

HALL OF REMARKS

BY HERREL HALLMARK

CITY MANAGER Mike Moore said Tuesday morning that the City of Cisco received a check for \$500 Monday to help in paying for Cisco's proposed wastewater treatment plant.

City water customers received letters with their monthly bills telling of the suit which was brought against the city and the fact that the city must build a new facility.

Apparently the check was the result of the letter. City manager Moore stated the donor requested that he remain anonymous.

AT LAST Friday night's Homecoming football game against Baird, the Lobo seniors were introduced before the game got underway. The 13 players were introduced individually and walked through or around signs with their names and numbers.

Also at the game, during half-time, the Lobo Band was led on the field by assistant drum major Cheryl Casey since the regular drum major Tracey Couch was a nominee for Homecoming Queen.

The percussion section of the band was named as the band squad of the week.

THE HOMECOMING Parade, as well as the football game, was a huge success with some very good floats boosting team spirit.

LET'S ALL make plans now to turn out at Chesley Field Thursday night and back the Junior High school

and Junior Varsity football teams as they take on Albany. The first game will begin at 5:00 p.m. and the others will follow.

Also make plans to go to Albany Friday night and support the Loboes in this important game. The Loboes are 1-1 in District play and if they can defeat Albany they may stand a good chance at making the play-offs this year.

See you in the football stands.

CHS Lobo Varsity Will Take On Albany Lions Friday In Important Game For Cisco's Hopes

Loboes Defeat Baird In Cisco Homecoming Game

The Cisco High School Lobo Varsity will be trying to keep its District 9-AA play-off hopes alive Friday night when the team will take on the Albany Lions in Albany. Kick-off will be at 7:30 p.m.

Cisco's Junior High and Junior Varsity teams will play in Cisco Thursday night. The seventh grade game is scheduled to begin at 5:00 p.m., followed by the eighth at 6:00 and the J.V. at 7:30 p.m.

The Loboes are 1-1 in district play and 3-2 for the season, following their thrashing of the Baird Bears

here last Friday by the score of 48-29 before a Homecoming crowd. Albany is also 3-2 for the season, but they have a 2-0 district record.

Cisco Head Coach John Parchman stated Tuesday morning that Albany has one of the best players in the area, James Schkade. Schkade is a running back and linebacker for the Lions. Coach Parchman stated that the youth had a broken hand when Albany lost its only two games of the season, but he is well now and will be playing Friday night.

This Friday's game will be one of the most important

games of the season for Cisco, according to Coach Parchman. He stated, "If we lose this one, we will just be playing for fun the rest of the season. It is very important for us to win this game if we are to have a chance at the play-offs and are willing to do everything they can to make it this year. He also said, "We are looking forward to playing well Friday night against Albany."

One of the disappointments in last Friday's win over Baird was all the penalties Cisco received during the game, 20 penalties for a total of 200 yards.

Mistakes by varsity players and some bad calls by the officials made the Loboes come out with an average loss of 10 yards per penalty.

About the penalties, Coach Parchman commented, "We played a little sloppy Friday night. Some of the penalties could have been avoided. We have to cut down on our mistakes and penalties to get into the play-offs. If it is a hustling mistake, then we don't worry so much about it, but if it is a mistake which can be corrected then we do worry about them and we are working to get them corrected."

Coach Parchman said Tuesday morning the Loboes are more beat up this week than they have been all year. He said most all of the players have bumps and bruises while it is doubtful if a few of them will be able to play against Albany. On the doubtful list are David Seabourn with an injured knee, Josh Potter with an injured back, Mike Williams with an injured thumb and Doug Hendricks with a pulled muscle.

In last Friday night's game, Cisco and Baird were neither one able to sustain a drive long enough to score any points during the first quarter of play. Baird came close on their second possession of the ball when they started out on their own 12-yard line and drove downfield to Cisco's 42 with three first downs in eight plays.

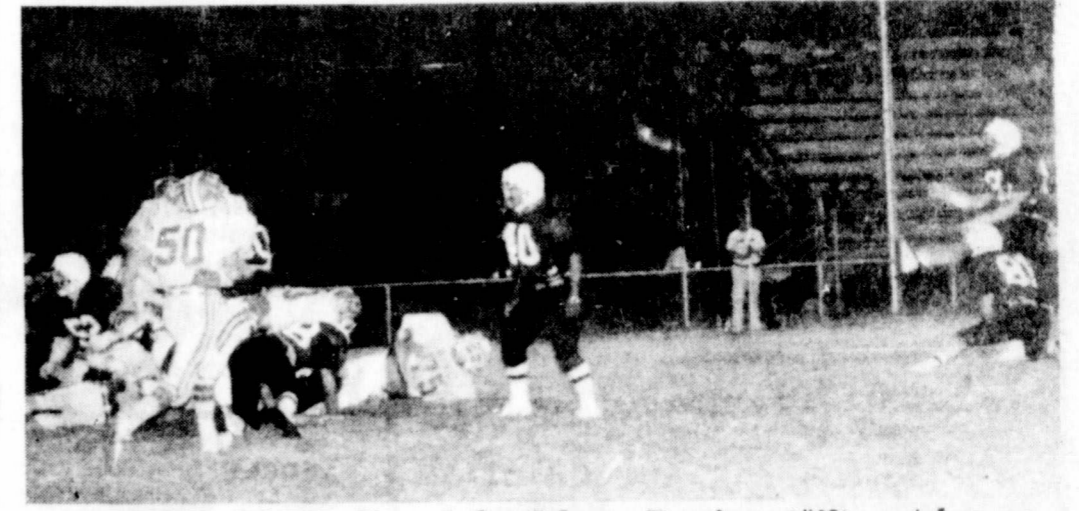

On a third down and five-yards situation, Baird quarterback Chris Graham was sacked behind the line of scrimmage by Butch Jessup. Robert Sherman recovered the fumbled football for Cisco, killing Baird's drive at their own 49-yard line.

Cisco began moving the ball downfield in their own drive with one first down after eight plays. In the final seconds of the first quarter, Cisco quarterback Joe Perry threw a pass which was intercepted by Baird's Graham at the Bears' nine-yard line.

Unable to get a first down, Baird was forced to punt the ball when their drive stalled on their own 17-yard line. A bad snap from center Mark Harris to Graham, the punter, was barely gotten off and the ball was received by Cisco's Tommy Elrod at Baird's 34-yard line for a good field position.

With the second quarter of play already started Cisco went to work adding points to the scoreboard. Runs by Doug Hendricks, QB Perry and Franky Seabourn moved the ball from the 34 to the six-yard line in five plays. QB Perry kept the ball on the next play and ran six yards to the left corner of the end zone for the touchdown. With Glen Starr holding the ball, Jessup kicked the PAT making the score 7-0 with 8:18 left in the second quarter of play.

Baird received the ensuing kick-off, but two plays later, on a pitchback from QB Graham to Jody Turnbow, Turnbow fumbled the ball and Cisco's Sherman recovered his second fumble of the game. Taking possession of the ball at Baird's 39-yard line.

ANOTHER POINT-Cisco Lobo Johnny Ramirez (#40) watches as Butch Jessup (#80) kicks the final extra point before half-time last Friday in Cisco's Homecoming game against Baird. Glen Starr (#81) was holding the ball for Jessup. The PAT kick gave the Loboes a 28-0 lead at half-time. (Staff Photo by Wanda Hallmark)

Cisco went to work for their second touchdown of the night. The first play was an incomplete pass from QB Perry to Starr, but Mike Williams picked up four yards on the next play, a handoff. QB Perry kept the next snap from center Craig Foster and busted through the middle of Baird's line, breaking several tackles in the process, to streak 35 yards to the goal line. Again Starr and Jessup teamed up for the successful PAT kick making the score 14-0 with 6:29 left in the second quarter of play.

Baird was forced to punt on their next possession of the ball after being backed into a fourth down and 31-yards situation.

Cisco received the kick and started their next drive from their own 44-yard line. On the first play, Johnny Ramirez took the handoff from QB Perry and raced 56 yards for a touchdown. Starr and Jessup again made a good team on the PAT attempt and Cisco was ahead by the score of 21-0 with 3:35 left in the first quarter.

The Loboes then used an onside kick and recovered the ball at Baird's 48-yard line to set up their final score of the first half of play. Pass completions from QB Perry to F. Seabourn, who made a diving catch, and to Patrick Qualls, moved the ball downfield to Baird's 31-yard line. Runs by Ramirez and F. Seabourn then moved the ball to Baird's 15. Another pass, this time to Starr, was good for a 15-yard touchdown play. Jessup's PAT kick again split the half-time score 28-0 with 37 seconds left to play in the second quarter.

Cisco received the second half kick-off, but on their second play QB Perry was sacked by Baird's Turnbow and the ball was knocked loose and recovered by the Bears at Cisco's 22-yard line. Baird QB Graham kept the ball on the first play for two yards and then used Turnbow to run the ball on the next two plays moving the ball to Cisco's one-yard line. Another handoff to Turnbow for the touchdown and Baird had six points on the scoreboard. The PAT kick by Ben Mendez was good making the score 28-7 with 9:49 left in the third quarter of play.

Cisco's F. Seabourn received the following kick-off from Mendez around the Loboes five-yard line and he returned it to the 31. A handoff from QB Perry to Hen-

dricks gained no yardage when a personal foul penalty was called against the Loboes. The ball was moved back to Cisco's 20-yard line and Cisco was faced with a second down and 20-yards situation. A pass from QB Perry to Ramirez and Cisco had an 80-yard touchdown play. A bad snap stopped the PAT attempt when Jessup was ruled down by the officials. With 9:02 left in the third quarter, the score was now 34-7.

Baird received the kick and began their next possession of the football at their own 28-yard line. Following three incomplete passes, Baird's Doug Tuerk punted the ball but a Cisco penalty for holding gave the ball back to Baird at their own 38-yard line with a first down. Runs by Billy Deel, Turnbow and QB Graham moved the ball to Cisco's two-yard line in nine plays. Deel took the final handoff of the drive and ran for the two-yard touchdown. The PAT try by Mendez was no good, but a Cisco penalty gave Baird another try at gaining some extra points. Electing to try for two points, Baird QB Graham received the snap from the center and was sacked by Cisco's Jessup and Willard Johnson leaving the score at 34-13 with 4:42 left in the third quarter of play.

Again Cisco's F. Seabourn received the kick from Mendez around Cisco's five-yard line and this time he returned it to Cisco's 27. Runs by Josh Potter and Ramirez, with Wade Shackleford at quarterback, helped to move the ball downfield in six plays and gain one first down. However, in a fourth down situation and needing seven yards for a first, Cisco had the ball at Baird's 44-yard line. Appearing ready to punt the ball, Jessup received the snap from the center and then ran for the first down and continued running until he was stopped at Baird's five-yard line. Runs by Ramirez and Potter moved the ball to the three-yard line and a screen pass to Starr from Cisco QB Shackleford netted the touchdown with 40 seconds left in the third quarter. Jessup's PAT kick was good making the score 41-13.

Baird received Cisco's punt and started another scoring drive, this time from their own 25-yard line. A handoff from QB Graham to Turnbow moved the ball to Cisco's 43-yard line on a good run. Deel moved the ball an

additional two yards to Cisco's 41-yard line. Turnbow took the next handoff and ran the 41 yards to the goal line for a Baird touchdown in the first play of the last quarter. Another handoff to Turnbow gained two extra points for the Bears making the score 41-21 with 11:47 left in the game.

Cisco's Darrell Stuart recovered a Baird fumble at the Loboes 34-yard line to set up Cisco's final scoring drive of the game. With Shackleford at quarterback and Manuel Gonzales at center, Cisco's Potter moved the ball to Cisco's 40-yard line in two plays. Putting Perry back in at quarterback, the Loboes continued to move the ball downfield on runs by QB Perry, Hendricks and Potter. With the ball resting on Baird's 22-yard line, Cisco QB Perry kept the ball and ran around his left side for the touchdown. The PAT kick by Jessup was good making the score 48-21 with 3:45 left in the game.

Darren Price recovered a Lobo fumble for Baird at Cisco's 20-yard line to set up the final score of the game. Following two incomplete passes with 44 seconds remaining in the game, Cisco's Jessup and Sean Manire sacked Baird QB Graham for a six-yard loss putting the ball back on Cisco's 26-yard line. A Cisco penalty on the next play, an incomplete pass, gave Baird the first down at Cisco's three-yard line. Turnbow was able to gain only one yard on his carry and a Baird penalty, on a run by Deel, moved the ball back to Cisco's nine-yard line with seven seconds remaining in the game. With only enough time left for one more play, Baird QB Graham hit Tuerk in Cisco's end zone for a touchdown as the last seconds of the game ticked off the clock. Since they had scored, Baird was given their chance at making extra points and Turnbow took the pitchback from QB Graham

At The Parade

For those who "love a parade..." had a fine one to love Saturday.

And a record number of entries, a parade-perfect weather and a record number of spectators made it everything a parade should be.

For well over an hour, Main St. from west to east was filled with excitement - and it was a fitting close to

Focus

EDITOR:
In behalf of the Eastland Chamber of Commerce, its members and the Parade Committee, we express our thanks and appreciation to all those who entered and participated as well as those who viewed and supported the Eastland parade Saturday, October 1, 1983.

The diversity and involvement of many people and organizations made the parade a success again this year.

Sincerely,
Mike Kiser

The Annual Eastland County Fair which opened Wednesday. Estimated were that over 4,000 witnessed the parade, described by both locals and visitors as being one of the finest ever held anywhere.

It would be impossible to pick a high-point: it could have been with the beautiful Miss Texas, Dana Rogers, stood at the microphone and let the large assemblage in the National Anthem; or it could have been when your own personal entry came by; or it could have been when the winning entries were announced. It was a perfect parade.

Chamber manager James Wright, assisted by the Rev. Jim Hooten, did his usual outstanding job of ring-mastering the event. (I there weren't a James Wright in your town, some one would have to invite one, a wise person pointed out.) Lawrence Janaka and a lot of Chamber Volunteers did an outstanding job of organizing and executing the parade.

4-H Week

"4-H: Building on Experience," the year long theme of the 4-H program across Texas and the nation, reflects on the rich past of this youth program. The theme will receive special emphasis during National 4-H Week, Oct. 2-8.

Angela Burgess of Gorman High took the first-place trophy in the duchess contest. Lisa Roster was second and Charla Little of Kokomo took third place.

Lone Star Gas Co. took the first-place award for the local floats. Eastland Tee Ball Association took second and Housson Child Care took third.

In out-of-town float competition, the DeLeon Peach and Melon Festival carried the first-place trophy. Ranger Lions Club was second and Gorman 4-H Club was third.

The Brown County Sheriff's Posse won first place in the riding club division. Ranger Riding Club was second and the Eastland County Sheriff's Posse was third.

A Rolls Royce sponsored by Aaron Insurance won first in the antique car division. A.C. Kellar was second and David Dahlgren won third.

"The 4-H program has long taken pride in its roots and the practical learning experiences that it has provided for millions of youth," says H. T. "Tom" Davison, state 4-H program leader with the Texas Agricultural Extension Service, Texas A&M University System. "In fact, 4-H is celebrating its 75th anniversary this year.

"4-H, which now reaches some five million youth each year in the U.S., actually had its beginning in Texas in Jack County back in 1908," notes Davison. "From the early corn clubs for boys and canning clubs for girls, 4-H has grown into the largest youth organization outside of schools that today reaches young people from all backgrounds and walks of life."

Conducted by the Cooperative Extension Service in each state and supported by each state's land-grant university and the U.S. Department of Agriculture, the 4-H program is built around a "learning-by-doing" philosophy that has stood the test of time.

"We now have more than 87,000 Texas youth between the ages of 9 and 19 enrolled in 4-H, and they are engaged in some 50 project areas that provide a host of learning experiences to prepare them for the future," Davison points out. "These educational projects help young people gain practical skills, develop good nutrition and health habits, explore career opportunities, generate leadership capabilities, and become involved citizens."

From the traditional projects of field crops and livestock to baking and sewing, 4-H has expanded over the years into such areas as small engines, rocketry and veterinary science. And now computers are finding their way into 4-H.

"With new projects and programs to challenge today's young people, the future of 4-H looks bright," says Davison. "4-H has a proud past on which to build as it continues to help youth prepare for the future."

Eastland County has five active 4-H Clubs currently,

according to Faith Ballard of the Eastland County Extension Office. Three clubs, Carbon 4-H School Club, Ranger School Club, and Cisco Country Kids 4-H Club, have not met to elect officers but are expected to soon, Miss Ballard added.

Cisco Good Times Gang 4-H Club has 10 members and eight adult leaders. Organizational leader is Jane Ray. Other officers and Holly Lambert, president; Crystal Hatcher, vice president; Patricia Ray, secretary-treasurer; reporter; and Jeremy Eisenbach, parliamentarian.

Organizational leader for Eastland Happy Go Getters is Lois Crenweige. The club has 32 members and 13 adult leaders. President is Leanne Brown; vice president, John Glenn Kidd; secretary-treasurer, Shirley Kidd; reporter-photographer, Marsha Crenweige; and Darla Cagle, council representative.

Gorman Community 4-H Club has the largest membership in the county with 51 members and 21 adult leaders. Officers are president, Stephen Slampa;

vice president, Noble Laminack; secretary, Shannon Caraway; treasurer, Stacy Slampa; reporter, Sue Osborne; council delegates, Scott Gressett and Jennifer Simmons; and recreational leader, Richard Burgess.

Nimrod Community 4-H Club has 11 members and six adult leaders. Kathy Agnew is organizational leader; Emory Kea, president; Shannon Kendall, vice president; and Shelly Agnew, secretary.

Rising Star 4-H Club has 28 members and seven adult leaders. Organizational leader is Barbara Long. Officers are Jamie Long, president; Karmen Hall, secretary-treasurer; Jerry Long, council delegate; Howard Lawrence, refreshment committee; and Kelly Hill and Darron Green.

Drilling Bits

A potent new gas well has been completed in Eastland County's Ardinger Field three miles northeast of Cisco. It is the No. 5 Hanvey Fee, flowing 1,216,000 CF Gas per day on a half-inch choke and coming in at 2,800,000 CF on open flow.

Don H. Hanvey of Dallas is the operator.

The well is in a 160-acre unit in the H&TCRR Survey Sec. 76 Blk. 4. It was taken to total depth of 4,053 feet and will produce from a perforated interval in the Lake Sand, 3,478 to 3,485 feet.

Eternal Exploration Inc. of Cisco has posted first production figures for a wildcat producer just completed three miles northwest of Cisco.

Designated as the No. 3 Leah Brown "A," the well flowed 705,000 CF per day and was rated at 738,000 CF on open flow.

The well went to total depth of 4,237 feet. It will produce from a set of perforations 3,661 to 3,670 feet into the wellbore. The operation is in a 160-acre unit, SPRR Survey Sec. 506.

The 2 Kincaid North has been spudded six miles northwest of Eastland, with Snow Oil Co. of Fort Worth as the operator. Aimed at pay in the Marble Falls Formation, the well is in Eastland

County's Rebecca Field. Projected total depth is 4,000 feet. Drillsite will be in a 101-acre lease in the H&TCRR Survey A-1883.

Sentinel Petroleum, operating out of Hurst, has filed for permit to drill the No. 1 McGraw, a 3,000-ft. developmental try in the Eastland Regular Field. Location is in an 83-acre lease in the Fredrick Scramton Survey, five miles south of Ranger.

Flowing 2,048,000 CF gas per day on a 5/16 choke, the No. 4-C James A. Cox has been brought on line in Eastland County's TEC Field eight miles northwest of Rising Star.

Trinity Exploration of Fort Worth is the operator.

Rated at a lofty 9,500,000 CF on open flow, the well went to total depth of 3,220 feet and will produce from Caddo perforations 2,611 to 2,621 feet into the wellbore.

The operation is in a 190-acre lease in the Maryan Clark Survey, Holcomb and Davis Subdivision Lot 3.

The same Fort Worth company has finaled its No. 1 C.W. Circh Richter, and Eastland County wildcat located eight miles northwest of Rising Star. The well showed capacity to flow

89 barrels of oil and 63,000 CF casinghead gas daily on an 18/64 choke. Flow pressure stood at 125 PSI.

Trinity bottomed the hole at 2,760 feet and perforated for production 2,670 to 2,679 feet into the hole.

The location is in a 100-acre lease in Eastland County's Moses Aken Survey A-1.

AWS Petroleum Co. of Eastland has revealed plans to drill a 1,200-ft. developmental in the Flatwood E (oil/gas) Field. The operator has 229 acres leased, with drillsite in Eastland County's Lot 6, Lques 344, McClellan Co. School Land Survey and has designated the venture as the No. 1-C Garland Andrews. Drillsite is five miles southeast of Eastland.

A Ft. Worth based operator has staked location for the No. 2 Kincaid North, a developmental to be located six miles northwest of Eastland. With projected total depth of 4,000 feet, the well is in a 101-acre lease in Eastland County's Rebecca Fiel, Sec. 38, Blk. 4, H&TCRR Co. A-1883 Survey. The operator is Snow Oil Co.

At a location three miles northeast of Cisco Don H. Hanvey Oil Interests, Inc. of Dallas has finaled a new gas producer in Eastland County's Ardinger Lake Sand Field.

The well is designated at the No. 5 Hanvey-Fee. On a half inch choke, the well showed potential to yield 1,216,000 gas per day. It was given a 2,800,000-CFD rating on open flow. Location is in a 160 acre lease in the Sec. 76, blk 4, H&TCRR Co. Survey. Bottomed at 4,053 feet, the well will produce from perforations 3,478 to 3,485 into the hole.

Trinity Exploration Co. of Ft. Worth has filed first production figures on a new gas well in the T.E.C. Caddo Field. The No. 4-C Cox, James A. indicated ability to flow 2,048,000 CF gas per day on a 5/16 choke. It was rated at 9,500 CF on absolute open flow.

The operator has 190-acres leased, with drillsite in Eastland County's Lot 3 Holcomb & Davis Subd, Maryan Clark Survey, eight miles northwest of Rising Star.

The well will produce from an interval 2,611 to 2,621 feet into the wellbore. Total drilling depth was 3,200 feet.

The No. 3 Leah Brown "A" has been finaled by Eternal Exploration of Cisco. It is a wildcat three miles

northwest from Cisco. Drillsite is in a 160-acre lease in Eatland County's Sec. 506, SPRR Co. Survey.

Daily potential of 705,000 MCF was posted with the Railroad Commission. The well went to a 4,237-ft. bottom, and top of pay zone was logged at 3,661 feet. Production will be from perforations 3,661 to 3,670 feet into the wellbore.

At a location one mile north from Cisco, Thomas C. Canan of Wichita Falls has finaled a new oil producer in Eastland County's Kleiner Lake Sand.

The well is designated as the No. 1 City of Cisco, flowing oil at the rate of 45 barrels per day on a 10/64 choke. tubing pressure was 625 PSI. The well also showed potential for 189,000 cubic feet of casinghead gas per day.

Location is in a 40-acre lease in the Sec. 84, Blk. 4, H&TCRR Co. A-708 survey. Bottomed at 4105 feet, the well will produce from perforation 3,464 to 3,482 into the hole.

A 4,200 ft. re-entry wildcat is planned by P & R Oil Inc.,

of Eastland at a drillsite six miles northwest of Eastland. The location is a 332-acre lease in the Sec. 36 Blk. 4, H&TC RR Co. A-1913 survey. Well's designation is the No. 4 White.

Sentinel Petroleum Co. of Hurst has filed for permit to drill the -1 McGraw, a 3,000-ft. developmental well five miles from Ranger. Location is in a 83-acre lease in Eastland County's Fredrick Scramton Survey.

At a location eight miles northwest of Rising Star, Trinity Exploration Co. of Ft. Worth has finaled a new oil producer in Eastland County's TEC Caddo Field.

The well is designated as the No. 1 C.W. Richter flowing oil at the rate of 89 barrels per day on a 18/64 choke.

Location is in a 100-acre lease in the Moses Aken A-1 survey. Bottomed at 2,760 feet, the well will produce from perforations 2,670 to 2,679 into the hole.

Southeastern Resources Corp. of Rising Star has first production figures on a new oil well in the JMJ Marble

Falls Field. The No. 2 M. K. Courtney "E" showed potential to make 70 barrels of oil and 400,000 CF casinghead gas per day. Tubing pressure came in at 100,000 PSI.

The operator has 160 acres leased, with drillsite in Eastland County's H&TC RR Co. -33 Survey, five miles northwest from Eastland.

The well will produce from an interval 3,430 to 3,438 feet into the wellbore. Total drilling depth was 3,820 feet.

A Dalhart-based operator has staked location for the No. 1 R.L. Rush-CM, a developmental to be located two miles west of Eastland.

With projected total depth of 4,100 feet, the well is in a

160-acre lease in Eastland County's Cameron Two Field, Sec. 47, Blk. 4, H&TC RR Co. Survey. The operator is Great Western Petro Inc.

Morrison Energy Co. of Abilene has revealed plans to drill two developmental well at a depth of 3,400-ft. in the Moreno Field. The operator has 40-acres leased, with drillsite in Eastland County's A.C. Williams A-1985 Survey, and has designated the venturers as the No. 1-1 Riddle Unit -1 and No. 2-1 Riddle Unit -2. Drillsite is four miles southeast of Carbon.

Three 2,000-ft. developmental wells are planned by AWS Petroleum Co. of Eastland at a drillsite

six miles southeast of Eastland, Eastland County. The locations are in an 80, 82, and 164 acre lease in the Charles Messer A-372 and Sec. 9 Blk 2, H&TC RR Co. A-311 Survey. The wells are designated as the No. 4 Wilmut, No.2 Nolen and No. 2 Harbin. They are in the Flatwood, E. (oil/gas) and Eastland Regular (oil/gas) Field.

Riker To Auction Original Painting

Mr. Hugh Riker, nationally famous artist, has been commissioned to do an original art work of the historic Texas & Pacific Depot in downtown Ranger. Mr. Riker was hired by the Ranger Chamber of Commerce to do the work that will be unveiled at Roaring Ranger Days, Saturday, October 8th.

The original work of the depot will be set in the boom day period and will feature muddy streets and figures representing characters of the era.

Limited edition, signed and numbered prints of the work are available on a first come, first serve basis, Mike Ford Chamber president said. In order to obtain one, you may purchase a sustaining membership to the Roaring Ranger Museum. Each member will receive a print while they last. Cost of a membership is \$100 and is tax deductible. All proceeds go toward the support and improvement of the Roaring Ranger Museum. Ford reports that over thirty of the prints have already been sold.

Mr. Riker will be here in person for the Roaring Ranger Days and will auction off the original work at that time.

Riker is well-known for his works of "Texas Courthouses," "Colorado Mining Camps" and his "American Railroad" series. He is currently "Artist in Residence" at Fort Concho Museum and is the official artist for the city of San Angelo.

Collectors of his works include the late President and Mrs. John F. Kennedy, President Gerald Ford, the Henry Ford family, Mr. Gregory Peck and many others.

Mr. Riker is a native of Flint, Michigan and is a graduate of the Flint Institute of Art, Layton School of Arts in Milwaukee, School of Practical Arts in Boston and the Chinnard School of Design in Los Angeles.

Museum Open For Festivities

Chamber Manager Stubby Warden has announced that the Roaring Ranger Museum will be open to the public free on Saturday. If you have not seen the museum, take this opportunity to check it out.

Also, the rest room facilities in the Depot Museum will be open all day. All Roaring Ranger Day visitors are encouraged to use these facilities rather than bother merchants for their rest rooms. Thank you for your cooperation.

2nd Annual Roaring Ranger Days

He was the second American admitted membership to the elite International Organization of Pen & Ink Artists which has less than ten members.

His Texas Courthouse collection will be published in a book in 1984. He has exhibited his work throughout the United States and his collectors are world-wide.

Anyone interested in purchasing one of the limited edition prints or would like to bid on the original should contact Mike Ford at 647-1145 or see Mr. Riker's Booth at Roaring Ranger Days.

Roaring Ranger Days Mystery Shopper Clues On KVMX Radio

Newly fenced and landscaped yard at Roaring Ranger Museum

Attention! Street Dance Friday Night

The Big weekend officially kicks off Friday night with the ever popular street dance. As is the tradition, the street dance will be FREE and is open to Rangerites of all ages young and old alike. A good variety of music will be played with Country & Western being featured although there will be a good sampling of be-bop and current rock & roll hits.

Clues to the identity of the shopper will be displayed in various Ranger stores during the day and clues will also be given on the air on KVMX-FM 97 radio. Location of the in-store clues will also be given on KVMX.

In addition, KVMX will be announcing in-store specials that can save shoppers money as they shop in Ranger stores.

To win the money all a person has to do is identify the mystery shopper and walk up to him or her and say, "Are you the KVMX Roaring Ranger Mystery Shopper?" If the mystery shopper is correctly identified the person making the identification will receive a \$100 bill on the spot. If several arrive at the same time to greet the Mystery shopper the first person to shake his or her hand and ask the question will be the winner. Decision of the judges will be final.

Roaring Ranger Days will get into full swing Friday night with a free street dance in downtown Ranger after the Ranger-DeLeon ball game.

Saturday's activities will start at 7 a.m. Saturday Morning with a Cowboy Breakfast sponsored by the Lions Club on the Joseph Hall parking lot. Tickets are \$3 and available from any Lion.

The big parade kicks off at 10 a.m. and will feature floats, bands, horses, kids, clowns and a few more surprises.

At 11 a.m. the street carnival begins with over 17 food booths a cake walk, dunking board, craft booths, art exhibit and live entertainment.

Several other activities begin around 11 a.m. Washer pitching will take place behind Brown's Pharmacy.

A double elimination tourney will be held for cash and prizes. Also an open competition will be held for anyone who wishes to step and enter.

The second annual World Championship of Swamp Surfing will get under way at the swamp pit. See fearless men and women climb aboard the swamp sled and take the 100 ride across the dirtiest little mud hole in Texas.

Just before the start of the Swamp Surfing, the Ranger Lions Club and the Ranger Rotary Club will have a tug of war contest over the swamp pit. Pride is at stake and the losers end up with mud on their faces.

The activities will continue throughout the day until about 5 p.m. At 7 p.m. all eyes will turn to the Jaycee Rodeo Arena for the second annual Almost Anything Goes Competition. \$1 admission will get you in to see Four teams of Rangerites go for the glory in a sort of wacky Olympics. Many new and different games have been added to see if the Southwest Swamp Ratz can repeat as Champs.

A big barn dance will close the day as the Ranger Jaycees play host to Sierra Light at the Jaycee Dance Barn on the Rodeo Grounds.

Everyone is invited to come on out and enjoy the fun at the bigger and better Roaring Ranger Days, Saturday October 8th.

Bigger Parade Planned

Close to 50 entries will be in for the bigger and better Roaring Ranger Days parade. Chairman Ben Lancaster has announced that nearly all of last year's attractions will be back plus some new ones. Trophies will be awarded in all divisions.

Highlighting the parade will be a number of local area floats including the 47 Club, DeLeon Peach & Melon Festival, Beta Sigma Phi, Lions Club, Smart Shop, Harris Construction, Lone Star Gas, Scouts, several

covered wagons, Eastside Baptist Church and many others.

Bands will include the Howard Payne University Yellow Jacket Band from Brownwood and the Spirit of Ranger Band. Other bands are expected.

A collection of classic and vintage cars ranging from 1918 to 1957 will be displayed as well as a number of newer models with local sweethearts and beauty queens riding on top.

No parade would be complete without riding clubs

and a good number of equestrian groups have promised to attend.

One feature from last year that's making a return is the McMurry University Calliope. This vintage steam music machine will be played by Ranger's own Lyndell Cockburn.

A judge reviewing stand will be set up in front of the Gholson Hotel. Come early and get a good spot for the 10 a.m. parade.

See You In Ranger

New Event Now Added

Entries are now being accepted for the newest event at "Roaring Ranger Days" - Washer Pitchin'. The contest will get underway Saturday, October 8th in downtown Ranger at noon behind Brown's Pharmacy.

The contest is open to two-person teams and may be all men, all women or mixed. There will be two divisions of competition, the OPEN division which is age 18 and over and the JUNIOR division which is all competitors under 18.

Washer pitchers will compete in match play on a double

elimination, round-robin basis. Twenty-one foot courts will be used and all players will throw the same size washers which will be provided.

Trophies and cash will be awarded in each division. Entry fee is \$10 per 2-person team. Junior division is \$3 per team. Anyone wishing to enter should mail their fee and name of teammate to Washer Pitchin', Box 57, Ranger, Texas 76470 or call 647-1145 or 647-3091.

Entries will close when brackets are filled on a first come, first serve basis.

CLASSIFIED ADS FILL THE BILL

Ranger Boom Days

By Plummer S. Lemley

Ranger was a tough one A nasty, dirty tough one Back in the boom days A long time ago Oil flowed like flood water, Muddy, yellow flood water. Men got rich from the dirty yellow flow.

Streets were merely mud holes, Greasy, filthy mud holes. To go across the street you had to pay a dime To ride a one horse mud scow A crowded, veaving mud scow Horse belly deep in the mud and slime.

Water, water - everywhere! Stinking water everywhere. To get a drink of water You had to pay the bill - A dime a glass for water- Tepid, muddy, gritty water Just to wet your throat Or drink your thirsty fill

Cars were mired in black mud Sticky, oily black mud The drivers gone and left them long, long ago And thieves would strip the autos The useless, bogged down autos Leave them for the wrecker to pull them out and tow.

Horses couldn't pull the loads The heavy, oily casing loads. Men used the patient oxen teams instead The patient, plodding, blowing oxen The tireless, dirty, muddy oxen Pulling heavy trailer loads Heavy, heavy - loads of lead!

Thugs were crouched in doorways Darkened, fetid doorways Waiting in the dark they'd hit one on the head And get his hard earned money- His greasy, grimy, gummy money- Get everything he could and leave one there for dead.

(Editors Note: The author came to Ranger in 1875 and died in Ranger in 1981)

Green Thumb Workers Learn Meaning Of Responsibility

For the hundreds of older workers in the Green Thumb senior employment program, responsibility has been a way of life, an essential part of the traditional work ethic that most older persons accept.

But as 125 Green Thumb workers meeting at the Miller Co. Senior Center in Goldthwaite learned recently, responsibility goes beyond caring for jobs and families; it also means being responsible for your own health.

"Working hard is the most important thing in many people's lives," said Green Thumb state director Diane Parrish of Waco. "Yet what most of us don't think about is that we can't work if we aren't healthy, and to be healthy we have to take care of ourselves."

Green Thumb provides part time work in public service agencies for low income persons 55 and over. Texas

The Tommy Boyds Will Host Social

After Oct. 7 Game

Mr. and Mrs. Tommy Boyd of Moran will host a social at their home after the Albany Homecoming football game between Strawn and the Moran Bulldogs Friday night, October 7.

Mr. and Mrs. Boyd are 1969 graduates of Moran High School. All ex-students and friends are invited.

Farmers Union sponsors the program, which operates in 108 counties across the state.

Parrish emphasized that it is far better to prevent a disease than to deal with it after it has attacked the body, and in a film produced by the American Occupational Medical Association, the Green Thumbers learned how diet, exercise and good habits can forestall the onset of disease.

Another way to maintain good health is to avoid accidents, and in recognition of this fact, Parrish presented safety awards to all Green

Thumbs with no job accidents in the past five years. Jo Phillips of Cisco and J.O. Elmore of Eastland received awards.

Green Thumbers from Eastland County attending the training session were: Viola Dennis, Carbon; J.O. Elmore and Ruth Kendrick, Eastland; Leora Bean, Nila Jones, Elva Notgrass, Jo Phillips and Annie Rendall, Cisco; Ruth Cartee, Senior Citizens director accompanied the group. Transportation was furnished by the Cisco Junior College Senior Citizens.

Ron Malone Enters Herd In Angus Improvement Program

Ron Malone, of Cisco, Angus Cattle Breeder, recently enrolled his herd in the Angus Herd Improvement Records program of the American Angus Association, reports Dick Spader, executive vice-president of the national organization with headquarters in St. Joseph, Missouri.

Angus Herd Improvement Records (AHIR) is a comprehensive within herd evaluation program used by cattlemen to help them keep records of reproduction, and growth rate on individual animals. Each year hundreds of Angus breeders use AHIR records to produce more profitable, efficient Angus seedstock.

By weighing calves at 205 days of age and again at a year of age, breeders not only identify the cattle that grow the fastest and most efficiently, they also identify cows that regularly produce above average calves, and bulls that sire outstanding calves.

The American Angus Association in 1957 was the first beef breed organization to offer its members a production records program. Since that date the AHIR program has grown to the point that breeders report more than 125,000 weaning and yearling weights each year. This mountain of information is processed and stored in the Associations' modern computerized data processing systems.

When You Buy, Build or Remodel, You Can Save Thousands of Dollars* on Your Electric Bills over the Life of Your Home if it's a WTU-Approved E.S.P. Home

Some homes on the market may seem to be energy efficient, but before you buy, build or remodel, be sure your new home earns the West Texas Utilities

"E.S.P. Award"

ASK YOUR REALTOR OR BUILDER ABOUT SOME OF THE MOST IMPORTANT ENERGY SAVING FEATURES:

- Ceiling insulation of R-30 and wall insulation of R-16.
- Storm windows or insulated glass.
- Weatherstripping and caulking around all doors and windows.
- Air conditioning with a Seasonal Energy Efficiency Ratio (SEER) of 8.5 or higher.
- Electric heat pump with an SEER of 8.0 or higher.
- Air infiltration control.

*COMPARE BELOW HOW MUCH MONEY AN E.S.P. HOME CAN SAVE YOU OVER A ONE-YEAR PERIOD

An average 1800 square foot home will cost approximately \$835 per year to heat and cool.

An E.S.P. HOME of 1800 square feet will cost approximately \$610 per year to heat and cool, which results in an annual savings on electricity costs of 25 percent or more.

(Energy savings may vary according to the type of construction of the home, family size and individual energy usage habits.)

Call your local WTU office for additional information on buying, building or remodeling to have an E.S.P. HOME. IT CAN SAVE YOU MONEY ON FUTURE ENERGY BILLS!

Teachers Society Meets At Cisco Bank

Beta Upsilon Chapter of Delta Kappa Gamma, International, met Saturday, October 1, 1983 in Cisco National Bank.

Delta Kappa Gamma is an international society made up of key women teachers. The Beta Upsilon Chapter is made up of women teachers in Eastland and Callahan counties.

Ethel Sparks of Eastland, president, presided. She introduced Mrs. June Khaler, Area 10 Coordinator of Fort Worth. Mrs. Khaler gave her greetings to the chapter by using three fables incorporated into the framework of the purposes of Delta Kappa Gamma.

Mrs. Anna Auvenshine of Ranger presented the program "A Look at Educational Policies." Mrs. Auvenshine brought out the fact that public opinion very

much influences school policy. She named some evaluations that have already been made and some being made.

"A Nation at Risk" is a report made by a presidential appointed committee, The National Commission on Excellence in Education. The Carnegie Report is another. "A State Motion in the Midst of a Nation at Risk" shows that Texas is already at work for excellence in education. Then there is the Ross Perot committee at work now.

The yearbook committee, headed by Lois Marshall, presented the yearbooks to the thirty-four members present.

Hostesses Evelyn Kirk, Jeanell Purvis, Miriam Bledsoe, and Allye Terrell served delicious refreshment from a fall decorated table.

Cisco Lions Club members have been requested to take grocery items to their noon luncheon on Oct. 5. Baskets of groceries for area needy families will be provided by the Club on annual Lions World Service Day, Oct. 8.

EASTLAND

Faith Ballard has been appointed to the position of Eastland County Extension Agent - 4-H. Miss Ballard's work experience includes being a senior counselor at the State 4-H Center for three summers, working under the direction of Marshall Crouch, director of the State Center. Her primary responsibility in Eastland County will be to give leadership to the 4-H program.

E.B. Brooks, Consultant in Christian Social Ministries in the Missions Division of the Baptist General convention of Texas, will speak on "Prayer and Ministry" at the 71st Annual Meeting of the Cisco Baptist Church Association W.M.U. First Baptist Church, Eastland, will host the meeting Thursday, Oct. 6, 9:30 a.m. to 2:00 p.m. Women of Cisco, Shackelford, and Stephens County are invited.

The Eastland Goodfellows have begun collecting toys for Christmas. They are especially in need of large toys such as footballs, softballs, bats and gloves. Persons who have items to be picked up in the Eastland, Cisco or Ranger area are asked to contact Nancy Taylor at 653-2352 or Ed Sargent at 629-8180.

Rising Star

Charles W. Stenholm, U.S. Congressman from the 17th District of Texas, will be keynote speaker at the annual Eastland County 4-H Awards Banquet on Oct. 8, 8:00 p.m., First Baptist church Recreational Bldg., Rising Star. All 4-H Families and 4-H Friends are cordially invited to attend. A delicious homemade Mexican dinner will be served. Tickets are \$2.50 for adults and \$1.50 for children. Make reservations with the local Extension office, 629-2222 or 629-1093.

RANGER

Roaring Ranger Days will get into full swing Friday night with a free street dance in downtown Ranger after the Ranger-DeLeon Ball game. The activities will continue all day Saturday, and a big barn dance will close the day. Everyone is invited to come out and enjoy the many events.

A Bazaar sponsored by the Senior Citizen's Center will be held at the Center in the Joseph Building Friday, Oct. 7 and Saturday, Oct. 8. On Friday the Center will be serving stew and cornbread, pie, cake, coffee and iced tea. The public is invited to come by for lunch and browse through the many displays provided by the seniors of the community.

A Defensive Driving Course will be offered at Ranger Junior College in the Teaching Auditorium on Nov. 8 and 9. The class will meet from 6 to 10 p.m. both nights, and the cost of the Course is \$20. To pre-register call Dean Marusak, Ranger Junior College, (817) 647-3234.

The Ranger Methodist Church Chior is in the process of reorganizing. Dr. Bill Auvenshine, Director of Music, stresses the need for new voices to be added to the Chior. Anyone wishing to sing with the group is cordially invited to join. Rehearsals will be held the last Wednesday evening of each month from 7:30 to 8:30 p.m. The Chior hopes to prepare a special Christmas Cantata.

CJC To Host Drill Team Competition

Cisco Junior College will host the first annual "Big Country Drill Team Competition", Saturday, November 19. Competition will begin at 8:30 a.m. in the CJC gymnasium.

Categories of competition will include dance routines, prop routines, and high kick routines. Team divisions are division I for up to 15 members, divisions II for 16 to 30 members, and division

III for over 30 members. Teams will compete for ratings, judges critiques will be provided, awards will be presented for 1st and 2nd place ratings, and trophies will be given for

sweepstakes winners. "Top team in the Big Country" will be selected.

For more information call or write Nicki Harle, CJC Wrangler Belle director, at Cisco Junior College, Cisco, Texas, (817) 442-2567, extension 121.

Homemakers To Elect Officers

The Eastland County Extension Homemakers Council will meet this coming Wednesday, October 5th at 2 p.m. in the Eastland National Bank community room.

Business will include election of 1984 Council officers, report of the State T.E.H.A. Convention in Lubbock on September 20-22, plans for

sponsoring the concession at the countywide Senior Citizen's Bazaar on November 3 and 4, and establishing an infant car seat loaner program in the county.

Mrs. Dorothy Underwood is chairman and encourages all club delegates to present.

Glenda Agnew Has Art Exhibit At Bank

Glenda Agnew of Cisco, "Artist to the Month" for the Eastland County Art Association, will exhibit her paintings during October at Eastland National Bank. Mrs. Agnew, who has been painting only about two years, specializes in landscapes. She has studied with Bonnie Woods, Bonnie White, and Betty Mathais. Much of her time is spent at Eastland Memorial Hospital, where she works as an R.N. Her husband is

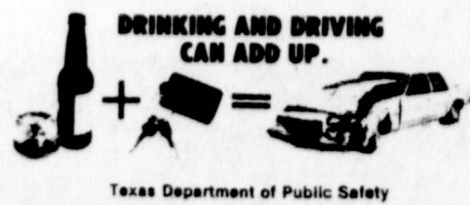

James Roland Agnew of Cisco, who is employed by Ensearch Corp. The couple have a son who is a Law student at Texas Tech, and a daughter who attends Tarleton University. Both Mr. and Mrs. Agnew grew up in the Moran community, where Mrs. Agnew's maiden name was Reynolds. The public is urged to come out and view the attractive Agnew paintings, which will be displayed in the Bank until November 1.

\$50 Winners- Darlene Hess (L) and Robert Baker (R) receive checks from Don Pierson for being the KVMX winners at the county fair.

Bass Club

"Locals Bring Home the Bacon." Local anglers placed well this previous weekend in separate tournaments over the area. Tommy Rose was present on Lake Hubbard Sunday for the Abilene Bass Clubs Annual Invitational. Tommy placed second, but only missing 1st Place by a mere 11 oz. Tommy brought in 2 fine fish weighing 9 lbs. 51 hundredths. His big fish came in at 5.92. Tommy's winning's totaled \$350.00. Good hard fishing Tommy. A little further South on Brownwood. Tommy Maynard placed 9th overall in the Brownwood Chamber

Texas A&M Report Food Prices To Rise

As far as the outlook for food prices is concerned, it's the lull before the storm. While food prices have remained fairly stable during the past six months, consumers can expect to start paying more at the supermarket before long. "It all boils down to the effects of this summer's drought over much of the nation," says Dr. Dick Edwards, an economist with the Texas Agricultural Extension Service, Texas A&M University System. The drought has severely reduced corn and soybeans used for feed, causing their prices to jump. Corn prices have already climbed some 30 percent in the past six months while soybean prices have climbed about 40 percent. This means higher feed costs which, in turn, push up the cost of producing cattle, hogs, and eggs, notes the economist.

instance, could jump as much as 20 percent," says Edwards. "Consumers have enjoyed fairly low beef and pork prices in recent months as producers have had to liquidate herds because of drought conditions. This has resulted in large supplies of red meat and subsequent low prices to consumers." This year's drought and hot summer weather have also taken their toll in the poultry industry. Several million broilers have died from the extreme heat, which has also had a dampening effect on egg production. All this adds up to fewer broilers and eggs in the coming months, and that, coupled with higher feed costs, means higher prices to consumers. Higher beef and pork prices also have a tendency to pull up retail poultry

prices, the economist points out. What's a consumer to do with these prospects in sight? "A prudent consumer may wish to buy and store red meat and poultry products in anticipation of higher prices," says Edwards.

Pecan Tour Monday

Pecan growers and others interested in pecan production are invited to a pecan tour Monday, October 10, reports County Extension Agent De Gordon. The tour begins at 9:30 a.m. at Billy Dennis' orchard in Gorman. The Dennis orchard is located between Highway 6 and FM Road 2689. Turn east on the first street south of the Dairy Queen in Gorman. Following the tour of Dennis' orchard the group will go to DeLeon and tour L. N. Wetwiska's pecan orchard. Gordon says both orchards have a good crop of pecans.

ONDULINE IS THE POLE BARN ROOFING THAT OUTLIVES POLES.

A roofing and siding sheet that outlasts poles can actually make the poles last longer, too. The sheet that does that is Onduline. Every Onduline sheet is totally impregnated with asphalt, one of nature's best preservatives. So unlike metal, Onduline won't rust or corrode. Ever. Onduline is fast and easy to install, even if you're working by yourself. And it can be put right over an existing roof. New pole barns look like new long with Onduline. It lasts. Because unlike your poles it comes with a lifetime warranty.*

Fish Stocking Orders Being Received

The Upper Leon Soil and Water Conservation District will once again be taking orders for their annual fish stocking program. The District will be selling Channel Catfish and Fathead Minnows to individuals wishing to stock their ponds. The Channel Catfish will be 4 to 6 inches long and cost 30 cents a piece. The fathead minnows will cost \$7.50 per pound. A pound of minnows will average 200 to 400 individual fish depending on their size. Interested individuals may place their orders with the Soil Conservation Service in Eastland (817-629-1480). Orders will be taken through the month of October with delivery date to be either late October or early November. The Soil Conservation Service can provide information as to the Stocking rates and the supplemental feedings of both catfish and minnows. Payment must accompany fish orders.

Brush Control Tour Set

An election for a director to serve in Zone 5 of the Upper Leon Soil and Water Conservation District is scheduled for Tuesday, October 11, at Eastland County Livestock show barn (fair grounds) in Eastland announced Norman Moore, Chairman of the board. The election will be preceded by a tour of brush controlled by Grasan pellets at 6:00 p.m. The group will return to the fair grounds for a hamburger supper at 7:00 p.m. and the election will be held at approximately 7:45 p.m. Zone 5 covers approximately the east half of Eastland County and includes the cities of Eastland, Ranger, and Gorman. All interested farmers and ranchers are encouraged to attend.

Current members of the board of directors are Moore, Sidney; Edwin E. Jones, Dublin; J.W. Sadberry, DeLeon; George Steel, Rising Star; and W.D. Brown, Gorman.

Auction's Best

by Fred Tucker

RETIRING OR MOVING?

At least 18 per cent of the people in America will move this year. And many of you are thinking about retiring. These decisions are a part of your life and will affect at least one out of every five of your family and friends soon.

When making your retiring and moving decisions you'll soon discover that you've really accumulated a lot of possessions in the last few years. And you'll quickly see that it will be very difficult, time consuming and quite expensive to haul your possessions across the country or even around town.

But, you can turn these accumulated possessions into quick cash by holding an auction. A well planned auction can cash out your entire household in just a few short hours. And, I provide complete auction service so you don't have to worry about a single detail.

It's a whole lot easier to have an auction and put cash in your wallet than it is to put your piano, refrigerator & hide a bed in a truck. And remember, when it comes to buying or selling **AUCTION'S BEST**.

Spotlights & Sidelights

Julia Worthy

Papa said I always "put things off" too long.

Mamma wasn't as tactful. She just said I was "lazy."

The dictionary sort of blankets it with "procrastination," which is a mouthful of syllables to take your mind off what is really meant.

It isn't that I don't give my writing a lot of thought--far from it! I'm already thinking about what I'll write when I get this done--a letter to Mamma's sister-in-law to tell her Mom is somewhat better.

I settled down to serious thinking about this column day-before-yesterday, but my nose was running--also seriously. Trying to control a

typewriter with on hand is not very satisfactory, though I guess I'd manage if I had only one hand...don't know what I'd do about the nose, though.

"Anyway," I told myself, "you write better early in the mornings." Ordinarily, I set my head instead of the alarm clock, and I wake up when I decide I must.

Not yesterday. Nope. Yesterday, I woke up barely in time to persuade Mandi that she did want to go to kindergarten, that the horses would stay at the Jones' place, that if Aunt Catherine didn't take her out there again soon, someone would--and don't lose your milk money!

Mandi and Walton got off to kindergarten, and I grabbed pen and paper almost before they got out the door.

The phone rang. David, Mandi's father,

said he works longer hours this week and with that, classes, and moving the furniture out of the house we sold, he didn't see how he could get up this weekend. I explained my situation, and he said, "I'll call back later."

The phone rang. Lu, my sister, wanted to know if I could get to the hospital to talk to the doctor when he made his rounds...in forty-five minutes. (I did.) That was at 8:15, and the day did not improve.

I do put things off sometimes. I don't deny that I'm lazy. But the key word is "frustration"--not "procrastination."

The deadline advances relentlessly. I'll try a clothespin for the

runny nose. I have already discovered I am not a one-handed typist.

Lights From The Christian World

by Josephine Cleveland

In the physical world, there are stages in the development of a disease. A person may be ignorant of preventive measures and contact a disease. Failing to consult a doctor when they are warned by a pain in their body can cause you much suffering.

In the spiritual world ignorance of Satan's devices can bring defeat. James 3:6 tells us, "the tongue is a fire, a world of iniquity--it

defileth the whole body." Proverbs 18:21 tell us, "Death and life is in the power of the tongue."

We have a protective physical defense to warn us about physical contamination. In the same way, God gives us projective spiritual devices to warn us about spiritual contamination. Listen, Friend, to the promptings of the Holy Spirit; follow the warnings of God Word.

Bring to your remembrance that even facts become distorted when not balanced with other facts or when given with negative motives. "He that answereth a matter before he heareth it, it is folly and shame unto him. Prov. 18:13.

Kiwanis Club Is Accepting Rummage Sale Donations

The Kiwanis Club of Cisco is accepting donations for their annual Rummage Sale to be held October 15th according to Chairman Joe Wheatley. Clothes, furniture, tools, toys, dishes, cookware, appliances - anything of value - will be appreciated for the coming sale.

Donations will be received at Cisco Lumber and Supply and at Bateas Builders, 203 East 8th. Mr. Wheatley said that those unable to deliver their donations may call 442-2320 and leave their names and addresses for a pick up by the club.

"Clean out your attics, closets, garages and support local Kiwanis projects. Those who desire it will be given receipts for their donations, which are tax deductible," Mr. Wheatley suggested.

Proceeds from the rummage sale will be used for

the club's Christmas Toy project and to pay on its Miniature Golf indebtedness.

HALLOWEEN CARNIVAL
The Moran School Halloween Carnival will be held on Saturday night, October 29. Food booths, bingo, games will be sponsored by the different grades in the school. This is an annual

event for the school, with proceeds going for various items for the school. Make plans now to attend. The carnival will be held at the school building.

REMEMBER THE MORAN SCHOOL HOME COMING AND MORAN CENTENNIAL CELEBRATION, SATURDAY, OCTOBER 8, COME AND ENJOY THE FELLOWSHIP, REMINISCE WITH OLD FRIENDS, THE PARADE WILL START AT 10 A.M. TO START THE CELEBRATION.

Rep. Charles Stenholm was greeting friends in Moran, last Monday.

Lynn Harrell of Dallas

visited with Hiram McKelvin a few days last week.

Ann Cockrell is visiting her children in California.

Mr. and Mrs. O.D. Hill of Cleburne visited with his sister, Mrs. Jack Moore, and Mr. Moore, last Monday.

Mr. and Mrs. M.E. Offield, Jr. visited with his father, M.E. Offield, Sr. at Lake Texoma, Saturday.

Elma May Huskey spent the week end in Jacksboro with her sister-in-law, Mrs. Eddie L. Smith.

Mr. and Mrs. Sam Brewster have returned home after a vacation trip to California, visiting points of interest enroute and returning home.

Moran Will Celebrate Its 100th Year This Week

The West Central Texas town of Moran will celebrate its 100th year Saturday, October 8, 1983 with a full day of activities. The Centennial observance is being held in conjunction with the regular Ex-Students Homecoming.

A parade at 10:00 a.m. will kick off the day's festivities. A reception from 9:00 a.m. to 1:00 p.m. at the Community

Center will honor Moran ex-students and former residents of the town. The afternoon will be occupied with the Homecoming meeting at the Moran school gymnasium at 2:00 p.m. followed by a showing of black and white slides featuring scenes from Moran's past, at the high school auditorium. A school "carnival" and barbecue supper at the school cafeteria are on the schedule. The Ernest F. Pettit Post, American Legion, will sponsor a street dance beginning at 9:00 p.m. Bill Skinner and his band will provide music.

Established as a farming and ranching community in 1883, Moran located on southeast Shackelford County, achieved prominence in

the emerging petroleum industry in 1910 when the old Texas Company's (now Texaco, Inc.) Cottle No. 1 blew in for 2,000,00 CF of gas per day. This well, marked with a Texas Historical Marker, opened the Moran Field, which became the nucleus for the vast operations of Texaco, Inc. During Moran's boom town years, citizens from every state in the Union, ballooned the town's population to an estimated 4,000 people. The Moran Field preceded the Breckenridge, Desdemona and Ranger fields by several years.

The Moran Ex-Students Association is attempting to notify all persons having Moran connections, of the approaching Centennial and Homecoming.

The slide is up!...Milton Donaway, Ray Maxwell, and Blayne Buchanan worked until dark Tuesday getting the slide up and secured into the ground.

A large crowd of 100 enjoyed lunch at the Community Center Monday where John D. Isenhower was presented the National Weather Service's John Campanius Holm Award. Mr. Isenhower also became an honorary member of the Callahan County Commissioners Court, commending him as an unselfish citizen.

The womens club met Monday with eight members present. An arts and craft hobby show has been planned for early November. A committee will decide a date later.

Tamara Wooten of Cross Plains presented a Mary Kay Skin Care Class Saturday. Attending the class were Virginia Johnson, Judy Maxwell, Le Ann Hodges, and Anita Buchanan. Another class will be offered at a later date. Anyone interested in attending may call Anita Buchanan at 662-3251 for information.

Anita Buchanan and Blayne finally got a fence around their house, which may create a problem. Blayne's purpose for the fence is to keep the dogs and kids out; while Anita's is to keep the dogs and kids in.

KINGSTON, Jamaica.—An interesting meeting was held here the other day. Delegates from some 30 countries attended the preparatory meeting for the 500th anniversary commemoration of the arrival of Christopher Columbus in the new world.

The 500th anniversary, of course, will be held in 1992, and the commemoration sites will be at points where Columbus landed his ships. Jamaica was one of them, and local folks feel that it would be nice to invite the King and Queen of Spain to attend. The newspaper stories about the planning conference noted that there was a suggestion that a member of the Columbus family be invited.

Jamaica's ties with Columbus include landings in 1494 and 1503. And Christopher's son, Diego, established the first Spanish settlement in Jamaica in 1509. Archeological work has revealed interesting remains of the Columbus party.

The conference suggested that commemorative stamps and coins be authorized as mementoes of the 500th anniversary. The Organization of American

States is behind the project. Interesting, huh?

LIKE OTHER countries with an over-population problem, Jamaica encourages the small family. Saw bumper sticker that said: "Two is better than too many" with a picture of a man and wife and two children.

The country's slogan is "Out of many, one people."

AN AD IN the newspaper this week says: "The public is hereby informed that for the next three weeks 'Juciful' Orange Juice will be packed in 'Juciful' Grapefruit cartons due to the late arrival of orange juice cartons." Citrus fruit is plentiful in Jamaica ... Noticed the word "learnt" in a front page story.

There's quite a lot in the papers about the Hilton hotel company not renewing its lease on a big government owned hotel here. The government declined to update air conditioning equipment and make other improvements specified by the Hilton folks, the papers say.

THE ONE TV station, which is owned by the government, comes on at 4

p.m. and operates until midnight. Each day, they start with cartoons and an I Love Lucy episode. They have news at 7:30 for 30 minutes, after which there are re-runs of Three's Company, Dallas and the like. They conclude with an old movie.

Television sets are standard equipment in hotels everywhere except here, and they want about \$2 per day to rent one.

There are a number of motion picture houses that start at 10 a.m. daily and end with a midnight show. Some of the movies now being shown include "Rosemary's Killer," "Tiger Joe," "Target Man," "18 Fatal Strikes," "Vice Squad," and "Dawn of the Mummy." At 11 a.m. Sunday, the Carib Theater has a double feature: "Love Bavarian Style" and "Fast Break". Saturday night, the Palace advertises "The Jazz Singer" and "Adventures of the Wilderness Family" as a double feature.

A SATURDAY highlight was visiting the native market. It is housed in a large building with numerous stalls for the display and sale of assorted things made in Jamaica. It was very interesting and something that anyone would enjoy.

Like in Mexico, most of the market people expect to

bargain and haggle a bit over prices, and if you're not in a hurry you can save considerable money on purchases. Some of the vendors are pretty hard to get away from and prices really tumble in their zeal to make sales.

You need a good half day to visit all of the stalls.

Hinesman Fund Set Up At Bank

An account for Jack Hinesman has been set up at the First National Bank in Cisco in his name.

Jack was injured in an oilfield accident in 1979. He first had to have his toes amputated then his foot and now has had to have his leg amputated up to the knee. He was released from Hendrick Hospital last Friday. Jack is not eligible for S.S.I.

Jack has lived in Cisco for a number of years and says he would like to have enough to get his utilities turned back on so he can move into his own home again.

You can contact Bro. Larry Sowell of the Bible Baptist Church at 442-3964 for more information.
