Awards Are Given In Annual CofC Banquet Here

Some 200 Ciscons applauded the selection of honorees for outstanding service in the community and joined their new president in a pledge "to get involved and do something for Cisco" at the annual banquet of the Chamber of Commerce Thursday night.

Awarded plaques for community service were: William Laird, special award for municipal service; Park and Victor Plambeck, outstanding farmer award; Ernie Ritchie, community service award; Ruth Cartee, senior citizen award; JoAnn Cermin, helping hand award; John Bailey and Shelly Schaefer, high school academic award; and, Kendall Anderson and Connie Gosnell, Cisco Junior College academic awards. The Cisco Noon Lions Club was recipient of the over-due award.

Wm. E. (Bill) Austin, Jr., incoming president, reported that the CofC board has organized committees for work projects during 1985 and that "we're on the job." The annual Christmas-in-May project, which funded 13 home improvement jobs during the past, is expected to start anew in the spring.

Mr. Austin said the retail trade committee has arranged for special promotions monthly during the year, and that the business and industrial committee under Retiring President Jerry Morgan was on the job. A new special projects committee has been created and plans to organize a rebuilding program for the Girl Scout House with Steve Cozart as chairman.

Special attention will be given by the committee to promoting Cisco Junior College, working with the

Mobley Hilton restoration group, and developing recreational opportunities at Lake Cisco and the Lake Park. Roy Dennis heads the special projects committee.

"I challenge each of you to let's get involved and do something for Cisco," Mr. Austin said, as the audience responded with applause.

Principal Jim Puryear of Junior High School presented awards to John Bailey, who has 96.39 grade point average, and to Shelly Schaefer, with a 94.06 average. Both are seniors and active in student activities. John is the son of Mr. and Mrs. Scott Bailey, and Miss Schaefer's parents are Mr. and Mrs. Delbert Schaefer.

Awards to college students were presented by Clois Purvis, dean of arts and sciences. Both Kendall Anderson, son of Mr. and Mrs. Al Anderson, and Connie Gosnell, daughter of Mr. and Mrs. Troy Gosnell, are natives of Cisco and graduates of Cisco High School. Both have 4.0 grade point averages at Cisco Junior College and will graduate this spring.

City Manager Mike Moore presented the municipal services award to William Laird, assistant to the supervisor of the water department. Mr. Laird, employed by the city since 1981, was described as "a man with initiative and ability who is always available and who is dependable - a man we're proud to have on our staff."

Willis Parker, local rancher and member of the agriculture committee, handed the farmer award presentation, which had been scheduled to be presented by the late Frank Barrett. The award went to

two brothers, Park and Victor Plambeck, described as "two men who have lived on the same place all of their lives and who do a good job with the soil every year and who are dependable leaders in the community."

In presenting the senior citizen award to Mrs. Ruth Cartee, Mayor Ernie Ritchie noted that the Cisco Junior College Senior Citizens program that Mrs. Cartee directs here "is one of the most outstanding programs in the state and Ruth Cartee has been highly recognized, area and statewide, in the field of gerontology." She was born in Cisco and attended local schools. She and her husband returned to Cisco in 1973 after retiring from a successful business career, and she has been directing the senior citizen's program some 10 years.

Mrs. Ayres (JoAnn) Cermin, selected for the helping hand award, has been active in church and community affairs since the family moved here in 1971. She is president of the Girl Scout program, member of the Mobley Hilton Restoration board, active in the Civic League and the Cisco Folklife Festival, member of the historical society and has been called on frequently for civic service. She is a native of Kendall County and holds degrees from Texas Lutheran College and the University of Texas School of Nursing.

Mayor Ritchie listed the numerous projects of benefit to the community in citing the accomplishments of the Lions Club in being selected for the over-due award. These have included numerous programs during the club's 63 years in Cisco. The most recent project, Mr. Ritchie noted, was building a pavilion and other improvements at City Park and the Teenage Baseball Field. "The club is dedicated to the betterment of our community and strives to aid their fellow men by giving sympathy to those in

distress, aid to the weak and help to the needy," Mr. Ritchie concluded. President Bob Conner accepted a plaque for the club.

Ivan Webb, vice president and master of ceremonies for the dinner, presented the community service award to Mayor Ritchie, now serving his second term as mayor. Mr. Ritchie is chairman of the Mobley Hilton committee as well as serving in numerous civic roles and church related programs, Mr. Webb said. He has resided here more than 25 years and has directed bands for both Cisco High School and Cisco Junior College and heads Southwest Enterprises, which serves clientele throughout the region and in for He received service award outstanding award in 1967.

Bob Bow business man, was the program speaker. He devoted his talk to reciting numerous expressions that reflect of the life and times in Texas. The audience enjoyed his talk and applauded frequently.

Guests included 14 from Eastland, six from Moran, two from Ranger, and one each from Burnett and Stamford. Members of the new board of directors and the retiring board members were introduced. Mr. Morgan, the retiring president, spoke to express appreciation for the work of committees and board members during the past year.

Fred Wheeler and Shirley Hargrave were given special thanks by Mr. Morgan for their work on the membership committee in 1984 when

Softball Meet Set

The Cisco Girls Softball Association will have an organizational meeting on Tuesday, March 12, 1985 at 7:00 p.m. at First National Bank. This is the Tuesday after spring break. Anyone interested in helping is welcome to come.

20 new members were recruited. He cited Vernon Honea and Emma Watts for their leadership in the Christmas-in-May program in which 13 homes of the

elderly or underprivileged were improved during 1984. He said the historical society succeeded in having Cisco designated as a national historical area, which will

mean much to the community in future years, he said. He described the Mobley Hilton project as nearing completion with bids for restoration work due by

April 1. Mr. Morgan was presented a plaque of appreciation for his work as president.

The dinner was catered by Oscar Weeks of Cisco.

RECEIVE AWARDS—Several citizens were honored at Thursday night's annual Chamber of Commerce banquet in Cisco for their achievements during 1984. Those who received awards were: (left to right, back row) William Laird, Municipal Service Award; Cisco Noon Lions Club (accepted by Bob Conner, presi-

dent), Over Due Award; Mayor Ernie Ritchie, Community Service Award; Victor and Park Plambeck, Outstanding Farmer Award; (front row) Ruth Cartee, Outstanding Senior Citizen Award; and JoAnn Cermin, Helping Hands Award. (Staff Photo)

STUDENT HONORS—Two Cisco High School students and two Cisco Junior College students received Academic Excellence Awards Thursday night at the annual Chamber of Commerce

banquet. They were (left to right) Kendall Anderson, CJC; Connie Gosnell, CJC; Shelley Schaefer, CHS; and John Bailey, CHS. (Staff Photo)

HALL OF REMARKS

BY HERREL HALLMARK

A LOT OF people are getting fed up with new rules and regulations which are being mandated by the Texas Legislature concerning schools. Local students must make better grades and pass all their courses in order to participate in extra-curricular activities.

That seems to sound alright to me, until it starts hurting the students by keeping them from getting a good start in their life by skills they may learn in those activities.

I believe students should make passing grades, if at all possible, but some students do not possess the same learning abilities as others.

One of the most recent things which has really made a lot of people mad is the ruling that school students may not show their school-project (FFA) animals in the local or county stock show if they failed one grade the past six weeks. They also cannot let anyone else show it for them.

That is ridiculous. Especially when you consider the fact that some of those students have borrowed the money to buy their animal and feed, and have spent many hours taking care of it during the past several months since the beginning of school. Now they are told they cannot show the animal and sell it at the stock show.

They can sell it by others means, but we all know the

animals which place in stock shows bring a higher price than elsewhere. Is it fair to those students to penalize them financially because of their grades?

I don't believe so and a lot of other parents don't either. Don't blame it on local authorities and school board members. They do not have any control over the situation.

Place the blame where it belongs, on Texas Governor Mark White and H. Ross Perot. If every parent in the state of Texas were to write and tell the governor how they feel about his changes, then he might start listening to his constituents instead of Perot.

IF YOU have lost a male puppy which is about seven or eight months old, you might want to contact Jo Bob Moore at 442-1752. They found an Australian Shepard puppy which is black and silver with white on its neck, feet and tail.

WORD WAS received here this week that Mr. and Mrs. Bill Childers are now in the Happy Haven Nursing Center, Room 29, 1751 North 15th Street, Abilene, Texas 79604. They deeply appreciate all cards, letters, etc., they have received from their friends.

Mr. Childers has had surgery and is being fed liquids through an opening in his stomach. Mrs. Childers suffered a major stroke while staying at the hospital with him on November 13.

She is taking therapy five days a week at the Rehab Center. They appreciate any company and would appreciate any cards or letters.

Tryouts Set For Little League

Tryouts for Little League will be held Saturday, March 30, at the Little League field. Seven, eight and nine year olds will try out at 9:00 and 10-year old students and up will try out at 1:00 p.m.

Any returning players from last year's major league teams will not try out, but do need to register on that day.

There is a \$10.00 registra-

tion fee (\$5.00 for each additional child in the same family.) If the registration fee presents a financial hardship, arrangements can be made. Every child that wants to play in the Little League program will be able to play.

Any adult wishing to coach or be an assistant coach should contact Harold Davis at 442-3523 after 5:00 p.m. before March 15.

THANKS—Master of Ceremonies Ivan Webb is shown thanking guest speaker Bob Bowman for attending the annual Chamber of Commerce banquet following the Thursday night event. (Staff Photo)

CONGRATULATIONS—Cisco Chamber of Commerce incoming president Bill Austin, Jr., is shown shaking hands with retiring President Jerry Morgan following the annual CofC banquet held in Cisco Thursday night. (Staff Photo)

CARD OF THANKS
CARD OF THANKS
There are not enough words to express the gratitude I feel for the care I received after my accident, and during my surgery. I would like to give a special thanks to the hospital staff, Dr. Addy and Dr. Pino. They did a wonderful job. My sincerest thanks for the food from friends and the ladies of my church, and for the cards and flowers and other gifts I received from my Christian brothers and sisters. My family and I are thankful beyond measure for the bank fund that was started to help with our medical expenses. Our hearts are filled with humility and appreciation for our good friends who mean so much to us. We thank each of you from the bottom of our hearts. May God Bless each of you.
Dorothy and Jim Jackson and Katrina and Kenny.

Council Accepts Bid For New Pickup Truck Tuesday

A bid for a new pickup truck was accepted by the Cisco City Council Tuesday night during their regular session, and several other matters were reviewed and discussed.

In the pickup bids, Pierce Motor of Cisco presented the lowest bid for a 1985 model Ford F-250. The cost for the

three-quarter ton pickup was bid at \$9,754.68. Council members accepted the bid from Pierce Motor.

Other bids were from Cee-Gray Chevrolet in Abilene for \$10,206.66, Hood King Motor Company in Eastland for \$10,338.51, and Smith Brothers Chevrolet in Gorman for \$10,060.92.

Council members accepted the minutes from the regular meeting of February 12, 1985, and they reviewed the financial report for 1985 and the City Manager's report. During the financial report, City Manager Mike Moore reported the city has collected 88 percent of its taxes, which he said in com-

parison with other cities seems to be the "going rate".

After January 31, the unpaid taxes became delinquent. Mr. Moore said any taxes paid between now and July will have to pay a penalty and interest. After July, the unpaid taxes will be turned over to an attorney for

collection and an additional 15 percent will be added to the taxes, penalty and interest for the attorney's cost.

A question was brought up by Councilman Bobby Ingram concerning the expenditures in the police department for vehicle maintenance and the use of police cars outside the city

limits. City Manager Moore said the items will be placed on the agenda for the next meeting and he will ask the Chief of Police to be present.

In the City Manager's report, Mr. Moore informed the council that on Feb. 15, the enforcement of the auto salvage yard ordinance was enforced. He said out of the six yards contacted, none were in complete compliance with the ordinance but all except one had taken some action.

He said the owners were cited and Municipal Judge Doug Fry gave them all 30 days to get in total compliance. If they do not come into compliance, they may be fined and cited again until they do cooperate.

Mr. Moore said 11 of 15 letters were also mailed to individuals regarding junk cars in the city. He said he is waiting to see how they respond to the letters and if any action will have to be taken by the city to have the cars removed.

A resolution was approved by the council condemning six structures in the city and giving the homeowners 120 days to remove the condemned structures. Before the resolution was accepted, City Manager Moore informed the council that he had contacted each of the owners and several had already taken action to improve the structures and bring them into compliance with city

codes. He said he feels sure they will be taken care of in the 120 days allotted. When a structure is brought up into compliance it may be removed from the condemned list.

Council members discussed bids which were opened Tuesday afternoon for the water system distribution improvements and water storage tank renovation. The council was extremely pleased with the low bids for each project since the two bids, along with engineer's fees for the city, came in about \$10,000 cheaper than the city had budgeted for the project.

City engineers had estimated the bids might be close to \$50,000 more than the budgeted amount. A decision on awarding the bids was tabled, but indications were if the two companies references check out they will probably be awarded the bids at the March 12 meeting.

Low bid for the water distribution improvements came from Stegmoller Construction Company in Breckenridge for \$179,162.81. The next lowest bid was for \$204,534.23 from a company in Abilene. The highest of the six bids came from a company in Burleson for \$274,312.19.

For the elevated tank recoating and improvements, the lowest bid came from G&S Sandblasting and Painting in Abilene for \$35,500.00. The next lowest bid came from Topeka, Kansas at \$67,330.00 and the highest of the five bids was in the amount of \$99,300.00.

The council decided to have a site southeast of the city "cored" for a soil sample to see if it will be suitable for a landfill site. City Manager Moore said he has talked with the landowner and they have a verbal agreement on the use of the property.

If the core sample is acceptable, then negotiations and plans will be accelerated for the site. The verbal agreement calls for a 10-year lease with an option for an additional 10 years.

City Manager Moore said if the site is acceptable and an agreement can be made, it would offer use as a landfill for an estimated 15 to 20 years.

The council also discussed the replacement of 18-inch standpipe valves in Williamson Dam. Two of three valves replaced last summer froze and burst this winter.

City manager Moore said he would not recommend the replacement of the top valve, which has not been in

water for many years, but he would recommend the replacement of the next valve.

Council members agreed to the purchase of a new valve, but stressed that they want an investigation to continue to see who might be at fault for the valves freezing and bursting. The valves were reportedly installed according to engineers' specifications and the general consensus of the council seemed to be that the valves might have been faulty.

The manufacturer of the valves had been contacted, according to City Manager Moore, and they steadfastly deny that the valves were faulty.

A test water well which was drilled on the Rudolph Schaefer place south of town was abandoned Tuesday after no appreciable amount of water was discovered.

Councilman Ingram, who heads a special committee for the finding of alternate water supplies, told the council of several other leads he has concerning existing water wells near the city.

City engineer Ken Martin discussed with the council the problem occurring on West 17th Street where some of the base material of the newly paved street was washed away between Avenue I and Avenue J. He said he feels there would be no problem in getting the contractors back out to repack the base material, but he suggested the council look at ways to prevent it from happening in the future.

Suggestions made were to either widen the ditch alongside the road and lower the sides so they will not be so steep, or to put in concrete along the ditch in that area.

The council expressed its approval and endorsement of the "Millionaire For A Day" program sponsored by the Cisco Kiwanis Club. The drawing for the "millionaire" was held at 11:30 a.m., Saturday, March 2, in front of The Cisco Press building.

Applications for a Texas Community development Grant for 1985-86 and an Economic Development Grant were discussed by the council. Approval was made for each application to be prepared by Randolph, Gilreath and Associates, Inc., of Abilene. City Manager Moore said the planning and management consultants would charge \$220.00 for preparing each application.

City Manager Moore said he feels the city's chances of being funded in the Community Development Grant are very slim, but if the city does not apply it definitely will not receive anything. He suggested the city file the application and target the Northeastern section of the city for development.

In the Economic Development Grant, City Manager Moore said the city has been contacted about participating in the program, since the state had been approached by an individual requesting such a program.

Under the program, the city would file for a grant of a certain amount of money, between \$50,000 and \$500,000, which it would then in turn loan to someone who meets the qualifications of the Texas Department of Community Affairs. That company would then repay the loan, in an agreement with the city, at a subsidized interest rate.

After the money is paid back, it may then be used by the city for economic development. If needed it may be loaned out again, under the same guidelines.

A public hearing was held on the purposes and development of the Economic Development Program Grant Application, which was discussed above. The city sets its priorities for the application as economic development.

The second public hearing on the matter is scheduled for March 12.

City officials present for the meeting were Mayor Eris Ritchie, council members Bobby Ingram, Joe Besselaar, Brad Kimbrough, Linton Batters, Roy Dennis, City Manager Moore and City Secretary Ginger Johnson. Council member Bobby Rains was absent from the meeting.

Region Bands At CJC Contest

Eighteen bands from schools throughout this region were in Cisco Friday and Saturday, March 1 and 2, to participate in the annual Cisco Junior College High School Band Festival. Visitors numbering approximately 1,000 were expected in town for the event.

Director of the event was Tim Jones, college band director, and he was supervising the program.

The festival got underway at 1 p.m. Friday with the Boyd High School band playing. Other bands on the Friday, program were Abilene Christian High School, Throckmorton, Eastland, Ranger, Jim Ned, Tuscola, Early, West and Castleberry Band 1 of Fort Worth.

The Saturday program was scheduled to begin at 9 a.m. and to continue until about 4 p.m. Bands on the Saturday program were Cisco, Castleberry Band II of Fort Worth, Dublin, Brewer Band III of Fort Worth, Coleman, Carroll, Kaufman, Brewer II and Decatur.

Dr. Ed George of Abilene Christian University and Scott Mather of Hardin-Simmons University were

the band concert judges, and Doug Fry of Abilene was the judge for sight reading.

In addition to concert playing, there were solo and ensemble contests as well as competition for instrumental music, twirling, rifles and the like.

The visiting bands included those from all sizes of schools, from Class 1-A through Class 4-A.

Mr. Jones reported that the annual CJC High School Choir Festival will be held here March 23, and the annual CJC Junior Music Festival is scheduled for March 29 and 30.

Leadership

Seminar Set

In Eastland

Dan Bullock, community leadership representative of Governor Mark White's office will head the list of noted speakers on hand Tuesday, March 12th at Lone Cedar Country Club for a county-wide leadership seminar.

The purpose of the meeting will be to organize efforts to promote economic and industrial growth in the Eastland County area, according to Delton Ake, chairman. "We hope to coordinate the efforts of every town in the county to bring new industry into the area," Ake said.

Dan Graham, regional coordinator of the Texas Economic Development Commission, Loyd Stoenner, manager for area development for Texas Electric Service Co. and Ken Burdick, industrial development manager for Lone Star Gas Company will also participate in the meeting.

The seminar will kick off with a hospitality mixer at 5 p.m. followed by a buffet dinner at 5:45 p.m. and the program at 6:30 p.m. Cost of the dinner is \$4 per plate. The meeting is open to any interested persons.

The guest speakers will be sharing information about industrial growth trends within the state and nation and will tell the group how Eastland County can improve its chances of attracting job-creating businesses and industries.

The formal organization of the Eastland County Economic Development Council will also be on the agenda of the meeting.

Reservations may be made by contacting the Chamber of Commerce offices in Cisco, Eastland, or Ranger, or by contacting one of the following persons:

Carbon-Kenn Norris, Cisco; Brad Kimbrough or Dick Woolley, Eastland; Delton Ake or Carl Conger, Gorman; Joe Bennett or

Monty Montgomery, Ranger; Tommy Brasher, Ron Butler II or Ben Lancaster, Rising Star; Doris Griffin or Don Landers.

1st Industrial

Arts Club

Meeting Is Held

The First Industrial Arts Club meeting was held February 21, 1985 at 2:00 p.m. in the Women's Federated Club House.

Ruby Lee Pirtle, club president, called the meeting to order. Muri Guyger led the collect and pledges to the flags. After a short business session, Faye Gardenhire introduced the writer, author, and columnist, Viola Payne as speaker for the program.

Viola Payne gave an interesting review of her book, Scurry County Style, which was an outgrowth from columns she had written in her girlhood for the Scurry County newspaper. The articles were so appealing that the University of Texas Press contacted her and offered to bind them into a book.

Viola encouraged those persons present to be listening to stories and writing down information about their families for their children and future generations.

In addition to her own book, Viola showed another publication, Piece Work, an anthology which is a compilation of articles, stories, and poems, written by members of the Cisco Writer's Club. The art work was done by a member of the club.

This latest book is just off the press and will be on sale at the Cisco Writer's Club tenth birthday observance at the Community Room at the First National Bank Tuesday, March 5.

Club members were reminded of two upcoming occasions:

The GFWC/TFWC Heart of Texas District Spring Convention to be held in Brownwood March 16. Reservations should be made by March 6; and the Texas Day Tea, sponsored by the City Federation of Women's Clubs to be March 7, 2:00 p.m., at the Fellowship Hall of the First Baptist Church in Cisco.

CJC Will Offer

Real Estate

Law & Contracts

Cisco Junior College will offer Real Estate Law and Contracts March 16-17, March 23-24, March 30-31. This course meets three consecutive weekends on Saturdays from 8 a.m. to 5 p.m. and Sundays from 9 a.m. to 5 p.m. for three semester hours (45 classroom hours) of credit. This course is approved by the Texas Real Estate Commission.

Cost for the class is \$90.00 for tuition and \$18.00 for the textbook. The class will be taught in Westgate Mall.

For further information call Cisco Junior College in Abilene at 698-2212 and ask for the Real Estate Coordinator.

Federation Of

Womens' Clubs

Will Host Tea

The Cisco Federation of Womens Clubs will host its annual Texas Day Tea, Thurs, March 7, at 2:00 p.m. in the Fellowship Hall of the First Baptist Church in Cisco.

Mrs. Sandra Fox of Albany, who has been appointed to the Coordinating Board of Texas Sesquicentennial Commission, will present a film and speaking program to help acquaint those attending with Statewide plans for the 150th Birthday of Texas to be celebrated in 1986.

This will be an opportune time for leaders of local and community groups and organizations to share ideas and activities being examined in the planned program. Member clubs are The First Industrial Arts, Delta Kappa Gamma Society, The Cisco Music Study Club, Cisco Garden Club, Lake Cisco Extension Club, and Twentieth Century Club.

A special invitation is extended to anyone interested in joining any of the member clubs and taking part in the planned program. Thank you so very much for your interest and concern.

Pat Wallace - Adult Sponsor and Russ Williams - youth President.

Mike Sherman

Honored With

Recognition

Michael Don Sherman, 1981 graduate of Cisco High School and a senior geology major at Tarleton State University, Stephenville, has been honored with "Distinguished Student" recognition and has received the Dick Smith Scholarship in Science.

Recipients of these awards must earn a total cumulative average of 3.25 grade point ratio out of a possible 4.0 and be registered for 15 semester hours.

Mike is the son of Don and Nell Sherman of Cisco.

Autograph Party Set By Writers

Cisco Writer's Club members invite the public to attend a special meeting at the Community Room of the First National Bank on Tuesday, March 5, 7 p.m.

The program will include an Autograph Party for the Club book "Piecework", which features a collection of writing from fourteen different members.

"Piecework" was printed by Roberts Printing Co., and has an attractive cover designed by Bill Roberts.

The Cisco Writer's Club is now ten years old. It began in February, 1975 with the desire to promote good writing in the area. It has

since provided a forum where writers can meet and share information.

Some of the Charter Members were Catherine Worthy, Helen Wallace, Lela Latch Lloyd, Allye Terrell, J.B. Reed Jr., Ora Lee Woods, Vida Killion, Lou Prange and Viola Payne.

Presidents who have led the group are Ora Lee Woods, J.B. Reed Jr., Viola Payne, Bill Roberts, Christine Reich and Lela Latch Lloyd. Mrs. Lloyd, the current President, is now serving her second term.

A number of the "Piecework" authors are expected to be present at the March 5 meeting.

Methodist Youth

Plan Ski Trip

The Methodist Youth are happy to report that they have raised the funds for their Ski Trip to Red River, New Mexico because of the community's great response to the car wash, bake sale, luncheon and other donations. It is with deep appreciation and thankfulness to you that this event for our youth is possible. Thank you so very much for your interest and concern.

Pat Wallace - Adult Sponsor and Russ Williams - youth President.

Lions Club To

Select Officers

A nominating committee headed by C.B. (Runt) Dill, immediate past president, will meet at 7 p.m. Monday at the Colony Restaurant to select a slate of officers for the Cisco Lions Club for the year beginning July 1, it was announced at the club's weekly luncheon last Wednesday noon.

Mr. Dill asked all past presidents of the club to serve on the committee and to attend the meeting.

President Bob Conner announced that the club's board of directors will meet Tuesday at 7 a.m. for breakfast at the Colony. Business will be transacted.

Lion Earl Ray showed a picture slide presentation on the Civil War as the program feature at the luncheon.

May 2, 1985
National Day of Prayer
Take 5 at 12

"We are all God's handiwork, and it is appropriate for us as individuals and as a Nation to call to Him in prayer."

President Ronald Reagan in his proclamation of May 2 as the 1985 National Day of Prayer.

On May 2, you will have the opportunity to join in prayer with other Americans across the nation.

From 12 noon until 12:05 p.m. that day, bells will ring and people throughout the United States will bow their heads to acknowledge dependence upon God, give thanks to Him for His blessings through the years, and intercede for our nation and its leaders.

Join your fellow American citizens and take at least five minutes at 12. Pray for our country and the men and women who lead it.

If you think this is the only way to reach every household in the area, then think again!

Two Students Listed On ACU's Honor Roll

Two students from the Cisco area have been listed on the Dean's Honor Roll at Abilene Christian University for the fall 1984 semester.

To be listed on the honor roll, a student must earn at least a 3.45 grade point average on a 4.0 scale while enrolled for a grade in at least 12 semester hours.

Students honored from Cisco are:

Zachary Blayne Hunt, son of Mildred Hunt of Route 4, Box 12 in Cisco; Sheila Denise Prickett, daughter of Bobbie and Carol Prickett of Route 2, Box 7A in Cisco.

40 Years Later

by
Margaret
DeFord

Rome/Roma

The Vatican City
More than 99.5 per cent of the Italians belong to the Roman Catholic Church. Rome has been the center of this faith since the 300's. At one time the Catholic Church had full control of broad lands in central Italy.

After Italy became a nation, the Italian government claimed power over the land. Pope Pius IX protested this claim and announced that from then on he would consider himself a prisoner in the Vatican. The popes who came after him continued this method of protest until 1929.

At that time, Benito Mussolini, the dictator of Italy, made an agreement that restored the pope to the position of sovereign ruler of a new, though much smaller, papal state.

It is the smallest independent state in the world and is the spiritual and government center of the Roman Catholic Church, the largest Christian church in the world. Vatican City covers only 108.7 acres, but it directs the spiritual life of about 572,000,000 Roman Catholics. It lies entirely within the city of Rome but it is foreign soil to Italian Citizens.

The official name of Vatican City in Italian is Stato Della Citta' (The State of the Vatican City.)

Vatican City is about as large as an average city park and has a population of over one thousand persons. It lies on Vatican Hill in northwestern Rome, just west of the Tiber River. High stone walls surround most of the city. The irregularly-shaped area within these walls contains picturesque buildings in "severaf" architectural styles.

It also contains many courtyards, landscaped gardens, and with its stately dome, dominates the entire city.

St. Peter's church is the largest Christian church in the world.

Emperor Constantine wished the first great early Christian Basilica to be built on the spot where St. Peter met his death, and where so many Christians had been

persecuted. It is the second church to stand above the crypt (tome) which is believed to contain the body of St. Peter, the first pope.

The church was begun in 325 by Constantine.

It was modeled on the Basilica, a rectangular building used as a meeting hall by the Romans. Four rows of columns, extending almost the length of the church, divide it into a nave with two aisles on either side. Throughout the Middle Ages many persons made pilgrimages to the church. In 1506, Pope Julius II decided to rebuild the church completely. He demolished it so thoroughly that only the bomb and a few small details remain. Rebuilding Saint Peter's took almost 150 years. During this time, 10 different architects worked on the church and changed its design. The first was Donato Bramante, who designed a dome, perfectly symmetrical church in the form of a Greek Cross, but the nave was lengthened so that the church took the form of a Latin cross. Michelangelo became the church's architect in the 1540's when he was over 70 years old. The building was dedicated in 1622 by Pope Urban VIII.

From a great distance, the whole church appears to be set on a stage. A mile-long avenue leads from the Tiber River to the Piazza di San Pietro (Square of Saint Peter,) a large open space in front of the church.

Double colonnades arranged in semicircles on two sides of the piazza seem to draw the visitor into the church. In the center of the piazza stands a red granite "obelisk" (shaft) that is 85 feet high. It was brought to Rome from Egypt about A.D. 37, and was moved to the piazza in 1586.

There is a great flight of stairs in front of the Church, and then the facade rises with its powerful architectural development. It consists of an order of columns projecting from the masonry, with a cornice above, in the center of which is carved the name of Pope Paul V.

Between the columns are windows, the largest of which is the Loggia of the Benedictions. It is here the

Pope appears to impart his blessing "Urbis Orbi" to the great crowd of people who gather in the square. Special audiences in St. Peter's Square of His Holiness Pope John Paul II are held every Wednesday, and people from all over the world attend this special service and visit the Vatican.

Through the entrance along the front, one steps into the Vestibule and it is decorated with stucco and mosaics. Then one sees the two famous doors, the Bronze Door on the left which formed part of the Old St. Peter's and is divided into sculptured panels and the Holy Door which is opened only during Holy Years.

One now enters the Church, and indeed, the visitor immediately gets the impression of majesty, and grandeur, not only owing to its exceptional dimensions, but above all allowing to the whole effect of the architectural and decorative elements. The church is decorated in baroque style. Its most famous features are the work of Bernini, who was also a sculptor. He built the elaborate bronze canopy over the main altar, which stands beneath the Dome. Marble, gilding, and mosaics decorate the walls and ceiling of the Church. Chapels, altars and tombs line the wall, Michelangelo's

famous sculpture, the Pieta's stands in one of the chapels.

The Chapel of St. Michael the Archangel, contains the imposing Chair of St. Peter. It is a solemn, luminous creation, in which the artist's imagination has been given free rein, achieving magnificent effects. It enclosed a wooden chair which according to tradition belonged to St. Peter.

Then the Altar of St. Peter's Crucifixion, a mosaic of this subject, after Guido Reni's painting.

Then the Sacristy is visited, and the famous Treasure of St. Peter's, kept in the Treasury, consisting of wealth of items and jewels of incalculable value, the gift of thousands of worshippers.

The Vatican Palace consists of a large group of buildings, a few of which serve as the residence of the Pope and the Pontifical Court, while most of them house Museums, Galleries, Libraries and Archives.

The Vatican Museums contain great works of art. After the reign of Pope Julius II, who collected mainly classical sculptures, other Popes continued and completed this work of choosing and collecting the greatest art treasures.

And then the Vatican Picture Gallery which also contains great masterpieces from the ancient world to the present world.

The Vatican Archive contains important religious and historical documents. Pope Paul V organized the archive in 1612. It houses such important documents

as the original report on the trial of Galileo (1633) the request of the English Parliament for the annulment of the marriage of Henry VIII to Catherine of Aragon (1530), and the concordat of Napoleon (1801).

The Vatican Library has one of the world's largest and most valuable collections of early manuscripts and books.

In order to ascend to Michaelangelo's Dome, one takes a tour inside the church, near the Monument to Maria Clementina Soblesky. From the Dome, one gets a fine view of the interior of the Church, and also enjoys a wonderful view over Rome.

It is also interesting to visit the Vatican Grottos, which stretch under the Basilica and the adjoining areas. They contain coffins from the previous Basilica as well as tombs dating from early Roman times. Here, too, the Tomb of St. Peter has been discovered, in the exact spot indicated by tradition.

The Pope, as absolute ruler of the Vatican, heads all branches of the government, but since he devotes his time primarily to spiritual and ecclesiastical matters, he delegates most of his temporal authority to other officials.

Vatican City issues its own postage stamps, coins, and

automobile license plates. The pope's yellow-and white banner is the official state flag.

Vatican city does not have an army or navy capable of fighting a war. But it does have its own "armed forces". The most famous of these are the Swiss Guards, who protect the pope and serve as sentries. Their yellow, orange, and blue uniforms are said to have been designed by Michelangelo. Other armed forces include the Nobel Guards who are body guards and escorts of the Pope, the Palatine Guards the popes (militia) and the Pontifical Gendarmery (the Pope's police force).

Diplomatic Corps of Vatican City includes about 60 ambassadors (legates) as well as other diplomatic personnel. Apostolic delegates serve in the U.S., Canada, Great Britain, Mexico and several other countries.

The Vatican publishers L'Osservatore Romano, one of the most influential daily newspapers in the world. It also has powerful radio and TV transmitters which broadcast news and papal messages in 30 languages.

The Vatican maintains its own mail system, telephone and telegraph systems, water supply and lighting and street-cleaning services. It also has its own bank, a large printing plant, a rarely

occupied jail. Although the state has its own railroad station, no one has ever bought a ticket to Vatican city. The 300 yards of track that connect the station with an Italian railroad carries only freight.

Many felt as Stendhal who exclaimed: "Nothing in the world is comparable to the interior of Saint Peter's. After a year's stay in Rome, I still went there to spend long hours with pleasure."

Elite Beauty Salon, Of Cisco Has New Owner

Mrs. Dessie Covington, director of Cosmetology at Cisco Junior College, has announced the sale of the Elite Beauty Salon, 509 West 2nd Street in Cisco, to Mrs. Carmen Rosales, long-time employee of the firm.

The new owner is a graduate of Cisco Junior College's Cosmetology School with both operator's and instructor's licenses and serves as a substitute instructor at the school. She is the wife of Frank Rosales and they are the parents of three children. She has been employed at the Elite for ten

years.

Mrs. Covington purchased the business from Mrs. Elizabeth Donica in 1963 and erected the Elite shop building at 509 West 2nd Street. She has owned and operated the business for some 22 years.

In connection with the sale, Mrs. Covington said that she plans to continue to serve as director of Cosmetology at CJC where she has worked for five years. She currently has 25 students who are taking courses that will qualify them to take the State Board

exam and work in the cosmetology field.

Mrs. Covington was notified recently by the State Board that her CJC students have scored an average of 96.6 on their exam tests. "We expect to maintain that good mark and try to better it," she said.

Mrs. Covington is the wife of Clifton Covington, employee of Lone Star Gas Company at the Pueblo plant north of Cisco. They are members of the East Cisco Baptist Church.

"The people of this area have been wonderful and the success of the business was due to their faithfulness," she said. "I will always treasure the friendships I have made."

Mrs. Rosales said that she was "extremely pleased to assume management of the Elite, and I am excited to have the opportunity to serve its clientele in the manner in which they are accustomed."

Two other operators who work in the salon are Janet Love shown in the above photo with Mrs. Rosales. She has worked at the Elite for 1 1/2 years. Also working there is Nola Edgin who has worked 3 months.

Mrs. Dessie Covington

Carmen Rosales and Janet Love

Annual Microplex Photo Club

The 1985 Annual Microplex Photo Club contest and exhibition will be held on Saturday, April 27 with judging beginning at 5:30 p.m. There is an entry fee of \$1.00 per entry.

All prints should be brought to the Eastland Bank Community Room between 12:00 and 4:00 p.m. Saturday, April 27. Entries are to be picked up between 3:30 and 4:00 p.m., Sunday, April 28.

Slides will be shown at 1:00, 2:00 and 3:00 p.m. on Sunday, April 28.

Categories to enter are: Color, nature, action and open; Black and White, nature, action and open; Slide, nature, action and open; and Novice, open.

Rules are: Prints must be either 5x7 or 8x10; All prints must be matted and unframed; Name, address, phone number and category should be placed on the back of each entry or on each slide entered; Entrants 15 or under must enter the Novice class; Ribbons and prizes will be awarded for each adult category; A trophy will

be awarded for first, and ribbons for 2nd and 3rd place in the novice category; There will be a best of show for adult prints as well as a best of show for slides; and The judge for the contest will be from out of Eastland County.

All reasonable security and care will be exercised. However the Microplex Photo Club or any member thereof will not be responsible for any damage to entries.

For more information, contact Marti Mitchell at 629-2867, Mildred Raney at 629-2798 or Ron Mouser at 442-3775.

Lights From The Christian World

by Josephine Cleveland

MOMENT BY MOMENT

"And not being weak in faith, he considered not his own body, now dead, when he was about a hundred years old, neither yet the deadness of Sarah's womb. (Romans 4:19)

If God had revealed to Abraham that he must wait for years before the promise son would be given to him, there is the possibility that Abraham might have staggered and lost faith.

Jesus in His wisdom conceals the future from us. He has His set time for everything. It is not well for us to know the future for our hearts may fail us. In kindness and with love Jesus

strengthens His own one day at a time.

Abraham did not stagger at the promise of God but was strong in faith, giving glory to God. He was fully persuaded that what God had promised, He was able to do.

Look up, waiting one. Jesus will not disappoint you.

"Some glorious morn—but when?
Ah, who shall say?
The steepest mountain will become a plain.
These things shall be on God's appointed day;
It may not be tomorrow—yet it may."

CHANGE OF MANAGEMENT... ELITE SALON UNDER NEW MANAGEMENT

CARMEN ROSALES IS NEW ELITE MANAGER

I am extremely pleased to have the opportunity to manage the Elite Beauty Salon. I have lived in Cisco most of my life and have met many wonderful people, some of whom are our clientele.

I have been employed by the Elite for approximately 10 years and have enjoyed my work and the atmosphere very much. I am excited to have the chance to serve you in the manner in which you are accustomed.

Our motto is "We do it all and we do it all well," and that is still our intention—to please our clientele.

We appreciate you and the patronage you have given us in the past, and we are looking to the future with you in mind. It is our pleasure to serv you.

County News Briefs

EASTLAND

Kenneth T. Murphy of Abilene and James L. Keffer of Eastland have been elected as Directors and Lawrence Bertsch of Eastland has been promoted to Assistant Vice-President of Eastland National Bank. Murphy is Chairman of the Board and Chief Executive Officer of the First National Bank of Abilene, and Keffer is Vice President and Assistant General Manager of EBBA Iron, Inc. of Eastland. Bertsch joined the Eastland National Bank staff in August, 1983, and was promoted to comptroller Dec. 21, 1983.

Dan Bullock, community leadership representative of Gov. Mark White's office, will head the list of speakers at the County-wide leadership seminar to be held at Lone Cedar Country Club March 12. The seminar will begin with a "hospitality mixer" at 5 p.m., followed by a buffet dinner at 5:45 p.m. and the program at 6:30 p.m. Cost of the dinner is \$4 per plate, and the meeting is open to any interested person. Reservations may be made by contacting the Chamber of Commerce offices in Eastland, Cisco or Ranger.

Dr. Gary Easley, a dentist with offices located in DeLeon, is moving to Eastland. He plans to relocate here in the offices on North Main formerly occupied by Dr. Tim Tannich. The move is expected to be completed by March 16. More announcements will be forthcoming.

RANGER

Ron Butler II has been elected President of the Ranger Chamber of Commerce. Ed Watson was elected Vice-President and Doug Crawley Secretary-Treasurer. The new officers will be installed at the annual Chamber of Commerce Banquet, which will be held Tuesday, Mar. 19, 7 p.m. at the Ranger School Cafeteria. Tickets are now on sale from any Chamber Director, or at the Chamber office in the Depot. The price is \$7.50 each, and Oscar's Barbeque of Cisco will cater the meal.

Tom Dunn, President of First State Bank, Ranger, has been elected the new Chairman of District Seven of the Texas Bankers Association. In this District there are 101 state banks and 119 national banks located in 40 counties in the north-west area of Texas. Bobby Airhart, chairman of the Winters State Bank, has been elected to the Board of Directors of the Texas Bankers Association. Dunn and Airhart will take office after a TBA convention in Austin May 1-3.

The Ranger General Hospital is having their annual Blood Drive on March 7 from 1 to 6 p.m. All interested persons of the community are urged to participate.

The Ranger Church of God, on Old Strawn Road, will have Gospel Singing Saturday, March 2 at 6 p.m. Featured singers will be the Vurns and Moore family from the Metroplex area. Everyone is cordially invited. Refreshments will be served after the singing.

RISING STAR

The gas audit is still underway in Rising Star, attempting to discover the gas loss somewhere in the city. No answers have been discovered, and the loss is costing the town \$2,000 per month under heavy risk insurance. Citizens are cooperating with City Hall in watching for leaks in the line.

Donations are growing for the project of improving City Park (Colquett E. Williams Memorial Park). Casey Pitman and Ozzie Burns have painted the picnic tables, and West Texas Utilities Co. has offered to donate needed electrical work. D&T Building Supply has donated boards for the see-

saws, and students in shop class at Rising Star High will shape the boards and put them into place. Higginbotham's donated paint for the picnic tables. The First State Bank and numerous other businesses and individuals have contributed money and effort.

A new business has opened in town - Main Street Auto Repair. Jackie Palmore is the owner, and his wife, Marty, will assist him in the bookkeeping department. Palmore holds a certificate in Auto Mechanics, and was formerly employed at Bakers Garage in May. He specializes in tune-ups and brake jobs, and plans to do body work and painting. The shop is located on the corner of North Main and West Mill St.

The Snak Shak and Senior Class are sponsoring a Mexican Food Supper Tuesday, March 5 from 6 to 9 p.m. at the Snak Shak. Adult tickets are \$4.50 and children 12 and under, \$2.50. All tickets must be bought in advance from any Senior Class member. Call the High School and leave a message and a Senior will call you back. Mary Espinoza, owner of the Snak Shak, has volunteered to assist in this to help the Senior Class raise money for a trip.

The next meeting of the Saturday Club will be held on Wednesday, March 6 at the home of Barbara McCollum. A program entitled "Needle Art" will be presented.

CISCO

Reservations are being accepted for the March luncheon for women of the Cisco Country Club. It will be held at noon Wednesday, March 6, with Susan Hanlon as caterer. New members of the Club will be honorees at the event. Hostesses will be Dorcas Sitton, Helen Heyser, Jesse Puppen, Catherine Abbott, Nadine Elliott, Dorothy Farnsworth,

Laverne Andrews, Evelyn Daniels, Margy Mitchem and Joy Worley.

The Cisco Writer's Club will present their book "Piecework" at an autograph party Tuesday, March 5, 7 p.m. in the Community Room of the First National Bank. This will be held along with a regular meeting of the Club. "Piecework" has prose and poetry from a number of people in the area, and authors will be on hand to autograph copies purchased. Come out and enjoy the event.

Mrs. Louise Cooper, legal secretary at the offices of W.B. Wright, was honored at a reception Friday, March 1 on the occasion of her retirement. Mrs. Cooper has worked at the Wright offices for 23 years.

Mrs. Tommie (Barbara) Pope will join the legal staff at Mrs. Wright's office on Monday, March 4. She has been employed for the past year at the Cisco Junior College Library.

A Country-Western Musical will be held at 7 p.m. Saturday, March 2 at the Scranton Community Center. There will be a stew supper along with the event. All area musicians are invited to attend.

Mrs. Annita Ritchie Completes Training For Smithlawn Home

Lubbock-Mrs. Annita Ritchie of Cisco, who has been a field representative for Smithlawn Maternity Home of Lubbock for the past two years, has recently completed field training for work as a counselor and consultant for young women with unplanned pregnancies. She also completed a workshop on home evaluations for prospective adoptive parents during the weekend of February 21-23 at the Smithlawn headquarters in Lubbock. The home/agency is a service of the Smithlawn Church of Christ in Lubbock. Mrs. Ritchie is now qualified, as a representative of Smithlawn, to provide free counseling for any women with unplanned pregnancies who reside in the West Central Texas area, and this service is now available. Free pregnancy

Large Group Attends SCORE/ACE Meeting

There was a large group of Eastland merchants present Tuesday night for the Seminar, sponsored by SCORE/ACE and the Retail Trades Committee of the Eastland Chamber of Commerce.

Some of the topics presented by Mr. Prock were: How to control your cash flow and inventory through proper planning, the need to train your employees in sales technique and making proper change, detection of shoplifters, how to recognize bad checks and how to collect if you do receive one, accounts

receivable and accounts payable, how to handle complaints, and how to obtain proper financing.

There are a wide range of topics available under the SCORE/ACE program. If you would like to have a Seminar held on any of the topics mentioned above, or if there is a topic we have not mentioned, that you need expert advice in, please contact Gene White, Chairman of the Retail Trades Committee, at Eastland Office Supply and Radio Shack. The number is 629-8942, or call the Chamber of Commerce at 629-2332.

testing may also be arranged through Mrs. Ritchie. She may be reached at 817-442-1613.

Howard Hulett, Executive Director of Smithlawn, stated that the agency was very pleased to now have Mrs. Ritchie as a qualified field representative for counseling and home studies in Cisco, Eastland County, and the West Central Texas area.

Sunday, March 3, 1985

Notice

The regular monthly singing at Mangum Baptist Church will be held Thursday, March 28, at 7 p.m. Everyone is invited to attend.

There will be a dance at Lone Cedar Country Club Saturday, March 9, from 9 p.m. until 1 a.m. Everyone is invited. Music will be furnished by The Lone Star Revue Country Music Band.

Baird

Gaeta-Cain Vows Exchanged Feb. 2

Patricia Ann Gaeta and Ralph M. (Butch) Cain Jr. were united in marriage in a double ring ceremony at 4:00 p.m. on Saturday, Feb. 2, 1985 at St. Rita's Catholic Church in Ranger. Officiating the nuptial mass were Rev. James Miller and Rev. Hector Medina.

The bride is the daughter of Mr. and Mrs. Ruben Gaeta Sr. of Eastland. She was a 1982 graduate of Eastland High School and a graduate of The Dallas Fashion and Art Institute with an associate degree in Merchandising.

The bridegroom is the son of Mr. and Mrs. Bobbie Hartley of New Orleans, La. He was also a 1982 graduate of Eastland High School and attended Tarleton State University.

Serving as Maid of Honor was Edie Edge of Ft. Worth. Bridesmaid including: Melissa Robinson of Dallas, Carol Ann Webb of Eastland, Joni Swift of Arlington, Kathy Maynard of Lubbock, Lori Nichols of Arlington, Cara Nichols of Arlington and Debbie Schaffer of Eules.

Serving as Best Man was Isaac Orosoo of Eastland.

Groomsmen including: Tommy Quiroga of Eules, Larry Blackwell of Stephenville, Ken Swift of Arlington, Steve Morgan of Eastland, Mike Truran of Eastland, Terry Fuller of Stephenville and John Jimenez of Austin.

Padrinos of the Wedding Party were: Maggie Jimenez of Eastland and Ruben Gaeta Jr. of Eastland, Mary Jimenez of Eastland Larry Bolles of Oklahoma, Mr. and Mrs. Alex Jimenez of Arlington, Mr. and Mrs. Julio Jimenez of Ft. Worth, Mr. and Mrs. Gary Hall of Mineral Wells, Mr. and Mrs. Bill Hester of Millsap, Mr. and Mrs. Paul Escabedo of Weatherford, Mr. and Mrs. Bill Hester of Cisco, Mr. and Mrs. Gilbert Garces of Eastland, Mr. and Mrs. Steve Lopez of Eastland.

Flower girl was Miss Victoria Jimenez of Eastland, the Ring Bearer was Mr. Julio Jimenez III of Ft. Worth, and Train Pager was Miss April Sky Gaeta of Eastland.

Ushers included: Shannon Housson of Austin, Darrel Basham of Austin, Mike Keith of Eastland, and Darryn Willoughby of Stephenville.

The brides dress of a Faille fabric had a bouffant style bodice which was decorated with 10 tiers of Embroidered Organza lace and a cathedral train. The dress had a scooped neckline with leg-of-mutton designed sleeves accented with seeded pearls. Her veil was of a wreath shape with seeded pearls which hung on the sides accented with a chapel length veil. Her bridal bouquet consisted of white and burgandy roses, daisies and scalloped with pink sweetheart rosebuds and greenery.

The mother of the bride wore a floor length rose colored dress made of a poly-silk chiffon material. It was emphasized with a overlap which connected at the left shoulder and was trimmed in silver sequins.

The step-mother of the groom wore a light pink floor length dress also. The ensemble consisted of a high collar lace neckline with long sleeves made of embroidered organza lace.

Both bridesmaids and Padrina's attire were floor length dresses in the colors of burgandy and rose. They were made of brocade satin and hung slightly off the shoulders. They all carried a long stem single rose with baby's breath and greenery.

The flower girl and train pager wore white floor length dresses made of silk-faced satin with 4 tiers of organza lace.

The bride chose deep burgandy and rose for her wedding colors. The church was decorated with brass candleabras and two arrangements of silk flowers. The wedding ceremony carried on the Mexican tradition with the Padrinos, (Couples in which the bride and groom have chosen to stand in their wedding) presenting the lasso, coins, and cushions all the way to the couples final blessing by the bride's grandmother Michaela Jimenez.

The Processional music included trumpet voluntary played by Mr. Rick Moore of Ft. Worth. Mr. James Baudoin of New Orleans, La. was the singer. Mr. Moore and

Mr. Baudoin played a series of songs while guests were being seated and through the mass which included The Wedding Song, theme to "Ice Castles", and Truly with a piano solo of Longer Than, during communion.

A rehearsal buffet of Hor d'oeuvre was given by Mr. and Mrs. Ruben Gaeta Sr. in the fellowship hall of St. Rita's Catholic Church in Ranger.

A reception was also given by the bride and groom's families at the Jaycees Hall in Ranger with 310 guest present. The reception consisted of a catered Barbeque dinner and dance in honor of the Bride and Groom. The "Caparles," a Mariachi Band of Ft. Worth played from table to table during the dinner while the "Dantes Orchestra", of Dallas played later that evening during the wedding march and dance.

During the reception Miss Kathy Watson and Miss Carolyn Foster of Eastland served at the brides table with Mrs. Dolores Chapman and Mrs. Kathy Kincheol also of Eastland serving at the groom's table.

The brides table consisted of the wedding cake which was 4-tiers with staircases and waterfalls. The groom's table was decorated with a german chocolate cake, mints and coffee.

The couple traveled to Ixtapa and Alcapulco, Mexico for their honeymoon and returned Feb. 9. They plan to make their home in Eastland.

LOST & FOUND

Sheriff Don Underwood has reported that one Spanish goat and eight Mohair goats were found south of Carbon and are now penned up. Owner may contact the sheriff's office at 629-1774.

Additional Employees To Help With FmHA Loans

The Farmers Home Administration will hire additional temporary employees to help process farm loan applications in Texas FmHA State Director J. Lynn Futch said today.

"We will begin hiring the extra staff immediately," Futch said. "The new employees will be temporary. They will serve for four months to help with the seasonal loan peak and to process loans for hundreds of farmers who have re-

quested a review of their debt situation to see if they qualify for the new debt restructuring program."

Under the new program, farmers who are having trouble meeting their FmHA payments, may have their loans rescheduled or have up to 25 percent of their loans, up to \$200,000, set aside for five years with no interest. Farm loans held by commercial banks and other lenders that are classified as

"problem loans," can be reduced by ten percent in exchange for an FmHA guarantee.

"We already know where qualified potential staff people are," Futch said, "and we hope to put them to work as soon as possible. Most of them are familiar with our loan processing requirements, and a minimum of new training should be required."

The additional personnel will be assigned to FmHA offices where the work load is greatest," Futch said. "The new temporary employees will include both loan specialists and clerical staff."

Kitchens Selling Local Subscription

Mickey Wayne Kitchens, of Eastland will be making telephone calls to sell subscribers to the Eastland Telegram, Cisco Press or Ranger Times.

You may either give your money to Mr. Kitchens to turn into us or mail it directly to us, or if you choose drop it by our office.

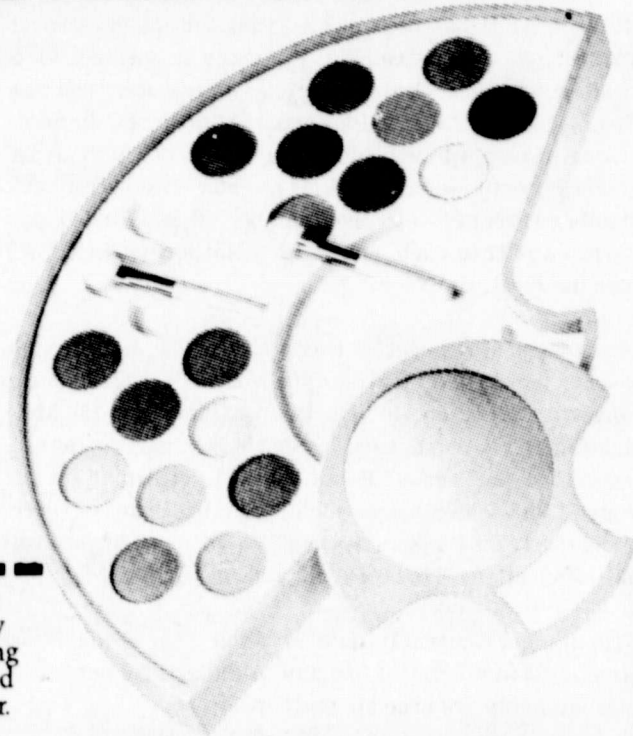

Mickey came to Eastland about 3½ months ago from Arlington.

newspapers

1st In Readers

More readers than ever before—
 86.3% read newspapers each week
 80.1% read their local newspapers
 69.6% read 5 or more daily issues
 84.3% read ALL weekly newspaper issues
 Some 74.4 percent of the affluent, better educated Texas adults **READ NEWSPAPERS!**

(Source: CDS)

1st Among Shoppers

Texas consumers choose their local newspaper as the usual source of "Best Buy" shopping information, **10 TIMES MORE THAN THEY DO RADIO OR TELEVISION.**

	Newspapers	Radio	TV
Where To Shop	57%	5%	9.3%
Cost of Products	57.1%	3.4%	8.3%
Best Buy Info	58.6%	3.2%	7.0%

(Source: CDS)

1st For Comparison

More than 8-out-of-10 (83%) of shoppers agree that newspaper ads make it easier to compare prices—far greater than do all other mediums combined.

(Source: National Advertising Bureau's 1983 Shopping Survey)

1st For Coupons

Most Texans clip coupons from the issues of their local newspapers.

Newspaper Readers Who Clip Coupons	Percent
Weekly	41.2%
Once-In-A-While	24.1%
Monthly	6.0%

(Source: CDS)

1st In Immediacy And Permanence

SPEED

Newspapers provide the most effective and immediate service for product and service ads, price changing, couponing and news and ad response.

PERMANENT

Newspapers provide a permanent record for every reader... each copy always available when you get the time to read it. They don't disappear into thin air... or clutter the post office lobby.

 Eastland, Texas 76448

NEWSPAPER LEADERSHIP FOR TEXAS PROVEN BY EVERY TEST

* CURRENT RESEARCH reports by Consumer Data Service (CDS), of Oklahoma City, show that 86.3 percent of Texans are reading newspapers every week... including more than 80 percent who read their local community newspaper.

* Texas is populated by 15,400,000 persons comprising 5,450,000 households earning more than \$147-Billion each year and spending \$84-Billion for retail goods, according to U. S. Census reports in January, 1983—**FACTS THAT CAN BE REPORTED IN DETAIL ONLY BY NEWSPAPERS.**

* Texas newspapers spend millions of dollars each year on new technology to provide superior news-gathering services, better reproduction methods and faster delivery systems... and more effective advertising techniques to activate consumers.

* In 1983, over 10.6-million tons of newsprint were consumed in the U. S.—equal to almost 100 pounds for every man, woman and child in this country—an increase of over 16% since 1970.

* ADVERTISERS SPEND THE MOST for newspaper ads:

\$20.6 Billion in 1983
 \$ 5.0 Billion **MORE** than tv
 \$16.0 Billion **MORE** than radio
 \$ 9.0 Billion **MORE** than direct mail
 \$17.0 Billion **MORE** than magazines

... and today's advertisers are the world's most successful business people... their expenditures put **NEWSPAPERS FIRST!!** because newspapers are by far the most effective.

(Source: National Advertising Bureau, NY)

* Texas is served by 583 newspapers with a combined circulation of 5,300,000... and each newspaper is read by two or more consumers. A lot of swat for advertisers!

* Americans spend over 6 billion dollars a year to buy their favorite newspapers. They don't turn them off, or toss them on the post office floor. **THEY READ THEM...** because they thought enough of them to buy them!

1st In Ad Influence

The majority of Texas consumers read and react to news and advertising in their local newspapers.

86.3% read a newspaper this past week
 71.9% usually read its grocery ads
 69.2% usually read department store, and discount store ads in newspapers
 57.0% will most likely turn to newspapers for shopping information

(Source: CDS)

1st In Flexibility

CHOICE OF MARKET

Every market in Texas can be reached through its 583 newspapers. Campaigns can be local, regional or statewide.

SHORT CLOSING

Ad can be created in the morning, produced in the afternoon and run in tomorrow's editions.

TOP EFFICIENCY

More than 75 percent of Texas newspapers have converted to SAUs (6-column page size) for greater convenience to the advertiser. And most newspapers have total-market-coverage packages.

1st For All Ages

Texans of all ages are frequent readers of the local newspaper. The majority of Texans read newspapers... **REGULARLY***

Age Bracket	Percent Reading
25-34	69%
35-49	74.3%
50-64	72.6%
65 and over	68.5%

(Source: CDS)

1st For Every Income

Every category of Texan reads the newspaper, regardless of their incomes. And as income increases... so generally does the readership of Texas newspapers.

Income	Percent Reading
Under \$10,000	63.9%
\$10-20,000	72.3%
\$20-30,000	70.9%
\$30-50,000	77.2%
Over \$50,000	74.5%

with Bural Chambers Cisco Funeral Home

WE PERFORM AT LEAST 85 SERVICES FOR A FUNERAL!

We handle a myriad of details for each funeral to meet the special wishes and needs of the family. As funeral directors, we often help out for several months after the funeral to make sure all details are completed.

It is important for funeral directors to consult at length with the family on literally dozens of details. Here are just a few of them:

FUNERAL: setting its time and who is to officiate; choice of casket and clothing, music, Scriptures, etc.

CEMETERY: purchase of lot or opening of family plot; getting permits.

NOTICES: arranging death certificates, obituaries, notifying fraternal (or other) groups, distant relatives.

FUNERAL DAY: organizing service details; helping conduct service; providing family cars and organizing procession.

CLAIMS: helping family file for Social Security, military, union or insurance benefits.

Any of the 85 service details can cause grief when not handled right. We have to give EVERY funeral 110% of our time and attention to perform a service which comforts and fulfills the family's needs.

CISCO FUNERAL HOME

203 West 7th Street

817-442-1503

Owned and Operated by the Chambers Family.

Tuesday, March 12, 1985, at City Hall, 116 West 7th Street for the purpose of finalizing the activities and elements regarding an Economic Development Loan contained in the Economic Development Program Application. Authorization will be given by the City Council to submit this Application to the Texas Department of Community Affairs. All citizens, particularly low income residents, are invited and encouraged to attend.
03-03-85

Senior Citizens Nutrition Menu

In discussing the fact that Americans are healthier than ever, the American Council on Science and Health states that the causes of death have changed. In 1900, infectious diseases were primarily the cause of death. Today, chronic disease heads the list. As the population grows older, it is more prone to die of the four diseases that head the list today: heart diseases, cancer, stroke, and chronic obstructive pulmonary disease. Accidents are the fourth leading cause and the pulmonary disease is the fifth in cause of death.

There is no doubt that the population is living longer in the United States, but that is all the more reason that we should pay strict attention to our diet. Call 442-1557 on Monday, Wednesday or Friday and make reservations for a well-balanced meal.

The programs for the Senior Center during the past week were: A discussion in regard to the subject of nutrition, by Janet Thomas of the Eastland County Extension, a special exercise program was conducted, and the choir sang several old musical numbers. The Senior Citizens Band played new musical numbers.

The menus for the coming week will be:

Monday-- Ham, cheese macaroni salad, peas and carrots, orange whip with topping, bread, butter and

milk.
Wednesday-- Steak, golden potatoes with cheddar cheese, stewed tomatoes, with green beans, vegetable salad, canned apricot,

bread, butter and milk.

Friday-- Hungarian goulash, rice, carrots, tossed salad, gingerbread, bread, butter and milk.

letters to the editor ...

Dear Editor:

As a writer and journalist, it runs against my grain to see misinformation being placed for the public to read and to be set in print as "history."

I was pleased to see that Frank Vernon IV has enough interest in his heritage to want to find out about his family history. However, I feel the information he has discovered should be correct.

The Sunday, Feb. 24th edition of The Cisco Press contained the following statement:

"Mr. Vernon's great grandfather, Frank Vernon I, founded the Cisco Round-up, a weekly newspaper, here in the year 1890."

This statement is contrary to the information found in several places in the history recorded by the early settlers of Cisco.

I am currently researching the newspapers which

have been published in the city of Cisco and what I have discovered should give Frank Vernon IV not only more information concerning his great-grandfather, but also some correct information. (I am writing my Master's thesis in Communications at Abilene Christian University)

The first reference found is taken from the July 23, 1881 edition of the Fort Griffin Echo, in which the editor talks of a trainride he took to the "new city" of Cisco:

"...the Cisco Weekly Round-Up is a brand new newspaper venture, only three weeks old, but from its appearance we would say its proprietor, Mr. R.G. Luse is a veteran in the business."

Another source is a book written by F.B. Baillio, entitled History of the Texas Press Association. According to this source, Luse is mentioned as the owner until

1884 when he sold out to F.E. Larimar. Y.B. Yowell is listed as editor in 1887 and G.W. Rose from 1889-1894. Frank Vernon I is listed along with Rose as a delegate to the convention of the TPA beginning in 1893, and the only listing beginning in 1894.

Baillio says that in 1891, a man who was to make a great impression on the city of Cisco took over ownership of the Round-Up. That man was Frank Vernon. Vernon made his name and the city of Cisco well known all over the state when he was elected secretary of the Texas Press Association in 1899. He was on the program of the TPA's 20th annual convention and spoke on "The Mechanical Department of a Country Newspaper." As the Press stated, Vernon died in 1901 after serving as two years as secretary.

Still another source is the well-known History of Eastland County, written by Mrs. George Langston, and published in 1904. The book says:

"The subject of this sketch, now deceased, was most prominent factor in the development of the town from the time he came in 1891, as editor of the Round-Up, until his departure for a climate that would help him to hold the life fast ebbing away."

Having made journalism a life study, he published a crisp, newsy Democratic weekly paper, and became favorably known throughout the State in editorial circles.

He was a prominent member of the Texas Press Association, serving twice as its Secretary, and he was also affiliated with the National Editorial Association.

There are several enterprises in Cisco as evidences of his energy and capabilities, the most distinguished of which is the Public Library, the most practical of the telephone exchange and first long distance system in the County.

R.G. Luse, the founder of the Round-Up, apparently was a colorful figure in early Cisco. According to an article published in the Cisco Round-Up on March 21, 1919, and written by editor Greenleaf, Fisk, Luse came to Cisco on the train with the express purpose of

establishing a newspaper. His dilemma was that he couldn't come up with a name for his newspaper. Soon after his arrival, he was invited to go on a round-up by some of the local cattlemen. The article says it must have been the inspiration for the title, because Luse wrote in the first edition, which hit the streets of Cisco in June, 1881, "If the cattle men can have their annual round-ups, then why cannot we have a weekly round-up?"

Bill M. Roberts
Cisco, Texas
EDITORS' NOTE: Thanks to Mr. Roberts for sharing his newspaper research with us all. He is the author of a fine book on our community. We will be real pleased if an opportunity comes our way to read the newspaper research article. Mr. Roberts' interest in our history is appreciated by everyone. The value of his work will certainly grow with the years.

Little League Holds Business Meeting Feb. 25

The Cisco Little League held a business meeting and election on Feb. 25. Officers for the 1985 season are:

President, Harold Davis; Vice-President, Ron Rhodes; Secretary, Alura Davis; Treasurer, Linda Cozart; Player-Agent, Harrel Steddum; Chief Umpire, Jay Maples; and Equipment Manager, Jackie Witt.

The Board of Directors, in addition to the officers are Benton Lacy, Linda Witt, Sue Lacy, Morgan Fleming, Dennis Goosen, Dora Ramirez, Bural Chambers, and Melvin Wende.

Business discussed was filing a new charter with Little League headquarters, repairing rest rooms at the field; purchasing new equipment for the field; and establishing try out and game schedule.

The Cisco Little League would like to thank Harold and Vernell Reich at Western Auto for the donation of a refrigerator to be used in the concession stand.

DON'T DRIVE INTOXICATED

NOTICE CISCO INDEPENDENT SCHOOL DISTRICT NOTIFICATION OF NON-DISCRIMINATION IN VOCATIONAL EDUCATION PROGRAMS

Cisco ISD offers vocational programs in agriculture, homemaking and distributive education. It is the policy of Cisco ISD not to discriminate on the basis of sex, handicap, race, color, and national origin in its educational and vocational programs, activities, or employment as required by Title IX, Section 504 and Title VI.

Cisco ISD will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs.

For information about your rights or grievance procedures, contact the Title IX Coordinator, Superintendent, at Cisco High School, Front Street, telephone 442-3056, or Section 504 Coordinator, Superintendent, Cisco High School, Front Street, telephone 442-3056.

A Good Report From "Bits Of Wisdom"

Recently the "Times Remembered" group at Western Manor Nursing Home in Ranger met with Activity Director Mary Langford and Volunteer Anita Walton. G.H. Abbott, who has been President of the group since it was formed last year, led out with a report.

It was a happy occasion, for residents of the home were hearing some of the results of their book publishing activity.

This book, "Bits of Wisdom", was sponsored by the group in 1984, with 360 copies printed in time for Roaring Ranger Days on Oct. 13.

"I can't believe how fast those books sold!" said Mrs. Langford. "Why people from as far away as Breckenridge were hunting for them!"

"But we had great coverage before the event," Mrs. Walton answered. "The Eastland County Newspapers let the public know about the book - that it had folklore and sayings - with most of it collected from the nursing home residents."

"Charlie Jordan, who had weather sayings in the book, also talked about it on TV," answered Mary Langford. "An article in the Abilene-Reporter-News informed people about the project too."

G.H. Abbott said that after the sell-out of the book during Roaring Ranger Days, the group decided to print 200 more copies. This time Hale Dunson at The Ranger Times made the cover, and Grady Shook printed the insides. Of this last printing, all but 34 copies had been

sold.

Various people with the "Times Remembered" group excitedly told of their experiences in selling the book. One man said he went to a Thanksgiving Dinner in Mingus and sold 15 copies right there. He then sold 8 more in the town, without even trying. It seemed this was something people really wanted.

A number of orders were reported from Abilene, and some from a lot farther away. The editor of the Jack County News, Jacksboro, had shown interest in the book. Several copies had been ordered for nursing homes there.

Residents recalled that from the first time the book was planned there was no doubt about where proceeds would go - the money would be used to buy extra things to benefit all persons at Western Manor.

One of the first things suggested was a really good harmonica for Mr. Abbott, so he could play for other residents.

Mr. Abbott pulled out the harmonica, a Hohner called "The Pocket Pal", and began to demonstrate the sweet tunes of the instrument. All present agreed that he was quite a player, and this would give a lot of pleasure to the home.

The second purchase with the book money was a 6ft. Christmas tree last December. Gold ornaments with individual names were purchased for the tree, adding warmth and brightness to the scene.

About this time Mr. and Mrs. Wilkinson, who had liv-

ed at Western Manor for a number of years, moved to a nursing home at Kingsville. Ethel Wilkinson had served as Vice President of the "Times Remembered" group, and had worked hard on the book. So the Western Manor folks sent them individual Christmas ornaments.

At last report they put those on their daughter's Christmas tree rather than at the nursing home where they were living.

With cold weather coming on, the residents decided to buy a good popcorn popper and bowl instead of an ice cream freezer as first planned. The popper had been seeing a lot of use.

The nursing home had been saving money for some time to buy a colored television set. So \$100 from the books was given to that account.

That left, reported Mr. Abbott, about \$230 still on hand. Over 500 copies of the book had been sold at \$1 each.

Plans were to buy cushions for the outside chairs at the home, and also an ice cream freezer, when spring came.

"I think this money has been used very wisely," Anita Walton said. "It has brought a lot of pleasure to the residents. But just as importantly, we have had a chance to use our minds - to create something - to reach out to people and give them something they enjoy. That's the best gift of all."

Note: As this article was being written it was learned that Mrs. Ethel Wilkinson had died in Kingsville. This is sad news. She leaves many friends at Western Manor and in the Ranger area.

Preparations For County Stock Show

Preparation is being made for the 1985 Eastland County Livestock Show which is scheduled for March 13-16. The stock show is held annually at the County Livestock Show grounds located on Highway 3101 north of Eastland.

The show is open to 4-H and FFA members who attend elementary, jr. high or

high school in Eastland County. The number of entries continue to grow each year according to show general superintendent Tommy Toland. Swine

shows the biggest increase of entries with a total of 454 breeding and market hogs. Breeding swine entries increased from 79 last year to 179 this year. Market hog en-

tries increased from 246 to 275. Breeding Sheep remained about the same at 78 while market lamb entries dropped slightly from 219 last year to 196 this year. Angora

goat entries doubled from 15 to 31. Dairy goats are being exhibited for the second year. There are six entered compared to seven last year. Breeding beef cattle,

market steers, and dairy cattle entries remained at the same level as the past several years. Broilers showed the most decrease in entries. They are down from 113 pens last year to 40 pens this year.

The Eastland County Livestock Raisers Association sponsors the county show. John Pickens of Carbon is the Association's President and Charles Hill of Eastland is its vice-president. Hill is also assistant general superintendent

of the stock show.

All livestock will be on the show grounds and property entered in their respective places by 8:00 p.m. March 13. The only exception is rabbit entries which should be entered by 8:00 a.m. Friday, March 15.

A special "Sale of Champions" Auction will begin at 7:00 p.m. in the Moylan Exhibit Building on Saturday night, March 16.

The public is invited to attend and information on tickets can be obtained at the local Soil Conservation Service offices in the various counties.

Ann Richards To Speak

Ann Richards, State Treasurer of Texas, will be the featured speaker at the annual meeting and banquet of the Leon-Bosque Resource Conservation and Development Area (RC&D).

The meeting will be held March 11, 1985 at the Proctor Area Recreation Center on Lake Proctor in Comanche County.

Ms. Richards was elected State Treasurer of Texas in 1982, the first woman to hold that office and the first woman elected to any statewide office in Texas in 50 years.

She chairs the State Depository Board which oversees the investment of more than two billion dollars in cash assets belonging to the State of Texas.

She formerly taught government and history in the public schools before being elected to Travis County Commissioner in 1976 and reelected to a second term in 1980. Ms. Richards resigned from the commissioners court in February 1982 to seek election as state treasurer.

In 1979 she was appointed by President Jimmy Carter to the Presidents Advisory Committee on Women. Ms. Richards was named

"Woman of the Year" by the Texas Women's Political Caucus in 1981 for her contribution and initiative in the Women in Texas History Project; and again in 1983 for success in winning a major elective office. The Leon-Bosque Area

covers Bosque, Comanche, Eastland, Erath and Somervell Counties.

The public is invited to attend and information on tickets can be obtained at the local Soil Conservation Service offices in the various counties.

People n Things

THREE VANS and a suburban will leave Cisco soon after a 5:30 a.m. meeting Sunday at United Methodist Church to carry 23 young people and seven adult sponsors to Red River, New Mexico, and three days of snow skiing and spring vacation.

The young people raised money for their trip by holding a car wash, bake sales, and luncheons and the like. Russ Williams, son of the Church pastor and wife, is president of the group, and their sponsor is Mrs. Don (Pati) Wallace. Adults planning to make the trip are Lloyd McGrew, the Olin Odams, the Curt Coverts, Patti Moore and Pat Wallace.

Plans call for the return trip to be made next Wednesday.

WE REPORTED here last January that Southwest Enterprises of Cisco stood to lose money on the shoulder patches the firm made up for sale to band members who were invited to march in the President's Inaugural Parade in Washington.

Well, it turned out good. The band kids who were invited and went to Washington, D.C., to march and didn't because of the weather wanted the patches anyhow. So Mayor Eric Ritchie's firm has just about sold out and orders are still trickling in.

CJC BAND Director Tim Jones will be in Junction Monday to conduct a band clinic for high schoolers. Then, he and his missus will drive up to Dodge City, Kansas, weather permitting, to visit Mrs. T.J.'s brother and family. The official board of the Mobley Hillton is expected to meet soon and approve the final plans for restoration of the old hotel.

Mrs. Dessie Covington, head of the cosmetology department out of CJC, was due to leave Thursday afternoon for a Friday meeting of cosmetology folks in Austin.

THE RECRUITING committee has enrolled 14 more new members of the Cisco Country Club in addition to the group we named the other day. The 14 newest members were listed as follows: The Bob Bomars of Nimrod, the Curt Coverts, the Clyde Fishers, the David Eatons of Nimrod, the Randy Hodges, the Dennis Goussens, the Randy Speegles, Pam Jackson, Roger Davis, Cam Webb, the Brad Kimbroughs, the Dan Westers, the Steve Thomases and the Owen Kines.

Country Club ladies are having a luncheon Wednesday, March 6, and the new member ladies will be honored guests. Reservations should be in by noon Monday, March 4. All members will be called by committee workers unless they are supportive members and these may call in for reservations if they wish to attend, our scouts report.

COMES A NOTE from Mr. Frank Vernon II of Big D to say: "My son Frank III enjoyed his visit in Cisco. I was born July 27, 1922, on the present site of your current post office and have lived in Dallas after that. I was a small boy visiting Mrs. Wm. Reagan (Frank Vernon) at 500 Avenue I at the time of the Santa Claus Bank Robbery but do not remember too much about it."

Mr. Vernon, whose grandfather once published the old Cisco Roundup, a weekly newspaper here, operates a compressor sales company in Dallas.

THERE WILL BE an announcement soon about a big flag pole dedication and program at Cisco Junior College on Wednesday, March 13. The new sign with twin flag

obituaries

Services Are

Chester Allen

Services for Chester Allen, 80, long-time Cisco resident, are pending at Cisco Funeral Home. He died at 1:30 a.m. Friday at E.L. Graham Memorial Hospital.

poles has been completed and huge 12X18 foot flags of Texas and the USofA will fly there.

Plans call for a platoon of U.S. Marines to be here to raise the flags. The band and belles will be on hand and a reception will be held at Maner Memorial Library. Watch for the announcement.

OUR SCOUTS report that Larry Isbell, son of the Bob Isbells of Cisco, and Gayle Clodfelters of Brownwood were married in a church ceremony last Saturday in Brownwood. The menu at the Steak House Inn Restaurant out on I-20 has a column for "Children and the Young at Heart - folks under 12 and over 65".

Visiting in Cisco last Thursday were Mr. O.L. Stamey and Dr. Joe Stamey. Mr. OLS, you know, has been staying with Joe Stamey in Abilene while recovering from an illness. And Joe brought his dad over to look after some business. Mr. OLS told us that he is making steady progress and is looking forward to being back home in Cisco before long.

WHAT'S THE story behind the broken ankle that Mrs. Clarence (Jessie) Phippen suffered recently? She started out to help deliver "meals on wheels" around town, slipped and fell on their back porch. She went on and drove the "wheels" car. When the ankle kept hurting, Mrs. Phippen went to a doctor and his x-ray revealed a broken bone. Glad to hear that Mr. Sterling Drumwright, who has had some health problems lately, is on the mend. He spent most of last week undergoing tests over at Baylor Hospital in Big D. The Drumwrights recently enjoyed cruising on a ship that went through the Panama Canal.

IT'S NOT NEWS yet but city officials met with some Houston folks Thursday morning on an economic development project that could result in jobs for 25 or 30 people in Cisco. The search for explosives here last Monday night cost the City of Cisco several hundred dollars in money in addition to trouble and aggravation. There will be overtime pay for policemen. Out-of-town police help plus assistance from Dyess AF-Base came as a courtesy without costs. No charges had been filed in the matter when we checked Thursday afternoon.

MR. CLIFFORD Smith, local Lone Star Producing

Co. employee who spent several days in Baylor Hospital, Dallas, undergoing tests is back home and doing nicely, reports his family. Mr. Marston Surles of our town entered Hendrick Memorial Hospital, Abilene, Thursday for medical tests and treatment. He underwent a checkup at Scott and White Hospital, Temple, a few days ago and spent several days in E.L. Graham Memorial Hospital. Heard a weather forecaster say last Thursday that a low temperature of 24 degrees might be recorded in our area this coming Monday night. Let's hope he was wrong.

Cisco Gun Club Changes Meet Location Mon.

The Cisco Gun Club will meet Monday, March 4, at 7:00 p.m. in the First National Bank Community Room, instead of the Range Club House.

Members are urged to attend.

Auto & Truck In Collision Here Friday

An automobile driven by Stella Childers had extensive damage and a welding truck driven by Mark Bint had minor damages in a collision at Randolph and Leggett Streets Friday morning, according to a Cisco Police Department report.

CJC & Public Schools Observe Spring Break

Students of Cisco Junior College and the Cisco Public Schools will observe annual spring break during the coming week, according to announcements Friday.

Both schools were turning out after classes Friday until Monday, March 11.

Wednesday Is Deadline For Filing As Candidate In Election

Wednesday, March 6, 1985, by 5:00 p.m. will be the last time that any candidate may file for a place on the ballot for the April 6th City Officer Election. Candidates may file for the positions of Council Place III or Council Place IV.

Any voter desiring to vote absentee by mail may notify the Absentee Voting Clerk at City Hall, and they will be

CJC Lady Wranglers Win First Place In Conference Play Thurs.

The Lady Wranglers of Cisco Junior College scored an impressive 88-to-70 victory over Grayson County College's women to win first place with a perfect season in the Northern Texas Junior

College Athletic Conference here Thursday night.

The Cisco team will play Amarillo at 7 p.m. Tuesday in their first Region V tournament game at Snyder's Westen College gym. The

Thursday night win was Cisco's 20th consecutive victory in conference play. They finished the season with a 23-5 mark.

The game was a match between the first and second place teams of the conference. The Lady Wranglers took command from the start and had a 47-to-28 lead at half-time. Grayson pulled to within eight points of the Wranglers mid-way in the final half.

Four Lady Wranglers scored in double figures, led by Valerie Barnett with 24. Ester Mendez had 14 points, Cara Cranford 12, and Ingrid Mitchell 11. Barnett had 14 rebounds and Mitchell made

seven assists and had 13 rebounds.

Coach Ronnie Hearne said his Lady Wranglers "probably played the best game of the year. We did real well and had an outstanding defense," he added.

Stats for the game follow: CJC (88)-Karen Dawson 23 7; Diane Saville 0 2 2; Laurie Mosley 4 0 8; Ester Mendez 7 0 14; Nena Barber 1 0 2; Cara Cranford 5 2 12; Elaine Browning 2 3 7; Valerie Barnett 9 6 24; Belinda Duke 0 1 1; Ingrid Mitchell 4 3 11; Totals 34 20 88.

GRAYSON (70)-Cardinale 2 3 7; Lee 1 0 2; Hill 0 2 2; Hendrickson 1 0 2; Crutcher 8 1 17; Higgs 3 0 6; Roberts 14

4 32; Fore 1 0 2; Totals 30 10 70.

Halftime- CJC 46 Grayson 27; Rebound- Grayson 32 CJC 40; Fouls-

Cisco Police Investigating Vandalism Case

Police were investigating a case of vandalism caused by a man who checked into the Oak Motel last Thursday night and who left without reporting it. Detective Sergeant Tom Barrett reported Friday. Damages were expected to amount to about \$1,000, the report said.

CJC Men Defeat Grayson College

A 78-to-72 victory over Grayson County College here Thursday night earned the Wranglers of Cisco Junior College an opportunity to qualify for the fourth playoff spot in the Northern Texas Junior College Athletic Conference tournament.

Cisco and Cooke County JC, tied for 4th place in the conference standings, were to meet at 3 p.m. Saturday, March 2, in Weatherford to determine the fourth team for a playoff place. The winner will go to Snyder for the playoff next Thursday.

Cisco took an early lead and had Grayson down by 15 points at halftime Thursday night. The visitors pulled within one point late in the game but Wrangler free throw successes and a couple of basket shots preserved the advantage for Cisco.

The Wranglers finished the season with a 20-11 overall mark and 7-7 in conference play. Grayson had already clinched second place in the district.

Stats for the game follow: CJC (78)- Cedric Ellis 1 0 2; Rodney Murray 3 0 6; Auidon Robinson 6 4 16; Lloyd McArthur 4 0 8; Anthony Bryant 6 0 12; Melven Jones 12 8 32; Allen Sears 1 0 2; Totals 33 12 78.

GRAYSON (72)- Todd Hughes 2 1 5; John Jenkins 3 0 6; Trevor Moore 3 0 6; James Joseph 6 2 14; Mike Williams 7 0 14; Deon Phelps

forwarded the necessary information to make application to receive an absentee ballot. If there are any questions concerning absentee voting by personal appearance, which begins on March 18, 1985, or the voting at the polls on April 6th, please contact Ginger Johnson, Absentee Voting Clerk, at City Hall.

We will be contacting the realtors and individuals to

Where Are The Sites?

Available industrial sites in this area are being catalogued so that in the future when a prospect asks "What's available?", he won't have to be told, "Well, maybe-perhaps-we think so, etc."

The major effort of the County Task Force right now - in addition to its public meeting to be held on March 12 - is the locating of sites which could be available in the future, as industrial-searching moves into high gear, Chairman Delton Ake has announced.

Please make it clear, he said, we do not presently have a major prospect looking for land, nor do we have money to pay for options on land, but we do need the cooperation of the people in this area to help us put together a viable package of available sites.

Naturally, Mr. Ake said, we know that most of the

secure options on parcels with agreed-upon-advance prices so that we will have concrete information for prospects when they ask. We probably will be asking for from 12-to-18 months options on parcels and will endeavor to keep this up to date so that our area will always have a "ready package" of sites available. We must emphasize, he said, that these packages must be realistic and reflect a true market value, because if they are inflated, then what we come up with will not be usable, because our area is and will be competing with so many areas across the state and across the nation.

Our first question will have to be to land owners: would you be willing to sell your land IF there were a buyer and what would be your price?

Naturally, Mr. Ake said, we know that most of the

realtors in this area already have viable, current listings of that which is available. We want to work with them and believe that they could be tremendous help to us, as we work with prospects in the future.

The Task Force hopes to assemble a portfolio of information so that once active industrial prospecting begins, they will be prepared to answer direct questions quickly with specific facts about available acreage and actual costs. This is what is being done successfully by other areas in luring industry and payroll to their area. (Some are even able to offer sites free, but local officials don't envision that here.)

The Task Force, which has members from each town in the county, is in the process of setting up a specific person in each town to help secure the options, Mr. Ake said.

We'll be issuing a list of these workers soon, he said, so that land-owners who want to know about the program may contact someone in their own town to discuss details of the program. It is believed that landowners would rather work with people they already know, and all will be assured that the information will be held in confidence and used only for the purpose of attracting industry to this area.

The Task Force will not be in a position of "pushing" one tract of land over another one, Mr. Ake said, but will hopefully have an assortment from which different interested industries can pick and choose.

"Make it perfectly clear," Mr. Ake said, "we're not in the real estate business, we're in the job-locating business."

4-H NEWS

By

Faith Ballard & Paul Brown

Paul Brown is presently in Houston at the livestock show supervising Eastland County 4-H'ers as they show their projects. The following 4-H'ers entered the Houston Livestock Show:

Brian Bailey, Angela Burgess, Glen Burgess, Shane Caraway, Tonya Caraway, Jackie Harris, Alan Little, Charla Little, Jami Long, April Moylan, Bobby Taylor and Nikki Warren.

Last Saturday the 23rd, was very busy for 4-H'ers. The morning began with a Creative Arts Workshop that 18 4-H'ers and adults attended. The program focused on hand skills of dough art and woodworking. After lunch

the 4-H'ers competed in a rifle match. The day continued with more 4-H activities where 4-H'ers celebrated Valentine's Day that evening at a party. Over 50 4-H'ers and adults enjoyed dancing, games, snacks and more at the party.

The Fashion Show Committee met Thursday the 21st to set the theme, date and location of the 1985 4-H Fashion Review. This year the theme is "Reflections of Fashion". The review will be held at Cisco, May 25th at 3:00 p.m. in the afternoon. The judging of the garments will occur that morning and that afternoon the review will be open to the public. Extension Homemakers will

also model fashions of the past.

Tuesday the 26th the 4-H Camp Committee met. The theme for the 1985 4-H Camp is "Holidays". County Camp has been set for May 31 - June 1, 1985. This year the topics that will be taught are: leadership, canoeing, crafts, ceremonials/citizenship, powder guns, Halloween faces (clowning).

4-H is open to all youth regardless of socio-economic level, race, color, sex, religion, handicap or national origin.

So come on, get involved today! Contact Paul or myself at 629-2222 or 629-1093. We are located in the County Courthouse Basement.

4-H Adult Leaders Association will be sponsoring the Eastland County Livestock Show Concession

Stand again this year. The menu is better than ever and provides a wide variety of meal selections. The menu for 1985 is:

Hamburgers, nachos, frito pie, hot dogs, burritos, Mexican dinner (frito, beans, chili, cheese and peppers), pizza, beans, fries, donuts, dill pickles, soft drinks, coffee, tea, hot chocolate, candy, and homemade baked goods.

We welcome everyone to come and attend the 1985 Eastland County Livestock Show March 13-16. The concession hours are:

March 13th - Wednesday (12:30 p.m. - 9:30 p.m.)

March 14th - Thursday (8:00 a.m. - 9:30 p.m.)

March 15th - Friday (8:00 a.m. - 9:30 p.m.)

March 16th - Saturday (8:00 a.m. - 12:30 p.m.)

BREAK 6:00 p.m. till sale ends)

So ya'll stop by for good food and enjoy the stock show exhibits!

dry milk powder and eggs; mix well. Stir in 2 cups flour. Gradually add enough remaining flour to make a soft dough.

Turn dough out on a floured surface, and knead until smooth and elastic (about 8 to 10 minutes). Place in a well-greased bowl, turning to grease top. Cover and let rise in a warm place (85 deg.), free from drafts, 1 hour or until doubled in bulk.

Punch dough down, and divide into 3 portions; shape each into a loaf. Place in 3 well-greased 8 1/2 x 4 1/2 x 3-inch loafpans. Cover and let rise in a warm place (85 deg.), free from drafts, 30 to 40 minutes or until doubled in bulk. Bake at 375 degrees for 35 minutes or until loaves sound hollow when tapped. Transfer to wire racks to cool. Yield: 3 loaves.

Combine first 4 ingredients in a large mixing bowl; stir in hot water. Add

Gordon Spot

County Extension Agent

DeMarquis Gordon

Need to get a new lawn started? It's not too early to sod a lawn but bermuda seed should wait until about May 1. Regardless of which of the turfgrasses chosen or whether the lawn is established using sod, seed or even sprigs, the basic steps are the same.

Step 1: Removal of weeds. This is the time to use chemicals containing glyphosate like Roundup, Kleepup or Doomsday to get rid of perennial weeds like Dallisgrass and Johnsongrass.

Step 2: Removal of rocks and other debris. Anything left in the soil over about one inch in size could cause problems later on.

Step 3: Applications of fertilizer. The best bet is to apply a good balanced fertilizer like 13-13-13 at a rate of fifteen to twenty pounds per 1000 square feet. If the analysis of your fertilizer is higher, a slightly low application rate may be used.

Step 4: Till the soil. Tilling will move the fertilizer deep into the soil and loosen the soil for good root growth.

Step 5: Rake the soil. This is the final step before seeding, sodding or sprigging and should be used to remove any smaller debris and to level the lawn.

Step 6: Apply seed, sod or sprigs. Bermuda seed should be applied at the rate of a pound or a pound and a half per 1000 square feet. Sod should be laid in a brick like pattern. Sprigs are sold by the bushel and are usually applied at a rate of about five bushels per 1000 square feet.

Step 7: Roll the lawn. Roll-

ing will firm the soil around the seed or sprigs and help assure good initial germination and growth. Rolling will help in removing any air that might be trapped under the sod. Of course, roots won't grow in pockets of air.

Step 8: Begin watering. Lawns that have been seeded or sprigged should be watered just enough and often enough to keep the soil dark. As the plants develop, the amount of water per application should be increased, but the frequency of watering should be decreased. Newly laid soil should be well soaked and then re-soaked when it dries out.

Step 9: Mowing. Bermudagrass lawns should be cut at one and a half inches as soon as it gets about two and one fourth inches high. St. Augustine lawns are cut at two inches when they are about three inches high and about the same for tall fescue.

Step 10: Fertilizer. The next fertilizer should be applied about six weeks after the lawn is started and at six week intervals until the first part of September. A 3-1-2 ratio like 15-5-10 or 12-4-8 should be applied at seven to eight pounds per 1000 square feet.

Using good establishment techniques should insure a high quality lawn for many years to come. Most failures in establishment can be traced to either too little water or too much water during the first week or two.

The small grains throughout the county have greened up and started growing during the last week

or two. This is a year when a topdressing of nitrogen should pay off whether you are planning to produce a grain crop or planning to graze out the small grain. Considering the present price of nitrogen and the anticipated market value of grain or beef grains from grazing, nitrogen is still a bargain. The moisture condition is excellent for the crops

to make maximum use of nitrogen at this time.

Producers should consider the cost of various nitrogen materials and purchase the one that is lowest in cost per pound of actual nitrogen. Urea (46-0-0) is usually the cheapest form of nitrogen and can be used effectively when the temperature is below 70° to 80° F.

Homemaking Hints

County Extension Agent

Janet Thomas

I receive so many questions from the public on how to cook and use honey. How do you substitute honey, molasses, or maple syrup for sugar in a recipe? If you decide to make a substitution, remember that honey, molasses, and syrup are about 20% to 30% water. If you want to substitute honey for sugar in your favorite recipes, try replacing one cup of granulated sugar with two-thirds or three-fourths cup of honey, depending on desired sweetness. For every cup of sugar replaced by honey, reduce the total liquid by one-fourth cup. In addition, the baking temperature should be reduced 25 degrees.

If you're using molasses in place of granulated sugar,

use the same amount of molasses as sugar, and reduce the liquid by 1/4 cup for each cup of sugar used in the recipe.

Another question I receive about sugar is...how can I keep brown sugar from drying out? Brown sugar will dry out easily after opening because it's more moist than granulated sugar. After we open a package, we transfer the unused part to an airtight container. This keeps it soft and moist. You can soften hardened brown sugar by putting it in an airtight container and adding an apple or bread slice.

Honey is best stored in a dry place because it tends to absorb moisture, which causes it to become granulated. If this should occur, just place the honey con-

tainer in a bowl of warm water so it will liquefy.

For cooking, you'll find it easier to measure the butter, oil, or shortening first, and then the honey. This way, the honey will slide right out of the measuring cup.

RECIPE FOR THE WEEK: Honey wheat bread is a delicious bread that you might like to try.

HONEY WHEAT BREAD
1/4 cup vegetable oil
1/4 cup honey
2 packages dry yeast
1 tablespoon salt
2 1/2 cups hot water
1 cup instant nonfat dry milk powder
3 eggs, slightly beaten
7 to 8 cups whole wheat flour, divided

Combine first 4 ingredients in a large mixing bowl; stir in hot water. Add

ANNOUNCEMENTS

Eastland County Fair Association will have a workday Saturday beginning at 9 a.m. at the fair grounds to clean the grounds for the livestock show. All help will be appreciated.

JIM CALDWELL MOTORS

314 W. Main
EASTLAND
629-2636
BRINGS YOU THESE IMPORTANT TIPS...

YOU AUTO KNOW

Protective trim on car doors and fender bumper strips helps prevent parking lot "dings", small dents and scratches.

When the engine is cold, other car parts will be, too. Watch out for potholes and other obstacles; suspension and running gear may be damaged if not yet warmed up.

For safer jump-starts, attach the jumper cable from the negative pole of the good battery to the engine block of the dead car, rather than to the battery's negative pole. In case there are sparks, they will be farther from the battery.

Clean car seats with special cleansers designed for the job. NEVER use naptha or gasoline.

Watching your mileage? Pay attention to dragging brakes, weak springs, dry wheel bearings, contaminated oil and coolant, or a blocked tailpipe. They are as troublesome as a poorly tuned engine, soft tires, or speeding.

NEW-USED CARS
Watching your mileage? Then you'll like the super results you get with a new (or late-model used) car. See the car you really want at JIM CALDWELL MOTORS, 314 West Main, Eastland, 629-2636.

AUTO REPAIR
Watching your mileage? Then you'll appreciate the quality maintenance and service you get from the experienced mechanics at JIM CALDWELL MOTORS, 314 West Main, Eastland, 629-2636.

BODY SHOPS
Watching your mileage pile up? Your car will look newer than your odometer says it is, thanks to an expert re-paint job at JIM CALDWELL MOTORS, 314 West Main, Eastland, 629-2636.

FmHA Rules Offers Additional Credit Help To Farmers

New Farmers Home Administration (FmHA) regulations allow commercial banks and other lenders to write down interest rates for farm borrowers who could not otherwise get a production loan for Spring planting according to Texas FmHA State Director J. Lynn Futch.

The regulations, published in the Federal Register Feb. 15, are in addition to earlier rule changes which helped lenders make loans to some farm borrowers who were having trouble making

payments on their loans. The earlier changes, announced last September, offered an FmHA guarantee on a portion of the loan if the lender agreed to write off at least ten percent of the principal. The FmHA guarantees is an agreement that the Federal government will make up part of the loss to the lender if the borrower defaults.

Banks and other lenders told FmHA that they could help more farm borrowers if they could write down interest rates instead of, or in

combination with, writing off part of the principal. In response to their requests, FmHA made the rule change allowing the interest write down in exchange in lieu of a write off. The borrowers loan payment must be the same under this option.

Futch said the new rules will enable many lenders to help some farmers, whose loans are classified as substandard. "Lenders, who feel this Debt Adjustment Program can help, will review loans they now have with farmers who are having trouble repaying. They will determine whether or not the farmer could make payments if the loan is reduced by at least ten percent. If so, the lender can

come to FmHA to get our guarantee on part of the remaining debt.

"With the assurance that a large portion of the debt is guaranteed, the bank or other lender is in a better position to extend credit to farmers for production expenses this Spring," Futch said.

"Even this additional assistance will not reach every farmer who is having economic problems. The farmer must be able to show that debt payments can be made within the expected cash flow. To do this, the farmer's expected income from all sources must exceed expenses by ten percent. Expenses include debt payments, tax payments,

and family living expenses as well as production.

"With the cooperation of banks, other lenders, and FmHA, many good farmers who, for reasons beyond their control, are suffering financial stress will be able to continue their operations," Futch said.

The new regulations are being sent from the national office in Washington to the nearly 2,000 local FmHA offices. "Official agency instructions will be sent to local offices, including the 136 county offices in Texas as soon as possible," Futch said.

Sunday, March 3, 1985

afternoon. No services are scheduled in the evening.

The church and Pastor Roberts invites you to attend any or all of these services and bring the entire family. A nursery will be provided and transportation will be provided by calling 442-1223 or 442-4783.

Faith Baptist Church To Celebrate 6th Anniversary

On March 3rd, Faith Baptist Church, 700 W. 18th Street, Cisco, will be celebrating their 6th anniversary. Special services are planned throughout the day.

Beginning at 10 a.m., Kevin Mann of Arlington will be singing and speaking to those in attendance. Kevin is a full time evangelist and especially appeals to youth.

Bro. Raymond Dunn, retired Baptist minister, will be speaking in the 11 a.m. services. Bro. Dunn pastored the Fundamental Baptist Church in Sweetwater for several years. The Church there is now known as Broadway Baptist. Bro. Dunn is still active in preaching although he has had to retire from pastoral work due to his health. He will bless your hearts as he speaks.

Following the morning services, lunch will be serv-

ed in the fellowship hall. Beginning at 1:30 p.m. there will be special singing and preaching throughout the

Legal Notice

CONTRACTORS NOTICE TEXAS HIGHWAY MAINTENANCE WORK

A pre-bidders conference concerning contract mowing on highway right-of-way will be held at the District Headquarters Building, State Department of Highways and Public Transportation, U.S. Highway 183, Brownwood, Texas, at 10:00 a.m., March 5, 1985. All prospective bidders are encouraged to attend.

Sealed proposals for contract mowing on various

tracts in Brown, Coleman, Eastland and Mills Counties, Texas, will be received no later than 10:00 a.m., March 12, 1985, and then publicly opened and read.

Sealed proposals for contract mowing on various tracts in Comanche, Lampasas, McCulloch, San Saba, and Stephens Counties, Texas, will be received no later than 10:00 a.m., March 13, 1985, and then publicly opened and read.

Each completed proposal

shall be placed in a separate sealed envelope so marked to indicate its contents, and submitted to Mr. Lawrence E. Schulz, District Engineer, State Department of Highways and Public Transportation; P.O. Box 1549, Brownwood, Texas. Sealed bids for these counties will be received no later than the respective bid opening date and time schedule above.

The specifications and proposals are available at the District Maintenance Office, Brownwood, Texas, or at the respective county warehouses.

Usual rights reserved. (2-21; 2-24; 2-28; 3-3)

Fishing Outdoors

Terry L. Wilson

March 7th the Eastland County Bass Club shall again be holding their monthly meeting. This month marks the third meeting for the 1985 season. Items on the agenda include, preparations towards the Lake Leon Crappie Tournament scheduled for March 23rd, 1985 Invitational Tournament, Club affiliation, fund raising ideas, and as usual the drawing of this month's tournament site. Also this month's door prize will be valued at \$40.00, so lets all plan to attend, your name may be drawn.

Up and coming tournaments include March 9th Eastland County Bass Club's Innersclub tournament, March 17th Brownwood Bass Club open. Lake Brownwood first place \$850.00, March 23rd Lake Leon Crappie Tournament open to the public.

Late winter or early spring take your pick, anglers begin paying close attention to water temperatures on their favorite lake. While waiting

for a larger impoundment to warm up some excellent fishing is taking place on smaller bodies of water. Stock tanks, small flood control lakes and creeks are well established in producing some early bird haw hunting.

One tip we might offer when fishing smaller bodies of water is to go with a smaller lure. Fish are effected to some degree by the size of the fish bowl. Some popular choices are shiners, beetle spins, lizards, 2 inch grubs, and small crankbaits.

And what an opportunity to expose those kids to some excellent fishing. Be sure to supply them with good working equipment, not some cast off you yourself can't get to work. Always be present when the youngsters are near the water and provide them with lots of encouragement not only towards fishing, but safety and conservation of our outdoors.

Terry L. Wilson

Indira Gandhi Remembered

An interesting diamond shaped 50 paise stamp was released by the Indian Post Office on November 19th to commemorate the 67th birthday of the late Indian Prime Minister Indira Gandhi, just 19 days after she was slain by two disloyal Sikh bodyguards outside her New Delhi residence.

The daughter of Jawaharlal Nehru, a major leader in the independence movement and the first Prime Minister of an independent India, Indira had, over strong family objections married in 1942 Feroze Gandhi. From their union came two sons - Rajiv and

Sanjay. Following her father's death in 1964, Mrs. Gandhi served as Minister of Information in the cabinet of Lal Bahadur Shastri's government. When Shastri died of a heart attack in 1966, Mrs. Gandhi was chosen as the new leader of India.

Last year, serious violence broke out in the Indian state of Punjab, where Sikh extremists were agitating for greater political independence. In June, Mrs. Gandhi personally ordered army troops to invade the Sikh stronghold, which was situated in the Golden Temple in Amritsar.

This action, however,

angered many Sikhs and as a result, Mrs. Gandhi became the target of many death threats, one of which came to fruition on October 31st. The Indian stamp memorializing the assassinated Prime Minister was designed by Charanjit Lal.

THE MAN WHO DIED FOR ME

We want to know the one who died for all mankind.
We want to know the Lord Jesus in His Godhood and manhood.
We want to worship our Lord in spirit and in truth.
We believe that God will bless any church that strives to follow the Lord.

If this is your heart's desire, come join us as we follow the Lord.

Eastland County History

CARBON BAPTIST CHURCH

Other Baptist Churches which have been organized in the vicinity of Carbon are BEAR SPRINGS BAPTIST CHURCH, member of the Cisco Association in 1904, reporting T.H.B. McAllister as pastor and William Taylor as Church Clerk. A membership of 26 was mentioned. The P.O. address of Mr. Taylor was stated as being Carbon.

BRITTON, on the minutes of the Cisco Association in 1911, had been mentioned occasionally since 1905. W.O. Loyd was pastor in 1907 and W.E. Holley in 1910.

CENTER POINT was on the minutes of the Cisco Baptist Association in 1911, George Stowe and H.L. Gee being recognized as Messengers with no pastor named. Its last appearance was in 1925 when Houston Scott was reported as pastor.

EBENEZER BAPTIST CHURCH petitioned for membership in the Cisco Baptist Association in 1917. W.E. Holley was reported as pastor and J.S. Jackson, Billie Reed, and A.M. Gilbert were recognized as Messengers. This Church was situated about five miles South of Carbon on land given by A.M. Gilbert but is no longer in being.

HOPE-WELL only appears on the minutes of the Cisco Association for two years, 1907 and 1908. W.O. Loyd being named as pastor on both occasions. A membership of 41 was reported in 1907.

LONG BRANCH BAPTIST CHURCH affiliated with the RED GAP BAPTIST ASSOCIATION in 1880 and had a membership of 17 at that time. The first report of a pastor was in 1881 when R.C. Forbes filled that position and W.T. Fenn was Church Clerk. Other pastors whose names have been found on the minutes of the

association are W.B. Cobb, 1886; H.F. Reynolds, 1887; W.B. Cobb, 1890-92; H.H. Summers, 1892-93; I.D. Hull, 1893-1895; T.H.B. McAllister, 1897; W.B. Cobb, 1898-99; E.M. Hunt, 1902-04; J.W. McGaha, 1905; A.J. Morgan, 1907-09; J.E. Wickham, 1910-12; E.L. Springer, 1913-15; H.H. Summers, 1916-21; I.W. Lawrence, 1922-23; Altie Hardin, 1924-25; I.W. Lawrence, 1927-29; R.E. Harrison, 1928; H.H. Summers, 1930-33; A.A. Davis, 1935-38; Leon Woods, 1940; William Hazel, 1941.

OAK GROVE was a Baptist Church about four miles South-West of Carbon in 1893 with S.E. Brooks as pastor and a membership of twenty-six. He was followed as pastor in 1894 by W.A. Mason who also served in 1895, the last information to be had until T.H.B. McAllister was reported in that capacity in 1904. In 1908 J.A. McIntyre was pastor and G.W. Taylor was church clerk. This was the last mention of this body to be found in the minutes of The Cisco Baptist Association.

MOUNT PLEASANT was a member of the Cisco Association in 1904 with T.H.B. McAllister named as pastor and Wm. Taylor, church clerk. Mr. Taylor's post office was given as Carbon, Texas. The writer has found no further record as to serve as pastor until 1908 when J.A. McIntyre was reported as such. Others mentioned as church clerk at different times are G.W. Taylor and Dan Martin. Probably demised until 1909 as

no further information has been found concerning it.

PLEASANT HILL was a Baptist Church in 1886 and H.F. and J.M.P. Reynolds were sent as Messengers to the Cisco Baptist Association that year reporting C.C. Haskell as pastor and J.L. Woods, Church Clerk. No further record of this body is found on the minutes of the Association until 1893 when H.F. Reynolds is reported to be pastor, serving to 1895. T.J. Nicholas served in that capacity probably, until 1902 when R.L. Shannon was pastor and was followed by G.W. Parks in 1904 and he by I.D. Hull in 1905. W.S. Evans served in 1908 and 1909 when A.J. Morgan was called to the pastorate and served, probably until 1914 when W.P. Carter came to be pastor of the body and was followed by P.D. O'Brien. It is not known to the writer how long Mr. O'Brien served as some reports are missing but I.W. Lawrence is named as pastor in 1921-22 and 1924 with H.N. Baldeere, 1928 to 30; A.A. Brian, 1931; Chas. Bryant, 1933, Elwin Skiles, 1934-35; T.J. Sparkman, 1936; Arvil Richardson, 1937-39; Leon Woods, 1940-41.

PLEASANT VALLEY became a member of the Battle Creek Baptist Association in 1885 and became a member of the Cisco Association upon the demise of that body and was an off and on member of it until its demise at an uncertain date.

In so far as the writer has been able to find the church had but four pastors during

its existence the first of which was H.F. Reynolds, reported in 1886-87 who, perhaps, continued to serve until and including 1896; T.J. Nicholas, 1897-1901; E.M. Hunt, 1902-1904; J.W. Tenyson 1907 to 1917 and probably until 1922. As the church did not affiliate with the Association regularly, it is difficult to get a clear idea of its activities.

The Methodist Church at Carbon was organized April 11, 1886 in the upper story of a gin owned by T.M. Towler. The building was located on the South West corner of the lots now occupied by the ware house of the Carbon Trading Company. The pulpit is said to have been an open space of the floor between the pieces of machinery and the little body of worshippers were seated on planks laid on boxes with an occasional

chair or separate box.

The lights were coal oil lamps and flickery tallow candles.

The church was organized by the Rev. Wm. J. Limons, at the time pastor of the church at Jewel, with a membership of eight as follows, T.M. Towler; Mrs. S.E. Towler; Mrs. Pattie F. Towler; T.W. Loftin; Mrs. L.G. Loftin; M.V. Russell; Mrs. N.C. Russell; and J.M. Micle.

Carbon's first Sunday School was organized about 1888 by J.M. Neal, at that time and for years afterwards, agent for the Texas Central Railroad Company at Carbon. The body first met at the Rail Road Station and was continued at Mr. Neal's residence until the building of the school house, where it continued to meet until the Methodist Church

House was erected in 1897 on the sight of the present building. This first house and its successor were destroyed by fire but a new one arose from the ashes of the old at each loss.

Local preachers of the denomination who made their homes at Carbon in the late years of the nineteenth and early ones of the twentieth centuries were J.H. Lowe, F.T. Weaver and I.N. Reeves. There were perhaps others whom the writer does not remember.

The following seem to have served the church as pastors since its organization:

Wm. J. Limons, 1886; R.R. Raymond, 1887; P.N. Atkinson, 1888; N.B. Reed, 1889; I.N. Reeves, 1890; R.N. Goode, 1892; Longino, 1893; J.J. Canafax, 1894; W.V. Jones, 1895; J.H. Watts, 1896; R.J. Tooley, 1898; W.B.

Ford, 1899; J.D. West, 1901; J.E. Walker, 1902; C.E. Statham, 1904; B.R. Wagner, 1906; Eustis F. Swindell, 1908; J.N. Vincent, 1909; W.T. Singley, 1912; Throp Watkins, 1915; C.O. Hightower, 1917; M.L. Boone, 1918; R.T. Capps, 1919; W.B. Morton, 1921; R.H. Boyd, 1925; J.W. Leggett, 1926; Z.L. Howell, 1928; G.W. Gwaltney, 1932; M.A. Walker, 1933; H.H. Nance, 1936; T. Stanely Williams, 1940 and H.G. Story.

The church has a live Sunday school of 150 members with W.S. Ussery as superintendent and has just completed a creditable parsonage.

The Protestant Methodist Church had services in this and surrounding communities from around 1900 and had a church building in Carbon in 1914 with W.C. Banks as pastor at that time.

Later J.R. Slaughter was supply pastor. A. Lowe was pastor in 1932 but in 1937 the body disbanded and the house of worship was sold to the Church of Christ.

Oil Belt News

Flowing 323 barrels of oil, the No. 1 Compton was completed successfully in Stephens County's BAL Survey by Trinity Exploration.

The well was drilled to 4,430 feet total depth, and will produce from an interval in the Ellenburger Formation, 4,208 to 4,221 feet into the wellbore. Production tests were run on an 8/64-in. choke, and tubing pressure registered 650 PSI.

Drillsite is two miles south-southwest of Eolian.

Sun Exploration and Production of Houston has filed first production figures on three new oil wells in the Stephens Regular Field.

The No. 61 Baber-Ackers Unit showed potential to pump oil at the rate of 220 barrels per day plus 472 barrels of water. The well will produce from perforations in the Caddo Formation, 3,046 to 3,090 feet into the hole. Total drilling depth was 3,280 feet.

The No. 58 Baber-Ackers Unit pumped oil at the rate of 68 barrels per day plus 800 barrels of water. The well reached a 3,225-ft. bottom, and will produce from perforations in the Caddo Formation, 3,134 to 3,139 feet into the wellbore.

The No. 149 Eliasville Unit indicated ability to pump ten barrels of oil per day plus 575

barrels of water. Bottomed at 3,500 feet, the well will produce from a set of perforations in the Caddo "A" Formation, 3,356 to 3,380 feet into the hole.

The No. 61 well and the No. 58 well are located in LAL Survey, one mile north of Breckenridge. The No. 149 well is located two miles northwest of Ivan in the SPRR Survey.

Plug-and-abandon orders have been issued for the No. 1 Conner, a developmental venture of Ray Herring in the Stephens Regular Field. Spudded December 8, the well had reached a total depth of 4,306 feet. Drillsite was four miles south-southwest of Breckenridge.

Day Petroleum of Dallas has filed for permit to drill the No. 2-D Pratt, a 4,600-ft. developmental well five miles north-northwest of Crystal Falls, Stephens County. The location is an 80-acre lease in the TE&L Survey. The well is in the Indian Mountain Field.

Vinson Energy of Breckenridge will conduct a plug back for shallower pay. The venture is designated as the No. 1 Wilson, a 2,575-ft. wildcat well. Drillsite is four miles south-southwest of LaCasa in a 40-acre lease. The well is in Stephens County's T&NO Survey.

LaJuana Jo Oil Co. has abandoned an undrilled location in the Northwest Ranger Field, three miles west-southwest of LaCasa, Stephens County. The well had been designated as the No. 1 A.A. Hardee. Creswell of Graham has finaled a new oil producer in Young County's Moreland Field.

The well is designated as the No. 3 S.R. Ragland, pumping oil at the rate of 76 barrels per day on an 18/64-in. choke. The well also showed potential for 94,000 CF casinghead gas per day.

Location is in a 163-acre lease in the W.J. Akers Survey. Bottomed at 4,687 feet, the well will produce from perforations in the Strawn Formation, 3,050 to 3,150 feet into the hole.

Fee On Oil Imports Under Study

A fee on oil imports is presently under study by the Texas Independent Producers and Royalty Owners Association. John C. Hurd of San Antonio is chairman of the task force, with various consulting members from around the state. Hurd is a past president of TIPRO and a former ambassador to South Africa.

The decision to appoint a special task force to develop recommendations on the issue came following a spirited review of the import situation by Mack Wallace, Texas Railroad Commission member. Wallace urged TIPRO to support the imposition of a tariff on oil imports as a means of assuring a secure domestic energy base.

Lt. Gov. Bill Hobby has also expressed support for a fee on oil imported into the United States. He has named the figure of \$5 per barrel as an equitable charge.

Chairman Hurd and the task force is expected to announce its findings at the annual TIPRO meeting in early June.
