

HALL OF REMARKS

BY HERREL HALLMARK

VARIOUS HONORS bestowed upon Cisco High School students at recent football games include the naming of Traci Lane as this year's Football Sweetheart during the pre-game activities of the Cisco-Seymour football game.

During last Friday night's game against Winters, Jason Potter was named as Pep Squad Beau during the pre-game activities and Shawn Fisher was named as Lobo Band Sweetheart during the half-time ceremony.

NOT A LOSS, but almost as disappointing was the 21-21 tie with the Winters Blizzards in last Friday night's football game here.

The Lobos will be trying for their first district victory as they travel to Baird this Friday to face the Bears in their second game of district play.

the precinct of residence. 5. Under certain circumstances, voters confined to jail may be eligible to vote absentee.

Every Texas House, Senate and Congressional seat is up 'or re-election this fall along with nearly every statewide office.

So it's especially important for all eligible voters to get to the polls on Nov. 2. Only 24 percent of those eligible voted in the May 1 Texas primary, the lowest in 30 years for a gubernatorial primary election.

GUEST SPEAKER Warren Newberry (left) is shown with Eastland County Farm Bureau president Ernest Reich at Saturday night's convention in Eastland's Siebert Elementary Auditorium. (Staff Photo)

THE EYE-BALL PATROL is ON DUTY and growing...Citizens across the county voluntarily are expanding the visual observation of law enforcement agencies and are reporting suspicious individuals and occurrences. It's a part of a county-wide effort to curb the sale and use of illegal drugs...Calls are going to local police departments, the sheriff's office and/or the District attorneys office.

All 13 LIVING members of the 1932 Carbon High School Graduation Class are expected at the Golden Exes Reunion at Carbon coming up. All live in Texas and are Robert Howell, T. G. Jackson, Duluth Black, Olene Brazzil, Maudene Brazzil, Oma Dee Guy, Frankie Lou Garrett, Morris Hampton, Ruth Richards, Nina Glea Richards, Loeta Robertson, Althea Tucker, Hazel Weaver and La Rue Ussery. Only O. T. Carroll is deceased.

The late Judge Frank Sparks gave the class commencement address and Dr. Cullam H. Booth, Presiding Elder Cisco District, gave the baccalaureate sermon when the class graduated in 1932. Wilard Trimble sang.

ELIGIBLE VOTERS for the Nov. 2 general election must have an orange (or salmon pink) voter registration card. Oct. 3 is registration deadline and that's a Sunday - so to register in person (if you don't have the right color card) go to the County Tax Office, (first floor courthouse, west) before 5 p.m. Friday (Oct. 1) OR have your voter application **POSTMARKED** to that office before Oct. 3. Tax Collector Nancy Trout (voter registra) will accept mailed applications postmarked before the deadline.

"All that is involved is filling out an application card available at the tax office," said Mrs. Trout.

Those who are 17 years and 10 months of age are eligible to register and may exercise the right to vote on or after their 18th birthday. Some 188,000 high school seniors should be eligible to vote in Texas this fall.

Everyone eligible to vote but unable to do so on Nov. 2 should apply at the county clerk's office to vote absentee. October 29 is the deadline for voting absentee in person while absentee ballots will be accepted in the mail as late as 7 p.m. November 2.

Any of the following conditions can qualify an individual to vote absentee:

1. Absence from the county of residence on election day.
2. Age 65 or older on election day.
3. Inability to appear at the authorized polling place on election day due to sickness, physical disability or religious belief.
4. Service as an election clerk or a poll watcher in an election precinct other than

Eastland Co. Farm Bureau Holds Convention Saturday

The Eastland County Farm Bureau held its annual convention in Eastland Saturday night, September 25, at 6 p.m. in the Siebert Elementary School Auditorium. Those attending enjoyed a barbecue dinner catered by Oscar's Barbecue of Cisco.

Guest speaker was Warren Newberry of Waco, chief administrative officer and business manager of the state Farm Bureau. He stated the Farm Bureau is the largest organization in the state with over 300,000 families as members. The five points of his talk were (1) agriculture is in a serious crisis, probably the worst since the Depression in the 1930's; (2) by the year 2,000 there will be major food shortages because farmers who cannot make a profit will be out of business; (3) the whole economy depends on agricultural exports; (4) Congress is not going to bale out the farmers in need, because only two percent of the population is actual agriculture producers and the other 98% will not be concerned with making them a decent living; and (5) the general consumer will have to pay larger portions of their income for food than in the past.

Mr. Newberry stated the rest of the world is eager to buy United States' agricultural products, but right now there are excesses of food stock-piled in America because they are not being sold abroad. He said if the Japan Market could be opened most of the excess food problems could probably be solved.

He stated American agriculture people have the ability to "feed the world" if they could make a profit. He implied, "If they can double our profits, we can double our production."

Two Carbon High School students were introduced and asked to tell about a citizenship seminar which they attended in Waco. Ann Allison and Susan Harris were chosen by the Farm Bureau as Eastland County's representatives.

In both of the young ladies talks, they emphasized the need for Americans to become more aware of their responsibilities for the freedom which they enjoy. They stated freedom in America is slipping away and they cited the fact of "voluntary prayer being prohibited in schools."

Farm Bureau president in Eastland County, Ernest Reich said next year's seminar representatives will be chosen from Rising Star.

Winters Blizzards Freeze Lobos In 21-21 Tie; Face Baird Friday

Cisco High School's Lobo varsity will still be trying for its first District 10-AA win this Friday, following a 21-21 tie with the Winters Blizzards last week, as Cisco travels to Baird to take on the Bears. Kick-off will be at 7:30 p.m. in Baird.

Junior High and Junior Varsity teams will be playing in Cisco against Baird on Thursday night. Seventh and eighth grade teams will be playing their first home game of the season with the seventh graders kicking off at 5:00 p.m., followed by the eighth and J.V. games.

Following last Friday night's tie with Winters, the Lobos season record now stands at 2-1-1 and their district record is 0-0-1.

The Baird Bears will also be looking for their first district victory since they were soundly defeated last Friday by the Albany Lions 42-12 before an Albany homecoming crowd. The Bears district record is 0-1.

This week's starting lineup for the Lobos will be about the same as last week's.

In last Friday night's game, the Winters Blizzards received the opening kick-off and on their first play Ronnie Lujano took the handoff from quarterback Jeff Butts and raced 15 yards for a first down.

On their second play of the game, Winters fumbled and Cisco's Mike Williams recovered for the Lobos at Cisco's 44-yard line. The Lobos went to work on their first scoring drive.

Cisco quarterback Randall Rattan handed off to Jason Potter, twice to David Seabourn and once more to Potter to net a first down and place the ball on Winters 45-yard line. QB Rattan then handed off to Brian Fleming who was stopped for no gain.

Student Report Cards Will Be Issued Oct. 6

Report cards will be issued Wednesday, October 6, at the Cisco Junior-Senior High Schools, it was announced.

and a Cisco penalty on the next play brought about a second down and 15-yards-to-go situation.

QB Rattan received the snap from center Bud Wood, rolled to his left and completed a pass to Larry Adams who was tackled at Winters 34-yard line. Runs by Potter, D. Seabourn and Potter moved the ball to Winters 30-yard line. In a fourth down and six yards to go, QB Rattan again hit Adams with a pass, this time for the touchdown.

Lining up for the extra point kick attempt, Winters jumped offside and received a penalty. The Lobos still tried the PAT kick by Kenneth Preston with Glenn Starr holding the ball. It was to one side and no good making the score 6 to 0 with 7:11 left in the first quarter.

Winters received the ensuing kick-off and started their first scoring drive from their own 22-yard line. QB Butts first used Dwight Hubbard to pick up five yards, and then Lujano broke loose for a 13-yard gain putting the ball on Winters 40-yard line. An incomplete pass to Lujano was made followed by a three-yard run from Hubbard. QB Butts then raced 55-yards on a keeper play for a touchdown with 5:10 left in the first quarter. The PAT kick by Lujano, with Butts holding, was good putting the Blizzards ahead 7 to 6.

The Lobos received Winters kick-off and started their second scoring drive of the game with their second possession of the ball.

Starting the drive from their own 23-yard line, QB Rattan handed off to Potter for a one-yard gain and then scrambled for ten yards on a keeper play. A handoff to Fleming gained two yards and a completed pass to Adams moved the Lobos from their 36-yard line to Winters 30-yard line. Runs by Potter, Fleming, D. Seabourn, Potter, Rattan and Potter moved the ball to Winters one-yard line. QB Rattan kept the ball on the next play and scored the touchdown with 38 seconds

left in the first quarter. An incomplete pass from QB Rattan to Mike Gallegos failed to get any extra points for Cisco making the score 12 to 7 in the Lobos favor.

The Lobos next scoring drive started on their own 11-yard line. D. Seabourn took the first handoff and raced 26 yards before being tackled. An incomplete pass to Adams followed and then Potter was dropped for a three-yard loss. On the next handoff Potter went around the left side and regained the three-yards loss plus an additional 47 yards, putting the ball on Winters 16-yard line. A run by D. Seabourn gained four more yards but then QB Rattan tripped and fell with the ball on the next play for a seven yard loss. A lateral to Potter picked up three yards bringing about a fourth down and 10 yards to go. Preston then booted the ball 28 yards through the goal's uprights for his first field goal giving the Lobos three more points. With 37 seconds left in the second quarter of the first half, Cisco took a 15 to 7 lead.

Cisco received the second half kick-off and started their final scoring drive of the game from their own 20 yard line. Potter gained four yards on his first run and Fleming picked up five. Potter gained another four yards and a first down while Fleming rushed for six yards. A lateral pass to Potter lost two yards, but he busted loose on the next play for 20 yards and another first down, putting the ball on Winters 43-yard line. A 19-yard run by Greg Fleming got a first down and Potter picked up one yard while Potter gained six. Potter then broke loose for a 17-yard touchdown run. The PAT kick by Preston was ruled no good making the score 21 to 7 with 7:30 left in the third quarter.

Twenty seconds later Winters side of the scoreboard lit up, when Hubbard rambled 65 yards for a touchdown on Winters first play following Cisco's punt. Trying for two extra points, QB Butts pass to Alfred

Yates was incomplete making the score 21 to 13 with 7:10 left in the third quarter. Cisco received the punt and four plays later, three yards from a first down, was forced to punt to Winters.

Starting the drive from Cisco's 46-yard line the Blizzards drove downfield on runs by Lujano, Hubbard and Butts until the ball was resting on Cisco's 10-yard line. A pass from QB Butts to Kent Billups netted the touchdown with 3:04 left in the third quarter. A run by QB Butts was good for two extra points making the final score 21 to 21.

Neither team was able to score in the remainder of the game, although Cisco drove to the two yard line early in the fourth quarter but fumbled the ball away.

On Cisco's next possession of the ball, the Lobos drove to the 17 yard line of Winters where Preston attempted a 30-yard field goal which was no good.

On Cisco's final possession of the game, QB Rattan hit Sipe with a 32-yard pass play. With four seconds left in the game, Winters took over possession of the ball when Cisco's drive stalled on the Blizzards 30-yard line.

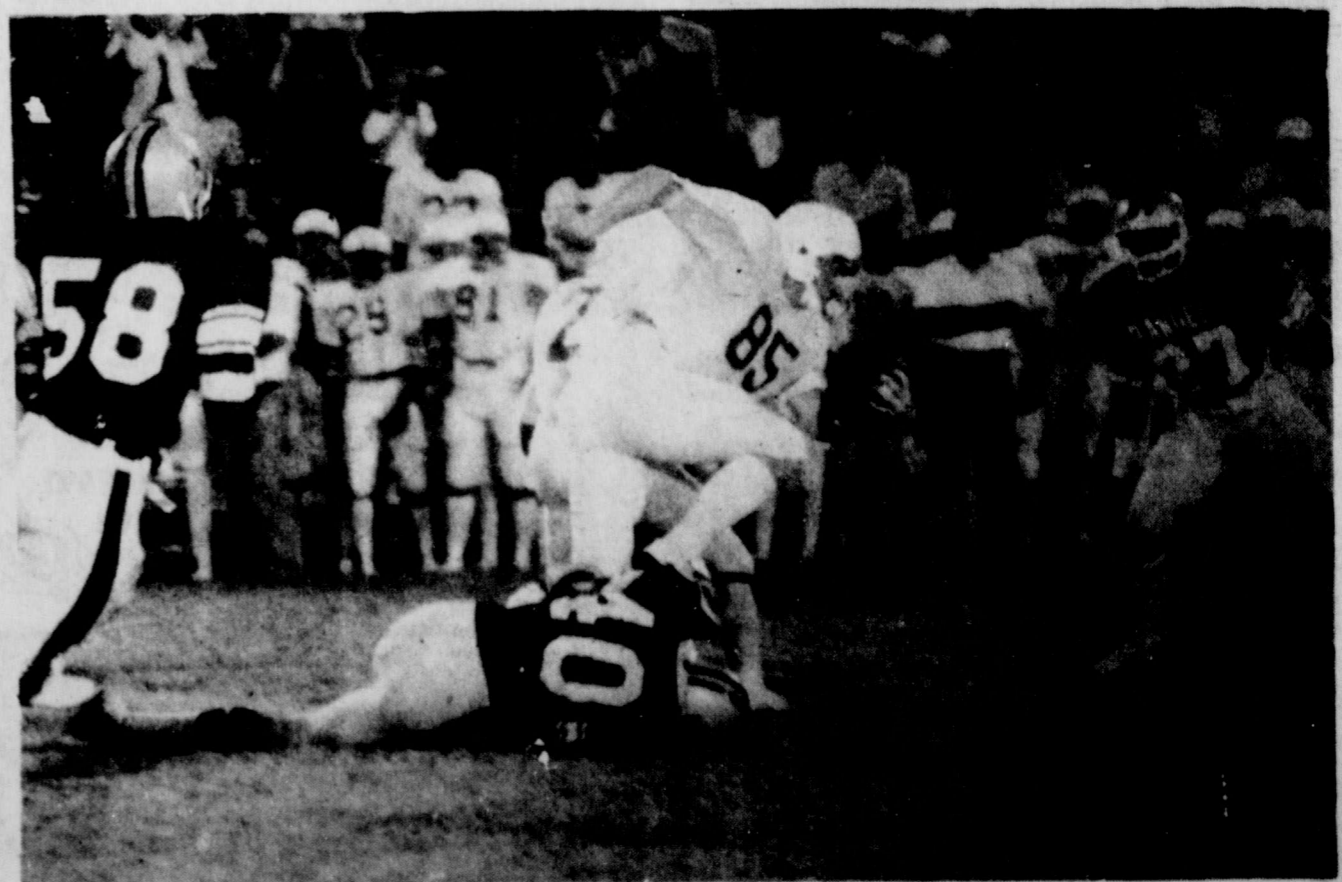

Standouts on Cisco's defense were Randall Rattan, Mike Williams, Franky Seabourn, Jason Potter, Doug Hendricks, Brian Fleming, Mark Petree, Sean Manire and Mike Gallegos.

Defensive standouts for Winters were Jeff Butts, Greg Gueverra, Dwight Hubbard, Ronnie Lujano, Don Kvapil, Kevin Busher, Jeff McDorman, Paul Trevino, Kent Billups and Perry Bedford.

STATISTICS

First Downs:	Cisco 19, Winters 16

New inside and out downstairs, upstairs needs to be finished, have already purchased new fixtures for bathroom upstairs, also have new central air and heat ready to install. Sits on plenty of ground and already financed and will pay out in six years. This is a bird's nest on the ground as the owner has to leave town.

Near new, three bedroom brick, this is a very attractive dwelling, it is roomy, they did not skimp on material when it was built, has electric garage door lifts and etc.

Owner lives out of town and needs to sell attractive frame dwelling with lots of room, and very well worth the money.

We have sold several conservative type houses and here is another very livable frame dwelling on paved street, priced to sell.

A place you will like, situated very good and you will like the way it looks with possible owner financing.

One, two-story frame dwelling priced right, good location.

One, two-story brick you will need to see to appreciate.

Another two-story frame that most people would like to own.

Three bedroom brick with extra ground to go with, owner financing.

80 acres very good land, no minerals and priced to sell.

Look, we have 10 to 15 other houses, commercial buildings, mobile homes, you name it, we may have it and cannot afford to advertise them individually.

We are getting the property and we are selling it, so come on in or call.

Extended family eroding

Seven characteristics identify high-risk adolescents

By Stephen Newman
ACCORDING TO Steve Glenn, times have changed.

"Those of us who are raising children in the 1980s are a generation of urban pioneers," Glenn recently told an audience of parents and drug abuse prevention professionals in Charlotte, North Carolina.

"We are the first generation that is trying to raise children without the support of grandparents, cousins, aunts, uncles, and other relatives. Without that support system things are a little different."

"This is also the first generation where kids have no particular role to play in the economic functioning of the family."

"If you bottle up a young person's energy and it has nowhere to go you get some craziness."

Dr. H. Stephen Glenn is the director of the Family Develop-

ment Institute in Washington, D.C. For the past several years Glenn has been travelling throughout the country talking to parents and other concerned adults about developing capable youth. During the past 12 months alone Steve Glenn has conducted workshops on strengthening the family and developing capable young people for 142,000 parents and teachers in 46 states.

The loss of the neighborhood family support system is not the only change that Glenn identifies as having occurred over the past 30 years.

In the 1930s parents and children interacted with each other for an average of two and a half hours per day. By 1978 that average time of interaction had shrunk to just 14 1/2 minutes. In the 1930s children were raised with one system of values. Today children are exposed to a wide range of differing value systems. In the 1930s children grew up

involved with the activities that they would participate in as adults. Today's adolescents do not receive the same kind of on-the-job training for adulthood.

In the 1930s there was not nearly the emphasis on the young person's peer group that there is today.

And, in the 1930s, the economic and social life styles of Americans were such that young people experienced the logical consequences of their own behavior. Today it is not unusual for adolescents to be protected from those consequences and therefore not experience them.

Steve Glenn argues that these changes have produced some disastrous results.

Youth related violent crime is up. Adolescent suicide is up. Alcoholism and drug dependency among adolescents is up and teenage pregnancy is up.

"The two leading factors in this increase in youth related problems," says Glenn, "are first, the lack of status in young people's lives. They don't have a sense of their significance. They do not see their lives as having meaning or purpose. Second, young people today are receiving inadequate training to meet the expectations of the future."

"All children arrive high risk," Glenn continues. "We need to move them away from that. We all arrive with an empty toolbox. The most capable of all forms of life is born the least capable."

Specifically, Steve Glenn presented seven characteristics of high risk adolescents during his Charlotte talk.

First, the high risk individual has a weak identification with viable role models. Second, he or she has a weak identification with, and sense of responsibility for, the family process. Third, the high risk individual has a strong faith in miracle solutions. Finally, the high risk individual has inadequate intra-personal skills, inter-personal skills, systemic skills (responsibility, flexibility, adaptability) and judgmental skills.

"The goals of prevention, intervention and or treatment activities," Glenn concluded, "should be to address these three perceptions and four skills."

"Efforts need to be made to strengthen the young person's identification with viable role models, strengthen his or her identification with and responsibility for the family process and strengthen his or her faith in his or her own problem solving ability. And you need to work to strengthen young people's intra-personal skills, inter-personal skills, systemic skills and judgmental skills."

"Young people need decision making skills and knowledge. They need a process by which they can combine the information that they have with healthy decision making. Then they can

turn knowledge which is static into wisdom which is active."

Not only are parents spending significantly less time with their children but, according to Steve Glenn, most of that time is spent lecturing, threatening and correcting.

"You need a dialogue for values to develop," states Glenn. "Dialogue develops maturity in kids. Role playing with your child can provide social inoculations. It's not your child's commitment, it's his or her perception of a response in a particular situation. It's not as important that your children know the parents' position as it is to work out what their position is in the presence of the parental position."

One recent development which is attempting to address a number

of the problems that Steve Glenn has identified is the growth of the grassroots anti-drug abuse parent movement. Kay Webb, the coordinator of the Alabama Families in Action, an anti-drug abuse parent organization, spoke at the same Charlotte conference.

"We are trying to recreate a caring community for our children. We are doing that by getting to know the parents of our children's friends," she said.

"When I first became involved in the parent movement my primary concern was prevention. It still is prevention. I think that's where the key is."

"Before we got organized we tended to leave raising our children to other people. And blame them for our kids' problems."

CRIME STOPPERS

The polling place is the heart of our democracy. Here, with a ballot, the people of Texas select the leaders of their government. As voters, they have the right to choose the men and women who make and enforce the laws of the State, levy the taxes, and decide how those taxes should be spent.

The voices, opinions, and influence of the voters of Texas are all recorded at the polls — with their vote.

But their vote can be stolen, as surely as a thief can steal their property, through an act of criminal vote fraud or coercion. If our elections can be corrupted through fraud or coercion, the valuable freedom of choice we have will be lost.

For the month of October, 1982, the Texas Crime Stoppers Advisory Council is focusing its statewide "Crime of the Month" on vote fraud and coercion. If you have information on this criminal activity, please call the anti-crime hotline at 1-800-252-TIPS (8477). Cash rewards are available for information leading to arrest and felony indictment of those who would, through fraud or coercion, attempt to set aside the voting process. Citizens do not have to reveal their name, just give their information, and they will be given a unique code number for identification purposes.

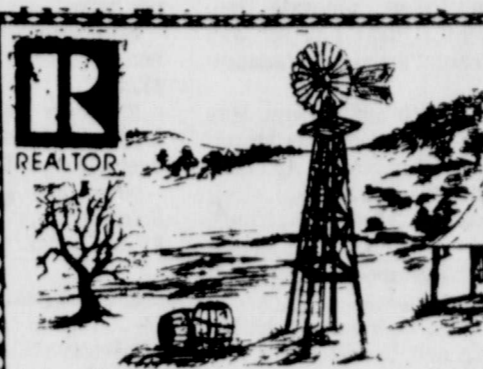

Help your election officials protect your vote, call 1-800-252-TIPS today.

Bass Club Report

Terry L. Wilson

Time has swung around again for our annual Eastland County Bass Club Invitational Tournament, Sunday October 3, 1982. Our headquarters shall be at the

Lake Leon Damn. Registration will open at 5:00 a.m. and close at 8:00 a.m., Sunday. This is an open tournament and everyone is invited to come out and fish with us.

Weigh in will be from 2:00 until 3:00 p.m. at the Damn. We shall also, as usual, have a junior division again this year. 14 years or younger may fish free if fishing with a paid adult contestant. Trophies will be awarded in the junior division only.

Reports from Leon are very good with 3 fish stringers from 3 lbs. to 11 lbs. Many fish under 14" are being caught with some nice larger fish coming up occasionally. We are looking forward to having a fine tournament this year and we hope to see you with a bag full of fish at weigh in Sunday. Good luck & good fishing.

Our prize structure shall be 1st Place \$250, 2nd Place \$150, 3rd Place \$100, plus merchandise! Entry fee will

Make It With Wool Contest Nov. 20

November 20 has been set aside as the 40-county District 5 "Make It Yourself With Wool" contest to be held at Texas Woman's University.

Interested contestants may receive an entry blank from home economics departments, county extension agents, fabric shops, or by contacting the district director, Mrs. Joe "Topsy" Jackson, Rt. 3, Box 145, Ranger, Texas 76247 or Ms. Loretta Hickey, Consultant: Homemaking Educator, Plano Independent School District, 1517 Avenue H, Plano, Texas 75074.

Age categories, determined by age as of December 31 of the contest year, are Pre-Teen (10-13), Junior (14-16), Senior (17-24) and Adult (over 24). Preteens compete only at the district level and adults are not permitted to advance beyond the state competition.

State competition, also to be held at TWU, will be held December 4. This match will include the adult, senior and junior winners from each of the seven district contests in the state. The senior and junior winners from the state competition will advance to the national competition in Oklahoma City in January.

For the Texas contest, competitors will be vying for such prizes as a sewing machine, lamb pelt rugs, wool rugs, wool and mohair fabrics, scholarships, sewing accessories and expense-paid trips.

The competition is sponsored by the American Sheep Producers Council and the Texas Sheep and Goat Raisers Association.

head-on By Ray Boyd

DRUGS

One of the main causes of the usage of drugs is idleness. It is so important that youngsters are kept busy.

Since this area has no community center, we first need to get one going in order to help combat the use of drugs.

Each and every parent needs to educate themselves in the detection of the usage of drugs and the best methods in combating its usage.

Now let's don't just sit around and let this Community Center die on the vine; it has surely been needed for a long time, with one we would not be among the top counties from a usage stand point.

Write the editor of the paper your ideas on how we should go about getting this thing off to a good start.

We certainly are going to need the help of everyone in the county. Now that our leaders have provided us with the information about high drug usage, lets all lend a helping hand and join the "WAR ON DRUGS."

Let's have a planning session and set up committees from each community, since some already have boys clubs or some other facility going already. This is a county wide battle.

For the pride of our communities and the pride of our children, let's get involved in this much needed community center and the "WAR ON DRUGS".

Parents, you don't dare not to become involved.

**REPORT FROM
SECRETARY OF STATE
DAVID A. DEAN**

Elections Update

The Secretary of State's Office will undertake vote tabulation in primary and general elections beginning with the November 2 general election. The Texas Election Bureau (TEB) has unanimously voted not to tabulate results for the upcoming general election and instead supports a merger of experience and expertise with the Secretary of State's Office.

The TEB, a non-profit corporation formed in 1934, is to be commended for filling a major void left by the State, however, the time has clearly come for the State to take on the statewide vote tabulation process. The proposal is supported by Governor Clements, Lt. Governor Hobby, Speaker Clayton, and State Representative Gib Lewis. In addition, Representative Lewis has agreed to be the House sponsor of legislation to institutionalize the vote tabulation process in the Secretary of State's Office.

As the Chief Election Officer of the State, responsibility for ensuring uniform administration of Texas' elections and election laws is vested with the Secretary of State's Office, and to that end, prompt statewide election returns in a quasi-official manner will reduce the opportunity for election fraud and post-election electioneering. I am confident that with the support of the Texas news media, the support of the Texas Election Bureau's Board of Directors, and the state's

county clerks, the state-sponsored vote tabulation project beginning with the November 2 general election will be a successful undertaking and serve to ensure that opportunities for election fraud are minimized while information flow to the voters, candidates, and news media is maximized. Clearly, Texas voters and candidates must have full confidence that their votes will be properly counted and officially reported in the most timely manner possible.

The current membership of the Board of Directors of the Texas Election Bureau and three additional representatives of the news media have been asked to serve in an advisory capacity to the Secretary of State's Office in this project with particular emphasis on developing the format of the election returns to be reported on November 2, 1982. The expertise and experience of the TEB Board members will ensure that the needs of the Texas media are well served and represented. Considerations for expanded and specialized services to the news media such as coverage of Texas House and Senate races and regional breakdowns of statewide races are being fully assessed and analyzed for implementation. The Task Force will be convened in Austin on September 8, 1982 to review and take action on a Secretary of State Election Central operation manual.

The County Clerks of Texas have also been asked to assist the Secretary of State's Office by reporting county vote totals to the Secretary of State's Office on election night. Clearly, the support of these officials is essential to the success of the project. In addition, volunteers from the Secretary of State's Volunteer Inspector program will be utilized to report vote totals to the Secretary of State Election Central.

All Texans not currently registered to vote are encouraged to do so by October 3, 1982, in order to vote in the November 2 general election. To obtain a voter registration card, contact your county Voter Registrar or call the Secretary of State's Office toll-free at 1-800-252-9602.

**Mangum Church
Singing Thurs.**

There will be a special program of gospel singing and instrumental music at the Mangum Baptist Church Thursday Evening, September 30 at 7:00. To reach Mangum Baptist, drive six miles south of Eastland on Highway 6, then turn right and go two miles.

**Nursing Students
Select Officers**

The Cisco Junior College Vocational Nursing students selected officers for the class of 1982-83. The officers are: John Rodriguez, president, Eastland; Beverly Naylor, vice president, Cisco; Cynia Trice, secretary-treasurer, Cisco; and Juanelle Black, librarian, Cisco.

bring instruments, or simply sit back and enjoy the inspirational music. The Church has this community musicale the last Thursday evening of each month.

The Eagle Award is being presented to Ray Wright (R) by his area manager Joe Gosch (L). Mr. Wright, who became a Woodsmen of the World Life Insurance representative on June 1, is being honored for being the top field representative in the state with the most issued insurance last month.

Marusak/Rocha Speak At DAR Meeting

In celebration of Constitution Week, the historical organization of the Daughters of the American Revolution, Charles Crawford Chapter, held a special meeting Monday, September 27 at 2:30 p.m. This meeting was held in the auditorium of Ranger Junior College.

Dean Leonard Marusak was special speaker, sharing the podium was Maria da Rocha, instructor at RJC.

The meeting opened with Mrs. J.F. Francis welcoming the large group to guest day of the DAR. She recognized the high school class from Ranger High School. She then introduced Dr. Jack Elson, president of Ranger Junior College.

Dr. Elson greeted the group and said he was very glad to have them meet in Ranger and proud to have them at the college.

Mrs. Harold Durham played the piano for all to sing "America the Beautiful." Then the Chaplain of the Charles Crawford Chapter, Mrs. W.W. Wallace, gave the invocation.

Mrs. Joseph Perkins, Chapter Regent, gave some background information on the DAR and then introduced Dean Marusak.

Marusak stated he taught American History for 16 years at RJC and one of his favorite periods was at the time of the writing of the Constitution. He said "we the people" must mean us, as the

truths remain the same today.

After giving some of the differences he would make in classroom teaching today, Marusak introduced another qualified speaker, Maria da Rocha. She teaches History and Spanish at RJC. She graduated from high school in her native Brazil. She received her Masters degree in History and a Masters

degree in Spanish from Texas Tech University.

She gave an interesting and informative talk covering some of the differences in the constitution of the United States and that of

Brazil and other countries. "Other countries have a democracy...but when all action is compulsory...then it is not a privilege as in America," she said. "Changes for the better can come only by using wisely the power to vote," she concluded.

News From The Center
By Mae Green

On September 5th and 6th, the Jerry Lewis Telethon was at the Nursing Center.

Our receipts for pledges and donations amounted to \$595. Thanks to all of you for your contributions to this worthwhile cause. Volunteer operators for the telethon were Eva Humphreys, Shirley Green, Christine Reich, Betty Hastings, Vena Hart, Carla Bersheer, Mildred Geist and Dorothy

Thompson.
On Thursday, Sept. 14, at 7:00 p.m., Roland Smith visited the Center singing the residents favorite country and western songs and hymns of faith. Roland was accompanied by Paul Norris

of Gorman on the guitar and Wanda Rainey of Carbon on the piano. Many of our friends from the community were present. You are always welcome to attend any activities.

On Wednesday, Sept. 15, at 2:30 p.m. a birthday party for William Clark was hosted by Claudette Mellette and other members of the Clark family. All residents were treated to delicious cake and ice cream. Birthday honorees for September were William Clark, Allene Carter, Maude Harrison, Ida Mae Collins, Joe Coats, Minnie Nelson, Cora Lee Copeland and Henry Swindle.

On September 22, a bake sale was held at the Center by volunteers, staff, family members and friends who donated items for the bake sale. The proceeds are going to the purchase of a P.A. system. Thanks to you we are now able to purchase this system. The residents will thoroughly enjoy this much needed item. Thanks to all of you for responding to our need for flower pots. We now have enough to take care of

all our plants.
Thanks to Philpott Florist for sending the beautiful carnations to the nursing center. The residents love to see and smell the flowers.
All the nice things you do for our residents are appreciated very much.
Your kindness and love toward our residents remind me of the words Jesus spoke in Matthew 26:40--"Verily I say unto you, inasmuch as ye have done it unto one of the least of these my brethren you have done it unto me."

Moran News
By Mrs. Luke Huskey

Friday evening, in Moran. Fonda Finn of Temple visited with her grandparents, Mr. and Mrs. Jack Moore Sunday evening. Fonda was on her way to Rochester, where she teaches in the Rochester School System.

Mrs. Elma May Huskey accompanied her nephew and wife, Mr. and Mrs. Bill Dunaway of Fort Worth on a vacation trip that took them through seven states, making interesting stops enroute.
Funeral for Jack Crayton was held at the Bethany Baptist Church in Breckenridge Monday at 10 a.m. with burial in the Electra Cemetery. Mr. Crayton passed away at his home

Funeral for Claud Patterson of Hooker, Okla., and a former resident of Moran will be held at the graveside in Moran Cemetery Wednesday at 10 a.m. Mr. Patterson passed away Saturday in Hooker.
George Edward Huskey, better known as Skipper, graduated from West Texas State University in Canyon on August 14. Skipper majored in Computer Science.

He is the grandson of Mrs. Alvin Huskey.
Monday night, October 4, will be a regular meeting night for the American Legion and Auxiliary. All members of both organizations are urged to be present for the meeting. If you can't come to the pot luck supper, come for the meeting.

Thursday, September 30, 1982

PUBLIC NOTICE

In compliance with Sec. 43(a) of Art. 1446c, V.A.C.S., West Texas Utilities Company hereby publishes NOTICE that it has filed, on September 13, 1982, its Statement of Intent to make changes in its retail rates charged for electricity and services sold and rendered inside and outside municipal jurisdictions, such proposed changes to be effective October 19, 1982. Such Statement of Intent includes the proposed revisions of tariffs and schedules and a statement specifying in detail each proposed change, the effect the proposed change is expected to have on the revenues of the Company and the classes and numbers of utility customers affected. Systemwide retail adjusted annual revenues are expected to be increased 9.4 per cent by the new rates. Statements of Intent were filed with the Public Utility Commission of Texas and with the following municipalities:

Strake Talk

FROM YOUR NEXT LT. GOVERNOR

This may be my last column in this series. We began this column ten weeks ago, hoping it would be a success. And judging from the response of the readers, I would call it an unqualified success. The mail has been very favorable. The columns that drew the most response were those dealing with education of our children, the property tax issue, and the issue of Mr. Hobby raising funds for the ACLU to use in that organization's crusade against prayer in schools and in defense of pornographers. I have made a point in these columns that Texans need a Lt. Governor who is in touch with the people he is supposed to serve. Mr. Hobby is clearly out of touch with the thinking of Texans, and, in my opinion ought to be retired. Mr. Hobby's lack of understanding can be illustrated. Texans are overwhelmingly in favor of President Reagan's efforts to transfer power and responsibility back to the states. I agree that Texans can do a better job for Texas than Washington can. Mr. Hobby disagrees. The vast majority of Texans do not believe they ought to be forced to pay for the education of the children of illegal aliens. I have compassion for these children—but I must confess that I care

91st DISTRICT COURT GRAND JURY REPORTS TO EASTLAND COUNTY

TO THE RESIDENTS OF EASTLAND COUNTY:

The current session of the grand jury met in special session to hear testimony regarding the illegal drug traffic in Eastland County. After carefully considering all testimony presented, we concluded that a serious county wide drug problem now exists. We believe it is our duty and obligation to so inform each of you.

We are not aware of a quick and easy solution to the problem, but believe the first step is to make all residents realize that a problem does in fact exist. We ask each and everyone to become actively involved in helping find a solution, and encourage everyone to cooperate in the apprehension and conviction of the individuals involved. In addition, we encourage each succeeding grand jury to review the situation and evaluate any progress made.

The primary beneficiaries of our efforts will be our children and grandchildren. However, if we continue to ignore the problem, hoping it will go away, some of our children will be harmed and eventually we will all suffer the consequences.

Eastland County Grand Jury

POST OFFICE BOX 527
EASTLAND, TEXAS 76448

September 14, 1982

TO THE CITIZENS OF EASTLAND COUNTY:

Drug traffic can be stopped in Eastland County. I have been working with the Grand Juries of Eastland County for some time regarding the drug problem in the county because it is evident that the problem is getting worse. Several years ago, a jury assessed a 99 year prison sentence for delivery of a marihuana cigarette and that sentence scared the dope pushers. Afterwards, the Texas Legislature reduced marihuana possession of less than 4 ounces from a felony offense to different misdemeanor offenses, depending on the amount possessed.

When the state legislature reduced the possible penalties of various drug offenses, it appeared that the public became somewhat apathetic about the drug problem. There are some who contend that smoking an occasional marihuana cigarette is no worse than a youth drinking an alcoholic beverage. That contention is incorrect. In the first place, it is not in the best interest of a youth's health and development to drink alcoholic beverage or occasionally smoke "pot" because of the possible consequences and long term effects. In the second place, seldom, if ever, does a person go from alcoholic beverage consumption to "speed", LSD, heroin or other strong drugs, but it is certainly not uncommon for a person to go from smoking "pot" to harder drugs.

Ten years ago, drug usage existed primarily among those persons in their early twenties or older. Today, we are seeing drug usage in teenagers. Within the last year, we have committed youths, as young as 13, to a state institution as drug addicts. You do not have to wait until your loved one or friend is arrested for drug usage to ask for help. There is no such thing as an innocent experiment with drugs because any usage of drugs creates a potential for further usage with the ultimate probability being addiction. In fact, the State Bar of Texas has developed a program to warn pre-school children how to avoid the dangers of marihuana and other drug usage and this program is being given to pre-school children in various parts of the State.

Fortunately, a majority of our Eastland County youth know and realize the dangers of drugs; nevertheless, anytime a person, regardless of age, becomes involved with or addicted to drugs, not only is that person affected but also his or her family and friends.

The various law enforcement officers and school officials are concerned about the drug problem; however, there are certain high court rulings which make it difficult for the law enforcement officers to be as effective as they would like. Consequently, I am glad that the citizens of this county are becoming more aware of the drug availability in the county and are willing to become actively involved in the "war on drugs". Any help that any citizen can be is welcome and gratefully appreciated. Too, the assistance and involvement of any citizen may help save another person from the physical, mental and financial problems that do result from drug usage.

Please help in the "war on drugs"; the life you save may be one you know and love. You, the mother, father, loved one or friend of a young person, can help stop the drug problem by becoming familiar with the various warning symptoms of potential drug usage. For instance: Do you know where your child is tonight?

Very truly yours,

JOHNNIE W. MORREN

Sheriff, Eastland County
P.O. Box 748
Eastland, Texas 76448
Residence 629-2951

Dispatch 629-1728

To The Citizens of Eastland County:

Mr. O'Brien, Editor of the Eastland Telegram, has asked that I give this letter in regard to marijuana and drug use in Eastland County. This unquestionably is the single most important danger in our community. Marijuana and drug use must be supported by money. The only way users can obtain money is by committing theft, burglary, robbery and other crimes.

The single most dangerous myth in our country today is that marijuana is a harmless drug. This myth is based largely on research done in the late 60's and 70's. Scientist now know that marijuana is an insidious, subtle and very complex substance, and that moderate to heavy use can damage the lungs, alter the structure of brain cells and produces serious psychological and psychosocial effects. Some would argue that the use of marijuana does not lead to the use of other more dangerous drugs. This simply is not so. For example, it has been proven in other areas that among the 50% of high school seniors who smoked marijuana 43% used one or more additional illegal drugs. Among youngsters who don't smoke pot, the use of other drugs is unknown.

Throughout the State it is shown that during the last three years the age for marijuana use has steadily decreased. In many communities eleven is the average starting age.

I sincerely feel if we can stop this before it is introduced to the school children, by this I mean beginning at the elementary level and nipping it in the bud before it gets out of control with our teen-agers. Marijuana leads to the use of other drugs such as "crystal", "kitchen crank", and other drugs being sold that in many instances the seller has no idea what he is selling.

I want the parents to realize that my office wants to help. When we have the cooperation of the parent and it is brought to our attention as soon as any indication is shown that the child is using any drug, we can help. There are facilities that we, through recommendation or through the courts, can obtain and affect the healing and curing of the use of the problem. There is excellent counseling available as well as the Vernon Drug Center for teen-agers. We have been able to help a great many of our teen-agers by assisting them in becoming involved in the counseling and or getting them admitted to Vernon's Drug Center.

My hope and I believe the biggest step that I can take towards stopping this abuse is by a one on one relationship with the young people through the school system by having a deputy working specifically in the preventative stage by visiting our schools throughout this County on a daily basis. The fact that an officer is around, available not only to the school but to the students, will do more toward curtailing and stopping the use of marijuana and drugs among our school children and the community than all of the arrest and convictions combined.

In short, I believe in preventative enforcement. That takes cooperation from each one of us. If you feel your child is involved or has a drug problem, please call me, let me try to help.

Sincerely

Johnnie W. Morren, Sherriff
of Eastland County

Oil Is Where You Find It...

.....so sayeth the oilmen. So is love, happiness, success and all of the other elements that make up our lives. Where do you go to find title information? Not on the street corner or the barber shop or any other place except in an abstract office. Yes, we have it, compiled, indexed and assembled daily, from the very beginning down to the present time, plus years of experience and training. Visit us soon and let us have an opportunity to serve you.

Eastland County Abstract Company

Pat and Annette Miller 629-1077

EASTLAND Petroleum Land Services Co.

A Division of Texas Petroleum Land Services Companies
 will lease your minerals

If there is enough merit to justify drilling FOR THE OIL OPERATOR, we also offer mineral title search, complete leasing services, and all phases of curative work.

For the land owner: If you don't know how many minerals you have or whether or not you own the leasing rights, we will run title on your tract and give you a proper land man's Title Letter to set forth the facts of title as we find them in the Records of Eastland County - and all our services come at a price you can afford with professional quality you can depend on. We also have some qualified drilling deals.

THREE POINTS-Vince Oldag, (29) of Ranger Junior College, boots a three point field goal during the Benefit Bowl held in Breckenridge against Cisco Junior College. The Saturday night game which was sponsored by the Lions Clubs of Albany, Baird, Breckenridge, Carbon, Cisco, Clyde, Eastland and Ranger saw the RJC Rangers win 10-6.

Rangers 10, Wranglers 6 In Lions Benefit Bowl

By Bill Roberts

When the Cisco Junior College Wranglers line up against the West Texas State University Buffalo Junior Varsity at 2 p.m. Friday at Chesley Field they'll be trying to forget.

Last Saturday at Buckaroo Stadium in Breckenridge, the Wranglers knocked on opportunity's door several

times. It got a little bent, but it never would swing wide open for the "Big Blue Crew."

The result was a battered door—and a 10-6 victory for the Ranger Junior College Rangers. It was the second straight victory for the Rangers over the Wranglers and the 13th in the last 15 games.

"We were disappointed," CJC head coach Bob Keyes said following the game. "We were disappointed in that we felt like we should have won."

Naturally, one might think that's just a coach's excuse, but the statistics, the mistakes and the "bounce of the ball" may just bare out what Keyes says.

"We made some key mistakes," Keyes reflects, "but, defensively, we played very, very well. And penalties really hurt us."

Throughout the game, the Wranglers had opportunities to pull out a victory, but mistakes and penalties continued to show up, not to mention the Ranger defense.

Ranger, playing the game without the services of head football coach Jerry Trice, who was out-of-town attending the funeral of his father-in-law, limited the Wranglers to only 65 yards on the ground—but the airways were filled with Johnny Yglecias-thrown passes.

Yglecias almost doubled his passing statistics for the year, completing 16 of 36 passes for 215 yards and playing what Keyes called probably "his best game of the year, so far."

The Waco sophomore added another seven yards to his game production, but he watched as four other of his passes were dropped during the game. He also had one interception.

Defensively, the Wranglers were able to contain the Rangers time after time, but once, with the help of quarterback Mike Holley, the Rangers managed to be the only team on the field to find the end zone for six points.

That tally came following the 12-yard return of a Stan Davis-launched punt. RJC did all its scoring in the second quarter.

Leading 3-0, Holley

climaxed a seven play, 38 yard drive by scrambling in to the end zone from the five. Vince Oldag's extra point gave the Rangers a 10-0 lead with 7:35 left in the first half.

It was Oldag's 31-yard field goal that had put the Rangers on the scoreboard first with 13 minutes left in the opening half. Those points followed a drive that took 10 plays and began at the Ranger 37. A Bryan Rosenblum-Jim Kirk pass covering 39 yards provided most of the thrust in that scoring drive.

CJC was penalized 154 yards during the game, including at some very unopportunity times. At least three of those times resulted in first down plays being rubbed out on holding violations.

Wrangler placekicker Kioumars Rezaie was the only team member to put points on the scoreboard, kicking two field goals (28 and a 27-yarder).

"Overall, we probably played Ranger better than we have in five years, since I've been here," Keyes recalls. "We played well, we played hard. We've got five more games, though, and we're surely not going to let down."

One of those games, as mentioned, comes up Friday afternoon and there will be an ironic twist to that one. Three of the assistant coaches have played football under Keyes in the past.

Craig Shores played for CJC in 1978-79 and then served as a student coach in

1980-81. He serves as offensive coordinator for the WTSU JV. John Graser, who played for CJC in 1978-79 also, is a graduate assistant working with the defensive line. Joe Hicks, a graduate assistant working with the defense, played for Keyes when he was coaching at Amarillo High School.

Bill Anderson, who served as head coach of the Wranglers until after the 1981 season, is working with the WTSU varsity now.

The JV Buffaloes are 1-1 for the season, with a 20-17 loss to the Air Force Academy's JV and a win 31-7 over the Panhandle State University JV Sunday in a Lions Club Benefit Bowl game similar to the CJC-RJC game Saturday.

Friday's game has been dubbed Senior Citizens' Day, with all senior citizens being able to get into the game free. Keyes said the Friday game was necessary because the WTSU varsity

has a Saturday game and with the JV playing Sunday, another day would help both teams in preparing for the game. It was originally scheduled for Thursday night.

STATISTICS

Photographers Urged To Enter Pictures In Eastland County Fair

Attention Amateur Photographers: (Residents of Eastland County)

This is to remind you to get busy and send your negatives off to be enlarged to enter in the Eastland County Fair. The format for amateur shutterbugs is 8X10. Your prints must be mounted on mat board or heavy cardboard.

Here are the categories in which you may enter:

1. Action
2. Animals
3. Children
4. Reflections
5. Still Life
6. Nature
7. Miscellaneous
8. Creative (A composition created by using props, double negatives multiple exposures, nite photography, and/or portraying texture.)

In the eight categories listed you may enter three prints in color in each category plus three prints in each category in black and white.

There will be a combined SPECIAL CATEGORY: AMATEUR VS. PROFESSIONAL PHOTOGRAPHERS, using compositions of windmills and or oil rigs and oil related portraits. Format 8X10, 11X14 and 16X20. No Limit on prints to be entered in this category.

Professional photographers, we are looking forward to your entries. The professional photographers inspire the amateurs to be creative and experimental in lighting and composition. As amateurs we appreciate your experience, and the beautiful images you create on film.

The format for the professional categories will be 11X14. They are:

1. Wedding
2. Nature
3. Commercial Product
4. Portrait

Entries will be accepted on Oct. 20 between 10:00 a.m. and 7:00 p.m. The judging will commence at 7:30 p.m. Oct. 20 The public is invited to watch the print judging. After the judging, ribbons will be displayed and there will be a drawing for prizes. A professional photographer will assist in constructive critique on any print where this is desired.

A charge of 50 cents per print will be collected at the time of entry. Monies collected will be applied to a photographic award.

Prizes will be awarded to competing photographers on "the drawing basis", an out-of-the-hat system. So far, prizes are: a photograph album, a Party Time Polaroid Camera, a cash donation, ten rolls of film to be processed and printed, and a family-sized pizza. Donors' names will be posted in the Photography Book at the Fair.

World Mission Conference

Seventeen area churches of the Cisco Baptist Association will be participating in a World Missions Conference during the week of October 3-10.

This is the first conference of this nature to be held in this area in some twenty years.

Nine missionaries will be leading in the conference. They will be representing the foreign mission, home mission and state mission work of Southern Baptists in Texas, America and around the world.

All meetings will be held in the participating local churches with the missionaries rotating from church to church.

The missionaries will familiarize the churches with the work being done on the various mission fields and challenge individuals and churches to become more personally involved in and supportive of mission work.

The conference will be in keeping with Southern Baptists' Bold Mission Thrust which has the goal of presenting the gospel to all the world by the year 2000.

The missionaries who will be present for the conference have a wide range of experience and come from varied backgrounds.

Mary Summers, missionary to Brazil, is working toward her doctor of musical arts degree while on furlough here in the United States. Her current assignment is that of professor of voice and other music subjects at the Baptist Theological Seminary in Recife, Brazil.

William Swank is a Home Mission Board appointee who serves as Baptist Family

Services and Inner-City Work Director for Tarrant Baptist Association in Fort Worth.

Mr. and Mrs. Lehman Webb are mission associates of the Home Mission Board and serve in directing Church Extension work in the state of Arkansas.

Elmin Howell of Mesquite, Texas works with the Baptist General Convention of Texas in state missions and serves as the coordinator of the River Ministry along the Rio Grande.

Mr. and Mrs. Thomas Adkins served in the area of home and church evangelism in Hong Kong from 1958-1973. They are currently assigned to Gaza where they have been involved with the Baptist Hospital, the Baptist Library, Study and Activities Center, as well as being involved in church work.

Clinton Watson of Weatherford, Texas, has served as a mission volunteer and is now Director of Missions for the Parker-Palo Pinto Baptist Area. He has been actively involved in the Possum Kindom Resort Ministry.

Morris Wright has served with the Foreign Mission Board since 1950. He has served in Japanese language and evangelistic work in Tokyo. He has also served with the Caribbean Mission in Kingston, Jamaica. His current assignment is with the Baptist Publishing House in El Paso, Texas.

The World Missions Conference will be divided into two segments.

The First Baptist Churches of Cisco, Eastland, Gorman and Albany, as well as East Cisco Baptist Church,

Eastside Baptist Church of Ranger, Necessity Baptist Church and New Hope Baptist Church of Gorman will host the conference Sunday through Wednesday, October 3-6.

The First Baptist Churches of Rising Star and Moran along with Calvary Baptist Church of Cisco, Bethel Baptist Church of Eastland, Bethany Baptist Church of Breckenridge, Harmony Baptist Church of Morton Valley, and Olden, Kokomo and Mangum Baptist Churches will host the conference Thursday through Sunday, October 7-10.

Cisco Civic League Is Sponsoring Fun-A-Thon

The Cisco Civic League is sponsoring a Fun-a-Thon at the Cisco City Park on Tuesday, October 12.

This Fun-a-Thon will include a mini-marathon, music and food. At 6:00 p.m. at the sound of the starter, the participants in the mini-marathon will see how many times they can go around the track—anyway they can—walking, jogging, skipping, running—(no wheels: bicycles, tricycles, skates or skateboards).

The participants will go around the track for one hour. At 7:00 p.m. the winners will be those who have gone around the track the most times in one hour.

Ribbons will be given to those participants coming in first, second or third place. Each division will have a male and female winner in each place. There will be a division for everyone.

Division I—pre-schoolers and kindergartners

Division II—first and second graders

Division III—third, fourth, fifth and sixth graders
Division IV—Junior High
Division V—High school
Division VI—college
Division VII—19-39 years (non-college)
Division VIII—40-59 years old
Division IX—60 years and up

Different starting points will be set up around the track for the various age groups. Each participant must sign up at his/her starting point between 5:30-5:59 p.m. The race starts promptly at 6:00 p.m. and ends promptly at 7:00 p.m.

A food stand will be set up in the part for those who would like to come have supper out—buy a hamburger or hot dog and a soft drink—or bring your picnic basket. Make it a family night out affair.

Music during the mini-marathon will be provided by band combos from Cisco High School under the direction of Al Young, band director.

Make plans now to attend this Fun-a-Thon, either as a mini-marathon participant or as a spectator. (If there is a repeat of last year's Columbus Day's flood, the Fun-a-Thon will be postponed.) Otherwise, come on to the City Park and join in the fun.

Booster Club Cancels Mop & Broom Sale

The Cisco Booster Club has cancelled its mop and broom sale. It was planned to use ten pick-ups each loaded with about five members of the varsity and junior varsity high school football teams. They were to make door to door sales covering the entire town in one afternoon. Approximately two hours before the sale was to begin the Booster Club learned the sale could be in violation of a U.L.L. rule. The rule forbids any member of a U.L.L. sanctioned activity of using his or her activity as a selling point.

The Booster Club has had mop and broom sales in the past. It was felt since the money that would be raised was to go to help all sports, not just football, that the sale, as set up, was within the U.L.L. guidelines. However, the sale was immediately cancelled when it was learned that any football player who helped could be jeopardizing his eligibility to participate in any U.L.L. sanctioned activity.

'Jesus' Friends' Will Resume Its Thursday Sessions

The children's ministry known as "Jesus' Friends" sponsored and staffed by members of Redeemer Lutheran Church will resume its sessions on Thursday, September 30. This ministry is for any and all children age three through sixth grade. In the program Christ is shared with the children through Bible stories, singing and crafts.

There will again be two sessions. The morning session is for children ages 3, 4 and any 5 year olds that missed kindergarten because their birthday came after September 1, 1982. The morning session will be from 9:30 to 10:45.

The afternoon session is for children kindergarten through sixth grade. The session for kindergarten through second grade will begin at 2:45 in the afternoon. The third grade through sixth grade will come as soon as they get out of school. The afternoon group will be dismissed at 4:30.

Transportation will be available from the Child Care Center, Primary and Intermediate Schools. Written permission form must be signed by the parents.

Permission forms will be mailed to anyone who calls either 442-1735 or 442-2090. The Child Care Center will have forms for their children. A form will also be available if a child is taken on Thursday.

For more information call either of the above numbers.

Cisco Country Club Will Have Game Day Oct. 6

Lake Cisco Country Club will have a game day and luncheon on October 6th. Games will start at 10 a.m. and luncheon will be served at noon. The cost will be members \$5.00 and non-members \$5.50. Non-members please phone State Farm Insurance 442-1671 for reservations. Let us all get together and make this a happy affair, as only four luncheons and game days will be held during 1982-83. Should it be more convenient the following may be phoned, Ilene Cotten, 442-2565, Jo Barrett, 442-2291 or Catherine Cunningham, 442-3125.

Thursday, September 30, 1982

Service Club Members Listen To Drug Program

Cisco Service Club members and their guests welcomed to their Thursday night meeting, Pete Kennemur, who is with the MHMR center out of Brownwood. Mr. Kennemur is directly involved in the rehabilitation treatment of victims of drug abuse.

Members of the Cisco Service Club have indicated an interest in being a part of the county-wide drug crack down and have been asked to help in the organization of a peer-parent group, in order to provide a united effort among parents in their child rearing. Mr. Kennemur indicated that these peer-parent groups across the nation, have been a helpful source in the prevention of further drug related problems.

It has been estimated that in Eastland County alone, there are perhaps 18 illicit drug laboratories, with tale-tale indications and clues to substantiate this estimation. Mr. Kennemur stated that he applauded the county's sincere and well organized effort to do something about Eastland County's drug problem. Mr. Kennemur indicated that in these times of economic difficulties, individuals stoop to means of providing financially for themselves at the risk of others—many times taking this drug trafficking into the classrooms and onto the playgrounds, exposing and corrupting the innocent youth of the town—the state—the nation! Mr. Kennemur stated that youth are selling drugs in many places, just to get their own personal supply.

These peer-parent groups, hopefully soon to be formed in this area, hope to combat these problems, although there is little hope of totally eliminating the problem. Parents seem to be spending less time with their children, according to Mr. Kennemur, "sacrificing this time with our children, in pursuit of other things."

"Our children are bored," said Mr. Kennemur—a frequent cause of drug abuse. The need is here to provide some quality activity for our children. These peer-parent groups across the nation should establish the rules for their children—to let them know what is expected of them—what they can do—and they can't do and what the consequences will be should our children threaten those rules.

Drug abuse can slip up on an individual—many times without that intentional—aspirin overdose is the second leading drug emergency cause. We must be aware

of the problem and look for the evidence of the problem. The answer lies within our concern, our understanding of the problem.

"This problem," Mr. Kennemur said, "is not only an issue of drug abuse, but we have a secular responsibility, and a religious responsibility." Our community must first, want to do something about the problem—and then find the problem. Mr. Kennemur told the Service Club members, that is to get the diagnosis and to gain a prognosis.

Because of drug-related problems, further crime evolves—prostitution, theft and even murder.

On a scale of 1-10, Mr. Kennemur rated the drug problem of Eastland County, high on that scale. Mr. Kennemur concluded that the combat of this problem, had to be a united effort—that not only one person could do so. And with this in mind, members of the Cisco Service Club would like to encourage every individual to become involved in some way, in this combat!

Missionaries To Uganda Will Be Guest Speakers

The Rev. and Mrs. Harry Garvin, Missionaries to Uganda, will be guest speakers at the Mitchell Baptist Church on Sunday, October 3.

Rev. Gardin is originally from Lueders, Texas. He attended Cisco Junior College and graduated from Howard Payne University in Brownwood. He has been a missionary to Uganda for approximately ten years. He is currently on leave from Africa and is serving as pastor of the Union Hill Baptist Church.

Rev. and Mrs. Garvin will present a program about their missionary work in Uganda beginning at the 10 a.m. service and continuing through the 11 a.m. service. Their program will resume at the 7 p.m. service and will be highlighted with a slide presentation.

Everyone is cordially invited to attend the service.

Delbert Schaefer Team Wins Tourney

A score of 11 under par (57) won first place for the Delbert Schaefer team in a scramble golf tournament Sunday, September 26, at the Cisco Country Club. The Bennie Nichols team had a 58 for second place, and

Wheels For Life Sponsors Are Sought

Riders for the Saturday, October 9 St. Jude Children's Research Hospital Wheels For Life Bike-a-thon are now asking Cisco citizens to back their efforts by pledging a contribution for each mile they ride.

"The money our riders earn will help their efforts by pledging a contribution for each mile they ride.

"The money our riders earn will help continue St. Jude's life-saving study of childhood cancer that has become so important to children all over the world," said Bike-a-thon chairman Ken Parker.

In the Bike-a-thon, rides enlist sponsors who donate a sum for each mile completed. Riders who raise \$25.00 will receive a St. Jude t-shirt, and those raising \$75.00 will receive a barrel

tote bag," said Parker. Sponsor forms are available at schools and Heather's Hallmark in Cisco.

"We'll be showing that we care about children by helping this cause," Parker said. "Please support your rider with a generous pledge, and then help them get the funds to us as soon as the ride is over."

"Each rider will be given a lap card when they register at City Park on Saturday," Parker said. "Every time they ride through the check points, we'll initial the card. At the end of the ride, we'll check it and sign it to show that the rider earned what the sponsor pledged." Riders will then return to the sponsors to collect the pledge.

"We'll also be giving them a hospital bracelet saying 'I'm riding for Terry' to wear during the ride. I'm sure most of them will still be wearing them while they make their collections." Terry is a St. Jude patient who represents all victims of the illnesses under study at St. Jude Children's Research Hospital.

"If you have not been asked to sponsor a rider, please call 442-1726 or 629-8901 and we'll get one to call you," Parker said.

This year Wheels For Life is being sponsored by the Cisco Noon Lions Club. Date: Saturday, October 9 Place: City Park at Swimming Pool. Time: 2:00 p.m.

OBITUARY

Services For Myra Scarborough Were Monday

Funeral services for Myra May Scarborough, 48, longtime resident of Cisco, were at 2 p.m. Monday at East Cisco Baptist Church. The Ronny Bostick of Oklahoma officiated, assisted by the Rev. Armo Bentley of East Cisco Baptist Church. Burial was in Oakwood Cemetery, directed by Cisco Funeral Home.

Mrs. Scarborough died at 3 p.m. Saturday at Hendrick Medical Center in Abilene after a long illness.

She was born February 19, 1934, in Cisco. She was a member of East Cisco Baptist Church and was a past worthy matron of the Order of the Eastern Star. She was a retired licensed vocational nurse.

Survivors include her mother, Fannie Mae Townsend of Cisco; two sons, Rodney of Abilene and Rocky of Cisco; two daughters, Brenda Hollis of San Angelo and Patty Wiesen of Ranger; two brothers, Bob Jack Townsend of Roanoke and Rex Townsend of Burleson; two sisters, Mrs. Drucella Blanding of Cisco and Mrs. Darlene Crumpler of Abilene and three grandchildren.
