VOLUME 26, NUMBER 13

MULESHOE — COUNTY SEAT OF BAILEY COUNTY, TEXAS

THURSDAY, MARCH 25, 1948

School Districts Of Bailey County To Elect Trustees Saturday, Apr. 3

"Family Party" Set For Wednesday, 31st

A big "Family Party" to be held here next Wednesday, March 31, is announced by Johnson & Nix, International dealers of Muleshoe, with a feed, prizes, and entertainment on the day's program.

Fred Johnson of the firm said that lunch will be served at 11:30 a. m., at the store, and urged everyone to register there before lunch.

There will be four prizes to be awarded during the day, as outlined on another page of this paper in an announcement of the day's program.

There will be a stage entertainment, plus color movies in the show program which begins at the Valley Theater at 1:00 p. m.

Tiny Grant is the magical master of ceremonies and fun for the stage show. Joyce Anderson dances while playing musical favorites. Joe and Eddy Dayton are advertised as the "Craziest Men in the World."

A fourth number will be by Patty Ross, sensational acrobatic dancer.

In addition to this variety show there will be colored pictures featuring educational, travel, and comedy subjects.

"Everybody likes a party," Mr. Johnson said, "and we are having one for all our friends and customers, who are urged to come and to bring the whole family for a real entertainment that is all free."

Census Of School District Underway

Have you been counted? Census of the Muleshoe Independent School District now is being taken by Frank Cummings, tax collector, and it is highly important that every family be enumerated.

If your children have not been included on the school lists for any reason, you should call or see some of the school authorities and have the oversight corrected.

Incidentally, Mr. Cummings is counting every head in the city limits as he goes along, since it is very little more trouble, and he should be able to tell us how many people Muleshoe now has.

Frank Cummings, tax collector for the school district, will have a desk at Western Drug the coming Saturday for convenience of those who may have been missed. This is the last week for the census.

School officials advised people who have Mexicans working for them should see that these are registered.

Children 6 to 18 years of age should be included in the census. Children who will attend school next year for the first time also should be enumerated.

Lazbuddy Classes Have Banquet

The juniors of Lazbuddy gave the annual junior-senior banquet March 19, at El Monterey in Clovis.

Seniors attending were: Dean Gonsler, Agnes Jesko, Anita Steinbock, Billy John Thorn and Gilbert Wenner.

Junior class members that were present are: Walter Baker, Clifford Cantrell, Rose Mary Heady, Iona James, George Jesko, Wanda Long, Thelene Mangrum, Joy McDonald, Gene Smith, Fern Steinbock and James Welch.

Special guests included Mr. and Mrs. J. D. Carpenter, Jr., Mr. and Mrs. George Crain, Mr. and Mrs. E. Enkelking, Mr. and Mrs. Claude Watkins and Mr. Foster.

Teachers attending were Miss Stanley, Miss Wickson, Mr. Whitmeyer, Mr. Davis, Mrs. Burris, Mrs. Foster, Mr. and Mrs. Knoy and Mr. West. Guest speakers were Mr. and Mrs. Carmack of Clovis. Everyone had a good time.

ATTEND BOOK REVIEW
Mrs. Clyde Holt, Mrs. Harold King, Mrs. G. O. Jennings and Mrs. Horace Holt were guests Monday night of the 1935 Study Club of San. Mrs. Simon D. Hay reviewed the book "Came the Cavalier."

OBRECTION
In another column of this paper it was stated that the Half Century Club's Bake Sale the coming Saturday would be held at the Southwestern Public Service Company office. The sale will be held next Saturday, April 3.

The five school districts of Bailey county will hold trustee elections Saturday, April 3, the office of County Superintendent Cecil H. Tate announced today.

Ballots are now being made up. Judge Tate said that to get a name on the ballot in any school district it is necessary to turn in a petition properly signed by at least five qualified voters and at least five days before the date set for the election.

Two members of the county board of education also are to be elected. Those already nominated in the various districts are:

Muleshoe—7 to elect: Morris Douglass, B. H. Black, Johnnie Johnson, L. D. Sanders, W. M. Pool, Jr., E. W. Locker, C. A. Barnett and N. H. Greer. All excepting Locker and Barnett are members of the board now.

An entirely new board has to be elected this time because of the consolidations effected last year.

Three Way—7 to elect: Cecil Cole, J. G. Arm, C. L. Taylor, Conrad Williams, Horace Hutton, L. E. Warren, D. Tucker, Willie Weisen Joe J. Smith, Baker Johnson, W. G. Millsap, Tommy Galt, I. W. Holloway, Johnnie Wheeler, Albert Ellis and L. A. Corbell.

Named to conduct the election are J. C. Hamlin, Clint Everett, and Carl Pollard.

Bula—1 to elect: Raymond Austin, Tom Bogard, Marvin Drake, A. M. McBee, John Robertson.

O. V. Nickels, W. W. Dick and Chester Self are to hold the election. Bula's contains the names of H. G. Thompson and John Hubbard for precinct 4 member of the county board.

Circle Back—2 to elect: Floyd Damron, C. G. Damron, A. W. Gore, A. E. Moore, E. H. Hall, J. W. Shafer, Mr. Gore and C. G. Damron are members of the board now.

Lawrence Quesenberry, Ernest Park and Woody Goforth will hold the election. Circle Back's ballots will have the name of H. G. Thompson for county board member.

West Camp—2 to elect: Robert Byrd, Lloyd Stevens, Jesse Stancel, Byrd and Stevens are trustees now.

M. A. Snyder, Everett Roark, and Dwight Sheriff will hold the election.

Consumers Elected Our Directors

Four directors were elected at the annual meeting of stockholders of the Consumers Fuel & Supply Co., of Muleshoe, held in Fellowship Hall last Tuesday night.

Directors elected at this meeting included Harry Engelking, reelected; T. L. Glascock, D. C. Stovall, and Neal Warren. George Templar, president of the association, is a member of the official board.

Sixty four persons attended the meeting. A 4 per cent dividend on preferred stock was declared. G. A. Sahil presented the auditor's report and talks were made by Mr. Judd and Mr. Menke, of the Consumers Cooperative Association, of Amarillo.

Gas Co. Magazine Gives Big Publicity To Muleshoe Area

Muleshoe, Bailey county and vicinity received a nice bunch of publicity in the current issue of "The Gas Employees' News," a well written magazine for employees and their families of the following companies: Amarillo Gas company, Clayton Gas company, Dalhart Gas company, Panhandle Pipe Line company, Red River Gas company, Southwestern Development company and West Texas Gas company.

The front cover was a large picture of the Bailey county courthouse.

On the inside of the magazine were pictures of local scenes, personnel of the Muleshoe office of West Texas Gas company and a write up about industries, business firms, and agricultural resources of the territory.

There were pictures of Wayne Vardeman, local manager, and Margaret Aday, office clerk.

Other pictures included a picture of Muleshoe's busy Main Street, the grade school, alfalfa mill, and Green Hospital & Clinic. The magazine has a very wide circulation in several states and the publicity will be of much value.

VISIT AT LOCKNEY

Mrs. George Gross and children visited in the home of her parents, Mr. and Mrs. R. C. Wilson, of Lockney, returning home Sunday.

Muleshoe Courts, Streamlined And Modern, Is Ready To Receive Guests

Muleshoe Courts, a modern, streamlined tourist accommodation is open for business. Ollie Jones, owner, announced today.

Located one mile west of town on Highways 70 and 84, the courts have twelve units completed and these have been full on several nights this week.

The court is set back from the highway on a high spot that overlooks the surrounding area. All weather drives lead up to the court from the highway.

There are eight units, each with private bath. On each end of the building are two units with connecting bath. Each unit is 12x16 feet.

Mr. Jones has built more into these units than is usually seen in such accommodations. There are nice rugs on the floors, the walls and ceilings are painted an attractive color, and venetian blinds are on all windows. Matching beds and dressers, the latter containing a large oval mirror, and comfortable, stuffed chairs will greet the tired traveler who wishes to spend a restful night in Muleshoe.

Each bed is full size, has a box spring, topped with an innerspring mattress. The beds compare with those in the finer homes, with spotless linen and chenille bedspreads. A person who couldn't rest in these

beds would necessarily have an unclear conscience.

The bath rooms are equipped with showers, and there will always be plenty of hot water. A fixture not usually found in tourist quarters is a medicine cabinet, large enough to hold toilet articles, etc., faced by a nice, natch mirror.

Butane is to be used for heating. There is a small stove in each room. Each unit has electrical outlets for plugging in radios. The court will be very cool in summer because of the materials used in construction, Mr. Jones said. Insulate was used for the 9 inch walls.

A well house and storage room completes the present construction on the grounds, containing 6.3 acres. A pressure pump capable of pumping 2800 gallons an hour has been installed and the pressure tank capacity is 525 gallons. Each room has an instantaneous type water heater.

Mr. Jones and family plan to erect 12 more units on the premises at a later time. Meantime, they are making plans for landscaping the premises, planting grass and otherwise beautifying the place.

During days just past many local people have been coming out and inspecting the new installation, and Mr. Jones extends an invitation to all to visit the courts soon and see for themselves why the Jones family is so proud of them.

Shower Friday For Carter Family, Who Lost Badly In Fire

The Willard Carter family, living near the Muleshoe park lost all their household furniture and bed clothing and most of their personal clothing in a blaze Wednesday morning and now their friends plan a shower for them to be given Friday afternoon at 3 o'clock. The shower will be given at the home of a neighbor, Mrs. Lou Testament, just across the street from the burned home.

Neighbor ladies told The Journal that any article of bedclothing, gifts of food or money, etc., would be welcomed. Mr. and Mrs. Carter have four young children.

The fire, starting from the kitchen stove, spread quickly and had done much damage to walls of the house and to the contents before the fire department could stop it. Some clothing was removed from the back rooms but was thought to be badly damaged, perhaps unusable.

Neighbor ladies told The Journal that any article of bedclothing, gifts of food or money, etc., would be welcomed. Mr. and Mrs. Carter have four young children.

Easter Egg Hunt And Joint Services At Lazbuddy Sunday

A joint Easter program will be presented at Lazbuddy Sunday morning at 11 a. m. by the Baptist and Methodist congregations of that community. The regular Sunday school services will be held by each church.

Rev. O. B. Annis, the Methodist pastor will bring the message. Lunch will be served at noon.

In the afternoon the children will have their traditional Easter egg hunt at 3 o'clock.

JESSE OSBORN SPOKE TO ECONOMICS CLASSES

Jesse Osborn spoke to the economics Club and American history class of Muleshoe High school Monday.

The Economics Club plans to visit several business firms in the near future, including the Muleshoe State bank.

James A. Beam is sponsor of the club.

Court Of Honor Held By Scouts

A court of honor was held by the Boy Scouts at Fellowship Hall Monday night, and the following boys were awarded their Tenderfoot badges.

Jim Green, Ted Millsap, Road Johnson, Earl Jenkins, Bobby Nickels, Buddy Lane, Donald Roddam, Robert Wagon, Freddie Harvey, Marvin Gaddy, Dwayne Blackshear, Phillip Providence, Carroll Pool, Keith Bray.

Parents attending included Mr. and Mrs. Homer Millsap, Lee Pool, Mr. Roddam, Mrs. M. F. Green, and Mrs. M. D. Gaddy.

Bailey Boys Stock Champs

GRAND CHAMPION BARROW. Jack Heald, pictured above with his fine Poland China barrow, won the grand championship of all breeds in the swine division of the South Plains Junior Fat Stock show Tuesday afternoon over one of the finest feds in the 15-year history of the show. Son of Mr. and Mrs. J. G. Heald, route 1, Muleshoe, Heald is a student of Muleshoe High school. He is a 4-H club member. The pig weighs 235 pounds and was bred by John W. Adams of Tulsa. (Staff Photo.)

Pigs Place High In Lubbock Show

Against tough competition from all over the section, Bailey county boys scored some impressive wins at the Junior Fat Stock Show in Lubbock this week. Jack Heald won first place in both light and heavy Poland China fat barrows and his light barrow won the grand championship, repeating performance earlier at Muleshoe and Littlefield shows.

Competing with Jack for first honors at Lubbock was Jimmy Cannon, of Bula, another 4-H Club boy. His Hampshire barrow was selected first in his breed and was named reserve champion.

At the sale all animals sold high. Ray Griffiths Elevator, of Muleshoe, bought Jack's champion for \$1.05, the pig weighing 235 pounds.

Kline-Hufstader, of Littlefield, bought Jimmy's reserve champion pig for 50 cents a pound. Prices for other prize winning pigs ranged down around 30 cents.

Other Muleshoe and Bailey county winners at Lubbock in the barrow division:

Jimmie Clements, 5th Chester White; Jerry Julian, 4th pen Chester Whites; Harvey Coffman, 4th Duroc pen; Jimmy Winstead, 3rd Hampshire barrow; Alton Taylor, 6th Poland China barrow; Jack Heald, second Poland China pen.

Sanders, Heald Top Classes In Muleshoe Show

Don Mickey Sanders, Muleshoe FFA boy, showed the calf that won the coveted title in the annual Fat Stock Show here last Saturday, grand champion. The calf, an Angus, was given to Muleshoe FFA boys by James A. Gowdy, former Muleshoe attorney, now in the registered Angus business at Arch, N. M.

The calf weighed 665 pounds, too light for entry in the Lubbock show, and after winning at Littlefield the calf brought Don 37 cents a pound in the Littlefield show auction.

The light calf had to win over Jimmie Clements' heavy Hereford calf, weighing 875 pounds and bred by Jesse Osborn, Muleshoe. Jimmie's calf was first in the heavy class and won reserve champion honors.

Head's Barrow Wins
Jack Heald's heavy Poland China barrow was declared grand champion of all breeds in the swine division of the show. The barrow was bred and fed out by the young showman-breeder.

Reserve championship honors went to a Chester White barrow bred, fed and exhibited by Jimmie Clements. Jimmie's pig weighed 255 pounds, while the grand champion pig topped the scales at 260.

A full report of premiums won at the Littlefield show by Bailey county boys is carried below. Premium winners in the Muleshoe show are as follows:

CALVES
LIGHT CALVES
1. Don Sanders.

2. Jimmie Clements.
3. Alton Taylor.
4. Jimmy Prather.
5. Jimmy Gaede.
6. Bill Gaede.

HEAVY CALVES
1. Jimmie Clements.
2. Jimmy Prather.
3. Clifford Mardis.
4. Alton Taylor.
5. Jimmy Gaede.

Grand Champion, Don Sanders; reserve champion, Jimmie Clements.

SWINE
POLAND CHINA—LIGHT CLASS
1. Jack Heald.
2. Alton Taylor.
3. Darrell Lee Stevens.
4. J. R. Henry.

POLAND CHINA—HEAVY CLASS
1. Jack Heald.
2. Don Sanders.
3. Don Sanders.
4. Darrell Lee Stevens.
Champion, Jack Heald.

DUROC JERSEY—LIGHT CLASS
1. Kiel Quesenberry.
2. Harvey Coffman.
3. Harvey Coffman.
4. Benny Goss.

DUROC JERSEY—HEAVY CLASS
1. Charles Mayhugh.
2. Travis Clements.
3. Francis Clements.
4. Noel Quesenberry.
Champion, Kiel Quesenberry.

CHESTER WHITES—LIGHT
1. Jerry Julian.
2. Earl Henry.
3. Alton Taylor.
4. Earl Henry.

CHESTER WHITES—HEAVY
1. Jimmie Clements.
2. Jerry Julian.
3. Jimmie Clements.
4. Charles Mayhugh.
5. Jerry Julian.
Champion, Jimmie Clements.

HAMPSHIRE—LIGHT
1. Jimmy Winstead.
2. Jimmy Cannon.
3. Johnny Seid.
4. Luther Buchanan.

HAMPSHIRE—HEAVY
1. Jimmy Cannon.
2. Jimmy Winstead.
3. Johnny Seid.
4. Bill Garrett.
Champion, Jimmy Winstead.

Grand champion barrow, Jack Heald. Reserve champion, Jimmie Clements.

A large group of people watched the judging, which began at 1:30 p. m. Ollie Linder, Farwell, Parmer county agricultural agent, and Homer Bramley, livestock man of Hereford, cooperated in the judging.

L. M. Hargraves, assistant teacher trainer at Texas Tech, was here during the entire day. H. M. Tilger, Voc. Ag. teacher at Three Way school, and R. W. Jones, Bovina ag. teacher were among other school men here during the show.

A number of the boys' dads, the show judges, and others were guests of the Chamber of Commerce at its regular Friday noon luncheon.

Many Prizes Won At Littlefield

After showing here several of the boys took their animals to the Littlefield show and won many prizes, among them the grand champion calf and the grand champion barrow. The Littlefield show is for Lamb County 4-H boys and area FFA boys.

Awards won there by Bailey county boys include:

Light Calves—
Don Sanders, 1; 8 and 12, Alton Taylor; 16 and 19, Jim Gaede.

Heavy Calves—
Clifford Mardis, 4; Jimmie Clements, 5.

Boars—
Jerry Julian, 3.
Hampshire Gilts—
Bill Stinson, 2 and 3.

Duroc Gilts—
Benny Goss, 5.
Dairy Bulls—
Jimmy Wingo, 4.
Dairy Cows—
J. R. Henry, 6.

Dairy Heifers—Herbert Ramage, 2; J. R. Henry 5; Jimmie Clements 7.

Jack Heald's Poland China was named grand champion of all breeds in the barrow show, and he also showed the reserve grand champion.

Don Sanders' Angus calf, after winning top honors at Muleshoe repeated at Littlefield. He won total premiums there on the calf of \$86. He sold the calf at 37 cents a pound.

Red Cross Fund Campaign Lagging

Bailey county is lagging behind in their campaign to raise this year's Red Cross budget. Miss Helen Jones, county chapter chairman, reported today.

Only \$930.56 had been reported to her at a late hour Wednesday. Most rural communities had not been heard from. Progress reported \$96.50 contributed to the Red Cross and Maple had \$26.25.

Several teams of solicitors in Muleshoe have not made their rounds yet, Miss Jones said. The budget is \$1,763, so that only a little more than one half of the expected amount has been contributed.

Now upon the first day of the week, very early in the morning, they came unto the sepulchre, bringing the spices which they had prepared, and certain others with them. And they found the stone rolled away from the sepulchre. And they entered in, and found not the body of the Lord Jesus. And it came to pass, as they were much perplexed thereabout, behold, two men stood by them in shining garments: And as they were afraid, and bowed down their faces to the earth, they said unto them, Why seek ye the living among the dead? He is not here, but is risen. —St. Luke, 24:1-6

Honor Roll

The Journal's subscription list continues to grow. Those who have paid new or renewal subscriptions in the last few days are the following:

- W. R. Case, City.
- Mrs. I. W. Harden, City.
- F. Carothers, City.
- Mrs. Frank Hinkson, City.
- M. M. Simmons, Route 2.
- Howard Griffin, Route 2.

BLACKWATER VALLEY SOIL CONSERVATION DISTRICT NEWS

Applications for soil conservation assistance were received last week on 160 acres of land owned by E. C. McWilliams; on 160 acres owned by W. G. Kennedy of Grady, New Mexico; on 160 acres owned by J. A. McGee; on 543 acres owned by F. O. Bennett of Lubbock; and on 41,200 acres owned by J. L. Birdwell of Lubbock.

Irrigation wells were located last week on farms owned by Allison Cassidy, Roland Bigham, John Johnson, A. E. Ward, and W. G. Kennedy.

A diversion terrace has been staked off for R. L. Crosthwait.

Soil Conservation Service technicians assisted Leo Gilmore in running lines for contour cultivation. Technicians ran terrace lines on farms owned by E. W. Black and Paul Brothers Ranch.

RETURNS FROM WELLINGTON
Mrs. Tye Young returned home last Thursday from Wellington where she had been visiting in the home of Mr. and Mrs. L. H. Lowry.

Gallant Old Battleship Texas Now Headed For Home At San Jacinto

Houston, March 25 (Special)—The gallant old Battleship Texas is finally headed home.

She has waited for more than two years at the Portsmouth Navy Yards, Norfolk, Va., for that final sea voyage, and on March 15 Navy tugs were to begin towing her out to sea, down the East Coast, and home to Texas.

The big question now is what will happen to her once she gets to the Lone Star State and starts up the Houston ship channel to the San Jacinto Battlegrounds.

A total of \$40,000 is still needed to cover the cost of berthing the vessel, it has been reported by Lloyd C. Gregory, chairman of the Battleship Texas Commission. Mr. Gregory urges that every Texan join

in one final effort to raise the money needed. Contributions are to be sent to Mr. Allan H. King, Treasurer, Battleship Texas Fund, Citizens State Bank, Houston, Texas.

Meanwhile, preparations for receiving the man-of-war are underway. Fleet Adm. Chester W. Nimitz will personally present the ship to Governor Beauford Jester for the state of Texas at San Jacinto, April 21—San Jacinto Day. The presentation will take place at the battleground in a colorful ceremony which will be attended by a host of high naval officials and state and civic leaders.

Lloyd Gregory announced receipt of a telegram from Secretary of the Navy John L. Sullivan advising him that the native Texan strategist of the Pacific Fleet, Admiral Nimitz, will come to Texas for the occasion.

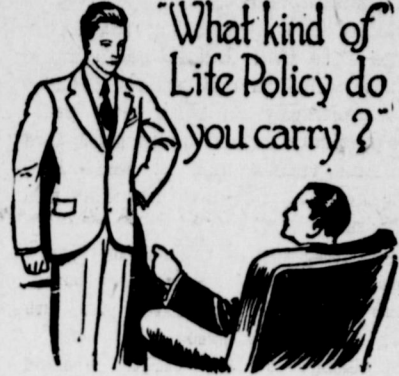

With him will be Assistant Secretary of the Navy Mark Edwin Andrew, native of Houston, who was a naval captain during World War II, and Adm. Louis Denfeld, chief of naval operations.

Mr. Gregory said the presentation would take place shortly before noon San Jacinto Day.

The ship should reach the battlegrounds about April 10. It will be permanently berthed in a slip to be dug near the ship channel in the western section of the battleground, almost directly north of the San Jacinto Inn. Gregory said the commission had been able to save about \$12,000 of the dredging costs through an arrangement with

J. B. Hine of Syracuse, N. Y., a former Houstonian, who owns land adjoining the battleground. Mr. Hine agreed to let the contractor pour the silt dredged from the slip on a 219-acre tract, free of charge. There will be about 250,000 cubic yards of silt, and at five cents a cubic yard, the amount usually charged, this would have amounted to \$12,500 but for the generous agreement given by Mr. Hine.

Pointing out the need for immediately raising the \$40,000 still needed, Mr. Gregory issued an appeal to civic and patriotic organizations, schools, and all others to help raise the money.

Fiesta San Jacinto Covers Full Week At San Antonio

San Antonio, March 25.—For the fifty-third year, San Antonio, home of the revered Alamo, will stage a week-long observance of Texas free-

dom the week of April 19 when it holds its Fiesta San Jacinto. This year several new features have been added to the ever-growing list of events.

Additions to this year's fiesta include a night illuminated parade, to be held Saturday, April 24; a river art show to be held April 24 and 25, and a "Frontier Costume Jam-boree" at Municipal Auditorium on April 24.

Staged as a tribute to the heroes of the Alamo, the event is annually staged in the week in which the Alamo was retaken.

Staged as a tribute to the heroes of the Alamo, the event is annually staged in the week in which the Alamo was retaken.

OTHER FOODS TO SATISFY APPETITE AND COMPLETE GROWTH AND ACTIVITY NEEDS

Millions of American families during these days of high living costs are in danger of being under-nourished, warns the National Dairy Council, because housewives are buying according to prices and not according to food values. They stay within budgets but may jeopardize family health. So here, says the Dairy Council, is its "Guide to Good Eating"—a safe and sound nutritional guide, on which the council on foods and nutrition of the American Medical Association sets its seal of acceptance. Eat these foods daily to get the basic nutritional requirements of your body, and then eat whatever other foods you want to give you that satisfied feeling.

the day April 21 occurs—the anniversary of Sam Houston's victory over Santa Anna at San Jacinto. Appropriately, the festa opens with an Alamo ceremony—the unique pilgrimage to the Alamo at twilight on the Monday which opens the week's observance. A long procession of public officials, distinguished military leaders, cowboys, old

over the week's activities. During the week there are four parades, the coronation of the Fiesta Queen, a five-night rodeo, a fiesta at La Villita, a flower show, band festival, military review and numerous other events.
This year the Fiesta San Jacinto Association has provided a fully illustrated program listing all aspects of the week. It may be obtained by writing to the Fiesta Association, 600 Insurance, San Antonio 5.

When yer on the horns of a dilemma let yer conshunts be yer guide!

Guy Nickels Sole Owner Lariat Gin

Guy Nickels said this week he has bought the interests of Willie and Johnnie Williams in the Lariat Gin, which the three operated last season, with Nickels as manager. They had bought the plant the year before from Brooks & Deaton. The gin turned out 3,100 bales of cotton during the past season. Mr. Nickels said he plans some improvements to the plant, to be made during the coming summer.

New VA Office To Be Opened Friday

Veterans Administration service to West Texas will receive national recognition at the official opening of VA's newly constructed and completely modern regional office building in downtown Lubbock to be held Friday, March 26th, Robert W. Sisson, VA regional manager said today.

To honor all veterans in this area, Administrator of Veterans Affairs, Carl R. Gray, Jr., has designated his Executive Assistant, Omar W. Clark of the VA central office in Washington D. C., to personally represent him and deliver the principal address dedicating VA services of the West Texas regional office, VA announced. Clark will speak at 11 a.m. on Friday to thousands of interested citizens who are expected to gather in front of the VA headquarters at 1600-24 19th Street in Lubbock.

POSTOFFICE MOVES

Muleshoe postoffice is back in its old home, newly rebuilt on the site of the building destroyed by explosion in the fall of 1946. The place looks much more like a postoffice than the temporary quarters occupied by the office. Heavy stuff was moved by E. K. Angeley and the office opened in nearly normal fashion Monday morning. Two new sections of boxes have been added. A wire will be strung at the top of the fixtures so that the office can be left open even though no employe is on the premises, making for the convenience of the patrons.

VISIT PARENTS SUNDAY

Mr. and Mrs. Howard Cox visited Sunday afternoon with his parents at Lockney.

VISIT AT BROWNSVILLE

Mr. and Mrs. Roy Dyer made a short visit to Brownsville last week.

FOR SALE—Certified Hubam Clover seed, plant during March or April for best results, also, 20-7.50x16 bus or truck tires and tubes for pick-ups and heavy trailers. Carrol M. Jones, 5 1-2 miles N. E. of Muleshoe, 13-3tp

FOR SALE—1940 International, 3-4 Ton pick-up. New motor, 8 ply tires on rear, over-load springs, gain sideboards. Flash-O-Gas, 13-1tc

Merchants Again To Back Show

Members of the Muleshoe Chamber of Commerce at its meeting Friday noon endorsed the Muleshoe Fat Stock Show and voted to continue to sponsor the show and to continue to see that money is forthcoming for the premiums each year. Several dads of young stockmen, agriculture workers and others were guests, including: L. M. Hargraves, assistant teacher trainer in Texa Tech College Lubbock; Edward White and Lee Christie, vocational ag. teachers in the high school here; J. K. Adams, Bailey county farm agent; R. L. Kimbrough, Roy Taylor and Charles Praher, all of Muleshoe.

Mr. Hargraves, who judged the stock show here last spring, said that quality of fat barrows and calves shown here this year compares favorably with that shown anywhere. He said the Bailey county show is advancing and shows progress with each passing year. He compared it favorably with some shows which admit entries from two or more counties.

Marion Harris, secretary of the show, made a financial report showing that sufficient money was on hand to have a surplus again, after deducting premiums that are to be paid in the gilt show here in May.

Collected during the last week was \$777. Premiums, fee for the judge, and ribbons involved an outlay of \$615.50, Harris said. A surplus of about \$250 will be in the bank after the gilt show.

Donors Are Listed

The following list of those who contributed money toward the pre-

FAT SALVAGE AWEIGH!

No matter who you are, or where you are, fat conservation is a cooking essential. Here, in the galley of a yacht, Fat Gargally adds to her fat salvage container. Every drop saved helps offset world shortages of vital fats and oils.

"Since we got Soft Water Service the vegetables are much more tender and I don't have to cook them so long!"

"Well, all I can say is that this Soft Water Coffee is the best I've ever tasted!"

"That spinach sure looks swell... I'll take some more!"

Service \$2.75 Per Month

SOFT WATER COOKING KEEPS THAT FARM-FRESH FLAVOR

A lot of water is used in cooking... and that water affects the flavor, texture and appearance of the food it cooks. The calcium, magnesium and other minerals in hard water make vegetables and other food tough, dull-looking and strange tasting. Cook with sparkling, velvet-smooth softened water... keep your vegetables tasty, tender and garden-fresh in appearance. You'll even find that it takes less cooking time, the soft water way. Rich-tasting, fragrant coffee from even the cheapest coffees... using from 1/4 to 1/2 less coffee grounds... can be yours with Soft Water Service. Phone us today and find out about this amazing new service that has the whole town talking.

HERE'S HOW CULLIGAN SOFT WATER SERVICE WORKS...

Our business is softening water as a service. We install a softener in your basement. We own the equipment and we take care of it. It provides you with sparkling soft water at a turn of a faucet without any attention from anyone in your household... it's that simple.

Order Culligan Soft Water Service today and then forget all about hard water troubles. Call us... we have nothing to sell but service... and are as close to you as your telephone.

Seeking Overseas Outlet for Our Sorghums

By GEORGE MAHON

Recently I have discussed with Secretary of Agriculture Clinton Anderson and other officials of the government the possibility of developing better markets for West Texas grain sorghum overseas. Our grain sorghums are now being uti-

lized in many parts of the world. India is our heaviest overseas consumer of grain sorghum, and the Indians pay cash for it and complain because they are not permitted to buy more. There is a quota system in operation which governs all our shipments of grain abroad. Recently we were successful in getting an increase in the grain sorghum quota for overseas shipment.

Exports of grain sorghum to India during the last 9 months approximate 10 million bushels. This includes March shipments which are now enroute.

Jumbo Size Easter Basket

Greeting the spring season in Chicago is this mammoth Easter basket, 25 feet high, in the Walnut Room restaurant at Marshall Field & Company. At the top of the basket, beneath the huge lavender bow, are Mr. and Mrs. Rabbit with smaller rabbits and several boys and girls in a tulip bed. Around the base of the basket are more children, rabbits, and huge eggs inside the border of white and yellow tulips.

the graveling of streets and alleys, the cleaning of all parks and playgrounds and the clearing off of weeds and rubbish from vacant lots.

"The destruction of mosquito breeding places and rat harborage, the proper disposal of garbage and trash and the general cleaning up of all premises will be, said Dr. Cox, "of inestimable value in helping to keep down summer health hazards such as dysentery, typhoid and poliomyelitis. Good community housekeeping and ordinary sanitary measures require the prompt removal of all waste matter in and around yards and homes in order to abate the danger of such diseases and insure good health protection throughout the state."

Dr. Cox stressed the fact that many dangerous diseases are filthy-borne, and the only possible way to control them is to eliminate the unsanitary conditions responsible for their spread.

New Hampshire Chicks Gaining Favors In State

Lubbock—New Hampshire chickens, a relatively new dual-purpose breed, are well suited to West Texas, in the opinion of Delbert L. Devin, assistant professor of animal husbandry at Texas Technological College.

The breed had fallen into disfavor here when first introduced from New Hampshire because it proved susceptible to pullorum, a disease causing auxiliary white diarrhea, Devin explained. But pullorum re-

stant chicks are now being bred, overcoming this difficulty, he reported, adding that the chickens, in addition to being heavy, approach White Leghorns in laying ability.

The college recently received a flock of 350 New Hampshire chicks as a gift from John Simpson of the Bauch and Simpson breeding farm, Yorktown. Simpson has indicated that he will send 50 additional cockerels later for breeding purposes. The flock will be used for class instruction at the college.

WORKERS CONFERENCE TO BE AT WEST CAMP CHURCH

A workers conference of the West

Plains Baptist Association will be held in West Camp Baptist Church tomorrow, Friday, March 26, beginning at 10 a.m.

Ray Griffiths will lead the song and praise service. Other persons to have part on the program include C. E. Wainscott, Lee Murrh, John Cory, B. P. Maddox and W. H. Burns.

BAKE SALE SATURDAY

Half Century Club will hold a bake sale Saturday, March 27, at E. R. Hart Company store in Muleshoe, the members announce.

VALVE-IN-HEAD is far ahead!

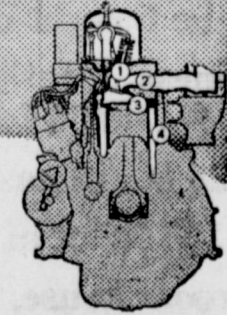

in performance and economy... in ruggedness and reliability!

1 In the world's champion Chevrolet engine, the valves are located in the head of the cylinder, directly over the pistons... hence the name, Valve-in-Head.

2 Valve-in-Head design provides faster intake of fuel mixture... and quicker and more complete exhaust of burned gases... all of which contributes to better performance and economy.

3 Valve-in-Head design also permits a more compact combustion chamber; and this, together with Chev-

rolet's "Blue Flame" combustion, means more driving power for the pistons—less heat loss—and maximum economy.

Valve-in-Head engines are inherently easier to cool; and Chevrolet's individual cooling of cylinders prevents waste of power—promotes efficient operation—prolongs engine life.

CHEVROLET Automotive experts and millions of motorists agree: Valve-in-Head is far ahead because it gives an outstanding combination of performance, endurance, dependability and economy... Chevrolet—master builder of this master motor—has proved this by producing more than 20 million Valve-in-Head engines during the past thirty-seven years—engines which hold the distinction of having delivered more billions of miles of satisfaction, to more owners, over a longer period, than any other power-plant built today! Chevrolet's World's Champion Valve-in-Head engine is another powerful reason why CHEVROLET AND ONLY CHEVROLET IS FIRST... another convincing proof that only Chevrolet gives BIG-CAR QUALITY AT LOWEST COST!

Dr. Cox Suggests A Community Wide Spring Clean Up

I am told that the Indians grind the grain and cook it pancake-fashion on top of the stove. In Germany the Germans eat their West Texas grain sorghum in the form of a mush or gruel. In Japan the grain sorghum is milled and used as flour or is polished and used in the whole grain as a substitute for rice.

Last year the U. S. production of grain sorghum was 107 million bushels, Texas producing 68 million bushels of that amount. The largest portion of the U. S. production will be utilized for stock feed but in excess of 4 million bushels will be used for human food in Japan, Korea and Germany, in addition to the shipments to India.

A good price for grain sorghum is a very important factor in the maintenance of agricultural prosperity in West Texas. This is true despite the fact that grain sorghum production in the nation is relatively small compared to wheat and corn. Last year the U. S. produced 12 times more wheat and 22 times more corn than the grain sorghum production.

Austin, March 25—"A good old fashioned spring house cleaning in every city and community in Texas would do a great deal toward furthering good health in this state," Dr. Geo. W. Cox, State Health Officer, said today, in urging all communities and cities in the state to cooperate in Texas Clean-Up Week April 4-11.

A general clean-up program of state-wide proportions with the objective of bettering health conditions of our citizenship should include surface cleaning, drainage.

Bailey County Farmers Urged To Join In Spring Clean-Up Campaign

Farmers are being urged to take a part in the annual Spring Clean-Up campaign in order to help prevent fires, avoid accidents and reduce disease in rural America.

"With Clean-Up — Don't Burn Up" as its slogan, the Spring Clean-Up campaign is sponsored by the National Fire Protection Association in cooperation with the U. S. Department of Agriculture and the State Extension Services.

The NFPA advocates spring as the time of the year in which to clean homes and farm buildings thoroughly, to inspect buildings and equipment and to make necessary repairs and replacements. Emphasis is placed upon elimination of fire hazards such as dirty chimneys and accumulations of debris.

Spring Clean-Up contributes to the emergency feed and grain conservation program by reducing fire hazards and rat harbors. Fires and rats destroy or damage vast amounts of food and feed every year.

If "rubbish" were traded on the exchange like stocks or useful commodities, it would rank on a per-pound price with tenderloin steak or hard to get farm machinery.

This startling fact was announced by the National Fire Protection Association, who in cooperation with the USDA is currently sponsoring

Spring Clean-Up week across the nation. Spring Clean-Up week will be held in Bailey county March 28 to April 4.

Rubbish spells fire and rats, and fire and rats are the farmer's greatest threats.

Eliminate rubbish and other obvious fire hazards and 90 per cent of all fires would be prevented. Eliminate rubbish and rats, which destroy so many things on the farm and carry such deadly disease as typhus and bubonic plague, would have no place to live or breed.

If we could weigh up all the rubbish that accumulates on American farms, especially during the winter, we would have a staggering amount of torn mail order catalogs, three legged furniture, broken harness, etc. All thoroughly useless — but fuel for preventable fires and harbors for rats.

If we divide this rubbish by . . . the misery of farm folks that lost their homes in the dead of winter . . . the lives of the 3,500 rural people that died needlessly in flames in 1947 . . . the \$200,000,000 annual rural fire loss . . . the 16,000 barns that went up in smoke . . . the 200 million bushels of grain that were damaged or destroyed by rats last year . . . we'd get a partial picture of the huge price that the American farmer pays for keeping a pound of rubbish.

Here's one high price that depends entirely upon you. The great dividends that can accrue to you and your family from Spring Clean-Up Week will be in the direct proportion to the kind of job you do this spring in cleaning up your property.

home.

Ray Clark, son of Mr. and Mrs. Sim Clark was in for medical care. He has gone home.

Mr. U. B. Wheeler is a medical patient. He is doing fine.

Mrs. H. L. Mitchell is in for observation. She is doing fine.

Cecil Young received medical care. He has been discharged.

Congratulations:

To Mr. and Mrs. J. E. Burris on the birth of a daughter, Elizabeth Olean, March 18.

To Mr. and Mrs. Pete Davis on

the birth of a daughter, Betty Jean, March 18.

The Staff is grateful to Mr. and Mrs. Neil Rocky for the nice gifts each received this past week.

Boys Ranch Gets Hereford Cattle Valued at \$15,000

Hereford, March 24—Ranchmen and farmers in Deaf Smith, Castro, Oldham, Randall and Potter Counties presented Boys Ranch, Inc., with \$15,000 worth of cattle here. There were 30 head of purebred Hereford heifers and an equal number of stocker cattle.

The presentation was made to directors of the Tascosa and Springlake Boys Ranch at a barbecue.

Among the animals given is a \$4,000 herd bull from the herd of Joe Bridwell of Wichita Falls.

The 30 Herefords and the two herd bulls will be placed on Boys Ranch Farm near Springlake. It is the 1,500 acre irrigated farm donated to Boys Ranch, Inc., by Mr. and Mrs. Dwight Axtell.

Ezra Norton will have charge of developing of the herd, assisted by Cleo Shellabarger, farm manager and brother of Mrs. Axtell.

The 30 stocker cattle will be placed at Boys Ranch at Old Tascosa, where they will be fattened.

There Hereford Breeders Association will register the heifers and herd bulls. Norton, in presenting

the papers to Cal Farley, said, "We wanted to do something for the boys."

PROUD PARENTS

Mr. and Mrs. Scott Williams are proud parents of a baby girl born March 14 at the Littlefield hospital. She has been named Mari La Nell, weight, 8 pounds and ounces.

KITCHEN MEMO BY JEAN CLARKE

On those spring days when the weatherman blows his chilly breath, there's nothing like a steaming bowl of soup and nourishing French Onion Soup is a tasty introduction to any type of meal. Cook 6 onions, medium-size, sliced, in 4 tbsp. butter or margarine over low flame, stirring constantly and adding 1/4 tsp. pepper while cooking until onions are lightly browned. Add 5 cups bouillon, or water and 6 bouillon cubes, 1 tsp. Worcestershire sauce, salt if necessary. Cover, simmer 20 to 30 mins. until onions are very tender. Pour into large casserole, float 6 slices buttered toast on top, sprinkle thickly with grated Parmesan cheese. Bake in hot oven (450°F.) for 10 mins. until cheese browns slightly. 4-6 servings.

If there's a "flashback" when lighting a burner, the air shutters may be loose. Turn off the gas, then tighten the air shutter holding screw, or, if shutter is open too wide, close it slightly. Relight the burner. If flashbacks persist, call your utility service man.

To sugar doughnuts quickly, put confectioner's sugar into a paper bag with a few doughnuts, shake them around until sugared.

The average housewife washes nine piles of dishes as high as the Empire State Building in her lifetime. Automatic gas water heaters simplify the task with plenty of hot water when it's needed.

Finely shredded grapefruit rind simmered in syrup gives an unusual flavor to fruit cup.

Bread crusts can be run through the meat grinder to clean it, then use the crumbs for your meat dishes.

Miss Betty Snell And Mr. Jack Bruns Marry In Clovis

A wedding of interest in this community was that of Miss Betty Snell, daughter of Mr. and Mrs. B. F. Snell, route 1, Clovis, N. M., and Mr. Jack Bruns, son of Mr. and Mrs. Fred Bruns of the Midway community.

The wedding took place Monday, March 8, at 10 a. m. in the parsonage of the Church of Christ in Clovis, with Minister Luther Roberts officiating.

The bride wore a blue grey tailored suit with black accessories and a corsage of white rosebuds. Attending the couple were Miss Jenny Snell, sister of the bride, W. J. Coffman of Friona, Edith Fields of Clovis and Charles Christian, of Oklahoma Lane, with Miss Snell and Mr. Coffman as maid of honor and best man.

A wedding reception in the home of the groom following the ceremony, with a few close friends and relatives present. From this vicinity

Mrs. Kenneth Briscoe, Muleshoe, and Mr. and Mrs. Don Bruns, Larity those attending were Mr. and at.

The bride is a graduate of Clovis high school and at present is employed in stenographic work in that city. The groom attended high school at both Muleshoe and Friona and has many friends here. He has been engaged in farming since receiving his Army discharge.

After several short trips here in West Texas, the couple will be at home on East Eighth street in Clovis.

Mrs. L. D. Tipton Hostess To Club

Mrs. L. D. Tipton was hostess to Sunshine Club Thursday, March 18. The Easter theme was carried out in the program. Mrs. John Ladd gave an interesting talk on Easter. Mrs. L. D. Tipton read the "Resurrection of Christ." Then all joined in singing a hymn.

A business session was held and delicious refreshments of apple pie,

coffee, and cocoa were served to the following: Mesdames C. H. Odum, J. O. Crawford, Frank Rowland, John Stamford, George Chambliss, Ike Stinson, Bobbie Hart, John Ladd, Dave Coulter, J. C. Hart, Merle Barnhouse, Nell Meeks, and L. D. Tipton.

The next meeting will be held in the home of Mrs. L. E. Ware April 1. All members are urged to be present.

Mrs. Sanders Hostess To Half Century Club

The Half Century Club met Thursday afternoon, March 18, in the home of Mrs. Jessie Sanders.

During the business meeting it was decided to hold a food sale Saturday, March 27, in the office of the Southwestern Public Service company, beginning at 10:30 a. m. After the business meeting a social hour was enjoyed by everyone.

Refreshments of apple pie and coffee were served to the following members: Mesdames Beulah Carles, Mattie Hall, Daisy Engram, Maude

CIRCUS PARTY IS FUN FOR GROWN-UPS

Pretty Barbara McCarthy of San Francisco enjoys being a career girl by day and a hostess in her own home. She likes to give informal parties that are simple and unusual, and here she demonstrates her flair for entertaining with an idea for a novel circus party for grown-ups. A circus naturally suggests clowns, popcorn and lemonade, so Barbara has planned her party around gay circus clowns for decoration, and a heaping bowl of fresh popcorn served with tall glasses of pink lemonade for refreshment. The lemonade is made with ruby-red claret to lend glamour and dramatic flavor, and painted clown faces are mounted on straws to accent the party motif.

CIRCUS CLARET LEMONADE

1 1/2 tbsp. lemon juice
1 tbsp. sugar
4 oz. Roma claret
Ice cubes

Dissolve sugar in lemon juice. Add chilled claret and pour over ice cubes in tall glass. Add chilled sparkling water or plain ice water to fill. Decorate with lemon or orange slice and serve with straws.

Jones, Jennie Panter, Anna Moeller, Alpha Julian, Laura Gilbreath, Louise Lewis, Walter Witte, Francis Williams, Etta Welch, Emma Wyr, Birdie Paul, and the hostess.

The next meeting will be with Mrs. Jennie Panter, Thursday, April 1.

Troop Two Of The Girl Scouts Met

Troop Two of the Muleshoe Girl Scouts met in the home of Mrs. Marion Harris, Monday, March 22.

The meeting was called to order by the vice president, Marion Harris. We said our honor together and paid our dues. The secretary read the minutes. Miss Clark will take Mrs. Harris' place as president, it was announced.

We played games and sang songs, accompanied by Mrs. Noel Woodley at the piano. Troop One held their play.

Those present were Ann Woodley, Ginger Gaede, Venette Wood, Barbara Douglass, Leta Allen, Bobby Bowen, Rosemary Pool, Marion Harris, Quineil Elliott, Kay Roy, Janell Green, Diana Barnett, Laura Whalin, Bettie Collins, Patsy Scarbrough, Louise Bowers, Paula Provence, Mrs. Harris, Miss Clark and four visitors.

Study Club Host At Tea, Book Review

Approximately 125 persons were present to hear Mrs. Noel Woodley review "The Bishop's Mantle" by Agnes Sligh Turnbull at the book review and tea given last Thursday night by the Muleshoe Study

SWEET AND LOVELY

Sweet and lovely, both the gorgeous gal and the charming cotton frock designed by Linsk of California. The dainty cotton poplin dress features a deep square neckline outlined by the same material in a large soft bow with tight basque waist and full gathered skirt. According to National Cotton Council fashion experts, the skirt is slashed at the hemline for glimpses of white lace petticoat ruffles, and to really make talk, there's a large bow tying the hemline up in back for a more daring glimpse of the white eyelet embroidery.

club in Fellowship hall at the Methodist church. Those present were members of the club, their guests and delegations from study clubs in Littlefield, Sudan, Friona and Farwell.

Guests were greeted at the door by a receiving line composed of the officers of the local club, Mrs. Horace Holt, Mrs. E. R. Hart and Mrs. G. O. Jennings, and of the past presidents of the club, Miss Elizabeth Bailey, Mrs. Clay Beavers, Mrs. A. J. Gardner, Mrs. Pat Bobo and Mrs. Julian Lenau.

The hall and speakers' table were decorated with pot flowers, greenery and white candles. Guests were asked to sign a guest book and were seated by members of the club.

Mrs. Horace Holt gave a welcome address and recognized the delegations from the visiting study clubs. A piano selection was played by Robert Holt and Mrs. Holt then introduced Mrs. Woodley as the speaker of the evening.

Following the review, Mrs. Holt presented Mrs. Woodley with a gift of appreciation from members of the club.

A social hour was held at the end of the evening, with Mrs. Charles Lenau presiding at the table laid with a lace cloth and centered with carnations and white tapers. She was assisted by Miss Elizabeth Harden and Mrs. M. F. Green. Punch, cake, chocolate mints and nuts were served to the guests.

TWO NEW BOOKS ARE ADDED TO LIBRARY

Mrs. E. R. Wright, librarian, reports that two new books have been added recently to the library, shelves, donated by Mrs. J. T. Shofneer.

"Immortal Wife" is written by Irving Stone and is an exciting story of early America.

"Tomorrow Is Forever" is another best seller written by Gwen Brislow. This author has written several books of interest which are "Deep Summer," "The Handsome Road" and "This Side of Glory." "Tomorrow Is Forever" is a book that will be enjoyed by many readers.

HALF CENTURY CLUB TO HOLD BAKE SALE SATURDAY, MAR. 27

The Half Century Club will hold a food sale Saturday, March 27, beginning at 10:30 a. m. It will be held in the offices of Southwestern Public Service company. Everyone is invited to attend this sale.

HOLTS VISIT HERE

Mr. and Mrs. Gale Holt, of Durango, Colo., have been visiting here with her mother, Mrs. J. B. Burkhead, and brother, Jim Burkhead and family. They visited at San Augustine with his parents, Mr. and Mrs. N. J. Holt. Mrs. Burkhead accompanied them to Denton, where she visited for a time.

RETURN FROM LOVINGTON

Mr. and Mrs. W. H. Kistler returned Monday from a visit of several days with their son, Gene, and family near Lovington, N. M.

Mu

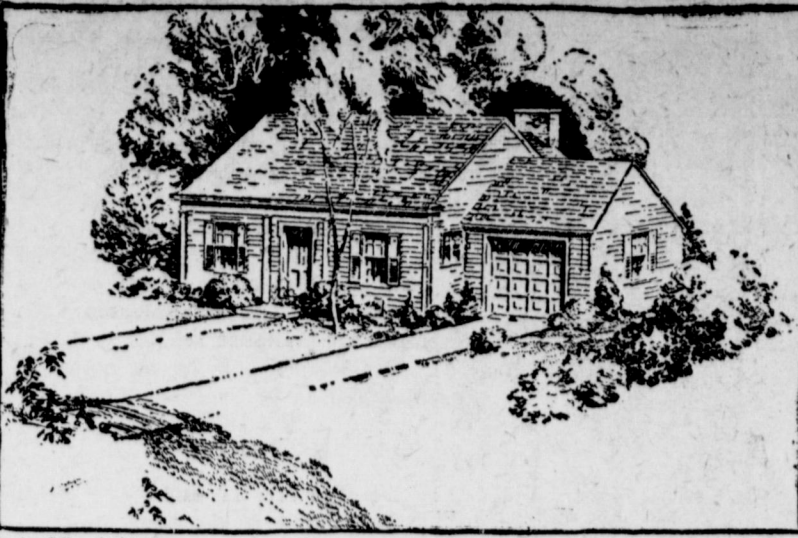

Cotton Mechanization Conference To Be Held In Lubbock Announced

College Station—The second annual nation-wide cotton mechanization conference will be held October 14-15-16 at Lubbock, Director R. D. Lewis of the Texas Agricultural Experiment Station, announced Tuesday.

Tenn. An invitation to meet in Texas was extended by the Agricultural Experiment Station and the Extension Service of the Texas A. & M. College, and by the Texas State-wide Cotton Committee.

Director Lewis said the mechanization group adopted as a theme for the 1948 meeting, "the challenge of the mechanization of cotton and related farm crops." He added that initial plans for the

A Little Gem of a House

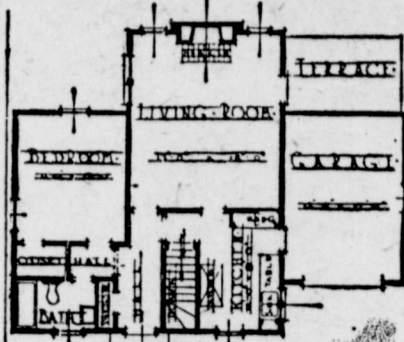

Lewis Gilles, Architect

Most American families would like to own their own homes. Of course there are some circumstances under which home ownership would not be advisable, such as financial insecurity or temporary establishment in a community due to the nature of one's job, and so on. In these cases, renting, a home or apartment is preferable, if available. But the natural desire of a family to own its own home today is due to the tremendous shortage of good living quarters at reasonable costs.

Hence this house was designed with these thoughts in mind of securing a good architect and building at reasonable costs for fair material prices. It is not much larger and just as conveniently arranged as an apartment, but with important differences. Each room has cross ventilation. There is a garage opening directly into the kitchen, a generous fireplace in the living room, and off it a sheltered terrace for outdoor living and dining.

The service rooms face the street, leaving to the living rooms the quiet and privacy of the garden exposure. Because of its rust-proof and corrosion resistant qualities Copper tube with soldered

fittings is being specified in homes of this type for hot and cold water lines, vent and waste lines and for radiant heating.

The cost of building this home will vary greatly because of the differences in labor and material prices. We suggest you consult your local building contractor or building supply dealer, showing him this house and plan. If you desire additional drawings and plans, a house pattern catalogue is available at publishers cost for 25c by writing Architectural Department, Ladies' Home Journal, Independence Square, Philadelphia, Pa.

three-day program call for a demonstration of the various phases of mechanized cotton production, and for addresses by some of the nation's leading agricultural and mechanization authorities.

Holding the conference at Lubbock will give cotton industry members from other states an opportunity to study the highly mechanized operations on the High Plains of Texas, Lewis said. Already, he pointed out, some High Plains farmers have reduced the man-hour requirements for cotton production to 6.9 per acre.

Ransom E. Aldrich, Michigan City, Miss., chairman of the permanent mechanization steering committee, advised Director Lewis that attendance at the 1948 conference is expected to exceed that of the first conference held last year at Stoneville, Miss. Nearly 1,000 representatives of agriculture, farm implement companies and governmental

agencies attended the Stoneville meeting, Lewis said.

Mechanization demonstrations at Lubbock will be under the supervision of D. L. Jones, superintendent of the Lubbock substation. They will emphasize High Plains mechanization practices including harvesting the crop with strippers, Lewis said.

Hosts to the conference will be the Texas A. & M. College, the Texas State-wide Cotton Committee and the Plains Ginners Association, Lewis said.

Texas A. & M. College members of the mechanization steering committee of the National Cotton Council include Director Ide P. Trotter of the extension service; Dr. J. E. Adams, head of the department of agronomy; H. P. Smith, research engineer, and D. L. Jones, superintendent of the Lubbock substation.

Texas Voting Power At Peak

A dispatch from Austin reveals that more Texans are qualified to vote this year than ever before in the history of the state. Comptroller George Shepard has estimated this year's voting potential at 2,250,333, basing his figure on data turned in by the various county tax collectors on poll tax payments.

In 1946, the last gubernatorial elec-

tion year, the estimated voting power of Texas was 1,838,596.

Harris County (Houston) again led counties of the state in the number of paid poll taxes with 182,742. Tarrant was second with 121,629 and Bexar (San Antonio) was third with 86,672. Two other big counties in the state are Tarrant (Ft. Worth) with 72,813 paid poll taxes and Jefferson (Port Arthur and Beaumont) with 52,398.

Figures on some Plains and Pan-Briscote 1,244; Castro 1,618; Deaf handle counties are: Bailey 2,227 Smith 2,460; Floyd 3,440; Hale 6,215; Lamb 4,939; Lubbock 19,066; Farmer 1,774; Swisher 2,445.

Justice James Hart Enjoyed Visit Here

Justice James P. Hart, speaker at a 64th Judicial District Bar Association banquet held here recently, enjoyed his Muleshoe visit, he writes Pat R. Bobo, who with Cecil H. Tate, made arrangements for the meeting here.

Justice Hart wrote: "I want to thank you again for all that you did for me when I was in Muleshoe.

"I think that you and the other members of your association are to

be congratulated on having a Bar Association with so much loyalty and public spirit. I think that the

meeting Saturday night, aside from the talk that I made myself, was most enjoyable."

BANKING'S ANTI-INFLATION PROGRAM

America's banks are doing their part. Our bank and the banks all over the country have these objectives:

1. To see that bank credit is made available to all borrowers who can increase the supply of needed goods and services.
2. To continue to discourage speculative borrowing or loans that will contribute to inflationary demand for goods.
3. To encourage thrift, regular bank deposits, and the purchase of United States Savings Bonds.

Rainbow Girls Held Initiation Services

Muleshoe Assembly of Rainbow Girls No. 161, met at their regular meeting Thursday evening, March 18, at Masonic Hall. All officers were present with the exception of three.

Ollie Lou Bowen was initiated into the assembly in a very impressive manner. Service bars were presented to the officers for knowing their work.

Mrs. Ross Goodwin, Mother Advisor, appointed pro-tems for the color stations and when they have learned their work service bars will be presented to them.

Seven Masons and one Eastern Star member were present. All Masons and Eastern Stars are invited to attend all meetings.

The next regular meeting will be April 1.

Eastern Stars Attend Meeting At Earth

The Order of the Eastern Star held a friendship meeting Monday night, March 22, at Earth. About 65 members of the Eastern Star were present.

The program for the evening was carried out in the St. Patrick's day theme. Mrs. Ara Mae Jennings, District Grand Matron, of Plainview, was present and made a talk.

All members and officials were urged to study for the school of instruction to be held in Plainview in the near future.

Those attending from the Muleshoe chapter included Mesdames Irvin St. Clair, Delma McCarty, Homer Sanders, Sr., Howard Elliott, Bill Collins and Chet Lane.

BOBBY SAM DAMRON NOW A REGISTERED PHARMACIST

Bobby Sam Damron and his bride, the former Miss Elaine Jordan of Mason, returned Tuesday from a wedding trip to Louisiana, Alabama and Mississippi. They will occupy the Bobo apartment.

Mr. Damron just recently took the State Board of Pharmacy examination and is now a registered pharmacist, having passed the board with flying colors. He will be associated with his father, Joe Damron, in the Damron Drug Co. store here.

MULESHOE FACULTY IS ENTERTAINED MONDAY

The Muleshoe faculty members were entertained with a dinner given in the home economics department Monday night, March 22.

The Easter theme was carried out in the games and refreshments. The hostesses were Mesdames H. A. Owens, Leila Crimm, Lois Witherpoon, Obenhaus, and Miss Effie Childress.

TO DALLAS ON BUSINESS

Mrs. A. M. Carothers made a business trip to Dallas last week.

MR. AND MRS. HARLAN DAVIS

HARLAN DAVIS AND MISS CAMPBELL MARRIED IN DOUBLE RING CEREMONY

A double ring ceremony united in marriage Miss Betty Jo Campbell, daughter of Mr. and Mrs. Campbell of Pampa, and Harlan E. Davis, son of Mr. and Mrs. John T. Davis of Muleshoe, Thursday, March 11, at 6 p.m. Rev. H. F. Cole of Sudan officiated.

The impressive scene was observed in the room of Mrs. Davis, the groom's mother, who is a medical patient at the local hospital. Only close friends and relatives attended. Miss Winona Blair served as bridesmaid and Keltion Doty served as best man.

The bride was lovely in a bige suit with brown accessories and corsage of pink carnations. Miss Blair was attired in aqua with brown accessories and a white corsage of carnations.

Mrs. John T. Davis was attired in a lovely blue satin bed jacket with carnation corsage.

A reception honoring the wedding party was held in the banquet room of Cross Roads cafe, with Mr. and Mrs. Cecil A. Davis serving as host and hostess.

Mr. and Mrs. Davis left immediately following the reception, for Amarillo, Pampa and other points, returning Saturday evening to be at home on the farm and ranch operated by Mr. Davis, 12 miles south of Muleshoe. Mrs. Davis is a registered nurse at the Green Hospital & Clinic and will continue working there for a time.

Girl Scouts Troop Two Met Monday

The Girls Scouts of Troop Two met Monday night, March 22, at the Legion hall.

Miss Bailey was present to teach us some songs and folk dances. It was decided that each girl is to raise a pot flower for her agriculture badge.

We are going skating March 26. We will leave the school house directly after school.

Those present for the meeting were: Betty Lynn Shook, Jo Addine Wagon, Jeri Nell White, Frances Toten, Lillie Ruth Lee, Patience Templar, Jeannell Twillgear, Barbara Bowers, Holly Ann Cox, Joyce Scarbrough, Carolyn Woods, Bobbie Collins, Joyce Collins and Sydney Adair.

ATTEND PLAY

Dixie Jennings, J. N. Ware and Ollie Bowens attended the play at Lazbuddy Tuesday night.

Sophomores Held Gym Tacky Party

The Sophomores of Muleshoe High School had a tacky party in the Muleshoe gym Friday, March 19, sponsored by their room mothers, Mrs. Roy Bryant, Mrs. M. F. Green, Mrs. David Stovall, Mrs. O. C. Kirk, Mrs. L. V. Julian and Mrs. L. J. Sanders.

After playing a few games they had the grand march and the judges picked the tackiest boy and girl. They were Jeanette Kirk and Earl Ladd. Afterwards they were served cokes, sandwiches, suckers and bubble gum. They had a bubble blowing contest, which was won by Wanda Kimbrough. About 35 students enjoyed the fun and nonsense.

HERE FROM SNYDER

Mott Mills, of Snyder, Okla., has been visiting here with his brother, J. E. Mills and family.

Bettie Collins Has Theatre Party

Mrs. Bill Collins entertained Tuesday evening with a theatre party for her daughter, Bettie, who celebrated her 11th birthday.

After the movie, refreshments of fountain drinks were served in the Muleshoe Cafe to the following guests: Gaylord Tate, Charles (Butch) Lenau, John Charles Gilbreath, Wayne Bristow, Jack Jones, Stanley Fox, Barbara Douglass, Paula Provence, Theresa Winstead, Ann Woodley, Bobbie Collins and the honoree.

VISIT IN EVANS HOME

Mr. and Mrs. Will Russell and daughters, Alice and Billie Ann of Lubbock visited in the home of Mr. and Mrs. Carl Evans and family Sunday.

Ethel Lee McDaniel And Mr. Meason Wed

Miss Ethel Lee McDaniel and Mr. James Meason were united in marriage in a ceremony performed March 17 in Clovis by W. C. Trapp, justice of the peace.

Mrs. Meason is the daughter of Mr. and Mrs. Lawrence McDaniel and Mr. Meason is a son of Jess Meason and Mrs. Hazel Meason. Both attended Muleshoe schools.

The couple will be at home in Muleshoe.

SPENT SUNDAY

Dorothy Murrah and Joyce Gwyn spent Sunday in the home of Margaret Davis.

Annual Dairy Show To Begin April 10

Catalogs of the twenty-first annual Panhandle-Plains Dairy Show to be held in Plainview April 10 thru 16 have been received here.

This year's program will get underway Sunday, April 11, when preliminary tests in the annual production contest will be made. The annual Dairy Show pageant will be held in city auditorium Monday evening, followed by the queen's ball. Judging will begin Tuesday morning at 8 o'clock.

A bathing beauty revue at the Granada theatre is another entertainment feature.

MR. AND MRS. ARTHUR ASKEW HAVE NEW GRANDSON

Mr. and Mrs. Arthur Askew received a telegram Saturday night saying that they have a new grandson.

A boy was born to Mr. and Mrs. C. E. Lewis of Medford, Oregon, on March 20. Mrs. Lewis is the former Miss Viva Maye Askew.

Mr. and Mrs. Arthur Askew will be leaving within the next few days to visit the new grandson and other relatives at Creswell, Oregon.

VISITORS FROM PLAINVIEW

Mr. and Mrs. Melvin Morton of Plainview visited over the week end with Mrs. Morton's parents and sisters, Mr. and Mrs. Carl Evans and daughters.

VISIT STEINBOCKS

Mrs. Magdalena Mehl and Mrs. Lornie Mehl who have been visiting Mrs. Alma Steinbock and other relatives have returned home.

What Sort Of Year Did Wind Foretell?

Does anybody know from which direction the wind was blowing at daylight Monday morning? It's quite important to know, because an old Indian legend says:

"If the wind at sunrise is from the East or Northeast, the area will have bumper crops. 'Should the wind be out of the North or Northwest, crops will be only average.

"Wind from the West, Southwest or South will be bad and crops will be burned up. A Southwest wind at sunrise on March 22 means a poor crop year."

The legend was reprinted Sunday by the Lubbock Avalanche, which paper, however, despaired of getting anyone in Lubbock to be up and about at such an early hour to observe the wind. Anyone here know about it?

Mostly Static

By Berry

Howdy Folks: We recently read the statement of a clothes designer who claims that nothing peps a man up as much as a red suit.

It occurs to us that a guy named Joe thinks so, too.

And, as a random thought, it is hard to tell whether the World War bled Europe white or Red. Of course Fascism was dictated but not Red. (Pretty deep).

On the other hand, just because a man paints the town red is no sign he's a communist.

But in spite of all the jokes, our country started out as a red nation. You remember the Indian, don't you.

And now that we're down to the serious part of this column, we'd like to have you remember us next time you need Electric Lighting Fixtures. Come in and see our lighted display.

FISHING IN FLORIDA

The Journal has received a card from the S. E. Gouchers from Miami Beach, Fla., saying: "Having a lovely time. Went out fishing on the Keys Tuesday. Doc caught 12 nice Red Snappers and Yellow Jack fish. They are both very pretty fish and very good. Wished for our friends as we had a fish fry and lots to waste."

PLAN HOME EC BUILDING

The State Home Economics advisor or of this district spent last Monday in Lubbock assisting architects in planning the new Home Economics Department for Muleshoe high school. This department will be one of the most modern of its kind in this country when it is completed.

school. This department will be one of the most modern of its kind in this country when it is completed.

PROGRESS NEWS BACK FROM IOWA

Mr. and Mrs. J. J. Gross and son, George Gross and daughter, Mrs. Albert Davis, returned home from Glidden, Iowa, where they attended the funeral of Mr. Gross' brother, Julius Gross, of Chicago, last Sunday. They reported a lot of snow all along their entire route.

Mrs. Walter Steinbock and Mrs. Truman Gleason went to Clovis Saturday to do some shopping.
