

HALL OF REMARKS

BY HERRREL HALLMARK

CISCO'S ANNUAL Folklife Festival is over for another year and people are still talking about what a great time they had at the event Saturday and Sunday.

One of Sunday's big attractions seemed to be helicopter rides. If you noticed a helicopter flying over Cisco a number of times Sunday, that is why. It would land at the Festival and let off a passenger and pick up another for a circle over Cisco.

ELSEWHERE in The Press this edition you will see a story about the Christmas in May project that our town's Chamber of Commerce is sponsoring. The story includes a list of items needed for the several different phases of the project.

You can help by looking over the list and donating any of the items that might be surplus at your house.

Nichols Team Wins Golf Event

A playoff broke a tie and gave first place honors to the Bennie Nichols golf team in the annual Cisco Junior College invitation scramble golf tournament at the Cisco Country Club last Saturday afternoon. Some 55 players took part in the event.

The James Cotton and Bennie Nichols teams tied with scores of 61 - seven under par - to force the playoff. A pitch shot by George Owens was nearest the No. 9 hole to win the trophy for the Nichols group. Others playing with Nichols were John Schaal and Bonnie Rice.

Cotton's team included Boy Keyes, Joe Sitton, Pat Owens and Ed Wende. Third place with a score of 63 went to the Bob Bennie team that included Gene Abbott, Zack Hunt and Rick Abbott. David Callarman's team fired a 64 to win 4th place. Playing with him

were Tim Jones, Jim Yowell, Catherine Abbott and J.C. Fletcher. Other team captains and their scores were Delbert Schaefer 64 (lost playoff to Callarman team for 4th), Ralph Glenn 65, Bernard Campbell 65, Kevin Winnett 66, Anthony Strother 66, Tracy Owens 66, and Bobby Smith 66.

In special events, Bob Bennie won the longest drive contest for men with Dorothy Farnsworth winning for women. Bennie Nichols' drive to No. 8 green was nine feet from the cup to win him a prize, and Roy Gevara came in second. Pat Owens won the closest-to-the-pin contest for women at No. 2.

Chairman Ralph Glenn said the tournament was a good success.

Firemen Answer Three Alarms

Three alarms were answered by Cisco firemen Monday and early Tuesday, records at the fire station showed. A grass fire on the railroad between 4th and 6th Streets was put out without damage Monday afternoon. Firemen went to the IH-20 access road near Avenue N at 12:50 a.m. Tuesday to put out a burning automobile. Records did not show ownership. Firemen said the vehicle had extensive damage. A fire truck went to Speegle's Gulf Station at 9:50 p.m. Monday after a gasoline tank was hit by a station wagon, spilling some 25 gallons of gas. Firemen stood by until the spill was cleaned up.

Primary Polls Open Saturday 'Christmas In May' Will Become Annual CofC Project

Primary polls open Saturday at 7 a.m. at ten voting sites in Eastland County - nine for Democrats and one for Republicans.

Polls will be open until 7 p.m. and qualified registered voters may vote in either the Democratic or Republican columns - but not both.

The primary is equal to party nomination for the November General Election. The Democratic ballot offers a multitude of choices and the Republican ballot also has five referendum propositions.

DEMOCRATIC Seeking re-nomination as U.S. Senator is Lloyd Bentsen and he is opposed by Joe Cullivan.

U.S. Rep. Charles W. Stenholm is unopposed for re-nomination.

There's a field of six seeking nomination to the race of governor to pit their skills against GOP Gov. Bill Clements in the November election. The Demo hopefuls are Bob Armstrong, Buddy Temple, Ray Allen Mayo, Don Beagle, David L. Young and Mark White. (There's likely to be a run-off in that race).

For Lt. Gov., Incumbent Bill Hobby is opposed by Troy Skates.

Four (John Hannah, Jack Ogg, Max Sherman and Jim Mattox) seek the nomination for state attorney general.

Comptroller Bob Bullock is opposed by Robert Calvert.

Lane Denton, Warren G. Harding, John R. Cutright and Ann Richards seek the State Treasurer post.

Pete Snelson, Dan Kubiak, Garry Mauro and George Fore seek the office of Land Commissioner.

Incumbent Agriculture Commissioner Reagan V. Brown is opposed by Jim Hightower.

Railroad Commissioner Jim Nugent is opposed by Ralph Paceco.

John M. Barron and Ted Robertson vye for Justice, Supreme Court Place 1.

Bill Kilgarlin and James G. Denton seek place 2; and Woodrow Wilson Bean and Charles W. Barow seek place 3.

Jack Onion is unopposed for presiding judge, court of criminal appeals. Carl Daily, Charles F. Campbell, John E. Humphreys and William Phillips, seek Place 1 on Criminal Appeals Court; and Chuck Miller, A. J. Shuval, Bill Black, Mel Bruder and Roy Rawls, seek place 2, court of criminal appeals.

Closer to home: State Sen. Bob Glasgow is unopposed for re-nomination.

Two seek the nomination for state representative, District 65. Lee Haney and Jim Parker seek the chance to run in the fall. (Eastland County was recently re-districted from 54 to 65.)

Curly Hays and Jewell Harris both of Abilene are seeking nomination for state school board member, District 17.

Chief Justice Austin McCleod is unopposed for the Court of Appeals.

County Criminal District

Attorney Emory C. Walton is unopposed for Democratic nomination but will face Republican Candidate Stan Boose in the November election.

County Judge Scott Bailey is unopposed.

Incumbent Mary Jane Rowch is opposed by Marciel G. Justice for nomination as 91st District Court Clerk.

County Clerk Joann Johnson is unopposed, as is Treasurer Edith McCullough and Surveyor Richard Johnson.

Three seek nomination to the race of Justice of the Peace, Pct. One: R. G. (Guy) Lyerla, Maybelle Trout and I. W. Ussery.

In the Ranger (pct. Two) County Commissioners race, four seek nomination: Luther Fambro, Jack Blackwell, O. L. Cantrell and Roy Stroud. Nominee would face GOP candidate Robert Butler in the General Election.

GOP BALLOT The Republicans have three (Don L. Richardson, Jim Collins and Walter H. Mengden) who seek nomination to run against Sen. Bentsen in the November election.

There's even a republican (Duke Embs) running against Gov. Clements for the nomination.

George W. Strake seeks Lt. Gov.; Bill Meier, Attorney General; and Mike Richards and Raymond Frank seek Comptroller; Millard Neptune seeks State Treasurer; Al Gutierrez, Woodrow Glasscock and Andrew Jackson seek nomination for Land Commissioner.

Donald Hebert is Ag. Commission candidate and John Henderson, Railroad Commissioner; John Bates Place 1 Supreme Court; Ray Moses, Court of Criminal Appeals; Gary Hagman, State Sen. District 22.

Gary W. Logan is State Rep. District 65, candidate. Carol Hunter is candidate for State School Board, District 17.

Clyde Stanley (Stan) Boose is candidate for Criminal District Attorney and Robert Butler candidate for County Commissioner, Pct. 2.

The Republicans have party officials filed in all precincts but Desdemona and Carbon.

The Democrats have party officials filed in all precincts except Eastland, Ranger and Carbon.

Marciel G. Justice Issues Formal Statement

Since announcing my candidacy for the office of District Clerk, I have tried to meet the people of the County by personal contact. I have thoroughly enjoyed my campaign in meeting all of you and wish there had been a way that I could have seen everyone. However it seems impossible to see all of you so I am taking this opportunity to tell you that my experience in working with people and my many years employed in bookkeeping, record keeping and the care of money, along with the knowledge of County and District Affairs that I have gained while working in the County Auditor's office should qualify me to be your District Clerk. I like working with people and I will serve you fairly and impartially and conduct the business of the office with prompt and

courteous attention to its responsibilities and your requirements. Your vote on May 1st promoting me to District Clerk will be appreciated. Sincerely Marciel G. Justice

Garland Paul Allen, 17-year old Cisco oil field worker, was released from the Eastland County jail at 8:30 a.m. Sunday after posting \$10,000 bond in connection with aggravated assault charges filed against him.

The young man was charged after his arrest early Saturday following an incident with a 15-year old youth in downtown Cisco. The youth was treated for stab wound at E.L. Graham Memorial Hospital and released.

Sheriff Johnny Morren said the oil worker was arrested by Cisco police. Justice of the Peace I.W. Ussery of Eastland set bond after District Attorney Emory Walton filed charges.

Young Man Faces Charges In Local Stabbing Case

The annual Cisco Junior High School awards banquet will be held Friday, April 30, at 7:00 p.m. in the high school gymnasium. Admission will be \$1.00 for students and adults and all seventh and eighth grade parents are invited. Tickets may be purchased at door.

Awards will be presented to one boy and one girl from the seventh and eighth grade in several categories. Also, several students will be recognized for over-all achievement.

Pre-Trial Hearing Is Set In Murder Case

A pre-trial hearing for Charles Allen LeFlore, 20, who was charged with murder in connection with the death of Mrs. Debra Garcia in Cisco on November 29, 1981, will be held at 9:30 a.m. Friday, April 30, in 91st District Court at Eastland.

LeFlore has been in the Eastland County jail under \$50,000 bond since his arrest February 8, 1982. A trial date will be set in Judge Jim Wright's 91st court after the pre-trial hearing, county officials said.

Mrs. Garcia, employee of a Cisco convenience store, was found dead of a gunshot wound in a roadside ditch two days after her disappearance from her place of

work. LeFlore's arrest came after more than two months of investigation by city, county and state authorities.

REST OF THE GOSPEL

Many verses show that our body is a container to hold our spirit selves. John 2:19, 21; II Corinthians 5:1; II Peter 1:14; Matthew 26:61. This container is called a temple because it was created by our Heavenly Father to house our spirits. Being created by our Father it is a holy temple. Our use of this temple is governed by many laws, summed up in I Corinthians 3:16-17. There are many ways to defile these holy temples. Fornication and adultery are the worst. But also, unclean thoughts, unclean talk. But also those things that defile the physical part of our bodies, such as alcohol, tobacco (nicotine), coffee and tea (caffeine), too much food or too little food, drugs, lack of exercise, laziness, etc. It matters not whether we are Mormons, Baptists, Methodists, Church of Christ, Nazarenes or what; if it defiles these holy temples, it transgresses the law. One of the nicer homes in Cisco, excellent location, upkeep very good, paved street and not overpriced, you will like this place and there is no sign up in front.

Your dream can come true, being offered is one of those stately, beautiful, well kept, two story dwellings. When this house is gone you may never ever have a chance to own one again. In many ways the house is priceless but you can buy it within reason. You will have the past, present and future all in one.

A very attractive stucco two bedroom dwelling, good location as to schools and priced right.

Owner has two places, one very good stucco, roomy two bedroom, with extra garage apartment, corner lot and paved street. The other is attractive frame three bedroom dwelling 1 1/2 miles out on an acre or two of land, will sell or keep either one.

Three bedroom frame, extra nice inside, you will like it, corner lot, good location and no trouble in getting it financed with a lower rate of interest and very little closing costs.

Another two story, carpeted upstairs and down, paved street, corner lot and is a steal price wise. Small but beautiful, four room dwelling, corner lot and good location.

We have them, other houses, downtown commercial property, you name it and we will probably have it and we are selling it. We appraise all property before listing it so the price is exactly right and we know the business we are in.

Cowboys Draft Top Cornerback by Richard

Picking twenty-fifth in the first round of the annual National Football League college draft, the Dallas Cowboys did it again. Cowboy personnel took about ten minutes before announcing defensive back Rod Hill, a relatively unknown football player from tiny Kentucky State, as their first pick.

Angus Field Day Is Saturday

Charles Deisher and H.H. Hassler's Blue Bonnet Angus Farm extends a special invitation to all Angus enthusiasts to attend the Leon Valley Angus Field Day Saturday, May 1, beginning at 10:00 a.m.

The first stop of the day will be at Charles Deisher's Farm, five miles west of Stephenville on Highway 377. At 11:30 p.m. the group will go to the Red Bandana Steak House for a dutch treat meal.

Following the meal, Randy Hines, Tarleton State University Meats Instructor, will present a short program on the proposed USDA Beef Grading Changes. This program should be of interest to all Angus Breeders. Location of this activity will be at the Tarleton State University Meats Lab, located 1/2 mile east of the intersection of Highway 108 and Highway 8.

cornerback if he develops as expected. Hill played safety in college. Hill can be the kick returner, at which he is good, while he is learning to play cornerback in the Cowboy's system. Rated as the best cornerback in the draft, Hill was the player the Cowboys were hoping to get. They also wanted to find a good linebacker in the later rounds of the draft which continues through Wednesday.

Understanding Home Mortgages

COLLEGE STATION-- When buying or selling a home, keep in mind the importance of understanding the new "alphabet-soup" mortgages available, suggests Dr. Peggy Owens, a housing and home furnishings specialist. Owens is on the home economics staff of the Texas Agricultural Extension Service, The Texas A&M University System.

Individual home buyers should "shop around" for a mortgage that best fits their financial situation, the specialist says. Some of the new mortgage plans to consider when thinking of purchasing a home in the near future, are:

- 1) ADJUSTABLE RATE MORTGAGE (ARM) or ADJUSTABLE MORTGAGE LOAN (AML) The rate is tied to an index and changes as the index varies. The rate is just below the conventional loan rate and may or may not have a cap on how high or low the rate can go.
- 2) GRADUATED PAYMENT MORTGAGE (GPM). The home owner's payments start low and increase on a preset schedule. As the owner's income increases so do his house payments. These mortgages usually require less down payment than a conventional loan.
- 3) ROLL-OVER MORTGAGE (ROM) The homeowner pays on a loan over a period of 25 or 30 years but is refinanced after three to five years or paid off. The lender has the option of refinancing.
- 4) RENEGOTIABLE RATE MORTGAGE (RRM) The homeowner pays on a loan over a period of 25 or 30 years but the lender agrees to renew the loan after a preset time (three to five years) at a new interest rate. The loan is tied to a predetermined index, and the rate cannot change before the time set by lender and buyer.

To better understand the new "mortgage language" and to customize a mortgage to fit individual financial situations, consult a lending agent, lawyer or real estate agent, the specialist suggests.

Local Ag Prices Affected By International Crisis

By Viola Payne
Again an international crisis has affected the agricultural marketing picture of the U.S., Texas, and of course locally. Latest reports are that the British-Argentine dispute over the Falkland Islands has helped cause price changes in world markets for beef, grains, soybeans, sorghum, and sunflower seed.

"Argentina is a world exporter in all these commodities, in direct competition with the U.S.," stated Dr. Ashley Lovell, Extension Service Economist at Stephenville, in a special report to the Eastland County newspapers. "About 75 per cent of Argentina's export revenue comes from agricultural products, so she will not want these exports stopped for any reason."

Argentina is reported to be the second largest grower of exporter or sorghums in the world, with most of the product going to Europe and Russia. The South American

country is also the second largest exporter in the world of what, corn, soybeans, and beef. An estimated 300 million cattle are grown in Argentina, in contrast with the 100 million in the United States.

"The U.S.," says Dr. Lovell, "Imports little of its foodstuffs from Argentina. Our country, fortunately, is one of the few in the world able to feed its own people with a lot left over."

"The Soviet Union," adds the economist, "Is Argentina's largest customer, so they are virtually interested in this conflict. The Soviets turned to Argentina during the 1980 Russian what embargo by the U.S., and have continued to buy a lot from her."

"This has been another bad year in Russia for crop production, and they are in desperate need of grains. I believe they will look for an alternate supplier of corn, wheat, and sorghum if the British blockade Argentina."

The sorghum market is reported to be the most affected by the crisis at this time. Texas, as a leader in U.S. world exports, will gain as much as any state with price rises. Last year, even with depressed prices, the state exported 324.5 million in grain sorghums. 348 million in wheat, 200 million in beef, and 4.9 million in soybeans.

In 1981 Eastland County farmers planted around 5,000 acres of sorghum for sale. (Approx. 6,000 acres were grazed in the field). The sale of this commodity grossed \$622,500. Although this was far under the 18 million in local beef cattle and 11 million grossed in Eastland County peanuts, sorghum was still an important crop here.

"Farmers and ranchers, along with other citizens, hope for a quick end to the Falkland Island conflict," says Dr. Lovell. "But this

confrontation emphasizes how quickly changes can come in the work market for commodities.

"Argentina seized the Falkland Islands on Friday, Apr. 2. When the commodity markets opened on Monday, they had immediately responded with higher prices. Since then prices have fluctuated, but with higher trends."

"At this date feedlot cattle are going at 71½ to 72 cents lb. Corn is 2.61 per bu., soybeans 6.27, wheat 4.29, and sorghum 5.05 per hundred weight."

"Other factors beside the possibility of war, of course, can affect markets. Many U.S. farmers have indicated that they plan to participate in 1982 programs of acreage reduction, and that is bound to cause changes in the long run."

"But political factors can have a quick, dramatic effect on a world-wide scale, no doubt about it."

Bass Club Report

Kids and fishing are a natural combination, going together as perfectly as ham-n-eggs.

Images of a barefoot boy with a can pole and can of worms have made a belief in that combination solid, almost a part of America's dreams.

Most youngsters do have a natural interest in fishing, a curiosity that is perhaps stronger than it is for most other forms of recreation in their short lives. But the blend of youngsters and fishing does not come together by osmosis.

A well planned, strong teaching effort is required to convert an interested youngster into an avid Basser. So let's take this month as an opportunity to start those young'n's on a road of conservational and enjoyable fishing days.

The next meeting will be on Thursday, May 6 in Cisco. Everyone is urged to attend. See you next cast.

Terry Wilson

Dr. Bill Thomas Extension Swine Specialist from The University of Texas A&M will be guest speaker at the Central Texas Pork Producers Meeting to be held Monday, May 3rd at 7:30 p.m. in the Texas Power and Light Hospitality Room in Comanche, Texas. He will present films of his recent visit to Singapore and about the pork industry in that country. All pork producers and interested persons are welcome. T-34

People n Things

THE FOLKLIFE Festival last weekend was a big success. That's the feeling of just about everybody we ran into out at the CJC Ag Building.

They had two tents erected adjacent to the building to take care of the demand for exhibit space. One tent housed food concessions, and the other was the entertainment center. This left all of the Ag Building for exhibits and concessions.

JEFF CERMIN, Abilene banker, son of the Dr. Ayres Cermins, is president of the Abilene Model Railroad Club. And he helped arrange for a real nice display at the festival. They put several model railroads together and operated miniature trains for one and all to watch. It was very interesting.

RANCHER WILLIS Parker donned his chef's bonnet to charcoal cook hamburgers that were sold by one of the food booths. Al Anderson's C&W band was playing while we watched, and a packed crowd enjoyed an hour-long program. The German band that Dr. and Mrs. Cermin direct was super, as usual. A novelty was a salt box instrument played by Oil Man Ivan Webb. His instrument was a wooden box big enough for him to sit on and accompany the band by raking a stick through salt. It was very effective. His wife Elizabeth played saxophone in the band, and their three-year old son led a cheering section.

COACH TOM Slagle of the CHS Track team played a guitar in Marcia Adams' band that performed on the program. Mrs. Steve Thomas was a soloist with the group.

We never knew that hoe cakes were cooked on a hoe until we saw the action. Lou Jane Qualls, local teacher, was turning out delicious hot cakes that were cooked on a flat side of a garden hoe being used for a grill over a fire. Guess you saw LJQ's picture serving a

hoe cake to Jami Roberts, 10-year old daughter of the Bill Robertses, in Sunday's Abilene newspaper.

HATS OFF TO Joe Wheatley and his Cisco Lumber & Supply for providing lumber and labor to build tables for the food tent and a platform for the entertainment tent. E.L. Graham Memorial Hospital had a booth that they used to advertise the local medical center. They provided blood pressure tests for one and all during the show. Met up with a number of former residents, including the Jack Whiteheads of Abilene, Peggy Maddox of Dallas, Rex Townsend of Burleson, and others.

THE TRAIL Ride breakfast would have been a wet affair if they hadn't changed the location from Lake Cisco Park to the CJC Cafeteria. A gentle rain fell early Saturday morning. Youngest breakfast visitor was Shellie Setser, three months old daughter of Mike and Renee Setser of Brownwood. Her dad had to work but the infant was accompanied by her mother and grandparents the A.E. Robys of Brownwood. They're all members of the Brown County Sheriff's Posse and were here for the parade.

A GOOD CROWD visited the Blue Depot Art Show and Sale. The pretty skirts with hand-painted pictures and designs on them were from the studio of Mrs. Joe Wheatley. The skirt paintings were signed "Gina," short for Virginia. The Saturday morning parade was a real credit to the CoC and the parade committee headed by Olin Odum.

ONE OF THE nicest looking oil well drilling rigs you'll see in these parts is busy these days in the backyard of the Wesley Smiths out on the Lake Road. They're drilling a deep oil test and the hole was nearing 2,000 feet Monday night.

The rig flies two flags - Texas and United States. It makes a nice picture to stand in front of the Smith home and click your camera. You get bluebonnets, iris and other flowers in front of the house, which is an attractive dwelling, and the impressive oil derrick in the background.

IF YOU MISSED Insurance Man Eddie McMillan at the golf scramble last Saturday afternoon, it was because of a tooth infection - one under a crown. His face was swelled considerably when we saw him Sunday. The Macon Strothers were here from Fort Worth for the weekend and he was a scramble team captain. The Joe Edward Schaefers of Arlington came out for the weekend, and he enjoyed a spring turkey hunt at his dad's place south of town.

VISITING IN Cisco this week was Mary Carey of Alaska. She is a sister of Lela Latch Lloyd and Annie Rendall. Mrs. Rendall was a patient out at Graham Hospital. The Don Kincaids, who have a home in Arizona and an apartment in Grand Prairie, were weekend visitors in the home of her parents, the Rev. Mart Agnews, and his parents, the Alvin Kincaids. Mrs. Alvin Kincaid has been a patient in Eastland Memorial Hospital for some time. Work is near completion on the new Alvin Kincaid home northeast of town.

THIEVES TOOK camera equipment worth some \$800 from the hotel room of Dr. and Mrs. Norman Wallace last Thursday night in Midland. They were there to accept an award for CJC's Fine Arts Department (see picture and story elsewhere). And their room door was locked!

Dr. Wallace, by the way, has two senior citizen donkeys in the pasture at his place west of town. They're supposed to be a good influence on other livestock in the pasture. Understand they'll break ice on stock tanks if same are frozen over and the donkeys are thirsty; and then, other livestock can drink.

IF YOU NEVER saw a

chaparral's (road runner) nest, you can out at the Cisco Country Club. A female road runner is sitting on a nest full of eggs these days in a tree back of the No. 8 tee box. Three days after it was repaired recently, the 1971 model Ford station wagon of the Carl Kleiners had a dent on a fender. It has 130,000 miles on the odometer and is still going strong. Mrs. Carrel Smith underwent surgery at West Texas Hospital in Abilene last weekend. Members of the CJC C&W ensemble of the Wrangler Band provided Ranch Day music last week. The group included Mark Briles of Grand Prairie, Danny Yates of Dublin, Steve Contreras of Hamlin, Richard Barron of Bay City and Randy Finch of Abilene. Dr. and Mrs. Bobby Cluck

and children of Arlington spent the past weekend here with his mother, Mrs. R.N. Cluck.

HOME FROM HOSPITAL John Webb, local business man, was brought home last Sunday from Eastland Memorial Hospital where he recently underwent major surgery. Mr. Webb owns and operates White's Auto Store here and is a long-time resident of Cisco. His condition was described as good.

DAV Aux. To Hold Bake Sale

The monthly meeting of DAV and Ladies Auxiliary was held Thursday, April 22 at 7 p.m. in the Texas Electric Reddy Room.

Those present for Ladies Auxiliary were Bonnie Alldredge; Marcia Carr; Ruth Haley; Edna Johnson; Loedia Cozart; Joyce Carrell; Doris Holt; Rosemary Gilbert; and Ida Lou Tucker. A new member, Faye Comacho and visitors Frances Thomas and Stephanie Jo Comacho were also present. The meeting was called to order and the minutes read from the last meeting. A business report was given.

Plans were then made for a bake sale to be held May 8th with the place to be announced later.

Refreshments were served to the DAV and Aux. by officers of the Auxiliary.

Meetings are held each 4th Thursday with the next one being May 27th.

SCS Taking Orders For Catfish Through May 14

The Upper Leon Soil and Water Conservation District will be accepting orders for stocker channel catfish and stocker minnows through May 14, 1982.

The fish will be delivered in Comanche, Dublin, Eastland, and DeLeon providing enough orders are received in those locations. The channel catfish will be \$30.00 per hundred and the minnows are \$7.50 per pound. A tentative delivery date has been set for the last week in May. The only container needed at the time of delivery is a large cardboard box to place the oxygenate bags of fish into for transportation to the pond. The box will prevent the bags from rolling and possible punctures and also protect the fish from the sun.

The Upper Leon SWCD has sponsored the fish stocking program on three previous occasions. Through this method more than 44,076 catfish and 454 lbs. of stocker minnows have been sold. An estimated 304 ponds have

been stocked throughout the District.

To place your order contact the Soil Conservation Service in Comanche (915) 356-5186, Dublin (817) 445-2276, or Eastland (817) 629-1480. Payment must accompany the order before delivery.

Don Rhyne, Southwestern Bell, works on switching equipment that will improve Cisco customers' service.

Southwestern Bell Will Spend \$1 Million Here

Southwestern Bell will spend about \$1 million in Cisco this year to improve phone service, according to Sam Beggs, network services supervisor.

A \$730,000 project to improve long distance service is nearing completion. Beggs said new facilities are being installed to improve the quality of long distance calls and provide more circuits for local customers. "It means there are fewer fast busy signals caused by overloaded circuits. The new switching equipment will take care of today's needs and provide facilities for residential and business growth in the area."

The company recently completed a cable installation project in various parts of Cisco to replace older facilities with new cable. Beggs said the \$110,000 project will provide more dependable service because the new cable resists damage and outages.

He added that another large project, costing \$105,000, will soon begin in the north part of Cisco. "This project will provide facilities for Cisco Junior College and for area residents. It means phone service will be there when they need it."

"We'll also be moving our poles and cable as Avenue D is widened. That project will cost about \$100,000."

"We're doing everything possible to provide Cisco customers with the best telephone service. Some customers have already noticed an improvement, and we expect service to continue improving."

Putnam News

By Anita Buchanan

This was a busy week in Putnam. Summer is almost here and people are going places and keeping busy.

Little League has begun and several of the boys and girls in Putnam are playing on teams in Baird. That means several trips to Baird each week. We hope to have our baseball diamond in Putnam completed soon. It will be located on the lots behind Annie Mae and Milton Donaway's house.

Bill Wagley visited with Bobby and Bonnie Isenhower and Janie Moore of Abilene. They had dinner and later attended a worship service at Trinity Community Church where Bobby sang a special. Afterwards they had coffee with Bobby's parents, Weldon and Louise Isenhower and Bonnie's mother. Bill also had a birthday lunch with his mother, Mary Wagley, at her apartment in Baird this week.

Cisco had their annual Frontiers Day Festival this week. Attending the Rodeo from Putnam were Terry, Virginia, Brad, and Brit Johnson, Anita, Bo and Joe Buchanan. Daryl and Cathy Green from Clyde also attended.

The Terry Johnson family also rode in the trail ride Saturday morning. Terry roped in an open roping later.

Also attending the parade was Gertrude and John Petty of Brownwood and their family.

Scott Fall of Fort Lauderdale, Fla., formerly of Putnam, is now renting and renovating Mary Wagley's house. Scott plans to make his home in Putnam.

Visiting with Mr. and Mrs. H.O. Smith this weekend was Mr. and Mrs. Emmett Price of Cottonwood and Mr. and Mrs. Carroll Smith of Grand Prairie.

There was a wedding at Foy and Bobby Jobe's home Friday night. Their youngest son, Daryl and Sherri Whitehead were married by Bro. Jim Reaves of Cisco. Out of town guests attending the wedding were Mrs. Charlie Brandon and Putt Brandon of Baird, Dorothy and McJobe Caraway and G.P. Jobe of Abilene, Lynn and Bill Jackson of DeLeon, Esther Whitehead of Cisco, Kelly Nunnally and Mr. and Mrs. Ron Rivers and Mica of Abilene, Mr. and Mrs. Sonny Collins of Baird.

Bill Jobe, brother of the groom, served as best man while JoLynn Collins, sister of the bride, served as matron of honor.

Saturday, May 1, is election day. Everyone remember to vote between 7:00 a.m. and 7:00 p.m. at the Putnam Community Center.

Little League Continues

Minor Little League teams played Thursday evening, April 22. The minor Giants went into first place with a 25-13 win over the Braves. The Athletics beat the Cardinals 14-7 to tie for second place and the Braves are in third.

In major league games, the Braves went undefeated taking a 12-4 win over the Cardinals and a 10-4 win over the Astros putting them in first place. The Giants beat the Rangers 12-2 Friday night, April 23, but were upset by the Cardinals Saturday night, April 24, 10-8 breaking their tie with the Braves and putting them in second place. The Astros and Rangers are tied for third place, Cardinals fourth with one win and Athletics fifth with 0 wins.

The following players have a 500 or better batting average:

Athletics—Stanley Boner
Giants—Jason Phillips, Robert Wages, Andy Woody, Chad Flores, John Clark and Craig Mason.

Braves—Joe Flores, Scott Logsdon and Ken Drozeski.
Astros—Carl Graves, Ronnie Wilcoxon and William Pevey.

The following players made outstanding defensive plays this past week:

Rangers—Don Hammond, John Brady, Kevin Kirk, Doug Witt, Davin Hohertz and Scott Stuart.

Athletics—Chad Rogers, Richard James, Donovan McDonald and Wade Cozart.

Cardinals—Scott Logsdon, Mike Webb, David Stedum, Jesse Benavides and Jerry Feiner.

Giants—Robert Wages, Robert Mayberry, Jason Phillips and John Clark.
Astros—Larry Garrett,

Tim Rains, Cory Graves, Jarrod Jeffcoat, Willie Pevey, Kendall Seabourn and Jeff Roark.

Braves—Ross Escobedo, Gordon Davis, Joe Flores, Mike Cozart, Shannon Berry and Michael Riddle.

Winning pitchers have been:

Astros—Jarrod Jeffcoat, Larry Garrett.

Braves—Joe Flores, Ross Escobedo, Michael Riddle and Sean Ritchie.

Giants—Robert Wages and Robert Mayberry.

Rangers—Raiford Rattan and John Brady.

Cardinals—Mike Webb.

Parents and fans braved some mighty cold weather for both Friday and Saturday night games. There has been excellent response from parents and citizens of the town in supporting the Little League program.

The League president wish to extend a special thanks to Mr. Ralph Ramirez and Jacky Williams who are coaches for the Cisco A's semi-pro-team. They have been helping with umpiring and are sponsoring a free baseball clinic for players and coaches at the Little League field Saturday, May 1, at 11:00 a.m. They will be showing the correct way for young boys to pitch without hurting their arms permanently and basic fundamentals of batting and

fielding the ball. It is understood that many of the semi-pro team members will be there to help and meet the Little Leaguers.

The League also wishes to extend a special thanks to various people in the community who have helped with the announcing of games and do not have children playing. Rev. John Clinton, Lloyd McGrew and Matt Ritchie were announcing this past week, and Mr. Al Anderson, Alvin Young, David Adkins and Rev. Buddy Sipe have been signed up for this week. What wonderful support, cooperation and team work is being given from the town as a whole. Cisco is to be commended.

This week's schedule is:

Thursday, April 29

5:30 p.m.—minor Cardinals and Giants

Country Club

Ladies Will Have Luncheon May 5

Cisco Country Club Ladies are having their monthly luncheon at noon Wednesday, May 5, at Lake Cisco Country Club. Reservations should be made by noon May 3.

There will be an important business meeting as part of the program.

Non-members are welcome and may make reservations by calling Mrs. Eddie McMillan (442-1671) before noon, May 3. Chairman of the affair is Mrs. Bob Elliott.

Girls Model

Clothes At Art

Club Meeting

Mrs. Anita Kent, a "Home Economics" teacher from the local school, with her class of young ladies presented an interesting program at the First Industrial Arts Club on Thursday, April 22, at the Federated Clubhouse. The girls modeled some of the clothes they had made in class. They also shared some projects they had made from kits and explained the method of making them.

Everyone enjoyed the outstanding program and expressed the desire of making the style show an annual affair.

Mrs. Bernice Carter, club president, opened the meeting at 2 p.m. During the business session, Mrs. Ruby Lee Pirtle was asked to lead the group in repeating the club collect and flag pledges.

Plans were made for a covered dish luncheon for the installation of officers at the last meeting of the year on May 6.

Mrs. Emma Addy brought a very interesting counselor's report. The meeting adjourned at 3:30 p.m.

Extension Club

Holds Meeting

The April meeting of the Pleasant Hill Extension Homemakers Club met at the home of Diane Carlile. Eleven members and one guest were present. John Blair, from the Extension Service, gave a program on 4-H clubs in Eastland County.

The birthday party of the Cisco Nursing Center, which is held on the third Thursday of the month, is sponsored by the club. Twila Lee, Mary Hearne, Muri Campbell and Blanche McGaha were the hostesses for the April party.

The next meeting will be May 13 at the home of Blanche McGaha in Eastland.

Variety Show Is Presented At Intermediate

"A Variety Show" was presented by Cisco Intermediate School's third and fourth grades Monday night at 7:00 in the Intermediate School gymnasium, in conjunction with a P-T-O meeting.

The show featured square dancers from both grades and also some individual talents in musical skills. The students were given a standing ovation at the end of the show by the capacity crowd.

The program began with the students singing "I Pledge Allegiance to the Flag" and the "Star Spangled Banner." Flags were carried into the gym by Sean Schaefer and Wesley Cunningham.

Students were accompanied on their next number, "America" by Jason Streiff on the bass xylophone; Billy Boles on the tympani; Heather Parker on the alto xylophone; Roy Worley on the soprano xylophone; Allison Williams on the alto metallophone; Tania Lane, Heidi Lundstrom, Sandra Price, Melanie Stewart, Melody Boner, Dottie Colby and Jamie Roberts on the tone bells.

Julie Dennis and Leigh Callarman were featured singing and playing guitars to a song called, "Freedom", which they also wrote.

Third grade square dancers performing to the song "Lovin' You" were Chris Carpey, Sean Cunningham, Raymond Benavides, Ken Roark, Tracey Croley, Kammi Jessup, Amanada McGinness, Elizabeth Evatt, Greg Boner, Eric Carr, Kyle Crockett, Brack Dempsey, Media Campbell, Kelly Tollett, Monica Hannigan, Betsy Laird, Brian Callarman, John Davis, Bubba Markham, Jimmy Parker, Cynthia Burton, Misty McCullough, Kelly Rhodes and Celia Weeks.

Whitley, Tava Patton, Joe Campbell, Patsy Brady, David Zell, Teresa Pevey and Dusty Schaefer.

"Big Circle Mountain Square Dancing" was performed by cloggers David Zell, Kathryn Ward, Aaron Whitley, Jana Muller, Joe Campbell, Amy Hawkins, Ken Roark, Amanda McGinness, Charles Hamilton, Cheryl Harrison, John Davis and Kari Hull.

The program was ended when all the third and fourth grade students performed "You Light Up My Life" in sign language. The song was dedicated as a message to the parents.

Mrs. Davene Jeffcoat was director of the program.

BIG GOBLER-Melvin Louis Wilcoxon, Jr., and his dad are shown above with a huge turkey gobbler that the 10-year old Cisco 4th grader shot last Saturday afternoon on a hunting lease south of Cisco. The big bird weighed 18 and a half pounds after it was field dressed, and it had a nine-inch beard and one-inch spurs. The youth scored from about 50 yards with a 12-gauge shotgun, using No. 2 shot. The outing was the highlight of the 52nd birthday of Melvin, Sr., well known Ciscoan.

Cisco Cemetery Association Will Observe Sixth Year

In observance of its sixth year of operation and in accordance with its constitution, the Cisco Cemetery Association will hold its annual meeting on Thursday, April 29, at 7:00 p.m. in the Corral Room.

The Association considers as members all those whose contributions to the Cemetery's care have been in time or labor or in money either to the trust fund or the memorial fund. Consequently, this serves as notice of the meeting to all such members, and from President Anton White is a special invitation to attend to all persons interested in the

Association and its endeavors.

The agenda will include election of officers, financial reports of the perpetual care and memorial funds, operating fund, cemetery improvements completed and in progress, and future plans.

The meeting occurs at a time when the Cemetery's appearance is at one of its best - a myriad of wildflowers of many colors and carpets of bluebonnets that give promise that someday the 40 acre area will be almost covered with the blue of the State flower.

The Association started almost as a tiny grain of sand - a letter in the Cisco Press, written by Louise Allison to the Public, encouraged by George Boyd and prompted by the persistent expressions of concern by Mrs. Golda Wilson and Mrs. Myrtice Berg, over the disgraceful condition of the cemetery - weeds, dead trees and tall grasses. "Would you join together to support a Cisco Cemetery Association to provide a perpetual care program for all sections of the Cisco Cemetery?" On April 29, 1976, fifty people said "yes" and the Association was born at a meeting in the Corral Room presided over by Judge Scott Bailey, Mrs. J.H. Martin, president of the Twentieth Century Club and Mrs. Zoe Clinton, president of the Delphian Club. These two civic clubs had voted to support the program and offered it to the National Federation of Women's Clubs as their Community Improvement Project for 1976. The first donation to the trust fund was \$50.00.

From such a small beginning has this Community Project developed by support of the public, and the dedication and labors of the Association's officers, and in no small measure by those persons who do the back and shoulder work at the Cemetery.

Present officers and board members are: Anton White, president; Steve Clary, vice president; Mrs. Trixie Whitley, secretary-treasurer, operating fund; Miss Louise Karkalitis, treasurer, trust and memorial fund; and directors, Armo Chambers, Brad Kimbrough, Bob Elliott, J.D. Yardley, J.H. Penn, Mrs. Velma Joyner, Mrs. Reba Merket and Mrs. Louise Allison.

BILFIELD DISPATCH

Ridge Oil of Breckenridge has posted first production details on the No. 1 Coffman, a new oil producer in Stephens County's Northwest Ranger Field.

Drillsite is in a 195-acre lease block in the Salvador Flores Survey, about 15 miles southeast of Breckenridge. Pumping open choke, the well showed ability to make 23 barrels of oil per day, plus 92,000 CF casinghead gas.

The Breckenridge firm took the well to 3,620 feet and perforated the Marble Falls Formation for production 3,486 to 3,510 feet into the wellbore.

A Salt Lake City operator,

AEC Oil and Gas Inc., has filed first production figures for a successful gas wildcat at a location two miles southeast of Eolian, Stephens County. AEC's No. 1 Garlitz followed at the rate of 1,035,000 CF gas per day, with absolute open flow rating of 1,275,000 CFD.

Initial potential test was run on a 5/16-in. choke.

Bottomed at 4,235 feet, the well entered pay zone at 3,896 and will produce from a set of perforations 3,896 to 3,902 feet. Drillsite was in a 320-acre lease in the Blind Asylum Land Survey, Stephens County.

Stephens County's Johnny Field saw another natural

gas producer go on line when Ray Herring of Graham

finaled the No. 1 White 11 miles south of Breckenridge.

Location is in a 160-acre lease in the T&PRR Survey. The well showed potential for 496,000 CF gas per day on an undisclosed opening. Absolute open flow rating came in at a respectable 2,200,000 CFD.

The operator took the well to total depth of 4,285 feet. It was plugged back to 4,063 and will produce from a set of Upper Conglomerate perforations, 3,646 to 3,654 feet.

P&R Oil Inc. of Eastland has staked drillsite for an oil or gas wildcat six miles east of the Ivan community,

Stephens County. It will be known as the No. 2-A McConnell. The operation will be in a 1,066-acre lease assembly in the B.P. Gann Survey. Total drilling depth projected is 4,400 feet.

A potent gas well has been completed by a Weatherford operator three miles southeast of Mineral Wells. It is the No. 1 Johnson, flowing at the rate of 2,585,000 CF natural gas per day. The initial production test was run on a 22/64 choke.

Absolute open flow was rated at a sturdy 8,000,000 CF potential. The well is in a 40-acre unit in the TPRR Survey in the Kessler Field, Palo Pinto County.

A venture of Raw Energy Corp. of Weatherford, the well bottomed at 4,483 feet and will produce from a set of perforations 3,720 to 3,742 feet into the wellbore.

Palo Pinto County's Mineral Wells (Strawn) Field saw a new gasser go on line when Rife Oil Properties of Fort Worth finaled the No. J.B. Taylor Unit 3.5 miles south of Mineral Wells.

Bottomed at 3,100 feet, the well will produce from Strawn Formation perforations 2,803 to 2,850 feet into the hole. It showed potential

for 1,077,000 CF on a .75-in. choke and was rated at 1,220,000 CF potential on absolute open flow.

Drillsite was in a 161-acre lease, Francis Gray Survey.

Ipanema Exploration and Development posted first production figures on the No. 2 Wylie Green, a newly completed gas well in the Palo Pinto County Regular Field, three miles west of Grafrod. Location is in a 160-acre unit, TE&L Survey. The well went to 4,439-ft. bottomhole and will produce from perforations 4,380 to 4,386 feet into the wellbore.

It showed potential to make 655,000 CF gas per day on a half-inch choke and was rated at 1,279,000 CF potential on absolute open flow.

M.O. Rife Jr. of Fort Worth has completed the No. 2 Don L. Flow in Palo Pinto's O'Laughlin gas field, three miles west of Grafrod. It indicated potential to produce 481,000 CF gas per day on a half-inch choke. The absolute open flow came in at 500,000 CF.

Rife took the well to 4,200-ft. total depth and perforated for production 3,926 to 3,932 feet into the hole. The location is in a 160-acre unit in the J.J. Metcalf Survey.

The same operator posted first production figures on a new gasser in the Boggy Bottom Field, four miles west of Grafrod. The well is the No. 23 Maurine O'Laughlin,

located in a 2,030-acre lease block in Palo Pinto's R.J. Kyle Survey.

Tested on a .75-in. choke, it indicated potential for 743,000 CF, with absolute open flow capacity of 830,000 CF. The well bottomed at 4,260 feet, was plugged back to 4,050 and will produce from a set of perforations in the Strawn Sand, 2,724 to 2,734 feet.

Dallas-based Walter Exploration Inc. has filed for permit to drill a 4,500-ft. gas wildcat seven miles north of Gordon, Palo Pinto County. The explorer will be known as the No. 1 Johnson. It will be spudded in a 160-acre unit, Section 58 and Block 2 of the T&PRR Survey.

The Way Oil Company of Fort Worth has filed first production figures on a new gas well in the McClish-Stone Field. The No. Bosley showed potential to make 1,275,000 CF of gas per day on a 1.250-inch choke. Absolute open flow was estimated at 1,740,000 CFPD.

The operator has 157 acres leased, with drillsite in Palo Pinto County's J. Bayless Survey, A-42, four miles southeast of Santo. Total drilling depth was 4,255 feet.

The No. 69 D.M.H. McMurrey "D" was finaled by M.O. Rife Jr. It is a developmental well in the O'Laughlin Field, five miles west of Grafrod. Drill site is in a 1,300-acre lease in Palo Pinto County's Samuel F. Harding Survey, A-221.

Daily potential of 760,000 CF of gas on a .75-inch choke was posted. Absolute open flow estimated at 1,580,000 CFPD. The well went to a 4,329-ft. bottom, and production will be from perforations 4,214 and 4,237 feet into the wellbore.

Pitcock of Graham has filed for permit to drill the No. 1 Gibson-Belding "B", a 4,500-ft. developmental well seven miles northeast of Brad. Location is in an 837-acre lease in Palo Pinto County's T&RR Survey. The Gibson-Belding well is in the B.R.A. Field.

According to Glyn Hammons, Social Security District Manager in Abilene, students 18 to 22 getting Social Security checks are reminded about important recent changes that will reduce or eliminate future benefits. How students are affected will depend primarily on the type of school they are in and when benefits started:

1. If you attend college (or other post-secondary school)—Payments can continue until you finish school, reach age 22, marry, or

through April 1985, whichever comes first, provided you meet both of these conditions: You were entitled to a Social Security check for August 1981 when the law was changed; and you were attending (not just enrolled in) a post-secondary school full time before May 1982. However, be aware of these changes:

*You will receive no checks for May, June, July, and August even if in school full time.

*You aren't eligible for cost-of-living increases that

age given most Social Security beneficiaries each summer.

*Your benefit will be reduced 25 percent each year, starting with the September 1982 check (due October 3.)

If you attend post-secondary school and first became entitled to a Social Security check for a month after August 1981, benefits can be paid only for months of full-time attendance through July 1982 (including May, June, and July if you are in school or intend to return to school). You are not eligible after that.

2. If you attend high school—Starting August 1982, payments generally can continue only up to the month you are 19 or until the end of the semester or quarter in which you reach 19, if later. If your school is not on a semester or quarter basis, checks will be paid until you complete the course or for two months after the month you are 19, whichever is first.

If you have any questions about changes in student benefits or about completing the form, contact any Social Security office. The Abilene office is located at 142 S.

4-H Helps With Career Decisions

COLLEGE STATION-- Helping youth with career decisions--that's what the 4-H career exploration program sponsored by the Texas Agricultural Extension Service is all about. "The program was not

developed to tell children what career is right for them, but to open doors so they are aware of various career possibilities," points out Preston Sides, Extension 4-H and youth specialist. Career exploration is a three-step process in which parents can participate along with the child. The first step is an awareness of jobs and work. Children are given the opportunity to study their community and types of available jobs. They also look at jobs in their school and local government. In the second phase, teens find out more about salary, working hours, lifestyles and training required of jobs their community offers and

I can remember my grandmother's flower beds and her referring to the "flag" which were so beautiful. Of course, she was referring to her beautiful Iris. In my reading on the subject of Iris, I have found them referred to as "flags" on many occasions. It seems like this year the Iris (Flags) have been more beautiful than in many years in this area.

The Iris is a large genus of mostly hardy flowering plants, most of which have perennial rootstocks or bulbs. You will find Iris growing wild in the temperate countries of the northern hemisphere. Most Iris are grown from rootstocks which have sword-shaped leaves. The bulbous Irises and the Spanish Iris have narrow leaves. Most Irises bloom in April, May and June, but in mild climates a representative selection will provide flowers throughout the greater part of the year, commencing with the Unguicularis in January and concluding with Alata in late Autumn.

The Iris belongs to the family of Iridaceae. The name is derived from Iris, the rainbow, and alludes to the beauty and variety of the flowers. Our Iris differ in structure from most plants. The three outer perianth segments (petals) hang downwards, and are known as the falls; the other three stand erect and are called standards; in addition, the three styles of the flowers are colored and petal-like in appearance. Irises are divided into two main sections--those which grow from bulbs and others which have thick rootstocks or rhizomes. We are more familiar with the Iris that have thick rhizomes, and these consist of four different types: Tall Bearded, Intermediate Bearded, Dwarf Bearded and Beardless. The Bearded Iris are so-called because the outer petals, or falls, have a thick line of fine hairs stretching down the lower half, whereas the falls of the Beardless Irises are hairless.

In planting Iris the soil should be dug deeply, and a little well-decayed manure worked into the topsoil, and bone meal or lime forked into the

jobs of interest to them. Students can evaluate their own personalities to see what types of jobs fit their lifestyle and interest, explains Sides. Finally, 4-H'ers develop career interests. They are encouraged to participate in hobbies that will help them build skills. They put together resumes and look for part-time jobs. And they also have a chance to observe people on the job and many times to work alongside them.

"Shadowing" is a program where members spend time with such workers as bankers, dentists and factory workers. At each workplace or office, students are given a chance to try the

work or to observe. "While career exploration programs can help high schoolers make career choices, decisions actually start much earlier and are largely influenced by parents," notes Sides. "Parents begin to influence their children's career decisions from early in life. Parents are examples and models for children. How well parents get along at their job will give children a good or bad impression of work."

Three types of career decision-making patterns can emerge in a family setting, points out the specialist. The first is child-centered. In this type, parents experience little or no involvement, and children make decisions with no guidance from parents.

In the second type, family-centered, the entire family becomes involved in the decision-making process. Children and parents contribute freely to discussions, and children gradually take responsibility for their own decisions.

The third type is parent-centered. Children conform to parental expectations, and parents make the final decision with little consideration for their children's point of view.

"Generally, families operating in a family-centered pattern are more likely to encourage self-confidence and independence," says Sides. "Children who feel they are a part of the decision-making process will be more willing to consider their parents' ideas when making choices."

The specialist offers these tips for parents in helping guide children's career decisions:

- Encourage career exploration at an early age. Children's hopes often are expressed in fantasy, especially during play. Encourage such actions.
- Investigate new ideas by asking children what they

- Encourage your child to take up hobbies and other leisure activities that will help develop job skills.
- Help your child understand how important school work will be later in a job search.
- Take advantage of friends to introduce new careers to your child. Encourage youngsters to discuss jobs with teachers and guidance counselors.
- When helping children toward a decision, encourage them to look at all aspects of a particular career. Examine how the career fits their skills and long-term goals and the employment outlook for particular jobs.

topsoil. The best time for planting is from July to September, but it may be done even as late as March, although the flowers will be inferior the first year.

The rhizomes are planted flat and only half covered. They must not be deeply buried, as it is necessary for them to be sunbaked to produce the maximum number of flower. They are set 6-8 inches apart, with the tips of the rhizomes pointing toward the outside of the clumps.

If the soil is dry you must thoroughly moisten it first. There is no further cultivation required except that an annual top-dressing of leaf mold or well-decayed compost can be applied annually in Autumn.

The Irises in this area range from all sizes and colors of the rainbow. Of course, when you mention Iris people naturally think of the old Blue Flag, but you have selections of colors White, Brown, Yellow, Red, Pink, Purple, Lavendar, Black, Green and Orange.

You do not have to have the proverbial "Green Thumb" to grow Iris. With the wide choices in colors, you should be able to select your favorite colors and add some beauty to the landscape of your home and your community.

WORD of GOD

Parable of Jesus Part #2

He answered and said unto them, He that soweth the good seed is the Son of man;

The field is the world; the good seed are the children of the kingdom; but the tares are the children of the wicked one;

The enemy that sowed them is the devil; the harvest is the end of the world; and the reapers are the angels.

As therefore the tares are gathered and burned in the fire; so shall it be in the end of this world.

The Son of man shall send forth his angels, and they shall gather out of his kingdom all things that offend, and them which do iniquity;

And shall cast them into a furnace of fire; there shall be wailing and gnashing of teeth.

Then shall the righteous shine forth as the sun in the kingdom of their Father. Who hath ears to hear, let him hear.

Matthew 13:37-43

Jubilee Week Program Hailed As Good Success By Officials

The annual Cisco Frontier Jubilee Week program, which included the Folklife Festival last Saturday and Sunday, was a good success from all standpoints, Chamber of Commerce officials reported Monday.

Good crowds attended the Folklife Festival, which attracted a record number of exhibitors and booths and featured continuous entertainment throughout the two days. The downtown parade Saturday morning was viewed by a large crowd despite early rain and threatening weather.

Some 300 persons were served barbecue dinner by members of the Cisco Kiwanis Club at their annual Jubilee week program Friday night. Joe Wheatley of the club said this was near the number served at last year's Centennial party that

attracted record crowds. Oscar's Barbecue provided meat to go with beans and other trimmings at the dinner. Music was provided by a string band organized by Al Anderson.

The annual Cisco Junior College trail ride breakfast, held each year at Lake Cisco Park as a pre-parade event, was transferred from the park to the CJC Cafeteria due to rainy weather. Some 150 persons enjoyed the breakfast and C&W musical program.

Chairman Olin Odum announced winners of the parade divisions as follows:

Costumes—1. Michael Ritchie; 2. Sarah Zell and 3. Cynthia Burton.

Pets—1. Rayford Lee Ramirez; 2. Chad Williamson and 3. Ginger Williamson.

Vehicles—1. Bret

McMillan.

Floats—1. Cisco Civic League; 2. Chamber of Commerce and 3. Bandito's Corral.

Riding Clubs—1. Brown County Sheriff's Posse; 2.

Ranger Riding Club and 3. Abilene Saddle Club.

CofC Manager Gene Abbott noted that "the Jubilee was a real credit to the many workers on all committees. The Folklife Festival was outstanding in all respects."

NINETY YEAR OLDS IN PARADE—The Cisco Senior Center has over 12 ninety year old members. In the Folklife Festival Parade 3 of the members participated. The above picture shows (left to right) Mary Barnhill, George Bailey and Maude Bailey.

'ROUND AND 'ROUND SHE GOES...
The question is: where will it stop? Many people have no idea. Life can be lived in a flurry of activity — flitting from person, to thing, to dream, and back again. Or it can just settle into a monotonous routine. Either way, meaninglessness has taken hold. Lack of meaning in life has been called furious activity around an empty center. That's what a whirlpool is. Activities, meetings, schedules, parties, appointments — but no direction. The swirling pace can get to you — especially if there's a hollowness inside.
Jesus talked a lot about meaning in life. But he not only talked about it. He gives it! He came to take us out of the whirlpool and set us on course in the Life Stream.
