A Thought For The Day...

DeAlva Chambers

Do you ever think about how other people react to you upon meeting you for the first time? Do you project yourself favorably or vice-versa? We all know the importance of first impressions. They can be good; they can be bad. They can be the start of a friendship or they can nip a future friendship in the bud...

Have you ever thought how facial expressions contributes to first impressions. A smile can be so important. It can be warm with eyes sparkling or can be just a contraction of the facial muscles... A smile can be the difference between making a friend or an acquaintance or even an enemy...

We are all aware that friendship is a very precious thing. We need friends in time of trouble just as we need them in our times of joy and pleasure. However, we sometimes forget that just as we find the first overtures difficult, so do other people find them equally hard. The rules of social behavior help us over these awkward moments. But couldn't it be said that it is our attitude, our willingness to be friendly, our interest in the other person that is the deciding factor? This is where the smile comes in. Oh, yes, it can say so much more than words...

Cisco Funeral Home
Family Owned and Operated
203 W. 7th 442-1503

killer, claiming 40,803, which was an increase of 766 deaths over the 40,037 Texans who died in 1987. Cancer killed 25,880 residents, an increase of 553 deaths over the 1987 total of 25,327. Cerebrovascular disease claimed 8,166 lives, while the state's fourth leading cause of death was accidents, claiming 6,507.

Dr. Robert Bernstein, Texas Commissioner of Health, said these four killers were responsible for 66 percent at 1988's total of 122,731 deaths in the state. The increase in total deaths from the last reporting period was 2,997, or 2.5 percent. The death rate of 7.1 per 1,000 population was based on an estimated 17.3 million residents in Texas as of July 1, 1988.

Completing the top 10 list of death causes were chronic bronchitis, emphysema, asthma and allied conditions, 4,085; pneumonia and influenza, 3,993; suicide, 2,255; homicide, 2,088; diabetes, 2,056; and septicemia, 1,492.

Together, the 10 leading causes of death accounted for almost 80 percent of all deaths of Texas residents last year. The remaining 25,406 deaths were attributed to other causes.

"The risk of death, especially from heart disease and cancer, could be dramatically reduced through good health habits," Dr. Bernstein said. "People at any age can benefit from lifestyle changes. Young people should be aware that most heart disease in older people is the result of many years of bad habits."

Dr. Bernstein stressed that smoking is the single most preventable cause of heart disease and cancer.

THIS FALL IS THE START OF SOMETHING BIG ON HBO.

HBO has big news to report. Along with the movie "Big," we have more big movies than ever before and more 1988 award-winning movies than any other pay service. And that's not all. There's a new HBO original movie every month, hilarious comedy specials, championship boxing and wonderful family programming like "Babar" and "How to Raise a Drug-Free Child." It adds up to what is surely HBO's best season ever. And if that's not enough, add Cinemax and you'll get the most movies on pay TV. Box office hits, classics, foreign films and more. So get HBO and Cinemax and find out what all the excitement's about.

Cisco Junior College Outduels Ranger Junior College, 27-10 In Lion's Classic

By Tommy J. Wells
The Cisco Junior College Wranglers scored 17 unanswered points during the final quarter and a half of a play, Saturday night, en route to a 27-10 victory over the Ranger Junior College Rangers, in the 12th Annual Lions Club Benefit Bowl.

The Rangers, fresh off a 47-2 trouncing of the Tarleton State JV Texans, scored early, capitalizing on a Cisco miscue when Ramond Massey brought down Eric Torberson, the Wrangler punter, in the end zone for a safety.

Ranger quarterback Darrell Williams had the Ranger threatening again, moments later, by hooking up with fleet-footed receiver Chris Howard on a 54-yard pass-play to the Wranglers' 14 yard line. Cisco managed to dodge a bullet when, four plays later, Stephen Hernandez 28-yard field goal attempt failed.

RJC's vaunted "Purple Haze" defense, which sacked Wrangler quarterback Jeff Cheatham four times on the night picked up a drive-stopping interception from cornerback Donafa Fagan to close out the first frame with a slim 2-0 lead.

Ranger carried their defensive momentum into the second quarter, allowing the CJC offense past the midfield strip only once. RJC's Ronnie Moore aided the Rangers' efforts with a each, while Don Tyron and Derrick Miller combined for another before the half.

But like the slowly rising pale moon, that creeped above Buckaroo Stadium, so did

tragedy creep upon the previously unbeaten Ranger. Cisco picked up their only points of the first half, with just a minute to play on Joe Brookins' diving block of a J. Lee Potts' punt. Donnie Hammock picked up the blocked punt and scrambled 43 yards for a touchdown.

Roger McFarland's extra point kick sent the Wranglers into the locker room with the 7-2 edge at the half.

Tarleton State's only points, last Thursday night, came on a second quarter safety.

Ranger answered the buzzer for the second half in furor, thwarting the Wranglers' opening drive when Don Tyron intercepted a Cheatham pass and returned the ball 15 yards for the Rangers' only touchdown.

Williams, following a five-yard illegal procedure penalty that moved the ball back to the Cisco seven yard line, gave Ranger a 10-7 lead on a pass to Chris Howard, completing a two point conversion.

Placekicker Pete Daniel tied the score for the Wranglers, splitting the uprights on a 17-yard field goal attempt with 10:04 left in the stanza.

Eric Curl, who had just been activated this week after completing GED requirements, moved the Wranglers ahead to stay moments later on a 29 yard TD run. Daniel's kick-Ranger free safety Corey White thwarted another Wrangler scoring opportunity in the final seconds by falling on a Brandon Polk fumble at the RJC one yard line.

Houston Yates' product

Cory Telsee returned the favor for the Wranglers to close out the third.

The Wranglers, with an unblemished 3-0 record, stretched their lead to 20-10, early in the final quarter on a 32 yard field goal.

Ranger, a recipient of two Cisco fumbles, rolled up 349

total yards of offense on the night. Williams, who passed for 66 yards on 3 of 11 attempts, led all rushers with 64 yards on 5 carries.

Cisco, scheduled to finish their 1989 regular season in Ranger, picked up their final points on a 56-yard punt return for a touchdown by Curl.

4-H County News

4-H JUNIOR LEADER'S MEET:

The Eastland County 4-H Junior Leader's Association met recently for their regular monthly meeting. Members volunteered for projects to assist in promoting 4-H during National 4-H Week, helping with the Senior Citizen's Bazaar, and doing program for younger 4-H'ers.

Attending the meeting were: John Seaberry, Becca Carlton, Amy Logan, Cathy

Thomas, Jeremy Keith, Rusty Roberson, Barbie Butler, Joanna Wallace, Diane Butler, Jennifer Jarrell, P.J. Kea, and Tommy Thompson. 4-H parents helping with this group were Arlene Thompson, Janet Thomas, and Cindy Carleton.

The next meeting of the 4-H Jr. Leader Association is tentatively set for Sunday, October 15, at 2:00 p.m. in the Courthouse basement, states Janet Thomas, County

Safe Driving Tips from Rhonda

What do you suppose is the no. 1 killer of children these days? Automobile collisions! Although the seat belt law has been enacted for several years now, people continue to drive around with children climbing, hanging out windows, and standing in the front seat. Children can't be held accountable for not wearing seat belts, so their parents should be responsible enough to take the time and initiative to see that their children are safe in a vehicle.

Pharmacy Topics

By Bob Mueller

Government-sponsored study in England suggests that Alzheimer's disease is more prevalent in those areas where the public tap water is high in aluminum. More tests expected.

Some women miscarry because their bodies reject the fetal cells. In a new procedure, white blood cells from the husband are injected to stimulate production of protective proteins. University of Southern Maine and other sources report a success rate of 80 to 90 percent.

At a clinic at the University of Minnesota, doctors are utilizing growth factors to help wounds heal. Preliminary experiments have good results. Now researchers at Rockefeller University are doing similar work with animal platelets.

Iodine seems to be effective against fibrocystic breast disease, and a new study at Queens University in Ontario and the Medical College of Pennsylvania utilized diatomic iodine. Researchers report lumps and pain gone after a year's treatment.

What's new in the world of medicine? We watch the newest trends, the better to serve your health at Wal-Mart Pharmacy, Hwy. 80 East, Eastland, 629-3347.

Oakdale Park's Bluegrass Runion To Be Held

Oakdale Park will host its 15th Annual Bluegrass Reunion in Glen Rose, Texas on September 29, 30, and October 1, 1989. The three-day show begins Friday, the 29th, at 7:00 p.m., and the final strains of music will flow from the stage at 6:00 p.m. on Sunday.

Bluegrass music originated from deep within the hills of Kentucky and Tennessee and has been passed down for generations. Bands on the Oakdale stage perform true traditional Bluegrass music - all using acoustical instruments. Featured are the flat-top guitar, banjo, mandolin, fiddle, and upright bass.

Headlining the Fall Show are The Lewis Family, Georgia; Hook and Beans, W. Virginia; and The Del McCoury Band, Tennessee.

Other out-of-state bands include Wayne Lewis Band, Tennessee; Parker Mountain Bluegrass, Arkansas; Perfect Tying, Mississippi; and Goldwing Band, Oklahoma.

Texas Bands bringing their talents to the stage include Leon Valley Bluegrass, Copperas Cove; Double Mountain Boys, Lipan; Poverty Playboys, Kerrville; and Outcast Bluegrass, Pittsburg.

Jim Aitchley, Austin, and Joe Holstead, WBAP radio, will be emcees for the program.

On Saturday morning, non-professional musicians will vie for over \$1,000 in prize money. Individual competition will be held in Mandolin, Flat-top Guitar, and Banjo divisions. Also, a Band Contest will be held, with the winning band to be offered a

contract to play in Oakdale Park's 1990 Bluegrass Reunion.

Oakdale hosts three Bluegrass events each year, the very first festival being held almost two decades ago.

In addition to the scheduled stage performances, many spontaneous Bluegrass jam sessions are held throughout the weekend. Festival guests enjoy moving from group to group to listen to these informal gatherings.

Oakdale Park, open year-round, offers many amenities for its guests. Cabins and camping facilities are available as well as a snack bar, playground, and store for added convenience. For more information write P.O. Box 548, Glen Rose, Texas 76043, or call 817-897-2321.

Area Football Scores

Carbon lost 44-0 to Woodson.

There may be a change in the Associated Press football poll this week. In class AA with second rated Corrigan-Camden losing 40 to 6, fifth rated Eastland may advance to the number four spot after a 41 to 6 win over Anson.

In other District 8AA action, Ranger beat Santo 21-0 in their second win and Cisco evened their record with a 16-14 win over Gorman. A 19-6 De Leon loss to Early and a 23-0 Dublin loss to Comanche gave both teams their second loss. And Jim Ned played Hawley.

Class A sixth rated Baird lost 9-2 to Albany, Cross Plains lost 55-0 to Rotan, and

Breckenridge beat Hamlin 27-6, Clyde beat Stamford 18-13, and Iowa Park beat Wylie 48 to 7. And Rising Star played Santa Anna for Homecoming.

PUBLIC NOTICE BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 7, 1989

**PROPOSITION NO. 1
ON THE BALLOT**
House Joint Resolution 102 proposes a constitutional amendment that would increase the salary of members of the legislature to one-fourth of the Governor's salary and increase the salary of the Lieutenant Governor and the Speaker of the House of Representatives to one-half of the Governor's salary. The annual salary of members of the legislature, the Lieutenant Governor, and the Speaker of the House of Representatives is currently \$7,200. Under this provision, the annual salary of the Lieutenant Governor and the Speaker would be \$46,716, and the annual salary of members of the legislature would be \$23,358, based on the Governor's current annual salary of \$93,432. The increase for the Speaker and the members of the legislature would take effect when the legislature convenes for its regular session in January 1991. The increase for the Lieutenant Governor would take effect when the term of that office begins in 1991. The salary increase for the Lieutenant Governor would not make members of the legislature ineligible to run for the office of Lieutenant Governor.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to limit the salary of the lieutenant governor and the speaker of the house of representatives to not more than one-half of the governor's salary and to limit the salary of a member of the legislature to not more than one-fourth of the governor's salary."

**PROPOSITION NO. 2
ON THE BALLOT**
Senate Joint Resolution 5 proposes a constitutional amendment that would authorize the Texas Water Development Board to issue an additional \$500 million of Texas water development bonds. The additional bonds are to be used as follows: \$250 million of the bonds are to be used for water supply loans and facilities acquisition; \$200 million of the bonds are to be used for water quality enhancement projects; and \$50 million of the bonds are to be used for flood control. The legislature may provide that \$100 million be used for subsidized loans and grants to economically distressed areas of the state for water and wastewater facilities.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to authorize the issuance of an additional \$500 million of Texas water development bonds for water supply, water quality, and flood control purposes."

**PROPOSITION NO. 3
ON THE BALLOT**
House Joint Resolution 51 proposes a constitutional amendment that would authorize the legislature to provide for the issuance of general obligation bonds to provide money to establish a Texas agricultural fund, a rural microenterprise development fund, a Texas product development fund, and a Texas small business incubator fund in the state treasury. The Texas agricultural fund would be used to provide financial assistance to develop, increase, improve, or expand the production, processing, marketing, or export of crops or products grown or produced in Texas by Texas agricultural businesses. The rural microenterprise development fund would be used to stimulate the creation and expansion of small businesses in rural areas. The Texas product development fund would be used to aid in the development and production of new or improved products in this state. The Texas small business incubator fund would be used to stimulate the development of small businesses in the State.

The principal amount of bonds outstanding at one time could not exceed \$25 million for the Texas agricultural fund and \$5 million for the rural microenterprise develop-

ment fund. The financial assistance offered by both funds could include loan guarantees, insurance, co-insurance, loans, and indirect loans or purchases or acceptances of assignments of loans or other obligations. To carry out the Texas product development fund, the legislature could authorize loans, loan guarantees, and equity investments, and the issuance of up to \$25 million of general obligation bonds for initial funding. To carry out the Texas small business incubator fund, the legislature could authorize loans and grants of money, and the issuance of up to \$20 million of general obligation bonds for initial funding.

Bonds authorized under this amendment would be paid out of the first money coming into the treasury in each fiscal year that is not otherwise appropriated by the constitution, less any amount in any interest and sinking account at the end of the preceding fiscal year that is pledged to payment of the bonds or interest. The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the legislature to provide for the recovery and further development of the state's economy, with goals of increasing job opportunities and other benefits for Texas residents, through state financing of the development and production of Texas products and businesses."

**PROPOSITION NO. 4
ON THE BALLOT**
House Joint Resolution 13 proposes a constitutional amendment that would authorize the legislature, by general law, to exempt from ad valorem taxes property owned by nonprofit veterans organizations that are chartered or incorporated by the United States Congress. The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to authorize the legislature to exempt property of nonprofit veterans organizations from ad valorem taxation."

**PROPOSITION NO. 5
ON THE BALLOT**
Senate Joint Resolution 11 proposes a constitutional amendment that would provide an exemption from ad valorem taxation for goods, wares, merchandise, other tangible personal property (including aircraft), and ores (other than oil, gas, and petroleum products) if the property is acquired in or imported into the state and is destined to be forwarded out of the state, regardless of whether the intention to forward the property existed when the property was acquired or imported into the state, if it remains in Texas for 175 days or less for assembly, storage, manufacture, processing, or fabrication. The proposed amendment would authorize the governing body of a county, municipality, school district, or junior college district to prevent the exemption of this tangible personal property from taxation by taking official action before April 1, 1990. A county, municipality, school district, or junior college district could rescind a decision to tax the property, in which case the exemption would become effective in the year of the rescission and the property could not thereafter be taxed.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment promoting economic growth, job creation, and fair tax treatment for Texans who export goods to other states and nations by restoring and allowing, on a local option basis, an ad valorem tax exemption for certain personal property that is in Texas only temporarily for the purpose of assembling, storing, manufacturing, processing or fabricating."

**PROPOSITION NO. 6
ON THE BALLOT**
House Joint Resolution 4 proposes a constitutional amendment that

would enable the legislature to provide, by general or special law, that members of a hospital district board may serve terms not to exceed four years. Currently, hospital district board members' terms are two years. The proposed amendment will appear on the ballot as follows:
"Authorizing the members of a hospital district governing board to serve four-year terms."

**PROPOSITION NO. 7
ON THE BALLOT**
House Joint Resolution 40 proposes a constitutional amendment that would change the format of the oath of office for officeholders in this state. All elected and appointed officers would be required to take an oath or affirmation swearing to faithfully execute the duties of office and to preserve, protect, and defend the constitution and laws of the State and the United States. In addition, each elected and appointed officer would be required to sign a sworn statement that he or she had not paid, offered, or promised anything of value for a vote or to secure appointment to an office, as applicable. The written, sworn statement would be filed with the secretary of state. The information in the statement is currently contained in the oaths of office taken by elected and appointed officials.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to require that a member of the legislature, the secretary of state, and an elected or appointed officer, before assuming office, sign a written oath stating that the member, the secretary of state, or the officer did not engage in bribery to obtain the office."

**PROPOSITION NO. 8
ON THE BALLOT**
Senate Joint Resolution 24 proposes a constitutional amendment that would allow the legislature to authorize the issuance of up to \$400 million in general obligation bonds. The proceeds of the bonds could be used to acquire, construct, or equip new corrections institutions, mental health and mental retardation institutions, youth corrections institutions, and statewide law enforcement facilities, and to repair and renovate existing facilities of those institutions. The bonds would constitute a general obligation of the state. The bonds and interest on the bonds would be paid from the first money coming into the treasury that is not otherwise appropriated by the constitution, less any amount in a sinking fund at the end of the preceding fiscal year that is pledged to payment of the bonds or interest.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the issuance of general obligation bonds for projects relating to facilities of corrections institutions, youth corrections institutions, and mental health and mental retardation institutions and for the expansion of statewide law enforcement facilities."

**PROPOSITION NO. 9
ON THE BALLOT**
House Joint Resolution 101 proposes a constitutional amendment that would authorize the legislature to pass laws to organize and combine state agencies that perform criminal justice functions. The legislature could combine into one or more agencies all agencies that have authority over the confinement and supervision of convicted criminals, that set standards for or distribute state funds to political subdivisions with authority over the confinement and supervision of convicted criminals, and that gather information about criminal justice administration. Agencies that could be combined would include the Texas Department of Corrections, the Board of Pardons and Paroles, and the Texas Adult Probation Commission. The amendment would also authorize the legislature to pass laws authorizing the appointment of members of more than one department of government to serve on the governing body.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the legislature to organize and combine various state agencies that perform criminal justice functions."

PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 4 proposes a constitutional amendment that would authorize the legislature to enact laws requiring or permitting judges to advise juries that a defendant convicted of a criminal offense can receive credit for good conduct that results in a shorter prison term and that eligibility for parole or mandatory supervision can also affect the length of time a convicted criminal serves in prison.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the legislature to require or permit courts to inform juries about the effect of good conduct time and eligibility for parole or mandatory supervision on the period of incarceration served by a defendant convicted of a criminal offense."

PROPOSITION NO. 11 ON THE BALLOT

House Joint Resolution 102 proposes a constitutional amendment that would increase the per diem of members of the Legislature. The amount of per diem allowed during a calendar year would be equal to the maximum amount allowed for federal income tax purposes as of January 1 of that same year as a deduction for living expenses incurred by a state legislator. The per diem of \$30 would increase to \$81, which is the current maximum living expense deduction.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to set the amount of per diem received by a member of the legislature at the amount allowed for federal income tax purposes as a deduction for living expenses incurred by a state legislator in connection with official business."

PROPOSITION NO. 12 ON THE BALLOT

Senate Joint Resolution 53 proposes a constitutional amendment that would authorize the legislature to provide for the use of the permanent school fund and the income from the permanent school fund to guarantee bonds issued by the state for the purpose of providing loans or purchasing the bonds of school districts to acquire, construct, renovate, or improve instructional facilities. If the permanent school fund were required to make payment as a result of its guarantee of bonds issued by the state, the fund would have to be reimbursed immediately from the state treasury. The amount of bonds guaranteed by the permanent school fund could not exceed \$750 million unless a higher amount was authorized by a two-thirds vote of both houses of the legislature. If a school district were to become delinquent on a loan, the amount of the delinquency would be offset against other aid to which the district was entitled.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to provide for using the permanent school fund and its income to guarantee bonds issued by the state for the purpose of aiding school districts."

PROPOSITION NO. 13 ON THE BALLOT

House Joint Resolution 19 proposes a constitutional amendment that would provide a bill of rights for crime victims. This constitutional amendment would give crime victims the right to be treated with fairness and respect and to be reasonably protected from the defendant. On his request, the crime victim would have the right to notification of court proceedings, the right to be present at all public court proceedings unless a court determines that the victim's testimony would be affected by hearing other testimony, the right to confer with a representative of the prosecutor's office, the right to restitution, and the right to information about the conviction, sentence, imprisonment, and release of the defendant. The legislature would be authorized to enact laws to define the term "victim," to enforce the rights of crime victims, and to provide that certain public officers and agencies are not liable for a failure to protect a victim's rights.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment

providing a bill of rights for crime victims."

PROPOSITION NO. 14 ON THE BALLOT

Senate Joint Resolution 71 proposes a constitutional amendment that would require the district attorney in Fort Bend County to be elected and serve terms at the same times as criminal district attorneys in the state. Currently, criminal district attorneys are elected in gubernatorial election years and district attorneys are elected in presidential election years.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment requiring a district attorney serving in Fort Bend County to be elected and serve a term in the manner provided by general law for criminal district attorneys."

PROPOSITION NO. 15 ON THE BALLOT

House Joint Resolution 32 proposes a constitutional amendment that would authorize the legislature, by general law, to permit charitable raffles conducted by qualified nonprofit organizations. The amendment would require that the raffles be conducted, promoted, and administered only by members of the qualified nonprofit organizations and that the proceeds from the sale of raffle tickets must be spent for the charitable purposes of the organizations.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the legislature to permit and regulate raffles conducted by certain nonprofit organizations for charitable purposes."

PROPOSITION NO. 16 ON THE BALLOT

Senate Joint Resolution 34 proposes a constitutional amendment allowing the legislature to pass general laws authorizing the creation of hospital districts upon approval of a majority of the qualified voters of the district. The amendment would also permit the legislature to authorize the creation of hospital districts by general or special law in counties with populations of 75,000 or less and to authorize the commissioners courts of such counties to levy ad valorem taxes and issue general obligation bonds for the support and maintenance of such districts.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment granting to the people the right to decide whether to create and maintain hospital districts to protect the public well-being in a manner independent of the legislature."

PROPOSITION NO. 17 ON THE BALLOT

House Joint Resolution 33 proposes a constitutional amendment that would allow the legislature, by general law, to authorize the use of public money to provide public fire departments and other public fire-fighting organizations loans or other financial assistance to purchase fire-fighting equipment and to aid in complying with federal and state law. The legislature would also be allowed to authorize the use of public money for scholarships and grants to educate and train members of these organizations. Part of the money could be used for administrative costs of this program. The legislature would provide for the terms and conditions of all such scholarships, grants, loans, and other financial assistance.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the state to provide scholarships, grants, loans, and other financial assistance to local fire departments and other public fire-fighting organizations to purchase fire-fighting equipment, to aid in providing necessary equipment and facilities to comply with federal and state law, and to educate and train their members."

PROPOSITION NO. 18 ON THE BALLOT

Senate Joint Resolution 44 proposes a constitutional amendment that would repeal subsection (e) of Article III, Section 50-d of the constitution. Article III, Section 50-d currently allows the Texas Water Development Board to issue and sell Texas agricultural water conserva-

tion bonds in an amount not to exceed \$200 million, if two-thirds of the members of each house of the legislature approve. Under subsection (e), this authority will expire in November, 1989. Repeal of subsection (e) by passage of this amendment would continue in effect the authority to issue and sell the bonds.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to eliminate certain time limitations relating to the issuance of Texas agricultural water conservation bonds."

PROPOSITION NO. 19 ON THE BALLOT

Senate Joint Resolution 59 proposes a constitutional amendment that would allow local governments to invest their funds as authorized by the legislature. Currently, the constitutional prohibition against a grant of public money to an individual, association, or corporation or against becoming a stockholder in a corporation, association, or company prevents some kinds of investments. This proposed amendment would allow local governments to make any investments authorized by the legislature.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to authorize local governments to invest their funds as provided by law."

PROPOSITION NO. 20 ON THE BALLOT

Senate Joint Resolution 16 proposes a constitutional amendment which, if passed, would abolish the office of county surveyor in Cass, Ector, Garza, Smith, Bexar, Harris, and Webb Counties. A majority of the voters in an affected county must vote in favor of this proposed amendment before the office is abolished in that county. If the office of county surveyor is abolished in any of these counties, the powers, duties, and functions of the office are transferred to a county officer or employee designated by the commissioners court of the county in which the office is abolished.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to abolish the office of county surveyor in Cass, Ector, Garza, Smith, Bexar, Harris, and Webb Counties."

PROPOSITION NO. 21 ON THE BALLOT

Senate Joint Resolution 74 proposes a constitutional amendment that would authorize the legislature to enact laws authorizing the Texas Higher Education Coordinating Board or its successor to provide for, issue, and sell an additional \$75 million in general obligation bonds as college savings bonds. The form, terms, and denominations of the bonds would be prescribed by law. The interest rate and installments would be prescribed by the Texas Higher Education Coordinating Board or its successor. The maximum net effective interest rate would be set by law. Proceeds from the sale of the bonds would be credited to the Texas opportunity plan fund, which is used to make loans to students to attend institutions of higher education in Texas. The bonds and interest on the bonds would be payable from the first money coming into the treasury in each fiscal year that is not already appropriated by the constitution, less the amount remaining in the sinking fund at the close of the prior fiscal year.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment providing for the issuance of general obligation bonds as college savings bonds to provide educational loans to students and to encourage the public to save for a college education."

Estos son los informes explicatorios sobre las enmiendas propuestas a la constitucion que aparaceran en la bolota el dia 7 de noviembre de 1989. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llamar al 1/800/252/8683 o por escribir al Secretario de Estado, P.O. Box 12080, Austin, Texas 78711.

Trustee Walk-Away Causes Concern

(ED. NOTE: The walk-away of a convicted-felon trustee at the Eastland County Jail Sunday, without a quick report to the local Central Dispatch to accept locals, on the part of the County Sheriff's Department, has set off a furor of concern by area law enforcement officials and area news media. The following is a report of the incident written by Staff Writer Richard Kurklin after an extensive interview with Sheriff Dee Hogan.)

RICHARD KURKLIN
An Eastland County Jail trustee slipped away Sunday afternoon while routinely carrying out the trash from the jail.

When the trustee didn't return in a few minutes, the jailer alerted a search at the

jail and officers quickly found evidence that convinced them that the escapee had been given a ride and was already out of the county. As time is critical when officers are trying to apprehend a fleeing criminal, deputies spent their time contacting authorities in nearby counties and in places where the escapee might be headed. They also heard a D.P.S. unit on duty in Eastland County contact dispatch after hearing the alert broadcast from Mineral Wells.

Sheriff Hogan said that he believed he knew where the escapee was headed, and it is a city in a distant state. Officers there are expected to find him, but it can take time to find someone in a large city, he said.

Trustees are routinely used by jails and prisons around the state for such jobs as

cooking for and washing the clothes of inmates, yard work around the facilities, minor repair work, and other chores. These trustees sometime leave (or escape) but the cost of recapturing those who do is usually small when compared to the money saved due to their work. Trustees are convicted felons because they must be convicted before they can be required to work, and only felons are kept in jail for any amount of time after they are convicted. But inmates who are not believed to be dangerous and who have nothing to gain by running are usually selected, he said.

The trustee who escaped had been sentenced to 25 years in T.D.C. for burglary, he was returned from TDC to Eastland on appeal, and since another man had reportedly confessed to the crime for which he was convicted, there was a strong possibility that the conviction might be reversed, freeing him, the sheriff said.

Shortly after the escape, it was reported to and run by the area media. Sheriff Dee Hogan said that the escape was publicized and that he didn't call local officers and notify them individually because the escapee was not in the local area and posed no threat to local citizens and officers.

According to Sheriff Hogan, the escapee had been used the week before in the Courthouse, unguarded and in civilian clothes, as an interpreter for the court, and had made no effort to escape.

The Sheriff stated that his deputies used standard accepted investigative procedure and that he would not ask them to do anything different if it were to happen again.

The escapee's brother was convicted of seriously beating an Eastland County man during the burglary for which the escapee was convicted.

The escapee is Daniel M. Perales, a stocky and muscular man with brown eyes and dark hair.

Veterans Of Foreign Wars, Department Of Texas Mobile Unit To Be In Cisco

The Veterans of Foreign Wars, Department of Texas, Mobile Information Service Center will be in Cisco on Thursday, Sept. 21, from 9 a.m. to 5 p.m. at the White Elephant Restaurant.

Don Brewer, an accredited Claims Representative with the Veterans of Foreign Wars, as well as members of the local VFW and Ladies Auxiliary, will be available to provide information to any veteran, widow, or dependent concerning benefits which may be

available through the Veterans Administration or the State of Texas.

"Because We Care" - This service is being provided by the Veterans of Foreign Wars to all citizens of the State of Texas who need assistance.

Any veteran, widow, or dependent who has a question or needs any assistance is cordially invited to visit the Mobile Information Service Center at the time and place indicated above.

Shane and Judy Posey of Cisco are proud to announce the arrival of their son, Joshua Shane Posey. Josh was born August 24, 1989, at 11:52 a.m. at Hendrick Medical Center in Abilene. He weighed seven pounds and 15 ounces, and was 20 inches long.

Paternal grandparents are Mr. and Mrs. E.D. Posey of Cisco. Maternal grandparents are Mr. and Mrs. Grady Hornung of Abilene.

Maternal great-grandparents are Mr. and Mrs. Milton Hornung of Three Rivers, and Mr. and Mrs. Joe Lockwood of Lubbock.

JOSHUA SHANE POSEY

Letters To The Editor

Editor,
I feel responsible for the loss of the City Bldg. and funds for an Eastland Museum.

I was notified last Monday that the city had written a letter requesting the funds for the museum be returned to them and I was asked to come to a board meeting of the Fine Arts. I was on jury call and it was impossible to attend. I was asked if I had any objection? What else can a person

say. It was a gift and if they wanted to withdraw it, it is their choice.

The more I think about it, the more I can see.

The City gave the use of a building and the proceeds from a city sale for the purpose of a Museum. This was great! I was heading up the activities of this project. Then I was told to get permission for any remodeling work to the Bldg. from the City Commission.

Plans began to be made as to what could be done. Volunteers were willing to help. Then circumstances beyond

my control prevented me starting to work. I know it takes lots of volunteer help to get a project done and that volunteers need leadership and plans. Visibly nothing was done, so the city withdrew from the project.

I have experienced an eye opener:

First, the many hours I have donated to other projects were usually someone else's idea. Second as long as it was done their way everything was great. Now I and others saw the need for a Museum.

Some how all those others I helped with their project became invisible. My ideas and project fell flat!

I could say many things, but what good would it do? Only cause hard feelings which there is too much of already.

I will say I thank those who was willing and I apologize for the failure to push, shove, and all the things necessary to get a project done.

I still believe we need a museum. I will still work to get one. If we can find enough people who will, we can.

Carbon News

By Dorothy Jackson

Well how many had to close windows and drag out a quilt for the bed?

Wasn't the rain just what the Dr. ordered? All total, these days, I received 6 inches of rain. You can see the lawns and crops greening up, so that means the lawn mowers can not be put up yet.

A great crowd of children and youth were in attendance Wednesday night for the first program of the new year. The programs will be each Wednesday night at 6:30 p.m. Saturday night Ike and Joy Whitson; Wanda Bryant and Randa Haygood escorted some young people to H.S.U. to see Bruce Carroll's Religious concert, all enjoyed a good time.

The 3rd annual Pioneer day at Carbon Baptist Church was a great day and enjoyed by a lot of people. Bro. Sherl Taylor of Comanche was the visiting preacher. A lot of food was eaten and a lot was left. After the delicious lunch we all moved outside under tents and the shade trees for an afternoon of singing. A group of singers from Rock bluff sang several songs and some members of the group did solos. Several of our local members did special music. All the singing was very good and we all enjoyed it very much.

Most of the children and some adults took part in several games. Sack races, plain old foot races and egg tossing was part of the afternoon fun.

I believe a lot of people needed the water hose after the egg contest. I will say a lot of eggs were broken. To close the day of fun and fellowship, watermelons were brought out and cut, needless to say a lot of watermelons were eaten and enjoyed by all. The watermelons were furnished by Hep Jackson.

The Carbon Wolverines were outplayed by Woodson Friday night. They will play at Trent Friday night, Sept. 22 at 8:00 p.m. The first home game will be with Novice Sept. 29.

The Carbon Band students have received their instruments and are making a joyful noise according to the Band Director, Stephen Lang, but the parents, maybe have a different idea. This is something new for Carbon, the students have not had the opportunity in several years.

Mrs. R. Lee McDaniel carried her mother, Mrs. Edna Morgan, a birthday cake and helped her celebrate her 93rd birthday. Mrs. Morgan is a resident of the Gorman Nursing Home.

Desdemona News

By Vonnie Guthery

Loree Hughes Nugent of Beaumont was buried Saturday in Desdemona. She attended school in Desdemona with her brother, Jimmy Hughes of Carbon and sisters, Florence Hughes Torrance of Comanche and Imogene Hughes Rogers of Many, Louisiana. We send our sincere sympathy out to this family.

Clydell Lewis is reported doing better after spending several days in the De Leon Hospital.

Desdemona Community Center Monthly Musical is Saturday, September 23, begins at 7:00 p.m. Sandwiches, pie and drinks, in the concession stand. Everyone invited.

Officers Elected For Resource Association - Plans Made

The Eastland County Resource Association began the fall season Sept. 12 with the election of officers. There were also numerous reports and plans made for the future.

Elected were Corrie Cowley, President, Helen Osburn, Vice President, Becky Boswell, Treasurer, and Viola Payne, Secretary.

Plans were made to renew memberships, update the Resources data, and work on projects to help on critical needs of people in the County.

During the reports Corrie Cowley, who directs the Literacy project, said the ESIO classes met in the Library on Monday night (Sept. 11) with seven students attending. There are classes where people learn to speak English, as well as to read and write.

The Literacy group is anticipating a busy year, she stated. A Literacy Council is being organized here to coordinate Community Adult Education Programs. Classes

are expected to include the subjects of parenting, stress, drug abuse, money management, cooking and nutrition.

Lois Robinson, member of the Food Pantry Board, brought reports from the Pantry. She also brought information from the Headstart program in Cisco.

She said that the Pantry is in need of food, and contributions would be appreciated. This Food Pantry is located at the Multipurpose Center, 304 N. Lamar, and is maintained

by 15 people, mostly volunteers. It is open Monday, Wednesday and Friday from 1 p.m. - 5 p.m.

On her other report, Mrs. Robinson said that 20 children are enrolled in the Headstart Program. The class is located at 901 W. 7th St., Cisco.

"Headstart is a wonderful opportunity for the children," Mrs. Robinson said. "At first the children are shy and uncomfortable - some speak no English. But soon they learn colors, numbers, and how to get along in school."

Peggy Roberts, Director of the Multipurpose Center, had a lot of news about activities at the Center. For one thing, she obtained a special Grant for \$16,754 this summer. This was used for rent or housing for those termed "homeless".

The Multipurpose Center had also helped a number of people in the county with utilities. More than 100 families were assisted with payments on electricity, gas and water.

Mrs. Roberts said that the Commodities Program is not distributing as much food now as it once did. Cheese, for one thing, is no longer available. Peanut butter and pork are some of the main surplus

items available now.

A transportation program continues to be in use for Medicaid recipients, Mrs. Roberts said. Hopefully an expanded program will begin within a few months.

Under this plan anyone who needs transportation will be eligible, but there will be a small fee for those who can pay. A van will be used for all of Eastland County, and those needing a ride may make an appointment.

Among those attending the County Resource meeting were Cheryl Bryant and Deputy David Franklin from the Sheriff's Department. They spoke briefly to the group, saying they were mainly here to learn of the various community Resources available.

They were asked if Eastland County had any shelters for victims of family violence. They replied that none were available locally - victims must be sent to Abilene or Brownwood.

In a continuing discussion on problems in families, Mooneyan Stacy said she thought education on the dangers of drug abuse and treatment for drug addiction should have top priority. Mrs.

Stacy is a Food Stamp and AFDC Medical Worker.

The meeting concluded with reports from other areas of community service. Margaret Corbell has made the raising of food and the beautification of the community a special project of hers, so spoke on that topic.

She said she expected to receive another supply of free seed next February from the "Keep America Beautiful" organization in Washington, D.C. She pays the postage on the seed. These vegetable and flower seed packets will be kept at the Library for distribution.

The only stipulation is that

those who take the seed use the flowers to beautiful local surroundings, and that extra vegetables from the garden seed be given to people who can use them.

Mrs. Corbell said the program has been rewarding, and that the public is encouraged to take part again during 1990.

As the meeting ended President Corrie Cowley announced that the next County Resource Association meeting would be on Tuesday, Oct. 10, 12 noon, back at Eastland Centennial Memorial Library. The public is invited.

The Next Best Thing -

...to a clear conscience and a good night's sleep is the feeling of security in owning your own home with a clear title. Peculiar to the real estate field, values are based on land and the improvements thereon, if any. But values on these are based on the title. The title then comes the most important item to be considered when purchase of real property is contemplated. So be careful to buy good title based on an abstract of title or a policy of title insurance.

World's Tallest Wooden Roller Coaster Is Topped Out At Six Flags Over Texas

The tallest wooden roller coaster structure in the world was officially "topped out" recently at the Six Flags Over Texas theme park in Arlington. Towering more than 14 stories into the sky, the \$5 million dollar ride, to be called the Texas Giant, is the biggest addition in the park's 28 year history.

The huge structure, located on the west edge of the sprawling theme park, will contain some 900,000 board feet of specially treated lumber when completed. That is enough wood to frame out more than 30 three-bedroom homes. Park president Bob Bennett said the massive ride is scheduled for completion

before the first of the year. "The Texas Giant will be fully tested and ready for our guests when the park begins its 1990 season on March 10," he said.

"The exact height of the ride's lift hill is 143 feet from the ground to the peak of the track. The total length of the first drop will be 280 feet, sloping at a 53 degree angle."

Bennett said the top speed will be approximately 62 miles an hour at the base of the first hill.

Three trains carrying 28 passengers each will cover nearly a mile of track in just over two minutes.

The Texas Giant is the 21st wooden roller coaster to be designed by Curtis D. Summers of Cincinnati, Ohio, who says the Six Flags Over Texas ride will be among the fastest in the world. "It will average 39 miles an hour," he said. "It's movin'!"

Among the ride's unusual features, according to Summers,

THE TEXAS GIANT

is a stretch where three tracks run side-by-side with trains passing in opposite directions. "In addition," Summers said, "it will have extreme curves. It will be a very comfortable ride, but you're sure going to know you're rounding

steeply-banked curves."

Though traditional in appearance, the huge coaster will be equipped with a computerized safety system which will assure that no two trains can enter a given section of track at the same time.

Another unusual feature will be the lack of paint on the ride's wooden structure. Summers describes the natural look as "the coming thing in wooden coasters."

The Texas Giant has a foundation consisting of 1,220 concrete piers. Ten tons of nails and more than 81,000 bolts are being used in the construction.

The tracks will cross through the wooden framework in five places and the ride will roar across Arlington's Johnson Creek six times. Two bridges will carry it over the waterway.

2:30 p.m.

If you are in need of good clothing, come by the clothing closet.

POEM

MY FRIEND

On a bright clear Sunday morning
As we walk down this dusty country road
We can hear the birds singing sweetly
As they put on for us a show.

We know His love is with us
In every living thing
The wild flowers blooming brightly
Blessed by the early morning rain.

We feel His presence near us
As we kneel in silent prayer
Asking for His love and guidance
And he will meet with us there.

Do you know my Jesus
The one that loves us so
He gave His all for us
Will you answer when He calls.

Bob Harbin

WORD of GOD

Ye shall not make any cuttings in your flesh for the dead, nor print any marks upon you: I am the Lord.

Leviticus 19:28

Alzheimer's Assoc. Offers Support, Information

Families of patients with Alzheimer's disease or a related disorder, friends, caregivers and interested professionals will meet on Oct. 2 at 7 p.m. at the West Texas Rehabilitation Center board room in Abilene, to hear Dr. Myron F. Weiner, M.D. professor and vice chairman at the University of Texas Southwestern Medical Center at Dallas speak on the subject "Using Clinical Core

of the Federally funded Alzheimer's Disease Research Center at that Institution where he founded the Southwestern Clinic for Alzheimer's in 1986.

Aggeriatric psychiatrist, Dr. Weiner's main interest is in the diagnosis and management of dementing illnesses. Alzheimer's disease is a progressive, irreversible brain disease for which there is as yet no known cause or treatment. The problems families face in dealing with the long-term care of the patient and the emotional, financial and social stress are immense and all too often devastating.

Family support groups are being organized throughout the nation offer a caring situation where family members share their problems and seek solutions together. Such a support group is possible in your area. More information is available by calling 915-672-2907.

Regularly scheduled meetings are planned to offer up-to-date information as well as a forum of mutual help. Meetings are free and open to families and friends of victims of Alzheimer's disease

Fishing Outdoors

By Terry Wilson

Runnels County Open Tournament Sept. 24, 1989

The Second Annual Runnels County Bass Club Open tournament will be expanded to three lakes this year instead of two. Contestants may fish the old or new Ballinger lake or the new Winters Lake. Last year's event saw some excellent 3 fish strings, many over ten pounds. The big bass last year went over eight pounds and came from the new Ballinger Lake.

This year's payback will feature a first place guarantee of \$1,000.00 with 2nd thru 5th place based on 100 entries 2nd \$500.00, 3rd \$250.00, 4th \$125.00, and 5th \$62.50. The entry fee for 1989 will be \$30.00 with an optional \$5.00 big bass pot. Contestants must pay this and check in at headquarters located at the new lake, prior to fishing.

For further information you may phone 915-365-2634 or myself at 629-3255. Lake Ballinger (old and new) are located west of Ballinger. Take highway 158 northwest approximately 7 miles turn left on F.M. 3026 then left on 2111 to the second right hand turn.

The first Eastland County Bass Club Mini Classic has been set for October 7 and 8, 1989. This event will feature the top sixteen anglers from 1988 and 1989. An unofficial count shows that there will be a total of 20 people compet-

ing this year. There will be no entry fee for this event, but there will be a cash payback. Nine places will be paid, with first place being worth \$350.00.

This event will feature a draw for partner format with the top 10 finishers in 1988 beating boaters and the bottom 10 non-boaters. Contestants will fish Lake Proctor Saturday, Oct. 7 and will then return to Lake Leon for the final day Sunday, Oct. 8. Any member who has placed in the top 16 by total poundage for 1988 or 1989 must attend the October 5th E.C.B.C. club meeting. Failure to attend this meeting will result in disqualification for the classic. The drawing for partners for Saturday will be done at the meeting, as well as the reading of official rules.

The following is a partial list of members who must attend this meeting if they plan to attend. If you see or speak with one of the following please tell them they must attend the October meeting. Rick Glenn, Chuck Burgess, Tommy Maynard, Butch Willingham, Bud Wood, Howard Wilson, Jim Williamson, Steve Pennington, Casey Schupp, Don Flowers, Rick Browder, Bob Freeman, Jerry King, Bobby Maynard, Jimmy Johnson, Tim Freeman, James Fullen, Jay Clark, Clinton Lovelace, and James Schuman.

If any other member believes he or she qualified for

the top 16, you should make plans to attend the meeting. An exact list is being made and I will list the names upon receipt.

Thirty four members of the Brownwood Bass Club met at Brady Lake Sunday for some typical early fall fishing. The bass were feeding heavily in one to two feet of water. Jigs, worms and spinner baits were the top producing lures.

First place honors went to Jack York with 3 fish 12 pounds 11 ounces. Jack also won 1st and second place big bass honors with a 5 pound 11 ounce and a 5 pound 4 ounce lunkers. There were four stringers of three fish each which weighed in over 10 pounds. Five fish crossed the scales over 5 pounds and another three were over 4 pounds.

As you can see Brady lake is quite hot folks. Most of the anglers reported to have culled fish and boated good numbers of none keepers. So if you are looking for a lot of fun and fishing action, put Brady Lake on your list of things to do while "Fishing Outdoors".

Terry L. Wilson

Look Who's New

Nathan James Jacoby, son of Bobby & Tammy Jacoby of Alvarado, Texas, was born on May 26, 1989. Nathan weighed 6-lbs. & 7 ozs., and was 19 3/4 inches long. Nathan has an older brother Jay, who is 2 years old. Grandparents are: Norma

Obituaries

Annie Dee Hageman

CISCO-- Annie Dee Hageman, 88, died Sunday, Sept. 17, 1989, at Canterbury Villa Nursing Home. Funeral services were at 10:30 a.m. Tuesday, Sept. 19, 1989, at Cisco Funeral Home Chapel with Rev. Joe Philpott officiating. Burial was in Pleasant Hill Cemetery.

Born Oct. 4, 1900, in Mills County, she married Robert E. Hageman on Sept. 3, 1921, in Pleasant Hill.

She was a member of Pleasant Hill Baptist Church and was a homemaker.

She was preceded in death by her husband in 1981 and by a son. Survivors include four daughters, Nadine Stephan and Lois Rumley of Cisco; and Dorothy White and Bobbie Ray of Abilene; three nieces; a nephew; nine grandchildren; 16 great-grandchildren; and one great-great-grandchild.

Memorials may be made to Pleasant Hill Cemetery Association.

Grandsons were pallbearers.

Invitation To Bid
The Carbon Independent School District will receive bids from contractors for the

Corinth Baptist Community Outreach

Saturday, September 16, 1989 Roy and Venita Smith, Yellow Mound Road, were host for Yokefellow Group V and the newly organized Forty/Sixty Sunday School Class of Corinth Baptist. Two years ago, Benny Hagan, Pastor of Corinth, perceived the need for outreach ministry for emotional and spiritual growth through interactive Christian support groups. Benny devised the axiom "WE ARE IN THE LIFE CHANGING BUSINESS" and began implementing his life time goal. Benny's expertise leadership, understanding, counseling and caring mushroomed into five Yokefellow groups, (1 for men-4 for women) two Marriage Enrichment groups and

two Stress groups. The Yokefellow - which are interdenominational - have grown beyond Eastland County and now include members from Breckenridge.

The Saturday evening Fellowship included dinner; Trivia games; a one man stand-up act by Benny Hagan depicting unusual events from his thirty-five years of ministry; an indepth reenactment of "CAT IN THE MATTRESS" by Dr. Jack Redford, Director of Missions in the Cisco Baptist Association. Prizes were awarded to first place Trivia winners, Marsha Beesley and Danny Shaefer.

The fellowship honored the members of Yokefellow V and Yokefellow Leaders, Marsha Beesley, Charlotte Craig, Joan Ferguson, Wayne Pryor and Benny Hagan. It also "kicked-off" the campaign by the Corinth Forty/Sixty Sunday School Class to double its membership over the next year. These fellowships are designed and orchestrated for relaxation, support, planning and caring for others needs, i.e. aged, infirmed, indigent, physical and spiritual loneliness - because Corinth Baptist is in the "LIFE CHANGING BUSINESS".

CISCO

The Homecoming Parade this year will be on Friday, Sept. 29 at 3 p.m. Lineup time is 2:15 p.m., with judging scheduled to begin shortly afterward. Three new divisions have been added to the Homecoming Parade line-up. Instead of one division for antique cars, classic and street rods there will be three separate divisions with a trophy for each. Also, the "Classes of CHS" will now include only Grades 7-12, with another division created for Kindergarten through 6th grade. If you plan to participate in this year's Parade, please contact CHS Student Council, P.O. Box 1635, Cisco, or call 442-3051.

As the 1990 tax season approaches the American Association of Retired Persons (AARP) is accepting applications of persons interested in assisting the elderly with their income tax. Volunteers of all ages can perform this important service, and AARP membership is not required. Training will be provided. Volunteers usually work four hours per week, providing free income tax help to older adults in designated sites. Last year in Texas alone over 80,000 people were assisted, including many shut-ins. For more information, or to apply as a Volunteer, write Walter A. Knowlden, 1212 West 9th St., Cisco, Texas 76437.

The TEAMS (Texas Assessment of Minimum Skills) Exit Level Test will be given at Cisco High School on Oct. 25 and 26. Anyone living in the area but not currently enrolled in school who needs to take this test may register

at the High School. For more information contact the counselor at Cisco High School. The deadline for Registration is Oct. 4.

The Eastland County health Fair will be held Thursday, Sept. 28 at the Cisco Senior Citizens Center. Over 20 Health Care Providers will be on hand to do health screenings, give health education and information. All health screenings are free except the cholesterol screening, which will cost \$5. The Health Fair is also for children, and there will be special screenings for them. Several groups will also be present to discuss chemical dependency, mental stress, etc. Woods Psychiatric Institute of Abilene, Hico Lodge Community Service Center and Summer Sky of Stephenville will be among those having booths. The public is encouraged to come out the Fair.

RANGER

This is Homecoming Week at Ranger High School, and special activities are being held each day. Monday was "1950's Day", Tuesday "Smile With Spirit Day", Wednesday is "Western Day", Thursday is "Spirit Day", and Friday "Dress Up Day" - a time to look outstanding for the Bulldogs. On Thursday there will be a Snake Dance, beginning at the Old Gym at 7:40 p.m. Shortly afterward a bonfire will be lit and a Pep Rally will begin. On Friday the Homecoming Pep Rally will be held at 10 a.m. in the RHS Gym. Game time for the RHS Bulldogs vs Perrin is 8 p.m. The Spirit of Ranger Band will perform a pre-game show starting at 7:20 p.m. The

Homecoming Queen will be crowned during the half-time ceremonies.

The First United Pentecostal Church on Caddo Rd. has scheduled Friday, Sept. 22 through Sunday, Sept. 24 as a time of celebration and fellowship. The Rev. Ken Colegrove will be officially installed as the Ranger Pastor. Pastor Colegrove and his family comes to Ranger from Dallas, Texas where he was founder and President of New Life Ministries. The first service connected with his installation here will be Friday, 7:30 p.m. with the Rev. B.E. Stanley of Dallas a Guest Speaker. Saturday, beginning at 7:30 p.m., will be a time of special music and Gospel singing, featuring the "New Kingdom Heirs" of Rusk, Texas. At 2 p.m. Sunday there will be a special "Homecoming Service", with the Rev. Vernon Neely, a former Ranger Pastor and Presently Texas District Secretary of the United Pentecostal Church Intl. An old-fashioned "dinner on the grounds" will follow.

BAIRD

The Baird Volunteer Fire Department is raising funds to make repairs that are necessary to keep the fire trucks running. The Department has eight trucks, and with the exception of the new City truck, all are over 21 years old. Current two of these trucks are down. They must replace the engine and transfer the case on one, and replace the transmission on another. A third truck must be replaced soon, due to its age and poor condition. Remember the big fire in March, 1988 - how important this Fire Department was to the area? Anyone wishing to

send donations may write to Baird V.F.D., P.O. Box 1013, Baird, Tex. 79504.

EASTLAND

Saturday a majority of voters in the Precinct approved the formation of the Eastland Memorial Hospital District. The vote was 880 for and 414 against. The Hospital will be governed by a temporary Board until an election next May. An estimated tax of 30¢ per \$100 valuation is expected to generate \$400,000 per year for the Hospital, beginning in October, 1990. Eastland Memorial was begun in 1952 with work and contributions from local citizens. This vote is expected to make it possible for the facility to continue in operation.

The Super-Duper sign is down - the store now belongs to Lawrence Bros. Supermarkets. Lawrence Bros. is a Texas-owned grocery chain with its general offices in Sweetwater. The family-owned business operates 12 stores located in Central and West Texas, and its closest grocery stores in Ranger and De Leon. Clay Bush is the new District Manager over stores in Ranger, De Leon, Clyde, Stamford, and Eastland. he will have his office at the Eastland store. "We have kept the local store open and 30 people employed," says Bush. "We will offer more variety, with customer-oriented service."
