

# Hall Of Remarks

by Herrel Hallmark

WHAT HAPPENED to our nice sunny, warm days of last week? It sure seemed like a short spring when temperatures dropped into the low 30s here Thursday night and Friday morning, following Sunday afternoon temperatures in the 80s.

However, I guess we all expected some more cold weather. We also received sleet and light snow early Friday morning but the streets were not iced over.

DON'T FORGET the Cisco High School senior play this Tuesday night. These plays are always delightful and good family entertainment. Make plans now to attend and support this school function.

SUNDAY IS the last day of February since there are only 28 days in the month this year. March will soon be here, as a matter of fact beginning Monday.

So, the following article by Marietta Fuller is appropriate at this time.

## WHAT CAN WE LEARN FROM THE WINDS OF MARCH?

In the month of March, we think often of the old weather lore which says that if March comes in like a lion, it will go out like a lamb, or the reverse of this. Of course, boisterous and calamitous WINDS are comparable to the warring, destructive, and vociferous nature of a lion. Have we not many of us feared for our house and even for our very lives when hurricanes or severe WINDSTORMS have threatened?

In the Bible, a parable is learning spiritual truths through the common knowledge of physical things. There is for instance the physical house built on sand which when "the rain descended and the floods came, and the WINDS blew, and beat upon that house; it fell; and great was the fall of it." (Matt. 7:27). The foundation was weak and could not withstand the elements of a WINDSTORM. So, it is with a spiritual house of the devil built on the ineffectual foundation of sinful flesh, pride, selfishness, and putting all your hope on your own efforts and goodness which will fall into the darkness of hell for without God, you can do nothing. (Jn. 15:5) and your house is doomed. But the spiritual house built on a rock will weather all storms for Christ is the rock—the sure foundation of eternal life. In fact, CHRIST IS THE ONLY FOUNDATION.

for there is none other Name under heaven given among men, whereby we must be saved." (Acts 4:12)

And when you are saved, you become the house—the temple of the living God, for "I am crucified with Christ; (my sins and my old nature are dead and covered by His blood); nevertheless I live; yet not I, but CHRIST LIVETH IN ME..." (Gal. 2:20) He lives inside you in the Holy Spirit. This is what Jesus tried to explain to Nicodemus for "...except a man be born of water (Word) and of the Spirit, (of Christ), he cannot enter into the kingdom of God." And Jesus said that "being born of the Spirit is like the WIND which...bloweth where it listeth, and thou hearest the sound thereof, but canst not tell whence it cometh, and whither it goeth; so is everyone that is born of the Spirit." (Jn. 3:8). But I tell you, friends, you can feel that Spirit within you and His Spirit telleth our Spirit that we are His; (Rom. 8:16) so you know when you are born again and have Jesus living within you.

Have you ever been beset by the STORM WINDS in your life when everything went wrong — your boy would not eat his cereal, the telephone bill is overdue, you had a wreck on the way to work, and your mother is in the hospital. Do you know who can calm the storms in your life? It is JESUS for "He maketh the storm a calm, so that the waves thereof are still." (Ps. 107:29).

Those disciples so close to Jesus were once scared by a storm of WIND on the lake which filled their boat with water. They cried out, "Master, Master, we

perish...and Jesus simply calmed the WINDS causing the storm and raging seas to cease. Then He said unto them: "Where is your faith?" (Luke 8:23-25). Believing and trusting in the Lord will calm many a storm in your life.

How do you increase this faith? By not depending on the counsel or advice of the ungodly, nor walking with sinners and sinning, nor scorning God's Word as atheists do who deny and hate God; but rather delighting in the Bible and meditating on it day and night. Then will you prosper and bring forth fruit. But "The ungodly are not so; but are like the chaff which the WIND driveth away." Their lives are nothing; but the godly shall be like a tree planted by the rivers of water—their lives will water those of others. (Ps. 1:4). The tree is full of the sap of the Bible for they are planted by the rivers of water of the WORD as it is spoken by them.

And "Whoso boasteth himself of a false gift is like clouds and WIND without rain. (Prov. 25:14). They are all WIND in their boasting and have not the Holy Spirit within them. They are "...without fruit, twice dead..."—they die twice—once on this earth and again in hell and torment. In fact they are as "raging waves of the sea, foaming out their own shame, wandering stars, to whom is reserved the blackness of darkness forever." (Jude 12, 13) And that is Hell in case you did not know. So, let us learn a lesson from the WINDS OF MARCH and head for heaven!

A NEW FLAG to fly on the flag pole at E.L. Graham Memorial Hospital was being displayed by Acting Administrator Helen Orr, left, and Auxiliary President Ilene Cotton when the above picture was made. The 4x6 foot flag was donated to the hospital by the John William Butts Post 123 of the American Legion after local Legionnaires learned recently that the hospital did not have a flag. (Staff Photo)

## Roof Garden Theater Wins Cultural Award

The Roof Garden Theater, a project of the Fine Arts Department of Cisco Junior College, will be one of four recipients of the coveted West Texas Chamber of Commerce Cultural Achievement Awards for 1981-82, according to an announcement Thursday.

The awards were announced by Joe Collins of San Angelo, chairman of the WTCC Cultural Affairs Committee. The awards ceremony will take place during the annual meeting of the WTCC in Midland April 21-23.

Notification of the award was sent to Dr. Norman Wallace, president of Cisco Junior College, and to Manager Gene Abbott of the Cisco Chamber of Commerce. The Cisco CofC had nominated the Dinner Theater project for consideration by the awards committee.

Other recipients of Cultural Achievement Awards for the past 1981-82 year were listed as follows: The Sixth Van Cliburn International Quadrennial Piano Competition, Fort Worth (noted contribution); International Musical Event;

The Old Jail Foundation and Art Research Center of Albany, Texas (noted

contributions—art and architectural preservation); and,

Post, Texas Mayor Giles Connell McCrary (noted contribution—O.S. Ranch Western Art Show).

Each year, the WTCC honors one or more individuals or organizations for outstanding contributions to West Texas Culture. Past recipients of the award include artists, musicians, authors, craftsmen, cartoonists, corporations, organizations and other individuals who made outstanding contributions to the culture of West Texas.

The winners were selected from a record number of nominations. Mr. Collins reported.

The 16th annual Cultural Achievement Awards Banquet will be held Thursday, April 22, at the Midland Hilton. A number of Ciscoans will attend the event.

Wyley Peebles heads the Fine Arts Department at Cisco Junior College. The Fine Arts Department stages a dozen or more programs each year at the Laguna Roof Garden. Students provide talent for the events during the school year, and a group of semi-professional actors is recruited for the summer program.

"We are very proud of our Dinner Theater program and its recognition," Dr. Wallace said. "This Cultural Award is a fine honor that our students and leaders have earned. We sincerely appreciate the award for which we have been chosen."

## Directors Filing Deadline March 3

Legislation creating and establishing the hospital district states that any person desiring his name to be printed on the ballot as a candidate for director shall file a petition, signed by not less than twenty-five (25) qualified voters asking that such name be printed on the ballot, with the secretary of the board of directors of the hospital district.

The petition may be filed with Armo Chambers, secretary, or with Helen Orr, acting administrator, at the hospital administrative offices. Deadline for filing the petition is 5:00 p.m., Wednesday, March 3, 1982.

Those persons whose names are placed on the ballot will meet in the conference room at the hospital at 1:00 p.m. Thursday, March 4, 1982, for the drawing of names for order on the ballot.

The senior class of Cisco High School will present its annual senior play at 7:30 p.m. Tuesday, March 2, 1982, in the high school auditorium.

The play, which is titled "Grandad Goes Wild" is a three act comedy by Felcia Netcalfe. It has a cast of 12 actors which includes Tim McKinney, Mary Ann Cox, Joey Worley, Glen Detiker, Greg Cermin, Sandra Nichols, Becky Chamness, Patty Sellers, Eloise Torres, Mark Humphries, Cindy Foster and Carla Hitt. Prompter is Linda Reich.

Senior sponsors helping with the play are Louise Taylor, Clyde Ewalt, Jerry Davis, Susan Riggs and

Ricky Whatley. The play is being done in conjunction with public school week and open house, which is Tuesday evening.

Price for the play is \$1.00 for students and \$2.00 for adults. If anyone cannot come Tuesday, they may come to the dress rehearsal Monday night at 7:00.

The senior class hopes that everyone will come out and see the play.

## Students To Get Report Cards Wed.

Cisco Junior-Senior High School will issue report cards on Wednesday, March 3, it was reported by principal Mike Turner.

## Council Orders Bond Election For Water and Sewer Project

A resolution calling for a municipal bond election to be held on Saturday, April 3, to finance a substantial water works and sewer system improvement program was approved by the City Council at its semi-monthly meeting Tuesday night at city hall.

The program calls for a new water filtration plant at Lake Cisco and for water line upgrading plus a new sewage disposal plant. The

## Filing Deadline For Local Elections To Be Wednesday

Wednesday, March 3, is the final filing deadline in the local elections. Prospective candidates are urged to sign up before that time.

City, hospital and school board elections will be held here April 3rd.

## Gospel Singing Set Sunday At Assembly Of God

There will be a gospel singing at the Assembly of God Church, corner of West 7th and Ave. G, at 2:00 p.m. Sunday, Feb. 28. Everyone is welcome.

Jack Roberson will be the m.c.

## Local Schools To Hold Open House

In observance of Texas Public School Week, the Cisco Primary School will hold open house on Monday, March 1. The public is invited to come and browse through the Primary main building and kindergarten building from 6:00 to 8:00 p.m.

The following personnel will be in attendance to greet you and answer any questions you might have about our education system: kindergarten teachers, Glenda Denison and Beverly Collins; first grade teachers, Patsy Reynolds, Diane Yowell and Geneva Webb; second grade teachers, Beverly Moore, Jeanne Rains, Nell Seider; special education, Ruth Schaefer and Hattie Weathers; Title I reading aides, Betty Philpott and Joy Couch.

Open house will be held Thursday, March 4, from 7 to 9 p.m. at the Intermediate School. Junior High and High Schools will have their open house Tuesday.

## Reserve A Booth Now For Cisco Folklife Festival

Do you have an art or craft you would like to share with the public?

Reserve a booth now for the Cisco Folklife Festival, April 24-25. Individuals as well as clubs are encouraged to display, demonstrate and/or sell your arts and crafts at the festival.

An 8 x 10 booth may be rented for \$25 for the two-day affair. Please contact Vallie Parker for a reservation or more information (if you are a new craftsman to this fair). Write her at P.O. Box 411, Cisco, Texas 76437, or call 442-2681.

water works improvements would give Cisco a state-approved system.

The date for a town hall meeting for citizens and taxpayers to obtain complete information about the program was re-set for Monday, March 22, at 7 p.m. at the high school auditorium. Plans call for Mayor Eris Ritchie and all city councilmen plus engineers, investment bankers, Texas Health Department officials and Farm Home Administration officials to be present to help answer questions and provide information.

Plans call for revenue bonds in the amount of some \$1,750,000 to be issued to finance the program. Application has been made to the Texas Water Resources Board for a \$500,000 loan —

part of the total — at 5.6 per cent interest. The balance would be obtained with a 11 per cent loan from the state and the FHA. Applications also are being made for federal grants, which would (if approved) reduce the total to be borrowed.

Joe W. Smith of the First Southwest Company, Abilene investment bankers, was present and discussed financing details with the Council. He said he had filed the applications for financial assistance with the state agency in Austin on behalf of the city. He added that the board is expected to consider the Cisco proposition at its April meeting. Services of the investment banking firm will not cost the city anything unless the bond issue carries and the bonds

are sold, it was pointed out.

In other action, the Council rejected two bids for a contract to pave Avenue N from just south of 14th Street to the IH-20 access road and 13th Street from Avenue D to Avenue M. Two bids were submitted — one for \$46,961 and the other for \$41,225. The project will be re-submitted to bidder with specification changes, it was decided. The Council plans to pave 10 to 15 blocks of city streets each year, beginning this year.

A plat for the new "The Oaks" Addition, located between 14th and 15th Streets from Avenue Q west to Front Street in southwest Cisco, was accepted and approved.

Ray Farris, representing the owners, was present and told the Council that 14 lots compose the area of the addition. He said that plans call for building three-bedroom brick homes to sell in the \$40,000 range. Plans call for starting two houses in the next ten days, he added.

Mr. Farris, who owns the property with Alden Kathey, said that plans call for water and sewer lines to be put in and for some street work. The two men live in Abilene and are veterans in home building.

The Council approved on first reading an ordinance to vacate the one-block alley right-of-way behind the old Mobley Hotel. The Hilton Foundation owns both the hotel and the property back of it and plans to include all of the area in its Mobley Hilton Restoration project.

Dr. Rinaldo Petrini, architect for the restoration project, was present at the meeting and told the Council that contractors have been inspecting the property and will be bidding soon on the work. He hopes to have work underway by May 1, he added, and some 18 months will be required to restore the hotel.

The Council authorized City Manager Michael Moore to advertise for bids for oil and gas leases on city-owned land north and east of town.

A financial statement as of January 31, as prepared by City Accountant Jean Gray, was presented. It showed that some \$350,000 or 53 per cent of general fund revenue expected for the years has been collected. General Fund expenditures amounted to \$202,191 or 30 per cent of the year's anticipated total.

The Council approved payment of bills for January. The bills totalled \$71,155 from the general fund and \$21,332 from the utility fund. Present for the meeting were Mayor Ritchie, Councilmen Bobby Ingram, Bobby Rains, Brad Kimbrough, Loyal Lundstrom and Linton Batteas, City Manager Moore, City Secretary Ginger Johnson and City Attorney Bill Wright.

## Good Rain Falls In Wake Of Cold Front

Rain measuring up to two inches fell in this West Central Texas region Wednesday night, Thursday and Friday as a cold front swept through the state. Temperatures dropped to a low of around 27 degrees early Friday morning.

The rain Wednesday night was fairly heavy, dropping off to a drizzle Thursday and turned to sleet and snow Thursday night and Friday morning.

Police Chief Raymond Blevins reported that Cisco streets were in good condition and that no accidents had been reported Friday morning. DPS troopers cautioned that ice was forming on bridges to the west and sanding crews were out Thursday night on IH-20.

The rainfall was particularly welcome on Eastland County farms and ranches as moisture was badly needed.

The forecast called for clearing weather during the weekend and a return of spring-like temperatures on Monday.

## Eastland ISD Gives \$1,000 To Clark Fund

A check in the amount of \$1,000 from the Eastland Independent School District is the latest generous gift to the John Clark Memorial Scholarship Fund.

Contributions are continuing to come in to the fund which has been established to help provide for the education of the five children.

Mr. Clark died as the result of injuries when in a split-second decision he veered his large tractor-truck off the highway to avoid hitting a parked school bus, students boarding the bus and a car legally stopped for the bus. The incident happened west of Morton Valley on Highway 69.

A board of trustees has been named to administer the fund and contributions may be placed at either of the financial institutions throughout the county, at the Eastland Justice of the Peace office, or mailed directly to the John Clark Memorial Scholarship Fund, Post Office Box 391, Eastland, 76448.

The Eastland Board of Trustees recently adopted a resolution expressing the school systems sorry at Mr. Clark's death, and appreciation for his unselfish act.

**REST OF THE GOSPEL**

The body is nothing more than a flesh and blood container that houses our spirit. When we die our spirit goes to the spirit world to await the resurrection. This is the same spirit world that Jesus' spirit went to when His body lay in the tomb for three days. According to I Peter 3:19 and 4:6 Jesus went to preach the gospel to the spirits of all the dead. Jesus fully expects the spirits of the dead to abide by the gospel or He would not have gone personally to give it to them. But how can spirits abide by all the gospel, such as baptism, which is absolutely necessary for everyone who has ever lived, John 3:5? I Corinthians 15:29 is the inspired answer given by the Apostle Paul. The Rest of the Gospel, P.O. Box 763, Cisco, Texas 76437. p-17

We have presented, previously, two discussions concerning items of interest regarding income tax changes. Some will save you money. This will be the last of the discussions!

For 1981, you are entitled to a credit up to \$2500 of the crude oil windfall profits tax withheld from your gross royalties.

This year, by law, you are to declare bating income. An example: you might clean a yard for a neighbor that takes four hours. The neighbor does work for you that takes six hours. The two hours is declared as income.

You may be entitled to a deduction up to \$1500 for certain expenses concerning adopting a child.

The tax return preparers are required to sign the forms, with you, if the preparer charges. Even so you are legally responsible for all errors, if any, made on the return.

It must be remembered — individuals who are married may get exemptions of \$1000 each; if the individual is 65 or older an additional \$1000 exemption is permitted and if an individual is blind they may receive an additional \$1000 exemption.

The programs for the past week included: a talk by Janet Thomas, from the Extension Office, speaking in regard to nutrition; Sarah Hinchey spoke on exercises;

music by Vida Killion and A.E. McNeely; and Cliff Andrews with his guitar. The dinner music was provided by Al Simms and Leah Brown. Those having birthdays or wedding anniversaries during the month of February were honored.

The menus for the week are:

Monday—braised beef tips, rice, peas and carrots, orange whip, bread, butter and drink.

Wednesday—lasagna, buttered carrots, green beans, tossed salad, pudding, bread, butter and drink.

Friday—baked ham, o'brien potatoes, broccoli, waldorf salad, pineapple upside down cake, bread, butter and drink.

Ruth Cartee, Director

**A THOUGHT FOR THE WEEK**

The Biblical description of creation is accepted by uncoun- tably millions of people as a religious fact. They claim the theory of evolution is absurd.

The religious fact of creation can be easily proved - without referring to the Bible. It requires just a panoramic view of the world we live in. Take a look at the majestic mountains, the deserts, gorgeous streams and scenic oceans, the beauty of the heavens at night, just to mention a few, and one has to admit all scenic wonders are complex and interrelated. These things could not possibly have been brought about by themselves. Surley there is a purpose and an intelligence seen in all of nature, no matter what part of the world you view. Without even referring to the Bible, you can have proof positive there IS a God. He reveals Himself daily in His handiwork.

**'ROUND AND 'ROUND SHE GOES...**

The question is - where will it stop? Many people have no idea. Life can be lived in a flurry of activity — flitting from person to thing, to dream, and back again. Or it can just settle into a monotonous routine. Either way, meaninglessness has taken hold.

Lack of meaning in life has been called "furious activity around an empty center. That's what a whirlpool is. Activities, meetings, schedules, parties, appointments — but no direction. The swirling pace can get to you — especially if there's a hollowness inside.

Jesus talked a lot about meaning in life. But he not only talked about it. He gives it! He came to take us out of the whirlpool and set us on course in the Life Stream.

## CHURCH SERVICES

Sunday, February 28, 1982

**REDEEMER LUTHERAN CHURCH**

Sunday School and Bible classes begin at 9:30 a.m. The worship service begins at 10:30 a.m. Pastor Crockett's message is entitled "The Lord of Our Faith!" based on Genesis 22:1-18. The Lutheran Hour will be aired over KERC at 12:30 p.m. Dr. Oswald Hoffman, in his sermon "It Serves You Right!" reminds everyone about the grace of God. The truth is they deserve nothing from God, but He gives them all they need in Jesus the Savior. The Lutheran Youth Fellowship will meet in the Parish Hall at 5:00 p.m. for topic study and business meeting. Family night will meet at 6:00 p.m. for pot-luck supper and fellowship.

The Lutheran Women's Missionary League will meet on Tuesday in the Parish Hall for topic study and business session.

The Cisco Nursing Center worship service will be on Wednesday at 10 a.m. Catechism class will meet in the Parish Hall at 3:45 p.m. The second Lenten worship service begins at 7:30 p.m. Pastor Crockett's message is entitled "The Hour of Prayer!" based on Mark 14:35.

Jesus' Friends for ages three through five will meet in the Parish Hall on Thursday at 9:30 a.m. Adult Information session will meet at 9:45 a.m. Jesus' Friends for kindergarten through grade five will meet at 2:45 p.m.

The weekly publishing of the school menu is sponsored by the P-T.O.

## Bridal Shower

The Rebekah Sunday School Class and the youth of East Cisco Baptist Church joined in honoring Sue Hallmark with a bridal shower on February 20. She is the bride-elect of Sy Tabor.

Cake and punch were served from a table decorated in the bride-elect's chosen colors of burgandy and pink. The centerpiece of silk flowers was furnished by Jewel Kinard, aunt of the bride-elect.

Miss Hallmark was pleased with the variety of gifts they received.

Hostesses were Doris Crutchfield, Marie Brock, Dorothy Wright, Omalee Holdridge, Bonnie Ervin, Louise Pryor, Marie Ivie, Jewel Kinard, Leona Morton, Cindy Jackson, and Leanne Agnew. Barbara Jessup sat at the registry table.

Sue and Sy are to be married at East Cisco Baptist Church on March 6th.

## Property owners informed of rights

AUSTIN -- Kenneth Graeber, executive director of the State Property Tax Board (SPTB), today announced a statewide effort to inform property owners in Texas of their rights and remedies as taxpayers.

"Major changes in the state's tax laws were effective January 1 with implementation of the new Texas Property Tax Code," Graeber said. Among the more significant provisions are those which:

- Establish a central appraisal district in each county which will value all property for tax purposes and provide that value to each

- Provide a single board of equalization--which will be empowered to hear taxpayer appeals on a wide range of matters rather than just questions of value;
- Make it possible for taxpayers to file all exemption applications and property renditions with one office in a county rather than with multiple tax offices.
- Permit one-time applications for homestead exemptions and open-space land valuation, rather than annual applications as previously required;
- Provide, for the first time in Texas, a method for taxpayers to limit property tax increases to eight percent annually through an initiative and referendum process applicable to all taxing units.

Graeber said that all except 17 of the state's 254 counties, the new appraisal district has been implemented. Local officials delayed appraisal district operations until 1983 in Bexar, Glasscock, Gray, Hartley, Jasper, Jeff Davis, King, Leon, McMullen, Moore, Oldham, Rockwall, Stonewall and Zapata counties.

Implementation of full appraisal district operations was delayed until 1984 in Bowie, Crockett and Harris counties.

The SPTB administrator noted that in counties which have delayed appraisal district implementation, taxpayers should file their property renditions and exemption applications with city,

school, county and special district tax offices as in prior years. In all other counties, renditions and exemption applications should be filed with the appraisal district's chief appraiser.

"It is important that taxpayers file renditions and applications for tax relief prior to May 1," Graeber said.

To call attention to available exemptions and tax administration procedures, he noted that SPTB will be working with appraisal district, local tax offices and the state's news media to help make Texans aware of changes in the law.

"State law requires any person who owns or manages income-producing personal property on January 1 to file a rendition statement with the appraisal district," Graeber noted.

Additionally, the chief appraiser of a county may require rendition of other taxable property upon notice to the owner or manager.

Special rendition procedures apply to property on which an exemption applicable on January 1 terminates during the tax year. In such a case, the person who owns or acquires the property on the date eligibility for the exemption terminates must render the property for taxation within 30 days of that date.

Transportation companies subject to regulation of the Railroad Commission are required to render the value of their intangible property to the State Property Tax Board.

Banks and railroad companies are required to file special rendition statements with the appraisal district chief appraiser.

Graeber said rendition forms are available from ap-

praisal district implementation was delayed. Transportation businesses may obtain report forms from the State Property Tax Board in Austin.

Complete information on rendition requirements and on the availability of tax exemptions and special valuation for agricultural land is contained in a pamphlet produced by SPTB titled "Taxpayers' Right, Remedies, Responsibilities."

The pamphlet, which also includes suggestions on how to prepare and present a tax-

payer appeal, is available at no charge from appraisal district offices, from most local tax offices, or from the State Property Tax Board.

"The property tax is the primary source of local government revenue in Texas, and will generate approximately \$6 billion this year to help fund the operations of public schools, cities, counties and special district," Graeber said.

"We urge all property owners to become familiar with the tax process and to file renditions and apply for all exemptions or other tax relief measures to which they are entitled," Graeber concluded.

## Senator Pete Snelson Announces candidacy for Land Commissioner

Senator Pete Snelson of Midland, presiding dean of the Texas Senate, officially announced his candidacy for Land Commissioner in the Democratic Party, December 17, 1981.

His wife, Susan, was in Eastland County Thursday during a campaign tour from Midland to Dallas.

Mrs. Snelson stressed the senator's qualifications stating that he has been in

the State Senate for the past 20 years, serving the largest Senatorial District in the nation.

She quoted Senator Snelson as saying "proper management of the 22.5 million acres of public lands is of vital concern to every Texan, and the office of the Land Commissioner has an important bearing on the financing of public education through involvement in the Permanent School Fund and the Permanent University Fund."

"I am asking the people of Texas to entrust this responsibility to me based on my record of public service over these past 20 years and my experience in the education and business world covering some 35 years."

The constitutional office of Commissioner of the General Land Office is one of major responsibility. Elected every four years, the Texas Land Commissioner oversees a staff of approximately 300 across the state who help manage the use of public lands. Those holdings last year produced some \$600 million in state revenues for the Permanent School Fund, which now exceeds \$3 billion.

The Commissioner also holds positions on those boards that control state land. They sit on the Board for Lease of University lands and chairs both the School Land Board, charged with

Susan Snelson

managing the state's public free school lands, and the Veteran's Land Board, which administers a program providing favorable land loans to eligible veterans of the U.S. Armed services. The Commissioner also has ex officio membership on other boards and councils, such as the Legislative Redistricting Board and the Texas Energy and Natural Resources Advisory Council.

Also, the Land Commissioner traditionally serves as chairman of the Board for Lease of University Lands, responsible for the Permanent University Fund. Income from the Permanent University Fund benefits the University of Texas, Texas A&M University and some of their system institutions.

Senator Snelson was recently named one of the Ten Best Legislators by Texas Monthly magazine, which also honored a bill sponsored by Snelson as "the best social legislation of the session." This bill, passed during the 67th Legislature, set aside \$6.25 million to facilitate the normal development of handicapped children under three years of age.

The Senator states that his record speaks very clearly about his abiding concern for the school children of Texas.

He stated "I invite the people of Texas to examine closely my record of public service. I believe it is a record that measures up to the highest standards of public trust."

### Cisco Writer's Club

The Cisco Writer's Club will meet Tuesday evening, March 2nd, 7:00 p.m. at the Chamber of Commerce Meeting Room in Cisco. Bill Roberts, president, will be in charge. The meeting will include manuscript reading and discussion, with helpful suggestions. Any writers who wish to participate are cordially invited to come out and bring their material. Along with the writers, the Club also welcomes persons who wish to support writing and the arts with their presence.

### Willie Mae Mathis CofC artist

The Eastland Chamber of Commerce Artist of the month will be Mrs. Willie Mae Mathis of Albany, Texas. Her paintings will be on display during the month of March 1982.

Mrs. Mathis is a native of Eastland County. She became interested in painting in her early years. Her first teacher was Mrs. Allen D. Dabney.

During later years she took up painting again and attended work shops under

Joe Hubbard, David Slade, Ruby Nell Thomas, Jean Lyles and Lana Harris. Her paintings are done in oils and watercolors, but she said watercolors was her favorite media.

Willie Mae is a member of the Eastland County Art Association and her paintings has won her numerous awards and ribbons. The public is invited to come by the Chamber of Commerce office and view these paintings while on display.

### PERSISTENT PRAYER

There was in a certain city a judge who did not fear God or regard man. A widow came to him and requested help. The judge gave her no consideration. She continued to come to him and appeal for his assistance. Finally, he said within himself, "Even though I care not for God or have regard for this woman, but because of her persistent which wears me I will help her."

Jesus told his disciples "If an evil judge can be worn down like that, don't you

think God who truly loves you and gives justice to those who plead to him day and night will come to your aid? Yes, He will answer them."

Friend, prayers can't be answered unless they are prayed. We are told to "Come to Him all you who are heavy laden and He will give you rest."

Hebrews 4:16 tells you to "So let us come boldly to the very throne of God and stay there to receive his mercy and to find grace to help us in our times of need. We can trust Him to keep His promises.

## Plans forming for Texas' 150 Anniversary celebration

Can you visualize the year 1986? It's nearer than you think! A number of Texas communities and counties have begun their planning for the 150 Anniversary of Texas independence, which will be celebrated during that year. There is already an active Sesquicentennial Commission in Austin - for no celebration would be complete without a Commission!

But any citizen with a drop of native-born (or adopted) Texas blood in his veins will want to do something to mark the big event.

There are many suggestions coming from Austin, and fortunately some of these ideas can be carried out by individuals as well as groups. There is even a free idea Handbook for all local planners, which can be obtained by writing to the Texas Sesquicentennial Commission, P.O. Box 1986, Austin, Texas 78767.

One excellent suggestion from the Commission, and one which would interest children as well as adults, is the idea of making 1986 a "Year of Wildflowers".

Texas residents are asked to seed area roadsides and private fields with native wildflower species as a beautification project.

Fall is the best time for a seeding program, and once started, the native wildflowers propagate themselves. The State Department of Highways has stated with it will be pleased to work with any individual or group on a project like this.

For information of wildflower seed and supplies, planting procedures, and advice on which flowers will do best your area, write: Herbert Neimann, Landscape Architect, State Dept. of Highways and Public Transportation, 11th and Brazos, D-18L, Austin, Texas, 78711.

A Texas Company which has an interesting supply of wild flower seeds and native plants is Carroll Abbott's GREEN HORIZONS CO., 300 Thompson, Kerrville, Texas, 78028. This Company, which sells by mail order only, also stocks a number of hard-to-find books about Southwestern wild flowers, shrubs, and trees. The listing of supplies shows some rare plants as well as those more familiar. Bluebonnet seed are available, as well as winecup tubers, and plants such as Apache Plume and Red Yucca. Pinon trees are sold in one-gallon containers.

Persons who are not wild about getting out and planting something might enjoy participating in a "historic photograph exhibit" in a public building. Families could bring in old photographs of local places as well as persons. Other suggestions are art shows, musical events.

### Attorneys named for LaFlore

Eastland attorneys W.H. "Bill" Hoffmann Jr. and Tommy Warford have been appointed by 91st District Judge Jim Wright to represent Charles LeFlore, who is charged with murder.

LeFlore, is charged in the death of 29-year-old Cisco convenience store clerk Debra Garcia of Eastland. He remains in Eastland County Jail in lieu of \$75,000 bond.

### Bonnie White teaches at The Frame Makers

Bonnie R. White, of Eastland and formerly from the Austin area will be teaching an adult class on beginning oil painting.

The classes are a 6-8 weeks series, one evening a week for two hours from 7 p.m. to 9 p.m. at The Frame Makers, 112 West 6th in Cisco.

A minimum class of ten students is required with oil classes beginning the week of March 1, 1982.

The classes are designed to teach beginning students to patiently reproduce on their own without the aid of an instructor. These classes will progress at a slower pace and be very explanatory.

One 16" x 20" size canvas or two 8" x 10" pictures will be completed in this series of classes. The objections of the class will be realism depth and perspective. Drawing is helpful but not necessary. There will be easy and simplified terms with arrangement of colors.

For registration, art supplies or additional information call Tommie Harris at 442-1251.

Festival and Fairs with the theme of Texas Independence.

The Commission recommends that each community should survey its needs, problems, and resources, and develop a "Year 2000 Plan", which would be announced on the eve of the Sesquicentennial. The "Year 2000 Plan" would set community goals for the year 2000, and set practical strategies for meeting them.

Some area towns, such as Abilene, are already into this type of planning. A similar program is carried out on a regular basis in Eastland County by the County Extension Agents and various members of the agricultural community. Much information on the whole county, its towns, and the assets and needs of its citizens is compiled into a book. A current "Program Builders" book is being compiled at this time, and publication is planned in May.

With this celebration coming up, it would be interesting to know how many Eastland County residents are directly descended from persons who fought in the Texas Revolution or played some part in that early history of the Republic and State? If so, contact on eof the Eastland County newspapers and leave your name.

Regardless of which form the celebration takes, Eastland County will certainly not forget the Sesquicentennial. For this area is closely tied to the rest of the 254 counties.

# Drug traffic named most serious crime problem

The drug traffic in Eastland County is our most serious crime problem, County Criminal District Attorney Emory Walton said this week.

"Three Eastland County young men, all under 21, are presently at the Vernon Drug Center for treatment," he said, "and we're in the process of sending a 14-year-old junior high school student there for treatment."

The availability of drugs in the county is widespread, and in advising the concerned public, D.A. Walton said that the general public needs to realize that there is a problem, and to keep their eyes open for information which can be passed on to his office

and/or law enforcement officials so that arrests can be made and the pushers stopped.

"And now that the county is busy with the oil industry and other assorted industrial growth, we're now into 'the big money' crime," Walton explained. "Right now we're investigating a \$20,000 embezzlement, a \$50,000 theft, an oil field theft of \$210,000 and another one for \$200,000."

Add to that the some 20 to 30 DWIs we file a month from the some 40 miles of Int. 20 across the county, and you can know that the courthouse is busy.

Walton's office is responsible for prosecution in the 91st District Court, County Court where misdemeanors are handled and five justice of the peace courts. In addition to these he works with the various state agencies in-

cluding the Department of Human Resources (primarily with child abuse and neglect cases) and the Department of Public Safety and Department of Health. "I don't handle any private practice cases," he said, "but I sure get involved in divorce problems, primarily with helping keep child support payments coming to help children."

"A young mother, making minimum wage, with as many as three children, and no support from an oil-field working ex-husband can be a pitiful sight," he said, and we try to see that the youngsters are taken care of.

And then of course there's the "run-of-the-mill" counseling and helping those who need advice on legal matters, and the D.A.'s office is also official legal counsel to the County Com-

missioners Court as well as each of the county officials in legal matters.

In 1981, the District Court collected some \$33,000 in fines; the county court, \$4,700; with 537 cases filed in 91st; and 52 in county. We disposed of 735 cases in 91st District Court last year.

Walton recalled that the recent Grand Jury investigated the drug problem and called for special help, and he emphasized that the law enforcement authorities "need your help" in helping

control illegal drug use.

"Crime in Eastland County was up 20 per cent in 1980 over 1979," he said, "I don't know what the local figures are going to show for '82 over '81, but they won't be good."

Mr. Walton was speaker for the Eastland Lions Club Tuesday. Darwin Miller was program chairman. President Al Novak presided and guest was Don Glover of Strawn. Mack Walker is a new member.

## 407 qualified signatures needed to call election

Approximately 407 qualified signatures are believed to be needed to call an election to legalize bingo in Eastland County.

Petitions are presently being circulated, having been

obtained on a verbal request from the county clerk's office. The verbal request and time limit of return are new provisions under the new state law on local option for bingo. There reportedly is no time limit on when the petitions have to be returned to the County Commissioners.

The number of required signatures is ten per cent of the total number of voters who voted in the last election (1980) at which a governor was elected.

One spokesman indicated that the request for the petitions came through a representative of the local VFW Post.

## Homestead benefits available to those over 65

Homeowners who are 65 years of age or older and failed to receive their School District Homestead Exemption in 1979 have until April 1, 1982 to still sign up. In this way, Over-65 homeowners will be able to take advantage of the tax freeze associated with the \$10,000 Homestead exemption given by the School Districts of the State.

According to House Bill 885 which was passed by the Special Session of the 67th Legislature, Over-65 homeowners who Qualified For the school homestead "Tax Freeze" in 1979, but did not apply for the limitation, may file an application with the Chief Appraiser of the County Appraisal District in which the home is located.

This application must be made with the Chief Appraiser of the Eastland County Appraisal District before April 1, 1982.

To qualify for the tax limitation, on January 1, 1979 a homeowner Must have satisfied these requirements:

- Be 65 years of age or older
- Own his or her home
- Use that home as his or her Principal Residence

The Chief Appraiser will consider all applications and notify each applicant before April 15, 1982. If the application is approved, the Chief Appraiser will make an entry on the appropriate school district's 1982 appraisal records.

This entry will indicate the amount of tax the Over-65 taxpayer should have paid in 1979, had he been granted the \$5,000 general homestead exemption and the \$10,000 for 1979, 1980, or 1981.

For 1982, the taxpayer's amount of homestead taxes paid may not exceed the amount of taxes the school district would have imposed on the homestead for 1979, had the taxpayer been granted his homestead exemptions. This frozen tax amount will remain in effect as long as the homestead remains the same.

For information and application forms, you may contact the Eastland County Appraisal District office which is located in the second floor of the Eastland County Courthouse. The mailing address is P.O. Box 914, Eastland, Texas 76448 and the telephone number is 629-8597.

Lara, Mooneyan, Vic & John Stacy with the barbecue pit to be given away March 6

## Vic's Welding announces Grand Opening

Mr. and Mrs. Vic Stacy are proud to announce the "Grand Opening" of VIC'S WELDING SERVICE located on 106 S. Virginia off Hwy. 80 West in Eastland.

The shop will serve the oil industry, farmers, ranchers, truckers, and anyone with welding needs. Vic is prepared to handle small or large jobs and all types of repair work.

An important service of this new business is fabrication. Vic will fabricate large items for the oil industry or small items for everyone's needs.

Vic was born in Gorman, Texas and graduated from Gorman High School. He farmed and welded for many years and entered the welding business in 1980. He

worked in Abilene building rigs and decided to establish a shop in Eastland to meet welding needs of the local citizens.

Vic and his wife, Mooneyan, live in Eastland with their children, John Collins and Lara Rene.

The welding shop will be open Monday through Friday from 8:00 a.m. to 5:00

p.m. and until noon on Saturday. Customers may reach Vic by calling 629-2874. The same number may be used for emergencies.

Vic and Mooneyan invite everyone to drop by during the "OPENING" March 1st to 5th to have refreshment, inspect our new facility, and register for a free "Mini" barbecue grill to be given away.

## Ten Past Masters Attend Lodge Meet

Ten past masters of the Cisco Lodge 556, AF&AM, were honored Thursday night at a chili supper and open meeting at the Masonic Lodge building. Sixty-five persons were served.

Past masters in attendance and the year they served were Charles Clark, 1957; Joe Britain, 1948; Blair Clark, 1951; M.M. (Doc) Parmer, 1956; C.C. Cooper, 1964; Ted Hale, 1968; Hershell Penn, 1969; I.J. Dobbins, 1970; Charlie Pence, 1971; and Dan Dixon, 1975.

Judge Jim Wright of the 91st District Court was the speaker for the open meeting. He challenged lodge members to "listen only to the good things and be careful of the stones you throw." He noted that there are too many good people

and things in the world for people to talk about rather than repeat or start untruths and gossip.

"Gossip and idle talk can be damaging to an individual, a business or a government," Judge Wright said.

The Eastland jurist, who is a member of the Eastland Masonic Lodge, was introduced by Eddie McMillan, master of the Cisco Lodge. Mr. McMillan welcomed visitors to the meeting and introduced past masters in attendance.

Past masters of other lodges in attendance included Harold White, a Houston lodge; Douglas Fry, Putnam lodge; and Aubrey Van Hoy, Volney Day and W.E. Tankersley, all past masters of the Eastland lodge.

**SPEAKER FOR** an open meeting of the Cisco Masonic Lodge last Thursday night was District Judge Jim Wright of Eastland, left above. He was introduced by Eddie McMillan, master of the Lodge, also pictured.

**TWO OF THE** past masters of the Cisco Masonic Lodge honored at the Thursday night meeting were Charles Clark, left, and his brother Blair Clark. Charles served as the lodge master in 1947, and Blair held the office in 1951. Charles lives on his ranch east of Cisco and Blair lives in Grand Prairie. Both are retired.

**THE MASONIC** Lodge meeting Thursday night opened with a chili supper and Charlie Pence, right above, was the chili chef. O.L. (Robbie) Robinson, left, helped with the serving. Mr. Robinson, 26 years in lodge work, is junior steward of the Cisco lodge. Mr. Pence is a past master of the lodge.

**HELPING SERVE** some 65 visitors at the Masonic Lodge chili supper Thursday night were Aubrey Van Hoy, left above, and Virgil Murphy. Mr. Van Hoy is the lodge secretary, and Mr. Murphy is the senior warden.

## A.A.R.P. Holds Festive Meeting

February's meeting of the Cisco Chapter of AARP was a festive occasion with decorations of hearts, hearts and more hearts in observance of Valentine's Day, and the election of two kings and two queens of hearts. Election to this honor resulted from a tie between Anton White and Tommy Ball, and Mrs. White and Mrs. Ball.

The meeting opened with invocation by Neal Moore and pledge to the United States flag led by AARP president, Walter Knowlden. Group singing of "Let Me Call You Sweetheart" and "When You and I Were Young, Maggie" was accompanied by Mrs. W.B. Sims, pianist.

The business session included committee reports by Velma Joyner, Sue Taylor, and the sunshine committee chairman, Lessie Greer and Anton White. Gertrude Besselaar distributed patterns for the caps the chapter voted to make for M.D. Anderson Hospital patients who have undergone treatment that resulted in loss of hair. This is one of the many needs of the Houston-based medical center to which various organizations are responding.

President Knowlden announced a special meeting for Friday, Feb. 26, at 6 p.m. with the usual covered dish supper, and discussion of Income Tax preparation by Mr. Vaughan Rawson. Chapters from Breckenridge, Eastland, and Cross Plains are expected to send representatives. A regional AARP meeting on February 27 at Hardin-Simmons University will have Mr. and Mrs. Anton White as Cisco's representatives.

Guest speaker was Mayor Eris Ritchie. In tribute to the three United States Presidents born in February, Mayor Ritchie enumerated little-known personal anecdotes concerning George Washington, Abraham Lincoln, and William Henry Harrison.

In a more serious vein, Mayor Ritchie spoke of the City's needs for water and sewer improvements, and the Council's decision to hold a bond election on April 3 for funds to finance these projects. The bond election will be held on the same date as the City's regular public official election, he said, and an open meeting at the Cisco High School is scheduled for March 22 to explain the details of project construction and methods of financing. The Mayor also called attention to the need for taxi service within the city and asked that any person or persons interested in such business contact the City Manager, Mike Moore.

The meeting closed with benediction by Neal Moore.

Special recognition was given to members of the decoration committee chairman, Mrs. Hester Laird, and helpers, Mabel Thetford, Johnnie Jeffcoat, Tommy Ball, Rose Knowlden, and Mrs. Henry McCoy, and to the program chairman, Mrs. Thelma Bosworth, Mr. and Mrs. C.L. Webb and Mrs. Patti Merti and all the other generous helpers.

Persons over 55 years are welcome as members. The organization's purpose is "to serve - not to be served."

## Charles Cole Named To UT Honor Roll

Charles Edward Cole has been named on the Honor Roll of the College of Engineering, University of Texas, Austin, for the fall 1981 semester.

To be named on the honor roll, a student must have an outstanding mark of accomplishment and distinction.

Charles is the son of Mr. and Mrs. Alfred B. Cole of Cisco.

## Cisco Historical Society Members Meet With Petrini

Several members of the Cisco Historical Society were present at Dr. Brown's office on February 17 at 9:00 a.m. to meet with Dr. Rino Petrini and Mr. Peter Maxson, a representative of the Texas Historical Commission.

The amendment to assess annual dues of \$10, payable in January, was read and passed.

Mr. Maxson was introduced to the group and spoke briefly of policies which may concern the Historical District: the National Park Service is concerned with good strong boundaries. Some of the impact of National Registry includes new tax incentives for certified

## Judge Bailey Speaks At Rotary Club

A law, HB 640, recently passed by the Texas Legislature defining the abandonment of cemetery lots and the procedure for recovery of title by the governing body of the cemetery, was discussed before the Rotary Club Thursday, by County Judge Scott Bailey.

Under the definitions stated in the law, he explained, there is some question as to whether or not it would apply to the Cisco cemetery, however, and some amendment of its provisions might become necessary.

The 40-acre burial ground is managed by a non-profit association and under that status the law would seem to apply. But the City of Cisco is the grantor of title to the lots and for that reason the cemetery may be in a category to which the law is not applicable as it now stands. Another condition in what would be, overall, a matter for delicate concern, prevents any recovery action in the case of a title granted in perpetuity, even though the lot in question may otherwise come within the warrant of the legislation.

The act, which applies to private or association-owned and non-profit cemeteries, presumes abandonment as a condition in which the lot has not been cared for or maintenance fees, if required, not paid for ten consecutive years. Before any action for recovery of the unused lot or lots is taken the authority must give notice of intention to the owner or his representative, either directly or by mail to the last known address. After a stated period of time there must be four newspaper publications once a week, before a petition to declare abandonment and sale can be filed in district court.

## Sixth Graders Sing For Lions

An ensemble of 16 sixth graders was presented in a choral concert as the entertainment feature at the weekly luncheon of the Cisco Lions Club last Wednesday noon at the White Elephant Restaurant.

The group sang "Here's Music," "Tuxedo Junction," "I Write the Songs," and "Tie a Yellow Ribbon Around the Old Oak Tree." They were directed and accompanied at the piano by Mrs. Jerry Jeffcoat of the school music faculty.

Members of the ensemble were Chad Rogers, Kevin Kirk, Shannon Berry, William Pevey, Bobby Webb, Kevin Bentley, Leigh Callarman, Teresa Maxwell, Christi Purvis, Jill Reynolds, Christy Smith, Connie Streiff, Gina Kinsler, Amy Cross, Kristy Skiles, Ginger Williamson and Tonya Ingram.

The Rev. C.L. Reneau, pastor of the Church of the Nazarene, was program chairman. Mrs. J.W. Cook was a guest.

moving to Fort Worth. The class presented pieces of jewelry to each as tokens of appreciation.

Others present were Faye Gardenhire, Bernice Carter, Ila V. Lane, Lillie Richardson, Bessie Reynolds, Alberta Sims, Aline Ray, Lorena Smith, Inez Smith, Lessie Lee Greer, Ruby Streiff, Essie Glenn, Pearl Trapp, Mable House and Kay Clamptt.

## Four Members Of HERO Club Attend Area IV Leadership Training Conference

Four members of the Cisco High School HERO Club, Rhonda Boner, Delia Rameriz, Linda Reich, and Gaye Willoughby, accompanied by their sponsor, Mrs. Stephenson, participated in the annual Area IV FHA/HERO Leadership Training Conference which was held on the campus of

Tarleton State University February 20.

The one day conference was conducted in the Clyde H. Wells Fine Arts Building. "FHA Dares to Dream" was the theme of the meeting. Featured speaker for the general session was Gerald F. Rosebure. Currently serving as superintendent of schools for Slidell Independent School District, Mr. Rosebure provided both an entertaining and thought-provoking presentation for his audience.

Miss Jamie Barte, Area IV president from Bridgeport, and Miss Katrina Bogle, vice president of programs, presided at the general sessions.

Other Area FHA/HERO officers include Miranda Hoskins, Woodson; Donna Wittenburg, Lometa; Delese Wood, Early; Pam Massey, Trent; Royce Smith, Weatherford; Teresa Collins, Chico; Robin Rothrock, Millsap; Sherie Harber, Clyde; Kim Morris, Brownwood; Terri Eckerberger, Slidell; and Malinda Roberson, Hico. State officer assisting was Lee Ann Reese of Abilene.

Miss Barte opened the morning session at the House of Delegates Meeting at nine o'clock which included election of new officers, reports from the 1981-82 officers, and "entertainment breaks."

Also included in the day's agenda was recognition of outstanding accomplishments of the Area Future Homemakers who have completed Encounters, a growth and development program; recognition of outstanding HERO members, including Linda Reich from the local chapter; honorary memberships; and installation of the 1982-83 area officers.

The Area IV delegation in-

cluded students from a 35 county area in central and north central Texas. The conference was under the direction of the Homemaking Education Division of the Texas Education Agency. Area advisor to the youth organization is Mrs. Marilyn Johanson of Stephenville.

## HERO Club Sells Valentine Suckers

The Cisco High School HERO Club sold Valentine suckers on Friday, February 12. It was planned to sell them before school and at lunch time, but all of the candy was sold before lunch.

There were cherry and cinnamon flavors to choose from. The money will be used to help with the employer banquet in April.

### Sets Records for Lady Wranglers

Peggy Taylor, a 5-11 sophomore from Bastrop, lead the Cisco Junior College Lady Wranglers in most statistical categories and helped the team ride its current crest of victories.

Taylor has set several records for the Lady Wranglers already this season, including most rebounds in a game (23 against Grayson) and most points in the one game (36 against Grayson).

After 13 games, Taylor was ranked second in the conference in rebounding (144 rebounds and an 11.0 average), third in field goal percentage (108-201, 53.7), fourth in scoring (253, 19.4) and 14th in free throw percentage (37-60, 61.6).

The talented sophomore broke her own record of 22 rebounds in a single game, which was set last year.

Taylor has scored 534 points in leading the Lady Wranglers to a 21-9 season.

### Letters TO THE EDITOR

During the 1981 twenties, a well-liked lawyer, named John D. Barker, had an office in the Garner building. I served him as legal secretary, and enjoyed the work thoroughly.

We were quite busy most of the time, but there were days when we had some spare moments. Judge Barker belonged to what he termed the Universalist Church, and was quite proud of it.

He made the remark to me many times that if, and when any of his children approached the Throne in the hereafter, and the God of that world denied entrance because they had not accepted only the Lord Jesus Christ, he would grab hold of his whiskers, and pull him off his important seat.

So, to fulfill an ambition of his, we engaged ourselves in writing a legal document which he called THE KINGDOM OF GOD vs JUDAS ISCARIAH. He almost converted me to his ideas.

I kept the original paper, size eight inches by fourteen, called the legal paper for all documents out of a lawyer's office. This was a court trial, and most interesting. I kept my original copy on legal-sized paper for years and only the past month, did I have an accident that caused all of this document to be burned.

I am sure there are people in Cisco who bought this book when it was published, and that it may now be molding on your shelves. If so, would you please write me and make me an offer, either to accept it free, or tell me what you would sell the book for at this time.

My name is Pearl Ghormley, and my address is P.O. Box 206, St. George, Utah, with the zip code of 84770. I would deeply appreciate hearing from any of you, and shall look forward anxiously until your messages reaches me.

## Cisco Mayor Eris Ritchie Is Guest Speaker At Industrial Arts Club Meet

Eris Ritchie, mayor of Cisco, was guest speaker Thursday, February 18, at a regular meeting of the Industrial Arts Club.

Mrs. Bernice Carter, club president, opened the meeting at 2 p.m. and extended a warm welcome to members and friends. During a brief business session, Mmes. Sue Taylor and Lou Schurpo were elected to membership in the club.

Mrs. Leslie Lee Greer introduced the speaker who told about the "Critical Needs of Cisco." Mr. Ritchie started his discussion with interesting facts concerning the three presidents who were born in February, George Washington, Abraham Lincoln and William Henry Harrison.

He said George Washington, the first president, was called the "father of our country" but he had no children. The old style calendar stated that Washington was born February 11, 1731, but when Congress changed the calendar, the birthdate fell on February 22, 1732.

### Ribbons Presented To Conservation Contest Winners

The Upper Leon Soil and Water Conservation District recently presented ribbons to participants in the 1982 Conservation Poster Contest. The contest was open to all children in the third and fourth grade age level in the District.

From the 58 posters entered, one was selected as the District Winner to be forwarded to Regional competition in Temple.

The one selected was submitted by Jakkie Pickens, a 4th grade student from Carbon. Jakkie's parents are Mr. and Mrs. John Pickens from Carbon and her teacher is Mrs. Janis Keith.

Jakkie, her family and Mrs. Keith will be guest at the Tenth Annual Conservation Awards Banquet to be held March 10th at PAR center at Lake Proctor. A plaque will be presented to Jakkie at this time.

Other winners in the contest were:

Congress had to borrow money in order to pay Washington's salary. He was a businessman as well as president since he ran a ferry across the Potomac River. Washington wore size 13 shoes and also held the first barbecue in 1793 and roasted a 500 pound ox.

Mr. Ritchie said that Washington's brother, Lawrence, built the Mount Vernon home. The inaugural address was the shortest in history with only 135 words. At the age of 57 Washington had lost most of his own teeth and searched endlessly for false teeth. Finally a French dentist made him a set carved from rhinoceros ivory.

William Henry Harrison was born February 9, 1773. He was president for only 31 days and the first president to die in office. But he made the longest inaugural address of 8344 words. He had more children than any other president which numbered ten. He died in

## Kiwanians Given Overview Of Key Club At Breakfast

Kiwanians were given an overview of the purpose of a Key Club, its responsibilities, activities, and organizational structure at their regular 6:30 a.m. breakfast this week. The program was presented by Kiwanis and Key Club officers from Clyde.

Participating in the program were: Winfrey Hogan, Kiwanis Div. 35 Lt. Governor; Carl Brown, Sec. of the Clyde Kiwanis Club and Chairman of the Key Club Committee; Keith Penny, Clyde Key Club President; and Ricky Long, Key Club Lt. Governor of Div. 35.

The Key Club is a youth organization of the Kiwanis Club made up of High School students, both boys and girls. The organization is the largest international youth club in existence and the Texas-Oklahoma District is the largest district of the organization.

It was emphasized that the Key Club is not a social organization, but a service club. The international theme is "Pursue Tomorrow's Potential". The Club gives youth unity to be a force in helping their community, school, fellowman, and to learn leadership. Mr. Long stated that, like any other worthwhile organization, you get out of it what you put into it.

Guests from Cisco High School in attendance were: Gene Kinsler, representing the faculty and students; Larry Adams, Kendall Anderson, Zack Hunt, Greg Sipe, Mike Woolley and Joey Worley. These individuals have applications and other information on the Club and will be soliciting Charter Members for the Club. In order to organize, there must be a minimum of fif-

teen charter members. International and District dues combined are \$5.50 annually. There will be a Spring Rally for Key Clubbers at 2 p.m. Saturday at the Nelson Park Zoo in Abilene. An invitation was extended to any interested young people in the Cisco area. If you wish to attend, simply inform the gate keeper that you are visiting from Cisco.

In other business, Kiwanians were given a progress report on the Miniature Golf Course and advised that there would be a work session at 1:30 p.m. Saturday.

## Church Of The Nazarene To Emphasize Youth

February 28 will be a Sunday of special children's emphasis at the local Church of the Nazarene. Pastor Reneau states that there will be a program especially designed around the children of the church and their guests. There will be special singing done by the children and some awards given.

Recently some of the children received special awards at the Denominational Zone Talent Contest in Abilene. Christi Hollis, the eight-year old daughter of Mr. and Mrs. Eddie Larkin, entered and won first place in art. Johnny Clayton, the nine-year old son of Mr. and Mrs. Stan Clayton of Eastland, won first place in crafts. Heidi, Sammie, Loyal, Jr., and Julie Lundstrom, the children of Mr. and Mrs. Loyal Lundstrom, entered and won first place in vocal ensemble. These will each now compete in the district competition at Wichita Falls March 19 and 20.

Dixie Fambro will be returning to the Elite Beauty Salon, Wed. March 3. She will be working Wednesday through Friday 8:00 am to 5:30 pm. For an appointment with Dixie, Call Elite Beauty Salon 442-1265

## Homemaking Hints

By Janet Thomas

Spinach is one of many green leafy vegetables grown in abundance in Texas. Eight thousand to 10,000 acres of spinach are produced in the Winter Garden area each year, providing more than 80% of the nation's supply. Most of the canned spinach for consumers is processed at a plant in Crystal City, Texas. In the middle of the small town is a large brightly painted statue of the cartoon character Popeye, signifying that the town is the spinach capital of the world. Fresh, Texas spinach is usually available from November through April. The savory or crinkly leaf type is mostly hand-harvested and sold as fresh spinach. The flat or broadleaf type is usually machine harvested and used mainly for canning.

**SELECTION**  
Fresh spinach cannot be stored very long, so select greens before buying. Look for crisp, clean leaves that are fresh and tender with a healthy green color. Avoid greens with coarse, fibrous stems; wilted or yellowed leaves and brown edges. Reject greens with excessive dirt and evidence of insects which are hard to remove.

Buy fresh spinach loose by the bunch or prepackaged. One pound of bunched spinach or 12 oz. of packaged spinach serves three or four people. Packaged greens are more convenient because they are somewhat trimmed and washed before packaging. There is less waste with

packaged spinach, but it may cost more per pound and deteriorate more quickly.

Canned or frozen spinach may be a less expensive choice, especially when fresh spinach is not in good supply. Either form stores well, can be used in many recipes and requires little preparation.

**NUTRITION**  
Gaining super strength from spinach may only appear in cartoons, but spinach is rich in blood-building iron. It has an abundance of vitamins A, C & K and supplies a good source of fiber. Spinach also contains some B vitamins and the minerals potassium and magnesium. Although it is packed with nutrition, this tasty, green vegetable only has about 20 calories per serving, so even if you are dieting, you can eat all you want.

**PREPARATION**  
Combine the unique color and flavor of spinach with other foods to make salads, quiche, casseroles, dips, souffles or crepes. For a delicious side dish, season cooked spinach with butter, onions, herbs or spices. Spinach also blends well with hardcooked eggs, bacon and ham.

**PREPARATION**  
Combine the unique color and flavor of spinach with other foods to make salads, quiche, casseroles, dips, souffles or crepes. For a delicious side dish, season cooked spinach with butter, onions, herbs or spices. Spinach also blends well with hardcooked eggs, bacon and ham.

Too cook spinach, remove damaged leaves and large stems. Heat the leaves in a saucepan with the water that clings to the leaves after washing. If the spinach has been stored a few days, add one or two tablespoons of water.

To retain the emerald green color, remove the lid briefly during the first few cooking minutes to allow steam to escape. This releases chemicals that turn spinach a dull olive green. Do not add soda to preserve the color. Soda is not needed and can change the flavor. Cook the greens just until the leaves or tender. Overcooking also causes discoloration.

**STORAGE**  
Store fresh greens properly to preserve the quality of the leaves. Spinach keeps only three to five days, so plan to use it shortly after purchase. Rinse the leaves thoroughly but gently in a container of cool water to remove dirt or sand. Shake the leaves to remove excess water and drain them on a wire rack or towel. Packaged spinach can be stored a day or two without washing, but wash it before using.

For crisp leaves, keep spinach cold and moist. Store spinach in a plastic bag or a damp cloth in the refrigerator.

**RECIPE FOR THE WEEK**  
Fresh spinach is now available in our local grocery store. You might like to prepare fresh spinach salad.

**FRESH SPINACH SALAD**  
1 ten or 12 oz. package or 1 pound bunch fresh spinach (wash dried and chilled)  
6 slices of bacon  
1/2 cup sliced green onions  
3 T. olive oil  
3 T. fresh lemon juice  
1/2 t. Salt

**OPTIONAL INGREDIENTS:** Hard cooked eggs, mushrooms, ham, water chestnuts and black olives. Tear spinach leaves into bite size pieces in a large bowl. Cook bacon in a skillet over low heat until crisp. Remove bacon from skillet and drain on paper towel. Saute green onions in bacon drippings just until tender. Remove pan from heat and add olive oil, lemon juice, salt and dry mustard. Blend well. Add optional ingredients desired. Just before serving, pour dressing over spinach and toss lightly. Sprinkle with bacon pieces. Serves 6.

## Pest Alert

by GORDON WOOLOM

Several aphids infest small grains. The greenbug is the major small grain pest. In most years, damaging populations develop throughout the area. However an individual producer may not need to apply control measures for greenbugs every year.

Greenbugs develop in large numbers under certain conditions and may cause economic losses. In some cases, entire fields of grain are lost. Greenbugs suck plant juices and inject toxins into small grain plants.

During the winter, infested fields may have yellowed spots preceding the appearance of small deadened areas. Later, greenbugs in these spots may increase and spread throughout the field. Greenbugs cause more damage when small grain crops suffer from deficient moisture during midwinter and cool spring.

The greenbug reproduces rapidly at temperatures between 55 and 95 degrees F. Its natural enemies, however, reproduce slowly when temperatures are below 65 degrees F. Thus, in cool weather the greenbug may increase to enormous numbers while its natural enemies multiply slowly. Greenbug damage may be confused with moisture stress and/or nitrogen deficiency.

The need for applying insecticide depends on the number of greenbugs present, size and vigor of plants, temperature, time of year, moisture conditions and stage of growth and presence of parasites and predators.

Treatment may be warranted when at least 100-300 greenbugs are found per linear foot when plants are 3-6 inches in height or when 300-800 greenbugs per linear foot of 6-18 inch plants are found. The appearance of dead plants caused by greenbugs feeding in spots within the field may also indicate a need for treatment.

Greenbug control is more effective when temperature is above 50 degrees F. Use higher recommended rates when temperature is below 65 degrees F. The chemicals most commonly recommended for greenbug control are Cygon\*, DeFend\*, Di-Syston\*, Malathion or Parathion. Be sure to check label for grazing and harvesting restrictions.

## News

The 4-H Adult Leaders Association is in charge of the concession stand at the Eastland County Stock Show, March 18th, 19th, and 20th. This is the Adult Leader's main money making project and if you have a child in 4-H, you need to actively participate. Remember that all of this money goes to sponsoring 4-Hers to County Camp, District and State events, County Awards Banquet and other 4-H events.

Each club is responsible for two different 3 1/2 hour shifts so that working parents can show their support on the evening or Saturday shifts. The work schedule is as follows:

Thursday 9:00-12:30 - Eastland, Ranger  
12:30-7:30 Gorman (6-8 workers)  
Friday 8:00-11:30 - Nimrod, Carbon  
11:30-3:00 - Rising Star, Cisco Country Kids  
3:00-6:30 - Ranger, Cisco - Good Times Gang  
6:30-9:30 - Carbon, Eastland  
Saturday 8:00-11:00 - Cisco

- Good Times Gang, Rising Star  
11:00-2:00 - Cisco Country Kids, Nimrod

Each club needs to provide three to four adults for each shift. 4-Hers from each club will be needed to operate the coke dispenser. Remember that each 4-H family is asked to bring baked goods to sell at the concession stand.

The Adult Leaders would like to thank Mrs. Stansell for all her help in ordering the food and providing us with a place to store the frozen goods.

### Lone Cedar

A golf scramble will be at the Lone Cedar Country Club Sunday, February 28. Weather permitting.

4-H is strictly supported by volunteer work, so let's all pitch in and work together to support 4-H.

The 4-H Adult Leaders Association will meet Monday, March 15 at 7:30 p.m. in the Production Credit Association meeting room. The main topics of discussion will be the County Livestock Show and the new 4-H rifle club. All 4-H parents are encouraged to attend.

CISCO YOUNG men have been pretty faithful about registering for a possible draft as they edged into the age bracket, reports Melvin Wende of the Cisco Post Office. The registrations have been steady with no last minute rush as the details neared this weekend.

Folks at the post office wouldn't be surprised to learn the identity of the new Cisco Postmaster in the next week or ten days. No word has come down yet but there are indications that the process is nearing the final stage--naming the new postmaster.

OUR SCOUTS report that Gary Speegle, one of the top Lubbock footballers the past two or three years, is being courted by the U.S. Air Force Academy and that a scholarship offer might be forthcoming. At least one Southwest Conference school has looked at Gary on film, and West Texas State of Canyon is ready to sign him up, this scout reported.

Gary, you know, was a fine ball carrier and a dandy linebacker on defense at Cisco High School.

CISCO "MADE" page one of the Abilene newspaper Thursday as the result of a policeman losing his job. Kenneth Kinch, 28, of Dallas, was hired two weeks or so ago. All new officers are on 90-day probation and Cisco authorities decided to terminate the new patrolman.

In the absence of a specific reason, the policeman called the Abilene newspaper and State Editor David Burch came over and interviewed him. Mr. Burch and Mr. Kinch then went to see Acting Police Chief Raymond Blevins and City Manager Mike Moore. And you saw the news story.

Nothing was accomplished. The departing policeman didn't do his cause any good. And Cisco's image suffered a bit, needless.

The city manager tells us that the appointment of a permanent police chief probably will be made by the end of March.

SEVERAL YOUTHS from an Abilene university were in town the other day to return some old tombstones that they had picked up back of the old Graham Hospital in Humboldt. When tombstones are replaced at Oakwood Cemetery, the old ones have been deposited back of the old hospital.

A dean at the college suggested that the youths return the tombstones as they might still be needed.

DROPPED IN at the Bandito Corral for a bit of Mexican food the other night, Steve and Kelly Walker, the

proprietors, were on the job and reported that their new business is off to a good start.

The Bandito's menu is a la carte and you order what you want to eat. We tried a combination burrito and a couple of tacos and found same to be filling tasty. Their coffee is 25 cents and their cherry or apple burritos (something like fried pies) are delicious.

The Walkers grew up in these parts and are pleased to join the community's business life.

THE NICE RAIN that fell Wednesday night and Thursday didn't do the block on Avenue M, between 7th and 8th streets, much good. City street department folks began working the block Wednesday and it got a good soaking. Dr. Chief Brown attended a chiropractic association meeting in Abilene last Tuesday night. Directors of the Cisco Lions Club will hold their monthly breakfast meeting at 7 a.m. Tuesday at the White Elephant Restaurant.

PEOPLE WHO lived on the Breckenridge Highway would like to see the Missouri-Pacific Railroad repair their 6th street crossing. It is about as bad as the North Avenue D crossing got before repairs were made recently. After SWBell Telephone Co. closes the Cisco business office in a couple of weeks or so, you'll pay your telephone bills at Heidenheimer's.

REALTOR Garl Gorr was back in his office Thursday for the first time since undergoing surgery a couple of weeks or so ago. He reports that he left him a nice scar that he can talk about and that he is feeling better every day. And Dr. E.E. Addy's latest Aggie story concerns a couple of them who were driving in an isolated area. Their car broke down. One of the Aggies had an idea. "Let's cut stick horses and ride them to town." And so they did. Approaching town, the first Aggie said: "Let's ditch these stick horses - it's silly to be riding them." But the other wouldn't hear to it. "I'm staying on mine," he said, "for my feet are sore."

## OBITUARY

### Funeral Services For J.O. Taylor Held Friday

Funeral services for J.O. (Orval) Taylor, 73, of Cross Plains, were at 3 p.m. Friday at First Baptist Church in Baird. Rev. Delton Fisher, officiated, assisted by Rev. Dan Woodridge. Burial was in Ross Annex Cemetery, directed by Parker Funeral Home.

Mr. Taylor died at 10:35 a.m. Wednesday at Callahan General Hospital after a sudden illness.

He was born September 28, 1908, in Deep Creek Community, in Callahan County. He had lived in Callahan County all of his life. He was engaged in ranching and trucking. He was a veteran of the Navy in World War II. He was a Baptist. He was a member of Putnam Senior Citizens, National Rifle Association, Livestock Carriers Association and two square dance clubs, Country Promenaders and Country Cousins. Mr. Taylor was associated with T&W Transport in Abilene. He later formed Taylor Trucking Co. He married Josie Roberson on February 28, 1930, at Putnam.

Survivors include his wife; a daughter, Mrs. Chester (Pat) Wilson of Bronte; three sons, Bryant Taylor of Abilene, Ira Wayne Taylor of Eula and Carrol Taylor of

Clyde; a sister, Pauline Warren of Baird; 17 grandchildren; four great-grandchildren; and several nieces and nephews.

A son, James H. (Sonny) Taylor preceded him in death in 1974.

### Services For Elbert Cozart Held Thursday

Funeral services for Elbert Logan Cozart, 67, of Lamesa, were at 2 p.m. Thursday at the Northridge Methodist Church in Lamesa. Rev. Carl White, pastor, and Rev. Clarence Stephens of Lubbock, officiated. Burial was in Lamesa Memorial Park.

Mr. Cozart died at 1:45 a.m. Tuesday in the Medical Arts Hospital in Lamesa after a brief illness.

He went to Dawson County in 1924 from O'Donnell. He moved to O'Donnell from Cisco in 1923. He was a member of the Northridge Methodist Church.

Survivors include his wife, Mary Cozart; two daughters, Letha Brown and Kay Cozart, both of Lamesa; a son, Ronnie of Mexia; his mother, Mrs. W.P. Cozart Sr. of Lamesa; two sisters, Mrs. Faye Grayson of Seminole and Mrs. Christina Lee of Sands; a brother, Glen Cozart of Lamesa; and three grandchildren.

Nephews served as pallbearers.

## C.J.C. Wranglers Close Season With 81-74 Win

Coach Tommy Collins' Cisco Junior College Wranglers vaulted into the Region V junior college basketball tournament Thursday night as they closed out a winning season with an 81-74 victory over Cooke County College.

Free throws proved to be one of the reasons the Wranglers will be preparing for their opening round game Wednesday in Big Spring against Howard College as they hit 17 of 22 from the charity stripe--with six of those coming in the final 1:18 of the game.

Cooke tried to pull the Wranglers out of a stall game, but J.C. Cole, Charles Houston and Dwight Burr sank two free throws each to help provide the winning margin.

Cole finished the night with 16 points to lead the Wranglers scoring. Burr and Mark Priest each added 14, Bruce Coleman had 13 and Houston 12. Phillip Hollie took the Lions' and the game's scoring honors with 21 points.

The game seesawed back and forth until 12:43 remained in the first half. From that point, the Lions threw in seven straight points to build a six-point, 19-13, lead at 6:01. Lion Tommy Brown gave Cooke its biggest lead of the game, 10 points, with a layup to make it 35-25.

CJC came roaring back, however, outscoring the Lions 16-3 to take a 41-40 lead at 1:46. Cooke came back and Hollie's jump shot at the buzzer provided the Lions with a 44-43 halftime lead.

The Wranglers took command with a three-point play by freshman guard Darrin Barnett. The bonus gave CJC a three-point, 58-55, lead with 13:59 left. Cooke cut the lead to three twice and a jump shot by Bobby Thomas at 4:32 cut it to two, 71-69--but the Lions couldn't get any closer.

Priest got a layup and a tip-in and then Cole, Houston and Burr earned their trips to the free throw line to ice the game away.

## Big Country Real Estate Assists Residential Change

Mr. and Mrs. J.B. Jessup have sold their home and small acreage to Joe and Sue Hannegan, formerly of Hawley. The Hannegans are very pleased with their new country home. The Jessups will reside in their residence on West 7th. They will miss the country but are proud to be in town. Jo and J.B. purchased the former home of John and Kim Brandon. Jack and Dixie Montgomery have purchased a brick home on West 11th Street from the R.L. Lewis. The Montgomerys will miss their Lake Cisco residence but are excited about their new brick home. Pat Maynard Real Estate and Big Country Real Estate worked together on the Montgomery transaction.

CJC finishes the regular season at 17-14 and finishes Northern Texas Junior College Athletic Conference play tied for third with Hill County and Southwest Christian. All three close with 11-7 records. Cooke's season ends at 19-12. The Lions finish 9-9 for the season in conference.

For the NTJCAC, McLennan County Community College will be the No. 1 seed in the Region V tourney, with Ranger JC second, Southwest Christian third, Hill County fourth and CJC fifth. If the Wranglers manage to survive the first round game, they'll meet McLennan in a 9 p.m. game Thursday.

## Lady Wranglers Play Near-Perfect Game

Freshman guard Candi Lott pumped in 23 points and played a near-perfect game Thursday night and three other Cisco Junior College Lady Wranglers hit in double figures as the local squad

## Delinquent Tax Suit Filing Is Expected Soon

First suits in the City of Cisco's campaign to collect delinquent taxes will be filed in 91st District Court of Eastland County soon after March 1st, City Manager Mike Moore reported Friday.

The City Council has authorized Howard Perdue, Arlington attorney who has a contract with the city to handle delinquent tax collections, to begin filing suits. Mr. Perdue and the city entered into a contract several months ago and he has been studying the tax rolls.

Most of the delinquent taxes are owed by absentee owners of Cisco property, Mr. Moore said.

grabbed a share of the Northern Texas Junior College Athletic Conference championship and the No. 1 seed in the Region V tournament.

The victory, by an 82-76 count, gave the Lady Wranglers the top spot because of the conference's power points system--they beat Cooke by more points than Cooke beat them in their first meeting. CJC finishes conference play 14-2--equaled only by the team they beat Thursday--Cooke County College.

Both teams now head for Big Spring Monday to open play in the regional tournament. CJC meets the winner of Sunday's Amarillo College, Ranger Junior College game at 6 p.m. Monday in the Howard College Coliseum. Cooke, the No. 2 seed from the Northern conference, will face tough Western Texas in a 4 p.m. game.

Lott pulled down 11 rebounds, received 13 credits (that's assists and steals) and committed no turnovers, besides scoring her 23 points. Cooke jumped out in front in the opening minutes of play and built a six-point lead before Lott hit two jump shots. The second, two-pointer gave the Lady Wranglers the lead and they never relinquished it.

The record-setting Lady Wranglers finish the regular season with a 22-9 record as three sophomores--Peggy Taylor, Carolyn Cheeks and Sue Brooks--took the CJC court for the last time as Lady Wranglers. Taylor closed out her last regular season with 17 points and 10 rebounds.

The Bastrop native finishes the regular season with 551 points and 305 rebounds. CJC's biggest lead came in the second half when freshman guard Marinette Hays' jumper put the Lady

Wranglers on top 49-32--a 17-point advantage.

Eight unanswered points by the Lady Lions closed the gap to two, 63-61, with 7:50 left, but Taylor hit a layup and freshman Sherrie Hill got two baskets and two free throws to push the lead back to 10, 71-61, with 4:10 remaining.

Taylor fouled out with 6:43 left, but freshman Michelle Bush came in to take up the slack under the boards for the Lady Wranglers. Cheeks got into the act, hitting jumpers at 2:06 and 1:37 after the Lady Lions had cut CJC's lead to five.

The Lady Wranglers then hit seven of 10 free throws to offset six charity tosses by Cooke.

Cooke's Dee Dee Polk sank 19 of 19 free throws and finished as the game's leading scorer with 39 points. The Lady Lions go into the tournament with a 28-6 season record.
