

## COOPERS COMMENTS

By Albert Cooper

The World is a difficult world, indeed, and the people are hard to suit; and the man who plays on the violin is a bore to the man with a flute. And I, myself, have often thought, How very much better would be, if every one of the folks that I know, would only agree with me. But since they will not, the very best way, to make the world look bright; is never to mind what others say. But do what you think is right. So here is a bit of philosophy worthy of thought. If every person could do the right thing all the time, there would be no need of officers of the law, court of trial, or cells with iron bars.

A matter was discussed at the Luncheon Club the other day. The Depot at the south end of town. The changing scene always leaves a touch of nostalgia, doesn't it? I miss more than anything the whistle of the old steam roller. The Locomotives that used to puff their way along the tracks and whistle at every crossing.

An interesting story out of the past intrigued me. An elderly lady, not used to travel, boarded the passenger train at Fort Worth. Soon she asked the Conductor how far it was to Baird. Every time he came through, she would stop him and inquire, "How far to Baird?" He got tired of it and said to her, "Madam, Don't ask me any more. I will tell you when we get to Baird." But he was busy and forgot. The train was halfway up the hill, when he suddenly remembered. Embarrassed, he pulled the emergency cord, and had the train back down the hill to the station. He rushed back to the Old Lady and said, "I'm sorry. Here we are at Baird. Let me help you with your luggage." "Oh," she said complacently, "I did not intend to get off at Baird. My daughter told me when I left home that when we got to Baird it would be time for me to take another pill."

## Oplin Observations

DAPHENE FLOYD

Here I am back again. I want to enlighten the readers of the Callahan Star as to what to expect from your Oplin correspondent. I have visited with your editor and we agreed that I would send in Oplin news whenever I had something worthwhile to report. If the Star could use it, O. K., if space did not permit, then it wouldn't be used.

Personally speaking, our Thanksgiving holidays were most enjoyable, for my sister and family, Mr. and Mrs. Johnnie Giesinger and daughters, Sherri, Marilyn and Tina of Dobbins arrived Thursday in time to have Thanksgiving dinner with us. Our father, W. S. Barrett, and little brother, Red Barrett of Abilene, and another brother and wife, Mr. and Mrs. Cotton Barrett of Lawn, were also our guests. Accompanying the Giesingers was Denny Lane, who was a guest of my niece, Sherri. This was the first time Denny had been out West Texas way, but despite the rain and mud he seemed to like our county and all of our friends that he had the opportunity to

meet.

Mr. and Mrs. Clarence Breeding had their oldest daughter and family, Mr. and Mrs. Jack Landers and sons Mike, Gary and Kevin of Mineral Wells visiting them for Thanksgiving. I might add it was a little disappointing for the boys because it was raining and they couldn't go hunting.

Mr. and Mrs. J. R. Poindexter have been at the bedside of his mother, Mrs. Etta Poindexter of Lawn, who underwent surgery Tuesday of last week. Mrs. Poindexter has been very ill, as the surgery was for a malignancy of the colon, but Sunday's report was more favorable.

Mrs. Tom Windham Jr. visited Sunday afternoon with her sister, Mrs. Jeanne Tiffany of Coleman.

Mrs. Winfred Scott and daughters, Roberta, Dicy and Kathi spent Thanksgiving in Austin visited her parents, Mr. and Mrs. Wieland, Mr. and Mrs. Wieland had been involved in a car accident a week back, and her father had developed a kidney infection and other complica-

tions from the accident. Mr. Wieland underwent surgery while the visitors were there, and Mrs. Scott took a few days leave of absence from her job to remain in Austin and be with her parents.

## Union Community Has Many Visitors During Holidays

Hi. Hope you had a nice Thanksgiving, I did. John and Roma McIntyre had his mother, Mrs. McIntyre from Clyde and me. We had turkey and everything that goes with it. It was a lovely dinner. We watched the parade on color TV, which was real pretty.

Buster McNiece of Houston spent Saturday with John and Roma McIntyre. He and John went quail hunting. Buster teaches in Houston.

Spending the holidays with Ollie Burnam were Mr. and Mrs. Bill Brown and children of Fort Worth, Mr. and Mrs. Jack Everett and family of Midland, and their daughter Alice and husband and little son from Alpine, Mr. and Mrs. James Isenhower and children of Marfa. Am sure they had a good time. I hear bang bang several times - hope they got a lot of quail.

Bob Isenhower of Alpine and John Isenhower of Fort Sill, spent part of the holidays with their parents, Mr. and Mrs. Weldon Isenhower, Mr. Dock Isenhower is visiting a few days with the Weldon Isenhowers.

Louise Isenhower, Roma Mc-

Intyre and Veda Yarbrough attended the wedding Thanksgiving of Miss Ellen Shackelford and Mr. Bill Rutledge in the Putnam Methodist Church. It was a pretty wedding and a lovely reception followed in the church parlor.

Mrs. Grady Pruet had several guests during the holidays. Dr. and Mrs. Pruet and son Ronald of Abilene and other from Denton. Mrs. Pruet was guest of Dr. and Mrs. Pruet at the ranch near Moran Thanksgiving day.

Burette and Johnny May Ramsey had Thanksgiving dinner in Chico with their granddaughter and husband, Mr. and Mrs. John Douglas and little daughter, Mr. and Mrs. E. C. Collinsworth and daughter Regena were there, also Mike and Stella Hughes and family of Rankin, and Mr. and Mrs. Don Ivey and little daughter of Alpine.

Friday evening, Stella Hughes and son Rusty and daughter Linda, and Joan Collinsworth spent the night with the Burette Ramseys.

Tuesday night the Ramseys asked Mr. and Mrs. Henry Bailey, Emma Jean Allen and I down to play 88. We had a good time. We did not have the regular 88 party last week as it was Thanksgiving and people were having company or going somewhere.

Mrs. Neta Gunn, Mr. and Mrs. Burette Ramsey and I attended the ordination service, Sunday afternoon at Den Valley church for Bro. Charles Strickland. It was a beautiful service. Our pastor, Bro. David Claxton and family, attended also.

We were very happy to have Mr. and Mrs. S. Y. Walters and daughter Lera, and son Richard join our church. They moved to Putnam about two weeks ago from Clyde. We hope to be a blessing to you and you will be a blessing to our church.

We were so glad to have Bro. Adam speak to us Sunday evening. He is a student at Hardin-Simmons, and a native of Nigeria. He has been a preacher for several years and is here to further his Christian Education. He was real interesting to talk to.

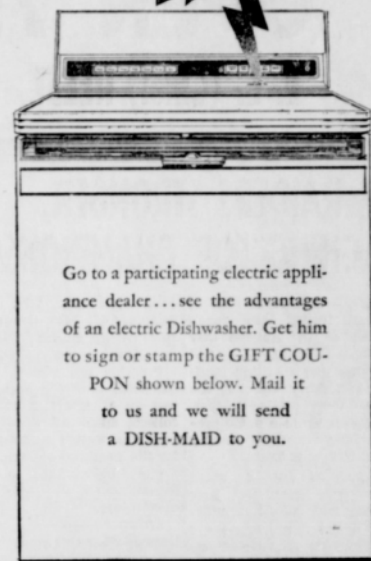

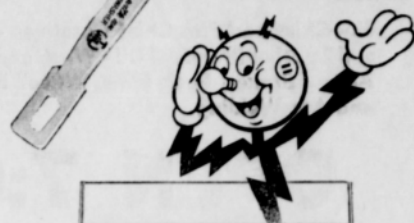

Hope to see you in church next Sunday.

**BAIRD** — Thanksgiving guest in the E. O. Parson home was his son and family, Bill Parsons of Albany. Maurice Martin of Brownwood, a sister of Mrs. Parsons was a Thanksgiving visitor.

**CLYDE** — Mrs. C. H. Gibbins family, while in Atlanta Mrs. Gibbins visited in several dairy factories and other factories in the area.

CLYDE — The Clyde Raiders basketball team, last year's champion of the Abilene City Recreation Minor League, will unveil this year's edition Monday at 5:30. They will play the freshman team of Hardin-Simmons University in a game preceding the Cowboy Varsity clash with Lamar Tech.

The Raiders are a much stronger team than last year since they have added six players who have lettered four years in college, and all but one ex-H-SU Cowboys. They have established themselves a goal of being the State T.A.A.F. champions this season. They will participate in a tournament at Dyess AFB starting Dec. 12 and are favored to be a very strong contender for the title trophy.

Players from last year's team that return this season are: Jim Paylor, 6'4"; Ken Rogers, 5'9"; Jay King, 5'10"; Mickey Fugitt, 6'2" and Mike Melton, 6'3". Newcomers are Sylvester Neal, 6'8"; Henry Peacock, 6'8";

From Clyde HS

John Moorman, 6'6"; J. T. Rogers, 6'4"; Max Brownlee, 5'10"; Buddy Haines, 5'10" and Bob Bearden, 6'1".

Probably the most notable newcomer is Buddy Haines, who was an All-American in Junior college, made All State TAAF and was H-SU's leading scorer for the past two seasons.

The Raiders hope to play a benefit game in Clyde in the near future.

Athletic Supply Co. is the team sponsor this year.

## Clyde 'B' Team Begins Season

CLYDE — High School B team lost two games - to Albany 39-42 and Anson 17-37 during the past two weeks.

Leading scorer for Clyde in the Albany contest were Ricky Loper 7, Doug Horner 6, Gary Barr 5, Iky Akers and Jerry Bennett 4 each, John Bonine, David Edwards and Jerry Anderson with 3 each.

In the Anson game, John Bonine led scoring with 4, Johnny Connel hit 3 and Rick Loper, David Everett, Iky Akers and John Hoffman had 2 each.

Johnny Connel hit 8, Iky Akers 6 and Terry Blanks 3 in an earlier Anson scrimmage which the Cubs won 40-22.

This Friday, the team goes to the Wylie B tournament to play Hawley at 3:45 p. m. If they win, they will play Wylie or Merkel Saturday morning at 11:30.

Clyde B will entertain Haskell B team at 5:30 next Tuesday, Dec. 9.

CLYDE — The Bulldogs basketball team won the first game Tuesday, Nov. 25, against Albany by a score of 52-46. Clyde played a great game with precision teamwork.

Johnny Pierce was high scorer making 27 points. Engate Hawk netted 14, Terry Rosinbaum had 5, Jimmy Newman, Tim Copeland and Jackie Fleming each added 2 points.

Johnny Pierce was also leading rebounder, capturing 10. Jimmy Newman was in second place with 6.

Engate Hawk made 67 percent of the field goals he attempted, 56 percent of Pierces' counted, and Terry Rosinbaum and Tim Copeland each had 50 percent.

Pierce made 88 percent of his free throws. Hawk and Rosinbaum each netted 50 percent of theirs.

We were very proud of En-

gate Hawk, especially Tuesday. He handled the ball beautifully, putting on quite a dribbling exhibition.

The Bulldogs played again Tuesday, Dec. 2, at Anson. It was a close contest, neck to neck all the way. The game was full of chills, thrills and excitement. Anson won the mad scramble by a score of 57-55.

Pierce, as usual, was high scorer with 28 points. Newman made 10, Copeland 6, Hawk and Fleming each netted 4 and Rosinbaum added 3.

Jackie Fleming hit 100 percent of his field shots, Pierce made 7 percent, Copeland 33 and Newman 29.

Rosinbaum and Fleming each made 100 percent of their free throws - Copeland made 67 percent and Pierce 44.

Pierce was leading rebounder with 12 and Fleming was second with 4.

For the first four games, Pierce is high scorer, averaging 21.3 points per game. Hawk has averaged 9 points a game.

Pierce has a total of 42 rebounds, James O'Shields made 24.

Newman is making 80 percent of his free throws, and Pierce is making 63 percent, each leading in his respective group.

We would like to especially compliment Tim Copeland on the game he played at Anson. He was in there hustling all the way, fighting hard for the ball. We are very proud of him.

Keep up the good work, Bulldogs.

**I am an American.  
Do not fold, spindle, or mutilate.**

Millions of them show their pride by buying U. S. Savings Bonds.

Through regular purchases where they work or bank, they've helped preserve our freedoms by investing in their country.

At the same time, they've been storing up quite a nest egg for themselves.

U.S. Savings Bonds pay a guaranteed return. And your investment is backed by the full faith and credit of the United States of America.

Also, the interest on Series E Savings Bonds isn't subject to state or local income taxes.

You can defer federal taxes on E Bond interest until you redeem the Bond.

If your Bonds are lost, or stolen, or destroyed, we simply replace them without cost.

They're safe.  
They're easy.  
They're automatic.

And they're also a reminder. A reminder that we all have to work hard to keep what we have.

Investing in your country will do just that.

Think about U.S. Savings Bonds. It's a way to keep our country from getting folded, spindled or mutilated.

If they're lost, stolen, or destroyed, we replace them.

Being an American is comfortable. After all, we do have more than any other country in the world. But sometimes we get too comfortable. We take our leisure and our prosperity and our freedoms for granted. Sometimes we have to be reminded that it wasn't easy for us to get where we are. ### THREE SCOUT LEADERS POSITIONS NEED FILLING

**BAIRD** — At our last Pack 24 meeting, we discussed our new Charter for 1970. We have three positions to be filled before we can re-charter. They are as follows:

Assistant Cubmaster (takes charge of Pack meeting when needed)

Two Committeemen (to be able to be at a Pack meeting once in while; to see that all is doing okay, and to help when called upon)

Secretary & Treasurer (take charge of bank account and be able to give account of money when asked). We need these positions, plus Den Mothers and Webelos leaders.

The cost to re-charter is \$1.00 per boy, and \$2.00 per adult. It is all volunteer work and the only pay you will receive is a smile, thank you, and a knowledge of helping a boy on the road to Scouting, which is well worth it.

The money must be paid by our next Pack meeting, also our charter signed then.

There is a Boy's Life magazine that can be purchased for \$2.00 a year, but this is not a necessity. This magazine helps a great deal to both parent and son. It cost 10c a week per boy when he can remember to bring

his dime.

A boy needs a Scout Book, which costs \$6.00 and your Den Mother has these. There are books for three groups of boys: 8 years - Wolf Book, 9 years - Bear book, 10 years - Webelos book.

A boy must complete 12 achievements to earn an award - then complete 10 electives to earn gold and silver arrow points. This is done at home by the boy and parents, to bring them closer together.

Den meetings are held once each week, and Pack meetings once a month. A parent is invited to visit a Den at any time; but should certainly be at all Pack meetings with their son, which usually lasts about an hour.

Any boy that is interested in Scouting can call 854-1356. If you are eight years old or soon will be.

To all parents concerned with Scouting - if we do get to re-charter this year, there will be a community center available to Scouts for permanent use. This is what we have been working for - a place to sail home for our Den and Pack meetings. But it will be next year before it is completed. A new hope and promise for Scouting.

### Beta Club Selects Walter Bruton As Citizen of Month

**CLYDE** — The Beta Club met Monday, Dec. 1, at 7 p. m., with President Jack Byrd presiding.

The money making projects for the year were discussed and decided upon. Pencils with Clyde High School engraved on them will go on sale soon. Plans are now underway for a bake sale on Dec. 13, beginning at 8:30 a. m. Booths will be at Thrif-

Tee Food Store and Pyeatt's Grocery.

The Club is also going to sponsor the Christmas door decoration contest again this year for the various classes and organizations. Prizes of \$5, \$3, and \$2 will be given. So come on students, let's have some great doors ready by Dec. 15.

We also selected our first Beta Citizen of the Month for the 1969-70 year, Walter Bruton. We are very proud of Walter. He made the first team All-District linebacker in football this year, the only Bulldog to make the first team. Walter is the son of Mr. and Mrs. Raleigh Bruton of Clyde. He is a junior, a Co-op Ag participant, and a 3-year member of the Bulldog football team. Congratulations again, Walter.

A group of Ag boys concluded the meeting with a skit on Parliamentary Procedure.

### Vehicle Inspections Behind Last Year

**AUSTIN** — Colonel Wilson S. Speir, director of the Texas Department of Public Safety, said today that motor vehicle inspections in Texas are running almost 30% behind the inspection rate at this time last year.

"Unless the inspection rate increases, there are going to be some awfully long lines at inspection stations prior to the April 15 deadline," Speir said.

During the year which ended August 31, some 6.3 million vehicles were inspected in Texas. Since September 1, only 538,000 have received the required inspections.

The State Motor Vehicle Inspection Act was amended by the Legislature to provide that inspection stickers issued after September 1, will expire 12 months from the date of issue.

However, the law requires that all motor vehicles display a new sticker before April 15, 1970. Speir noted that the new stickers are being placed on the drivers side of the windshield and contain a number tab showing the month of expiration. The old stickers are on the passenger or right-hand side and have no number tab.

"The inspection program is intended to discover vehicle defects which may lead to an accident. We urge all Texans to have their vehicles inspected soon to make sure they are safe for winter driving," Speir said.

### Tops Plans Christmas Party

**CLYDE** — The P. M. TOPS crowned Frances Whitehead as Queen of the Week. Miss Lotta Pounds will visit with Jerry Setzler.

The Club will meet at 6:30 p. m. next Tuesday and go to Abilene for their Christmas party. Each member is urged to attend and bring a Christmas gift.

In a recent TOPS magazine, Irene Smith states that "Everything is either illegal, immoral or fattening." She was answered by another TOPS gal, Lena Zinnel, "If its illegal, call a lawyer, if its immoral, call your pastor, if its fattening, call a TOPS sister."

### Field Try Announced Southwest of Baird

**BAIRD** — Laco Oil Co. of Abilene staked No. 1C F. L. Seale Trust as a proposed 1,000-foot rotary Moutray Sand project in Callahan County Regular Field. Location is six miles southwest of Baird on a 170 acre lease.

It spots 2,050 feet from the north and 900 feet from the east lines of Section 5, T&NO Survey.

**TRUE OR FALSE?**

Religious discussions frequent-  
ly center around the question  
of whether man can be saved  
outside the church. Any such  
discussion must take into con-  
sideration what is meant by the  
church.

If one means denominations,  
then we are forced to conclude  
that men can be saved out of  
them, because people being sav-  
ed for hundreds of years be-  
fore any denominations existed.  
But, if we mean by "the  
church" that divine institution  
built by Jesus Christ (Matt. 16;  
18), and purchased by His  
blood (Acts 20:28), we must re-  
consider our answer.

Did Jesus give Himself for an  
institution wholly unnecessary  
for man's salvation? (Eph. 5:25)  
Is He head over something of  
which the saved are not mem-  
bers? (Eph. 1:22,23).

It is impossible to be saved  
and not be a member of the  
Lord's church, for the Bible in-  
forms us that the Lord Himself  
adds all the saved to the church.  
(Acts 2:47). Then, it is self-evi-  
dent that man is not, and can-  
not be, saved outside the  
church.
