HAVE YOU EVER wondered why you have a nose? An interesting article from the Texas 1986 Sesquicentennial Commission relates to the matter of wanting a nose. The article is orginially from the Matagorda Bulletin, July 5, 1838. It is as follows:

THE GOOD OF WANTING A NOSE A man who has lost his nose, says an old Scotch journal, has peculiar advantages; he cannot follow his nose, but then he cannot be poking it into everything. He cannot blow his nose, but then he saves pocket handkerchiefs. He cannot be stuffed up in his nose, but then he cannot take snuff, which is, however, another savings. If he goes to sleep, you cannot tickle his nose, and when he is awake, he cannot run his nose against a post. Let him drink what he will, he will never have a red nose; and never be exposed to the nick-name of Nosey; and let him be as impertinent as he will, he may defy you to pull his nose. "Sir," said a man to another with a false nose-"I'll pull your nose." "Sir," said he, "I shall put my nose in my pocket.'

BY HERREL HALLWARE young woman was restored to comparative self possession. Consciosness, however, only increased her agitation, for strange to say, she recognized in the medical gentleman a friend both of herself and husband-for she was a married woman! An explanation took place, and it was due to state that the owners of the establishment at once commiserated the

situation of the uphappy woman, and without a moment's hesitation, returned the check, which was subsequently admitted to have been signed with the name of her husband.

> OPEN LETTER TO THE CITIZENS OF CISCO

On Tuesday, August 31, 1982, I made an appeal through the Cisco Press for the citizens of the City of Cisco to curtail unnecessary water usage during this particularly hot and dry period because consumption has outstripped the City's ability to maintain adequate water pressure. I would like to thank everyone for their immediate and helpful response to this appeal. The effects of the consumption cut-back were noticeable the next day and the City was able to maintain acceptable water pressure. However, as the existing dry spell continues, I must repeat my request that all unnecessary water usage be curtailed, especially from 4:00 P. M. through 9:00 P. M., which is our peak usage period.

At the present consumption rate, which is still at a daily average of almost 2,000,000 gallons, and with the existing distribution system, it is very difficult to maintain adequate water pressure. This situation could become critical should there be a fire or other such emergency during peak usage hours.

Cooperation from all our citizens in holding down unnecessary water usage, especially during the Labor Day Weekend, will help to insure adequate water pressure throughout the City and help allow everyone to have a happy and safe holiday weekend.

with all of us working together during this brief period we can minimize the inconvenience and hazard of the water pressure problem until the upcoming water system improvements are installed. Again, thank you for your patience and

Wranglers Opening Grid Year Here In Saturday Night Game

The 1982 football season will begin for the Cisco Junior College Wranglers at 7:30 p.m. Saturday, Sept. 4, at Chesley Field in Cisco with the McMurry College

Junior Varsity of Abilene as

their opponents.

Plans called for the Wrangler Belles and Band to make their debut for the new season in a half-time show.

Charles A. LeFlore, 20, convicted in 91st District Court after pleading guilty to charges that he shot Debra Garcia after taking her prisoner in a Cisco grocery

began. The Wranglers will have 34 returning lettermen in the

year's team. Coach Keyes said they would have experienced players on defense. The offensive line is made up of big players, mostly freshmen. The starting backfield will be composed mostly of

big squad although 22

starters were lost from last

freshmen. Mr. Keyes said they will try to balance the running and passing game and count on the defense to be strong enough that the Wranglers won't need too many points to win.

The coach said they will try to play two teams of boys who appear to be about even. "We have a lot of men who want to play football," he said.

Starting quarterback is Sophomore Johnny Yglecias with Jimmy Taylor of Clyde and Scott Ellison of Brady slated to see a lot of action. A complete roster of the Wranglers appears elsewhere.

A good crowd was expected for the Saturday

Telegraph and Texas Register, May 29, 1839, it is reprinted as follows:

LADIES SOMETIMES GAMBLE, and Wear the Breeches-

We see by an exchange paper, that a story has been published in New York about a certain lady who was in the habit of frequenting a HELL in the lower part of the city, in disguise,-and who was said to have lost \$1,500 or \$2,000 there. The truth of the matter was doubted at the time, but an adventure recently occurred that tends to confirm the belief that the fair sex do occasionally, and on the sly, indulge in the beautiful passion of gambling. For some weeks past, a man of youthful appearance, wearing mustachoes, was to be seen as an occasional visitor, to a well known house in Park Row, where he played with various success, but for moderate stakes. At length, on a night, a week or two ago, he tendered a check for \$200 to the banker, and in an undertone requested counters. It had been remarked that he scarcely ever spoke but in the same subdued manner. As he was recognized a frequent visitor, and appeared respectable, his requiest was at once complied with, and for a time, fortune seemed to crown his speculations. At last, however, luck turned, and he lost all. His agitation had been continually increasing, and on losing his last counter, he dropped senseless on the floor. He was immediately carried into a private apartment, where every humane attention was paid to him, and proper restoratives applied, but he relapsed from one fit to another, and, at last, on unbuttoning his vest, the man turned out to be a Woman! A medical man was sent for; and at last the

Glasgow Urges Voters To Get Involved

STATE SEN. BOB GLASGOW came to Eastland County Friday to visit the people - and the people turned out to visit Sen. Glasgow. Here County Criminal District Attorney Emory Walton is among the many who turned out to shake hands with the senator and to exchange ideas and views. "Get involved," Sen. Glasgow repeated over and over as he urged his listeners to "watch who you send to Austin, and then watch what they do when they get there." We've got the ideal state. Our finances are in good shape, and the thing we've got to do is to "keep it that way." The special session will hopefully correct the problems of the state unemployment insurance program without penalizing the small businesses who cannot afford to have their unemployment taxes increased. Concerned with education on every level, Sen. Glasgow emphasized several areas where he is seeing improved conditions in the state's educational systems without increasing the burden of taxation. Visiting in Cisco, he was hosted by Dick Wooley and Gene Abbott, Sen. Glasgow moved on to Eastland where he was guest of honor at a coffee hosted by James Wright; and then into Ranger where he met the public at Ranger Savings and Loan as Jerry Richardson and Jerry Edwards were hosts. Sen. Glasgow emphasized the importance of the citizens staying in touch, and generously shared his Stephenville address (P.O. Box 1250), and telephone number (817 965-3135) for all who might like to contact his office for information and/or suggestions. He spoke repeatedly of the drug abuse problem and stated that we're going to have to get serious with the sellers and not worry as much about the young users. He credited the wire-tap bill, which he helped sponsor, as being responsible for helping slow down the traffic at the source. One thing we need to be ashamed of, he said, is our low voter turnout record. "It's a national disgrace."

SCHOOL DAYS-Billy Holt, left, local telephone installer and repairman, shows Breckenridge High School freshmen Melissa Ernest the intercom which will enable her to attend school this fall. The young girl, who underwent surgery for a lower back problem earlier this year, is unable to attend school except through the two-way speaker system. Looking on are Roger Wootten, president-elect of the Breckenridge Kiwanis Club, which is furnishing the intercom system, and Jingles, the Ernests' dog and Melissa's fellow student for the next few months. (American Staff Photo)

Kiwanis helps confined pupil attend school

Thanks to the Breckenridge Ki wanis Club and Southwestern Bell Telephone Co., a local girl who is confined to her home will be able to attend Breckenridge High School this fall.

Melissa Ernest, a freshman at BHS this year, underwent surgery in April for a lower back problem known as spondylolisthesis and has since been unable to withstand the physical exertion of day-to-day school attendance. It has been estimated she will not be able to return to school until mid-Novem-

The young girl will be able to attend school in the meantime, however, by long distance, which, for her, is indeed the next best thing to being there. Local Kiwanians have undertaken

a project whereby the civic club has furnished a two-way intercom, with one speaker in Miss Ernest's bedroom at home and another at BHS, which will permit the young girl to hear what is being said in her classes and even to communicate with her teachers if she wishes.

The intercom operates through local telephone lines, with telephone jacks being installed in each of the classrooms where Miss Ernest would normally attend class. A fellow student will carry the companion intercom unit to each of the classrooms in turn, hook it into the appropriate jack, and Miss Ernest will be a part of the class.

The cost of the project, about \$500, is being borne by the Kiwanis Club.

REMINDER: Library days and hours are back to Tuesdays, Thursdays and Saturdays, from 2:00 p.m. to 5:00 p.m.

Margaret Truman's rating of ladies with the "Second Toughest Job" - the five First Ladies of the White House, the wives of Reagan, Ford, Roosevelt, Kennedy and Truman, that appeared in the August 15 issue of PARADE, recalls that the Library has two of Ms. Truman's suspense novels: "Murder on Capitol Hill" and "Murder in the White House" and should soon have a third book, "Murder in the Supreme Court." The author touches upon all the vices for which politics is suspect: bribery, underworld influence, drugs and alcoholism, sex, deviates, cults, and, of course, murder.

Librarian Mary Bob Leveridge, who vacationed in Europe this summer, will be guest speaker at the April meeting of the Twentieth Century Club. Speaker for the September 23rd program of the City Federation of Women's Clubs that includes six civic clubs in Cisco, will be John Hawkins, the newly appointed Assistant District Attorney for Eastland County. Mr. Hawkins will speak on "Operation Con-Game", subject of the award winning project of the co-sponsored Sears Roebuck-General Federation of Women's Clubs contest in 1982. Mr. Hawkins is a 1982 graduate of Baylor University Law School, with under-graduate work at Texas University, and a former resident of Austin. He assumed duties in Eastland last month.

will lease your minerals

If there is enough merit to justify drilling FOR THE OIL OPERATOR, we also offer mineral title search, complete leasing services, and all phases of curative work.

For the land owner: If you don't know how many minerals you have or whether or not you own the leasing rights, we will run title on your tract and give you a proper land man's Title Letter to set forth the facts of title as we find them in the Records of Eastland County- and all our services come at a price you can afford with professional quality you can depend on. We also have some qualified drilling deals.

A very happy Arleta Shirey of Eastland, Texas exchanges her lucky Coca-Cola cash caps that spelled the word HOMERUN for a \$2,000.00 check from Walter Maynard, Eastland Coca-Cola Sales Center Manager, Also pictured is A.C. Hammer, Store Manager of Thriftmart where Arleta purchased her 12 ounce can of Coca-Cola that had the last letter Arleta needed to complete the spelling of HOMERUN.

Ever since your local Coca-Cola bottler began the Peel-A-Fortune game early this year, many of your friends and neighbors have been collecting letters of the alphabet from bottle caps and can tabs of Coca-Cola, Mr. Pibb and Tab. They have been trying to spell the lucky words, HOMERUN, TOUCHDOWN, POINT or COKE in hopes of winning a prize or instant cash up to \$2,000.00 from their local Coca-Cola bottler. Now Arleta Shirey of Eastland, Texas has successfully spelled the word HOMERUN in accordance with the Peel-A-Fortune rules and has become the thirteeth \$2,000.00 Coca-Cola instant cash winner in 1982.

You can win too, just like the other twelve winners. When you stock up your Labor Day picnic supply of soft drinks look for the bottle caps or can

tabs of Coca-Cola, Mr. Pibb or Tab with \$\$\$ on the top. Under each specially marked cap or tab is a letter of the alphabet. All you have to do is spell one of the lucky words on the game card and you can win a prize or instant cash up to \$2,000.00 just like Arleta Shirey Even if you don't spell any of the words, you are a winner because you have provided yourself and your family delicious, refreshing, Coca-Cola or its allied brands of Mr. Pibb or Tab.

Coca-Cola...the No.1 selling soft drink in Eastland and the Big County. Coca-Cola...the one the others want to be when they grow up. the Real Thing. Just ask any of the following \$2,000.00 winners in this year's Coca-Cola instant cash contest: Virginia Busbee, Patti McDermott, Joe Sanchez, Mrs. Danny Kellum, of Midland and Martha

ORDINANCE NO. 0-1982-8-30

AN ORDINANCE FIXING AND DETERMINING THE GENERAL SERVICE RATE TO BE CHARGED FOR SALES OF NATURAL GAS TO RESIDENTIAL AND COMMERCIAL CON-SUMERS IN THE CITY OF CISCO, EASTLAND COUN-TY, TEXAS; PROVIDING FOR THE MANNER IN WHICH SUCH RATE MAY BE CHANGED, AD-JUSTED, AND AMENDED; PROVIDING FOR SUR-CHARGE; AND PRO-VIDING FOR A SCHEDULE OF SERVICE CHARGES.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CISCO, TEXAS

SECTION 1. Effective with gas bills rendered on and after thirty (30) days from the final date of passage of this ordinance, the maximum general service rate for sales of natural gas rendered to residential and commercial consumers within the city limits of Cisco, Texas, by Lone Star Gas Company, a division of ENSERCH CORPORA-TION, a Texas Corporation, its successors and assigns, is hereby fixed and determined as set forth in Item A, in the Attachment hereto which is incorporated herein.

SECTION 2. The residential and commercial rates set forth above shall be adjusted upward or downward from a base of \$3.1847 per Mcf by a Gas Cost Adjustment Factor expressed as an amount per thousand cubic feet (Mcf) of natural gas for changes in the intracompany city gate rate charge as authorized by the Railroad Commission of Texas or other regulatory body having jurisdiction for gas delivered to the Cisco distribution system, according to Item B, in the Attachment hereto which is incorporated herein.

SECTION 3. Company shall also receive tax adjustments according to Item C in the Attachment hereto which is incorporated herein

SECTION 4. The residential and commercial rates

dinance was passed was open to the public, as required by Texas law, and that advance public notice of the time, place and purpose of said meeting was given. Marcia Adams **Sings For Lions**

Mrs. Marcia Adams and her guitar provided musical entertainment as the program feature last Wednesday noon at the weekly luncheon of the Cisco Lions Club. Lion Bill Roberts was program chairman and introduced Mrs. Adams.

To open her program, Mrs. Adams, who teaches stringed instrument classes, recruited Lions Roberts, Jasper Cook, Carroll Scott, George Brazell and Ivan Webb to assist her with a singing number. She was applauded for a fine program. Charlie Moad, long-time Ciscoan, was initiated as a new member of the club in ceremonies directed by Lion O.L. Stamey. Tickets for the Sept. 25th

The basic student fee for using the ACT Assessment is \$9.50, the SAT \$10.50. Students can obtain ACT Assessment and SAT registration packets, as well as other college and career planning materials, from the counseling office at Cisco High School.

At area test centers on national test dates it will take about three to four hours to complete the ACT or the date.

SAT. In order that students may be familiar with the character and format of test items and responses, a copy of a full-length test booklet is available in the counseling office. Students who wish copies of additional tests may obtain them upon request from ACT or the College Board at cost.

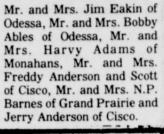

Information reports resulting from the tests and the questionnaire are sent to the students and their high school counselors, as well as to those colleges and other institutions specifically designated by the students.

It is recommended that students take these tests during their junior year or early in the senior year so that resulting information will be available in time to be of maximum assistance to students and their counselors in education and career planning. Students who are uncertain if they need to use the ACT or the SAT, or are concerned about the location of the nearest test center, are urged to contact Mrs. Mouser in the counseling office at C.H.S.

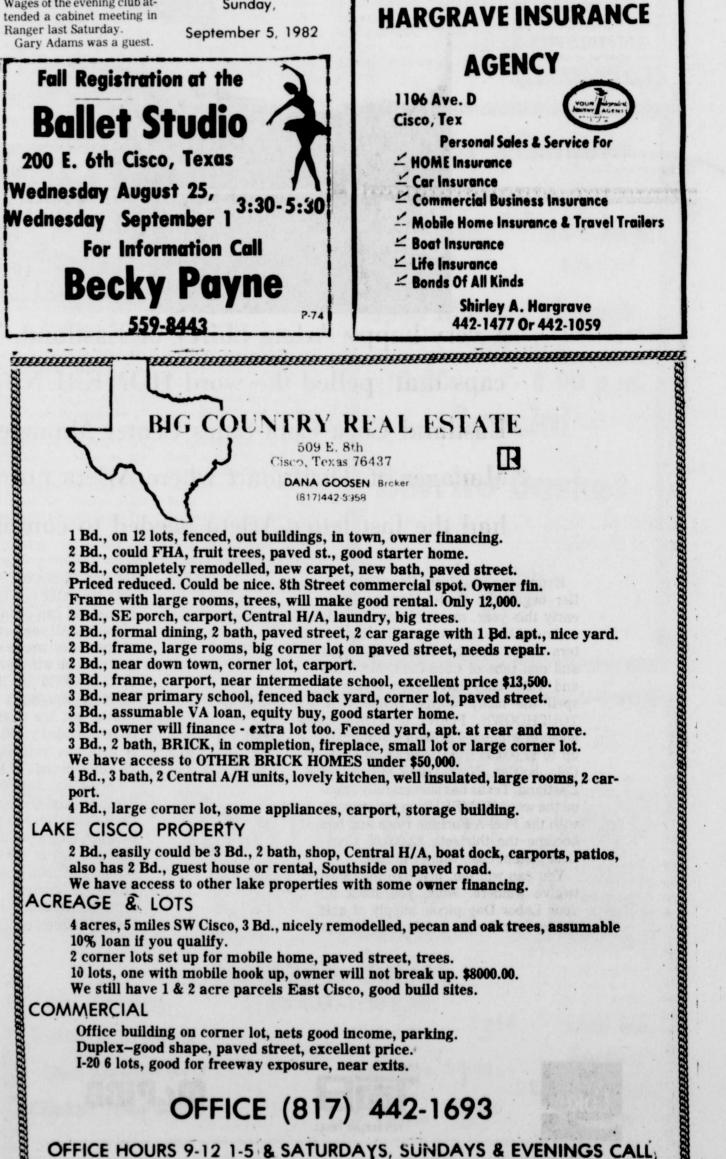

It is noted that the ACT will be given at Cisco Junior College on the February

SECTION 5. Rate case expense is not included in the calculation of proposed rates. If rate case expense is incurred in this current case. it is the intention of Lone Star Gas Company to recover the current and any prior rate case expense through a surcharge designed for a six-month nominal recovery period. The surcharge per Mcf would be calculated by dividing the rate case expense to be recovered by one-half of the adjusted annual sales volume to residential and commercial customers. If there is no current rate case expense, the Company will forego recovery of any unamortized prior rate case expense. When a surcharge is applicable, monthly status reports will be provided to account for the collections.

SECTION 6. In addition to the aforesaid rates, the Company shall have the right to collect such reasonable charges as are necessary to conduct its business and to carry out its reasonable rules and regulations in effect. The service charge set forth in Item E, in the Attachment hereto which is incorporated herein are approved. Services for which no charge is set out in Item E may be performed and charged for by Company at a level established by the normal forces of competition.

Rev. Dees has over 10 years experience as a fulltime evangelist. He was trained for the ministry at St. Louis University and Missouri Baptist College. He was called to preach under the ministry of Dr. W.A. Criswell. He has worked in more than 400 area crusades and revivals. He enjoys one of the most remarkable and successful ministries in the history of Baptist evangelism.

Stephen Leddy has a degree in Physical Education from the University of Texas and a Master of Divinity from Southwestern Baptist Seminary. He has served as youth and music director in churches in Austin and San Angelo. He composes and sings his own nothing except through songs, one of which is the hymn, "Worthy is the Lamb." MH/MR To Screen Children

The Child Development Center of Central Texas Mental Health/Mental Retardation Center in Brownwood has expanded its services to include Coleman, Comanche, Eastland, Mc-Culloch, Mills and San Saba counties.

A screening service will be provided every three (3) months for each county. Children from birth to five (5) can be screened when the mobile unit is in the county. Exact dates and times of screening will be published at a future time in your local newspaper.

Children will be tested in the controlled environment of a large "mobile unit". Children who are placed in the Out-County Program will be visited on a weekly schedule by Nancy Burnett, the Out-County Rehabilitation Teacher. She will work closely with the parents to reinforce objectives being

taught. The screening, which takes about 20 minutes to administer, evaluates the child's social skills (playing,

It's awfully dry in all parts of Eastland County. It seems our weather goes from one extreme to the other. In May and June we had record breaking wet months, but in July and August we have had less than 11/2 inches of total rain fall in most parts of the county. There will be six classes of hay one may enter - Alfala and other legumes, Coastal Bermudagrass, Sorghum-Sudan Hybrids and Forage Sorghums, Other Perennial Grasses, Oats and other Annuals, and Peanut Hay.

Due to the trend to more large bales the forage committee made some changes in the rules. An entry may be one regular size bale or one large bale. If a producer chooses he may enter a cross section of the regular bale, 6 to 8 inches in thickness, string-tied plus a three dollar fee for protein analysis. If he has the large bales he may enter a box of hay about 6 x 14 x 18 inches, a minimum of three pounds, plus a three dollar fee for protein analysis. An entire bale is entered there will be no testing fee.

Entries may be left at any feed store in Eastland County on or before September 10 or delivered to the county agent by September 14. Members of the forage committee will pickup entries if the producer will call the county agent.

often been racked with demonstrations, and many times it has been marked by riots. Not so in America. We celebrate by simply enjoying the fruits of our labors. This country was founded on the theory that a nation could be welded out of peoples from all sorts of backgrounds - provided they were willing and ready to work together.

It took labor of all kinds to carve this nation out of a wilderness. . . to cross treacherous rivers. . . to carve roads through trackless forests. . . to clear lands and build towns. . .

Labor Day is not a day set apart for any one group, but a day which all of us may celebrate. With this in mind, let us on this Labor Day rededicate ourselves to work to the best of our abilities - so laboring that we may pass on to the next generation a nation better and stronger for our having lived and toiled.

DOVE SEASON 1982 opened Wednesday and hunters were more plentiful than doves, according to reports. The hot and dry weather must have caused doves to leave our country for cooler and greener pastures.

Peoplenthings

One hunter we heard about getting a limit of 12 birds was Rick Whatley, CHS prof, and the Rev. David Adkins, pastor of First United Methodist Church, got a bag full. They were members of a hunting party out at the Bill Wright Ranch east of Cisco. Some members of the group didn't get many shots. Our scouts report that Sharpshooter Billy Wright, who is usually the first to get a limit, had only one bird in his bag at the end of the day .

Glad to hear that Judge Clvde Grissom of Eastland. one of our county's long-time good sportsmen and hunters, enjoyed the opening day outing and bagged enough birds for supper.

Shooting wasn't too bad down Rising Star way, reports W.E. (Dizzy) Dean of our town. Several hunters there were able to get a limit by staying until sunset. Hunting was best around stock tanks late in the day Shooting was just fair in the fly-way country just west of town, and birds didn't start coming in until late in the day, we heard.

OPENING DAY was the worst we have experienced in more than 30 years of observing dove season opening days. There just weren't any birds to shoot at . . . A bonus of the outing, however, was watching the antics of a pair of killdees, small wading birds that have a loud, shrill cry . . . And we saw a small flock of wild turkeys and a good many deer tracks . . . A dozen tiny quails and their watchful parents came in to the stock tank while she sat watching. They drank water and took a bath for several minutes before five horses came in to drink. The horses waded into water two feet deep or so and ate moss after drinking their fill . . . One of the horses, a pretty paint, came up to us and let us rub his nose.

Hunting wasn't all that bad out at Eddie McMillan's farm. The local insurance man and his East Texas

has some 15 per cent more students, reports Dr. Norman Wallace, president. All dormitories were full before opening day . . . You can register to vote in the November general election anytime up to 30 days before voting day, and they have registration cards at the Cisco CofC offices . . . The new face in the teller's cage at First National Bank this past week belonged to Mike Whitehead. She was moved up front from bookkeeping and was asked: "Do you like it as good here as in the
