HALL OF REMARKS

BY HERREL HALLMARK

LOCAL ADVERTISERS will be interested in a new offer being started during the Christmas season by their local newspaper. Be sure and read the full page ad in this edition of The Cisco Press concerning a type of package deal for advertisers.

CISCO HIGH School's King and Queen Lobo Coronation is scheduled for Thursday, December 2.

LOCAL PERSONS are being encouraged to shop at home this holiday season instead of spending money on gasoline and wasting their time in long lines in bigger cities. They are encouraged to look in stores in their own hometowns and see that those stores can offer just as good deals as stores elsewhere.

Hometown stores can also offer individual, friendly service to local people since they see them other places besides just in their stores. They know you and your family and relatives, so they can be friendlier to you than a complete stranger will be. So, before you plan that out-of-town shopping spree, why not look in your own hometown and see if you can't find just what you are looking for.

PRIZE WINNERS at Heather's Hallmark Open House Monday night were as follows:

Grand Prize (Santa's Workshop Table Decoration) was won by Ruth Stevens of Gainesville who was visiting in Cisco. Ms. Stevens also won a quarter-hour prize of crystal.

Other winners were: Set of 8 Cisco glasses--Robyn Ritchie; 6 inch round Cranberry candle--Judy Dudley; Silk Seal (substituted for Snoopy Dog)--Margaret Herring; Snoopy night light--Doris Chamness; silk flower arrangement--Kay Butler; set of 4 place mats, napkins and rings--Francis Chamness; recipe book holder--Alma Jennings; bears cricket box with arrangement--June Robinson; porcelain bird--Donna Reich; candle and candle ring--Janice Young; and large puzzle--Kevin Kirk.

Governor Bill Clements Declares 'Community College Week'

November 14-20 has been declared by Governor Bill Clements as "Community College Week" in Texas. Cisco Junior College is proud to be a part of the Texas Community College system.

The Texas Community College system is a true success story. Both in the short-term impact of preparing students for today's employment market and in the long-term investment of contributing to the human capital needed for a viable economy, Texas can look forward with confidence to the continuing success of community colleges.

The Texas Legislature passed the first junior college statute in 1929. From

the beginning, the community college system has grown to the extent that it now provides comprehensive educational programs across the state both efficiently and effectively.

For less than ten cents (10 cents) from each educational dollar of state taxes, Texas community colleges:

**are strategically located: the 47 districts with 62 campuses are within commuting distance of more than 90 percent of the population.

**are public, two-year, comprehensive institutions of higher education, each controlled by a locally-elected governing board.

**are OPEN DOOR institutions, available to all persons, providing multi-purpose classes and activities for persons of all ages.

**have wide-ranging university parallel pro-

grams for students planning to transfer to senior institutions to complete requirements for baccalaureate degrees.

**offer occupational training in approximately 160 different technical-vocational programs, providing more than 90 percent of the post secondary technical and vocational training in Texas.

**enroll 60 percent of today's freshmen and sophomores and 40 percent of all students in Texas public higher education.

It is clear that Texas taxpayers are receiving optimum utilization from the 10 cents of each education tax dollar that supports community colleges. Texas community colleges are making significant contributions to the state's educational needs and economy; this pattern can be expected to continue as an efficient and effective influence in the future.

CJC Wranglers Set Team And Individual Records In Season

By Bill Roberts

There aren't too many coaches that can step into a head coaching job and field a team that can set team and individual school records in just one season, but that's just what Bob Keyes did.

After Bill Anderson departed for a job at West Texas State, Keyes realized that CJC had the potential for a good football team, and another winning season.

He was right! He had a good football team and it had a winning season. It's just that 5-4 wasn't exactly what he and the Wranglers expected to be following the Northeastern Oklahoma finale at Chesley Field.

"Probably the difference in the season is turnovers," Keyes reflected recently. "We had 21 fumbles and 25 pass interceptions. If we could turn that around..."

But in the end, it was the turnovers, and the passing yardage allowed by a defense that allowed only 79.2 yards a game rushing to its opponents.

"Of course, one thing's going to happen," Keyes says. "Any time that you stop people from running, they're going to have to throw. It's a little bit harder to stop the throwing."

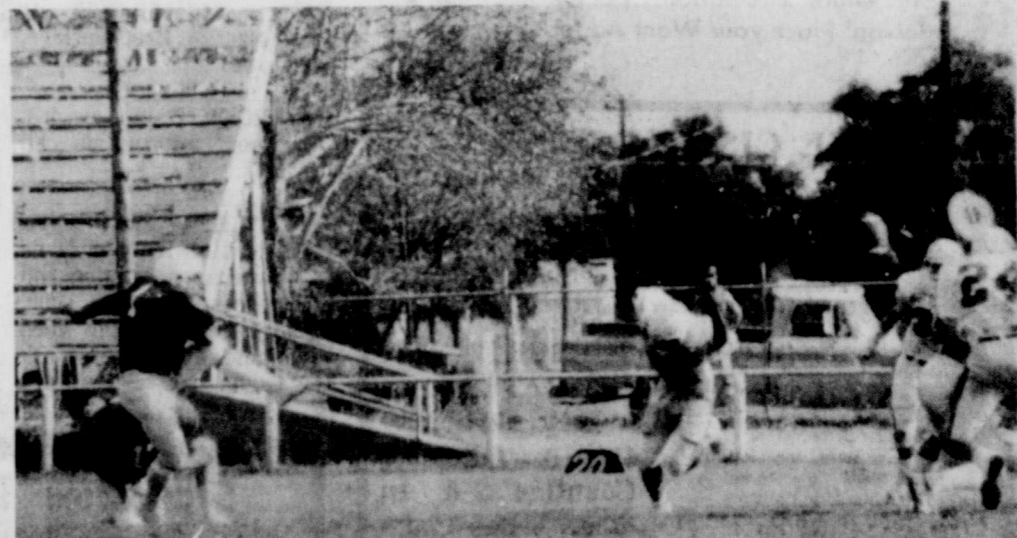

This is evidenced by the fact that teams like West Texas State, Texas Tech, NEO and NMMI used the pass to riddle the CJC defense for 232 yards in touchdown passes (that's seven of CJC's opponents' 19 touchdowns).

"We feel we could have had a lot better stats defensively," Keyes reflects, but he adds, "we wanted our freshmen to get experience. You want to have some freshmen coming back who didn't start, but who have game experience. That's going to help us (next year). Our losses to UTA and Tech, we played our freshmen quite a bit. We still should have won those games, we felt like."

They didn't, however, losing to Tech by four, 20-16, and to UTA by 21-6. One of the other losses, to archrival Ranger Junior College, was a four-point loss also, 10-6. The only "lopsided" loss was the 15-point Homecoming loss to NEO in the season finale.

"You take away a play or two here and a play or two there, and the whole season could have been different," Keyes says.

Admittedly, Keyes says the fact that the failure of sophomore Marc Jones to return to school this year provided some anxious moments. But, sophomore

CJC kicking specialist Kioumars Rezaie launches a field goal try against West Texas State University's JV earlier this season. Rezaie set records during the 1982 season for most field goals in a season (seven) and for most points scored by a Wrangler (41). (Photo by Randy Hutto)

Sophomore Eugene Carodine (19) sweeps the left side of the line on his way to a 42-yard touchdown run during action against West Texas State this season. Carodine helped the Wranglers to a 35-14 win in the game. (Photo by Randy Hutto)

Johnny Yglecias stepped up from his role as second-string quarterback after spring practice to throw for more yards than any Wrangler has ever thrown.

Despite his 20 interceptions (a record in itself), Yglecias completed 45 percent of his passes (91 of 202) for 1,293 yards and a 143.7 yards-per-game passing average. He tossed five TD passes and was the Wrangler total offense leader, finishing the season with 1,399 yards and a 155.4 average per game.

Manteo, N.C., sophomore Sylvester Gregory finished the year as the Wranglers' leading rusher with 369 yards on 89 carries for a 4.1-yard average per game and a 4.1 average per carry.

Another sophomore, Ran-

dy Pippin, came on at the end of the season and was the leading rusher in two of the last three games. Pippin finished second with 337 yards on 56 carries (37.4 yards per game and 6.0 yards per carry).

Two other surprises came in receiving as freshman Willie Williams and sophomore tight end Lloyd Voight finished 1-2 in that department.

Williams finished the year with 441 on 23.5 catches (that included a lateral to Eugene Carodine) for an 18.8 per-catch average and a 49.0 per-game average (another CJC record). Voight caught 13 passes for 217 yards, a 16.7 per-catch average and a 31.0 per-game mark.

Stan Davis, a sophomore from Fredericksburg, stepped in after the second game to do the punting for the Wranglers. The 5-11 Wrangler took time out from his drama interests to average 38.3 yards on 32 punts in eight games.

Kicking specialist Kioumars Rezaie turned in two record-setting performances, finishing the year as the leading scorer for the Wranglers with 41-points--all coming on kicks. He bettered his record of six field goals in a season last year and added one more to that total this year.

Two other records turned in by the Wranglers were the total offense average (349.4 yards a game) and a defensive stat, that of limiting the CJC opponents to 110 points--the smallest number of points ever given up by a Wrangler team.

Defensive leaders included Jim Kitchbach, who registered 66 unassisted and 39 assisted tackles to lead the Wranglers in both categories. Sidney Harper

picked off three opponents' passes to lead in that department. Sophomore Tom McClean led the team in quarterback sacks (with 8.5) and shared the top spot in fumble recoveries with Nate Lindsay with three. Steve Burtshell and Eric Shores each got a safety each and Marty "Bear" Watson covered an opponent fumble in the end zone for a touchdown.

Next year, Keyes hopes to have much the same schedule lined up, with Henderson County Junior College added in place of Texas A&M's Junior Varsity game. Definite opponents include Tyler Junior College (a road game), West Texas State, UTA (a road game), Ranger Junior College, McMurry's JV, New Mexico Military Institute, NEO and Texas Tech's JV (both these last two will be road games).

"One good thing about this job," Keyes reflects, "is that you can forget about last year and just start all over."

He didn't add, however that he hopes for the same type of season--a winning season, sure, but more wins would be better to swallow in his second year at the Wrangler helm.

Eastland Co. Newspapers Announces Special Bonus

In an effort to help stimulate the entire economy of Eastland County at this important time, Eastland County Newspapers is announcing a special advertising bonus which will provide a total circulation package for advertisers.

The Thursday, Nov. 25 issue will be distributed to the some 10,000 regular subscribers of the Cisco Press, Eastland Telegram, Ranger Times and Rising Star, and a special "Welcome to Eastland County" Supplement made up of 4-way advertisers will also be direct-mailed to 6,000 additional homes and post office boxes in a circle around the county.

Persons interested in getting their message into this total package mail-delivered issue should have their copy to their local newspaper (Cisco, Eastland, Ranger or Rising Star) before 5 p.m. on Monday, Nov. 22. The normal four-paper rate will apply, and the additional cir-

ulation coverage is a bonus for the local merchants.

These "Shop in Eastland County" messages will be delivered with the Cisco Press, Eastland Telegram, Ranger Times and Rising Star, and will be mailed direct to mail patrons in the following locations:

All Breckenridge Post Office and Route Boxes: Carbon, Desdemona, Caddo, Rt. 4, Stephenville, Rt. 2 and 4, Dublin, Putnam, Rt. 2, DeLeon, Strawn Post Office boxes and all routes, All Routes Cross Plains, three routes out of Comanche, Gordon and Moran.

Emphasis will be on the convenience and savings in shopping with Eastland County merchants, especially during this busy holiday season.

Each of the towns in the county have already planned or are busy planning special events for their town which will be described in detail in the local newspapers.

Chamber Plans Abbott Memorial

A true friend of Cisco was lost in the passing of Gene Abbott, Chamber of Commerce manager. He worked hard to keep a good image of our town before the eyes of people in the Big Country.

In order that the efforts of Gene will not be forgotten, a memorial to him is being planned by the directors of the Chamber of Commerce. Tentative plans call for a brick planter and/or bench in front of the Chamber building with a memorial plaque bearing his name.

If you would like to make a contribution to this fund, it can be sent to the First National Bank in Cisco. Please make checks payable to the Gene Abbott Memorial Fund.

City Hall Will Close Two Days For Thanksgiving

The City Hall will be closed November 25 and 26 in observance of the Thanksgiving holidays. The Sanitation truck will NOT run on these two days, but will run its regular run on Saturday, November 27, 1982. The landfill will NOT be open on Thursday, November 25, but will be open on Saturday, November 27, 1982.

The Cisco Press

C.J.C. Wins In Basketball Classic

By Bill Roberts

Paced by sophomore Bruce Coleman and freshman David Jones, Coach Tommy Collins' Cisco Junior College Wranglers won three games in the second annual CJC Basketball Classic, defeating Odessa College, Angelina College and Western Texas College last week in the CJC Gym.

At the same time, Ronnie Hearne made his home debut as the head coach of the CJC Lady Wranglers as he watched his ladies win two of three games in the tournament.

The men dropped Odessa 93-62, downed Angelina 88-77 and then closed out the tournament with a lopsided 101-73 win over Western Texas.

The Lady Wranglers dropped the opener to Henderson County Junior College, 73-65, then rebounded for wins of 79-77 over Western Texas and 77-58 over Western Oklahoma.

Coleman averaged 23.0 points a game during the three-game show and also pulled down 19 rebounds. Jones made his home court debut look good with his 62 points and 20.7 per-game

'Kitchen Crafts And Decorating Ideas' Planned

"Christmas Kitchen Crafts and Decorating Ideas" will be presented by WTU and the Cisco High School Homemaking Department on Thursday, November 18, at 7:00 p.m. in the Cisco High School Auditorium.

Admission is free. There will be a free cookbook.

1st Industrial Arts Club Will Meet Thursday

The First Industrial Arts Club will meet Thursday, November 18, at the fellowship hall of the First United Methodist Church. The meeting had previously been reported to be held at the club house, which is preparing for a rummage sale November 17 and 20.

average. He also pulled down 15 rebounds to help the Wrangler cause.

Wrangler sophomore Kenneth Hill kicked in 32 points to tie Pete Thomas of WTC as the No. 10 scorers in the tournament. Coleman and Jones finished 1-2 in the scoring.

Freshmen Linda Bubert and Barbara Williams finished as the top scorers for the Lady Wranglers in the tournament, placing Nos. 5 and 6 respectively in the Top 10 list. Margaret Peters of Henderson was the leading scorer in the tourney with 71 points and a 23.7 scoring average in the three games.

Odessa College was the only team in the men's division which failed to win a game while Western Oklahoma finished 0-3 in the women's division.

The three wins boost the Wranglers' record to 4-2 for the season. CJC hosted South Plains College Tuesday night and entertains Clarendon Thursday night in an 8 p.m. game.

Following the tournament, the Lady Wranglers are 5-3. Coach Hearne's charges entertain Clarendon at 6 p.m. Thursday in the CJC Gym. The Lady Wranglers already have a 67-45 win over Clarendon.

Saturday, the two teams host Schreiner Institute. The men already have a 72-64 win over Schreiner while the Lady Wranglers won 70-44 in the first meeting between the two clubs.

Service Club Will Meet Thursday Night

The Cisco Service Club will meet Thursday night, November 18, at the First National Bank Community Room at 7:00 p.m.

Hostesses will be Pennie Fields and Debra Henke.

The Bible. It has a lot to offer.

Country Club Stockholders Will Meet Thursday

The Lake Cisco Country Club Annual Stockholder's meeting will be held Thursday, November 18, 1982. There will be a covered dish dinner beginning at 7:00 p.m. with the business meeting immediately following at 8:00 p.m.

Business to be considered will be the routine election of two Board Members and replacement of two retiring Board Members. All members are urged to attend.

Lutheran Women Will Sponsor Bake Sale Nov. 20

The Redeemer Lutheran Women's Missionary League is sponsoring a Bake Sale on Saturday, November 20, 1982, beginning at 8:00 a.m. in the Redeemer Lutheran Parish Hall, Avenue D and East 18th Street, Cisco, Texas.

Items furnished by members of the congregation will include homemade breads, rolls, cakes, pies and candy. Proceeds from the bake sale will be utilized for the various projects of the Redeemer LWML and the World wide mission efforts of the congregat'on.

A Look Back At Pleasant Hill Baptist Church

By Robert Tucker and June Tucker Hicks

EDITOR'S NOTE:
The following history of the Pleasant Hill Baptist church, located south of Cisco, was taken from a more detailed manuscript written by Robert Tucker and his daughter, June Tucker Hicks. Much of this history was given by Robert Tucker during the Pleasant Hill 90th Anniversary and Homecoming Sept. 12. Mr. Tucker has been a member of this Church for 70 years.
The Tuckers are to be commended for this excellent account. Not only for its value to the Church, but for its historical interest. Once there were many rural Churches in this area - now there are few. Here is a story of one which survived, part one of a two part series.

Pleasant Hill Baptist Church stands as a tribute to the dedicated individuals who sought to serve their Lord. A body of baptized believers, realizing a need for a Baptist Church in west-central Eastland County, Texas banded themselves together to form such a Church.

At the Pleasant Hill school house, upon a motion by E. Dawson, the Church was organized on Dec. 3, 1892. E. Dawson, Amanda Dawson, and M.C. Tucker of the Long Branch Church, Mrs. L.P. Stephens and Mrs. A.B. Tucker of Pleasant Valley Church, and H.F., L.E. and Mrs. M.J. Reynolds from Pleasant Grove Church, Mills County, "unanimously agreed to be known as the Missionary Baptist Church of Christ at Pleasant Hill."

Rev. W.F. Trammell acted as moderator and delivered a charge to the Church. He presented the Holy Scriptures as the only rule of faith and practice. Later on that day, "by candle light, he preached."

The first meeting place for the Church was in a one-room school building, north

of the cemetery, on the banks of Dead Horse Creek. On Jan. 1, 1893 H.F. Reynolds was chosen as the first Pastor. M.C. Tucker was elected Church Clerk.

In July, 1893 it was voted to send C.T. Brashers, Dock Henley, M.C. Tucker and Rev. Reynolds to the Cisco Associational meeting. The Association, having been organized in 1886 for the purpose of serving churches in Eastland, Callahan, Stephens and Shackelford Counties.

The Association was (first) organized on Fri. before 2nd. Sun. in October 1879 was the Red Gap Association. Due to a communication problem, the western group organized as the Sweetwater Association in 1885, and a year later the Cisco group became known as the Cisco Association.

On July 4, 1893, T.J. Nichols was "elected" as Pastor. Often the Church would meet with other Churches. Trips were made to Pleasant Valley, Romney, Long Branch and others for meetings.

In September 1899 the Church, still meeting in the school house, voted to send a committee of R.L. Shannon, E. Dawson, and M.C. Tucker "to confer with Romney in regard to a church house building".

On Dec. 2, 1899 Brother E.W. McGaha conducted services and was called as the Pastor June 1, 1899.

May 5, 1901 W.J. Kinard was elected Church clerk to replace M.C. Tucker, who resigned. These two men, with their neat manuscripts, have recorded with pen and quill much of the information used for the history. On Oct. 5, 1901, the Church voted to call R.L. Shannon as Pastor.

In June the Church debated a question about moving the Association from Cisco to McGough Springs. The Church voted in favor of staying with the Cisco Association.

On Dec. 6, 1902 W.D. Cooper was unanimously elected Pastor. The Treasurer's report for that Sunday was: "Money for the Church - 70 cents." In August, 1903 R.L. Shannon

was elected to return as Pastor. In a Mission Offering that Sunday the Church contributed \$5.00 to "Old Minister's relief".

Evidently O.W. Parks became Pastor Feb. 1904. In March 1904 a building committee of F. Young, J.S. Stevens, R.L. Poe, Sam Carmichael, and G.M. Sims was appointed. In May they reported they had collected \$500.00.

The Church building was constructed by mostly volunteer labor on two acres of land on J.S. Stephen's place, N.E. corner. On Dec. 1905, the same year, after a community Christmas program and tree, the Church burned. Under an oak tree the men of the Church met the next day and discussed what to do. One man said that we can't afford to build back.

Frank Trott said "We can't afford not to build back!"

Mr. Trott said that he had a cow that he would sell and put the money into a building fund.

After the crops were "laid by" (in 1906) the community donated its time and effort in building; the women cooked for the laborers, and the children ran the many errands. The Church served the people for over 40 years, although not without another mishap. Sometime, the date is lost, the Church was moved off its foundation by a storm. Very little damage was done. The building was "straightened" and put back upon the original foundation.

Today, the original Pleasant Hill school bell, in a tower built in 1976 as a Bicentennial marker, may be rung outside the present Church structure.

During this period of time the Church met every first Sat. and Sunday. Four services were held. A small group of people would attend the Saturday morning services. After the Saturday night preaching any business of the Church was acted upon. Sunday services brought larger crowds, as almost everybody in this community went to Church on Sunday. Since this was the only Church within a five mile radius, it was also the social center of the Pleasant Hill Community.

On April 13, 1907 a committee of N.S. Kinard and Jeff Hines as appointed "to raise funds to fence the graveyard". In the June 1908 Church conference, a date was set for "graveyard" cleaning.

Often throughout the Church records the letter BOH came up. After research it was found that this was the term given to Buckner Orphan Home in Dallas. The Church had a benevolent spirit toward this mission outlet, and a collection was taken, eggs shipped or clothing collected for this group.

Feb. 12, 1907 the Church voted to assist Bethany in moving their Church to Mangum with a donation of \$5.00 and volunteers.

On Mar. 14, 1909 the Church voted to extend a Brother Mimms an invitation to preach a sermon on the personality of the Devil.

On Aug. 14, 1909 A.J. Morgan was called as Pastor. A collection of \$27.75 was given to the new Pastor. He was to be paid \$11.75 monthly. This man was tall, guant evangelistic type

preacher with a forceful power about him.

During this period of time, as a family would arrive for Church, the man tied the team of horses, which were hooked to the flat-bed wagon. The woman washed all children with a wet rag. The man and all the boys made their entrances on the north side and sat in the north section of the Church. The women and girls entered on the south side and sat in the south section of the Church. The middle section was for visitors. In the winter, a large pot-bellied stove glowed in the center of the Church.

In Dec. 1913 a \$49.00 collection was taken up for a tent to be used by the Association in "tent meetings".

On August 14, 1912, during revival services, the Church received for baptism Mr. and Mrs. Bob Hastings, W.C. Elliott and wife, Artie Clark,

Eddie Shirley, Clinton Curry and wife, Willie Clark, W.G. Harrell and wife. Robert Tucker, Lella Shannon, and Sister Hardin.

A motion was carried to have a roll call of the Church on Saturday before third Sunday in April 1914. April 18 roll call was "deferred until May". Services were to be held at 11:00 a.m. "sun time". In May the roll call was made, and "letters from members away" were read.

In June the Church voted to "grade our Sunday School". In October a com-

mittee of Mr. and Mrs. Winfred Tucker, Henry Hines, and Bessie Hardin were appointed to look after incidental church expenses. Committees would often be ap-

pointed to investigate some type of disorderly conduct by members.

In September 1915 the Treasurer paid out \$1.15 for "fixing the organ".

DAR Meeting Set For Mon.

The Charles Crawford Chapter, DAR will hold it's regular meeting Monday, November 22, 1982 at the home of Mrs. Joseph Perkins, 1012 S. Seaman Eastland, at 2:30 p.m. Co-hostess for the meeting

will be Mrs. C.E. Terrell. Speaker will be Miss Dorothy Perkins of Midland. Miss Perkins will speak on Angel of the Battlefield- Clara Barton.

All members are encouraged to attend.

Check Into Our Club.
For a long time at Olney Savings, we've been telling you that, to us, people are worth a lot more than money. And it's more than a saying. It's the basic philosophy behind the way we do business — the way we treat our customers and the services we offer them. With this same feeling we offer you the Olney Savings Check Club.
The Olney Savings Check Club gives you a checking account that pays 5/4% interest plus these other special values:
• Accidental Death Insurance with dismemberment. \$10,000 dividend equally on joint account members. Age 70 and over, 50% reduction in coverage. (\$20,000 and \$30,000 plus family coverage available for an additional monthly fee)
• Free personalized carbon copy checks — write as many as you like.
• Free Notary Service
• Free Travelers Checks
• Free Money Orders
• Free Automatic Drafts for Loan Payments
• Free SavPac magazine, the official club publication containing interesting and timely articles of general interest as well as discounts on travel, auto rental, etc. Mailed three times a year to members.
• Insured up to \$100,000 by F.S.L.I.C.
All of these services are yours for only \$5.00 a month (membership fee) and you earn 5/4% interest on your checking account.
Come see us soon. Or call and we'll come see you. Check out the values and check into our club — The Olney Savings Check Club.

Many Good And Sincere Individuals
give little thought to the question of values when we should measure them in terms of personal worth in everything he buys, enjoys or does. For example, some folks will buy real estate without any kind of evidence of title disregarding the fact that the principal value of the purchase is in the title, not in the land itself or the improvements thereon. This kind of thinking costs property owners thousands of dollars annually which could be saved and a part of the savings wisely spent for an abstract of title or title insurance.

I am interested in volunteering to serve on the following committees:

- Telephone I will help notify members about approaching events.
- Speakers Bureau and Education Speak and/or obtain speakers to discuss the drug problem in your community.
- Paraphernalia Assemble a list of stores in the area which distribute paraphernalia and encourage merchants to discontinue selling items to minors. Also to purchase paraphernalia for Speakers Bureau's use.
- Drug Information Collect all current drug information from newspapers, medical journals, library materials, magazines for group meetings and help distribute information to people who request it.
- Parent-Peer Groups Assisting in establishing local network of parent groups by making ourselves available to work with parents interested in forming parent groups, and assisting in Neighborhood Watch Programs, setting up patrols, and chaperoning where needed.
- Youth Advisory Board Feedback from youth.
- Publicity and Communications Working with local news media and informing general public of approaching events and keeping them informed of the activities of Families in Action. Typing, xeroxing, and mailings.
- Fund Raising & Contributions To raise funds when needed for special projects and activities.
- School Committee To keep schools notified of the activities of Families in Action and to help work with schools.

— Other Opportunities Would like to learn more about the problem and solutions and would be interested in attending more seminars and receiving more information about the drug problem.

— (Please give comments or suggestions)

DPS Plans Duty To Stimulate Safety

Capt. G.J. Matthews, Commander of the Texas Highway Patrol for the Abilene District, said, "As we approach Thanksgiving Day weekend all of us are making plans of one kind or another for observance of this traditional season of the year. Many D.P.S. officers will be making plans of a different kind. They will be on duty to stimulate safety-consciousness throughout this festive holiday."

During the last Thanksgiving holiday weekend, Texas experienced 53 fatal accidents and 57 traffic fatalities. Capt. Matthews said, "Speed and alcohol are

the main contributing factors in the majority of the traffic deaths in Texas."

A total of 4,701 fatalities were recorded on our streets and highways for 1982 and statistics show alcohol was involved in 923 fatal accidents causing 1,082 deaths and 17,343 injury accidents causing 27,907 injuries in Texas according to Capt. Matthews.

"Many drivers are not tested," Matthews said, "because Texas has no law requiring chemical tests on drivers in fatal accidents and it is probable that more than 50% of the deceased drivers in Texas were driving while intoxicated and were not reported as D.W.I."

The Texas Department of Public Safety urges all motorists to avoid the use of alcohol when driving. Let's all slow down a little and live a lot.

During the month of October, nine (9) persons were killed as the result of six (6) fatal rural motor vehicle traffic accidents in the twenty-five counties of the Abilene District of the Texas Department of Public Safety, according to figures released by Captain G.J. Matthews, Texas Highway Patrol in Abilene.

Captain Matthews did state, however, that the totals for the year are down from last year. For the first ten (10) months of 1981, one hundred and nineteen traffic deaths had occurred from ninety-eight (98) traffic accidents.

Troopers in Eastland County investigated a total of twenty-one (21) traffic accidents during the months of October, according to Sgt. Jerry Mathews of the Texas Highway Patrol in Eastland. Sgt. Mathews said that ten (10) of those accidents injured fourteen (14) persons. He also stated that no fatal accidents occurred in

Eastland County during the month of October. Sgt. Mathews said that the total accidents figures were lower in 1982 than 1981 when twenty-six (26) traffic accidents occurred. Sgt. Mathews also stated that for the first ten (10) months of 1982, a total of two hundred twenty-five (225) traffic accidents have occurred in Eastland County with six (6) of those killing eight (8) persons. These figures compare with two hundred twenty-nine (229) accidents in 1981 with five (5) persons being killed as the result of five (5) fatal accidents in he said.

Ladies Retreat Begins Friday

To all women in the Eastland County area:

The Evangelical Methodist Women of Cisco will be having a Ladies Retreat on November 19 & 20.

Women from Slaton, Lubbock, Sweetwater, Ft. Worth, Euless, Cross Plains, & Abilene will be attending. Women will start arriving at the 1st Evangelical Methodist Church, Highway 80 E. in Cisco around 6:00 p.m. on Friday, November 19. A time of fellowship and

getting acquainted is the main agenda. Sandwiches will be served Friday night. Ladies will be spending the night in the church fellowship hall Friday night.

Breakfast and dinner will be furnished on Saturday, November 20. Mrs. Josephine Cleveland will be the speaker after lunch, Saturday. She will be talking about her trip to Russia, delivering Bibles.

Area ladies from all denominations are urged to

make plans to attend this Ladies Retreat. For more information call EMW president Ramona Nichols, 442-3737 or Wanda Hallmark, vice president at 442-2757.

THE REAL ESTATE CONSUMER

The Real Estate Consumer is provided as a public service by this newspaper and The Texas Real Estate Research Center. Address inquiries to: The Real Estate Consumer, The Texas Real Estate Research Center, Texas A&M University, College Station, Texas 77843.

ASSESSMENTS AS VALUE INDICATOR

One should not rely on a tax assessor's valuation of a piece of property as a guide to establishing a price for buying, selling or donating property.

Some assessors are conservative in estimating value. Many assessors have so many properties to value in such a short time that their assessments offer only an approximation of market value.

Some properties are not assessed at 100 percent of market value for various lawful purposes. Finally, assessments may not have been updated for several years.

For these reasons, get a current appraisal of the property that you are buying, selling or donating. Armed with this information, you can make a decision that you likely will not regret at some later date.

Should the tax assessed value exceed the estimated market value, you may wish

to protest the assessment and thus reduce your property tax burden.

THE SHARED APPRECIATION MORTGAGE

The Shared Appreciation Mortgage - or SAM - once looked like a good way to help first-time homebuyers afford a house. By promising to share resale profits with the lender, the homebuyer could substantially reduce monthly loan payments.

But for several reasons the SAM has not caught on with lenders. First a SAM requires the lender to wait until some time in the future to get full compensation for the loaned money. Most lenders today cannot afford to wait.

Second, the amount of interest earned depends on the home's rate of appreciation, and home values are not longer rising as rapidly as in the late 1970's.

Also some states, including Texas, have laws which make SAMs undesirable to the lender. So, until home values begin to zoom again, it appears the Shared Appreciation Mortgage will have to bide its time.

REAL ESTATE INVESTMENTS TRUSTS

If you have looked into real estate investments, chances are you have heard someone mention the term REIT. REIT stands for Real Estate Investment Trust.

A REIT is a trust established for the benefit of a group of investors. It is managed by one or more trustees who hold title to the assets for the trust. The trustees also control the REIT's acquisitions and investments, at least 75 percent of which must be real estate related.

A major advantage of a REIT is that no federal income tax need be paid by the trust, if certain qualifications are met.

A REIT does for real estate what a mutual fund does for securities. It provides the small investor with a means of combining funds with those of others while offering the protection from double taxation that would be levied against an ordinary corporation or trust.

BUILT-IN FEATURES SAVE SPACE

Built-in furniture can save space, save money and add value to a small home.

In the past, standard built-in features went no farther than the kitchen, bathroom and a bookshelf or two. Today, however, some builders are offering a built-in seating arrangements in living rooms, built-in bed platforms, built-in dining tables, cabinets, bookshelves, desks, special window treatments and track

lighting, in addition to totally built-in kitchens.

Because the size of newer homes limits the amount of space that can be devoted to closets and other storage areas, many built-in units are designed for storage as well as seating.

Many units take advantage of corners that are too small for traditional furniture. The buyer of such a house has very little furniture to buy and the cost of the built-in furniture can be included in the mortgage.

TIPS FOR FIRST-TIME BUYERS

If you have been shopping for a house, you may try using some cost-saving tactics.

Learn to bargain: Buyers sometimes are embarrassed to submit offers that are far below the asking price. But unless you feel you must have that house at any cost, you can not lose anything by starting the bid low. If the seller rejects the bid, you can easily raise your offer.

Try sweat equity: Handy do-it-yourselfers might consider a well-located house that needs renovation or has unfinished areas. Because the house needs work to make it liveable, the price may be attractive. You can save money contributing your own labor to the project and scheduling the work to fit your budget.

Ask for a lease-purchase arrangement: You might be able to rent a house for a year and apply part of the

rent to the purchase price. In effect, you would be transforming part of the rent into a down payment.

Give A Newspaper

Beating rising costs, but present a gift that will be appreciated all year long. Give a year's subscription to an Eastland County Newspaper as a Christmas, wedding, graduation or other gift. If

you wish, the newspaper will send an attractive card announcing your gift subscription.

Contact your local Eastland County Newspaper.

EQUAL HOUSING OPPORTUNITIES

Homemaking Hints

By Janet Thomas

It's a good day when an idea whose time has come gets up and goes and non one notices.

Remember back in 1975, how we were all going to be speaking metric like native Mets by 1985?

Early next year, a full two years before the time period is up, Congress will abolish the metric board and admit defeat. They really should have known better in the first place. Americans just don't cotton to anything foreign unless they can dab it behind each ear, or get 34 miles per gallon when they

drive it. That's the way we are.

The weatherpersons of this country tried. But after a couple of years, celsius could just as well have been something you dip taco chips into.

Gasoline distributors tried. But by the time they changed gallons to liters, the price of gasoline became so high they cut it in half to make the price seem better and besides you couldn't get it anyway on Sundays and long holidays.

Joggers were probably the most successful in the use of metrics. They had everyone

talking about running 10 K's instead of 6.2 miles, but if you believe people who elevate sweat to a sacrament, then you'll believe anything.

The real resistance came from women who keep house. A kitchen harbors enough strange animals without having milligrams and centimeters running around under the sink. And you try telling a woman who measures a yard from the tip of her nose to her fingers that it'll take 12 meters to cover the kitchen windows with curtain!

As for young people catching on to metric, forget it. Anything that doesn't light up with the answer when you

Talking Metric

push a button is beyond them.

I understand the logic behind having a universal system of measuring throughout the world. It's just that other things seem to take priority. I'll take European metric seriously when James Bond drives on the right side of the road, when all the bathrooms in Europe have the same flush mechanism, when other nations stop crossing their sevens in the middle, and when Italian lira come out with a few big bills.

In a few years, I suspect all that will be left of the metric invasion in this country is a few cans of whole onions on the shelf that read "1.34 kg" and the road sign that reads, "Willardsville, 40 kilometers."

They will be reminders that you can spoon-feed Americans a diet of decimals, but they don't have to swallow 'em.

RECIPE FOR THE WEEK:
Anita Walton, of Ranger, shared with me a delicious recipe for chicken and rice.

CHICKEN AND RICE CASSEROLE:
Layer accordingly in 9 x 13" pan
4 slices (cut) raw bacon

1 cup uncooked rice
1 cut up chicken
1 can cream chicken soup
½ cup water (Mix the cream chicken soup and water together and pour over)
Sprinkle with onion flakes and chop onion
½ teaspoon oregano
2 teaspoon parsley

Cover with foil and bake approx. 2 hours 300 - 325 Degrees F.

Ranger Junior Rodeo Club

To Hold Playday

The Ranger Junior Rodeo Club will hold a playday Sunday, November 21st at 2 p.m. The playday will be at the Ranger JC arena in Ranger. The public is invited to the playday.

The Garden Editor

By Ted Brice

In November of 1981 there was an article in the "American Rose Society Magazine about a new product called "Nitron." Your Garden Editor who is a member of the American Rose Society and who grows

Show Roses was very interested in learning more about this new product call "Nitron." With in the last few months I have received many questions about Nitron from my readers. Nitron is the product of Frank and Gay Finger of Learnard, Kan-

sas. Frank Finger has been and still is a farmer in Kansas and for many years he has been very familiar with the growing problems that we all are faced with each year. "Nitron" has been tested by many colleges and or universities. Some of the reports back from these institutions as well as letters from users of Nitron is fantastic and in some cases hard to believe. As you know the Garden Editor will write or speak only from his own personal experience.

I have soaked various seed in Nitron from a few hours to overnight. This is truly amazing with in a few hours in most instances there was germination of the seed. This included Bluebonnet seed which has a very hard outer coat and normally needs this outer coat broken or at least scratched before planting. We are all looking for better roses with larger blooms, healthier foliage, stronger stems which in turn means a stronger root system. This is exactly what I achieved when I used Nitron Formular A-35. I simply used ¾ cup of nitron per rose bush and watered in heavily. This was done twice a year. In the spring and then again in the fall of the year. In checking the soil surrounding my rose bushes after this application of Nitron, I found that I was rid of all the unwanted Toxins and salts. This enabled the rose bush to utilize all the fertilizer that I had applied and reduce my fertilizer cost and still producing top quality plants with fabulous blooms.

Another use of Nitron I discovered was to mix it with the water and folier feed the bushes. Nitron reduced the alkaline in the water which in turn let the foliage absorb the fertilizer that I was applying and leaving a cleaner looking leaves.

This Nitron Formular A-35 is just what the doctor ordered for Roses and Seed. As your Garden Editor uses Nitron on other plant material he will report the results here in Garden Editor column. At this time Nitron Formular A-35 appears to be what the gardeners have waited for, for many hundreds of years.

If you would like more information about Nitron Formular A-35 write to your Garden Editor c/o this newspaper.

Cisco Homes

An assumable 9¾% loan on this one! A 3 bedroom, 1½ bath, brick home. Separate den, utility room and large closets.

Spacious rooms in this 3 bedroom frame home. Carpeted with large carpet, pecan and fruit trees. Two lots go with this one with a good garden spot.

A 2 bedroom, 1 bath older home with separate dining and utility rooms. Partially carpeted, assumable loan. \$22,500.

A large 2 bedroom home with carpeting, screened in porch, fenced yard and a small office building for a business.

Large 3 bedroom, 1 bath older home. Has large rooms, separate dining room. Bathroom and kitchen have been remodeled. Also has separate garage and storage. \$21,000.

New vinyl siding on this 3 bedroom, 1 bath home. Large rooms, carpeted, storage building, combination garage and shop and fenced backyard.

A large 2 story with 5 bedrooms, 2 baths, den, separate dining and breakfast rooms, located on corner lot. Has apartment attached. A very scenic yard with lots of trees.

A nice 3 bedroom, 1½ bath home on corner lot. Central air and heat, new carpet, modern kitchen and built-in dishwasher. Also, a garage and storage area. \$25,000.

Three bedroom, 1½ bath, brick home with carpet. Fenced back yard, fruit trees, double garage. \$3,000 and assume loan.

Homes-Eastland & Ranger

Close in! A 3 bedroom, 2 bath older home that has been remodeled. Fully carpeted, ceiling fan, fenced back yard. \$29,500.

In walking distance to downtown, a two bedroom, 1 bath home. Kitchen has been remodeled. Just right for a couple. \$28,500.

Located in Carbon! A 2 bedroom home on one acre. Just like living in the country and only \$16,000.

11% interest on assumable loan. This nice 3 bedroom, 1½ bath brick home is located in exceptionally good neighborhood, near schools. Carpeted, built-ins, central heat and air. \$59,900.

Magnificent can only begin to describe the den area in this 3 bedroom, 2 bath home. Excellent location. 2400 sq. ft. of living area, and many other features. \$85,000.

Located in Ranger! A 3000 sq. ft. home on over an acre of land. 3 bedrooms, 2 baths, den, playroom, dining area. A fantastic home priced to sell at only \$79,500. Extra bonus! An assumable loan.

This 2500 sq. ft. home has 4 bedrooms, 3 baths, living room and den. This is a very neat and attractive place with a fenced yard, double carport and storage. Assumable loan. Total price \$52,000.

8 lots located in the northwest part of Eastland. \$25,000.

In Oakhollow, a 103.44 x 105 foot lot. Good location. \$5500.

On corner lot, a 3 bedroom, 1½ bath home. Carpeted, beautiful fireplace in den. This home has 2000 sq. ft. and priced at only \$39,500.

Located close to downtown, a large 3 bedroom, 1 bath home that has been remodeled. Priced to sell at \$21,500.

An older 3 bedroom frame home on corner lot. Needs some work done on it. Terms can be arranged. \$16,000.

Want a new home? We have large lots available in exclusive area. City water, sewer, and paved streets. This area is restricted to brick homes only. Reasonable priced from \$4500 to \$4800.

4 lots add to the attraction of this 2 or 3 bedroom, 1½ bath frame home. Beautiful garden spot with both fruit and pecan trees makes this a good buy at \$35,000.

Small Acreage With Homes

Located in Ranger! A 4 bedroom, 1 bath frame home on 5 acres. There is an old motel on this property that could be possible restored. Home is in good condition with plenty of highway frontage. All this for only \$55,000.

40 acres approximately 3 miles south of Cisco with a 3 bedroom frame home. 4 tanks, city water, and mostly cleared. Tractor and equipment will stay. \$51,000.

72 acres with a nice 3 bedroom, 2 bath home, dairy barn, 2 hay barns, tack room and corals. Some minerals. Located near DeLeon. \$87,500.

2½ acres near Lake Leon with water well, tool house and pecan trees. Only \$7,000.

11.19 acres with a nice 2 bedroom home, 3 car garage plus barn and other outbuildings. This house is carpeted, has built-ins in kitchen and a fireplace. Lots of fruit and pecan trees. Beautiful place. \$64,000.

30 acres near Cisco with I-20 frontage. A very versatile place. Would be a good location for a business or home. \$45,000.

A very nice 3 bedroom, 1½ bath stone and brick home of 4.38 acres. Carpeted, central heat and air, fireplace, bookshelves, screened porch, and many other extras in this 2150 sq. ft. home. \$88,500.

A 3 bedroom, 1½ bath home on 7½ acres, this is carpeted, central heat and air and paneling. Included are a 2 bedroom, 1 bath rent house and a 1 bedroom garage apartment. All this for only \$70,000.

A 3 bedroom, 1½ bath home on 2 acres. Carpeted, some paneling. Has approximately 28 pecan and 12 fruit trees. Located in Olden. \$49,500.

Located in Carbon a 3 bedroom, 1 bath home on 10 acres. Extra large den with wood burning stove, carpeted, central heat and air, outbuildings, several wells and city water. Only \$45,000.

A 3 bedroom, 1 bath home on 40 acres located near Gorman. Has a 24 x 40 building, plus barn and other sheds. The land is all cleared and has been in cultivation. \$68,000 and owner will carry a note.

5 acres. A new 2 bedroom home that is carpeted, wood burning heater, heat pump and other extras. Also, on property is an old house that could be used for a barn. \$48,000.

Farms & Ranches

Beautiful can only be used to describe this property. 70 acres on I-20, with lots of nice trees, four tanks, 1 spring fed and 1 extra large. Good fences, ¼ minerals with leasing rights. Not leased, but does have two old oil wells on it. Also a camping cabin included. \$98,000.

150 acres south of Carbon, 60 acres in cultivation. Good hunting area for deer, turkey and quail. Has house that is good for hunters to stay in. \$450 per acre.

Looking for that special scenic hideaway? This is the spot! 53 acres near Olden with beautiful live oak trees on rolling hills overlooking a winding streambed. Owner will finance with 15% down and 10% interest. Don't miss this one! Only \$53,000.

102 acres near Scranton. Barn, pens, good fences. ¼ minerals with leasing rights. \$500 per acre.

74 acres located on highway. 2526 out of Carbon. 35 acres of cultivation and ¼ minerals. \$53,500.

12 acres located near Lake Leon on highway. Good hunting land, none of it has been cleared. \$18,500.

Near Lake Leon, a 20 acre tract of land. Some cultivation and good hunting area. \$30,000. Owner will finance.

62 acres near Union Center. Approximately 25 acres in cultivation. Good fences. ½ minerals. \$750 per acre.

17½ acres near Gorman off Desdemona highway. Water well, natural gas available, ½ minerals. \$25,000.

52 acres located north Eastland on Wayland highway. All in cultivation, three tanks, 2 water wells, barn and pens, and good fences. \$52,500.

Need to invest some money? This 147 acres between Carbon and Gorman has 80 acres of cleared land, good hunting, with lots of county road frontage. These are real good terms with this one. \$475 per acre.

Located close in, 500 acres, some cultivation, a 2 bedroom home, barn, pens, water well. \$530 per acre with terms.

320 acres located between Carbon and Gorman. Some cultivation, but mostly wooded. Good fences and hunting, some minerals included. \$500 per acre. Owner financed at 9% interest.

5 acres near Eastland. I-20 frontage. \$5000 per acre. Terms can be arranged.

Commercial

Located near downtown, an older building that would make a good location for a business. \$35,000.

In Cisco, a 100' x 50' building with office space and a shop area of 4400 sq. ft. Owner will finance on this one with reasonable down payment and interest. \$75,000 for building or \$95,000 for everything as is, as a business.

In Cisco, a small office building for a business with covered parking area. Included is a large 2 bedroom home with screened in porch, fenced yard and lots of trees.

In Ranger, a large 2 story brick building with good sized fenced yard. Located near railroad tracks with spur. \$85,000.

Good location! We have a quick stop grocery doing a good business. All fixtures, shelves and stock are included. Also, a trailer park with spaces for 21 trailers. These are assumable notes with good interest. \$91,000. Will lease.

Located near downtown! A two story brick building, 4 lots and a house. All this for \$40,000. Will consider splitting.

Ideal location for a business. A 4,400 sq. ft. building on large, paved corner lot. Close in. \$60,000.

2 acres on I-20 Olden Ramp East. Ideal location for a business. \$20,000.

Valuable I-20 property! Approximately 4,600 sq. ft. building very versatile, easy accessibility. \$87,500.

In Cisco! A nice brick building with 5,000 sq. ft. in prime downtown location, near new bank. \$60,000.

In Ranger. 4½ acres on highway 80 W. 1,800 sq. ft. office, 24,000 sq. ft. shop building, 2400 sq. ft. warehouse, other buildings and commercial antenna. Owner will consider terms. \$170,000.

For commercial use only. One to five acres with I-20 frontage.

We have other home, land and commercial listings.

CJC Will Offer Defensive Driving

As a service to the community, Cisco Junior College will offer a Defensive Driving Course December 6 and 7 from 6-10 p.m. in the Science Hall Lecture room. Fee for the course is \$20.

The Defensive Driving Course is an eight-hour classroom course designed to improve driver skills and attitudes, especially in emergency situations. Drivers who complete the training are eligible for a 10 percent discount on automobile insurance rates

covering bodily injuries, property damage, medical payments and collision coverages. Good for three years, the discount may be renewed by retaking the Defensive Driving Course.

Moran News By Mrs. Luke Huskey

Mr. and Mrs. Charles Gardner of San Antonio

Enrollment fee must be paid by 3 p.m. on December 6. No late registration fees will be accepted.

For more information or to register call or come by the President's office at Cisco Junior College.

spent the weekend with her mother, Mrs. J.W. Booth and with Mr. and Mrs. O.K. Schooler.

CLEAN-UP DAY
The Young Homemakers of Moran sponsored a Clean-Up Day for Moran last Fri-

day and Saturday. Lots were burned off and lots were cleared of rubbish, which greatly improves the looks of the town. Thanks, Young Home Makers.

TEMPERATURE
The people of Moran awoke Monday morning to have freezing temperatures. The lowest temperature that was known around town was 18 degrees.

Dick Cockrell is receiving treatment in Dyess Hospital, Abilene.

The Workers Conference for the Baptist church will be held at the Baptist church in Moran Monday night.

Mrs. J.W. Booth and Mr. and Mrs. Bert Booth of Temple visited with friends in Littlefield last week.

Mrs. C.H. Bridges spent last weekend in Graham with her daughter, Mrs. Bill Sipe and family.

MUSICAL
Remember the Moran country musical on Friday night, November 26, at the Moran Community Center. A concession stand will be open. Come and enjoy an evening of fun, entertainment and fellowship. All area musicians are invited to attend and take a part in the musical.

The American Legion Auxiliary asks that you make your contribution to the Veterans Auxiliary Christmas boxes this week, or next, as the boxes must be taken up and the gifts sent to the Veterans hospital in Waco. Any contribution will be appreciated.

L.C. Kays is receiving a check-up at the Scott and White Hospital in Temple this week.

Mildred Smith is receiving treatment in the Eastland hospital.

Clarence Hamilton is receiving treatment in the Breckenridge hospital.

Frances Green spent the weekend in DeSoto with her daughter, Mrs. Steve McKewin and family.

Elma May Huskey spent the weekend in Jacksboro with her sister-in-law, Mrs. Eddie Smith, Sr. and visited with her nephew, E.L. Smith and family in Bridgeport.

Putnam News

By Mrs. R.B. Taylor

We have had ideal weather at Putnam the past week. Not too hot and not too cool. As usual we need rain or snow. Some of the grain sowed early came up after the showers in October and is

needing more rain real bad. The pecans are falling. My trees do not have many on them. There was so many last year maybe the reason for a short crop. About all the going is to the mountains, hunting elk and deer. There seems to be lots of turkeys and quail here.

Our sick folks are all doing better. In fact no one is in hospital at this time that I know about.

Mary King is recuperating nicely at home. Calvin's sister Mrs. Mildred Smith of Cisco spent several days with them last week. Mrs. Dink Pruet is also home after a stay at Hendricks Hospital at Abilene. Mrs. Faye Woods of Cisco is still in hospital suffering from a broken hip.

Judy Maxwell was hostess for a baby shower for Betty Martin Thursday evening. About 20 guests attended.

Mrs. Ruie Sunderman at the Golden Holiday Nursing Home at Baird won the beautiful quilt which was pieced by the women at the Community Center. Chances were sold. The proceeds going to the upkeep of the Center.

Mrs. Maxie Solomon is a proud grandmother. A daughter was born to Mr. and Mrs. Billy Solomon at Houston November 13.

Mr. and Mrs. G.W. Weeks of Brownwood visited his parents, Mr. and Mrs. George Weeks Friday. Mr. Weeks is pastoring a church at Brownwood.

Mrs. Terecia Mosley at Burnet visited her mother, Mrs. R.C. Speegee and her sister, the Milton Donaways this week.

Mr. and Mrs. Bill Taylor of Weatherford and Mrs. R.B. Taylor went to Sweetwater Sunday to visit Homer and Carolyn and to help Homer celebrate his birthday. He says his 39th! His mother is not talking!

STUDY CLUB MEETS
The Putnam Women's

Study Club met Monday, November 8, at the Community Center. Thirteen members and five guests were present. Dianne Cantrell with West Texas Utilities Co. at Abilene brought the program, "Holiday Delights." Mrs. Edith Muzny, Mrs. Beth Whitehead and Mrs. Ollie Burnam were hostesses. Refreshments were served

from a beautifully decorated table featuring the Thanksgiving theme. Others present were Mmes. Clinton, Cook, Feeley, Heysler Isenhower, Ivie, Sunderman, Taylor, Waddell Weathermon, Whitehead Quarles of Cisco, Smith Donaway and John D Isenhower.

IT WILL SAVE YOU MONEY....

The Heat Pump the most efficient system for heating and cooling.

A heat pump can actually produce more than 2 units of heat for every unit of electricity used, in a properly insulated home.

Unlike a conventional furnace, the heat pump doesn't make heat. It transfers or "pumps" heat. Even on cold days, there is some warmth in the air. The heat pump transfers this heat into your home to warm you and your family.

THE ELECTRIC HEAT PUMP WILL SAVE YOU MONEY! If you have plans to buy, build or remodel, or need a new heating and cooling system for your home, call a local factory trained HEAT PUMP DEALER or talk with WTU. We will arrange for a WTU heating and cooling specialist to contact you.

Letters to the Editor

To Whom It May Concern,
We as Christian citizens of Cisco, Texas, love our hometown, appreciate and read our hometown paper Cisco Press. But we don't appreciate such terrible evil ads such as was in our paper Sunday, Oct. 31, 1982. Such evil behind such motion picture films as that film to be shown in theatres. The evil of booze and other evils are all together bidding God's wrath and judgement to fall on our land. Keep our paper clean, please.

Sorrowfully,
Mrs. Velma McCrary
301 E. 9
Cisco, Texas

Dear Editor:

I am writing to you in hopes that you will publish my letter in your newspaper. I am unable to pay printing fees because I am in prison. I was born in Cisco, Texas, in 1944, and in 1949 or so my parents and I moved to Georgia. My parents were later divorced and I lived with my mother until she was killed in a car accident. I was then placed in a foster home and now I'm in prison.

I feel that some of my relatives still live around Cisco and I want you to publish my letter in hopes that some of my relatives or someone who knows them may write to me. I have never felt so much alone in all my life as I do now.

I am a white male, age 38, but loneliness picks no color or age to fall upon. My mother's name was Shirley Murray. My father's name is Iva W Taft. If anyone reads this letter and would like to share a smile with a lonely prisoner, please write. Thank you for your time and help.

Sincerely written
Lennie Taft
EF-118816-L-1
Reidsville, Ga. 30499

Editor

Starting as it did, just before the General Election, many of us thought that the Eastland County War on Drugs program might be politically motivated. I for one, stand corrected. It's obvious now that it was not, and that it is a thorough and for-real effort to stop the il-

legal drug traffic in the county. I'm convinced that the law enforcement agencies, the courts and the general public mean business, and when the Hot-Line program gets set up, I believe there will be a lot of reporting done. I'm glad that somebody is finally doing something.

Name withheld by request

Letter to the Editor

I recently attended a meeting of the School Board with approximately fifty (50) other parents, ex-students and concerned citizens and was quite surprised and taken back by the attitude and lack of concern that was shown to those who attended the meeting. True, the group had a spokesman and he presented the views of the group concerning our athletic program in our school. I do not know of one person there who said an unkind word about our coach, but in the way that our athletic program was held. After Mr. Worley finished his speech the president of the School Board thanked him and the group for coming forward and expressing their views. There was no questions asked or did any member of the School Board ask for suggestions as to what may or may not alleviate the problems. The president of the School Board promptly adjourned the meeting. I along with the majority of those in attendance felt like this was a slap in our face as if to say "we are the School Board and we will run things the way WE want to."

I have no fears in writing this article, for my children have all graduated and I have no fear of any of the teachers, superintendent, or School Board members taking it out on my children for what I say. I believe that our school system needs revamping from the superintendent office downward. I do not believe in favoritism in any shape or form especially when it comes to our children. I do not believe just because someone is in authority that they should decide whether their children will be a

cheerleader, basketball player, football star or whatever. I do not believe either because a child's parent is a lawyer, doctor, preacher or judge that their child should have any more privileges than any other child. It should be on ability of the child himself, and if the student body has a vote who should be King Lobo, cheerleader, mascot or whatever. I believe that the choice of the students should stand up as long as his grade average and attendance in school is okay. It should not be decided by one or two teachers whether a child conducts themselves as King Lobo material, or which student should be head cheerleader or whatever. While on the subject I believe that our teachers should be reviewed by other teachers in their own profession and make a fair and honest opinion of our teachers. Also why not get QUALIFIED substitute teachers. People who can at least keep the students in a forward progress. I am told by some former students that they spent almost six weeks learning something that could have been taught in one or two days at the most. Is this progress?

Also another thing that has rankled myself plus other parents. Students are not allowed to raise money by selling products to help out their class projects as has been in the past. This was stopped approximately four or five years ago. Some of the products not only helped out the students, but gave the parents and other of the town a chance to contribute to the school system. Not only do they receive something, but are helping the school system. This is not begging as has been stated in the past.

We moved back to Cisco fourteen years ago from California and at the time, I told my wife that it would be better for our children to attend school in a small town rather than larger schools like in California. Small town schools are boasted to have more of a one-to-one type education. I had forgotten what small town schools were like. Since we moved back to Cisco, we have only missed one football game (even though we didn't have a child playing each year) and this

Dusty Ferguson, six year old son of Mr. and Mrs. Bruce Ferguson, killed his first deer Saturday, Nov. 13, on a lease near Brady. Dusty weighs 40 pounds. He killed the deer which weighs 55 pounds with a 22 Hornet at 75 yards. He is the grandson of V.B. Ferguson. Dusty's father, Bruce, Bobby Ferguson and V.B. Ferguson also killed deers.

year we only attended three (3) games. In one of the games the quarterback (ours) was apparently hurt and should have been pulled off the field because it was very obvious that he was stunned and confused. This was in the last few minutes of the game. Luckily the player wasn't permanently injured and the game ended in a tie.

In closing I hope that the students speak to their parents about the truth of what is going on in the schools then maybe the parents and concerned citizens can get together and try to get a change in our school system. What we need is a fair system to all students plus quality education for our students. To do this we need fair administrators, teachers and school board members. Remember this in our school, we the people of this town pay for it and we support it and we also ELECT the school board members therefore the citizens of Cisco should be able to control what is fair and equal for the students. I believe that all of us from the richest to the poorest man in town has a right to believe that his child will receive equal treatment. Remember some of the richest people in the world weren't born with a silver spoon in their mouth but had to fight for everything they had. Some of the richest people's children turn out to be bums, while some of the poorest people's children turn out to be highly respected citizens. Get together people and fight

for a greater and better Cisco Public School System! Don't let our children down. Don't let them be second rate citizens. When we have a fair and equal system, we will have better educated kids, also a school district that we can be proud of.

We have the best children in the world living here in Cisco. Ones that we can all be proud of. We have kids that are potential winners. Let's back them and see if we can have a winning school in all forms, be it academic or sports. Only you the citizens of Cisco can do it. Don't let a few school board members who meet after the school board meeting (at the White Elephant or anywhere else) make the decisions as to how our school system is going to be ran.

PUBLIC NOTICE

NOTICE TO WATER CUSTOMERS OF HIGH TURBIDITY

Dear Customer:

The City of Cisco during the month of September, 1982, supplied water that exceeded the Texas Department of Health's "Drinking Water Standards," which were promulgated as required by the "Safe Drinking Water Act," Public Law 93-523 (US), for turbidity. The water supplied failed one or more of the following criteria: (1) the monthly average exceeded 1 turbidity unit (TU).

The presence of excessive turbidity or cloudiness in drinking water may interfere with the effectiveness of disinfection of the water. Permitting the turbidity level to exceed the standard may present a risk to the health of persons drinking the water.

However, up to five turbidity units (TU) may be allowed if the supplier can demonstrate that the higher turbidity does not: (1) interfere with disinfection, (2) prevent maintenance of an effective disinfectant agent throughout the distribution system, (3) interfere with microbiological measurements.

The water system is being studied to correct any high turbidity at any future date.

The notification of the public is in compliance with Texas "Drinking Water Act," as a means of keeping the public informed.
Michael D. Moore
City Manager

Rebekah S.S. Class Holds Work Night

The Rebekah Sunday School Class of East Cisco Baptist Church held a meeting October 25 at the Educational Building of the church. This was the class' second work night on a Christmas project.

They made quite a bit of progress on the items they were making for the Cisco Nursing Center since they used up all of some materials they had to postpone finishing the project until another time.

Before dismissal coffee, cake and cookies were served. Those attending were Doris Crutchfield, Bonnie Ervin, Clara Hallmark, Marie Ivie, Juanita Hill, Jewel Kinard, Dessie Covington and special guest, Mrs. Hammer, mother of Mrs. Covington.

WORD of GOD

Fast and Pray

Defraud ye not one the other, except it be with consent for a time, that ye may give yourselves to fasting and prayer; and come together again, that Satan tempt you not for your incontinency.

1 Corinthians 7:5

WORD of GOD

Not forsaking the assembling of ourselves together, as the manner of some is; but exhorting one another: and so much the more, as ye see the day approaching.

Hebrews 10:25

Floodwater Control Plans For Sabanna River Watershed Terminated

A letter addressed to County Judge Scott Bailey from George C. Marks, State Conservationist with the U.S. Dept. of Agriculture states that all current plans for Floodwater Control on the Sabanna River Watershed, Eastland County, have been terminated.

The letter states, in part:

"Planning assistance under P L 566 (Watershed and Flood Prevention Act, Public Law 566, 83rd Congress) is being terminated because a favorable benefit-cost-ratio cannot be obtained under present conditions."

This decision by the U.S. Dept. of Agriculture came after 20 years of work, study and planning by County officials and others on this extensive project. The Sabanna River Watershed contains 311 square miles in portions of Callahan, Comanche, and south and SW Eastland County. The principal problem within the watershed is one of spring flooding.

By June, 1977 a detailed Watershed Plan and Environmental Impact Statement was submitted by the Eastland and Comanche County Commissioner's Courts, the Central Colorado Soil and Water Conservation District, and the U.S. Dept. of Agriculture Soil Conservation Dist.

Plans for any possible procedure by the County were contained in the following statement by Marks: "Should conditions change, and it appear that an economically feasible plan could be developed, you would need to submit an Amendment to your original application ... and request a new planning authorization..."

Regarding the letter, Judge Scott Bailey stated: "On behalf of Eastland County, we are disappointed to see that this project has been dropped from the Planning Grant, especially after all the years of careful planning, work, and expense."

The Judge further said that he and other County officials would be having meetings with all persons connected with the project - to find out what their wishes are and if anything can be done about the situation.

Governor Declares 'Community College Week'

November 14-20 has been declared by Governor Bill Clements as "Community College Week" in Texas. Cisco Junior College is proud

to be a part of the Texas Community College system. The Texas Community College system is a true success story. Both in the short-

term impact of preparing students for today's employment market and in the long-term investment of contributing to the human capital needed for a viable economy. Texas can look forward with confidence to the continuing success of community colleges.

The Texas Legislature passed the first junior college statute in 1929. From the beginning, the community college system has grown to the extent that it now provides comprehensive educa-

tional programs across the state both efficiently and effectively.

For less than ten cents from each educational dollar of state taxes, Texas community colleges:

**are strategically located: the 47 districts with 62 campuses are within commuting distance of more than 90% of the population.

**are public, two-year, comprehensive institutions of higher education, each controlled by a locally-elected governing board.

**are OPEN DOOR institutions, available to all persons, providing multi-purpose classes and activities for persons of all ages.

**have wide-ranging university parallel programs for students planning to transfer to senior institutions to complete requirements for baccalaureate degrees.

**offer occupational training in approximately 160 different technical-vocational programs, providing more than 90% of the post secondary technical and vocational training in Texas.

**enroll 60% of today's freshmen and sophomores and 40% of all students in

Texas public higher education.

It is clear that Texas taxpayers are receiving optimum utilization from the 10

cents of each education tax dollar that supports community colleges. Texas community colleges are making significant contributions to

the state's educational needs and economy; this pattern can be expected to continue as an efficient and effective influence in the future.

CJC To Offer Defensive Driving

As a service to the community, Cisco Junior College will offer a Defensive Driving Course December 6 and 7 from 6-10 p.m. in the Science Hall Lecture room. Fee for the course is \$20.

The Defensive Driving Course is an eight-hour classroom course designed to improve driver skills and attitudes, especially in emergency situations.

Drivers who complete the training are eligible for a 10% discount on automobile

insurance rates covering bodily injuries, property damage, medical payments and collision coverages. Good for three years, the discount may be renewed by retaking the Defensive Driving Course.

Enrollment fee must be paid by 3 p.m. on December 6. No late registration fees will be accepted.

For more information or to register call or come by the President's office at Cisco Junior College.

The Texas Crime Stoppers Advisory Council wants you to know some facts about drunk driving in Texas.

- One half of all traffic accidents involve a driver who has been drinking.
- It is estimated that on any weekday in Texas, 1 out of 50 drivers has been drinking or is drunk. On weekends, this ratio climbs to 1 in 10.
- Last year there were 36,774 reported accidents in Texas that were the result of DWI — more than 100 per day.
- 23% of all traffic deaths in 1981 involved drunk driving. The ten year total of DWI related deaths in Texas is 19,000 — more than the population of many Texas cities.

Texans should be outraged at this senseless destruction by drunk drivers. For too long, society has permitted innocent persons to be killed on our highways, because it is easier to ignore the DWI problem than to face it.

People have been led to believe that DWI is not really a crime, and the drunken driver is not really a criminal, but this is not true.

For the month of November, the Texas Crime Stoppers Advisory Council is focusing its statewide "Crime of the Month" on DWI. No reward is offered. Instead, the Council urges you to support local and statewide efforts to reduce the number of drunk drivers on Texas highways.

Every Texan must make a personal commitment to help put an end to this tragedy. Together we can prevent the drunk driver from spreading further death and destruction on our highways.

Head On

Ray Boyd
TECHNOLOGY

In the sixties, the company that I worked for, leased seven IBM machines to handle invoicing, stock status and inventory control on more than twenty five thousand items. In two years the personnel was reduced from nineteen to nine people, with only about one thousand dollars rental per month.

With this set-up, the business was much more efficient and inventory could be kept on hand to take care of customers when they needed it.

In the eighties, with computers and other technology taking over, people who want a job, will be compelled to get this type of education instead of political science, literary and physical education and other non-technical courses.

In the seventies, the University of Wisconsin ran a test using TV instead of professor lecture on a class of some two thousand students. They averaged more than ten per cent increase in grade. School teachers are not needed at all in the lecture courses now.

So it is easy to see that it is very necessary for a lot of our people train for the technical jobs.

They are making computers (and selling them) faster than people can be trained to use them. The manufacturers have set their goals for a computer for every business and one for each one of us personally.

Some countries such as Russia and Japan are training more people in the technical fields than we are and to maintain leadership, we need to put on a massive training program in the near future. This is the way it is headed.

OPEN 24 HOURS EVERYDAY!

People n Things

IT SEEMS TO require ten days to two weeks for mail to reach us in Quito, Ecuador, from Texas. And so our old friend, CofC Manager Gene Abbott, had been buried nearly two weeks when we learned about his untimely death. The news came as a shock as we visited with him over coffee cups the day before we departed for South America last September 14th and left him in good spirits. Gene's roots were deep in Cisco. His late father was a member of the first church organized at Red Gap, the village to the west that became Cisco in 1881. Gene grew up on a farm southwest of town, and we remember him telling about milking cows and plowing with a one-horse plow. He was a devoted sportsman and fan and was a Lobo Band drum major back around 1930 and 1931.

Over the years, Gene probably contributed more time than any other Ciscoan in looking after the welfare and needs of senior citizens—folks he had known from childhood. He was active in church and community affairs, and he was a strong and vocal supporter of everything that had a bearing on Cisco's welfare and progress. He was a loyal citizen in every sense of the word. Gene did an outstanding job as manager of our town's Chamber of Commerce. Giving him up was surely easier for his family and friends when they considered his value as a family man, as a friend and as a citizen. Gene Abbott's name will be long remembered in our fine community. Many of us are richer for having known him.

AS THIS WAS written (Nov. 5th), we were beginning the job of winding up our mission in Ecuador. Plans called for Nov. 15th to be our last day of work here and for the homeward journey to begin shortly thereafter. And we're ready for the home fires.

This is the rainy season in Quito, and almost every day or night there is a rain storm, often with pea size hail. The temperatures are such that you want a sweater under your coat.

ECUADOR OUTDID the USA this past week. They had a 4-day holiday weekend. Nov. 2 and 3 were national holidays, having to do with honoring the dead with appropriate cemetery decorations, so everybody worked on Saturday, Oct. 30, and were given Monday, Nov. 1, off. So, counting Sunday, there was a 4-day holiday.

day. The Ecuadorans took profusions of beautiful flowers to decorate graves in the cemeteries on Nov. 2. The following day, they took food and there was feasting in the cemeteries.

WE USED THE extra days off to do a little sight-seeing in the Quito area. Went one day to a small town near Quito where most of the citizens are gainfully employed in the business of making small decorative items (lapel decorations, ornaments, etc.) from bread dough. They paint and decorate their items and send them through a baking oven for 10 minutes. And they come out hard and durable.

It's quite an industry and their products are in all the stores around Quito. Mrs. JWS couldn't resist so we'll be bringing home a goodly supply.

ANOTHER DAY we went some eight or ten miles to see a large monument erected near Quito directly on Latitude 0—the equator. The huge stone monument is a tourist attraction and is quite attractive. We were presented certificates that attest the fact that we had indeed stood on the equator. What is more, our presence in front of the monument was duly recorded on film.

Considerable construction work is going forward in the monument vicinity. They're building assorted shops where tourists can buy things Ecuadorian as a reminder of their visit there.

THE LABOR UNREST has subsided somewhat and the government has recinded part of its gasoline price hike. They went up from about 25 cents to about 55 cents per gallon. This caused quite an uproar, a strike of workers, and general unrest. City buses quit running in protest.

The government has cut the gas price raise to about 60 per cent of the initial hike. And bus fares have gone up from about four cents to about seven cents. The minimum wage has also gone up so folks are a little happier.

Overheard one Ecuadorian lady say "They're going to keep on until we won't be able to afford a maid."

Guess it will be rough all over.

Little Wranglers Will Perform At AARP Meet Thurs.

A special feature of the regular meeting on Thursday evening, November 18, of the Cisco Chapter of AARP, will be a performance by the Little Wranglers, a team of boys and girls, ages six through 13, to demonstrate their agility at handling basketballs.

The youngsters are coached by Tom Collins, CJC instructor, in connection with the Wranglers' athletic program. The performance will be in addition to the business session that includes election of officers for 1983-84, collection of canned goods and non-perishable items for the Christmas basket for a needy Cisco family, and other business matters.

All members, please come!

Genealogical Society Will Meet Monday

The West Texas Genealogical Society will meet Monday, Nov. 22, at 7 p.m. at the Church of Jesus Christ of Latter Day Saints, 3325 North 12th St., Abilene.

A fall workshop is scheduled Saturday, Nov. 20, 9 a.m. to 3 p.m. at the same location.

The program will be "Pioneer Days in Abilene" presented by Mrs. Ima Cotton Jennings, a lifelong resident of Taylor County and a retired school teacher.

Members and visitors are encouraged to attend. For more information call Mat Casey, president, 915-672-6995 or write P.O. Box 2307, Abilene, Texas 79604.

Williams Family Will Celebrate Christmas Early

The Lester and Anna Williams family will be celebrating Christmas on Thanksgiving as two of their sons will be in the hospital in Austin on Christmas. Owen, the eldest son who attended CJC, will be having a kidney transplant and Jeff, the youngest of the three sons, will be donating his kidney.

The second eldest son will be coming down from Oklahoma City. Mrs. Williams' sister, Sadie McAteer will be here from Toronto, Canada. Prayers are asked for Owen and Jeff during their stay in the hospital. Mrs. Ghormley was a

OBITUARY

Funeral Services For Ed Harrell Are Tuesday

Funeral services for Ed Harrell, 72, of Cisco, were at 2 p.m. Tuesday at Kimbrough Funeral Home. The Rev. Buddy Sipe, pastor of First Baptist Church, officiated. Burial was in Oakwood Cemetery.

Mr. Harrell died at 5:06 a.m. Sunday at West Texas Medical Center in Abilene after a short illness.

He was born September 9, 1910. He served in the Marine Corps during World War II. He worked in heavy construction in California and Arizona. He retired in 1973 to ranch in Eastland County. He married Betty Jo McCormick on September 15, 1973, in Winterhaven, Calif. He was a member of Iron Worker's Local No. 378 in Oakland, Calif.

Survivors include his wife of Cisco; a son, Richard of Newport Beach, Calif.; a daughter, Mrs. Alfred K. Ross of Sedona, Ariz.; his mother, Mrs. Myrtle Harrell of Amarillo; two brothers, Freddie of Rising Star and Don of Lubbock; a sister, Mrs. Donnie Dent of Amarillo; seven grandchildren; and three great-grandchildren.

He was preceded in death by his father and a brother. Pallbearers were Alfred Green, Ted Fields, Red Dalton, Larry Gerhardt, Jack Kaltenbaugh and Lefty Young. Honorary pallbearers were Mart Agnew, J.W. Stevens, Bur Herron and Jake Morgan.

Funeral Services For Lydia Smith Are Tuesday

Funeral services for Lydia Mayo Smith, 88, of Cisco, were at 10 a.m. Tuesday at Hubbard-Kelly Funeral Home in Odessa. Graveside services were at 3 p.m. Tuesday at Carlsbad, N.M. Bob Burgess and Charles Jones officiated.

Mrs. Smith died Monday at Medical Center Hospital in Odessa.

She was born August 19, 1894, in Jacksboro. She was a housewife and a member of Church of Christ. She married Alman Hester Smith in 1916 in Oklahoma. He died in 1972.

Survivors include a daughter, Mrs. Sidney Bradock of Odessa; two sons, Claude Smith of Oklahoma City, Okla. and Andrew A. Smith of Arlington; nine grandchildren; and 14 great-grandchildren.

W.C. White Dies In Texarkana

W.C. White, 64, of Texarkana, Texas, died early in November. Mr. White owned Glenwood Furniture Store in Texarkana.

He was born in Cisco, moved to Alpine with his father, Hugh White. Hugh operated automotive place in Cisco and died several years ago. He is survived by his wife and three children.

Thursday, November 18, 1982

Notice
Walton Electric Co.
is pleased to announce the addition of Ed Hammer to its staff. Ed was born and raised in Cisco. He is an experienced mechanic in all phases of auto repair, and invites his friends and acquaintances to visit him at his new location.

City Federation Will Celebrate Birthday

The City Federation of Women's Clubs is celebrating its 60th birthday this year. The Club invites everyone to celebrate with them by buying Thanksgiving "goodies" at the Club House during Friday and Saturday, November 19-20.

Members of the Federation, be sure to furnish enough wares to supply the demands of the Club's friends who come to help. There is great need to pay some debts and to do some more work.

The first Cisco Women's service and cultural clubs for which the Federation has records are: the Twentieth Century Club, the First Industrial Arts Club, the Music Study Club and the Club that united them, i.e., the City Federation of Women's Clubs of Cisco. Beta Upsilon Chapter of the Delta Kappa Gamma Society International was chartered in Cisco in 1936. The Federation of officers will welcome and appreciate data of early history (through the 1920's) which anyone can give them concerning the Cisco Garden Club and the Lake Cisco Extension Homemakers Club.

From January, 1922 through today, 1982, hundreds of pages have been written in "minutes of the meeting," newspaper ar-

Births

CHRISTOPHER WAYNE HARRIS

Mr. and Mrs. Gary Harris of Houston announce the arrival of their son, Christopher Wayne, born October 31, 1982, at 12:49 p.m. He weighed eight pounds and five ounces, and was 21 inches long. Paternal grandparents are Mr. and Mrs. Weldon W. Harris of Cisco. Paternal great-grandparents are Mr. and Mrs. V.A. Harris of Brownwood. Maternal grandparents are Mr. and Mrs. John White of Goldsmith.

JOSEPH RAY BEDDINGFIELD

Dennis and Scherrie Beddingfield of Glen Rose announce the adoption of a son, Joseph Ray Beddingfield, 18 months old.

Mr. Beddingfield is a former Cisco Independent School District elementary teacher, and is presently the elementary principal for Glen Rose I.S.D.

articles, certificates of awards, and notes due and paid off the interest of Community Service. Hundreds of street signs, blocks and blocks of pavement, shade trees, parks, flower gardens and spots, playground equipment, libraries and Homemaking Departments for the schools only begin to

tell the story. There has, through the years been state, national and world outreach through Youth and Health organizations.

The most important gift, however, from the "Founding Mothers," was themselves, their time and their families -- some members of which still live in Cisco, or are members of a club (or clubs) here. Today, members of the City Federation of Women's Clubs of Cisco should like to pay honor and tribute to: Mmes. M.D. Paschall, Crigler Paschall, Britton Yeager Hittson, Jack Kelly, Philip Pettit, Carl Wilson, C.H. Fee, George Fee, J.J. Butts, F.D. Wright, T.J. Dean, R.Q. Lee and Flora Mae Lee, G.W. Gardenhire, L.H. McCrea, H.A. Bible and W.W. Wallace.

resources, Records of the clubs mentioned above)
