Linda Gale White Speaks To Democrats

Texas First Lady Linda Gale White brought Gov. White's campaign to Eastland County Wednesday and spoke boldly of his accomplishments and his dedication to the future of Texas.

The issues are courage, commitment, character, she said.

First Lady Linda Gale White has taken to the campaign trail, traveling across Texas bringing with her the message that Governor White will be re-elected

because he has had the courage to make tough decisions during tough times.

Mrs. White toured the Courthouse and was guest of honor at a reception at the Eastland Chamber of Commerce hosted by County Democrats.

"Texas is at a critical crossroads and Texans will make a critical choice in November," Mrs. White said. "The choice will be whether or not Texas moves boldly into the future, or whether we will drag Texas

back into the past.

"Mark has made tough decisions. They've been the right decisions for the future of Texas. Through this administration's commitment to education, highways, health care, and water we have laid a strong foundation to take us proudly into the 21st century.

"Bill Clements, on the other hand, did nothing to prepare Texas for the future, and in fact, during a time when the price of oil was at an all-time high he offered no new programs or initiatives and vetoed a desperately needed prison while spending \$1 million of taxpayers' money restoring the Governor's Mansion.

"Bill Clements presided over some of the largest state spending increases in recent history," Mrs. White continued. "Under Bill Clements the total state budget increased an incredible 56.9 percent. Through this administration's careful fiscal management policies, we have slowed that rate of growth by a third (38 percent). He also submitted a budget to the Legislature in 1983 which was \$932 million in the red. Had the Legislature adopted Clements' budget recommendation, Texans would have been saddled with a \$1 billion tax increase.

"I'm pleased that Mark and the legislative leadership of Texas are working together and have offered solutions to the state's budgetary problems brought about by low oil prices. It's a shame that Bill Clements campaigned across Texas talking about his secret plan, but now that it's time for action he refuses to offer any solutions or suggest where a single dollar could be cut from the state budget. This is simply irresponsible.

"I'm proud that Mark has faced tough issues with courage, character, and commitment," she added.

Our congratulations to the Town & Country Store here in Cisco for their work during the Jerry Lewis MDA Telethon over the Labor Day Weekend. They collected \$495 for Jerry's Kids.

Becky Elliott, Randy Boles, and Billy McGough brought in \$144.80 from their efforts. T&C Manager Dale Brown gave a special thanks to these three youngsters. We do, too.

Around Town

By Duke Dixon

Is it fall or isn't it? That seems to be the question right now. This weather is just great, but the weather prognosticators keep saying summer is still here, but whatever, the temperatures are sure nice.

Don't forget that Saturday night in the Corral Room, the Country and Western Musical will be held. They always have a good program and good entertainment for all.

Our congratulations go out to Sophia Eudy, who is going to celebrate her 90th birthday. Our best wishes and hopes for many more to Sophia.

Cisco Property Sold For Taxes

1. Cause No. 1175-A; Timothy R. Markham, 602 E. 10th, Lot 8, Block C, S/D 1, O.T.; Amt. Due-\$1,962.53.
2. Cause No. 1216-A; Brad Lord, 214 Tourist, Lot 11, Block B, Bedford Add., (SEC of Tourist and Hopwood); Amt. Due-\$1,299.94.
3. Cause No. 1351-A; Robert Scott, 501 W. 14th, Lots 6 & 7, Block 1, O.T.; Amt. Due-\$1,453.39.

The above properties were sold for delinquent taxes on Sept. 2, 1986, at a sheriff's sale at the Eastland County

Courthouse. As there were no acceptable bids on the properties, all were deeded to the City of Cisco. Once the titles are transferred to the City, which will be in approximately 30 days, the properties can be sold.

The City of Cisco expects to have another delinquent tax sheriff's sale on approximately eight more properties in the latter part of this year or the very first part of next year. For individuals to avoid the substantial extra costs, the embarrassment and the loss of their property through a tax sale, the City strongly encourages all taxpayers to pay off any delinquent taxes that may be due. The timely payment of delinquent taxes can generate the revenues needed to operate the City and help prevent tax increases.

Cisco ISD Sets Property Tax Rates

A tax rate of .81 per \$100 was set for property owners of the Cisco Independent School District for 1987 at the monthly meeting of the board of trustees Monday night. The rate for the coming year is the same as that used for 1986, according to Supt. Ray Saunders.

The 81-cent rate will provide 5.17 cents per \$100 to service the school's bonded indebtedness, and 75.83 cents will go into the school's maintenance fund, Mr. Saunders said.

The board set Sept. 17th as the date for an official acceptance inspection of the new Intermediate School building that is nearing completion. Thompson Construc-

tion Company had asked that the date be set for the inspection. Mr. Saunders said board members, the architect and school officials would conduct the inspection.

The board approved a Thompson request that 23 days be deducted from his contract due to bad weather. This, it was reported, would allow the firm to complete the building under terms of the contract without penalty.

Mr. Saunders said "we hope to be in the new building by Oct. 1." The board approved building wooden lockers for use by students in part of the new building.

In other action, the board

approved employment of a sniffer dog for monthly visits to check automobiles and lockers on and near the campus for drugs. The service, which was used last year, costs \$150 per month, and this will be paid by Parents Against Dangerous Drugs, a county-wide organization, Mr. Saunders said. The dog will be brought to the campus unannounced once a month, he added.

The board policy regarding a new state education agency requirement for appraising the work of faculty members was approved as required by the new state law.

The fee for Driver's Education was raised \$35 to

\$100 for the semester course. Mr. Saunders said state requirements have been raised, necessitating the fee increase. Jimmy Yowell is the school's driver's education instructor and some 35 students are enrolled.

Mrs. Susan Riggs of Cisco was employed as an English and drama teacher to relieve a crowded condition in the high school, Mr. Saunders said. She formerly taught here and had been serving as a substitute teacher. She is a graduate of Tarleton State University.

Mr. Saunders said the drama class was new this year and was added to meet state requirements. He said Mrs. Riggs' employment

would not increase the size of the faculty as Coach Jerry Reeves resigned last summer and was not replaced.

The board decided to wait until the October meeting to discuss adding baseball as a school competitive sport.

Other routine matters were handled. All members of the board were present.

Kingdom Kids To

Resume Sept. 16

Kingdom Kids I & II, a unique interdenominational effort to lead boys and girls of the Cisco area into a growing relationship with Jesus Christ, will begin its seventh year of sessions on Tuesday, Sept. 16, 1986.

Attendance at Kingdom Kids involves singing, Bible stories with application, sharing time, snacks and recreation, crafts, and special features such as films and guest speakers.

Location for Kingdom Kids I will be First United Methodist Church, with children from 4 years through third grade. School-age children will be picked up after school by a church van, with the sessions running from 2:30 p.m. until 4 p.m. on Tuesdays, following the same pattern for holidays as the public schools. Parents of KK I are asked to come inside the building to pick up their children at the close of the sessions.

Location for KK II will be Calvary Baptist Church, involving boys and girls from fourth through sixth grades. A Church bus will pick up the students at school at 3:30 p.m. with sessions continuing until 5 p.m. Parents are requested to provide transportation for the children at the close of the sessions. Prompt pickup is encouraged.

Registration forms and permission slips are available at Songs & Psalms Bible Book Store. Any questions you have regarding the program may be addressed to Mrs. Helen Hounshell at 442-1590 or Calvary Baptist Church office at 442-2183.

CJC Trustees Set Tax Rate

The 1987 tax rate was set, an employee handbook was approved and an enrollment report for the new school year was made to the board of regents of Cisco Junior College at their monthly business meeting Monday night.

Dr. Henry E. McCullough, college president, said the board set the 1987 tax rate at 20 cents per \$100 valuation—the same as in 1986. With

taxes going up elsewhere, the board decided to "make do" with the same rate as last year, Dr. McCullough said.

The new employee handbook spells out what is expected of employees and what they can expect, the president said.

Although enrollment will continue through Sept. 10th, the student body for 1986-87 apparently will number

slightly fewer than last year, the report showed. There were 575 students on the Cisco campus as compared with 590 last year. The Clyde and Abilene campuses had enrolled 864 students, down from the peak of 1,001 last year. Total enrollment as of Sept. 5th was 1,439.

Eris Ritchie and Mike Moore of the Conrad Hilton Memorial Park and Community Center board ap-

peared at the meeting and asked the regents to pay the utility bills for the Mobley Hotel during the months of April through September each year for use of the building by the dinner theatre. Regents agreed to their request.

The old house owned by the college near the College Hill entrance will be moved by Albert Smith of Brownwood for the building, it was reported. The college had advertised the old residence for sale several times without a bidder. Smith agreed to move it and clean off the lot without cost to the college, Dr. McCullough reported.

Dr. McCullough made his annual report to the regents on activities of the college during the past year.

Vice President Ralph Glenn submitted the final financial statement for the 1985-86 school year, and it showed that the school had a satisfactory year, Dr. McCullough said.

The resignation of two employees were accepted. Jay Maples resigned as maintenance supervisor, and Mrs. Leslie Zander resigned as a clerk in the executive offices. Both quit for better jobs, it was reported. Dr. McCullough said neither would be replaced at this time.

Other routine matters were transacted.

Wranglers To Play In Cisco Saturday

The Wranglers of Cisco Junior College, who scored an impressive 42-0-0 victory over Panhandle State University's junior varsity in their season's opening football game last Thursday night, will play Blinn JC of Brenham at Gatesville at 7:30 p.m. Saturday.

Members of the Wrangler squad, who went through the Oklahoma game without injuries, began preparations for this week's contest at the CJC practice field Monday. Plans called for longworkouts through Friday, Coach Rick Frazier reported.

The Wrangler starting lineups at Gatesville, where the game is being sponsored by the high school, will probably have David Dacus at quarterback, Todd Akers at fullback, and James Dixon and Darrell Grant at running backs. Randy Moon and Joe Huff are due to start at ends with Fernando Gonzales at center, Steve Razo and Gregg Taylor at guards, and Mark Lozano and Reggie Roberts at tackles.

Defensive starters are expected to include Frank Habcker and Rodney Dolgener, tackles; San Dudley and Jay Bomer, ends; John Langelotti, Derek Crewe and David Dox, linebackers; Mark White and Horace Mack, secondary; and Anthony Curlee and Lance Wilcey, cornerbacks.

The Wranglers are expecting a tougher game at

Gatesville. Blinn held Tyler JC, regarded as one of the state's strongest junior college teams, to only two touchdowns in losing 14-0 last Saturday night in Tyler.

The Oklahoma victory, first road win for Cisco in two years, set several records for CJC. The team's 473 yards total offense was a new record and the minus 10 yards scored by Panhandle was a record for the Wrangler defense.

Cisco had 20 first downs to three for Panhandle. The Wranglers carried 28 times on rushing plays for 162 yards, while Panhandle had a minus 28 yards rushing. Cisco passed 32 times with 22 completions for 311 yards while three of 11 passes netted 18 yards for Panhandle.

CJC Punter Eric Edwards was called on twice and he averaged 43 yards. He and Bobby Dino converted after all touchdowns.

QB David Dacus passed 20 times for 14 completions and 182 yards. He had three touchdown tosses. QB James Darby completed five of seven passes for 89 yards and one touchdown, and QB Pike Martin had three completions in five tosses for 40 yards and one touchdown.

James Dixon, running back, carried 10 times for 84 yards and one touchdown, and Todd Akers did a good

Loboes To Play Merkel Friday

The Cisco Lobo Varsity football team was defeated by the Anson Tigers last Friday with a score of 7-0-6. The Loboes are scheduled to play Merkel here next Friday night with the game beginning at 8:00 p.m.

Cisco received the kick off by winning the toss before the game. Cisco's captains were Shelby Nixon and Steve Abbott. Captains from the Anson team were Don Barron, Rubin Galvar and Brooks Hagler.

Steve Abbott caught the kick off and ran to the 37 yard line. Roy Boykin carried the ball in the next play and carried it 4 yards. Jeff Thomas from Anson broke through and tackled Shelby Nixon and Cisco lost 3 yards.

Anson received the punt from Cisco's Brian Wagon at the 17 yard line and ran to the 25 yard line in their first play. A penalty against the Loboes, a personal foul, gave the Anson Tigers a 15 yard gain and a first down. Two plays later Cisco received another 15 yard penalty for a face mask.

Cisco kept the Tigers from making a touchdown while Anson pushed on down the field. Cisco regained the ball on the 1 yard line with 3:51 left in the first quarter.

After 3 plays with the Loboes pushing 4 yards, Brian Wagon, kicked the ball to the Tigers at Cisco's 40 yard line.

In the second play Anson's Eddie Willanueva, broke

through the Cisco line and ran 26 yards before he was tackled by Roy Boykin. At the end of the first quarter the Anson Tigers were 3 and 9 when they switched goals. They called a time out after the next play and decided to try to make the 4th down but were unsuccessful.

Cisco took over the ball on Anson's 31 yard line. Joe Flores, carried the ball to make 3 yards. Brian Wagon carried the ball and made 6 yards for Cisco but in the next play Shelby Nixon kept the ball, and was tackled by Anson's George Ramos. The ball then went over to Anson on the 18 yard line.

Anson pushed the ball to the 11 yard line and on the 4th down quarterback Ramos threw an incomplete pass for the Loboes to take over the ball on the 11 yard line.

In the first play Brian Wagon pushed through and made 6 yards before he was tackled, but Cisco received a 5 yard penalty for off sides on the next play. An incomplete pass to Kody Wallace caused the Loboes to kick off to Anson.

They received the ball on their 38 yard line. The Tigers were penalized 5 yards for off sides on their first play. They threw an incomplete pass and then Cisco's Tim Rains and Gordon Davis sacked the quarterback on

Plans Being Made For Annual Parade

Plans are being made for the Cisco High School Homecoming Parade which will be held Friday, Oct. 3, CHS Principal Jack Martin has announced.

In an effort to make this the biggest and best homecoming parade ever held in Cisco, Mr. Martin has issued invitations to all service clubs, riding clubs, anti-

que car owners, bands, marching groups, and others to enter the parade by contacting him or Fran Justice at the high school. He also invited former CHS classes for participate in the parade. Prizes will be awarded.

The Loboes will play Albany at Chesley Field that night in the annual homecoming game.

The public has been invited to attend the pep rally at 3 p.m. next Friday in the CHS auditorium to show support for the Loboes. The Loboes play Merkel Friday night here.

Six Flags Begins 1986 Fall Season

Arlington Texas - Six Flags Over Texas began its 25th anniversary fall season, Saturday, September 6.

The Arlington theme park will be open on Saturday and Sunday only through November 2.

During the spring and summer seasons, Six Flags welcomed some two and a quarter million visitors from throughout the world.

General Manager Bob Bennett characterized the first two-thirds of the season as, "outstanding." "After being rained out for seven weekends in the spring, attendance picked up steadily," he said. "Going into the fall season we find ourselves

within one percentage point of last year's figures. That's outstanding."

During September, Six Flags will be open Saturdays from 10 a.m. until 10 p.m. and Sundays from 10 a.m. until 8 p.m. In October, hours on both days will be 10 a.m. until 8 p.m.

The park will be closed the first three weeks of November as it is transformed into a winter wonderland for the second annual Holiday In The Park festival. It begins the day after Thanksgiving.

Last year the event, with its elaborate Christmas decorations and shows, drew more than 100,000 guests.

Rebekah Sunday School Class

The Rebekah Sunday School Class of East Cisco Baptist Church held its regular quarterly social and business meeting Monday, Aug. 8, 1986, at 7 p.m. in the Educational Building of the church.

The hostesses were Marie Ivie, Bonnie Ervin, and Christine Moran. On arriving the members were asked to set down to an attractively decorated table and partake of such goodies as ice cream, brownies, coconut cake, bundt cake, ice tea, nuts and mints.

After the meal, Omalee Holdridge presided at the business meeting.

Electing officers for another year was the first order of business. The officers elected were: teacher, Marie Ivie; president, Billie Boothe; vice president, Bonnie Ervin; secretary-treasurer and Sunshine Girl, Leona Morton; activities chairpersons, Omalee Holdridge and Doris Crutchfield; outreach leader, Billie Boothe; scrapbook chairperson, Clara Hallmark; reporter, Jewel Kinard; group captains, Group 1, Clara Hallmark; Group 2, Christine Moran.

The next order of business was changing or amending three parts of class by-laws: 1. Changing the amount to be spent on gift to hospitalized member from \$10.00 to \$12.50; 2. Changing the amount to be spent for a pot plant for bereaved member from \$15.00 to \$17.50; 3. To immediate family of mother, father, child, or husband, to add brother and sister.

Those present besides the hostesses were Marie Brock, Omalee Holdridge, Clara

Hallmark, Billie Boothe, and Jewel Kinard.

The class was happy to welcome Billie Boothe, a new class member to her first social with the class.

The request is respectfully made that if there is a death or tragedy in the family of any class member, please call ANY member and ask them to pass the word, if the teacher or president can't be reached.

This reporter would like to apologize to the Rebekah Class and especially to Jean Posey for not getting the last quarterly social written up for the paper. This reporter was ill and by the time she got better the notes had been misplaced. It was a lovely salad supper with Jean Posey as hostess.

New three bedroom dwelling, very roomy and lots of extras, paved street and need to sell.

Two houses sit side by side on paved street, could be commercial or residential property and consider \$9,500.00 for both.

Good solid dwelling, plenty of ground, paved street on West 17th St., you will like it and priced right.

Here it is, two story brick, very good shape, good location at 612 West 7th Street, just what you have been wanting. At a price you can afford.

Large older dwelling in first class shape, good street, need to sell before winter, priced accordingly.

Nice well kept three bedroom on three lots, 22'x22' carport, 120'x22' horse barn, 9-stalls, shop building, good storm cellar, other extras.

Allocation Of Franchise Tax On Banks Reaches Counties

State Comptroller Bob Bullock said on Aug. 28 that checks totaling \$13 million were sent in this year's second allocation of the state's franchise on banks to 2011 local taxing jurisdictions.

In 1984 the Legislature brought banks under the franchise tax for the first time. Receipts were allotted to cities, counties, school districts and other local taxing units where the banks are located.

Banks are taxed at the same rate as other corporations. Previously the bank stocks were subject to local property taxes. The Legislature exempted the stocks from property taxes, substituting the new bank franchise tax. Collections are prorated among local taxing units based on their tax rates.

Most units in this area are showing some gain in 1986. Callahan County is one of them - the County received \$429.13 in this pay period and \$1,657.24 to date in 1986. This compares with \$10,721.98 for the same period in 1985, a gain of 8.72%.

Eastland County received \$350.15 in this pay period. The 1986 payments to date for the county are \$9,532.39, compared to \$8,704.64 for the same period in 1985. This is a gain of \$9.50%.

The City of Baird received \$177.67 net payment this period. The 1986 payments to date are \$4,755.93, compared to \$4,587.50 for the same period in 1985. This is up 3.67%.

The Baird ISD received \$358.28 this time. The 1986 payments to date are \$9,977.09. This compares to \$8,431.07 for the 1985 payments to date. This is an increase of 18.33%.

In Eastland County, the City of Cisco received \$274.14 this pay period. The 1986 payments to date are \$7,865.94, compared to \$6,788.01 for the same pay period in 1985. This is a gain of 15.87%.

The Cisco Hospital District received \$52.60 in the current payment. The 1986 payments to date are \$1,432.98, compared to \$1,305.41, up 9.77%.

The Cisco Independent School District received a

net payment this period of \$412.30 from the tax. The 1986 payments to date are \$11,565.92. This compares to \$9,529.33 for this time in 1985. The gain is 21.37%.

Cisco Junior College fared even better on the Franchise tax. The current payment is \$101.25, and the 1986 payments to date are \$2,854.13. The 1985 payments at this date were \$2,310.52. The gain is 23.52%.

The City of Eastland shows considerable gain in its Franchise receipts. The current net payment is \$258.52, and the 1986 payments to date are \$7,628.25. Last year (1985) the payments were \$5,190.66. The gain is 47.24%.

The Eastland ISD received \$425.19 from the current payment. Payments for 1986 to date are \$11,674.27. This compares to \$10,361.33, a 12.67% increase.

The City of Gorman received \$10.91 from the bank franchise tax this pay period. The 1986 payments to date are \$32.72. The 1985 payments at this date were \$28.81, making a loss of -96.05%.

The Gorman ISD received

a net payment of \$16.23 this pay period. The 1986 payments to date are \$48.69, compared to \$1,233.34 for 1985 to date. This reflects a loss of -96.05%.

The South Eastland County Hospital District, also experienced a loss, according to these figures. The current payment to this unit was \$9.74, and the 1986 payments to date were \$29.22. The 1985 payments at a comparable date were \$740.00. This was a loss of -96.05%.

The City of Ranger received a payment of \$116.16 this period. Payments to date for 1986 are \$3,232.63. This compares to \$2,739.42 for the same date last year. The gain is 18.00%.

The Ranger ISD received \$296.86 for the current period. This makes a total of \$7,996.46 in 1986 payments to date. The gain is 5.77%.

Payments to the Ranger Hospital District for this period total \$34.57. The 1986 payments to date are \$939.71. In 1985 payments to this date were \$862.73. The gain is 8.92%.

Ranger Junior College received \$59.96 as a net pay-

ment for the current period. The 1986 payments to date are \$1,601.04. This compares to the 1985 payments to date of \$1,556.48. The totals show a gain of 2.86%.

In Rising Star the current payment to the city is \$126.52, and 1986 payments to date \$3,348.33. The 1985 payments for the same date were \$3,348.15. No change is posted.

The Rising Star ISD total-ed some gain for 1986, however. The current payment was \$238.85, and the 1986 payments to date \$6,760.14. The 1985 payments to the same date were \$5,394.25. This would make the current year's gain for the Rising Star ISD 25.32%.

Diet Corner

When Time Is Of The Essence

Few people realize how detrimental our hectic life styles can be to a well-balanced diet. A little planning and preparation, however can eliminate a dependence upon fast-food restaurants, TV dinners, and high-calorie snacking. Plan for the entire week, including foods from all four food groups. Prepare foods ahead of time whenever possible. Keep in mind that those complicated sauces

and gravies are not only time consuming, but are also high in calories. Keep plenty of fresh fruits, such as oranges, apples and grapefruit available for a quick pick-me-up. Concentrate on foods high in fiber and low in refined sugars, such as whole grain crackers, fresh vegetables and fruits, and low-fat, high-protein meats. These foods will provide you with the most "staying power" and prevent inbetween-meal munchies.

Pleasant Hill Community

LIFE-GIVING EXAMPLES

—but be thou an example of the believers, in word, in conversation, in charity, in spirit, in faith, in purity (1 Timothy 4:12).

One of the greatest hindrances to the cause of Christ Jesus is a lukewarm Christian. He has nothing to give and he feeds no one. Jesus tells us in Revelation 2:16: "So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth." Jesus is saying, "It is not what people say that bears the most weight, but it is the lives they live."

John 21:15-19, gives us an account of the Lord Jesus as he put Peter through the true test of Peter's love for him. Jesus and His disciples had just finished breakfast. Jesus turned to Peter and said, "Simon, son of Jonas, do you love me more than these?" Peter answered, "Yes, Lord, You know that I love you."

The second time Jesus asked Peter, "Simon, son of Jonas, do you love me more than these?" Peter answered, "Yes, Lord, you know that I love you." Jesus said to him, "Feed my sheep."

Jesus then asked Peter the third time, "Simon, son of Jonas, do you love me?"

Dorothy Miller, and Oneida England.

Full military rites were held at Edwards Funeral Home in Ranger at 11:00 a.m. on Tuesday, Sept. 9, 1986. Mr. Butler was buried at Evergreen Cemetery in Ranger.

Peter was grieved because Jesus asked him the third time. He told Him, "Lord, you know all things; you know that I love you." Jesus said, "Feed my sheep."

Why did Jesus ask Peter this question so often? Peter was attempting to tell Peter and His followers that not only should they share the gospel with others, but that there was more to it than that. Peter had denied Jesus when He carried the cross to the Hill of Golgatha. Jesus wanted Peter to understand that his denial of Him took something out of his brethren. It shook them to see this. "Now Peter", he told him let you love for me be such that it will feed their love for me. Let it feed their hope and their needs."

Friend, we love others by loving Jesus with all our heart. It is the example of love that holy men and women have toward God that affects others. Some Christians leave others empty and dry. When you love Him, His love becomes a beacon of light and hope to others. It is His love within you that is a life-giving example.

"Our Father, help us to show others by our behavior that we totally love you. We desire to be a life-giving example. Amen."

SEEDS FROM THE SOWER

By Michael A. Guido, Metter, Georgia

The United States Government paid two cents per acre for Alaska, and twenty-seven cents per acre for the Philippines.

Good bargains? Indeed! But I have something better—and you may have it—a clear title to a place that does not cost anything.

It is a healthy country. It is a place without disease or death. Neither are there any ailments or afflictions. Everyone is hale and hearty.

It is a happy country. It is a place without troubles and tears. No one will ever have a worry or a woe.

Distress and disappointment will not be known there.

It is a holy country. It is a place without satan and sin, without temptations and tempters, without war and wickedness.

It is a homey country. The Donor said, "In My Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you."

Care to come? Then receive the Lord Jesus as your Saviour. And He promises, "I will receive you unto Myself."

AUXILIARY NEWS

The president of the American Legion Auxiliary, Mildred Smith, called the meeting to order for the regular meeting of the month on Monday night, Sept. 1.

The Chaplain, Mae Delle Jones, led the opening prayer. The group repeated the Pledge to the Flag and the Preamble to the Constitution in unison.

The minutes of the previous meeting were approved as read and the financial report was given.

The group voted to not sell pies and cakes at the next flea market.

The fall convention for the Legion and Auxiliary members will be held in Weatherford on October 4-5. Mildred Smith and Lucille Forbess will represent the Moran Auxiliary unit as delegates to the convention.

Get well and sympathy cards had been sent to the ill and bereaved.

The 1987 dues are due and are being collected.

The chaplain led the group

the armed forces.

Melanie Mitchell and Melissa Johnson have gone to Bryan where they are enrolled in A&M University.

RAIN

Moran and community have received some much needed rain. About an inch has been received so far, and it is hoped that we receive some more.

here (for 7 - 10 years); 4) legalized work entry system. He stated the immigration problem is a vast one.

Stenholm has been a member of our Congress for 7½ years. Due to the Seniority factor, next year he will

be eligible for a sub-committee chairmanship on Agriculture. This year he was chairman of the Small Business Committee of the Energy and Job Safety Committee. He said that by being chairman, you are able to do more since you have control

of that committee. The speech given by Congressman Stenholm was very interesting and also very informative. He was able to give everyone present a better understanding of a few of the problems we face now, the efforts being made to solve those problems, and his opinions of the Bills and Reforms that Congress will be facing.

Stenholm is a very well liked and respected man in this District, and we do hope he will come back to this area soon.

Ranger Lions Have A Special Guest

By Joyce Duggan

The Ranger Lions Club met for their regularly scheduled meeting on Thursday, September 4, 1986. There were 25 members and 10 guests present.

A delicious meal, prepared by Jewel Battles, was enjoyed by all.

Special guest speaker for the meeting was Charles Stenholm, Congressman of the 17th Texas District.

Congressman Stenholm has been traveling his district, which consists of 14 counties. He said that when he travels, he gets the chance to speak to the people and learn all the problems involved in oil field, agriculture, rural America, etc.

Stenholm discussed some of the things that are happening in Congress now. They will work next week on the "Drug Bill" in the House, and that they do concentrate a major effort from federal levels to local levels on the war on drugs. He said they are doing whatever they can to slow down the amount of drugs that our young people are exposed to, and that all of us as a population are exposed to.

The Tax Reform Bill is also an important item on the agenda for Congress. Stenholm took a poll of the people present as to their reaction to the current Tax Reform Bill as it stands now. He said he is undecided, with a tendency against it, because of the concern of trade deficits, and the inability of American business to compete in the world market as it is today. He said he seriously questions whether or not it would be a good move for us to increase taxes on business and then reshuffle that money to individuals, instead of applying it to the national debt. He said that our economy is not strong, and he just doesn't know how much more our economy can stand right now.

Stenholm said he knows the oil patch is in a depression, from one end of his district to the other, with so many people out of work. We also have serious problems in agriculture and in the Farm Credit System.

He said you can't have a major industry sick and have anybody else prosper. He said that the economists previously felt that lower oil prices would put the United States back on its feet, and it hasn't happened. He feels bad toward our dependency on Saudi Arabia for oil.

Stenholm said he would end this subject with a question: "Is it in America's best interest to permit a country as small and insignificant in the world picture as the Saudi Arabians are to have that much control on the United States of American and Security?" He "thinks not".

Stenholm feels that their have been great cuts in expenditures and there is probably room for more. However, he does feel that we cannot make a cut in our help to the elderly. He also feels a big problem is our decrease in revenue.

Area News Briefs

CISCO
Unless heavy rains provide a substantial amount of new water at Lake Cisco soon, the City Council will consider implementing new water conservation efforts. The council is reported to have two choices: raise rates to discourage use of excess water, or order mandatory rationing. Lake Cisco has four "in-take" valves that allow water to flow by gravity from the lake to the water filtration plant. City Manager Mike Moore reports that two of the valves are now out of water and one is covered with silt and mud. That leaves only one open to serve the city's water needs. Rains during the past few days have missed Lake Cisco and its water shed.

Interested citizens are meeting this week to work out details of a Farmer's Market for Cisco. A location is being considered, as well as the number of people interested in selling produce at the facility. It looks like a good possibility, and should draw trade from around the area.

The Biblical Studies Center at Cisco Junior College is offering a ten-week, non-credit Bible course on "The Minor Prophets of the Old Testament". The class began Monday, Sept. 8, and classes will continue each Monday evening from 7 to 9 p.m. Instructor will be Dr. Henry Speck, Jr. a professor of Bible at Abilene Christian University. The course will feature a different topic each week. The class will be informal, and there will be no tests, special requirements or assignments. The lessons are considered helpful to scholars and non-scholars

alike, and everyone is welcome.

Oma Mae Hughes of Carbon, has been named Artist of the Month for September at the First National Bank of Cisco. The work being exhibited at the bank is Still Life, including florals. Mrs. Hughes has been painting for about six years, after retiring from teaching. She taught school for 28 years in all - in Eastland, Carbon, Desdemona, Pyote, Olden and other Texas schools. She is married to Jimmy Hughes, who is also retired from teaching. One Hughes son, Ronnie, is the Head Football Coach at Eastland High, and another, Donald, is the Junior High School Principal in Eastland.

EASTLAND
Richard Farmer, a 15-year-old Eastland boy won Positron, a yearling registered Arabian gelding, as the prize in an Arabian House Club Essay Contest. The presentation was made last Sunday during the Arabian Horse Show at the West Texas fair. The winning essay included a three-page poem expressing Richard's desire to own and care for the horse and his appreciation of the animal. He included history of the Arabian breed.

Reward money offered for information regarding burglaries in Eastland has been doubled by the Eastland Crime Tips Committee. It now stands at \$2,000. This amount will be paid in cash for information leading to the arrest and indictment of persons connected with the recent rash of burglaries in Eastland. The Eastland Crime Tip numbers are 629-3161 days,

and 629-3182 nights. Tipsters may remain anonymous and still claim the reward money.

The Lake Leon Bass Tournament will be Sunday, September 14, with headquarters at Chock-O-Block. You may register on Saturday, September 13 or Sunday, September 14 from 5 a.m. to 7 a.m. Entry fee will be \$20 per contestant, with a \$5 optional Big Bass pot. Cash and merchandise totaling over \$1,700 will be awarded to Open Division winners, with an additional \$700 to Junior Division entries. Come out and join the fun!

Officials at Pat Maynard Real Estate Co. have announced that the firm will remain in business. Founder Pat Maynard died last week, and was buried in Eastland Tuesday. The officials from the company expressed appreciation for the many kindnesses shown during the illness and passing of Mrs. Maynard.

The Eastland County Fair

Association is scheduled to meet Thursday, September 11, at 7:30 p.m. in the Eastland Chamber of Commerce office. All interested persons are urged to attend the meeting. Craig Lund of the Fair Association brought a request to the Commissioners Court on Monday, September 8, for the use of some of the Courthouse facilities during the day of the Fair, October 4.

BAIRD
The 1986 Baird High School Ex-Students Association officers extend a special invitation to all exes to attend their Homecoming on Saturday, September 20. Invitations have been mailed out to approximately 1,100 out-of-town exes where address were known. It's going to be a big day at the school - make plans to join the group.

RANGER
Congressman Charles Stenholm was the featured speaker for the Ranger Lions Club at their meeting on September 4. There were 25 members and 10 guests present in the Community Clubhouse, and a delicious meal was served to all. Stenholm spoke on various bills in congress and the Texas economy. There was a brief question-and-answer session after his talk. One question of interest was

wether or not he agreed with Vice President George Bush's expressed wish for the death penalty for big-time drug pushers. He said everyone "has his vote for the death penalty."

The Ranger Volunteer Fire Department Ladies Auxiliary wishes to thank the people of Ranger and the surrounding towns who donated nice things for their back-to-school rummage sale. The sale was a great

success. Firemen helped load and unload trailers, set up tables, and Auxiliary members spent hours pricing, sorting and cleaning. The Ranger Times and Eastland Radio stations gave excellent publicity, and Jerry Jackson arranged for the use of the old gym.

Ranger Bulldog fans are considering a plan to help the team ride to the out-of-town games in comfort and style - on a Greyhound bus!

Interested persons who want further information may contact Steve Howeth at 647-1871 in Ranger.

St. Rita's Catholic Church in Ranger is preparing for its fall RCIA (Rite of Christian Initiation of Adults) Program, scheduled to begin in October. This program is for adults who are interested in learning about the Catholic faith and/or becoming a member of the Catholic

Church. The RCIA Program takes the candidates through well defined states during their preparation. Classes begin on October 9, and all sessions will be held Thursday evenings from 7:30 to 9 p.m. in St. Rita's Church Hall. If you are interested you can call Fr. Jim Miller or come by the rectory at 1109 Blackwell Rd. in Ranger.

PUBLIC NOTICE BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOVEMBER 4, 1986

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 15 proposes a constitutional amendment that would permit the legislature to provide by general law for the apportionment of the value of railroad rolling stock among the counties in which the property of the railroad is located for purposes of property taxation, and would delete the requirement that the Comptroller participate in making the allocation. To comply with both statutory and constitutional law, the apportionment currently is being made by the State Property Tax Board in conjunction with the Comptroller.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to allow the legislature to provide by general law for the apportionment of the value of railroad rolling stock among counties for purposes of property taxation."

PROPOSITION NO. 2 ON THE BALLOT

Senate Joint Resolution 33 proposes a constitutional amendment that would replace the constitutional requirement that the subject of a bill be expressed in its title with a mandate that each house of the legislature adopt rules of procedure that would require the subject of each bill to be expressed in its title in a manner that gives the legislature and the public reasonable notice of that subject. Determining compliance with the rule would be the responsibility of the legislature. Cur-

rently, a law is invalidated if a court finds its caption is defective. The amendment would provide that past and future enactments may not be held void on the basis of an insufficient title.

The amendment also would eliminate the suggestion that the state's laws be revised every ten years, and instead would provide for continuing revision of state laws.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment requiring each house to include in its rules of procedure a rule that each bill contain a title expressing the bill's subject, and providing for the continuing revision of state laws."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 73 proposes a constitutional amendment that would permit the Legislature to authorize any county, city, town, or other political subdivision to use public funds or credit to pay insurance premiums on nonassessable life, health, or accident policies. Due to the prohibition in the constitution against the lending of credit and granting of public money, political subdivisions currently are prohibited from becoming shareholders in associations such as mutual-insurance companies, in which policyholders are shareholders. A nonassessable mutual insurance policy does not allow a company to raise capital by assessing the policyholder an extra amount on a pre-

mium. This amendment will allow mutual insurance companies and stock companies to bid for life and health group policies of political subdivisions. Public liability will be limited to the payment of premiums specified in the contract.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment allowing political subdivisions the opportunity to engage in and transact business with authorized mutual insurance companies in the same manner as with other insurance companies."

PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 4 proposes a constitutional amendment that would repeal the prohibition against branch banking by state banks and would allow state banks and national banks domiciled in this state to establish and operate banking facilities at locations within the county or city where they are domiciled. The amendment would also authorize the Legislature to permit a state bank or a national bank domiciled in this state to engage in business at more than one place if it acquires a failed state bank or national bank domiciled in this state.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to provide that a bank may offer full service banking at more than one location within the city or county where its principal facility is located, subject to limitations and restrictions provided by law."

Estos son los informes explicatorios sobre las enmiendas propuestas a la constitución que aparecerán en la boleta el día 4 de noviembre de 1986. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llamar al 1/800/252/8683 o por escribir al Secretario de Estado, P.O. Box 12887, Austin, Texas 78711.

Poetic Verses...

There is a true loving story
That's waiting just for you and me
How a Saviour that loves us so much
Came to a world of sin and set us free

For He is patiently waiting
With both arms open wide
Come unto me that's tired and worry
With in my arms you can abide

How can we all reject Him
The One that cares and loves us so
For He gave His all for us
The One we should love and adore

One Day He's coming again
In all his power and glory
Will you meet with Him on high
Or will it be the end of the story.
Bob Harbin

THANK YOU

CARD OF THANKS
Words cannot express our love and appreciation for everyone who showed so many acts of kindness during the illness and death of our precious Mama, Bertha Jesse.
We thank you so much for your visits, calls, flowers and food, especially for your prayers.

We are so grateful for the ones who took part in the beautiful service - Rev. Dwaine Clower and Rev. J.J. Fox for the beautiful words spoken about Mama and the message that was revealed to everyone and touched the heart of all who were present.

To the ones who played and sang the beautiful songs for her - Joyca Dennis, Rev. and Mrs. J.J. Fox and Flo Clark - we say God bless you.

We sincerely appreciate the nurses at the emergency room of Eastland hospital and Dr. Oswalt for their sincere efforts and words of comfort.

Also we are very grateful to W.D. (Scooter) Culpopper and Mrs. Wilcoxon and staff at Bakker Funeral Home for their tremendous part in having such a beautiful service.

May God bless each and everyone of you is our prayer.

In Memory of Bertha Jesse...

WHEN MAMA WENT HOME

The other night in our little home Our Mother moved, you see. But only for a little while It is God's plan. It has to be.

I see her smiling face and hear her calling me. Don't worry about my moving children! Daddys was waiting, you see.

You see Daddy has been gone a long, long time And it was lonely here for me I know you did your very best But he was part of me.

You see Jesus made a way for us, A long, long time ago For all our family to move from here To a better place, you know.

A mansion He prepared for us Beyond this Veil of tears A City of Light with Streets of Gold A place where - are no fears.

Daddy was waiting when I got home, And Jesus took me in. I know you'd love to see it, too. And I know you will, but When?

Oh yes! I forgot to tell you of others I've seen up here. A lot of friends and loved

ones, Yes, and those who are so dear.

I have not time to tell you Of all the others you know. But Daddy and I are waiting. For there are other things to show.

The River of Life is one thing And the trees which are planted there. The birds singing in the branches The fruit for the tribes, they bear.

I could go on now Children and tell you. Of things that are to be. But God has written His Bible For you to search the Scriptures you see.

And within my Bible you will find the Road— That leads to Daddy and Me. And standing in the door of our Mansion We will be waiting and longing to see

So Children, Take care of Each Other!

Be Sure to Read This One...

...if you are interested in buying real estate soon or at any time in the future. Buying good titles is just as important as buying good food or good medicine. Yet some people have spent their life-time savings for a farm or city property with little or no thought about the title. Of course, they will learn better later, but why not avoid the pitfalls and expense of poor judgement by getting an abstract or title insurance policy first and buying the property later?

Annual Book Fair

To Be October 2-3

The E.L. Graham Memorial Hospital Auxiliary will have its annual Book Fair on October 2nd and 3rd.

Before there can be a fair, there must be books available to sell.

Please gather up your used books and take them to Thrift Mart or Quickway grocery.

Mothers, after your children are back in school, why not go through their col-

lection of books and give some to the auxiliary to be sold at their fair. We do desperately need children's books.

If you have books to donate and you have no way of getting them to us, please call Mary Austin at 442-2006 or Thelma Smith at 442-1664 and either one will be glad to pick up the books.

Cisco Representatives At West Texas Fair Win

The FFA Chapter was proudly represented in the West Texas Fair Breeding Sheep Show and Steer Show Saturday September 6th.

The morning started off with the Rambouillet Breeding sheep show. In the class of yearling ewes Leslie Allen placed 7th and 8th, Philip Allen places 9th and 10th. In the Hampshire breeding sheep sheep James Ledbetter places his ram lamb 2nd. James came back in the ewe lamb class to place a 2nd and 5th, in the pair of ewe lambs James places a 3rd.

Saturday afternoon Kelli

Whatley showed her Southdown Breeding sheep. Kelli places 1st with her yearling ram and came back to win Grand Champion Ram. In the ewe lamb class Kelli places a 1st, 2nd, and 3rd. Kelli came back to win Champion Ewe Lamb. Kelli's pair of ewe lambs places 1st.

Saturday night Chris Ledbetter stepped into the show ring with his steer. Chris was showing his short horn steer in the English Breed Division. Chris places 2nd with his steer.

That is how Cisco FFA wrapped up Saturday at the West Texas Fair and Rodio.

A Special Book For A Special Occasion

By VIOLA PAYNE

Every big event needs a good book to tell about it—and the restoration of the Mobley-Hilton Hotel in Cisco is no exception. It is only fitting that the history leading to this occasion be presented by Lela Latch Lloyd, who has been a part of Cisco since her youth.

Her volume, "Cisco, Cradle of Hilton's Empire," is out just in time for the opening of the Conrad Hilton Memorial Park and Community Center. It is a handsome, 100 page book, divided into nine chapters. The cover is rose-beige, with a contrast of dark brown lettering. There are numerous photographs in the book, a Bibliography, and extensive footnotes.

Mrs. Lloyd, teacher, author and humanitarian, has poured a lot of dedication into this volume. There was also much local interest in her project, and many citizens brought bits of information to her which had not been assembled in one place before. The arranging of these facts help make the book interesting.

Her own comment about the Conrad Hilton Memorial Park and Community Center as a "Shrine that has revived our past and will enrich our future" expresses the real significance of the panorama.

Besides her interviews with individuals, Mrs. Lloyd also went to courthouse records and other sources and brought up unpublished facts and records. Yet the book dwells not only on Conrad Hilton, who became a

rich and powerful man, but also on the part the Mobley-Hilton played in the lives of people who stayed in Cisco.

Certainly some of the heroes of the book are contemporary ones, including the seven members of the Restoration Committee. Their responsibilities have been considerable, and this book gives just recognition for their services.

The first chapter of the book, called "Connie Comes to Cisco", won the Texas Sesquicentennial Award in the Abilene Writer's Guild Contest before the book was published. "The story of Conrad Hilton's entry into the hotel business by chance proves fascinating as told by this writer," stated Dick Tarpley, Contest Judge and former editor of the Abilene Reporter-News. "This is an early Twentieth Century story of life in West Texas, and I found it exciting, believable, and extremely well-written."

A recent letter from Baron Hilton, one of the sons of the late Conrad Hilton, praises the book highly. "It makes for fascinating reading," he says. "You have captured my father's spirit."

He also praises the spirit and determination of the Cisco people who have brought the Restoration Project to completion. "The Hilton Family and the Hilton Heritage Foundation are delighted to be partners," he says.

Mrs. Lloyd's book will be presented in various reviews and receptions around the area. The dates will be announced as finalized.

Putnam News

By Mrs. R.B. Taylor

Despite the fact that Putnam has received little rain, we have wonderful weather. The temperature from the 60s to the 80s. Do not have to run air conditioners as much. We have only had a little over 1/4 inch rain. But we keep thinking our time is coming. We are just thankful for the rains else where.

Our neighbor Mrs. Fred Graham who has been a patient at Cisco Hospital for a week entered Cisco nursing home (Canterbury Villa) this week. We hope you recuperate real soon Mrs. Graham and will be able to return to your home here, we miss you.

We have been awakened every morning by the yellow school bus, picking up the neighbor kids - an old school teacher is like an old race horse, when we hear the bell ringing we want to get into the race!

Dale Weeks and a friend from Arlington visited his uncle the G.W. Weeks recently. G.W. Weeks celebrated a birthday the 4th of Sept., he says its the 39th!! Margie took him to dinner at an Abilene Cafe, she also baked a cake for him!

Mrs. Nina Lee Burns and Miss Cathryn Ivie have accepted teaching positions with the Poteet Schools. They will be missed here.

The Ray Maxwell family spent the Labor Day Weekend visiting with Judy's brother, Wyndell LaFlore and family at Slaton.

Visiting Mrs. R.B. Taylor last Sunday were several of her family, Bill and Dorothy Taylor, from Weatherford; Gary and Jeanie, Michelle, Aaron and Mandy of Shreveport La., Mrs. Bobbie Taylor and Brent Taylor of Snyder. Tom and Cheryl Lemmons and Heather of

Abilene; Homer Taylor, Barry, Cathleen Shannon and Brandon of Sweetwater. The nice thing about it was, they brought the dinner, along with a birthday cake. It wasn't large enough for all the candles, so they left them off!

The James Isenhower family of Coleman visited their parents Ollie Burnam and the John D. Isenhowers over the week end.

Marie and Bill Lewis went to Abilene Tuesday evening. Their bowling league has begun a new season. The Lewis' also spent Friday at Dallas.

Our Sympathy goes to Mrs. Mary Jane Whitt, who lives in the house belonging to the school, she lost her father Mr. Hill at Albany this week.

Visiting the Bill Feeleys this week have been Mr. and Mrs. Bill Aly of Lewisville and Freda and Elmo Edmunds of Lamesa.

It's still cloudy (Friday), so pray for rain at Putnam!

Lions Club To

Sell Program

Advertising

Plans to sell advertising for the official program at the annual Lions Benefit Bowl football game on Nov. 15th in Breckenridge between Cisco and Ranger junior colleges were made by the Cisco Lions Club at their weekly luncheon last Wednesday noon.

Chairman Ivan Webb assigned club members to sales areas and asked them to complete their work by Sept. 26th.

All money that the club takes in for program advertising will remain in the Cisco club's treasury for use in crippled children's work and to finance local club projects, Mr. Webb reported.

Ad prices will be the same as last year, Lions were told. The programs will list the players of both schools and contain other information about the game and the benefit project, the speaker said. Game tickets will go on sale in about two weeks.

Picture slides made at Lake Cisco Park, showing the swimming pool in the 1960s, were shown by Lion Roy Dennis as the program feature. He noted that the City Council recently appointed a committee to study plans for restoring the Lake Cisco Park and, perhaps, part of the pool and his program included a report on the committee's work.

A master plan for development of recreational activities at Lake Cisco was obtained by the Chamber of Commerce some years ago and this is available to the committee, Mr. Dennis said.

Town & Country

Receives \$495.00

For MDA Telethon

The Town & Country Phone Pledge Center in Cisco received \$495.00 in phone pledges Labor Day. We received two from Ranger, seven from Eastland, and 26 from Cisco. All the events held in the Cisco store, including the telethon, raised over \$1,500.00 for MDA.

Dale Brown, the manager, would like to say a special thanks to three youngsters, Becky Elliott, Randy Boles, and Billy McGough. These three raised \$144.80 for MDA.

He would also like to thank Southern Cable TV for providing cable to the store for the telethon, Sandra Ridden, the Ghostriders, Dr. Pepper Inc. and all the store employees for their contributions of time and effort in previous events.

A big thank you to all those who contributed money to our cause. We raised more than last year but we will be looking for more next year.

Prescription For Parents

By Joyce Herron

(ED. NOTE: This series of articles is by a private school, parent-oriented educator in Lubbock and coordinated here by Eastlander Claudia Bulgerin, to whom comments and inquiries may be directed at 1800 West Plummer St., Eastland, Tx. 76448.)

My spouse died while my children were still very young. I have met a Christian whom I plan to marry. I will be step parent to 2 children as well as parent to my own 2 children. Do you have suggestions that may help eliminate problems as a step parent?

Prov. 13:10, "Only by pride cometh contention: but with the well advised is wisdom".

Andre Bustanoby in his book, *The Ready-Made Family*, shares some excellent suggestions.

1. Give the children the time they need to adjust, to accept and to belong to a new family system.

2. Do expect the children to have some problems adjusting from single parent to step family situation. Understand this problem but be careful not to over-compensate.

3. Don't try to replace a lost parent. Be an additional figure in their life.

4. Accept the children's feelings of loyalty to the absent parent.

5. Don't expect too much too soon, either from yourself or from the step-child. Step parenting isn't easy.

DO realize you may be compared with the absent

parent. Be prepared to be tested, manipulated and challenged in your new role.

DON'T retreat from the child's challenge. Children need the security of a firm and fair response.

DO back up your spouse on child rearing issues. Rearing children is difficult. Rearing someone else's children is even more difficult.

DO decide, with your mate, what is best for your children and stand by it. It frightens children when they successfully manipulate adults.

DO communicate! Don't pretend everything is fine when it isn't.

ACKNOWLEDGE periods of cooperation among step siblings. Try to treat all of them with equal fairness.

Eastland County Fair

The oil industry may have taken some reverses but the annual celebration in Eastland County that was established to call attention to the county's historic connection with oil, is doing nothing but moving forward. Expansion and elaboration are the key words for the Eastland County Fair and Parade, the Sixth Edition of which will unwind the first week in October, and there's every indication that it will truly be "bigger and better" in every way.

Typical of Texans' ability to "go with the flow," the sponsors make slight revisions and plan for new things. The link between oil and the county is solid, dating back to the first decade of this century, and the countians over the years have seen years of plenty and the opposite, as do their neighbors across the state. A decline is no reason to halt the celebrations, locals contend, as plans are mapped for the Saturday, Oct 4th event this year.

It's a county fair in every sense of the word, with displays and ribbon-seeking entries from very phase of

the county's important agricultural heritage and these are joined by elaborate displays and demonstrations

of arts and crafts skills -- all centrally located around the historic courthouse square in downtown Eastland. The previous five celebrations have drawn visitors from near and far with the easy access of Eastland to Interstate 20 between Abilene and Fort Worth. It's a good weekend get-away for

a lot of urban dwellers who savor the color and excitement of the rural celebrations. Entries are now being accepted at the Eastland Chamber of Commerce. There's always bright pumpkins and ripe pears outside and original photographs and paintings inside the courthouse.

It's a day-long event with the giant parade stepping off at 10 a.m. and running some two hours with miles of bands, pretty girls, floats, antique cars, riding clubs and many surprises. The fair, parade and a day of activities is the paramount event in which every citizen in the county -- from child to elder citizen -- has a

chance to participate. The county is unique in that it boosts six incorporated entities as well as a dozen individual communities, so when the citizens of Cisco, Eastland, Ranger, Rising Star, Gorman, Carbon and their neighbors get together for a celebration, you can know that it will be a fun-time for all.

Operating on the basis that the best fun we have is the fun we create ourselves, the sponsors intentionally control the commercialism, and work hard to provide an opportunity for friends, neighbors and strangers to enjoy a spectacle parade, have lunch under the shade of pecan trees on the courthouse lawn and to admire the horticultural and hand-craft skills of their peers in a day of fun, without wrecking the family budget.

A salute to oil may have started it, but today, it's a salute to good people having a good time together.

State Bill Could Function County Court

The courts system in Eastland County could be changed as the result of legislation which will be considered either in the next regular session or in another called state session if the governor were to open it for additional bills.

That's information gleaned from an informal talk by 91st District Court Judge Jim Wright explaining the judicial system here to members of the Lions Club this week.

State Rep. Jim Parker and State Senator Bob Glasgow will submit a local bill which could provide that Eastland County's County Court handle contested cases. Such is not the case now, and all contested cases (misdemeanors and felonies) now clog the district court.

Judge Wright described how cases are processed through the court here. Cases begin, he said, as arrest investigations, which include all the mandatory search and seizure procedures which also involve probable cause and are filed with the district attorney's office through justices of the peace courts.

Eastland County Court is one of the few in the state which can only process guilty pleas.

Cases are given a file number in the district clerk's office and misdemeanor cases are set for docket call every Friday morning, so all are heard within two weeks in preliminary hearings. Then they are set for trial, following the chronological file numbers either as misdemeanors for such cases once a week a month, or as felonies for such cases another week per month.

Another problem, he pointed out, is the fact that when the court calls some 250 prospective jurors, "we feel fortunate if 50 show up," he said, because of the great number of over-aged and other legal excuses for not serving. We pick all our juries on Mondays, he said, so as to not inconvenience citizens any more than necessary.

And we take the cases in order as the only fair way, he said, unless there are cir-

cumstances such as complying with the speedy trial mandates and other factors.

Citing figures from the court, she showed that on Sept. 1, 1985, there were 1,318 civil cases and 423 criminal cases pending in the 91st Court. Through May 31 of this year, an additional 423 civil cases were added and 322 civil cases disposed of, leaving a civil backlog of 1,419 cases. During the same nine month period, 623 criminal cases were added; 518 disposed of, leaving a backlog of 528 criminal cases. We average about 98 cases a month, he explained.

Touching on "plea bargaining," he said that even though most people disapprove of the system, there'd be no way the courts could handle their loads without it. "I think of plea bargaining as a necessary evil or the lesser of two evils," he said. In neighboring counties, far fewer cases are filed and/or processed, he explained.

Speaking to the often-labeled hand slapping of probation, Judge Wright said that restitution through probations, showed a sum of over \$192,000. during the nine month period; \$31,000. in court costs; and \$151,000. in fines. He also pointed out that over \$40,000.00 in hot checks were collected during that period.

James Wright was program chairman and introduced the speaker. President Ken Parker presided and new member Mike Snowden was formally in-

County Commissioners Adopt County Tax Rate

Eastland County Commissioners, during lengthy meetings Monday, Sept. 8, gave tentative approval to a 22.23 county tax rate, an increase of 1.8 from last year.

This rate is expected to become official at a called meeting Friday, Sept. 12, which will begin in the Commissioner's Courtroom at 10 a.m.

The Commissioners said they hoped to absorb the cost of indigent health care in this tax raise, at least for the fiscal year of 1986-87. County Judge Scott Bailey reported that no Eastland County citizens have yet applied under this program.

During the meeting Judge Bailey also brought up the need for the Commissioners to approve a Resolution to meet Federal Guidelines on bridge repair in the County. There are eight bridges in the county which District Maintenance Supervisor of the State Highway Department listed as unsafe, and others which need load limits posted.

The Commissioners voted to approve the Resolution, and to make all necessary repairs and load limit posting. Bids will be advertised to repair the substandard bridges.

Richard Robinson, Comm. of Pct. 1, brought a request that the County approve a \$15 administrative fee to be added to each Bail Bond, beginning Oct. 1. A Bail Bond Board could administer the regulations and collection.

HAPPY

BIRTHDAY

The children of Sophia Eudy would like to invite all friends and relatives to a celebration of her 90th birthday, Sunday, September 14, from 4 to 6 p.m. at Olney Savings Community Room.

stated from the courtroom that he was agreeable to the idea, but that he did not think a Bail Bond Board was necessary. He said that he could set up "stricter standards than a Bail Bond Board can."

The Commissioners voted that the \$15 fee be paid by bail bondsmen, and be deposited monthly into the Sheriff's fee account.

Craig Lund of the Eastland County Fair Association came before the Court to request the use of the basement and first floor of the Courthouse on Oct. 4 for the county fair. Home crafts and photography exhibits would be set up in these areas. The fair association would pay janitors salaries for the day, he said.

The Commissioners went into considerable detail as to damage to the Courthouse during the 1985 Fair. They and Lund discussed possible solutions to these problems. Commissioners agreed to give the Fair Association an answer by the time of the Association meeting Thursday night.

In other business, the Commissioners approved Constable Gene Hick's request to purchase a new car radio for \$525. Hicks had his car stolen and stripped and his radio destroyed several weeks ago.

The Commissioners voted to advertise for bids to purchase a front end loader and a road maintainer. They also approved a request by Enserch Corp. to cross County Rod. 328 north of Eastland with a six-inch gas gathering pipeline.

During the afternoon meeting the Commissioners approved Sam Justice to begin with Courthouse repairs, which will not exceed \$4500 in cost at the present time. These repairs will be in the southwest corner of the basement, including cracks in the County Agent office.

WTU Customers Will Receive Refunds

West Texas Utilities customers this month are receiving refunds and also paying less for the electricity they use.

The double-barreled relief comes from a continued decline in the company's boiler fuel costs, which by law are passed on to the customers. The company is refunding over \$5 million—an average of about \$11 per customer—in retail revenues collected in excess of actual fuel costs over the past several months. At the same time, the amount charged customers for fuel is being reduced.

The fuel cost refund is the third within about a year to WTU, thanks mainly to the decline in the price of natural gas, WTU's main boiler fuel. A further decline in fuel costs is expected when WTU's new coal-burning Oklaunion Power Station goes on line late this year.

"The cheaper coal should partially offset an an-

& Mineral Holdings

The 1986 appraised value of Eastland County real estate and mineral holdings has been listed as follows:

Mineral interests: \$333,673,800

Real Estate: \$245,629,182

This makes a total of \$579,302,982 appraised value.

Taxes will be levied on this amount. There are two major lawsuits pending against the County Appraisal District on the Mineral Levy, however - one by Valero Corp. and the other by Enserch (Lone Star). The outcome of these cases will have some effect on the amount of taxes which can be collected.

anticipated increase in base rates necessary to pay the plant's construction costs," Don Welch of Abilene, vice president and director of customer services, said.

Welch said the new fuel cost factor, which was set by the Public Utility Commission at WTU's request, brings WTU's standard residential summer rate down below average for investor-owned utilities in Texas.

WTU customer now will pay \$72.59 for 1,000 kilowatt-hours, compared to \$80.01 under the old fuel cost factor, and \$40.55 for 500 kilowatt-hours compared to \$44.26. The average reported by the PUC for eight investor-owned utilities in August was \$76.55 for 1,000 KWh and \$40.72 for 500 KWh.

WTU's average rates for an entire year now are even lower. Including both summer and winter rates, the 12-month average would be \$68.84 for 1,000 KWh and \$38.67 for 500 KWh. The summer rates run from May 1 through October and were established by the PUC to encourage energy conservation during hot weather.

Coal deliveries are now being made to the Oklaunion plant, which is nearing completion eight miles southeast of Vernon. WTU's share of the plant's generation will be

CofC Directors

Hear Committee

Reports

The Chamber of Commerce board of directors met Tuesday and heard reports from different committees, according to Manager Don Shepard.

It was reported by Harold Reich that the final organizational meeting for the Farmers Market will be held Monday, Sept. 8, at 7:30 p.m. in Olney Savings.

An insurance check on adjustment for damages to the chamber offices during a recent fire was received in the amount of \$45,260.00. They money will be placed in a savings account with Olney Savings who submitted the highest bid in interest.

It was decided to advertise the old building for sale to the highest bidder on a sealed bid basis.

Insurance coverage was placed with Ledbetter Insurance Agency for the next year.

Dick Wooley reported that the Mobley would be ready for the chamber to occupy very soon.

The Christmas Parade was discussed and Shirley Hargrave assumed the responsibility to see that people would be selected to serve on that committee. Patsy Hogan was appointed chairman of the Christmas decorations committee. Bobby Smith was appointed to chair the committee for the election of new directors.

Those present were Shirley Hargrove, Ivan Webb, Roy Dennis, Joe Cooper, Linda Cozart, Patsy Hogan, Brad Kimbrough, Helen Orr, Harold Reich, Bobby Smith, Billy Wright, and Dick Wooley.

DEAN DRUG CO. of Cisco is going to be the parent of an Abilene Store. Dean's Pharmacy will be opening in a month or so near the Humana Hospital in South Abilene, reports Mr. Lloyd McGrew of the Dean Company.

Plans call for Lloyd to run the Abilene store and for his missus, Betty to run the Cisco store. Both are graduates of the UofT School of Pharmacy where daughter D.D. now is a junior student.

Work is underway on the Abilene store.

MR. DALE Stewart, local western artist and sculptor, has delivered the finished clay model that will be a bronze piece of the late Conrad Hilton at the Mobley Hilton in Cisco to Hoka Hey in Dublin for casting. The model was approved by the local Hilton board. The finished bust will be on a four-foot marble and oak base.

Understand there is a possibility that the Dublin foundry might cast additional Hilton busts for some of the Hilton hotels around the country. Mr. Stewart, by the way, has been invited to submit an idea for a huge bronze of the late President Kennedy. A foundation in Boston has decided to commission an artist-sculptor to do the work and has invited a number of folks to submit ideas. Mr. Stewart and wife Ruth were in Fort Worth last weekend and had a booth at a big gun show. They displayed bronze pieces that Mr. Stewart has done and made some sales.

MR. BRIAN Fleming, No. 1 son of the Morgan Flemings and a former Lobo football star, has enrolled as a freshman this fall at Tarleton State University and is a member of the football team. He plays on the JV and is a punting back. He was home last weekend and attended the Lobo-Anson game. Dr. and Mrs. Allen McGinness had a half dozen guests from Dallas last weekend and they all attended the Lobo football game. Also here for the game was Sherry Terry of Fort Worth to see daughter Kelli Whitley in the Lobo Band.

SPEAKING OF the Lobo band, everybody agreed that Cisco won the half-time show. Director Wayne White's 75-piece Lobo Band looked and sounded real good and did a fine marching job for their first outing Friday night. Anson's 36-piece

band did a good job. The Rev. Harry Garvin, pastor of First Baptist Church, gave the pre-game invocation. The young lady who was busy with a camera on the sidelines was Janice Woolley of the CHS Annual Staff. The Band Parents Club ran the concession stand and the hot dogs and drinks were real good.

MR. RONNIE Hearne, coach of the Lady Wranglers at CJC, reports that they started practice the first day of school and he's real pleased with the outlook for a good team. Mr. J.T. Richardson, retired service station operator, underwent eye surgery Tuesday in Abilene. The operation was similar to one done on his other eye a few weeks ago. Miss Meg Reynolds, daughter of the Bill Reynolds, is teaching this year at Lampasas. She taught at Childless last year.

MRS. ELLEN Justice of Cisco was on TV last weekend. An Abilene station covered the Charles Stenholm party at Stamford and interviewed several folks, including Mrs. Justice. Among those attending the congressman's party from Cisco were the Sutton Crofts, the John McGuires, the Dr. Chief Browns, the Doug Frys, the Truman Kirks and Mrs. Jane O'Pry. Some 850 persons enjoyed a barbeque and paid tribute to the congressman at the Stamford school. The event was moved indoors due to muddy weather.

CJC OFFICIALS gave members of the CJC football traveling squad permission to go to bed instead of to classes last Friday after the squad's bus got home at 7:45 a.m. from Goodwell, Okla., where the team won a football game Thursday night. Steve Bailey of Austin was in town last weekend for an early celebration of his grandfather's 80th birthday. Granddad W.E. (Dizzy) Dean will have his birthday September 15th.

THE CJC BAND and Belles had a good outing in the West Texas Fair Parade at Abilene last Saturday. They marched some two miles and were applauded by big crowds. The groups will go to Houston September 23-24 to take part in the formal opening of a new Macy's Store. They were invited to make an expenses-paid trip to Houston for the Macy event. As you know, the CJC Band and Belles have made several appearances in Macy's Thanksgiving Parades in New York City and appeared on television. Band Director Tim Jones' car (a Chevy Suburban) stalled at Putnam on the Saturday trip to Houston, and it was feared that the engine "threw a rod."

the 30 yard line. Cisco's Mark McGinness recovered a fumble and Cisco took over the ball on the 30 yard line.

Anson gave Cisco 5 yards when they were penalized for off sides. Roy Boykin carried the ball in the next play for a gain of 3 yards. Steve Abbott carried the ball in the next play to the 16 yard line with 1:9 left in the second half. Cisco was penalized 5 yards for illegal motion. In the next play Shelby Nixon kept the ball to run in for Cisco's touchdown. The PAT was no good, making the score 6-0 in favor of Cisco. Mark McGinness kicked the ball to Anson to their 35 yard line.

During the next four plays Anson threw a pass to Michael Phillips but he was tackled by Lonnie Pevey and Mark McGinness. In the next play Anson's pass receiver was tackled by Joe Flores. Cisco received a penalty for pass interference which gave the Tigers 15 yards. In the next play Anson received a penalty for off sides and lost 5 yards. On the last play before the end of the half Anson threw another incomplete pass.

In the first play of the second half Mark McGinness kicked the ball to Anson's 30 yard line where Anson carried it to the 37 yard line.

Anson's Eddie Villanueva carried the ball to Anson's 40

AT CHURCH THE OTHER Sunday we overheard a man ask his wife: "Who is the attractive girl with Shelby Nixon (the Lobo footballer)?" And the lady answered: "The pretty girl is his mother, Barbara Nixon." An item in last weekend's First Baptist Church bulletin noted that they wanted to enroll more folks in the choir. Said the item: "Physical qualifications: Must be able to carry light musical notes part way across the sanctuary." The Methodist church bulletin reports that the Christian, Methodist and Presbyterian churches had an average attendance of 114 for union Sunday evening services during the summer months this year as compared with 85 last year.

yard line in the next 2 plays. But Anson was not able to make another first down and kicked the ball to the 20 yard line for Cisco.

In the 3rd play Shelby Nixon kept the ball but ran out of bounds where he was hit by a Tiger player. Anson received a 5 yard penalty for the action. Shelby kept the ball again in the next play to make one yard. A hand off to Brian Wagnon gained Cisco 4 yards next and in the next play Wagnon ran the ball for another 3 yards with 6:13 left in the 3rd quarter. Shelby kept the ball and ran to the 39 yard line for a first down. An incomplete pass and a fumble at hand off in the next 2 plays caused Cisco's Mark McGinness to kick to the Tigers where it went to the 10 yard line.

Anson worked up to the 20 yard line for another first down and then in the next two plays carried the ball to Anson's 48-yard line. The Tigers then carried the ball onto the 24 yard line in the next 3 plays for a first down and make 3 yards in the next 3 plays when the buzzer sounded for the end of the 3rd quarter. Anson had pushed 7 yards when Cisco had a flag from a personal foul that brought Anson to the 3 yard line and gave them a first down. The Lobo pushed the Tigers back to the 6 yard line and Anson called a time out. On the next play Tigers quarterback George Ramos ran in for a touchdown. The punt was good making the score 6-7 in favor of Anson.

Anson kicked the ball to Cisco's 33 yard line and Roy Boykin carried the ball to the 35 yard line. In the second play Cisco fumbled but recovered. Shelby was tackled at the 35 yard line which gave Cisco a 3 and 10. In the next play he was tackled behind the line again and Cisco had a 4 and 20 and was forced to kick.

Anson received the ball on their 30 yard line. Anson only made 2 yards on the next 2 plays but pushed up 25 yards on the next play and received a flag for a personal foul. Anson was 1 and 25. Don Barron of Anson ran to the 28 yard line for a 12 yard gain. Anson then fumbled and Larry Fields was able to sack the quarterback for a loss and then Anson kicked to Cisco with 3:09 left in the game.

Cisco was on the 20 yard line and in the next 3 plays Cisco moved up 4 yards. Anson received a 15 yard penalty for roughing the passer which placed Cisco on the 35 yard line. Shelby Nixon was tackled behind the line for a 7 yard loss. Cisco received a penalty for holding but Anson declined. In the fourth play Anson intercepted a

pass thrown by Shelby with 43 seconds left in the game. Anson let the clock run out to the end of the game.

Outstanding Cisco defensive players were, Roy Boykin, Lonnie Pevey, Steve Abbott, Tim Rains and Shelby Nixon.

job of running and pass catching. His three runs netted 33 yards and he caught two TD passes. Kevin Evans, freshman tight end from Fort Worth Kimbell, caught two passes for TDs, and Ezell Scott, freshman running back from Irving, picked up 14 yards on three carries and caught three passes for 36 yards and one TD.

The Wrangler defense had nine QB sacks - a team record for one game. Lance Wiley, Houston corner back, blocked one field goal effort and made three key tackles, while Jay Bomer had five tackles, a fumble recovery and a QB sack. Matt Elliott and Earl Simpson were defensive standouts, each making two QB sacks.

Coach Frazier and his staff attended the Blinn-Tyler game Saturday night. Mr. Frazier said they hope to have someone at Columbia, Mo., this weekend to see Northeast Oklahoma play. The Wranglers will play the Oklahoma team next week in the home opener.

Lobo JV Team To Play In Merkel Thursday

The Cisco Lobo Junior Varsity football team were defeated by the Anson Junior Varsity last Thursday by a score of 8-6. The game was played in Anson.

Cisco had possession of the ball during the first quarter but the Anson team was able to push the Lobo back into the goal to make 2 points for the Tigers.

Matt Goosen, Cisco quarterback, recovered a fumble in the first quarter. Lobo Scott Stuart also recovered a fumble during the 3rd quarter. Cisco intercepted 2 passes during the game. Mike Reyes intercepted one in the 2nd quarter and Davin Hohertz intercepted one in the 3rd quarter. During one play Matt Goosen kept the ball and ran in for a touchdown during the second quarter. The score was 6-2 in favor of Cisco. An attempt to run the ball in for extra points was unsuccessful.

The Tigers made a touchdown in the fourth quarter. The PAT was no good.

Coach Bryan McCullough said the more the Cisco JV team played the better they did. Their defense looked

great. Cisco will play Merkel, there, this Thursday. Coach McCullough said this should be a good game.

Police Report Few Incidents Over Weekend

Sunday, Sept. 7, a burglary at 700 West 10th Street was reported. A refrigerator and freezer were reported stolen. They were valued at \$1000.00. Officer Chris Key investigated.

On Sunday, Sept. 7, there was a report of a burglary at 1200 Humble Ave. Reported taken were an electric welder, a 150 gallon diesel fuel tank with an electric pump, a tarp, and a down coat. Value of the items stolen was estimated at \$1,710. Officer Key was the investigating officer.

On Monday, Sept. 8, Det. Risa Livingston arrested Danny Kearney on two city warrants, one for assault and another for reckless damage.

DON'T SHOOT AT POWER LINES!

NEVER SHOOT AT POWER LINES or the insulators that hold them, because the result could be a dangerous downed electric line. A severed line could cause a serious electrical outage, and the downed line itself could be extremely hazardous.

• Keep Children Away from Electrical Outlets
Don't let small children play near electrical outlets. A child could put some object in an outlet when you're looking away. A wise safety precaution would be to put safety caps in all wall outlets.

• Always Disconnect Cords by Pulling on the plug
When disconnecting electrical items, be sure to pull on the plug — not the cord! If you pull on the cord, you'll eventually wear it out and expose hazardous wires. Also, don't overload extension cords or outlets.

ADDITIONAL SAFETY TIPS:
• Use Power Tools Wisely
Be sure wiring is in good condition and all circuits are grounded. Never use electric tools in the rain or on wet surfaces. Also, when buying new equipment, look for the "UL" seal of approval from Underwriters Laboratories.
