LITTERA SCRIPTA MANET—THE WRITTEN WORD ENDURES

MULESHOE, County Seat of Bailey County, TEXAS, THURSDAY, FEB. 26, 1942

TWENTIETH YEAR, No. 7

Broadcast Is Made By County Club Monday

The West Camp Home Demonstration club broadcast an educational program over station KP-YO, Lubbock, Monday, February 23 at 1:45 p. m.

The title of the program was "The Average American," the content of which gave the average farmer's part in the defense program; the average housewife's part; the average 4-H Club girl's part, and the average American child's part.

The parts on the program were given as follows: The average farmer by H. E. Schuster; the average housewife by Mrs. Johnnie Williams; the average 4-H Club girl by Maxine Hughes, and the average American child by Joan Williams.

The farmer's part was written to show the necessity of unencumbered production of food, feed and fiber, which necessitates better farm practices, repair of farm machinery and better feeding of livestock and poultry.

The average farmer's wife showed very forcibly that the wife of a farmer plays a big part in the defense program in procuring more food, in the care of home equipment, clothing, furniture etc., in preventing waste and in the purchase of defense bonds and stamps.

The 4-H Club girl and the average American child left no doubt that the youth of America are sincerely going about, doing their share to uphold the American standard of living and to defend our great American democracy of which we are so proud.

Salvation Army Changes Method Of Collection

Major Saunders of the Salvation Army was in Muleshoe last Friday placing sealed jars in business houses for the collection of money to be used in war work.

These jars will be replaced once each month and written receipts given to the business houses by an official of the Salvation Army. The usual collections will not be made each week as in the past, Major Saunders stated. This change is made for several reasons, the main ones being the conservation of tires, and to stop the collection of money by organizations with uniforms similar to the Salvation Army, many of which are never heard of after working the town.

The Salvation Army is again on the job with the Army, Navy and Marines, just as in World War I. For the old soldiers of that war, they seldom miss an opportunity to contribute to the collection being taken by Salvation Army representatives. There are some 25 or 30 jars in Muleshoe and for those who wish to contribute to a good cause there will be a collection jar handy. Help the boys by putting your extra pennies in these jars.

Mrs. C. E. Locke Dies At Lorena

Word was received here Wednesday afternoon of the death of Mrs. C. E. Locke, who died Wednesday at the home of her daughter, Mrs. J. D. McBrayer, at Lorena, Tex. Mrs. Locke is the grandmother of Mrs. Earl Hicks of Muleshoe.

Mrs. Locke was a pioneer resident of Bailey county and during recent years had made her home with Mrs. L. D. Tipton. She was 83 years old and although her passing was not unexpected, it was stated that she had seemed much better health a few days before her death.

Funeral services will be held in Muleshoe Friday afternoon at 3:30 p. m. with burial in the Muleshoe cemetery.

ONGHORNS ARE TRAVELERS

The University of Texas extends to all of the state a survey of distances traveled by students attending its classes indicates that 63.5 percent of its 1940 enrollment came from a distance greater than 100 miles from in.

1,601 Poll Tax Receipts Issued

A total of 1,601 poll tax receipts, including exemptions, were issued in Bailey county up to January 31, the deadline, it was announced this week by members of the sheriff and tax assessor's office.

This figure is 245 below the 1940 total of 1,846 poll tax receipts. However, it is 267 more than were issued for 1941, which was an "off" year as far as elections were concerned.

The 1,846 receipts issued two years ago set a record for the county figures disclose. Poll tax receipts for 1939 were 908; for 1938, 1,416, and for 1937, 904.

Plenty Of Sugar May Be Had For Home Canning

Housewives are going to have plenty of sugar for home canning this summer and every effort is being made to have it available. That is the assurance of J. B. Joyce, acting manager of the War Production Board's Southwest priorities field office in Dallas.

Mr. Joyce emphasizes that monthly allocations of refined sugar are taking into account the sugar that will be needed this summer for home canning. "The supply may be somewhat limited," he explained, "just as the supply for daily consumption is limited; but it will be sufficient to enable housewives to can what they need."

He added that reports have come to his office that some housewives are buying more sugar than they need for normal family use, and are explaining that they want to be sure of having enough sugar for home canning this summer.

"That sort of buying is unnecessary and it is also unwise," Mr. Joyce warns. "It aggravates a situation that already is difficult. We're making every effort to see that sugar is made available for home canning next summer and Washington advises us that the Office of Price Administration will handle its distribution."

One Of County's Oldest Citizens Dies At Needmore

Mrs. Betty Emaline Long, one of Bailey county's oldest citizens, passed away suddenly at her home at Needmore Saturday afternoon. She had been in ill health for some time, but had been able to do so.

Mr. and Mrs. Long came to Bailey county in 1922, settling in the Baileyboro community, and were active in the building up of that section of the county. Mrs. Long was loved and respected by hundreds of friends and her death was a shock to the community.

She is survived by her husband, O. M. Long of Needmore; five daughters, Mrs. Webb, Mrs. Ray Culbert, and Mrs. Pat Barnett of Baileyboro and Needmore, and Mrs. Harry Stevens and Mrs. Tessie Jackson of Amarillo; three sons, C. L. Long of Needmore, Homer Long of Melrose, N. M., W. H. Long, Goodfellow Field, San Angelo, and L. C. Long of Garwin, Calif.

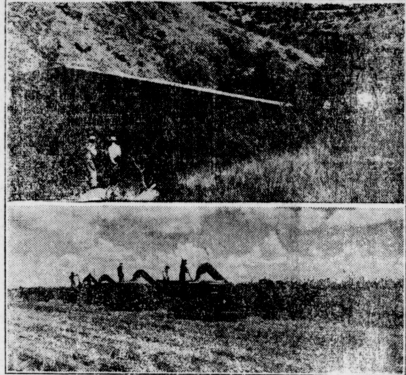

AGRICULTURAL TEACHER TO TAKE NAVY EXAM

W. F. Jones, vocational agricultural teacher in the Muleshoe high school, left Tuesday night, immediately after the FFA banquet, for Dallas, where he will take a physical examination for naval service as an athletic director. If he passes this examination he will be sent to the U. S. Naval Academy at Annapolis Md. for a course of instruction about March 15.

Mr. Jones was one of Texas Tech's great football stars, playing with the colorful teams of Coach Pete Cawthon.

Careless habits contribute to destruction of materials and property as well as the possible loss of life by fire.

AAA Aids Conservation, Production

Hundreds of thousands of Texas farmers and ranchmen took advantage of the conservation aids available through the AAA program in 1941, thus helping to improve the productivity of their lands and increasing the production of foods needed for defense.

Bottom—Silage cutters at work gathering feed to fill trench silos on the McCann ranch in Victoria county. Greater production of feed for conversion into defense foods is a goal of the Farm Defense Program.

More Than 100 Attend Annual FFA Banquet

The annual Future Farmers of America Father and Son banquet was held Tuesday night at the high school gymnasium, with about 100 FFA members and guests attending.

In addition to the regular program, short talks were made by Supt. W. C. Cox, Sam Logan, J. W. McDermott, R. L. Brown, Jack Williams and William G. Kennedy.

W. F. Jones is advisor to the local chapter and since the beginning of the school year, the boys have included in their projects the purchase of \$25.00 in Defense Savings Stamps and three \$18.50 Defense Savings Bonds.

They have 2,500 baby chicks, 22 head of beef cattle, 19 acres of cotton, eight dairy cows, 150 acres of grain sorghum, 30 hens for egg production, 23 head of lambs, 320 acres of pasture, 34 head of breeding hogs, 22 head of meat hogs, 10 acres vegetable gardens and one brood mare.

MARSHALL MORRIS MAKES HONOR ROLL AT COLLEGE

Among the students making the honor roll at John Tarleton Agricultural college, Stephenville, for the first semester of 1941-42 was Marshall Morris of Muleshoe. The honor roll was announced by the registrar, T. V. Crouse, on a recent date. To be eligible for this honor a student must make at least 30 grade points and not have any failing grades.

P. T. A. MEETING

The Parent-Teachers Association will hold its regular monthly meeting Monday night March 2, and all patrons of the school are asked to be present. At this time Jimmie Allmon of Clovis and his tap dancing class will put on a 45-minute program. These pupils have been giving special programs in Clovis for the past several months and attract large crowds to their shows.

Bailey County's Quota For New Autos Is Six

The Office of Price Administration announced county quotas for new automobiles Wednesday. Bailey county is allowed six new cars for March, April and May, these to go to eligible buyers. Of the 145,000 new 1942 cars, the actual quotas are taken from 120,000, while 25,000 are to be placed in state and national reserves.

County quotas are arrived at on the basis of 1941 new car registrations. The state reserves will afford a pool from which the state rationing administration may adjust county quotas, if necessary to the particular needs of each county. Following are the quotas for South Plains counties:

Andrews 1, Bailey 6, Castro 4, Cochran 3, Crosby 8, Dawson 16, Dickens 7, Floyd 10, Gaines 10, Garza 6, Hale 21, Hockley 12, Lamb 17, Lubbock 57, Terry 10 and Yoakum 6.

Bonds Not To Be Used Now For Road Building

AUSTIN, Tex., Feb. 23 — To prevent a possible default in payment of county and road district bonds previously assumed by the state where used in the construction of state highways, the Highway Commission has announced that it will decline to take advantage of the bond assumption law passed last September under which several millions of dollars of county and district bonds could now be used for new state highway construction.

The action of the Commission was taken in anticipation of a heavy decline in revenues from the gasoline tax due to restricted travel during the war emergency. The Commission stated it was impossible to calculate accurately the amount of income to the road bond redemption fund from the one cent of the gasoline tax set aside to service obligations made eligible by previous legislation and that it was unwilling to place additional burdens on the road bond fund in the face of declining revenues.

The law permits the Highway Commission to accept county and road district funds from bond issues where the issues were voted prior to Jan. 2, 1939. Proceeds from these bonds, when used on state highway construction, would be eligible for payment from the road bond fund on the same basis as bonds assumed under the original law passed in 1932 and its subsequent amendments. The statement of Commission policy was issued by D. C. Greer, state highway engineer, who also is chairman of the Board of County and District Road Officers.

1942 Auto Tags On Sale Soon

Twelve hundred passenger car license tags have been received for Bailey county and will go on sale this weekend at the office of Sheriff W. E. Renfrow.

"New license tags may be purchased now, but are not to be put on cars until March 1," the sheriff said. New tags must be on all cars by April 1 to avoid penalty.

Purchasers of auto, farm or commercial vehicle license must bring their certificate of title and 1941 registration receipt with them.

Bailey county's first 1942 license tag begins with the number 25,601. Last year's series began at 20,000. This year's passenger tags have black numerals on a yellow background.

In addition to the 1,200 passenger car tags, 300 farm and 200 commercial vehicle tags have been received for sale in this county.

Naval officials have given orders that 91 Naval R. O. T. C. cadets at the University of Texas will make a cruise this summer with ships of the Gulf Sea Frontier Command.

Future Of Marketing Co-operative To Be Decided At Meeting

Floydada Wins Bi-District Cage Title Thursday

Paced by Conway, sharp-shooting forward, the Floydada Whirlwind unleashed a potent fourth quarter scoring attack here Thursday night to forge far ahead of the Muleshoe Yellowjackets and win the bi-district championship. The score was 38 to 22.

Floydada won the first play-off game from Muleshoe on the Floydada court Tuesday night of last week by a score of 36 to 27. As bi-district champions, they will play the Lakeview (Hall Co.) team to determine the regional championship and the right to compete in the state tournament at Austin.

The Yellowjackets started strong Thursday night, Sam Darnon sinking a short one just after the opening whistle. Boteler and DuBois of Floydada knotted the count on charity tosses, and DuBois sunk another free one to put the Whirlwind ahead, 3-2.

Spud Thomas threw a ringer to put the locals back on top, but the Whirlwind went one up with Conway's "crip" shot. Bosh Lowry shot one from the field to put the Jackets back in front, but Rushing, Floydada guard, registered with a long one just before the first quarter whistle and the visitors led 7 to 6.

The Whirlwind started hitting them from all angles to take a nice lead in the second quarter. Conway hit two field goals and Boteler made one, and DuBois scored a free shot to lengthen the lead to 15-6. Lowry made a free throw to make the score 17-14. Spud Thomas threw a ringer to bring the count to 15-9. Conway came through with another field goal to make it 17-9, but the Jackets pulled up to 17-11 on Darnon's field goal just before the half ended.

The second half opened with the Jackets controlling the play. Thomas made a field goal and a free throw to make the score 17-14. The visitors went another two points in front on Conway's field goal, but Garth hit a free one to make it 19-15. Conway tossed a charity shot and Lowry hit a field goal and the score was 20-17. Thomas and Lowry made free throws and Lowry hit a bucket from the field to put the locals ahead 21-20. The Whirlwind went back on top, however, just before the end of the third quarter when Boteler sunk a field goal.

Thomas knotted the count at 22-21 on a free pitch early in the final stanza. Conway made a field goal to put his team back in front 24-22. The Jackets pulled up another point on Darnon's free throw, but it was the last counter made by the Muleshoe team, and from there on it was all Floydada.

The locals were weakened thru the loss of Pinky Barbour and Weldon Stauder on personal fouls, but Garth and Gordon, who took their places played good games. The Floydada team lost Chowning, guard, via the foul route.

LARIAT RESIDENT MARRIES FEB. 4 AT CLOVIS

Miss Leolat Vaughan, daughter of Mr. and Mrs. Charlie Vaughan of Texico, and Herbert Harmon, son of Mrs. Zona Harmon of Lariat, were quietly married February 4, in a double ring ceremony in Clovis with Rev. E. J. Speagle officiating.

Miss Inez Billington, former classmate of the bride, was maid of honor, with Walter Hurst, a close friend of the groom, acting as best man.

Graduate of the Texico high school the bride until her marriage was employed at the Hotel Clovis Coffee Shop. Harmon has for some time been connected with the elevator at Lariat. They are making their home in Lariat.

Victory: Buy Bonds

The future of the Muleshoe Truck Growers Cooperative will depend entirely upon the amount of interest shown at a meeting to be held Friday night, members of the board of directors have announced. The meeting will be held in the district courtrooms and will get underway at 8 o'clock (war time).

Every truck grower and business man interested in the co-operative plan of marketing are urged to attend the meeting. A member of the board of directors said Saturday that unless a reasonable amount of interest is shown at the meeting plans for the operation of a cooperative marketing association here will be abandoned.

Lengthy strides already have been taken toward perfection of the association and it is hoped that a large turn-out will be on hand Friday night to assure further steps. The association has been incorporated and money is available for purchase of land on which the necessary buildings will be constructed. Agencies of the Federal government have promised to assist in financing cooperative providing a sufficient amount of interest is shown by farmers and business men.

"Everything possible toward organization of the co-op has been done," one of the directors said Saturday. "All we need now to set the plan in motion is wholehearted cooperation on the part of the truck growers and merchants."

Information concerning similar organizations operating at House and Portales, N. M. has been obtained by the directors and will be presented at Friday night's meeting.

Members of the board of directors are Neil Rocky, S. E. Couetter, R. E. Freecure, C. A. Barnett and Levi Churchill.

Stenographer Of District Court Joins U. S. Navy

PLAINVIEW, Feb. 23 — It's the U. S. Navy for Jim Norman, court stenographer for the 64th Judicial District. Norman has temporarily resigned his position and on Monday, February 16, he reported to the naval recruiting office at Dallas where going New Orleans where he will assignment as First Class Y man. He has been accepted enlistment in the Naval Reserve Corps.

Norman has been court stenographer here two years, part of that time serving as grand jury reporter in Tarrant county. "I am temporarily resigning as court reporter only because I feel I can be of some assistance to my country," Norman said to a Herald representative on leaving.

"My association with the officers, including the district judge, district attorney, lawyers, clerks and all other officials over the district, as well as the jurors, has been most pleasant, and I have at all times appreciated their consideration and help in my work."

"I am making this move purely because I believe that I can render beneficial services to my country, and believe that I leaving the position of court reporter only temporarily. Judge Russell has told when I return my job will wait."

Mrs. Norman, who has been taking a business course, will remain here temporarily with her parents, Mr. and Mrs. C. C. McGlown, he said, until he gets down to New Orleans and sees what his duties are and where he will be stationed.

MUST ABSORB WORKERS

American industry will have to absorb trained four and five million trained workers during the next year to keep up expanded war production, according to opinions expressed by Dean W. R. Woolrich of the University of Texas College of Engineering.

? YOUR NAME ?

By CHARLES DIDWAY

CARTER

This is a Welsh and Gaelic occupational name, presumably from "cart" (small wagon) the designation of one who drives a cart. Sometimes it is a variant of Carder, designating one who cards wool.

When the English parliament attempted to force Irishmen in England to take English names in 1465, many McCarthys changed their name to Carter. The change did not last, however, for a century later English authorities complained that "the Irish have become as Irish as ever."

Miss Elizabeth Carter (1717-1806) was an English poet and translator.

WASHINGTON

The name of the "Father of His Country" comes from the town of Washington in Sussex, England. Upon early maps, the name Washington is spelled Westington, indicating its derivation as "wes" (west) "ing" (meadow) and "ton" (town): "the town at the west meadow."

HARDING

An English local name, Harding is derived from the Old English "har" (an army) and "ing" (field, meadow): "the field of camping place of the army." Another possible derivation is from "heard" (a herd) and "ing" (meadow, pasture): "the meadow where herds are pastured." Warren G. Harding was the 29th president of the United States.

NYE, NEY

Formerly written "Atten ey" (at the island) this is an English local name, designating the place of residence of an ancestor. The last letter of the first element and the second element of "AtteNY" became coalesced to form the surnames Nye and Ney.

the North 348 Acres of 5, All in Block F, Leon Blum, Original Grantee;

containing some 72,000 Acres of land more or less, alleging additionally that plaintiff has title thereto under the three, five, ten and twenty-five year statutes of limitation; that the defendants actually own no interest therein and any apparent interest should be removed, so that the same shall not hereafter constitute a cloud upon plaintiff's title; and seeking recovery of the title to and possession of the lands and premises above described, together with the removal of any apparent clouds upon the title of plaintiff, damages in the sum of \$10,000.00, costs of court and general relief.

Quitting Time?

... Not for Us

QUITTING time doesn't mean a thing to your Electrical Company. Twenty-four hours a day, every day of the year, it brings better living to thousands of homes at the snap of a switch. It serves equally in industry, working as one of the most versatile tools ever given man's hand.

In this time of stress, when our whole country is devoted to production, when in the Electrical Industry are proud of the part Electricity is playing in making this land of ours a safer place for democracy. We are proud, too, that we were not found wanting when we were called on to serve.

No quitting time for the buying of U. S. Defense Bonds, either!

Local Happenings

E. C. Smith of Las Vegas, N. M., was in Muleshoe Tuesday night and Wednesday, visiting with relatives and greeting old friends. He was accompanied by his young daughter, Kayla Ann.

Mr. and Mrs. Lee Snyder, accompanied by Mr. and Mrs. Young of Salinas, California, were guests in the home of Mr. Snyder's aunt, Mrs. Belle Snyder, last Thursday. They left for Carlsbad Caverns Thursday evening, and upon returning to California, Mr. Snyder will enter the navy for active duty.

Rev. Sharp and J. B. and Helen of Littlefield, were here Friday night to attend the opening of the new Valley theatre.

Mr. and Mrs. Glenn Edwards were in Muleshoe Sunday, bidding good-bye to their many friends before leaving for Oswego, Kansas. They have been in Sudan since the first of the year, conducting a circulation campaign for the Sudan News.

Others from Littlefield who attended the opening of the Valley theatre were Jimmie Singer and family and Dr. Ira Woods and family.

Ex-students of West Texas State College will have their annual dinner on March 2, at Lubbock. The affair will be held at the Mexican Inn at 6:15 P. M. The dinner is to be in honor of the faculty members who will be in Lubbock at that time. All ex-students of the South Plains are urged to be present.

Bert Renfrow left Monday afternoon for Dallas, where he will report for duty with the U. S. Navy. Bert has been waiting for travel orders for the past month, having passed the last examination on time ago.

Miss Hattie Ray Griffiths visited in Dallas Saturday.

Miss Mary Hester Glaze was home from school at Canyon Sunday visiting her parents, and friends.

Claude Riley transacted business at Lubbock Monday.

W. G. Harlan, who is attending Texas Tech, Lubbock, spent the weekend here.

E. P. Ripley, Tucumcari, N. M. attorney, was a business visitor in Muleshoe one day last week.

Don and D. E. McDonald of Altus and Tipton, Okla., were in Muleshoe on business Friday.

Sturgis Hall of Clovis visited in the home of Mr. and Mrs. Clinton Bristow Sunday.

F. C. Skeeters went to Lubbock Sunday to meet his wife who was enroute home from Idalou where she had spent a week visiting her parents.

Mr. and Mrs. A. E. Schmitz are

the parents of a son, born Feb. 16 at a Clovis hospital. He has been named John Andrew.

Mr. and Mrs. A. E. Long were Hereford visitors Sunday.

Sandra Pike, small daughter of Mr. and Mrs. Clyde Pike, received treatment at the local clinic the first of the week.

Mrs. Clinton Bristow, Mrs. Woody Lambert and Mrs. Houston Hart were in Clovis Thursday of last week.

Mrs. Clay Beavers returned Saturday night from Hot Springs, N. M., where she had spent several days.

Mr. and Mrs. Curtis Andrews left Monday for Pine Bluff, Ark. to visit Mrs. Andrews' parents.

WESLEYAN GUILD HELD REGULAR MEETING FEB. 23

The Wesleyan Guild met February 23 at Fellowship Hall with Mrs. Houston Hart and Mrs. Francis Gilbreath as hostesses. After listening to the speech of President Roosevelt, Mrs. Noel Woodley gave a review of two chapters of "Dangerous Opportunities."

The next meeting will be on March 9, with Elizabeth Harden and Helen Jones as hostesses.

J. J. COKER AMONG THOSE HELD AS JAP PRISONERS

Among those Americans listed recently as being held prisoners in Japan was the name of J. J. Coker of Muleshoe. Mr. Coker is the son of Mr. and Mrs. V. D. Coker, who live about twelve miles east of town. It was stated that he had been with a construction company on Wake Island for about two years, having gone there with some of the first workmen to start construction for the government.

FISHER FRANKS NOW RESIDING AT ODESSA

A card from Fisher Franks asks that his Muleshoe Journal be sent to Odessa, Tex. Mr. and Mrs. Franks left recently, after a residence of several years in Muleshoe.

Mr. Franks was local agent for Dalby Freight Lines, a job he handled so satisfactorily that everyone had considered him and Mrs. Franks as permanent citizens. However, war conditions made it necessary for the company to make changes, and they were transferred to their present location. Everyone sends regards.

TEXANS PREDOMINATE

Of 11,300 students registered in the University of Texas at Austin in 1940-41, 8,728 were natives of Texas.

MULESHOE TEXAS

Odom and Pearl Cox, all of Baileyboro, were Bailey county filibusters Sunday. They explored Heifer Lakq and adjoining country on horseback.

Miss Rita Lea Dodson and T. S. Ballew were married at the home of the bride's parents Wednesday night.

Mr. and Mrs. W. D. Newman of Progress moved to their new home, the Swanson place, last Saturday.

The Muleshoe High School Glee Club was organized last Thursday. Vance Waggon was elected president, Darrell Dale, secretary and Rufus Gilbreath, news reporter.

Leta Mae Evans, 14 years old, left Tuesday for Plainview, where she is in a critical condition at a hospital.

TEN YEARS AGO
(From files of Feb. 25, 1932)
N. L. Lambert and Miss Gladys Fuller were married at Clovis, N. M., Saturday night. They will make their home in Muleshoe.

The funeral of Robert Kimbrough, who died Monday at a Plainview hospital, was conducted here Tuesday at the Methodist church. He was a former citizen of Scurry county.

The Muleshoe school is in re-

ceipt of five nice Chinese elm trees, the gift of the local American Legion post. They were planted Monday on the school campus.

A marriage license was issued Thursday of last week at Clovis to Elmo Stevens, Muleshoe, and Miss Sena Winingham, Earth.

FIVE YEARS AGO
(From files of Feb. 25, 1937)
Funeral services for John J. Wilson were held Tuesday afternoon at Progress, with interment in the Muleshoe cemetery. The services were conducted by Rev. H. H. Copeland, Baptist pastor.

Miss Tony Wilson and Frank Moore, both of Hale Center, were married Saturday evening at Clovis. The bride formerly lived in Muleshoe, where she was employed at the St. Clair Variety Store.

A large number of friends gathered at the home of Mr. and Mrs. L. R. Hogan February 21 to give Mrs. Hogan a surprise birthday dinner.

Mr. and Mrs. S. R. Little went to Anton Monday to attend funeral services for Mr. Little's nephew.

"HERE COMES CHARLIE" IS JUNIOR CLASS PLAY TONITE

Thursday night (tonight) is the big night. Charlie is coming, and only for one evening! Shortly after eight o'clock the curtain will open on one of the funniest three-act plays that has ever been given in Muleshoe. "Here Comes Charlie," starring the best dramatic talent of the Junior Class, is a laugh from start to finish. Nobody is going to want to miss this comedy, and at popular prices, everyone can spend a most enjoyable evening. The High School auditorium is the place, eight o'clock is the time, and tonight is the date. Don't miss "Here Comes Charlie."

These services will be every Wednesday night until Holy Week.
Sunday, March 1—
Sunday school and Bible class at 10:45 a. m.
Divine Service at 11:30.
Walther League business and topic study Sunday night at 9 p. m. Topic is "Living in the Church—Your Liturgy."

"Thou shalt worship the Lord thy God, and Him only shalt thou serve."—Matt. 4:10.

FELLOWSHIP MEETING IS HELD AT LONGVIEW

Men of the Longview community and several visitors gathered for a Fellowship Meeting Friday night at the Longview Baptist church. A chili and bean supper was served. Services were held under the direction of Hardy Stephens, pastor, and Lowell Ponder, district missionary. Services were also held Saturday night, Sunday and Sunday night, with dinner served on the grounds Sunday at noon.

Salvation Army Makes Plans For Emergency

Maj. Margaret Saunders, commanding officer of The Salvation Army at Littlefield, has just returned from a state conference conducted by Col. William George Gilks, divisional commander for Texas, held at San Antonio. The major portion of the time was spent dealing with spiritual matters, since the feeling is widespread among religious leaders that with the coming trying days, much spiritual help, comfort, and guidance is going to be needed, and all ministers and church leaders are preparing themselves to meet this challenge. One session was spent in instruction and direction as to how best to serve the community in the present crisis.

Colonel Gilks ordered all officers in Texas to be ready for any emergency that might arise. While the danger of air raids, and so forth, is not so great in this section as in other parts, it is still possible a bomb might be dropped by a fleeing plane in an effort to gain speed, and the enemy would not be concerned as to whether said bomb landed in Muleshoe, Littlefield or a cotton field.

All Army buildings are to be made available as emergency centers immediately, and cots, blankets and first aid necessities are to be secured or kept available.

All officers, soldiers and adherents are to be listed and instructed in certain duties and specified responsibilities. In Littlefield, a weekly class in first aid is to be started, and all adults and older young people will be instructed.

The state is divided for the purpose of emergency, in to zones which would go into action as a unit.

This section, called Zone One, takes in five corps, Amarillo, Pampa, Lubbock, Plainview and Littlefield.

Adj. William Johnson of Amarillo is zone major. He will be assisted by Capt. Herman Lambrecht of Lubbock.

In the case of an emergency in any section of the above territory, the facilities of the entire zone will be at the disposal of the zone major and the local defense board or council. This applies to cars, trucks, buildings, as well as to personnel. In some centers, portable canteens have been installed in army trucks, and in some instances have already been called into service as aids in the case of bad fires.

CARD OF THANKS

We wish to express our sincere thanks for the many acts of kindness shown us during our recent bereavement. May God bless you all.
