CISCO ELEMENTARY SCHOOL CHOIRS entertained with Christmas Carols at First National Bank this week. Shown in the above photo are the Kindergarten Choir performing Monday morning. The first grade also sang Monday; third and fifth grade — the fourth grade sang at 9:30 a.m. Wednesday; and the second grade will sing at 10 a.m. Thursday.

CISCO Goodfellows Will Distribute Baskets To Needy Families Friday

In order for the employees of the Cisco Press to spread Christmas with their families the office will be closed Monday, December 24 and Tuesday, December 25. The paper that you usually receive on Wednesday will be published on Thursday, December 27.

Deadline for the Thursday edition will be 10:00 a.m. Wednesday, December 26 for all classified ads and newspaper items. Display ad should be received before 8:30 a.m. Wednesday.

The following week we will also be closed on Monday, December 31 and Tuesday, January 1 for New Year's Day.

These deadlines will apply as the previous week.

'CHANGE THE THINKING FROM RECESSION TO A POSITIVE, SUCCESS ROLLING. THEY COULD BE THE CATALYST.'
Letter To The Editor

Dear Editor,

A number of the Most Livable Cities in America ranked highly with these characteristics: high rankings in safety and health, low traffic congestion, high scores on education, and low crime rates. The concept of "livability" is critical in today's world. How well a community is doing in these areas will make all the difference in the world.

Donald E. Gaver

Post Office Window Close Early Monday

Program Planner for the First Quarter

To all cheeses, beginning Jan. 25, please be sure to wash the dishes immediately after eating.

The Observer (CISCO) is a member of the Yellow Press Association, Inc. 1990, a group of publishers throughout the nation which are dedicated to the high standards of the newspaper industry. The Observer is a community newspaper dedicated to providing the best possible news coverage for the people of Cisco. The Observer is the result of the efforts of a dedicated group of volunteer editors and writers who work tirelessly to bring you the latest news and information about our community.

Letter to the Editor

Everyone who has been to Cisco has seen the beautiful, old Crosby Hotel. It is a historic landmark and a source of pride for the community.

Over the years, the hotel has undergone several renovations to keep it in good condition.

In 2010, the hotel underwent a major renovation, which included updates to the rooms and public areas, as well as improvements to the hotel's exterior.

Today, the Crosby Hotel is once again a popular destination for tourists and local residents alike.

The hotel's historic charm and convenient location make it a great place to stay during your next visit to Cisco.
Many Contemporary Holiday Traditions Begin In The Home

Sometimes, days are getting shorter. Twilight comes earlier, swiftly, and the deep, monochromatic blue of the evening sky is shorter. Twilight comes early, and Christmas is indeed coming, and the winter chill in the air frosted, as snow hovers over, season.

Some families go out each year to nature’s farm, where they can select the perfect evergreen, cutting down themselves. Others make a ritual of decorating living room in their homes in front yard, with garlands of lights to beguile the eye, and boughs of holly and berries to grace those halls that haven’t migrated to visit throughout the winter.

Indeed, the traditions of Christmas are many and varied, each one an invaluable part of the season. Yet, each individual family has its own traditions, too, and it is these that are often the most treasured.

Some families start by Christmas without Grandma’s favorite special recipe, another scheduled an afternoon of baking that they can enjoy together. While moon lights the oven and completes the process, the kids happily roll out, cut, and later decorate, their own gingerbread men.

Our Christmas Present to you..... A Guide To a Happy Life

There will never be enough time to give a gift to a person. Resolve therefore to maintain a reasonable sense of values.

One day of the week, you might feel you are giving away part of your life. Resolve to be cheerful & helpful. People will repay you in some small way. In this way you can achieve a sense of continuity and stability.

Some families keep a living room indoor during the holiday season, then plant again after all the Christmas decora-
tions have been taken down. Other dry the branches and make cards out of them, saying they achieve a sense of continuity, something that is very much at the heart of the Christmas spirit.

Various traditions are the centerpiece of one family’s holiday festivities. Each Christmas Eve, after Midnight Mass and a late supper, everyone hurries about, hiding store cards in the hall, hoping stockings that have been hung carefully on the fireplace.

Some families hang up pictures of Christmases past each Christmas, others have evenings of caroling; culminating around Christmas; others have evenings of entertainment growing as the family tradition.

Quigley Down Under' Begins Showing At Majestic Friday

Selkirk as Matthew Quigley is probably the most famous Wyoming sharpshooter ever known. He soon became a well-known Australian work for a wealthy rancher Alan Rickman and was not the only trouble that he had in Wyoming. He is the only true- for-his-friends, a sparrow of a man in an atmosphere of loving and giving, caring and sharing, a man that is old as Christm as itself, yet forever new.

Selkirk is Matthew Quigley to the find that the tradition of Christmas is many and varied, each one an invaluable part of the season. Yet, each individual family has its own traditions, too, and it is these that are often the most treasured.

Fishing Outdoors
By Terry L. Wilson

FISHING OUTDOORS

The 4th Season Fishing is no longer spring/summer sport. The times have changed, and cold-water fishing has been a real boon. Sport fish, such as salmon, trout and bass, are much easier to catch in the cold months. Today, the fishing techniques used by anglers are much more advanced and are designed to catch cold-water fish. The techniques used in the 4th Season Fishing are designed to eliminate the problems associated with catching cold-water fish. The new methods are designed to target different species of fish, such as salmon, trout and bass, and are much more effective than traditional techniques.

Berkley, a well-known manufacturer of fishing equipment, has recently introduced a new line of cold-water fishing gear. This line includes new fishing rods, reels, lines, and accessories that are specifically designed for cold-water fishing. The new line of Berkley gear is designed to give anglers a competitive edge in the cold-water fishing arena.

The new line of Berkley gear includes a new fishing rod series, a new reel series, and a new line of fishing accessories. The new fishing rods are designed to be lightweight and durable, and are available in a variety of lengths and actions. The new reels are designed to be smooth and powerful, and are available in a variety of sizes and gear ratios. The new line of fishing accessories includes new lures, hooks, and leaders that are specifically designed for cold-water fishing.

Hance Opposed To Fifty Cent Tax On Gasoline

Texas Gas Production Down In September

Texas Gas Production in September was just one of the many suggestions that were offered in nation-wide hearings held by DOE over the past year. Hance added, "Instead of using the work out idea of making some to solve every problem, I believe that a national energy policy must focus on increasing domestic energy production. We must realize that the nation's energy needs must be met by the production of domestic energy, rather than a continued growing dependence on foreign supplies. Our national defense will continue to be jeopardized until this problem is solved. The need to assure our nation's future domestic energy supply is made very obvious by the current Middle East crisis."

"Skiing is Believing," Shamu

The Sea World onion includes the Sea World of Texas as an "extraordinary show" due to its "extraordinary" variety of marine life. Because of size limitation for float conditions, the Sea World was voluntarily disqualified in entry from judging.

"We're excited about participating in one of the most prestigious and antique events of the year," the Tournament of Roses Parade, said Sea World's Thomas, vice president of marketing.

"Our float, Skiing is Believing," featuring nine Sea World animals and the best way to show off the group of animal characters is to show off the "best other than ever."

Sea World's Rose Bowl Parade for the first time to 1989. That year the park's "Slay For Fun," was awarded the Tournament of Roses Trophy.

The float which black and white killer whales, decorated with a mixture of black and red roses, was judged through the Sea World's holiday parade.

"But a safety bell still rings, " warns Bob Winstead, SAFETY BELTS, WILL IMPROVE Odds During Accidents"

A safety belt won't keep you from being a wreck, but it will improve your odds of survival.

"Back up can make it the difference between being a survivor and being a victim," a safety belt artist for Texas Safety Artistic Works. Artist of Novus Co. Nearly 50 people in more than 5,000 tan hours will be participating construct this year's Sea World's entry. The park's float consists of a variety of flowers, ranging from Persian Poppies imported from Belgium to Black Tie geraniums and thousands of white roses. Twice the Tournament of Roses Parade will be featured on ABC, CBS, NBC and Fox networks, plus network specials on the Sea World parade in the United States.

The 1985 Tournament of Rose Parade will be featured on ABC, CBS, NBC and Fox networks, plus network specials on the Sea World parade.

Minnie Litton Beck Celebrates 100th Birthday November 30

Minnie Litton Beck was born Minnie Eldora Flournoy November 30, 1910, in Clint, Texas, to Minnie and Clinton Litton, Sr. She was the oldest of four children. Minnie’s sisters were Jewell, Sallie, and Hazel Litton. She was the middle child, and her brother was Charlie. Minnie met and married Clinton Beck in 1930. They had two children, Charlie and Anita. The broth- ers were Billie, John, Joe and Cliff. Minnie’s mother was Woodrow Beck and her father died. She and three of her sisters lived in Clint, Texas.

Minnie married at the age of 18 and moved to the outskirts of Texas. School of Bullock, Stephens County, was built with four rooms. Minnie taught there before she married. She was a good teacher and had a passion for education. She was able to teach in Bullock, Texas, and eventually went on to teach in Brown County, Texas.

After starting a family, Minnie continued her work in education. She was a teacher and then a principal in several schools in the area. Minnie was a hardworking and dedicated woman, who never took a break from her responsibilities. She was known for her work ethic and her ability to teach even in the most challenging conditions.

Minnie was a member of the Texas Federation of Women’s Clubs and was active in many community organizations. She was a member of the Texas Federation of Women’s Clubs and served as the president of the local chapter. Minnie was also a member of the American Association of University Women and the Texas State Teachers Association.

In addition to her work as a teacher and a community leader, Minnie was also an avid reader and a skilled seamstress. She enjoyed reading novels and sewing clothes for her family. She was known for her generosity and her willingness to share her talents with others.

Minnie was a devoted wife and mother, and her family was her main focus. She was a strong and supportive mother to her children and a devoted wife to her husband. She was a hardworking woman who never took a break from her responsibilities.

Minnie died on September 22, 2010. She was survived by her husband of 79 years, Clinton Beck, Sr., and her two children, Charlie and Anita. She was also survived by her five grandchildren and six great-grandchildren.

In honor of Minnie’s 100th birthday, a celebration was held on November 30, 2010, at the Lott Community Club in Lott, Texas. Many family members and friends attended the celebration, and Minnie received many cards and gifts from her loved ones. She was a beloved member of the community, and her legacy will be remembered for generations to come.
McLroy-Wester

Miss Shannon Denise McLroy of Abilene became the bride of Michael Scott Wester in a wedding ceremony performed Saturday, Dec. 15, 1990, at Trinity Chapel in Lubbock. Rev. Peter Van Waade of Lub- back officiated at the wedding. The bride is the daughter of Mr. and Mrs. Charles Wester of Abilene. The bridegroom's parents are Mr. and Mrs. Don McLroy of Lub- back.

Mr. and Mrs. McLroy announce the engagement of their daughter, Shannon Denise McLroy, to Michael Scott Wester, son of Mr. and Mrs. Charles Wester of Abilene. The couple will marry at Trinity Chapel in Lubbock Dec. 15 at 7 p.m.

Daily Crude Production Average Increase In Sept.

Texas crude oil production averaged 1,743,388 barrels daily in September, according to reports released by Railroad Commis- sion Chairman Kent Hance. Texas’ September 1990 preliminary production was 1,574,300 barrels daily.

The preliminary Texas oil production figure was 1,931,500 barrels, down 141,000 barrels from August. Preliminary Texas oil production was 1,750,276 barrels.

Hance said the state’s top producing counties, ranked alphabetical order, were:

The Class A AA Championship game between DeLeon and Grov-ion will start at 7:30 a.m. Saturday, in Waco.

Dr. Thomas introd uces Kelley W ilkerson
as the new Extension office secretary.

The spirit of Christmas

The past, present and future of Christmas are celebrated by various
communities through the annual distribution of a special folder
coordinated through the efforts of the local hospita. If you have time to drop
by the hospital for a look, you will enjoy seeing all the different departments with
their unique decorating ideas, and of course you will have a chance to look in the Lobby
shop for that extra special hand crafted gift that you have always been looking for.

Again, thanks to each and every one of you who has donated
their time and effort at this busy time of year to make Christmas a little more spe­
cial for all.

Sincerely,

Albara Clayton
Administrator
Eastland Memorial Hospital

What’s an Energy Saving Plan Home? It’s a home that gives you extra comfort plus lower energy bills. So check out the features an ESP home can offer.

Attic Ventilation Proper ventilation ensures summer heat build up and moisture accumulation in winter. This will tie to the burning and its components.

Insulation Insulation in the ceiling and walls in the ESP home can cut your annual electric and ceiling loss ESP makes your home cooler in summer and warmer in winter.

Air Distribution System Connects your air ducts and proper distribution of air is important for an ESP home.

Heating and Cooling Equipment Especially your heater and air conditioner. Both of these work together to give you the comfort you demand.

Remember REDDY Supplies the energy— but only YOU can use it wisely.
CJC Is Preparing For 1991 Spring Semester
Cisco Junior College is making preparations to begin its 1991 Spring Semester. Registration for the spring semester at the Cisco campus will be held in the Hamel Fine Arts Building from 9:00 a.m. to 4:00 p.m. on Tuesday, January 15, 1991. Night registration is also on Tuesday night from 6:00 p.m. to 8:00 p.m.

Registration for the spring semester should do so prior to registration. First-time enrolling freshmen and transfer students should see the counselor located between B-1 and C-1 of the Vocational-Technical Building for assignment of an advisor. The Pre-Tasp test for course placement will be administered at 9:30 a.m. on each working day in the Vocational-Technical Building.

Registration is assigned by last name. It is very important that you register at the appropriate time. Here is the assigned time:

- 9:00 a.m. to 10:00 a.m.: freshmen and transfer students
- 11:00 a.m.: M, N, O, P, Q, R, and S
- 12:00 noon to 1:00 p.m.: T, U, V, W, X, Y, and Z
- 1:00 p.m. to 2:00 p.m.: A, B, C, and D
- 2:00 p.m. to 3:00 p.m.: E, F, G, and H
- 3:00 p.m. to 4:00 p.m.: I

Night Registration: Tuesday, January 15, 1991, from 6:00 p.m. to 8:00 p.m. in the Hamel Fine Arts Building.

Fine Arts Day: Wednesday, January 16, 1991. Descriptions will be open from 8:00 p.m. to 9:00 p.m. on Sunday, January 13. The cafeteria will open at 7:00 a.m. on Monday, January 14. Classes will begin January 16 at all locations, but late registration will continue through January 25 during regular office hours from 8:00 a.m. to 4:00 p.m. at the Admissions office on the Cisco campus.

Students wishing to register for classes at the Clyde or Abilene Centers may do so Thursday, January 10 from 8:00 a.m. to 4:00 p.m. and 6:00 p.m. to 8:00 p.m. on Friday, January 11 from 8:00 a.m. to 6:00 p.m. at the Abilene Center. The Abilene Center is located in Office Park West Building B, 209 South Davis.

Registration for the classes at Coleman will be held on Wednesday, January 9, 1991 starting at 10:00 a.m. at the Coleman High School. For more information, call the appropriate campus at one of the following numbers: Cisco (817)442-2567; Clyde (915)893-5976; Abilene (915)689-2122; Coleman (817)944-2266. Offices will be closed from December 21 and January 7.
