PRICE FIVE CENTS PER COPY

## INSECT CONTROL SHORTCOURSE SLATED

PHILLIP J. HAMMAN

An insect control shortcourse for adult farmers will be held March 5-9 under the sponsorship of the Quitaque High School vocational agriculture department, according to Mr. John Mason, Superintendent, and Mr. Elmer Berryhill, Teacher of vocational agriculture.

The shortcourse is being sponsored by the vocational agriculture department of Quitaque High School.

Mr. Philip J. Hamman, entomology specialist with the vocational agriculture division of the Texas Education Agency and the department of entomology at Texas A. & M. College, will be the instructor in the course. He is headquartered at Texas A. & M. College.

Mr. Hamman holds a master's degree in entomology. He worked four years with the department of entomology at Texas A. & M. College as a graduate research assistant in the cotton program. He also worked one year with the Vero Beach Laboratories, Vero Beach, Florida in the Insecticide Evaluation and Insect Culturing.

"Many insect control shortcourses in various parts of the state have been taught by Mr. Hamman (Continued On Back Page)

## Pastor And Family Move To Quitaque

Rev. Roy Davidson and his family arrived in Quitaque last Thursday and he has begun his duties as pastor of the First Baptist Church here. The Rev. Davidson preached at both services last Sunday.

Rev. and Mrs. Davidson and two sons, Guy 8, and Gill, 18 months old, come to Quitaque from Haskell, where he has been Associate Pastor for the past eight months. Prior to that he pastored churches at Nolan, near Sweetwater, Morgan Mill and Pinkerton.

The Rev. Davidson entered the ministry in 1952. He graduated from Hardin - Simmons University in 1955 and also Southwestern Baptist Theological Seminary, finishing his work there the past January 19.

He is a native of Memphis, Tenn., but has lived in Texas since 1947. Mrs. Davidson's home-town is Roscoe, Texas and she was baptized there by Rev. G. A. Elrod, who pastored at Roscoe before going to Silvertown and has moved back there since retiring from pastoring.

The Tribune joins with the membership of First Baptist Church and the entire community in welcoming the Davidsons to Quitaque and we trust that their stay here will be a happy and a successful ministry.

## NEW DAUGHTER FOR MR. AND MRS. POSS HAMILTON

Mr. and Mrs. Poss Hamilton of Weatherford, Texas, are the parents of a daughter, born Monday afternoon in a Fort Worth hospital.

Mrs. B. K. Hamilton, grandmother of the new baby, said that the baby had not been named when Poss called to report the arrival of the new daughter. The Hamiltons have another son.

# Panthers Win Regional Championship

## SILVERTON MAN VICTIM OF HIT-AND-RUN

### PANTHERS DRAW TOUGH FIRST ROUND OPPONENT

Quitaque was defeated by Aspermont 66-59 Thursday morning. The Panthers trailed at halftime 25-29.

The Quitaque Panthers, trying for their first state championship, have their work cut out for them right from scratch, as they have been paired with the team that is generally picked to win the Class B championship. The Panthers tee off against Aspermont at 10:10 A. M. Thursday.

The local schools were dismissed Wednesday, Thursday and Friday of this week in order that all teachers and pupils who wish may go to Austin for the State Tournament. A large number of Quitaque fans are in Austin to root for Coach Robert and the Panthers. It has been reported that a number of fans from Turkey and Silvertown made the trip to Austin, also.

W. A. Stephens, about 75, of Silvertown, was killed in a hit-and-run accident north of the First Baptist Church as he crossed highway 86 on his way to church with his wife around 8 o'clock Wednesday night.

Mrs. Stephens reported that she was walking with her arm through his when he was hit. She only received a scratch on her hand. Details of the accident are not known here at this hour and funeral services are pending.

Mr. Stephens is an uncle of Mrs. Gaston Owens.

J. L. Shannon, who has been under the weather for the past several days, is up and about again and reports that he is feeling pretty good.

Mr. and Mrs. Bruce Price spent Saturday in Amarillo with friends. They also attended the ball games.

## Sammy Johnston Makes All-State Team

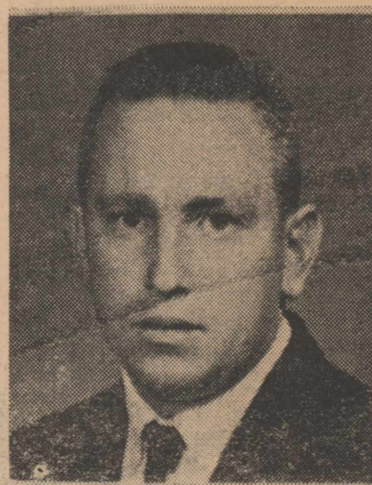

### BROTHER OF T. D. HOLLIS DIES AT SHERMAN

Mr. T. D. Hollis received word here Friday of the death of his brother, Olen Hollis, at Sherman, Texas. Funeral services were incomplete at that time and Mr. Hollis was unable to attend the services and has not had word as to the time the services were held.

He is survived by his wife and two brothers, Homer Hollis of Wichita Falls, and T. D. Hollis of Quitaque.

The Texas Sports Writers Association of Texas announced their all-state Class - B schoolboy basketball team and Sammy Johnston was chosen as a member of the first team. This is a fine honor for any boy and one that only five boys each year in Texas achieves. Sammy was honorable mention all-state last year. He is the first Quitaque boy to ever be chosen as all-state as far as we know. Quitaque is very proud of Sammy for this high honor.

## The Coach -

COACH JAMES ROBERTS

Coach Roberts has been here in Quitaque two seasons now, and this is his first and only coaching job, coming here fresh out of college.

We predict a bright future for the coach. The boys like and respect him and that is the first requisite. Last year, his first year in the coaching business, saw the Panthers win the District after a rough playoff, then lose a very close decision to Jayton in bi-district. Our congratulations to you, Coach, and much future success.

## ATTENDS FUNERAL IN CALIFORNIA

Otto Edwin Hammons of Brawley, Calif., died Sat. Feb. 24, 1962 at 5:15 p.m. Those who left Sunday noon to attend funeral services were his sisters, Mrs. Thelma Truelock of Quitaque, Mrs. Naida Long of Dumas, Mrs. Roberta Truelock of Etter and a brother and his wife, Mr. and Mrs. Guy Hammons of Flomot.

Mr. Hammons was 52 years of age and is survived by his wife, Reatha, and two sons, Bill Hammons of Austin, and J. T. Hammons of El Centro, Calif. Funeral services were held there Wednesday morning at 9:00 a.m.

Mr. Mac Truelock received a telephone call from his wife Monday night and reported they made the trip to California safely, but one of Mrs. Truelock's sisters who lives in Denver, Colo. was snowbound at Flagstaff, Ariz. and would likely have to take the train from there.

## RELATIVE OF LOCAL PEOPLE BURIED AT JACKSBORO

Ben Smith, 71, of Jacksboro, a cousin of Edgar Morrison and John Rogers, died Thursday evening, Feb. 22, at Jacksboro, Texas.

Funeral services were held for Mr. Smith at Jacksboro Saturday afternoon at 2 o'clock, with burial in Cottonwood Cemetery at Bryson.

Mr. Smith is survived by his wife, three daughters, and one son; three sisters and six brothers, all of whom were present for the funeral services.

Those from Quitaque who attended the funeral were Mr. and Mrs. Edgar Morrison and Mr. and Mrs. John Rogers.

Mrs. H. G. Boyles and children of Silvertown spent Sunday afternoon with their parents and grandparents, Mr. and Mrs. D. C. Duck.

The Quitaque Panthers won the Regional Championship at Canyon last Saturday night by downing a fired-up, hot shooting Briscoe team 71-69 in an overtime thriller, surely one of the most tense, and satisfying ball games ever witnessed by a bunch of Quitaque fans. The Panthers did it the hard way, coming from a 10 point lead that the Briscoe lads built up during the second quarter.

The Panthers almost gave their supporters heart-failure in their first tournament game when they fell behind Flower Grove by 13 points in the first half and trailed by ten points at half time. Most Quitaque fans had given up at that point, feeling that the season for the Panthers was coming to a close that night. However, this year's Panther team does not know what the word quit means, and they came roaring back in the second half, caught up with Flower Grove early in the fourth quarter and won going away 68-58.

In the semifinal game Saturday morning the Panthers took a 60-51 win over the Adrian Matadors for the right to play in the finals. This reporter rather suspects that the Panthers were looking ahead to the Adrian game Friday night and were almost caught napping. Adrian and Quitaque had been rated all season long as the two teams most likely to win the trip to Austin. Fans who saw the Saturday morning game generally agreed that the Panthers played their best game of the tournament against Adrian, although for sheer all-out effort, the final game was as fine as ever we have witnessed.

Briscoe came to the tourney with a good record, though they were not generally considered as a top threat for the title. The Broncos beat Booker in their first outing, then took a 56-41 win over Pep in the semi-finals to gain the Saturday night finals against Quitaque.

The Broncos came out firing and at the end of the first period they were leading the Panthers 24-17, although the Quitaque lads were playing good basketball. The Panthers fell even further behind at the early minutes of the second

quarter but rallied and at the end of the half had pulled to within 1 point, trailing 38-39 at intermission. It was anybody's ball game from that point on. The Panthers went ahead early in the third quarter but were unable to hold it and the score was deadlocked 52-52 at the end of the period. Sammy Johnston tied the score on two free throws after time had run out in the quarter. The fourth period was more of the same, with each team trading baskets. Briscoe had a 65-63 lead with a little over a minute to play. Both teams booted the ball away several times, but with 8 seconds to play Sammy Johnston hit a jump shot from the free throw line, knotting the count at 65-65 and throwing the game into overtime. The Panthers were playing now without their two tall men, Jack Johnson having fouled out with 4:50 left to play and Dellis Monk going out a couple of minutes later. A. B. Lyles was subbing for Jack and Jim Saul for Dellis.

Johnston hit first in the overtime period to put the Panthers ahead 67-65. The Broncos Swift tied it at 67-67 and then Briscoe went ahead 69-67 when Waters hit a long shot. Jim Saul then tied it again at 69-69 and with just a few seconds remaining, and with a trip to the State Tournament at Austin resting squarely on his back, Sammy Johnston very calmly dropped in two free shots. Briscoe did not have time to take another shot.

Dellis Monk, James Starkey and Sammy Johnston were selected on the all-regional team. Starkey and Johnston were all-district, also. Dellis Monk really hit his stride at Canyon. He is playing his first year as a starter and has improved all season long. He was high scorer for the Panthers for all the three games, dropping in a total of 54 points. In Saturday night's final game he racked up 19 points in the first half to play a big role in keeping the Panthers within shooting distance of the hot-shooting Broncos. Sammy Johnston tossed in a total of 49 points, some of them mighty big ones, Starkey hit for 33, Jack Johnson made 32,

Phelps 18, A. B. Lyles 13 and Jim Saul made 7 points. Although Jim Saul made only 7 points, they were mighty big ones! On Friday night he subbed in for Phelps, who fouled out, and Jim proved to be a spark, hitting when they were needed and being in the right spot at the right time, intercepting a couple of passes and breaking up a fast break or two. Lyles filled in very capably for Johnson in the Saturday morning Adrian game after Jack had picked up 4 quick fouls. A. B. chipped in with nine points in that game.

Quitaque is justly proud of its Panthers and the honors they have won this year. Whether they win or lose at Austin, Coach Roberts and every member of the squad have the congratulations and admiration of the entire area.

## THREE PANTHERS SELECTED ON ALL-REGIONAL TEAM

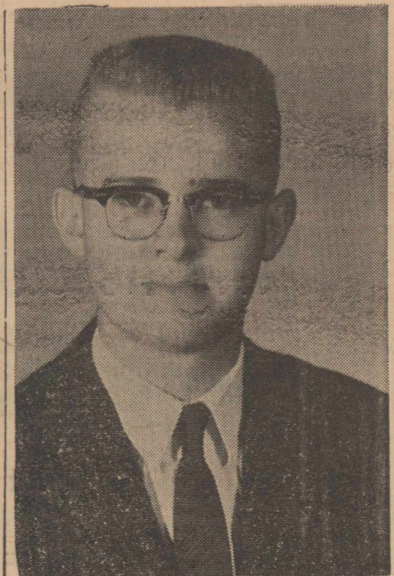

DELLIS MONK

"Big D", another senior, playing his first year as a starter, improved all season long. Dellis is a fine rebounder, and has become one of the steadiest performers on the team. He was high point man two out of the three games played in the regional tournament and was one of the outstanding players in the tournament. We think he will make some college a very fine player. He is 6 feet, 4 inches tall and might grow some more.

Johnny Gowin and sons, David and Chris of Lawton, Okla. spent Saturday night with his sister, Mrs. Clarence Barrett and family.

Mr. and Mrs. N. V. Hamilton spent Sunday in Tulia, guests of Mr. and Mrs. Noman Hamilton.

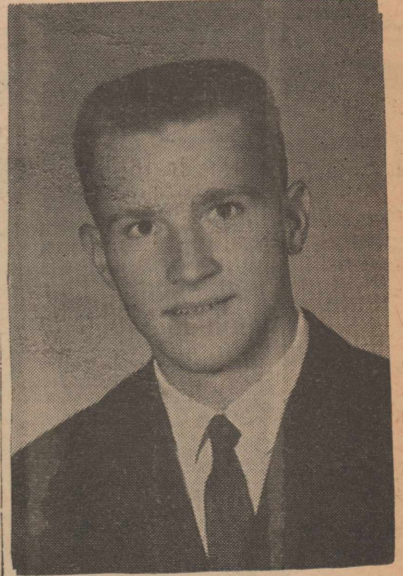

JAMES STARKEY

Senior, and co-captain of the Panthers, 2-year all-district. James has one of the prettiest corner and side shots we have seen. He is a good defensive man and gets a lot of rebounds, and also good when the going is rough. James averaged about 11 points per game over the full season, and drew fewer fouls than any other member of the regulars. A good basketball player.

### HOME FROM HOSPITAL

Mrs. William Auston returned to her home here last Saturday evening after spending a week in St. Anthony's Hospital in Amarillo. She was first taken to Goodall Hospital at Memphis, then was transferred to Amarillo.

At latest report she is improving.

SAMMY JOHNSTON

Sammy is a senior, a co-captain of the team. He is the leading scorer of the squad. Sammy, honorable-mention all-state last year, is very cool under pressure, as evidenced in the final game Saturday night. Sammy hits well from all spots and drives well, getting a lot of points on lay-ups. He is a good playmaker and team members must be on their toes when he has the ball for he looks one direction and throws another, as a real good playmaker will do. He is a good college prospect.

### CUB-SCOUT PACK MEETING

The Cub Scout Pack meeting, which was postponed last week, is re-scheduled to meet Tuesday night in Fellowship Hall of The Methodist Church.

# Public Schools Week To Be Observed Here

## RESOLUTION

### WHEREAS:

The security and future progress of our Nation depends more than ever before on the adequacy of our schools, and

### WHEREAS:

Since the founding of the Texas Public School System 108 years ago, the growth and development of our State has been tied closely to the educational advantages available to Texas citizens and depend upon the confidence and furtherance of educational opportunities for all Texas children, and

### WHEREAS:

The Texas Citizen's Committee for Public Schools Week has worked diligently and effectively since 1950 in cooperation with local school officials to bring the one purpose of Texas Public Schools Week to the attention of all the people in Texas; and records show that the number of people visiting public schools during 1961, the eleventh year of the observance increased to more than 2,000,000; and

### WHEREAS:

Members of the Board are grateful for this continued interest of the people of Texas in their public schools.

### BE IT THEREFORE RESOLVED:

That the State Board of Education hereby designates the week of March 5 through March 9, 1962, as the twelfth annual Public Schools Week in Texas, and urges all citizens in the State to visit a public school during that week, and

That the State Commissioner of Education and the State Department of Education staff shall join with the State Board of Education in encouraging public school administrators and teachers to work with individual citizens, parent-teacher associations, and other organizations and agencies interested in improving educational opportunities available to the children of their respective communities, and

That Public Schools week be suggested as an appropriate week for school officials to plan school events and educational programs which will give to each pupil and to each citizen who visits in the schools a better understanding of the vitally important responsibility rests upon the public schools in a country governed by and for the people.

## LOCALS

Wilburn Bradshaw of Artesia, N. M. celebrated his 80th birthday last Thursday, Feb. 22, in the home of his sisters, Ina and Euna Bradshaw. Guests present for the occasion were Mr. and Mrs. Wilburn Bradshaw and son, Willard of Artesia; Mr. and Mrs. H. T. Bradshaw, South Plains; Mr. and Mrs. Otis Wilson; Mr. and Mrs. W. M. Tracy, Mr. and Mrs. Morris Wilson, Mr. and Mrs. Murry Morrison, and Neva Dale; Maynard Wilson; Mrs. Orpha Morrison, and the hostesses, Ina and Euna Bradshaw. The guest of honor arrived Wednesday and returned home Saturday morning. A bountiful feast and

a day of visiting was enjoyed by all those present. Maynard Wilson observed his birthday on February 21, and he was sharing the celebration with Mr. Bradshaw.

Mr. and Mrs. Leon Barham and son of Tullia spent Sunday with Mr. and Mrs. James Brunson.

The I. G. Grundys had as guests in their home the weekend of Feb. 18, their son and wife, Mr. and Mrs. Jack Grundy of Houston. On Sunday their daughter and family, Mr. and Mrs. O. D. Witten, Jane and Susan or Amarillo, joined the family. The I. G. Grundys returned

## Public Schools Week In Texas General Information

SUBJECT: Public Schools Week in Texas.

DATE: March 5-March 9, 1962

OBJECTIVE: To acquaint all our people with programs and accomplishments of our public education systems.

SLOGAN: "Texas Public Schools—Democracy in Action."

THOUGHT: Our forefathers in their wisdom, recognizing the importance of education in the function and operation of a democracy, established the public school to make education available to all. The people of Texas declared, by the expressed terms of State Constitution, "a general diffusion of knowledge being essential to the preservation of the liberties and right of the people, it shall be the duty of the Legislature of the State to establish and make suitable provision for the support and maintenance of an efficient system of public free schools." The 1854 School Law provided for the first Public School System in Texas. As the years passed our laws were strengthened to make sure that all children of a school age shared in this opportunity for public education. Today the importance of education is not a debatable subject. Our job is to see that children of this generation get the best possible education we can give them.

By visiting the schools and familiarizing ourselves with the problems of teachers and students, we become more competent to safeguard and advance the institution that is so American—the public school.

to Houston with Mr. and Mrs. Jack Grundy for a visit. They returned to Quitaque Wednesday.

Mr. and Mrs. Rudy Power of Atlanta, Texas visited Mr. and Mrs. J. E. Chandler Sunday on their return home after visiting in Lubbock. Mr. and Mrs. Chandler returned to Atlanta with them for a visit. Mrs. Power is a daughter of Mr. and Mrs. Chandler and a sister of Mrs. Leon McCracken.

### OBSERVES 85th BIRTHDAY

Mr. J. G. Gowin, who was 85 years of age on February 22nd, was honored with a birthday dinner given by his children at his home Sunday, February 25. All of his children were present except one daughter, Mrs. F. L. Bodkin of Tulsa, Okla., who could not attend because of illness. Six grandchildren and two great-grandchildren were present also.

Those present to help make the day a most pleasant one were Mr. and Mrs. Chas. Gowin, Mr. and Mrs. Bob Hulett of Amarillo, Mr. and Mrs. Clarence Barrett and Charles, John Gowin and sons, David and Chris of Lawton, Okla., A. L. Tartar and son Joe of Lubbock, Mr. and Mrs. Marion Wilson of Pampa, Becky and Tripp Braden of Amarillo and Mr. and Mrs. A. C. Barrett. Mr. Gowin received several nice gifts, one being a beautiful birthday cake, decorated appropriately for the occasion by Johnnie Rogers. Everyone departed to their respective homes having had a most enjoyable day, and wishing Mr. Gowin many more birthdays.

Mr. and Mrs. F. C. Benson spent from Wednesday of last week until Monday of this week in Fort Stockton where they visited at the home of their daughter and family, the B. C. Lannons. They also visited her three sisters and families, who also live at Fort Stockton. They are Mrs. Montie Wallace, Mrs. Evelyn

Nevens and Mrs. Althea Dyche.

Mr. and Mrs. James Hawkins, Beth and Troy of Lubbock spent the week-end with her parents, Mr. and Mrs. John King.

Johnny King and Danny Mayfield of Fort Worth arrived Saturday afternoon to spend the week-end with Mr. and Mrs. John King. Danny remained for a two weeks visit.

Mr. and Mrs. Glen Gibson and children spent the week-end with his parents, Mr. and Mrs. Gus Gibson and other relatives and friends.

Mr. and Mrs. Stewart McCracken and children of Tullia spent Friday night with his parents, Mr. and Mrs. Boone McCracken. Jo Beth and Ronnie remained until Saturday night and the McCrackens took them home as they drove to Canyon to attend the Regional Basketball Tournament.

Mr. G. B. Shelbourne and Don Brown of Amarillo, Mr. and Mrs. Ralph Carter, Mr. and Mrs. Boone McCracken were dinner guests Sunday of Mr. and Mrs. W. J. Carter. Mr. and Mrs. Alvie Francis and children of Silverton called Sunday afternoon.

Mr. and Mrs. Larry Hedrick and Scott spent the week-end in Quanah, guests of his parents, Mr. and Mrs. Gordon Hedrick. They stopped for a visit with her parents, Mr. and Mrs. Ralph Carter, on their way home Sunday evening.

Mr. and Mrs. James Barefield and Joey spent the week-end in Amarillo with their daughter and family, Mr. and Mrs. Jesse Rivers, and attended the basketball games at Canyon Saturday.

Mr. and Mrs. Ray Persons drove to Odessa Saturday to spend the week-end with Mrs. Person's sister, Mrs. Loyd Fulkerson and her husband, and Mrs. M. T. Witcher. Mrs. Wichita returned to Quitaque with them. She is spending this week with Mr. and Mrs. Buddy Morris and will be at home with Mr. and Mrs. Persons after this week.

## SCHOOLS SHOULD BE STAFFED WITH QUALIFIED TEACHERS

School boards, superintendents, and the general public in Texas have expressed concern that all teachers in our public schools be thoroughly prepared and that our classrooms be staffed with qualified people.

Standards for teacher education which were established pursuant to the Certification Law of 1955 required Texas colleges and universities to offer a well-balanced program of preparation. Approximately 40 per cent of the program is devoted to basic education (arts and sciences), 40 per cent to the subject to be taught, and 20 per cent to the professional preparation (teacher education).

In 1959, certain revisions in certification requirements were made to relieve some of the difficulties regarding the employment of persons with college degrees who do not qualify for one of the regular certificates. One of the major purposes of these changes was to increase the supply of teachers for Texas schools.

In 1961, the State Board of Education adopted revised standards for teacher certification to strengthen further the subject matter preparation of teachers for the subjects which they are to teach. The revised standards, which become effective September, 1962, will increase the requirements for academic specialization and the foundations in arts and sciences.

State accreditation standards are also being directed toward improving the quality of instruction by requiring that superintendents and principals assign teachers in an area or subject for which they are prepared.

The adoption of higher standards for classroom instruction in public schools will require each teacher to keep informed in regard to cur-

THE QUITAQUE TRIBUNE — THURSDAY, MARCH 1, 1962

rent developments in both content and methods of teaching. Most schools conduct in-service programs to help teachers improve their proficiency and keep up with new developments. Curriculum improvement and change may lead to differences in scheduling and in the time by both teachers and pupils. It will be necessary to consider ways to make more effective use of the school day of the teachers' and pupil's time.

KEEP YOURSELF IN TRIM

### Flomot News

Mrs. L. B. Turner

Mrs. Gordie Washington was assisted by Mrs. Dean Turner and Mrs. Alfred Martin as she brought an interesting program on "Family Life: Recreation and Pastime". The hint for the day was "Be Wise! Make your days happy!"

Seventeen club members were present and Mrs. Rex Johnson joined the club.

In the council report members were reminded that the next council date is the 3rd Wednesday of the month, which is March 21, and the time is 9:00 A.M.

Refreshments were served to Mesdames. Hobson Burris, G. D. Pope, J. H. George, Sam Ross, O. D. Calvert, Lois Martin, James Monk, Alfred Martin, Rex John-

son, Dean Turner, Wilburn Martin, L. B. Turner, Ikie Gilbert, L. W. Crowell, Raldo Martin, G. E. Washington and Ray Crse.

Mr. and Mrs. Don Monk and baby moved to a farm near Cedar Hill recently and will make their home there.

Mr. and Mrs. Wayne Mackey are the parents of a 6½ lb. daughter, Karen, born February 14th at Shattuck, Okla. Mr. Mackey brought his family home Sunday, Feb. 18th. There are two other children in the family, Tammie, 4, and Russell, 2.

Mr. and Mrs. Fred McNeely went to Bowie Thursday due to the illness of her sister.

Mr. and Mrs. Joe Degan and sons, Morris and Stanley, attended the funeral of his uncle, G. R. Hol-

lis, at Broadview, N. M. Tuesday of last week.

Guests at the home of Mrs. F. S. Bounland Friday were her daughter, Mrs. P. A. Simpson of Northfield and Mrs. R. W. Patrick of Quitaque. Mrs. Patrick has recently returned from California, where she has been visiting her son and his wife, Mr. and Mrs. Guy Patrick.

A dinner was given in the home of Mr. and Mrs. L. D. Bilberry Sunday honoring several of the family who had recent birthdays. Those honored were L. D. Bilberry, his mother, Mrs. L. S. Bilberry of Spur; their daughter, Mrs. Earl Patrick; and their granddaughter, Marla Dickerson of Lubbock. Others present were L. S. Bilberry and daughter, Leona of Spur; Mrs. C. B. Fort of Dallas; Mrs. Eua Bilberry, Mrs. McGee and daughter, Janis of Spur; Mrs. Dick Dickerson, Cora Lee and Marla of Lubbock, Mrs. Patrick and Mr. and

Mrs. Merl Richardson, Linda, Pat-sy, Sue and Mary Ann.

Relatives here received word that Otto Hammons of Brawley, California had passed away Saturday. His brother and wife, Mr. and Mrs. Guy Hammons left Sunday about noon for California. They went by Quitaque to his sister's home where they would meet other members of the family from Dumas and leave from there. Mr. and Mrs. Otto Hammons were residents of Flomot several years ago. Cause of his death was attributed to a heart attack and a partial stroke of paralysis.

#### JOE SALEM TO GIVE TESTIMONY

Mr. Joe Salem, an outstanding Methodist Layman from Sudan, Texas, will be present at First Methodist Church this Sunday morning to give his personal testimony to all adults during the Sunday School hour which begins at 10 o'clock. He was scheduled to speak for the opening of the "Inquirer's Class", a class for non-church members, but it seemed advisable to let all the adults hear his testimony. The prospective members of the Inquirer's class are urged to come out and hear Joe and let this be the "sendoff" for the new class which will then have its first study at 10 o'clock, March 11th. Mr. Salem will then bring the Morning Message in the Worship Service at 11 o'clock. Joe Salem is this year serving as Conference Lay Leader for the entire Northwest Texas Conference of the Methodist Church. This is an honor and responsibility of the highest kind. It denotes the esteem in which Mr. Salem is held by his fellow Christians. He is deeply consecrated and a spiritual man with a genuine testimony.

#### MYF MEETS AT PETERSBURG

The Caprock Zone of the Methodist Youth Fellowship will have a youth meeting in the First Meth-

odist Church of Petersburg this Sunday afternoon at 2 o'clock. The Youth of Matador will bring the worship, and those of Petersburg will also provide and serve refreshments.

#### METHODIST PASTOR'S MEETING IN PLAINVIEW

Pastor James Holman, and Lay- Leader E. J. Hamilton attended a meeting in Trinity Methodist Church of Plainview last Wednesday afternoon to hear Missionary from Japan, Sam Hillburn. He outlined a special missionary project for Japan that has been approved by the Conference for the future. Missionary Hillburn is supported by many of the Methodist Churches of this area, including the local church.

#### SCOUT COMMITTEE MEETING TO BE HELD HERE MONDAY NIGHT

Dr. Roy McClung, Chairman of the Haynes Boy Scout District announces that the monthly committee meeting will be held in Quitaque on Monday evening at 7:30 p.m. in the First National Bank.

I. B. Roberts, District Vice-Chairman, will preside at the meeting and direct attention to the forth coming Rally Day, Scout-O-Rama, Regional Conference, District Annual Banquet, and organization and training of new units.

Institutional Representatives from each of the sponsoring institutions are especially urged to attend this meeting. Many program features of interest to the units in the district will be discussed, and Institutional Representatives should be present to voice their viewpoints, and receive dates and information concerning these matters.

#### SOIL CONSERVATION DISTRICT AGREEMENT REVISED

College Station, March 1 - Secretary of Agriculture Orville L. Freeman has announced the updating and broadening of the agree-

ment which provides the official basis for cooperation between the USDA and local soil conservation districts.

According to the announcement, the USDA is now ready to enter into this revised agreement which will offer help to districts "in conserving and improving soil, water, vegetation, wildlife and related sources, and in reducing damage by flood and sedimentation".

The new memorandum will be used with all newly formed districts. Agreements with existing districts will be re-negotiated using the new document as rapidly as they wish to do so, the Secretary said.

Up-dating USDA's assistance to districts comes on the 25th anniversary of the district movement. In Texas, 182 soil conservation districts, including 98 percent of the state's privately owned agricultural and forestry land, have entered into agreements with USDA for help in conserving soil and water resources, says Lynn Pittard, extension soil and water conservation specialist.

Secretary Freeman made the first public announcement of the revised memorandum of understanding in an address before the annual convention of the National Association of Soil Conservation Districts, held recently in Philadelphia.

#### MARSHALL FORMBY MAKES FIRST TV ADDRESS

Speaking over an 18 Station TV Network tonight (Thursday) gubernatorial candidate Marshall Formby is expected to charge Gov. Price Daniel with a "tired and unwieldy administration" that deserves a change. Formby will also lash out at the special interest groups that are backing various candidates in the Governor's race. He points out that an endorsement by special groups or cliques obligates a candidate and does not leave him the freedom a Governor should have to represent the interests of all Texans.

In the prepared TV speech the former Highway Commission Chairman takes a definite stand against the present so-called merit automobile insurance law. He stated that Texans come under double jeopardy when they must first pay a fine for speeding even three miles faster than the law allows and then they must also pay penalties ranging from \$40.00 to -100.00 or even more over a three year period in insurance premiums. "I firmly believe that the Texas Safe Driving

Insurance Plan should be amended to protect the safe driver from the unsafe driver. And I do not believe that a minor traffic violation constitutes an unsafe driver. The Plan, as it now exists, means double jeopardy, which is a violation of our basic principles of justice."

The Plainview Attorney also charged that the present sales tax was poorly conceived and has been confusing to both the businessman and the customer. Formby states that if a sales tax is necessary it must be simplified for everyone concerned with less red tape.

"I promise the people of Texas that I will be obligated to no one and can assure you that I will not be dominated by Washington politicians or Austin cliques," he stated. Formby charged that two candidates in the race have the "blessing of LBJ in Washington" and stressed emphatically that he did not have, and had not solicited, the endorsement of any special interest groups or cliques.

Formby pledged leadership that would be positive and get things done—he cited the six special sessions within three years as being costly for Texans. He also stated that Texas should be operated on a cash basis and urged that no deficit spending should be allowed. He also favored less centralization from Washington with more control to local and state governments.

On Monday of this week, Formby spoke to the Farm Bureau Group in Dallas. Friday night, March 2nd, he will speak to a gathering at Van Horn and will go from there to El Paso to campaign and to attend a meeting of the Texas Radio and TV Broadcasters. Marshall Formby is a director of the Texas Association of Broadcasters.

Formby recently opened a State Headquarters Office in Austin at the Littlefield Building, while his Plainview Headquarters is handling all literature and bulk mailing for the State; the office in Austin will handle his speaking schedules and the state-wide organization.

"Come in - and have coffee and cookies with us."

- For District Judge: L. D. Ratliff (Re-election)

**LOCAL COMMUNITY RESPONSIBLE FOR INSTRUCTIONAL IMPROVEMENT IN SCHOOL SYSTEMS**

The responsibility for determining what it takes to make a good instructional program is that of the local community. The State has the responsibility for establishing minimum standards only and to give leadership to local schools in improving the program. In carrying out its legal responsibility, the State Board of Education in 1961 approved revisions in the principles and standards for accrediting elementary and secondary schools. These changes resulted from a two-year curriculum improvement study conducted by a state-wide committee and by local

We are accepting Leases for CABIN SITES on COTTONWOOD LAKE. We are going to try to be open for fishing by April 1st. See GERALD SMITH

**CARDS OF THANKS**

**THANKS TO EVERYONE:**

We want to take this means of thanking everyone in Quitaque for the nice gift that you gave us. We appreciate it very much. We have had a very good basketball season but it would not have been so successful if we had not had such a fine group of boys with which to work. Most of the credit should go to them and it has been a privilege working with them. We are very proud of every one of them. We are happy to have had the pleasure of working with a championship team and to be associated with such good friends as we have here. Sincerely we do appreciate you.  
Coach and Mrs. James Roberts

We wish to express our deepest gratitude to all of those who were so thoughtful at the passing of our loved one. We do thank everyone for the beautiful flowers and cards expressing sympathy.

We are especially grateful to the ones who prepared and served the food and also to those who sang in the choir.  
The Family of W. E. Lyles

**LOCAL BRIEFS -**

Mr. and Mrs. Rueben Hilton of Pampa spent the week-end with her sister and husband, Mr. and Mrs. Pierce White and other relatives and friends.

Mr. and Mrs. Tom Barbee spent Saturday night in Amarillo with their daughter and family, Mr. and Mrs. Dean Mullins, and met another daughter, Mrs. Curtis Brashar and family of Wichita Falls who were there, also.

Mr. and Mrs. R. S. Lewis and son, James, of Stanton, spent Saturday and Sunday with relatives in Quitaque. They were overnight guests of Mr. and Mrs. Alton Johnson and family.

Mr. and Mrs. P. John Monk and family and Mrs. Ben White drove to Silverton after church Sunday morning and ate lunch with their daughter and son-in-law, Mr. and Mrs. Charles Rowell. They were joined there by Mrs. Monk's brother, Mr. and Mrs. R. A. White of Tulia. Mrs. Ben White returned to Tulia with them for a visit this

week. Mr. and Mrs. Kenneth Hooten, Charles Rowell's sister, were also luncheon guests of the Rowells.

Mr. and Mrs. A. B. Ramsey, Jr. spent the week-end in Amarillo with Mr. and Mrs. Glenn Barrett and attended the basketball games at Canyon.

Mr. and Ms. Bill Woods took their daughter, Mrs. Weldon Griffin and Cynthia Ann, to Weatherford, Okla. where Weldon met them and returned them to their home in Tulia.

Mrs. Novelle Wise and Mrs. W. P. Hawkins drove to Amarillo Saturday to meet Mr. Hawkins who was returning from a five-weeks vacation trip to California. Mr. Hawkins is feeling better after recent surgery and his vacation.

6. Preparation of Staff
7. Teaching Methods (local guides and courses of study, teacher plans, and the like)
8. Guidance Services
9. Special Services to Students (cafeteria, library, school buses, and other services)
10. The Instructional Materials
11. The Activity Program
12. The School Plant
13. Balance in Educational Opportunities on All School Campuses.

The revised principles and standards will replace present standards in September, 1962. Local schools are now making plans to implement the standards which were made available to schools by the Texas Education Agency in November, 1961.

The Principles and Standards for Accrediting Elementary and Secondary Schools provide the basis for local schools to evaluate programs of instruction, to determine the extent to which standards are being met, and to locate areas for improvement. Course descriptions, grades 7-12, were included to assist local schools in developing courses of study.

In visiting and observing schools during Texas Public Schools Week, parents and other citizens may be interested in discussing with school personnel the effect of the revised standards on:

1. School Board Policies
2. School Objectives
3. Course Offerings

Mr. and Mrs. Kenneth Hooten, Charles Rowell's sister, were also luncheon guests of the Rowells.

Mr. and Mrs. A. B. Ramsey, Jr. spent the week-end in Amarillo with Mr. and Mrs. Glenn Barrett and attended the basketball games at Canyon.

**INSECT CONTROL SHORTCOURSE**

(Continued From Page 1) and all have proven to be very helpful in helping to solve farm insect problems," according to Walter Labay, area supervisor of vocational agriculture, Plainview Texas. Arrangements for the adult shortcourses are made through Mr. Labay's office.

The shortcourse at Quitaque is scheduled to begin March 5 at 7 P. M. in the vocational agriculture building. Other meetings in this series will be held March 6-7-8-9. During the dates the shortcourse is in progress, Mr. Mammam will be available to assist farmers with individual problems and provide on-the-farm instruction, according to Mr. Berryhill.

Farmers interested in attending the shortcourse should write or call the superintendent of schools, Mr. Mason, or the teacher of vocational

agriculture, Mr. Berryhill. An entry fee of \$2 will be charged. Insect control shortcourse certificates are to be presented to each farmer who attends all the training sessions.

Mr. Hamman states that these sessions will be adjusted to the problems that the farmers are faced with in their community. He will discuss these problems and the insect or insects that might be causing the damage and the insecticides needed to do the job. He will also discuss the timing and method of applying insecticides to do the job. He will discuss the timing and method of applying insecticides to get the best results. The course will be as practicable and simple as possible. Time will be allowed each meeting for any questions that may arise.

"Shortcourses in insect control, as well as in other areas, are now available to farmers throughout the state under the new coopera-

tive program between the Texas Education Agency and Texas A. and M. College," states Bob Craig, associate professor, department of agricultural education at Texas A. and M. College, who coordinates the program for Texas A. & M. "This cooperative program," states Craig, "is designed to make the services of specialists available to conduct shortcourses under the supervision of public schools. Such a program will enable teachers of vocational agriculture to provide improved educational services to farm people." Specialists are now available in the fields of beef cattle, insect control, farm management, farm electrification, farm welding, swine production, tractor maintenance, and dairy cattle.
