## HALL OF REMARKS

BY HERREL HALLMARK

**PATRIOTISM**, that is what we all should feel on the Fourth of July in America. That day stands for Independence from being ruled over by any other country or person.

Americans are free to worship as we please and we have the right to elect those who make the laws in this country. We also have the right to voice our opinion, even if it is wrong.

When I look at the above drawing, patriotism is the idea which sticks in my mind. The flag and the capitol of the United States should be remembered by us all and honored. Let's all be sure and remember America and our elected officials (local, state and national) in our prayers.

I hope you have a happy and safe Fourth of July.

NUMEROUS activities were planned at Cisco City Park for the Fourth of July and hundreds of people were expected to turn out for the annual event.

A fireworks display was to be given after dark and everyone usually enjoys the dramatic effects. If you think real hard in your imagination, then you might can even see in your mind how Sir Francis Scott Key came up with the words for the Star Spangled Banner, our national anthem.

IF YOU ARE a 1974 graduate of Cisco High School, or if you know someone who is, then I encourage you to send in your money for the 10-Year Reunion of the class. The reunion is being planned for the

## Full July 4 Program Set At City Park

A program that includes an assortment of games and contests, a big carnival, live music throughout the day, a baseball game and a big fireworks display has been planned for residents of the Cisco area on Wednesday, July 4, at the City Park.

The day's program will begin at 9:45 a.m. with a flag raising program. The contests and games will start at 10 a.m., and the Cisco Lions Club will start carnival operations at 11 a.m. A detailed program appears elsewhere.

The fireworks display will conclude the day's program. In charge of this event will be Bruce Smith, Ivan Webb, Bobby Fink and Randy Speegle. The display will take place near the city park baseball field.

The Cisco Lions Club's annual carnival at City Park

will open at 11 a.m. with nine booths in operation. Chairman Ivan Webb reported that the carnival would run all day and close after the fireworks show ends the day's program.

The various booths were listed by Mr. Webb as follows:

Food Booth --serving barbecue buns, sausage on stick, soft drinks, and snow cones. Workers will include

Brad Kimbrough, Roy Dennis, Eddie McMillan, Dr. C.M. Cleveland, Owen King, W.E. Dean and Ralph Glenn.

Drink Booth --serving soft drinks elsewhere. Workers: Jasper Cook, Jerry McBeth, Walter Knowlden, O.L. Stamey, and Sutton Crofts.

Baloon Darts --Workers: Marcus Ray, Bruce Sellstrom, Carroll Scott, and Ken Hammes.

Fishing Pond --Workers:

Earl Ray, Truman Kirk, Winston Heidendeimer, E.L. Jackson, and Charles Clark.

Coke Ring --Workers: Carl Gorr, J.W. Sitton, C.B. Dill, John McGuire, and Ronnie Ledbetter.

Raise the Bottle --Workers: Rick Whatley, James Couch, Dr. Chief Brown, Bob Conner, and Ralph Glenn.

Dime Pitch --Workers: Derward Morris, Randy

Speegle, Jay Richardson, Olin Odom, and Willard Johnson.

Baseball Throw --Workers: Rex Fields, Lewis Hutchens, Carl Bray, Clyde Fisher, and Wyley Peebles.

Dunking Booth -- Workers: Ivan Webb, Lynn Johnson, Mike Johnson, Steve Thomas and Bobby Smith.

## Lundstrom Opinion Is Expected In July

An opinion in the case of Loyal Lundstrom, 60-year old Ciscoan who was convicted on murder charges last year, is expected to be handed down by the 11th Court of Civil Appeals in late July, according to District Attorney Emory Walton.

Oral arguments were heard last week by the court in Lundstrom's appeal from a life sentence given him by a 91st District Court jury

after his conviction last September. Lundstrom has been in the state prison since his conviction on charges of murdering his wife on March 3, 1983, at their Cisco Motel apartment.

Prosecutor Walton and Defense Counsel Bill Hart were each given 20 minutes to present oral arguments before the appeals court. Mr. Walton argued that no errors were made in the district court trial.

Attorney Hart told the court that an error was made when a change of venue was not granted in the Lundstrom case. He also argued that an error was committed by the prosecutor when a so-called confession by Lundstrom was mentioned by Walton to the jury.

The defense attorney also charged that there was insufficient evidence to warrant conviction. Mr. Hart said that a letter written by Lundstrom to his pastor during the 13 days he was missing following the shooting death of his wife should not have been allowed to be used as evidence. The letter, he said, should have been privileged information.

Residents of Cisco, where Lundstrom was a respected citizen, did not learn until after the shooting that the former Cisco mayor pro tem had served a prison term of 18 months in the death of his first wife, in 1967 at Merrifield, Minn. The Minnesota Supreme Court overturned his conviction and he was not tried again.

**Dinner Theatre Plans Second Summer Show**

The second show of the 1984 Summer Dinner Theatre Season at the Roof Garden Dinner Theatre will be **BLITHE SPIRIT** by Noel Coward and will run July 12-14 and 19-21. This delightful comedy has been a smash hit on both London and Broadway stages and tells the story of Charles Condomine, a novelist who invites a breezy lady medium into his home in order to "research" the tricks of her profession. Little does Charles or his lovely second wife, Ruth, dream that the seance staged by the medium will summon back Charles' first wife, now "passed over" for seven years. But the lady from beyond, still handsome, still mischievous, appears--a wraith who torments Charles by reminding him of their days and nights together. This unusual triangle results in one of the most hilarious and cockeyed plays ever written.

The menu for the dinner consists of cornish hens, rice pilaf, peas with pearl onions, tossed salad, dinner rolls, and black forest cake. Reservations can be made by calling (817) 442-2589.

**'100 Heart Club' Donors Are Thanked**

Patsy Hogan, chairperson of this year's 100 Heart Club campaign would like to express congratulation on a job well done to the Cisco High School cheerleaders, Dana Carlile, Leslie Covert, Brenda Ayala, Jeanine Reich, Laura Gage Lynn Pittman, and Christy Adams, a friend of Leslie Covert's visiting from Lubbock, collected a total of \$408.35 for this year's campaign.

We would like to express our gratitude to the citizens and merchants of Cisco who made donations as this campaign was dedicated to the memory of J.C. Fletcher.

HEAD COACH Lupe Ayala is seen here after a practice taking time to praise and encourage his Braves team. Coach Joey Duarte looks on from behind the group.

## Braves Ready To Face Breckenridge In Tourney

Coach Lupe Ayala reports his Braves team is ready and "up for the Breckenridge game." The coach further stated that although Breckenridge believes they will beat Cisco, he is certain his team will surprise the Breckenridge team, at the very least, when the Braves win the contest.

The Cisco Little League is sponsoring the city Championship Tournament, beginning this Monday, July 9th at 6:00 p.m. The Braves will play the second game which begins at 8:00.

Harold Davies, the coaching staff and all others involved in the Little League urge the citizens of Cisco to get behind this Cisco team. Community support and enthusiasm can make a big dif-

ference in player morale. Harold Davies, League President reports that all of the workers for this tournament are volunteers. Please call either Mr. Davies at 442-3523 or any Little League worker and volunteer your time.

Let's help the Little League make this Tournament a big success and at the same time help to make our Little League Braves know that Cisco is behind them all the way.

The Braves team finished in first place for both the 1st and 2nd halves of the season. Coach Ayala says "...this is very unusual. Normally at the end of the season there is a play-off game between the winners of the 1st and 2nd halves, but the Braves won

them both." This says a lot for their team. Also, this is

**Musical Set**

**Saturday At**

**Scranton Center**

There will be a musical at 7:00 p.m., Saturday, July 7, at the Scranton Community Center. A concession will be available. Everyone is invited to attend, especially area musicians.

**Service Club**

**Bake Sale Is**

**Set For Friday**

Cisco Service Club will be holding a bake sale Friday, July 6, beginning at 9 a.m., at First National Bank. All proceeds from the sale will go to the Sonny Thompson fund.

**Lillie Reich Dies In**

**Automobile Accident**

Saturday morning there was a two-car collision at the intersection of Hwy. 6 and the access road to I-20 in which a Cisco woman was fatally injured and three others were hurt.

Lillie Reich of Cisco, age 85, was a passenger in one of the vehicles. She was transferred from Eastland Memorial Hospital to Abilene's Hendrick Medical Center, but was pronounced dead at about 2:30 p.m.

Her husband, Theodore Reich, was driving one of the cars and was reported in satisfactory condition at Eastland Memorial Hospital.

The passenger and driver of the second car were treated at Eastland Hospital and released. They were

Coach Ayala's first year to coach. This young man deserve's a great deal of credit for all he has accomplished with this group of players so far.

**FEMC Youth**

**Plan Car Wash**

**Saturday, 8 to 4**

The First Evangelical Methodist Youth will have a car wash Saturday, July 7, at the Colony Car Wash on I-20, east of the Colony Restaurant. The time will be from 8 a.m. till 4:00 p.m. All proceeds will go for church camp the youth will be attending next week.

The camp is held each year at Whispering Oaks Camp in Buffalo Gap, Texas. The featured speaker will be Dale Barrett, pastor of the Duncanville, EMC the week of July 9-13.

**Lillie Reich Dies In**

**Automobile Accident**

Charlene Fay Harle of Carbon and Jamie Harle of Aledo.

Services were Tuesday for Mrs. Reich at 10 a.m. at Redeemer Lutheran Church. The Rev. Dell Crockett officiated. Burial was in the Lutheran Cemetery, under the direction of Cisco Funeral Home.

Born Dec. 7, 1898, she married Theodore Reich in May of 1929 in Cisco. She was a member of the Redeemer Lutheran Church, and the Lutheran Women's Missionary League.

Survivors include her husband; a son Edward of Sweetwater; and four grandchildren, Delores and Karen of Houston, James and Charles of San Angelo and Charles of Sweetwater.

# County News Briefs

## EASTLAND

McDonald's of Eastland plans to open a giant facility on Sept. 25. It will be located directly across from House of Webster's Retail Store on East Main near the Interstate. The new McDonald's will have one of its playgrounds, will eventually employ as many as 70 people, and have an annual payroll of \$200,000. Local manager will be Jim Hunter, who will move with his family from Brownwood in September.

U.S. Rep. Phil Gramm, Republican Candidate for the U.S. Senate, will attend a public reception for the residents of Eastland County at 9:15 a.m. on Thursday, July 12 at the Eastland Chamber of Commerce Conference Room in Eastland. Gramm's opponent in the November election is Lloyd Doggett, who won the Democratic run-off Primary. The public is urged to come out and meet Phil Gramm and find out where he stands on various issues such as taxation and Government spending.

The Eastland Chamber of Commerce is compiling a list of landowners who would like to be put in contact with out-of-county hunters who will pay for the right to hunt. Owners who are interested may contact the Chamber at 629-2332 for details.

## CISCO

Doug Fry, rancher and former Cisco Mayor, has been appointed by the Cisco City Council to serve as Municipal Court Judge. His term will be two years. Evelyn Wheat is alternate Municipal Judge. The appointment of Doug Fry and Mrs. Wheat was made after the resignation of Judge Jasper Cook. Charles Moad has served as an alternate Judge under Judge Cook.

The Cisco Braves have won the city Little League Championship, and will represent Cisco in the LL Tournament in Breckenridge on July 9. Playtime will be 8:00 p.m. for Cisco. Head coach of the Braves is Lupe Aylala, with assistants

Joey Duarte and Beeny Escovedo.

The Cisco Lions Club volunteers worked very hard to get the concrete floor finished in the City Park Pavilion. Ivan Webb directed the surveying and planning work for the building forms, and Willard Jonson and a crew of volunteers finished the job. The Pavilion is being used for the big Fourth of July celebration out at the park.

## GORMAN

Any person wishing to mark their valuables may borrow an electric engraving pencil from the Gorman Police Department at City Hall. The department requests that all who borrow the engraver please mark items promptly and return the engraver so that others may use it. Information is available about the best way to mark the valuables.

## RANGER

Ron Butler, City Water Commissioner, has lifted restrictions on outside watering in Ranger. This is due to the good rains last week, moisture which helped alleviate the water pressure problem in the city. Butler states that he appreciates the interest and cooperation of the local citizens in this matter. Construction of a new water line in the city is expected to begin soon.

The Ranger Jaycees are planning a large Rodeo, which is slated to begin on Thursday, July 12 and run through Saturday, July 14. It will begin with a downtown parade at 5 p.m. on July 12. There will be nightly performances at the Rodeo Arena, and a dance afterward. There will be a Rodeo Queen, a Little Miss Contest, and fun and excitement for all.

Dorothy Rogers, manager of the Ranger Swimming Pool, has swimming lessons on a continuing basis. She invites interested persons to come to the pool afternoons and obtain information about the classes.

## Wards To Add V.C.R. Rentals

One of the latest items in electronics to gain widespread popularity is the VCR or video cassette recorder.

Not only can VCRs be used to record programs or movies as they are viewed on television for replay later, but anything available on VCR cassettes even if it hasn't been televised can be plugged in and played or viewed on your TV set. That is if you can obtain the desired cassettes.

Obtaining VCR cassettes with pre-recorded movies, events, or programs has been a problem for Eastland County residents with cassette libraries usually located over fifty miles away.

A solution to the problem is suggested by Ed Carey at Montgomery Wards in Eastland. The new store which is scheduled to open in July will offer a library of VCR tapes both for rental and for sale.

This new service will enable you to see the movie or other program which you want to see when and where you want to see it without conflicts by selecting the cassette to play on your VCR.

If you don't own a VCR yet, you will be able to rent one at the Eastland Ward's store along with the cassettes you want to view or show at a special event.

Big problem, easy repair. Summer is hard on radiator hoses, especially if they are cracked, dried out, or deteriorating from the inside. If one hose goes, be sure to replace the others at the same time.

To remove chewing gum from car seats (oh, those kids!), harden with ice so it can be scraped away. Or spread a teaspoon of peanut butter on the gum; it should be unstuck in about 15 minutes.

"Click, click, click"—if the car makes that noise when the engine is cold, there may be a loose piston pin or piston ring, especially in older cars.

You can "read" tires on a used car. Scuffed center tread points to a sagging spring or worn ball joints. If entire tread is scuffed, suspect a suspension problem.

Engine oil does wear out in time. Lubrication properties change, the additives get used up, and the oil becomes contaminated. Smart drivers change oil and filter every 3,000 miles, if that is what owner's manual recommends.

**NEW-USED CARS**  
Smart drivers come to JIM CALDWELL MOTORS, 314 W. Main, Eastland, 629-2636 for the best deal on a new (or late model used) car. Come see the great models we're featuring.

**AUTO REPAIR**  
Smart drivers bring their cars to JIM CALDWELL MOTORS, 314 W. Main, Eastland, 629-2636 for quality service and maintenance. Our expert mechanics do good work.

**BODY SHOPS**  
Smart car owners depend on JIM CALDWELL MOTORS, 314 W. Main, Eastland, 629-2636 for first-rate body work. Whether we repair dents or repaint an older car, YOU get a better-looking vehicle.

# \$47,585 In Fines From 256 Cases In First Six Months Of 1984

The District Court, District Attorney's Office and District Clerk's office has had an extremely busy first half of 1984. In addition to the many civil cases filed during the first six months of 1984, there have been 321 criminal cases filed in that period, 256 cases have been

disposed of by jury trials and pleas with the total amount of fines assessed in cases disposed of being \$47,585.50.

Recently the Court had two jury trials of criminal cases, several pleas of guilty before the Court, and several hearings on motions to

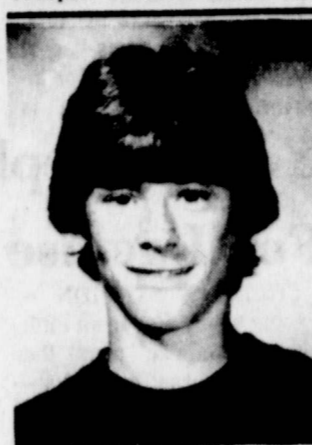

revoke probation.

The first jury case was that of Charles David Whitehead, age 28, of Cisco, who was charged with Unlawful Possession of Marijuana, Over 2 Ounces but Less than 4 Ounces, which case resulted from a search of his premises by the Cisco police on February 23, 1984. After the jury returned a verdict of guilty, Judge Jim R. Wright assessed his punishment at a fine of \$500.00 and 180 days in jail. During the trial the defend-

ant took the stand in his own behalf and refused to answer a question by District Attorney Emory Walton, and after repeated instruction by the Court, he continued to refuse to answer the question whereupon he was found in contempt of court and fined \$250.00 and assessed 60 days in the Eastland County jail.

The second jury case was that of Kenneth W. McPherson, age 27, of Odessa, who was charged with misdemeanor DWI. McPherson

was a truck driver and was arrested by Trooper Hernando G. Hernandez, Jr. and Trooper Kenneth Rose on

KEVIN DEAN CAMPBELL

## Relative Of Local People

### Receives Awards

Kevin Dean Campbell, 14 year old son of Kenneth and Charlene Campbell of Baytown, received an "Outstanding Student Award" and "Merit Award" in Industrial Arts at Gentry Junior School Fine Arts Award Ceremony, May 17th. There are 256 eighth grade students at Gentry and Kevin was one of three boys to receive this award in this class. Two of his projects included a large wooden kitchen clock and small engine repairs.

Kevin also received the "Athlete Award" for football and track and a 3 year "Presidential Award". He will be a freshman at Baytown's Sterling High School next year.

He is the grandson of Thelma Watson of Cisco and Arna Campbell of Abilene and nephew of Major and Dorothy Farnsworth of Cisco.

I.H. 20 near Cisco on November 11, 1983. Upon the jury returning a verdict of guilty, the defendant's punishment was assessed by Judge Jim R. Wright at a fine of \$300.00 and 30 days in jail.

A hearing was held on a motion to revoke probation of Richard Alan Thetford, age 40, formerly of Eastland. He was convicted on June 17, 1983, for misdemeanor DWI and given a \$400.00 and 30 days in the Eastland County jail, which sentence was probated for 2 years. His probation was revoked for having failed to report to the Adult Probation Office of Eastland County for the months of April and May, 1984; after having paid his fine and costs, he is presently serving his 30 days in jail.

The probation of Michael Shane Fields, age 19, of Borger, Texas, who was convicted on March 18, 1983, for misdemeanor DWI and assessed a fine of \$200.00 and 15 days in the Eastland County jail was revoked for having violated the term and condition of his probation by committing a burglary in Ochiltree County, Texas.

David Richard Byrd, age 35, of Fort Worth, entered a plea of guilty to DWI, Second Offense, and received a fine of \$400.00 and 45 days in jail. The defendant was arrested on April 29, 1984, on I.H. 20 near Cisco by Trooper Hernando G. Hernandez, Jr.

Charlie Robinson, Jr., age 40, of Missouri City, entered a plea of guilty to possession of less than 1/4 ounce of marijuana and received 3 days in jail and a fine of \$250.00. The defendant was

arrested by Trooper Hernando G. Hernandez, Jr. on I.H. 20 west of Ranger.

Diana Leigh Tetens of Fort Worth entered a plea before Judge Jim R. Wright and was fined \$50.00 and costs of \$83.00 and given 10 day in the Eastland County jail probated for 6 months after she made restitution on a \$28.80 check given to Super Duper on February 10, 1984.

Guadalupe H. Trevino, age 41, of Cisco received a fine of \$100.00 and 4 days in the county jail for Driving While License Suspended. The defendant was arrested on

March 2, 1984, by Trooper Steve Foster.

Monty Glenn Lacey, age 34, of Arlington, was assessed 3 years in the Texas Department of Corrections for the felony offense of theft in Ranger on May 3, 1984. His sentence was probated for 3 years and he was ordered to make restitution of \$1,500.00 for stolen property not returned.

District Attorney Emory Walton stated that he thought the first half of 1984 was one of the busiest six months that he has seen in the 91st District Court.

## Candidate Phil Gramm Due Thursday, July 12

Two key leaders of the Kent Hance and Bob Krueger campaigns for the U.S. Senate have assumed leadership roles in support of U.S. Rep. Phil Gramm's campaign, Gramm has announced.

Gramm said Walter Mischer Sr. of Houston, chairman of the board of Allied Bancshares and the statewide finance chairman for U.S. Rep. Kent Hance, will serve as finance chairman of the Phil Gramm campaign.

Also, I.D. Brinkman, the Texas finance chairman for former U.S. Rep. Bob Krueger's two races for the Senate in 1978 and 1984, has agreed to become statewide finance chairman of the newly formed Democrats and Independents for Phil Gramm, he said.

Brinkman, of Kerrville and San Antonio, is chair-

man of the board of the L.D. Brinkman Corp.

"I am deeply gratified that Mr. Mischer and Mr. Brinkman have not only joined our campaign efforts, but have assumed leadership roles in that effort," Congressman Gramm said in making the announcement.

U.S. Rep. Phil Gramm will attend a public reception for the residents of Eastland County at 9:15 a.m. on Thursday, July 12, at the Eastland Chamber of Commerce conference room in Eastland.

Gramm is best known for co-authoring the Reagan economic recovery program, and for resigning from Congress and winning re-election as a Republican after Tip O'Neill stripped him of his Budget Committee seat in reprisal for his successful efforts to control spending.

Read it for yourself.

## CJC Drive-In Band Camp Is In August

The annual Cisco Junior College "Drive In Band Camp" will be held on the campus of CJC during the week of August 6-10, 1984. Any student who has had at least one year of band or instrumental instruction is eligible to attend the camp.

Instructors for the camp will be area band directors and Mr. Tim Jones, who is also camp director. Courses to be offered this year include theory, rhythm, section rehearsals, full band rehearsals, and possible stage band classes.

Registration will take

place at 9 a.m. in the band hall on Monday, August 6. The camp will conclude on Friday afternoon, August 10. Classes will meet from 9 a.m. to 3:30 p.m. each day. Cost for the camp is \$35 per student and this includes a noon meal each day. Advanced registration is not required, but full payment will be due on the first day of class.

The purpose of the camp is to help band students prepare for the coming season and to refresh their playing and reading skills after having been off for the summer.

CONVENIENCE STORES.

THERE'S ONE NEAR YOU

## EVEN WHEN YOU'RE AWAY...YOUR HOME KEEPS RUNNING

You may naturally expect your home to use less electricity while you're away for a week or more. The reduction may not be as great as you think, however. That's because there are many factors that can affect your usage: weather conditions, billing periods and even vacation preparation.

1. Very hot weather before you leave and after you return means increased use of air conditioning; this makes it difficult to compare your bill with a previous month of milder weather.
2. Hot weather causes your refrigerator/freezer to run longer, particularly if your home air conditioning is turned off while you are away.
3. If the time you're away falls within two billing periods, the reduction you expect will be split between two bills.
4. If you didn't turn off your electric hot water heater before you left, it continued to keep your water hot 24 hours a day, even though you weren't there.

5. And don't forget... when getting ready for a vacation, you often use more electricity than usual for cleaning, washing, drying, ironing, cooking and general preparations. The same is true about your return.

### Check your meter.

If you learn to read your own meter, you can find out just how much electricity was used while you were gone. And, you'll see just how much energy you're using during the summer, the heaviest electricity consuming season, with your air conditioning operating most of the time.

**NEW WAY FOR STARTING OLDER MOWERS**

Several years ago a neighbor collapsed in his front yard while pulling the cord attempting to start his mower. He had a cardiac problem and the pulling of the cord was too much of a strain on him. How many instances like this occur each day is unknown. But you have to pull the cord on the older mowers with authority to start them. This has been a problem with many women in starting the family lawnmower also. The new mowers come with electric starters but what can be done for the older mowers? This has been such a problem with the older mowers no matter how well-tuned the engine is it will not start unless the starting cord is pulled with authority that many of these older mowers were abandoned.

Recently I came across the answer for this problem with the older mowers. It is called "Spin Start." The Spin-Start system provides the user with the basic advantages of electric start engines. By utilizing an ordinary 3/8 electric drill, engines can be quickly and effortlessly started without the battery maintenance and run-down problems typical of electric start systems. Sluggish starting engines requiring excessive starter cord pulls can now be easily started. People, who because of age or physical condition have difficulty pulling the starting cord of an otherwise sound engine, can now start that engine with very little effort.

To start the engine, simply insert the drive cone that is mounted in the drill into the drive cup that is mounted on the engine. While applying a slight amount of downward force causing the rubber drive cone to engage the metal drive cup you press the drill trigger. The engine will spin until it starts. After starting, simply release the drill trigger and remove the downward force. This will cause the two drive pieces to disengage allowing the drill to be removed. Since there is no metal-to-metal contact or solid mechanical connection between the engine and the drill, the design is inherently safe eliminating any potential disengagement problems.

A typical electric drill will spin an engine at a rate of 600 to 800 RPM—over 20 revolutions in just two seconds. Compare this to a starter cord producing only four to five revolutions per pull. The high speed at which the engine spins is especially beneficial in humid and/or cool weather.

Since the user is only required to hold the electric drill while the engine spins, very little effort is required to start the engine. Compare this to leg, back, and arm strain associated with starter cord pulling.

Because of the high speed which the engine spins, flooded engines clear and start fast. Engines start in just seconds. Since the drill uses house current, there are no batteries to worry about running down. Most electric start engines do not have an alternate starting system should the main system become inoperative. There are many reasons for an electric start engine to become inoperative. This Spin Start system can be used between repairs or replace the electric starting system all together. The Spin Start system does not interfere with the starting cord in any way.

We have needed this Spin Start system for many years in order to make our older mowers more easily start for the whole family.

If you would like more information about the Spin Start System write "The Garden Editor", C/O this newspaper.

**AT&T Information Systems Still A Local Company**

With a full crew of business telephone installation and maintenance people located in Weatherford, Cleburne, Eastland, Graham, Bowie and Mineral Wells, AT&T Information Systems is still much a local company, according to Don Garvey, Services Manager.

"Even though divestiture split the Bell System into several parts, there are still a lot of us who work for AT&T in this area who are ready, willing and able to help our customers," Garvey said.

In the post-divestiture world, AT&T Information Systems provide business and residence customers with telephone equipment. AT&T Communications provides long distance services. Southwestern Bell provides local exchange service.

"The main thing we're trying to help customers understand is that we're still here to service and maintain their business telephone equipment," Garvey said. "Although our people drive new vehicles with the AT&T on the side, they're still the same people who drove the telephone company vans before the divestiture."

Part of the divestiture agreement called for customer telephone equipment to be transferred from Southwestern Bell to AT&T Information Systems January 1. When that happened, the people who serviced that equipment moved.

The system technicians in Weatherford, Cleburne, Eastland, Graham, Bowie and Mineral Wells install and maintain the equipment. Each technician is backed up by an extensive service and support system known as the "Circle of Service," a nationwide network of people and diagnostic systems to maintain service to every business customer. Further support is provided by a nationwide corps of account executives and service representatives who recommend communications systems to business customers of all sizes.

Garvey said that residential and one line business customers who have questions about their telephone equipment should call 1-800-555-8111. Business customers with two or more lines should call 1-800-247-7000.

**CJC To Hold "Drive In Band Camp"**

The annual Cisco Junior College "Drive In Band Camp" will be held on the campus of CJC during the week of August 6-10, 1984. Any student who has had at least one year of band or instrumental instruction is

eligible to attend the camp. Instructors for the camp will be area band directors and Mr. Tim Jones, who is also camp director. Courses to be offered this year include theory, rhythm, section rehearsals, full band

rehearsals, and possible stage band classes. Registration will take place at 9 a.m. in the band hall on Monday, August 6. The camp will conclude on Friday afternoon, August 10. Classes will meet from 9 a.m. to 3:30 p.m. each day. Cost for the camp is \$35 per student and this includes a noon meal each day. Advanced registration is not required, but full payment will be due on the first day of class.

The purpose of the camp is to help band students prepare for the coming season and to refresh their playing and reading skills after having been off for the summer.

**Summer Session Begins July 17**

Classes for the second summer session at Cisco Junior College will begin Tuesday, July 17 at all locations.

Students may register from 9:00 a.m. to 4:00 p.m. and 6:00 to 8:00 p.m. on the following dates.

July 11 and 12 - Abilene campus (Westgate Shopping Center)

July 11 and 12 - Clyde campus (downtown Clyde)

July 16 - Cisco campus (Registrar's office)

For more information call the appropriate campus at one of the following numbers: Cisco - (817) 442-2567; Clyde (915) 893-5876; Abilene campus - (915) 698-2212.

**Yogurt Replaces Milk For Lactase Deficient**

COLLEGE STATION -- People who suffer from milk intolerance can reap the nutritional benefits of milk - without side effects - by eating yogurt, says a Texas A&M University Agricultural Extension Service nutritionist.

Lactase deficiency is a fairly common problem, especially among non-caucasians, says Dr. Dymple Cooksey. It's estimated that three in ten non-caucasians and one in ten Caucasians experience the problem, she adds.

Lactase is an enzyme which breaks down lactose,

or milk sugar. For people with a lactase-deficiency, the lactose from milk remains undigested in the intestine and can cause discomfort, explains the nutritionist.

This milk intolerance is usually recognized between the ages of ten and 20, the years when active teenagers need four servings of dairy products daily, she notes. Yogurt can provide a solution to this problem.

One cup of plain yogurt provides about the same amount of protein, calcium and riboflavin as one cup of milk, she says.

However, low-fat yogurt may not be fortified with vitamins A and D, so other sources will be needed, advises Cooksey. Dark-green and orange vegetables, egg yolk, butter, fortified margarine and whole-milk cheeses all provide vitamin A.

The fruit flavored yogurts are as nutritious as milk, but have two or three times more calories than skim or low-fat milk, the nutritionist says.

**Lights From The Christian World**  
Josephine Cleveland

"Brethren, I count not myself to have apprehended; but this one thing I do, forgetting those things which are behind, and reaching forth unto the things that are before." Phil. 3:13.

**This One Thing I Do**  
A father was teaching his young son about guns. He said, "Shotgun pellets are efficient if you are shooting at close range, for even a tiny ball of lead would get your game if it found its mark. But scatter-shot dissipates readily and is harmless, at a distance.

Big game hunters, however, carry rifles which shoot only one bullet at a time. There is no spray-shooting, no scatter-shot here. Every effort is concentrated on one vital target. The bullet hits its mark and some ferocious animal falls.

Some lives, like pellets are scattered over wide areas and have no long-range effect. Other lives have one purpose, one aim, one goal. These are the men who count, the ones who bring down the big game. They achieve the high goals.

Paul, the apostle, was such a man. He said it simply: "This one thing I do." Phil. 3:13. He did not say, "These forty things I dabble in." Paul set a goal, forgot the past and worked toward the one mark.

The greatest power on earth is demonstrated by men who are dedicated to God. They are clean, holy,

aggressive, enthusiastic, optimistic, faithful, Spirit-filled. These men shape lives, mold nations, and change the stream of history. God is looking for more such men and women. How about you?

Dear Lord, thank you for helping me. I desire to make my life count for your glory. Enable me to forget the past and reach out to the future with hope and trust that I can reach the goal. Amen.

**Homecoming Meeting July 10**

There will be a meeting on Tuesday evening, July 10, at 7:30 p.m. in the community room of the Eastland National Bank to make plans for the Carbon High school Homecoming to be held in July 1985. Everyone interested is invited to attend. We need to update and add to our address list, so bring any addresses you may have to help us. We also need your suggestions to make the reunion the best ever.

**Gordon Receives Degree**

COLLEGE STATION -- Marquis J. Gordon from Eastland received a bachelor degree in geology at Texas A&M University's spring commencement exercises.

A total of 3,379 degrees were awarded, including 2,932 bachelor's, 362 master's and 85 doctorates.

**1984 Texas 4-H Congress To Have International Dimension July 17-19**

BROWNSVILLE--Learning experiences relating to international issues will be in store for the approximately 500 4-H delegates, their agent advisors, and Texas 4-H Council members when the Texas 4-H Congress convenes in Brownsville, July 17-19.

"4-H - Fiesta International" will be the theme of the Congress, the eleventh annual activity of its type to be staged. Headquarters for the Congress will be the Fort Brown Motor Hotel, although seminars will be held at the adjacent Jacob Brown Auditorium.

Serving as keynoter for the Congress will be Michael Broome, futurist and humorist located at Charlotte, N.C., whose subject will be "Tomorrow's America."

Among special features of the 4-H Congress program will be a chartered bus tour into Mexico to view agricultural facilities near Matamoros, educational tours to study the shrimp industry and a boat manufacturing firm near Brownsville, a tour of the historic homes which will help depict the early history and culture of the area, and a trip to the Gladys Porter Zoo of Brownsville, a source zoo for restocking other zoos around the country, explains Dr. Warren S. Mauk of College Station, Extension 4H specialist.

Seminars dealing with such international issues as trade, and in particular, the interrelationship of the U.S. and Mexico in getting merchandise and produce from one country to another, will

be among other features of 4-H Congress.

A simulated air-sea rescue program on South Padre Island, with the U.S. Coast Guard coordinating the project, is planned as another program segment of 4-H Congress.

Besides assistance from 4-H Council members in helping stage the Congress program, several key leaders of the Texas 4-H Adult Leaders Association also will assist. Scheduled to take part are Mrs. Sandy Wille of Kingsbury, Association president, and Mrs. Morolene Davis of Freer, treasurer.

# Oil Belt News

## Drilling Bits

Flowing 2,183,000 CF of gas per day, the No. 1 T. Bond was completed successfully in the Tucko Field by Inland Land & Minerals Inc. of Lubbock.

Drillsite is six miles south of Ranger.

It was drilled to 3,400 feet into the wellbore. Production tests were run on a 3/8-in. choke.

The location is a 50-acre lease in Eastland County's William Van Norman Survey.

At a location seven miles south of Cisco, H.E. Austin of Cisco has finished two new oil producers in Eastland County's Nimrod Field.

The wells are designated as the No. 1B Texas and the No. 2B Texas, pumpin oil at the rate of 50 barrels per day each.

Location is in a 55-acre lease in the H&TCRR Survey, Sec. 94, Blk. 3. Bottomed at 1,364 and 1,380, respectively, the wells will produce perforations ranging from 1,319 to 1,325 into the hole.

Richey & Co. of Ft. Worth has filed first production figures on a new gas well in the Snow Field. The No. 1 M. Harrell indicated ability to flow 527,000 CF of gas per day on a 1-in. choke. It was rated at 680,000 CF on absolute open flow.

The operator has 40 acres leased, with drillsite in Eastland County's H&TCRR Survey, A-304, seven miles north of Eastland.

The well will produce from an interval 3,714 to 3,724 feet into the wellbore. Total drilling depth was 3,890.

A new producer has been brought on line in Eastland County's REB Field, with Snow Oil Co. of Ft. Worth as the operator.

Located five miles north of Eastland the well is in a 21-acre lease in the H&TCRR Survey, Sec. 20, Blk. 4. It is designated as the No. 2 Lowrance.

The well indicated ability to pump 42 barrels of oil and 60,000 CF casinghead gas per day.

The well bottomed at 4,020 feet and will produce from a perforated interval in the Marble Falls Formation, 3,572 to 3,592 feet into the hole.

The Eastland Regular Field gained a new producer when Christie Oil Inc. of Breckenridge completed the No. 17 T.J. Earnest five miles northwest from Ranger.

The well indicated ability to flow at the rate of 14,300 CF per day on a 1/2-in. choke. It was taken to a 2,050-ft. bottom and will produce perforations from 1,881 to 1,900 feet into the wellbore.

The operation is in a 440-acre lease in the H&TCRR Survey, Sec. 127.

At a location one mile west of Romney, Ridgeway Exco Inc. of Houston has finished a new oil producer in the Hawkeye Field.

The well is designated as the No. 7 Tarver "A", pumping oil at the rate of 21 barrels per day.

Location is in a 120-acre lease in the H&TCRR Survey, Sec. 57, Blk. 3. Bottomed at 1,116-ft., the well will produce from perforations 1,056 to 1,074 into the hole.

Bergen Enterprises Inc. of Rising Star has filed first production figures on a new oil well in the Eastland Field.

The operator has 240-acres leased, with drillsite in Eastland County's ETRR Survey, A-741, three miles northwest of Rising Star.

The well will produce from an interval 1,028 to 1,061 feet into the wellbore. Total drilling depth was 1,154.

A new producer has been brought on line in Eastland County's I.C. Field, with Leonard Brothers Operating Co. of Ft. Worth as the operator.

Located four miles north of Eastland the well is in a 40-acre lease in the H&TCRR Survey, Sec. 41, Blk. 4. It is designated as the No. 1 M.K. Courtney "C".

The well indicated ability to pump at the rate of 10 barrels per day.

The well bottomed at 4,046 feet and will produce from a perforated interval in the Caddo Formation, 3,298 to 3,304 feet into the hole.

Katlaco Operating Inc. of Lubbock has filed first production figures on a new oil well in the Ardinger Field. The No. 7 Katlaco Fee "C" showed potential to make 12 barrels of oil and 90,000 CF casinghead gas per day.

The operator has 40 acres leased, with drillsite in Eastland County's H&TCRR Survey, A-2037, three miles northeast of Cisco.

The well will produce from

an interval 3,664 to 3,666 feet into the wellbore. Total drilling depth was 4,050 feet.

A 1,700-ft. developmental well is planned by Jack Warren Co. of San Angelo at a drillsite six miles southeast of Eastland. The location is in an 80-acre lease in the H&TCRR Survey, Sec. 16, Blk. 2. Well's designation is the No. 2 Phippen. It is in the SMD (Fry) Field.

Sun Exploration & Production Co. of Abilene has filed permit to drill the No. 1501 Southwest Ranger Unit, a 3,650-ft. developmental well four miles southwest of Ranger. Location is in a 2,406-acre lease in Eastland County's John York Survey, A-557. The well is in the Ranger Field.

Midwood Petroleum Inc. of Brownwood has revealed plans to drill two 500-ft. developmental wells in the Eastland Regular Field.

The No. 1 W.D. Wright Estate is located two miles southwest of Eastland in a 79-acre lease in the H&TCRR Survey, Sec. 2, Blk. 3.

Location of the No. 6 Eisenhower Estate Holiday Unit is five miles east of Putnam in a 90-acre lease in the W.F. Holliday Survey, A-1639.

An Amarillo-based operator has staked location for the Nos. 1, 2 and 3 Gloria Ruby, developmental wells to be located three miles northeast of Ranger. With projected depth of 3,700 feet each, the wells are located in a 250-acre lease in Eastland County's Davenport Field, Andrew Bradley Survey.

The operator is Diamond Shamrock Exploration Co.

Bergen Enterprises Inc. of Rising Star has revealed plans to drill a 1,150-ft. developmental wells in the

Eastland Regular Field. The operator has 167 acres leased, with drillsite in LTRR Survey, A-741 and has designated the venture as the No. 2A Pauline Roberts. Drillsite is three miles southwest of Rising Star.

A 4000-ft. developmental wells is planned by Grothe Brothers of Albany at a drillsite seven miles north of Gorman. The location is in a 106-acre lease in the Harvey Kendrick Survey, Sec. 7. Well's designation is the No. 1 Little, et al "7". It is in the Eastland Regular Field.

JEM-B Co. of Cimarron, NM has revealed plans for a re-entry operation five miles northwest of Rising Star. Well's designation is the No. 4 Sutton with projected total depth of 3,100 feet. The location is in a 364-acre lease in Eastland County's W. Ahrenbeck & Brothers No. 1 Survey, A-3. The well is in

the Eastland Regular Field.

A 1,150-ft. developmental well is planned by Lord Oil Exploration of Rising Star at

a drillsite three miles southwest of Rising Star. Location is in a 128-acre lease in the J.L. Scott Survey, Sec. 4. Well's

designation is the No. 1 Ezzel. It is in the Eastland Regular Field.

### Driving Course Offered

Cisco Junior College will offer a Defensive Driving Course July 16 and 17 from 6 - 9:30 p.m. in the Science Hall Lecture Room. Fee for the course is \$20. The Defensive Driving Course is an eight-hour classroom course designed to improve driver skills and attitudes, especially in emergency situations. Drivers who complete the training are eligible for a 10 percent discount on automobile insurance rates covering bodily injuries, property damage, medical payments and collision coverages. Good for three years, the discount may be renewed by retaking the Defensive Driving Course. Enrollment fee must be paid by 3 p.m. on July 16. No late registration fees will be accepted. For more information or to register, call or come by the President's office at Cisco Junior College.

### Guest Slot

OUR NEIGHBORS in Albany pull out all the stops at Fandangle Time...How in the world they manage to get and keep that many town folks working together for such a production beats me...It's a two-hour plus show and there must be 200 local folks (from little 'uns to big 'uns in it) plus horses, longhorns, buffaloes, wagons and whatall. Sure makes a spectacle. A little long for one sitting, but a value for your ticket. And the whole town deserves a "well done" for doing it year in, year out.

We were given a sampling of some other good things in Albany last weekend when the Old Jail Art Foundation held an open house to show off the beginnings of their giant (\$600,000.00) expansion which will be opened in October and which will undoubtedly be one of the finest art galleries anywhere.

How did they do it? Well the Albany folks tell us that the combination of artists with money who had ties to Albany made it possible. Collections of rare pieces of art needed a permanent, safe home, and with the beginnings of the Old Jail, it turned into a natural. And once started, it just kept growing. And the new wing will not only have all the sophisticated inside protection devices, there'll also be bars over the windows in keeping with the original structure and providing additional security for the art objects.

On our tour we were also taken to the Matthews Memorial Presbyterian Church, a beautiful rock structure a block off the square, which houses the Caroline Spears Matthews Memorial Organ and the most beautiful stained glass windows you've ever seen. A concert was in progress and it was a treat.

It's a small, but magnificent organ. The brochure tells that the "glass in the lunettes and round windows over the organ were all cut and leaded in Albany.

Another stop on the tour was the First National Bank of Albany where three exhibits were displayed -- Ronald Thomason paintings, work by Henry W. Caylor and bronzes by Corelle.

Barbecue was by Joe Allen of Abilene and sure enough there was Sharon (the former Sharon Sayre of Eastland) Allen at the ticket booth. (Her son, Scott and his friend, Jeff Baird, both E.H.S. students were helping with the cooking.)

Ran into a number of Eastland County folks at the Fandangle -- the Billy Wright family of Cicco and the Roy Petty family of Eastland, and in the east, we spotted EHS-Speech Teacher, Mrs. Kathy Stapp. Albany -- it was a neighborly night.

## Off-Farm Income Keeping Farmers In Business

COLLEGE STATION--American farm families are depending more and more on income generated off the farm.

Off-farm income exceeded \$39 billion in 1982, representing 62 percent of the \$63 billion income of the farm population. Even so, individual income from both sources amounted to only 78 percent of per capita disposable income of the non-farm group. Since 1934, average income of farmers has equaled or exceeded that of non-farmers in only one year--1973.

Much of the off-farm income is tied to smaller farm and ranch units, says Dr. Carl Anderson, economist with the Texas Agricultural Extension Service, Texas A&M University System. Most of these units are operated as a spare time activity to generate added income, for recreational purposes, for long-term investment, to use family labor and to enjoy a home in a more open area.

Farm operators selling less than \$20,000 worth of farm commodities in 1982 represented 60 percent of the nation's 2.4 million farmers but accounted for only some 6 percent of total farm cash receipts. They also averaged negative net farm income, Anderson points out.

Large farm operators also receive a considerable amount of off-farm income, notes the economist. Those with \$100,000 to \$199,999 in sales received 36 percent of their income from sources off the farm in 1982.

From the standpoint of total income, medium-sized farm operations fared the worst. These units tend to be too small to efficiently use labor, capital and technology, says Anderson.

Twenty-nine percent of the mid-sized farm operators (those with sales of more than \$50,000) receive 88 percent of total cash receipts. These 691,000 operators produce most of the agricultural commodities. Among the reasons large units have increased in size is that they have the capability to adopt new and efficient technology as well as to accumulate capital from both income and credit sources, notes the economist.

Commercial farming and ranching operations are big business. Farms and ranches with sales of \$100,000 to \$199,999 in 1982 had assets that slightly exceeded one million dollars per farm. The \$200,000 to \$499,999 group posted assets of \$1.7 million per farm and the \$500,000 and over group, \$4.1 million. As a group, these farms account for 47 percent of all assets in agriculture and 57 percent of the debt.

Debt (credit) plays a major role in larger operations. Loans averaged \$223,145 in the \$100,000 sales category, \$432,687 for the \$200,000 group, and for the \$500,000 and over class, \$1,486,945. The debt-to-asset ratio averaged 21.4, 25.3, and 35.9, respectively, for these sales groups.

In a fairly competitive industry such as agriculture, technological advances set in motion the use of more capital and credit, says Anderson, and this tends to increase farm productivity.

As a result, consumers benefit from plentiful supplies of quality food with relatively low farm values. The farm value of each dollar spent for food averages only 27 cents, with the remaining 73 cents going to processing, marketing and retailing costs.

Off-farm income is used to offset some of the impact of low farm prices against rapid inflation that has eroded the buying power of income, Anderson notes. Based on the purchasing power of the 1967 dollar, net farm income since 1980 has averaged about \$9.1 billion annually, the lowest level in 50 years. Inflation adds pressure to the cost-price squeeze by increasing production costs but does not

necessarily boost farm prices.

Consequently, farmers continue to face declining income after expenses. Net farm income as a percentage of gross farm income has dropped from 41 percent in 1950 to 13.6 percent in 1982. In other words, for every dollar the farmer takes in, there is only about 13 cents left after paying expenses.

And what is left is by no means all profit, says Anderson. The farmer still must allocate expenses to pay family help and to cover returns to equity capital and management, including risk costs.

So, it's clear that farm families rely heavily on off-farm income to live on a farm and still sustain a reasonable standard of living, notes the economist. For many people farming is a "way of life." For others facing low farm income, it means coping with the situation by "belt tightening," getting an off-farm job, getting better and bigger, or getting out.

## Wing Of Old Jail Art Center To Be Finished In August, 1984

The new wing of the Old Jail Art Center (formerly The Old Jail Foundation) of Albany, was begun in October, 1983, and is scheduled to be finished in August, 1984. At a cost of \$600,000 this new addition will add three galleries, a storage vault, an art research library, and archive room, an administrative area, a receiving and preparation area, and a catering kitchen. In addition, the Marshall R. Young Courtyard is being enlarged and redesigned to accommodate the remainder of the Art Center's outdoor sculpture and a recently commissioned granite piece, *Sun Symbol*, by Jesus Bautista Morales.

The architect for the new wing is Arthur W. Weinman, AIA, of Fort Worth, and the contractor is C.B. Oates Construction Company of Abilene. The new wing is principally exposed concrete and dryvit, a very "high-tech" material invented in West Germany and now finding wide acceptance in the United States. The building structure is of steel, and the roof is insulated with both polyisocyanurate foam and dead air. The new gallery walls will be covered with sized and fireproofed indian cloth. All of the windows will be barred, carrying out the window design of the original 1877 building. The storage vault is hadite with dead air and silicone insulation and was based on the design of the Kimbell Art Museum's storage vault. The vault will have an independent alarm system as well as being connected to the general alarm system. The entire alarm and fire warning system has been designed to make use of the most recent advances in building security. This system also makes uses of wall sensor devices and television monitoring.

The original 1877 building was renovated in 1980 by the present contractor, C.B.

Oates Construction. The building consultant is Dinty S. Bowman of Albany, and the new landscape design is by Nathan Gaspard and Matilda Peeler, both of Fort Worth. Major subcontractors on the project are Buckley Electric, Abilene Sheet Metal, Barr Roofing, King Tile, Southwest Drywall, and the W. and W. Steel Company, all of Abilene.

Plans are now underway for a gala October opening with an exhibition called *The Collector*. This exhibition will consist of forty works from eighteen private collections in and around Texas and approximately \$1,500,000 worth of art will be on view. Among the collections represented will be those of Tony and Dawn Andrews and Texas Fritz Gerald of Abilene.

Recently the Board of Trustees renamed the foundation The Old Jail Art Center. The Board decided that this change more accurately reflected the nature of the organization. Since 1981, the Art Center has been involved in the presentation of the performing arts and in the conservation and preservation of regional history as part of its humanities program.

The Old Jail Art Center will be closed during the months of August and September in order to facilitate moving and installation. Festivities celebrating the opening of the new wing will begin on October 13, 1984, with a press preview and end on October 20, 1984, with a gala reception for the exhibition lenders.

## Fishing Report

Terry L. Wilson

### Bass Club Report

July 5th marks our 7th club meeting of the 1984 season. Thursday at 7:30 p.m. we will meet at the Eastland National Bank. Members are urged to attend, as we will be starting preparations for our 1984 Open Invitational Tournament. There are lots of preparations to be discussed, so let's all show up to bring forth some new and better ideas for this year's event.

Also we will again be drawing our lake for our monthly tournament to be held July 14th. To place your favorite lake in our drawing you must be present, and also plan on fishing, whether your lake is drawn or another one.

Other upcoming tournaments include: Triple T, July 15th. Possum Kingdom, Lake Leon open night tournament July 21st and July 29th. Fin and Feather Open

Roadrunner, 13 lakes to choose from, including beautiful Lake Leon. For more information on these events contact Terry Wilson 629-3255.

With 5 months remaining in our fishing year, the race for Angler of the Year still remains open. Again this year we shall be awarding a lovely trophy plus \$100.00 cash to the angler compiling the most pounds during our regular club tournaments. But you can't win if you don't compete, so let's all sharpen those hooks and go chunkin those bass during these hot days. Proctor still slow on bass, channel cats good. Daniels bass slow and scattered, yellow cats excellent; last week a 51 pound yellow was taken on live perch. Also numerous small cats are being taken. Leon bass good near deep points, early and late are the best times. cat-

fish good, stripers slow. Pioneer bass good, catfish excellent, one aniger caught an 8 pound bluecat, and several nice channel cats. Possum Kingdom bass slow, catfish good on live perch. Next time out remember to take those youngsters, there's nothing more fun than seeing that big smile when they land that first fish, and I'm sure you will agree it's worth a little extra effort.

Good fishing and good luck.

12 lots on old Hwy. 80 east in Ranger. Make good building site or pipe yard. \$10,000.

### LAKE LEON

16 lots 100x200 just off the lake. Owner will finance.

# HOT CHECKS

**EASTLAND COUNTY  
DISTRICT ATTORNEY  
629-2659**

## Clues for Detecting Bad Checks

Be careful of low series numbers on personal checks. About 85% of all uncollected "hot checks" are new account numbers between 101 and 150.

Check the finish of the black magnetic computer numbers on the bottom. Magnetic ink is very dull -- never shiny.

Check the first four magnetic numbers to the left of the account number. Each area of the state has its own bank routing number -- learn yours.

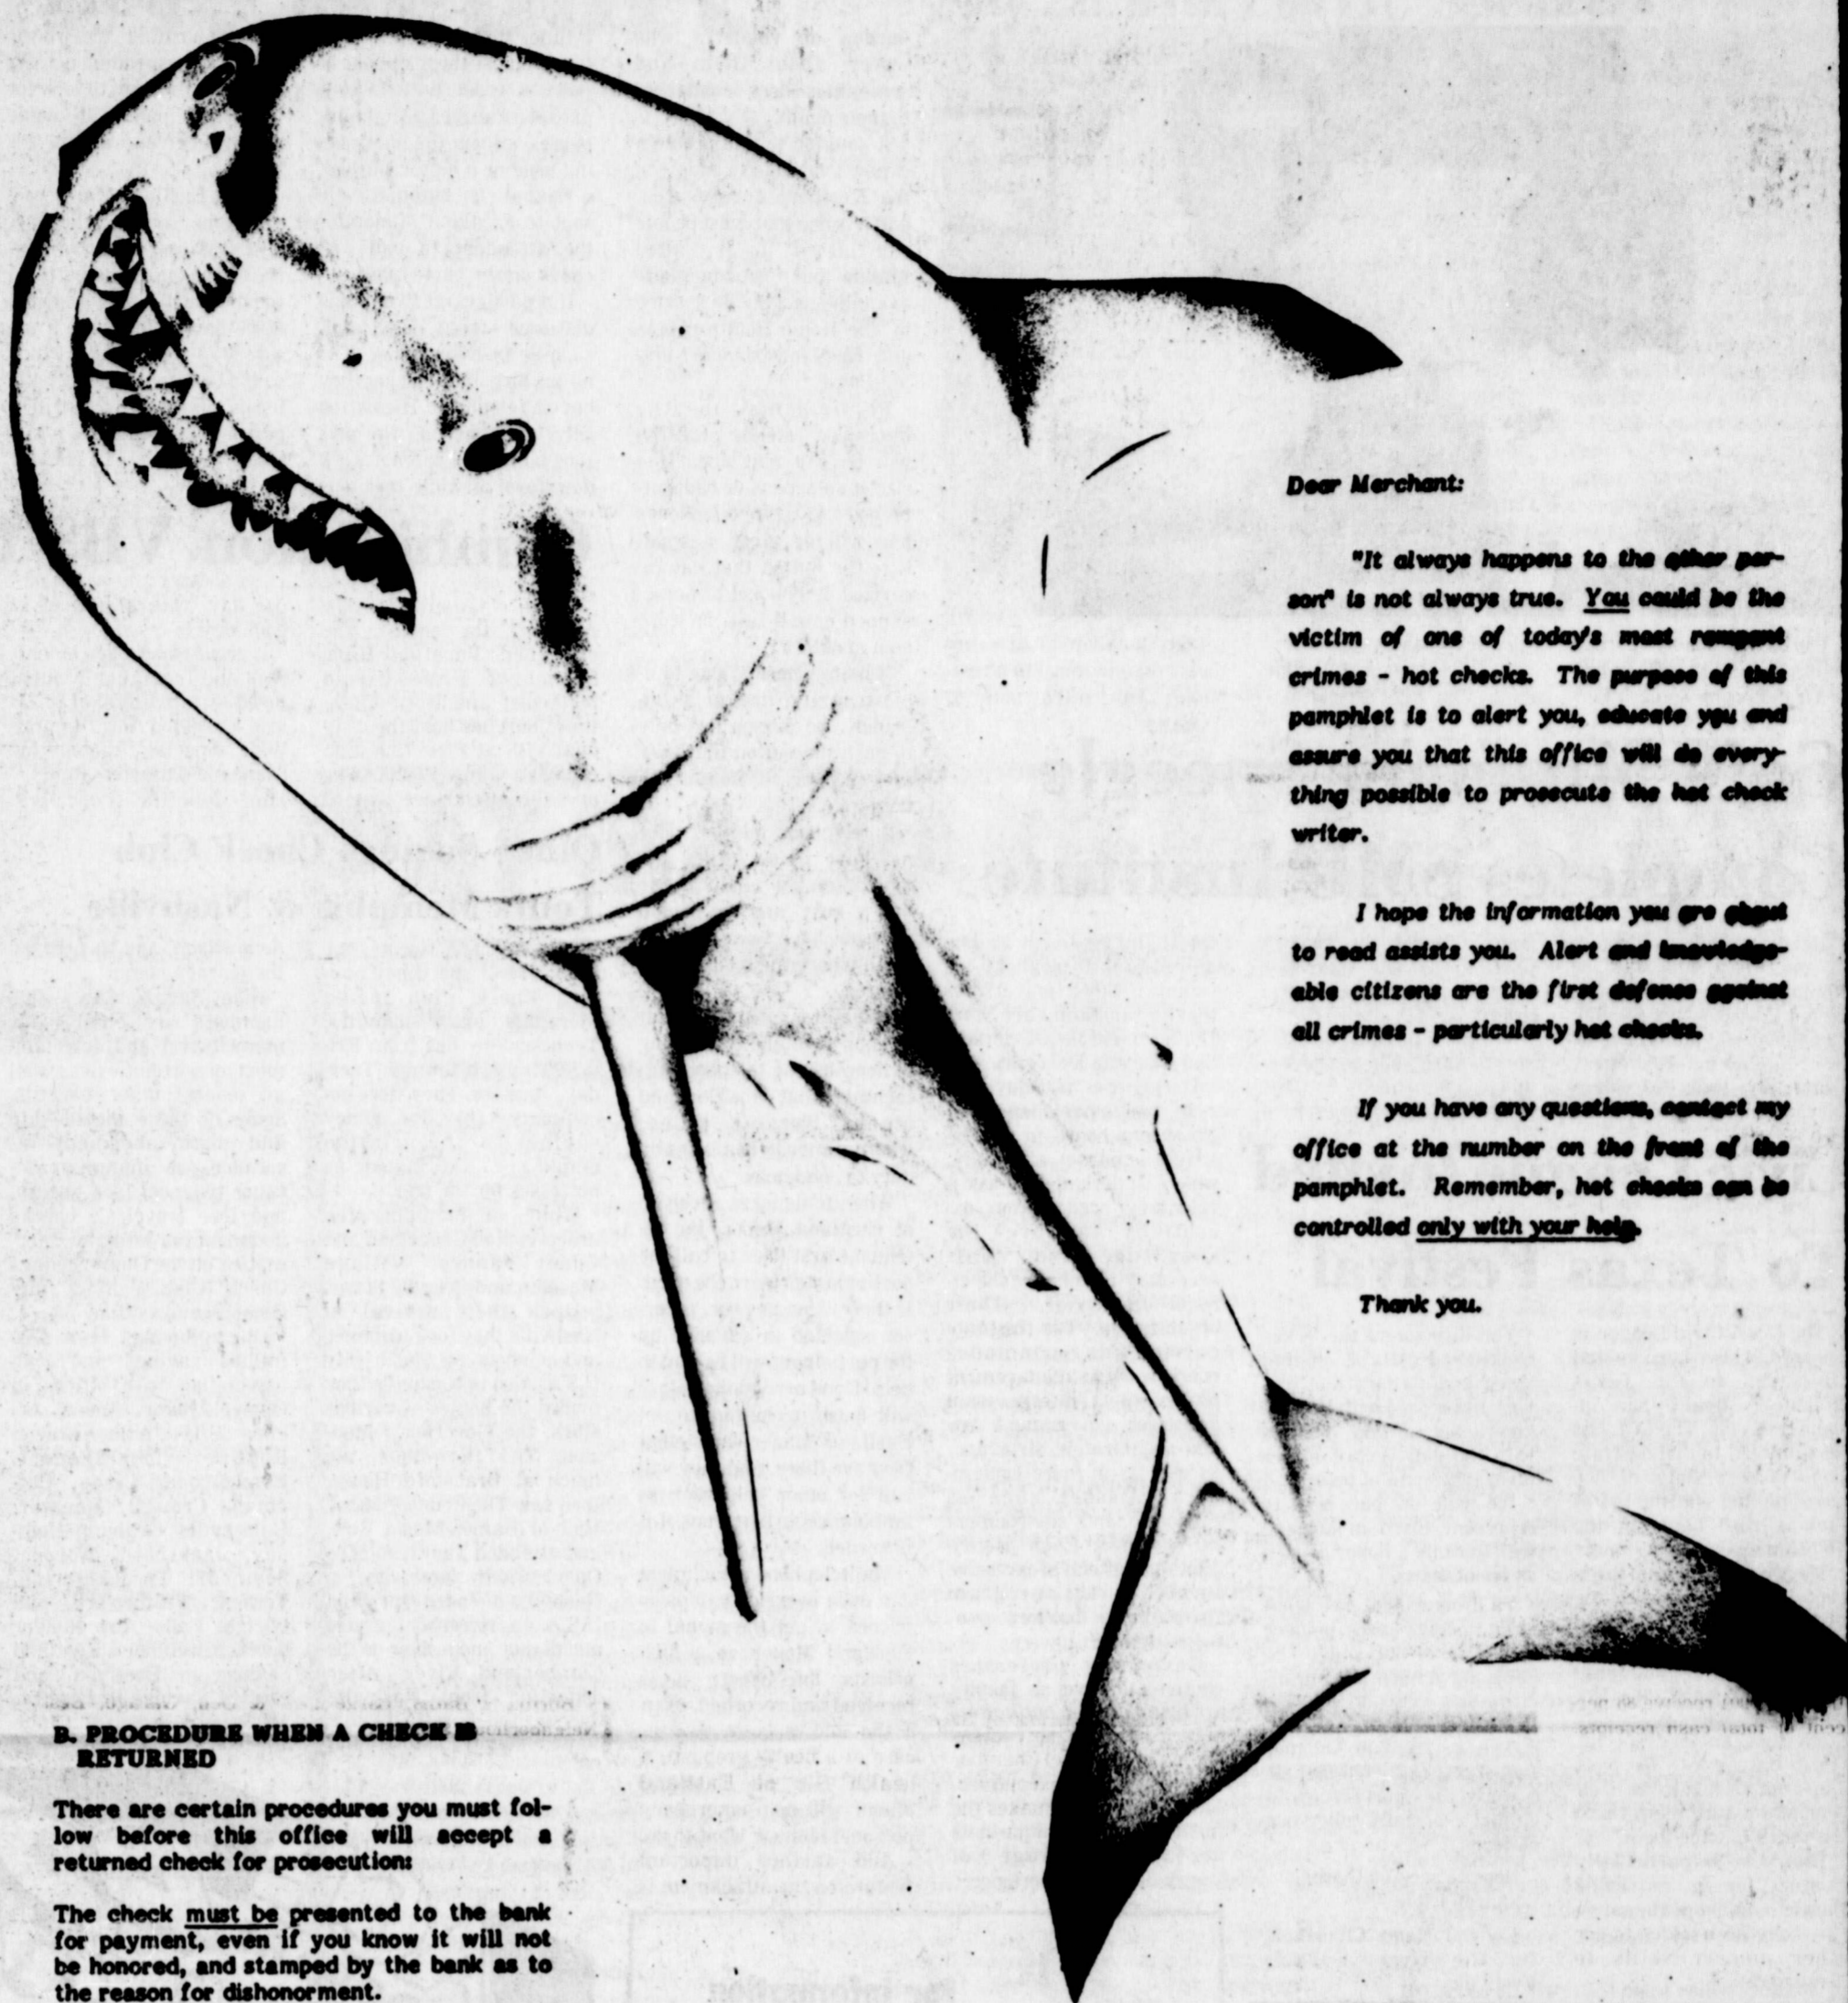

Look for at least one perforated edge. All checks except government or computer-produced will be perforated.

Beware of photocopied checks. The best sign of a photocopied check is shiny, tacky, uneven letters. Also beware of photocopied "color" on multi-color checks from large corporations.

## A. PROCEDURE WHEN TAKING A CHECK

It is vital that you stress to your employees the importance of being thorough when accepting a check. If your establishment has set a policy for all customers then no one should have any reason to feel they are being treated unfairly. It is a good idea to have a "checklist" where a cashier can see it easily. It should include at least the following:

1. **Is it dated today?**  
Checks must be dated the same day they're given. Post-dated checks are not prosecutable.
2. **Is the signature legible?**  
Do NOT accept checks previously signed. Have them signed \*in your presence and compare with driver's license or other I.D.
3. **Is the address complete?**  
Require a permanent street address, not a P.O. Box number unless you know the writer.
4. **Can you confirm identity?**  
Every kind of I.D. can be forged. The most reliable are the ones with physical descriptions, photos, etc. If you are suspicious, ask the writer to hand you the license and while it's in your hand, ask his address and/or birth date. If it is not his license, he may be caught off guard and give the wrong information.
5. **Do written amounts and numbers correspond?**  
Banks will not honor checks with discrepancies.
6. **Is the I.D. used recorded?**  
Record on the check the type of I.D. and I.D. numbers as well as the clerk's initials who takes the check.

Dear Merchant:

"It always happens to the other person" is not always true. You could be the victim of one of today's most rampant crimes - hot checks. The purpose of this pamphlet is to alert you, educate you and assure you that this office will do everything possible to prosecute the hot check writer.

I hope the information you are about to read assists you. Alert and knowledgeable citizens are the first defense against all crimes - particularly hot checks.

If you have any questions, contact my office at the number on the front of the pamphlet. Remember, hot checks can be controlled only with your help.

Thank you.

## B. PROCEDURE WHEN A CHECK IS RETURNED

There are certain procedures you must follow before this office will accept a returned check for prosecution:

The check must be presented to the bank for payment, even if you know it will not be honored, and stamped by the bank as to the reason for dishonorment.

You must send written notification to the check writer informing him or her of the reason the check was not honored. The written notice must be certified, return receipt requested. The following sample letter sets out the information which must be included:

Dear Mr./Mrs. Doe:

Your check \$600 dated June 28, 1988, in the amount of \$600.00 given for the stereo you purchased on the same date has been returned by the State Bank marked "insufficient funds" (or other reason marked on the check by the bank).

You have ten (10) days from receipt of this letter to bring payment in cash, cashier's check or money order for the amount of the check plus a \$50.00 charge for handling or this matter will be turned over to the prosecutor's office.

Sincerely,

Be sure to keep a copy of this letter. If, after 10 days the check has not been paid, you must personally bring it to this office and furnish the following:

1. The original check with the bank flag or notation showing the reason it was not honored;
2. The signed return receipt from the certified letter or the letter (unopened) marked refused or unclaimed;
3. A copy of your letter;
4. The name, address and phone number of the person who accepted the check and who can identify the maker;
5. Specific identification of maker such as driver's license number, date of birth, and physical description. (It will be necessary for you to supply this information on a form when you come in to the office.)

## C. PROCEDURE WHEN THE CHECK IS TURNED OVER TO THE PROSECUTOR'S OFFICE

When you bring in a check, it will be logged and a search made to see if the maker has any other hot check offense pending. If there is, yours will be combined with the one previously filed to expedite your restitution.

If not, this office usually notifies check writers that a case is about to be filed against them. If they do not make restitution and pay the prosecutor's processing fee, prosecution procedures will be started.

The Hot Check Fee Act was passed by the Legislature to defray some of the prosecution expense and require the hot check writers to help bear the cost of their misdeeds. The hot check fee may be as much as the amount of the check. After filing a case, there can be the additional expenses of a fine and court costs which can be several hundred dollars.

This pamphlet is intended to explain the importance of your role in getting the necessary information to enable this office to control the check problem and get you the restitution you deserve.

If you have any questions or problems, please contact my staff or me. We will be glad to help in any way.

## Checks to Avoid

The following checks usually will not be prosecuted as "hot" checks:

- A check marked "refer to maker," "drawn against uncollected funds" or "unable to locate account";
- A post-dated check;
- A stop-payment check;
- A check on an out-of-state bank;
- A two-party check;
- A check more than a year old;
- A check for less than \$5;
- A check for which partial payment has been received;
- A check given in exchange for a returned check;
- A check which does not identify who accepted it;
- A check received in the mail;
- A check not passed within this county;
- A check not presented to bank within 30 days of issuance; and
- A check for which no 10-day notice was given.

It is very important to get the information listed above.

This pamphlet was prepared with the cooperation of The Prosecutor Council.

# Lifeline For Elderly and Handicapped Is Available

You have probably heard a hundred times that Grandpa or Grandma is so old they rather die than to give up their home to move to a rest home. This often puts a

burden on relatives who worry about them and sometimes does contribute to their death.

A solution to this problem is now available to people in the Eastland County area, and it is one that most people can afford. It is called Lifeline and it is being made available as a public service by the Home Health people and Eastland Manor Nursing Home.

Participants in the Microplex Lifeline program will have a unit about the size of an expensive radio attached to their telephones and will be given a small wireless button that can be carried in a pocket or purse, clipped onto a belt, or worn on a necklace.

If help is needed due to illness, injury, fire, or an intruder, the person has only to push the button that they are always to keep with them.

A telephone number does not have to be looked up, dialed, dialed again if the line is busy, and the person does not have to go into the room where the telephone is located.

The button even works out in your yard and the dialing is done by the telephone attachment that calls Eastland Manor Nursing Home, where someone is always on duty to send help.

When a signal is received at Eastland Manor, the attendant first tries to call the participant to learn the need. If there is no answer, a person selected in advance by the participant will be sent to help. Upon arrival the helper will push a button to let Eastland Manor know that they are there, and they will call for other help such as ambulance or fire truck if it is needed.

The telephone attachment can even override extension phones to get the signal to Eastland Manor on a high priority line where it is received and recorded, even if the line is busy. And in case of a health problem, a health file at Eastland Manor will help emergency personnel to know what to do. And another important feature on the attachment is

a timer that is reset to each time you use the telephone or push a reset button. If a preset number of hours passes without the phone being used or a button pushed, a signal is automatically sent to Eastland Manor for the attendant to call and check on the participant.

If a participant lives some distance from Eastland, such as in Rising Star, it is no problem as long as they have a telephone. The button only works around the persons home and will not work downtown or while their person is visiting elsewhere.

That way responding helpers will always know to look for the participants at home when receiving a call for help.

Since Eastland Manor provides the service, the only cost is \$5 per month rental fee on the button and attachment which costs around \$2000 each. However, if someone buys a unit, which would be a good gift, then the fee is eliminated. Also if a person on Medicare needs the service, it can be paid for by Medicare.

Lifeline is not limited to the elderly but can also be a big help for younger people who are handicapped or have health problems.

Linda Graham at Eastland Manor is the Coordinator for the Microplex Lifeline and she will install the units and instruct the participants in their use.

Lifeline's motto is "When your life is on the line, we are on the line."

Mrs. Graham and Nancy Clark at Eastland Manor 629-2686 have a slide presentation explaining the pro-

gram which they can present as a program for clubs and organizations.

## WORD of GOD

What shall be the sign? Mark 13:4

For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and earthquakes, in divers places.

All these are the beginning of sorrows. Matthew 24:7-8

And great earthquakes shall be in divers places, and famines, and pestilences; and fearful sights and great signs shall there be from heaven. Luke 21:11

## WORD of GOD

What Shall Be The Sign? Mark 13:4

Jews return to Israel

As a shepherd seeketh out his flock in the day that he is among his sheep that are scattered; so will I seek out my sheep, and will deliver them out of all places where they have been scattered in the cloudy and dark day.

And I will bring them out from the people, and gather them from the countries, and will bring them to their own land, and feed them upon the mountains of Israel by the rivers, and in all the inhabited places of the country. Ezekiel 34:12-13

and Jerusalem shall be trodden down of the Gentiles, until the times of the Gentiles be fulfilled. Luke 21:24

## CofC Manager Speegle Completes SMU Institute

Randy Speegle, manager, of the Cisco Chamber of Commerce, recently completed a week's Institute for Organization Management at Southern Methodist University. Over 200 voluntary organization executives

from all over the country participated in this professional development program.

The SMU Institute is one of six annual, one-week sessions sponsored by the Chamber of Commerce of

the United States at leading universities throughout the country. Other universities that host Institutes are Notre Dame, Georgia, Colorado, San Jose and Delaware.

During the five-day session, participants spent 27 classroom hours in the Institute course of study, which is designed to assist voluntary organization executives improve the knowledge and skills necessary to enhance the effectiveness of their organization. The Institute curriculum includes coursework in management philosophy, interpersonal processes, government, law and organization structure; as well as in more contemporary issues such as economic and environmental concerns. Each participant may attend progressive levels of the program throughout his/her professional career.

University professors chosen to serve as faculty are distinguished authorities in their fields. Other courses are led by top-level Chamber of Commerce executives. This combination makes the Institute faculty unique in its depth and range of knowledge and experience.

## Civic League Invited To Texas Festival

The Cisco Civic League is honored to have been invited to return to the Texas Folklife Festival in San Antonio this year. The CCL has been invited to demonstrate their pioneer skills of hoe cake making and the art of making rush lights at the TFF for several years now.

We are always proud to accept the honor despite the high temperatures and humidity. When we attend as participants we take Cisco with us to show the thousands who pass our booth that another special Texas town exist. We pass maps out to hundreds each year and assure them Cisco has much to offer them.

This year is particularly exciting for us as Vallie Parker's skills with native clay have been added to our other pioneer skills to demonstrate.

The director of the Texas Folklife Festival visited Cisco in February and was very impressed with Vallie's knowledge of and abilities with the native clay on her farm just south of town.

We will do our best to represent Cisco in keeping with our city's honor as well as friendliness.

Ya'll come too! See what great people and pioneer skills are in our state. The dates are August 2-5. For information write or call the Institute of Texan Cultures, P.O. Box 1226, San Antonio, Tx., 78294, (512) 226-7651. It is worth the effort for you to go and especially take your children.

Hope to see you there! Sharon Elton

Civic League Chairman, for the Texas Folklife Festival.

## Texas A&M Sets Bird Conference July 28 With List Of Speakers

COLLEGE STATION-- More and more Texans are raising game birds, and that interest in game bird production should bring increased participation in the Texas Game Bird Conference at Texas A&M University July 28.

The all-day conference at Kleberg Center kicks off with registration at 8 a.m., announces Dr. William O. Cawley, poultry specialist with the Texas Agricultural Extension Service, Texas A&M University Station.

The list of conference speakers read like a game bird "Who's Who," notes Cawley. Headlining the list is Mickey Olsson of Glendale, Ariz., whose all-around bird collection is reported to be the best and largest in the U.S. Olsson will be leading the ornamental game bird

workshop.

Long-time director of conservation for Winchester/Western, Dr. Edward L. Kozicky of Alton, Ill., will outline a program for developing strong flying quail.

Mallards will be discussed by Bill Whalen of Hanover, Ill., while Jean Marc Ridel of Pefferlaw, Canada, will talk about partridge production.

Two of the nation's leading avian pathologists, Drs. Charles F. Hall and Leland C. Grumbles, will discuss quail disease and avian influenza, respectively. Both are professors in the Department of Veterinary Microbiology and Parasitology at Texas A&M.

Other speakers will focus on producing quality stock, dog health and care, and improving hatchability, says Cawley.

A \$20 registration fee will be charged, with an additional \$6 fee for a spouse, to cover conference costs, including a barbecue lunch and a copy of the proceedings.

Cawley says an "early-bird special" is being offered to those who pre-register by July 21, in which case the individual registration fee will be only \$14.

Further information and a copy of the complete program is available from local county Extension offices or from Cawley at 409/845-4318 in College Station.

The conference is sponsored by the Texas Agricultural Extension Service, Texas Agricultural Experiment Station and Texas A&M's Department of Poultry Science.

## Gordon Spot

County Extension Agent

### DeMarquis Gordon

Cattlemen should be alert to the danger of prussic acid poison in Johnson grass, sudan grass, and hybrid sorghum grasses warns Extension Agent DeMarquis Gordon.

Several cases of poisoning and some deaths have been reported in Eastland County in recent days. These have been caused by prussic acid in grasses.

Care should be taken when grazing livestock on these type of grasses. The agent says the poisonous material is increased following a time of wilting caused by a drought. The most dangerous time is when new sprouts begin to form on a stressed plant following a rainy period. This dangerous period usually last for about 10 days following a rain. If prussic acid is present in the forage when hay is cut and baled, it will remain in the hay for up to two months.

Gordon says a veterinarian should be called as early as possible and told what to expect so he can bring an antidote for the poison. Cattlemen can also prepare for an emergency by having several bottles of antidote on hand. The

veterinarian can provide cattlemen with the proper antidote and instructions in its use.

The following are suggestions to prevent prussic acid poisoning.

1. Don't turn cattle into new pastures that might contain even a little Johnson grass or sorghum for the next week.

2. Don't pull cattle off pastures they are now grazing, even overnight unless you have lost some cattle in that pasture.

3. Don't graze new second-growth that springs up after cutting for hay until plants are 18 inches tall.

4. Cattle are less likely to be poisoned by prussic acid if they are filled with hay before being turned into potentially dangerous fields or pastures.

5. Don't feed new cut hay until it is well cured. Wait three days after cutting before baling and don't feed hay for one month after baling.

When you do turn cattle into new pastures first turn in one or two less valuable animals and observe for 24 hours before turning rest of herd into pasture.

## SEEDS FROM THE SOWER

By Michael A. Guido, Metter, Georgia

A mother asked her son, "Who gave you that black eye?"

"Nobody gave it to me, Mom," he answered. "You gotta fight for it!"

The Christian life is not a picnic. It is a pitched battle. There is a foe—satan. There is a Captain—our Saviour. And there is the command: "Fight the good fight of faith, lay hold on eternal life, whereunto thou art also called, and hast professed a good profession before many witnesses."

It takes courage to be a Christian. Ours is not a religion of helpless husbands and weak wives; but of bold believers. For we are fighting the good fight of the faith.

It is a war for the advancement of the faith; for the extension of the kingdom; for the planting of the Flag of the Lord Jesus Christ in lands and in lives, where satan's standard now proudly flies.

Here is a cause worth striving for, a cause worth suffering for. Be prepared for any cost to yourself, so long as the cause may be advanced and Christ may be glorified.

## Short Change Artists Apprehend

Eastland Police and alert sales people caught 2 short change artist Monday. D.L. Jones, 37, and Bob Toppolin, 30, of Orange, were arrested for reportedly attempting a short change plan at Dairy Queen and Super Duper in Eastland.

Records on the pair show they have been in small town along I-20, apparently working stores where they stopped.

One was charged with public intoxication and both fined heavily, before being sent out of the county.

## Correction

The names of the parents of the bridegroom were erroneously omitted from the Miss Kimberly Owen and John W. Galloway wedding story in Sunday's edition. His parents are Mrs. James W. Galloway of Allen, Texas, and the late Mr. James W. Galloway. We regret this error.

## Putnam News

By Mrs. R.B. Taylor

We are so thankful for the wonderful rain we have had this week. 3/10 inch Tuesday night and three inches Wednesday night. Most of the tanks around town are full of water, of course unless it rains again soon it will not start grass and weeds to grow, but we feel that we will get more soon. It will be a great help to the peanut farmers, south and east of town. We are sorry that our neighbors west, Baird did not get much rain, but your time is coming.

Mr. Loren Everett and Mr. Ken Cavanah went to Veterans Hospital at Dallas the first of the week, but both returned home to check in later.

Laverne Rutherford reports that Mr. Chuck Thorne of the nursing home at Baird is improved at the West Texas Medical Center. He has been in I.C.U. there for about two weeks. Laverne also reports that her uncle Raymond Clark is not doing very well at the Veterans Hospital at Big Spring. Mr. Clark grew up in the Putnam area and lived

here for many years.

Mr. G.P. (George) Jobe who has been at El Paso for some time, has moved back to Putnam. He has a trailer home just east of the Jack Ramsey home.

Mrs. Vina Lee Burns is doing extensive repairs on the Everett house which she recently purchased from the Rhynes.

Billy Wagley is moving his cafe to the Elvie Payne house just east of the Red Barn.

Also Putnam is getting another face lift. The sidewalk in front of the Country China Shop is being rebuilt. That makes new sidewalks all along the block.

Mrs. Naomi Heysler and Mrs. Veda Bennet of Baird visited Mrs. R.B. Taylor last Sunday.

Mr. and Mrs. Joe Crow of Canna is visiting her grandmother, Mrs. Myrtle Weeks.

Mr. G.W. Weeks is holding a revival meeting at the Mitchell Church this week. There has been a good crowd and also lots of good singing and preaching.

Mrs. Virginia Slivers of Cisco visited Maxie Solomon this week. Mr. and Mrs. Bud Taylor and daughter Glenna of Mineral Wells spent the weekend with her mother, Mrs. Maxie Solomon.

Mr. and Mrs. Donald Isenhower and son of Ames Iowa are visiting his parents the John D. Isenhowers and other relatives this week.

The Donaway family who lived at Dothan for many years are having their family reunion this weekend at the Old Home Place. Most all the Milton Donaway family are here including Hubert and family and Miss Laura Peugh of Odessa. Doris Lee and family of Amarillo, L.C. and daughters from Albany. Warren and family of Brownwood and Mrs. Nettie Ramsey and son Tim A. Glenwood Springs Colo. and daughter Lisa of Denver.

Don't forget to come to Putnam Baptist Church Sunday, July 8, to help them celebrate their 75th birthday. Bring a dish and enjoy lunch!

Here's hoping everyone will have a grand and glorious 4th and let not forget the principles that our ancestors fought and died for.

## Moran News

By Mrs. Luke Huskey

Hubert Brooks of Oregon is visiting relatives in Moran.

Mr. and Mrs. Harley Winn of Batson spent the weekend with relatives in Moran.

Mr. and Mrs. Jack Kimbrough and children of Round Rock and Carl Crawley of El Paso spent the weekend with their parents, Mr. and Mrs. B.G. Young.

Mrs. Estelle Harris of Ft. Worth spent the weekend with her brother and wife, Mr. and Mrs. William Hudman and with Mrs. Edward Hudman.

Week guests of Mr. and Mrs. Monk Offield were Don Latimer of San Diego, Cal., Jerry Latimer of San Francisco, Ca., Mr. and Mrs. Ron Ice Latimer of Flagstaff, Ariz., Mrs. Bob Burger, Scott and Rebecca of Irving, Mr. and Mrs. Henry Hinojosa and Rachel of Hurst, Mr. and Mrs. Joe Burda of Irving, and Hubert Brooks and grandson, Tom of Oregon.

### BROOKS REUNION

Ninety Five people attended the annual E.H. Brooks family reunion at the Moran Community Center, over the week end.

### A BABY DAUGHTER

Mr. and Mrs. G.B. Lane of Columbia, South Carolina are the proud parents of a baby daughter, born Friday June 22. The baby was named Branfen Dunham. She weighed 8 1/2 lbs., and was 21 inches long.

Mrs. Gladys Lane of Moran is the paternal grandparent and Mr. and Mrs. Robert Grambling of Shreveport, La. is the maternal grandparents.

Mr. and Mrs. Lucion Brooks attended the annual Parker Family reunion in Bastrop, last weekend.

Mrs. Roe Scott accompanied her daughter and husband, Mr. and Mrs. Jimmie Austin to Odessa, this week for a visit with Roger and Jack Scott.

Mr. and Mrs. Richard Zekpeda of Dallas spent the weekend with her mother, Mrs. Robert Thompson and Mr. Thompson.

Lucion Brooks received treatment in a Dallas Hospital for a check-up last week.

Elma Huskey has returned from a vacation trip that took her through Tennessee, into Georgia, Arkansas, Missouri, and back through Oklahoma.

Mr. and Mrs. Andy Randolph of Farmington, N.M., Mrs. Jack Sledge of DeSoto, John L. Pettit of Anson, and Velma Randolph and granddaughter of Abilene visited with Mr. and Mrs. Ezra Weir, last Tuesday.

Mr. and Mrs. Jerry Scott and children of Oney spent the weekend with her parents, Mr. and Mrs. Buster Cottle.

Jacob McKewin of DeSoto spent last week with his grandmother, Mrs. Frances Green. His mother, Mrs. Steve McKewin came for him Sat. and spent the weekend.

Mr. and Mrs. Harold Hill of Austin spent the weekend with his mother, Mrs. Mattie Arnold and his sister, Mrs. Frances Green.

L.C. Kays received treatment in a El Paso Hospital, last week.

## Suit Filed Against Bank In Gorman

An Eastland man has filed suit against First National Bank of Gorman and its former president alleging conduct "willful, wanton, fraudulent, malicious, and/or prompted by ill motives," and asking in excess of \$1,375,000.00 in damages.

The suit filed May 15, 1984 in 91st District Court is styled Robert W. Nixon Jr. vs. J.B. Hicks and The First National Bank of Gorman.

Mr. Nixon is represented by T. Arthur Andrews, C.P.A., and associate of the Fort Worth law firm of George G. Thompson Jr. and Associates.

The suit alleges that the then-president J.B. Hicks "cashed in plaintiff's certificates of deposit (two \$25,000 C.D.s) and arbitrarily applied the money, principal and interest, to various loans plaintiff had with the bank...without notice to the plaintiff."

Plaintiff points out that his "loans were not past due and all payments of principal and interest were made on a timely basis."

Mr. Nixon holds in the peti-

tion that he notified the defendants within four days after discovering that the certificates had been cashed, but that the defendants "refused and neglected to reinstate the Certificates of Deposit and the credit line or to reimburse him for the loss of income."

Mr. Nixon is alleging damages for the lost profit (\$375,000.00); damages for present and future lost profits which are being and will be incurred; punitive damages in the amount of one million dollars; interest from the dates of losses; attorney's fees and costs; and for all other just and lawful relief to which plaintiff is entitled.

Attorneys representing the bank, Jim Parker of Comanche County and Leslie Vance of Eastland, have both filed answers to the original petition denying all the charges.

# This plastic box is important to you.

It's your connecting link to the telephone network.

This plastic box is a "network interface." That's where you join the local telephone network, which can also connect you to a long distance network.

It's this box where we terminate a pair of wires from our switching center to your residence. That's technically where our service ends, but not our concern for our customers. We want you to understand the importance of this interface device and the other changes which have taken place with the breakup of the Bell System so that you can relax and continue to enjoy good telephone service.

The network interface is being installed on the outside of most new homes, usually adjacent to the power meter. For others it may be found on the wall of a walk-in closet, a utility room or garage. Southwestern Bell Telephone began installing network interfaces in 1982, therefore, wiring installed prior to 1982 may not have a network interface. Unfortunately, not all of the older network interfaces are exact look-a-likes, but they are similar.

From the network interface, you have at least three options on how to handle installation and repair of inside wiring and jacks to your telephones:

- (1) hire Southwestern Bell Telephone to do it.
- (2) hire another contractor.
- (3) or save the money by doing the work yourself.

(Materials are readily available from numerous retail stores.)

If you choose Southwestern Bell Telephone to do the inside work, you should know about recently approved "Premises Work Charges," which include both time and materials. Premises Work

Charges are billed according to the time required to do the job.

Here is Southwestern Bell Telephone's schedule of charges:

PREMISES WORK CHARGES FOR JACKS AND INSIDE WIRING	8 a.m. - 5 p.m. Mon.-Fri.		Other Times Mon.-Fri. and All Day Saturday	Sundays and Holidays
	INSTALLATION			
Initial 15 min.	\$18.50	\$22.75	\$27.00	
Each Adol. 15 Min.	\$10.50	\$12.50	\$14.75	
REPAIR				
Initial 15 Min.	\$28.25	\$31.75	\$35.25	
Each Adol. 15 Min.	\$10.50	\$12.75	\$15.00	

These charges are similar to those made by other service personnel for work performed on customers' premises. Remember, too, that while inside wiring and the workmanship required to install or repair it may be obtained from many sources today, we're still in the business, if that's your choice.

When we complete the work, you get a 30-day warranty against defects and malfunctions from the date of installation or repair. For your convenience, keep your Southwestern Bell Telephone warranty handy.

We sincerely hope this information will be helpful to you in the future. We know most of our customers still have a lot of questions about the changes which have taken place since divestiture.

While we are no longer responsible for every facet of your telephone service like we used to be, serving you is still our only business. After all, it's AT&T we separated from...not you. And, in the coming weeks, we will be reviewing other information you'll need to help you understand—and enjoy—the benefits of the new Information Age.

 Southwestern Bell Telephone

# People in Things

HERE IT IS July 4th - the USofA Independence day - and it's good to pause for a few minutes to reflect on the past and to consider the future. Although there has been a lot of water over the dam since 1776, we are still in a land of the free with a lot more independence than the people of most countries of the world.

And it is a good time to pledge anew our love for country and our best efforts to preserve our freedom and independence.

VIRTUALLY ALL business activity in our community will observe a holiday on July 4th, which is fitting... You'll want to go out to City Park and take in the Lions Club carnival and take part in the fine program that the Chamber of Commerce has arranged.

If you want a suggestion for lunch this Wednesday, we suggest that you go out to City Park and order enough barbecue sandwiches to feed your family. Lions Club members are cooking the barbecue and will be serving it on buns all day July 4th.

IF MANAGER Randy Speegle of the CofC seems a little sharper this week, it's no wonder. He spent last week at SMU in Big D taking a special course of study for CofC officials and community workers. Randy reports that it was a very interesting course, indeed... Postmaster Wiley Cox attended a recent state convention of Texas Postal folks in San Antonio... The Cisco Post Office only had one money order for four

tickets (\$120) to the Michael Jackson concert when we checked Monday. The fact that Texas folks aren't flocking to the post offices to buy the tickets is a credit, we'd say. They're making you buy four tickets at \$30 each. A ripoff, huh?

THE LLOYD Swindles are in San Francisco for a vacation trip that he won in a Lions Club raffle, we hear... The Cisco (noon) Lions Club cancelled the regular Wednesday luncheon this week due to the fact that members would be working at the City Park Carnival... Principals of the Cisco Public Schools are on vacation during July.

MR. JASPER Cook, zone chairman for area Lions Club, was the speaker and installing officer for new officers at a banquet in Clyde on Tuesday night, June 26... Oil Man Ivan Webb was a business visitor in Big D last Thursday... City water department workers repaired water lines at City Park last week so the drinking fountains and the rest rooms would be operative for the holiday program... Mr. Travis Starr, local oil man, was once the manager of a Zales Jewelry Store.

READ IN the Texas Highway Magazine that the State Highway Department has under cultivation one million acres of right-of-ways, growing wild flowers for you to admire and enjoy... Bob Conner, new president of the Cisco Lions Club, was one of the hardest

workers in the picnic pavilion concrete floor pouring project. And we're glad to add his name to the list... Rural Mail Man Claude Yeager and family have been vacationing in Colorado.

DR. AND MRS. C.M. Cleveland spent the past week or so on a travel trailer trip to the Quartz Mountain area of Oklahoma. It was their first trip in their trailer and, he reports, it was delightful and won't be their last such outing... The two plus inches of rain last week certainly did wonders for local lawns, flowers and gardens. And the golf course in greening up... The Tommie Balls are enjoying cantaloupes, tomatoes, peppers and the like from their garden... Harry Holt, Abilene TV Channel 9 farm editor who owns a ranch just south of Cisco, spent last weekend there. They're eradicating mesquite to improve pasture conditions, he reports.

A RECENT letter from Mrs. Russell Pogue reported that she and her husband, formerly of Cisco, were busy in Uganda where he is serving his second year as a Baptist missionary. She said that postage rates for letters have gone up from five to 165 shillings in the past two years. (You get 329 shilling for a U.S. dollar).

They arrived at Navoli, Kenya, on March 6th and in Uganda on March 9. Nbole, where they live, is near mountains and is an interesting city, she wrote. They have visited with several other missionaries in neighboring cities.

As you know, Rev. Rogue is a former pastor of the First Baptist Church here. He went to Uganda as a missionary three years ago after retiring from the ministry. Both Rev. and Mrs. Rogue are busy in the mission field.

# Carp Tourney Winner Gets \$645

Johnny Holman was the adult winner of the weekend Carp Tournament sponsored by Cisco Pump Inc. and EnRe Corporation. Mr. Holman received \$645 in total prizes, winning \$578 for his 8 pound, 3 ounce catch and the \$67 Calcutta prize.

There were 77 entries in the adult division and 16 entries in the youth division (16 and under). Sixty-seven of the entrants also entered the \$1 Calcutta during the tourney at Lake Cisco on Saturday and Sunday, June 30 and July 1.

Area oil companies and merchants donated \$835 to the prize fund for \$1,270 in total prize money.

## CJC's Second Summer Session Begins July 17

Classes for the second summer session at Cisco Junior College will begin Tuesday, July 17 at all locations.

Students may register from 9:00 a.m. to 4:00 p.m. and 6:00 to 8:00 p.m. on the following dates:

July 11 and 12 - Abilene campus (Westgate Shopping Center)

July 11 and 12 - Clyde campus (downtown Clyde)

July 16 - Cisco campus (Registrar's office)

For more information call the appropriate campus at one of the following numbers: Cisco - (817) 442-2567; Clyde (915) 893-5876; Abilene campus - (915) 698-2212.

1st place, Holman; 2nd place - John Brandon received \$346.80 for his 8 pound, 2 ounce catch; 3rd place - Larry Pence got \$231.20 for his 7 pound, 9 ounce fish; 4th place - Butch Willingham won a 48-quart Gotti ice chest with a 7 pound, 8 ounce catch; and 5th place - Ricky Watts received a 6-foot Blue Diamond graphite rod for his 7 pound, 3 1/2 ounce carp.

Youth division winners were: 1st place, Mike Calvert received \$57 for his 5

pound, 13 1/2 ounce catch; 2nd place, Jason Auvenshine got \$34.20 with a 4 pound, 8 1/2 ounce fish; and 3rd place - Burk Robinson won \$22.80 for a 4 pound, 6 1/2 ounce carp.

The sponsors of the tourney expressed a sincere thanks to the following who donated money and prizes: Anglo Well Service, H.E. Austin Oil Company, Stovall Roustabout Service, Cisco Jaycees, Regal Operating Company, A.W.S. Petroleum, Cisco Pump Inc., Speegle Gulf, EnRe Corp.,

United Energex, Mary's Fishing Hole, Chem-Drill Mud Co., Lancaster and Dickey Specialties, Ted's and Rex's One Stop, Farm and Ranch Feed Store, and the Hitching Post in Putnam.

Expressions of thanks were also given to everybody for keeping their trash picked up during the tourney and for the support of the 200-250 people present for the weigh-in Sunday.

Steve Lewis of Cisco Pump and Dwayne Council of EnRe Corp. were in charge

of this year's tourney and said plans call for making the affair an annual event. It is being planned for the tourney to be held the weekend before July 4th every year.

**H&R Block**  
Franchise Available

We are seeking a responsible individual capable of operating a volume business for the largest income tax preparation firm in the world. Prior tax knowledge is helpful, but not necessary. An H&R Block franchise is compatible to most service-oriented businesses. As a Block Franchisee you will be provided with professional training, national advertising based on in-depth research, and supplies.

## Obituaries

### Services For Chloe Bostick Set Thursday

Services for Chloe Speegle Bostick, 80, of Route 1, Lipan, will be held at 11 a.m. Thursday in Gunsight Church with burial in Gunsight Cemetery, directed by White's Funeral Home of Weatherford. The body was to lie in state at Kimbrough Funeral Home in Cisco Wednesday.

Mrs. Bostick died Tuesday morning in a Weatherford nursing home.

She was born in Scranton and lived there and in Odessa most of her life. She had lived in Weatherford the past year.

She is survived by four step-daughters, Mrs. Kay F. Jones of Dennis, Mrs. Martha Davis of Fort Worth, Mrs. Ella Pruden of Alvarado, and Mrs. Pauline Thompson of Dallas; four step-sons, Bert Blackburn and Carl Blackburn of Fort Worth, Rex Blackburn of Dennis, and Joe Blackburn of Hartford, Conn.; 22 grandchildren and 14 great-grandchildren.

### Services For A.J. McDaniel Are Monday

Andrew J. McDaniel, 77, of Cisco, died about 9 p.m. Friday at Hendrick Medical Center in Abilene after a lengthy illness. Graveside services were at 2 p.m. Monday at Old Alton Cemetery near Denton, directed by Kimbrough Funeral Home.

The Rev. Richard Dunigan, pastor of Asbury United Methodist Church officiated.

Born Sept. 30, 1906, in Argyle, he married Lucy Glenn Aug. 4, 1945, in Kerrville. He served in the Army in WWII. He was a member of the Assembly of God Church and a retired carpenter.

A son, Joe Keith, preceded him in death.

Survivors include his wife; three sons, Andrew Jr. of La Porte, James of Lewisville, and William Joe "Bill" of Cisco; three daughters, Joyce Galyean of Kingston, Cordelia Ann Bailey of Gainesville and Sharon Lindsey of Cisco; a brother Leroy of Denton, 22 grandchildren; and six great-grandchildren.

## Births

**JOHN CRISTOFER WILLIAMS**

Connie and John Williams of Midlothian, Texas are proud to announce the birth of their son, John Cristofer, born at 1:34 p.m., June 22, 1984, in Parkland Memorial Hospital, Dallas. He weighed 6 pounds and 11 ounces.

Maternal grandmother is Joyce Cunningham of Cisco. Paternal grandparents are Elena Williams of Eastland and Roy Williams of Midlothian.

Paternal great-grandparents are Mr. and Mrs. Rudolph Colunga of Falfurris, Texas, and Mrs. Johnnie Williams of Valiant, Oklahoma.
