Supper To Be Feature Of Carnival

Pastor Appointed For Y. L. Circuit

John L. Seaton, Sunday school superintendent at Lazbuddy Methodist church, has received a letter from the Methodist district superintendent saying that a preacher to fill the vacant Y. L. Circuit post has been appointed and that he will preach his first sermon at Lazbuddy the coming Sunday morning. Name of the circuit pastor was not furnished.

On the following Sunday afternoon he will be present for first quarterly conference at Y. L. church. Progress is the third church in the Y. L. Circuit, left without a pastor when Rev. Cole was transferred to Oklahoma Lane church.

Enochs Church To Be Host At Workers Conference Oct. 24

The Enoch's HD Club met in the home of Mrs. C. C. Ball October 9, with 13 old, two new members and one visitor present.

Mrs. J. B. Vanlandingham acted as president in the absence of our president and vice president.

Roll call was answered by each member giving her most embarrassing moment.

Our recreation committee gave several good readings which we enjoyed.

Our hostess had up a quilt and each member quilted several blocks. Refreshments were served to the following: Mesdames Bill Dick, A. D. Hallford, C. G. Seagler, J. B. Vanlandingham, C. W. Vanlandingham, D. T. Johnson, Dutch Cash, Belton Bryant, O. H. Gusseldorf, J. R. Mowdy, J. L. Jones, Arles Autry, T. W. Autry, Miss Donna Autry and the hostess, Mrs. C. C. Ball.

We meet with Mrs. C. G. Seagler Oct. 23 with an all day meeting. Each member is asked to bring needle and thimble.

Y. L. News

There was a good number out at Sunday School Sunday. Rev. Reed from Plainview preached at the eleven o'clock hour. The Young People's class is sponsoring the Halloween carnival Tuesday night, Oct. 28. Everyone is invited to attend.

Mr. and Mrs. Russell Buhrman, Mr. and Mrs. Dick Willman and Mr. and Mrs. Pitts have returned from Colorado where they went deer

Progress Community Announces Plans For Big Halloween Carnival

Witches! Black Cats! Spooks. All will be present for the Halloween Carnival to be at Progress School House and auditorium on Halloween night, Friday, October 31. Make your plans now to come out and join in the fun for a good time is insured for one and all.

The program will begin in the auditorium at 8 o'clock. Come rigged out in your best Halloween costume as a prize will be given for the best. This includes men, women and children; everyone is eligible.

Muleshoe schools' annual Halloween Carnival, to be held next Thursday night, Oct. 30, will begin with a big chuck wagon supper at 6 p.m., the P.T.A. which sponsors the carnival, announced today.

The ladies promise all who attend a \$1.50 meal for only \$1.00. Tickets for the supper will go on sale the coming Saturday and the P.T.A. and school authorities hope everyone will buy a ticket and attend.

The purpose of the carnival and supper is to raise funds to finance purchase of 15 additional band suits and to pay for needed playground equipment.

The supper will be held on the athletic field, where the carnival also will be held, weather permitting. If it's cold or rainy, the whole thing will be held in the high school gym.

The room mothers have planned all sorts of booths for the carnival, which will be spread out on the athletic field to give all an ample opportunity to take part. Everything that usually goes with a carnival will be seen there that night. Last year a huge crowd attended and the P.T.A. believes there will be an even larger crowd this year.

T-5 JOHN BROYLES IS SEPARATED FROM ARMY
Aberdeen Proving Ground, Md.—Technician Fifth Grade John R. Broyles, the son of Mr. and Mrs. Edgar Broyles of Star Route 1, Muleshoe, Texas, was separated from the United States Army on October 14, 1947, at Aberdeen Proving Ground, Maryland.

After enlisting at Clovis, New Mexico, on April 15, 1946, Broyles took his basic training at Aberdeen Proving Ground. Since March 27, 1947, he has served as an automotive mechanic and truck driver in the Automotive Branch of the Ordnance School at Aberdeen Proving Ground.

419 BALES GINNED IN COUNTY TO OCTOBER 1

Bailey County gins had turned out 419 bales of cotton to Oct. 1, according to report of Connie D. Gupton, special agent, Bureau of the Census. This compares with 5 bales ginned to the same date last year.

hunting.

Reda Lewis is on the sick list.

Mr. and Mrs. Mervin Wilderding and Luella were Sunday dinner guests of Mr. and Mrs. H. M. Gables.

Eugene Buhrman spent Sunday with Norman Head.

The "Eat and Be Merry" booth will be under direction of Mrs. Troy Actkinson with several assistants and plenty of home made pies furnished by the women of the community. Doughnuts, pop and coffee may also be ordered there.

Each teacher has four room mothers who are in charge of all kinds of booths.

Mr. Grandy's room will have chance games with Mrs. Goodwin Brown, Shaw and Joe Simmacher in charge. Mrs. Gwyn and her assistants, Mrs. Carr, Mrs. Davis, Mrs. Bearden and Mrs. Mardis, will have the Bingo room and dominoes to entertain the men who get away from the spooks long enough to get their minds on it.

Mrs. Nevins, with Mrs. Sigman, Mrs. McDorman, Mrs. Locker and Mrs. O. C. Thomson, will have a cake walk, bean jar and fishing pond.

Mrs. Grandy's room will have at least one thing of interest to preschool children. Come and see what it is. The room mothers, Mesdames Adams, Houston, Ramm and Tom Simmacher, have planned a roomful of entertainment. Don't forget to go in and get your fortunes told and see the great attractions in their side shows.

The proceeds of the carnival will go to the P.T.A. to be used for school needs. Come prepared for a big time.

Hard Working Jacket Lineman

Photo by Pierce—Muleshoe.

When you see the boy in the line with the big 40 on his jersey, remember that's Bobby Goss, pictured here, the left tackle of the Muleshoe Yellow Jackets, and what a tackle. Shi! A secret. It has been Bobby's long suppressed desire to play in the backfield and lug that ball for nice gains—maybe carry it across the goal line for a touchdown for old Muleshoe high. This ambition was realized Friday night when Don Mickey Sanders, fullback, was hurt, and a shift in the lineup

placed Bobby in the backfield, until the indestructible Don Mickey could come back in.

Well, we wonder how Bobby liked the ball totin' chore?

This photo was snapped by Pierce's Studio, and is sponsored here by the Muleshoe Cafe, Mr. and Mrs. Bill Collins, proprietors. Mr. and Mrs. Collins are close followers of the Yellow Jackets and take a lively interest in the school, having three daughters enrolled. Watch for more of these Yellow Jacket pictures.

Yellow Jackets Meet Sundown In District 5-A Tussle Friday Night

Games played in district 5-A last week served to point out that Littlefield and Sudan no longer have undisputed lead of the football circuit and further that the Muleshoe Yellow Jackets will not have third or fourth place handed to them on a silver platter. The Jackets have now lost to Sudan and Littlefield.

The Wildcats swamped the Jackets here Friday night with a score of 40 to 13. The local boys thrilled their followers, however, by scoring their last touchdown against Littlefield's first string players, counting on a three yard plunge by Weldon McCarty after a sustained march of 70 yards, mostly by virtue of passes completed from Billy Don Barbour, the quarterback, to end Donald Barnett and others. Barnett showed he is one of the best ends in the district by his work that night. But he had plenty of competition, for both Littlefield and Sudan played a great game. Carroll Goss, right end for Muleshoe, was also in on this march that surprised everybody, in fact he played a whale of a game.

Barnett had caught a pass near the goal line and galloped over for the first Jacket counter in the first half and had then kicked goal for the conversion to leave the half time score 26 to 7. This score came after the first string Wildcats had racked up four touchdowns and had turned the job over to the second stringers, who played the balance of the half. Coach Fites of Littlefield sent his best boys back in to begin the second half, and he didn't take them all out at one time again. He used reserves freely but never did weaken his team appreciably in the second half. The fourth quarter proved his wisdom there because the Jackets fought the Wildcats on even terms. However, Littlefield scored twice in the second half. Muleshoe gained mostly by their air attack, for the tremendously powerful Littlefield line didn't permit promiscuous gains on the ground.

The hundreds of fans who filled the stands and piled up four deep along the sidelines enjoyed the game, thought Muleshoe did mighty well. Meanwhile the football wars were going on in other parts of district 5-A with some enlightening results. Principal revelation of the week was the strength of Levelland which flattened highly regarded Sudan 26 to 0. Local fans are wondering how on earth the Levelland boys

prevented May, Eddins & Co. from scoring. Anyway, Littlefield knows now that their main challenge comes from the Hockley county boys and not from the boys in their own county.

Then Sundown, a new team in the district was beating Springlake by a more decisive score than that by which the Jackets beat them. That shows, say local sports followers, that the Jackets are going to have their hands full in defeating the oil field boys. If they can't do that the way things shape up, they won't have any chance at 4th place. Then there is Morton standing in the way of the Jackets, and Morton hasn't been pushed around any this year. It seems a pretty well balanced district, with Littlefield, Levelland, and Sudan as standouts.

This Friday, the Jackets play Sundown there. The following week is open with no game scheduled and then they take on Levelland there and Morton here in rapid succession.

Hospital News

Mrs. B. F. King has been readmitted as a medical patient. She is resting well.

Steve Navarro is a medical patient. He soon will be discharged. Jarnillo Benigno was an overnight medical patient. He has gone home.

Mrs. Carl Case was a medical patient. She has gone home.

Congratulations:
To Mr. and Mrs. J. R. Burkhardt on the birth of a daughter, Oct. 14. She has been named Dorna Carol.

Mr. and Mrs. Vance Eason on the birth of a daughter Oct. 14.

Marvin Mason was a medical patient a few days. He has been discharged.

Scottie Donaldson, small son of Mr. and Mrs. Scott Donaldson, underwent a tonsillectomy. He has gone home.

Mrs. C. S. Otto of the West Camp community is a medical patient. She is resting well.

Kenneth Everett, small son of Mr. and Mrs. R. C. Everett, Goodland, underwent a tonsillectomy. He has gone home.

Congratulations:
To Mr. and Mrs. Kline Buhrman on the birth of a son, Oct. 21.

To Mr. and Mrs. L. T. Sandeter on the birth of a son, Oct. 22.

Honolulu No. 1 Halsell Reported Drilling Past 6200

Forest Oil corporation, Jergins Oil company and H. R. Smith, No. 1 Ida Mae Harris, southwest Lamb county prospector, two miles southwest of Amherst and 440 feet from north and east lines of labor 15, league 667, State Capitol Lands, which is slated to explore to 7,500 feet, had reached anhydrite, and riet, had reached 3,240 feet in lime and anhydrite, and was continuing.

Seaboard No. 1 Jackson, another southwest Lamb wildcat, two miles north and west of Pep, and 660 feet from south and west lines of labor 15, league 680, State Capitol Lands, had progressed past 8,047 in an unidentified lime and was making more hole.

Honolulu No. 1 Halsell Land and Cattle company, in the Sudan region of West Central Lamb county, and 660 feet from south and west lines of labor 19, league 219, Castro County School land, was drilling ahead below 6,173 feet in lime and anhydrite. It is contracted to 9,000 feet—unless it gets commercial production before that point is reached.

Electric Organ Is Installed In Methodist Church

A new Hammonds electric organ has been installed in the First Methodist church of Muleshoe at a cost of \$2,300. Glenn Rockey drove to Dallas this week and brought the organ here.

It is expected that the new instrument will be ready for use in the next few days.

Complete Survey Underground Water Resources Of Plains Is Undertaken

Lubbock—The first complete survey ever undertaken of underground water resources of the High Plains will be made under supervision of a newly established field office in Plainview, high officials of the Texas Board of Water Engineers and the U. S. Geological Survey announced in Lubbock Thursday.

The High Plains, they explained embrace about 23 counties bounded by the Canadian river on the north, the caprock on the east and south and the Texas-New Mexico line on the west.

The plans were detailed by E. V. Spence, chairman of the Board of Water Engineers; W. L. Broadhurst, district geologist of the ground water division of the Geological Survey, and Trigg Twitchell, hydraulic engineer of the survey, all with headquarters in Austin. Spence formerly was city manager at Big Spring.

Enroute to Austin from the southwest section convention of the American Water Works association in Amarillo this week, they spent several hours in Lubbock conferring with Rep. George Mahon, City Engineer John Ruhmann and other city and chamber of commerce officials.

The officials explained that while the two agencies have accumulated considerable information over a period of many years about underground water in the area, they have little more than scratched the surface of the job to be done.

This is the first time, they added, the money has been available to start the job with reasonable assurance that it could be done thoroughly and completely. The information obtained, they said, should enable residents of the High Plains to know definitely for the first time just what they have and upon what they can depend in the way of underground water.

They said the work should supply the answers to such vital questions as to where the underground reserves come from; whether they can be replenished through such methods as draining back into them the water from the innumerable "lakes" which form after rains, and the movement of the underground reserves.

The studies of the movement of the water, they explained, should help to answer definitely whether a large number of wells in such a typical area as Hale County will affect the production of wells in Lubbock County, which is at a somewhat lower altitude. The supposition is that the underground movement generally is from the north to the south and southeast.

Piggly Wiggly Store Here Is Announced

Mrs. Sallie Moore Dies At Needmore, Services At Odell

Mrs. Sallie B. Moore, 78, died last Thursday, October 16, at the home 2 miles east of Needmore of her daughter, Mrs. Lawrence Quesenberry. She had resided here the last five years.

Mrs. Moore was born March 9, 1869, in Kentucky.

She is survived by her daughters, Mrs. Quesenberry and Miss Gussie Moore, both of Needmore; a son, C. C. Moore, Gades, Mo.; three brothers, Bob and J. Archer, Eric, Okla., and Albert Archer, Los Angeles, Calif. Other survivors include ten grandchildren and seven great grandchildren.

The body was prepared for burial by Steed Funeral Home and was taken to Odell, Texas, the old family home, where funeral services were conducted Saturday afternoon at 2:30 o'clock.

BUSBICE SELLS FARM

S. L. Busbice has sold his half section farm 5 miles north of Muleshoe to J. B. Haire, of near Littlefield. Mr. Haire will farm it to wheat and alfalfa, but does not expect to live on the place. The farm has two irrigation plants and consideration was reported by "Fibber" McGee, agent, at \$125 per acre.

Muleshoe will have a Piggly Wiggly grocery store as a result of an agreement whereby Dock Wilhite becomes the owner of lots 13, 14 and 15, block 21, Old Town, and operators of Lubbock Piggly Wiggly stores are to lease a 75 x 85 foot building as soon as it is completed on the lots by Wilhite.

Mr. Wilhite bought the three lots located on the Morton highway east of the courthouse, across the street north of Fry & Cox Bros. place, from Arnold Morris and Buford Butts. This deal was consummated through Muleshoe Real Estate Agency, Clyde Bray and Bob Precure, proprietors.

Operators of the Lubbock Piggly Wiggly stores are Davis & Humphreys, Inc. Clifford Williams, business manager for the corporation, was here to make necessary arrangements and agreements.

Mr. Wilhite said he probably can finish the building by early February. He said about 90 days will be required to complete the work because of labor and material shortages.

The building will face south. It will begin 55 feet back from the sidewalk, leaving a space 75 x 55 feet for customers to park their autos while trading in the store.

Face brick and glass will be used in the front wall. Side and rear walls will be regulation fire walls, tile and brick, 13 inches thick.

Mr. Wilhite leveled the site Friday and Saturday and expected to start placing material on the ground his week.

HONOR ROLL

New and renewal subscription payments to The Journal this week include those from the following:

- Francis Gilbreath, city.
- W. R. Kelton, city.
- Edwinston Clark, city.
- Mrs. Leo Laux, city.

WHY PLANT GOOD WHEAT?

College Station—Charles Sheldon, Panhandle wheat farmer, went to Ft. Worth to sell wheat off his Moore county farm and came home with a story which County Agent J. B. Waide, Jr., thinks every Texas grower ought to hear.

The story gives a good answer to the question: why plant high quality wheat seed?

Sheldon, contacting a big Ft. Worth mill, was told by the manager that the mill wasn't too much in own figures on Moore county, and

interested in buying Moore county wheat. It seems that there were several carloads of wheat in the railroad yard at the time, all of it from a county near Moore, but none of the millers would bid on it because of its poor baking quality.

The manager then took Sheldon through a laboratory where the mill had installed a considerable and costly amount of equipment recently. In order to meet competition, the manager said, the mill had to run baking tests on each car of wheat to see that the quality was good enough to use in making domestic flour. The company also had wheat experts who were able to identify different wheat varieties and who were training elevator operators in grain identification. Sheldon was told that poor quality wheat was always detected and that the only outlet for it was the export trade. The company had its told Sheldon that 15 percent of the wheat in his county was of poor

Men Prefer This Coat

Winter wool coat shown on model at right was voted best at Cosmopolitan magazine's October MALE-TESTED fashion show at New York's Stork Club. Members of male jury shown in photograph included William Lundigan, movie actor at left and "Professor" Kay Kyser. Coat shown on model is by Krull Brothers.

milling quality. Fortunately, says County Agent Waide, Sheldon's wheat was not among the 15 per cent, and he got a good price for it.

DOES HE HAVE THE SOLUTION?

College Station—A farmer in the Bell community of Gray county believes he has the Panhandle bindweed problem solved.

And Gray County Agent Ralph R. Thomas, after seeing the evidence, thinks it's worth a try, at that.

The farmer is Hubert Keahey, and his method of eradicating the bindweed, which causes many thousands of dollars worth of crop losses in the Panhandle each year, is simple. He plants Western Wheat grass. Keahey took County Agent Thomas to his farm and showed him how the wheat grass was crowding out the bindweed. "Bindweed was growing right up to the edge of the Western Wheat grass, but there was none thriving in the grass," says Thomas. On the strength of that showing, Keahey has sowed all the bindweed patches on his farm with the grass, and many of his neighbors are following suit.

"There are possibilities, all right," says the County Agent, "because Western Wheat grass starts its

growth in late winter and is generally from six inches to a foot high before bindweed starts growing in the spring. And the grass produces great masses of roots that offer some real competition to bindweed. At any rate, the grass will provide a lot of pasture and even a good hay crop...so it's worth a try."

Mr. and Mrs. M. G. Bass visited in Anton Sunday with his father and other relatives.

Deadline Near On Overseas Christmas Package Mailing

The Adjutant General, U. S. Army recently announced that Christmas packages for personnel stationed overseas should be mailed between October 15 and November 15, according to statement made here by T. Sgt. Leon A. Reynolds of the Clovis, N. M., Army and Air Force Recruiting Station.

This is the same m... for Christmas packages... which proved so successful... No. 11 will be used again this year... suggested mailing period... there is more definite assurance... the packages will actually... just before or during the... period.

Postal authorities urge the use... judgment in mailing dates, depending on the geographical location of the individual. Packages to more distant bases should be sent during the early part of the mailing period.

Medicated Poultry Mash Is Effective

Government Trials Show Remedy Deworms Flock

Use of a medicated mash containing nicotine - phenothiazine has proved effective in deworming poultry, it was shown in trials conducted by the department of agriculture.

In the government trials, two kinds of worms (cecal and round) were checked and kept at a low level by using a medicated mash containing nicotine, bentonite (a clay-

Roundworm parasites from small intestines of a chicken.

like substance) and phenothiazine in ordinary poultry mash. Says the government report:

"Under experimental conditions the treatment expelled approximately 99 per cent of the two kinds of worms. Under field conditions, the feeding of this medicated mash to chickens for three consecutive days, at intervals of three weeks, maintained a low level of parasitism in the treated birds.

"Fifteen grams of 40 per cent nicotine sulfate solution were combined with 151 grams of phenothiazine and 287 grams of nicotine bentonite in 44 pounds of ordinary chick mash."

This combination of nicotine, bentonite and phenothiazine has been found effective in research carried on by private organizations, and there are products on the market of essentially the same composition as that used by the agriculture department.

Drawing shows method of installing section of vitrified clay pipe for use as storage pit for fruit, eggs, milk and vegetables. Note that bell rests on bricks. Spigot end should protrude above ground two inches so dirt fill will slope away from opening. At bottom is layer of coarse drainage material. Top opening covered with gravel screen or with wood or metal lid.

THE RUSSELL
The floor plan of the Adams, one of the earliest of the small houses in our present Housing Series, received wide popular acclaim. It seemed to have most of the practical features that so many home-

builders are seeking today. First it was an expandable house that might start off as a four room bungalow and later grow naturally into a two story, three bedroom, six room house. Its simple lines made it not only attractive but economical to build. Its style was early American, which remains probably the favorite architectural style of most home building families. It could have a basement or not, depending on personal preference and climatic conditions. It could be built with

or without an attached garage. It would fit on a small lot. There wasn't an inch of wasted space. It was a home anyone might be proud to own.

This week in the Russell, pictured above, we publish by request another house with practically the same floor plan as the popular Adams. In outside appearance it is entirely different, but equally charming. The Russell shows the influence of early Dutch settlers of New Amsterdam and of the rich Hudson farm country. It features a high pitched roof and a wide front overhang, both characteristic of the Dutch Colonial style.

The inside room arrangement is practically the same except that the house is turned differently on the lot and the plan is reversed. Living room and kitchen are to the front, the two bedrooms in the rear. It is the simplest and cheapest type of expandable house. It provides all needed first stage accommodations for the small family on the ground floor. As the family grows two additional rooms and a second bath are pre-planned for the second floor. It is derived from a proven floor plan used by many professional builders who are always on the alert for good, practical plans that permit low cost construction.

Of course it meets Federal Housing Administration requirements and its electrical plan was checked and approved by the National Adequate Wiring Bureau. Complete archi-

Social Security Man Here Oct. 30

Elliott W. Adams, Social Security Administration Representative, will be in Muleshoe at the U. S. Post Office at 9 a.m. on Thursday, October 30, 1947, for the purpose of answering any question you may have on Social Security; discussing possible benefits and taking claims from persons who seem to be entitled to benefits; and taking appli-

cations for Social Security (account number cards).

Upon the death of a worker who paid social security taxes, his next of kin should check with the Social Security Administration office, Lubbock, Texas. They may be eligible for payments under the old age and survivors insurance program.

Here's how you can do it!

Install Adequate Wiring now.

When your present home was built, perhaps the builder never thought you'd want to cook, refrigerate, and heat your water electrically. So he installed just enough wiring to supply service to a few electric lights and possibly an outlet or two.

To find out how to have an all-electric kitchen just call a wiring specialist from your Public Service Company, or an electrical contractor. They will be glad to tell you more about the wiring you will need.

Adequate Wiring MEANS:

1. ENOUGH CIRCUITS for serving efficiently and safely all the appliances you have.
2. LARGE ENOUGH WIRE for serving your present and future needs.
3. ENOUGH OUTLETS AND SWITCHES for convenient living.

We have nothing to sell but good electric service.

Progress HD Club Elected Officers

Progress Home Demonstration club met in the home of Mrs. O. C. Thomson Tuesday, Oct. 21.

Club opened with a prayer by Mrs. G. T. Maltby.

Mrs. Faye Brown gave a report on the last council meeting.

Officers elected for the coming year were as follows:

President, Mrs. John Thomson; vice president, Mrs. Harold Mardis; secretary and treasurer, Mrs. Albert Davis; parliamentarian, Mrs. G. T. Maltby; council delegate, Mrs. Gordon Murrain; council alternate delegate, Mrs. Faye Brown; reporter, Mrs. Birda Garrett.

The club voted to send Mrs. Johnnie Sooter a gift.

One hundred and sixty seven cans of food were given to the G. O.

Wright family. An interesting demonstration on "Know Your Materials" was given by Mrs. Williamson.

Refreshments were served to one visitor, 14 members and the hostess.

The next meeting will be held in the Raymond Brown home.

Needmore Rebekahs Initiate Member

The Needmore degree team, consisting of Lily Belle Carpenter; Jean Moore, vice grand; Estelle Heald, chaplain; Sammy Moore, past noble grand; Maxine Ragsdale, warden; Florence Holmes, conductor; Edna Garland, inside guardian; Beulah Kelton, outside guardian; Lois Witherspoon and Tommy Sanders, drill leaders; and Juanita Busbee, Gracie

McDaniels, Minnie Sims, Maud Young, Claudia Milsap, Lorraine Tubbs, Martille Gabbert and Doris Simms conferred the Degree of Rebekah on Gladys McWilliams.

We are very glad to have Gladys McWilliams as a member of our lodge.

After closing lodge, delicious refreshments of ice cream and cookies were served.

Enochs Club Meets In C. C. Ball Home

The First Baptist Church of Enochs will be host to a workers conference of the West Plains Baptist Association Friday, October 24, beginning at 10 a.m.

The following program has been announced by Rev. A. W. Blaine, pastor of the First Baptist church of Muleshoe, publicity director for the association:

Song and Devotional, C. C. Snitker; Stewardship of Time, W. H. Burns; Stewardship of Talent, F. M. Wiley; Stewardship of Material Possessions, C. T. Jordan; Special Music, Enochs Church; Stewardship of the Gospel, Lee Hemphill; Lunch; Board and WMU Meeting; Inspirational Message, Franklin E. Swanner; Adjourn.

RICHENE MOORE HAS BIRTHDAY PARTY

Mrs. Richard O. Moore entertained a group October 16 honoring the fourth birthday of her daughter, Richene. Games were played and enjoyed until time to open the gifts. Favors were color books and crayolas.

Refreshments of cake and punch were served to the following:

Melba Johnson, Karen Knight, Sylvia Pool, Judy K. Lambert, Ron-da Johnson, Sandra Allison, Florence Ann Green, Doris Ann Fields, Jackie Burton, Nell Moore.

Frosty Jones, Quinton Knight, Mike Barron, Johnny and Glenn Border, Garry Forrest, Wally Moeller, Leon Anderson and Darrell Burton.

- NEWS BRIEFS -

Mrs. Wessie Edwards and son of Clovis spent the weekend here with her parents, Minister and Mrs. Ebb Randol.

Mr. and Mrs. Tom Zimmer, Mr. and Mrs. Roy Holland, Minister and Mrs. Ebb Randol and Happy Dyer attended church services at Lubbock Monday night.

Mrs. Alma Steinbock spent the week end in Muleshoe with her daughter, Mrs. Dan Winn and family.

Mrs. Mabel Hunke of Muleshoe is leaving for Chicago to spend about ten days with her son, Thomas and will stop over in Missouri for a short visit with other relatives.

Vernon Adair and family, of Clovis, and Harold Adair, of Earh, visited here Sunday with their sister, Mrs. Lillian Sellars.

Mrs. Horace Holt has as guests the past two weeks her sister Mrs. L. B. McNeely and son Holmes Lewis of Middleton, Tenn. Mrs. McNeely visited another sister, Mrs. John Davis of the Fairview Community while here. They returned to their home Saturday.

Miss Jayne Damron flew home Thursday from Waco, where she is attending Baylor University, and visited over the week end with her parents, Mr. and Mrs. Joe Damron.

Cecil Osborne And Joyce Taylor Wed

Mr. Cecil Osborne, Jr. son of Mr. and Mrs. C. M. Osborne of Post, and Miss Joyce Taylor, daughter of Mr. and Mrs. Buck Taylor, were united in marriage in an impressive double ring ceremony Tuesday evening with Rev. A. W. Blaine, pastor of the First Baptist church, officiating. The ceremony was performed in the church sanctuary at 7:30 o'clock.

Miss Taylor wore a dusty blue suit, shell pink blouse and a shoulder corsage of pink rosebuds. She was attended by Miss Margaret A-day. Mr. Hardy Burrows served as best man.

Those attending the wedding included Mr. and Mrs. Buck Taylor, Mr. and Mrs. C. M. Osborne, Mr. and Mrs. Glen Davis, Mrs. Hardy Burrow, Misses Patsy Bennett and Nell DeShazo.

After a brief trip to New Mexico they are at home here. Mr. Osborne is employed at the C. W. Goss Auto Co.

Mrs. R. L. Mattheisen and Mrs. C. E. Barnett left Friday to purchase new merchandise for the Fashion Shop.

HALLOWEEN CAENIVAL

Y. L. Community Club is sponsoring a Halloween carnival to be held at the school house Tuesday night, October 28. Fun galore is promised those who attend.

Mr. and Mrs. Earl Ladd attended the meeting of the Panhandle Hardware & Implement Dealers association, held in Clovis last Thursday night.

Mr. and Mrs. J. T. Smart of Pre-mount are visiting with their daughter, Mrs. Wilbur (Pinkie) Barbour and with Mrs. Smart's sister, Mrs. H. M. Jones, this week.

Mrs. Beulah Moeller and son, Wally, returned Wednesday from a week's visit with her brother, Gene

Kistler and family, near Lovington, N. M.

Mr. and Mrs. Olin Jennings left Thursday for Dallas to purchase merchandise for the Dixie Lee

Shop. They will also attend the Dallas Fair and will visit in Waco and Oklahoma City, before returning home.

Stubble Is Good Insurance

Stubble left on the land is good crop insurance. One good cover of straw protects crops from blowing for two years, when that coat is properly managed. When plowed under it furnishes potash, an essential element to growth of plants, to the following crop.

Some of the stubble left in this area from thousands of acres of grain is being burned, either purposely or carelessly. Burning stubble endangers property such as fences and outbuildings, gives the soil a chance to blow, and reduces crop yields.

Motorists should be careful about throwing lighted cigarettes and matches out along the roads. Stubble fires are apt to be caused by unthinking, careless drivers.

Leave all stubble. Protect and manage it and reap greater profits throughout coming years as the result. Plowing in fire-guards along highways and railroads is a good precautionary measure against stubble and pasture fires.*

* This information was furnished by the Blackwater Valley Soil Conservation District.

Neighbors Join To Harvest Crop For W. O. Wright

Neighbors of W. O. Wright, who
lives west of town on the Roy Ho-
gan place, gathered last week and
harvested his crop. Mr. Wright has
been unable to do any work since
last summer when he suffered a
stroke.

The following list of men who
helped and what they did or the
machine they furnished has been
sent in by the family:

D. F. Walton, combine; F. M.
Fountain, pickup, hauling; H. H.
Hart, threshing machine; J. V. Hart,
threshing machine; Odell Logan,
truck; C. S. Otto, combine and over-
sewing; Raymond Houston, shock-

ing, etc.; Ira Martin pulled in ditch-
es, hauled hay;

Alton Cherry, pickup, hauling; H.
A. Cherry, pickup, hauling bundles;
Ross Goodwin, combine; Tom Smith,
combine; Joe Smith, combine; Wes-
ley Hawkins, combine; Jesse Mur-
rah, truck; Gordon Murrah, combine;
S. B. Callaway, binder; Bryan Booth,
shocking;

J. H. Farley, field boss; Joe Sim-
nacher, shocking bundles; Cecil Sig-
man, helped with combine; June
Shaw, general work; Ted Allen, ran
combine; Bob Anderson shocked
bundles; George Gross, ran combine;

Harold Mardis ran combine;

Dave Anders and A. Needham,
ran binder, cut bundle feed.

Mr. Wright said: "I want to
thank each and every one for their
kindness and for taking care of my
crop and for all that they have done
for us."

John Deere Puts New Tractor On Market

A new general purpose tractor designed primarily for small farms is announced by John Deere Farm Machinery company through their local representatives, Davis - Lenderson company.

The first of the new tractors are coming off the assembly line of the new John Deere ten million dollar tractor factory recently completed at Dubuque, Iowa.

"This is the new tractor that John Deere engineers have been developing and testing all through the war years," Mr. Davis and Mr. Lenderson told The Journal.

It offers many of the time proved features of previous John Deere small farm tractors plus new power, new handling ease, more comfort for the operator, and a complete line of new working tools that are easier to attach and detach and are easier to control from the tractor seat."

An advertisement in this issue of The Journal announces the name "Quik-Tatch" to emphasize the ease and speed of attaching integral tools such as plow, cultivator, bedder, planter, etc., and "Touch-o-Matic" to describe the new precision hydraulic lift for raising and regulating working depth.

While this tractor is sure to interest farmers, vegetable growers, and orchardists with smaller acreages who are now using animal power, it also meets the needs on larger farms as auxiliary power to help out at cultivating and haying time and to do many of the lighter jobs for which a team has been kept.

Mr. and Mrs. Joe Butler of Dimmitt spent the week end in the home of her sister, Mrs. Buck Wood and Mr. Wood.

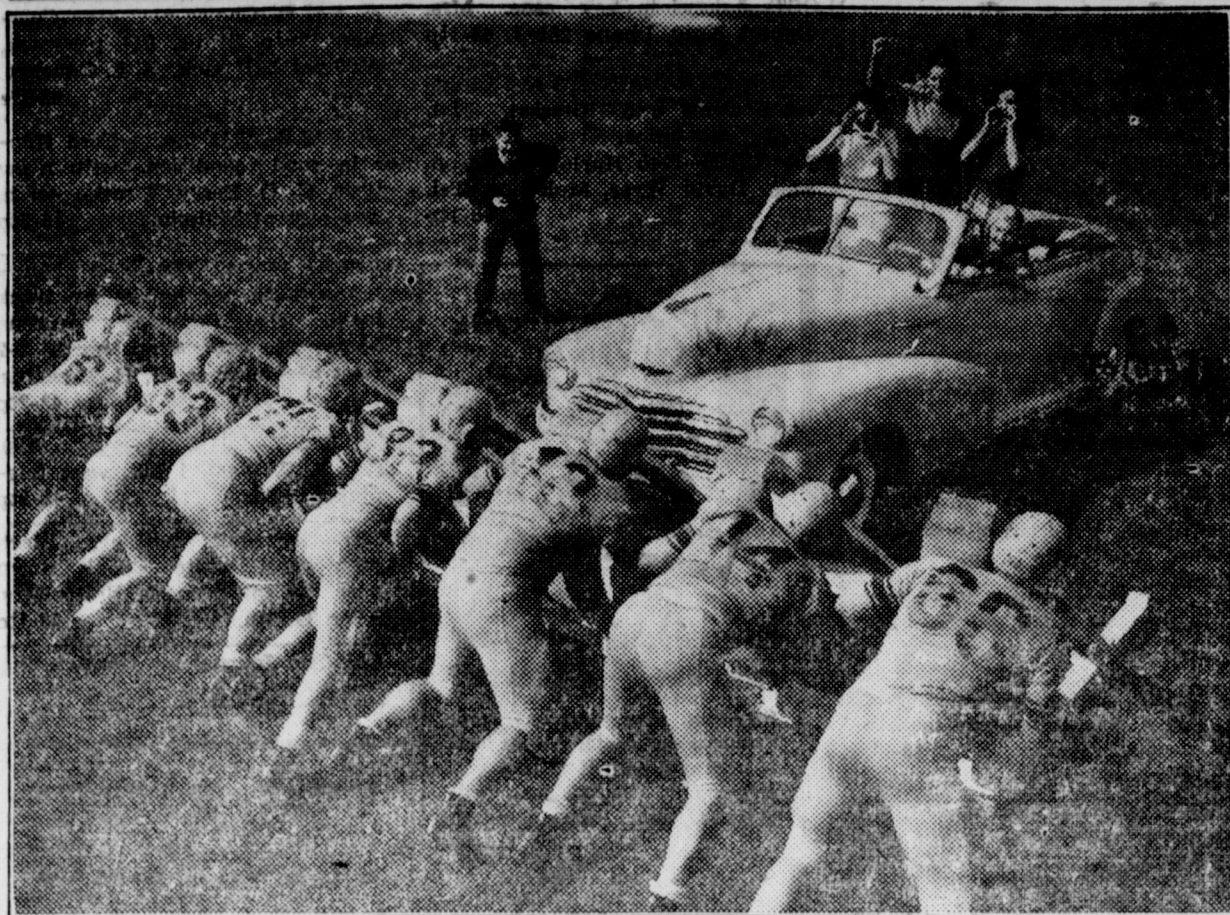

Mr. and Mrs. G. C. Morris of Portales were visitors Saturday in the home of Mr. and Mrs. H. D. King and other friends here.

Grid Stars Pit Manpower vs. Horsepower

"Seven iron men vs. 90 horses" . . . the forward wall inspiration. The mechanized practice session sought to discover whether the forward wall could "hold that line" against a Chevrolet. The Tartar line admitted they'd had a perspiration, while four attractive Tartar fans offer workup, but said they'd never faced prettier competition.

rural schools are smaller than those of city schools. Rural school indebtedness averages only \$72 per pupil as compared with \$180 in cities.

Another comparison is that farm children drop out of school earlier than city children. In 1940, some 93 per cent of the 15-year-olds in cities were still attending school, but only 77 per cent of those on farms. Moreover, in cities more than half of the 19-year-olds had completed high school compared to less than 30 per cent in rural areas.

Mr. and Mrs. S. D. Vanderwerth and baby of Houston and Mrs. A. L. Hunt of La Porte, have been visiting in the homes of Mr. and Mrs. O. D. Ray and Mr. and Mrs. W. B. Wagnon and Mrs. E. W. Duke. Mrs. Hunt is a sister of Mrs. Duke.

Mrs. Robert King and children spent the week end in Colorado City with her sister, Miss Adell Hutchinson.

Cheese Ring Pleases Family's Eye and Palate

Give a salad a chance to star and it will, writes the Country Cooking Editor of Capper's Farmer, one of the leading farm magazines.

"This savory cheese ring, garnished with watercress, will please everyone's eye and palate," she points out in the magazine read by 1,300,000 farm families. "What's more, it is easily converted into a hearty main dish. Just add shrimp or tuna to the original recipe, or fill the center with a medley of fresh fruits."

- SAVORY CHEESE RING**
- 1 tbs., unflavored gelatin
 - 1/4 c. cold water
 - 1 tbs., sugar
 - 2 tbs., lemon juice
 - 1 tsp. salt
 - 1 tbs., vinegar
 - 1 pt. cottage cheese
 - 1 c. evaporated milk
 - 2 tbs., chopped pimiento
 - 2 tbs., chopped green pepper
 - 2 tbs., chopped parsley
 - 2 tbs., minced onion
 - 1/4 c. sliced celery
- Soften gelatin in cold water, then dissolve over hot water in double boiler. Add sugar, lemon juice, salt and vinegar. Blend cheese with milk, add to gelatin mixture. Chill until mixture begins to set, then fold in vegetables. Rinse ring mold with cold water, then pour in cheese mixture. Chill until set. Unmold, serve with Cooked Salad Dressing. Serves 8.

Model "Lends" Teeth To Science For Tests

RENSELAER, N. Y.—Jeanne Conrad, 21, pearly-toothed model, is "lending" her teeth to science. Her perfect brilliant front teeth are being used in scientific tests that have already resulted in the discovery of a special form of a toothpaste ingredient, aluminum hydroxide, that polishes teeth two and one-half to five and one-half times brighter and four times faster than was hitherto possible. Scientists have perfected an apparatus which uses powerful concentrated light beams, focused on the teeth, the reflections of which are picked up by a photo-electric eye, amplified and recorded on a microammeter. This is called the "Lyons Brightness Test." Polish on Miss Conrad's teeth is being tested by this device. Meanwhile she "brushes up" in preparation, using the new ingredient toothpaste, which after three years of research is now being introduced.

Tate A Director History Society

Canyon.—All directors of the Panhandle-Plains Historical Society have been mailed a new bulletin by Boone McClure, director of the Museum. The bulletin was written by H. C. Pipkin, Amarillo, chairman of the building committee which sponsors the campaign for \$50,000 in order to complete the second unit of the museum.

According to information received by Dr. L. F. Sheffy secretary of the Historical Society, the campaign for funds will get underway in all of the 26 counties of the Panhandle at once. It is hoped that funds will be raised rapidly and that the bulk of the money will be in by Dec. 1.

The campaign will be open to every citizen of Bailey County. While many citizens have made contributions in the past, this drive is for additional money in order that the second unit of the building may be completed.

Cecil H. Tate is a member of the Board of Directors and will receive contributions in Muleshoe.

FARM AND CITY SCHOOLING

College Station — Although the passing of the little red school house has meant better educational opportunities for many farm children, city children still have the advantage in schooling, according to information received by the Texas A. and M. Extension Service from the Bureau of Agricultural Economics in Washington.

The comparison, as based on the

1940 Census, the 1945 Census of Agriculture, and other sources shows that school terms average only 168 days in rural areas, compared with 182 days in town. Rural areas have only \$185 worth of school property for each pupil enrolled, while urban areas have \$405. The salaries of teachers in the open country school averaged only \$959 in 1940, compared to \$1955 in the city schools. On the other hand, farm children may have had more personal attention from their teachers because rural schools are smaller than those of city schools. Rural schools average only 27 pupils per teacher, while city schools average 32. Then, too, the debts of

LACK OF CASH
Lack of Cash may cause your business to collapse before the disposition provided in your Will can be carried out . . . But you can avoid this possibility with the right kind of life insurance program. Let me show you how to plan the program.

You can't beat
Mother Nature!

Nature's Finest!
The Alaskan "Brownie" has been known to weigh up to 1500 pounds. Largest of the grizzly bear family (*Ursus horribilis*) it is mainly carnivorous . . . the strongest and fiercest of all American mammals.

The Crude Is The Answer
To Phillips 66 Fine Motor Oils

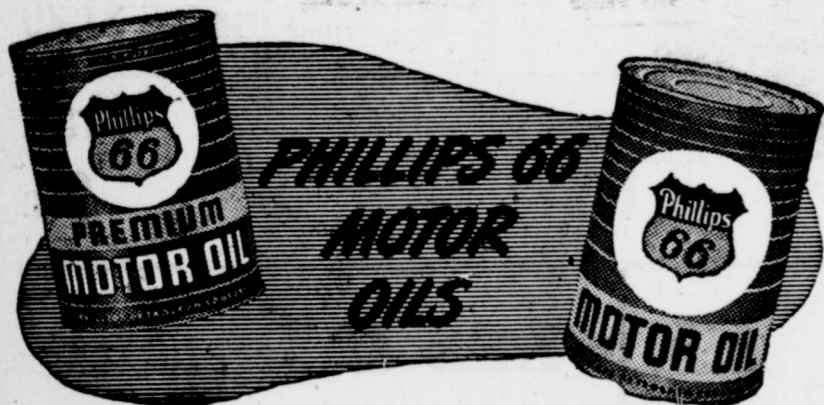

Nature outdid herself when she produced the great Alaskan Brown Bear, and she was doing a mighty fine job when she made the crudes that go into Phillips 66 Motor Oils!

Ask any oil man what that means in terms of protection for your engine. Yes, a fine crude . . . plus Phillips expert refining and practical experience . . . all these factors together turn out a smooth, tough, sturdy lubricant that's able to do a real lubricating job in your motor.

Phillips 66 Premium Oil is a brand new Phillips product. Detergent type and corrosion-resistant, Phillips 66 Premium Oil cleans, as it protects your engine.

And remember, too . . . Phillips 66 Motor Oil has given motorists years of satisfactory lubrication!

Look for the orange-and-black Phillips 66 shield!

A Young Matron Selects A Hat

MILWAUKEE—Curtiss Candy Levery Destiny tries on a hat at the Wisconsin State Fair. But such sideline activities did not keep her from becoming first prize two-year-old Guernsey cow at the Wisconsin, Illinois, Indiana, Minnesota and Kentucky state fairs this year. Levery Destiny was a member of the prize-winning Guernsey string owned and shown by the Curtiss Candy Company Farms, Cary, Ill., that won 21 championships and 72 blue ribbons at the five fairs.

BLACKWATER VALLEY SOIL CONSERVATION DISTRICT NEWS

Soil Conservation Service technicians have been assisting tenants on a portion of the Paul Brothers Ranch in running terrace lines. The terraces, which are used in controlling water erosion, are being built according to SCS and ACA specifications by the Hancock Brothers and their crew of Crosby County.

H. F. Franks made application for soil conservation assistance on 354 acres of land.

O. Q. Holley was assisted last week in laying out irrigation ditches for watering 35 acres of wheat and hairy vetch mixture.

Conservation surveys were completed last week on 1,416 acres of the Paul Brothers Ranch, on 885 acres owned by Dickey and Robb, and on 160 acres owned by Walter Hamm.

BOOKS BEING GIVEN TO MULESHOE PUBLIC LIBRARY

Local people recently have been contributing books to the Muleshoe Public Library. Among recent volumes presented, Mrs. M. F. Green reports the following:
"Five Little Peppers and How They Grew," Margaret Sidney.
"The Deputy Sheriff," Clarence E. Mulford.

"The Bobsey Twins," Laura Lee Hope.
"David Copperfield," Charles Dickens.

Mr. and Mrs. Dan Thomas of Dallas are visiting in the home of her mother, Mrs. Ola Ragsdale of Ball-yboro and with her brother, Buck Ragsdale and Mrs Ragsdale.

Mr. and Mrs. Roy Hogan

CARD OF THANKS

Words cannot express the thankfulness we feel for the kindness shown us by our kind neighbors and friends. We especially thank those

ladies who contributed the canned goods.

Mr. and Mrs. W. O. Wright who harvested our grain and the

Mr. and Mrs. J. C. Whitted of Alpine were in Muleshoe for a brief time Friday on business. They visited in Clovis with his parents, Mr. and Mrs. J. A. Whitted. Mrs. Whitted is the former Mrs. Jesse Mitchell.

Lazbuddy News

Charley Zalinger of Frederick, Oklahoma, is here visiting in the home of John Dyck. Mr. Zalinger is an old friend of Mr. Dyck and has known the family of Mrs. Alma Steinbock for some thirty years. An old time dance was enjoyed in the home of John Dyck last Thursday. Mr. Zalinger played the zither, an old-time Swiss harp.

Mr. and Mrs. Reinholdt Steinbock and daughter, Grixie, Mother Steinbock, Mrs. Annie Vaughn, Miss Joy Jones, Miss Carlene Lane, Al Ewing Jennings, and Gilbert Wenner were guests in the Willie Steinbock home for Sunday night supper.

A pink and blue shower was held in the new home of Mrs. W. S. Menefee Friday afternoon for Mrs. Joe Weems. Many friends called and brought gifts. Refreshments of cool aid, pink and blue sandwiches and mints were served.

Mrs. Lillian Smith received a set of silverware for her birthday.

Mr. and Mrs. Eulan Parhams and daughter Sharon, Mr. and Mrs. Truman Gleason and daughter Linda and son Jerry, Mrs. J. E. Vaughn, and Mr. and Mrs. R. G. Treider and son R. G., Jr., were guests at a domino party Friday night in the Willie Steinbock home.

Mr. and Mrs. H. D. Hutchinson of Waynoka, Oklahoma, have recently moved to our community. They purchased the Treider estate which is located just west of Mrs. Laura Treider's place.

Mrs. Buford visited Mrs. Annie Vaughn and Mrs. Willie Steinbock Monday afternoon.

The Reinholdt Steinbock family is driving a new Oldsmobile.

A kitchen utensil shower was given Tuesday afternoon for the home economics room.

A birthday party was given in the home of Mr. and Mrs. Alex Steinbock in honor of their daughter, Fern's, 16th birthday. Those who attended were Walter Hanson, Don Cantrell, Buddy Jones, Royce, Jones, Ferd Wilbank, Bow Simmons, LaQuint Whitley, Jay Jones, Mr. and Mrs. Walter Steinbock and Nealey Mace, Mr. and Mrs. Rhiney Steinbock and daughters, Anita and Trixie.

Mr. and Mrs. Neelie Steinbock and sons, Rex and Max, Mr. and Mrs. F. G. Oliver and children, Bobby Joe Kimbrough, Dean and Patty Gammons, Al Jennings, Gilbert Wenner, Charles Zollinger, John Dyck, Mr. and Mrs. Hutch Hutchinson, Winita Long, Joe Frank Paul, Mrs. Alma Steinbock and Mrs. Annie Vaughn.

A late hour lunch was served consisting of chicken sandwiches, cake, coffee and cocoa.

Local Women At HD Convention

The annual state convention of the Texas Home Demonstration Association, held in Galveston September 24, 25, and 26, was attended by Mrs. Ernest Holland as a delegate and by Mrs. Roy Carney as a visitor.

A wonderful trip was reported by the two women from Muleshoe. Fifty nine delegates and visitors from District 2 left Lubbock on chartered buses, going by Austin, and visiting the State Capitol, governor's mansion and museum.

The program was as follows: Addresses of welcome by Judge Theodore R. Robinson, county judge of Galveston County, Donald M.

Markle, state representative, Galveston County, Mrs. Fred C. June-man, chairman of Galveston County Council. Response by Mrs. Galen Busbey, Mission, Texas. An address, "The Importance of My Job," was given by Arno Nowotny, dean of student life, University of Texas. All were entertained with a shrimp dinner at Stewart Beach and a large number enjoyed a swim in the Gulf. A sightseeing tour of the city ended at the ship yards, from where a large number of visitors enjoyed a boat ride.

The group from this district returned by way of San Antonio, where they were greeted by members of the Home Demonstration Clubs. They also visited the Alamo and had supper at the Original Mexican Restaurant. The group then took a short sightseeing tour of the city which included Arneson River Theatre.

13 Boys Are Lone Star Farmers

Thirteen Muleshoe high school vocational agriculture students received the degree of Lone Star Farmer and the Muleshoe FFA chapter was designated a gold emblem chapter at a banquet given by the Area FFA Chapter at Lubbock Monday night.

The boys who received the award and pin are: Dewitt Tiller, Don Mickey Sanders, Curtis Goss, Everett Lee Reeder, Marshall Head, Dean Williams, Bill Garrett, Ernest Ramm, Johnny Seid, Hoshall Thomas, Richard Chambliss, Cecil Mardis and Earl Henry.

Adults accompanying the boys included Edward White and Lee Christie, Voc. Ag. instructors, Chief Jones, former instructor, Clyde Henry, Eddie Ramm, Manuel Jennings, B. A. Goss, J. E. Tiller, Claude Sanders and D. B. Head.

Jones and White were made honorary members of the area chapter.

Clois Dean Wiseman, Sudan, brought the greetings from the State FFA President. H. M. Bainer, Amarillo, general agricultural agent of the Santa Fe, presented the Santa Fe awards, a certificate showing the recipient to be an American Farmer and a check to cover all expenses to the FFA Congress in Chicago. L. Lano Barron, State FFA adviser, Austin, presented the degrees and chapter awards. Young Wiseman was one of the boys receiving the Santa Fe award.

A highlight of the evening was the address by Dr. W. M. Whyburn, president of Texas Tech. Those in attendance numbered 319.

Other Muleshoe persons attending were five boys of the Ag. 3 class at high school, who will receive the Lone Star Farmer degrees next year: Jimmie Clements, Harvey Coffman, David Boren and Winford

Mostly Static --

By BERRY

Howdy Folks: When a girl goes about in this weather with her calves bare, it must make her feel cold.

Anyhow, stockings cover a multitude of shins.

Well, a girl can go without stockings, but she can't wear low shoes any more. There ain't no low shoes no more.

During the war in Europe stockings were made of paper.

We know that paper will keep you warm. We had a short term note, once that kept us in hot water for thirty days.

Well, as Mark Twain said, everyone talks about the weather but no one ever does anything about it.

We did something about it. We called up the weather man and asked him how about a shower tonight and he said it was all right with him; just go right ahead and take a shower.

And Folks, I'm sure something that will be all right with you is our ADMIRAL ELECTRIC RANGE. Why don't you try it?
