NUMBER 24

#### LOCALS

Sunday in the home of Mr. and of relatives, visitors from out of gift from his sister Mrs. N. V. Hamtown, and homefolks gathered for dinner and visit. Besides Mr. and Mrs. Hawkins, others present were Mr. and Mrs. Jim Partin of Pascagoula, Miss., Mr. and Mrs. Glenn Yarbrough and boys of Childress, Mr. and Mrs. Jim Stell and Miss LaJaun of Plainview, Mr. and Mrs. Richard Tibbetts and children, Mr. and Mrs. J. C. Rhoderick, Jr. and Jimmy, Mr. and Mrs. Elmer Tibbetts, Mrs. Bill Ebbs, Miss Margaret Owens, Albert Adams, and Mr. and Mrs. Frank Hawkins and Joe

where they were joined by the Dorm. 4, Sanatorium, Texas. Chandler clan, and all went to the park at Plainview for a picnic. The occasion was a family get-together in honor of a brother Elmer of Riverbank, Cal. They left Chandler of Lockney.

Mr. and Mrs. Dick Hooks returned home last Wednesday from a pleasant vacation trip to New Mexico and California. They went out to Cloudcroft for their first stop, planning a few days of quiet and rest as the season was early for tourist in that popular resort. a few days and went on to visit reand brother came here for a visit while they were there, so they missed each other. They also visit-

fixed them a place to sleep in the garage building on West Main place in jars. Seal. That's all there brought in Tuesday. street.

Mrs. A. L. Trout of Phoenix, Ariz. is here visiting old friends and neighbors. She spent the past two months in Dallas with a sister, and stopped here to visit, enroute to her home. The Trouts are oldtime residents of Quitaque.

The J. T. Persons moved this into their dream house on the hill Produce this week. Some one cut west of town. This place is ideal, anyway you take it-from the outside looking in, at the pretty rock house, so comfortably and attractively arranged; or from the inside looking out at the beautiful view of the canyons and hillside.

Mrs. F. C. Benson left last week end for a visit with relatives and this year, but folks in the "upper there is any such) and vegetables named Alicia Fae. friends at Fort Stockton.

#### METHODIST WSCS

Tuesday night to the WSCS. The most of them will remain open. president Mrs. Bill Woods presided A call from Judge Lyon asked us MRS. RICE VISITS BREIFLY at a business meeting, when it was to advise folks that the offices in Caravan will be here.

H. McAdams continued the outline the banks, and the postoffice will Mr. and Mrs. Pete Rice. They left Washington. Grandmother reof the study from the book Great be closed. Prayers of the Bible.

Refreshments of sandwiches, cookies and tea were served to ele- aled 1.97 inches at Quitaque, but will remain this week, expecting son and Johnny of Amarillo were ven members.

#### PARTY FOR VISITOR

Mrs. Victor Hall entertained a with a party for her daughter Mrs. home at Wichita, Kans. After a But only 16 inches and a little over following guests:

Mmes. Frank and Mort Hawkins, Jim Partin, Bill Woods, Mrs George Setliff of Turkey and Miss Bernice Puckett of Waco.

## A Happy Place to **Meet Your Friend**

Don't Let The Heat "GetYou Down."

Frequent visits to our store for a delicious and refreshing treat at our soda fountain offers sure relief from summer time heat fatigue. Invite your friends to meet you here for one of these suggested refreshments:

MALTED MILKS — ICE CREAM SODAS BANANA SPLITS — FROSTED "COKES" LIME ADES — FROSTED LIMES

ICE CREAM SUNDAES ORANGE, GRAPE, OR LIME GLACE

(Something different)

And many other cooling hot weather pick-ups.

And when you feel that a glass of water would "hit the spot" like nothing else, don't hesitate to ask for it. Our new and modern Fountain with its Flash water cooler gives you water just right for drinking.

WE ARE HAPPY TO SERVE YOU.

### Declaration of Independence!

feeling. He can go places now. And he'll keep on going places all his life -as long as he keeps his sense of

That's America's richest resource not forest, field or mine, but the spirit of her people. Ambition, energy, selfreliance are the reasons why individuals—and industries—grow great from small beginnings.

Take the electric industry—this company, for example. A few practical dreamers opened up an "electric frontier" when in 1915 they strung the first transmission power lines in West No nation ever will.

He's on his own. It's a wonderful Texas. People of faith and vision risked their savings. Other folks combined skill and hard work to produce better and better service—at lower and lower costs-creating more and more jobs-and carrying the benefits of electric living to more and more West Texans.

> That's the American way of progress. Free enterprise, vision, and hard work. They are what built America and the American way of life, which is the highest standard of living in

No nation has ever found a satisfactory substitute for that combination.
