AN OPEN LETTER

Dec. 2, 1936
North Pole,

Dear Mack & Gaston—

Enclosed find check to cover subscription to the Quitaque Post for another year. I find by taking the Post I can get the letters sent me easier and in less time if you publish them. So please tell the kiddies to write me in care of the Post, and I will read every one of their letters. Have them write me early, so I can have their Christmas presents ready in plenty of time.

As I am going to be heavily loaded this year, I will watch the advertisements in the Post, and buy lots of my presents in Quitaque. I will check every ad and write ahead to the merchant to put the article back so I can pick it up when I get to Quitaque.

This is going to be a big Christmas, and I'll be seeing all the kiddies pretty soon. Tell them all hello for me.

J. W. Ewing Honored Monday With Supper

Mayor J. W. Ewing was honored, as well as surprised, by a host of friends at a birthday supper Monday evening. We came to supper the strains of "Happy Birthday to You" came from the dining room where thirty-one guests were assembled around two long tables.

The tables were decorated with cedar and fall dried flowers. The lighted tall red candles lent a soft glow to the interior of the room and made everyone feel that they were truly at the festive board.

Those enjoying the evening were Mrs. and Misses A. L. Patterson, Larry Bailey, H. G. Gardiner, C. H. Gregg, Lee Gregg, Chas. Walden, E. A. Puckett, Jim Tunnel, Bill Middleton, E. W. Scheid, O. S. Cutbirth, E. G. Rice and Dr. and Mrs. E. C. Price.

Those assisting Mrs. Ewing in giving the dinner were Miss Jeanne Puckett, Miss Bernice Puckett and Miss Mary Lucy Montgomery, who decorated the interior.

SUPERINTENDENT OF M. E. ORPHANS HOME HERE

He spoke at the local Methodist church Sunday morning, telling of his work. The Johnsons left for home Sunday afternoon accompanied by Mrs. Johnson parents, Mr. and Mrs. J. B. Buck of Denton, who have been visiting with their daughter, Mrs. Hamilton, for the past several weeks.

Santa To Return To Plainview On Next Wednesday

Santa greeted thousands of his friends, old and young, when he made his official visit to Plainview on Wednesday. He gave the kiddies candy and fruit, was welcomed by city and county officials, and opened the Christmas season with a big flourish.

The Friendship Day Committee at Plainview has persuaded Santa to remain over until next Wednesday to participate in further Christmas season plans, and the old fellow will be on hand to welcome visitors to Plainview on next Friendship Day.

Plans for December 9th include another window guessing contest with substantial cash awards. This is a very novel contest used last year at Muskogee, Okla., with great success. It's lots of fun and very much worth while for the winners. This contest will be in progress throughout the day.

At 3 o'clock in the afternoon at the bandstand, weather permitting, or at the City Auditorium if the weather is inclement, more than one hundred items of merchandise will be awarded those who have registered in the stores during the day up to that hour. This merchandise will be carefully selected so that each item will be generally acceptable. It will all be clean, new merchandise, not odds and ends that have failed to sell.

Street lights will be up, sidewalk Christmas trees will be in place, and next Friendship Wednesday promises to be as interesting as was the big opening program this Wednesday.

Men make considerable fun of the effort of the women to conceal their age, but the most subtle compliment you can hand a man past fifty when he tells you his age is to express surprise.

Quitaque Basket Ball Teams Play Happy Saturday

Saturday night, on a foreign field, the Quitaque Pantherettes and Panthers will officially open the basketball season of the year, when they meet the Happy teams. The game will be played at Happy.

Happy has always presented a fast-stepping team on the hardwood floor, and this will be a hard hard opening task for the Quitaque teams.

Miss Wanda King and Roy Morris, coaches of the Pantherettes and Panthers respectively, are optimistic over their prospects for good teams this year. While it is a little early for the coaches to tell how strong their teams will be, they both expect a winning group.

The girls have been working hard for several weeks and are ready to meet the Happy team. The boys have been putting in double time since the closing of the football season, to be in shape for this battle.

The local schedule is far from complete at this time, but both coaches expect to show their teams to the home fans in the very near future. Watch for the date of the opening basket ball games in Quitaque.

Junior Culture Club Met Tuesday With Nora Ford

The Junior Woman's Culture Club met Tuesday evening with Miss Nora Ford.

A very interesting program was presented on "Mrs. Franklin D. Roosevelt," led by Minnie Mae Roberson. The roll call was answered with "The names of former President's Wives."

"How Mrs. Roosevelt's Charities Have Benefitted American Civilization" was given by Mrs. A. C. Bickford, Jr., followed by a sketch of Mrs. Roosevelt's social life by Miss Maudie Meredith.

Those present were: Nora Ford, Seney Persons, Mary Ollie Persons, Ila Steele Patterson, Mary Rucker, Myrtice Hadaway, Maudie Meredith, Ruth Norton, Minnie Mae Roberson, Mable Atkinson, Mrs. J. W. Lyon, Jr., Mrs. A. C. Bickford, Jr., and Mrs. Frank Gillespie.

Approaching Marriage of Ila Steele Patterson Is Announced Friday

A lovely event of the season was the Tea given by Mrs. A. L. Patterson at her home Friday afternoon, announcing the approaching marriage of her daughter, Ila Steele, to Jack Grundy of Shreveport, La. The wedding will be an event of December 27th.

Miss Patterson, wearing a tea gown of black velvet, assisted her mother in receiving the guests. Mrs. Patterson wore a black crepe tunic dress with white trim.

Presiding at the tea service in the dining room, were Misses Lucille Persons who poured and Miss Isabell Price who served the dainty refreshment plate. All appointments stressed a pink and white color note. The table was covered with a white lace cloth over pink, and the centerpiece was a beautiful Black Zennia. Pink and white ribbon sandwiches and angel food squares iced in pink carried out, further, the chosen colors. The wedding announcement was made in the form of a diploma, tied with pink ribbon, stating that the parties in question were entitled to the degree of matrimony from the College of Love. Misses Persons and Price wore floor length afternoon gowns; Miss Persons in black and white and Miss Price's in black trimmed in brilliant.

From the dining room, the guests were taken to a bed room by Mrs. Paul Hamilton, where the elaborate hope chest of the bride-to-be was displayed. Mrs. Hamilton's floor length dress was of black taffeta and lace.

Presiding at the Bride's book, was Miss Amelia Tunnel, who wore an afternoon frock of green crepe.

Mrs. E. C. Price and Miss Mary Ollie Persons, in turn, played soft music at the piano. Forty guests called between the hours of four and five.

POPULAR GASOLINE COUPLE MARRIED

Miss Dale Morrison and Mr. Hubert Setliff were united in marriage last Thursday afternoon. Judge W. W. Martin of Silverton performed the ceremony.

Mrs. Setliff is the daughter of Mr. and Mrs. W. E. Morrison of Gasoline. Mr. Setliff is the son of Mr. and Mrs. B. Setliff of the Kent community. Mr. and Mrs. Setliff will make their home in the Kent Community.

We wish for them much happiness and a long married life.

Local Farmers at Agricultural Meeting In Fort Worth

Henry J. Bailey and J. N. Hamilton, prominent local farmers, left Quitaque Tuesday for Fort Worth, where they will represent Briscoe County at a State-wide Agricultural Workers' Conference.

The workers are holding their meeting Wednesday, Thursday and Friday of this week. The purpose of this meeting is to discuss plans for a farm program for next year.

Every county in Texas is expected to be represented at the Agricultural Worker's Conference and plans made and ideas expressed at the Fort Worth meeting are expected to go far in forming the National farm program for 1937. Agricultural leaders of the nation are expected to be at this meeting.

Mr. Hamilton and Mr. Bailey will give the details of the meeting to local farmers in the near future. They are expected to return to Quitaque Friday or Saturday.

Singing Convention At Turkey Well Attended Sunday

The Four County Singing Convention met at Turkey Sunday, and enjoyed a great singing and dinner. The Convention is composed of singers from Motley, Floyd, Hall and Briscoe Counties.

A large crowd from the four counties were present, as well guests from other places besides the member counties. The Convention enjoyed a large number of quartets, trios, duets and solos. Many famous singers were present.

The next meeting will be held the fifth Sunday in 1937, which falls on January 31st, at Lockney. A cordial invitation is extended to everyone to attend these meetings and enjoy a day of good music and real entertainment.

PRIMITIVE BAPTISTS TO MEET THIS WEEK-END

Elder P. J. Asmus of Lubbock, pastor of the Primitive Baptist Church, will hold services for the local church Saturday and Sunday mornings of this week. FLOMOT TO PLAY WHEELER II AT MATADOR FRIDAY

Winner to be Champion of District 3B and 4B

A 15-man football squad, playing their second year of football, will play for the supremacy of Districts 3B and 4B Friday afternoon. The game is between the mighty Flomot Longhorns of District 4B and the Wheeler Mustangs representing District 3B. The game will be played at Matador, beginning at 2:30.

The fighting team from Flomot battled the group from Paduach Thanks giving Day, and to the surprise of everyone except the Flomot people, defeated the Dragons 33 to 12, thus winning the District Championship held by Matador last year.

The Longhorns started football for the first time last year, with F. D. McWilliams of Texas Tech as their coach. Last year's team was a success, and this year nothing has stopped the Longhorn eleven at this date.

The game Friday at Matador should prove a thriller for every football fan. A large crowd from Quitaque is expected to make the trip to see this struggle and assist the Flomot people to boost their team to victory.

Coach McWilliams, when asked who the stars of his team were, stated: "We have fifteen men on the squad. Every one of them go about their business of winning football games, and the way I look at it, if there are any stars, every man on the squad is a star."

Flomot fans, headed by "Put" Gilbert, have thoroughly advertised the game and sold a large number of tickets. According to present information, half the population of Quitaque will drive to Matador, via Flomot, Friday evening.

Another head-line football game will be played near here Friday, when the Amarillo Sandies play the Childress Bobcats for the championship of District 1 and 2, nevertheless, the Flomot-Wheeler battle holds the spot light with Quitaque fans.

Keever Entertain Stewards at Dinner Tuesday Evening

One of the most delightful events of the Methodist Church's social calendar was enjoyed Tuesday evening when the Board of Stewards and their wives were dinner guests of Rev. and Mrs. G. L. Keever.

The tables were attractively decorated with cedar and dried fall flowers and red tapers stood in beautiful candle sticks as center pieces. A cleverly drawn village church served as place cards.

Rev. Keever gave an inspiring talk to the members of the last year Board and wives and to the new Board members and wives. He expressed his appreciation for their efforts and interest in carrying on the church work. This speech was followed by a talk by the new S. S. Supt., Paul Hamilton, and by the retiring Chairman of the Board, C. R. Badgett. Words of appreciation to Rev. and Mrs. Keever for the meal and the association were expressed by each guest.

The ladies of the Missionary Society served the dinner, with Mrs. H. G. Gardiner chairman of the serving committee.

Those in attendance were seated in the following order: Beginning on the Pastor's right were Mrs. Keever, Mrs. C. R. Badgett, Bill Middleton, Paul Hamilton, Mrs. C. M. Walden, Miss Mary Lucy Montgomery, Ed Grundy, C. R. Badgett, Mrs. Ed Grundy, Miss Jewel Everett, Johnnie Mosley, Mrs. Paul Hamilton, J. W. Ewing, Mrs. J. W. Ewing, C. M. Walden, Mrs. Bill Middleton, C. T. Rucker, Mrs. J. H. Hughes, Mrs. Henry Bailey and Mrs. C. T. Rusker.

AT THE METHODIST CHURCH

We are fast approaching the
Christmas season.

I want to help you to approach
the season with a deep sense of
values. Our cost price usually re-
presents the value we place upon
any thing.

Then Our Heavenly Father must
place a very great value on us. He
gave His Only Son for us.

What a privilege we have of be-
ing called His children. You and I
value this privilege in proportion to
the time, thought, devotion, love,
sacrifice, energy, service or mater-
ial values that we give in our loyal-
ty to Him.

May the approaching Christmas
season awaken in us a new sense of
values as measured by eternity.

We welcome you to any service
at our church.

THE PRIZE BONER

A certain boy, not from this school, of course, wrote this in his theme: "His trousers were two or three inches above his ankles, which were held up by his suspenders."

Due to the Thanksgiving holidays we regret to say that we will not be able to publish a Sophomore's opinion of the Centennial. This does not mean, however, that we regret having the holidays. We will try to have a report from a Sophomore next week.

FOUR THINGS

Four things a man must learn to do if he would make his record true, To do good to his fellow man; To help his neighbor all he can; To keep his ideals true and high; To never let his courage die.

Miss Thomas—"Are you sure this theme is original?"

J. R. Lusk—"Well, you may find one or two words that are in the dictionary."

Why does a Scotchman like football better than baseball?

Because he thinks the quarterback means a refund.

Often we would like to drop it all like an old clock never to be put on again, but we can't afford to. When ambition is lost, all is lost. Spurn ambition and on. I heard a talk by a very prominent stock-exchange member. He had nothing but he had ambition. He worked his way from the very lowest rung of the ladder to quite a high place. He gained it by hard work both day and night. We have stayed at the bottom because we have no way of sitting down and sliding uphill.

Hard work, wise economy, and common sense will surely be worth while. Let's go back and view Lincoln's and Franklin's life. Hard work and common sense made national figures of them. Even though one does not attain national recognition, he will have the respect of his fellow-man, and, above all, entire self respect.

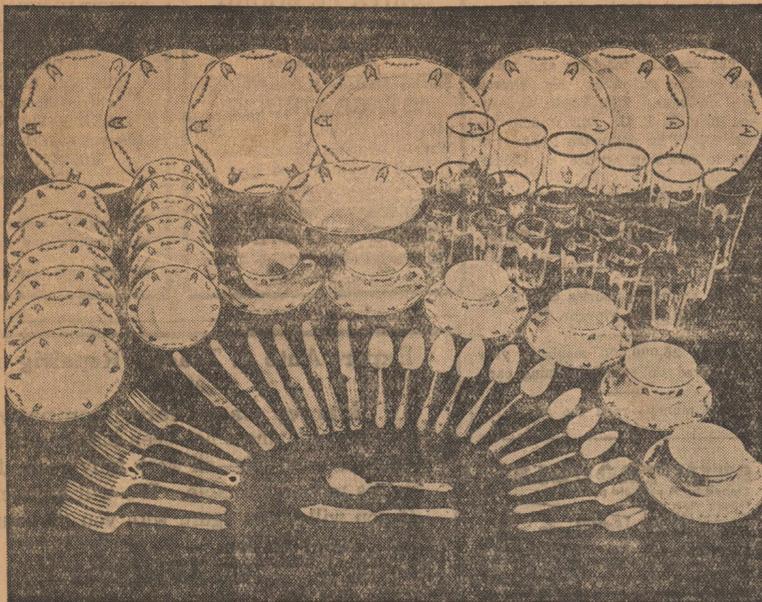

Don't do any job half-way and half-heartedly. If it's worth doing at all, it's worth doing well. Let's make our town, our church, our home, and our school the best with hard work.

We did not get to have a county fair this year but we hope to have an exhibit that will be worth seeing just the same.

I have jelly that has a fresher flavor, more more like fresh fruit. In the case of grapes, the jelly has not the tendency to form crystals as when it has stood for some time," says Mrs. John Kitchens, Lakeview Home Food Supply Demonstrator, as she gave her report on her pantry this year.

On Pantry Arrangement "I find the 4-H Pantry way of arranging food on the shelves very convenient in making the meal planning easier," says Mrs. John Lee Francis, Home Food Supply Demonstrator for the Francis Home Demonstration Club.

On Making Shampoo "I make my own shampoo and find that it makes a far more satisfactory shampoo than soap" says Francis Simmons, Francis 4-H Club girl.

A good shampoo that can be made at home, may be prepared by dissolving one fourth cake of pure castile soap in one quart of water. This can be bottled and kept indefinitely.

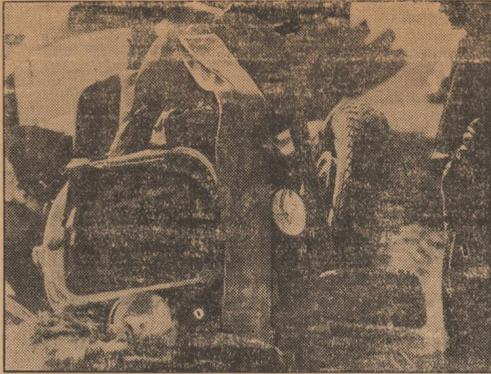

Francis has found that a good shampoo aids materially in preserving the beauty and health of the hair. Also a good stiff brush used regularly will tend to relieve dandruff and more evenly distribute the natural oil of the hair, giving it a natural gloss that does not come from hair oil bottles.

Fine, dry steel wool will often prove satisfactory for removing spots from wallpaper, paint or floors. It is less harsh than sandpaper.

A little vinegar added to the water in which wilted vegetables are soaked will revive them quicker.

TRAGEDY OF DEATH

It is tragic scenes such as this with its terrible indictment of lack of highway traffic regulations which makes us shudder at Death's increasing harvest of lives.

This graphic picture of shredded steel illustrates better than words the aftermath of a terrific crash of a truck careening head-on into a family motor car.

According to the National Safety Council the traffic death toll of the nation reached a new high

mark in the first nine months of this year with 25,850 lives lost, with a council prediction that the year's crash fatalities will reach a record high of 37,500.

In highway casualties, truck accidents far exceed those caused by motor cars. It is revealed that the usurpation of highways by trucks has resulted not only in flagrant monopoly of public roads to transport business on wheels but that most of the truckers involved are irresponsible and do not have public liability insurance to cover personal injury and damage to property of others.
