

# HALL OF REMARKS

BY HERREL HALLMARK

IF YOU USED to have a key hidden somewhere on your automobile in a magnetic case, maybe you should check and see if it is still there. A case containing a key was turned in at the Press office and it was found at Fourth Street and Avenue F.

If you can identify the case and what type of key is in it, then you may claim it at the Press office.

DON'T FORGET the Cisco Blood Drive which is scheduled for this Wednesday in the Student Union Building at Cisco Junior College.

IF THE CHS Lobos can win their next two games they will have a chance at a playoff spot for District 9-AA. They will be going to Hawley this week and will face Jim Ned in Cisco next week for their final scheduled game.

Cisco and Albany are tied for second place with only one loss each in district games. If they should end the season that way, then Cisco would go to the playoffs since they defeated Albany.

Albany and Winters will play against each other in their final game of the season. Winters is undefeated and Albany has only one loss. If Winters should win, then Winters will have first place and Cisco will have second place.

However, should Albany defeat Winters, then there could be a three-way tie between Winters, Albany and Cisco, if none of the teams lose any other games. Then there would have to be a coin toss to decide the winners of play-off positions.

If Winters defeats Albany, and Cisco should happen to lose one of its two remaining games, Cisco could still get second place in the play-offs, since Cisco and Albany would both have two losses. Again Cisco would advance, because they defeated Albany.

Let's all turn out and back the Lobos during their two remaining games and cheer them on to victory for a play-off spot this year. Also be sure and encourage the future Lobos found in the seventh, eighth and Junior Varsity teams. They will be playing in Cisco this Thursday and Tuscola against Jim Ned next week.

See you at the games.

Wayne Pryor has been moved from Hendricks Medical Center to Room 24C

Free Blood

Pressure Clinic

Set Wednesday

A free blood pressure clinic will be held Wednesday, October 26, at the Cisco Chamber of Commerce. The clinic will begin at 1:30 p.m. It is sponsored by Eastland Manor Home Health.

Car Wash Is

Planned Oct. 30

There will be a Trick or Treat Car Wash on Sunday, Oct. 30 from 1:30 to 5:00 at 405 W. 8th.

The First United Methodist Church Youth Group will be having the car wash. Bring your own car or it can be picked up by calling 442-1334.

at West Texas Nursing Center at 2630 Old Anson Road, Abilene, Texas 79603

He can now receive therapy from West Texas Rehabilitation Center. It is still too far for him to ride from Cisco up to the Rehab Center at this time. A van from Rehab will pick him up 3 times a week at the Center and take him back and forth for physical therapy.

He is improving some each day. Friends may send cards or visit him at this address.

# CHS Lobos Dehorn Eastland Mavericks In 28-7 Win; Will Travel To Hawley This Friday

The Lobos of Cisco High School dehorned the Eastland Mavericks in Chesley Field last Friday night by the score of 28-7 in District 9-AA action. The Lobos will continue their bid for a play-off spot in the district as they travel to Hawley this coming Friday night. Kick-off will be at 7:30 p.m.

Junior High and Junior Varsity teams of Cisco will be playing here in Chesley Field Thursday night. The seventh grade game will begin at 5 p.m., with the eighth grade game following at 6 p.m. and the Junior Varsity at 7:30 p.m.

Following their defeat of the Mavericks, the Lobo varsity is now 4-1 in district play and 6-2 for the season. The Lobos have been defeated

City Landfill

Will Close At

4:30 Mondays

Effective October 31, 1983, the Cisco City Landfill will close at 4:30 on Mondays, according to an announcement here this week by City Manager Michael Moore.

This weekend Daylight Savings Time will cease and the new hours will be in effect at the Landfill until next spring when the daylight hours become longer again.

The Landfill is open until 4:30 p.m. on Monday, Tuesday, Thursday and Saturday of each week.

## Local Youth Hurt In Auto Accident

Brian Fleming, 19-year old son of Mr. and Mrs. Morgan Fleming of 1405 Mancill Drive, Cisco, suffered serious injuries in a one vehicle accident early Sunday morning on the Breckenridge Highway in East Cisco.

The young man, who graduated from Cisco last May, was in the Intensive Care Unit at Hendrick Memorial Hospital where his condition was described Tuesday as improving. He underwent surgery Sunday for bladder and spleen repairs and a pelvic fracture.

Mr. Fleming reported that doctors were optimistic for his son's recovery. They expected that he would be moved from ICU on Wednesday. Mrs. Fleming has been at their son's bedside since he was taken to Hendrick from E.L. Graham Memorial Hospital for the attention of

Fund Is Set

Up For Baker

Infant Here

A fund has been set up for Clint Travis Baker, son of Mr. and Mrs. Jack Baker of Cisco at the First National Bank of Cisco. Clint was born September 25, 1983 in Hendricks Hospital in Abilene with congenital heart disease. He was transferred to Ft. Worth Children's Hospital where he underwent surgery. He is still having tests done.

Mr. and Mrs. Baker have no insurance and they are having to travel back and forth to Ft. Worth to be with Clint.

They have one other son, Roy, age 7 at home.

by Winters for their only district loss.

Eastland is now 1-4 in district and 2-6 for the season.

The Bearcats of Hawley are 3-5 for the season and 2-3 in district play following a 28-6 loss last Friday to the Albany Lions. Hawley was reported to have had several key players out with injuries in that game.

Cisco's head coach John Parchman stated Tuesday morning that Hawley had five starters out in last week's game. One of the players is out for the season but at least two or three, and possibly all, of the remaining starters will see action this week against Cisco.

Hawley uses the veer offense, similar to Albany's, according to Coach Parchman. He said they use the option and throw the ball pretty well. They have a multiple defense which runs different formations.

Hawley has defeated Anson and Jim Ned in district play, while losing to Baird, Albany and Winters.

Coach Parchman said Cisco's main concern with

# Oil Belt News

# County News Briefs

Showing ability to flow 140 barrels of crude oil and 20,000 CF gas per day on a 17/64 choke, a new producer has been completed in Eastland County's R.E.B. Field six miles northwest of Eastland.

Snow Oil of Fort Worth is the operator.

Designated as the No. 1 Davis, the well will produce from a set of perforation in the Marble Falls Formation, 3,830 feet.

Flow pressure came in at 600 PSI.

The well is in a 110-acre lease in the H&TCRR Survey Sec. 52, Blk. 4.

AWS Petroleum Operations of Eastland has driven stake for a shallow wildcat in Eastland County six miles southeast of Eastland. The well is designated as the No. 1-B.D.E. Webb. It carries permit for 900-ft. total depth in a lease of 100 acres, H&TCRR Survey A-278.

The No. 2 Jameson has been completed in Eastland County's Fair Field, flowing 218,000 CF gas per day on a 5/16 choke, at a drillsite six miles southeast of Eastland. BrazosResources Inc. of Bryan is the operator.

The well received an open flow rating of 600,000 CF/D.

It was taken to 3,371-ft. bottom and will produce from a set of Marble Falls perforations 3,258 to 3,280 feet into the hole. It is in a 172-acre lease in the McLennan School Land Survey A-369.

Beaumont-based Crede Oil and Gas Inc. has posted first production figures on a newly completed oiler in Eastland County's Adams Field, five miles south of Ranger.

The well involved is the No. 3 Crede-L.B. Jones. It is in a 545-acre lease in the S.N. Mathias Survey A-367. It was drilled to a 3,950-ft. bottom and will produce from a set of Duffer Formation perforations 3,372 to 3,402 feet.

On open choke, it showed ability to pump 45 barrels of oil per day.

Allstate Petroleum Operations Inc. of Early has filed for permit to drill a 3,000-ft. developmental well in the Eastland Regular Field two miles east of the town of Pioneer. It will be known as the No. 1 Baskin. It is in a 160-acre unit in the ETRR Survey Sec. 21, Blk. 2.

Kelly and Barnett Petroleum Inc. of Wichita Falls has brought a new producer on line in Eastland County's Kleiner Field one mile north of Cisco.

It is the No. 1 Rhodes, flowing 293,000 CF gas daily on a 1-in. choke and rated at 630,000 CF/D on absolute open flow.

The well was drilled to total depth of 4,098. It will produce from a set of perforations in the Lake Sand, 3,439 to 3,454 feet into the wellbore. It is in a 20-acre lease in the H&TCRR Survey Sec. 84, Blk. 4.

Breckenridge-based Ridge Oil has staked location for a pair of 3,900-ft. developmental tries in Eastland County's Ranger Field. Designated as the No. 2 Conway and the No. 2 Harrell, the wells are in leases five miles northwest of Ranger. The Conway is in a 131-acre lease, J.B. Conway Survey A-1040, while the Harrell is in a 191-acre lease, Ben Willis Survey A-1212.

Both wells are aimed at crude oil production in the West Black Lime Foundation.

The No. 2 M.K. Courtney is scheduled to be drilled in the R.E.B. Field four miles north of Eastland. Leonard Brothers Operating of Fort Worth will be the operator. Location is in an 80-acre drilling unit in the H&TCRR Survey Sec. 40, Blk. 4. The well is under permit for 4,500-ft. maximum hole.

Advance Exploration of Abilene has driven stake for a 4,500-ft. developmental well in the Eastland Regular Field, about two miles northeast of Eastland. It will be known as the No. 3 Hogan. Drillsite will be in a 57-acre lease in the H&TCRR Survey Sec. 11, Blk. 3.

North Ridge Corp., operating out of Grand Prairie, is planning a re-entry venture in the R.E.B. Field four miles north of Eastland. The well in question is the No. 1 R.O. Morton, with drillsite in a 160-acre unit in the H&TCRR Survey A-229. Proposed total depth is 4,200 feet.

A Fort Worth operator is preparing to spud a 4,200-ft. developmental well in the R.E.B. Field, about seven miles north of Eastland. Designated as the No. 1 H.E. White, the well is aimed at either oil or gas pay in the Marble Falls Formation. It is in a 40-acre drilling unit in the H&TCRR Survey A-932. Richey and Co. is the operator.

Dallas-based Palo Petroleum Inc. has filed for permits to drill developmental wells in two different Eastland County Fields. The wells include:

-The No. 3 Doyle Lasater, a 1,400-ft. well in the Eastland Regular Field five miles west of Rising Star.

-The No. 1 Walker, a 3,380-ft. test in the Blind Hog (Duffer) Field four miles southwest of Rising Star.

The Lasater well is in a 160-acre lease in the J. Gaffey Survey A-1004 and the Walker is in a 64-acre lease, S. Lackman Survey A-357.

The No. 2 Tankersley is scheduled to be spudded in Eastland County's R.E.B. Field, with Snow Oil Co. of Fort Worth as the operator. The well carries permit for 4,000-ft. of hole. It is in a lease in the H&TCRR Survey Sec. 16, Blk. 4 A-1112.

Operating out of Blanco, Tex., Blanco Industries Inc. has posted first production figures for a pair of newly completed oil wells in the Eastland Regular Field two miles northwest of Rising Star.

The wells are designated as the No. 1 and No. 3 J.T. Alford. They are in an 80-acre unit in the ETRR Survey A-853.

The No. 1 well showed potential for pumping 35 barrels of oil per day on open choke. It was drilled to total depth of 1,135 feet and will produce from an interval 1,049 to 1,093 feet into the wellbore.

The No. 3 potential at 30 barrels of oil daily, pumping on open choke. It bottomed at 1,200 feet. The production interval is 1,055 to 1,067 feet into the hole.

Buck Wheat Resources Inc. of Eastland has brought a new producer on line in Eastland County's Midkiff Field nine miles north-northwest of Rising Star.

It is designated as the No. 4 Willems, pumping 10 barrels of oil per day on open choke from Adams Branch Formation perforations 1,188 to 1,195 feet. Bottom hole was at 1,200.

The operation is in an 80-acre unit in Eastland County's Mary Ann Clark Survey A-51.

Don Hanvey Oil of Dallas has filed for permit to plugback for shallower pay

at the No. 1 George Estate in Eastland County's Ardinger Field, two miles northeast of Cisco. Location is in a 40-acre drilling unit in the H&TC Survey Sec. 76 Blk. 4. Proposed total depth is 4,160 feet to the Lake Sand.

Breckenridge-based Delta Oil and Gas Co. has filed first production figures for the No. 1 Mrs. D.M. Stanford in Stephens County's Caddo Field.

On a 2-in. choke, the well showed it can make 242,000 CF gas per day. It was rated at an even 1,000,000 CF/D on open flow.

Delta took the hole to 4,540-ft. total depth and perforated the Ellenburger Formation for production 4,080 to 4,090 feet into the wellbore.

Drillsite was in a 160-acre unit in the T&PRR Survey, about five miles west of the Caddo townsite.

A 3,900-ft. Stephens County Wildcat is scheduled to be spudded three miles north of LaCasa, with Jim Birge Oil and Gas of Wichita Falls as the operator. The well will be known as the No. 1-a Herrington "A." It is in a 20-acre lease in the T&PRR Survey.

## CISCO

The Cisco Music Club will present Mrs. Leota Bartholomew of Brownwood in a Piano Recital on Sunday, Oct. 30, at 3 p.m. in the First Presbyterian Church, 1109 West 6th St., Cisco. Mrs. Bartholomew studied at Universities in the Southwest, also with the internationally known pianist Silvio Scipanti, and with Dr. Leo Pedolsky of Sherwood School of Music, Chicago. The public is cordially invited to this outstanding program.

The Ciso Service Club annual Carnival will be held at the Intermediate School on Saturday, Oct. 29 from 6:30 to 9:00 p.m. New fun activities will be added this year, and best-dressed "spooks" will win prizes. Diane Yowel, Chairman, invites everyone out.

Fifth Grade students of Mrs. Delbert Schaefer are having an "Art Show" at the Public Library this week. The pictures are interpretations by the students of a recent book review by Librarian Mrs. Mary Bob Leveridge. Hours at the Library are 2 to 5 p.m. on Tuesdays, Thursdays and Saturdays. Visitors are invited.

## EASTLAND

Eastland Memorial Hospital's Board of Directors has entered a management agreement with Methodist Affiliated Hospitals (MAH). Based in Grand Prairie, MAH is a division of the Harris Methodist Health System. This division of the Harris System currently operates eight community facilities and two nursing homes. In the management contract, MAH proposes to increase patient utilization by increasing the medical expertise available in Eastland. Physician recruiting will become top priority.

J.B. (Tip) Arther has been named City Manager of Eastland, effective Nov. 1. Arther replaces City Manager Lewis Tiner, who is retiring after 20 years in this position. Mayor Charles Marshall announced: "We can't begin to say how much we appreciate what Lewis Tiner has done for the City... (However) we believe that Tip Arther will be able to step into this position and fill the responsibilities immediately." Arther has been Field Operations Manager of eight counties for the West Central Texas Council of Governments for the past 17 years.

## Guest Slot

### A MODEST PROPOSAL

By Philip Gold  
(Philip Gold teaches history and public policy at Georgetown University.)

Proposed:  
That a Constitutional Convention be convened to consider the following revisions to the Constitution of the United States:

That Article I be amended to read: "All legislative powers herein granted shall be vested in an Estates-General of the United States, which shall consist of the following three Chambers: Media, Special Interests, and Consumers."

That Article II be amended to read: "The executive power shall be vested in a President of the United States, who shall serve for a term of four years, unless the Chambers of Media and Special Interests shall pass a resolution calling for earlier elections, such resolution being known as a "That Was Then/This is Now" enactment. Further, whenever the President be of the male persuasion, the Vice President shall be of the female, and vice versa. Further, no male or female shall succeed a person of the same persuasion in either office. For purposes of determining eligibility, transsexuals will be registered according to their latest preference, excepting that no one who has undergone such an operation during the term of the incumbent shall be eligible."

RE: The Executive Departments:

1) The Department of State and Defense are hereby merged, to be known henceforward as the Department of Leave-Us-Alone.

2) The Departments of Agriculture, Commerce, Education, Energy, Health and Human Services, Housing and Urban Development, Labor, Transportation, and Treasury are hereby merged into a single entity, to be known as the Department of Entitlements.

3) The Department of the Interior shall henceforward be known as the Department of Domestic Recreations.

4) The Department of Justice is hereby abolished.

Be it further considered: That Article III be amended to read: "The judicial power of the United States shall be vested in one Supreme Court, to be composed of nine Basic Life-Styles: Straight, Gay, Undecided, Moral Majority, NeoCon, Knee-Jerk Liberal,

Activist, Alienated, and Looking-Out-for-Number-One. Members of the Court shall henceforward be known as Guardians of Life-Style."

That the Bill of Rights be abolished and the following Three Basic Guarantees be substituted:

1) The Estates-General shall make no law abridging

freedom of expression, excepting that nothing shall ever be deemed true or permitted to matter too much.

2) Equality shall not be abridged, equality being here defined as whatever any Elector or Member of the Chamber of Consumers says it is at any given moment.

3) The Estates-General shall make no law requiring anything of anybody.

And finally, that the Convention shall append the following Declaration to the Revised Document:

"We the People, confident that our Civilization perpetuates itself automatically, without any discipline, sacrifice, heroism, or effort on anybody's part, dedicated to Our Whims, and certain of the Rightness of all that we crave, do hereby declare the United States of America, Eternal."

The third Annual Reunion for all former employees of Hollywood-Maxwell and Vassarette of Muningswear, Inc. will be held Saturday, Nov. 5 from 10:30 a.m. until 2:30 p.m. at Camp Inspiration, Eastland, Tex. A covered dish luncheon will be served.

The Eastland Woodmen of the World Lodge No. 4556 has been given a site on Valley Street by Victor Cornelius, and will begin to construct a building. The structure will be approx. 20 by 40 ft., and will be available for community activities as well as the Lodge meetings. The lot will also contain a fenced area for picnic tables and outdoor activities.

## RISING STAR

Area youth are invited to attend meetings of the newly-formed youth group at the First Methodist Church, 5:30 Sunday. Junior and Senior High School students of any denomination are welcome to come. The Rev. Charles Cox and his wife, Jeannine, will lead out in a variety of activities and trips.

The Senior Class of Rising Star High School will hold a Halloween Carnival for children on Sat., Oct. 29, beginning at 6 p.m. at the Market Building on Highway 183. Admission will be \$1 for those over 12 yrs. and 50¢ for those under 12. There will be a number of interesting activities.

## RANGER

The Boys Club of Ranger continues to receive support from local citizens and organizations. The Rotarians recently presented Earl Lebrado, a Director and Manager of the Club, with a check for \$100. Lebrado, in a speech thanking the men, said that Ranger is the smallest town in the nation to have a Boys Club. The Club received a charter in 1978, and now has 103 boys and 20 girls as members.

Three Ranger High School students recently gave speeches to the Lions Club, using the topic "Young Texans Speak Out on Drugs". Gregg Greer was announced the winner, with Trudy Wells as runner-up. Greer gave statistics of the harm drug abuse can cause, as well as crime and death. He finished his speech with the question: "Is It Worth It?"

## Maranatha Revival Continues

Sunday's time change reminds us all of the many changes around us and the fast uneasy pace that we live in each day. The revival meeting continues through Sunday services at Maranatha Baptist Church. Pastor M.H. Jones urges every member to be present and bring visitors nightly at 7:30 p.m. There are prayer

services for men and women at 7:15 p.m. as well as an ole fashion booster band for the youth.

Sunday school begins at 10:00 a.m. and the Evangelist Hour at 11:00 a.m. The ladies of the church will spread lunch together after the service. There will be a community singing about 2:00 p.m. in the

auditorium. Everyone is welcome to attend. The day will conclude with the final Revival message at about 4:00 p.m.

How wonderful to yet be living in a country where Christian fellowship and an open invitation to worship is not a criminal offense. Use this freedom wisely. Consider the risk of taking open church attendance for granted. We invited you now to attend with us at a true Bible teaching and believing church this week.

## Putnam Crafts Show Sat.

A Fall Arts and Crafts Show, sponsored by the Putnam Women's Study Club will be held Saturday, October 29, at the Putnam Community Center from 10 a.m. to 5 p.m. Everything from china painting, oil paintings, and ceramics to quilts, crochet, lipdary and other gifts will be displayed and available for sale.

Members of the Study Club will serve soup, sandwiches,

desserts and drinks throughout the day.

Admission is free. Everyone is invited to come. The Study Club is also in the process of putting together a cookbook to be available for sale next summer. Anyone who would like to contribute a recipe is urged to do so. Bring to the Art Show or mail to Box 908, Putnam, Tx., 76469.

## Dairymen To Meet

Dairymen are struggling to survive with a lower milk price and higher feed costs. A meeting has been organized by the Texas A&M Extension Service to assist with this struggle.

A meeting at Stephenville on October 28 will start at 10:00 a.m. and conclude by 3:00 p.m. The current dairy situation will be reviewed with a report on the prospects for the future. Financial alternatives will be presented to assist with each dairyman's personal decision for his farm.

Feed represents half of the cost of producing milk. Higher feed costs have made a balanced program even more critical. The use of forages and feeding management will be discussed as well as possible "new" feeds that may not have been used in the past.

Breeding and sire selection will be on the program to illustrate other ways to survive in the current situation.

Herd management or "putting it all together" will provide some methods of checking each herd's operation. Many times a few small management changes can make the differences in profit of loss.

Lunch will be served and a copy of the proceedings given to all in attendance.

## Texas Law Affects Family Insurance

COLLEGE STATION--Changes in the tax law affecting the amount of uninsured personal casualty or theft losses that can be claimed as deductions have important implications for family finances.

Under the old rule, you could deduct all but the first \$100 of uninsured losses, explains Nancy Granovsky, a family resource management specialist.

But beginning with the

1983 tax year, you will only be able to claim total losses in excess of 10 percent of your adjusted gross income, says Granovsky, a home economist with the Texas A&M University Agricultural Extension Service.

Under the new rules, only the most catastrophic unreimbursed losses would probably be deductible for an average-income family, although any loss could cause a financial hardship, says the specialist.

"People who haven't experienced a fire, theft or other loss this tax year, may be unaware of how this rule change could affect them," Granovsky says.

I would have the greatest impact on those consumers who raised their insurance

deductibles over the past several years, thinking they could write off any uninsured losses on their income taxes, she adds.

Some of these consumers may wish to decrease their deductibles again as a shield against losses that would not be offset by a tax deduction.

Families will need to choose between increasing insurance—and premiums—to compensate for the loss of tax advantages, or risking a greater casualty or theft loss with high deductible, says the home economist.

In making this decision, consumers should remember that the purpose of insurance is to cover those risks and hazards that we would not be able to cover ourselves, says Granovsky.

## Fishing Report

Terry Wilson

Now that the summer bass slump is ending and those great ol' big'uns are moving out of their deep water lines and up closer to shallow structure you can bet the weekend crowd will be worse than ever at your favorite lake. So what does the "Weekend angler" do to avoid the crowd's? Well you can head farther out of town, to a more remote lake. But this will end up costing you a bundle in gas and up lodging expenses. Or you can do like more and more penny wise bassin types are doing, Fish those backyard spots. We are very lucky in having so many impoundments close

at home. And many truly hold some excellent fishing. Eastland lake holds excellent bass, crappie and channel cat, fishing, Ringland, Strawn, Daniels, Albany, Cisco, Leon, Hubbard, Proctor and the list is only just started. But fishing is close at hand for any occasion. A well planned day own any of these or other lakes can put some mighty tasty fillets in the skillet, not to mention the sheer enjoyment of a day with mother nature. Good fishing, and don't forget those youngsters can catch those fish just like you. Give them the opportunity.

## Volunteers Must Be Recruited

Having a good cadre of volunteers to support a program or cause doesn't just happen—you've got to work at it, according to a 4-H and youth specialist with the Texas Agricultural Extension Service, Texas A&M University System, told church leaders at the recent Town and Country Church Conference at Texas A&M that development of successful volunteer leadership depends on these seven basic steps:

-Identification: find people who have skills and attitudes needed to fill specific leadership positions.

-Selection: study the backgrounds of potential leaders and motivate them to fill selected positions.

-Orientation: make sure those leaders selected know what is expected of them.

-Training: stimulate and support leaders' efforts and acquire knowledge and to develop attitudes and skills that will improve performance.

-Utilization: help leaders put acquired knowledge and skills into action and provide

opportunities for them to function.

-Recognition: use a variety of ways to reward sound leader performance.

-Evaluation: determine how effectively a leader has performed and provide feedback.

Volunteer recruitment should be on a personal basis and should relate to specific jobs and needs, the 4-H specialist said.

Gardner noted that the United States was built on a "volunteer ethic" and that the need for volunteers is even greater today due to the cutback in many federal programs.

"Americans have always felt compelled to 'pitch in,'" said Gardner. "Volunteerism can also be a creative outlet for people and can help them make gainful use of an increasing amount of leisure time."

While most people volunteer for humanitarian reasons, some do so for selfish motives, noted Gardner. Volunteerism may enable people to gain practical training and experience for their personal benefit. It may also give people recognition and status which they may be seeking along with a sense of belonging.

**RETIRING OR MOVING?**

At least 18 per cent of the people in America will move this year. And many of you are thinking about retiring. These decisions are a part of your life and will affect at least one out of every five of your family and friends soon.

When making your retiring and moving decisions you'll soon discover that you've really accumulated a lot of possessions in the last few years. And you'll quickly see that it will be very difficult, time consuming and quite expensive to haul your possessions across the country or even around town.

But, you can turn these accumulated possessions into quick cash by holding an auction. A well planned auction can cash out your entire household in just a few short hours. And, I provide complete auction service so you don't have to worry about a single detail.

It's a whole lot easier to have an auction and put cash in your wallet than it is to put your piano, refrigerator & hide a bed in a truck. And remember, when it comes to buying or selling **AUCTION'S BEST.**

## The Garden Editor Ted Brice

Box 5766 Richardson, 75080

Bearded iris, often called a poor man's orchid, provides landscape beauty with minimum care.

Early fall is the time for planting of renovating bearded iris beds, says Everett Janne, a landscape horticulturist with the Texas Agricultural Extension service, Texas A&M University System.

If you already have iris in your flower beds, renovate the beds to reduce crowding. Dig up and separate the rhizomes (thickened underground stems) and replant only those that are clean, strong and disease-free, suggests Janne.

New plantings do best in a garden-type soil that is well drained and high in organic matter. Space good, strong rhizomes about 12 to 18 inches apart.

To plant iris rhizomes, scoop out a shallow depression in the prepared bed. Build up a cone-shaped mound of soil in the center of the depression so the cone's top is almost even with the surface of the bed. Place the rhizome on the cone top, with the fan of leaves in the direction you want the plant to spread.

Iris foliage should be trimmed only to prepare plants for digging and transplanting and to remove diseased areas, notes the horticulturist. At transplanting time cut back the foliage to one-third its original height. In established beds allow the foliage to do its job-to manufacture carbohydrates in the rhizomes for next season's flowers.

After planting, water

enough to settle the soil around the roots. Then give the bed a good soaking every 10 to 14 days.

Each spring after the plants have flowered, top-dress the bed with a complete fertilizer high in phosphorus, suggests Janne. This helps produce good, strong rhizomes needed for abundant flower production the next year. Broadcast the fertilizer at 2 to 3 ounces per square yard of the bed area and water in thoroughly.

With a minimum of care, bearded iris will provide many years of pleasure and beauty in your landscape, says Janne.

## Antlerless Deer Permits To Be Issued Oct. 27

Texas Parks and Wildlife Department will issue antlerless deer permits for Eastland County on Oct. 27 from 8:00 a.m. - 12:00 noon and 1:00 - 5:00 p.m. in the Eastland Courthouse.

A map with the antlerless deer permit issuance compartments and issuance rates will be posted in the county courthouse prior to the issuance date. To qualify for permits, a landowner must own or control acreage equal to at least one-half of

the permit issuance rate of the compartment where the tract is located.

After opening of the hunting season, permits will only be available through Regional Offices located in Rockport, San Angelo, Tyler, Waco and the State Office in Austin. Permits will not be issued by local department personnel.

Landowners or other agents are urged to pick up permits on the scheduled issuance dates.

## THE CHEMICAL PEOPLE

Michele Landon will host "The Chemical People: An appeal to All Americans," Sunday, October 30, at 3 p.m. on Channel 13. The taped-live broadcast from the White House will summarize final details for THE CHEMICAL PEOPLE, public television's nationwide project to combat teenage drug and alcohol abuse.

Featured in the program will be four regional reports on the organization of local town meetings being held around the country in conjunction with the airing of THE CHEMICAL PEOPLE on November 2 and 9, as well as specific updates on the activities by local public television stations.

This half-hour special will include a personal appeal by First Lady Nancy Reagan, host of THE CHEMICAL PEOPLE, urging all viewers to join in these efforts.

Channel 13 will present THE CHEMICAL PEOPLE Wednesdays, November 2 and 9, at 8 p.m. Immediately after each national broadcast will be locally produced follow-up programs on Channel 13 and KERA/90FM: Bob Ray Sanders will host a live call-in/interview program

on 90/FM at 9 p.m. November 2; he will also host a half-hour round-table discussion, "Chemical People: The Local Story," on Channel 13 at 9 p.m. November 9.

# Drought Causing Spotted Peanut Crops

By  
**DeMarquis Gordon**  
Extension Agent

Peanut harvest is underway in Eastland County and the prospects are not good according to County Extension Agent DeMarquis Gordon. The severity of the drought varied throughout the county resulting in some very poor crops and some reasonably good crops.

The most drought stricken crops are west of Carbon and between Cisco and Pioneer including the Nimrod and Scranton communities says Gordon.

Franklin Cox, manager of the Pioneer Co-Op estimates

that 500 acres of peanuts have already been dug and baled later. One farmer in the Nimrod area said he plowed under his peanuts, because the plants were not large enough to bale. Still another grower said the dry weather caused his peanuts to die while they were about as wide as your cap. He hesitated to plow them up, because there may not be enough to plant rye for a winter cover crop and the sand will blow away.

Wayne Eaves, one of the owners of the Eaves Brothers Peanut Company of Kokomo, reports that the peanut crops south of Kokomo and Carbon down to Rucker in Comanche County

were fairly good, but were not very good east or west of that area.

Cox said harvest is just beginning in the southwest part of the county. He has purchased 34 loads, mostly from dry land. The grades are ranging in the 50's and 60's with a few in the lower 70's. This is considered low.

Harvest in the eastern half of the county is progressing more rapidly and yields and grades are better. Eaves said the irrigated runner peanuts are grading in the lower 70's while dry land Spanish peanuts are grading in the 60's.

Max Grice of Birdsong Peanut Company in Gorman reports that harvest slowed

down the past week because of the cloudy, humid weather. Grades are mostly in the 70's at this time. Grice estimates the irrigated peanuts will yield about 75 percent of normal and dry land peanuts will yield 50 percent of normal in the Eastland County. Yields in South Texas are a little above the average. Erath, Hood and Somervell counties had more summer and fall rain and their peanuts are expected to be good.

Over all it appears the Eastland County peanut crop will be about 40 percent lower than average reports Gordon. The yield may be about equal to the 1980 crop when the county peanut yields averaged 760 pounds per acre. However, there are fewer acres planted in peanuts this year than in 1980. The best peanut year ever in Eastland County was in 1979 when the county produced over 52 million pounds of peanuts with an average yield of 1,597 pounds per acre. Last year's county production was almost 25.5 million pounds. With less acreage and low yields this year the over all production may be below 20 million pounds for the county.

In 1980 the supply of peanuts were not enough to meet the demand and growers were paid premium prices from shellers over and above the basic quota price. As a result many growers made more profits than they have the last two

years. Ross Wilson, Manager of Southwestern Peanut Grower's Association, advises producers to stay in daily contact with the new-crop market for possible improved marketing opportunities.

"All the signals point to not enough peanuts from this fall's harvest to satisfy domestic and export needs and some shellers may have to go beyond the normal bounds of quota price to get the supplies they will need" states Wilson in a recent article in Southwest Farm Press.

At this time it does not appear that large premium prices will be paid says the agent. Some shellers are paying 103 percent of the basic government quota

price for non-contract quota peanuts, 100 percent for contracted quota peanuts and \$340 per ton for additional peanuts. Additional peanuts are peanuts a producer sell beyond his quota. The basic government quota is \$540 per ton.

## Cross Plains Art Show Planned November 5 & 6

A Paint & Palette Club Art Show will be held in the beautiful new Community Center, Cross Plains, Texas. Greater space and facilities are now available. New panels have been purchased and existing ones have been reconditioned. The quality of the ribbons have been greatly improved and additional awards established. Cash awards have also been increased.

Paintings will be accepted for registration between 4:00 p.m. and 6:00 p.m., Friday, November 4, 1983. The Community Center is located just North of the Multi-Purpose Center on Beech St. A \$1.00 registration fee will be required for each entry, with a limit of six (6) entries, plus one mini painting (5 X 7 or less) Amateur division. Artists must live within a 75 mile radius, and any painting PREVIOUSLY shown at Cross Plains is ineligible. Size 24 X 36 canvas or less accepted. Check-out time is between 4:00 and 5:00 p.m. on Sunday, November 6. EARLY CHECK-OUTS NOT PERMITTED.

Professional, Amateur, Beginner, Intermediate - 12-18 yrs., and Children - 1-11 yrs. will be judged. Ribbons

and cash awards will be given including these:  
\$75.00-Best of Show (Citizens State Bank)  
\$50.00-Best of Professional (Higginbothams Bro. & Co.)  
\$50.00-Amateur 1st Place (Southern Savings & Loan Assn.)  
\$35.00-Amateur 2nd Place (Merryman Drilling Co., Inc.)  
\$25.00 Amateur 3rd Place (Cross Plains Discount & Neal Drug)

\$15.00-Best of Beginners (Mayes Flowers-Tim Dillard)  
Cash Prizes-Intermediate & Children Divisions  
\$10.00-Lawrence Farm & Ranch Supply, Inc.  
\$7.00-Johnston Truck & Supply, Inc.  
\$5.00-Tom & Mary Dunn  
\$25.00-People's Choice Adult (Paint & Palette Club)

\$15.00-People's Choice Children (Paint & Palette Club)  
\$10.00-Peer's Choice (Paint & Palette Club)  
The show will be open to the public from 9:00 a.m. to 6:00 p.m., Saturday, Nov. 5; and 1:00 to 4:00 p.m. Sunday, Nov. 6. Door prize will be given at 3:30 p.m. on Sunday, presence necessary.  
For further information please call (817) 643-4234 or (817)725-7420.

## 1st Industrial Arts Club Holds Meeting Oct. 21

The First Industrial Arts Club met in regular session Oct. 21, 1983 in the Federated Women's Clubhouse. Mrs. Ruby Lee Pirtle, president, called the meeting to order and welcomed Mrs. Della Mackie from Blanket, Texas as a visitor. Mrs. Sue Schlurp led the group in repeating the collect and allegiance to the United States and Texas flags. Eighteen members answered roll call.

Velma Williams, leader of the program on Conservation, presented Evelyn Fry who spoke on "A Touch of Fall". Her talk was very interesting and informative. She read poems pertaining to Fall of the year, one entitled "What Does September Mean to You" and another poem concerning "Autumn." Mrs. Fry displayed color-

ful pictures of trees with red & golden autumn leaves. Another display was wild flower dry arrangements and a lovely picture she had painted in oils of a vase containing a variety of flowers. She said no artist can paint and no pen can write and no words can tell what can really compare to the nature of land and its beauty. In closing she gave each member her recipe for Halloween which consisted of fruits and vegetables. Then she displayed a centerpiece which she had made using the recipe. It resembled a very clever and interesting horse drawn carriage.  
Mrs. Betty Wallace, club counselor, said she had just returned from a week vacation in Colorado where she enjoyed the beautiful autumn colors of the Aspen trees, as well as other trees and shrubs that grow in that area.

During the business meeting final plans were discussed and committees were appointed for the Diamond Jubilee Anniversary of Nov. 3rd. This program is to honor all living past presidents of our club and other members that have served the club in some special way.

Three members of the club attended the Heart of Texas District Board meeting Oct. 15, 1983. They were Mmes. Ruby Lee Pirtle, Bernice Carter and Evelyn Fry. Each one gave an interesting report of the district meeting. Mrs. Pirtle said that club members had made and sent 31 gowns to M.D. Anderson Hospital. Josephine Cleveland was unanimously accepted as a new member.

Club adjourned at 3:30 p.m.

Peanut harvest is underway - County Agent De Gordon displays some of the peanuts being harvested in the Kokomo Community.

## Let's talk.

Information about your changing telephone service from Bob Cox, Community Relations Manager

### A look at the future

When Southwestern Bell is divested from AT&T next January and becomes a separate company, you can be sure that your local telephone service will continue working the way it always has. We're committed to providing high quality, dependable local service at affordable rates.

But there will be some changes in the way you do business with us... from how to handle telephone repairs to the way you're billed. Here's a quick look at what will and won't change:

#### Local service

As mentioned, Southwestern Bell will continue to be responsible for providing local telephone service. To start, stop, change or move service, you will do the same as you do now - call your Southwestern Bell business office.

#### Long distance service

Beginning January 1, Southwestern Bell will still provide long distance service within your surrounding area. However, calls outside this area will be handled by AT&T or other long distance companies. Since there will be more competition in the long distance market, there will be more choices for you as a customer.

#### Telephone sets

Between now and the first of the year, all single-line customers have the option of buying the telephones that they currently lease on a monthly basis from Southwestern Bell. If you decide to continue leasing your telephone sets, ownership of this equipment will be transferred to AT&T January 1. Of course, you'll still have the option of purchasing new telephone equipment from a variety of other suppliers. Pending agreement from the Federal Communications Commission, Southwestern Bell may also offer telephone equipment for sale, beginning in 1984.

#### Telephone repair

If you continue to lease the

Bell-owned telephones, repairs will be handled by AT&T beginning January 1. There will be no charge for repair of these phones, provided you either mail your leased phone or return it in person to designated AT&T locations. However, if you wish to have a service technician repair your phone on your premises, there will be a charge for this service.

Telephones purchased from Southwestern Bell before the end of the year also will be serviced by AT&T, but you'll be charged for those repairs if your set is out of warranty. Of course, repairs of telephones purchased from companies other than Bell should be referred to the store they were purchased from or the manufacturer.

#### Billing

You'll continue to receive one bill for all services provided today by the Bell System, except for purchases of new equipment from AT&T. This single bill - to be produced by Southwestern Bell - will list Southwestern Bell's charges separately from AT&T charges. In the future, Southwestern Bell may serve as a billing agent for other long distance companies as well. Toll-free telephone numbers of each company will be featured on your statement in case you have questions about your bill.

#### We want you to know

At Southwestern Bell, we want you to know about these and other changes that will affect the way we do business with you. Watch for more details in the months ahead - both in this column and in your bill insert.

Remember, if you have something to talk about, don't hesitate to drop me a line.

Bob Cox  
Southwestern Bell  
200 NE 1st Avenue  
Mineral Wells, TX 76067

Assistant manager Vicki Jo Edwards (left) receives her diploma from Rick Garris, instructor for Allsup's Assistant Managers' Training Course. The training is a requirement for all assistant managers and stresses store cleanliness and maintenance procedures as well as customer relations and company policies. According to Garris, "Allsup's company philosophy is to provide better service and quality for our customers. This training is designed to help our employees meet those commitments." Edwards will return to #191, Allsup's store at 913 West Eighth Street in Cisco to assume the duties of assistant manager.

Allsup's Convenience Stores, Inc., is an Equal Opportunity Employer.

**BICYCLE WINNER** - Ben Honea of Cisco is shown below the bicycle that he won from the Hitch-n-Post in Putnam. Ben won the bicycle in a contest on Oct. 5, 1983, presented by the Coca-Cola Bottling Company. His parents are Stanley and Angie Honea.

**CAPITOL UPDATE**

by Jim Parker

To conclude the series on the Constitutional amendments, I will explain the final propositions, No. 10 and 11 on the ballot.

Proposition No. 10 would enable the Legislature to authorize cities to spend public money for replacing sewer lines on private property to assist the owner with the cost, if the owner consented to the arrangement. S.B. 596 was enacted by the Legislature con-

tingent on passage of this proposition. Proponents say this amendment is needed so the city can lend their credit or money to provide for replacing sewer laterals, charge customers for the work, and allow the customer, if he agrees to the loan, to pay back the city in installments. They say the property owners still have the option of going to a private contractor but that since many people can not afford the

\$1000-\$3000 cost, it is to the homeowners' advantage to pay in installments if they so choose. The amendment is permissive to both cities and homeowners. Opponents believe, while the idea is good, it belongs in a statute (law) not in the constitution. They say even should an amendment prove to be necessary, it should not be restricted to a 5 year pay back time. They believe the terms should be left up to

local ordinances better suited to local circumstances. Proposition No.11 would change the Board of Pardons and Paroles from a constitutional agency to a statutory agency and give the Board the power to revoke paroles. Proponents feel it will speed up the parole process and save taxpayers money. The believe eliminating the Governor's power to deny parole would prevent

duplication of the Board's review process and that the Board has the staff, resources, and expertise to determine who should be granted parole. They say the Governor's staff is less qualified and reviews only the offender's file without interviewing the inmate, which adds more time to the process and can jeopardize any job which has been found for the parolee upon release. They say the Governor would still retain control

over the parole process by having the authority to appoint all members of the Board rather than sharing appointments with Chief Justices of the Court of Criminal Appeals and the Supreme Court as is done now. Opponents feel that the Governor's veto power over paroles is an important safeguard to ensure that only rehabilitated offenders are released. They believe

Leota Bartholomew, pianist, to be presented in Cisco Recital at First Presbyterian Church Oct. 30.

## Cisco Music Study Club Will Present Recital By Mrs. Bartholomew

The Cisco Music Study Club will present Mrs. Leota Bettus Bartholomew of Brownwood, in Piano Recital, Sunday, Oct. 30, at 3:00 p.m., at the First Presbyterian Church, 1109 West 6th Street, Cisco Texas.

Mrs. Bartholomew, a graduate of Moran High School, received her early piano training with Patti Hightower, Margaret Petus, Lillian Virginia Wheat, Pansy Blair and Olga Steinman.

Later, she studied with Charles Froh, Tarleton State University; W.R. Wagborne, Texas Tech University; Guy Woods and Frederick Thiebaud, Howard Payne University; Silvio Scionti, internationally known concert

pianist; and Dr. Leo Pedolsky of Sherwood School of Musci, Chicago.

Leota maintains a private piano and organ studio and has been teaching in Brownwood since 1945.

She has been organist at First Methodist Church of Brownwood since 1935 and was honored in September 1982 with "Leota Bartholomew Day." At this time, a scholarship for graduating seniors of Brownwood High School planning a career in the performing arts was established in her name. The first award was presented this past September.

She has served as past treasurer of the 7th District, Texas Federation of Music

Clubs; as Junior Counselor and Festivals Chairman, 7th Dist., TFMC, since 1970; as past president and is currently serving as vice president and program chairman of the Schubert Music Club, Brownwood, which is affiliated with TFMC's and the National FMC's.

Leota's program will include selections by Scriabine, Rachmaninoff, Brahms, Chopin, Debussy, Ravel and Gershwin.

The program is open to the public. Admission is free.

## Moran News By Mrs. Luke Huskey

**MUSICAL**  
Remember the Moran Country Musical on Friday night, October 28, at the Moran Community Center.

## Roaring Ranger Bowl Game Is Planned

The Roaring Ranger Bowl, which will feature two of the nations top ranked junior college football teams, will be held Saturday, Nov. 19 at 3 p.m. at Bulldog Stadium in Ranger.

The First Annual Bowl is sponsored by the Ranger Chamber of Commerce. Mike Ford, Chamber president, has announced that Tommy Brashier will be chairman of this year's game. Other committee chairmen are: Jerry Richardson, banquet; Ben Lancaster, tickets; Ron Butler II, program; John Graham, concession; Ronny Butler, hospitality; Bob Johnson and Jim Cockburn, pageantry; Jerry Watson, grounds crew; and Tommy Brashier, publicity.

Several outstanding junior college teams from around the nation are being considered as participants in this first ever bowl.

In addition, a feature game between the Abilene Redskins and Farmers Branch Pop Warner teams will be held at 1 p.m. before the big match-up.

Tickets will be on sale soon for \$3.00, and will admit a person to both contests.

The Selection Committee is working now and will have an announcement soon concerning the teams that will play in the Roaring Ranger Bowl game.

Everyone is welcome. A concession stand will be open, selling pie, coffee, tea, and soft drinks. All area musicians are invited to take a part. Sid Vick of Breckenridge will be Master of Ceremonies.

**100 YEAR CELEBRATION**  
The Baptist Church in Moran will celebrate its 100th Birthday on Sunday, November 13. All former pastors will be on the program. The public is invited to attend. A noon lunch will be served at the church.

**HALLOWEEN CARNIVAL**  
Remember to come to the Moran School Halloween Carnival on Saturday night, October 29, at the Moran School. Various games, food booths, Bingo, and other entertainments will be held for the benefit of the school. Come and support the school in this worth while activity. The proceeds will go for school equipment.

Mr. and Mrs. Bert Booth of

Temple spent the week end with his mother, Mrs. Bud Booth, and attended the Moran week end celebration. Other visitors with Mrs. Booth were Mrs. Jessie Reed of Grandbury, Mrs. Faye Callaway and Mrs. Jess Pippen of Cisco.

Other people who attended the Moran Home Coming and Centennial Celebration were Mr. and Mrs. Arthur Nunn of Oklahoma, Mr. and Mrs. Frank Shappard of Dallas, Mr. and Mrs. Jim Weatherby and children of Comanche, Mr. and Mrs. A.J. Booth of Karnes City, Mr. and Mrs. Eugene Garlitz of Hobbs, N. Mex., Mr. and Mrs. Bob Burton of Iraan, Mr. and Mrs. Jack Burton of Plainview, Mr. and Mrs. Roger Tonne of Breckenridge, Mr. and Mrs. Bobby Guy Thomason of Ruidoso, N. Mex., Mrs. Margarete Sherrord of Takhoka, Mrs. Vergie Garrett of Sterling City and Gladys Woolsey of Abilene, and many more, that their

names are not available.

Others that attended the Moran School Home Coming and centennial were Mr. and Mrs. George Fletcher and children of Granbury, Mr. and Mrs. Carl D. Harber and children of Copperas Cove, Mr. and Mrs. G.E. Gore and children of Plano, and they spent the week end with their parents, Mr. and Mrs. Charlie Hagemann.

**WINS GUN**  
Danny Stephens of Breckenridge and a former resident of Moran, had the winning card for the gun that the American Legion gave away for the Home Coming Session. The Legion appreciates every one who contributed to selling of the gun. Danny is also a graduate of Moran High School.

**VETERANS BOXES**  
The American Legion Auxiliary has put out boxes in the stores in Moran for your gifts for the Veterans in the Temple Hospital. The gifts

will be selected by the hospitalized veteran to send to his family for Christmas gifts. Your contribution to this worthy cause will be deeply appreciated. Any gift will be accepted, but please, do not send anything breakable, as the gifts will have to be mailed.

Mr. and Mrs. Richard (Audrey) Dennis of Grand Prairie visited with friends in Moran, last Tuesday. Mr. Dennis ancestors are buried in the Dennis Cemetery, South of Moran.

Mrs. Bessie Norris of Dallas is visiting her sister, Mrs. Lois Gibbs.

Some other that attended the Moran School Home Coming and Centennial Celebration were Danny Orms, Mrs. Katherine Ricks of Abilene, Prosper Walder of Belton, Mr. and Mrs. Harold Wilbanks of Snyder, Mr. and Mrs. Ned Baker of Mt. Pleasant, Mr. and Mrs. Vic Parmer of Houston, and Mr. and Mrs. Jimmy Jackson of Hurst.

Week end guest of Mrs. Alvin Huskey and Sandy were Mr. and Mrs. Alvin Huskey III, Kathy and Dan of Big Spring, Mr. and Mrs. Paul Webb of Breckenridge, Mrs. Pat Kinnison and Justin of Breckenridge and Mr. and Mrs. Bill Huskey of Eula.

**A BABY DAUGHTER**  
Mr. and Mrs. Johnnie Hargrave of Cisco are the proud parents of a baby daughter, born, Wednesday, Oct. 12, in Hendricks Hospital, Abilene. The baby weighed 6 lb. 5 ozs. and was named Rhianon Nichole.

Mr. and Mrs. Don Boyett of Rising Star and Mrs. Hargrave of Cisco are the grandparents. Maternal grandmothers are Mrs. Alvin Huskey and Mrs. S.P. Boyett, both of Moran.

**A BABY DAUGHTER**  
Mr. and Mrs. Rickey Rucker of Cisco are the proud parents of a baby daughter, born, Thursday, Oct. 6 in Graham Hospital, Cisco. The baby weighed 8 lb. 1/2 oz. and was 19 3/4 inches long and was named La Tisha Leanned.

Grandparents are Mr. and Mrs. Fred Stovall, Jr. of Moran and Mr. and Mrs. Bill Rucker of Hawley. Great grandparents are Mr. and Mrs. Fred Stovall, Sr. of Moran, Mrs. Emma Powell of Harleson, Deleware and Mrs. Eva Powell of Powellville, Maryland, and Mrs. Matilda Fosley of Salisbury, Maryland.

Mr. and Mrs. John Cain of Abilene visited with his parents, Mr. and Mrs. W.L. Gain and attended the School Home Coming and Centennial Activities.

Mr. and Mrs. Larry Mohon of Houston are spending the week at their home in Moran. They report heavy damage to their home in Houston from the Storm Alicia.

**DEEP CREEK REUNION**  
The Deep Creek Reunion will be held Saturday, October 22, 1983, at the Deep Creek Picnic Grounds on Bub Brooks farm.

Meat will be bought before the picnic and barbecue. A collection will be taken to pay for met, paper plates, cups, napkins, ice and barbecue sauce. Each one bring food for your family and your guests, drinks and tea if desired. Bring card table, dominoes and chairs.

**MEAL TIME** promptly at 12:30 noon.

Will meet at the Moran Community Center if rain occurs.

All Deep Creek residents, past and present, are expected to attend.

# THE CHEMICAL PEOPLE

Millions of young people are reckless abusers of drugs and alcohol in our society, and many more are threatened each year as the age level of beginners drops.

In addition, it is estimated that 8,000 teenagers will die in drunk-driving accidents this year.

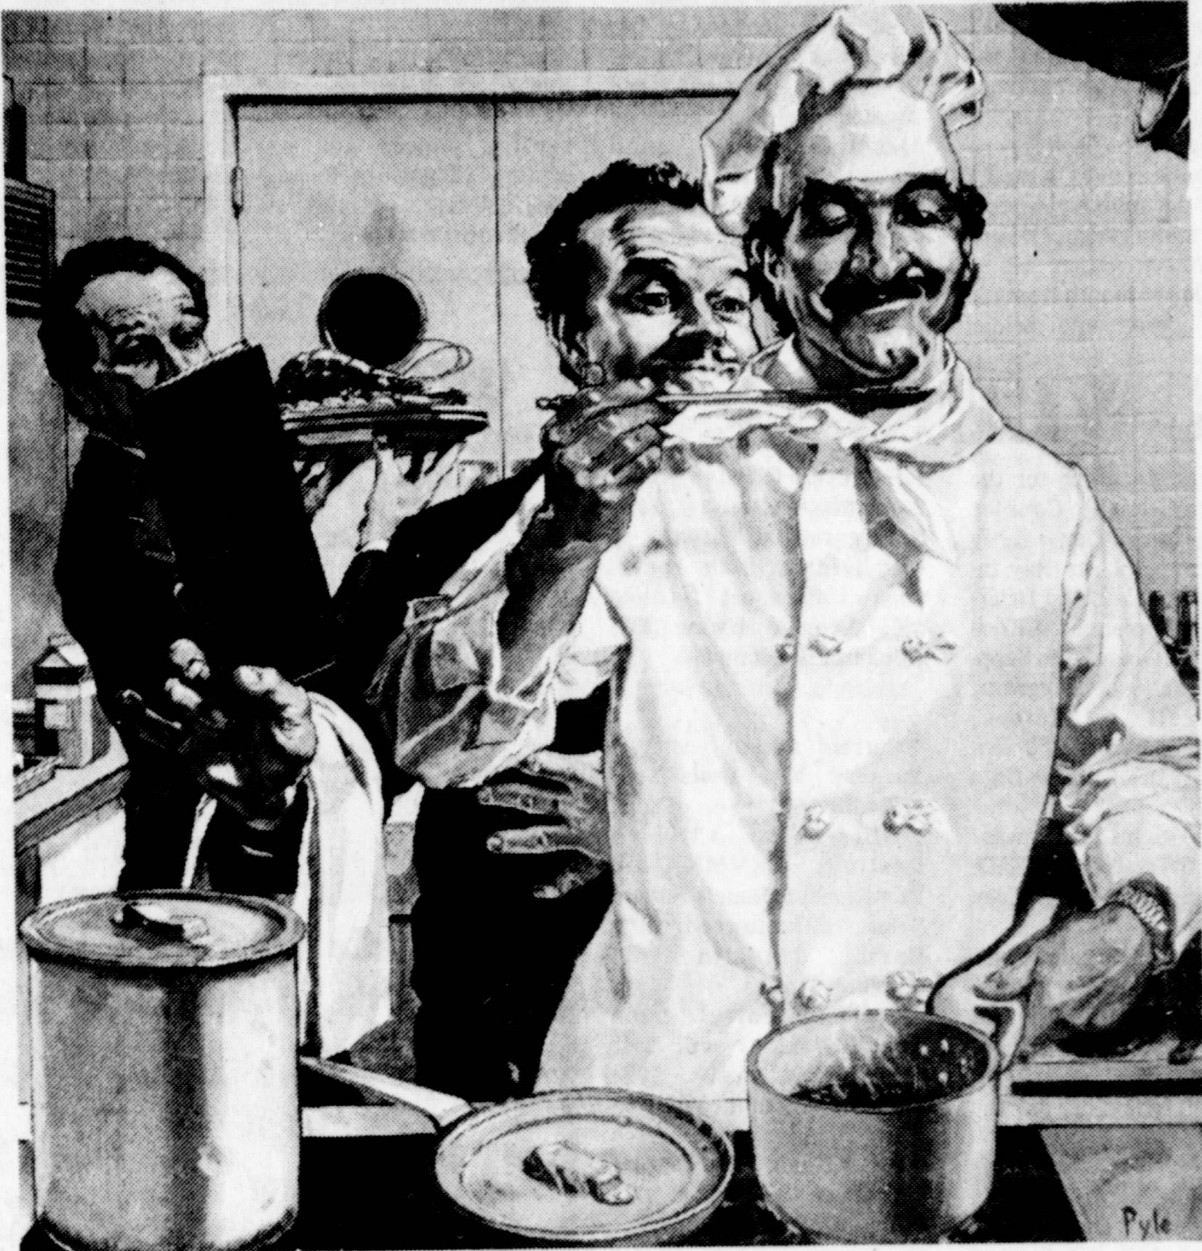

A nationwide action campaign to combat school-age

drug and alcohol abuse, combining the power of television and individuals at the community level, will be launched Wednesday, November 2, at 8 p.m. on

**THE CHEMICAL PEOPLE**

KERA Channel 13 & 90FM  
November 2 and 9

Channel 13 and other public

**Gas ranges keep temperatures under control.**

Almost all great chefs insist on natural gas ranges. Because gas gives them temperature control, par excellence.

The low flame keeps even the most delicate sauces warm without burning them. While the high flame gives immediate, intense heat for a rapid boil.

And when the flame is off, it's off! There's no hangover heat to spoil the

creation.

But control isn't the only reason they cook with gas. Gas saves money. In fact, you can cook 1 1/2 meals on a high-efficiency gas range for the cost of cooking one on a non-gas range.

So get more for your money and get a gas range for your home. Today. We promise you, you'll be in better control of your temperature.

Lone Star Gas Company. Get more for your money. Get a gas range for your home.

television stations across the country. That's when First Lady Nancy Reagan will host and introduce THE CHEMICAL PEOPLE, a two-part television special airing simultaneously with gathering of thousands of concerned citizens in local town meetings throughout the nation.

The first one-hour program is designed to inform and motivate people. The second, a week later, will act as a catalyst to the formation of permanent community task forces emerging from the town meetings. In addition, KERA/90FM and Channel 13 will air follow-up programs after the national broadcasts to look at the problem and efforts to fight it in the North Texas area.

Guest hosts for the national programs include television stars Bill Bixby, Michael Landon, Rita Moreno and Bruce Weitz and former Pittsburgh Pirate Willie Stargell.

In the first television program, "The Chemical Society," on November 2, an overview of the widespread use of drugs and alcohol by young people will be presented. With a skillful blend of documentary, drama, hard statistics and personal stories, this program confronts the "wall of denial" that so often prevents any meaningful assault on a drug problem and examines the scope of drug and alcohol abuse among the young as well as the emotional and sociological repercussions.

At 9 p.m. on November 2, KERA/90FM will look at the issue in an hour-long live special hosted by Bob Ray Sanders. Sanders will discuss local drug and alcohol problems with experts and, by phone, with listeners. The 90FM interview/call-in special will be an opportunity for North Texans to come together in an electronic community forum to talk about ways to aid and cure these young people. Participating in the

discussion will be Patricia Lawther, education administrator for the Dallas Council on Alcoholism; Marvin Boyd, administrator for Discipline and Improvement of Learning Environment with the Fort Worth Independent School District; and the parent of a teenager who is dealing with a drug-abuse problem.

The following Wednesday, November 9, the second THE CHEMICAL PEOPLE special, "Community Answers," will offer hope and guidance by explaining how to establish task forces to prevent and fight drug abuse. Through case histories, example and inspiration, the program aims to provide the way for viewers to prevent young people in their communities from being tempted by chemicals. Portions of "Community Answers" were filmed in Austin and highlight the work being done by the state-run War on Drugs organization.

As a follow-up to this program, Channel 13 will present "Chemical People; The Local Story" at 9 p.m. This half-hour special, also hosted by Bob Ray Sanders, will focus on the alcohol and drug problems in the Dallas/Fort Worth area. Sanders will lead a roundtable discussion with a panel of community leaders to examine reasons why the problem exists and what is being done locally to fight

substance abuse. Guests will include Joan Barnette, the parent of a son who had a drug problem and a member of Richardson Families in Action; and Mike Will, a Tarrant County juvenile probation officer who works with many drug-troubled young people.

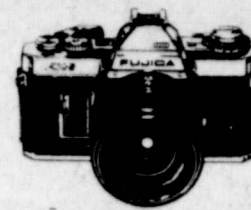

THE CHEMICAL PEOPLE project was conceived and originated by public television station WQED in Pittsburgh in cooperation with the Coalition for Addictive Diseases of Southwestern Pennsylvania. The initial Pittsburgh effort, involving several hours of local primetime programming in early 1982, resulted in over 12,000 people attending town meetings and the formation of over 114 permanent task forces.

To date, over 30 national organizations—from the Kiwanis International to the National PTA—have pledged their support to THE CHEMICAL PEOPLE project. For information on the

town meeting in your area, contact your local PTA or Marilyn Boswell, KERA project director, 214/744-1300.

Local production and broadcast of the 90FM and Channel 13 follow-up programs are made possible in part by Medical Plaza Hospital of Fort Worth, Metropolitan Life Foundation and the Dallas Chapter of Texas Academy of Family Physicians.

**Cemetery Restored**

Over 100 year old Bollinger Cemetery has recently been restored.

The cemetery is located south of FM Road 2214 one mile southwest of Lake Leon Bridge.

Noah Bollinger and his wife A. Clarisa Hoover Bollinger moved from Bollinger County, Missouri in 1875 to Eastland County.

Bollingers and Bollinger relatives in the cemetery are: Avery R. Bollinger, Charlie A. Bollinger, Clarisa Bollinger, Noah Monroe Bollinger, Daniel Benjamin

Bollinger, Sarah Elizabeth Bollinger, infant son of D.M. and M. Abernathy, John A. Gibbs, Mary R. Gibbs, Johnie Hoover, A.B. Hoover and Livisa Hoover.

Also a Whitener boy who died soon after moving to Eastland is not related and an unidentified infant grave.

Any desiring additional information concerning family history may contact Ivy Payne, Route 1 Box 85, Elkhart, Texas 75839 or Sigrid Smith, Box 3562, Austin, Texas 78764.

**County Pays Rowch Debt**

County commissioners voted Monday to pay a claim by the State Comptroller's Office against the estate of R.L. Rowch. They instructed County Auditor Emma Morris to send the Comptroller's Office a check for \$3,406.85.

Commissioners confirmed action previously taken requesting each fire department in the county to mail a copy of its monthly reports to the county judge. Departments of compliance will be paid \$200 per month from the county's road and bridge fund.

Permission was granted for Westbound Water Supply District to cross County Road 141 in Precinct 4 in two places with a water line.

An alley connecting two pieces of property in Desdemona was declared vacated and abandoned by commissioners. John Walker, Baptist minister, said his church plans to cross the alleyway when the church expands.

Commissioners exercised their option to veto administration of an emergency feeding program through the Department of Human Resources.

A lack of facilities and refrigeration prompted their veto.

In other action, the commissioners voted to raise sheriff's fees collected for serving papers and executing judgments in line with fees charged in neighboring counties.

**VOTE**

Absentee voting will be held October 19, 1983 thru November 4, 1983 for the November 8, 1983 Constitutional Amendment Election. Anyone who votes absentee may do so during regular office hours at the County Clerks office. There will be 11 amendments on the ballot.

**BOWLING**

Current standings for the Thursday Night Couples Bowling League are: 1. My Shoe Shoppe; 2. Tex Ray Inspections; 3. Eastland Drug;

# Stacy Blair To Perform At Bermuda Christian Arts Festival In Hamilton October 27

Eastland's Stacy Blair, John Campbell, professor in now an internationally organ and head of the known trumpeter, and Dr. department of applied

music, Hardin-Simmons University's School of Music, will be presented in a concert in Hamilton, Bermuda on Thursday evening, Oct. 27.

They will be performing at the Bermuda Christian Arts Festival organized and sponsored by the Baptists of Bermuda. The concert by Blair and Campbell will be one of three, according to the HSU professor.

"We were invited to perform by the Southern Baptist Foreign Mission Board," said Campbell.

The program will be similar to the one which Blair and Campbell presented in a guest recital on Sept. 13 at Woodward-Dellis Recital Hall on the HSU campus. Campbell will be performing on a piano rather than an organ, however.

Blair has won four interna-

tional trumpet competitions since graduating from HSU, including the 1978 International Trumpet Guild Solo Competition and the 1979 Maurice Andre International Trumpet Competition in Paris, France.

Blair holds the bachelor of music degree from HSU and the master of music degree from the University of Louisville (Ky.). While at HSU he studied under Bill Owens.

He has appeared with the Dallas and Louisville symphony orchestras, the Ensemble Orchestra de Paris, the Tel Aviv Chamber Orchestra and numerous European chamber orchestras.

Blind since birth, Blair has nonetheless accumulated a repertoire of more than 60 trumpet concertos, all of them memorized from tapes and records since he is

unable to read music.

Campbell has been at HSU since 1971 and is a 1967

graduate of HSU and earned the master of music from the University of Oklahoma in

1964 and received the doctor of musical arts degree from

Eastman School of Music in 1975.

Thursday, Oct. 27, 1983

# Cisco Loboes Lead Mavericks At Half-Time 14-0

(Continued From Page 1)

Eastland's eleven-yard line following a fumble recovery by Cisco's Butch Jessup. With Craig Foster at center and Perry at quarterback, Cisco's offense went to work moving the ball downfield.

Runs by Cisco's Doug Hendricks, QB Perry and Johnny Ramirez moved the ball to Eastland's two-yard line in five plays picking up one first down. A handoff from QB Perry to Ramirez gained the touchdown on the next play. Cisco's Glenn Starr then held the ball while Jessup booted the first of four extra points, making the score 7-0 with 5:13 left in the first quarter.

Cisco gained its next possession of the ball after Eastland was forced to punt when they failed to gain a first down. Cisco's Starr received the punt at the Loboes 41 and an Eastland penalty returned the ball to Eastland's 49.

On the first play from scrimmage, Cisco QB Perry completed a 51-yard pass play to Jessup for Cisco's second touchdown. Jessup then tucked on an extra point with Starr holding the ball for the kick. Cisco then commanded a 14-0 lead with 2:18 left in the first quarter.

In the second quarter Cisco took possession of the ball following a punt by Eastland on the Maverick's 48-yard line and began driving the ball downfield. After runs by Ramirez, QB Perry and Josh Potter, the ball was resting on the 15-yard line of Eastland and Cisco had picked up two first downs in the process.

QB Perry took the next snap from Center Foster and kept it around his right end for a touchdown, but a Cisco penalty nullified the points and brought the ball back to Eastland's 25 yard line with 7:04 left in the second quarter.

With only two tries left for a first down and needing 20 yards, Cisco failed to com-

plete two pass attempts turning the ball over to Eastland at the 25.

The Mavericks were unable to gain a first down and had to punt the ball to Cisco who started their next drive from their own 43-yard line. QB Perry, Ramirez and Hendricks carried the ball on a number of plays, moving the offense to Eastland's three-yard line. On the next play, a handoff, the ball was fumbled and Eastland's Donnie Reeves recovered for the Mavericks.

With Eastland unable to get out of their own end of the field and Cisco unable to punch the ball across the goal-line in the second quarter, the first half of play ended with the score 14-0 in Cisco's favor.

Eastland's best drive of the game was set up in the third quarter when Rodney Phelps recovered a Lobo fumble at the Maverick's 48-yard line. Eastland then went to work on their only scoring drive of the night.

Curtis Govan called the signals for Eastland while Clay Taylor handled the center position. Runs by Kael Joiner and two incomplete passes, one to Kevin Wright and the other to Phelps, along with a Maverick penalty brought up a fourth down situation with Eastland still needing six yards for a first down from Cisco's 44-yard line.

Eastland's Glenn Nevill took the field to punt the ball, but a fake play caught the Loboes off guard and Eastland's David Morren picked up the first down on a run to Cisco's 38-yard line. From there Eastland's Patrick Jackson, along with a personal foul penalty against the Cisco tackler, moved the ball to the 15-yard line of Cisco.

Runs by Corliss Sanders, Joiner and Jackson picked up another first down in five plays and placed the ball on Cisco's three-yard line. A keeper play by QB Govan netted the touchdown for

Eastland. Brad Hobbs held the ball for Nevill who booted the extra point, cutting Cisco's lead in half. With 4:53 left in the third quarter, the score was 14-7.

On the ensuing kick from Eastland, a reverse handoff to Cisco QB Perry took Eastland by surprise and Perry streaked 75 yards to Eastland's end zone, but a Cisco penalty for clipping wiped out the touchdown and brought the ball back to Cisco's 25.

Unable to gain a first down from Eastland's 44-yard line, the Loboes were forced to give the ball to Eastland. The Mavericks moved the ball from their own 44 to Cisco's 46 in three plays. Eastland QB Govan took the next snap and handed off to Sanders who looked downfield for a receiver. Sanders then began moving towards the other sideline and dropped the ball twice with no one touching him. On his second drop of the ball, Cisco's Robert Sherman recovered the fumble at the Maverick's 45.

Cisco picked up a first down with a run by Ramirez up the middle. On his next carry, Ramirez lost a yard bringing up a second and eleven at Eastland's 33. QB Perry took the next snap and rolled out to his right, he then cut back to his left and carried the ball into the end zone for a touchdown. Again Starr and Jessup teamed up for the extra point kick which made the score 21-7 with 11:48 left in the game.

Cisco's final touchdown of the game was set up by another fumble recovery, this time by Tommy Elrod at Eastland's 19-yard line. Ramirez picked up five yards on the first carry but a Cisco penalty on the next play, a keeper play, brought the ball back to the 18. A carry by Hendricks was stopped at the line of scrimmage bringing up a third down.

QB Perry took the next snap from the center and completed a pass to Jessup in the end zone for an 18-yard touchdown. Jessup then teamed up with Starr for the final extra point of the game, making the score 28-7 with 3:20 left in the game.

On the ensuing kick, Cisco kicker Jessup recovered his onside kick at Eastland's 49-yard line giving the Loboes possession of the ball. Unable to gain a first down, Cisco had to punt the ball and Eastland took over their final possession at their own ten-yard line with only 55 seconds remaining in the game.

Cisco defensive players turned in good game forcing six Eastland turnovers consisting of five fumble recoveries and one interception. Robert Sherman had two fumble recoveries while Butch Jessup and Tommy Elrod had one each. Glenn Starr had Cisco's only interception of the night.

Maverick defenders were credited with two fumble recoveries and one interception. Recoveries were made

**GAINING YARDAGE**—Cisco quarterback Joe Perry is shown as he gains yards against Eastland's defense last Friday night. Perry

made three touchdowns but two of the scores were wiped out by Cisco penalties. (Staff Photo)

by Rodney Phelps and Donnie Reeves while Brad Hobbs came up with the interception.

Johnny Seabourn broke through the Eastland offense for two quarterback sacks, one causing a fumble which was recovered by Cisco. The offensive line of Cisco did not allow any sacks of the Cisco quarterback.

Outstanding defensive plays for Cisco were made by Sherman, Seabourn, Jessup, Starr, Elrod, Josh Potter, Johnny Ramirez, Craig Foster, Willard Johnson, Sean Mainer and Darrell Stuart.

Defensive standouts for Eastland included Corliss Sanders, Tommy Wade, Kael Joiner, Troy Snow,

Donnie Reeves, Jim Clark, Brad Hobbs, and Kevin Wright.

### STATISTICS

Fumbles Lost: Cisco, 2; Eastland, 5.

## Cisco Safety Gives RJC Winning Points

(Continued From Page 1)

Ranger's 18-yard line.

The drive started out at Ranger's own nine-yard line, since a clipping penalty was ruled against RJC. With Ryan at quarterback, Ranger moved the ball to Cisco's ten-yard line in eight plays. QB Ryan completed passes to Ron Watson and Keith Shannon during the drive and runs were made by Nauls and QB Ryan.

With 12:12 left in the game,

Johnson booted his 21-yard field goal tying up the score at 12-12.

Cisco received the ball in their end zone on the ensuing kick and CJC's Roy Bell returned the ball to the 23 where Cisco started their possession. Cisco was pushed back to the 15 by Ranger. But an RJC penalty for off-side moved the ball up to Cisco's 20-yard line. Still needing 14 yards for a first down, Cisco's Dycus

prepared to punt the ball.

A bad snap sent the ball over his head and through the end zone for a Ranger safety, giving RJC a 14-12 lead with 10:33 remaining in the game.

Cisco had two more attempts at putting points on the scoreboard when Rule attempted a 22-yard and a 41-yard field goal during the remaining minutes of the game. Both times the ball missed the left side of the

goal post.

On the first attempt, Cisco had driven the ball from their own 22-yard line to Ranger's six in 13 plays with Ellison at quarterback. With 3:30 remaining in the game, Rule came on the field for his 22-yard attempt.

On Cisco's next possession of the ball, Bell had received the Ranger punt at Cisco's 40 and returned it to Ranger's 44. Dycus handled the signal calling and completed a pass

to Coffey, kept the ball himself for eight yards and handed off to Booker who was stopped at the line of

### Putnam Plans Fall Arts and Craft Show

A Fall Arts and Craft Show, sponsored by the Putnam Women's Study Club will be held Saturday, October 29, at the Putnam Community Center from 10 a.m. to 5 p.m. Everything from china painting, oil paintings, and ceramics to quilts, crochet, lapidary and other gifts will be displayed and available for sale.

Members of the Study Club will serve soup, sandwiches, desserts and drinks throughout the day. Admission is free. Everyone is invited to come.

The Study Club is also in the process of putting together a cookbook to be available for sale next summer. Anyone who would like to contribute a recipe is urged to do so. Bring to the Art Show or mail to Box 908, Putnam Tx., 76469.

### Mrs. Phemister Will Speak To College Women

Mary Phemister of Mansfield, will be the speaker for the Cisco College Women's Luncheon Friday, Oct. 28, at noon, in the Roof Garden of the Laguna Hotel.

Mrs. Phemister will show and tell the ladies how to "color me beautiful" in a short color clinic. She will cover wardrobe colors, and use of the right colors in makeup that will go with all clothes.

Mickey Chambers, a recruit of Mary's, will be the model for a makeover. Mickey will be starting a color clinic of her own in Cisco soon. She is the daughter-in-law of Mrs. Armo Chambers.

Mrs. Phemister is a certified color consultant, with D'Saison, and has made speeches all over the Southwest, and has held color clinics in dress shops and beauty shops.

Following the program, booklets on makeup tips will be passed out. If a member has not received a telephone call by Tuesday night before the luncheon, please call Helen Wallace at 442-1586, or Catherine Muller at 442-2007. Cancellations should be called in by Thursday noon before the luncheon to prevent being charged for the lunch.

scrimmage on the 25-yard line of Ranger.

With 58 seconds remaining in the game, Rule tried his final field goal which would have put Cisco ahead by one point. The ball missed the goal-post and Ranger took over the possession of the ball at their own 20.

The RJC quarterback had to fight to hold onto the ball through five plays before the final seconds of the game ticked off the clock, giving Ranger a 14-12 victory over Cisco.

Cisco defensive standouts included Alvin Edwards, Louis Sheffield, Dewayne Kidd, Charles Landis, Matt Tiemann, Randal Gorton, Mike Asbjornson, Tony Brown and Michael Riser. Standouts on the Ranger defense were Dan Uland, Troy Milburn, Clint "Buddy" Nauls, Gary Anderson, Joe Mullen, Darrell Manigo, Dalton Cook and A.J. Lewis.

STATISTICS  
First Downs: Cisco, 16; Ranger, 14.

### Lee Lieske Celebrates His 96th Birthday

Lee Lieske, celebrated his 96th birthday on Oct. 19, 1983. All 5 of his children were able to be there. They are: Albert L. of Midland, Ida Mae Metcalf of Ft. Worth, Erna Carroll, Doris Stevens, and Adeline Speir from Cisco.

Several friends and relatives dropped by to wish him a happy birthday. Mr. Lieske has lived in Cisco all of his life.

## SOUTHERN TV CABLE SYSTEM

Inviting You To Watch All Of The Games  
NCAA-AFL-NFL-WFL

# People n Things

**MR. ROY** Thackerson of Ranger, the fingerless fiddler whose reputation continues to grow, was on Grand Ole Opry in Nashville one night a week or two ago. He called up his friend Roy Acuff, nationally known C&W musician, and the Thackerson family was invited to Nashville to stay in the Acuff condo and to appear on the TV program.

Visiting in Cisco the other afternoon, Roy dropped in at Al Anderson's jewelry store and spotted a new \$695 guitar that was for sale there. Roy picked up the instrument and started picking tunes and soon had an appreciative audience.

As you know, Roy was on "That's Incredible" television program some months back.

**CISCO FRIENDS** have heard from Loyal Lundstrom, recently convicted and sentenced to a life term in the Texas Department of Corrections. The former Ciscoan is in the Wynne unit of the prison system near Huntsville. He was sent there last September after his trial.

After several weeks of tests and indoctrination, Lundstrom was assigned to work in the prison laundry. He reported that he was on the early shift and reported for work each day at 4:30 a.m.

Other friends have been pleased to learn that the five Lundstrom children are doing well in San Antonio where they're being cared for by their grandfather, Fred Oehlke, and his daughter, a younger sister of the late Doris Lundstrom, mother of the children.

**MAYOR ERIS RITCHIE** spent a week or so recently at Phoenix, Arizona, where he attended a convention of the International Festival Association. This organization includes people who stage big events like the Rose Bowl throughout the world.

Mr. Ritchie's Southwest Enterprises had a booth to display their wares, and he passed out literature and sales data on items sold by

the Cisco concern.

**MR. GEORGE** Owens of S&M Supply tells us that the line of steel buildings they took on recently appears to be a winner. The firm sells packages that a contractor or an individual can use to erect a steel home at a big savings. The homes are real energy efficient, he says.

The S&M company represents the manufacturer in a large area of Texas and in northern New Mexico. They're presently building a steel home in the Angel Fire area of New Mexico to show folks what they can have in the way of steel residences.

**THE 100-PAGE** program that you bought at the Lions Benefit Bowl football game in Breckenridge last Saturday night came from the press at Kamon House in Cisco. Frank Spangler, who is the key man in the Kamon House Press, and his helpers needed about ten days to put out 1,500 copies of the big program. And it was a credit to Frank and his helpers as well as to the Lions Clubs.

Mr. Ivan Webb, immediate past president of the Cisco Lions Club, volunteered to take on the printing job after commercial printers in the area decided it was too big for them to handle. Ivan is the head man at Kamon House Press and an official of the oil companies there.

**CISCO LIONS** will hear District Governor Archie Chamness in his official visit to their noon luncheon on Wednesday, Oct. 26. A feature of the program will be a man and a guide dog from the Lions Guide Dog School in Minnesota, we understand.

Mr. Garl Gorr was program chairman at the club meeting last Wednesday, and when time came for the entertainment he arose and announced that three young ladies who were to sing had been forced to cancel just before luncheon time.

Lions have a new sign near the Colony Restaurant to call attention to their luncheon

day and place.

**THE FLAG AT** the Cisco Post Office, like those over federal establishments nationwide, will fly at half mast until the end of the month in tribute to the nearly 200 U.S. Marines who lost their lives in the tragic bombing of their headquarters building early Sunday in Beirut, Lebanon.

Local postal authorities were ordered Monday to fly flags at half mast to honor the Marines.

**THE CISCO CHAMBER OF COMMERCE** will be sponsoring safe goodies for all little ghosts and goblins who stop by the chamber office from 6:30 to 9:30 Halloween night.

## CJC Wrangler Men Will Open Basketball Season

The Cisco Junior College Wrangler Men will open the 1983-84 basketball season Tuesday, November 1, when they travel to Odessa for a 7:30 p.m. match with Odessa Junior College. They will be in Abilene Friday, Nov. 4, for a game against McMurry J.V. before returning home to open the 83-84 home season against the Midland Chaparrals on Monday, Nov. 14.

New coach Dan Montgomery, formerly head coach at St. Edward's University in Austin, has been preparing for the season with only two players

from the 1982-83 Wrangler squad. They are Lincoln

Jones, a 5'11" guard from Houston Sam Houston, and

Fred Huenefeld, a 6'5" forward from Monroe, LA. Jones was a starter last season, while Huenefeld played sparingly on Coach

Tommy Collins' team that was defeated in the second round of the Region V Tournament.

According to Coach Montgomery, there is lots of talent at the guard position with Jones, Kenneth Jackson from Litcher, LA, Ben Baker (Greenbrier, AR), and Lloyd McArthur (Silsbee) competing for starting spots. The team's question mark is inside, where there are no players over 6'5". However, Melven Jones (6'4 1/2" from Pahoee, FL) has shown much promise at the post position, and Auldron Robinson (6'3" from Lake Arthur, LA) and Anthony Brvant (6'5" from Pahoee, FL) are the present leaders at forward.

## Locals Granddaughter Miss HBU

Cheryl Denise Young, the granddaughter of Beulah Preston and the late Milton L. (Jelly) Preston of Cisco and the daughter of Marilyn Wallace of Austin and Roy M. Young of Houston, was named Miss Houston Baptist University for the 1983 school year. Miss Young served as president of the Student Association for two terms. She was also a member of the Student Foundation, Omicron Delta

Kappa Honor Society, Who's Who Among Students in American Colleges and Universities, and Phi Mu National Social Service Fraternity. Besides being recognized as Miss H.B.U., Cheryl has been honored as Homecoming Queen for 1983; Freshman, Sophomore, and Senior Class Favorite; and Alpha Pi Kappa Fraternity Sweetheart. Academic awards were also given to Miss Young as she was recognized as the Outstanding Political Science Student for 1983. She was an Endowed Academic Scholar throughout her collegiate years at Houston Baptist University and a Magna Cum Laude graduate upon completion of her studies in Political Science and History. Miss Young has begun work on a Masters in Church-State Studies at Baylor University.

## Grandson Of Local Couple Gets Training

Chuck Durning, a former resident and graduate from Cisco Junior College has successfully completed training with the Texas Department of Corrections and is stationed at the Darrington Unit at Rosharon, Texas. He graduated fourth in his class.

He is the son of Mr. and Mrs. C.V. Durning of El Paso and the grandson of Mr. and Mrs. A.R. Hastings of Cisco.

## Number Of Residents Attend Book Review By Mary Carey

A number of residents from this area attended a Book Review by Mary Carey, which was held Oct. 19, in the First National Bank Community Room. The Cisco Writer's Club sponsored the Review. A Reception and Autograph Party followed.

Mrs. Carey gave an interesting account of events connected with her new book "How Long Must I Hide". This book, Mrs. Carey's fifth volume, has just been published by Eaken Press, Austin, Texas.

The book includes Mrs. Carey's experiences during

two years spent in hiding with a husband who had escaped from prison. It also details her work for prison reform in Texas - work which led her into situations as dangerous as that of her time as a fugitive.

Christene Reich, President of the Cisco Writer's Club, welcomed guests to the Review. Lela Lloyd, sister of the honoree, gave an introduction. Helen Wallace presented Mary Carey a gift on behalf of the Cisco Writer's Club.

The Reception table was presided over by Mary Ann Ziehr and Mary Ellen Woods. The table was set with a white crocheted cloth and silver and crystal appointments. Fall colors of gold and bronze were highlighted by a large floral centerpiece.

"How Long Must I Hide" is receiving a lot of attention in large newspapers throughout the state, and is expected to sell widely. Mrs. Carey is concluding her tour through Texas cities, and will join a Gem and Mineral Society on a trip to South America.

## Obituaries

### Services For Buford Ingram Are Tuesday

Buford Aron Ingram, 80, of Cisco, died at 3:55 a.m. Sunday at Hendrick Medical Center in Abilene. Services were at 2 p.m. Tuesday at Kimbrough Funeral Home.

Randy Cotten of Weatherford officiated, assisted by the Rev. Doyle Roberts of Faith Baptist Church. Burial was at Sabanno Cemetery, Born Feb. 12, 1903, in Eastland County, he was a retired farmer. He married Naomi Bell April 22, 1923, in Sabanno.

Survivors include his wife; five sons, Aron Seymour of La Verne, Okla., Lemuel Darwin of Hawley, Charlie Timothy, Harold Clay and Gerald Dean Ingram, all of Cisco; three daughters, Oleta June Baker, Charlie Whitehead, both of Cisco, and Judy Culpepper of Glen Rose; a brother, Dick of Cisco; a sister, Zola Marie Chandler of San Angelo; 29 grandchildren; and a great-grandchild.

Pallbearers will be Dalworth Job, Jake Morgan, J.W. Stevens, Wiridle Chandler, Plez Ray and Earl Blackstock. Honorary pallbearers will be Oren Speegle, Lee Starr and Buck Sharp.

### Services For Marciel Justice

Marciel Greer Justice, 80, who received a second-and-third degree burn in an early morning fire Oct. 17 at her home in Carbon died at 1:43 p.m. Sunday at Parkland Hospital in Dallas.

Mrs. Justice and her husband, Glen, 87, escaped the blaze that destroyed their home by driving their car through a garage door.

Justice, who received minor burns in the fire, was released from Eastland Memorial Hospital Saturday.

Carbon Fire Chief Collin Campbell said the fire at the Justices' brick house about three miles southwest of Carbon started in the attic and suspected it to have come from electrical system problems.

Mrs. Justice was a candidate for district clerk of Eastland County in 1982.

Justice is an oilfield pumper and a peanut farmer.

Funeral services were held at 2:00 p.m. Wednesday in the Bakker Funeral Home Chapel with Ronnie Armes of Ft. Worth officiating, assisted by Rev. Luther Helmes, pastor of the First Methodist Church of Carbon. Burial was in the Murray Cemetery at Carbon.

She was born Sept. 7, 1923 in Carbon. She was a graduate of Carbon High School. She married Glenn Justice March 3, 1942 in Carbon. She was a lifetime resident of Carbon. She was a former rural mail carrier, and the past 8 years she had been Assistant County Auditor for Eastland County. She was a member of the First Methodist Church of Carbon.

She is survived by: Her mother Mabel Greer of Carbon, her husband Glenn Justice of Carbon, 1 son Harry Glenn Justice, Jr. of Eastland, 2 daughters, Nancy Reynolds of Ft. Worth and Madge Burgess of Carbon, 1 brother Walter J. Greer, Jr. of Manhattan, Kansas, 2 sisters; Leatrice Montgomery of Ft. Worth and Joydene Oliver of Eastland, 2 grandsons; Shane Burgess and Wayne Reynolds.

Pallbearers were: Jimmie Hughes, Fred Rogers, Glen Wilson, Grover Hallmark, Johnnie Rodgers, Leonard Bledsoe.

Plans call for her to return to her home in Alaska after the South American tour, with a possible trip back to Cisco next spring.
