Any erroneous reflections upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of The Quitaque Tribune will be gladly corrected upon its being brought to the attention of the publishers.

Mr. and Mrs. Bobby Brunson and Mr. and Mrs. Joe Edd Helms left last Friday on vacation. They planned to visit in Ft. Worth, to visit "Six Flags," and to return by Altus, Okla. Mr. and Mrs. R. L. Brunson and Mr. and Mrs. James Kimbrell kept the Bobby Brunson's children while they were on vacation.

Mr. and Mrs. Fulton Gregg of Silvertown spent Sunday with his sister, Mrs. J. W. Ewing and Mr. Ewing.

Mr. and Mrs. J. W. Ewing had a delightful surprise Monday when a friend they had known when they lived in Tatum, N. M. dropped in for a visit. Mr. Mack Morris now lives in Childress, and they enjoyed the visit very much.

Mr. and Mrs. P. D. Barron of Borina spent Sunday evening and

Monday with her brother, Mr. and Mrs. Ollie Nall.

Dwain Henderson, son of the Gaston Owens, was in a freak accident Sunday. He turned the corner with a truck of seed wheat, hit a soft shoulder in the road and the truck went into the ditch. When Dwain pulled the truck out of the ditch, the wheat had fallen to one side of the bed in the truck and as he pulled the truck back onto the road, it flipped over. Dwain received a badly cut and broken finger, but it could have been his life. We are so thankful it was no worse than it was.

Miss Janet Prince, daughter of the Rev. and Mrs. J. Malcolm Prince of Loco Hills, N. M. has been a guest in the Gaston Owens home this week. The Owens son, Dwain, has also been here recuperating from the injury he received in the accident Sunday.

Mr. and Mrs. D. C. Duck accompanied their daughter, Mrs. H. G. Boyles and children of Silvertown to Amarillo Sunday to visit the Glynn Barretts and attend the car races.

Mr. and Mrs. Tom Whisenhunt of Lubbock spent the week-end with Mr. and Mrs. Elmore Pointner.

Mr. and Mrs. Oscar Wylie and Eldon of Prairie Chapel visited Mrs. Celia White Sunday, and Mrs. White returned home with them for a visit.

Mr. and Mrs. E. J. Hamilton were hosts for a barbecue supper in their back yard Monday evening. Guests for the occasion were Mr. and Mrs. E. L. Boyd, and Mr. and Mrs. Dee Martin and children of Plainview and Mr. and Mrs. Slocum Roberson. Slocum Roberson receives credit for barbecuing the steaks.

FIRST COTTON CLASSING REPORT

The first cotton classing report of the season was issued by the AKUS, Oklahoma, Classing Office on Friday, September 7th. According to Charles E. Cox, Officer in Charge of that office, a total of 644 bales have been classed to date. A major part of this cotton was harvested and ginned during the last week in August, prior to the recent rains.

Based on statistical averages, 58 percent of the crop so far was classed in white grades, with the remaining 42 percent being light spotted. The predominate grade was Middling, with 43 percent, while Middling Light Spotted was in second place with 34 percent.

Average staple lengths ranged from 29/32 through 1-3/32, with 75 percent being 1 inch and longer. The predominate staple length was 1 inch, 42 percent, with 1-1/32 being in second place with 25 percent.

Some low micronaire readings have been encountered in the early opening cotton, and approximately 21 percent of the cotton was classed Wasty. Micronaire readings have averaged 24 percent falling

2.9 and lower, 54 percent between 3.0 and 3.9, and 22 percent above 4.0.

Trading on the new crop has been slow, with buyers apparently being cautious about entering the market until some trends have been established on qualities available.

SENATOR RALPH YARBOROUGH WRITES ABOUT CUBA & CASTRO

The United States has been very, very patient with Cuba's Castro. Now Dictator Fidel Castro has turned his country into an armed fortress and the satellite of Communism.

In July and August Communist Russia has poured supplies and technicians into Cuba, ship after shipload, and there is no indication that Russia means to stop with any token shipments. On the contrary Soviet Russia has announced a plan to help Cuba, to build a Communist fortress off the tip of Florida.

We are faced with a build-up on Cuba if Communist military might including planes and missiles and ships firing missiles just 90 miles off the United States coast.

Now I have been informed by the State Department that there is no evidence of military strength in Cuba big enough to allow Castro to start an attack on other countries. But, fellow Americans, the truth is that most Central and South American do not have strong military forces. If Cuba is allowed to become the dominant military power in Latin America, its influence . . . its ability to spread the fever of Communism through ear and through orce and through subversion . . . will be dominant.

We should now call on other American countries to join the United States in throwing a sea blockade around Cuba . . . a blockade to stop all shipment of military equip-

SABIN ORAL SUNDAY

Polio Prevention Program

FIRST ROUND, Sept. 16 (Make-Up Sept. 23) SECOND ROUND, Oct 28 (Make-Up Nov. 4) THIRD ROUND, Dec. 9 (Make-Up Dec. 16)

ment and foreign manpower into cuba. Surely the Latin American countries receiving aid from the United States can see beyond any doubt that little Cuba is not enough to satisfy this illimitable Communist appetite. Every Latin American government leader should be saying to himself, "If we don't stop Castro today, my country may be the next one to fall under the Communist shadow."

The foreign ministers of the American Republics read Cuba out of the Organization of American States in January of 1962. That was a step in the right direction, and now there has been another step.

The Second Conference of the Latin American Free Trade Association met on August 26, 1962, with representatives from nine countries - Argentina, Brazil, Chile, Ecuador, Colombia, Paraguay, Peru, Mexico, and Uruguay - and refused to allow Cuba to join this free trade association of Latin American nations. Cuba had applied in June for membership.

Those are two steps. But now, fellow Texan, it's time for another step and this is a big one. The blockade should be used to make sure no large troop movements are allowed out of Cuba to pose a threat to the Latin American countries that are trying to combat Communism.

What I propose is a blockade to insure that there are no big troop

movements and no munitions or war movements into Cuba. And we also need to insure that there are no military movements out of Cuba. The Dominican Republic has complained that Cuba is sending subversives, agitators, military equipment and supplies into Dominica to try to take over the Dominican Republic, a neighboring island. Our blockade should stop that kind of movement by Castro.

Fellow Texan, the only reason the Communists ever move is to expand their power. Since they seem to be in full charge in Cuba with the active help of Satellite Dictator Castro, the only place left for the Communists to go is into other countries in the Western hemisphere. The time to limit Castro's power is now, and a sea blockade is a step in the right direction.

KING FAMILY REUNION

The family of W. M. King of Colorado Springs, Colo. held a reunion in the Davis House in Lubbock Sunday, Sept. 9. Each family carried a basket lunch.

Those enjoying the occasion were Mr. and Mrs. Joe King, Gary, Jimmy and Marilyn of Cactus; Mr. and Mrs. Jerry King of Silverton; Mr. and Mrs. John King of Quitaque; Mrs. Barbara Robbins, Randy and Debby of Idalou; Mrs. Jerry Boswick, Roswell, N. M.; Mr. and Mrs.

Melvin Havis, Karen and Dian, Lubbock; Mrs. A. L. Havis, Lubbock; Hazel Bridges, Roaring Springs; Mrs. Clarissa Lee Anderson, Jonnie, Mike, and Annette, Lubbock; Mr. and Mrs. John Huffstutler, Mr. and Mrs. Herman Havis, Larry, Steve and Jeannie Winton, Lubbock.

Mr. and Mrs. Billy Winton, Quanah; Mr. and Mrs. Bill King, Colorado Springs, Colo.; Mr. and Mrs. Ray Don King and Kelly, Abilene; Max King, Colorado Springs, Colo., and Mr. and Mrs. Joe Bruce King, Lubbock.

W. E. Helms, Jr. and Johnny of Childress spent Sunday with their parents, Mr. and Mrs. Bill Helms.

Clarence Ray Harvey of Perryton and Mrs. Sue Smith and daughter of California spent Sunday with their grandparents, Mr. and Mrs. J. W. Harvey.

Mr. and Mrs. H. B. Finney received a surprise visit Tuesday from Mr. and Mrs. Ed Holbrook of Porterville, Calif. Mr. Holbrook ran the Gasoline Gin 32 years ago. They asked about a number of their friends here in former years, but they didn't have time to visit more of

them. The Finneys really enjoyed the visit.

Mr. and Mrs. Oscar Wylie of the Prairie Chapel community visited Sunday in the home of Mr. and Mrs. P. John Monk and family. Mrs. Celia White returned home with the Wylies for a visit.

Mr. and Mrs. Bud Bailey and girls drove to Plainview Sunday afternoon to take their daughter, Sharon, who will enroll at Wayland Baptist College this week. Sharon will stay at Owen Hall.

Mr. and Mrs. Ollie Nall, Mrs. Erma Pearcey and Mrs. J. R. Nall of Turkey and Mrs. Dorn McMurry of Silverton spent the day Sunday in Clarendon with Mr. and Mrs. Bob Beard and Mrs. Gwen Davidson.

Mrs. A. B. Ramsey, Sr. was pleasantly surprised on her birthday, September 9th, when her children brought the dinner and birthday cake and helped her celebrate. Besides her children here, the following came from out-of-town: her daughter, Mr. and Mrs. C. D. Lewis of Amarillo; her son, Mr. and Mrs. Chas. Ramsey and Pam of Tahoka; her niece, Mr. and Mrs. W. W. McGuire, her great-

nieces, Mrs. Helen Yates and Mrs. Lois Hunt of Plainview.

Mr. and Mrs. Boyd Knox of Hereford spent Sunday with his sister, Mrs. Slocum Roberson and Slocum.

Mrs. I. L. Edgar returned home with her son, Bill, and his wife to Big Springs for a visit.

Mr. and Mrs. Johnny Brummett had lunch Sunday with Mr. and Mrs. H. B. Finney. In the afternoon the couples drove to Tulia to visit Mr. Harry Carroll, who is staying with his daughter. Mr. Carroll's condition has not improved.

Mrs. F. M. Sachse spent last week with her son, Lake, and his family in Wellington.

Mr. and Mrs. Delmar Davis of Dallas and Mr. and Mrs. Thomas Glenn of Bedford, Texas spent the week-end with Mr. and Mrs. R. J. Harmon and boys.

Mrs. Black of Levelland is visiting her brother, Mr. A. C. Barrett and Mrs. Barrett this week.

Mr. and Mrs. Joe Bailey Roberson of Anton visited Opal Brummett Sunday. Mrs. Roberson is Opal's sister.

NEW AUTO INSPECTION STICKERS ARE NOW AVAILABLE

Col. Homer Garrison Jr., director of the Texas Department of Public Safety, announced today a new-type motor vehicle inspection sticker is now available for the new inspection beginning September 1.

"The only thing new about the inspection this year is the sticker itself," he said. "This new sticker is a dry mount decal which we believe will adhere regardless of weather conditions and one which has been used very successfully in other states."

More than five million vehicles registered in the state are required

by law to be inspected at one of the 5,000 official inspection stations between this date and April 16, 1963. Owners of vehicles not displaying the current inspection sticker after that date will be in violation of the law.

Garrison urged motorists to get their vehicles inspected as early as possible, and pointed out:

"With hard summer driving coming to an end, fall is an excellent time to have vehicles safety checked in preparation for the winter months."

In announcing the new inspection period, the public safety director said the Vehicle Inspection Program in Texas has proved itself to be a valuable tool in reducing accidents on Texas streets and highways.

A PINK AND BLUE SHOWER GIVEN MRS. CARL BROWN

Mrs. Carl Brown was honored recently with a pink and blue shower in the Bank Community Room. The table was decorated in seasonal cut flowers and surrounded by a number of lovely and useful gifts. The hostesses gift was a bottle sterilizer. Mrs. Brown received a baby bed, blanket, gowns, dresses for the young one, a diaper bag and other gifts too numerous to mention.

Refreshments of pink punch, white cake squares decorated in blue, nuts and mints were served to a number of guests.

Hostesses for the occasion were Mmes. Cora Gragson, Lorene Johnson, Loretta Morrison, Frankie Hawkins, J. T. Persons, J. W. Lyon, J. C. Rhoderick of Silverton, Ruby King, Matthew Owens and Charlie Gowin. Out-of-town guests included Mrs. Brown's mother and grandmother from Childress and a Mrs. Young from Turkey.

GASOLINE TAX REFUND PAPERS MUST BE FILED BY OCTOBER 1

Annual claims for refund of federal excise tax paid on gasoline, used on a farm or ranch for farming or ranching purposes, must be filed with the Internal Revenue Service district director by October 1.

According to IRS Dallas Director Ellis Campbell, Jr., refund claims should be made on Form 2240 for gasoline used between July 1, 1961, and June 30, 1962.

Forms and a helpful booklet, "Farmer's Gas Tax Refunds," are available at IRS, or County Agricultural Agent offices.

QUITAQUE F.H.A. ELECTS OFFICERS
 The F. H. A. girls of Quitaque High School had their first meeting Tuesday, September 4th. We elected officers. They are as follows:

President — Charlotte McKay
 1st. Vice-Pres. — Kay Hamilton
 2nd. Vice-Pres. — Barbara Reagan
 3rd. Vice-Pres. — Jerry Elliot
 4th. Vice-Pres. — Linda Chandler
 5th. Vice-Pres. — Donna Bedwell
 Secretary — Devorah McKay
 Treasurer — Freda Reagan
 Parliamentarian — Chlonex Woods
 Pin-up-Boy — Cappy Wise

We think we will have a good F. H. A. organization; working hard and also having lots of fun.

USDA DISCOVERY MAY AID IN CONTROL OF BOLL WEEVIL

College Station, Sept. 12 — Cotton boll weevils will feed on almost anything that has been dipped in a newly discovered extract of the cotton plant. According to the USDA, the substance that makes the cotton squares appetizing to boll weevils was found in a water extract for the first time by two U.S. Department of Agriculture entomologists.

The extract, when applied to cork stoppers, green beans, wood, and other unlikely substances attracted the weevils that normally feed on only cotton squares and bolls. The scientists call the substance an "arrestant" and say that though it will not draw weevils a long distance, they feed on anything close to them containing the extract.

Tests are now underway to see if the substance can induce the weevils to feed and to lay their eggs on plants other than cotton. If this can be done, it may be possible to substantially reduce the boll weevil population, because weevils have rarely been known to survive on any plant except cotton.

Also, chemists are carrying on research to identify the arrestant chemically which might make it possible to produce a synthetic substance or breed cotton which does not contain the substance.

Scientists believe that this discovery could lead to a new method of controlling this insect that annually adds 5 to 7 cents per pound to the price of producing cotton. The number one pest of cotton, it has caused an estimated \$10 billion worth of damage since it first entered the U. S. in 1892.
