

## School Students To Have Holiday

The Cisco Public Schools' students will have a holiday Monday, Nov. 5, according to an announcement by Superintendent James Couch. The teachers will attend a district state teachers meeting in Abilene.

Classes will resume at the regular time Tuesday.

## Senior Citizens Nutrition Menu

The AARP rhythm band brings to the Senior Center memories of the old songs when they play and sing. The band performs, under the leadership of Cora Lee Thomas, often for the Nutrition Luncheon program. They are always welcomed and one can hear members of the audience participate in the old songs.

The Halloween theme prevailed during the luncheon when Lela Lloyd explained to the members the meaning and history of the Halloween season. Marguerite King played on the piano many of the old songs which the people like so much. One person said, "Did you ever notice, the older the song, the better the harmony" and it is true! The group appreciates the contribution by Marguerite King and enjoy the old songs.

A special treat was presented to those attending the luncheon last Friday. Tom (Long John) Johnson presented a musical program. Johnson is a radio announcer at KERK and with the help of Jack and Mildred Priest a real musical was the prize for the day.

Monday, Nov. 5, during the luncheon the founding of the 80 Plus Club will occur (note story elsewhere in the newspaper). The 60 and 70 year old citizens of Cisco, Eastland and Rising Star, will honor those who are 80 years old or older. Ninety-eight names have been given to the office as candidates for this exclusive club. Reservations should be made by calling 442-1557 or 442-2263.

The menus for the coming week are:  
Monday: oven fried steak with gravy, whipped potatoes, green beans, apricot cobbler, bread and drink.

Wednesday: barbecue beef, pinto beans, buttered spinach, apple cobbler, bread and drink.

Friday: meat balls, buttered corn, tossed green salad, pineapple dessert, bread and drink.

## J.T. Husband Is Candidate For City Council Place 3

J.T. Husband, candidate for City Council Place 3, in the November 6 election, has stated that he is for a better Cisco. He said a better city is needed and the people of Cisco deserve it. Some of the items which he said he would work toward improving are better streets, sewer and water.

Mr. Husband summed up by saying if given the opportunity, he will serve the people of Cisco to the best of his ability.

Although Mr. Husband came here from Mississippi in 1964, he stated he classifies Cisco as home.

He and his wife, Maudie own and operate the J and M Motel, City Cab and the Chat and Curl Beauty Shop. They have three sons, Gary of Abilene, Mike of Cisco and Johnny of Colorado and one daughter, Michelle of the home.

## Loboes Skin Bluecats 14-6 Before Homecoming Crowd

The Loboes of Cisco High School defeated the Coleman Bluecats, 9-AA rivals, here at Chesley Field Friday night by the score of 14 to 6, pleasing the Homecoming crowd. The game was filled with turnovers, 10 in all, making for an exciting and somewhat unpredictable outcome.

The Loboes are now 3-1 in district play and 4-4 for the season, while Coleman is 1-3 in district and 4-3-1 for the season.

Following the introduction of the 14 senior Loboes and one senior manager, Coleman received the opening kick-off and six plays later senior Lobo Steve Hopson came up with the first of four Cisco fumble recoveries.

Cisco was forced to punt the ball away on their first series of plays. However, on Coleman's first play, a handoff from quarterback Reggie Childress to Cody Norris, Norris fumbled the ball and Cisco recovered on the Bluecats 19 yard line.

On the Loboes first play, Ronnie Eudy made a one-handed pass catch from quarterback Barton Philpott and got Cisco's first touchdown with 6:54 left in the first period. The PAT kick by Jimmy Elrod was no good, making the score 6 to 0.

In the second quarter Cisco threatened on a drive which started at Coleman's 30 yard line. Using the running of Donnie Worley, Gary Speegle and Philpott, as well as the pass catching ability of Forrest Starr, the Loboes moved the ball to the seven yard line in nine plays. On third down and needing seven yards, quarterback Philpott went back to pass but

was dropped for a nine yard loss by Bluecat Morris Moore. Lobo Jimmy Elrod tried a 29 yard field goal with 3:41 left in the first half, but it was short and to the left of the goal post.

With neither team being able to sustain a drive, the first half ended with the Loboes leading Coleman 6 to 0.

Following the half-time activities, the Loboes took the second half kick-off from Coleman and started their second scoring drive from their own 29 yard line. Keeping the ball on the ground, Cisco's Philpott, Worley and Speegle moved the ball downfield in 15 plays making five first downs and placing the ball on Coleman's two yard line. A handoff from Philpott to Worley got the touchdown with 6:09 left in the third quarter. On a faked PAT kick, ballholder Forrest Starr took the snap from center Kory Wallace and rolled to his left into the end zone for two more points, making the score 14 to 0.

On the ensuing kick-off, Coleman's Glenn Stuart fielded the ball at about the three yard line and handed off to Cody Norris who loped down the right sideline for a 95 yard kick-off

return to score for the Bluecats. Coleman tried for two extra points, but Lobo Sy Tabor stopped Norris short of the goal, making the score 14 to 6 with 5:54 left in the third quarter.

Coleman threatened to possibly tie-up the game in the first few seconds of the fourth quarter. Bluecat Morris Moore blocked a punt by Lobo Donnie Worley giving Coleman the ball on Cisco's three yard line at the end of the third quarter. A handoff from Childress to Norris gained one yard and Childress took the next snap into the end zone, but an offsides penalty against Coleman wiped out the apparent touchdown and set the ball back on the nine yard line. On the next play, a pass from Childress into the end zone, Cisco's Audie Woolley made an interception killing Coleman's threat.

With neither team able to sustain a drive, the game ended with the Loboes on top 14 to 6.

Outstanding on the Lobo defense were Forrest Starr, Mark Evatt, Audie Woolley, Steve Hopson, Gary Speegle, Sy Tabor, Kory Wallace, John Hagan, Curt Posey, Leslie Agnew and Ronnie Eudy.

Standouts on the Coleman defense were Morris Moore, Reggie Childress, Glenn Stuart, Cody Norris, Roy Adian, Donald Velo, Jimmy Hubbard, Brett Griffin, Bobby Smith and Benny Mendoza.

## Hints For The Aged & Handicapped

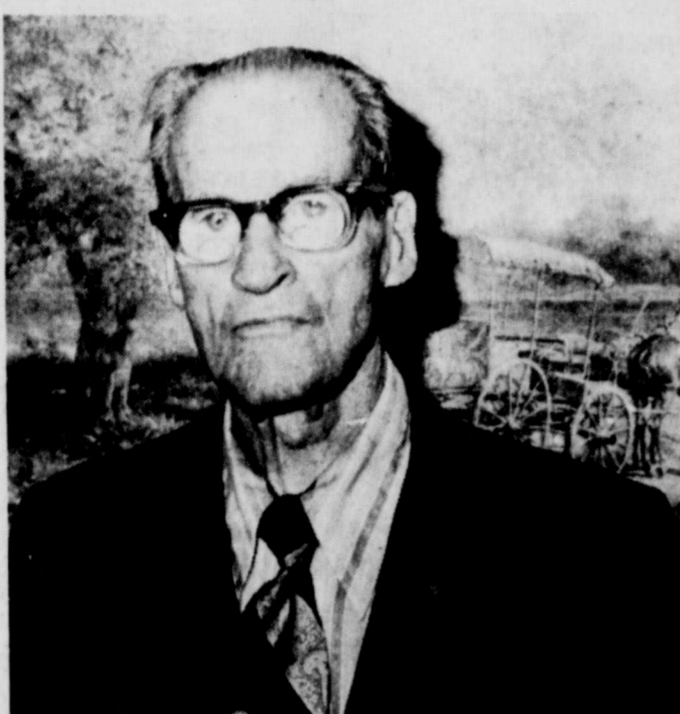

By PATRICIA GALBREATH

**DEAR PAT**--I have found a marvelous way for a family to take care of an elderly (or handicapped) relative who needs help in the kitchen. Most people are aware that an elderly person living alone does not eat a proper diet. There are many reasons; doesn't like eating alone, much food is wasted in preparing a meal for one person, unable to perform kitchen duties and so on.

I usually add an extra pork chop or whatever I am having that day if I'm not sure. When I serve the food, I place portions into a foil T.V. dinner dish. I add a larger portion of something I know

he likes, and kinda skimp on something he doesn't care for much. I immediately cover it with foil, tag it (contents and date prepared), and place it in the freezer. As we only get to visit him once a month, I have 25 to 30 frozen, well-balanced meals that I take to him. These are easy to transport by just using crushed ice in a large styrofoam box if the trip is not too long. Actually, most families always have a bit of food left over so we really don't feel that this is any extra expense

on us and it does help out because most elderly persons receive such little income. The good food provided is great for them, but when you see their face, you know it's the extra helping of love that counts. We make sure the senior citizen in our family knows we care.--Mrs. D.Y.K., III. **DEAR MRS. K.**--If everyone had a relative like you, there would be very few lonely people. I couldn't print your entire letter but, yes, many older persons do prefer to live alone. If a relative can help by doing small things, it preserves a certain amount of dignity, security and self-respect in the older person. He still has the feeling of being able to take care of himself, that he is useful, and that he is not a burden to anyone. He has a feeling of security among his collected treasures, old comfortable furniture, and knick-knacks that are part of his life. Much is asked of a person when he is asked to give these things up. The view from the front porch of the evening sun, the familiar walls and even the sweet flavored smell of one's home can bring an ache to the heart and a tear to the eye when one realizes they are gone forever. No, I don't believe one should be made to "move in with us" or "enjoy the companionship at a rest-home" because he does not function at top level. You don't have to be able to function like the 25-year-old you once were to be able to enjoy your surroundings and get a lot out of life. You just have to enjoy living.

Claude Strong, a resident of Eastland Manor-Ostrom in Eastland, has been recognized as the oldest man in Eastland County according to Mrs. Janet Thomas. He is 99 years of age.

**WE'RE ENDEBTED** to Don Martin, Southwestern Regional Manager for Lone Star Gas Transmission Division, for this clip entitled: **WELFARE WOES...** Sentences taken from actual letters received by the Welfare Department in applications for support. I am forwarding my

marriage certificate and six children. I had seven, but one died which was baptised on a half sheet of paper. I am writing the welfare department to say that my baby was born two years old. When do I get my money? Mrs. Jones has not had any clothes for a year and has been visited regularly by the

clergy. I cannot get sick pay. I have six children. Can you tell me why? I am glad to report that my husband who is missing is dead. This is my eighth child. What are you going to do about it? Please find for certain if my husband is dead. The man I am now living with can't eat or do anything until he knows. I am very much annoyed that you have branded by son illiterate. This is a dirty lie as I was married a week before he was born. In answer to your letter, I have given birth to a son weighing ten pounds I hope this is satisfactory. I am forwarding my marriage certificate and my three children, one of which is a mistake as you can see. My husband got this project cut off two weeks ago. I will be forced to lead an immortal life. You have changed my little boy to a girl. Will this make any difference? I have no children as yet, as my husband is a truck driver and works night and day. In accordance with your instructions, I have given birth to twins in the enclosed envelope. I want money as quick as I can get it. I have been ill in bed with the doctor for two weeks, but it doesn't seem to do me any good. If things don't improve, I will have to send for another doctor.

## The Light Touch

By Clint Bray

There's one nice thing about being a kleptomaniac--you can always take something for it. Children will never put off until tomorrow anything that gives them an excuse for staying up late tonight. Maybe we could live twice as long if we didn't spend the first half of our lives acquiring habits that shorten the other half. Hypochondriac: one who can't leave well enough alone. The only thing that replenishes itself every day is the news. Here's today's headline: You'll find beautiful styles for the whole family at Bray's in Eastland and Ranger.

## 'On The Bridge At Midnight' Opens Saturday In Eastland

Lucky you! You've still got three chances (or maybe just two) to see a Real Entertainment.

It unfolded for the first time to a sell-out audience at Bellhurst Playhouse Saturday night - and that's what it is: an entertainment.

Don't expect "On the Bridge At Midnight" to be one of your average, run-of-the-mill soap operas; a deep, psychological cliff-hanger; or a message-wrapped propaganda piece. These we all have plenty of on the tube.

But if you're really hungry for some good live entertainment, pick up the phone and dial 629-1141, and find out when you can get seats. There's a performance at 2 p.m. Sunday (but it may be sold out), and there's a show at 8 p.m. Monday and Tuesday evenings.

And be ready for some old fashion fun. There'll be pretty heroines, who preen; handsome heroes who are heroic heroic; and villains who hiss. It's from a time when white was white and black was black, and you didn't have to try to figure out the gray area.

The bedsheet-size (8 1/2 by 22) playbill is worth the price of admission, but you'll be glad you went for the fun. Music, costumes, scenery, and a make-believe fantasy that'll have you on the edge of your seat, which every performance you catch.

There's not a weak spot in it, and the exceptional cast includes Ms. Trout, Arther, Alexander, Fears, Moore, Wende, Bullock, Phillips and the following males: Moore, Keffer, Wende, Arther and Bradley. There's even

ENTERTAINMENTS between the three acts. You'll one or more of these gifted minstrels: Earl Bradley, Kay Gray, Ruth Hallmark, Gay Hart, H.V. O'Brien, Nell Ragland, Richard Rossander, Ima Ruth Taylor and Buck Wheat.

Virginia W. Russell is director and Nettie Wilson is coordinator for Entr'acte. Don Nicholas is master of ceremonies and Patricia Ferrell is pianist. Lana Arther and Carol Bullock are stage manager and Earl Bullock is stage carpenter and electrician.

In Charge of the costumes are Mildred Bean, Dee Nevill and Annette Pierson, with Coette Lomeli in charge of make-up and coiffure. At the box office and concessions will be Billye Bradley, Kathy Stevens and Ralph Stevens. Credits got to TEXCO, Victor Cornelius, Eastland Telegram, KERC and Abilene Reporter-News. Tom Tucker is Bell Hurst Custodian.

## Lions Approve Plan To Purchase Bldg.

Members of the Cisco Lions Club voted approval of a committee recommendation that the club purchase the old Church of God building on Avenue F at the weekly luncheon last Wednesday noon at the Laguna Hotel.

Plans call for the building to be purchased for \$6,000 and to be remodeled. The structure will become the permanent home of the Lions Club. The committee report was submitted at the club's Oct. 31 meeting by Chairman Norman Richardson.

## Cisco Garden Club To Meet Thursday

The Cisco Garden Club will meet Thursday, Nov. 8, at 2:30 p.m. in the Federated Clubhouse for a regular scheduled meeting. All members are urged to attend.

# GORDON SPOT

by DeMarquis Gordon

Several homeowners in Eastland County have called to ask about health hazards of asbestos used in building materials. They were naturally concerned because of the publicity of health hazards connected to asbestos.

We contacted Dr. Bill

Stewart, Extension Agricultural Engineer - Structures and Environmental Control, about the dangers of asbestos building materials. Dr. Stewart said there are no hazards in the use of asbestos siding and roofing. However, in the application of these materials, where they are sawed and dust is produced, a filter mask should be used to reduce dust intake.

He also stated that the problems that have been involved in asbestos products are related to long term exposure of asbestos fibers and dust, primarily in the manufacturing process.

Composition roofing does not generally contain asbestos. The newer shingles contain fiberglass, but not in a situation which would pose a hazard.

Cattlemen who graze growing cattle on pastures might be interested in a program that will be presented at the Eastland Young Farmer meeting Monday night, November 5. The meeting will be in the agriculture class room at the Eastland

High School beginning at 7:00 p.m. The program will be on liquid feeds and the feed additive Rumensin. A considerable amount of interest in this subject has been generated in magazines and elsewhere. Everyone interested in the subject is invited. The speakers will be J.W. Jones, Field Manager for Nutrena Feed Division and Frank L. Zellers, Sales Representative for Elanco Products Company.

With dry fall weather and dormant range vegetation, the threat of wildfires increases. Everyone can help in the prevention of range fires. Hunters should be especially careful with campfires, and landowners should be extremely careful in using managed fires.

Fires can be extremely damaging. They destroy vegetative cover which increases the possibility of soil erosion and accelerates water run-off following rainfall. They also destroy valuable livestock feed and food and cover for wildlife and produce an "eyesore" as well as destroy fences and

Other real property. While fire is a valuable tool for use in range improvement programs, especially woody plant control, a wildfire can be destructive to man, livestock wildlife and the land.

Prevention is still the best cure for wildfires. Everyone working together to keep wildfires to a minimum will save untold thousands of dollars to owners and users of rangeland.

Clubs will have educational exhibits on display. Individual exhibits will include needlework with classes for sewing, crochet, knitting, handwork, quilts, and bedspreads. Craft exhibits will include ceramics, decoupage, macrame and other craft items. Classes in the foods division will be pies, cakes, candy, cookies, and breads. Other individual exhibits will include paintings and home canned foods.

The Extension Homemakers Club will sponsor a bake sale from 9-12 noon in the courthouse lobby. Delicious pies, cakes, fried pies, nut breads, and many other homemade baked goods.

The Extension Homemakers Council will meet at 10 a.m. in the church fellowship hall and be followed by a noon covered dish salad luncheon.

Following the noon luncheon, a program on the 4-H Japanese LABO Exchange Youth program will be presented by Robin White and Shirley Kidd, Eastland 4-Hers; and Mrs. John Kidd. The Ronnie White and John Kidd families were host to Japanese youth in their homes this summer as a 4-H cultural exchange learning program.

The day's activities will close with an awards presentation program on individual and club exhibits. Also the club that has gained the most new members will be recognized.

## A GIFT FOR YOU...

Jesus of Nazareth was born almost 2000 years ago. For hundreds of years the great prophets of Israel had foretold His coming. The Old Testament, which was written by many individuals over a period of 1500 years, contains over 300 references to His coming. At the age of thirty, He began His public ministry. In the three years that followed, He gave man the formula for a full and abundant life and for the life to come.

Arnold Toynbee, the most eminent historian of our day, has given more space to Jesus of Nazareth than to any other six great men who have ever lived, including Mohammed, Buddha, Caesar, Napoleon, and George Washington combined.

The Encyclopedia Britannica allows 20,000 words to Jesus. Thinking men of all lands and religions who have the opportunity to investigate the evidence will agree that Jesus is the greatest personality that the world has ever known. They will agree that He is the greatest leader and influence for good the world has ever had, even though some may not accept His deity.

The life Jesus led, the miracles He performed, the words He spoke, His death on the Cross, His resurrection, His ascent into Heaven, all point to the fact that He was not mere man but more than man. As He Himself claimed, "I and my Father are one" (John 10:30). "He that hath seen me hath seen the Father" (John 14:9). It is important to consider that Jesus claimed to be God. He claimed to be the author of a new way of life. Interestingly enough, wherever this message has gone, new life, new hope and purpose for living have resulted. Either Jesus of Nazareth was who He claimed to be, the Son of God, the Saviour of Mankind, or He was the greatest impostor the world has ever known.

A full, abundant and purposeful life awaits any who will receive Jesus Christ as Saviour and trust Him as Lord of his life. Every man must decide what He will do with Christ. "Your eternal destiny," depends upon this decision.

"He that believeth on the Son hath everlasting life, and he that believeth not the Son shall not see life, but the wrath of God abideth on him" (John 3:36).

## Lights From The Christian World

By Josephine Cleveland

"Doth his promises fail for evermore?" Psalms 77:8  
 David, the Psalmist, during one of his troublesome times said that he cried to the Lord. He was sorrowful in the night hours. No one could comfort him. He was unable to sleep and even so troubled that at times he could not speak. He complained and looked back at his past. He wondered about the many circumstances in his life. He "communed with his own heart" and in his spirit searched diligently for an answer. David questioned, "Do God's promises fail?"  
 Sorrows causes us to go slower and inspect our motives and dispositions. It is often the troubles and sorrows that open up for us unknown capacities and insights that we did not realize we possessed. It makes us

willing to launch out on an ocean of service for Jesus and our fellowman. Sorrows can be the means of our attention being drawn to the finer values of life. Difficulties cause you to draw closer to great moments of truths or into deeper chasms. Many a person lives indolently on the outer edge of their own personality until the crash of lightning and the thundering roar of a storm awakens them to their unknown, hidden depths within. It takes abrasive frictions to polish gems.  
 You become fit for the Master's use as you withstand the trials of life through His enabling strength. David found help in remembering God's wonders. He found encouragement in mediating on all God's works. And, he found strength in talking of God's doings. He saw his

troubled waters recede and firmly declared, "Who is so great a God as our God? Thou art the God that doest wonders Psalms 77:13-14."

## For The Men Who Succeed

There Must Be Something Wrong -  
 ....with the men who falls down and refuses to get up or is perfectly content to allow society to look after his well being, or is there? What is wrong, if anything, with the seller who refuses buyer an abstract? Maybe nothing, but there is something wrong with the buyer who weakens at this point and buys hastily without complete title information before him. Think it over and in the meantime, don't do it. Remember - we have your welfare in mind.

## CROP AND LIVESTOCK REPORTS FROM FARMERS AND RANCHERS NEEDED

From mid-November to early January, thousands of Texas farmers and ranchers will receive a crop or livestock questionnaire from the Texas Crop and Livestock Reporting Service or will be personally interviewed by the Service's field staff. The information gathered through the questionnaires and interviews provides the basis for determining the final acreage, yield, and production of crops and end-of-the-year livestock and poultry numbers for the state of Texas and for each county. All of the estimates published by the Texas Crop and Livestock Reporting Service are based on the data provided by Texas farmers and ranchers. County Extension Agents, ASCS offices, and many others in agricul-

ture. This cooperation provides the necessary data which is, in turn, returned to farmers and ranchers and others in the form of accurate estimates, which are so essential in making the wisest production and marketing decisions. Accurate estimates are also essential to farm organizations and legislators in promotion, planning, and enacting wise legislation and are used in establishing acreages and payment levels to producers under the various commodity programs.

The collection and publication of agricultural statistics are a cooperative effort between the Texas Department of Agriculture and USDA. This cooperation avoids duplication of effort, promotes economies, and increases the effectiveness of statistical reports. All individual farm and ranch information is kept confidential, and only state and county summaries become part of the final published estimate. County estimates for 1978 and January 1, 1979, are available on Livestock, Poultry, Dairy, Field Crops, Small Grains, Cotton, Vegetables, Fruits and Pecans, and Cash Receipts from the Sale of Texas Farm Commodities. Bulletins can be obtained from the Texas Crop and Livestock Reporting Service, P.O. Box 70, Austin, Texas 78767, or by writing Reagan V. Brown, Commissioner of Agricul-

**USDA PROPOSES REDUCTION IN PENALTIES FOR OVER-MARKETING OF PEANUTS**  
Peanut growers who unintentionally marketed more 1978 and 1979 crop peanuts than their poundage quotas would have their penalty for excess marketing greatly reduced if an amendment proposed by the U.S. Department of Agriculture is put into effect.  
According to officials of the

department's Agricultural Stabilization and Conservation Service (ASCS), unintentional excess marketing occasionally occurs during harvest season when warehouses and other marketing points are crowded with farmers waiting to dry and market their peanuts. Most excess marketings are the result of mistaken bookkeeping or other paperwork errors, according to the officials.

The reduced penalty for unintentional peanut marketing is authorized by recent legislation. ASCS county committees will determine if the excess marketings were unintentional.

The proposed amendment would reduce the current

25.2 cents per pound penalty for peanuts unintentionally overmarketed to 2.1 cents per pound for the 1978 crop and 4.2 cents per pound for the 1979 crop.

Producers who intentionally try to circumvent peanut marketing quotas would still be subject to the 25.2 cents per pound penalty.

The department is proposing also a change in the method of establishing peanut quotas for farmers who marketed less than the poundage quota for their farms. Currently, if farmers market less than their yearly quota, they are given "credits" which allow them to market their quota plus the undermarketing in a future year. Under present

regulations, these undermarketing credits can be accumulated and carried over several years. Today's proposed change would not permit undermarketing credit to accumulate past the first year. Thus, the credit would have to be used the first year following the undermarketing.

### Eastland Jaycees Haunted House Is A Huge Success

The Eastland Jaycees have termed their first annual Haunted House a huge success and wish to thank everyone who attended for coming and showing their support.

Eastland Jaycee President Pat Howrey stated that the club met their expected goal and that approximately 1000 people from Eastland and Eastland County passed through this years Haunted House without losing a single person in the process.

Howrey also said that the citizens can expect an even bigger and better spook house next year, thanks to the response that the people gave this year.

Many people who came through the Haunted House this year have asked who the people were they saw inside and out of the Jaycee Hall where the Haunted House was held, so for their sake here are the names and parts played by each of the Jaycees involved:

Jaycee wives who did a great job of helping take tickets, sell refreshments, clean up and help keep the monsters from dying of thirst, also a big thanks to Jaycee Saul Pullman for the use of the Building, and to Don Griffin for the use of the lighted sign and Tom Wilson for letting use his gigantic Frankenstein.

Bonnie Murray also gets a big salute from the Jaycees for making the costumes and KERC Radio for their help in promoting this event. H.V. O'Brien and Joe Willis are truly appreciated by the Eastland Jaycees.

Once again the Eastland Jaycee hope that everyone enjoyed this years Haunted House and ask that everyone make plans to be their again next year because we'll scare you again.

The Jaycees also want to make a special thank you to the Eastland Telegram and KERC Radio for their help in promoting this event. H.V. O'Brien and Joe Willis are truly appreciated by the Eastland Jaycees.

Region 4 nurses of the Texas Department of Health will hold a nursing clinic on Monday, November 5, 1979, from 10:00 a.m. to 12:00 noon and from 1:00 to 3:00 p.m. The clinic will be held at the Bethel Baptist Church, 1306 W. Main in Eastland.

All individuals are urged to attend and take advantage of the free screenings for anemia, diabetes, hypertension, vision, and hearing, or to discuss other health problems.

## Use ZIP For Best Service During Christmas Season

Sectional Center Manager Jack D. Watson is reminding customers that for the best service this Christmas season they should use ZIP Codes, place their return address in the upper left corner of the envelope and use proper postage.

"By following these suggestions," Sectional Center Manager Watson says, "Customers will be assured good mail service this holiday season."

It is important that families "double check" envelopes and cards to be certain that proper postage is affixed.

envelopes without postage will be returned to senders, if possible, or delayed by postage-due procedures.

When the return address is placed on envelopes bearing holiday greetings, it also helps remind friends of one's current address.

And, if the family to whom a holiday message is sent moved more than a year ago, it cannot be forwarded. With a return address, Sectional Center Manager Watson says, such letters are returned to the sender with a notation that the following "order" has expired.

OBSERVATIONS FROM

## The River Road

BY VIOLA M. PAYNE

Of all the enjoyable things in this world I must say that I place pecan picking high on the list. Not pecan picking for money, although I have the highest respect for those sturdy folk who tackle the trees with poles. And I realize, that to feed people in the cities, there must even be mechanical shakers and all the volley of equipment used on the commercial orchards of the uplands. But when I think of pecan picking, I think of picking for fun, alone in a secluded grove beside the river, rimmed by oaks and wild china. This is a private Eden - minus the serpent - shut away from any hint of agitation or disharmony.

It is easiest to pick standing up, while the nuts are still hanging in the half cracked hulls. Never mind that they are going to stain your fingers as indelible green, and that your movements under the trees will bring out some curious, bright-eyed squirrels. You are slipping ahead of them and the seven other kinds of creatures who base their life-style on the nuts. You realize that you actually don't want to take all the nuts away from these animals and birds - that the groves and hills are their home, and you are only a visitor.

But it is nice to linger with the visit, to feel the warm sun on your back and peer through pecan clusters toward an incredibly blue sky. People of this world will do almost anything to find happiness. They will fly on planes to faraway places, sail the ocean, marry a wife, or even rob a bank. But all during this time happiness

has been waiting nearby, shy and illusive, hiding in the unexpected golden moments of life. It is these moments we should take time to savor, for we lose anything we do not appreciate.

I am far from a Pantheist, who believes that God actually lives in things of nature. But nature, if rightly understood, bears many marks of its Creator. There is a wonderful economy in its design, where everything has a purpose and nothing is wasted. And what is more beautiful in all this world than a graceful, symmetrical pecan tree? No man can create the life in this tree, or even explain how it turns the elements of the earth into the protein and mineral-packed marvel of a pecan. Sometimes a tree seems to almost have an intelligence of its own, when its silence is broken by the wind.

Trees have many lessons to teach us: lessons of fortitude, courage and faithfulness. More than anything, they teach us how dependent we are upon the bounty of God. For we, like the trees, are children of the Universe, and we all need rain from Heaven.

During pecan picking time I am always sympathetic toward absentee owners of land in Eastland County. They may be getting a profit on paper, but they are surely missing the fringe benefits. Like this feeling, as you walk under the trees, that all the parts of your life are falling into place. Or like feeling that the One who created the beautiful trees and the myriad forms of life on the river is bound to have even more care and interest in you.

## 250 Attend 4-H Awards Banquet

The 1979 Eastland County Awards Banquet was held Tuesday night, October 30 at the Cisco High School Gym. The Theme of the Banquet was "Freedom To Be." The theme was carried out through the use of placemats and wall decorations. Banquet tables were also decorated with Halloween Jack-O-Lanterns. Approximately 250 members, leaders, and parents attended this year's banquet. Hosts of the banquet were parents and members of the Cisco 4-H Club.

Many of the outstanding 4-H youth and Adult Leaders were honored for their dedication and hard work for their 4-H program. The Gold Star Girl Award went to Terrye Jeffs of the Gorman 4-H Club. ## Evangelist Tony Gonzales To Be At First Assembly Of God Church Sunday

Evangelist Tony Gonzales of Rialto, California, will be at the First Assembly of God Church, 308 West 7th Street, Cisco, on Sunday evening only, Nov. 4, at 7:00 p.m.

He has been ministering in Song and Word since he graduated from The Latin American Bible College of California in 1971. His ministry has taken him throughout the world proclaiming the Good News of Jesus Christ.

He can also be remembered singing with the famous "Galileans" from Dallas. He traveled quite extensively with the group doing church,

concerts and also television appearances.

Evangelist Gonzales has recorded two solo albums since leaving the Galileans. His first album is entitled "To All My Friends" and his latest release is "Rise Again." Both albums were recorded and produced at Rainbow Studios in Dallas.

His ministry will bless the heart as he allows the Holy Spirit to use him in gifted areas (I Corinthians 12:8-10) to edify the Body of Christ and to uplift the name of Jesus Christ.

Pastor O.T. Killion invites the public to attend.

**HALLOWEEN** was a big success for the young folks of our town. There were many ghosts and goblins out trick-or-treating. And the Lions Club had a big crowd at their carnival at Community Gym.

Probably the biggest trick we heard about took place out back of the Cisco High School building. Somebody put a torch to the pile of wood that CHS students had been gathering for a homecoming bonfire. City firemen went out at 11:45 p.m. Wednesday, Oct. 31st, after the fire was discovered.

Part of the wood was saved and students worked long hours Thursday and there was a successful bonfire during a pep rally to launch homecoming activities.

City firemen sent two trucks out southwest of town Thursday afternoon to fight a grass fire on the Billy Joe Taylor place. Damage consisted of burning off between 50 and 100 acres, firemen said. No buildings were in the fire area.

**COLUMNIST** George Dolan of the morning Fort Worth Star-Telegram used his space Wednesday morning for a Halloween piece entitled "A house full of goose bumps." The article concerned the late Dr. G.M. Stephenson who practiced medicine here for many years.

Dr. Stephenson's youth was spent with his parents on a ranch near Paint Rock, south of Ballinger. There was a haunted house—the towering rock Ostrander mansion. The Weldon Ostrander family of four literally vanished from the house and community, leaving a meal set and untouched on their dining room table.

Stories circulated about foul play. Folks thought the Ostrandors had been murdered and that their spirits lurked in the mansion. Grown men hesitated to enter the house at night.

One day, young Stephenson rode his horse to the house and slipped in, scared half-silly, and tiptoed about. He found everything as it had been described — dried food in dishes and the house furnishings intact. The air

was stagnant and oppressive. He returned from time to time, always feeling goose flesh, for a year or so until somebody bought the house and moved into it.

Back of the house, young Stephenson found deep pools in a creek that were stocked with imported fish. And that discovery sort of completed the Halloween theme, providing both tricks and treats. The treats were the fish that he caught and took home — strange fish that his mother could never understand how a boy could manage to catch.

**NEXT TIME** you're by the Brown Sanitarium, you'll want to drop in and admire the remodeling work that Dr. Chief Brown has done there. The front waiting room and business office as well as Dr. Brown's treatment area have been redone. Same is very attractive indeed.

In the waiting room, they used parts from an antique garden seed cabinet in decorations that were very unique and attractive.

**UNDERSTAND** the 1979 quail season opens in our area on Nov. 17th and that the bag limit has been increased from 10 to 16. All of which indicated that there's a good quail crop in prospect.

We saw several quails running across the street out Bliss Street way recently . . . Mrs. E.D. (Louise) Anderson reports seeing six or eight quails in the yard at their home at 1011 West 14th Street last Thursday . . . Heard quail whistling at the Cisco Country Club golf course the other day.

**MORE THAN** 250 people attended the county 4-H Club awards dinner at the CHS gym last Tuesday night.

Understand this was the largest gathering for the annual event in several years . . . The E.L. Jacksons got home early last week after visiting relatives in Oklahoma and Arkansas . . . Wm. E. (Bill) Austin, the furniture man, started talking Thursday afternoons off on Oct. 1 . . . Ivan Webb of Kamon Petroleum flew to New York City last Wednesday to transact business.

Understand Robert Kamon, head of the firm, is currently in Australia on business . . . That was a nice article by Correspondent Helen Wallace about the Brad Kimbroughs in Friday morning's Abilene newspaper.

**LET'S ALL** get set to do our part in the annual Cisco Community Chest Drive, which is now being conducted. The \$11,000 budget represents only about \$2 per person for our citizens, and the budget represents the money needs of virtually every organization that works in our community . . . And let's all go out to the polls and cast our votes in the city and state election next Tuesday . . . The CJC golf team played in a four-team tournament in Abilene on Friday, and Coach J.L. Stafford will take the players to Huntsville for a tournament one day this week.

**Country Club Ladies Luncheon To Be Wednesday**  
The Lake Cisco Country Club ladies luncheon will meet at 12 noon Wednesday, Nov. 7. If anyone has not yet made reservations call Ms. Mike Kelly at 442-3857 on or before Monday noon.

**Acknowledges Gifts**  
Dr. Norman Wallace, president of Cisco Junior College, acknowledges the contributions to the Cisco Junior College Memorial Endowment Fund by the First State Bank and employees of Grandview and the Jake Bennett family in memory of Jimmie Campbell.

Survivors include his wife; a son, Johnny of Moran; a daughter, Mrs. Lane (Janell) Morris of Grand Prairie; two brothers, Leonard of Long Beach, Calif. and Andrew of Farmington, N.M.; two sisters, Virgie Garrett of Sterling City and Marguerite Sherrod of Tahoka; and five grandchildren.

Pallbearers were James Garrett, Bert Jones, W.W. (Jack) Moore, Everett Womack, David McNeil and Arnold Yawn.

## Mary Lloyd Carey To Be Guest Speaker At Cisco Writer's Club Nov. 13

Mrs. Carey grew up in Cisco and graduated from Cisco High School.

## Country Club's Annual Meeting Set For Nov. 15

## 80 Plus Club To Be Formed Monday, Nov. 5

The most unusual, and perhaps the most elite, club is being formed Monday, Nov. 5, at the Senior Center!

The club name will be known as the 80 Plus Club. The reason it is so exclusive is because a person must be 80 years of age or older in order to be a member.

Ninety-eight candidates, from the western part of the Eastland County, will be honored during the nutrition luncheon program, Monday, and certificates will be issued to each person qualified to be a member of the club.

The purpose of the 80 Plus Club is to enable those who were in this section of the county, prior to 1900 to be able to share their experiences and to become better acquainted.

Another exclusive factor of the club is that it has no dues, no officers, plus having to be 80 years or older to be a member.

Each person, who has not registered, and is eligible to be a member should call the office of Ruth Cartee, 442-2263, and make reservations for the luncheon. This is very necessary so proper honors will be given to those 80 years or older, and to also provide lunch for the 60 and 70 year old people who will be attending the luncheon.
