An Evening Of One Act Plays And Dancing Is Planned By CJC

Carol Brown, director of the Cisco Junior College summer theatre, announces an evening of one act plays and a dance review featuring members of this summer's acting company. The performance is set for Saturday night, July 26 at 8 p.m. in the Roof Garden Theatre. Ticket price is \$5.00 with no meal being served. Any 1986 season ticket holder is entitled to a free admission upon presentation of his ticket. Reservations are encouraged.

Linda Dippel, CJC summer contract actor, will direct "The Actor's Nightmare," by Christopher Durang. This comedy about an accountant who dreams he is swept onstage in three different plays without knowing any of the roles features Keith Helton of Breckenridge as Henry Irving, Mary McGrew of Cisco as Sarah Siddons, Jeana Cleveland of Comanche as Meg, and Jim Means of Abilene as George Spelvin. Rachel Valek, Theresa Maxwell, Craig Warren, Richard Viehmann and Steven Allen are the "Audience Members." "The Actor's Nightmare" is the first one act on the bill followed by "The Potman Spoke South." This one act spoof of your alltime favorite murder

mysteries is directed by Julie Hutchings, also a CJC summer contract actor. Potman features Nathan Urban of Cisco as Mr. Wiggins, Keith Helton of Breckenridge as Gallagher, Craig Warren of Kermit as Miles, the butler, Scott Taylor of Roswell, New Mexico as the Policeman, Richard Viehmann of Eastland as the Playwright, Steven Allen of Weatherford as the Director, Laura Kocan of Spring as Beatrice, and Tina Morris of Temple as the Lady in the Booth.

Following the performance of the one acts will be a dance review choreographed by Scott Taylor, CJC's summer theatre musical director and choreographer, with selections from the Broadway musicals "Cats" and "A Chorus Line." Toni Paul will serve as stage manager for the evening with Tom Brown, Tom Soare, Carol Brown and Sean Jones serving as crew members.

This summer dinner theatre spotlight is sponsored in cooperation with CJC's Department of Fine Arts, Wyley Peebles, Chairman.

Reservations can be made by calling 442-2567 or after hours call 442-2589.

Rita Clements To Attend Reception

Mrs. Bill (Rita) Clements will be hosted to a reception in the office of the Eastland Chamber of Commerce Wednesday, July 30. Mrs. Clements will be speaking on behalf of her husband, Republican gubernatorial candidate Bill Clements.

Mrs. Clements is on a campaign tour for her husband and will be making this stop from 2:30 until 3:30 p.m.

Everyone is invited to come by and have refreshments and visit with Mrs. Clements.

Ann Justice To Be Honored On Friday

ANN JUSTICE

On Friday, July 25, Ann Justice will be honored by the Eastland County Farm Bureau Board of Directors for her twenty-five years of service to the County office. A reception will be held at the Farm Bureau office (Hiway 80 East) from 2-4 p.m. Everyone is invited to come to the office during those hours to visit with Ann. She began work on July 25, 1961, and worked full time until May of 1980, when she semi-retired due to health reasons. Since that time, she has worked Monday, Wednesday and Friday mornings, taking care of the Health Insurance program. She and her late husband, Cyrus Justice, have two children, Doug Justice of Abilene, and Madeliene Bowles of Dallas. She also has six grandchildren and four great-grandchildren. She is an active member of the First United Methodist Church. Having overcome two bouts with cancer in the past five years, she works actively for the American Cancer Society, Eastland Unit, and has served as President and Campaign Chairman. Her hobbies include crocheting and working in her yard.

Mrs. Justice had the following comments to make about her many years with Farm Bureau: I am glad to have been a part of Eastland County Farm Bureau. We first joined in 1946 and I went to work in 1961. Mrs. John Love and Pat Moseley were agents at that time. We had a small office on East Main in the old Lillie Cafe where Goodyear is now. I have enjoyed every day I worked for Farm Bureau these 25 years. I love telling people what Farm Bureau is and what it stands for. I have worked with some wonderful directors that have served during these years. I have served under 9 Presidents, 6 Agency Managers, and several lovely secretaries. When I went to work we had 585 members, now we have 1923. I didn't have any full time help until 1974. We had over 1,000 members then. I took care of all the office work from insurance to health insurance, membership and Farm Bureau work. Lots of changes have been made over the years. When I went to work you could get liability insurance and medical for \$12 and Farm Bureau gave you a 50% dividend back. Health insurance with Blue Cross was \$40.20 for a family. When Medicare came in people over 65 could get supplement for \$3.00 a month. Farm Bureau has grown so much in Texas and our county. We have had so many good programs. And I won't ever forget all the seed potatoes we have sold to our members over the years. That was always a fun time when members came for their potatoes. I always love for the members to come into the office. I treasure all the visits we had and all the good talks. I'm always glad to help each member with their problems and I am looking forward to continuing working with them. I have made so many friends while working and I appreciate each and every one.

Lone Star Wagon Train Will Arrive Wednesday

The Lone Star Wagon Train is expected to arrive in Cisco at noon Wednesday and everyone is urged to be on Eighth Street to welcome it. The train will come from Eastland and go through town on Eighth Street to its camp site located at Stovall Roustabout on the north access road of I-20, 1/2 mile west of White Elephant Restaurant. There will be signs showing the location.

The newly organized Cisco Chamber of Commerce Redcoats will welcome the wagon train and escort it into town.

Anyone wishing to accompany the train through town will meet just before noon Wednesday across from the Burger and Pizza Factory on East Eighth Street. Riders must furnish their own transportation.

Area residents have been invited to visit the wagon train and its occupants while it is here.

Support has been shown by the Cisco Ministerial Alliance for a Wednesday night church service at the wagon train camp. The service will begin at 7 p.m., and the public has been invited to attend.

Area residents have also been invited to visit the wagon train and its occupants while it is here. This will give everyone an opportunity to hear first hand stories about traveling on a wagon train.

The Lone Star Wagon Train has planned to help provide entertainment for the night camps with a drawing for a pair of Tony Lama boots with the Texas Sesquicentennial logo stitched in the front of the boot.

Tickets for the drawing for the pair of boots will be fifty cents each. Tickets may be purchased at the following locations: Western Auto Store, Chamber of Commerce, Olney Savings,

Madison's Western Wear, and the First National Bank. You must be present to win the boots.

Also Cisco's Western Auto store will be giving away a bicycle, and the winner will be chosen from the tickets purchased for the Tony Lama boots.

The Lone Star Wagon Train invites all local talent to come to the nightly camps and perform. They would also like to invite all local organizations to set up shop along with the wagon train vendors to sell their arts and crafts, food stuffs, etc. Booths will be set up to sell Sesquicentennial souvenirs

and other items.

The public is invited to participate in all of the Lone Star Wagon Train events. There is no limit to the membership, either horseback riders or wagons. Come and go as you please. The entry fee is \$25 per person or \$35 per immediate family. The ride started in Weatherford on July 7 and will end in Austin on November 30. For information call 512-352-8853 or 512-352-6318, or write to Lone Star Wagon Train, PO Box 1034, Taylor, Texas 76574.

The wagon train will head north on Hwy 183 Thursday.

Bible Baptist Church Celebrates Anniversary

The Bible Baptist Church of Cisco, located at West 17th Street and Avenue E, will celebrate its 36th anniversary on Sunday, July 20, according to Rev. Jerry Horning, pastor. The church was established by Rev. L. J. Wilson in July, 1950.

There will be special music, special preaching,

and dinner on the grounds. Regular services on Sunday morning at 10 a.m. with a special service at 1:30 p.m. There will be no night service.

Rev. Horning has invited everyone to join the anniversary celebration with the family of Christians at Bible Baptist Church.

Cisco Service Club To Paint Girl Scout House

The Cisco Service Club is sponsoring a workparty to paint the inside of the Girl Scout House Tuesday, July 22, at 7 a. m. and again at 7 p.m.

Club members are inviting other clubs and individuals to come and help. Those who

will help should bring their paint equipment (brushes, rollers, pans, ladders and etc.). Paint will be furnished.

Work will continue each Tuesday until the project is finished. For additional information call 442-1051.

Little Miss Cisco - Scooter Young was named "Little Miss Cisco" in her age division at the 4th of July celebration held at Cisco City Park. She is the daughter of Charlene Young and Johnny Young. Her grandparents are Mr. and Mrs. Walter Denton and Joe Young.

State Fire Marshalls Continue Investigations

Billy Rains, Cisco Chief of Police reported Friday that the State Fire Marshall will be in Cisco next Monday to continue the investigation of the fires that destroyed businesses in June.

He also said the Red Front Mini Mall will definitely be an arson case.

Four buildings were destroyed by fires during the week of June 9-12 in Cisco. Cisco Lumber and Supply Warehouse was destroyed by fire on Monday, June 9 and the Red Front mini Mall was destroyed by fire on Tuesday night, June 10. The supply

house for White Auto Store and Dixon Auto Supply were destroyed by fires on Thursday, June 12.

Class Of 1976 Plans Reunion

The 1976 graduating class of Cisco High School will hold their 10 year reunion on Saturday, Aug. 2, at the Cisco Country Club. There will be a catered bar-b-que dinner served at 12 noon. Reservations need to be made by July 25. Call Caryn Bailey at 442-1074 or Sharon Wilcoxon at 442-1849. Evening plans include music provided by the Leatherwoods from Dublin and lots of visiting.

Boy Scout Troop Will Meet Here On July 21

Boy Scouting is being reorganized in Cisco. Troop 101, sponsored by the Presbyterian Church, will be open to boys 10 yrs. and up from anywhere in the county.

Bruce Watson is Coordinator, with Pat Oxford Scoutmaster. Virgil Cozart is Camping Coordinator, with Danny Cozart assisting, and Doris Cozart is in charge of Public Relations.

The next meeting of the group will be Monday, July 21 at 7:30 p.m. in the Presbyterian Church in Cisco. Parents are urged to come out with their boys and learn about this program. A special Family Night is being planned, with details to be announced soon.

Troop 101 has a long history of accomplishments. The activities offered cover the learning of many skills, including camping and survival techniques. Each summer the Boy Scout Council sponsors a camp lasting a

week. Boys from the Cisco area go to Camp Billy Gibbons near Brownwood.

Other parts of the program will be community involvement, character building events, the opportunity to earn Merit Badges, and recreation.

All interested persons are urged to come to the meeting at the Presbyterian Church July 21 and have a part in these experiences. For more information call Doris Cozart at 442-3764.

Volunteer Council To Meet Monday

The Volunteer Council of Canterbury Villa will hold their quarterly meeting Monday, July 21, at 7 p.m. in the administrator's office. All members and interested persons are invited to attend.

Mitchell Cemetery Clean-Up Day

All persons interested in the Mitchell Cemetery are urged to meet on Saturday, July 26, at 8 a.m. for the purpose of mowing and cleaning. We will also have a short business session. Bring your mowers, hand tools, a sack lunch, and water jug.

NEW KITCHEN AREA: A worker for Earl Thompson Construction Co. is shown in the above photo putting in the Vent-A-Hood for the kitchen area. The new cafeteria will also have a stage for special performances. (Staff Photo)

Work Progressing On New On Intermediate Building

The construction of the new school building located south of the Cisco Intermediate School is well under way, according to Pat Williams, job engineer of Earl Thompson Construction Co. He said it will be close but he expects classes to be held in the building September 2, when school resumes.

The new building will hold 12 new classrooms, a cafeteria, stage, library, and restrooms. The rooms will be for the first, second, and third grade classes. The kindergarten classes will be held in the building that was moved from the Primary School to the new location. Grades fourth, fifth and sixth will have classes in the older part of the Intermediate School. Early

Childhood class is also held there.

Future plans call for the building of additional classrooms at the school.

Commodities

Food Commodities will be distributed Tuesday, July 22 at the Gaslight Apartments on Conrad Hilton Avenue from 8 a.m. to 12 noon.

History Of The Oil Boom In Eastland County Area

By Maybelle Trout
 The one event that brought the most drastic change to Ranger and surrounding communities was discovery of oil in 1917.
 W.K. Gordon, superintendent of the Texas and Pacific coal and oil company, became convinced oil was to be found even tho the closest known pools were miles away.

The worst drought in half a century gripped west Texas and farmers were hard hit. Coal miners in the Straw area struck for better working conditions and jobs were few and far between.

A committee of citizens offered Gordon a lease of 30,000 acres around Ranger if he would drill for oil. He agreed, but ordered no casings in the holes to save expenses.

At 3:00 p.m. Saturday, October 19, 1917 a roar shook Ranger... rattling every building. Frank Champion, the driller, walked the mile into Ranger. At the sight of oil soaked clothes, he was bombarded with questions. Champion replied to all, "The McClesky is a well!"

Ravines were dammed to contain the flow of black gold. Shoe stringers and major oil companies vied for leases. Producer after producer was drilled.

Thousands flocked to the scene. A tent city sprang up. Houses were hastily built. One man built over forty shacks on a five acre tract of land. The twelve by twenty-four feet buildings rented for \$5.00 per month and the landlord became rich!

With World War I ending in 1918, discharged military men came to see first hand what they read about in Europe.

Hundreds of bright flares lit up the nights, giving everything a carnival look. Muffled throbbing of dozens and dozens of engines pounding drills into the earth... all this was Ranger.

Finding a place to sleep was an adventure. Rooming houses and hotels put cots in hallways. One establishment with fourteen cots would rent to fifteen customers and the last man to get sleepy was out of luck. Lines were block long outside cafes... hungry people waiting for food.

Oilfield equipment and heavy traffic played havoc with Ranger's dirt streets. When the drought broke with cloud bursts, mud reached hip deep in places. A sled drawn by a mule ferried

passengers across streets for a price. Other enterprising people made good money pulling stranded vehicles from mud at \$5.00 each.
 In 1919, the four banks in Ranger had \$5,000,000 in deposits!

Drilling was allowed almost everywhere. One exception was the cemetery of Merriman Baptist Church. The rural congregation refused \$100,000 for an oil lease because they did not want the graves of pioneer disturbed.

John McClesky, the farmer on whose land the discovery well was drilled on, did not live to enjoy his new wealth. Recovering from typhoid fever, he ate peaches, his favorite fruit, and died from a case of "massive indigestion".

Desdemona became famous soon after Ranger when "Duke" the discovery well came in. It immediately caught fire and its blaze was so bright a newspaper could be read at night a mile away!

King Oil brought in 30,000 people almost immediately. Three banks opened, ten grocery stores and seven filling stations catered to the public. It was reported a thousand oil derricks were within the city limits. Desdemona... or, Hogtown was running a race with Ranger!

(An explanation of the name "Hogtown") Water became scarce about the turn of the century and a creek, running through town was dry except for scattered holes. Land owners began

developing hog ranches along the creek... and, the water holes became hog-wallows. Doves of hogs wandered along the pecan shaded bottom land. "Hogtown" it became, and is still synonymous with Desdemona.

With the boom came rain. Streets grew impassible. Wagons and oil trucks sank almost out of sight. As a fitting symbol of its nick name, big hogs wandered thru streets... wading and wallowing in "Hogtown".

Oilfields expanded, and derricks swept to Eastland where the population doubled, then tripled, and so on... Thirty miles north in Stephens County, another great field "opened up". Would it never end?

The rush ended as fast as it began. The bubble burst. A recession struck and oil prices tumbled and hit bottom. Big wells, allowed to produce wide open ceased to flow. But the boom's influence would always remain.

The boom in Ranger, Desdemona, and Eastland came and went before Pioneer became the Cinderella of Oil.
 Fireworks were touched off on May 13, 1922 when a well drilled by Tom Bryant for T.B. Slick of Oklahoma came in at 7,200 barrels a day. Bryant bought all the storage tanks he could find and rushed them to the lease. Just a week later, the No. 4 Eakin another well drilled by Bryant, roared in at 18,000 barrels a day! This surpassed any well drilled in the county during the "big boom".

Oil gushed out of the derrick top! All available tanks had been positioned beside the first well. For two days, the well ran wild. A public

road ran between the two wells. It had to be closed to keep down the danger of fire. Two hundred men swung into action in an attempt to harness the new well. Holes were dug and dams built to create earthen storage. Steel tanks were erected and pipe lines laid to them.

Sweating, cursing men worked up to eighteen hour shifts to rush pipe line construction. Slickers were worn as protection from raining crude and knee deep oil. Men stopped only long enough to gulp down food. Coffee in ten gallon cans... sandwiches in washtubs. When the oil had been channeled into tanks and pipe lines, fifteen acres was a temporary lake of petroleum. Bryant sold over a million dollars worth of crude a year for two years in a row.

Three towns reaped the harvests of the new boom. In Pioneer, thirty votes were cast in the election before oil was found. Afterward, the population swelled to 5,000. Rising Star and Cross Plains enjoyed the same growth.

A party atmosphere prevailed every day in Pioneer. Crowds moved endlessly along the board sidewalks. Oil wells could be seen from the building in Pioneer... the hiss of steam and clank of machinery combined with gas flares that burned round the clock made sleeping difficult for those who had a place to sleep.

The oil influx brought pickpockets, people running from the law' bootleggers and just general 'bad men'. Robberies were frequent and fights occurred daily. The town had only one jail, and it

was very small. After delivering cargo from Eastland, a bunch of teamsters were thrown in jail after 'having a good time'. The teamster foreman offered to pay their fine but was told the men would have to 'sober up' first. So, the foreman gave orders and jail, prisoners and all were loaded on a truck and all headed back to Eastland! Officials agreed to turn the prisoners loose if they got their jail back. Life was exciting... for a time... in Pioneer.

Six-shooters cracked often in boom towns. Liquor flowed, legal or not. It taxed cool headed officers to stem the actions of the quick tempered visitors seeking only the riches oil might bring before they moved on.

History attempted to repeat itself on Wednesday, November 6, 1985. The Ora B. Jones No. 3 drilled by Ray Richey and Sons "blew in" with a terrific roar. It was 4:30 p.m. when gas, then oil made the ground shake like a dozen jets passing overhead. Guesses were that up to 20,000 barrels a day were spewing upward and outward. A more conservative guess by a respected oil man estimated the well's output was 2,000 to 3,000 barrels daily... still a whale of a well. The well that heralded the Ranger boom in 1917 flowed at 450 barrels a day. Average wells in the 'Big Country' produce 15 barrels daily. A 'good producer'

makes 150. When workers were unable to control the well six miles south east of where else, but Ranger?—nearby residents were evacuated. An oily film covered everything for miles.

After several attempts to cap the well failed, a flow control company from Louisiana was hired. The crew began channeling oil into 20 huge storage tanks. The company's two separators capable of handling 10,000 barrels daily were taxed to the limit. At least 100,000 barrels of oil had been captured and sold by November 22. Permission to 'flare' the gas was granted until a pipe line could be laid. The flare could be seen for fifty miles.

The Ora B. has been 'killed' and other wells have been drilled near by. No new gushers have come in.

For awhile, excitement reigned as old timers remembered 1917. Those rip-roaring, wild days! Most had rather read about them than to live thru another boom.

BILLIONAIRES
The birth of a child is usually a joyous occasion, and our fondest wishes and fervent prayers are extended to this precedent-setting newcomer to the world. Werner Fornos, president of the Population Institute in Washington, D.C., was so quoted in a reporting making headlines followed by editorials last week.

This particular baby, unidentified and undoubtedly to remain so, is counted the five-billionth human specimen to debut somewhere in the world.

The five-billion mark was hit Monday, July 7, if it didn't happen earlier or if it doesn't happen later. But when it comes to billions, why be picky about a few months one way or another—or a few thousand babies more or less?

After 4,999,999,999 babies, how can one more infant be called a "precedent-setting newcomer?" Perhaps I do not have it clear in my mind just how an event may be described as "precedent-setting." Am I wrong to consider a precedent pretty firmly set long before a five billion count is reached?

Not only is Fornos of the Population Institute counting babies, there is M. Rupert Cutler of Population-Environment Balance. There is also Carl Haub of the Population Reference Bureau. These men and how many others are busily counting babies that may—or equally as well, may not—be born?

Talk about busy-work!

However, this kind of busy work probably is needed to give a handle on a developing over-population problem. The best one can hope for is a fairly accurate guesstimate of countries where the literacy rate may be as high as 25%.

How does one explain to a person who cannot read nor write his own language (if he has a written language), the problematical consequences to his grandchildren if that person sires more than two babies prescribed to stabilize population growth?

The individual who can sell "stabilized population growth" to a person of another race whose lifestyle dictates many children, and who is illiterate in all languages, is to be admired—and to be Xeroxed as soon as possible.

In fact, after he explains stabilized population growth throughout Africa, India, Outer Mongolia and the teenagers of America, I would like to book him for a series of lectures to clear up the theory of relativity, nuclear fission and the clover-leaf traffic pattern.

Alas, alack, and well-a-day! No matter how tremendous a task it appears, it seems clear enough that means must be found to curb family members. There already is too much disease, hunger, poverty, illiteracy and unemployment in the world.

Howard Erdman, a professor of biology and ecology at Texas Woman's University, said, "All animals reproduce within their bounds except man, because

he has the ability to change his external environment, his food supply."

Erdman's words serve as a summary of the opinions of others, too, and it is this tinkering with natural laws that may erase mankind sooner than many other names on the endangered species list.

I do not wish pandas nor whooping cranes to vanish from the earth. But if it is a question of survival between whooping cranes or my great-grandchildren, I vote for the babies.

One scientific explanation offered for the beginning of the Universe is the "Big Bang" theory.

If we people do not begin regarding ourselves as an endangered species, it is quite possible that our end will be accomplished by a second "Big Bang."

Conservation Reserve Program Signup

The next signup for the 1987 Conservation Reserve Program will take place August 4-15 at Agricultural Stabilization and Conservation Service county offices.

Farmers may offer bids to place highly erodible cropland into the reserve for the third time this year.

Annual payments for 10 years will compensate farmers for retiring highly erodible land from crop production. The amount of the payment is determined by the accepted bid per acre and the number of accepted acres.

Participants will also receive cost-share assistance for establishing grass, trees, or wildlife plants on the acreage placed in the reserve. Hunting is

allowed on the land but not crops can be harvested while it is in the reserve.

Ron Bailey, district conservationist for the USDA Soil Conservation Service at Eastland, said land that is eroding at more than three times the tolerance level is eligible to be placed in the reserve if it was farmed three or more years between

1981 and 1985. During the first two signups, bids were tentatively accepted from more than 1,200 Texas farmers on 310,000 acres.

THE CHOIR

Oh hear the choir singing.
Blending their voices loud and clear
Sending each of us a message
Of a Savior for us so dear.

Oh hear the beautiful music
Echoing around the room
Telling a story of faith and hope
In a world of crime and doom

So lets all join in the sining
A blessing we may receive
Singing praises to our Lord and Savior
That helps us in our problems and needs

When our journey here is ended
And we reach our heavenly

Area News Briefs

BAIRD
Linda Rivers of Baird was recently named as one of the ninety national runner-ups in a "Happiness Magazine" contest. This magazine, which lists TV schedules for towns all over the country, asked entrants to compose a poem of 35 words or less telling why their town was the "best town". Linda was awarded a beautiful certificate and a solar calculator for her poem.

The Callahan County Sheriff's Posse will host a July Jamboree Saturday, July 26 at 8:30 p.m. at the Rodeo Arena Pavilion. Music under the stars will be featured by Nashville Recording performer Ray Pack and the Half Breed Band. Pack and his group will play old time favorites as well as current country and rock. Admission is \$4 per person or \$7 per couple. This same band played in Baird in June, and received rave reviews from the crowd.

A \$2,000 reward is being offered for information about a fire which destroyed a farmhouse filled with hay on the J.C. Earp farm 2 mi. southeast of Putnam. This fire occurred on Jan. 21, 1986, and the Callahan County Sheriff's Department has developed information which indicates the fire was set by someone in this area. J.C. Earp, along with the Sheriff's Department, is offering the reward. If you have any information call the Callahan County Sheriff's Department, or Mr. Earp at (915) 854-1296.

RISING STAR
A fund to purchase a new

ambulance for Rising Star is less than \$6,000 short of its goal! A new ambulance will cost \$24,000, and on July 15 there was \$18,400.55 in the fund. Many individuals, clubs and groups have contributed to this cause. The Volunteer Ambulance service makes many runs in an area around Rising Star, many times transporting ill or injured people to hospitals in Cisco, Brownwood or Abilene.

Homecoming committees have been named for the Rising Star High School Homecoming, which will be held Sept. 13. Dr. Charles Barnes is Chairman of the Board of Directors of the Extension Association. The theme this year is "Building on the Past - Growing with the Future." An interesting and varied program is being planned, and all Ex-Students, teachers, and others interested in the Rising Star school are urged to make plans to attend.

EASTLAND
A Republican Rally featuring Kent Hance will be held Saturday, July 26, 11 a.m. to 3 p.m. at La Mancha Ranch near Lake Leon. Hance, well-known in the county, will speak on behalf of gubernatorial candidate Bill Clements. Other speakers will be David Davidson, Candidate for Lt. Governor, Ray Barrera, Candidate for Attorney General, Joe Brannon, Candidate for State Rep., Dist. 65, Jammie Fry, Candidate for Eastland County Commissioner Pct. 4, and other state and area candidates. Besides the speaking there will be hot dogs,

cokes and music. The public is urged to come out and see what these candidates stand for, and enjoy the visiting, refreshments, and entertainment.

The dam at Lake Eastland is listed as one of 210 unsafe Texas dams. This was recently reported in a Sunday Dallas Morning News article. A complete report appears in the Thursday, July 17 Eastland Telegram. An inspection was made in 1978 on both Eastland Lake Dam and the one on Ringling Lake. Basic recommendation then on Ringling was "Remove the Dam". Recommendations for Eastland Lake Dam was "Increase the dam height and/or spillway size, purchase or control downstream development that would be impacted by dam failure, and provide a highly reliable flood warning system". There apparently is also local concern for the emergency spillway capability of the Lake Leon dam.

A voluntary drug testing program was discussed during the regular meeting of the Eastland School Board this week. Superintendent Keith Watkins presented the program information to Board members on behalf of Coach Ronnie Hughes. The program will consist of 60 tests administered during the school year, with 20 tests each sport. The Board agreed to discuss the matter with the school attorney before proceeding with the matter.

The Lone Star Wagon Train will arrive in Eastland on Thursday. The Eastland County Sheriff's Posse will escort the wagon train from Olden through town to the Fairgrounds, where they will camp overnight. An old fashioned stew supper will be provided by the Sheriff's Posse, and the public is invited. The cost will be nominal. There will be a dance at the Moylan Barn at the Fairgrounds, beginning at 8 p.m. There will be recorded music mixed with

local talent.

CISCO
The Wagon Train, after leaving Eastland, will arrive in Cisco for the night of Wednesday, July 23. The Cisco Chamber of Commerce Redcoats will welcome the Wagon Train and escort it into town. The Train will camp out on land located behind Stovall Roustabout on Hwy. 80 West. They will head out north on Hwy. 183 the following day. Chamber Manager Don Shepard says a committee is working on plans for food and entertainment for the overnight stay of the Wagon Train. The public will be invited out to the Camp.

The Trailway and Greyhound buslines are now stopping at the Cisco Laundromat at 211 East 8th Street. It will be open Monday through Friday 8 a.m. to 10 p.m., and Saturdays from 9 a.m. until 4 p.m. This will provide a comfortable facility for travelers.

Boy Scout Troop 101 is being reorganized, with the Presbyterian Church of Cisco as sponsor. All boys in the area 10 yrs. or up are urged to come out and take part in this Troop. The next meeting will be July 21, 7:30 p.m. at the Presbyterian Church. Bruce Watson is Coordinator, with Pat Ox-

ford Scoutmaster. Parents of the boys are invited to come out to the meeting and learn about Scouting and what it can do for your son. A number of special activities are being planned. For more information call Doris Cozart at 442-3764.

RANGER
Alford Bush, successful candidate in the Democratic Primary, has been appointed as Justice of the Peace, Pct. 2 by the Eastland County Commissioners Court. Bush will be sworn in on Thursday, July 24 in Judge Scott Bailey's office. He is now in the process of finding an office and states that he is ready to get to work for the people and law enforcement agencies of his Precinct. The regular term of office will begin Jan. 1, 1987.

Ranger Entertainment for the overnight stay of the Lone Star Wagon Train will be provided by Roy Thacker, Lyndell Cockburn, Tom Braisher and their bands. The Train will arrive during the afternoon of July 21, and will camp out at World War II Park on East 80. The evening meal will be prepared by Jaramillo's Mexican Restaurant, with the public invited. The food will be \$5 per plate. Plan to come out for the supper and stay for the music.

CJC "Dracula" Actress Honored With Breakfast

Linda Dippel, contract actress with CJC's summer theatre who recently portrayed the wacky Sybil Seward in "Count Dracula," was honored with a surprise party on the 22nd birthday July 15.

Around 4:30 a.m. Ms. Dippel was "abducted" from her bedroom and whisked away to the White Elephant. Early morning customers of the restaurant applauded as she entered attired in an old man's 10 year old flannel bathrobe. Balloons decorated the area reserved

for the celebration, and party-goers wore bright party hats. After being served her birthday cake - a sweet roll topped with a candle - Ms. Dippel opened her gift.

The party was attended by her fellow summer theatre participants: Craig Warren, Steven Allen, Toni Paul, Frances Nunley, Scott Taylor, Laura Kocan, Julie Hutchings, Thomas Soare, Jeana Cleveland, Nathan Urban, Tom Brown, Keith Helton, Mary McGrew, Tina Morris, Sean Jones and Carol Brown.

Big Country Real Estate Update

The staff at Big Country would like to welcome Max and Wanda Giles to the community. The Giles are moving from the Arlington area. They have purchased the home of Alice and Ray Saunders at 1400 Avenue M. The Saunders are moving to another home in Cisco. The sale was a cooperative effort of Youvonne McMillan Real Estate and Big Country Real Estate.

Nelms-Coats

The annual Nelms-Coats Reunion will be held Saturday and Sunday July 19-20 at the Lake Cisco Christian Encampment. The event will start at 4 p.m. on Saturday. All friends of the family are invited to attend.

WORD of GOD

If a man vow a vow unto the Lord, or swear an oath to bind his soul with a bond; he shall not break his word, he shall do according to all that proceedeth out of his mouth. Numbers 30:2

With long life will I satisfy him, and show him my salvation. Psalm 91:14-16

Also planning to move here soon is Mrs. Lorene Waggon of Hobbs, New Mexico. Mrs. Waggon is purchasing the home of Mrs. Ida Schaefer, located at 106 East 13th. Mrs. Schaefer is now residing in Canterbury Villa.

Mr. and Mrs. Ray Agnew have purchased a small tract of land west of town, where they hope to eventually build. The property belonged to Mattie Griggs of Baird.

Big Country Real Estate was pleased to have assisted in these transactions.

Homemaking Hints

From Janet Thomas, County Extension Agent

Every year there are new fads in home food preservation and 1986 is no exception. Hopefully these remarks will help you in answering consumer questions.

Sun Pickles: The sun dill pickle recipe is quite simple... cucumbers are placed in jars, a brine of water, vinegar, salt and spices is simply mixed together (not heated) and poured on the cucumbers in the jar. The jar is then closed with lid and set in the sun for a few days. The sun doesn't replace heat processing. The "sun treatment" serves no purpose in preserving the pickles and often results in a bleached, pale, unappetizing condiment. Use approved pickle recipes and process them in a boiling water bath.

Steam Canners: Steam Canners came on the market a few years ago and are being demonstrated and sold in some areas of the state. They are not safe according to USDA and we simply cannot recommend their use because the heat treatment is not adequate.

Jelly: Oops I Goofed! It is not uncommon for batches of homemade jelly to be too thin or too stiff. The directions for correcting problems are on pages 18 and 19 of Extension publication B-1219, "Jellies, Jams, Preserves, Marmalades and Butters. Oftentimes a bigger mess is made in trying to correct the errors. Try refrigerating the thin jelly before serving to firm it up and use a very syrupy jelly for pancake syrup.

Pickles and Salt: Don't use salt substitutes (potassium chloride) or lite salt (half sodium and half potassium chloride) in pickling. They do not serve the same function as sodium chloride and

large amount of potassium can leave a bitter aftertaste in pickles. A few low sodium, high vinegar fresh-pack pickle recipes have been developed. Any fresh-pack pickle recipe that calls for as much or more vinegar than water and produces a finished product with at least 1/4 cup of 5 percent acetic acid vinegar per jar of pickled product can be made successfully without salt. Sweet pickles generally taste better without salt than dill pickles, but don't expect to taste like a regular pickle. Hot peppers, herbs and garlic improve the flavor. Dill pickles taste better if at least 1/2 to 3/4 teaspoons of salt per pint jar is added (1.5 percent salt by weight).

Sugar-Free Jams, Jellies, Preserves, Etc: Follow a recipe developed for the specific type of sugar replacement you wish to use and expect a product that is more similar to a gelatin fruit dessert than a true jam or jelly. Or, better yet, why not make fruit butter which contains much less sugar (and calories), great flavor and fiber.

Canning in Half Gallon Jars: Half gallon jars are once again on the market; however, they should only be used for acid foods (fruit and tomatoes). Pickles which are considered "acidified foods" and low acid foods such as vegetables and meat should not be processed in half gallon jars. Low acid foods (vegetables and meats) should not be processed in half gallon jars.

RECIPE FOR THE WEEK: Mixed pickles are really special. Don't forget, a jar of homemade mixed pickles makes a welcomed Christmas gift for friends.

MIXED PICKLES
3/4 cup pickling salt

- 4 quarts cold water
- 1 quart sliced small cucumbers (1-inch slices)
- 2 cups sliced carrots (1 1/2-inch slices)
- 2 cups sliced celery (1 1/2-inch slices)
- 2 cups small boiling onions
- 2 sweet red peppers, cut into 1/2-inch strips
- 1 small cauliflower, broken into flowerets
- 6 1/2 cups vinegar (5% acidity)
- 2 cups sugar
- 1 fresh hot red pepper, sliced crosswise
- 1/4 cup mustard seeds
- 2 tablespoons celery seeds

Dissolve salt in water; pour over vegetables in a large crock or plastic container. Cover and let stand in a cool place 12 to 18 hours. Drain well.

Combine vinegar, sugar, hot red peppers, and spices in a 10-quart Dutch oven; bring to a boil, and boil 3 minutes. Add vegetables; reduce heat, and simmer until thoroughly heated.

Pack into hot sterilized jars, leaving 1/4-inch headspace. Cover at once with metal lids, and screw bands tight. Process in boiling-water bath for 15 minutes. Yield: about 6 pints.

Yellow Rose of Texas Arts, Craft Festival

On August 9, the Beta Sigma Phi of Cross Plains will have its first annual "Yellow Rose of Texas Arts & Crafts Festival."

To help celebrate our "Texas Sesquicentennial" it will be held this year in conjunction with the Callahan County "Old Settlers Reunion" at the Cross Plains City Park on Highway 36, just west of the Cross Plains city limits, from 10 a. m. until 6 p.m.

We welcome all artists, whether your talent be oils, water colors, bronze, or crafts. Call right now to get your space. For availability of spaces contact Pauniece Oglesby at 817-725-6772, or Margaret McNeel at work, 817-725-6100 or at home, 817-725-6498. For food spaces, contact Ann Long at 817-725-7206. Size of spaces will be 10'X10' for \$15.00 or 10'X20' for \$25.00. There will be an additional charge of \$5 for electricity. These ladies will be able to answer any questions you might have about the spaces. But you do need to call now to get your space before they are all taken.

There will be musical entertainment, programs, visiting, barbecue lunch and many more activities during our festival.

3 Charged, 1 Released On Drug Charges

Charges have been filed in connection with a recent "drug bust" in Olden on July 10.

Tom Fox and Tonya Fox were charged with unlawful possession of a controlled substance - methamphetamines less than 28 grams. Bond has been set at \$50,000 for Tom Fox and \$15,000 for Tonya Fox.

Billie Clark also was charged with unlawful possession of a controlled substance - methamphetamines less than 28 grams. Clark was denied bond since he was already out on bond for other charges.

Dollie Fox was released on

bond soon after her arrest. She later was cleared from any connection with the incident and she was released from her bond by Eastland Justice of the Peace R.G. Lyerla. It appeared that Dollie Fox was present at the scene for personal reasons and had no connection with the case. No controlled substances were found in her possession or in her vehicle.

Eastland County Sheriff's Department also reported that they are still awaiting the arrival of ballistic reports on the shooting of Charles Jones of Olden. A fifteen year old is still in custody in connection with the shooting.

CJC Drive-In Band Camp August 4

The annual Cisco Junior College "Drive-In Band Camp" will be held in the Fine Arts Building during the first full week of August. Classes to be offered during the camp are as follows: Rhythm, Theory, Section Rehearsals, Band Rehearsals; along with some recreation each day. A Stage Band class is possible if enough students are interested.

The drive-in camp is open to any student with at least one year band experience, and any student through the 12th grade is welcome to attend.

Classes will begin at 9 a.m. each day, and will continue at 3:45 p.m. Lunch will be furnished at the college

cafeteria, and the camp will conclude with a cook-out at the City Park on Friday afternoon, August 8th.

A fee of \$35.00 per student will be charged for the camp, and this will include all activities and meals.

Instructors for the camp will be area band directors, and Tim Jones, C.J.C. Band Director, will also instruct and be in charge of the camp.

The purpose for the "drive-in band camp" is to help students get prepared for the coming school year, and to get to know students from other communities.

Students should meet in the C.J.C. Band Hall on the second floor of the Fine Arts Building at 9 a.m. Monday, August 4, 1986. Registration will take place at that time, and a full day of instruction will follow.

way that Eastland County can be proud of their conduct and accomplishments. They were one of the best, if not the best, behaved groups at the State Round-up. The experience was great, because most of the group will be able to attend and participate for two or three more years. We, the Eastland County Adult Leaders Association are proud to support youth of this

Expectant Parent Classes

Are you expecting a baby? If so, you are cordially invited to attend Expectant Parent Classes sponsored by Eastland Memorial Hospital August 7, August 14, August 21, and August 28, 1986 from 7:00 to 9:00 p.m. in the Inservice Classroom at Eastland Memorial Hospital.

Physicians, nurses and other professionals will give talks and answer your questions. There will be a tour of the Eastland Memorial Hospital's labor room, delivery room and nursery. For further information call, 629-2601, or write to Lesa Oswalt, R.N./Glenda Agnew, R.N., P.O. Box 897, Eastland, TX 76448.

Lone Cedar Game Day

The next game day at Lone Cedar Country Club will be held Friday, August 1, beginning at 10:00 a.m.

fine character and ability. A special thanks to every organization and person who had a part in making this trip to State 4-H Round-up at Texas A&M University a SUCCESS. We feel that experiences like this will help our youth be leaders in their individual schools and develop into responsible leaders in our community. Thank you for your support of 4-H.

County 4-H Adult Leaders Extend Thank-You

The Eastland County 4-H Adult Leaders Association would like to acknowledge and thank publicly the Eastland Chamber of Commerce, The Red Coats, Eastland Telegram, KEAS Radio, KVMX Radio, Eastland Police Department, Fullen Motor Company and the community for your help in sending Eastland County 4-Hers to State Round-up at Texas A&M University.

The brunch which the Eastland Chamber of Commerce hosted, was delicious.

It was enjoyed by 4-H members, parents, adult leaders, and County Extension Agents. It was great to see so many Red Coats turn out so early in the morning for such an occasion. The outstanding words of encouragement, refreshments, and appreciation gifts, "Old Rip", for a good luck charm were certainly top notch. The recognition of each 4-H member qualifying for State was very special and will be remembered for years to come. Taking pictures on the courthouse steps

and the interviews by the Eastland Telegram, KEAS and KVMX Radio Stations were very exciting for the 4-H members. The police escort out of town was a memorable experience for all as we left for Texas A&M University.

We would also like to thank Fullen Motor Company for the use of a van to help transport the 4-H members and sponsors. It was really appreciated and needed because of the large group attending from Eastland County.

The thirty-three Eastland County Senior 4-H members who qualified for State Round-up did an excellent job in promoting Eastland County. The 4-Hers represented Eastland County in such an outstanding

Moran News

By Mrs. Luke Huskey

Local Events

Twenty people were present for the regular monthly meeting of the Moran Birthday Club on Tuesday night, July 8. Lynn Williams was the only one present who had a birthday in July, and the "Happy Birthday" song was sung to him.

The group enjoyed a delicious roast beef supper with all the trimmings.

Mrs. Lucion Brooks read three very entertaining scripts from a paper.

Those present were Mr. and Mrs. Hubert Brewster, Mr. and Mrs. Ezra Weir, Mr. and Mrs. Lynn Williams, Mr. and Mrs. Bud Brooks, Reese Woolfolk, Imo Hitt, Elma May Huskey, Mr. and Mrs. Mickey Miller, Mae Delle Jones, Doris Garrett, Mrs. Eula King, Georgiana Freeman, Mildred Smith, and Mr. and Mrs. Lucion Brooks.

Mrs. Mae Delle Jones had surgery in Scott and White Hospital, Temple, Wednesday.

Recent guests of Mrs. Delpha Cook were Mrs. Nell Nichols of San Antonio, Mrs. Joy Allen of Monahan, Mr. and Mrs. Barry Allen of Arkansas, and Vonda Nichols of Austin.

Mr. and Mrs. Clyde Holiday and son of San Angelo and Mr. and Mrs. Allen Davis and baby visited with their parents, Mr. and Mrs. James Johnson, during the holidays.

Mrs. Wilbur Nitchell has returned home after being at the bedside of her daughter, Mrs. Brooks Woodfin, in Weatherford.

Mr. and Mrs. Joe Parker and Hud of San Antonio spent last weekend with Mr. and Mrs. Lucion Brooks.

BROOKS FAMILY REUNION

Fifty-six were present for the annual Brooks reunion, held at the Moran Community Center on July 6, and enjoyed a delicious dinner.

Those present were Mr. and Mrs. Lucion Brooks of Moran, Mr. and Mrs. Joe Parker and Hud of San Antonio, Frances Crews of Moran, Mr. and Mrs. Eddie Hill and children of Moran, Tina Smith and children of

Albany, Mr. and Mrs. Carl Crawley of El Paso, Mr. and Mrs. Bill Crawley and children of Las Cruces, N.M., Keith Crawley of Las Cruces, N.M., Mr. and Mrs. Jack Kimbrough and children of Cleburne, Don Latimer and Larry Don of San Diego, Calif., Mike Jeffery of Midland, Mike Latimer of Odessa, Cindy Latimer and friend of Abilene, Wesley, Cabin and Robert Latimer of Throckmorton, Della Lee and children of Albany, Mr. and Mrs. Monk Offield and Mr. and Mrs. Malcolm Offield of Breckenridge, Mr. and Mrs. Heny Henojoso and daughter of Mr. and Mrs. Burda of Hurst, Mr. and Mrs. Bill Armstrong of Weatherford, Hubert Brooks of Eugene, Ore., Mable Hooper of Abilene and Jeanie Ruth Reddy of Midland.

MUSICAL

Remember the Moran Country Musical will be held on Friday night, July 25, at the Moran Community Center, starting about 7 p.m. with Sid Vick of Breckenridge as master of ceremonies. A concession stand will be open at 6 p.m. with homemade pies, sandwiches, coffee, tea and soft drinks.

All area musicians are invited to attend and be on the program. Admission is free.

Your correspondent will be on vacation next week and will be back for the next week to bring you up to date on the happenings in Moran.

BINGO

There were 61 players at the BINGO games Friday night at the American Legion Hall in Moran. A total of \$717.00 was given away. This week the main jackpot will be \$456.00 and the mini jackpot will be \$100.00. Bill Huskey of Eula was the winner of the winner take all game for a total of \$181.00.

Bingo games are played each Friday night at the American Legion Hall in Moran starting at 7 p.m.

Lynn and Gail Turnbull of Corpus Christi are visiting their grandmother, Mrs. Vaye Turnbull.

Word has been received in

Moran of the death of J.J. Thames of Cisco. Mr. Thames is a former resident of Moran and recently moved to Cisco. At this time, funeral arrangements were incomplete.

Mr. and Mrs. Alvin Perry and daughter, Jane of Hamilton visited with their cousin, Mrs. Rheba Cannon, Sunday.

Noel Gresham visited with Rheba Cannon and friends in Moran last week. He lives in Round Rock.

Mr. and Mrs. I.G. Redden and Jim and Mrs. Ellen Dennington spent the weekend in Lubbock and attended a family reunion.

A BABY BOY

Mr. and Mrs. Larry Hallmark of Austin are the proud parents of a baby son born Saturday, July 5. He weighed five pounds and was 18 inches long. The baby was named Kolby Wayne. The baby is receiving treatment in Seton Medical Center in Austin. The father is stationed at Austin in the Air Force.

Grandparents are Mr. and Mrs. R. K. Hallmark of Moran, Mrs. Paula Levett of Oklahoma, and Michael Russell of Florida.

Great grandparents are Mr. and Mrs. I. G. Redden of Moran and Regie Perry of Oklahoma.

Mrs. Ellen Dennington of Moran is the great-great grandmother.

Mangum

Youth Revival

July 24, 27

The members of Mangum Baptist Church would like to invite everyone to join the fellowship at their youth led revival. The revival will be held Thursday, July 24, through Sunday, July 27, starting at 7 p.m. each evening.

Bob Myers, youth minister from First Baptist Church of Colorado City, will lead the services. Leading the singing will be Jeff Holloway, youth director at Calvary Baptist Church, Cisco.

Mangum Baptist is located 6 miles south of Eastland just off Highway 6.

"Even though this is a youth led revival," says Pastor Dwaine Clower, "folks of all ages are invited to attend."

New Cisco Boy Scout

Troop To Meet Monday

Boy Scouting is being reorganized in Cisco. Troop 101, sponsored by the Presbyterian Church, will be open to boys 10 yrs. and up from anywhere in the county.

Bruce Watson is Coordinator, with Pat Oxford Scoutmaster. Virgil Cozart is Camping Coordinator, with Danny Cozart assisting, and Doris Cozart is in charge of Public Relations.

The next meeting of the group will be Monday, July 21 at 7:30 p.m. in the Presbyterian Church in Cisco. Parents are urged to come out with their boys and learn about this program. A special Family Night is being planned, with details to be announced soon.

Troop 101 has a long history of accomplishments. The activities offered cover the learning of many skills, including camping and survival techniques. Each summer the Boy Scout Council sponsors a camp lasting a week. Boys from the Cisco area go to Camp Billy Gibbons near Brownwood.

Other parts of the program will be community involvement, character building events, the opportunity to earn Merit Badges, and recreation.

All interested persons are urged to come to the meeting at the Presbyterian Church July 21 and have a part in these experiences. For more information call Doris Cozart at 442-3764.

Sandy

Auditions

July 21, 22

Carol Brown, director of the CJC summer dinner theatre program announced formal auditions for the part of Sandy, the dog, for CJC's production of Annie. Auditions will be held Monday and Tuesday, July 21 and 22 between 2 p.m. and 5 p.m. or by special appointment. Mrs. Brown notes that although the dog need not be large, it should not be a distinguishable breed and MUST be gentle around children and crowds.

The dog needs to be available for rehearsal from July 27 and available for performance from August 5-16. Previous stage experience is not a consideration for casting of the part. For more information call Carol Brown at 442-2567.

Special Enrollment Exam Announced By IRS

Individuals who wish to take the 1986 Internal Revenue Service Special Enrollment Examination must submit applications to IRS postmarked no later than July 31, 1986. No extensions of time to file for the examination will be granted.

The examination is scheduled for Thursday and Friday, September 25 and 26 in Dallas and Lubbock. It is given annually in each IRS district to individuals who wish to apply for enrollment to practice before the IRS. The examination includes true or false, multiple choice, and problem-type questions that require some computations, the IRS said.

The application fee is \$50 for those taking all four parts of the examination.

and \$40 for prior year examinees taking fewer than four parts. All checks or money orders must be made payable to the Internal Revenue Service.

According to the IRS, persons interested in taking the examination may obtain the Special Enrollment Application Packet by writing Internal Revenue Service, Mail Code 1600, 1100 Commerce Street, Dallas, Tx. 75242. The enrollment packet can also be ordered by calling IRS at 742-2440 in Dallas; 263-9229 in Fort Worth; or toll-free 1-800-424-1040 elsewhere in Texas.

The packet includes materials on the requirements for enrollment and for taking the examination.

Wedding Bells

Schaefer - Bean

Shelly Ann Schaefer and Terry Wayne Bean were united in marriage in a double ring ceremony Saturday, July 12, 1986, at the First Baptist Church of Cisco at 7:30 p.m. Reverend Buddy Sipe of Morton Valley Baptist Church officiated. A prayer of blessing was given by Reverend Harry Garvin, pastor of First Baptist Church of Cisco.

Parents of the bride are Mr. and Mrs. Delbert Schaefer. The bridegroom is the son of Mr. and Mrs. Jerry Bean of Brownfield.

The bride, given in marriage by her father, wore a gown of crystal organza trimmed with Venice and Sposabella styled Brussels laces. The Victorian neckline with sheer yoke was set in a fitted bodice with wedding point waist. The bodice, covered with Brussels lace, was beaded with pearls. The sleeves were smocked crystal organza puffs over fitted sheer sleeves accented with Venice and Brussels lace. The fully sheered skirt was applied and bordered with Brussels lace. Rows of large wired ruffles edged the hem. Layers of ruffles draped into a court train. The waist length veil of silk illusion with rouché top was scattered delicately with pearls and iridescents. It was gathered onto a wreath of beaded flowers. The bride carried a cascade bouquet of peach roses, white stephanotis, baby's breath, and lily of the valley. She wore a pin belonging to her great great grandmother and a blue garter worn by her mother at her wedding.

Maid of honor was Vicki Stephenson. Bridesmaids were Wendy Endsley and Tammy Douglas. They wore matching tea length dresses of sheer peach organza over taffeta. The dresses were accented with a single row of satin covered buttons to the back waist. The dresses had long sheer sleeves and ribbon ties at the waists. Each attendant carried bouffant folds and cascades of tulle centered with peach roses.

Flower girls were Tiffany and Tanith Bean of Amarillo, nieces of the groom. They wore peach dotted organza dresses with short puff sleeves. The gathered skirts fell from lace trimmed yokes and were edged at the hems with wide ruffles. They carried miniature fireside baskets filled with peach roses and lily of the valley. Pages accompanying the ring bearers were Deena and Courtney Payne. They wore dresses matching those of the flower girls and carried nosegays of miniature peach roses and lily of the valley.

Best man was Dawson Alexander of Plains. Groomsmen were Kirk Williams of Plains and Scott Branstetter of Deer Park. Ushers were David Bean of Amarillo and Mike Bean of Abilene, brothers of the groom, and Dusty Schaefer, brother of the bride. Ring bearers were Chris Robinson of Moran, cousin of the bride, and Robby Payne. All tuxedos were gray except the groom's which was

white.

Candlelighters were Jana and Lori Yowell. They wore tea length dresses of dotted sheer peach organza with fitted bodices and dropped waists. They were tied on each side of the waists with satin ribbon bows. The sheer puff sleeves and neckline were trimmed with lace. They wore wrist corsages of peach roses.

The church was decorated with a brass archway topped with a halo of candles. Flanking the arch were twenty-one branch and seven branch candelabras. These were adorned with ivy, white lily garlands, peach roses, and peach and white ribbon. Center pews were decorated with brass globed aisle posts featuring white candles, ivy and peach ribbon.

Musical accompaniment was by Martha Davis at the piano and Mary Austin at the organ. Prelude selections were "Arioso" by Bach, "Panis Angelicus" by Franck, "The New 23rd" by Carmichael, "Take Time to beHeld" by Stebbins, "O Master Let Me Walk With Thee" by Smith, "Children of the Heavenly Father" a Swedish Melody, "The Lord Whom We Love" by Kaiser, and "Jesus Loves Me-Savior Like a Shepard Lead Us" by Bradbury. Doyle Walker and Claudia Waite sang "We Believe in Love" by Tommy Coones and Hadley Hockensmith. Claudia also sang "Flesh of my Flesh" by Leon Patillo, and Doyle sang "The Lord's Prayer." "Bridal Choras" from "Lohengrin" was played for the processional and "Wedding March" by Mendelssohn for the recessional.

The bride's parents hosted a reception in the church fellowship hall following the ceremony. The bride's table was covered with white sheer organza draped and accented with peach ribbon bows. The table appointments were crystal and silver. The table was centered with the bride's bouquet and two silver candelabras containing peach candles. The four tiered white wedding cake was decorated with cascading peach roses. Peach heart and white rose mints, nuts, and peach punch were served.

The bridegroom's table was covered with a brown cloth and ecru Reticella overlay. There were brass appointments and a peach candle trimmed with ribbon and flowers. The two-layered carrot cake was decorated with tones of beige and brown icing and peach roses. Coffee, nuts and rose and bell peach mints were also served.

Hostesses were Della Bean, sister-in-law of the groom, Leah Lambeth, Tracey Hughes, Cynthia

Dill, and Jeanene Reich. Tracey Hughes also served at the guest register.

The rehearsal dinner, catered by the Depot Restaurant of Eastland, was hosted by the groom's parents in the fellowship hall of the church Friday.

The couple will live in Cisco after a honeymoon trip to Dallas. Shelly is a graduate of Cisco High School and attends Cisco Junior College. She is employed by City Drug. The groom is a graduate of Plains High School and Cisco Junior College. He will graduate in August from Tarleton State University with a degree in physical education and history. He has been employed by the Cisco school district as teacher and coach.

Miscellaneous showers were given for the couple at the First Baptist Church May 18, and in the home of Mrs. A. O. Bearden in Plains June 29. A personal shower was hosted by friends of the bride at Olney Savings June 8.

Michelle Prickett of Brownwood. They wore lavender tea length dresses designed by Alyce, featuring dropped waists and off the shoulder puffed sleeves. They wore white shoes and jewelry, and carried a single long stemmed lavender carnation.

Lee Johnson of Waxahachie served his brother as best man. Groomsmen were Jody Finley of Eastland, Dempsey Ross of Olden, and David Johnson of Eastland, brother of the bridegroom.

Ring bearer was Christopher Wayne Harris of Cisco, nephew of the bride. Candlelighters were Dustin Alan Harris of Cisco and Robin Lee Harris of Pasadena, nephews of the bride. Assisting the couple's mothers in lighting the unity candle was Jason Ryan Harris of Cisco, nephew of the bride.

All tuxedos were grey except the bridegroom's which was white. The candlelighters and ring bearer wore grey slacks, white shirts and lavender ties.

Carolyn Sipe, at the piano, accompanied Margaret McKinney as she sang "Twelfth of Never" and accompanied Tami Roberts as she sang "It Will Never be the Same Again." Music preceding the ceremony was played by Celia Shackelford, and she played the "Wedding March" on the organ.

The altar was decorated with a large gladiola arrangement and two white candelabra with lavender candles. Small arrangements of daisies surrounding candles were set in each window.

A reception honoring the couple was held in the Fellowship Hall of the church, hosted by Judy Harris. The tables were decorated in lavender. The four tiered wedding cake was decorated with live lavender and white daisies. The groom's cake was chocolate jeep design. Punch, assorted crackers and an assortment of pate were also served. Members of the houseparty were Belva Yeager, Linda Martin, Kristie Cozart, Dora Fay Simmons, and Margaret McKinney. Sherri Pevey registered guests. Kristie Cozart caught the bridal bouquet, and the garter was caught by David Johnson.

Following a wedding trip to New Mexico and Colorado, the couple is at home at Rust Mobile Home Park. The bride is a graduate of Cisco High School and is employed by Dr. Gary Harris as receptionist and office assistant. The bridegroom is a graduate of Eastland High School and is employed as a

Harris - Johnson

Miss Darla Kay Harris of Cisco and Richard Kevin Johnson of Eastland were married in a double ring ceremony Saturday, June 6, at 7 o'clock in the evening at Calvary Baptist Church in Cisco. Rev. Ronnie Shackelford, pastor, officiated.

The bride is the daughter of Mr. and Mrs. W. W. Harris of Cisco, and parents of the bridegroom are Mr. and Mrs. Richard L. Johnson Jr. of Eastland.

Given in marriage by her father, the bride wore a gown designed by Bridal Originals featuring Queen Ann neckline and a bodice with long lace sleeves, ac-

cented by pearls. The skirt and train were tiers of lace. Her veil fell from a crown to mid-length in back with a blusher veil over her face. She carried a bridal bouquet of cascading white miniature carnations. She wore something old, a bracelet of her maternal grandmother; something new, her wedding gown and a pearl necklace given to her by the groom as a wedding gift; something borrowed, jewelry from a friend; a blue garter, and a penny in her shoe.

Maid of honor was Sheila Lane of Cisco. Bridesmaids were Vickilea Morton and Crickett Jones of Cisco and

"Unsolvable" Tax Problems Tackled By IRS Office

Taxpayers with an "unsolved" federal tax problems can get help from a special Internal Revenue Service office. It is called the Problem Resolution Program (PRP) office, and it gives personal attention to taxpayers when previous contacts through normal IRS channels have not helped. Tom Allen, Problem Resolution Officer for North Texas, said. Allen gives the following as an example: If a taxpayer's expected refund has not arrived 90 days after filing an original or amended tax return he or she should first contact IRS Taxpayer Service with the problem. An assistor will help the taxpayer, find out what is happening to the return, and let the taxpayer know when to expect the refund. If the refund has not arrived by that date, the taxpayer should contact PRP. Once PRP takes the problem, the taxpayer generally deals with one person and is kept informed of the progress of the case.

"One of the most common complaints brought to Problem Resolution is about delayed refunds," he said. "Sometimes these are caused by incorrect or duplicated

social security numbers or by taxpayers who change their names--after marriage, or example--and do not inform the Social Security Administration." Taxpayers who move after filing a return without providing a forwarding address may also have their refunds delayed.

Allen stressed that PRP is not a substitute for normal IRS channels and cannot be used to appeal technical decisions of a tax examination. PRP will help if:

1. You have contacted IRS regarding the status of a refund at least 90 days after filing an original or amended return. Subsequently a second inquiry is necessary.

2. You requested information or assistance more than 45 days earlier and have received no acknowledgment or final response.

3. You previously responded to a billing notice and now have a third or subsequent notice indicating incorrect action or a lack of action by IRS on your earlier response.

Taxpayers can reach the PRP office by either writing or calling IRS asking for Problem Resolution. To phone: 742-2440 in Dallas; 263-9229 in Fort Worth; toll free 1-800-424-1040 elsewhere in Texas. Address written inquiries to: Special Tax Problems, P.O. Box 50008, Dallas, Tx. 75250.

CJC Students Tour With Casper Troopers Corps

FORMER STUDENT: Amber Berryman of Knox City and a student at Cisco Junior College is indicated by the arrow in the above photo. She is a member of the Casper Troopers drum and bugle corps.

The award winning Casper Troopers, drum and bugle corps of Casper, Wyoming, will be making a scheduled stop in Eastland before continuing on to Dallas for a major competition. The Troopers will arrive in Eastland Wednesday, July 30 and will leave for Dallas on Thursday, July 31.

Two Eastland County students are members of the corps, they are: Amber Berryman of Knox City and Cisco and Shawn Alsop of Eastland. Both are graduates of Cisco Junior College.

Shawn is the captain of the cymbal line and Amber is a member of the Flag Corps. The Troopers are on a national tour, the second this year and the last for the season, that will lead them from Casper to Dallas, Texas, Jackson, Mississippi, Birmingham, Alabama, Columbia, South Carolina, Sevierville, Tennessee, Evansville, Indiana, St. Charles, Illinois, Whitewater, Wisconsin, Stillwater, Minnesota, Minneapolis, Minnesota, and finally to Madison, Wisconsin for the 1986 Drum Corps

International World Championships

While in Eastland, the Troopers will be rehearsing at Maverick Stadium Wednesday night and Thursday around noon. The group will spend the night at the E.H.S. Gym and will be hosted by locals during their stay in Eastland.

According to Eastland Maverick Band Booster President Earl Bullock, Jr., the Band Boosters will feed the Troopers during their stay here. The organization will feed the group when they arrive, provide breakfast Thursday morning and lunch before the corps leaves for Dallas Thursday afternoon.

Also the Maverick Band Boosters will be selling a NEW GIANT post card with a color photo of the Troopers on the front, beginning Saturday, July 26 through the time of the corps visit to Eastland. Cost of the 9"x5" post cards are \$1.00 each and the money will be used to cover the expenses of food for the Troopers.

The Troopers were founded by Casper contractor Jim Jones in 1957. Since then they have taken home 11 international titles, entertained at several NFL and USFL halftimes and were the first U.S. drum and bugle corps to participate in the Tournament of Roses parade this past year. Dressed in their traditional Trooper uniforms, the corps repertoire for 1986 includes American Salute, Silverado, Prayer of Thanksgiving, Red Pony, and Battle Hymn of the Republic.

Everyone is invited to come out to Maverick Stadium and watch the Casper Troopers as they rehearse for the Dallas competition. Rehearsal times will be announced as soon as they are received from Casper.

Todd Manon Signs With CJC

Todd Mannon, a 6-5 forward from Hot Springs High School in Truth or Consequences, New Mexico, has signed a basketball scholarship agreement with Cisco Junior College. Mannon averaged 21.2 points and 11 rebounds per game in leading his high school team to the Class AAA state semifinals this past season. He was selected to the Class AAA All-State Team, and will play in the annual North-South High School All-Star Game in Albuquerque on July 31.

The CJC Wranglers are the defending champions of the North Texas Junior College Athletic Conference, but will be returning only one starter. According to Coach Dan Montgomery - "We feel that we have signed a good one in Todd Mannon. We feel that he is capable of stepping in and helping us immediately at the small forward position."

Senior Baseball League Have Good '86 Season

Robert Wages

The Cisco Lobos Senior League team had a good season this past summer.

On June 24 the Lobos played against Ranger and the final score was Cisco 11 and Ranger 0. Shelby Nixon pitched the no-hitter. Robert Wages, Steve Abbott, Tim Rains, Shelby Nixon and Trae Peacock made the hits for the Cisco team.

Shelby Nixon

On June 27th the Lobos rolled over Baird in 6 innings with a final score of Cisco 14 and Baird 4. Robert Wages was the winning pitcher allowing three hits and striking out 8 batters. The Lobo sticks were hot with Tim Rains and Shelby Nixon hitting home runs and Steve Abbott, David Starr, Jason

Phillips and Bill White getting hits.

On July 1, Clyde emerged the winner scoring runs with 7 hits in the second inning. Robert Wages, Shelby Nixon scored with hits and Bill White and Steve Abbott hit home runs. Robert Wages relieved Shelby Nixon in the third inning as pitcher.

The Lobos defeated Breckenridge in a game played on July 8. Robert Wages was the winning pitcher, allowing only three base hits with Wade Shackelford, Andy Hobbs, Lonnie Pevey, and Trae Peacock and Bill White making excellent defensive plays.

Jason Phillips

Making hits for the game were Robert Wages, Tim Rains, Steve Abbott, Bill White, Wade Shackelford, David Starr and Joe Flores.

Three players on the team Robert Wages, Shelby Nixon and Jason Phillips were picked by the Eastland Mavericks to play for them when they go to the Regional Tournament in Clyde the week of July 21st.

The Eastland team won District in Sr. League Ball and will be competing against teams from Clyde, Abilene and Sweetwater during the tournament.

West Texas Utilities Request Fuel Refund For Customers

West Texas Utilities Company's retail customers will receive another fuel cost refund and a significant decrease in their future electric bills if a request filed Tuesday in Austin is approved by the Public Utility Commission of Texas.

WTU is asking permission to refund a total of \$5.7

Citizens Are Warned Of Responding To Offers

Have you ever responded to an ad for a "free trial" offer and then been surprised when you received extra un-ordered merchandise - and a bill?

Some companies count on the fact that many consumers mistakenly believe they are obligated to pay for the merchandise or to return it at their own expense, says Nancy Granovsky, a family economics specialist.

"If you're sent things in the mail that you did not order, you have the legal right to keep the shipment as a free gift, according to Federal Trade Commission (FTC) rules," explains the Texas A&M University Agricultural Extension Service home economist.

Although it's not necessary as a requirement for keeping the merchandise, you may want to write a letter to the company saying you plan to keep it as a free gift, she notes. This may discourage the seller from sending you repeated bills or

dunning notices, and from sending you other un-ordered merchandise in the future.

Granovsky says if you don't want to keep the merchandise as a gift, you can write "Refused - Unordered Merchandise" on the package and return it to the sender. You don't have to pay postage to have the package returned.

The specialist points out that some "free gift" offers come with strings attached, that the consumer doesn't find out about until the merchandise has been received.

Under FTC rules, all conditions and terms for receiving a free item must be sent out with the original offer.

"Before you sign up for this type of offer, be sure to read the fine print, she advises, "you'll probably find out that you have to pay something or do something in order to get the free item."

Pioneer Exes Plan Reunion

The Pioneer Ex-Students Association is having their 66th Annual Pioneer, Liberty, Sabanno, Cook, Curtis, Gunn, Peak, Hickman, and Crocker School reunion at the Pioneer Tabernacle Saturday, Aug. 2, at Pioneer, Texas.

Lunch will be catered by Colony Restaurant of Cisco at \$4.50 per plate. All ex-students and friends will be welcomed.

This would be the third time for WTU to make a refund and to lower its fuel cost factor since its last rate increase in November, 1984. Over \$17.6 million was refunded in August, 1985, and \$9.3 million was refunded in May, 1986.

"This is not an actual rate case filing," WTU President Glen Churchill explained. "It is an adjustment possible because the price of our boiler fuel has been declining. Any savings we can make on fuel cost is passed on to our customer as soon as permitted."

The due amounts on customer bills include both fuel costs and base rates. Utility companies are not allowed to make money on fuel. WTU has had no change in its base rates since 1984.

If a reduction in fuel rates, technically known as the Interim Quarterly Fixed Fuel Factors, is approved, WTU officials estimate the fuel cost charges to its customers will drop by 24 per cent, or \$7.9 million, during the three-month period beginning in September.

After the state's Public Utility Regulatory Act was amended in 1983 the PUC ordered the use of the fixed fuel factors and their use was recently re-adopted in an emergency fuel rule. Previously, an automatic fuel adjustment matched fuel billings to fuel expense each month. These immediate adjustments prevented over-recoveries of fuel costs and made refunds unnecessary.

Under WTU's proposal, all existing retail customers would receive refunds through one-time credits to their bills in the billing month of September. A typical residential customer would receive about \$11.

Natural gas is the principal fuel for all of WTU's eight major power generating stations. In recent years, fuel costs have amounted to more than half of the company's total operating costs, but have dropped from all-time high of \$3.18 per million BTU in 1983 to \$1.88 in June 1986.

Christi Caldwell Receives Texas Tech Scholarship

Christi Caldwell, 19-year-old daughter of Mr. and Mrs. Jim Caldwell of Eastland, has been awarded a \$500.00 scholarship from the Eastland County Chapter of the Texas Tech Ex-Students Association, according to President Ed Watson. The funds for the scholarship were raised through donations by Eastland County Tech Exes.

Christi's list of High School achievements include Salutatorian, Who's Who Among American High School Students, Student Council Officer, Beta Club Officer, Spanish Club Officer, and Thesbian Officer.

Christi has completed one year of study at Cisco Junior College, and has maintained a 4.0 grade point average through 48 hours of credit. While attending C.J.C., she was a member of Phi Theta Kappa, and the Science Club. Other scholarships received by Christi include the Rockwall Scholarship from Cisco Junior College and the Jana Cogburn Memorial Scholarship.

Christi will major in Bio Chemistry at Texas Tech. After receiving her Bachelor's degree, she plans to attend the Tech Med School. Congratulations and good luck to Christi.

Gordon Spot

By DeMarquis Gordon, County Agent—

Fleas seem to be making it big in Eastland County this year. Over the last several years, fleas seem to have become more and more of a problem. The fleas infest dogs, cats and will readily attack humans.

Flea bites are extremely annoying, but they may not be felt immediately. They generally become increasingly sore and irritated over a period of up to a week or more. Fleas most often bite people about the legs and ankles. A small red spot with a light colored center appears where the mouth parts of the adult flea enter the skin. Some relief from the itching can be obtained by applying cooling preparations such as carbolated vaseline, menthol, camphor, calamine lotion or ice. Severe allergic reactions or infections should be treated promptly by a physician. Fleas can transmit serious diseases, but fortunately very rarely in our area. A female flea can lay 4 to 6 eggs after each blood meal and up to several hundred in her lifetime. Eggs are often laid on the dogs or cats and can be

distributed throughout your home and yard as the pets move about or shake. The eggs will end up in the dirt or bedding and lounging areas of the host.

Most fleas require 30 to 75 days to complete a life cycle when optimum conditions of temperature and humidity exist during the summer. Indoors, breeding probably occurs year round. Adult fleas are long-lived and can survive several weeks off the host without a blood meal.

Effective flea control must include treatment of the pets and thorough treatment of the entire premises - indoors and outdoors. These three areas should be treated simultaneously in order to break the "flea-cycle" and maximize control results.

Insecticides containing chlorpyrifos (Dursban), dichlorvos (Vapona), lindane, carbaryl (Sevin), dioxathion (Delnav), and pyrethrin plus piperonyl butoxide are labeled for use on dogs. Insecticides containing carbaryl, malathion, ronnel (Korlan) and lindane are labeled for use on cats. Read the labels before using

any products and consult a veterinarian if questions arise. Spray all infested outdoor areas such as the yard, porches, garages, and out-buildings with either chlorpyrifos (Dursban), propoxur (Baygon), carbaryl (Sevin), diazinon, bendicarb, Malathion, ronnel, or synergized pyrethrins. Be sure to treat areas which are frequented by pets and let the spray dry before pets or children are allowed to use treated areas. Repeat the spray at approximately two week intervals until control is achieved. It is a good idea to mow and water the lawn a day before this spray treatment and avoid mowing or watering for as long as possible after treatment.

any products and consult a veterinarian if questions arise.

Inside the home, control measures should begin with thorough cleaning. Vacuum all floors and upholstery. Dispose of the vacuum sweepings immediately to prevent flea escape and subsequent reinfestation. Launder all pet bedding. Apply an insecticide spray to all floor areas, under and around upholstery cushions, and to pet bedding areas where fleas have been found. Also spray molding, baseboards and drapery in flea infested areas to a height of one foot above floor level. Try to avoid further

vacuuming and cleaning for 10-14 days after treatment. Insecticide sprays containing chlorpyrifos or propoxur (Baygon) should give to 3 to 4 weeks effective residual control indoors, but it will not give rapid knock down of adult fleas. In conjunction with the residual spray indoors, homeowners might also use a non-residual insecticide applied to a total-release aerosol or fogger. Products containing pyrethrins, resmethrin (SBP-1382), and dichlorvos (DDVP or Vatonal) are

available to provide this quick relief from fleas indoors. Some of the total-release aerosols contain Methoprene, a long residual insect growth regulator, which will keep the young fleas from developing into adults. This gives about 75 days of flea control.

We have in the Extension office free publications listing recommended insecticides for flea control both outdoors and indoors and publications on external parasite control on dogs, cats and birds.

EASTLAND - Ethel A. Allredge, 75, died Thursday at a local hospital.

Graveside services were held at 2 p.m. Saturday in Oakland Cemetery in Comanche County, under the direction of Edwards Funeral Home.

Born in Colorado City, she was a longtime resident of Eastland. She was a seamstress with the Vassarette Munsingwear Co. of Eastland. She was a member of the Church of

THANK YOU

CARD OF THANKS

Thanks to everyone who sent flowers, cards, for your calls and visits, but most of all, for your prayers. Special thanks to the doctors and nurses and staff at E.L. Graham Hospital for the wonderful care during my recovery.

May God Bless You All,

Mrs. Lena Dobbins

Christ and a member of the Order of Eastern Star. She was also a member of the Ladies Auxiliary of the Veterans of Foreign Wars.

She was the widow of Leonard W. Allredge Sr., who died in 1956.

Survivors include two sons, Leonard W. Allredge Jr. of Brownwood and Larry Allredge of Henderson; a brother, Cecil Tankersley of Kilgore; a sister, Mary Owens of Fort Worth; nine grandchildren; 13 great grandchildren; and several nieces and nephews.

CARD OF THANKS

The family of James Edward Wheat Sr. wishes to express their warmest appreciation to all who have supported our family in the last two years. Thanks for all the gifts, flowers, cards, calls, food and love offerings.

Special blessings we pray for each and every one of you who imparted your precious time to visit. James cherished every one as a precious memory. Special "Thank You" to Dr. Boersma, Brad Kimbrough, Rev. Harry Garvin, First Baptist Church, Word of Life Church, and Mitchell Baptist Church. Through love we can bear all things, believe all things, find hope in all things and endure all things. Make Love Your Aim.

Valley View News

I sure have missed writing the news for the past few weeks and hope I don't have to miss any more. My eyes are better now.

Our Birthday party 2nd Tuesday, July 8 was real good with the Al Anderson Band. We appreciate them so much for coming each 2nd Tuesday for our party. Thank you Mr. Neal Moore from Cisco, our clown didn't get to come this time. We only have 4 birthdays this month: Elva Hudson, 82, Mary Lynn Schell, 76, Jo Await, 78, James Harris 81. Also we didn't have as many visitors as usual.

Did you ever hear of shake the bucket ice cream? One afternoon after Bingo about 10 residents made ice cream. Marie filled 2-1 lb. coffee cans with ice cream, sealed them and put in gallon buckets with the ice and salt and sealed them. Then we passed them around when one resident got tired he or she passed it to the next. It was a lot of fun and the ice cream was so good.

On the 4th of July a bunch of our residents went out to the front to watch the

fireworks. It was a beautiful display.

We had real good services Sunday at Sunday School 9:45 we had 18 and special visitors: Keith Lowry and wife Kay, youth minister at First Baptist Church. She played the organ and he led in the singing. We sure enjoyed them. We sure are missing Lucille Furr since she fell and broke her knee cap. She will be in the hospital quite a while.

We had a real good church service at 3 with Bros. Dwaine Clower and Rex Boggs with 16 present.

We didn't get to have the 4 p.m. service as Bro. Jer-nigan is in the hospital in Fort Worth and had surgery

Monday. I heard he came through the surgery fine and hope he will be home soon.

Monday at resident Sunday School reading Clarice O'Brien and Margaret DeFord met with us and we had 11 present.

We have several new residents lately: Ella Seamore, Bernice Tankersley, Taylor Smith, Vera McCulley, Harvey Donica, Ina Peak and Donaciano. Hope they will like it here.

We were so sorry to lose Etta Watts, Bess Frances and Mary McCormack. Their families sure have our sympathy.

Mrs. Vada Stallings went back to her home in Strawn.

Senior Citizens Nutrition Center

Summer is here and to many this is a difficult time of the year. Air conditioning often is not sufficient, and if we work outside we find ourselves becoming fatigued.

When the temperatures continue, day after day, to hover in the upper 90's older people are tend to feel exhausted and weak. Great care should be noted about becoming too hot.

Work in your yard early in the morning, even if you work in the evening the temperature might be too high. Do not work until you are exhausted. Do a little work each day. Be sure and let your family or friends know if you are not feeling good.

The programs for the past week included: Anna Dytzel, Mildred Johnson and Lois Holder played dinner music. J.W. Cook, the Senior Citizen Band and Choir entertained. Gerald Parks accompanied the band.

We had an unusual event at the Senior Center—Juanita Milford and Jack Roberson were married while 250 people watched the ceremonies. The Rev. Edward Jackson from Brownwood performed the ceremony.

The AARP held their monthly meeting at the Senior Center. The Social Security representatives were at the

center and will be permanently located at the center on each first and third Wednesday of each month at 1:30 p.m.

Menus for the week:
Monday—Oven fried steak, mashed potatoes, cream gravy, spinach, cole slaw, tropical apples, bread, butter and milk.

Wednesday—Beef macaroni, summer squash, tossed salad, ambrosia cake, cornbread, butter and milk.
Friday—Pork chop, Chinese noodles, green peas, fruit cocktail, bread, butter and milk.

Fourth In A Series Six Critical Issues Involving County Youth

By Viola Payne
Members of the Eastland County Program Building Committee who studied issues involving 4-H and Youth were quick to point out that the "Youth" were usually not the problem.

DeMarquis Gordon, County agent, also commented on this. "Our young people are generally one of the greatest resources we have in the county," he said. "Many of their problems are brought on by older people."

"The Citizens Groups are trying to work out programs to help them. That's why Youth is listed," he said. When the Task Forces groups made public their final critical issues on June 24, the needs of young people were listed as urgent.

Some people had statements such as "The young people are faced with peer pressure on drug and alcohol abuse. But the real problems often begin with lack of parenting - with broken homes and destructive lifestyles."

Discussion Leader for the 4-H and Youth category was Loys Allmand, Principal of Siebert Elementary School. The Recorder was Joe Housson, chief probation officer of Eastland County.

A number of other people worked since April to decide on the most critical issues. They were John Collins, Joe Cooper, Nancy Hughes, Jerry Jackson, Alice Perry, Connie Rattan, Deborah Robinson, Monnyean Stacy, Keith Watkins and Kim Watson.

Mrs. Allmand brought six urgent Task Force issues to the meeting. The very first, she said, was (1) Drug & Alcohol Abuse: "Youth of our county have a serious problem with drug and alcohol abuse." She stated "It is apparent that this abuse will continue to grow without some type of control. Peer pressure is a major concern with this issue. Television and other forms of media are exposing children and

youths to values and standards that conflict with those of their families."

The next most critical issue, she said, was (2) Parenting: "40% of children in Eastland County live with a single parent, another family member or a step parent. From an observational standpoint a high percentage of youth in our county lack emotional support from their parents."

"There is also a lack of intra-family responsibility. More than half of mothers of children 18 and under are in the labor force. These families and others are confronted with changing and increasing responsibilities which place high demands on their time and energy."

On another subject, she said, there is (3) Youth Involvement: "There is a need for youth to become more constructively involved in and with the community. Youth are faced with too much free time," she said. "It would be beneficial to the towns in our counties if the community leaders would make an effort to involve the youth more effectively."

Mrs. Allmand and other Task Force members felt that (4) Career & Economic Concerns was a two-edged problem. "Six percent of students in Eastland County drop out of school. The failure rate is high at 25%. The youth need to be made more aware of careers and opportunities available after graduation," she said.

Mrs. Allmand also stated that issue (5) Long and Short Term Development, was tied

to issue 4. "Youth lack direction in their lives," she said. "Goal setting is not well established in young people. Poor or no goal development leads to disorientation of career development."

In conclusion, Mrs. Allmand noted that (6) Child Abuse, is a serious problem here. "In 1985 reported cases of child abuse or neglect was up 58% and cases investigated increased by 79% over 1984 figures in Eastland County," she said. "In April, 1986, 26 cases were reported with 19 being investigated. Many of the health problems of Texas children appear to have their roots in the social and economic conditions of their families."

After the Discussion Leader's presentation, a number of comments came from the audience. These indicated that each of the issues Mrs. Allmand had outlined was very important. There were remarks about the large number of teenage

pregnancies in Eastland County, and that a real need existed for more sex education in the schools.

"The problem seems to be getting the schools to allow these materials to be shown," one Task Force member stated.

Another mentioned the young people who have serious problems at home, such as live-in friends of their parents, inability to get along with step-parents, and various other social and economic conditions. Some of these young people are not particularly wanted anywhere. A need for more temporary shelters in the county was pointed out.

The group voted to include three of the six "Youth" critical issues with those sent to the State Extension Service. These three were Drug and Alcohol Abuse, Parenting, and Child Abuse.

On July 10 the Program Building Executive Committees from all four County Task Forces met with the Extension Agents to decide which critical issues to address in 1987. It was voted to include three of the issues involved with Youth in this upcoming program. They were Parenting, Drug and Alcohol Abuse, and Youth Involvement.

There was further discussion on these and other issues. The County Agents and Task Force Leaders laid plans to use every resource possible to do something about these situations.

The 4-H program was listed as "A real help" to the young people of Eastland County. Leadership Training through this program will be carried on as usual.
