**FORMER SPEAKER WAGGONER CARR ANNOUNCES CANDIDACY FOR OFFICE OF ATTORNEY GENERAL**

WAGGONER CARR

Waggoner Carr, former Speaker of the Texas House of Representatives, Thursday announced his candidacy for the Democratic nomination for Attorney General.

The announcement from his Lubbock law offices stressed the importance of the Attorney General's office in law enforcement, crime prevention and the creation of a healthy economic climate in Texas.

Carr recalled in 1960, after two terms as Speaker, more than a half million Texans approved his record of public service by their votes in this race for Attorney General and said he believes his previous training and experience qualify him to do a good job. Carr was identified in a recent state-wide poll as the leading contender for the Attorney General's post.

"My platform basically has but one plank - - - strengthening our legal framework where needed, and more vigorous enforcement of those laws, once enacted," Carr declared.

The 42-year-old former lawmaker and law enforcement official revealed plans for an intensive campaign leading up to the Democratic primary. He promised detailed discussion of the issues as the campaign develops.

"Much of the character and quality of Texas for our families, our children, our businessmen, workingmen and farmers will depend upon the example of alert and responsible conduct of the Attorney General's office," Carr said.

"We cannot build or long maintain an attractive climate for economic growth unless we first provide a healthy climate of respect and order.

"I feel that it is of the utmost importance that the office of Attorney General be used effectively to combat and eradicate the inroads of crime in our state. The office must be used to support and assist honest and conscientious local law enforcement officers rather than to override or overpower them. We must, likewise, use that office intelligently to add new strength to all the laws enacted by our Legislature, and the order of that office must work cooperatively with our lawmakers to evolve the new laws required by changing times in this state."

Carr served five terms as a member of the House from Lubbock County, the last two as speaker. He is one of only three men in the history of Texas to be elected Speaker two consecutive terms.

As Speaker, Carr played a key role in setting up the Texas Law Enforcement Study Commission in 1957, chaired by Houston attorney John H. Crooker, Sr., which recommended sweeping revision of Texas criminal laws.

Born in Fairlie, Hunt County, Texas, Carr moved with his family to Lubbock County in 1932. He graduated from Lubbock High School and Texas Technological College. He received his law degree from the University of Texas and was admitted to the State Bar in 1947. Active service in the Army interrupted his legal studies. Before going to the Legislature,

The State of Texas is under the spell of the coldest blast of winter weather experienced in several years. Quitaque and the rest of the Panhandle is no exception.

Citizens of this community are shivering from arctic air that dropped the temperatures here to zero and below Wednesday morning.

Several people reported that their thermometers were showing zero Wednesday morning. Hubert Brooks said that the thermometer at the Highway Engineers office registered a minus three degrees when he went to work Wednesday morning, and we are inclined to agree that it was at least that cold.

An open fire was left burning in the Tribune office Tuesday night and when the editors came to work Wednesday morning they found a sheet of ice about a quarter of an inch thick on the windows inside the building. A lot of frozen pipes were reported.

Many automobiles refused to start and people had to hoof it to work.

There was no school in Quitaque Wednesday due to the bitter cold. Although the heat was left on all night Tuesday, it was reported that room temperatures were only 60 degrees in parts of the building Wednesday morning. That is far from comfortable on a frigid day.

Although it will continue to be very cold, classes are expected to be resumed Thursday morning.

Thursday night of last week the Quitaque community caught snow and rain that totaled close to an inch of moisture here in town. The snow and rain was accompanied by high winds.

### VEHICLE INSPECTION TIME AGAIN

Austin - The Director of the Texas Department of Public Safety, Col. Homer Garrison, Jr., today urged motorists to secure their 1962 vehicle inspection stickers as soon as possible prior to the April 15 deadline.

After that date, vehicles not displaying the new inspection sticker will be operating in violation of the law and the operators of those vehicles will be subject to arrest, he said.

Garrison said approximately half of the inspection has expired and only about one-fourth of the vehicles in the state have been inspected. Unless the number of inspections is increased appreciably soon, he added, lost wages lines will be forming at inspection stations as the April 15 deadline approaches.

"There are some 4,000 authorized inspection stations in the state and they are ready and capable of handling the inspection of all inspection of all vehicles without delay if owners do not wait until the last few days before the deadline," Garrison said.

He pointed out that vehicles inspected so far this year have fewer defects than have ever been noted heretofore. He said vehicle defects contributing to motor vehicle accidents in Texas is the lowest in the history of the state.

### NEWCOMER

Mr. and Mrs. J. H. Hulsey, Jr. of Amarillo are the proud parents of a baby boy, born Friday, Jan. 5, at 2:00 A.M. in Northwest Texas Hospital in Amarillo. The young man weighed 5 lbs. 9 ozs. and has been named Robert Jack. Both mother and son are at home and doing fine.

Carr served as County Attorney of Lubbock County and Assistant District Attorney of the 72nd Judicial District.

Carr and his wife, the former Ernestine Story, have one son, 12-year-old David. He is a lay leader and Sunday School Teacher at the First Methodist Church of Lubbock and is a member of the Board of the South Plains Council, Boy Scouts of America, and is a member of the Lions Club, American Legion, Farm Bureau and the State Bar of Texas.

CHARLIEE DURNING

## Charlie Durning Is Candidate For State Legislature

The Tribune is authorized to announce that Charlie Durning, of Plainview is a candidate for the office of State Representative of the 89th Legislative District, subject to action of the Democratic Primary, May 5, 1962.

The district includes Hale, Swisher, Briscoe and Floyd Counties. Durning is a long-time resident of Hale.

He served the people in the Legislative District which he seeks to represent for 28 years while employed with the State Comptroller.

"I will consider it a privilege and weighty responsibility if I am chosen to again serve those people," Durning said in making his announcement.

Durning resigned from his post with the Comptroller's Department in February of last year to take a position with the Texas Oil Jobbers Association, Inc. His duties with that firm took him all over the state of Texas. He resigned this post to make the race for the Legislature.

This is the first time Durning has sought public office. He has had

## Orval Cobb Enters Race For Commissioner

The Tribune is authorized to announce the candidacy of Orval Cobb for the office of Briscoe County Commissioner, Precinct number 2, subject to the action of the Democratic Primary, May 5, 1962.

In making his announcement, Mr. Cobb said, "I am a lifelong resident of this area and have lived in the county for 16 years. I feel that I understand the problems of this precinct and, if elected, I pledge a devotion to the duties of my office and assure the voters that I will serve the voters and property owners in my precinct and others in my precinct to the very best of my ability, fairly and without favor.

"It is my intention of seeing and talking with everyone in this precinct between now and election time. I take this means of soliciting the vote and influence of everyone during this campaign and I will sincerely appreciate any service rendered in my behalf."

many years of experience meeting the public, listening to their expressions of approval and disapproval and says he still likes "to help people with their problems".

Durning invited close inspection of his character and abilities by anyone considering supporting him for the state office which he said he had been contemplating seeking for a number of years.

"After a quarter century of association with people of all walks of life in this Plains Legislative district," Durning said, "I feel positive that I know their problems and needs. If elected, I will do the very best job I can. I'll appreciate everybody's vote and influence."

Durning is 50 years of age. He is married and he and Mrs. Durning are the parents of three children, all of whom were schooled in the area which he seeks to serve as representative.

## Candidates Announcing

### Dee McWilliams To Seek Re-election

The Tribune is authorized to announce that Dee McWilliams is a candidate re-election to the office of County and District Clerk, Briscoe County. Following is Mr. McWilliams' statement:

TO THE PEOPLE OF BRISCOE COUNTY:

I wish to announce my candidacy for re-election to the office of County and District Clerk of Briscoe County. I also wish to express my sincere appreciation to each of you for the splendid support and cooperation given me during the time that it has been my privilege to serve you as your County and District Clerk. I hope that I have fulfilled the duties of the office in such a manner as to merit your continued support.

Sincerely yours,  
Dee McWilliams

### TO THE PEOPLE OF BRISCOE COUNTY

I would like to thank this means of thanking the people of Briscoe County for the many courtesies and the kindness which you have shown me while serving as your County Treasurer. I have at all times tried to serve you to the best of my ability and shall continue to do so during the remainder of my term of office.

After having given the matter the utmost and serious consideration, I have decided not to seek re-election to the office.

Trusting that you will give my successor the same splendid cooperation you have given to me, and again thanking you.

Yours very truly  
Florene Ratliff

### B. K. Hamilton Seeks Election

The Quitaque Tribune this week has been authorized to announce that B. K. Hamilton is a candidate for Briscoe County Commissioner, Precinct No. 2, subject to action of the Democratic Primary, May 5, 1962.

Mr. Hamilton says: "After much deliberation, I have decided to announce my candidacy for Commissioner of Precinct No. 2 here in Briscoe County. First, I would like to emphasize the fact that I have no stones to throw at anyone or any deals or commitments to make. I feel that I am well qualified for the job; as most of you know, I have served as Commissioner of this Precinct for a number of years and gained invaluable experience while I was serving as your Commissioner."

"If I am elected, I assure you that I will do my very best to make you a hand. I will travel over every mile and inspect every bridge in the precinct at least once a month. I will appreciate your support in any way during the coming months. I thank you all for past favors."

### WAYLAND PROFESSOR TO SERVE AS INTERIM PASTOR AT FIRST BAPTIST CHURCH

Dallas M. Roark, assistant professor of religion at Wayland Baptist College, will serve as interim pastor of the First Baptist Church here until a pastor is called by the congregation.

He spoke at both morning and evening services at the local church last Sunday and will be here each Sunday and Wednesday nights until a new pastor is called.

Mr. Roark, who joined the faculty in the fall of 1960, holds the M. A. in religion from the State University of Iowa and the Bachelor of Theology from Northern Baptist Theological Seminary, Chicago. He has completed residence requirements for the Ph.D. with a major in religion at State University of Iowa and expects to complete his doctoral dissertation research and writing in the near future. Mr. Roark has done further study at the University of Chicago, Wheaton College, and Roosevelt College.

For his master's degree, Mr. Roark did research on "Some Aspects of the Verbal Relationships Between the Dead Sea Scrolls and the Gospel of John." His doctoral dissertation subject is "A Study in the Problem of Authority in the Theology of J. Gresham Machen."

Before beginning his graduate work he served as pastor of the Harrisburg Baptist Church, Harrisburg, Iowa, and of the Downey Baptist Church, Downey, Iowa.

Articles by Mr. Roark have appeared in Christian Herald, Baptist Student, HOME LIFE and other Christian publications.

### LELAND RAMSEY DIES IN OKLAHOMA CITY LAST WEEK

Leland Ramsey of Oklahoma City died Monday, January 1, in a hospital in Oklahoma City.

Mrs. A. B. Ramsey, Sr. A. B. Jr., Glen Ramsey, Mrs. Joyce Lewis of Amarillo, and Jessie Lee Metzker attended the funeral services, which were held Thursday afternoon at 1 o'clock.

The group was snowbound and had to wait until Saturday to return home.

Leland Ramsey lived in the Fairmont community for a number of years and many here will remember him.

Mr. and Mrs. E. L. Shico and Mr. and Mrs. Travis Murphy and Orlan of LaMesa, Calif., spent last Thursday night with Mr. and Mrs. W. J. Carter. Mrs. Shico and Mrs. Murphy are sister and niece of Mrs. Carter.

Politics, which have been fairly quiet here in Briscoe County for the past two years, are beginning to revive again.

Last week the Tribune carried the first political announcement of the year when Mort Hawkins announced that he would be a candidate for re-election for the office of Briscoe County Commissioner, Precinct number 2. In this week's issue will be found the announcement that B. K. Hamilton is a candidate for Commissioner, Precinct number 2, along with Orval Cobb.

Dee McWilliams announces that he is a candidate for the office of County and District Clerk, Briscoe County.

Mrs. Florene Ratliff thanks the voters for past favors and announces that she has decided not to seek re-election to the office of County Treasurer.

Mr. Charlie Durning, of Plainview, announces this week that he is a candidate for the office of State Representative of the 89th Legislative District.

There will probably be other announcements forthcoming before the deadline for filing, but this is a good beginning of a political year, and some hot races are likely to develop, from the top spots in the state right on down to the local levels.

## Grundys Sell Variety Store

Announcement was made this week by Mr. and Mrs. I. G. Grundy that they have sold their Variety Store to Mr. and Mrs. Clyde Saul. Mr. and Mrs. Grundy have operated the Grundy Variety Store for the past 13 years. Their announcement will be found in this week's issue of the Tribune.

Mr. and Mrs. Saul are not unknown to the people of this area, having operated the Quitaque Cleaners for several years. Mr. Saul also has ranching interests here, which he will continue along with helping to run their new business.

Mr. and Mrs. Grundy expressed their regrets in leaving business but felt that it was to their best interests, due to health conditions, that they give it up. They expressed their thanks to the people of this area for their business and friendship and hope that everyone will show the new owners the same consideration.

Mr. and Mrs. Grundy plan to continue to make their home here in Quitaque. Mr. Grundy, who has been in business here in Quitaque for 28 years, says he is going to catch up on some fishing (when it warms up, that is.)

### CHRISTMAS DECORATION CONTEST WINNERS ANNOUNCED

(Delayed)  
Winners in the Christmas Decorating Contest, which is sponsored yearly by the local Lions Club, have been announced recently.

In the home Division, the Alton Johnson home was the first place winner and the home of Mr. and Mrs. Buster Chadwick was selected as the second place winner.

Downtown, Willson and Son Lumber Co. was selected as the most attractive in the Place of Business Division, closely followed by Rice Dry Goods. Out-of-town judges made the selections and they reported that it was a very close race between several homes and places of business before winners were picked.

The Lions Club wishes to express its appreciation to everyone for taking part in the contest and it is hoped that there will be even more who will take part in the contest this year.

Wayne Martin was taken to Lockney Gen. Hospital Sunday, where he was found to be suffering with a light case of pneumonia.

## Local Teams Undefeated In District

Quitaque's High School basketball teams went four for four in games played Friday and Tuesday night and both teams are still undefeated in district competition, having won 4 games each and have only one game left to play in the first round of district play.

Last Friday night the local teams drove over to Estelline and took a pair of fairly easy ones, the Pantherettes stopping the Estelline lasses 31-24. The young Pantherettes continue to improve with each game. Janice Dudley led the way again in the scoring department with 12 points, followed by Jimmie Mayfield with 10, Jennifer Whittington with 8, and Judy Colvin with 1. Guards Chlonez Woods, Jerry Elliott, Ethel Austin, and Marzetta Vines did a good job on the Estelline forwards in this one.

The tall and talented Panthers turned in their top game of the season in downing the Bearcubs 73-38. The Estelline crew is not as potent as usual this season but in Friday night's game they were up against a team that could do no wrong - we doubt that there are very few, if any, high school teams in the state that could have handled the hot-shooting Panthers at Estelline. Sophomore Jack Johnson and the "shorty" of the team, Robert Phelps, each dropped in 17 points and both boys were outstanding; Jack in keeping his hands 'way up around the goal, batting the ball away and taking it off the backboards, and Robert stealing the ball away and slipping behind the defenders for lay up shots. Big "D" Monk gathered in a lot of rebounds, as did Starkey, and Sammy Johnson turned in his usual fine game. Everyone who saw the game agreed that the Panthers were tops in that game.

Tuesday night the weather out-

side was frigid but the Quitaque teams continued to shoot hot as the local teams whacked the Eagles from Lakeview, the Pantherettes winning 53-45 in a game that was not as close as the score would indicate.

Janice Dudley tossed in 25 points for the Pantherettes, while Jimmie Mayfield and Jennifer Whittington each scored 14 points.

The Panthers almost hit a hundred points in winning their 17th game of the season, racking up the Eagles 99-30. The five starters ran up a 28-7 first quarter lead over the outclassed Lakeview lads and Coach James Roberts pulled all of the starters except Jack Johnson, but this did not slow the scoring very much, as the final tally would indicate. The second five remained in the game until the final minute and a half. Bobo Morrison, a Sophomore playing his first season of basketball, hit his season high in the scoring column to lead the Panther shooters with 23 points. Every man on the squad got into the scoring act in this game. Three of the starting five did not get to play long enough to fatten their scoring average. Robert Phelps remarked recently that he sat on the bench three years waiting for his chance to make the starting team, and now that he has made it, he has had to sit on the bench more this year than ever before. Quitaque's starting five have gone the full route in only four or five games this season. Against Estelline last Friday night the starters played three quarters before Coach Roberts pulled them.

Friday night the local teams go to Matador to wind up the first round of play in district competition. This will be the big one for the Pantherettes, since the Matador girls are the ones who have been favored to repeat as district

champions. The Pantherettes really want this one and are capable of pulling an upset if they are hitting.

The Matador boys were not figured to have much this season but they gave Turkey a pretty good licking the other night and will be out to shoot down the high-flying Panthers. Friday night's games should be good ones.

Next Tuesday night the local teams entertain the Flomot teams here to start the second go-round of district play. Then next Thursday, Friday and Saturday the two teams are entered in the Estelline Tourney. That tournament will be a bit different, in that only four teams (of boys and girls) will be playing. Regardless of winning or losing each team will play the other and the team with the highest average will be the winner. In addition to the Quitaque teams, Clarendon, Childress and Estelline will have teams entered. It should be a good tournament.

Tuesday night's boxes:

Pantherettes 53, Lakeview 45.

### NEW OFFICERS PRESIDE AT FLOMOT H. D. CLUB MEETING

The Flomot Home Demonstration Club met Tuesday for the 1962 starter for Club work, with the new officers in charge. Mrs. Ray Cruse presided and Mrs. L. W. Crowell was at the Secretary's desk. Twenty-one answered roll call with a New Year's resolution.

Mrs. Cruse appointed the standing chairman for each committee. Mrs. C. C. Jones gave an interesting talk on Parliamentary rules.

The club voted to sponsor a March of Dimes benefit program and a committee went to work immediately. The date of the Program will be Monday evening, January 29 at 7 o'clock in the School gym. A short, interesting program of music, both instrumental and vocal, with an auction sale of miscellaneous articles will be presented. Each woman or family in the community is asked to bring articles to be sold at the auction. Suggested articles are crocheted center pieces, pillow cases, aprons, home-baked pies, cakes, dressed hens, eggs, turnips or anything to sell. A concession stand is planned and articles for this are also needed.

Doughnuts and coffee were the refreshments served and enjoyed. The next meeting will be January 16, when more plans will be made for the year and carried out. Already the Club is planning to assist in paying for basketball suits for the grade school girls.

Mr. and Mrs. Herb Martin and daughter, Kathy, returned Thursday morning from a trip to Mammoth, Arizona, where they visited Mr. and Mrs. Joe Webb and family. They were gone about a week, and while they were in Arizona, they visited Mr. and Mrs. Vernon Brogdon at San Manuel. They reported both families doing nicely. The Webbs and the Brogdons are former county residents and neighbors.

Mr. and Mrs. Wendell Morris and family returned home in the early hours last Thursday morning from a visit with his parents and sisters in California.

Mr. and Mrs. P. A. Simpson of Northfield brought her mother, Mrs. F. S. Bourland, home Monday afternoon from Hereford, where she had been visiting another daughter and family, Mr. and Mrs. Frank Watson and son, Douglas. The Watson home was the place where Mrs. Bourland and all of her children gathered for a re-union and family get-together before Mr. and Mrs. William Bourland returned to their home in Yuba City, California. The Bourland children had all been with their mother at her home here during the Christmas holidays. Besides those named, the other Bourland children are Mr. and Mrs. Wilson Bouland and family of Lubbock; Mr. and Mrs. Luther Green and children of Matarador and Mr. and Mrs. John Bour-

land and children of Amarillo and Mrs. Irene Brown and two sons of Adrian.

WTU's outlook for 1962 is for even more ...

In this new year, West Texas Utilities will continue our three-step area development program.

1. We will continue our own current expansion program to permit us to serve even more people.
2. We will continue to promote the business and industrial advantages of this area in national publications.
3. We will continue to work with all area communities in their local development programs.

This is our 1962 schedule, because more than ever our service area faces GROWTH UNLIMITED.

## METHODIST NEWS NOTES -

### Messages for this week:

Sunday morning - Congregation will worship with Turkey Methodists.

Sunday Evening - Second of the Beatitudes - "A Strange Sor-row" Matt. 5:4.

Wednesday Evening - Hebrews 9.

### TO HEAR DR. W. L. EDWARDS OF ENGLAND

This Sunday the Sunday School of First Methodist Church will meet at 9:45 instead of 10 o'clock, to give an extra 15 minutes between the Sunday School hour and Morning Worship to make the journey to Turkey Methodist Church for Worship. Dr. W. L. Edwards of England will be the guest speaker at Turkey. He is in charge of the rectory at Epworth where John Wesley was reared. The rectory has become the center for retreats and a mecca for visitors from all over the world. The Epworth minister was formerly superintendent of the

Epworth and Crowle District in England. During his service as superintendent he supervised the restoration of the Epworth Old Rectory. Since becoming Warden of the Rectory he has made it a new center of World Methodism.

Prior to his service at Epworth, Rev. and Mrs. Edwards served as missionaries in India. His work included service as principal of the Wesley Boys High School in Secunderabad, District Missionary in the Mass Movement area of Hyderabad, Principal of the Theological and Normal Training Institute in Medak during the Second World War, and for the last eight years, after India became independent, Committee Representative of the Methodist Missionary Society in the new church of South India in the Medak Diocese of Hyderabad.

There will be no Morning Worship Service in the local Methodist Church. Everyone is urged to attend Sunday School at 9:45, then a caravan of cars will leave for Turkey, arriving there in time to hear Dr. Edwards. Rides will be provided for everyone.

### SECOND SESSION OF SCHOOL OF MISSIONS SUNDAY NIGHT

The Latin American Studies at First Methodist Church evoked much interest last Sunday night. The Youth Choir met for a brief rehearsal at 6 o'clock, and the studies convened at 6:15. A good group was present. At seven o'clock a short film strip centering around a boy of Argentina, was shown to the entire group. The same schedule will be followed this Sunday night, and each Sunday night of January. The film-strip for this Sunday night will be, "A Missionary to Chile."

### METHODIST YOUTH BANQUET IN PLAINVIEW SAT. NIGHT

A group of young people from Quitaque will share in a District Youth Banquet to be held in Plainview this Saturday night at 6 P. M. It is to be in the Town House Restaurant which, is located on W. 5th St. Steaks will be served at the nominal price of \$1.25 per person. Rev. Dan Solomon of First Methodist Church in Plainview will be the speaker.

### FIRST BAPTIST NOTES -

The First Baptist Church enjoyed the messages brought by the Rev. Dallas Roark of Wayland College in the Sunday services. Bro. Roark is bringing wonderful messages during the absence of a pastor for the church. We hope it will

not be long before the Lord sends us a pastor so the work of the church will go forward.

Bobby Saul brought some very fine thoughts at the Wednesday evening prayer service on the subject: "Prayer". We are very fortunate to have so many devoted and dedicated young people in our church. We appreciate the adults who are working with our young people and especially do we appreciate the work being done by Mrs. O. R. Stark with the Chapel Choir and Mrs. Peggy Stephens and Mrs. Cora Gragon with the Junior Choir. The music means a lot to our church and will also mean so much to our young people in the future.

We want to wish a speedy recovery to those of our church family who are ill, and extend sympathy to those who are in sorrow.

- Mary Ellen McCracken

### MISCELLANEOUS SHOWER HONORS MRS. CHARLES ROWELL

Mrs. Charles Rowell, the former Bettie Monk, was honored Saturday afternoon, January 6, in the Community Room of the First National Bank with a lovely miscellaneous shower.

The serving table was covered with a white organdy cloth over gold. Streamers of gold, with the names "Charles and Betty" inscribed across them, led from a bouquet of yellow roses. The hostesses took turns at the register and at the serving table.

The bride, her mother, Mrs. Lester Monk, the groom's mother, Mrs. Charles Rowell, and his sister, Mrs. Billy Hooten greeted the guests.

Refreshments of golden punch, white cake squares with yellow roses, nuts and mints were served from a white milk glass punch bowl and plates and cups. Approximately 90 guests called in the afternoon or sent gifts.

Hostesses for the occasion were Mrs. Dick Hooks, Murry Morrison, James Brunson, Ralph Carter, Boone McCracken, Johnny Brummett, Leroy Hamilton, Leran Brunson, Preston Woods, and Wayne Whittington. Their gift was an iron and ironing board. Other gifts included towels, wash cloths, sheets, pillowcases, blankets, glasses, throw rugs, pillows, cooking ware, and many other useful gifts.

Out-of-town guests included Bettie's mother-in-law, Mrs. Charlie Rowell and sister-in-law, Mrs. Billie Hooten of Silverton, and Mrs. Art Green, Jean, Kelly and Stevie of Flomot.

### JEHOVAH'S WITNESSES TO ASSEMBLE IN LUBBOCK JANUARY 26 - 28

The Quitaque Congregation of Jehovah's Witnesses has been in-

formed by their directive agency, Watchtower Bible and Tract Society, that their next circuit assembly will be held in Lubbock, January 26-28.

The local presiding minister, V. D. Tiffin, said, "The teaching program outlined for this 18-congregation meet from Texas and New Mexico will be built around the theme, 'Assist One Another to Do God's Will.'"

The purpose of the Texas-New Mexico meet is to analyze the teaching activity of the circuit and lay plans to expand at circuit and national levels.

Tiffin said, "The analysis report six months ago at the Wichita Falls assembly showed 665 active workers ministering and teaching the good news of God's kingdom in Texas Circuit No. 9, and our goal is a five percent increase for each succeeding semi-annual circuit assembly."

"We are not merely concerned with the number of workers needed in the 18 lands where Jehovah's Witnesses carry on their work," Tiffin said, "but also with the quality of the ministry; after all, skilled workmen require advanced training, so the Christian workers need the assistance of 'One Another to Do God's Will', and the Lubbock assembly is designed to meet this need."

### SCOUTING TO HONOR FAMILIES DURING 52ND ANNIVERSARY

Members of the South Plains Council, Boy Scouts of America will observe the 52nd Anniversary of their movement during Boy Scout Week, February 7 to 13 by emphasizing the important part the family plays in the development of boys, of Scouting, and the American way of life.

In carrying out the emphasis of the anniversary on the Scout Family "typical" Scouting families will be recognized.

Boy Scout week activities here and throughout the nation, involving more than 5,200,000 boys and adult leaders in over 131,000 units, will dramatize that a tremendous facet of America's strength lies in the family.

The Anniversary program will show that the programs of Scouting contribute to better family life.

"We in Scouting," says Mr. Chas. Alexander of Lubbock, president of the South Plains Council, "know that because of the active participation of parents in our programs, a profound impression is being made on the home life of millions of Americans. Families brought together by Scouting are stronger families, and stronger families mean a stronger America."

Parents will join with their sons in Cub Scouting, Boy Scouting and

BOY SCOUTS OF AMERICA

### Official Poster for Boy Scout Week

Under its current program of national purpose, "Strengthen America . . . Character Counts," the nation's 5,235,000 Cub Scouts, Boy Scouts, Explorers and adult leaders observe the 52nd anniversary of the Boy Scouts of America during Boy Scout Week, Feb. 7 to 13. Through its new program the movement seeks to "Build a Strong America, Serve the Cause of Democracy, and Achieve the Purposes of Scouting." The observance will dramatize how Scouting contributes to better family life. Typical Scout families will be honored.

Exploring in pot luck dinners during Boy Scout Week. New boy members will be inducted into units. Boys who have advanced in rank will receive their new badges in the presence of their parents who, by custom, receive miniature pins of their son's rank.

Typical Scout families will be recognized within the unit and tribute will be paid to the unit's adult volunteer leaders.

Traditional Boy Scout Sabbath and Boy Scout Sunday will be held February 9, 10, 11 at many churches and synagogues. Cub Scouts, Boy Scouts, and Explorers will attend the church or temple of their faith, in uniform and with their families. It is expected that some sermons will stress the importance of the family.

Officers of the National Congress of Parents and Teachers have repeatedly spoken of Scouting's "great contribution to family life," said Mr. Alexander. "We have arranged a number of joint meetings with the P.T. A.'s for the purpose of demonstrating the family program of Cub Scouting, the opportunity for the father to enjoy the Boy Scouting program with his son, or go on an adventure trip with his Explorer son."

Other Boy Scout Week activities were outlined by Scout Executive A. W. Benner. Mr. Benner said that the South Plains Council will conduct a Speaker's Bureau during Scout Week and this program will be headed by H. J. (Doc) Blanchard of Lubbock. In this program Scouters from over the 20-County area will present Boy Scout programs to many of the various civic clubs. At other gatherings, Scouts will put on demonstrations of some useful skills they learn at Unit meetings.

The project Scouting Opens the Door will also take place in some forty-five towns, throughout the Council, where neatly-dressed Scouts will actually open the doors of business houses to the public.

Mr. Benner also states that the Annual Eagle Scout Recognition Dinner will be held on February 6th to honor all boys who have achieved the coveted rank of Eagle Scout during the past year.

There will also be outdoor demonstrations to show the services and value of Scouting and various window displays, school assembly programs, and the like to help celebrate the 52nd Anniversary of the largest volunteer program for boys in the world.

**LOCAL PEOPLE ATTEND LIONS CONVENTION AT BORGER**

Officers and their wives from Clubs all over the Panhandle area attended District 271's Mid-Winter Conference, which was held at the Borger Hotel in Borger last weekend. The meeting marked the halfway point in the Lions' year, and each year at this time club officers and members meet together and discuss the work of the clubs and make plans for the second half of the year.  
One of the highlights of this year's program was having as their guests at the conference all foreign exchange students of the Panhandle area, and all Lions Club Sweethearts. Hearing the foreign students greetings in their native tongue, along with a welcome to visit their countries, was certainly enjoyed by all. The Sweethearts enjoyed the fellowship with them.  
Another highlight of the program was the speech made by Dr. Eugene Briggs, past president of Lions International. Those who heard the address agreed that it was one of the most inspiring talks on Lionism that they had ever heard. Those from Quitaque who attended the conference were Lion Sweetheart Judy Colvin, Jimmy Dale Mayfield, Mr. and Mrs. O. R. Stark, Mr. and Mrs. Buster Chadwick, Mr. and Mrs. Jake Merrill, Mr. and Mrs. Jimmy Davidson, M. L. Roberson and Garrett Morrison.

**SOIL TESTING MAKES CHEMIST YOUR PARTNER**

If Socrates were here to philosophize in this modern day, the learned Greek would probably make an observation like this: "Unless you are anxious to fool yourself, never attempt to estimate your fertilizer requirements without a soil test."  
Just as "fodder pulling" has vanished from the farm scene in Briscoe County, so has the age of guesswork in fertilization. Today, a Soil Testing Service is available to assist you in determining your fertility needs.

It should be a consolation to you as an alert farmer that the chemist has applied his knowledge to your soil problems. Yes! if it were not for these scientists in their laboratories, your fertilization problems would be more complex than they are.

These soil chemists can save you money. They can tell you the fertility status of your soils and the amount of fertilizer you need to overcome the problems of low soil fertility.

Join the Soil Fertility Program in Briscoe County and get your soil samples in as soon as possible.

**WALTER ROGER'S NEWSLETTER THE PURPLE CURTAIN**

Much of the criticism that has been directed against the Department of State since the formation

of our country has been generated by the lack of information available to the general public on many of its activities and operations. Some have argued that the State Department as an entity considers itself separate and apart, and in some instances over and above, the other departments of government, whether legislative, executive or judicial. That it occupies the position of royalty in the framework of our government, is therefore sacrosanct and should be above suspicion. This criticism has not been unjustified, and a complete and searching look into the workings of that department is long past due, this is not to say that every individual associated with the State Department is under a cloud of suspicion. However, unless more information is given to the public generally and a different attitude is assumed by those who staff the State Department, clouds of suspicion will begin to gather and the resulting storm will not be a pleasant one. Everyone realizes that since the State Department is involved in international affairs and is dealing in most sensitive issues with other sovereignties that there are many areas in which secrecy is absolutely necessary in serving the best interests of this country. They realize that many of the countries with which relations are constant do not have freedom of speech, freedom of the press, or a representative form of government. They realize that quick changes in policy can be made by those governments and that such policies will be made to our detriment unless a certain degree of secrecy is maintained in handling our international affairs. However, this does not mean that a purple curtain should be drawn around the operations of the State Department to hide from the people all of its activities and its operations.

The Department of State of the United States of America is supposed to reflect this country. It should be the showcase of America in advertising in other countries we in this country are, what we believe in, and what we stand for. This cannot be accomplished if the large majority of those who enter this service must have a stereotyped background of an Ivy League college education and the ability to adopt a British accent in order to pierce the purple curtain. It has long been my feeling that there

has been too little of the 'Main Street' of America in our foreign service. Relatively speaking, we are a new and young country, less than 200 years old. We are considered novices in the field of diplomacy by many other countries. Frankly, I do not care what other countries think, and I do not believe that the practices and formulas adopted and utilized by those other countries in the past should constitute a diplomatic yardstick which must be strictly adhered to. It is time for this country to take a new look in the international relations field and the place to begin is with the State Department.

It is with this thought in mind that several of us Members of the Congress introduced a resolution a number of years back providing for a study to be conducted to determine ways and means of expanding and modernizing the foreign service of the United States. It was our thought that the doors to the foreign service division, as well as other divisions of the State Department should be opened to the brilliant young men and women all over this country. It was our thought that there was a possibility for the creation of a foreign service academy similar to the academies maintained for the Army, Navy, and the Air Force. It was our thought that it was time in the history of America to draw back the purple curtain. This resolution has been re-introduced by me at each session of Congress, and I sincerely hope that action on it or a similar piece of legislation will be forthcoming at this session.

In addition, I have also introduced a resolution for an investigation of six principal matters; mainly, (1) to investigate the personnel of the Department of State of the United States of America; (2) to investigate the practices and procedures of choosing personnel in all divisions of the Department of State; (3) to investigate the methods, practices, and procedures in assigning personnel for both routine and special work or assignments; (4) to investigate the background and capabilities of all personnel with relation to the particular duties and assignments of the individual; (5) to investigate any and all personnel, whether directly assigned to or employed by the Department of State of the United States of America who have duties or assignments directly

agencies, boards, bureaus, or other components of the Federal Government or indirectly connected with the operations of the Department of State in any manner whatsoever; and (6) to formulate recommendations concerning future adherence to or future changes in the methods, practices, procedures, and policies with relation to the Staffing of the Department of State and any

ment associated with the fulfillment of the duties of the Department of State.  
If the purpose of the two resolutions can be carried out, it is my firm belief that much headway can be made toward the solution of many of the problems presently creating criticism, and also in maintaining the primary concept of self-government.
