You never know who you might serve in a restaurant, according to Adele Seabourn, local waitress at The Ranch House. Recently, she waited on a gentleman and wrote him a ticket. As he left the Ranch House, he told her to read what he had written on the back of the ticket. It said, "Best Wishes to a Friend, Scott Carpenter, NASA." Adele said she did not recognize the man, but kept the ticket anyway. A few days later, she saw Scott Carpenter on TV and recognized him as the man she had waited on and who had signed the ticket. She said she's going to frame his autograph.

The Community Christmas Celebration at the Hilton will be at 7:30 p.m. Saturday, Dec. 9. They will again have a collection of nativity scenes and this year will also have a collection of angels. This event is always a highlight of the holiday season.

Be on the lookout for ghosts and goblins Saturday night. The annual Fall Carnival will be held at the high school gym, and Mayor Joe Wheatley has proclaimed Saturday as "Trick or Treat" night in Cisco. The youngsters are also invited to drop by Canterbury Villa Nursing Home for treats.

Cisco Junior High Little Loboes and Junior Varsity will play Eastland here Thursday night. Seventh grade game will begin at 5 p.m. The Loboes travel to

First Christian Church Annual Bazaar Scheduled Nov. 3-4

The annual bazaar at the First Christian Church will be Friday and Saturday, Nov. 3-4. This event is sponsored by the Christian Women's Fellowship Group. There will be many useful items for sale that will make wonderful gifts or for per-

sonal use. Some items include one antique quilt, baby gifts, hand painted pictures, decorative pillows and hand made linens. Breakfast and lunch will be served both days. All proceeds will go to benefit the church organizations.

Eastland for action Friday night. This will be homecoming for the Mavericks. Cisco fans are urged to back the Loboes this week, and every week.

Union Pacific Railroad is stepping up security and warning the public about stealing telephone and power wires along its tracks. "We want the public to know those wires along the track can carry high voltage electricity and if they would touch the wrong wire, they could be electrocuted," said Roger Young, assistant vice president of security and special service.

"Our security agents will be working in various communities along Union Pacific tracks in an effort to catch those responsible for the wire thefts," Young said.

Some of the wires are charged with 550 volts and if a person would come in contact with the wires, the electrical shock could be fatal. Two people have died this year as a result of attempting to take wire from the poles along the railroad right-of-way.

Those responsible for stealing the wire are committing federal and state offenses by obstructing railroad operations.

Thousands of feet of telephone or power cable have been stolen from along the railroad right-of-way this year.

The wires provide power for railroad signals and switches as well as communications and computer data transmissions.

1990 Lobo Yearbook To Go On Sale October 26-27

The 1990 Lobo Yearbook will go on sale Thursday and Friday, Oct. 26-27. The Lobo Staff will take orders for yearbooks at Cisco High School and Cisco Junior High on Oct. 26. On Oct. 27, the staff will be at Cisco Elementary School between 12:30 and 1:30 p.m. to take orders for the book.

The 1990 Yearbook will begin a new, exciting trend. Instead of publishing a yearbook that covers only six months of the school year as the yearbook has previously, the 1990 Yearbook will cover events and activities from the beginning of the school year through the Elementary and High School graduation exercises at the close of school. The book will actually be a true yearbook, not a partial yearbook as in the past. In past years, the cut-off deadline for copy and pictures in the Lobo Yearbook has been March 1st. Due to this procedure, such events as UIL, all banquets, honors, spring sports, and graduation have not been represented in the book. The deadline for copy on the 1990

book will be June 2, 1990.

The 1990 Yearbook will arrive for distribution shortly after the middle of July. The date of distribution will be scheduled and publicized. Those classes wishing to plan annual-signing parties will have the opportunity to do so.

The cost for the 208-page book will be \$24. If you wish to have your name printed on the book, the cost will be an extra \$2.

On Oct. 26 and 27 you may pay the total amount for your yearbook, or you may order a yearbook by making a downpayment of \$12. If you make a downpayment of \$12 on these dates, the balance owed will be payable on or before Feb. 28, 1990.

Don't miss purchasing your 1990 Lobo Yearbook. The book will definitely depict that the students of the Cisco Independent School District are "Loboes with Class."

Blood Drive Set For Oct. 30 At CJC

Citizens of Cisco are being called upon to give a little of their time and a pint of blood to help insure that in an emergency the life-giving fluid will be available for those who are ill or injured.

The blood drive will be from 9 a.m. to 1 p.m. Monday, Oct. 30, at the Cisco Junior College SUB, according to Janelle Schrader, project chairman of the of E.L. Graham Memorial Hospital's auxiliary.

Technicians from the Meek Blood Bank of Hendrick Medical Center will draw blood. The whole procedure should not take more than 45 minutes, including the time it takes to fill out paperwork, according to Robert L. Beck, the hospital's laboratory technician.

Auxiliary members will provide fruit juice and other refreshments, Mrs. Schrader said.

Those who desire to give blood must meet the following criteria, said Mr. Beck.

1. Donors must be 18 years or older. Those age 66 to 70 years must have written permission from their doctor on a yearly basis. Those 70 and older must have written permission each time to give.
2. Donors may eat before giving blood and in fact, or encouraged to do so.
3. Donors must not have taken antibiotics for two

days previous to giving blood.

4. Donors must show no signs of colds, flu or other similar illnesses.

5. Those taking blood pressure medicine may donate blood.

6. Those who have had ears pierced, acupuncture or tattoos done by questionable techniques in questionable surroundings within the last six months should not give blood.

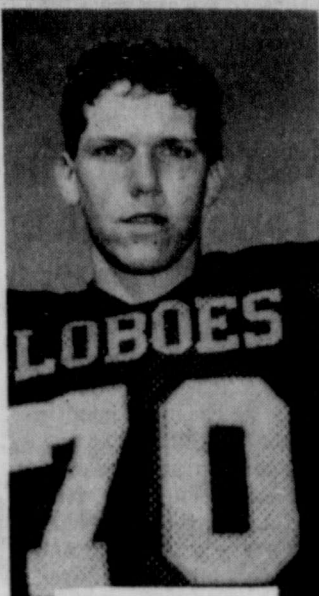

7. Those who have been in Southeast Asia in the past three years should not donate blood.

8. Those with heart, lung, kidney or liver disease are ineligible to give blood.

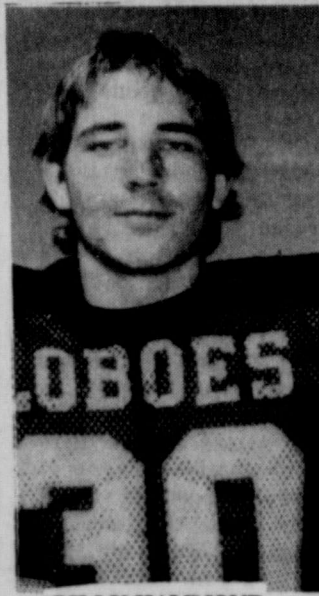

Eligible donors may give blood every eight weeks.

Redeemer Youth To Have Bake Sale Saturday

The Redeemer Lutheran Church Youth will have a bake sale Saturday, Oct. 28, from 10 a.m. until every item is sold at the Thrift Mart Store, 1010 Ave. E. Everyone is invited to pick up a homemade baked treat. The proceeds will be used to purchase paint to repaint the Nativity set.

Loboes To Play Mavericks Friday Night In Eastland

By Tommy J. Wells
Sophomore quarterback Brad Goosen put on a spectacular aerial exhibition, on Friday night, by passing for 196 yards and two touchdowns in a deceiving, 35-13 loss to District 8-2A rivals, the DeLeon Bearcats.

Goosen, who has started at quarterback in only four games this season, upped his season passing yardage to 644 yards with a 5 for 17 evening.

Surprisingly though it wasn't Goosen or receiver Joe Campbell, who caught two passes for 123 yards that created vast excitement during the first period of play, rather it was the aggressive play of Aaron Whitley, Angelo Williams and the Lobo defense.

Cisco held the Bearcats to only 18 offensive plays and 36 total yards in a scoreless first frame.

DeLeon runningback Jody Dixon posted the first points of the game, in the second, on a tough seven yard run. Quarterback Aaron Saldivar passed to Trey Weaver for the two point conversion and an 8-0 Bearcat lead.

Not to be outdone, Cisco took the ensuing kickoff 63 yards on nine plays before Goosen fired an 11 yard strike, between two defenders, to Harvey Perkins for their first score. The Loboes attempt to tie the game at eight fell short when Goosen was brought down on the DeLeon one.

Dixon, who's 160 yards rushing helped the Bearcats to their second consecutive win, slowed over for his second score, a two yard effort on DeLeon's next offensive possession. Placekicker Casey Stowe booted the extra point through the uprights for a 15-6 advantage.

With time running out in the first half, Goosen and Campbell, facing a third

down five yard line, brought the fans at a chilly Chesley Field to their feet on a one play 96 yard touchdown romp. Campbell, who outraced three Bearcat defensemen on the reception and run, added the extra point, trimming DeLeon's lead to 15-13.

Daryl Morrison furthered the Bearcats woes with a drive ending interception of a Saldivar pass.

Dixon, out of Grady West's wishbone set, scored the only points of the third quarter on a five yard plunge with 5:33 left remaining.

Cisco, sparked by a 41 yard pass reception from Perkins, moved deep into Bearcat territory late in the final twelve minutes of play but an untimely holding call nullified a dramatic run from Campbell on a fake punt.

Dixon, accounting for better than half of DeLeon's 341 rushing yards, and Jason Clark tacked on the Bearcats two other scores.

The Loboes, who were led on the ground by David Zell's 34 yards, fell to 1-6, and 0-2 on year.

Up next for Cisco is the No. 4 ranked Eastland Mavericks. The game, which is scheduled as the Mavericks Homecoming Night, is set to get underway at 7:30 p.m. in Eastland.

Masonic Lodge To Meet Thursday

Masonic Lodge No. 556 will have a stated meeting Thursday, Oct. 26, at 7:30 p.m. in the Masonic Lodge, according to Worshipful Master Gene Childers. All Masons are urged to attend.

Prison Land Election Is Set By County Commissioners

Eastland County Commissioners Monday set Sat., Nov. 18 as the date for citizens to vote "For" or "Against" the proposition to issue \$700,000 worth of certificates of obligation to buy a prison site - if the county is selected.

County Clerk Joann Johnson said that she would need a sample ballot by next Monday morning.

Absentee voting was projected to begin Oct. 30 and end Nov. 14.

The election was set after validation of the petition at 1:30 p.m. by Nancy Trout, Tax Assessor-Collector. There were 746 names certified, with 288 names rejected.

Nancy Trout stated to the Commissioners that the petition contained enough names to legally call for a vote.

Reportedly 538 names would have met the criteria for 5% of the registered voters in the County.

After validation of the petition Norman Christian, Commissioner of Pct. 2, made the motion: "That we have an election as soon as the law allows." Other Commissioners agreed with him.

Joann Johnson, County Clerk, said that in her opinion Dec. 2 would be the earliest date in which the election could be held. The matter of

meeting legal requirements was referred to Joe Smith, financial consultant and Emory Walton, District Attorney.

After some discussion Joe Smith advised the Court that all criteria could be met by Nov. 18.

The afternoon decision on the election came after a morning session which generally dealt with other matters. The Courtroom and second floor of the Courthouse was packed with spectators both morning and afternoon.

Television cameras were set up by afternoon, with arena newsmen conducting interviews.

Chamber of Commerce members from Eastland and several from Cisco showed support for a prison by wearing their red coats.

Opinions of the crowd appeared to be deeply divided, however, with many opponents in evidence.

During the Commissioners meeting it was mentioned that if Eastland County were chosen for a prison location, the land would need to be turned over to the state by Jan. 1.

Reportedly the Texas Department of Corrections will announce its final choice for prison sites on Nov. 13.

Cisco Cross Country Runners Advance To Regional Meet To Be Held Nov. 4

Two members of the Cisco High School girls' cross country team and the entire boys' team have advanced to the regional cross country meet which will be held Saturday, Nov. 4, at Vandergriff Park in Arlington. They placed at the district meet Monday at Perry Country Club in Hamilton.

Jana Yowell was first in district with a time of 13:14, and Marlena Trice placed third with a time of 14:30.

Also running on the girls team were Lori Yowell who placed 12th with a time of 15:32; 19th, Melissa Batteas; 21st, Kimberly Fields; 22nd, Josie Flores; and 26th, Tricia Hutchens.

Running on the girls junior varsity were: 2nd, Kelly

Crozier; 5th, Sandy Price; and 13th, Heather Duncan.

The boys' team placed second to advance to regional. Members of the team were Steve Sumners who finished second with a time of 18:34; Trey Billbre, 9th; Ramond Hernandez, 11th; Curtis Lacy, 12th; Keith Stowe, 14th; and Chris Hollis, 15th.

At the district meet, the top five finishers and the first and second place teams advanced to regional.

Coach Sumners said the course at Perry Country Club was the hardest course run all year, and the times were slower than usual.

He added, "I am proud of the effort put forth by these runners this year. I hope we can continue our winning ways a few more weeks."

Spooks To Be Out Saturday Night; Annual Fall Carnival Is At Gym

Plans have been completed for the annual Fall Carnival which will be held Saturday, Oct. 28, at the Cisco High School Gym. Sponsored by the Cisco Service Club, the carnival will be held from 6:30 to 9 p.m.

The Service Club has held a carnival each year for children and adults to have a safe and fun filled Halloween.

There will be several game booths to entertain all ages, and food booths with different kinds of snacks and meals.

There will be a costume judging contest at 6:30 p.m. in the gym near the jail.

There will be three age groups: birth to three years; four years to second grade; and third grade to sixth grade. The costume

categories will be cutest, most original and best character.

First place winners will receive 10 tickets to the carnival; second place, seven tickets; and third place, four tickets. Everyone who enters the costume judging contest will receive a piece of candy.

Saturday has been proclaimed the official "Trick or Treat" night in Cisco by Mayor Joe Wheatley. Since Halloween falls on a school night, all children are urged to trick or treat on Saturday night, Oct. 28.

Canterbury Villa will also welcome youngsters Saturday night. Children are invited to drop by Canterbury Villa, 1404 Front Street, for treats between 6 and 7:30 p.m.

Motorists are reminded to be on the lookout for trick or treaters Saturday night.

Senior Class To Sponsor Spook House Oct. 28

Come join the fun and excitement on Saturday, Oct. 28, as you take a "Stroll Down Horror Lane" in a spook house in the music room of Cisco Elementary School.

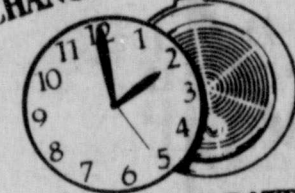

The Spook House, sponsored by the Cisco High School Senior class, promises to be one of the most thrilling and suspenseful ever.

Tours will begin at 6:30 p.m. and continue until 9 p.m.

'A MIDSUMMER NIGHT'S DREAM' will be presented by the Cisco Junior College Drama Department at the Hilton Center Oct. 30-Nov. 5. Reservations may be made by calling 442-2589. Shakespeare's play will feature exciting visual effects, dancing, music and fresh new faces.

CHANGE YOUR CLOCK

CHANGE YOUR BATTERY

'Change Your Clock, Change Your Battery' is a national fire safety program that urges people to adopt a new safety habit: changing the batteries in their smoke alarms and flashlights every year when they change their clocks from daylight-saving time.

Fire safety experts regard the simple act of changing the batteries in smoke detectors as the single most easy and accessible way of making a difference in the number of deaths and injuries caused by fire.

Sponsors of the program are the International Association of Fire Chiefs, the American Burn Association and Eveready Battery Company.

Widespread smoke detector acceptance in the early part of the decade helped bring about significant reductions in fire-related deaths. Since then, the number of deaths caused by fire has plateaued, even risen slightly in the last year, all despite the fact that 80 percent of all homes now have smoke detectors.

Fire safety experts cite lack of smoke detector maintenance as a critical factor in this disturbing trend.

An estimated half of the smoke detectors in U.S. homes are not working. Primary reason: old or missing batteries. Non-working smoke detectors are a factor in many of the 6,000 deaths and 130,000 injuries (many involving children and the elderly) that occur each year in fires.

A working smoke detector provides critical early warning and escape time, and can double the chances of surviving a fire. A working flashlight facilitates safe, swift exit by cutting through smoke and darkness (most home fires occur at night) or providing a signal for help.

MORAN NEWS

By Mrs. Luke Huskey

Junior Garrett of Aquilla spent last weekend with his parents, Mr. and Mrs. James Garrett.

A reception will be given at the Moran Community Center on Sunday, Nov. 12, honoring David Parrish on his 90th birthday, from 2:30 to 4:30 p.m. Hosts will be his son and wife, Mr. and Mrs. Alice Parrish and grandchildren. They request no gifts, please, just your presence.

Mr. and Mrs. Joe Hardin are the proud parents of a baby son born Monday, Oct. 23, in Hendrick Medical Center, Abilene. The boy weighed eight pounds six and a half ounces and was named Joseph Andrew. He was 21½ inches long. The baby has one sister, Messica.

The Moran School Homecoming will be held on Saturday, Nov. 4, at the Moran School. Registration will start at 1 p.m. I.M. Chism of Albany will be the guest speaker. Make plans now to attend.

The homecoming dance will be held at the American Legion Hall that night starting at 9 p.m. until 1 a.m. Music will be furnished by the Southbound Band. Admission will be \$8 for couples and \$5 for singles. Set-ups available.

The weather in Moran continues to be warm days and cool nights. Last Tuesday 3/10 of an inch of rain fell,

which was badly needed. More rain is needed as the farmers are in the process of planting grain.

Don Loudder of Dallas visited with his mother, Mrs. Carroll Loudder, Saturday.

Mr. and Mrs. Hubert Brewster were honored with a covered dish supper last Thursday night at the American Legion Hall in Moran. Mr. and Mrs. Brewster are moving to Eden, Texas.

James Garrett was master of ceremonies for the occasion. Marvin Kays gave the invocation. A sing song was held with Rev. James Carroll, pastor of the United

Those present were Louise Karkalits, Bernice Carter, Alma Philpott, Ona Coats, Mozell Yeager, Pat Kincaid, Opal Agnew, Lorena Strickland, Evelyn Fry, Leslie Lee Greer, Bessie Reynolds, Pearl Trapp, Grace Farnsworth, Faye

Methodist Church, leading and accompanied by Mrs. Carroll.

Mae Delle Jones read the poem, "A Friend is a Gift of God."

Appreciations were given by Ezra Weir for the Methodist Church. Mae Delle Jones expressed appreciation for the Eastern Star. J.R. Collinsworth, Worshipful Master of the Masonic Lodge expressed the lodge's appreciation. Mildred Smith presented a plaque for the American Legion Auxiliary and Maurice represented the American Legion. Audrey Brooks expressed appreciation for the Historical Society. Others present made comments.

The gifts were presented by Marvin Kays.

The song, "God Be With You," was sung, led by Rev. Carroll and accompanied by Mrs. Carroll. Rev. Carroll gave the benediction.

Clampitt, Lillie Richardson and Odesa Collins.

A good time was had by all but we regret losing Lillie and wish her all the happiness possible in her new home in Lubbock.

Men In Service

Brian Thomas Lewis, a resident of Cisco and son of Mr. and Mrs. James A. Lewis, has enlisted in the Air Force, according to Sgt. Juan Guerra, Air Force Recruiter located at Heartland Mall in Brownwood.

Upon successfully completing the Air Force's six week basic training course at Lackland Air Force Base, San Antonio, Tx., he is scheduled to receive technical training in the communications and computer systems operator career field.

Brian, a 1989 graduate of Cisco High School, will be earning credits toward an Associate Degree in Applied Sciences through the Community College of the Air Force while attending basic and technical training schools.

Howard B. West, son of Deborah L. Rausin of Edmond, Ok., and Stanley W. West of Cisco has been promoted in the U.S. Army to the rank of sergeant.

West is a squad leader with the 68th Armor at Fort Carson, Colo.

His wife, Rebecca, is the daughter of Edward L. and Ida M. James of Jennings, Ok.

He is a 1983 graduate of Depew High School, Ok.

The Best Of "All Worlds"

An Editorial

The election called for Nov. 18 in Eastland County could very well prove to be the best thing that ever happened here.

Purpose of the vote throughout the county is to determine if the citizens approve of the county issuing certificates of obligation, primarily for the purchase of land to be used for a state penal facility -- if the county is chosen from among the 26 who are still in the running for such a facility.

Presumably the announcement of those chosen will be made about the 13th or 14th of November. It is understood here that the decision will have been made without respect to the immediate availability of the land.

If chosen, the qualified voters in the county will on Nov. 18th have the opportunity to express their position on providing land to provide local prison payrolls.

But, in the event that Eastland County isn't chosen, then wouldn't it be a good thing to go ahead and have an election to see if the voters would approve of the county making funds available at a future date for some other payroll provider.

There are those who object to the thought of prison payrolls, but certainly they've indicated that they could and would work for future industrialization which could provide jobs for our people.

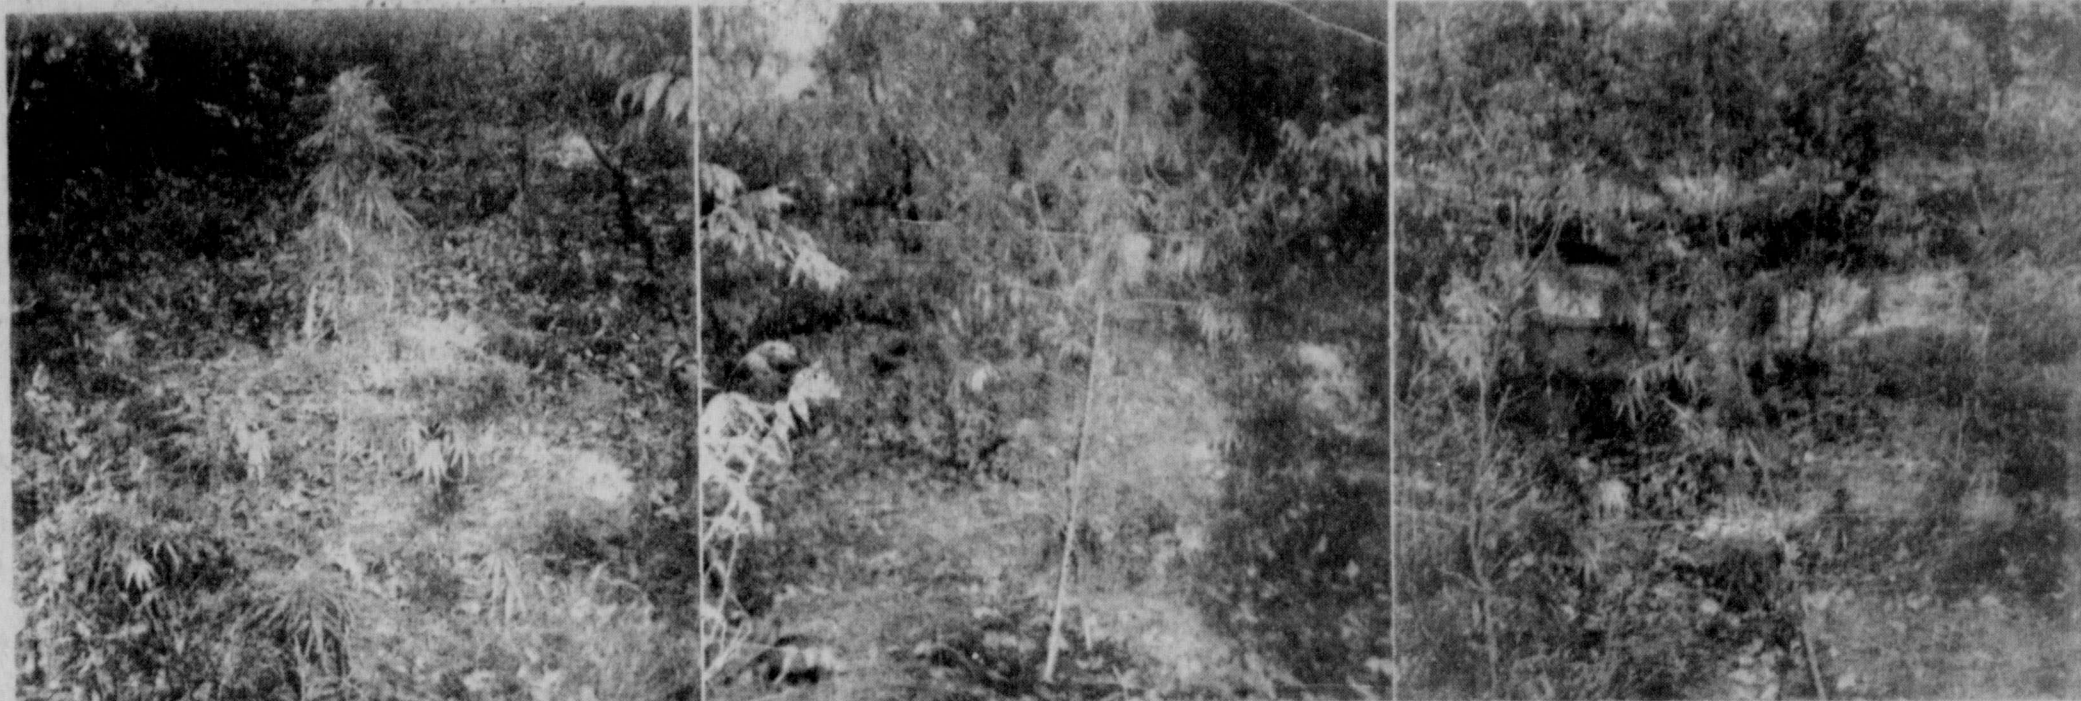

The bonds wouldn't have to be executed until there was a need.

It's worth thinking about.

Pictured are some of the marijuana plants which officers of the Eastland County Sheriff's Dept. seized north of Rising Star. About 12 plants ranging from 4 ft. 3 in. to 6 ft. 3 in. were found growing in

a rural area along with a water barrel and a sprayer which were suspected of being used to care for the green plants. There were signs that other plants had already been harvested. Sheriff Dee Hogan said that

one male and one female plant might be shown to law enforcement students at Cisco Junior College to help them to recognize the illegal plants before all of the plants are destroyed. Officers are conducting an ongoing investigation.

Richard Spindle To Become M.A.N.C. President

OLATHE, KS-Dr. Richard Spindle, chairman of the Division of Religion and Philosophy at MidAmerica Nazarene College, will become the third president of

the college, according to Dr. Milton Parrish, chairman of the MANC Board of Trustees.

Spindle, 50, was elected by the board Tuesday, Sept. 19,

and accepted the offer Saturday. he will replace Dr. Don Owens, who resigned June 28 to become a general superintendent for the Church of the Nazarene, one of six top leadership positions in the church.

In addition to heading the Division of Religion and

Philosophy, Spindle is a professor of Christian education and religion at MidAmerica. He came to the college in 1980 as assistant academic dean.

Prior to coming to MidAmerica, Spindle was executive director of the Division of Christian Life for the International Church of the Nazarene in Kansas City, Mo., from 1978 to 1980. From 1973 to 1978, he was a professor at Nazarene Bible College in Colorado Springs, Colo.

Between 1965 and 1973 he served churches in Waco, Dallas, and Corpus Christi, Tex.

A prolific writer, Spindle has contributed numerous articles to church publications and is the author of two books: *A Breath of Fresh Air* and *They Never Stopped Teaching*. He has also written chapters of several other books.

Spindle has five degrees: a bachelor of arts, a bachelor of theology, and a master of arts, all in religion, from Southern Nazarene University in Bethany, Okla., and a master of

religious education and a doctor of education from Southwestern Baptist Theological Seminary in Ft. Worth, Tex.

Among the awards he has received at MidAmerica are the Gamma Epsilon Donald Metz Award for Teaching in 1985 and the President's Award for Teaching in 1987. He is a member of Phi Delta Lambda, the academic honor

society of the Church of the Nazarene.

Spindle and his wife, Billy, have three children: Robin, Blair, and Regan.

Richard's mother is Lillian Spindle formerly of Ranger. He was raised and attended school in Ranger. His uncle is Vernon Hagar of Eastland.

Healthy calves are like money in the bank.

Now, that's not news to you. But a proven way to assure you'll have healthier calves... That's darn good news! Results of 1,734 nationwide feeding tests of Purina Mills Pre-Conditioning/Receiving Chow* prove it does the job. It improved health and performance of calves during the stressful periods of weaning and feedlot startup.

Total Animals Tested	72,811
Average In Weight (lb)	475
Average Out Weight (lb)	539
Average Days Fed	22
Average Daily Gain (lb)	2.4
Average Gain per Head (lb)	64
Average Feed Conversion	5.41

No other company offers results like these, because no one else offers our unique blend of nutrients and AS-700.

If healthy calves make sense to you, stop in, and we'll show you why Purina Pre-Conditioning/Receiving Chow is the feed you can bank on.

Christmas Market At The Hilton In Cisco

The Christmas Market at the Hilton in Cisco has again attracted a variety of craft-people from many different areas of the state, in addition to many local participants. Christmas shoppers will be able to find many Christmas toys and articles, crocheted items, quilts, baskets, ceramics, personalized and creative clothing, everlasting wreaths and flowers, wooden to 5 p.m. Sunday, Nov. 20. A food concession will be open during the shopping hours. Many of the participating merchants are donating items which will be given as door prizes. Drawings will be held at regular intervals, toys, and decorated paper

products for gift-wrapping. An exciting new feature of this year's Christmas Market will be a gingerbread house contest offering cash prizes for 1st, 2nd, and 3rd place winners. The winning entries will be determined by votes cast by the Christmas Market shoppers. The Christmas Market will be open from 9 a.m. to 7 p.m. on Saturday, Nov. 18, and 1 through the weekend to award the attendance bonuses. Visitors do not have to be present to win, but do have to register at the Market in order to be eligible.

Senator Glasgow Receives Award

AUSTIN—State Senator Bob Glasgow, D-Stephenville, has received a Distinguished Service Award from the Texas Chamber of Commerce for his work during the 71st Legislature.

Senator Glasgow was selected by the Texas Chamber based on his record votes on such issues as workers' compensation insurance reform, economic development, health care, education and crime, and his efforts in shepherding key programs through the legislative process.

"Senator Glasgow devoted a lot of time and energy to come up with constructive bills to boost our position in national and world market-places," said Texas Chamber president Larry Milner. "This award is our way of recognizing his distinguished service

and sacrifice in the interest of all Texans."

A top priority of the Texas Chamber is workers' compensation reform, and the chamber gave heavy weight to votes cast on reform measures. One of the key votes taken into consideration by the Chamber was a vote in the Senate to pass a reform package authored by Senator Glasgow. The Glasgow bill had the full support of the Texas Chamber.

"From my first day in the Senate, economic development and the business climate in Texas has been a top priority for me, and I am honored to receive this award from the Texas Chamber," said Glasgow.

"Having previously served as Vice Chairman of the Senate Economic Development Committee, and serv-

ing as co-chair of the Joint Select Committee on Worker's Compensation Reform, I know first hand how important a vibrant and healthy business climate is to my District and to Texas. I look forward to the future and continuing to work with the Texas Chamber in building the Texas economy."

Gingerbread House Contest To Be Held In Cisco

The first-ever Gingerbread House Contest will be held in conjunction with the annual Christmas Market at the Hilton in Cisco Nov. 18-19. Sponsored by the Conrad N. Hilton Memorial Park & Community Center directors, contest winners will receive \$25 for first prize, \$15 for second and \$10 for third. There will be one category of entries. Participants may be child or adult, male or female, one person, or group of people.

The entries must be homemade gingerbread, all parts of the house and decorations must be edible, and handmade (purchased cookies and candies such as jelly beans and mints are acceptable). The overall size must not exceed 12 inches in depth, 16 inches in width, and 12 inches in height.

Contestants should register by Nov. 15 so adequate display space will be available. Entries must be delivered to the Hilton by 8 a.m. Saturday, Nov. 18, and may not be picked up until Sunday, Nov. 19, between 5-6 p.m.

Winners will be determined by visitors to the Christmas Market, and the entry receiving the largest number of votes will be declared first prize winner; second highest number, second place; third highest, third prize.

For a donation of 15 percent of the sale price to the Hilton Community Center, entries may be sold by the participants at the completion of the Market.

For registration, please call Jo Ann Cermin, Hilton Director, at (817) 442-3200

after 6 p.m., or the Cisco Chamber of Commerce, (817) 442-2537.

Letters to the Editor

Would anyone like to guess the real reason some are so persistent in opposing the possibility of Eastland County prospering by obtaining a prison?

Is she or any of her associates in need of a job? Is she or any of her associates hurting financially?

Just who are these people that have been so vocal but yet have failed to state the real opposition they have toward the prison.

For those loud select few in Eastland, the name of their town may have to be renamed since they want to have total control of that town's economy.

Anyone with a seeing impairment can see the handwriting on the wall for their future. More power to those eating high on the hog and to the devil with the rest of us.

How can anyone not see between the lines or hear between the words of these opposing people. Their main concern is #1, themselves. The major opposing vocals are business owning citizens very well set, and without begrudging them, very well earned. Let's not play "Rip Van Winkle" wake up and find Eastland County and dried up because you were blinded by a few very well to do business people.

Please Withhold Name

Dear Sirs,
 Can we please get you to announce as often as you can that the Eastland County Food Pantry is having an All-You-Can-Eat stew and cornbread supper. It will be taking place at Camp Inspiration, west of

Eastland. The date will be November 7, 1989. The time will be from 5:00 p.m. to 7:30 p.m. The cost for adults will be \$4.00, and the cost for children will be \$2.00.

The Eastland County Food Pantry is a community sponsored organization with volunteer workers. We give out food to last for three to four days to families who are going through a crisis. From October 1988 to October 1989, the Pantry has served a total of 312 families in Eastland County, averaging 26 families a month. They are as follows: Eastland 101 families, Cisco 82 families, Ranger 82 families, Gorman 17 families, Rising Star 14 families, Olden 12 families, Desdemona 0 families, and Carbon 4 families. We are open on Monday, Wednesday and Friday between the hours of 1:00 p.m. to 4:00 p.m. We are located at 204 N. Lamar, Eastland, Texas.

Thank you so very much,
 Darlene Cagle
 and all the volunteers at Eastland Co. Food Pantry

Editor,
 Please print my congratulations to local citizen, Carol Bullock, for forcing a vote on the first of many expenditures toward the aid and comfort of criminals.

Joe Sparks

Railroad Commission Penalizes Companies

The Railroad Commission assessed a total of \$106,500 in administrative penalties this week to 16 oil and gas companies for problems under Commission well plugging and pollution rules.

County wells, four on the J.W. Roach lease and two on the J.W. Roach 'B' lease.

Kprico of Graham was ordered to pay \$1,500 for one well on the Stevens lease in Palo Pinto County; and, Dallas Energy Development Corp. of Roanoke was fined \$3,000 for one well on the Stokes lease in Eastland County.

"Give Praise"

To forget to praise God is to refuse to benefit ourselves; for praise, like prayer, is one great means of promoting the growth of spiritual life. It helps to remove our burdens, to excite our hope, to increase our faith.

anyone can form is the habit of spoken praise. Just think, one complimentary word spoken today may change the life of some person.

A person's success is in part a result of encouragement received by family members. So praise those around you! It may change their life.

I wonder how many times that the ones who are within the sound of our voices everyday have been hindered because of our poor habits of negativism and complaining. Praise can be the reinforcement that people around us need to become more effective at what they do.

"Praise the Lord for His mercies endure forever." Praise someone you come in contact with today.

Halloween Activities Set For October 28

Halloween is on Tuesday, October 31, but in Eastland Halloween activities have been scheduled for Saturday, October 28.

There will be a Halloween Carnival at Siebert Elementary School from 6 until 8 p.m. There will be the usual activities with supper and snacks being offered in the cafeteria. Booths will be in the classrooms and gym with each class having a booth. Parents will be working in the booths, which will include such things as a spookhouse, ball throw, fishing pond, and cakewalk. The Carnival, which is sponsored by the P.T.O., should be a lot of fun.

And to add to the fun, the Eastland Pizza Inn is holding several contests.

There will be a coloring contest with entries to be picked up at Pizza Inn and turned in by Thursday, Octo-

ber 26, at 10:00 p.m. Customers will vote for the winner in an employee costume contest.

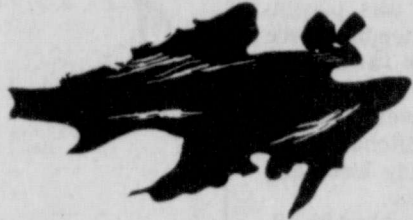

A children's costume contest will be held at 4:00 p.m. Saturday, October 28, at the Pizza Inn. Classes will be ages 0-2 years, 3-5, 6-9, and 10-12 years. Prizes will be awarded to first place winners with second and third place winners to receive ribbons.

Pizza Inn will also give hourly door prizes from 3 until 11 p.m. on that Saturday. The prizes will be coupons for food. Then at 11 p.m. there will be a drawing for a Grand Prize. It will be a \$25 value meal for four.

From 10 until 11 that Saturday morning, there will be a jack-o-lantern contest. Carved entries should be at Pizza Inn by 9:00 a.m. and from 4 until 11 p.m., groups

with a child in costumes will receive a 15 percent discount on their total meal price.

Other Eastland businesses may also be offering Halloween specials.

Rising Star Halloween Carnival Sat.

Giant Halloween Carnival is Saturday, October 28, in the high school gym from 7 to 9 p.m.

The time schedule for Costume Contest is: 7 p.m. Babes in arms, 7:15 Preschool, 7:30 Elementary, 7:45 Junior High, 8:00 High School, 8:15 Adults. There will be one trophy per division. Ribbons for everyone else!

A Treasure Hunt will be held and a giant size prize given. The winner will be announced about 9 p.m. Rules may be picked up at the MC's stand.

Entries for the Pumpkin Carving Contest must be in place next to the stage by 7 p.m. All is fair! Divisions are Elementary, High School and Adult; winners

will be awarded trophies and announced at 9.

A Door Prize will be drawn at 9. Each 50 cents admission to the carnival is eligible. Just write your name and phone number on each ticket and place it in the specially designed box next to the concession stand.

We will have lots and lots of booths for every age!

Goblins, Ghosts And Cavities? Healthy Halloween Teeth Tips

Halloween...it's almost impossible to keep children from overindulging in candy and other sweet "treats" during this time of the year. According to a 1988 survey by the candy industry, 80 percent of all American households gave candy to "Trick or Treaters" last year.

And children are risking more than an upset stomach from these sweet "treats"—excess sweets without proper oral care can lead to cavities and tooth decay.

Allowing a child to eat small amounts of candy over several days is unhealthy for teeth because teeth will be constantly coated with sugar. This can be even more damaging to children's teeth than allowing them to eat it all at once.

But parents can keep their children's teeth healthy on Halloween and long after by helping their children follow these simple oral health tips from Colgate:

Healthy teeth tips for Halloween

Halloween treats should be eaten after regular meals and children should brush their teeth afterward. (Remember, children need supervision while brushing until age seven or eight.)

Always use a fluoride toothpaste that is accepted by the American Dental Association (ADA). Toothpastes specially designed to appeal to children make a parent's job of getting children to brush much easier.

Young children tend to swallow toothpaste when they brush their teeth. Use a pea-sized amount of toothpaste—preferably one that contains less foaming action, such as Colgate Junior Toothpaste—on the toothbrush to avoid this common problem.

There isn't much of a "trick" to flossing, but smaller children have difficulty. For Halloweeners over the age of eight, make sure flossing is a daily habit.

Fluoride rinses can help prevent tooth decay. Use a rinse which bears the ADA's seal of approval. Colgate Fluoridated Mouthrinse, when used daily along with brushing, has been shown to reduce cavities by up to 40 percent more than brushing alone. (Fluoride rinses are not recommended for children under six years of age.)

Halloween Safety Tips

HALLOWEEN IS ALMOST HERE, and children everywhere are preparing for the big night by searching for scary masks and spooky outfits. Although having fun and filling up those trick-or-treat bags are foremost in their minds, children need to remember to follow safe practices. Parents should keep in mind the following safety tips:

*Make costumes short enough so the child won't trip when going up and down stairs.

*Use white colors or big patches of white on the costumes to ensure good visibility.

*Use fire-retardant fabric for the costumes or treat the material with a chemical fire-retardant.

*When making masks or hoods, cut out holes in them that are large enough to assure easy breathing and good vision. Using make-up

or face paints instead of masks is an even better idea.

*If face paints are used, make sure that they are designed specifically for this purpose, they are non-poisonous and that the paint can be washed off easily.

*When lighting Jack O'lanterns, use small flashlights—not candles—in order to prevent fires.

*Have an adult accompany the children while they are trick or treating.

*Trick or treating should be done before dark, especially if you have young children. Set a curfew for the older children and enforce it.

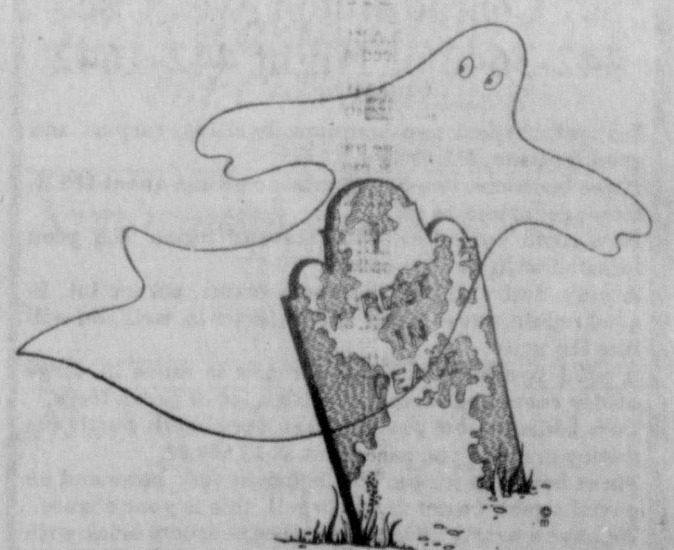

*Instruct the children to stay in their own neighborhood and to call on only people they know and trust.

*Give each child a flashlight and remind him or her not to shine it into anyone's eyes, especially someone

driving an automobile. *To prevent falls, remind children to use sidewalks instead of cutting across yards and vacant lots.

*If your child gets sick, try to find out exactly what he or she ate and where it came from. Call your doctor immediately.

Just refurbished two bedroom dwelling, carport and good location, \$12,500.00.

Three bedroom, two bath frame dwelling, about 120 ft. frontage, priced to sell.

Five room bungalow, good state of repair and good location with paved street.

A very desirable two bedroom frame, corner lot, in good repair, paved street and the price is, well you will like the price.

A solid two bedroom frame, ready to move in, large utility room and three lots with a lot of pecan trees.

Two bedroom on paved street very well worth the money and one you can afford at \$8,500.00.

Three bedroom frame, one bedroom very large and on paved street, owner needs to sell, this is your chance.

We have a nearly new roomy three bedroom brick with plenty of yard room, on paving, if you would like a very nice place this is it.

We are loaded with commercial buildings, anything you might want or need, ask us.

We have land, several blocks, 88 acres and on up to 480 acres. Eight places in all. In fact the 480 ac's is only \$195.00 per a. You can't beat that.

Due to cost we do not carry a large ad but, we have the property, and we are selling it, just ask us. We can always use good salable property.

We are selling the property
and can use some more listings.

A Thought
For
The Day...

DeAlva Chambers

A tradition is defined as an unwritten belief, law or custom. Generally a tradition is an expression or means of implementing a principle or belief, but as time passes frequently the principle is forgotten. Being the creatures of habit that we are, we continue a tradition because others before us did it that way. But, if tradition has replaced or smothered principle, it is time for change...

There is a story told about a young couple preparing their first Ham dinner. In preparing it the young wife asked her husband to "cut the end off the ham." When asked "why?" she said, "Mother always did it that way." Mother was called and asked why she always did this. Her answer was, "Because Grandma always did it that way." Grandma was then called and asked why... Her answer was, "Because the pot was not big enough."

As we see in this illustration, oft times a practice is continued and the reason forgotten. Grandma followed a principle; others just followed Grandma. Granted, it is not wrong to follow. Traditions are not in themselves wrong. But if our actions are not based on principle, if we follow blindly, if we do not seek after knowledge, we can come to a place of confusion or defeat...

Letter To The Editor

Editor:

No, this letter is not about supporting the hospital or the prison but about supporting the Cisco Lobos on Friday nights.

With our season not going so well, I have noticed the number of fans in our stands have gotten smaller and smaller each week. Yes, it is great to watch our team win but that is not the only reason we should go to the games. When we attend the game, our presence tells not only the team but the band, the cheerleaders and the student body that we are there to support them whether they win or lose, and that their efforts are not going in vain to near empty stands.

Next Friday night is a big rival game for our team. More than ever our presence needs to tell the kids that we care.

I would like to close with a quote for our football players, "If you believe in yourself and what you can do, you're already a winner."

Trick Or Treat Safely At Eastland's Northview

Clients and Staff at Northview Development Center invite all young pirates, witches, monsters and any other way-out beings to

come by and trick or treat. The facility will have treats for local children on Saturday, October 28 from 6:30 p.m. until 9:30 p.m.

This event is part of Northview's Trick or Treat Safely (TOTS) program. The purpose of the TOTS program is to provide a safe

place for children to go on Halloween.

TRICK OR TREAT

Cisco Lutheran Church Sale Oct. 28

The Redeemer Lutheran Church Youth Group will have a bake sale Saturday,

Oct. 28, from 10 a.m. until everything is sold out. The sale will be at Thrift Mart,

1010 Ave. E. The youth group invites everyone to drop by and pick up a baked goodie.

Cisco Christian Church Bazaar November 3&4

The annual bazaar at the First Christian Church will be Friday and Saturday, Nov. 3-4. This event is sponsored by the Christian Women's Fellowship Group.

There will be many useful items for sale that will make

wonderful gifts or for personal use. Some items include one antique quilt, baby gifts, hand painted pictures,

decorative pillows and hand made linens. Breakfast and lunch will be served both days.

Cisco Service Club Plans Fall Carnival

The Cisco Service Club will have their annual Fall Carnival on Saturday, Oct. 28, at the Cisco School gym.

The carnival will be held from 6:30 to 9 p.m. The Service Club has held a carnival each year for

children and adults to have a safe and fun filled Halloween evening. There will be several

game booths to entertain all ages, and food booths with different kinds of snacks and meals.

CISCO— Memorial services for Mrs. Nina Burns of Cisco resident, will be at 2 p.m. Friday, Oct. 27, 1989, at East Cisco Baptist Church. Rev. Larry McAden, pastor of Calvary Baptist Church of Snyder, will officiate, assisted by Rev. Larry Lynam, pastor of East Cisco Baptist Church.

Mrs. Burns died Monday, Oct. 23, 1989, at Cogdell Memorial Hospital in Snyder.

She was born Feb. 9, 1923 in Cross Plains, and married Hubert Lamar Burns Nov. 23, 1944, in Stanton. She was a member of East Cisco Baptist Church. She was a housewife, and was bookkeeper for Southern TV Systems in Cisco for several years before moving to Snyder.

Survivors include three sons, Richard Lamar Burns of Pearl, Miss., Charles Donald Burns of Winston Salem, N.C., and Hugh Dale Burns of Snyder; a sister, Sybil Grisham of Irving; and seven grandchildren.

City Looks At Two Routes On Sewer System Update

Planning is well underway and preliminary cost estimate are being assembled for upgrading the City of Eastland's wastewater treatment facilities.

The consulting firm of Jacob and Martin in their preliminary report to the city, state:

"Basically, the evaluation centered around two considerations:

"(1) improvements required to bring the existing facility into compliance with State Law and to provide for growth through the design year 2010; and

"(2) additions to the wastewater collection/treatment system required to handle flows produced at a 2,250 bed prison unit."

The first consideration would give the Eastland plant a capacity of 800,000 gallons per day, at an estimated cost of \$1,300,000.00, to be financed through SRF/FmHA (State Revolving Fund/Farmers Home Administration) with the issuance of certificates of obligation, which would be retired with income derived from operations, similar to revenue bonds, which do not require tax increases, officials explained.

Under the first consideration possibility, estimated date for beginning construction would be December of 1990.

The second possibility (for providing facilities adequate for a prison) sees a plant with a 1,250,000 GPD capacity with a price tag of some \$2,675,000.

Of that amount, \$650,000.00 would be for raw sewage pump station/transfer pipeline, and the other \$2,025,000.00 would be for further treatment plant expansion. Both portions of which would be funded through the issuance of certificates of obligation, with the pipeline

on a TWDB Water Quality Loan and the plant expansion, A SRF/FmHA loan.

These obligations would be retired with revenue derived from delivering services, without tax increases.

Engineers estimate construction start-up dates for the projects like this: pipeline, March, '90; and plant expansion, December, '90.

Each of the options will be evaluated with detailed cost estimates during the planning phase which is expected to be completed in early January of

next year.

Debt cost? For the basic \$1,300,000.00 (just to get up to standards through the year 2010), \$992,275.00 in interest for a total payback of \$2,292,275.00 to be paid in semi-annual payments through the year 2011. That's on a six per cent rate.

Interest cost for the \$650,000.00 pipeline would be \$731,115.00 with a payout of 2011 of \$1,381,115.00.

Interest on the \$2,025,000.00 to bring the

plant up to million and a quarter gallon capacity, would be \$1,541,550.00, for a grand total payback of \$4,947,665.00 through 2011, (including the pipeline portion).

Eastland's basic system dates to the '20s and the present plant to the mid-70s, is permitted for 400,000 GPD, and the clarifier, because of new regulations, is no longer rated. The state requires initial planning when the daily capacity reaches 70 per cent of capacity, and serious updating action when daily volume reaches as much as 90 per cent, which is where it's at today.

In-flow of surface waters into the system and the near impossible-to-find fusing of the storm and sewer system has resulted in the increased volume for the city.

The certificates of obligation are not tax related except in the fact that they are in effect guaranteed by a municipality in lieu of establishing a sinking fund for the indebtedness.

Sabanno Community Cemetery To Elect New Directors

The Sabanno Community will meet at 11 a.m. Saturday, Nov. 4, to elect new directors for the Sabanno Cemetery Association.

Since the death of Truett Dawkins, Mr. and Mrs. Edwin Erwin and the resignation of Walter Lamanick, new officers need to be elected.

Everyone who has loved ones buried in Sabanno or those concerned about the upkeep of the cemetery are asked to attend this important meeting.

Poet's Corner

The Master's Touch
How blessed is the stars on high
To send to us their holy light
As if an artist had passed over
To put his work on display.

The Master's touch is the real thing
Something a forger cannot claim
He paints the sunset at the end of day
And send His blessing along our way.

The joy that each of us are given
To be counted among the living
So stop and smell the roses along the way
And count each blessing we receive today.

He paints the sunrise on the morning tide
And hear the seagulls on their flight
The blessing we have of another day
And the promise to walk with us along the way.

The joy that each of us are given
To be counted among the living
So stop and smell the roses along the way
And count each blessing we receive today.

The joy that each of us are given
To be counted among the living
So stop and smell the roses along the way
And count each blessing we receive today.

Winter Feeding CUBES \$137.50?
LET US SHOW YOU HOW!!

Eastland County is very fortunate this year to have an abundant supply of hay and grass. So you can SAVE MONEY and utilize the dry forage. We can sell you Cottonseed Cake Cubes (old process & double protein to grain cubes) for only \$275.00. If you normally feed 5# per day per animal - you need only 2 1/2# CSC to get the same protein. Therefore: \$275.00 ÷ 2 = \$137.50. You must have ample grass or hay to do this.

Eastland Farm & Ranch Center also offers a 32% liquid feed for only \$159.00 delivered to your location. This also requires a good supply of hay or grass and we believe we have the forage supply this year.

We have a good supply of grain cubes, CSC cubes & liquid feed. All contracted to help you save dollars. Analyze your particular situation. (Grain cubes may be your cheapest feed if you do not have the forage available).

\$190.00 grain cubes @ 5# per day=47.5¢
\$275.00 CSC cubes @ 2 1/2# per day=33.2¢
\$159.00 liquid feed @ 1 3/4# per day=13.9¢
(1 ton feeder=\$150.00 ea)

Carbon News

By Dorothy Jackson

Inus M. Stubblefield, 91, passed away Tuesday, Oct. 17, 1989, at an Eastland nursing home. She was the daughter of the late Willie J. and Minnie L. Ferguson. She was born in Carbon July 26, 1898. Married F.J. Stubblefield September 25, 1919 at Carbon.

A lifelong resident of Carbon, she and her late husband, Frank J. Stubblefield, owned and operated Carbon Trading Company for many years, retiring in 1950.

She was a homemaker and a member of First Baptist Church of Carbon.

Services were at 2:00 p.m. Thursday at First Baptist Church with the Rev. Sherl W. Taylor officiating. Music selections were 'Beyond The Sunset,' 'Come Morning,' and 'How Great Thou Art,' rendered by Maxine Morgan and Ike Whitson. Pallbearers were Charles Morgan, Marvin Hale, Truman Bryant, Euell Allison, Royce McGaha and J.E. Jackson. Interment was in Murray Cemetery in Carbon.

Survivors include two sons, Jack L. Stubblefield of Bartlesville, Okla., and Mack M. Stubblefield of Carbon; four grandchildren, Tana Grogan of Bartlesville, Okla., Larry M. Stubblefield of Garland, Sherry Rowell of Duman and Ginny Stubblefield of Florida, and eight great-grandchildren, Joshua, Heather, Brian, Heath, Morgan, Brent, Chelsea and Zachary.

Our community is saddened at the loss of this long time resident.

The weather men can't seem to make up their minds as to summer or winter as I left town Monday there was no forecast of cooler weather. It was in the upper 80's and

by Wednesday night there was frost on the peanuts. Some reported 31 degrees, I was gone so I did not get a reading. When I returned there was some rain in my gauge, I pour out one half inch. Once again it feels like summer time.

A few more peanuts are being taken out of the ground. We need more rain but the farmers need pretty weather to work in.

Bro. Donnie Auvenshine, Ike Whitson, Billie Stacy, R. Lee McDaniel and Carol Sandlin took part in the services at the Gorman Nursing Home Sunday. Each 4th Sunday Carbon Baptist Church has charge of the services.

Sunday, Oct. 29 will be the time for the 5th Sunday singing at the Baptist Church.

Don't forget to turn your clocks back one hour, lest we be an hour early for church Sunday, Oct. 29th.

Marjorie Lasater and R. Lee McDaniel attended the wedding of Kelly Gentry and Jo Bond Saturday afternoon in Ranger.

Mr. and Mrs. J.L. McDaniel visited Mr. and Mrs. Durward Webb of Crowley and helped their grandson, Chris celebrate his 14th birthday.

Mr. and Mrs. Dale Walker visited in San Antonio this past week.

Mrs. Elizabeth Sandlin and son Carol visited relatives in Trinidad last week.

I visited Mr. and Mrs. John Griffith of Midland last week.

Tuesday, Oct. 24, a admin-

istrators workshop was held in Stephenville.

This week Exit Level Teams test are being given. Jr. High football game will be at Strawn, 6 p.m. Oct. 26. No football game for high school this Friday, Oct. 27.

Saturday, Oct. 28, a Harvest Festival will be held at Carbon School, starting at 5:30 and will be over at 8:30. The coronation will start at 9 p.m.

Carbon Exes

Perhaps many of you do not recall how and when the Golden Exes came into existence. The idea was originated by Matt Graham at the 1975 homecoming of the Carbon Exes. He proposed that a meeting once a year be organized for the older members who wanted to meet more often than every five years.

Thus a meeting of area people who were interested was called and the first Golden Exes Reunion came to be with Matt Graham as President and Bess McNeese Green as Secretary. Matt's ideas was - it was not to interfere with the original homecoming organization in any way. They would step aside the years of the big homecoming. The first meeting of the Golden Exes was on Oct. 9, 1976, and some 13 years later it is still going strong as you can see by the following list of names that attended the 1989 reunion:

Preston McCall of San Francisco, Ca.; Edith (Jordan) Smith of Taft, Ca.; Eastalee (Morris) Price of Mexia; Herman and Francis Reed of Austin; Marvin and Cozarea (Martin) Guy of Tyler; Hugh E. Ice Cream Makes Helping Others Sweet

A year's supply of ice cream! That's what the winners—and the organizations they serve—can participate in an unusual volunteer awards program being sponsored by Haagen-Dazs.

To help spread President Bush's "Thousand Points of Light" throughout our communities, Haagen-Dazs is announcing a Volunteer Awards Program to honor those ordinary citizens who, by giving of their time, energy and talent, are judged "to have made the greatest difference" through public service to:

- individuals in need
- a worthy cause
- their local communities,

or

- the country

Five winners will be chosen from each of the five categories, determined to be among the most pressing in our nation, as follows:

- Education for Youth
- The Elderly
- The Homeless
- The Environment/Quality of Life
- Health Care

Judging will be by a distinguished panel of leading representatives from the business and not-for-profit sectors.

TO ENTER
Submissions are due on or before Friday, November 17, 1989 and must be accompanied by an essay of 300 words or less describing the volunteers efforts. You must

include the volunteer's name, address, phone no. and the recipient organization. You can enter yourself, or on behalf of someone you admire. Entries should be submitted to: MasterMedia Ltd., 215 Park Avenue South, Suite 1601, New York, NY 10003, Attn: Haagen-Dazs Awards.

Both the individual winners and the organization they represent will each receive 52 pints of Haagen-Dazs ice cream (either one pint a week, or all at once for a truly cool party.) They will be announced on November

27, the Monday following Thanksgiving.

The program is being conducted in conjunction with the release of an important book about volunteer service, BEYOND SUCCESS: HOW VOLUNTEER SERVICE CAN HELP YOU BEGIN MAKING A LIFE INSTEAD OF JUST LIVING, (MasterMedia, Ltd.) by John F. Reynolds III and Eleanor Reynolds. It is full of specific information about the benefits of volunteerism to oneself and to society and includes a list of over a hundred not-for-profit groups.

THANK YOU

The passing of our loved one, Inus Stubblefield, leaves a vacancy in our lives. She will be greatly missed by all, but we know she is at rest now. We would like to express our sincere thanks to all who helped with her care and made her last days as comfortable as possible. To the staff of Valley View Lodge, Dr. M.A. Treadwell and staff, Dr. Sandra Hazelip and staff, our many friends throughout Eastland County, and to our loved ones who came to share in our loss. We say "Thank you".

A flood of love and sympathy rushed through our home at the loss of our precious Chad. Each and every prayer, each and every kindness meant so much to us, his family. To every person who called, to every person who sent flowers, food, cards or words of encouragement we say God bless you. For those who continue to realize a call in the night helps break the silence and ease the pain, thank you. As Chad said so many times when asked "What's your name?" He would reply "I'm fine!" He is with our Lord now and "he's fine."
Thank you

**Statewide Political Poll Documents
Voter's Feelings on Candidate Ethics**

AUSTIN—Do Texas voters think most politicians are corrupt? Or do they believe politicians are being measured by unrealistic standards of conduct?

The Texas Press Association surveyed 1,500 registered voters in the state from June 5 to 24, 1989 to ascertain their voting preferences and voting history. The survey was conducted by Bonner, Incorporated, an Austin-based advertising and marketing firm.

Data from the poll will be used by Texas Press Association members to document the impact of voters in non-urban areas in the 1990 primary and general elections. A non-urban area is considered any Texas city under 50,000 population.

When asked the question, "Do you think most politicians are corrupt or are we measuring politicians by an unrealistic standard of conduct?", 31 percent of the Texans surveyed said they were corrupt and 39 percent said we are measuring them by unrealistic standards.

But when asked if they would vote to re-elect House Speaker Jim Wright to public office, 55.7 percent said no.

Most Texans say the candidate's stand on the issues (55 percent) is the most decisive factor in their voting preferences. Almost one-fourth (23 percent) said ethical standards, while 17 percent said a candidate's experience is the most decisive factor.

In the 1988 Democratic primary, the percentage of turn-out for registered voters in non-urban areas was almost twice as high (32 percent) as in the urban areas of

Texas (19 percent). In the general election of 1988, 66 percent of the registered voters in non-urban areas turned out to vote.

Of these experienced voters, 77 percent subscribe to their local newspapers. And, 48 percent subscribe to an out-of-town newspaper as well.

Forty-two percent of these voters say they read their local newspaper from "cover-to-cover." Another 35 percent stated they glance at every page which amounts to a 77 percent readership coverage rate for probable voters.

TV Distraction Factor

Compared to television viewing, newspaper readership is more thorough. Of the voters polled, 42 percent admit to "almost always" doing some other activity, such as eating, cleaning, reading, or "working on a hobby" while the television is on. Another 24 percent say they "sometimes" are engaged in other activities, resulting in a "distraction factor" of 66 percent for television viewers polled.

One reason attributed to high newspaper readership is the demographics of the non-urban voter. This group of Texans is older than the average voter in urban areas. In fact, more than 51 percent of non-urban voters are over the age of 50 and 43.7 percent are between 25 to 50 years of age. The statewide average for people in Texas over the age of 45 is 27 percent.

This non-urban group is more likely to be native Texans as well. Sixty-nine percent say they have lived in Texas all of their lives. This is compared to many urban areas in the state where at least one-half of the population did not live in Texas 15 years ago.

The study showed that older citizens tend to vote more often and they tend to vote more conservatively. The poll documented 57.5 percent who describe themselves as conservative and 32.5 percent describe themselves as moderate.

Even though they tend to be conservative in political philosophy, the non-urban voter remains loyal to voting in the Democratic primary. When asked in which primary they intend to vote in 1990, 64.5 percent identified the Democratic primary and only 35.5 percent intend to vote in the Republican primary. Of the people who are over the age of 50, 74 percent intend to vote in the Democratic primary and 26 percent plan to vote in the Republican primary.

However, the study determined that this doesn't mean they intend to vote Democratic in the general election. Non-urban voters are more likely to split their ticket in 1990, with 64 percent saying they vote for people from both parties in the general elections.

This group of voters believes education (45.1 percent) is the most important statewide issue we face. Even though only 29.6 percent have school age children at home, they heavily support recent educational reforms such as the "no pass-no play" and teacher testing by a majority of 90 percent.

The second most important issue to this group is crime (31 percent) followed by hospital closures (18.3 percent) with taxes being last among key issues (12.3 percent).

Those surveyed intend to flex their political muscle in 1990, with 81 percent saying they will definitely vote in the upcoming elections in Texas.

Sutton Crofts Return Home From Trip To Nashville

Sutton and Mary Crofts are wondering if anyone in Cisco happened to be watching "Nashville Now" on TNN TV, which was broadcast from its Opryland studio on Tuesday, Oct. 10, and caught a glimpse of them holding up a card reading "Hello to Cisco, Texas, from the Crofts." Or did it go by too fast?

They and their daughters, Carolyn Webster and Dot Mittell, had been visiting their son, Dash, and he wangled them second row seats in the back-stage audience. The entertainers included Anne Murray and Marie Osmond, both of whom are old friends of Dash's, and Dot made sure to take a picture of them together. There were also two bands — "Canyon," which had won an award the night before at the Country Music Awards, and "The Nitty-Gritty Dirt Band." One of its members hailed from Abilene, and he and Dash had a mutual friend, Edwin George, who was in Dash's first band. There was another Ciscoan in the audience, the former Diana Isbell, who saw the poster and came down to greet the Crofts.

Since the Grand Ole Opry performs only on weekends, one of the TNN crew was kind enough to show the family all through the building. The girls had their picture taken in front of the cornstalks used as a prop in the Hee-Haw show. The Country Awards had been the night before, but the visitors arrived too late. Jimmie Seals, Dash's partner in the musical duo of "Seals and Crofts," was staying at Dash's house

while they were recording, and while he was also having dental surgery. The family also visited with Danny Seals and his family. He had just received a song-writing award.

There were many other points of interest in and around Nashville, and the weather was perfect, going and coming, so the Crofts and daughters enjoyed it all very much. On the way to Nashville, they detoured to Hot Springs and spent an interesting afternoon and night. They also stopped in Memphis at Elvis' mansion and made the tour. It was a fabulous sight — the many gorgeous and unusual rooms, and the hundreds of gold and platinum records mounted on the walls, as well as his fancy costumes on mannikins.

On their last night, they were entertained with a party at Dash's, the guests being all musicians who had organized a chorus for their own pleasure, though they are often asked to perform at various events, also. They harmonized perfectly, both a cappella and with taped accompaniment. In honor of Dash's parents being present, they made him sing some of his favorite songs of the S&C tours, as well as duets with another member who substituted very creditably for Jimmie, who was suffering too much to appear. It made a perfect ending to a lovely vacation trip.

Lady Wranglers Set To Start 1989-90 Basketball Season

The 1989-90 edition of the Lady Wrangler Basketball team opens their season Wednesday, Oct. 25. They travel to McLennan Community College in Waco for a 6 p.m. game with Blinn College. Blinn went to the national junior college tournament last year. On Thursday night they play Kilgore College at 8 p.m. and then conclude their play in the McLennan Classic on Friday night with a 6 p.m. game with Temple College. Two years ago Kilgore won the junior college national championship.

Stacy McPherson and Claudette Ford will be leading the Lady Wranglers this season. McPherson returns at a guard position and Ford returns at a post position. Ford led the team in scoring and rebounding last year and was First

Team All-Conference. Expected to start at the point guard position is Dana Hearne. Amber Whisenhunt will start at a wing position and Pam Wilkerson will start at the other post position opposite Ford. Tiffany Buris, Leeann Moore and Nicole Davenport will see time at the wing positions. Melissa Montgomery and Teresa Howard will back up Hearne at the point position. Kelley Page will see considerable time at the post position.

Next week the Lady Wranglers will play in the RJC Classic in Ranger. On Monday, Oct. 30, they play Weatherford College at 2 p.m. and on Tuesday, Oct. 31, they play Tarleton State at 2 p.m. On Saturday, Nov. 4, they will go against the Lady Wranglers Exes at 11 a.m. in the CJC Gym.

Canterbury Villa To Welcome Goblins Saturday Night

What do you get when you combine nursing home residents, small children, cuddly black kittens, and great orange pumpkins? A good time for all is the answer.

The 111 nursing centers of HEA Management Group have banded together in seven states and are making a general effort to provide "safe" trick or treating and Halloween fun for the small children of the towns where they are located.

The ideas and parties are based on fun and warm friendship much more than the feeling of witches and goblins.

Residents and staff alike are working to make the evening safe and secure for the children. The nursing centers are well lighted, and have safe parking lots. The patients are stuffing trick or treat bags with candy and wrapped goodies for the children and the welcome mat is out. The mixture of young and old will bring a feeling of well being and warm remembrance to all events.

For more information of this evening for your children call 442-4202 or contact the Canterbury Villa Nursing Center located at 1404 Front Street in Cisco.

Of course all events are without charge, and all small children are welcome. So, visit from 6 to 7:30 p.m. Saturday and have a safe and happy Halloween.

'People For Progress' Support Prison Plan

Like a ghost from the distant past come these words of wisdom from one of the greatest minds England ever produced:

There is a tide in the affairs of men

Which, taken at the flood leads on to fortune;

Omitted, all the voyage of their life

Is bound in shallows and miseries;

On such a full sea we are now afloat,

And we must take the current when it serves

Or lose our ventures.

William Shakespeare

Eastland County is now riding on the high tide of victory - a finalist in the competition for a state prison! A golden opportunity to acquire a safe, clean, permanent industry lies before us. IF area residents work

together in support of the tremendous effort expended by the Eastland County Economic Development Council, the chance of getting a prison is greatly enhanced. Final victory would mean that the depressed economy would be reversed, jobs would be available, vacant houses would be filled, and new people would move into the county. Local businesses would benefit, and the broadened tax base would enable area towns and schools to afford services and improvements which would enrich the quality of life for every citizen of Eastland County!

People in the Cisco Hospital District share this golden opportunity. WE CAN HELP MAKE IT HAPPEN!

Representatives of the

Texas Department of Corrections have indicated that an accredited hospital in the vicinity is a decided bonus factor in obtaining a state prison. Cisco's E.L. Graham Memorial Hospital is accredited and can remain in operation if the 28 cents tax rate recently adopted by the hospital board is not rolled back. Eastland County needs that prison! Cisco needs its hospital!

We can grasp the opportunity while the chance is at "high tide" or we can see it float away, leaving our county and its people "bound in shallows and miseries."

People for Progress urge your support.

CJC Defeated By National Rated Navarro Junior College

Navarro Junior College, ranked No. 1 in the nation in all three NJCAA football polls, scored three second-half touchdowns to defeat Cisco Junior College 33-14 Saturday in Corsicana.

The Wranglers, who slipped to 1-2 in the TJCAA and 54-2 overall, held the Bulldogs close in the first half. Cisco trailed by only a 14-7 margin entering the third quarter.

But Navarro showed why it is the top ranked team in the country by putting together a pair of 70-yard touchdown drives into the wind in the third period.

Cisco never gave up, driving 80 yards into the wind for a TD of its own in the fourth quarter. The Wranglers'

long scoring trek began with eight minutes left in the game, and ended on Baldon Polk's 1-yard TD run with only 18 second remaining.

The Wranglers play Kilgore Junior College here at 7:30 p.m. Saturday.

Take the chill out of winter heating bills.

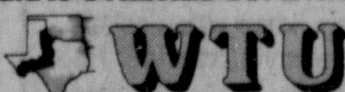

With winter just around the corner, WTU has these suggestions for lower energy bills.

1. Caulk and weatherstrip around windows and doors to help prevent excessive heat loss.
2. Check the attic for adequate insulation; R-30 is recommended.
3. Clean or replace filters monthly in your heating unit.
4. Tightly close the damper in the fireplace when not in use.
5. Set the thermostat at 68° or lower.
6. Open drapes and blinds during the day to let in sunlight and close them at night to hold in warm air.

For a more comfortable home and an electric bill that won't give you a chill, contact your local WTU office for more conservation tips.
