

"I GOT MY First Hug at E.L. Graham Memorial Hospital, Cisco, Texas" is printed on the shirts that Ashley Dawn and Vera LaVein Wilson, twins born July 7th, were wearing for the above picture. Their mother, Bonnie Theresa Wilson, was holding them and Mrs. Pat Isbell of the Hospital Auxiliary was observing.

The little girls, who don't appear too happy in the picture, weighed four pounds and 12 ounces and five pounds, respectively, at birth. Their dad is Ronald Wilson and the family lives at Fort Worth.

The twins are the grandchildren of Mr. and Mrs. John W. Moss of 1008 Avenue A, Cisco. They're the first children for the Wilsons, and their mother said she was real pleased and looking forward to motherhood.

Dr. Ayres R. Cermin, local physician, delivered the little girls. They went to the Moss home Tuesday after being released from the hospital. The shirts were gifts of the Hospital Auxiliary. (Staff Photo)

PE Teacher Hired For High School

Trustees of the Cisco Independent School District approved the employment of a new physical education instructor and a remodeling project for Chesley Field at their regular monthly meeting Monday night.

Mrs. Louise Kneese was employed as a girls physical education teacher to take the place of Mrs. JoAnn Rust whose resignation was accepted.

Mrs. Kneese, a graduate of Howard Payne University, is the wife of Travis Kneese, an employee of EnRe Corporation. She has taught five years and was a member of the Early High School faculty last year. They have lived here for more than a year.

Supt. James Couch said the board approved plans to remove the wood walk and rail in front of the north or home stands at Chesley Field. This will be replaced with concrete, he said. The work will be done immediately, he added.

Cisco Panthers Defeat Carbon In Tri-Cities League Tourney

The Ranger Hawks started off the Tri-Cities Teenage League Tournament with a win by defeating the Eastland Blue Sox in a 13 to 10, two and one half hour struggle.

In the second game of that tournament, the Cisco Panthers rolled over the Carbon Astros in five innings with a score of 16 to 4. The game was stopped in the fifth inning when the Panthers scored 10 runs in that inning.

Scorers for the Hawks in the first game were Wiley with three runs, Broom, Stewart, Amick and Ford with two each, and Walker and Gomez with one each.

For the Blue Sox, scorers were Farmer with three, Lewis, Seabourn and Govan with two each and Barry with one.

Hitters for the Hawks were Stewart with three singles, Amick and Grumbles with two singles each, and Wiley, Casey, and Gomez with one single each.

Blue Sox hitters were Govan with two doubles and a single, Farmer with one double and four singles, Mannke with one double and one single, Webb with one double, Hill with one single, Lewis and Seabourn with two singles and Barry with three singles.

The winning pitcher was Broom, allowing ten hits and walking five batters. The losing pitcher was Barry, allowing five hits, and walk-

ing 14. Barry was relieved by Hill in the fifth inning. Hill allowed eight hits and walked eight.

In the second game, run scorers for the Cisco Panthers were McDonald and Seabourn with three runs, Nixon, J. Potter, and Callahan with two each, and Quails and M. Gonzales with one run each.

Carbon run makers were Bledsoe, Redfearn, Scitern and Rogers with one run each.

Hitting for the Panthers were McDonald with a triple, J. Gonzales, J. Potter, M. Gonzales and Quails with a double a piece, and J. Gonzales and M. Gonzales with a single each. Callahan committed a sacrifice.

Astro hitters were M. Hawkins with a triple and M. Bell and R. Bledsoe with a single each.

The winning pitcher was McDonald, allowing two hits and walking nine in three innings. McDonald relieved Nixon in the third inning. Nixon struck out four and walked one in two innings.

The losing pitcher was Hawkins, allowing 3 hits, walking six and striking out four in four innings. He was relieved by T. Redfearn. Redfearn allowed five hits and walked one in one inning.

The tournament will be held each night this week except Wednesday, and also on Saturday.

Sally Goodwin To Give Concert Sunday

Ciscoans will receive a rare treat Sunday, July 18, when they enjoy a concert by harpist Sally Goodwin. The concert will be held at 3 p.m. in the First United Methodist Church Sanctuary, Cisco, 405 West 8th. There is no admission.

The artistry of Sally Goodwin has enthralled audiences throughout the United States and Europe. Sally has achieved the reputation of the "musician's musician." Her musical experience covers the entire spectrum of performing. As a freelance musician in the New York area, she was harpist for the Westchester and Tanglewood Symphonies, the Brooklyn Philharmonic, the Musica Sacra of New York, the Jeffrey Ballet, and the American Symphony Orchestra.

Miss Goodwin has performed under such conductors as Leopold Stokowski, Erich Leinsdorf, Leonard Slatkin, Alfred Wallenstein, Jorge Master, Jean Morel and Richard Westenberg, and such composers as Paul Hindemuth and Jacob Druckman. She has performed works of numerous contemporary composers, including Persichetti, Druckman, Pasteri, and Wuorinen. She performed the American premiere of Hans Werner Henze's "Elegy for Young Lovers" at George Washington University, and most recently, premiered a new harp concerto, "Partita D'Apollone" by Yale University composer, David Kraehenbuhl, at the Great River Festival of Arts.

Sally served as harpist for the off-Broadway production of "The Fantasticks," and

has also provided background music for television commercials and documentary films. She has performed in some of New York's finest hotels including the St. Regis, the Pierre and the Plaza. In addition to these credits, Sally has performed for numerous international dignitaries and delegations - for Xerox, John Deere, Alcoa, and Dayton-Hudson, and recently played for the Ambassador to the United States from the People's Republic of China. In 1980 she was sponsored by the Xerox Corporation in a concert for the Senior Vice Premier of China.

Miss Goodwin will be enroute to California to play a repeat performance at the Crystal Cathedral where Dr. Robert Schuller is the pastor. She will be visiting her aunt, Mrs. Carl Gorr, in Cisco, and will give a free performance to all fortunate enough to attend.

Sally Goodwin, a resident of Rock Island, Illinois, has been playing since the age of 10. She received her training at the Julliard School in New York where she was a pupil of the renowned French harpist, Marcel Grandjany. Sally made her Carnegie Recital Hall debut in 1978, and recently received critical acclaim for concerts in West Germany. She was presented the Karl-Theodor Medal, after a solo recital in the Rocco Theatre of the Schwetzingen Palace.

The public is invited to attend the concert Sunday afternoon, for it is a rare opportunity to hear a talented harpist. A nursery will be provided for small children.

Plan Ready For Disaster Drill

Fifty or more people will take part Wednesday afternoon (July 14) in a mock disaster drill that has been designed to acquaint officials and others with the proper procedure for emergency situations, officials reported Monday.

The drill will be conducted for the benefit of employees of E.L. Graham Memorial Hospital, the Cisco Police Department, the Cisco Volunteer Fire Department, the E.L. Graham Memorial Hospital Auxiliary, the Cisco Ministerial Alliance and local ambulances.

A simulated tornado will take place with a group of some 15 student nurses and Cisco Boy Scouts playing the part of the victims. While police, firemen and ambulance personnel take charge of the disaster area, hospital staff and auxiliary

Young Man Hired As City Policeman

Lawrence Wayne Cooley, 22, has accepted a position as a member of the Cisco Police Department, Chief Raymond Blevins reported Monday. Policeman Cooley is a native of Fort Worth and is an Army veteran where he served in a military police unit. He spent a year working as a policeman at Red Oak and Cooper.

members will be on the job at Graham Hospital.

The Auxiliary will have some 14 members on the job to man telephones, assist members of victims' families, do counselling and the like. Local ministers will help comfort families and serve in any way needed.

City Manager Mike Moore and hospital administrator Helen Orr, assisted by City Councilman Bobby Ingram, will direct the operation.

The general public was asked to stay away from the simulated disaster area where officers will be on duty.

"This is serious business in a plan for personnel to learn lessons that might prove valuable in the event of a real disaster," Mr. Moore said. "The cooperation of everyone will be appreciated."

AARP To Meet

The Cisco Chapter of AARP will hold its regular covered dish supper and meeting on Thursday, July 15, at 6:00 p.m. at the Corral Room. The program will feature a western theme with music provided by Mr. and Mrs. Dewain Votaw.

Group To Leave On Missionary Trip

Seven will leave Eastland next week burdened and bound for Africa. They'll be joined by two equally-burdened Dallasites at D-FW Airport and the journey will be a missionary effort with a slightly different twist.

Business School Program Is Approved For Junior College

A new business school program with full courses of study to train secretaries and office workers was approved by the board of regents of Cisco Junior College at their monthly meeting Monday night.

In other action, the board approved plans for the CJC Band and Belles to accept an invitation to appear next April 30 at the annual Shenandoah Apple Blossom Festival at Winchester, Va. The two groups were there two years ago and were accompanied by scores of area residents in a program that included sight-seeing in Washington, D.C.

The college's new business

Stolen Pickup Is Recovered Monday

A 1978 model Ford Courier pickup that was stolen June 30 from the parking area at White Elephant Truck Stop was found Monday in San Diego, Calif., according to Police Chief Raymond Blevins. The vehicle is owned by Ed Albert Moyer, 404 West 14th, Cisco.

Mr. Blevins said a man was taken in custody in connection with the theft. He was being held, awaiting extradition proceedings.

The chief said that the truck owner planned to go to San Diego for his vehicle.

Giants Are In Game July 19

The Giants defeated Mineral Wells and Coleman to gain a spot in the Championship game with Clyde. This is the first time since 1960, a Little League team from Cisco has been in the finals.

The first three innings, the diminutive Giants held the hard hitting Clyde team scoreless, with 3 up and 3 down by pitcher Robert Wages. In the fourth inning Clyde scored 3 runs then Wages fanned out 3 in a row.

The Giants just couldn't get their hitting game going against fast pitcher Wade Couch.

In the fifth inning, the smallest player on the Giants team, Chucky Cochran, walked, and scooted around stealing all bases and even stole home!

In the fifth inning, Clyde scored 3 runs and John Clark of Cisco did a repeat of walking and stealing all bases and home for a final score of 6-2.

The All Stars are practicing daily at Rylee Field for their tournament Monday, July 19, in Coleman. They have a good chance to go all the way. They practice at 6:00 p.m. Come out and see what you think!

program has a target date of September, 1982, to begin, Dr. Norman Wallace, CJC president, reported. The project will require purchasing new equipment that will cost \$25,000 or more and probably the employment of an additional instructor.

The business school will allow CJC to compete with business colleges with the added convenience of offering room and board to students, Dr. Wallace said. Courses will prepare students for work as basic or executive secretaries.

New equipment will include electronic machines, computers and court reporting shorthand writers and

the like. The curriculum will include full courses designed to equip the student with complete secretarial skills, Dr. Wallace said.

Present faculty members will teach most of the courses in the new program, the president added. At least one other instructor is expected to be employed. If equipment and other details prevent beginning the program in September, it will definitely be started at mid-term, Dr. Wallace said.

"The new program is a move to increase our community college's usefulness to the region it serves," Dr. Wallace said. "There has been a growing demand for

qualified secretarial and office people for some years."

Dr. Wallace said the college will operate a placement service to help its graduates locate jobs and to help businesses find employees.

The Winchester, Va., trip will be similar to that sponsored by the college two years ago, Dr. Wallace said. Eris Ritchie will again assist the college in organizing the tour. Details will be announced in the near future.

Other routine matters were considered by the board. The August meeting date was changed from the first Monday night to Aug. 19 due to conflicts.

Rev. McClain To Be Honored On Sunday

The Cisco Church of the Nazarene will honor Rev. Harold McClain on Sunday, July 18, for 50 years of perfect Sunday School attendance. Mr. McClain was converted 50 years ago in Amarillo.

He felt it was his duty to faithfully attend all of the services of the church. He soon moved to Cisco where he later married Mary Cleveland of Cisco. It was here in Cisco that he received his first license to preach. In 1935 Harold and Mary took their first church and moved away from Cisco. But they were to return on many occasions. The church at

Cisco always had a great deal to do with their lives. In 1961 they returned as pastors of this local church and continued until the fall of 1966. In 1978, after more than 40 years of ministry the McClains retired and are currently living at Whitney. The McClains have always considered Cisco as their home.

Harold's accomplishment of 50 years of perfect Sunday School attendance has not been easy. He has literally been brought from the hospital room to Sunday School and back to the hospital room, even if necessary in a wheel chair. He was faithful to be in Sun-

REV. HAROLD McCLAIN

day School on Sunday following the Saturday funeral of his wife, Mary, in February of 1971. He feels the values for the training of Sunday School for his family and his church.

Rev. Buford Batton of Lubbock, a personal friend of Mr. McClain, will be speaking at this occasion and Rev. Cliff Reneau, the pastor of the local Church of the Nazarene, will be officiating at the pinning of a 50 year achievement pen for Mr. McClain. A fellowship dinner will be served for the church and the many friends of the McClains following the Sunday morning service.

Police Arrest Five Young Men Monday

A 17-year old youth was arrested and charged with jassing a forged check and three youths, one 20 and two 15 years old, were picked up Monday on theft charges, Police Chief Raymond Blevins reported. Two others were arrested Monday night.

District Attorney Emory Walton filed forgery charges against Clifford D. Jennings, 17-year old Ciscoan, who allegedly cashed a stolen check for \$150 at Allsup's Convenience Store on May 4th. The check was reported to have been stolen from Cisco Funeral Home about April 30.

Jennings, who was charged in Eastland JP court, was being held in county jail under \$2,500 bond.

A 20-year old black male and two 15-year old white males were arrested by Policemen Rains and Hobbs on charges of stealing bakery products at Super

Value Grocery Store. The 20-year old was fined and released. The two juveniles were still in custody late Monday at county jail.

Two young Eastland men, ages 19 and 21, were arrested on Highway 6 here Monday night by Cisco policemen and charged with possession of a controlled substance and an unlawful weapon. They were taken to the county jail and charges were to be filed and bonds set Tuesday, Chief Blevins said.

Student Physicals Before August 9

All junior high and high school football players are requested to start getting their physicals. Physical blanks are available at the doctor's offices or at the high school.

All players must have taken their physicals before August 9 when high school practice begins.

Baptist Revival

A revival and homecoming will be held at the Mitchell Baptist Church in the Dan Horn community July 18-25.

The homecoming will be July 25 and will be followed by a covered dish dinner.

Revival services will begin July 18 with Bennie Hagan of Cisco as the speaker. Sunday morning services will begin at 11:00. Services will begin at 8:00 each evening.

Everyone is invited to attend.

Fund Established For Eastland Youth

A SPECIAL FUND has been established for Chae Bell, seven-year-old Eastland youth who is suffering with cystic fibrosis, a serious respiratory disease. He is the son of Paula Bell, who is employed at Best Western Restaurant. The single-parent family moved to Eastland in January from Cross Plains. Mrs. Bell has another son, Chase, nine. Pat Burns of Eastland National Bank is administering the funds and contributions may be mailed or taken to her at the bank. Young Chae was a patient at the Stephenville Hospital, but is home now, and is receiving three breathing treatments a day at Eastland Memorial Hospital. Mrs. Bell Tuesday was attempting to locate a portable breathing machine so that she can give Chae treatments at home.

The 1980s Are A Decade Of Challenges

by DOROTHY TAYLOR
Family Life Education Specialist

Americans are searching for answers in the 1980's to many challenges that are hangovers from the 1970's. Confronting every individual are limits on natural resources, a decline in world security, escalating inflation, energy shortages and social conflicts at home and abroad.

Do not despair. What lies ahead is a decade unlike any in this century. Clear, specific answers, as yet, are not available, but opportunities for constructive change and immense progress are available.

Challenges of the 1980's

1. Population shifts
 - A. Nation will grow older
 - B. Minority increases
 - C. Population Moving South & West
 - D. Decline in teenagers
2. More of working age (25-50 years)
3. Higher education
4. Conflict among nations
5. Living patterns for families

Predictable Outgrowth
A. Business and politics will woo older adults.

B. Blacks will increase in proportion to whites. Asians will double in population proportion.

C. California, Florida and Texas will increase in population most.

D. Less crime, fewer military volunteers.

A. More conservative, but more prosperous (dual-career families).

A. Community colleges and state colleges become

"in" because of cost-squeeze.

B. Low birth rate increases change of good job market.

A. U.S. Will decline in world trade, Middle East will continue to boil over oil, Soviet control weakening hold over Eastern Europe.

A. Home computers will be common

B. Entertainment explosion (more leisure and close-at-home opportunities, especially for campers.)

C. Appliances will be

energy efficient. Small appliances will continue to sell

D. More cluster, group housing instead of individual homes.

E. Travel—smaller cars, public transit, more travel "bargain packages"

F. Shopping—accent on quality, smaller quantities per package and close-by stores

G. Health—longer, fuller life with more demands on doctors and hospitals (higher costs)

H. Religion—will thrive,

but smaller groups will be more popular than traditional churches.

Individuals have managed to cope with changes in the past. A trend toward more "family" consciousness by society as a whole will provide security for those who choose alternate, new or different lifestyles in the 1980's. Movement of mothers from

home to job will continue to challenge Americans. Major adjustments will come, but families can expect to endure.

Dallas-based Pen-Tex Petroleum has filed for permit to drill the No. Carl Gorr, a wildcat for oil and gas well to be located three miles north of Cisco. With projected total depth of 4,150-feet, the well is in a 40-acre lease in Eastland County's S.P. RR Company Survey.

A new oil producer in the Northwest Ranger Field has been finished by Dallas Sunbelt Oil & Gas. Designated as the No. 2 King, the well indicated capacity to produce 25 barrels of oil and 125,000 CF of casinghead gas per day on an open choke.

The location is three miles north of Ranger, in a 40-acre lease in the Guadalupe College Survey, Eastland County.

Bottomed at 3,781-feet, the well will produce from an interval of perforations 3,346 to 3,368 into the hole. The pay formation was first encountered at 3,338-feet.

At a location 15 miles southeast of Breckenridge Gulf Oil Corp. of Midland has completed the No. 3 Bradshaw Heirs, new oil well in the Stephens County Regular Field.

Drillsite was in a 260-acre lease in Stephens County's T&P RR Company Survey.

The Bradshaw Heirs well showed daily potential for 8 barrels of oil per day on an open choke. Production will be from an interval 2,163 to 2,169-feet. Well's total depth was 3,000-feet, with top of pay logged at 2,163-feet.

Location has been staked by McBride Oil Company of Wichita Falls for a 4,350-ft. developmental probe in Stephens County's Stephens Regular Field, 11 miles south of Breckenridge.

THE MANY COLORS OF ZINNIAS

By Ted Brice

Though coming in last in the alphabetical list of annuals the Zinnia is first in preference of many gardeners.

The Zinnia is a native of Mexico. The Zinnia that we know today have come a long way in development and improvement from its ancestry of a Mexican wild flower.

The Zinnia is very showy when planted in masses and blooms all summer and into fall. There are shades of red, salmon, yellow, lavender, creamy white, and there is one flower arrangers find intriguing - "envy" - a chartreuse green. All Zinnias need full sun except the green one which need semi-shade.

The giant double Dahlia flower types along with giant cactus with twisted petals are the most popular cultivars. Some of these cultivars will have seven to eight (7-8") inch blooms on strong wiry stems with narrow leaves. The California giant Zinnia falls into these two cultivars mentioned above. Thanks to the hybridizer we now have multicolors and striped varieties. There are small cultivars and singles. There is a small pom-pom cultivars, these sometimes are referred to the tumpellia variety. Mass plantings, along walks and edges of beds as well as around pools, give mounds of color throughout summer and fall. This is one of the few annuals that you have so many choices of color and sizes to select from. You cannot find

an annual more suited for this Southwestern area with so many choices of color.

The Zinnia is planted normally from seed, even though they are available as started bedding plant. All the seed catalogues usually offer a good selection of Zinnia seed. This gives you all winter to enjoy picking the sizes and colors you want next summer in your garden.

Some of the more vital statistics for Zinnias are the height at maturity of eight to thirty-six inches. Plant the seed eight to fifteen inches apart depending on the final size of the plant. The seed may be started indoors while there is still danger of a frost. They may be started or transplanted outside when the night temperature does not go below fifty degrees. The period of germination for Zinnia seed is five days. Zinnias like hot weather and simply just stand still in cool weather.

The Zinnia likes full sun, with the one exception mentioned above. Zinnias are not as particular in the soil requirements as other annuals. They will bloom in good garden soil, but you can tell a remarkable difference when a little time is spent to improve the soil condition before planting. Work in some superphosphate and add a good compost to your bed before planting will be rewarding when the blooms are produced in the summer. You will have some larger bloom specimens and a much richer and deeper color. A feeding of a well-balanced fertilizer will also be beneficial to your Zinnia.

There are many Zinnias in bloom now in this area. If you do not have any Zinnias, pick out the colors and cultivars that you like and plan on planting them there is still time this year.

Death On The Highways Needs To Be Stopped

THE CROSSROADS PHILOSOPHER
By Roy Boyd

How much longer are we going to sit by and allow our citizens to be killed at such a terrific rate on our streets and highways? Drunken driving must be stopped.

Some people rate it as the number one killer, but have you noticed so many accidents that are one-car related? This adds up to IGNORANCE. We must educate our drivers at a much faster clip and to keep those who can no longer see or can no longer handle a car on the road properly off the highways.

We should immediately require a driver test at least every five years. Here is an example of why a license is needed every five years. My father got his license renewed at age ninety five, which only meant that he could see well enough to drive but in no way was he capable of driving safely.

Another reason for a driver's test is legal and illegal aliens who come into Texas, get a job, buy and car and drive without a license.

Stricter laws and enforcement would save a lot of lives.

Whenever a person hears of a traffic fatality, they usually think what a terrible thing to happen until it happens to their immediate family. The anguish and torment that envelops the family is a feeling you cannot imagine until you have been through the experience yourself.

But the hopelessness of the anger the family feels because the life of a loved one has ended because of a drunk driver is unexplainable. The hopelessness of the anger the family feels because three children have been left without a mother, and a husband without his wife of 16 years because a person got behind the wheel while he was intoxicated is unexplainable.

There should be stiff penalties for drunk driving so that a person who drives while drunk will suffer severe consequences. Severe enough that they will not attempt to drive while under the influence of alcohol.

Two weeks ago I would not be writing this but last week a "traffic fatality" was my sister. She was 34. I am urging people to write their Congressmen, Senators and Judges to pass new laws on drunk driving before they feel the grief that our family is living with at this time.

Lela Latch Lloyd Receives Award

The Vann family, descendants of a family which once ruled the Cherokee Indian Nation in the south, has awarded a Certificate of Appreciation to Lela Latch Lloyd of Cisco.

The framed Certificate is inscribed "In Appreciation of devoted and invaluable services". It was presented to Mrs. Lloyd at the conclusion of the Vann family reunion, held in Huntsville, Alabama, June 25-26.

The Vann family descendants live all across the country, with the most of them in Oklahoma and the south. Among the nationally known members is Will Rogers, Jr.

Lela Latch Lloyd's book "If The Chief Vann House Could Speak" was cited at the reunion as an achievement leading to her award. The book tells of events surrounding the historic Georgia home of the Cherokee Chief.

Breckenridge-based Delta Oil & Gas Company of Breckenridge has filed for permit to drill the No. 8 C.W. Brown, a developmental well to be located 16 miles northwest of Breckenridge. With projected total depth of 1,000-feet, the well is in a 1,180-acre lease in Stephens County's TE & L Survey.

Location has been staked by Sun Exploration & Production Company of Abilene for a 3,300-ft. developmental well in Stephens County's Stephens County Regular Field, 2.5 miles northeast of Breckenridge. The well is designated as the No. 2 J.M. Ward "D". Drillsite will be in a 226-acre lease in the T&P RR Co. Survey.

Sun-Tex Minerals, Inc. of Ft. Worth has filed for permit to drill the No. 1 V. Harris, a 2,200-ft. wildcat for oil and gas well to be located three miles east of Wayland. The operation will be in an 80-acre lease in Stephens County's T&P RR Co. Survey.

A 4,500-ft. wildcat well is planned by Dr. R.B. Wilchup of Ft. Worth at a drillsite three miles north of Ivan, Stephens County. The location is in a 20-acre lease in the T&N RR Co. Survey. Well's designation is the No. Ed Ford.

Keystone Oil Co., Inc. of Abilene has added a new natural gas producer in the wildcat field. It is the No. 1 Langford, located in a

160-acre lease in Stephens County's T&P Survey, four miles from Wayland.

The well flowed at the rate of 1,032,000 CF per day on a 3/8-in. choke. The absolute open flow came in at 1,600,000 CFD.

Drilling went to 4,200-ft. bottom after the production zone was entered at 3,704. The production interval will be perforations 3,704 to 3,714-feet.

Flowing natural gas at the rate of 352,000 CF per day on a 3125-in. choke, the No. 2 Copeland Rance is a successful new wildcat well in Stephens County. Min-Tex Exploration Company of Mineral Wells is the operator.

The well exhibited absolute open flow potential of 430,000 CFD. Location is in a 160-acre lease in the T&P RR Survey, about two miles southeast of La Casa.

After entering the pay zone at 3,768-feet, the well bottomed at 3,940-feet and will produce from a set of perforations ranging from 3,768 to 3,772 feet into the wellbore.

Jackson Oil Company of Ranger has posted initial production figures for the No. 19 Robert Jackson, new oil well in the Jackson Field, eight miles south of Caddo.

The well indicated potential for 18 barrels of oil per day on an open choke. With drillsite in a 160-acre lease in Stephens County's T & P RR Survey, the well had total drilling depth of 1,833-feet. It entered the pay horizon at

1,700-feet and will produce from a set of perforations 1,714 to 1,796-feet into the hole.

Flowing at the rate of 6 barrels per day on a 48/64-in. choke, the No. 1 Turner was completed in the Ranger Field by L.H.G. Resources, Inc. of Midland.

Drillsite is in a 217-acre lease in Stephens County's John R. Carter Survey, four miles north of Ranger.

After entering the pay zone at 3,503-feet, the well went to 3,738-ft. bottomhole. It was perforated to produce from an interval 3,503 to 3,537-feet.

Austin-based Echols Oil Company has filed for permit to drill the No. 2 Walker, a developmental well to be located five miles north of Caddo. With projected total depth of 3,500-feet, the well is in a 160-acre lease in Stephens County's T&P RR Co. Survey.

Location has been staked by SLS Bryant-Pratt of Richardson for a 4,500-ft. developmental probe in Stephens County's Stephens County Regular Field, two miles southeast of Eliasville. The well is designated as the No. 1A Bryant-Pratt. Drillsite will be in a 97-acre lease in the T.E. EL Co. Survey.

Wes-Mor Drilling, Inc. of Graham has posted first production data for the No. 2 Kennedy, a new gas well located five miles east of Ivan. Drillsite was in a 320-acre lease in Stephens County's TE&L Co. Survey. With total depth of

4,650-feet, the well entered the pay stratum at 3,965-feet and will produce from an interval 3,966 to 3,966-feet. It showed potential for 443,000 CF gas per day on a 9/64-in. choke. Absolute open flow was rated at 775,000 CFD.

A new oil producer in the Stephens Regular Field has been finalized by Shillelagh Corp. of Wichita Falls. Designated as the No. 1 H. Wilson "D", the well indicated capacity to produce 1 barrel per day on an open choke.

The location is four miles south of Necessity, in a 40-acre lease in the TE&L Survey, Stephens County.

Bottom at 3,300-feet, the well will produce from an interval of perforations 3,250 to 3,275-feet into the hole. The pay formation was first encountered at 3,250-feet.

Producing 1,226,000 CF of gas, the No. 1-C Kessler et al was completed successfully in the Tomerlin Field by Chester R. Upham Jr. of Mineral Wells.

Drillsite is one mile southeast of Mineral Wells.

It was drilled to 4,624-ft. total depth and will produce from an interval 3,700 to 3,730 feet into the wellbore. Production tests were run on a 1-inch choke and absolute open flow was estimated at 1,600,000 CFPD.

The location is in a 119-acre lease in Palo Pinto County's T&PRR County Survey, A-702.

At a location three miles south of Mineral Wells, Rife Oil Properties of Fort Worth has finalized a new gas producer in Palo Pinto County's South Mineral Wells Field.

The well is designated as the No. 4 J.B. Taylor, producing gas at the rate of 245,000 CF per day on a 1/4 inch choke. Absolute open flow rated at 250,000 CFPD.

Location is in a 161-acre lease in the Francis H. Gray Survey, A-193. Bottomed at 1,205 feet, the well will produce from perforations 1,118 to 1,132 feet into the hole.

Chester R. Upham Jr. has filed first production figures on a new gas well in the Calabria Field. The No. 5-C Calabria Estate showed potential to make 216,000 CF of gas per day on a .500 choke. Absolute open flow was estimated at 285,000 CFPD.

The operator has 2,176 acres leased, with drillsite in Palo Pinto County's Allen Williams Survey, A-886, three miles east of Brazos.

The well will produce from an interval 3,751 to 3,760 feet into the wellbore. Total drilling depth was 4,440 feet.

June Drilling Report

AUSTIN, Tex., Railroad Commission Chairman Jim Nugent announced that Texas operators reported 122 gas and 75 oil discoveries in June 1982.

One year ago, 110 gas and 53 oil discoveries were filed with the state's energy regulatory agency.

Gas discoveries in the sixth month of the year included 51 in deep South Texas, 21 in the Refugio area, 16 in Southeast Texas, 15 in West Central Texas, five in North Texas, four in the Panhandle, three each in East Texas and the San Antonio area, two in the San Angelo area and one each in East Central Texas and the Midland area.

Oil discoveries included 19 in Southeast Texas, ten in West Central Texas, eight in North Texas, six each in East Texas and the Refugio, Midland and Lubbock areas, four each in deep South Texas and the San Angelo area, and two each in East Central Texas, the Panhan-

dle, and the San Antonio area.

Through the first six months of this year, there have been 730 gas and 317 oil discoveries throughout the state. For the same period last year, there were 588 gas and 332 oil discoveries.

In June, operators reported 382 exploratory and

field tests wound up as dry holes. New applications for permits to drill oil and gas tests totaled 2,586 in June compared with 3,704 in the same period of 1981.

Applications to drill, deepen, plug back and for service wells in June amounted to 2,945 against 4,014 a year earlier.

Operators filed 891 amended applications to drill. A year earlier they submitted 833 amended requests.

**To Africa
Wednesday**

(Continued From Page One)

ist Church, Eastland, will represent the first sounding of what is hoped to become a distinct link between the members of the church and struggling Christians in Africa, according to the local pastor, Rev. Jim Hooten.

It'll be a "going home" of a sorts for Rev. and Mrs. Hooten, their daughter Kathy, and her fiance, David Bethea of Tulsa, Okla. The Hootens were missionaries to Uganda and Kenya for 18 years and Kathy and David were M.K.s (missionary kids), there.

Others from Eastland will be Durel Reid, pharmacist and owner-manager of Eastland Drug; Mrs. Dusty (Vanita) Rhodes; and Mrs. Hank (Lucille) Sims.

The seven Eastlanders will be joined by Mr. and Mrs. Lannie Elmore at D-FW. He is Minister of Outreach for First Baptist Church, Dallas.

The physical burden that each of the nine will be carrying will be a 60-pound footlocker as part of their permitted luggage.

Each footlocker is filled with vitamins and medicines which will be distributed in Africa.

Mr. Reid is responsible for securing the some \$10,000 worth of medical supplies which he personally packed into nine large trunks to be taken to Africa.

The group will leave Wednesday, July 14, go to D-FW and fly overnight to Amsterdam. After an all-day rest, they'll board planes with their burdens and arrive in Nairobi, Kenya on Friday, where Baptist mission work began in 1956.

Rev. Hooten will conduct two seminars there as part of a World Baptist Alliance program and the laymen will be visiting some nine mission stations in Kenya. The women will work with native women and there's also likely to be held with church buildings, water-well digging and maybe a little time to visit game preserves.

On Aug. 1, the delegation will move to next-door Uganda, which Winston Churchill described as the "pearl of East Africa," where they will work with Dr. Richard Goodgame, a Southern Baptist doctor who is in charge of Mulago Hospital at Kampala, Uganda, which was, until the Amin regime wrecked it, one of the leading hospitals in all Africa. The Clearwater, Fla., missionary doctor, is in the process of re-building the 600-bed center and the medical supplies and concern the Texans bring will find immediate use.

One of the many places the locals will be working and preaching will be the church now pastored by the Rev. Russell Pogue, former Cisco pastor.

Skating Rink To Open In Eastland

SKATING RINK?—It may not look like it, but Doug Dallas says that people will be skating on the cement above by August or September. The skating rink will be attached to the racquet ball

courts at DDD Racquet Club. Above is the pouring of the cement. Dallas says the floor will be as smooth as glass and that the new skates he has will be extra quiet. He also says that there will be a find sound system for some "good sounds."

Cisco Service Club Held Meeting

The Cisco Service Club held its regular monthly meeting at the First National Bank Community Room Thursday evening, June 25. Hostesses for the meeting were Ruby Streiff and Emma Watts. Service Club members enjoyed a lovely buffet of fresh fruits, highlighted by a beautiful melon basket, especially made by Mrs. Streiff.

The meeting began with the call to order by Sandra Woolley, club president, with the invocation given by Deborah Whitley. Mrs. Whitley, club treasurer, gave the treasurer's report. Regular committee reports were given. It was announced that the Sue Witzsche Memorial Scholarship is still available for a deserving young woman. Gina Winnett gave a brief report on the downtown hanging baskets, stating that there is still work to be done on the project. Tuesday, July 13, from 3 to 5 p.m. has been set as a workday for the hanging basket project. The Halloween Carnival committee planned a Tuesday evening

July 15, 1982

Dr. Bill Beazley of Hardin-Simmons University will preach at Eastland church until the pastor's return on Aug. 15, when he and the first wave of emissaries will be back to tell of their work. Their burden then could even be heavier: to burden others of the needs that exist.

meeting on July 6.

Old business discussed included the Christmas in May project, of which the Cisco Service Club has contributed drapery material and work towards the project. The club's work in that area was reported as near completion. Brad Kimbrough and Dick Woolley were recognized for their recent help in that particular project. Thursday, August 19, was set for a family ice cream supper at the City Park.

Service Club members in attendance were Carlene Conner, Pennie Fields, Betty McGrew, Ruby Streiff, Deborah Whitley, Gina Winnett, Sandra Woolley and Diane Yowell.

The next Cisco Service Club meeting will be held on Thursday, July 22. Hostesses for the meeting will be Barbara Parker and Joyce Schaefer.

For further information about the Cisco Service Club, contact Sandra Woolley.

How much would you pay to travel cross-country? Now you can make the trip for just \$99 one-way, via a major bus line.

In the bus industry's war on travel prices, it's the consumer who's coming out the winner. Trailways' new low fare is part of that company's policy to "Meet or Beat" any other transportation company's prices. Cost-conscious travelers can go from New York to Salt Lake City, or even out to the west coast for the same low \$99 fare. Round-trip fares are just double the one-way fare. Valanda Sanders And David Stanton Are Married July 1

Valanda Sanders became the bride of David Stanton on July 1, 1982, in a double ring ceremony officiated by Mike Tucker.

Given in marriage by her father, Lee Sanders, the bride wore a floor length dress of white chantilly lace with schiffli collar with long sheer sleeves. She carried a bouquet of blue and white carnations.

Mrs. Ann Ward, cousin of the bride, was matron of honor. She wore a floor length dress of baby blue with smocked bodice and long sheer sleeves. She carried a blue nosegay.

Miss Risa Ingram was flower girl. Tim Ingram was ring bearer.

Jeff Ingram was best man. Miss Kim Ward, cousin of the bride, served at the guest register.

Soloist Pete Harrell sang "There is Love." Soloist Naomi Tucker sang "Whether Thou Goest," accompanied on the piano by Beverly Harrell.

Serving in the reception were Debra Ingram, Darlene Ritchie and Betty Hastings.

WORD of GOD

Parable of Jesus

For the kingdom of heaven is like unto a man that is a householder, which went out early in the morning to hire laborers into his vineyard.

And when he had agreed with the laborers for a penny a day, he sent them into his vineyard.

And he went out about the third hour, and saw others standing idle in the market place.

And said unto them: Go ye also into the vineyard, and whatsoever is right I will give you. And they went their way.

Again he went out about the sixth and ninth hour, and did likewise.

And about the eleventh hour he went out, and found others standing idle, and saith unto them, Why stand ye here all the day idle?

They say unto him, Because no man hath hired us. He saith unto them, Go ye also into the vineyard; and whatsoever is right, that shall ye receive.

So when even was come, the lord of the vineyard saith unto this steward, Call the laborers, and give them their hire, beginning from the last unto the first.

And when they came that were hired about the eleventh hour, they received every man a penny.

But when the first came, they supposed that they should have received more; and they likewise received every man a penny.

And when they had received it, they murmured against the Goodman of the house,

RAYMOND MELTON AND KAYE KAMON

Engagement Announced For Kamon and Melton

Mr. and Mrs. Robert Burton Kamon of Cisco announce the engagement and approaching marriage of their daughter, Kaye Hart, to Raymond Andrew Melton, son of Mr. and Mrs. Tommy Melton of Houston.

Miss Kamon is a 1980 graduate of Cisco High School and is presently attending the University of Texas at Austin with a major in marketing.

Mr. Melton is a 1977 graduate of Springbranch High School and a 1980 graduate of the University of Texas at Austin where he received a B.A. in English. He is presently attending the School of Law at the University of Texas.

The wedding will be held in the First Presbyterian Church of Cisco on August 7, 1982, at 8:00 p.m.

Saying, These last have wrought but one hour, and thou hast made them equal unto us, which have borne the burden and heat of the day.

But he answered one of them, and said, Friend, I do thee no

wrong: didst not thou agree with me for a penny?

Take that thine is, and go thy way: I will give unto this last, even as unto thee.

SELF-CONTROL CAN BE THE SMARTEST THING YOU DO THIS SUMMER...

Self-control can be the smartest thing you do this summer. Sometimes you have to cut down on the things you like, that takes self-control. Self-control is important when you overindulge in too many calories. . . . or when you over cool your home. It can be rough on your pocketbook if you set your thermostat too low on hot summer days. WTU recommends setting your thermostat at 78 degrees or higher. Clean or replace your air conditioner filter at least once a month so your unit will operate as efficiently as possible.

Stop by your WTU local office today, and pick up your FREE copy of "Make your Home More Energy Efficient" you'll be glad you did. . . .

Azle Pastor, Jimmy Turner Is To Be Speaker

For First Baptist Church in Rising Star on August 8

Jimmy A. Turner, pastor of Ash Creek Baptist Church, in Azle, will be the principal speaker for the 100th anniversary service of First Baptist Church, Rising Star, on Sunday afternoon, August 8.

Turner is a former resident of Rising Star and a graduate of Rising Star High School. He received a B.S. in Religion from Hardin-Simmons University, and a Masters in Religious Education from Southwestern Seminary in Fort Worth.

He has served as pastor for several

churches in the area including First Baptist in Tahoka and College Avenue in Big Spring.

Jimmy is the son of Mr. and Mrs. Raymond Turner of Rising Star. He married the former Sammie Harris, and they are the parents of three children.

Turner has conducted several revivals here, and in this area, so this will be a homecoming for him and his family.

Roof Garden Extends Musical Performances

The Roof Garden Dinner Theatre in Cisco has extended its run of the musical comedy, "A Funny Thing Happened on the Way to the Forum," for July 22, 23, 24. The show was originally

Cleatus Rattan Publishes Poem Book

Publication of an award winning book of poems by Cleatus Rattan has been completed. The book, "130 Miles To Dallas," was published by the Sam Houston State University Press. Mr. Rattan was selected by The Texas Review as the 1982 poetry award winner. His book of poems was published by the Sam Houston State University Press as his award for this honor. The entire work has also been published in the current edition of The Texas Review as part of the award. The Texas Review is circulated to many universities throughout the nation. It also has a large circulation to creative writers. The book, 130 Miles to Dallas will be available in Cisco at the CJC bookstore.

Recently, Mr. Rattan's poems have appeared in Descant TCU Press, Vanderbilt Review, Sands, and Separate Doors.

This fall, Mr. Rattan has been invited to give a reading of his work at the South Central Modern Languages Association meeting held at the University of Texas at San Antonio.

scheduled for six performances, but due to the unusual demand for reservations, it has been increased to nine.

By the time the play opened on July 8, all three performances for the first weekend were sold out. "This is the first time we ever had that to happen," said Wyley Peebles, head of the Cisco Junior College Fine Arts Department which sponsors the summer theatre.

"All three performances for the second week are filling up fast," Peebles continued, "and we would like for people to know that we have added three more. Virtually every seat in the Roof Garden is a good seat since we made a few modifications," he said.

All seats are reserved. Tickets are \$11 for an Italian dinner and show. Call (817) 442-2567 for reservations.

And don't be mislead into thinking complicated confusion of Roman unpronounceable names, seriousness of the Forum or heavy toga-togged philosophy.

Think only of the word "Funny". It's a bouncy, rollicking circus, that's what it is.

The characters are introduced and you're told right "up front" that it's all "just for comedy." Enjoy.

Be prepared to laugh. The language is passable and the plot complications no more suggestive than prime-time television.

The Fine Arts Dept. of CJC is to be commended (as it has been) for the entertainment it's offering the public, and it's good that extra performances are being offered. It's a good meal, a good show and a good evening.

Commercial dinner theaters around the country with so-called "stars" are not (repeat not) offering better entertainment, and for the most part their productions are less-well produced. The CJC system of taking

Cisco Firefighters

To Collect

MDA Donations

Recent Texas-size rain storms aren't responsible for Firefighters with their boots in their hands this weekend. It's the annual "Fill the Boot" drive to collect contributions for "Jerry's Kids" here in the Big Country.

Cisco firefighters will be sponsoring their "Fill the Boot" Friday and Saturday, July 16 and 17 to join in the national Firefighter Crusade against neuromuscular disease. They will locate at street corners, banks, shopping centers and other areas asking people to help defeat muscular dystrophy by making a donation.

Last year, Firefighters throughout the state raised more than \$320,000. Money raised in events such as "Fill the Boot" help support MDA's extensive patient care, research and educational programs. MDA currently fights 40 neuromuscular diseases.

Representatives of all participating departments in the Big Country will be invited to officially present their contribution on this year's local broadcast of the annual Jerry Lewis Labor Day Telethon to be carried on KTAB-TV from the Mall of Abilene.

Watch for the Firefighters this weekend in their efforts to fill their boots for MDA.

Letters TO THE EDITOR

Dear Editor: Was sitting in the lobby of the Veterans Hospital at Loma Linda, California. A lovely lady, a volunteer, came by and said hello and asked if she could do anything for me. I told her I wished I had a paper to read. She handed me the Cisco Press.

I asked if she was from Cisco. She proudly flashed a Texas smile and said "You bet your life!" That Texas brought really got to me! See, I was raised at a little town just south of Abilene called Tuscola. Haven't been there since 1942 when I went in the service.

Then one day, she brought me the "Californian" which is a paper from Temecula, Calif., where she lives. There was a write up about the "Certificate of Merit" given to her for "services rendered to Veterans, their families and to others in the community, for the true spirit of patriotism and good citizenship" by the "Military Order of the Purple Heart" for her volunteer service at the Jerry Pettis V.A. in Loma Linda.

Her name is Louise Nelms and we veterans here can tell you how proud you can be that someone from your town gives so much for so little.

Am enclosing a clipping. Thought it would be nice to let her hometown folks know we are happy she is here!

Thanks from the Veterans at L.L.V.A.

Louise Nelms Receives Honor

EDITOR'S NOTE: The following article was published in *The Californian*, a newspaper from Temecula, California, on Thursday, July 1, 1982. The article is about a former Ciscoan Mrs. Louise Nelms.)

The Fourth of July is a time for re-dedication to the goals of our Founding Fathers. It is a time to reflect on the glories of this country, and it is also a time to remember our veterans.

A chapter of the Military Order of the Purple Heart, USA Inc., is being formed to improve local assistance to the veterans and dependents of deceased veterans.

A Ladies Auxiliary is also in the works, according to Louise Nelms. Mrs. Nelms, who recently received a Certificate of Merit for her many volunteer hours, is a true believer in community service.

decorating her yard with 52 American flags and bunting. At the party, with Elvis Nelms' military records reconstructed, patriot Nelms received as a remembrance of past bravery the Purple Heart Medal with Oak Leaf Cluster; Bronze Star; American Campaign Medal; European-African Middle Eastern Theater Medal; Army of Occupation Medal; Belgium Campaign Medal; and the Combat Infantryman's Badge.

It is the Nelms, Louise and Elvis, who are instigating the organization of the Military Order of the Purple Heart and the Ladies Auxiliary. The Nelms feel that there are many men and women who can benefit from this organization in both a giving and receiving aspect.

A short time ago she organized a surprise party for her husband, Elvis, who although eligible for the Purple Heart, never received the recognition he deserved because his military records were lost. The party was held during the Iranian hostage crisis and Nelms recognized the hostages by

Cisco Library News

"The One Tree," a 1982 edition and Book 2 of the Second Chronicle of Thomas Covenant, written by Stephen R. Donaldson, is a new book at the Library. Covenant's experiences aboard the Gantship Starface's Gem in search of the One Tree to replace the Staff of Law, continues the saga that has become an international best seller with close to 4 million copies in print.

"Kane and Abel" by Jeffrey Archer, publishers Simon and Shuster, is the story of two men of different backgrounds, ambitious and obsessed with the desire for destroying each other. This new book is already a best seller in England. The author has also published "Not a Penny Less" and "Shall We Tell the President."

For the mystery lovers,

there's a new "ultra-Bond thriller" about the world's most famous spy. This time, John Gardner has James Bond on secret loan to the U.S. Government. Title of the book: "For Special Services."

Selection for the book given to the Library by the Civic League to honor their 1981-82 officers, is the Reader's Digest "Crafts and Hobbies." This is a 456 page, 1979 publication that has minute instructions plus il-

ustrations for a "step by step guide to creative skills" that cover jewelry making, mosaics, spinning and dyeing, decoupage—to name only a few. This is a companion book to a 1973 Reader's Digest book, "Do It Yourself Manual" for interior repairs and restoration, plumbing, stone work, and much more. Both books are excellent.

Thanks again to the Civic League.

The Library is fortunate to have volunteers to serve during the vacation of Mrs. Mary Bob Leveridge. They are Mrs. Irene Callahan, Mrs. Ross McElroy, and Mrs. Audie Wagley, all members of the Twentieth Century Club.

The Library's Story-telling program for children begins Friday, July 23, with sessions on July 30 and August 6, under the supervision of Mrs. Rose Knowlton, Mrs. Nancy Hammes and Mrs. Irene Hunt. Schedules are: for children, ages 3, 4 and 5, 2:30 to 3:00; for children in grades 1 through 4, 3:30 to 4:00. Parents are asked to pre-register the children during normal Library hours on Mondays, Wednesdays and Saturdays.

SALLY GOODWIN is coming to town this Wednesday. She is a nationally known harpist who appears regularly on Dr. Robert Schuller's TV programs that you can see on Channel 8 (WFAA Dallas) at 8 a.m. on Sundays. Sally, an attractive young lady in her mid-thirties, is the niece of Mrs. Carl Gorr of Cisco.

Plan a call for Sally, who is en route to California for concert appearance, will play a Cisco concert at 3 p.m. Sunday at the First United Methodist Church. Last spring, she visited in Cisco and played by invitation on a piano medley at the FUM Church as she didn't have her harp with her.

You can see Miss Goodwin at 12:15 p.m. Thursday when she will be on Channel 9 (cable two) Abilene for a Mid-Kay with Kay interview. She has performed throughout the United States, including numerous concerts in New York, in Germany and elsewhere. She is a native of the Moline, Ill., area.

Mrs. Gorr's sister (Sally's mother) is due to arrive this weekend for a visit and to accompany her daughter to California. Sally is traveling via station wagon.

THE CISCO Kiwanis Club's video game room is scheduled to have most of their machines changed out this week and be ready for the coming weekend with new ones. Miniature golf playing is not as good as they'd like for it to be. So...let's all go out and play a round every now and then.

The Kiwanis Club, by the way, hopes to have their project to enlist Cisco property owners to donate mineral rights under their residences to the City of Cisco off and running by Sept. 1. Chairman Al Warren is due back from vacation soon to begin work on the idea.

WHEN THE Vernon Honeas of our town go out to Midland they can (in a manner) kill two birds with one stone. Two of their three daughters live in Midland.

Kim, the oldest of the three Honea daughters, is in charge of the auxiliary program in which more than 100 women work and does public relations work for a big hospital there. Kay, the middle daughter, is a member of the Midland Police Department as is her husband, Kerri, the youngest, is a member of the public school faculty at Throckmorton and teaches the 6th grade.

MISS JEANNE Jamison is back where she started - at home in Cisco. She grew up in Cisco, attended the public schools here and went on to Tarleton State University. Then, Miss Jamison went to work for Gulf Oil Corporation in Houston. She worked for them more than 25 years.

Recently, Jeanne took early retirement and moved in with her sister, Doris Jamison, at 1401 West 13th Street in Cisco. Doris is a legal secretary over at Lawyer Billy Wright's offices. Both are the daughters of Mrs. A.E. Jamison and the late Mr. Jamison of Cisco.

CONGRATULATIONS to the Little League Giants on winning second place in the district tournament over at Albany last week. They lost in the finals Friday to Clyde. Ron Patton of First National Bank and wife and daughter are vacationing down New Orleans way. Other bankers on vacation at this time are Emily Donovan and Pam Donaway. The CoC board of directors was scheduled to hold a monthly meeting at 2 p.m. Tuesday at the CoC offices. Joe Jarvis' name was inadvertently omitted from the list of folks the CoC appreciated for helping with last week's big fireworks program.

HOME FROM THE convention of Lions International and a vacation in the Carolinas and elsewhere in the deep south are the Winston Heidenheimers. It was an interesting trip, he reports, with only one real note of discord - their auto air conditioner stopped running on July 5th, a real hot day. Fortunately, they got it going again without too much trouble. The Wm. E. (Bill) Austins were in Big

D on Tuesday for the furniture market. The Tim Joneses recently enjoyed a two weeks vacation at Cloudcroft, New Mexico.

THE HOME FOLKS down at Cisco Lumber & Supply Co. were real pleased with the response to the formal opening last week of their new housewares department. They added 600 square feet of floor space across the back of the store for the new department, and it's an attractive layout with nice shelving and light fixtures.

Good crowds turned out each day of the opening and door prizes were awarded each of four days. Charlene Luneford of Rising Star won a wok. What's that? It's an electric pot that's used to cook Chinese food or to dry cook vegetables.

Gloria Boyd of Cisco was the second day winner and her prize was a Norelco coffee maker. Mrs. Larry Bryant, also of Cisco, won a revolving spice rack next day, and the final winner was Margaret Torres of Cisco - a toaster oven.

Cisco Lumber is now busy with a new front for part of the store building along with substantial other improvements. They hope to have it completed in a month or so.

SO MANY LITTLE people (children) want to see inside the little Centennial House in the yard out at the Joe Wheatley residence, 1414 Liggett Street, that they've fixed a door on the back side so they can go in and look around. Mr. Wheatley says they go in from time to time to sweep the floors and brighten up things.

The little house is a true replica of the type of residences that were built here 100 years or so years ago. It appeared in last year's Centennial Parade and then went to the Wheatley's yard.

SPEAKING OF things 100 years old reminds us that the Cisco Masonic Lodge will be that old come December. And they're working on plans to observe the occasion in appropriate style.

They already have a special 100-year coin to commemorate the lodge's birthday. You will want to buy one for \$3 to put among your souvenirs. See anyone at the lodge hall.

Putnam News

By Mrs. R.B. Taylor

The glorious fourth has come and gone with a lot of family get togethers and reunions.

So far as I know there were no bad accidents or fatalities in our community for which we are thankful.

We still have not had any rain in July and its getting dry, and the grasshoppers are really taking over. I'm fighting them to keep some of my shrubs but think it's a losing battle.

We do not know of anyone on the sick list, except Mr. Raymond Clark of Abilene, formerly of Putnam, had a leg amputated recently at the Veterans Hospital at Big Spring.

And we were sorry to hear of the death of Mr. John Mask of near Cisco last week. Mr. Mask married Mrs. Cordie McKinney several years ago. Our sympathy to the family.

Visiting the George Weeks recently have been Mr. Robert Young, Mrs. Weeks brother of Cross Plains, Mrs. Addie Evans, her daughter and granddaughter of Clyde, Mr. and Mrs. Dick Weeks of Abilene and Mr. and Mrs. R.D. Weeks and boys of Eastland.
