

Justice Hart Of Texas Supreme Court To Speak At Bar Banquet

Mr. Muleshoe

Trade at home. Trade in Muleshoe and keep Muleshoe money working for Muleshoe.

In most cases our needs can be supplied at Muleshoe stores—which will compare favorably with any you will find in towns much, much larger.

We have two department stores here that are not surpassed for stocks and appearance in towns like Plainview or Clovis. Of this I am certain. We have women's apparel shops that are operated by people who are as up to date as anybody when it comes to fashions, materials, etc.

Our appliance stores have what we need and don't get the idea that you can buy at a big saving elsewhere. Their prices are in line. Our food stores are as well stocked as any you will find.

Now, I am not talking only to the people who aren't in business. Some of our merchants, themselves, buy not from their neighbor across the street, but from some fellow in a distant town, who doesn't care a hoot where we have good schools, paved streets, good churches and so forth. I'll grant there are occasions when it is necessary to buy out of town, but personally I have never found it necessary. Let's trade with our neighbors—let's try them first. If the price is 85 cents higher on a \$30 purchase—I don't say it is—why let's reflect that to make a trip to a distant town would cost many, many times 85 cents. Every dollar you spend with a local merchant helps that man to increase his services to you. It's like the bread cast upon the waters—it comes back to you. Or was that the way it went?

Rev. Landreth: I am optimistic concerning the outlook for world peace. I am reminded of the very old lady who said: I have always noticed that if I could live through March, I lived the rest of the year.

Rev. Landreth, now superintendent of the Amarillo Methodist district, had to quit McMurry because of a lack of funds before graduation. Many years later he returned and took his degree. He told other members of the class that he had waited all these years to find a graduating class worthy of having him as a member.

Note to members of the Muleshoe Chamber of Commerce:

You recall that we were talking at the last luncheon about the various things which make people like to trade in a town, how to keep more and more people coming to see us.

I had it in mind, but time ran out on us, to remark (but I can set it down here a whole lot better), that one thing which people like about a town is friendliness. When a farmer and his family come to town, I think they want to mix and mingle with their neighbors here in the stores and shops and offices.

When we see such a situation, why not throw what we're doing aside and visit with these people for a while? We really feel friendly, we really do, so why not show it? A friendly atmosphere in a store will bring me back and back, and I am not wealthy but price doesn't have one half as much to do with it as does the consideration of whether I have been made to feel at home there.

Not only that, but men stroll about on the streets to stop now and then to talk to each other and the city tellers. I do not believe it would hurt a thing if Mr. Hart, or Mr. Wagoner, or Mr. Dyer, or just anybody who knows people, to stop and have a chat. Some of the bright jewels in an editor's life are his conversations with farm people. I get a big bang out of talking to them because the subject is usually something about which I am pretty ignorant though interested.

M old dad had a saying which I am sure came out of the Blue Back Spler to the effect that "Vinegar never catches flies." Friendliness has never yet failed to pay off in a better business relationship and in giving the friendly one a fuller, richer life. I am not saying that we don't all of us feel friendly - I am just afraid we don't always take the time to act friendly. A friendly town, like a friendly person, will always, always, have friends.

ELDER J. F. WEST A VISITOR

When Elder J. F. West, of Purcell, Okla., visited here Sunday with his son, Theron West and family, so many of the old friends of the family came in that it was just like a reunion. Sunday evening a large number gathered at the West home for an old fashioned visit. Elder West, a Primitive Baptist minister, had preached at Hale Center Friday, Saturday, and Sunday.

Judge James P. Hart, Justice of the Supreme Court of Texas, Austin, will head a list of outstanding Texas jurists attending the bar banquet of the 64th Judicial Bar Association, to be held in Muleshoe the evening of Saturday, March 6, Bailey county members of the association announce. Pat R. Bobo and Cecil H. Tate of Muleshoe, said that Justice Hart has accepted an invitation to attend and to speak at the banquet.

Hon. James G. Lumpkin, Justice of the Court of Civil Appeals, is another jurist who will be an honored guest at the banquet. Hon. Roy Bass, Lubbock attorney and widely known for his excellence as an after dinner speaker, will be on the program, the local bar association members said.

Hon. H. C. Pipkin, Amarillo, a well known Panhandle attorney, has accepted an invitation to attend.

Judge C. D. Russell, Plainview, judge of the 64th Judicial District of Texas, will be in attendance. E. A. Bills, Littlefield, is president of the association and Jim Norman, Plainview, district court reporter, is secretary. Judge Bills will be master of ceremonies.

Several Bailey county officials including members of the commissioners court, the mayor, school superintendent, will attend. The banquet will be given in Fellowship Hall. A delicious smoked turkey dinner will be served by members of the Wesleyan Service Guild of the First Methodist Church.

Yellow Jackets Track Squad Has Twenty Six Boys

Two sprinters, at least one good quarter miler and other good talent already have been "discovered" by Coach James A. Beam since track and field events training began at high school this week. Most, however, the boys still are getting used to operating in track shoes, getting their wind built up, learning how to take off on a run, and other rudiments.

The twenty-six boys who have reported will be assigned particular events to train for as time goes on.

The twenty-six members of the track squad are:

Weldon McCarty, Donald Fudge, Don Sanders, Curtis Boss, Bobby Goss, Philip Garrett, Wild Bill Thompson, Gene Harvey, Rex Briscoe, Aubrey Heathington, Benny Douglass, David Weyer, Bill Gaede, Jim Gaede.

Lee Kimbrough, Don Floyd, Eddie Wayne Nichols, Bill Marberry, Lloyd White, Howard Tate, Joe Bob Horsley, Richard Willis, Bobby Wallace, Marion Waggoner and Ted Harrison.

The boys have been working indoors a lot during the bad weather but will take to the dirt track in a few days. They are having to learn to run in mud and sand, for there are no cinder paths in existence now.

H. C. ELLIOTT IS HONORED WITH SURPRISE PARTY

H. C. Elliott, son of Mr. and Mrs. W. D. Wanzor, was honored with a surprise birthday party Tuesday night, March 2.

Games were played and refreshments of cake and ice cream were served to about fifteen young people. Mr. and Mrs. Olen Jennings were also present, with Mrs. Jennings as co-hostess.

LUSTY BOY ARRIVES

Mr. and Mrs. J. K. Adams are parents of a boy, weighing 8 pounds, 3 ounces, born at Mineral Wells Monday afternoon. The proud father was attending the Amarillo Fat Stock Show with the club boys, having visited with his wife Friday to Sunday. The boy has been named J. Houston Adams. The Adams' also have a daughter. Mr. Adams is Bailey county agricultural agent.

TO BUILD APARTMENTS

John Ray Hammock is to begin the construction of an apartment building here to contain four to six apartments of three rooms each. The material is some Army surplus barracks he has bought at Camp Bowie, Brownwood, will be used in the building, which will go up on a lot 80 x 140 in the new Pool addition.

MULESHOE - COUNTY SEAT OF BAILEY COUNTY, TEXAS

THURSDAY, MARCH 4, 1948

McMurry Boosters

DR. HAROLD COOK

REV. E. D. LANDRETH

Dr. Harold Cook, president of McMurry College, Abilene, and Rev. E. D. Landreth, superintendent of the Amarillo Methodist district, have addressed church groups throughout the section to bring people up to date on recent growth and development of McMurry.

Water Meeting To Draw Crowd

The water hearing to be held in Plainview on March 8, sponsored by the Texas Farm Bureau Federation, is expected to draw a large attendance of farmers from all sections of the state, according to J. Walter Hammond, president of the organization. Representatives from other interested groups and state legislators will participate. Water engineers and geologists have been invited to be present and furnish information to the group.

The meeting will begin at 10 a.m. in Plainview's City Auditorium.

The hearing is scheduled for the purpose of studying the underground and surface water situation in Texas, and to discuss the desirability of underground water control legislation. "We are seeking information as to the available supply of surface and underground water," Hammond said, "with an eye to making the best possible use of the water supply to meet the approval of the present and potential water users."

W. L. Broadhurst, District Geologist of the U. S. Geological Survey, Department of the Interior, will submit progress reports on the ground-water resources in the High Plains of Texas, which have been prepared by his office in cooperation with the State Board of Water Engineers.

Others expected to be on hand for the hearing are: Senator Grady Hazlewood of Amarillo; Representative I. B. Holt, Olton; D. A. Bannan, manager of the West Texas Chamber of Commerce, Abilene; W. O. Fortenberry, Lubbock county, chairman of the Plains Water Use and Conservation Association; A. B. Tarwater and Captain Winfield Holbrook, both of Plainview.

Farmers will be given an opportunity to make known their desires with reference to water control and development projects. All counties are invited and urged to bring a group of interested farmers, Hammond said.

W. R. Tilson of Meadow, state Farm Bureau director of District 2, will be host for the hearing. Co-chairmen will be Farm Bureau Directors Joe M. Hatton of Amarillo and C. H. DeVaney of Coahoma.

March Of Dimes Fund Growing

A tabulation Tuesday morning showed that Bailey county people have given \$310.74 in the belated drive for the March of Dimes fund to combat infantile paralysis. Roy Holland, county chairman, indicated that the drive would continue through this week.

Mrs. Buck Wood, county secretary, and Arthur Crow, county treasurer, have the following record of contributions by organizations: Muleshoe Eastern Star \$138.91, Three Way School 61.65, Lions Club 59.09, Muleshoe high school 15.93, Muleshoe grade school 35.16.

March of Dimes bottles had not been picked up from the stores, and mostly contributions of individual business men have not been included in the above tabulation, although some few were turned in to one or the other of the above mentioned organizations.

Ordinarily the March of Dimes campaign ends the last of January, but Bailey county's campaign was delayed because of the last illness and death of the late R. L. Brown, who had been county chairman.

Dollar Day A "Big Success"

Muleshoe's first Dollar Day sales event was a big success!

This is the verdict reached by merchants who took part in the event, staged here Monday, and all to a man expressed the opinion that Dollar Day should be made a regular monthly feature, on the first Monday in every month.

The indication is that there will be several more merchants in the next Dollar Day event. Several who did not advertise specials for that first day have told The Journal that they will be in on the next one.

The merchants said that it was an unusually busy Monday, with many new people appearing in their stores and a steady stream of customers wishing to take advantage of the savings offered. Some forgot that Monday was Dollar Day and came in Tuesday to buy the specials.

One lady told a Muleshoe merchant, after hearing that it will be a regular monthly feature, that she was glad about it because she would not have to go to an adjoining town for Dollar Day.

The merchants gave some very attractive prices for their first Dollar Day event. Next month's Dollar Day news will be carried in The Journal in its issue of April 1.

TO FISH FOR MARLINS

The Dr. S. E. Goucher family hope to be off this week for the Atlantic coast of Florida and Dr. Goucher expects to do some fishing for Marlin and other big game fish. He was to go from here to Sulphur Springs, where Mrs. Goucher and their daughter have been with Mrs. Goucher's sister, who has been very seriously ill. They will be in St. Petersburg and other Florida towns as far down as Key West for about a month.

Mr. and Mrs. H. C. Davis, members of Fieldton school faculty, visited Mrs. John Davis, who is in the hospital, Sunday.

Wins Promotion

R. F. Hinchey of Lubbock, for the past twenty years Vice President and General Manager of West Texas Gas Company, is now President and General Manager of the company. As President he succeeds R. E. Wertz of Amarillo who relinquished the post to become chair-

R. F. HINCHEY

man of the board of Amarillo Oil Company, and administrative affiliate. The change, designed to enable Mr. Wertz to devote more time to special work for all the affiliated companies, was announced following a meeting of the board of directors of the company held in Kansas City on Tuesday.

Mr. Hinchey came to West Texas from Okmulgee, Oklahoma, on June 1, 1927, to be in charge of the construction of a gas transmission line from the Panhandle Gas Field down into the South Plains, and of distributing plants in the various cities and towns which were to be served. First offices of the company were in Amarillo, but early in 1930 after the initial construction work was complete, the general offices of the company were moved to Lubbock, where they have remained.

District Court Meets March 11

District court will be in session in Muleshoe Thursday, March 11, with Judge C. D. Russell presiding. The following list shows men summoned to report that day for petit jury service, and their mail addresses:

C. W. Ramage, Muleshoe; M. A. Peel, W. I. Plunkett, Sudan; Allen McReynolds, L. B. Wood, Leon Smith, Muleshoe; R. C. Everett, Goodland; W. R. Adams, Morton; L. J. Cochran, Harold Mardis, Muleshoe; Jack Lowe, Goodland; D. O. Burelsmith, Rufus Gilbreath, L. N. Walker, Muleshoe; N. R. Harding, Farwell; H. M. Gable, W. B. Cartlan, Dewey Ross, Delma McCarty, C. A. Barnett, D. B. Head, R. C. Gaede, Muleshoe;

Adolph Wittner, Baileyboro; J. T. Shofner, C. R. Farrell, Muleshoe; Joe Speck, Enoch; Conrad Williams, Goodland; Jack Bates, Sudan; D. W. Danielson, Muleshoe.

A petit jury summoned for service was dismissed Tuesday to reconvene March 23.

Mr. and Mrs. M. G. Bass attended the funeral of L. N. Powell of Crosbyton Saturday. They also visited Mr. Bass' father, H. I. Bass, who has been a patient in the Crosbyton hospital.

Annual Muleshoe Fat Stock Show Is Set For Friday, March 19th

Maltby Attends Sugar Beet Meet

G. T. Maltby, Bailey county farmer who attended the meeting held in Dimmitt last Thursday of farmers with officials of the American Crystal Sugar company, Rocky Ford, Colo., reports more than 200 growers were in attendance and interest around Dimmitt seemed at a high pitch.

Officials present included H. E. Knapp, company superintendent; and E. R. McCaffey, editor of The Agriculture Journal, all of Rocky Ford; and Odene Nixon, field man at Hereford for the company.

McCaffey showed films illustrating various phases of beet growing and the officials discussed many aspects of the industry from the viewpoint of the farmer.

Mr. Maltby said an official said that the proper development of sugar beet growing means a refinery somewhere in Texas. Few farmers have shown an interest in growing beets here, but he is still hopeful a meeting can be arranged so that local growers can learn more about this high money crop.

The sugar company officials during their Texas visit have held meetings in Friona, Dimmitt, Hereford, and two in the Plainview neighborhood.

Officials Of Bailey Electric Co-Op Will Attend Convention

Five officials of the Bailey County Electric Cooperative Association will attend the annual convention of the National Rural Electric Cooperative Association, to be held in Chicago March 8, 9, and 10.

In the group from this association will be Marty Ezell, manager, and Directors J. T. Babanks, H. E. Schuster, W. R. Adams, and D. V. St. Clair. They will board a special Santa Fe train at Lubbock, which train will carry representatives of associations in this section to the convention.

Mr. and Mrs. Roy Holland were in Post Tuesday to attend funeral services held for J. L. Stewart.

Mrs. Charlie Covington, who is seriously ill in the Payne-Shotwell hospital in Littlefield, was reported to be much improved Tuesday.

Pie and Cake Sale - Saturday, March 6 at E. R. Hart Co. benefit of Muleshoe Library - Sponsored by Muleshoe Study Club, 11p.

Bailey Co. Drive Ends This Week

Several changes have been proposed in rules governing the Muleshoe Club Boys Fat Stock Show, annual renewal of which is now scheduled for Friday, March 19.

A slight change in premium distribution to give more money for boys showing barrows is one of the major things the rules committee will be asked to pass upon.

Last year the top calf in both light and heavy divisions won for its owner \$50. This year, it is proposed to start at \$35 for the top calf in each division, with following placed calves winning \$30, \$25, \$20, \$15, \$10, and \$5 respectively.

A very large list of fat barrows will be shown prompting the proposal to allot more money to this department. In the first place, swine will be shown by breeds this year for the first time, and in this respect the local show will follow the lead of the larger, regional shows. In each breed the premium list, it is proposed, will be \$12, \$8, \$7, and \$6 for first, second, third, and fourth places respectively.

These barrow premiums are said to be twice that offered in the big Amarillo show held this week, and much larger than the Lubbock show. Last year, it was said that the Muleshoe show offered larger premiums than any other known exhibition. There will be no auction of animals, according to present plans.

Many of the best animals to be shown here will be put in trailers immediately for a journey to Lubbock and exhibition in the annual Lubbock Junior Fat Stock Show, where entries will be received Sunday.

Bailey county FFA and 4-H Club boys will be eligible to enter animals in the Muleshoe show.

Local leaders of the show said that in addition to entries in the Lubbock show, it is planned to have this county well represented at the Plainview show a month later.

PIGGLY WIGGLY STORE

Construction of the building to be used by the Muleshoe Piggy Wiggly store is rapidly nearing an end. Only some odds and ends need to be done before the building is turned over to the store company.

Doc Wilhite, owner of the building and in charge of its construction, has done a quick job, considering the many days when weather interfered. Concrete was run in the floor last week, and the first part of this week tile was being laid. A partition between the store proper and the storage room remained to be built, and the sidewalk had to be laid, all expected to be completed this week.

JONES TOURIST COURTS NEARING COMPLETION

Hundreds of people Sunday visited the new Muleshoe Courts just being finished by Ollie Jones. The latter said he would place newly bought furniture in the twelve units this week.

A date for the courts' opening will be announced soon, Mr. Jones indicated.

Rev. and Mrs. James Carter, of Lubbock, visited with her parents, Mr. and Mrs. C. R. Farrell. Rev. Carter held Sunday night's services in the First Methodist Church.

Boxing Tournament Drew 72 Entries

The Lions and the public were so pleased with the first invitational boxing tournament held here last week end that the tournament will be declared as annual event. So many boys entered that two nights of elimination and a final night were necessary—the tournament had been advertised for Thursday and Friday nights but was carried over into Saturday night.

Big crowds were on hand each night to watch the spirited youngsters from a wide section of the Plains show their fist prowess and the fans were vociferous in their applause for their favorites.

Bill Gipson, the well known referee of Clovis, refereed the whole program and did a whole of a job. Bill Moore and Tye Young bore the brunt of the local management of the tournament, according to Jack Lenderson, committee chairman. Moore and Young made all match arrangements, kept things

going smoothly, and Moore did the announcing over the loud speaker system. Boxing fans from many other towns were here for the tournament. Mandy Johnson handled the ticket arrangements and in addition helped out on the door. Other Lions helped greatly.

Olton's team won the team trophy, a beautiful loving cup. Richard Willis, of Muleshoe, a high school entry, was awarded the tournament sportsmanship trophy, receiving a loving cup.

Champions of the various weight divisions were given gold boxing gloves. They are as follows:

Light heavyweight;

Howard Lee Millsap, Sudan, 60; B. W. Baucom, 76; Pete Pollard, Sudan, 93; Kenneth Gullett, Olton, 116.

High school entries included the following:

Billy Roper, Joe Hall, Roger Jones, Wayne Carson, Bobby Daugherty, Max LaDuke, Rex Montgomery, all of Olton; Carlos Martinez, Clovis; Norman Hemphill Olton; Preston Cargile, Sudan; Richard Willis, Muleshoe; Alton Taylor, Muleshoe; Jack Duncan, Olton; David Fawcett, Lubbock; Garland Rose, Olton; Virgil Bell, Sudan; Hoshall Thomas, Muleshoe;

Harvey Coffman, Muleshoe; Huck Nichols, Ed Burrus, Olton; T. J. Lawler, Muleshoe; Bob Gullett, Olton; Lester York, Lubbock; Lester Pollard, Sudan; Robert Ferguson, Lubbock; Alton Cannon, Olton; Bill Pollard, Lubbock; Marvin Actkin-

son, Sudan; Johnny McWhorter, Lubbock; Denzil Wiseman, Sudan; Ross Hammock, Sudan; Dan Williams, Lubbock; Bobby Goss, Muleshoe.

Grade School Entries

In the grade school class the following youngsters were entered:

Howard Lee Millsap, Sudan; Donald Nazgar, Olton; Bill Edmondson, B. W. Baucom, Don Baucom, Olton; Charles Lynch, Sudan; Jimmy Wilkinson, Sudan; Jerry Nichols, Olton; Don Humphries, Sudan; Kenneth Messer, Olton; Pete Pollard, Sudan; Jimmie Prather, Muleshoe; Jerry Jones, Sudan, Laron Lee Sudan;

Donald Golston, Bennie Partain, Joe Lane, Donald Littlefield, Sudan; Kenneth Gullett, Olton; Lloyd White, Muleshoe; Aubrey Heathington, Muleshoe; Gearld Alcorn, Olton; Alton Actkinson, Sudan; Oscar Duncan, Olton; and Raymond Humphries, Sudan.

MAP TIDELANDS STRATEGY—State officials and congressmen are shown as they mapped their strategy for committee hearings on legislation to clear state titles to submerged lands. Seated left to right are Price Daniel, Attorney General of Texas; Minority Leader Sam Rayburn, and Nebraska Attorney General Walter R. Johnson. Standing are Judge Robert Lee Bobbitt, Chairman of the Texas State Bar Tidelands Committee, Attorney General Fred Howser of California, and Congressman J. M. Combs and Ed Gossett of Texas. The hearings were under way this week before joint sub-committees of the US Congress House and Senate judiciary committees. Forty-four states are supporting the legislation.

Texas A. & M. Is Working With 143 Texas Soil Conservation Districts

College Station, Feb. 26—Members of the Texas State Soil Conservation Board met on the campus of Texas A. and M. College with officials of the college this week in an effort to determine what part Texas A. & M. is able to play in working cooperatively with the 145 soil and water conservation district supervisors over the state of Texas, said D. W. Williams, vice-president for agriculture of Texas A. & M. College.

The place of the College with respect to the question of stabilization and building of the soils of Texas through the 145 established soil and water districts of Texas was clearly outlined by President Gibb Gilchrist in an interview with Horace K. Fawcett, chairman of the state soil conservation board.

In the interview Mr. Gilchrist said that the "A. & M. College of Texas is sensitive to the needs and desires of the farmers and ranchmen of this state. Texas A. & M. College and its personnel are committed to do the educational phases of the soil and water conservation program. They are to assist the supervisors in any and every way possible to do everything we can to more quickly solve the problems of soil and water conservation. Furthermore, it is the definite policy of Texas A. & M. College to cooperate with all agencies in a sound and unselfish program looking to the benefit of agriculture."

Gilchrist went on to say that since the history of the college is educational in nature, its representatives are expected to work with district supervisors of the soil conservation districts in an educational way to advance the whole program. In response to Gilchrist's statement, Fawcett answered: "It is a

responsibility, and we are charged under the state soil conservation law to bring the assistance of the various agencies, both federal and state, to the elected supervisors of soil conservation districts, and through them to the farmers and ranchmen of Texas in their effort to stabilize and build the soil. This program might be well termed an inventory of conditions as it relates to the soil. Then they follow with a well defined plan of work in which they determine what shall be done and how it shall be done. Our meeting here with the A. & M. College has been very satisfactory. A definite, clear-cut understanding as to the part the college will perform in assistance to these districts has been arrived at and I am confident that great progress will result."

Besides Fawcett, other board members included Walter W. Cardwell, Luling; C. M. Caraway, DeLeon; J. P. Martin, Martinsville; and Sid Payne, Tullia.

CERTIFIED SEED GROWERS TO MEET AT TEXAS TECH
Lubbock.—All persons interested in better seed production are invited to attend the annual meeting of certified seed growers to be held in Aggie Memorial auditorium at Texas Tech College March 6, according to Dr. A. W. Young, head

professor of plant industry. A program is being planned dealing with sorghums, wheat, storm proof cotton developments, pink boll worm quarantine, chemical wood killers, a demonstration of the Gustafson Slurry method of seed treatment and movies of other methods. The meeting will be held from 9 a.m. until 4 p.m. More than 100 persons from West Texas and East-

From where I sit ... by Joe Marsh

How to Put Up with Women's Styles

When Will Dudley's mis- us finally gave in to the new-style longer skirts, Will was mighty critical at first. Allowed as how women were a slave to fashion ... ought to dress to please their husbands and not style designers. Sue finally reminded Will of his habit of sitting by the radio Saturday afternoons in shirt sleeves and old slippers, listening to the sportscasts with a mellow glass of beer. Suggested that maybe Will was a slave to comfort.

Perhaps the way somebody dresses isn't always to our taste—just as Will's glass of beer may be another person's cider. But from where I sit, those little differences aren't important—unless we go out of our way to make them so, by being hypercritical. As Will says now: "Well, anyway, those long skirts hide a multitude of shins" ... and lets it go at that!

SCHOOL DAYS

By DWIG

of Texas A. & M. College, and most gardeners have not been able to get their soil ready at the right time. January's weather brought soil temperatures down pretty low, and in many localities the soil is extremely wet. At the first chance, when the sun warms things up a little, the soil should be plowed into beds; wait several days, then rebled to increase

warmth of the soil, and the soil through plowing. Commercial fertilizer applied seven to ten days ahead planting time; five or of 5-10-5 to 100 feet of row will provide a quick meal young plants, and stimulate growth. Barnlot fertilizer is a good substitute for commercial fertilizer in blackland areas of Texas.

never married me a wife cause I couldn't git my ro over th' one I wanted.

ern New Mexico attended the meeting at the college last year.

College Station.—Cotton farmers had a good year in the Panhandle and South Plains. Yields were higher than many of the early crop estimates, even though the summer was dry. This, according to Fred C. Elliott, cotton work specialist of Texas A. & M. College, pointed out again the value of storing moisture during the winter.

Conditions on the Plains are looking up and the supply of moisture in the soil before planting time is encouraging. As usual, land listed on the contour caught and held more water.

County agents have pointed out to Elliott that recent snows and freezes have left the finer soil particles on top of the ground where they are likely to start blowing.

Many Plains farmers are standing by with chisel plows and others will use them for the first time if blowing starts. Still others will stop blowing with lister equipment. "No matter how they do it—just so they do it," Elliott says.

"Right now prospects are good for another big cotton crop on the Plains - if blowing is kept down."

Spring Gardening Time Nearly Here

College Station.—The spring garden situation is running a little behind schedule in soil preparation due to the recent unfavorable weather the past 30 days, says J. F. Rosborough, Extension horticulturist

Old Favorite Revived

CHICAGO—In these days of high prices, wise women want the most food value possible out of everything they buy. And so they look with pleasure to March, National Bread and Gravy Month. Men and children have always snacked their lips over a plate of bread smothered with rich, brown gravy, and homemakers not only enjoy the delicious flavor, but also appreciate the economy of it. It's simple, too. Just two slices of enriched bread covered with tasty gravy. Makes a wonderful Sunday night supper.

USE SUFFICIENT WATER TO PENETRATE DEEPLY

Lubbock.—Farmers who begin irrigating land in March preparatory to spring planting should be careful to use sufficient water to penetrate well below the surface, thus preventing needless loss through evaporation, according to Dr. A. W. Young, head professor of plant industry at Texas Technological College.

Dr. Young suggested that better soil be soaked at the caliche layer, several feet down. Pointing out that the water is to be used three or four months later, he explained that moisture applied now to the first foot of soil is sure to evaporate long before time to plant crops.

TEXAS LINT COTTON PER ACRE AVERAGE IN BIG GAIN

College Station.—Texas cotton farmers pocketed as additional \$176-220,000 in 1947. That's what an average of 60 lbs. of lint cotton per acre increase over the average of 1946 meant in dollars. In 1947 an average of 190 pounds of lint cotton per acre were harvested in comparison with 1946's figure of 130 pounds.

CO-OP PRESENTS A GREAT NEW OIL

FURFURAL. A NEW SOLVENT MADE FROM OAT, RICE, COTTON SEED HULLS AND CORN COBS, BY THE CO-OP'S NEW PROCESS, KNOCKS OUT THE IMPURITIES IN OIL

NAPHTHENIC COMPOUNDS
THAT CAUSE SLUDGE, CARBON & VARNISH IN MOTORS

-- AND AS A RESULT, THE FARMER, THROUGH HIS CO-OP, HAS THE BEST AND THE PUREST MOTOR OIL THAT MONEY CAN BUY!

CO-OP PREMIUM MOTOR OIL

This great new oil that is big news to oil users is the new Furfural Solvent Refined oil... it is available in two types: CO-OP PREMIUM and CO-OP HEAVY-DUTY.

Furfural is an amazing new filter, now being used in the Co-Op refinery to purge oil of Naphthenes—those elements in ordinary oils that cause sludge and carbon to form in your motor.

That's why the Co-Op Solvent Refined Oil is big news for your engine. It means the virtual elimination of motor-wearing carbon and sludge. It means instant lubrication on starting. It is the oil that will retain full 'oiliness' under greatest heat and flow freely even in coldest weather.

You'll like the great new Co-Op Solvent Refined Oil... your engine will like it too! Buy it at your local Co-Op.

Furfural is made of oat hulls, rice hulls, cottonseed hulls, corn-cobs, and other farm by-products. It cleanses oil of impurities that refiners have sought for years to get rid of, the impurities that cause sludge and carbon to form.

Women's News. Club Events Social Activities

Mrs. Sinnacher Is Hostess To HD Club

Progress Home Demonstration Club met in the home of Mrs. Tom Sinnacher March 2. Mrs. John Sinnacher, president, was in charge of the meeting.

The personal committee reported eight cards mailed to neighbors. The finance committee reported \$12.80 from sale of food. The food committee has received their cabbage plants.

Our former president, Mrs. Raymond Brown, wrote the club a very

interesting letter about her new home and mentioned the fact that she would enjoy being with us. We miss Mrs. Brown a lot and hope she will return here to live in the near future. We wish to hear from her again.

Mrs. Murrah received word that the Holland package had gotten as far as New York. Members and anyone else interested should remember to bring clothing for the next package to Mrs. Albert Davis, for March 6.

Mrs. Henry reported that lots of clothing, food, quilts, blankets, shoes, and money were collected

for a needy family in Progress. We as a club, wish to thank each individual, who had a part in providing for this family. We especially wish to thank the Half Century Club and the Sunshine Club for their help.

Our club also donated \$5.00 to the Red Cross drive.

Mrs. Williamson gave a demonstration on "Ready Mixes." She told us to be sure to read the directions on the package that we buy. In some instances, eggs and milk might be added to make them better. We each ate a delicious sample of gingerbread and whipped cream she had prepared.

Mrs. Murrah attended the council officers training school in Plainview. She gave a report on this.

Delicious refreshments of sandwiches, cake and coffee were served to Mrs. Williamson, agent, one visitor and fourteen members.

MULESHOE STUDENTS AT TUCO PLANT

Members of O. E. Bowman's science classes recently were guests of Southwestern Public Service Company for an inspection of the big electricity production plant located at Tucuo, near Abernathy. Mr.

Bowman is at the extreme right in the picture.

Roy Holland, manager of the Muleshoe office of the company, and Mr. Dyer, superintendent of the plant, were on hand to greet

the students who made the trip in school buses. Abernathy school lunch room provided lunches. During the day the local group visited the science laboratory of Abernathy school and the broadcasting station of KVOW, Littlefield.

Soil Conservation Is Important To Every Man, Woman And Child in America!

For years, our soil was thought inexhaustible. New land was plentiful. New farms could be carved from the wilderness cheaper than the old could be maintained.

Now we are building a new economy based on proper land usage. We know now that our lands CAN be exhausted. Few virgin soils remain. Our soil is our heritage to be passed on to the next generation better than it was to us. For on our soil depends the progress of America. And that progress is in our trust.

Without secure farm homes, adequate and stable incomes for farm people, and a continuous supply of farm products, Americans cannot maintain a high standard of living... either on our farms or in our cities.

OUR NATIVE LAND - A TRUST TO KEEP*

* This information was furnished by the Blackwater Valley Soil Conservation District.

Muleshoe State Bank

Muleshoe PTA Held Chuck Wagon Supper

The Muleshoe P.T.A. met in regular session Monday night, March 2. Mrs. Morris Childers presided during the business session and Mr. W. C. Cunningham directed the program.

Mrs. Lester Hendrick, district P.T.A. Vice President, was a guest and offered her assistance in conducting future study courses.

Three pupils of Mrs. Marty Ezell, Robin Butler, Sharon Cox, and Joe Robert King, gave readings.

Anne Woodley sang two special musical selections, accompanied by her mother, Mrs. Elizabeth Woodley.

Mr. W. C. Cunningham gave a very interesting report of his trip to Atlantic City, N. J.

Fathers' night was observed and a chuck wagon supper was served to all. The hospitality committee is the following ladies: Mesdames Morris Douglas, Rufus Gilbreath and Dudley Malone.

Mrs. W. C. Cunningham's room won the attendance award.

Watson HD Club Met In Calvert Home

The Watson Home Demonstration Club held a very interesting meeting in the home of Mrs. Calvin Calvert February 25.

Several discussions concerning different subjects were held. It was decided to have a social once during each month. The first one will be held March 2 in the home

of Mrs. Dave St. Clair.

A quilt will be made and given to the best club member. Points are to be given for work done in making a better club.

Refreshments of sandwiches, cookies, and chocolate were served to Mesdames George W. Fine, Hutch Mitchell, Chester Petree, Keurroth Campbell, Erwin Campbell, Neil Smith, Bob St. Clair, Dave St. Clair, and Calvin Calvert, the hostess.

The Club will meet again March 10 in the home of Mrs. Clinton Edwards.

Men's Bible Class Entertain Wives

The Young Men's Bible Class of the First Baptist Church entertained their wives with a party in the annex of the church, Tuesday evening, March 2. Clifton Griffiths and Lee Pool were in charge of the games.

Refreshments were served to the following members: Messrs. and Mesdames A. E. Redwine, Ett Evans, C. C. Griffiths, Glen Phipps, A. W. Blaine, Lee Pool, and Ray Griffiths.

West Camp Club With Mrs. Williams

The West Camp Pollyanna HD Club met the afternoon of Wednesday, Feb. 25, in the home of Mrs. W. W. Williams.

"Well," said Bonnie Williams, "Manners were somewhat different in Washington's time." She then proceeded to prove her statement by reading a very interesting article on "Good Manners" as set forth by George Washington to his family and household.

Mrs. A. J. Jones conducted the business session. All old business was completed. Council report was given by Mrs. W. W. Couch. Mrs. W. W. Williams was nominated as

our delegate to go to the THDA convention.

After playing a couple of quiz games and visiting, refreshments were served to the following members: Mesdames Partin Austin, Guy Austin, W. W. Couch, O. L. Dutton, N. R. Harding, A. J. Jones, C. E. Roark, M. A. Spider, Elmer Williamson; one visitor, Marilyn Austin, and the hostess, Mrs. W. W. Williams.

Next meeting will be Wednesday, March 10, in the home of Mrs. C. E. Roark.

HD Club To Help Two Needy Families

The Muleshoe Home Demonstration Club met Thursday, Feb. 26, in the home of Mrs. O. C. Kirk.

Mrs. S. C. Caldwell read from the club magazine, "The Messenger," some of the things other clubs in the district are doing for their communities.

Mesdames A. W. Copley, J. T. Shofner, J. E. Day, D. R. Aylesworth and Caldwell told the club some of the things they learned at the meeting in Plainview Monday.

The club will send food and clothing to two needy families in Muleshoe. The president, Mrs. Caldwell, appointed Mrs. Kirk, Mrs. Shofner and Mrs. Jinks Beller as a committee to purchase material to make gowns and pajamas for one of the families who has illness in the family.

Each club member is asked to bring a jar of canned fruit or vegetables to the next meeting. This food will be divided between the two families the club is helping.

Refreshments were served to two visitors, Mesdames Joe Tipton and J. B. Nichols, and ten members: Mesdames Jinks Beller, D. R. Aylesworth, A. W. Copley, H. M. Shofner, C. E. Briscoe, J. W. Jarman, J. E. Day, J. T. Shofner, S. C. Caldwell and the hostess, Mrs. Kirk.

The next meeting will be on March 11 in the home of Mrs. Day. This will be an all day meeting with a covered dish luncheon. The day will be spent sewing for these needy families.

Each club member is urged to come and bring a covered dish.

Longview HD Club Met With Mrs. Buzard

The Longview Home Demonstration Club met in the home of Mrs. Katherine Buzard, Tuesday, February 24.

Mrs. Gladys Dorsey gave a talk about the training school held at Plainview. Mrs. Dorsey was one of the delegates sent from Bailey county to attend the school. They also had a report from the council meeting.

Refreshments of hot rolls, butter, jelly, coffee, and cocoa were served to the following: Mesdames Berta Kitchens, Ranita Dawson, Gladys Dorsey, Lois White, Olethe Buzard, and the hostess, Katherine Buzard.

The next meeting will be in the home of Mrs. Naomi Black, Tuesday, March 9.

Mrs. McCall Hostess To Enochs HD Club

Mrs. E. N. McCall was hostess to the Enochs Home Demonstration Club in her home Thursday, February 26. The president was in charge of the meeting, Mrs. Williamson was not present due to illness.

Mrs. Bill Dick spoke to the group on back yard screen planting. Our work was discussed and an all day working was set for March 4. Everyone is to bring a covered dish. Our clothing committee reported eight garments, one suit, and three dozen tea towels were made in February.

A refreshment plate was served by the hostess to the following

members: Mesdames T. W. Autry, C. G. Seager, R. P. McCall, Dulch Cash, B. Bryant, Carl Hall, John Gunter, A. B. Autry, Zed Robinson, Bill Dick, John Vanlandingham, and C. N. McCall, the hostess.

The next meeting will be in the home of Mrs. John Gunter, March 11. Every member bring an apron for the grab box.

Bailey HD Ladies To Honor 4-H Girls

In observance of National 4-H Club Week the Home Demonstration Club women of Bailey County will be hostesses to all the 4-H Club girls and their mothers, at a tea at the Fellowship Hall of the Methodist church of Muleshoe, Saturday, March 6, at 3 p.m.

The girls that made 90 or above on their dresses in the dress revue will receive their awards. The Gold Star Girl of Bailey County will also be given her award at this time.

Mrs. Awtrey Honoree At Birthday Party

A birthday dinner was given in the home of Mr. and Mrs. Deon Awtrey of Goodland, Sunday, February 29, in honor of Mrs. W. H. Awtrey, Sr. of Muleshoe.

Those attending were Mr. and Mrs. W. G. Bryant and family of Goodland, their son, Gerald Bryant, of Albuquerque, N. M., and Mr. and Mrs. E. T. Ward and son, Arlen, of Portales, N. M., Mr. J. W. Bryant of Portales, father of Mrs. Awtrey, and her mother, Mrs. Julia Bryant.

Everyone had a very enjoyable day.

Needmore Rebekahs Held Meeting Tues.

The Needmore Rebekah Lodge met Tuesday night, March 2, at the L.O.O.F. Hall for their regular meeting.

Most of the officers were present. They are very glad to have Anna Mae Tubbs as a new member in their lodge. She became a member by transfer certificate.

Needmore Rebekahs are very proud of their new piano which is now installed in the Lodge Hall.

MULESHOE JUNIOR PLAY TO BE PRESENTED SOON

Miss Elizabeth Bailey, Junior class sponsor, reports that the Junior play, "George in a Jam," will be presented in the near future. The date of presentation will be announced very soon. Don't miss it!

West Texas Gas Co. Announces Plans To Increase Its Facilities

The West Texas Gas Co. will increase its facilities to keep pace with the development in the cities it serves, said R. F. Hinchey, vice president and general manager, in a communication recently to the Plainview Chamber of Commerce. Hinchey's letter said: "Improvements and additions to our system planned during 1947 for installation during the years 1948, 1949 and 1950 exceeded

three million dollars, and the major items of equipment required for the 1948 construction program were ordered, and deliveries of compressors prior to June 1, 1948, have been promised. Plans for additions to transmission facilities are based on peak heating weather, as experienced during the company's past history and on anticipated additions of load. The storms of the weeks ending January 31 and

February 14, due to the unprecedented duration and system wide coincidence of unusually low mean temperatures, placed demands upon our system which were greatly in excess of those which could reasonably have been anticipated. In the light of this recent experience, our engineers are, of course, re-examining and re-vamping plans. These will be altered to provide the increase in capacity shown to be necessary to meet adequately the requirements of the cities and towns we serve.

"Specifically, the 1948 program already under way, which, course, was planned to include the needs of your area, provides for the installation of additional compressor facilities and construction of additional pipe lines of capacity in keeping with demands to be met. We feel sure that the planned program, altered as shown to be necessary by studies now underway, will be carried out before the next winter season and that we will be able to provide cities and towns we serve an adequate supply of gas.

"The business holidays on January 28 and Thursday, February 12, 1948, were necessary in order to protect the supply of domestic gas to certain cities and towns supplied through lateral lines, the capacity of which became marginal or submarginal in which the supply of gas was not in jeopardy, to cooperate by curtailing the use of gas; specifically, to protect the supply to Levelland and Odessa as well as to other cities and towns on these lateral lines whose supply of domestic gas was in somewhat less jeopardy. Based on weather conditions heretofore experienced, these lateral lines were considered of sufficient capacity to avoid a critical gas shortage.

"West Texas Gas Company has a priority call on the gas as needed from approximately 275,000 acres of proven gas land in the Texas Panhandle Gas Field. In addition, the company purchases gas from Cities Service Oil Company at the outlet of its North Cowden Gasoline Plant and from Empire Southern Gas Company at a point in Martin County where its line crosses the company's main transmission line. It, therefore, follows that there can be no question as to the supply of gas.

"Feasibility of new sources of supply for the company's use are always investigated when new oil fields are developed in the area, and studies have already been completed concerning another source of gas in addition to those mentioned above; in fact, preliminary discus-

A Preference For Provincial

Marshall Field & Co. Photo

One of the reasons for the continued popularity of informal provincial furnishings is that they are suitable for either city or country living. However, in today's use of Early American and other provincial styles, the style must be adapted to a house and atmosphere compatible to its mood and manner. Accessories should fit in completely with the informal feeling, and should add to the authenticity of such interiors.

The inherent simplicity of provincial furnishings is perfectly illustrated in the room shown in this picture. Charm and comfort are the keywords—the furniture is warm tawny maple and the lampbases and candlesticks of brass lend a glow to the room. The liberal use of white for the woodwork and shag rug brings out the gray colors in the wall paper and the plaid upholstery. The same red, green, and white of the apples and leaves in the wall paper are carried out in the gingham which covers the loveseat and chair. The one wall of dark green contrasts brightly with these vivid colors. For a homemaker planning on decorating part of her home in Early American there are many modern interpretations of Early American wall paper patterns—simple floral designs, small geometrics, rough plaids and scenes. March has been designated National Wallpaper Month, so now is a good time to shop for the patterns you have in mind for spring decorating.

sions have been entered into with another possible supplier. Thus, the material question before gas consumers is the capacity and deliverability of our transmission lines. "In 1947, major increases in transmission facilities, which were considered to be adequate, were completed prior to this winter's heating weather except for two items. A larger amount of compressor horsepower was added to the company's transmission lines during 1947 than during any previous year in the company's history. The two uncompleted items were an enlarged lateral line to Levelland and an additional and larger lateral to Odessa. Inability to secure lateral line to Odessa was partially commissioned the day before the storm of February 12, and the original lateral line has since been paralleled with larger pipe. With regard to the Levelland lateral, partial completion is now possible out of some 240 tons of pipe which we have just secured, and additional compressor capacity will be installed on this line early this summer."

DIDN'T LOSE A BAIT

Bill Sullivan and E. M. Lovelady didn't lose a bait off their hooks while fishing at Buffalo Lake Sunday. The day was rather cold, the wind high, and the fish weren't hungry.

HALF INCH AT MARDIS FARM

A half inch rain fell Sunday

night at the Harold Mardis farm west of Muleshoe. Only .03 of an inch fell in Muleshoe, according to R. J. Klump, weather recorder. Mr. Mardis said the rain came in several showers, and that it was accompanied by heavy lightning and thunder displays.

County Agent J. K. Adams went to Mineral Wils Friday to join his wife and child who had been there with Mrs. Adams' parents. He was to join club boys exhibiting in Amarillo at the Fat Stock Show Monday.

DON'T

... Put shades on lamps that "swallow" light. Use clear translucent shades that utilize every bit of light given by your bulbs.

... Sit under a light that does not throw sufficient illumination on the book or paper you are reading. Eye-strain is the result.

... Allow a child to study under the wrong type of lamp. Some lamps put too much light on books and papers and cause harsh reflection.

DO

... Clean lamp shades and bulbs frequently. Much light can be wasted in dust and grime.

... Place lamps so that equal and sufficient light is given for everyone who uses the lamp.

... Make sure that children have the proper type of study lamps, giving clear warm light on the work they are doing.

Simple rules for good lighting that will add comfort and enjoyment to your living. They are important rules to follow that will protect the precious eyesight of every member of your family. Better light means better sight.

I'LL COME TO YOUR HOME OR PLACE OF BUSINESS

A Public Service Company lighting specialist will come to your home, office, or place of business to give you recommendations as to how to obtain the best in lighting. There's no obligation. Just call or write your nearest Public Service office.

A little care saves a lot of wear!

A Spring change from contaminated, old winter oil to Nth Motor Oil protects from grit and dust that can ruin the inside as well as the outside finish of your car!

Conoco Nth Motor Oil (Patented)* contains a special added ingredient that fastens an extra film of lubricant so closely to metal that metal surfaces are actually OIL-PLATED!

This OIL-PLATING stays up on cylinder walls while you're running hot and when you're not... won't all drain down into the crankcase even overnight! That's why Nth Oil extra-protects from "dry-friction" starts... from sludge and carbon caused by wear.

So, for extra-cool, extra-powerful, extra low-cost miles...

Make a date to OIL-PLATE!

Cassidy Erects New Home For Hired Man

Allison Cassidy, prominent farmer of Y. L. Community, has re-

cently completed a new house on his farm, immediately south of Raymond Gaede, for a hired man and his family. The house has four rooms, bath, hall, butane and electric service, and pressure pump.

It is occupied by Jim Hines, wife and three children, who came here from Matador, where Mr. Hines was an employe of the Speer Gin company.

Dave Coulter, reporting this development to the paper, thought Al Cassidy deserved a nice pat on the back for his feeling of a moral obligation toward an employe.

Former Gov. W. P. Hobby Will Direct Texas Cancer Control Fund Campaign During April

Houston.—Former Gov. W. P. Hobby, publisher of the Houston Post, has been selected state chairman of the 1948 fund campaign of the American Cancer Society.

His appointment was announced by Frank C. Smith of Houston, president of the Cancer Society's Texas Division.

Gov. Hobby will head a month-long drive for funds with which to carry on the Society's program of research, education, and service. The campaign will open April 1, since April has been designated by an act of Congress as Cancer Control Month and thus is the official annual time for the American Cancer Society's fund gathering.

Governor of Texas during World War I, Gov. Hobby was executive officer at a time when woman suffrage became legal in the state, free textbooks were first furnished for school children, financial aid was given to rural schools, and a state budget system was first set up.

His newspaper career began with the Houston Post-Dispatch when he was 17—and when he worked with a reporter who later became famous as O. Henry. After serving as governor and as publisher of the Beaumont Enterprise, he returned to the Houston Post, as it is now called.

Gov. Hobby is an active civic leader and presently serves as chairman of the Houston Chamber

of Commerce Highway Committee. He is a thirty-second degree Mason and a Shriner. His memberships in civic and social organizations include the Houston Country Club,

GOV. W. P. HOBBY

the Bayou Club, and the Houston Club.

An organization is being set up in every part of Texas with district and county chairmen directing the work leading up to the April campaign. Wallace Andrews of Houston has been named campaign director.

Progress News

Bill Garrett returned home Sunday after being in Abilene the past few days with a group of Muleshoe football boys trying out for the McMurry football squad.

A large group of young people, members of the Young People's Union, and their sponsors skated at the Clovis roller rink Wednesday night, February 25.

Mr. and Mrs. Ernest Locker and children visited his father Sunday afternoon. He is recovering from a recent operation.

The Progress P. T. A. will hold their regular meeting Monday night, March 7. Everyone is invited to attend.

Mr. and Mrs. Cecil Sigman and family, of Portales, visited friends in this community Tuesday.

WAYLAND BAND HELD SERVICES AT PROGRESS

The Progress Sunday School was well attended. Several visitors were present. The Wayland Mission Band of Wayland College in Plainview held services Saturday evening and spent the night in several homes in the community.

A bountiful dinner was spread after the Sunday morning services. Services were held again in the afternoon at 2:30. Visitors from several communities including pastors from West Camp and Muleshoe Baptist Churches were present.

The band was greatly enjoyed by everyone and hopes were expressed that we may again be honored with their presence in our community in the near future.

Fats Need Known

Ninety percent of the women of the country know that used cooking fat should be saved and turned over to meat dealers, according to surveys made by the American Fat Salvage Committee. Conscientious salvage, by every woman in the country, is needed if world demands for fats and oils are to be met.

More people drive... More people want CHEVROLETS than any other make of car

True for years—and truer than ever today—with the advent of this newer, smarter, finer Chevrolet for 1948! Official registration figures prove that more people drive Chevrolets—and seven independent surveys prove that more people want Chevrolets—than any other make of car! The reason, of course, is more value. And now Chevrolet value is made all the more outstanding by the smart new styling, brilliant new colors, and even more luxuriously appointed interiors which have been added to all

You'll admire the tasteful new styling, the new color harmonies, the new and richer upholstery and appointments which add so much to the enviable Big-Car beauty of Chevrolet's body by Fisher.

the other advantages of Chevrolet's famous BIG-CAR QUALITY AT LOWEST COST. See the new 1948 Chevrolet, and you'll know why more people drive Chevrolets than any other make!

You'll find there isn't any other car in its field that gives the Big-Car comfort of Chevrolet for 1948—direct result of the United Knee-Action Gliding Ride.

Chevrolet's world's champion Valve-in-Head engine gives an unequalled combination of performance, endurance, dependability and economy.

The record demand for new Chevrolets prompts us to suggest that you keep your present car in good running condition. See us for service—today!

Now! No work...no waiting...no weather worries! Just twist a dial!

GETS YOUR WASHING FLUFFY, DRY IN JIG-TIME!

Makers of the wonderful, work-saving Bendix Washer announce

Another big step toward washday freedom

Just pop the clothes into the portable and set the dial. They'll be ready in just a few minutes!

A whole washer-load at a time! Soaps, fluff, and thoroughly dry the scoring... or damp for ironing... whichever you dial.

Safely, gently the wash is tumbled in a soft-smooth revolving cylinder while clean, heated air-blows through. And the amazing Bendix automatic Home Dryer (made by the makers of the Bendix Washer) shuts itself off when the clothes are ready.

See the Bendix Dryer in action today!

Good-bye forever to all these washday chores!

1. No more heavy, wet clothes to carry.
2. No more slopping and lifting.
3. No more clothes pin and clothes line bothers.
4. No more waiting for the weather to behave.
5. No more mopped-up back yard.
6. No more soot and dust spots to mar a perfect wash.

Better Heating

A forced-air central furnace gives you all the advantages of low-cost natural gas heating. It provides clean, constant, automatic heat, evenly distributed throughout the rooms by means of a blower. With it there is no stratification of heat, no cold floors, no cold corners. This excellent type of equipment is always vented. A basement is not necessary.

The floor furnace, while not as desirable as the forced-air central furnace, is a splendid piece of equipment, very popular in West Texas. It is always vented. When thermostatically controlled it provides fully automatic heating, clean and healthful. Suspended beneath the floor, it occupies no "in-the-room" space. Naturally it can be used only in ground-floor rooms.

Similar in operation to a floor furnace, but built into the wall rather than beneath the floor. Although relatively new, a number of these units have been installed in West Texas homes. The panel wall heater is always vented, and may be thermostatically controlled. May be used either in ground-floor rooms or second-story rooms. Dual units are available for heating adjacent rooms with one installation.

Veterans Office in New Quarters

West Texas Veterans Administration Regional Office is now located in its new modern office building at 1600-24-19th Street in downtown Lubbock, Robert W. Sisson announced.

The regional office, serving 79 West Texas counties, has been located at the Lubbock Army Air Field, 12 miles west of the city since it was activated June 1, 1946.

The office began full operation in its new quarters March 1, 1948. Office hours will be from 8 a. m. to 5 p. m., Monday through Friday, it was stated.

"Opening of the new VA building will afford veterans of West Texas a more convenient and accessible service. It will provide them with the most modern medical and dental facilities for out-patient treatment and examination. It will enable VA to render the type of service which veterans of this area so richly deserve.

"The West Texas Veterans Administration Regional Office—its entire personnel and all of its facilities—is dedicated to service of veterans and their dependents in carrying out the Mandates of Congress," Sisson emphasized.

According to the regional manager an official opening, combining open house and dedication ceremonies, is planned for March 26. At that time, all veterans, all service organizations, city, county and state officials, newspaper and radio men, district medical and dental society officials from the region will be invited to inspect the new building.

An extensive program is being planned for the occasion, to which Congressmen from West Texas, both United States Senators, and VA officials from Washington and Dallas are expected to attend.

We want the people of this area to feel free to visit their VA headquarters at any time; however, on the official opening date, March 26, we are making a special effort to give them a genuine West Texas Welcome, Sisson explained.

Mrs. Eula Bryant, mother of Mrs. W. H. Awtrey, Sr., has been visiting in her daughter's home for the past two weeks.

Political Announcements

The Journal is authorized to make the following announcements for public office, subject to the action of the Democratic Primaries in July.

DAVE ST. CLAIR

Theatres Help Drive To Bring The 'Texas' Home

The Motion Picture Industry in Texas, in cooperation with the Texas Junior Chamber of Commerce will launch a campaign to raise funds to bring the Battleship Texas back to her home state during the period of February 29th-March 13th, according to an announcement received by Mrs. Hertha Walker, who said that local theatres would participate.

Motion Picture Industry leaders at Dallas pledged the cooperation of every independent and circuit theatre in the state in making collections to raise the sum necessary for the permanent berthing of the Texas at the San Jacinto battle shrine on April 21.

Karl Hohlitzelle, president of Interstate Theatres, is Chairman. Other committee members are Col. H. A. Cole, Allied Theatre Owners of Texas; Henry Reeve, Theatre Owners of Texas; Julius Gordon, Jefferson Amusement Co., Beaumont; Ed H. Rowley, Robb and Rowley Theatres, Dallas; Phil Isley, Dallas Independent Theatre Owners; H. J. Griffith, Theatre En-

terprises, Inc., Dallas; R. J. O'Donnell, Interstate Circuit, Inc., Dallas; Henry Hall, Hall Industries, Inc., Beeville; Johnny Long, J. G. Long Theatres, Bay City; and Jack Underwood, Columbia Pictures, Dallas.

Mr. Hohlitzelle, in accepting the chairmanship of the committee, said he was proud that the Motion Picture Theatre Industry of the state was cooperating with the Junior Chamber of Commerce on the project.

Bringing the battleship back to Texas will provide a shrine symbolic of our American heritage and way of living, as well as a memorial to the sons of Texas who gave their lives in naval service, he said.

Family Reunion Is Held At Earth

Mrs. O. B. Robinson was happily surprised last week when he son,

R. C. Odell and wife of San Diego arrived for a visit.

A dinner was given by G. E. Odell of Earth on the evening of February 23, at which all of Mrs. Robinson's son were present. They are: Ike, Ira, and Oron, Muleshoe; Pete, Phoenix, Ariz.; R. C. Odell, San Diego, Calif.; and G. E. Earth. All the wives were present and several grandchildren. They are: Mr. and Mrs. Buron Robinson, and son, Keith, Mr. and Mrs. Loyd Robinson and son, Ronnie, and Mr. Goober Robinson, Ta Bitha and Bobby Robinson. A lifetime friend of Grandmother Robinson, Mrs. J.

F. Vaughn, was also present. Music was furnished by Goober Robinson and Frank Hyatt, who reside at Earth. Grandmother reported an enjoyable evening and wished for her only daughter, Mrs. W. E. Lynch and children, Dwan and Mary Ann, of Phoenix, Arizona, to be present.

W. H. Awtrey, Jr., son of Mr. and Mrs. W. H. Awtrey, Sr., left Thursday for California, where he will be employed.

Mrs. Charles Harris and Mrs. Olin Roark were visitors Sunday afternoon in the homes of J. W. Harper and Tye Young.

Pay For "Waste" Product

Kitchen grease is the only waste product that women are paid to save, and thrifty women have sold to their meat dealers 847 million pounds of used fat during the past 5 1/2 years, says Roy V. Peet, Chairman of the American Fat Salvage Committee.

IMPORTANT ANNOUNCEMENT TO ALL HOME MAKERS...

Soft Water

IS NOW AVAILABLE TO EVERY HOME IN MULESHOE ON A SERVICE BASIS

At last you can have Soft Water in your home without any investment, bother or worry.

Have Wonder-Working Soft Water in Your Home...

Think of it! Water, softer than rain, without any trace of hardness... for bathing, shampooing, dishwashing, laundering, for all washing processes... on a Public Service Basis... just like electricity or the telephone. No equipment to buy... no work or worry on your part... we do everything for you!

The Savings are Greater than the Cost

When you use hard water, you pay for soft water service without having it. Make us prove to you that the savings from our service are more than twice the cost. We'll show you how softened water will save over half the soap you now use in washing with hard water... how your clothes will look better and wear longer... how your plumbing repair bills and fuel costs for heating water will be reduced. Zero soft water not only cleans the lime and rust out of your water pipes and coils, but keeps them clean.

Don't put up with hard water troubles any longer... have Culligan Soft Water Service installed today.

Costs Only \$2.75 PER MONTH

Here is our service:

Our business is soft water service. We install our service softener in your basement or utility room. We own the equipment and we take full care of it. It occupies only a very small space. It provides sparkling 100% soft water at a turn of the faucet without any investment or attention from anyone in the household. We exchange it for a fresh one at regular intervals, regenerating the old unit at our plant, NOT in your basement.

Owners of Barber Shops, Beauty Parlors, Restaurants, Filling Stations and Apartment Buildings—investigate the economy, satisfaction and great improvement in your service gained from Soft Water—The Culligan Way.

BATH—Creamy, sudsing soaps that make you feel really clean, yet rinse off in a jiffy, are yours with softened water in your bath. Since soft water forms no soap "curds", there is no bath tub ring or discoloration of the tub.

SHAMPOO—A soft water shampoo with heaps of silky suds will bring thrilling new beauty to your hair. Soap rinses out completely... no dull film left, just a gorgeous gleam. Dad will love his soft water shave, too... and his razor blades will last for twice as many shaves.

DISHES—Scads of foamy suds which grease away like magic. Dishes, glasses, silver, all sparkle and gleam like new. No need to dry them with a towel... softened water leaves no soap scum to smear, or lime to spot.

CLOTHES—All clothes and linens wash much cleaner in soft water. No disagreeable soap curds, formed by hard water, that won't rinse out and leave washables gray and dingy looking. Clothes last longer... there's less rubbing the soft water way.

COOKING—The calcium and magnesium salts in hard water make vegetables tough and dull-looking. Soft water cooking retains garden freshness. Soft water coffee and tea taste better and use about 1/2 less grounds. Softened water is better for drinking, too.

Bailey County Boy Swine Growers Bring Back Laurels From Amarillo

Jack Heald, Bailey county club boy, came excitingly near winning the top honors in the swine department of the Amarillo Fat Stock Show with a light weight Poland China barrow, according to news reaching here from the big regional show where tough competition is a tradition.

Jack's barrow had one barrow sandwiched between it and the grand champion barrow of all breeds, shown by M. L. Snyder, of Sweetwater, Okla.

As it turned out his barrow was in third place and another barrow placed fourth.

Bill Stinson, Muleshoe FFA boy, exhibited the first pen of three barrows in the Hampshire division while taking 4th and 5th places in singles exhibition, and 4th place in open competition with all breeds. The mother of these pigs is one of the gilts bought in the Muleshoe merchant sponsored program.

The show it was the light weight barrow that won the purple ribbons, indicating a change in the needs of packers, who during the war wanted rather fat hogs so that the extra grease could go into the war effort. In the Amarillo show the heavyweight class begins at 225 pounds, in the Lubbock show at 240 pounds.

Mr. Adams said that in the Amarillo show boys feel mighty good when their entries are not sifted out and ordered back to the pens. Not one of the Bailey county entries was ever ordered back to the pens, indicating the very high class each barrow had. The Amarillo show, Adams says, presents the very toughest kind of competition and that the Bailey county boys have every reason to be proud of the fine showings they made there.

FEBRUARY PRECIPITATION TOTALED 1.64 INCHES

Total moisture precipitation for February at Muleshoe was 1.64 in., R. J. Klump, weather recorder here said today. It was the largest amount of moisture to fall in February since records have been kept here, going back 26 years.

Some moisture has been received in March. Today the current cold spell brought rain, sleet, and snow and last night everything got covered with a sheet of ice, making the going slippery and very dangerous. Further precipitation was expected today.

MULESHOE MYF HAS PROGRAM AT EARTH CHURCH SUNDAY

The MYF of the Muleshoe Methodist church gave a program for the Earth MYF Sunday night. They gave a very fine program.

Games were directed by Mrs. Hugh Blaylock and refreshments of cookies and pop were served by Mrs. J. D. Newton, Mrs. E. C. Hudson and Mrs. Edna Doughty to 32 people attending. Among the group attending were Mr. and Mrs. Doc Wilhite, Horace Brooks, Mrs. Wingo and Mr. and Mrs. Fox. They also remained for church services.

The Muleshoe MYF gave Earth an invitation to be with them and present the program on March 28.

Red Cross Drive To Begin Tuesday

A whirlwind, one week campaign to raise Bailey county's assigned quota in the national drive for the Red Cross will get underway next Tuesday morning, according to H. A. Owens, Muleshoe high school principal, who is chairman of the fund drive.

A kickoff supper will be held at Cross Roads Cafe Monday night to generate steam for the drive, Mr. Owens said.

The drive proper will begin on Tuesday morning and it is hoped that it can be completed in one week.

Bailey county last year went over its quota in the Red Cross drive, and chapter officials are out to equal or best any previous record. The soliciting team members, chapter officials and others are expected to attend the supper Monday night, at 7:30.

Lee R. Pool is chairman of the Bailey County Red Cross Chapter.

COUNTY TEACHERS WILL MEET AT BULA TUESDAY

Members of the Bailey County Unit, Texas Teachers Association, will meet with Bula school the coming Tuesday night for their regular session. Bula school will be hosts, and will serve a dinner for the teachers.

SCOUTS FUND NOW \$2,179

Randy Johnson, Lions Club secretary, said this morning that the fund raised last week to erect club house for boy and girl Scouts on land recently donated by Muleshoe Ranch owners and to improve the grounds, has been augmented by further voluntary subscriptions. The total has now reached \$2,179, Johnson reported.

Teachers Meeting At Lubbock 12th

Two nationally famous educators will address teachers of twenty-seven counties and one school district in West Texas when the West Texas Teachers Association convenes in Lubbock on March 12 and 13. All Bailey county schools will be well represented at the meeting and classes for Friday the 12th probably will be dismissed.

Dr. A. J. Stoddard superintendent of schools in Philadelphia will address the opening session of the convention in Lubbock senior high school auditorium on the convention theme, "Education as a Joint Enterprise." Willard E. Goslin, superintendent of schools at Minneapolis, will address the evening session on "The Responsibilities of American Education."

Sectional meetings will highlight the late afternoon session of the convention.

Dr. Stoddard will address the administrators luncheon to be held in the Lubbock Hotel at 11:30 a. m., Friday, March 12. Reservations may be made with W. P. Clemons, of Whiteface. Vocational teachers will meet for dinner at 6 p. m. in the Yucca room of the Hilton Hotel. Speakers will be Robert A. Manire, state director of vocational-agricultural education, and Miss Ruth

Mostly Static

By Berry

Howdy Folks: Someone compared us to Milton Berle, the radio comedian. They said he didn't pay his writers as writers. He paid them ransom money for jokes they kidnapped.

It's the first time we ever got into the big time, but we do admit our jokes are good. They should be — they're time tested.

We were about to say that our humor is wholesome, anyhow, but someone would probably say that wholesome humor couldn't come from half-wits.

We still claim to be a humorist. You know what a humorist is. He's a guy who originates old jokes.

And just to prove we are a humorist, may we suggest that the next time you meet a cross-road you humor it.

Brother, we really dug deep for that one.

Oh, well, we can get serious, too. So let us say again that it is a mighty good time to let us sell you our Filter Queen vacuum cleaner. The cleaner that has no dirty bags to empty. Come in and see it.

Berry Electric

Huey, state supervisor of home-making education.

BOXING TOURNAMENT GROSSED \$810, CLUB REPORTS

The first Lions Club invitational boxing tournament, staged here last week end, had gross gate receipts of \$810, it was reported today. Randy Johnson, club secretary, said that the club had expenses of \$174 in staging the tournament.

Net receipts will go to the school athletic fund and to the club's recreation program for youths.

Mrs. Ed Nadolski Honoree At Shower In J. L. Hinson Home

A bridal shower honoring Mrs. Ed Nadolski of Fort Worth, the former Laura Jean Cunningham, daughter of Mr. and Mrs. P. L. Cunningham, Earth, was given in the home of Mrs. J. L. Hinson, with Mesdames Ball, Cleavinger, Hudson, Caraway, D. G. Axtell and Marie Bock as co-hostesses.

Standing in the receiving line with Mrs. Cunningham and her two daughters, Mrs. Nadolski and Mrs. Lee Welch, were Mrs. J. D. Ball and Mrs. J. L. Hinson.

Mrs. Melvin Settles of Dimmitt and Mrs. Jerrell Haberer presided at the lace covered tea table which was lovely with a pastel colored sweet pea centerpiece and white candles. Mrs. Earl Parish presided at the guest book and later sang "Jeannie, with the Light Brown

Hair" and "The False Prophet," accompanied at the piano by her mother, Mrs. Hinson.

After some clever and appropriate remarks by Mrs. D. G. Axtell, the honoree was presented with many lovely gifts. Those present were:

Mesdames A. C. Barton, Milt Ott, G. D. Shellabarger, G. C. Green, C. W. Terry, M. T. Howard, Ray Axtell, Pat McCord, O. C. Axtell, Edgar Barton, R. E. Barton, Cecil Parish, Jean Howard, Herb Wendborn, Hugh Blaylock, Jerrell Haberer, Etta Vore, Betty Hinson Parish, Jack McCord, Roy Haberer, P. L. Cunningham, L. W. Welch, and the following guests from Dimmitt: Mesdames E. B. Wright, Mark Cowser, Ernest Jones, Alta Gladma, Marion Benton, Homer Newton, A. Fuller, Melvin Settles, James Bradford, Earl Lust, Tom Annen and Raymond Annen.
