THE RULES COMMITTEE

From past experience, it is safe to assume that one of the first tests facing the new Congress will be the age-old battle to change the membership of the Rules Committee. Some of the veteran lawmakers who knew of my fight against the change were already enlisting my support before I came home. Nearly everyone will recall the controversy in 1961 over the proposed increase in the membership of this important committee; a battle that caused a delay of several weeks before the Congress could commence its business. When the smoke had cleared, there were three additional members on the Rules Committee. The Resolution which was adopted applied only to the 87th Congress, however, and unless the new 88th Congress takes action to continue the increased membership, the Rules Committee will revert to its original composition of 12 members. Although the additional membership did not accomplish all its advocates had counted on, it is expected that a determined effort will be made to convince the 88th Congress that its Rules Committee should have 15 members, and the controversy could very well reach the same proportions as before. Hence, I thought it would be of interest to again discuss the subject in a newsletter.

The House of Representatives operates through committees. The bills introduced in the Congress by the Members on different subject matters are assigned to the Speaker to the respective committee having jurisdiction of that subject matter. These bills are considered by that committee, and, if approved, are referred to the House of Representatives with the recommendation that the bill become law. However, instead of going directly to the House of Representatives, these bills must first pass through the Rules Committee and obtain approval by that Committee for hearing before the House of Representatives. In other words, most bills are not considered by the House unless they pass through the Rules Committee. Prior to the 87th Congress, the Rules Committee consisted of 12 members - 8 Democrats and 4 Republicans. If all Members were present and voting, a bill, in order to receive approval to be debated before the House, had to receive at least 7 votes. If a bill received only 6 votes for it and 6 against it, the motion to report the bill failed. During recent years on several highly controversial measures, the division in the Rules Committee had been a tie of 6 and 6. This meant that the highly controversial legislation could not receive a rule to be debated before the House. This is what caused the big hue and cry to change the Rules Committee or the Rules of the House. It was the cause of the caustic and bitter criticism that was directed against Congressman Howard Smith of Virginia and Congressman William Colmer of Mississippi - unfair and unjust criticism, in my opinion, but nevertheless, criticism that formed the basis of the battle against the Rules Committee.

In the opinion of the writer of the Rules Committee, as previously constituted (i.e. 12 members), is necessary for the proper dispatch of the business of the House of Representatives. It could not and did not thwart the majority rule of the House. There are 4 ways of bringing a bill before the House of Representatives. The first is through the Rules Committee; the 2nd is by a suspension of the rules which requires a 2/3 majority; the 3rd is by a discharge petition which, if signed by a majority of the House of Representatives, will discharge the Committee in which the bill is

pending and make the bill a privileged matter before the House; the 4th method would be by following the usual procedure under the rules of the House on Calendar Wednesday.

The United States is a great country, but a large country with many varied and diversified interests. The National Congress is supposed to be representative of all of those several interests. It is supposed to pass laws that are fair and just to all of the people. Just as there must be laws for all of the people to live by in fairness and justice to each other, the lawmaking body itself must have rules and regulations in order to properly conduct its business. That is the primary reason for the Committee on Rules in the first place, its jurisdiction including "(a) the rules, joint rules and order of business of the House . . ." Good government requires a sharp division of opinion, sound presentation and expression of all facets of the problem or issue involved and a thorough screening of the proposed final result. This is the process that has made this country great, that has made it strong and will keep it strong. Any policy or process of permitting a simple majority to shove through any and all kinds of laws on emotional dictates or other pressures would soon result in the destruction of any government. There is no doubt that the Rules Committee has on occasion created frustration in the minds of those who would like to see their pet bill or project sail through unopposed. But it must be remembered that the sharp division of the Rules Committee constitutes an excellent safeguard against impractical or inadvisable success by advocates of any extreme philosophy. It assures consideration for the will of the minority, whichever party that might be. The secret of good government is the balance that is struck in the final product of law after full, complete and exhaustive consideration and debate of the issues and problems involved. Some call it compromise; others call it the area of agreement between the many sides represented. But to me it is the balance that insures the justice guaranteed under our Constitution to all individuals. The Rules Committee in the House of Representatives as constituted prior to the 87th Congress is, in my opinion, the balance wheel that can preserve the good health of our government.

Mr. and Mrs. Glen Sanders and children spent Saturday night and Sunday in Canyon with Mrs. Karen Roberts and son. They report Karen doing fine with her school work.

FFA FARM SHOP CONTEST TO BE HELD FOR AREA CHAPTERS

A meeting was held at the Light-house Electric Cooperative office in Floydada, Texas, on Thursday, November 8, 1962, for the purpose of planning a farm shop contest for the Future Farmer of America chapters of this area.

Mr. Louis Knight of Ralls was elected general chairman of the group which consisted of vocational agriculture teachers from eleven area schools.

This is a contest that will cover areas in the vocational agriculture program that has been stressed but for which there has been no contest. It is felt that this contest will increase interest in farm shop work within the various chapters.

From a small beginning it is hoped that this type of contest will be adopted by the Texas Education Agency and made a state wide program.

BOY SCOUT FINANCIAL CAMPAIGN TO GET UNDERWAY NEXT WEEK

Our local Boy Scout Financial Campaign will begin November 19. The total amount of the South Plains Council budget is \$116,031.63. The investment you make in South Plains Council brings Scouting directly to our area. There is no government help. We are making gains each year with more boys in the program now than ever before. Surveys show that four out of every five boys in the 8 to 16 year old age group want to be in Scouting. If we are to maintain this need, additional funds are needed now. To organize and maintain the Boy Scout program, the council trains adult leaders and committeemen; provides and operates three camps; trains junior leaders; organizes new units; provides awards, advancement pins and cards; provides round table seminars for assistance to leaders in their local programs and provides field supervision and professional assistance to all areas.

Anyone wishing to contribute to our local drive may do so by contacting any member of local troop committeemen; O. V. Johnson, Jack Loudermilk, John Fulton, Bill Griffin, Elmer Berryhill, Jake Merrell, Paul Bailey, Jimmy Davidson and District Committeeman; R. J. Harvon.

ANNUAL COMMUNITY THANKSGIVING SERVICE TO BE HELD SUNDAY NIGHT

The annual Community Thanksgiving worship service will be held Sunday evening, November 18, at 7:30 p.m. in the First Baptist Church. This annual community worship service is held each year on the Sunday evening prior to Thanksgiving Day. This year, the host pastor, the Rev. Roy G. Davidson will lead in the worship service; Mr. James Brunson, of the Church of Christ, will lead the invocation; the Rev. Bill Tarpley, pastor of the Assembly of God Church will read the Scripture; and the Rev. Kenneth T. Metzger, pastor of the First Methodist Church will be the speaker. The music will be directed by Mr. David Hill, minister of music of the First Baptist Church, and special music will be provided by the chapel choir of the First Baptist Church.

Thanksgiving is not a "Church holiday" as such, but rather is a national holiday; it is a time set aside by our government, in the season of harvest, to pause and

Mr. and Mrs. Glenn Yarborough and Mr. and Mrs. Royal Yarborough and baby daughter of Amarillo spent Sunday with Mr. and Mrs. Mort Hawkins.

Lions Club Turkey Shoot To Be Held Saturday

The Quitaque Lions Club will hold its annual Turkey Shoot Saturday, November 17.

The shooting will begin at 10 o'clock and the place is the Jennings Farm Supply Butane storage tanks east of town.

For just \$1 a person can fire away three times and perhaps win yourself and family a turkey for your Thanksgiving feast.

Everyone is urged to come out for shooting fun Saturday.

Bud Bailey drove to Plainview last Friday to get his daughter, Sharon. On Saturday, Sharon and Janette drove to Plainview to get Sharon's roommates, Betty Sue Thompson and Gwen Wassam to spend the week-end with the Bailey's in Quitaque. Mr. and Mrs. Bailey took the girls back to Plainview Sunday afternoon.

give thanks unto Almighty God for his blessings upon us. We who live in a time of so great abundance have special reason to give thanks especially as we remember our Pilgrim forefathers, who, in spite of only meager provisions, took time to give thanks. In the words of the Psalmist: "It is a good thing to give thanks unto the Lord . . ." (Psalm 92:1); we as a community united in the spirit of thanksgiving unto God, can show our thanks as we worship together.

A special thanksgiving offering will be taken at the service to maintain the "Quitaque Thanksgiving Fund" which is used to meet any emergency material needs of the community during the year. A committee comprised of Pete Rice, M. L. Roberson, and the local pastors, is responsible for the dispersment of this fund.

Everyone is invited to come and worship and give thanks, for we are indeed a people blessed by the Lord.

JERRY HAMILTON BAGS A BIG BUCK
Mr. and Mrs. Jerry Hamilton spent from Friday until Monday in Ruidosa, N. M. with her parents, Mr. and Mrs. Ray Carpenter. Ray and Jerry went deer hunting on the Mesclera Reservation and Jerry bagged an 8 point buck. Ray got a deer also.

Mrs. B. K. Hamilton, mother of Jerry, took a picture of the deer Jerry bagged but it turned out too dark to print. The deer dressed out 175 lbs. which is a large deer.

Mr. and Mrs. Delbert Phelps and Mrs. Carl Woods and Ina Gail spent the week-end with Mr. and Mrs. Thomas Phelps in Brownwood. They attended the Howard Payne Homecoming football game Saturday night in which Thomas played.

Mr. and Mrs. F. C. Benson attended the funeral services of her cousin, Walter Taylor, 80 years of age, in Clarendon Tuesday at 2:00 p.m. The services were held in the Methodist church there. Mr. Taylor died following a heart attack, suffered a stroke before and then he had a stroke Sunday morning.

Mr. and Mrs. Claude Sheets and children of Spearman spent the week-end with her parents, Mr. and Mrs. Johnny Brummett.

Tribune To Be Printed Early Next Week

Due to the fact that next Thursday is Thanksgiving Day, the Tribune will be printed a day early next week. We will appreciate it if you will turn in all of your news as early as possible in order that it might not be left out and to facilitate our getting the paper in the mail as soon as possible.

CLARENDON J. C. BULLDOGS START BASKETBALL SEASON SAT. NIGHT

The Clarendon Junior College Bulldogs open their basketball season Saturday night against Sayre Junior College of Oklahoma, the game to be played at Clarendon.

Clarendon's basketball fortunes will be followed with more than casual interest again this year since Quitaque will have four boys on the Bulldog squad.

All four graduating seniors of last year's Regional Champion Panthers are attending Clarendon JC this year on basketball scholarships. They are James Starkey, Dellis Monk, Sammy Johnston and Robert Phelps.

The Bulldogs have 12 games scheduled to be played at Clarendon, the next home game to be against the Wayland College Frosh on Monday night, December 10.

The Bulldogs' schedule is as follows:

FLOMOT INDEPENDENT SCHOOL DIST. RECEIVES ANNUAL AUDIT

Flomot, Texas, — As the previous school audits have shown, Flomot Independent School District continues to enjoy a stable financial condition. The cash balance on August 31, 1962, was \$8633.70 which was an improvement of some \$1300 from the previous year. The year's income was \$70,653.75 with a total disbursement of \$69,336.52. With the small carry-over it makes it possible for the school to operate on a cash basis without borrowing to meet September and October bills before the state money arrives and local taxes are paid.

Flomot Independent School District is proud of the fine work being done by the present and past Boards of Education. The composition of the present Board of Education is: O. D. Calvert, President; Wilburn Z. Martin, Secretary; and members - Ray Cruise, Joe Degan, Herb Martin, Harmon Moseley, and L. E. Shorter.

Both regularly scheduled basketball games were cancelled for this week and the local teams will play the teams from Floydada High here Friday night, with three games to be played and the B boys game getting underway at 7 o'clock.

Adrian was to have come to Quitaque Tuesday night for a double-header but called with some vague excuse about a Senior play this week and Kress, scheduled to play here Friday night, came up with football injuries and had to cancel out. After phoning all over this part of the country, the games with Floydada were arranged. It is not known what to expect from the visitors Friday night except on the part of the girls, who played in the Flying Queens Cage Clinic at Plainview last week-end and beat Friona 50-49. According to the Floydada Hesperian (the what do they call a female whirlwind) girls' team will have nine lettermen back from last year's team. So the Pantherettes can look for a good team more than likely, as their opposition. The Whirlwinds did not wind up their football season until last Friday night, so have had only one week to work out, but still will probably field a good basketball team.

Last Friday night the Eagles and Eaglettes from McAdoo came to Quitaque and although they won both games, the Pantherettes scared the feathers off the Eaglettes before bowing to a score that did not tell the true story of the game. The final tally in the girls' game was McAdoo 55, Quitaque 40.

The Pantherettes got rolling to a fast start and ran up an early 8 point lead which they held for most of the time for three periods. At the end of the first quarter it was 18-10 with the Pantherettes out in front; at halftime the Eaglettes had narrowed the gap to 4 points to trail only 23-27 but the Pantherettes once again built up their margin to eight points and held it until late in the third; at the end of three periods the locals still had a 35-34 margin but in the first minutes of the fourth quarter McAdoo went ahead and went on to win as the Quitaque

forwards could not find the scoring range and were being charged with fouls in trying to play catch-up. Friday night's game was the finest of the season for the Pantherettes, who are improving with every game, and will continue to improve all season long. They are having a little trouble scoring at times but as the team improves, the scoring will improve also.

The Panthers went down 95-56, gaining only 3 points with the home floor advantage over last week's game at McAdoo. Although the Panthers looked better than they did at McAdoo, so did the Eagles. The Eagles are going to be hard to stop this side of Austin. At this point, there is no one who can do it. By next spring, there might be, but right now the Eagles are a very fine team. They hit their field shots for a fantastic average and defensively are on top of their opponents all the time. They do not have a tall team but get more than their share of rebounds, both under their own goals and that of their opposition.

The Panthers played very well Friday night, but at this time of the season they are no match for the Eagles. The Panthers may get another crack at the Eagles next February at Regional, provided both teams make it that far. By that time, the tables might be turned.

Jim Saul won scoring honors for the night with 21 points. Jack Johnson was second high scorer for the Panthers with 14 points. McCormick and Powers each hit for 18 points in leading the Eagles, while Morris was on their heels with 17.

Silverton Teams To Play Here Next Tuesday Night
Next Tuesday night, November 20 the local teams will host the Owls and Owlettes from Silverton. This is a long time rivalry and one that has always provided keen competition and this year should prove to be no exception. Fans should turn out for this one to insure a good seat since a Quitaque-Silverton game always draws good crowds.

FLOMOT SCHOOL AWARDS CERTIFICATES OF MERIT TO SCHOOL BUS DRIVERS
A. J. Barron, Supt. of Flomot Independent School, gave Certificates of Merit to the following school bus drivers who completed the 1961-62 school year: Wendell Morris, M. B. Dyke, and Wayne Mackey. These awards are given to drivers with accident-free records for the year.

In Mr. Morris' 10 years of operating Flomot school buses he has never had an accident. In Flomot District, that means over 100,000 of dirt road.

In the three years that Mr. Dyke has been driving for Flomot School District, he has been accident free. The three years that he drove for Meadow School of Terry County were on the safe side.

Mr. Mackey is beginning his third year of driving Flomot buses which has been free of accidents. Previously, he had driven four years at Canyon, one at Clarendon and one year in Okla., all of which were free of mishaps.

The award program is sponsored and conducted by the Texas Safety Association and local schools. It is designed to give public recognition to school bus drivers. School bus transportation is one of the safest means of transportation in the world.

The certificates are signed by Supt. Barron, President Victor O. Shawgo, and General Manager J. O. Musick, both of the Texas Safety Association.

The Flomot Supt. thinks that he has the best and safest drivers in Texas. If another school has as good or a better record, he feels that the fact should be made known and the drivers given proper recognition.

SCHOOL ENROLMENT UP AT FLOMOT
The total enrollment for the Flomot Independent School District for the school year of 1961-62 was 97 with only 76 in membership when school ended in May. Thus far this year, 129 have enrolled with 112 in membership. On the day that this count was made, of the 112 in membership, 109 were present.

The largest increase has been in the lower grades, with Mrs. Lessie Pope's class having the most. Of the twenty second graders who enrolled, nineteen are present almost every day. Since the beginning of school, five new high school students have registered.

The magic number for Flomot's attendance is 84, which would be a considerable increase over the 72 of the previous year. An average daily attendance of 84 would mean that Flomot would qualify for several thousand dollars more state money.

III. A DIVINE JUDGEMENT

Luke 12:20,21

V. 20. But God said unto him, Thou fool, this night thy soul shall be required of thee: then whose

shall those things be, which thou hast provided?

The rich man said nothing aloud. He was reasoning within himself. But God heard him and He had something to say in the matter. At the very time the man was planning for years to come, God spoke to him, called him a senseless, reckless fool, and cut short his life. (See Investigation.) How sad it is that the end comes suddenly to so many today, especially to wealthy men, Businessmen, executives with their best years seemingly still ahead of them. Yet how much sadder it is when the end comes to anyone and finds them still unpre-

pared! The wise man seeks God's Word and listens and obeys before it is too late.

Mr. and Mrs. Don Foster and children of Lubbock visited her brother, Stanley Nolan, Saturday night and Sunday. They were joined by his parents, Mr. and Mrs. Nolan of Roaring Springs for Sunday dinner.

Mr. and Mrs. Joe Martin of Matador were guests in the home of her parents, Mr. and Mrs. L. E. Shorter and family over the week-end.

Mr. and Mrs. Charles Brown of Amarillo visited in the home of Mr. and Mrs. Ernest Fisher briefly Thursday. Other guests in the Fisher home were their family, Mr. and Mrs. Joe Fisher and sons of Lubbock, who came for the week-end.

Mrs. Lola Stander of Plainview visited in the home of her sister, Mrs. W. W. Merrell and Mr. Merrell recently and with Mrs. F. S. Bourland.

Mr. and Mrs. Dean Turner moved to Matador Thursday, where he is employed with the Hi-way Department. His grandmother, Mrs. L. C. Harris has moved into the house vacated by the Turners.

Recent guests in the home of Mrs. Lois Martin were Mrs. Clem Woods, her daughter and children of El Paso, Mrs. Hallie Johnson of Floydada, Mrs. Willard Merrell of Silverton, Mrs. L. B. Isbell, Mesdames Stella Arnold, Lena Ray and Gladys Hollingsworth of Silverton.

Mrs. Harmon Moseley has been

at the bed-side of her mother, Mrs. Bertha Moon at Cheyenne, Okla. for the past week. Reports are that her mother is in serious condition.

Mrs. F. S. Bourland, with the assistance of her children and grandchildren has had some improvement and remodeling done on her home. The outside and roof have a new coat of paint, some walls have new sheet rock, painting and varnishing have done their share toward the comfort and convenience for the winter.

Mrs. M. O'Connell of Dallas has been visiting in the home of her brother and family, Mr. and Mrs. W. T. Ross and James, the past week. Other guests in the Ross home during his sister's visit were Mr. and Mrs. Raymond Ross and Odie of Lubbock and Mr. and Mrs. W. B. Taylor of Amarillo.

Mr. and Mrs. W. T. Ross took Mrs. O'Connell to her home in Dallas Wednesday.

Recent guests in the home of Mr. and Mrs. Ikie Gilbert were their son and daughter, Jerry and Judy and Miss Sheila Degan, who are students at Texas Tech in Lubbock, Mrs. Gilbert's mother, Mrs. L. A. Merrell and her sister and family, Mr. and Mrs. J. V. Welch and daughters, Janet and Patty of Amarillo, Mr. and Mrs. Orval Cobb of Quitaque, Mr. Gilbert's mother, Mrs. M. T. Gilbert of Decatur and Mrs. H. S. Gilbert.

"Shopping by Mail" was the subject of the program Tuesday afternoon at the Home Dem. Club. Mrs. C. W. Bond, the postmistress, brought an interesting talk and gave pointers on how to wrap and send a package by mail. She also gave information on what is considered first class mail and the proper addressing of parcels and the importance of the return address.

Mrs. C. C. Jones and Mrs. Raldo Martin gave a demonstration on candle making and decoration; the glazing and coloring of them.

At the business meeting, the Club's annual Thanksgiving Party was discussed and a date was set for Monday evening, November 12, at the Club room and each member is to bring a covered dish.

community is invited to hear a talk on "Income Tax", which will be given by an authority on such matters.

Refreshments were served to Mesdames Sam Ross, C. C. Jones, L. E. Shorter, H. S. Gilbert, C. W. Bond, Joe Degan, L. B. Isbell, W. T. Ross, O. D. Calvert, Doyle Calvert, L. W. Crowell, Ray Cruise, L. B. Turner, M. Barron, Raldo Martin, Bill Sauls, Ikie Gilbert, J. C. Franks, and G. D. Pope.

CAN YOU TOP FLOMOT'S TRANSPORTATION COST?

According to figures released by Supt. A. J. Barron, Flomot's school buses traveled a distance of 4283 miles in October at an operating cost of \$122.07, which included all expenses except drivers' salary and depreciation. To run school buses loaded with children over dirt roads for slightly more than 2.8 cents per mile is almost unbelievable. According to the Flomot Superintendent, that is his lowest figures on transportation since the War. Most passenger cars cost more with only one student in it.

Mr. Windell Morris' Ford had the lowest cost of 2.4 cents, followed by Mr. Dyke's 2.7 cents and Mr. Mackey's 3.5 cents. The secret of the low cost is that the Ford gets 12.78 miles per gallon, while one Chevrolet gets 8.9 and the other 6.8. Mr. Barron thinks that Flomot's drivers are the best, and the cost seems to bear him out.

PICTURES MADE FOR FLOMOT SCHOOL ANNUALS

Saye's Studio of Clarendon made Flomot's school pictures, which included a large number of group shots for the school annual.

To insure good pictures for the annual, the Halloween Carnival Queens, Kings, and attendants were shot in full dress. The first pictures were of the group assembly at the Crowning Ceremonies. This was followed by shots of Queen Cindy Morris and King Tim Meyer and their Grade School attendants. Alvia Joe Carter, Lucy Reed, Joe Bob Crowell, Donnie Ray Rogers, Darla Cruise, Frances Reed, Kretia Couch, Karen Tiffin, Judy Shorter, Janinne Pigg, Jackie Pigg, Billy Green, Donna Rogers and Royce Pigg.

The same procedure was followed in shooting High School Queen Al-

eta Neatherlin and King Rodney Hammons and their attendants: Stanley Degan, Mary Lee Martin, Clois Shorter, Judy Ann Mitchell, Jerry Baird, Jean Green, and Seab Washington, Master of Ceremonies.

The Class Favorites were made in formal dress. These included: Freshmen Olga Aleman and Pat Waters; Sophomores Judy Mitchell and Eldon Martin; Juniors Glenda Sue Tiffin and Jerry Baird; and Seniors Aleta Neatherlin and Rodney Hammons.

Also shot in formal attire were: Most popular - Glenda Sue Tiffin and Eldon Martin; Most beautiful and Handsome - Jean Green and Stanley Degan; Most likely to succeed - Janette Montoya and Clois Shorter; and the Most Intellectual - Sue Tiffin and Clois Shorter.

Other group shots to be made later are: Cutest Couple - Judy Mitchell and Terry Desadier, Best Sense of Humor - Jean Green and Jerry Baird, Most Dependable - Janette Montoya and Donnie Turner, and Best Personality - Aleta Neatherlin and Clois Shorter.

The school pictures are expected in three to four weeks.

SPIRIT OF PANHANDLE PIONEERS TO BE RELIVED IN DRAMA

All who visit the Palo Duro Canyon and see the drama will relive the spirit and perseverance demanded of the pioneers in the Panhandle, who carved out a new way of life when they settled the vast Panhandle region. Now we of the present generation have the opportunity to pay tribute to the memory of such men and women through memorials. And through memorials visitors will know the names of these pioneers.

Pioneer families of this area who so desire may pay tribute to the memories of their families in the following manner:

A \$2,500 to \$25,000 gift will let a wing of the theater bear your family name; a \$500 gift will list your forefathers on one of the great tablets among the pioneer spirits of their county; a \$200 gift will let a name dedicate a seat on the promenade of the theater.

The principal decoration of the theater entrance will be a huge map of the Panhandle marked with historical sites and brands which the historians will designate.

this past week, says K. E. Voelkel of the USDA's Cotton Classing Office in Memphis.

White grades increased with 21% compared with 14% the previous week. About 67% classed Light Spotted, and 12% fell in the Spotted and other grades category. The predominating grade continues to be Middling Light Spotted with 26%. A slight increase was noted in the average staple length. A smaller percentage stapled 29/32 inch and shorter, and an increase was shown in the staple length 31/32 inch and shorter. Cotton stapling 15/16 inch constituted 75%, which was the same as the week before.

A little more than 2% of the cotton classed during the week was reduced because of rough preparation. This can be attributed chiefly to the harvesting of green, immature bolls. Some ginners reported difficulty in ginning this cotton.

Percentage-wise, micronaire readings were about the same as last week, with 92% reading 315 and higher. During the past three weeks micronaire readings have shown sharp improvement.

The Memphis office classed 10,867 samples during the week, with 6 classifiers. Through Friday, this office had classed a season total of 43,388 compared with 97,186 samples as of the same date in 1961. This constitutes roughly 20% of the season's estimated production in the 12 counties comprising this territory.

The market was active this past week. The average price for Middling 15/16 was 31 cents a pound.

Strict Middling Light Spotted 15/16 Light Spotted 15/16, 30.40 cents; and Strict Low Middling Light Spotted 15/16 brought 29.00 cents per pound.

SENIOR CITIZENS MAY BE ABLE TO SECURE LOANS FROM FARMERS HOME ADMINISTRATION

Mr. L. J. Cappelman, State Director, Farmers Home Administration, advised the local County Supervisor, Mr. Donald B. Cruce, that recent legislation amends Title V of the Housing Act of 1949 by adding new provisions which authorize loans and grants for moderate cost housing and related facilities for elderly persons and families in rural areas. It liberalizes some regulations on rural housing loans now being made by Farmers Home Administration and sets up new direct and insured loan programs.

This new legislation will be administered in Briscoe County by USDA's Farmers Home Administration. Rural housing loans are made by this agency to farmers and other families living in rural areas who need improved housing and cannot qualify for credit from other sources.

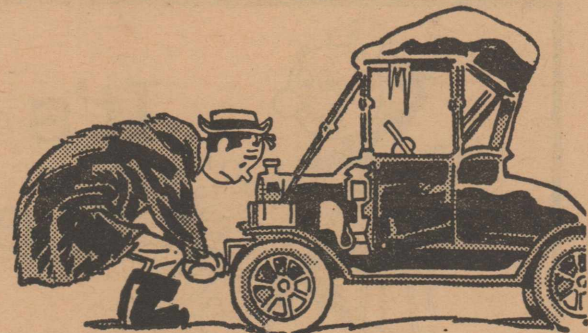

One new provision will give those people, who are 62 years of age or over, special advantages not available under the earlier loan program. First, they can buy previously occupied existing housing as well as improve their homes. Second, they can finance the cost of the building site as well as the dwelling with the loan proceeds; other families must own the land on which to build the homes before they can apply for a loan. Third, cosigners may be used by elderly applicants who are deficient in repayment ability. Like rural housing loans now being made by Farmers Home Administration, these direct loans will bear interest at the rate of 4 percent and may be repaid over a period not exceeding 33 years.
