School Integration Vote To Be Held Saturday

Patrons of the Quitaque Independent School District vote Saturday on whether or not the local schools will integrate with Frederick Douglas School.

All eligible voters in the school district are urged to vote Saturday's election.

Several have inquired as to the requirements for eligibility to vote in the Saturday election. If a person has resided within the Quitaque School District 6 months prior to the election, and either paid his poll tax or has an exemption (is "over" or has a first time vote exemption certificate) then that person is eligible to vote.

Supt. Mason has asked that we once again present the following facts to the citizens of Quitaque in order that everyone might know the exact situation:

Several things need to be considered in the forthcoming election recently called by the Quitaque Board of Trustees to abolish the Dual System in our community. If abolished by a majority of the voters, it will mean that the students in Frederick Douglas, and those attending high school at Childress will all attend the regular schools instead of separate schools.

One fact that needs to be considered is that we did not have enough students attending school regularly at Frederick Douglas last year. The state requires that we have at least 15 students in daily attendance in order to be allowed one teacher under the "one room school law." This of course, means that the state could cut off all funds paid to support the school if it chooses to do so. We have applied for an emergency operating permit for next year, but as yet we have not received official

permission to operate the school with state aid.

Another fact is that the accreditation committee who have visited our schools the past three years do not look upon our situation at the Frederick Douglas school with favor. To quote one of the officials he said, "Your colored school and its facilities are in very, very poor condition." However, they did not recommend integration, nor did they encourage us to keep the school under present conditions.

Should the state not grant us permission to retain the school, with their financial support, we would face the possibility of either losing accreditation of all our schools (which would mean that our graduates would not be accepted in any college or university) or we would have to bear the expense of operating the school from local taxation. This would mean an approximate tax increase of some 15 percent to raise at least \$8,225.

Too, due to the fact that we did not have as many white students enrolled, we also lost one white class-room teaching unit. Therefore, we are already obligated to hire one teacher out of the local fund and desperately need to hire two. The state will not give us permission to hire a white teacher-unit on an emergency basis because we do not come under the "one school-room teacher law."

Due to the financial situation of our school, the trustees felt that the decision should be left to the people as to whether to abolish the dual system or perhaps raise taxes again this year some 15 percent. That decision will be made by you at the polls on July 21, 1962. Please vote!

BOLL WEEVILS DISCOVERED IN LOCAL AREA

BRUCE GARNER GIBSON RITES HELD AT TURKEY THURSDAY

Funeral services will be held at 3:00 P. M. Thursday for Bruce Garner Gibson in the Church of Christ at Turkey. Mr. Garner died at 7:30 A. M. Tuesday in the M. D. Anderson Hospital at Houston where he had been a patient for five days. He was 30 years old. He was born in Turkey on Feb. 23, 1932.

Presiding at the services will be Jack Hutton, minister of the church and burial will be in Dreamland Cemetery at Turkey.

Bruce Garner was a graduate of Turkey High School and Texas A & M College where he majored in landscape architecture. One of his first projects was landscaping the parks of Turkey. He had been landscape architect at Kansas City, Kansas for several years.

Surviving are two sons, David Bruce and John Wesley, both of Turkey; one sister, Mrs. Troy Logan of Turkey and his father, Bruce O. Gibson of Turkey.

Mr. and Mrs. Jack Bradley of Dalhart spent the week-end with his mother, Mrs. J. T. Bradley.

Mr. and Mrs. J. M. Stevens of Davis, Okla., spent Sunday afternoon and night with her sister, Mrs. A. C. Barrett and Mr. Barrett. Mrs. Emma Burgess and Wanda Cates and daughter, Joy Beth, of Lockney visited with them Sunday afternoon.

Mr. J. G. Gowin returned home Sunday after spending several weeks in Tulsa, Shawnee and Lawton, Okla. His daughter, Mrs. Clarence Barrett and Mr. Barrett met Mr. Gowin in Childress.

Lynn, Beth and Mark Sheets of Spearman are visiting their grandparents, Mr. and Mrs. Johnny Brummett.

It was reported to the Tribune Thursday morning that boll weevil infestation has been found in the cotton in this area and farmers are urged to check their own crops to see if the dreaded pest is present.

At the present time about the only way to find the bug is to cut open the young bolls and it will be found inside.

When mature the weevil will bore his way out of the cotton boll and then start laying eggs.

Treatment is by spraying the cotton, then a few days later the process must be repeated to kill weevils that will be hatched later.

TO ATTEND WORLD'S FAIR

Mrs. Cleo Ham is leaving Friday for Seattle, Washington to attend the World Fair. Mrs. Ham plans to go by train and return home by plane.

Mrs. Walter Taylor and children and Mrs. Weldon Findley and son of Littlefield are visiting Mrs. Taylor's sister, Mrs. Leslie Burns in Norwalk, Calif. They plan to visit Disneyland while there.

Frankie Hawkins returned Sunday from Amarillo after spending a week visiting at the home of her sister, the Leo Ray's. Other visitors in the Ray home were the ladies' nephews, Capt. Keith Cloyd, stationed in Dover, Delaware, and Mr. and Mrs. Norris Cloyd and family of Lubbock.

Mr. and Mrs. Edwin Hanna and Jerry of Plainview spent Sunday with her brother, Mr. and Mrs. Clyde Saul and boys.

Mrs. Estelle Davidson is on vacation and she is visiting relatives in Ft. Worth, including Mrs. H. K. Davidson and other relatives.

Mrs. John Garner of Silvertown, Mrs. Ray Persons and Mrs. M. T. Witcher spent Monday afternoon with Mrs. A. C. Barrett.

Father of Mrs. Seburn Neatherlin Dies Last Week

George Franklin Martin, 77, of Broken Arrow, Okla., passed away Thursday, July 12, at 9:30 P. M. in a Tulsa Hospital. Mr. Martin suffered a blood clot, following a long illness.

Survivors are his wife, Anna and one son, Floyd, of the home, and one daughter, Mrs. Seburn Neatherlin, Quitaque.

Funeral services were held at 10:30 A. M. Saturday at Kennard Funeral Chapel, with burial in Floral Haven Memorial Park, near Tulsa, Okla.

JIM MERCER NAMED TO BRISCOE COUNTY FHA COMMITTEE

Jim E. Mercer, Briscoe County farmer, has been named to the Farmers Home Administration county committee, according to Donald B. Cruce, the agency's county supervisor here. The appointment is for three years beginning July 1.

The purpose of the county committee is to review applications for FHA loans. Composed of three members, the committee is set up on a rotation basis with one new member appointed each year. Mr. Mercer succeeds Alton P. Steele, Silvertown, Texas, who has served on the committee the past three years. Other members are Bill Edwards, Silvertown, and James F. Bailey, Quitaque.

The Farmers Home Administration extends credit accompanied by technical farm management assistance to 76 farm families in Swisher and Briscoe counties.

These families have used the loans to strengthen and improve their farm operations. Many have increased their volume of business, replaced worn-out equipment and several have improved their homes.

Mrs. Glenn Yarbrough of Amarillo spent the week-end with the Mort Hawkins and other relatives in Quitaque.

Mr. and Mrs. C. P. Richmond attended the Buffalo Flat Reunion in Amarillo Sunday, July 15.

Mr. and Mrs. Sid McFall returned to their home in Quitaque after spending several weeks on the Brumley Ranch near Clarendon.

Ronald Ledbetter and Truman Loyd of Silvertown were in town Monday on business and stopped by the Tribune for a short visit.

Mrs. John Reagan and Freda left Tuesday morning for Modesta, Calif., to visit Mrs. Reagan's mother and other relatives.

HERE FROM CALIFORNIA

Mrs. Henry Funk, of San Jose, Calif. is here visiting her father, W. P. Hawkins, and her sister, Mrs. Novelle Wise and other relatives. Guy Hawkins, of Bakersfield, Calif. was here last week to visit his father and sister. Mr. Hawkins is reported to be resting as well as could be expected and is in good spirits.

Guests enjoying a picnic in the back yard at the home of Mr. and Mrs. Dick Taylor Saturday evening were Mr. and Mrs. Ray Aston of Lockney, and Mr. and Mrs. Lindsay Graham of Floydada.

Superintendent of Schools At Flomot Resigns

Mr. Hobson Burris, a teacher in the Flomot school system the past three years and Superintendent the last two years resigned his school position at a meeting of the Board of Trustees Monday evening. His resignation was accepted and he moved to his home in Oklahoma. The community will miss the Burris and regret the ill health that caused his resignation. A going-away party had been planned for Friday evening but was postponed until a later date when the Burris are expected back for a visit.

JAMES STARKEY WINS SINGLES TROPHY AT LAKEVIEW

James Starkey, one of this area's top tennis stars, added another trophy to his growing collection over the weekend.

James won the men's singles competition at the annual Lakeview Tennis Tourney, which was held last week. Some of the top players in this area were trading shots in the tourney, one of the better ones to be held in this part of the state every year.

Mr. and Mrs. I. L. Edgar spent the week-end in Graham, Texas, at the bedside of his brother, N. L. Edgar who is seriously ill. Mr. Edgar suffered a stroke and at this writing, is not improved.

Mr. and Mrs. Homer Morris of Edinburg were here the first of this week visiting at the home of his sister, the Dick Hooks. They are enroute home from a visit to the World's Fair at Seattle.

HAPPY SCOUTS - "We're having a rough, rugged, happy time," wrote Roger Vinson, of Matador, Official Reporter from Philmont Scout Ranch, Cimarron, New Mexico, when the above photo was made. On Saturday, July 7, a bus load of Scouts and leaders, including two from Quitaque and several others from this area in Crew 625-K, returned home after spending ten days on the trail in the rugged Cimarron country. They are (seated) Dusty Bailey, Quitaque; Scoutmaster Douglas Pitts, Matador; Lees Schadel, Ft. Lauderdale, Fla., ranger assigned to the crew; Rex Harmon, Quitaque; (standing) Kenneth Pitts, Don Seigler of Matador; James Willson III, Floydada; Roger Vinson and John Barnhill, Matador. A group of seven Scouts and Explorers, under the leadership of Douglas Pitts, Jr., Matador Scoutmaster, recently took an expedition through Philmont Scout Ranch, the National Camping area of the Boy Scouts of America.

This expedition was part of the annual outdoor program of the South Plains Council Boy Scouts.

Philmont Scout Ranch, located in the Sangre de Cristo range in northeastern New Mexico, covers

an area of two hundred square miles of rugged, mountainous country. This 127,000 acre ranch was given in 1939 to the Boy Scouts of America by Waite Phillips, a Pioneer Oklahoma oil man. He realized that his property held many educational opportunities for the youth of America. From its early beginnings Philmont has grown to its capacity amount of 15,000 Scouts each summer.

Mr. Pitts was the advisor to this expedition from Matador. He should be commended for giving his time to accompany this group of young men on an experience of high adventure which they will never forget. The following boys were the members of this crew: Don Seigler, Kenneth Pitts, Roger Vinson, John Barnhill, Matador; J. M. Willson III, Floydada; and Dusty Bailey and Rex Harmon, both of Quitque.

MATADOR HAS A NEW DOCTOR

Matador has a new doctor. He is Dr. Stermon Wells, a native of Quannah, who moved here with his family, the first of July.

He is associated with Dr. J. S. Stanley as a general practitioner at Stanley Hospital.

Dr. Wells is a graduate of Quannah High School, had his pre-med work at SMU and is a graduate of Southeastern Medical School at Dallas. He completed his internship at Thomason General Hospital, El Paso, prior to his move here.

Mrs. Wells was also reared at Quannah. They have two children, Stermon Jr., 11 and James 4.

Baptist Camp Manager to Preach at First Baptist Church Sunday

SUFFERS SEVERE CUT FINGER

Little Rickey Dudley, son of Herbert Dudley, received a severe cut on his left hand Tuesday evening when he dropped a pop bottle on a concrete porch. He was rushed to the Lockney hospital where five stitches were taken to close the wound on the third finger.

Mr. and Mrs. A. B. Ramsey, Jr., spent the week-end in Cactus with the Joe King's. They returned their daughters, Glenna and Wanda to their home after spending two weeks at Cactus. Gary Barrett of Amarillo came home with the Ramsey's to spend his vacation here.

Mr. and Mrs. D. C. Duck spent Sunday with Mr. and Mrs. Bert Degan in Turkey. Mrs. Duck's aunt, Mrs. G. R. Hollis and Opal of Lovington, N. M. were also visiting in the Degan home and Mrs. Duck enjoyed a visit with them.

Mr. and Mrs. Paul Hamilton of Denton and Mr. and Mrs. E. J. Hamilton were dinner guests of Mr. and Mrs. N. V. Hamilton Sunday.

Mrs. Prudie Cahoon and her son, Cecil, and his son, Bobby, of Torrance, Calif., arrived Tuesday for a visit with Mrs. Cahoon's sister-in-law, Mrs. J. W. Harvey and Mr. Harvey.

Tammy, Donnie, and Mike Oden of Carlsbad, N. M. arrived last Thursday for a vacation with their aunt and uncle, Mr. and Mrs. Elmer Lanham.

Bro. E. D. Morgan of Floydada will supply the pulpit at the First Baptist Church next Sunday morning in the absence of pastor Roy Davidson.

Bro. Morgan is best known to tect with him at Plains Baptist Assembly at Floydada, where he is camp manager. He has done a remarkable job with limited resources in making the camp an outstanding one.

The pastor is to be out at Southside Baptist Assembly in Glorieta, N. M. beginning Thursday, July 26. He and 24 others are to be there for Music Week at the Assembly.

Outstanding musicians and composers from all over the U.S. are on the faculty and it should prove to be an inspirational and helpful time for those attending.

Those who are attending the Music Week at Glorieta are the Rev. and Mrs. Roy Davidson, Guy and Gill; Chlonce Woods, Lela Mae Hutcheson, Ray Gene, Marilyn and Ronnie, Peggy Stevens, and Danny, Betty Gowin, Mrs. O. V. Johnson, Jamie, Barry and Dickie, Mrs. A. E. Gragson, Donna Bedwell, Burch Brown, Mrs. O. R. Stark, Sherry Scotty and Randy, Mrs. Orlin Stark and Rhonda Rogers.

Mrs. Johnny Cagle and Rhonda accompanied Mr. and Mrs. Glenn McWilliams and family of Silvertown on vacation. They were to visit the Double D Ranch, owned by Judd Donnell, near Sappelo, N. M., then they were driving into Colorado sight-seeing.

Mrs. Donnie Brunson's mother, Mrs. Warrington of Oklahoma City is visiting her and her family.

WASHINGTON REPORT CONGRESSMAN WALTER ROGER'S SUBSIDIES

A review of history would reveal that the government has been engaged in the subsidy-granting business for a long, long time. In the early days of this country, be-

tween 1827 and 1866, the government granted 6,340,339 acres of public land to private interests for the purpose of encouraging canal building and river improvement; and, in addition thereto granted free certain rights-of-way. The rights-of-way, of course, were most valuable. The government at that time also made contributions by direct appropriations, stock subscriptions, and loans to private canal companies. Between 1850 and 1871 some 183 million acres of Federal and State lands were granted to railroads. Millions upon millions of dollars have been assigned by the Federal government to ocean and airmail subsidies to foster the development of transportation in the same manner as railroads and waterways had been supported in earlier years. The first mail subsidy was paid more than 100 years ago, in 1845. Millions of dollars have been used to subsidize the building of ships on American ways. In fact, only a few years ago \$40 million was paid in the nature of a subsidy to help construct the private luxury liner, the USS U. S. that plies between the country and Europe. The total cost of that ship was \$76,800.00 thus the government subsidy was more than the money invested by the private corporation. In the early days the subsidy mechanism was intended to be employed for the purpose of expanding transportation, encouraging foreign trade, fostering industrial domestic development, and so forth. However, since the turn of the century, subsidies and subsidy-like programs have multiplied to such an extent that their impact is felt by virtually all elements in the nation's economic structure. Probably the most publicized and widely advertised of government programs seems to be the agriculture program. However, it would be very well for those who are interested in the subsidy programs to take a look at the entire picture. The last compilation on the subject indicates government subsidies to business running well over \$1 billion per year; subsidies to labor running well over \$300 million per year; and subsidies to homeowners and tenants running some \$40 million per year. These subsidies consist of everything from ship-building differential subsidies to accelerated tax amortization, to highway construction, to negotiating government contracts, to free services furnished by many of the boards and bureaus, to credit guarantys and direct loan programs, to airport grants, school lunch programs, and on and on. It seems that there is some kind of subsidy for every segment of our economy. These subsidies have been expanded primarily due to the demands of the people who are receiving them that they be increased, plus the demands of those who are not yet receiving subsidies that they be included in the handout. The primary reason that they have not been reduced is that everyone is most anxious to have the other fellow's subsidy cut and his own increased.

WHO GOT THE SUGAR?
As I have pointed out in previous newsletters the sugar fight has been a long, tough and arduous one—tough and arduous because it

involved money in the amount of \$500 million paid out by Americans each year for imported sugar. My father once told me that if you want to see the real color of a man's eyes, start fooling with his pocketbook. The truth of this statement was certainly proven in the sugar battle. For more than ten years we have been fighting this battle in an effort to get more sugar produced by our own farmers. The going was slow and frustrating, because it is not easy to fight that kind of money. Nevertheless, our efforts were never relaxed and each year we made a little headway. Actually, we have won a victory this year in that we have finally broken the rigid limitation that had been placed on domestic producers. Although we did not obtain the amount of sugar to which the American farmers are entitled, we did gain enough to open the door and make it possible for private enterprise to move in and build some more sugar mills in this country. If these people meant what they said to me and others during this fight over the years, they will move forward quickly toward building a mill in the Panhandle. My vote was cast against the sugar bill in its final form because, although we did gain ground as pointed out, we did not get all that we were entitled to and I shall continue my fight until that time comes. It would seem that the boys who really got the "sugar" were the lobbyists for the foreign countries. It seems that some \$500,000 has been paid out in lobbying fees by foreign countries for participating in the American domestic sugar market. The whole situation reminded me of a story being told at the time Jack Dempsey was defending his title against the South American Louis Firgo, "the Bull of the Pampas." Tex Richter, one of the greatest promoters of

Air Conditioning experts agree... WATER cooling is BEST!

Youngsters learn mighty early about the cooling effect of water when the weather's hot. And air conditioning engineers know that water cooling is far more efficient than air cooling. The reason is simple... 85° water can absorb more heat from your home than 100° air.

That's why ARKLA-SERVEL Sun Valley's GAS air conditioners are WATER cooled! Water cooling, plus Sun Valley's "no moving parts" principle, gives you two big advantages unavailable with other air conditioners. One, a Sun Valley gives you CONSTANT EFFICIENCY, while air cooled units lose as much as 15% efficiency. Two, Sun Valley operating COSTS REMAIN CONSTANT, while air cooled equipment operating costs rise as much as 23%.

KING-SIZED FILTER

double Sun Valley's double filtering capacity STOPS ALL HOUSEHOLD ODORS! It even tames cigar and fish odors, giving your home Spring-like freshness all year long.

NO MOVING PARTS

... in the heating or cooling cycles of the Sun Valley... nothing to wear out or break down! Sun Valley is year-around comfort for the mortgage life of your home!

CONSTANT EFFICIENCY

Sun Valley has no comfort-robbing friction to run up your operating costs. It doesn't cost a penny more to operate the Sun Valley for an hour when it's 115° than it does when the temperature is 90°.

VOYLES-LANDRY EXCHANGE VOWS SATURDAY EVENING

The First Baptist Church was the scene for the wedding ceremony of Miss Shirley Voyles of Quitaque and Mr. Roy Gene Landry of Turkey. The double ring service was read by the Rev. Roy Davidson at 8:00 P. M. Saturday evening, July 14, before an altar decorated with white phlox in a crystal bowl and white candles in white candelabra with white and blue bows.

The bride is the daughter of Mr. and Mrs. J. E. Voyles of Dimmitt and the groom is the son of Mr. and Mrs. Jack Landry of Turkey.

Miss Voyles, given in marriage by her father, wore a street length dress of white lace, featuring a boat neckline. Her hat and all other accessories were white. She carried a bridal bouquet of white carnations on a white Bible, with blue and white streamers.

The maid of honor, Jimmie Dell Mayfield, wore a blue cotton satin street length dress with white accessories. Her corsage was white carnations.

Mrs. J. E. Voyles, mother of the bride, wore a pink dress with white accessories and carried a white carnation corsage. The groom's mother, Mrs. Jack Landry, wore a navy dress with pink accessories and her corsage was white carnations.

A reception was held immediately following the ceremony, in the Fellowship Hall of the church. The serving table was laid with a white lace cloth over blue. The centerpiece was the wedding cake and it was served with crystal and silver appointments.

The bride, a 1962 graduate of Quitaque High School and the groom, a 1962 graduate of Turkey, are at home in Turkey.

Out-of-town guests at the wedding were Mr. and Mrs. W. D. Voyles, Vivian, and Ara; Mr. and Mrs. Clyde McNeal, Danny, Wanda, Grover Dean of San Angelo; Mr. and Mrs. Roy Sheats, McFarlane, Calif.; Mrs. Dennis Simms, Linda, Clayton, Jim and Sina of Hereford; Mrs. W. C. Voyles and Betty, Mrs. O. H. Philpot and Mrs. Jerry Carpenter, Childress; Mr. and Mrs. Howard Landry of Canadian.

Only Electricity Provides Flameless Cooking

Every homemaker likes to "cook cool" . . . and a modern electric range lets you do just that! Flameless electricity concentrates the heat where it does its work, at the same time getting rid of flame-caused fuel grime deposits on kitchen walls, cabinets and accessories. Be a cool cook in a clean kitchen. Cook electric!

NOTICE OF HEARING TO APPROPRIATE PUBLIC WATERS OF THE STATE OF TEXAS
No. 2229

Notice is hereby given to whom concerned that the application of **WALTER GRAHAM**, the post-office address of whom is Happy, Texas, was received on the 5th day of March, 1962, in the of-

file of the Texas Water Commission. Applicant seeks a permit to appropriate and divert a total of 200 acre feet of water annually from Cottonwood Creek, a tributary of Los Linguis Creek (Red River watershed) for the irrigation of 148.4 acres of land in the T & P RR Co. Survey No. 8, Block 3, Briscoe County, Texas, all being more fully described in said application. Applicant proposes to construct an earthen dam across Cottonwood Creek and thereby create a reservoir with a storage capacity of 718.78 acre feet.

Station 5/15 on center line of the proposed dam is located at a point which bears 1500 feet S 20° 00' E from the northwest corner of T & P RR Company Survey No. 8, Block 3, on the west bank of Cottonwood Creek in Briscoe County, Texas, and is distant in a westerly direction from Quitaque, Texas, about four (4) miles.

Said application was accepted for filing by the Texas Water Commission on the 25th day of June, 1962, as Application No. 2229, and a hearing thereon will be held by the Texas Water Commission, in the office of the Commission at Austin, Texas, on

TUESDAY, JULY 31, 1962, beginning at ten o'clock a.m., at which time and place all parties interested may appear and be heard. Those opposing the granting of said application should file written protests with the Commission and the applicant at least five days prior to hearing date, giving their reasons therefor and such other information as is required by Commission Rule 305.2. Such hearing will be continued from time to time, and from place to place, if necessary, until such determination has been made relative to said application as the said Texas Water Commission may deem right, equitable and proper.

Given under and by virtue of an order of the Texas Water Commission, at the office of the said Commission at Austin, Texas, this the 25th day of June, 1962.

Joe D. Carter, Chairman
TEXAS WATER COMMISSION

Man in Motion...

Sometimes it seems as if your Phillips 66 Dealer could use a couple of extra arms to perform all the services he offers at his station...

The way he cleans the windows, for example. Not just the windshield, but all the windows. And brushing out inside your car. Of course, he checks your tires, radiator, and battery. And you'll notice, too, that the rest rooms at Phillips 66 Stations are kept spick and span at all times.

We make a full time job of pleasing you. Drive in at stations where you see the Phillips 66 Shield.

GENERAL America's Largest Independent Telephone System

To supply your needs

When construction requiring wire, cable and other materials is under way, when you want a new telephone or an extension, this new equipment should be available without delay.

That is why General Telephone maintains many supply centers such as the one pictured.

In these supply centers experienced people must anticipate months in advance what equipment and materials will be required for both expansion and repairs.

It is another way the folks at General Telephone work hard at the job of providing you with the good telephone service you want, when you want it.
