Hall Of Remarks by Herrel Hallmark

I UNDERSTAND that the Cisco Blood Drive Committee wishes to extend their apologies to Matt Johnson of Cisco for inadvertently omitting his name as a blood donor at the November drive. They stated, "Matt is an outstanding young man who has generously given of himself at every drive and we certainly want to give him due recognition."

YOU MAY NOT have noticed the article in this newspaper a few issues back on February 10th saying that all subscriptions will soon be mailed out to subscribers. There will be no papers thrown out in persons' yards, due to the ever-increasing price of petroleum products and other reasons as well.

The delivery of all papers through the postal system will place everyone's paper in their mailbox, hopefully the weekend paper will be delivered on Saturday and the mid-week paper on Wednesday.

In order to get the papers to the mailbox for delivery, the printing schedule of the paper will have to be changed. Plans call for the weekend paper to be printed Friday afternoon and the mid-week paper to be printed on Tuesday afternoon. We will need everyone's cooperation in order to make the changes as smooth as possible and urge everyone to call, or bring in, any news items or advertisements as soon as they can for publication.

Probable deadlines for the mid-week paper will be 10 a.m. Tuesday, in order to allow time for news articles to hopefully be set before noon so the pages can be made up during the afternoon.

On Friday the deadline for the weekend edition will also probably be 10 a.m., again to allow sufficient time for typesetting and composition before the papers are printed.

We know this schedule will be a little hectic and hard to abide by until everyone gets used to the new times and deadlines; however, it is hoped that YOU, the subscriber, will be better served by the new system and will find the delivery of your paper along with your mail more convenient.

Please bear with us until all the "bugs" can be worked out of this system. Tentative plans call for the new delivery system to begin with the March 2nd edition of this newspaper. At the present time, stencils for the mailing system are being prepared and every effort is being made, both by us at the newspaper and the local Post Office staff, to make the transition as smooth as possible.

Senior Citizen's Nutrition Menu

The Senior Center is a place for happiness. But you say what is the definition for happiness?

Happiness is people who know how to brighten a day with heart-warming smiles and with kind words they say. People who know how to gently impart the comfort it takes to cheer someone's heart. People who know how to always come through when there's anything they can possibly do. People who know how to willingly share, who know how to give, who know how to care, who know how to let their warm feelings show, yes, they are people that others feel lucky to know.

This is the spirit among the people who attend the Senior Center. Be among those who find happiness by sharing fellowship with one another by calling 442-1557 or 442-2263 and making a reservation for a wonderful nutritious luncheon.

The programs for the week were classified as outstanding! Cliff Andrews and his partner, Tommy McAda, brought to the group country and western music at its prime. Also, George Faulkner, CJC cafeteria supervisor,

Rev. John Clinton To Conduct Seminar Wed.

Otis Expects To Employ Up To 60 Men This Year

Otis Engineering Co. expects to have 50 to 60 men on the job at their new Cisco plant by the end of 1980, Plant Manager Gene Guinn told the Lions Club in a talk at their weekly luncheon last Wednesday noon at the Colony Restaurant.

Mr. Guinn said the plant schedule calls for 150 to 180 men to be employed here in two years.

The Otis plant, which occupies the old Boss Manufacturing Company building on the Breckenridge highway, is presently

tooling up to begin producing a new line of products, Mr. Guinn said. The company, which is part of the Halliburton Oil Well Manufacturing Company conglomerate, deals worldwide in oil field equipment and services.

company has played an important role in oil field equipment and service for more than 50 years.

Lion Eddie McMillan was the program chairman and presented Mr. Guinn.

Lions voted to stage a Lions Club Carnival in conjunction with the annual Cisco Folklife Festival planned for April. Lions Bobby Smith and Ralph Glenn were named chairmen of a golf team to represent the Cisco club at the May district convention in Abilene.

Boss Lion Archie Chamness is president. Gregg McKee, manager of the Sonic Drive-In, was a guest.

First Evangelical Methodist Church To Sell Sausage

The First Evangelical Methodist Church will be selling Corn Gold Sausage as a fund-raising project beginning March 1st. For everyone's convenience, Corn Gold Sausage is formed into tender patties and packed in a three pound box, designed to fit neatly into refrigerator or freezer. Each box contains 32-1 1/2 ounce servings.

To place an order, contact any member of the First Evangelical Methodist Church.

Concerners To Meet Sunday

The Concerners meeting will be held Sunday, February 24, at 5:30 p.m. at the Church of the Nazarene, Avenue N and West 10th Street. Tommy Lane of Cisco will be in charge.

Come and receive a blessing.

Open Space Land Exemption Available

Applications for landowners who would like to qualify their land for an open space land exemption or an agricultural use exemption for the 1980 tax year are now available at the Cisco ISD Tax office located at 610 Avenue D.

If anyone is unsure as to whether their land will qualify; please contact the tax office as the period to fill will end on April 1, 1980.

Children's Musical Comedy To Be Staged By CJC Drama Troupe

"Androcles and the Lion," a children's musical comedy, will be staged by the Cisco Junior College drama troupe Tuesday and Wednesday, February 26 and 27, in Harrell Fine Arts Auditorium, at 1:00 p.m. The play is being produced for area school children as a drama project of the Fine Arts Department.

Fred Mullinax, director of the play, said that "Androcles and the Lion" is the story about a man who removed a thorn from a lion's paw and is later rewarded for this kind deed.

The costumes have been made by the students and are quite colorful. In addition to the Lion and Androcles, other characters in the play are Caesar, the emperor; Hermione, wife of Androcles; his mother-in-law; and numerous Romans and slaves.

Don Morrison To Speak At Community Room

Don Morrison of Throckmorton will be speaking Tuesday night, February 26, at 7:30 at the Community Room of the First National Bank.

Everyone is invited to attend.

David Camel Webb On Dean's Honor Roll At A.S.U.

David Camel Webb of Cisco, a student attending Angelo State University in San Angelo, is listed on the dean's honor roll for the fall semester at the University.

Webb, a finance major at ASU, is listed on the 3.50 to 4.00 honor roll.

Approximately 1200 reservations have been made, but there were still a few seats available at the time of this writing. Schools attending will be Cisco, Ranger, Cross Plains, Sydney, Moran, Carbon, Breckenridge and Baird.

The general public may buy tickets at the door for 50 cents.

45 Pint Credit Given At Feb Blood Drive

Many thanks is extended to those generous blood donors who participated in the third, bi-monthly Cisco Blood Drive held February 6.

The bi-monthly drives, a project sponsored by the Cisco Civic League and the Cisco Service Club, came about due to a 900 pint debt to the Mary Meek Blood Bank of Abilene, which had accumulated over the last ten years.

With the 45 pint credit at the February drive, 45 units at the November drive and 69 units at the September drive, Cisco has reduced its debt considerably, in addition to maintaining its adequate blood supply.

During the last months of these regularly scheduled drives, Cisco has developed an outstanding reputation in this particular area of interest. So great is this need, life itself is dependent on your response - and the Cisco citizens have truly responded!

Fourth bi-monthly blood drive is set tentatively for April. Thank you to the following blood donors who were so generous at the February 6 Blood Drive:

Ervin Addy, Brenda Adkins, David Adkins, Randy Agnew, Mrs. Eldon Anderson, Garner Altom, Gladys G. Barrett, Gaynelle

Baum, Joe W. Branham, Bobby Burton, Charles Canistraci, Bobby Christall Jr., Reu Crockett, C.W. Davidson, Frances Davidson and Kenneth Eaves.

Kirk Evatt, John Ferguson, Dianne Fisher, Al Gaeta, Ralph Glenn, Burnice Gorr, Benny Hagan, Eddie Hargrave, Steven Hays, Jay Hubert, Doris Humphries, Matt Johnson, Mona Lambeth, Robert Lindsey, Oscar Lopez, Helen Orr, Willis Parker, Judy Pharr, Phillip Reeves, Sharene Richardson, N.D. Sherman, Pauline Sheuren, Rodney Sikes, Bruce H. Smith, Cheryl Ward, Elizabeth Ward and Richard Ward, Ivan Webb and Debbie Weeks.

A special thank you to: George Gallegos, Louis A. Hollywood, Willie Hunt, Nora Kennedy, Kathy McGilvray, Tommie Pope and Gayla White. And to the following individuals and businesses for their help: The Cisco Press, KERC Radio Station, Cisco Chamber of Commerce, Cisco Junior College, Gene Abbott, Ted Fields, Fontaine Floors, Sonic Drive-In, The Donut Shop and Madison's Western Wear, and to many other businesses displaying posters, thank you!

DID YOU KNOW that dusting lightbulbs can increase their life up to fifty percent ---
DID YOU KNOW that Bill B. Hart was a prosecuting attorney for six years --- well he was. [Pd. Pol. Adv.]

AAUW Meets
Thursday February 21, the Ranger Branch of the American Association of University Women met in the home of Mrs. Gilbert Meredith.
Mrs. Truman Fambrough, program chairman, introduced Mrs. Leonard Marusak, Mrs. Viola Boyer, and Mrs. Joyce Dennis who spoke on "Special Education Program in the Ranger Schools."

Mrs. Marusak showed a film and transparencies to show the method she uses in teaching children in grades 4-6. She said, "People are more alike than different and should be educated together as much as possible. If one is placed in a special classroom, the teacher should start where he is and individualize his instruction. It's important to remember that all children do not learn the same way."

Mrs. Merideth and co-hostess Clara Simer served delicious refreshments to the three speakers and to the following members: Mrs. E.H. Bobo, Corvis Beck, Lem Bray, Walter Daniels, Truman Fambrough, Ben Freeman, H. H. Oliver, Hurl Pittman, Tom Page, George Robinson and W.T. Smith.
Mrs. Tom Page, president, presided over a short business session. Minutes of the previous meeting were read and approved and the treasurer's report was given.

Jan Herring Exhibit Opens Monday

The ninth annual art exhibition, featuring the paintings of distinguished master technician, teacher and professional painter, Jan Herring, will be displayed in the lobby and conference room of the Eastland National Bank February 25, 1980, through March 7, 1980, and art lovers are extended a cordial invitation to visit during regular banking hours during this time. The exhibition, composed of oils, watercolors, and enamels, is being scheduled in conjunction with Mrs. Herring's popular annual two-week art workshop in Eastland.

Regular classes for the workshop are already filled to capacity with a waiting list in case of cancellations, but there are a limited number of classes available for the afternoon lecture-demonstrations. Anyone interested in these should contact Mrs. Austin McCloud at 629-1598 to secure the necessary reservations.

Jan Herring attended an opening exhibition in Longview Saturday, February 23rd, and will arrive in Eastland late Sunday. In addition to the Longview and Eastland exhibitions, she will be exhibiting at Columbia Basin College in Pasco, Washington from March 4th to April 4th, during which time she will conduct a three-day seminar. From there she will go to Portland, Oregon and Pocatello, Idaho, where she will be conducting workshops. Other workshops planned for this year will include Pensacola and Panama City, Florida, Cloudcroft, New Mexico, Pocono Pines, Pennsylvania, and Ulysses, Kansas. She is also planning an exhibition with the South Arkansas Art Center in May.

Born in Montana, Jan Herring now lives in a one hundred plus year old house in Clint, Texas. In private life she is Mrs. Henry Herring. Her husband is a dairy farmer and they are parents of three adult children, and grandparents of three lovely little granddaughters. Mrs. Herring's time is divided between home responsibilities, painting and teaching.

Mrs. Herring received her education at North State Teachers' College in South Dakota, the University of Texas at El Paso, and completed special studies with Frederic Taubes. She is associate teacher with Frederic Taubes, artist-in-residence at the El Paso Museum of Art, presents art workshops throughout the Southwest, and lectures extensively throughout this area. She teaches annually also in her own studios in Cloudcroft, Destin, Florida, and in her home studio in Clint.

Mrs. Herring's remarkable glazing techniques have brought her national recognition both as professional painter and as a teacher. An expert on composition, she has authored the very successful "The Painter's Composition Handbook" in which her original ideas give the student a practical as well as creative approach to the designing process. Her latest book, "The Painter's Complete Portrait and Figure Handbook", is uniquely designed for the artist enabling him to master the difficult head and figure with natural artistic symbols.

Among the major awards and recognitions Mrs. Herring has received are included the following: American Artist's Gold Medal; New York City Center prize for oils; New York Allied Artists Heydenrick Award; El Paso Sun Carnival, first oils; Nomination, Ford Foundation. Grant; Roswell Museum, sculpture; Member, Board of Election, Ford Foundation; New York Knickerbocker Exhibition; New York Allied Artists, Grumbacher Award; New York, One Man Show Award, Burr Galleries; Fort Worth Art Center, Purchase Show, and International Designer Craftsman, El Paso.

Included in Mrs. Herring's two hundred seventy-five one-man shows have been: New York Burr Galleries; New York Petite Gallery; Tulsa Art Center; University of Idaho; Sand Hills Museum; El Paso Museum of Art; Fort Worth Art

Center; University of New Mexico; Lubbock Museum; Roswell Museum; Brigham Young University, and the Santa Fe Art Museum. The artist has public collections in the Grumbacher Collection, New York; Lub-

bock Art Center, Lubbock, Texas; Roswell Art Museum, Roswell, New Mexico; Lubbock Art Museum, Lubbock, Texas; First National Bank Building, Lamesa, Texas, and the University of Idaho, Pocatello, Idaho.

Galleries where Mrs. Herring's paintings are displayed include: Jinx Galleries, El Paso, Texas; Framery Gallery, Houston, Texas; Galleries, San Angelo, Texas; Prichard Gallery, San Antonio, Texas; L&L Gallery, Longview, Texas; Herring Studio & Gallery, Cloudcroft, New Mexico and Clint Texas; Dos Pajaros, El Paso, Texas, and Spellman, Ft. Walton Beach, Florida.

Mrs. Herring has been featured in reviews and reproductions of her art have appeared in such periodicals as Art News; American Artist; La revue modern; House Beautiful; House and Garden; International Platform Association, and Who's Who in American Art.

As a technician, painter, sculptor, enamelist, teacher and author, Jan Herring is

Children To Show Art

All children in Eastland County and surrounding areas are invited to show

their art work at Cisco Junior College Library during the month of March. This show will be for all children, not just art students. It will not be a judged show. The art for children is so beautiful and pure that it will be a pleasure for all to see. Any medium will be accepted, pencil drawings, oil, water color, crayon and any type work done.

Put name, town and age on art work. Bring art work to the CJC library on March 3 or to school. Pick up art work on March 31. If more information is needed call Vallie Parker, 442-2681.

30TH ANNIVERSARY

Thank You

We'd like to take this opportunity to express our appreciation to the good people of Eastland County for the confidence that they've placed in our firm for the past 30 years. Way back in 1950, we started out with one employee. Throughout the 30 years we have been in business here, we've constantly tried to give good value, good service, and treat every customer fairly. It's a fact that that kind of attitude works, because 30 years later, we've grown and grown. We now have 11 employees, and thanks to our faithful customers, we're still offering the same principals, and hope to be for many years to come. We hope you'll drop by, and let us thank you personally for having had the privilege of serving you these many years. And in the future, we hope that you'll remember CITY GARAGE when we can be of service to you. We believe that 30 years of experience makes us qualified to say that "We'll treat you right."

The past two weeks have been busy for everyone here at the Cisco Nursing Center. Among activities being held regularly, we had a special "Valentine's" party for everyone, with the ladies from Bible Baptist Church in charge. The ladies did a beautiful job of entertaining the residents, served cup cakes and punch to those in attendance, and those unable to come, were served in their rooms. The girls from the Cisco High School Homemaking I and II Department's made valentines for everyone, also Valentines were brought from the East Cisco Baptist Church Rebekah Sunday School class members, so we have an abundance of beautiful hearts among us now.

We were privileged to have some of the members of the Romney Church of God 7th Day come Saturday, February 16, and bring good music, it was well received by our residents and we are looking forward to having them with us on a regular basis in the future. We have added

First Industrial Arts Club Meeting

The First Industrial Arts Club held its regular meeting Thursday at 2 p.m. at the Women's Club House. The meeting opened with the usual formalities, with the president, Mrs. R.A. Cole, presiding. After considering a few business items, Mrs. Cole presented Mrs. W.W. Wallace, program chairman for the day, who introduced Mrs. O.L. Stamey, who was to speak on "How to Lobby for a Bill in the Legislature." Mrs. Stamey said that since her husband had had first hand experience in lobbying a bill in the legislature, she asked him to speak on the subject.

Mr. Stamey mentioned a number of things one must consider if he wishes to lobby. First, one must be registered with the Secretary of State before lobbying. The exception to that rule is that one may lobby directly with one's senator or representative without registering. He said group lobbying is very effective, giving as an example our own Cisco Junior College. He spoke of the untiring efforts of the late Mr. R.N. Cluck who served as superintendent of the Cisco Public Schools and Cisco Junior College at the same time. He, along with the public school officials and the school board, lobbied successfully for the establishment of a state supported Junior College in our district. In concluding his remarks, Mr. Stamey advised the club women to lobby with their representative, Mr. Joe Hanna, concerning any piece of legislation they wish passed.

Mrs. Wallace then introduced Mrs. Carl Kleiner, a native of

Mrs. Milton Humphreys to our volunteer program as driver for some of our ladies to go to the college on Tuesday mornings to the Beauty School, to get their hair styled. Our volunteers are appreciated, without them we could not do our job here efficiently. So if any of you have some time to spare we would appreciate your calling us at 442-1471. An hour once a week, or month would be of great assistance, also help some lonely person pass a day without loneliness, or help with reading to someone who can not see well or is blind. We have a multitude of needs here, and are again grateful to all of you who help us any way you can. God bless each of you.

We are looking forward to the monthly birthday party to be held on Thursday, February 21st. This affair will be in honor of all our residents who celebrate birthdays in February. The Pleasant Hill Home Demonstration Club will be in charge.

Japan. Yukiko told of the customs of her people, how she made her way to America via Los Angeles, then on to Mexico City where she studied the Spanish language and culture. Later, she decided to go to New York City, and it was there she met and fell in love with Carl Kleiner, a native Ciscoan. Yukiko wanted to be married in Japan in the presence of her family. This they did and later came to Cisco where they have made their home since. Yukiko told of her difficulty in learning to speak English. She paid tribute to her mother-in-law, Mrs. Lloyd London, who patiently helped her become adjusted to American customs. She says that even though she gets homesick to see her family, she loves America and has no desire to return to Japan to live. She is very proud of her American citizenship.

At the conclusion of her talk, Mrs. Howard Cole, hostess for the day, assisted Yukiko in serving Japanese tea, fortune cookies and other dainties from a table with an oriental centerpiece. Yukiko was charming in her native dress.

Before the meeting adjourned, the president reminded members that the next meeting would be the Texas Day tea hosted by all of the clubs of the City Federation. The meeting will be in the fellowship hall of the First United Methodist Church at 2 p.m. At this time, our State Representative, Mr. Joe Hanna, will speak and show slides that he made on a recent trip to Russia with Governor Clements and other representatives. The public is invited to attend this special occasion.

Diamond

Of The Future

By Viola M. Payne

One of the problems of world trade which the United States has to contend with is that this country does not have the natural resources in gold, silver, or even precious gemstones to undergird the type of prosperity its people want.

Whatever America once had in these types of commodities has been generally discovered and mined out. At this time efforts are being made to salvage some gold from old mines in California, New Mexico, Colorado, and Alaska. But obviously this country must try to sell its wealth of foodstuff, cotton, and other things on the world market in order to maintain a trade balance and a stable currency. With the U.S. supplies of raw lumber depleted, productivity in manufactured goods down, oil reserves down, comparatively little gold and silver reserves, and Government deficits climbing -- it is no mystery why the dollar has plunged to a dangerous low.

Add to that 500 billion dollars pumped from the U.S. into foreign aid during the last 50 years, plus one global war and two smaller ones, plus the fact that all countries except Finland still owe the U.S. war debts, and the picture becomes rather sinister. Russia, for example, has never bothered to repay its debts to us for World War II survival, although it has much gold in the Ural mountains and a large gold reserve.

In the midst of this tangled situation some people in this world grow richer while most of the population grows poorer.

"When people have more money than they know what to do with," states Don M.

Ervin, of The Diamond Center in Ranger. "They start looking for something tangible to invest in - like gold, silver, land, or gemstones. They turn to diamonds, which are pure carbon and the most enduring substance known to man. But diamonds, like land, can vary from very poor quality to very fine."

As well as being durable, a diamond is one of the most beautiful objects ever created. When properly cut, it is like a bit of frozen fire, ice-clear yet shimmering with prisms of rainbow color. Diamonds are commonly found as rounded, eight-sided crystals, in an area where there was once volcanic action. The soil where they are generally located is weathered to a soft yellow, or the bluish-green kimberlite known as "blue ground". Genuine diamonds can be distinguished from other colorless minerals - such as quartz or topaz - by their superior hardness, the eight-sided cubical shape, the bright refraction, dispersion when cut, and brilliant greasy luster when uncut.

"Many people think," says Al Anderson, jeweler of Cisco, that diamonds cannot be shattered or broken. This is simply not true. Due to their peculiar grain, even cut diamonds will sometimes shatter or split."

Diamonds can withstand temperatures up to 1800 F, so are not be harmed at all in an ordinary house fire. They are also not attacked by any sorts of acids or alkalis.

A few diamonds have been found in the United States, mainly in Arkansas and California. Most are found, however in South Africa, India, Brazil, Rhodesia, and in the Congo. The South African diamonds are considered to

be the finest on the market.

In the last year alone the price of diamonds has gone up 50 per cent - a feverish rise which as brought the stones to an all-time high. No one predicts what will happen next. But it is certain that all stones should be reappraised at present value for insurance purposes.

"Diamonds are very responsive to inflation," explains Don Ervin. "But my private opinion, here at the Diamond Center, is that an individual should not buy a diamond just as an investment - unless he can well afford to lose some money on it! And the worse way to buy a diamond for any purpose is to buy through the mail, or to buy from a stranger. A lot of diamonds are bought and sold through the mail now, with the public having no guarantee on what they are getting."

"I think a diamond should be bought for its beauty - by people who appreciate it for what it is. A person should get use and enjoyment from owning it. The average citizen does not have the detailed knowledge needed for investment buying. For example: a one-carat diamond, current price, can range in value from \$5,000 to \$40,000, yet it would take an expert with the proper tools and experience to detect the

full difference in grade. So the person buying has to rely on a trustworthy dealer.

"The average citizen also, has no resources for marketing diamonds at their highest prices, if he decides to sell. He has to buy retail, and sell wholesale. Unlike the established jeweler, he does not have the information of a 'Buyer's Guide', indicating which buyers and sellers in the business can be trusted."

Until recent years most diamond cutting was done in Europe, but Mr. Ervin states that he believes the cutting is now done in America. This has become a huge industry, with locations in New York, Los Angeles, Miami, and Chicago. In order to learn this profession, a young person begins as an apprentice. One recent innovation in diamond cutting is the use of Laser beams to drill holes into the stone and remove minute flaws. These holes then filled, and cannot be detected unless the gem is placed under a microscope.

Mr. Ervin mentions that the appraisal of a diamond has a number of factors. "Of course you need modern tools, for you can't rely on judgement or vision alone. But beyond that is the inexplicable but very real quality of instinct. There is a saying: 'If in doubt, don't buy!'"

Al Anderson, from Anderson's Jewelry, added more words of caution. He explained about a new synthetic diamond called cubic zirconia, describing it as "so like the real stone that it will fool almost anyone." He laid a carat-sized zirconia on a piece of dark cloth, and noted its iridescent shimmer.

"As many years as I have been in the business I cannot tell the difference between this stone and a diamond when it is mounted. Unmounted, I can test the stones by weight and other things, and know which is the real thing. But how

would an untrained person ever know?"

"I definitely advise persons who are buying diamonds to deal with established persons whom they can trust."

The local jewelers were warning, I realized, about a situation as old as mankind - vulnerable innocence matched against experts who could be ruthless. This could happen in any area of life.

It was too bad it had to involve such beautiful natural things as diamonds, which were meant to be a blessing to man.

GORDON SPOT

by DeMarquis Gordon

The energy crunch has caused a number of people to return to the use of wood burning stoves for heat. The fireplace is also being used more and more the last few years. Once again wood ashes have become plentiful around many homes. As a result, we often get questions concerning the value of wood ashes as an additive to garden soil.

One question frequently asked "Are wood ashes beneficial?" It depends on your soil, but generally yes, it can be beneficial. This is especially true if your soil is acid and low in potassium, calcium and magnesium. Most of our Eastland County soils are alkaline, which means the PH is high. Since ashes have a high PH they tend to make alkaline soil even more alkaline and this ties up some of the nutrients. Therefore, we can say that ashes would be beneficial in acid, sandy soils, but not on black or heavy clay soil.

Ases can be harmful if too much is used. The PH of most ashes is about 10 to 12 which is very high, since about 80 to 90 percent of wood ashes are water soluble mineral matter, high rates can cause salt to build up in soils, resulting in plant injury.

If your soil is acid (below 7 PH), you may use up to 15 or 20 pounds of dry wood ashes per 1000 square feet of

garden area. For lawns, keep below the 15 pound level. For flower beds, apply about one pound per 100 square feet. Always consider the following general rules in applying wood ashes:

- 1) Do not apply wood ashes to your garden more than once per year.
- 2) Wood ashes are very low in nitrogen; so, add additional nitrogen fertilizer with the ashes.

The actual nutrient content will vary with the material burned. The following list is an average for both soft and hardwoods:

Constituent	PerCent
Phosphorus	1.80
Potassium	5.46
Calcium	23.30
Magnesium	22.14
Iron	2.80
Copper	.13
Manganese	.75
Zinc	.20
Carbonate Chloride	23.31
Sulfur	.38
Boron	.15

Wood ashes do have value and can be beneficial, but know your soil before you

apply. If in doubt, obtain a soil test. Mailing cartons and instructions are available at the County Extension Office.

INDICTMENTS RETURNED

Six DWI repeaters are among those indicted by a 91st District Court grand jury which was in session this week.

Among the indictments are DWI, subsequent offense, six counts; passing a forged instrument; burglary of a habitation; unlawful possession of a controlled substance; burglary of a building; theft by check of services over \$200, under \$10,000; and criminal mischief.

VFW Flag Pole Fund Contributors

Latest contributor to the VFW Flag Pole Fund is the Charles Crawford Chapter, Daughters of the American Revolution, according to VFW Post Commander Bill Kerr.

The Chapter, of which Mrs. Joseph M. Perkins is regent, gave \$5.00 in memory of Marene Johnson-Johnson, who was a WAC and loved the flag as much as one possibly could.

This brings the total fund to \$490. Commander Kerr reports and a special dedication service is planned for Memorial Day this year. Others who wish to contribute, may do so through Mr. Kerr, or in care of the local newspaper or bank.

For The Men Who Succeed

Growth and Problems are Twin Companions -
and go along together in the evolution of Progress. Two years ago in a Western city, we witnessed the processing of 4400 County Clerk documents into the records of a large title plant. Every day it was the same. Every instrument filed added another entry to someone's abstract and another problem to the abstracter who processed it. And as we walked away, we thought of our big responsibility in preserving your title records even in this small county. Yes, it's a problem, but Progress in action!

4-H ADULT LEADER'S TO MEET

There will be a meeting of the Eastland County 4-H Adult Leader's Association on Monday night, February 25 at 7:00 in the TESCO Reddy Room in Eastland. Topics on the agenda include: Report on the meeting of the Scrapbook Committee by Betty Jo Hart; Report on the County-wide Clothing Training by Donna White; Report on Livestock shows by Danny Lamberth and a special "Share Time" for leaders. Each club in the county (Gorman, Rising Star, Cisco, Nimrod, Eastland, Ranger) will have a leader tell what their club has been doing for the past few months. The report might include such things as new program ideas, new projects, future plans, etc.

There will be a meeting of the Food Buying Committee for the Livestock Show immediately following the Adult Leader's Meeting. Committee members include Betty Jo Hart, Joan Brown, and Marcell Laminack. Several committees will be formed at the Adult Leader's meeting Monday, so it is important that all 4-H leaders attend. If you have any questions, please call the Extension Office at 629-2222 or 629-1093.

The Light Touch
By Clint Bray
Our friend's greatest ambition is to be able to afford to spend what he's already spending. Parent's note to teacher: "Please excuse Johnny from Spanish class. His throat is so sore he can hardly speak English." One trouble with living it up is, it's often difficult to live it down. So far the only gas conservation plan that really works is rainy weekends. There's only one problem with being a good sport. You have to lose to prove it. You're always a winner at Bray's in Eastland, Tx. See us for the new spring styles in shoes.

NARFE Meet

The Colony Restaurant in Cisco is the new meeting place for the National Association of Retired Federal Employees. It is located just off Interstate 20 in Cisco.

Members will meet Tuesday, February 26th at 4 p.m. for a dinner and program to be presented by Janet Thomas.

To Celebrate

Lois and Bill McAfee will be honored on the occasion of their 50th wedding anniversary with a Come and Go Reception on Sunday, February 24, 1980, from 2 to 4 p.m. in the Eastland National Bank Conference Room.

Hosting the reception will be their children: David and Neva McAfee of Abilene, Al and Jodi Hill of Stephenville, and Larry and Donna Franks of Fort Worth.

Mr. and Mrs. McAfee have lived in Eastland 34 of their 50 married years. All friends and relatives are cordially invited.

Engagement Announced

Mr. and Mrs. John Rodgers of Carbon announce the engagement of their daughter, Lori Kim, to Jeffery White, son of Mr. and Mrs. Wayne White of Eastland.

Wedding vows will be

exchanged on Saturday, March 22, 1980 at 3 o'clock in the afternoon at the Daugherty Street Church of Christ in Eastland. No invitations will be mailed locally. All friends and relatives of the couple are cordially invited to attend.

Lights From The Christian World

By Josephine Cleveland

The woodworker has been a respected man of his community from earliest times. He could take an ordinary piece of wood and it would

become an artistic piece. Beautifully carved statues, crosses, pulpits and stalls found in the monasteries, convents, basilicas erected in Europe during the middle ages show the craftsmanship of these men.

The ordinary workers for an ancient king were said to have been paid in barley. The woodworkers were paid in silver.

The tomb of Tutankhamen, twelfth ruler of the eighteenth Egyptian dynasty, who lived about 1370-1352 B.C. contained hun-

dreds of artistic pieces by woodworkers.

Can you see the woodworker today as he carefully, patiently takes the wood into his hands? He uses various tools for forming a masterpiece. The rip-saw cuts the wood. The planer makes the wood a uniform thickness. The joiner is used so the thickness of the shaving can be varied to suit the kind of lumber to be planed. He places the wood on a table against a steel cutoff gauge. With the circular saw, he painstakingly crosscuts the wood. The ripping fence cuts the wood lengthwise with the grain. The shaping with a lathe is done by the tools in the hands of the turner. Finer blades of the jig saw are used to cut out delicate work.

Friend, it seems at times that you are being shaved to the point in your life that nothing is left but shavings. It is then that the loveliness and beauty of your life can

be seen and you become of value to others...fit for the Master's use.

It takes time, endurance and often pain; but it is worth it all to be made in the likeness of the greatest craftsman of all, Jesus.

"Let the beauty of Jesus be seen in me. All His wonderful passion and purity."

Sabanno News

By Mrs. Jack Rector

There has not been much moving around here in this community this past weekend. I think everyone was trying to keep the stove warm. Gee that wind was really something.

Mrs. Oddie Dawkins, Mrs. Ray Churchill, Mrs. Jack Rector, Mrs. Mayme Churchill, Mrs. Jene Alexander, will host a house warming Sunday, February 24, for Mr. and Mrs. Golden Lawson at their new home in Sabanno. All friends and neighbors are invited to attend from 2 to 4.

Mr. Wes Holcomb was taken to the Baird hospital last Monday where his condition was very serious. I talked to Daisy Saturday night. She said Wes is much improved and they hope to return to their home in Cross Plains in a few days.

Mr. and Mrs. Golden Lawson visited Wednesday at the Baird hospital with Mr. and Mrs. Wes Holcomb. Mrs. Lawson visited Mrs. Zenonia Strickland Saturday.

Mr. and Mrs. Truett Dawkins were Eastland visitors last Wednesday. Truett attended a REA meeting last Saturday in Comanche.

Mrs. S.C. Tucker of Rising Star visited her sister, Mrs. Pat Erwin Saturday afternoon.

Talked to Edwin Erwin he said he has no news but was doing pretty good just trying to keep warm.

Mr. and Mrs. Arze Green, Mr. and Mrs. Golden Lawson played (murder) Saturday night and the girls have nothing to say. (Poor things.)

Mr. and Mrs. Lester King made a trip to Temple last Monday. Lester had a checkup and received a fair report. Mr. and Mrs. Darwin Pharr of Cisco had dinner Sunday with Mr. and Mrs. Lester King and Jerry.

Mr. and Mrs. Troy Watson visited Mr. and Mrs. Donald Watson and Mr. and Mrs. Virgie Benson in Rising Star Friday. Mrs. Watson reports that Troy is much improved.

Mr. and Mrs. J.R. Rector visited Sunday with Mr. and Mrs. Jerry Foster and children in Stephenville.

Cisco 4-H Holds Meeting

The Cisco 4-H met Thursday evening at 7:00 at the Cisco Intermediate School for their regular monthly

meeting. President John Bailey conducted the meeting. Laurie Cagle, secretary, read the minutes. Kathy Choate gave the treasurer's report.

Donna White and Danny Lambeth, assistant county extension agents, were present to present a program of giving Method Demonstrations.

Other business included report of the county council, the discussion of the current "Horse Project," and discussion of upcoming projects including arts and

crafts, child development and the clothing project. A report on the upcoming scrapbook contest was also given.

4-Hers were reminded of the upcoming Eastland County Livestock Show and were reminded they will be expected to help in the concession stand upon assignment.

It was also announced that 4-H t-shirts are on order and members will soon be able to purchase such.

The large 4-H membership was represented by a large crowd. A complete 4-H roster will be printed

soon.

A THOUGHT FOR THE WEEK

By Armo Chambers

There are many anxious times in everyone's life. We all experience much woe...and troubles...and strife...and disappointment...and tragedy...But then into every life comes a golden moment...and every thing seems worthwhile. The world is exactly right for a brief space of time.

What are these golden moments that we hold in our hearts forever? The golden moments... A man and woman standing in front of an altar of God promising to love and cherish each other forever... Holding a new baby in your arms... A child putting his arms around you and saying, "I love you"... Seeing a daughter in her first party gown... Watching a beautiful sunset with someone you love... Looking into the radiant eyes of a new bride and seeing the happy smile of her father...

These are a few of life's golden moments. Once you have experienced them you are never quite the same again.

People Things

A FORT Worth company, Rah-Ran, Inc., has purchased the building at 105 East 9th Street from Archie Chamness, local contractor and realtor. We understand that an announcement can be expected soon to the effect that the firm will move a machine shop to Cisco by mid-summer.

The machine shop, which is a pretty large one, will employ from 10 to 15 people. YOU MIGHT WANT to go down to Rising Star on Monday night to attend the annual CofC banquet. The speaker will be Coach Gordon Woods of the Brownwood Lions. He is the winningest high school coach in the nation and has been awarded several state and national

honors for the success of his grid teams. CofC Manager Gene Abbott and others from the CofC plan to attend from Cisco. The Cisco CofC, by the way, is getting organized for a quarterly breakfast meeting March 5th. You'll be hearing the details very soon.

CITY MANAGER John Boland and CofC Manager Abbott were in Abilene last Wednesday for an all-day conference of CofC and community leaders. Same was organized and conducted by the West Texas CofC. Postmaster Louie Gilbert was in Fort Worth Monday, Tuesday and Wednesday attending a regional meeting of postmasters. Did they talk about postage rates? Nope... just about how to do a better job of handling the mail. PM Gilbert and Ronnie Ledbetter, who are in charge of a men's steak supper party at the Cisco Country Club, report that the date has been changed from Feb. 26th to March 6th.

YOU PROBABLY saw in the newspapers about the death the other day of Lum of Lum and Abner radio fame. At least one Ciscoan mourns his passing. He and Mr. E.L. Jackson of our town are both natives of Mena, Arkansas, and often enjoyed visits when they returned for Lions Club or old settler reunions. A group of ten Ciscoans flew out to Las Vegas, Nevada, for a mini vacation last weekend. Mr. Steve Wheeler, data processing professor out at Cisco Junior College, was in charge of the program at the Rotary Club luncheon last Thursday noon. Rotarians are completing plans for a ladies night dinner next Thursday out at the Colony Restaurant.

AN ITEM IN this column recently about Mr. Russell Willis, manager of the Valley Chamber of Commerce at Weslaco, concerned a program by the CJC choir at a Mineral Wells meeting that Mr. RW remembered. He was in charge of the program and still remembers how nice it was.

Mr. O.L. Stamey, retired educator, was president of CJC at the time and recalls the meeting, too. It was in 1953 and Dr. Robert Clinton, now president of the junior college at Snyder, was the CJC music director. A feature of that program, Mr. Stamey recalls, was the singing of The Lord's Prayer by Mr. Jack Chambless, one of the finest baritones ever to live in our community.

Mr. Stamey remembers that the applause given Mr. Chambless and the choir was outstanding and that Mr. Willis received many compliments on the program that he arranged.

MR. CHAMBLESS, you know, is now Dr. Jack Chambless, head of the music department at the university at Las Cruces, New Mexico, and you will be distressed to hear that he suffered a massive heart attack early last week in Almagordo, New Mexico.

We understand that Dr. Chambless was in Almagordo to speak at a meeting when he was stricken. He was still in intensive care at the Almagordo hospital early this week. He grew up here and is a brother of Mrs. F.B. Altman of Abilene.

FORMER CISCOAN Steve Lanham, who is production superintendent for the Abilene Reporter News, and his wife will be the leaders for a trip to Hawaii that the newspaper is sponsoring this spring. Guess you noticed that gas prices went up another five cents per gallon this past week. And wasn't the sandstorm last Thursday a real lulu?

Lenten Services At Redeemer Lutheran

Lenten Services at Redeemer Lutheran Church in Cisco will be held each Sunday evening at 7:00 o'clock beginning February 24. Pastor Dell J. Crockett announced that the general Lenten Theme is "Don't Be Afraid!" Themes for each week are:

February 24 (Lent I): "Don't Be Afraid to Love!" I John 4:18-21. How will it look, getting up from the table, taking a basin of water and a towel, and washing the feet of the disciples? How will it look, getting up from our comfortable lives, risking, caring, washing away the hurts of others? We're afraid of what others will say, afraid of being made into someone's servant. We're afraid to love. But Jesus gets up from the table, takes a basin of water and a towel, and begins to wash feet. And HE says to us today, "Don't be afraid to love."

March 2 (Lent II): "Don't Be Afraid to Be Alone!" John 16:32. In the lonely anguish of Gethsemane's garden, our Lord prays to the Father. HIS sleeping friends will become fleeing friends. One of HIS own will betray HIM. To be alone, truly alone, is one of our greatest fears - cut off from family and friends, separated from human care and concern. But Jesus was not alone. The Father was there. Nor are we ever alone. Not when Jesus is in our hearts and lives. Even when we must suffer the loneliness of sickness or sadness or rejection, we are not alone. We need not fear.

March 9 (Lent III): "Don't Be Afraid to Say You're Wrong!" I John 1:8-9. Our fears take us to the hearing before Caiaphas, the high priest. Knowing that he was wrong and that the One before him was truly the Messiah, Caiaphas nevertheless refused to say the words that could have led to freedom and life: "I'm wrong, I have sinned. God, help me." How many hearts are closed off from mercy and compassion by the fear of admitting wrong! We hide our fears with a covering of excuses, rationalizing away the wrong, pretending to be just. Don't be afraid to say you're wrong, for Jesus took upon Himself all our wrongs. We are free to be unafraid of being wrong. And then we are right - right with God through Jesus Christ!

March 16 (Lent IV): "Don't Be Afraid to Be Accepted!" Luke 12:4-7. "Judas went out and hanged himself." In that brief sentence lies a terrible tragedy. Shamed by his cowardly betrayal, Judas felt himself to be beyond help and beyond hope. He ended his life in despair. Our sins surely make us unacceptable to God. Our tears could lead us also to despair. But the power of the Lenten message is that God does not despair of us. HE does not give up on us. HE instead breaks through in HIS Son, Jesus, and by faith in the person and work of Jesus we are accepted by our heavenly Father. We don't have to be afraid to be accepted, for we are!

March 23 (Lent V): "Don't Be Afraid to Speak Up!" Matthew 10:32-33. Simon Peter, afraid to speak up, cowered in the shadows of the courtyard of the high priest. His fears stopped his tongue. When challenged for being Jesus' follower, the disciple spoke with denials and oaths. To speak up for our trust in Jesus, to step out into life with faith in Christ as our Savior, to live by that faith—these are fearful actions with sometimes fearful consequences. Unless we speak and walk and live by faith in the Son of God who speaks and walks and lives in us! Then we learn that we don't have to be afraid to speak up about HIM, for HIM, to HIM.

March 30 (Lent VI): "Don't Be Afraid to Do Right!" I Peter 3:10-12. Fearful Pilate, knowing what was the right thing to do, waived, bent, and then collapsed under the pressure of the crowd. To do the right thing is fearful, for the powers of evil are ever opposed to God, to the man and woman, the boy and girl of faith. Compromise is always easier - and often seems right. But by faith in the uncompromising power of God's love for us in Jesus Christ, we learn that we don't have to be afraid to do the right thing each day of our lives.

April 3 (Lent VII): "Don't Be Afraid to Produce Much Fruit!" Galatians 5:22-23. Many Christians want an uninvolved Christianity - go to work, then home to some

other chores; go to Church, then home to some other self-pursuit however worthy and necessary; with little or no personal service as leaders or workers for Jesus. Other Christians want to bear even more fruit for Jesus than they are already producing. They have learned that it is not burdensome, but a great privilege, to bear much fruit for the Son of God who bore their sins and eternal death of Calvary's Cross!

April 4 (Lent VIII): "Don't Be Afraid to Die!" John 19:30. "Death scares us at times also, the wrong time, almost every time. Yet, all of us are dying, marching to a grave somewhere, sometime, somehow. For the child of God in Jesus Christ, death is never the end, but the beginning - of living in heaven with Jesus forever. HE finished off our death in HIS death. HE opened our graves by HIS resurrection. In Jesus Christ, we never have to be afraid of death.

April 6 (Easter I, 7:00 a.m.): "Don't Be Afraid to Live Powerfully!" Mark 16:7. To some Christians, Jesus has become so 'old hat' that they have lost a lot of excitement which they once felt about HIM. Christian service might now be more of a chore than a challenge. Or, faith in Jesus as Savior has been lost altogether over a period of time. The Son of God who lives again in HIS resurrection assures us that we can live again, be revitalized now, and have a soaring Christian faith now!

April 6 (8:00 a.m.): Easter Breakfast in our Parish Hall for all members and guests at worship.

April 6 (9:15 a.m.): "The Power of the Resurrection" is the name of the Easter Film, in color, 60 minutes, which will be shown in the Parish Hall. The film traces the life of Peter after the resurrection of Jesus, through Pentecost, and to the martyrdom of the Apostle of faith and courage.

April 6 (Easter II, 10:30 a.m.): "Don't Be Afraid to Let Things Happen!" I Corinthians 15:1-11. A lot of Christians seem to have goodness with godliness, religion

without repentance, a short dash of Christianity minus the long run of faith. At HIS resurrection Jesus made life happen for us forever. Easter 1980 assures us that we can let that life happen to us every day of our lives!

The members and pastor of Redeemer Lutheran Church cordially invite the public to worship with us during the forty days of Lent, as we give special thanks in special services for the forgiveness of sins and power for daily living which is there for all in Jesus Christ our Lord.
