

**Hall Of
Remarks**
by Herrel Hallmark

WITH THE WARM weather we have been experiencing lately, there are a number of persons seen going toward Lake Cisco with boats of all types during the week and especially on weekends. This weather, when the wind decides to quit blowing so hard, is perfect for outdoor activities such as boating.

The week of June 1-7 is being observed as National Safe Boating Week.

The Texas Safety Association is joining President Jimmy Carter in urging all boaters to "Set Their Course for Safety" during the June 1-7 observance.

"Boating is everyone's sport," Donald Speier, TSA vice president for Recreational Safety, said. "Nearly 60 million Americans enjoy the freedom and thrill of boating each year, and most of them do it safely. To keep it that way, we must all do our part in making people aware of proper boating practices."

As a guide to safe boating during the 1980 boating season, the Texas Safety Association asks all boaters to:

*Check and heed the weather forecast before boating.

*Advise your family and friends staying ashore of your travel itinerary.

*Make sure your boat is sound, fully equipped with safety equipment, and suitable for the planned trip.

*Take enough personal flotation devices for all of your passengers and make sure that at least the non-swimmers and children wear them at all times.

*Make sure a second member of your party can operate the craft and knows the area of operation.

*Keep a lookout for swimmers and avoid swimming areas.

*Be careful when you are changing positions in a small craft so as to avoid tipping over.

*Protect against the sun's glare with sunglasses and skin lotion.

*Save "happy hour" celebrations for the homeport mooring.

Be a defensive boater. Plan ahead and "Set Your Course for Safety" at Lake Cisco this summer and for years to come.

THE SWIMMING POOL at Cisco City Park opened for the season last Friday, May 30, with a free splash day for all. The pool seemed to be staying pretty busy throughout the weekend and will probably continue that way for most of the summer, due to the hot temperatures and the closing of public schools for the holidays.

THE HOT DAYS have been causing quite a few thunderstorms to roll into this area later in the afternoons and during the night and early morning hours waking people up with high winds and thunder and lightning.

So far, Cisco has not received any really damaging winds or hail but has been getting a pretty good amount of rain, which it definitely needs and can still use more of this year with the hopes of raising the level of Lake Cisco.

WHAT WOULD you think about a type of train shuttle-system between Abilene and the Fort Worth-Dallas area? This was an idea mentioned to us at the newspaper office by Fred Scott of Cisco on Monday of this week. He said he had been wondering if such an idea might be feasible, or possible, for this area since there is not too heavy of train traffic on the local railroad lines running through the area.

This might be an idea worthy of some consideration by the proper authorities on the matter, since a regular timetable might be set up and persons might be able to save on gasoline expense.

With the price of gasoline these days, the more you can save, the better off you will be finance-wise.

Annual Partnership Golf Tourney Slated June 7-8

The third annual Partnership Golf Tourney will be played this weekend (June 7-8) at the Cisco Country Club and plans for the event are complete, according to an announcement by Bobby Smith, chairman.

More than 24 teams are expected to compete in the tourney and qualifying scores and entry fees are due by Friday night, Mr. Smith said. The tournament is open to all area golfers, he added.

J.L. Stafford and Bennie Nichols, two of the top Cisco golfers, won the team trophy last year and they will defend their title.

Senior Class Of 1975 To Hold Reunion

The Senior class of 1975 will hold its five year reunion on August 2nd and 3rd of 1980. Contact Lee McMillan at 442-1359 or Richard Riggs at 442-3106, for location, information and further details. All former class members are urged to attend.

Burgess Softball Team Will Play In Area Tourney

The Burgess Industries slow-pitch softball team, which was organized this spring, will play in a tournament at Cross Plains this weekend, Manager Gary Stennett reported. The team's first game will be played Friday night.

The Burgess team plays its home games at their new field on company property back of the plant off East 14th Street. They have played in tournaments at Eastland and Breckenridge and a number of games with a break-even record. Games are usually played on Thursday nights and on weekends.

Pitchers for the team are Joe Jarvis and L.O. Thompson, and Manager Stennett is the catcher. Other members of the team include Kim Squires, Dennis Campbell, Larry Campbell, Gary Dutch, Bryan Ezzell, Ronnie White, James Jackson, Al Senterfitt, Lacy Benton, Tim Cheshire and Johnny Cagle.

There will be four prizes in each flight - winner and runner-up, consolation winner and lame duck winner. The entry fee is \$35 per team.

Plans call for two 18-hole matches on Saturday - at 8:30 a.m. and 1:30 p.m. - with shotgun start. The finals will be one 18-hole round starting at 1:30 p.m. Sunday.

Young Medical Doctor Plans Move To Cisco

Dr. George S. Luczkiw of Toronto, Canada, has signed an agreement to move to Cisco to practice medicine, according to an announcement by Administrator Garner Altom of E.L. Graham Memorial Hospital.

A young general practice physician, Dr. Luczkiw visited Cisco for three days May 8-10 and signed the agreement on May 28th.

Plans call for him to begin immediately on the necessary paper work to emigrate to the United States.

Dr. Luczkiw, 27, is unmarried. He is a graduate of the University of Toronto Medical School and completed internship in 1979. For the past year, he has been in private practice in Toronto. He is interested in various sports. He was impressed with the Cisco area, Mr. Altom said.

Mr. Altom said that it will take several months for Dr. Luczkiw to complete paper work and meet requirements to practice medicine in Texas.

that position since 1979. For a short time before that he was deputy sheriff for Eastland County. With the Austin Police Department from '71 to '75 Eaves served as a member of the Special Weapons and Tactics Unit, where he was a fire team leader. Between then and his move to Eastland County Eaves worked for Dow Chemical Co. in Freeport; he moved to Eastland County in 1979. He has attended Tarleton State University and is a graduate of Comanche High School. Kenneth Eaves and his wife have two children.

served as assistant chief. A Kokomo born-Eastland raised man, Morren joined the armed forces in 1941 where he served for 25 years. Retiring in Eastland in 1966, Morren claims 400 hours of law enforcement and training and 13 years of experience. With two children and his wife Bounita, Morren managed to receive a certification by the Texas Commission on Law Enforcement Officer Standards and Education in 1971.

Kelly Wins 6th In Barrels

Kelly Gentry, daughter of Mr. and Mrs. Doyle Gentry of Ranger, represented the Ranger High School Rodeo Club as she participated in the Fifth Annual Lone Star High School Finals Rodeo at the Fair Park Coliseum on May 23 and 24. The two day show featured the fifteen top cowboys and cowgirls who had com-

peted in the 22 rodeos over the Lone Star Rodeo season. The Finals featured 13 events consisting of bareback riding, calf roping, breakaway roping, saddle bronc riding, pole bending, team roping, goat tying, steer wrestling, barrel racing, chute dogging, steer undecorating, ribbon roping and bull riding.

All the rodeo events featured full sized stock.

Awards for the finals consisted of saddles for first place winners in the finals rodeo and for the year. Also saddles were presented to the All Around Cowboy and Cowgirl. Belt buckles were presented to the first six place winners for the finals and for the year.

Lone Star High School Rodeo Association is comprised of 45 high school based clubs located in Dallas, Kaufman, Van Zant, Collin, Ennis and Eastland Counties. There are over 605 paid members in the association supported by over 1815 parents, sponsors and school teachers. The entire association is financed by entry fees paid by the contestants plus donations made by numerous interested firms and individuals.

Kelly won a first place belt buckle in barrels for the Finals Rodeo.

The High School Rodeo Club is very proud of Kelly's achievements in Rodeo Competition. For the 1979-80 school year Kelly has served as vice-president of the Club and was elected by the members as the Club Sweetheart.

State Comptroller Bob Bullock has reduced the size of the Texas Sales Tax Return to a single form not much bigger than a postcard. The pre-printed form will be put into use this month in an effort to reduce taxpayer paperwork and book-keeping costs. More than 250,000 taxpayers are expected to be able to use the simplified return.

Methodist Church Appointments

United Methodist Bishop W. McFerrin Stowe, resident bishop at the denomination's Dallas-Ft. Worth area, announced the pastoral appointments for local churches, at the closing session of the Central Texas Annual Conference meeting here at Texas Wesleyan College, Wednesday, June 4, 1980. The list of appointments is as follows:

- Carbon-Luther Helm
- Cisco-David Adkins
- Eastland-Arthur Anderson
- Gorman and Desdemona-Dewaine James
- Rising Star-Bill Easley

District Horse Show

The District 8 4-H Horse Show has been set for June 26 with Invitational Events, and June 27 with the Qualifying events. The show will be in Brownwood, Texas at the Earl Q. Wilson arena. 4-H members interested in participating in roping or jumping events, need to contact the County Extension Office by June 6, and entries are due on June 13. For further information on the District Horse Show, contact the County Extension Office at 629-1093.

Burglary Investigated

3 juveniles were arrested Tuesday, for the burglary of the Arco Service Station located on Highway 80 East. The Ranger Laundry Mat located at 321 Main Street, Ranger, and also for the burglary of the coin box at the Car Wash located on the corner of Walnut and N. Rusk, and the attempted break-in at the post office, Ranger, Texas. Investigation was made by the Ranger Police Department and the Eastland Sheriff's Office.

The Eastland County Fair Association met recently to start plans for the upcoming fall fair.

The 1980 county Fair will be the first weekend in October on October 2nd and 3rd and 4th states Mrs. Frances Cox, overall Fair Chairman.

Mrs. Lois Raley, of the Ranger Garden Club, reported the Garden Club would again sponsor the Horticulture division. Mrs. Raley stated that workers have been secured and plans are underway to expand this division.

Mr. and Mrs. Troy Cross, booth chairmen, gave a report. They stated that numerous organizations and

businesses have already reserved booth space for this year's Fair. Groups and individuals desiring a booth space for the Fair should contact Mr. and Mrs. Cross at 629-2878.

Division chairmen were discussed, and these will be secured in the next two weeks stated Mrs. Cox. Individuals and organizations desiring to help out at the Fair are urged to notify Mrs. Frances Cox at 647-1514. The County Fair is a total county effort and each community's support and involvement is needed.

There are plans underway this year for some special activities and good entertainment.

The next County Fair meeting will be on Monday, June 23rd at 7:30 p.m. in the Eastland National Bank Community Room. Everyone is invited to attend this meeting and support the Fair.

ELECT
KENNETH NEIL EAVES
SHERIFF

Wherever I have campaigned I have found citizens filled with pride in Eastland County. Everyone wants the very best for the county.

On June 7 you will be electing a Sheriff to a four year term. I urge you to study both candidates carefully and vote for the man who will best serve you, the citizens, and the office.

Sincerely,
Kenneth N. Eaves

Speaking on the Subject of Quality

... it is always an appreciative compliment when so many of our customers tell us they like our abstracts. They must for many of them have been doing business with us for more than 30 years, and still are. There is no secret attached to this expression of confidence. A quality product produces confidence. And we are proud that we have both - the confidence of a host of customers and a quality product to sell them.

ANNOUNCEMENTS

(Pd. Pol. Adv.)

We the concerned citizens of Ranger take this opportunity to publicly acknowledge our sincere thanks and gratitude to our Eastland County Sheriff, Johnnie Morren, for the loyal support he has shown our city.

We especially appreciate the personal interest our sheriff has shown concerning the problems of our young people by being available for consultation. Johnnie's ability to relate with people of all ages is an exceptional quality that we sincerely admire.

Johnnie's provision of loyal and efficient deputies that maintain and abide by his policies are definitely an asset to the citizens of Ranger.

Johnnie's efforts to assist and work with our city patrolmen or other law official when necessary has reduced the crime rate considerably in Ranger. Recently, for the first time in several years, all our law officers are working together, relating well and through cooperation have accomplished outstanding progress that is deserving of our gratitude and honorable mention.

Our sheriff's standards toward more efficient law enforcement is making a giant step toward the safety of our homes, personal property and providing us with the opportunity of a better Ranger that we can be proud of.

Thank you Johnnie for a job well done and we wish you the best in the coming election on becoming our County Sheriff for the next term.

Bullock's Postcard Relieves Paperwork

AUSTIN, Tex.—State Comptroller Bob Bullock Monday unveiled a new streamlined sales tax return—the best and shortest in the nation—that he says will reduce paperwork and bookkeeping chores for most Texas businesses.

Bullock said the short form sales tax return is about the size of a postcard and will be into use this month.

"The best and shortest in the nation, bar none," he said of the new return, "and it won't take a fancy-pants Dallas lawyer to fill it out."

Bullock said 85 percent of all Texas sales tax permit holders will be able to use the short form.

"Now more than a quarter-million taxpayers can fill out their taxes on a pre-printed 9-by-4 inch card in probably less time than it takes to make out a grocery list."

The new short form requires less information from taxpayers than the current sales tax return and state, city and metropolitan transit authority tax rates are combined in one computation.

The new form will also shorten processing time within the Comptroller's office.

Bullock said the design of the form is the result of a concentrated effort by his department to adopt reform measures that assist taxpayers by "making paying taxes as uncomplicated as humanly possible."

"Cumbersome forms at the Comptroller's office are going the way of gas-guzzling cars—into the junk heap."

Bullock said federal officials say government required paperwork at state and local levels nationwide costs between \$5 to \$9 billion to prepare each year.

"And, they didn't count the frustration level of those who have to do this paperwork and bookkeeping," he said.

"Our new return is just short of being revolutionary. It's a current application of some old advice: Keep it short and keep it simple," he said.

Monthly taxpayers will begin using the new form in June to report their May taxes and quarterly taxpayers will use the new form starting in July to report April, May and June sales.

Letters to the Editor

Dear Sir:

I write this letter to you in hopes that some people in Eastland County will be awakened to observe the happenings in our county.

A few weeks ago an (out of town) car pulled into a certain gasoline station in Ranger, Tex. for "gasoline service" for some unknown reason the attendant "refused" the customer service, as I assume a argument prevailed, the attendant took a "shop hammer" from the station and beat the backglass out of the customers car.

The out of town customer filed charges in Judge Underwoods court in Ranger. A warrant for the attendants arrest was issued. That warrant has not been served.

In investigated the attendant to discover he had been in the Eastland county jail on other charges previous to this incident, also discovered the sheriff assisted the attendant in obtaining the job at the station, as similar cases have occurred at this same gasoline station previous to this occurrence of a lot worse nature and little or nothing was done about it. Why?

As not long ago a grown upstanding lady that had two children was riding down the road in Ranger, Tex. not driving was arrested for not having a I.D. Card. She was fined \$26.00 in Judge Underwoods court, arrested by the Eastland County Sheriff's Dept.

Gerald Wooley

Dear Editor:

On Saturday, June 7th, we will be going to the polls to elect our Sheriff for Eastland County. I am going to support Johnnie Morren and would like to urge all my friends to consider voting for him also.

I have known Johnnie Morren for many years and have been closely associated with him for the past thirteen years. I was serving on the Eastland City Commission in 1967 when Johnnie went to work for the Eastland City Police. In 1969 he was appointed Chief of Police and also appointed to the position of Civil Defense Director.

Johnnie has always had a "can do" attitude, and he has always accepted his duties and his responsibilities in a way that it was always a pleasure to work with him. I served on the Eastland Independent School Board with Johnnie for six years. Johnnie was always seeking better ways to improve the conditions of our schools for our children and faculty. His dedication, as well as that of the other Board Members, is one of the reasons Eastland has such modern and outstanding schools.

These are just a few of the things that Johnnie has done since his return to Eastland, and I would like to urge each of you again—please vote for Johnnie Morren for Sheriff.

Sincerely,
 James Reid

County Authors And Journalists

By Viola M. Payne

Writers resemble other human beings in many ways. They generally have the same physical features, wear the same type of clothing, inhabit the same kind of homes, and are subject to the same general human conditions. In an Eastland County crowd, writers can scarcely be told from the non-writers.

But inwardly some of the resemblance ceases, for writers seem to live in a very vivid world of the mind. In this world they take an avalanche of facts, insights, and experiences, and attempt to arrange them into a pattern with order and meaning. Writers, then, can enhance the quality of life in any community, for ideas have a way of outlasting other commodities.

Among the Eastland County people who work with words and ideas is Allie Terrell of Cisco. Allie, a slender woman with a bright smile, is also known as a devoted worker in Church and community affairs. She was born at Albany, Texas, but grew up on a stockfarm in Jones County. Her College training was at Mary Hardin-Baylor College, Belton, and Hardin-Simmons University, Abilene.

Allie married C.E. Terrell in 1923 in Abilene. They moved from Abilene to New Mexico, and later to California. She retired from teaching earlier than required in order to do some free-lance writing. Several years ago the couple moved to Cisco, where Mr. Terrell died in 1976.

Allie, Secretary of Cisco Writer's Club, has written a number of articles for local newspapers and other journals. Some of her published material for magazines include: A short story - "Yoshika And The Sea", published in American Junior Red Cross News. This was later recorded for the blind, a Red Cross service. She has had poems published in Delta Kappa Bulletin, Writer's Digest, and The Christian (an International Weekly magazine). Over the years she has had articles published in an Educational magazine, in Pacific Traveler, and The California Rancher.

One article "Why Johnny Can't Read", won First Place in the Abilene Writer's Guild Writing Contest for 1977. Recently Mrs. Terrell has had an article in the Dallas Morning News Travel Section, and in Grit and True West Magazines.

Lela Latch Lloyd, to many people, seems to typify the best that is in Cisco and Eastland County. This warm-hearted, witty lady spent many years teaching in public schools, and twelve years in the English and Journalism Dept. of Cisco Junior College. After her "retirement" in 1971, she homesteaded in Alaska, where she took time out to write her first book "Best Damn Teacher".

A fortunate return to Cisco put her back in touch with old friends, community affairs, and gave her time to serve two years as President of the Cisco Writer's Club. Lela's latest book "If The Chief Vann House Could Speak" is written about a famous mansion near her birthplace in Murray County, Georgia. A number of persons from across Eastland County attended the Autograph Party for this book, which was held May 23 at United Savings in Cisco. Other parties and receptions for the book will be held in Georgia during the month of June.

Besides her books, Mrs. Lloyd has written a variety of columns and factual stories which have appeared in numerous magazines and newspapers in both Alaska and Texas. She has received a number of honors, including a recent review at Texas Wesleyan College in Ft. Worth, where she graduated in 1928.

Besides her B.A. at Wesleyan, Mrs. Lloyd received a Master's Degree at Scarritt University, and did Post-graduate Studies at Baylor.

Lela Lloyd has recently been included in the book: "Who's Who Among American Women" for 1980,

published by Marquet Publications.

Catherine Worth, an attractive young woman in Cisco, is proof that you can be a writer while young. Catherine, who moved to Cisco in 1974, is still thought of as a newspaper writer around Eastland County. She was born in Duncan, Oklahoma, but grew up in the Waco area on a farm and in the City. Her parents farmed, and taught for a Coordinated Vocational Program in Waco.

Catherine lists her educational background as "Lott, Waco, and Texas Woman's University at Denton". One of her historical stories: "Edith and Edgar Dean", won a Literary Scholarship at the University.

After receiving her Bachelor of Arts at T.W.U., Catherine did Post-Graduate study at Tarleton. She worked as a Technical Writer for the Waco Schools, writing material concerning Federal Programs. She was Editor of the Cisco Press in 1974-75, then taught at C.J.C. through '78.

At the present time Catherine is a Sales Associate for Century 21 Realty - Fowler Realtors in Cisco. She is also working for Dr. Rinaldo Petrini on Survey work of Historical buildings in Cisco.

Among her writing credits are short stories and poetry published in a magazine called Dadelion, and numerous newspaper articles and Editorials. She hopes to write more historical material and science fiction in the future.

Writers are often told they will be more successful if they write about things they know and like. This seems true about Paul Ivie of Cisco, who writes articles about hunting, campfire cooking, and outdoor living in general. No dealing in mere theory for Paul - he has the sort of detailed knowledge which can only come from experience.

Paul was born in Strawn in 1916, but his family moved to a farm southwest of Cisco when he was four years old. There his "Old Granddaddy", two Uncles, and other kinsmen taught him how to hunt and fish - and how to cook the game properly.

Paul finished school in Cisco, and went to East Texas to work. There he met a dark-haired girl named Marie Smith, and married her in 1937. He drove trucks until World War II, then served in the Air Force. After the war he went to work as a government Hunter and Trapper, but eventually took a job with Humble Oil Co. (Now Exxon).

In 1971 Paul took early retirement from Exxon, and he and Marie moved on 80 Acres N.E. of Cisco. In March of 1975 Paul had his first article published by the Cisco Press. Since then he has written numerous articles, a number of which have been published by Texas Sportsmen's magazines. One was called "Bow and Arrow Turkey", and concerned an experience with bow and arrow hunting.

Paul, an individualist, puts a special flavor into his writing - just as he does into his outdoor cooking. And anyone who has tasted his Dutch Oven bisquits or wild turkey fried in buttermilk batter will state this food lives up to his articles!

Students Build Mission Home

By Richard Kurklin

Where do your missions donations go? Twenty-two students at the Tarleton State University Baptist Student Union were to see as they joined the River Ministry effort in Mexico along with fifteen other BSUs.

Former EHS graduates Patricia Phillips and Vickie McCormick were among those who set out after spring classes ended in four pickups and two van buses, one rented, to solve a mission need in El Sausal, a rural Mexican town near Juarez and El Paso. They were accompanied by the BSU director and four volunteers, including Richard Kurklin of Eastland County Newspapers.

Twenty-three of the group were to stay for eight or nine working days as together they built a three bedroom parsonage for missionary pastor Jesus Torres, whose family of eight had been living in the only available housing, a small, crude, Mexican style plastered house rented for \$200 a month.

Several missionary pastors are starting and pastoring churches through the River Ministry in this part of Mexico. Some are supported by the Baptist Mary Hill Davis Offering and other are unsupported volunteers.

The Tarleton BSU students, who have been working in the greater Juarez area the last few years, donated to a fund throughout the school year and raised over three thousand dollars to be used in the work in Mexico. This was donated by maybe less than a hundred students, many of them working to help pay their way through college.

As the workers making the trip paid their expenses, the funds donated were used to buy materials to build the house.

The parsonage, according to custom, would not only be used by the pastor's family, but would also be used for other church and public service needs in this town of small plastered houses served by smelly outhouses out back and in which electric and water lines are luxuries.

Different members of the group had to overcome obstacles to make the trip and each of them seemed to be essential to the success of the project. As group members spoke very little Spanish, a Tarleton student who spoke fluent Spanish was converted at the BSU in time to make the trip and serve as an interpreter.

Due to a large population shift at Ysleta, a suburb of El Paso and Juarez, the attendance at the First Baptist Church had dropped from in the hundreds to about eighty, so the education building that was no longer needed for the purpose was converted to dormitory space for the BSU groups.

The students slept, had regular devotionals and took turns preparing the food at the dorm that they ate there and carried on their daily trips across the nearby border to El Sausal in Mexico.

Part of the group arrived a day early to line out the work and purchase some materials. Materials that were available in Mexico were purchased there, but many items that were not had to be brought in from El Paso. As the Mexican border police frowned on this, much persuasive talk by the on BSU'er who spoke fluent Spanish, persistence, some contributions to the individuals officer's favorite charity, and answered prayers were required.

Money was sent in advance for the pastor and others to run a concrete floor and to put up concrete block exterior walls. The block walls had to be finished by the students before the roof and interior walls could be framed and there was a maximum of 9 working days and with only part of the group to be there the full 9 days.

As plans given us for the house were not accurate working plans, measurements had to be adjusted and things had to be fitted. Plumbing lines had been placed in the poured concrete floor, but they were evidently working to a plan different to ours. It took us 3 days to figure out a way of redesigning the bathroom so that the plumbing in the floor would work. A window opening was also in the wrong place leaving a bedroom without a window. It had to be moved.

Sometimes the work was frustrating as there were not enough tools to go around materials had to be waited on, mistakes were made, and there was not enough money to do everything as well as we wanted to. Also the River Ministry seems to need an additional person to help coordinate these efforts and prevent the mistakes, but funds aren't available for it.

Since the pastor said that he knew how to install doors and windows, these items were left to the last. The 3 bedroom house was framed and roofed, with sheetrock, tape and bedding, and paint on the inside and trim paint on the outside.

Some of the interior doors and a hot water heater had not been purchased and the doors and windows had not been trimmed out as money and time ran out. Even though doors and drawers hadn't been installed on the built-in kitchen cabinets, their existence with a plumbed in sink and bathroom made the house one of the nicest as well as one of the biggest in town.

On Sunday after church we visited the church that the Tarleton BSU helped to build last year and it was a happy reunion between last year workers and the people there. Upon hearing that one of the students would work with the River Ministry there this summer, one of the ladies teased him that he should learn Spanish and marry there as she had five beautiful daughters about his age.

The men of the town seemed as if they thought of church as being mostly for women and children, but our work there seemed to change their opinion and convict them that either they

The people there also saw to it that we were not bothered with the problem of theft that is so common.

We worked hours and mixed kitchen duty and devotionals with it, but the group

exclamations and sparkle in the eyes of the women and girls and the astonishment and conviction in the eyes of the men and boys, as they watched the house take shape, were.

should become more active or that they should become Christians.

The work inspired some churches in El Paso, one of which said that they would try to finish what we didn't have time or money to.

We were apparently accepted by the people of the town from the first, probably because of their respect for the pastor, who clearly showed his love for us even though he spoke only Spanish. Even the smallest children were allowed to visit and play with us as we worked. One BSU'er who hopes to be playing in the Houston Oilers offensive line this fall won't be forgotten soon by the kids.

grew closer together and it was a question as to whether the people of El Sausal or the students were receiving the greater blessing.

On our last day in Mexico the pastor and his wife served us a delicious Mexican dinner and we joined in the Mexican Church's services. The message was translated and hymns were sung both in English and Spanish, sometimes at the same time. The pastor, his wife, and his daughters had prepared special music for us.

If the hugs and handshakes from all the Mexican Christians, who, were we are repeatedly told, are not as emotional as Americans, were not reward enough. The

SEEDS FROM THE SOWER
By Michael A. Guido, Metter, Georgia

A boy visited our studio and after a little while he said, "I have to go now. My father's coming home. I want to be ready."
"How do you know he's coming?" asked a secretary.
"Because he said so," he answered.

We know our Lord is coming. He said so in John 14:3, "I will come again, and receive you unto Myself; that where I am, there ye may be also."

The promise of our Lord's return is mentioned about 1,845 times in the Bible. It is the dominant theme in seventeen books of the Old Testament. And seven out of every ten chapters in the New Testament refer to it.

Without the second coming of our Lord Jesus, the first coming is incomplete; just as the second coming without His first coming is impossible.

At any moment the Lord Himself will come down

from heaven. The believers who are dead will rise to meet Him.

You and I who have been born again will not die. We will be caught up to meet the Lord in the air, and we will remain with Him for ever, perfectly healthy, holy and happy.

Are you ready?

Older Volunteers A Major Community Resource

Volunteer work is the most prevalent and perhaps most popular outside-the-home activity of Americans 65 and over.

Twenty percent of a nationwide sample of Americans 65 and over reported they do voluntary work on a regular basis.

During Older Americans Month this May, many communities are making a special effort to expand community services for and by older people.

The vast majority of older people are ready to serve, judging from the finding of polls taken during the 1970's. For example, about 80 percent of all older people subscribed to the statement

that "voluntary service is essential to meet the communities' needs and that everyone should do his share."

About 5 million people aged 65 and over do volunteer work of one sort or another regularly, and another 3 million are engaged in paid employment. Several millions more would like to have work and volunteer opportunities, the Administration on Aging of the Department of Health, Education and Welfare reports.

The Veterans Administration places great reliance on older volunteers for one-to-one services to patients and residents in its hospitals. When the American Red

Cross abandoned its upper age limit 20 years ago, it discovered a new source of recruits.

The popular and successful Foster Grandparents program, created by the Office of Economic Opportunity and the Administration on Aging in 1965, gave rise to the Retired Senior Volunteer Program and Senior Companions which provide volunteer services to persons of all ages. ACTION, which maintains an Older Americans Program unit, also recruits older person for the Peace Corps and VISTA.

Over 16,000 Foster Grandparents provide personal, sustained attention for especially needy children — children who are mentally retarded, autistic, abused, in trouble with the law, in hospitals, schools, homes, and places of detention. These children and their parents, as well as members of institutional staffs, attest to the immeasurable value that FGP provides.

The 3,600 Senior Companions play a similar role in relation, chiefly, to frail elderly or handicapped people who without some daily support would not be able to remain in their own places of residence. In the event that remaining at home becomes impossible, Senior Companions provide caring and personal attention which are so often missing in long-term care institutions.

All across this country, older Americans numbering over a quarter of a million volunteers, worked an average of one day a week as

members of RSVP (Retired Senior Volunteer). They give of their time:

-to deliver meals to or shop for shut-ins
-to listen to and comfort others

-to accompany or provide transportation for those who need assistance as well as helping with daily living activities.

Volunteers also work as paralegals and advisors in Neighborhood Legal Service Centers, in the Senior Corps of Retired Executives, in the emerging Nursing Home Ombudsman program, and in the new Neighborhood Watches aimed at protecting lives and property. Utilization of older adults as teacher aides has become so widespread as to warrant establishment of a National Volunteer School Program.

During Older Americans Month, many Americans are sizing up their own communities, asking: What kind of life can older people expect to have here?

Can they realize many of their goals and aspirations here? What opportunities does the community offer for active social and cultural life, for further learning, for involvement in civic affairs, for volunteer service and employment? What does it offer to people who are isolated and chronically disabled?

In most communities, answers to such questions can come from Area Agencies on Aging, senior centers, and other older adult services.

- NOTICE -

Has our present "Appointed Sheriff" ran our "County" short of personnel to maintain the "Sheriff's Office"?

Recently it was stated in the "Ranger Times" by the "Sheriff" that he has assigned (Deputy Gene Millican) to the Ranger, Lake Leon, and Desdemona area.

What about our "Cities" southeast and southwest of our "County" Gorman, Carbon, Rising Star? Do these "Cities" not deserve the same "Special protection"? Why would this "Favoritism" be shown "only" to the area's mentioned in the Ranger Times? Why do the area's mentioned need "Special Favoritism"?

How much money will it cost "Tax-payers" to contain this "Special Protection" in all "Cities"?

Will this leave (One) Deputy Sheriff to "Protect" the rest of the "County"?

Due to the fact "Ranger" is the only "City" that does not pay their (Fairshare) to the "Eastland County Dispatch" to preserve proper (Sheriff) and (Police) "Communication's" for our Safety.

Can Ranger, Lake Leon, Desdemona afford "Finance's" to pay extra for the "Special Sheriff's Protection"? As this "Special Protection" will cost extra, as it stands the extra-cost for such "Protection" is coming out of our "County Budget", the tax-payer's "Hip-pocket".

"The City of Carbon" Finance's does not permit them to employ a "Police Officer". What provision's has our "Appointed Sheriff" made to furnish the "City of Carbon" Special Protection?

As it was point-out in the "Ranger Times" that "Gene Millican" only has a good "Working Relation" with Ranger, Lake Leon, and Desdemona. Was this the reason "why" Special Favoritism was shown to these Area's?

Apparently the present "Sheriff" does not feel that the "Police Chief" of "Ranger" can do his job, for the "Sheriff" to assign him a "Special Deputy".

Lake Leon, Ranger, Desdemona are in no worse shape than Carbon, Gorman, and Rising Star to receive "Special Protection".

It appears that Ranger, Lake Leon, Desdemona would also "Agree" that we all pay taxes that we should all have the "Same Protection" from any "Sheriff" of "Eastland County".

"Chief Rose" of Ranger was contacted by telephone and he contend's that he did not go to "Any" Commissioners or any Judge to approve or authorize any "Special Deputy" to be "Assigned" to his "City" as the "Chief" contend's he is "Capable" of transacting "Police Affairs" in his "City" without interference from the "Sheriff's" department, to run his "Police business". The "Chief" contend's he never authorized this. The Cities of Lake Leon and Desdemona does not contain a "Chief Of Police" to verify any story.

A Father's Day Message

FATHER'S DAY comes in June when things are set up for his pleasures of golfing, swimming, boating, fishing, camping, and the like of outdoor activities which appeal to the masculine being. He is given the proverbial necktie and other gifts, provided with the things he likes to eat, and given the choice of what he wants to do on that day.

God is saying that the children should obey the father, and that they should honor him. It is also the responsibility of the father to see that his children are in Sunday School and church; and he should go with them. Likewise, it is the father who should see that they continue daily in the Word for if children read and study the Bible, they will see that justice and true judgment prevail when they are older. In those Biblical days, the father and son worked side by side in their business of sheep herders, carpenters, tenders of vineyards, etc. In a day when we don't often have this happen, TIME NEEDS TO BE MADE for the father to spend with his children. "The father of the righteous shall greatly rejoice," (Prov. 23:24); and "Our fathers trusted in Thee, O God, and Thou didst deliver them." (Ps. 22:4)

Our nation is over 200 years old now, and we have fallen, just like other nations fell in the Bible, to the worshipping of idols. True, they are not carved images; but they are those things which take first place before God: such as, (1) watching T-V all night and giving God no part of that time in Bible Study or in family prayers and devotions; (2) golfing or other activities on Sunday instead of going to church and "assembling to worship" as directed in the Bible; (3) camping and fishing on week ends with no thoughts of God; (4) seeing the sights and traveling without looking inside the Gideon Bible in the motel room; (5) campaigning for an elective office without looking to God in prayer for help in the undertaking, and hence if elected, falling into dishonest use of the public's money, and other sins; (6) operating a business on Sunday with absolutely no thought for keeping the Sabbath holy or for humanitarian purposes; (7) those trying to get something for nothing—they don't give an honest day's labor, take things that don't belong to them, cheat others, undermine people, and this god becomes so strong in their lives that they take it with them into the house of God. They have not been saved by believing in Christ and confessing their sins; but are in the church for the loaves and fishes; and (8) the worst of all these examples are those who are deceived by the devil and who refuse to hear or read the Word of God and have nothing to do with the SUPREME BEING.

Since the father, according to God's Word, is the head of the household, he must take the responsibility of choosing between the gods of idols and the devil and the ONE AND ONLY GOD and should be able to say as Joshua did, "As for me and my household, we will serve the Lord." (Joshua 24:15)

Let us look further into God's choice of Abraham as FATHER OF ALL NATIONS and setting thus an example for all fathers. The Lord said, "...for I know him, that he will command his children, and his household after him, and they shall keep the way of the Lord, to do justice and judgment." (Gen. 18:17-19).

OBITUARY

Final Services For George Boyd Held Wednesday

Funeral services for George Boyd, 91, of Cisco were 2 p.m. Wednesday at the First United Methodist Church in Cisco. Rev. David Adkins, pastor, officiated. Burial was in Oakwood Cemetery under the direction of Kimbrough Funeral Home.

Mr. Boyd died at E.L. Graham Memorial Hospital at 9:20 a.m. Monday after a short illness.

He was born September 17, 1898, in Eastland County and he married Thelma Nall in Overton, Texas. He was a member of the First United Methodist Church and the administrative board over 50 years. He was a choir member for 50 years and he completed much of the history for the centennial of the church. He was a member of the Cisco Lodge 556, a past master of all bodies of York Ripe and a 50 year member. He was a member of the York Cross of Honor, a past member of the Cisco Lions Club, he was on the board of directors and a charter member of the Cisco Cemetery Association.

He was a graduate of Scranton Academy and a former city commissioner of Cisco. He started Boyd Insurance Agency in City Hall while employed by Mayor Williamson at Lake Cisco.

Survivors include his wife, Thelma of Cisco; six nephews, Dr. Marvin Boyd, Joe Boyd, Dr. Jack R. Boyd, all of Austin, R.H. Boyd Jr. of Waco, Dr. Newell Boyd of Kingsville, and William D. Boyd of El Paso; four nieces, Mrs. Wayne Cook of Lubbock, Mrs. Harold Summers of Round Rock, Mrs. Carroll Gage of Tripoli, Libya, and Mrs. Jim Hugg of Oklahoma City.

Pallbearers were Charlie Graham, Carl Gorr, Norman Huston, Hershell Penn, Bob Elliott and Billy Wright.

Funeral Rites Pending For Finis Garrett

Funeral services for Finis L. Garrett, 93, of Moran, are pending with Godfrey Funeral Home.

Mr. Garrett died at 12:31 p.m. Monday in Shackelford County Hospital.

He was born July 8, 1886, in Eolian, and was a lifelong area resident. He married Lallie O. Edwards January 13, 1907, in Moran. He was a retired farmer. He was a member of the Moran Methodist Church.

He was preceded in death by his wife April 22.

Survivors include two daughters, Mrs. G.W. (Verlie) Basham of Odessa and Mrs. Claude (Irma) Brooks of Midland; a sister, Mrs. Alice Childs of Maywood, California; four grandchildren; 10 great-grandchildren;

and five great-grandchildren.

Services Held Tuesday For Lena Mashburn

Funeral services for Mrs. Lena Rose Mashburn, 77, of Killeen, were at 4 p.m. Tuesday at the Harper-Talasek Funeral Home Chapel. The Rev. Bob Montgomery officiated. Burial was in Killeen Memorial Park.

Mrs. Mashburn died Monday in a Temple hospital after a long illness.

She was born in Sweetwater and moved in that area until 1952 when she moved to Killeen. She and her husband operated a restaurant in Killeen several years. She was a member of the Methodist church in Moran and a charter member of the Order of the Eastern Star in Moran.

Survivors include two sons, R.L. (Bob) Mashburn and James Barton Mashburn, both of Killeen; a daughter, Rose Marie Connell of Killeen; two brothers, T.F. Pettus of Alabama, Georgia and Vic Pettus of Bordentown, N.J.; three sisters, Mrs. Leota Bartholomew of Brownwood, Mrs. Ann

People Things

MRS. BERTHA Reimers of our town didn't light the fuse when the mountain volcano blew up with much damage in Oregon recently. She was over a hundred miles away, she reports, visiting friends on the Olympic peninsula country. Being west of the volcano, the Olympic region missed the fall-out of ashes, she added. They felt earthquake shocks.

Mrs. Reimers visited a former neighbor, Mrs. Jack Reed, who lived here several years before moving up there a year or so ago. It was a real nice vacation, she said.

RAYTONE RECORDS had their beginning here in the early 1960s, reports Terry Gosnell, who grew up here. His brother, Troy, recorded for Raytone and he, too, remembers the venture.

According to Terry, the Fag Gag tune was the result of Eastland passing an ordinance (with tongue in cheek) to prohibit smoking within the city limits. Terry is a former Press paperboy and now works for an oil well drilling company. His brother is with Terra Firma.

IT WAS PRETTY warm walking ten miles last weekend. That's the report of Scoutmaster Lloyd McGrew. He and co-worker Kenneth Deitiker took six Boy Scouts on a weekend outing over near Necessity. The group included the two Deitiker boys, Glen and Dusty, Kyle Anderson, Patrick Qualls and Teddie Hull.

They walked four miles with full back pack and they did six to seven miles, carry-

ing only water canteens and a few necessities. The boys enjoyed fishing and had the best luck using bubblegum for bait.

They're getting in shape for the New Mexico Boy Scout outing this summer, and other hiking weekends are planned. Check with Lloyd if you want to accompany them on their next 10-mile hike.

IF YOU LOOKED in at the First National Bank to see the art show last Friday, you probably applauded the fine display of bronze art from the Arlington studio of Joe Ed Schaefer, who grew up here. Joe Ed was at the local show as were several of the western artists whose work was on display.

Joe Ed had to hurry home after the show to start work on a big rush job at his studio. They were to cast a solid gold tennis racket, using eight pounds of the precious metal worth something over \$20,000.

Understand they had security guards at the studio until the gold tennis racket casting was finished, polished and carted off to a bank vault. Understand it will be the award for the nation's top tennis professional sometime soon.

Glad to hear that one of the bust bronze casting that Joe Ed made of the late Randy Steffen, which was on display, was taken to the Texas Room at the College Library. Maybe they'll make arrangements to buy it. The Steffen bronze brought here is No. 1 of a limited edition.

ONE OF OUR scouts was having her hair curled or something at a local beauty shop the other day and she overheard somebody there read an item from a magazine that there now is available a nose spray that improves your memory. She

didn't get any of the details. We suggested that she hurry back for another hair curling job and learn all of the details.

WONDER IF anybody has thought about suggesting to the Cubans who are causing all the stir and unrest at Fort Chaffee, Ark., that they get mad and go back to Cuba? . . . The Bud Clacks were over in Arkansas last week helping their youngest grandson get married. . . Met up with Coach Bill Hopson as he finished jogging a fast mile the other afternoon. And he reported that the CJC coaching staff will spend the summer working on plans for the 1980 football season. Understand Coach Bill Anderson and his staff have some 100 young men lined up to report when football practice begins around Sept. 1.

LOCAL MASONIC Lodge folks will be glad to hear that two of their members, Norm Richardson and Willard Johnson, are in the process of obtaining certificates as instructors. . . Eddie McMillan of Cisco and the Duchess of Windsor were born at Thurber. . . Mrs. Lonnie Crosby and others of her family from out New Deal way were in town last week at the home of her mother, Mrs. Lillian Hansen. . . Wm. E. (Bill) Austin and two sons, Little Bill and Steve, caught 15 fish in an outing recently. The two young Austins were visiting home folks and they were all hungry for fish.

CISCO GOLFERS Bennie Nichols and Mike Thiberville won first place in the championship flight at the Baird golf tournament last weekend. They shot a 135 for 36 holes - nine under par. . . George and Tracy Owens won the first flight in the Parent-Child Golf Tournament at Lone Cedar Country Club last weekend. . . Steve Thomas and Rick Calhoun were in the Baird tournament but didn't bring any bacon home.
