DON'T FORGET that this Sunday will be Mother's Day. You can start planning now how you will thank your mother on that day for the

years she has cared for you. THE FOLLOWING article is from Marietta Fuller of Jeffersonville, Indiana, and deals with the month of May. It is entitled:

**HOW DOES YOUR GARDEN GROW?** 

No, it is not a vegetable garden even though, with increased prices at the Super Market; it seems wise to make use of every bit of soil, even to planting tomatoes in the flower beds. If your next guess is a flower garden, that is fairly close for it is a garden of prayer which is so sweet it reminds one of the scent of flowers, the arrangements are so different and lovely just as our prayer times and places are; and birds singing, blue skies, sun dials or fountains, and SONshine just might be the closest we could ever get to describing that wonderful experience of His fellowship.

Proper soil is essential for the growth of flowers and likewise prayer. The ingredient needed before that prayer garden can grow is Jesus. He told us in Jn. 15:5: "Without Me, you can do nothing." God, the Father, will not hear our prayers unless we are a part of His Family. "But as many as received Him (Jesus), to them gave He (God) power to become the sons of God, even to them that believe on His Name." (Jn. 1:12)

To produce a garden of beauty, considerable work is required. "Study to show thyself approved unto God, a workman that needeth not to be ashamed rightly dividing the Word (Bible) of truth." (II Tim. 2:15) We need to plant the seeds or words from the Bible on prayer. For answered prayer, we need to: pray the prayer of a righteous man (Jas. 5:16), be filled with the spirit (Eph. 5:18), ask in His Name (Jn. 14:13,14), ask in order to receive (Luke 11:9-10), not ask amiss on our own lusts and pleasures (Jas. 4:3), pray believing (Matt. 21:22), delight in the Lord (Ps. 37:4), abide in Him and He in us (Jn. 15:7), do God's will (Jn. 9:31), pray with two or more believers (Matt. 18:19), keep His commandments (I Jn. 3:22), and to pray in God's will according to passages all throughout the Bible.

As flower seeds sprout forth from the ground and begin to grow, there is the work of weeding; and unconfessed sins like weeds will grow and grow until a person becomes mean and selfish. It was David who said in Ps. 66:18. "If I regard iniquity (sin) in my heart, the Lord will not hear me (in prayer).

"April showers bring May flowers" is an old but true saying, for prayer, when nurtured by faith as we withstand those rains and storms of life of sickness. sorrow, accidents and the like, will cause His presence to abide more fully within us. This brings greater beauty into our garden of prayer for faith pleases God. (Heb. 11:6)

God has many commandments for those who love Him. "Pray without ceasing." (I Thess. 5:17) This means to pray all throughout the day and night for there are prayers using the words of His promises which are prayed only once or we show lack of faith. Put God first in everything in our lives. When we awaken: pray the Lord's prayer: or "Good morning, Lord, I love you because You first loved me, and say Jn. 3:16, 17; or say Ps. 118:24, "This is the day which the Lord hath made: we will rejoice and be glad in it," and continue talking to the Lord. "In everything give thanks..." (I Thess. 5:18). Thank God daily for

### Cisco Landfill Extends Its Hours On Thursdays

Cisco City Manager Michael Moore announced here this week that the Cisco Landfill will be open Thursdays from 11 a.m. until 8 p.m. to accomodate the citizens of Cisco.

He said the new hours for Thursdays will go into effect this week and will continue throughout the summer months. After the summer months, the hours will go back to the original schedule.

The landfill is open on Monday, Thursday and Saturday. Monday and Saturday's hours will remain the same as in the past from 8:30 a.m. until

Bro. E.A. Sherwood, former pastor of the First Christian Church in Cisco and now pastor of the First Christian Church of paign to help raise the money to purchase the present building. Money was raised, through his efforts to buy the building with only a small deficit which was paid off shortly.

The Center is very grateful to Bro. Sherwood for his part

true, and it was through his efforts that the community was made aware of the need of a facility such as the Child Care Center. Bro. Sherwood was a member-at-large of the board of directors while pastoring the Cisco church and still supports the Center with a regular contribution.

THE CHRISTMAS in May program was put into action Saturday and was in full swing when the above photograph was taken. The all-volunteer work force was busy doing needed repair work on the home shown in the photo. Saturday was the day scheduled to kick off the program which will do repair work on two homes in Cisco this year. Any volunteers interested in helping work on the homes each evening are urged to contact the **Elected To Offices** Chamber of Commerce. Chamber of Commerce president, Elaine Dixon, said work days will probably be scheduled each Saturday from 8 a.m. until 5 p.m. and Sunday afternoons from 1 p.m. to 5 p.m. until the projects are completed. The Christmas in May program is being sponsored by the Cisco Chamber of Commerce. (Staff Photo)

One of the nicer homes in Cisco, excellent location, upkeep very good, paved street and not overpriced, you will like this place and there is no sign up in front.

Your dream can come true, being offered is one of those stately, beautiful, well kept, two story dwellings. When this house is gone you may never ever have a chance to own one again. In many ways the house is priceless but you can buy it within reason. You will have the past, present and future all in one.

A very attractive stucco two bedroom dwelling, good location as to schools and priced right.

Owner has two places, one very good stucco, roomy two bedroom, with extra garage apartment, corner lot and paved street. The other is attractive frame three bedroom dwelling 11/2 miles out on an acre or two of land, will sell or keep either one.

Three bedroom frame, extra nice inside, you will like it, corner lot, good location and no trouble in getting it financed with a lower rate of interest and very little closing costs.

Another two story, carpeted upstairs and down, paved street, corner lot and is a steal price wise.

Small but beautiful, four room dwelling, corner lot and good location.

We have them, other houses, downtown commercial property, you name it and we will probably have it and we are selling it. We appraise all property before listing it so the price is exactly right and we know the business we are in.

### Eva & Norma Mills hosted **Epsilon Beta April meeting**

Epsilon Beta Texas Chapter XP1670 met April 29 in the home of Eva and Norma Mills. Jo Eyley opened the Founders Day Banquet leading all present repeating the Opening Ritual in unison.

Mildred Black gave the Beta Sigma Phi grace and all enjoyed a lovely salad supper prepared by each member present.

The tables were decorated in keeping with the theme of the year "Circle the World With Yellow Roses". A globe of the world was the center piece encircled with yellow roses and accented with three tiered candle sticks with yellow candles. Yellow ceramic place-card holders held the individual place cards and the napkins had a gold rose napkin ring all on a blue cloth overlaid with lace. The social committee had done a beautiful job.

After dinner the president presented Norma Jean Parr who gave a resume of the activities for this past year. Joyanne Hoover led the group in repeating the Founders Day Pledge. Lorene Oliver read a message from Bill Ross, President of Beta Sigma Phi International. Sue Allsup read a poem on Circle the World With Yellow Roses and Lazelle Johnson read a poem on Friendship.

Meeting was adjourned.

top three places were separated by only three points. The members of this team were Ronnie & Darla Cagle, Noble Laminack & Shannon Kendall. Shannon also won high point individual in this contest. This team will now have the opportunity to travel to Texas A&M University to compete in the State 4-H Round-Up to be held June 7-9.

Also competing in the district judging contest, on dairy & Jr. livestock teams were Mike Cunningham, Justin Kendall, Ricky Cagle, Shane Burgess and Shannon Caraway.

In the method demonstation contest, Tabatha Hutton & Travis Parson of the Rising Star 4-H Club won 1st place in the "Foods & Nutrition" Jr. division. Their demonstration was entitled 'Nuts & Bolts of Nutrition' We know that they worked very hard on this demonstration and the results prove it.

Also competing from the Rising Star 4-H club were Warren Parson & Jamie Hutton. They won 3rd place in the Jr. division of the Entomology contest. Their demonstration was entitled "Buzzing for Produce." This was an original and interesting demonstration expecially when they showed up dressed as bees.

We are proud of all of these 4-Hers who worked very hard getting ready for this contest. We think that they will all agree that it was a very rewarding experience.

Congratulations to you

### Health agency to cease operation

On April 29, 1982, the Board of Directors of the Tri-Region Health Systems Agency directed the agency to officially cease operation no later than July 31, 1982. Due to drastic budget cuts by the Reagan administration, the agency's minimum funding level would decrease from \$245,000 to approximately \$100,000. The HSA also does not meet the 100% staff-to-population ratio requirement as stipulated by the Bureau of Health Plann-

The Tri-Region Health Systems Agency will not accept any Certificate of Need applications after May 1, 1982. Applicants should mail their applications (original and one copy), along with the required filing fee, to the Texas Health Facilities Commission, P.O. Box 15023, Austin, Texas 78761.

AGRICULTURAL BRIEFS GRAIN OUTLOOK BLEAK-Texas farmers face low grain prices because of a record U.S. crop last year and good crops throughout the world. The market concern now is how fast corn and grain sorghum supplies can be used before the '82 harvest season, says an economist with the Texas Agricultural Extension Service, Texas A&M University System. ### Maximum recovery rate hits 10th year

DALLAS-The 10th consecutive year of production at the maximum efficient recovery rate in nearly all of Texas' oil and gas fields pushed the state's output of crude oil and condensate last year to nearly 929-million

The total of 929,710,351 barrels included more than 897-million barrels of crude oil. Figures compiled by Texas Mid-Continent Oil & Gas Association also indicate that more than 31-million barrels of condensate were produced.

Texas' drilling boom, spawned by crude oil price decontrol, continued last year. Figures from the

Ranch. Drillsite is 2.5 miles southeast of Graford.

At a location 11 miles northwest of Palo Pinto, Kadane Oil Company has finaled a new gas producer in Palo Pinto County's B.R.A. Field.

The well is designated as the No. 4 Hamon-Constantin (YMCA), producing gas at the rate of 320,000 CF per day on a .750 choke. Absolute open flow was estimated at 370,000 CFPD.

Location is in a 181-acre lease in the A.J. Smith Survey. Bottomed at 4,084 feet, the well will produce from perforations 3,906 to 3,915 feet into the hole.

A 4,500-ft. wildcat is planned by Walter Exploration Inc. of Dallas at a drillsite ten miles north of Gordon, Palo Pinto County. The location is in a 160-acre lease in the T&PRR Survey. Well's designation is the No. 1 Johnson "A".

Spindletop Oil & Gas Co. of Dallas has filed for permit to drill the No. 1 Joyce Taylor "B", a 4,300-ft. developmental well three miles east of Palo Pinto. Location is in an 80-acre lease in Palo Pinto County's T&PRR Survey, A-827. The Taylor well is in the J.V.T. Field.

A Fort Worth-based operator has staked location for the No. 3 Florence Green, a wildcat to be located three and one half miles west of Graford. With projected total depth of 3,200 feet, the well is in a 320-acre lease in Palo Pinto County's TE&L County Survey, A-568. The operator is M.O. Rife Jr.

M.O. Rife Jr. has revealed plans to drill three 4,990-ft. wildcats. The operator has 1,300 acres leased, with drillsites in Palo Pinto County's Samuel F. Harding Survey and has designated the ventures as the Nos. 75D, 76D and 77D M.H. McMurrey D. Drillsite are four, four and one half and five miles west of Graford.

A 4,500-ft. wildcat is planned by Walter Exploration Inc. at a drillsite seven miles north of Gordon, Palo Pinto County. The location is in a 160-acre lease in the T&PRR Survey. Well's designation is the No. 1 Johnson.

A Wichita Falls-based operator has staked location for the No. 1 B. Watson, a wildcat to be located five miles east of Brad. With projected total depth of 4,500 feet, the well is in a 320-acre lease in Palo Pinto County's T&PRR Survey. The operator is Hueco Glorioso Oil Company.

Railroad Commission's Oil & Gas Division show 24,998 new holes drilled in the state last year, an 18.1-percent increase from the 1980 total of 20,490 wells. Oil completions stood at 15,627, up 21.2-percent from 1980, while drilling applications jumped 17.8-percent between 1980 and 1981. A total of 47,940 applications were received last year, compared to 39,442 in

Last year's crude oil and condensate production total was 31.6-million below the 1980 figure, a decrease of 3.3-percent. It marked the ninth consecutive year of a downward trend since Texas' output peaked at near 1.3-billion barrels in 1972. However, 1981 production from the nation's No. 1 petroleum producing province pushed the all-time cumulative total since 1866 to more than 46.6-billion barrels of crude oil and conden-

Avery Rush, Jr., of Amarillo, chairman of the Dallas-based Association, noted that although the production decline continued last year, the 1981 decrease reflected a slowing in the rate of decline. It was the lowest percentage drop in the past five years.

"It is very encouraging to see that the unprecedented drilling activity of the past two years is beginning to have a positive effect on Texas production," Rush said. "Only by increasing our reserves can we eventually turn around our production decline. And the only way to increase reserves is by drilling," Rush said.

Eastland County, which has had recorded production since 1917, last year produced 1,837,637 barrels of crude oil and condensate at the rate of 5,035 barrels per day. Production in 1981 boosted Eastland County's production total through the end of the year to 130,107,557 bar-

the Precinct 2 county com-

missioner's post O.E. Blackwell led a fourman pack with 350 votes, but he must face Luther Fambro in a runoff. Fambro received 277 votes. O.L. Cantrell received 241; and Roy Stroud garnered 43.

Tally completions did not change any other races. For district clerk, incumbent Mary Jane Rowch held on to a narrow lead to win the nomination over Marciel G. Justice 1,698 to 1,592.

In regional contests, Comanche County attorney Jim Parker held a considerable 1.857 to 986 vote lead over fellow attorney Lee Haney of Brownwood in the 65th District state representative race, and Jewell Harris clung to a small 1,442 to 1,319 margin over Curly Hays in the State Board of Education

District 17 race. Results of the statewide offices follow:

fidence in ones own ability to not only catch fish but to locate fish, plays a major part in success or failure in a days fishing. If you do not retain your belief that you can catch fish as well as the next John Doe your half way whipped. No one catches fish every trip; so don't let a few dry trips discourage you, just keep on pluggin.

Our next meeting will be held on Thursday May the 6th at the Conference Room of the Cisco National Bank. We would like to invite everyone to attend whether you are a member of our organization or just considering joining. We will

have a film and some fine converstion. Our next tournament will be Sunday, May the 9th. Y'all come and bring a friend.

### Reduced dosage effective in brucellosis control

AUSTIN .- The reduced dosage of Strain 19 vaccine for brucellosis control is virtually as effective as the old strength which was blamed for causing some reaction problems, Dr. John W Holcombe, executive director, Texas Animal Health Commission, reports.

"Commissioners of the Texas Animal Health commission were instrumental in getting the reduced dosage approved for this state more than a year ago. Our results show that the reduced dosage is getting the job done," Dr. Holcombe said.

A program to encourage increased vaccination for brucellosis control is now in progress in Texas. Use of the reduced dosage is recommended in this effort.

The old strength of Strain 19 contained about 90 billion organisms. Experience over the years indicated this might be too large and could overwhelm the younger

calves' immunity systems resulting in no immunity being produced. In older heifers, this large dose produced persistent vaccinal titers which occasionally resulted in a Strain 19 infec-

"The reduced dosage contains about one billion organisms, but that is sufficient to produce immunity," Dr. Holcombe explained.

Vaccination is a cornerstone of the Texas brucellosis program. Vaccination ages for heifers as official vaccinates are 4 to 12 months of age for all breeds. Bulls are not vaccinated.

Financial assistance is available for vaccination of eligible heifers. Cattle producers should contact their area Texas Animal Health Commission office or their veterinarian for details.

"Although we have seen an increase in vaccination in Texas in the past few years, we need to get more cattlemen aware of the need for vaccination for brucellosis control. While no vaccine produces 100 percent immunity (not even in humans), the higher the percentage of vaccinates in a herd the greater is the immunity attained. In a fully vaccinated herd, the immunity may exceed 90 percent." Dr. Holcombe said.

### Lula Mae **Basham May** CofC artist

Artist for the month of May, 1982 will be Lula Mae Basham. Her paintings will be on display throughout the

Lula Mae is a native of Eastland she is the wife of Harvey Basham, they have two sons Darrell of Eastland, and Lonnie Joe of Austin, they also have four grandchildren.

Mrs. Basham has been painting for approximately three years, she has studied under Joe Hubbard of Rising Star, Myrtle George of Ranger, Betty Richie, San Marcos and David Slade of Colorado. Her favorite media is oils, and she prefers landscapes, but also enjoys painting flowers and other arrangements. She won 1st piace ribbon on her painting entered in the Eastland National Bank Arts and craft

Mrs. Basham enjoys traveling and uses some of her ideas on canvas she gets during visiting other places. She has been to New York City, Washington D.C., Carribean and the interrior of Old

Mexico twice, & Hawaii. The public is invited to come by the Chamber of Commerce and see these paintings while on display

### Sibyl Urvan has painting on display at ENB

Sibvl Urban, self-taught artist of Eastland, is showing a large oil painting in the Eastland National Bank through May as the Artist of the Month for Eastland County Art Association. Her oil painting shown depicts an autumn scene of rugged terrain with a barn, a stream and ducks and an old

Sibyl was born in Rush Springs, Oklahoma, and she moved to Eastland in 1949. She was married to the late Francis Urban, who was Production District Foreman for Lone Star Gas

Company. Mrs. Urban has four married daughters and she painted and sewed while they were in school.

### Letters to the Editor

We have had trouble with a car dealer from out of county. They sold our son a car which we found out that the speedometer (odometer) had been rounded back (which is very much against the law). Thinking they may be honest people we called and they said, "they would make it right and give him another car." We had copies of the original papers and give them the copies. They said, "they wanted to find out who did this thing." We thought we would only have to pay the difference between the two original prices. As it turned out we lost our trade-in and cash down payment on the first car which was almost \$1,000.00. Then on top of that now we have found this car has been done the same way. Also both cars were brought in from out of

To the people of this area Please if you have any trouble like this and can prove it. Don't turn it over to the people you got the car from call the Better Business Bureau. The nearest one I know of is in Abilene, 915-677-8071, and tell them your trouble. They will advise you what can be done. Especially if you don't have money for attorney's fee. If it is a new car call the customers relation department of the company. The numbers should be in your warranty book. Call them with your complaint also. Lets put these kind of people out of business.

The Better Business Bureau will usually help you on almost any business problems and services. You can also call and ask about a business that you may think questionable.

Thank you, Margie Stovall

### Cisco Jr. Hi Band **Wins First Division**

The Cisco Junior High School Lobo Band was awarded first division at Sandy Lake Band Festival held in Dallas last Thursday. The high school band was one of 444 bands competing at the festival over a two week period.

Other bands from the area included Ranger, Eastland and Bangs.

The judges were Frances McBeth, Tom Rhodes and Jerry Nowak.

After the band competition last Thursday the band stayed at Sandy Lake Park and enjoyed themselves at the swimming pool, paddle boats, amusement rides and miniature golf course.

Alvin Young, the band director, said, "It was a very enjoyable trip and earning first place trophy topped off our day. I am looking forward to bigger and better things for next year's band."
