys-
 tem Council.

There is a particular need for ste-
 nographers in every part of the
 State, Gardiner declared. There is
 a lesser need which is limited pri-
 marily to smaller towns for Field
 Workers, Interviewers, and Clerk-
 Typists. There are a few vacancies
 for Child Welfare Workers, Senior
 Child Welfare Workers, and for
 County Child Welfare Supervisors.

Gardiner announced that exam-
 inations for these positions will be
 given Nov. 4, but warned that ap-
 plications must be sent in before
 the closing date Oct. 14.
