Thanks To Voters

Friends, this is just another time I come face to face with facts, and words are inadequate to express my sincere gratitude for your loyal support in the campaign just closed.

It will ever be my aim to render you a service in accordance with the confidence you have placed in me.

I would ask of my friends and foes alike to forget the bitterness and remember only the sweet. For that is all that is worth striving for in this life, and after all we are all human and all friends.

And of the kiddies who have always been my friends, I would ask for your help to keep that faith.

Always your friend,
