In establishing the Library, we hope to accumulate a variety and quality of books that all ages will enjoy through out the year, with emphasis on the QUALITY .

Something you would want your own child to read. Many of us have good reading material in our own libraries which we will want to share with the youth of our community. Others will probably want to have a part in this worthwhile undertaking by making a donation. Whatever you want to do will be appreciated by our young people who would read more IF they had something to read.

You will be notified in the near future of a date when a group of P.T.A members will be by to contact you. There will be a doorto-door canvassing so that each of us will be given the opportunity to do our own part in the establishment of a School Library.

The Panthers definitely were not sharp for the bi-district tilt and at times it seemed the Quitaque lads were passing to the Owls more nered and forced to pass the ball than to each other and the Hedley off after taking a rebound, at which lads were crowding the Panthers out from under both boards and that most forwards are taller than controlling the rebounds. However, she is. Chlonez has great spring the champs had what it took in the in her legs and excellent timing pinches and came out on top, which

Friday night at 8:15, the Panthers tangle with Aspermont in the first round of play at the Regional Tournament at Canyon, which gets underway that afternoon with a pair of games. Eight teams will participate in the tournament, jousting for a coveted trip to the State meet at Austin next week.

> McAdoo will meet Meadow in the first game tomorrow night. That game is scheduled to get underway at 7 o'clock, just preceding the Quitaque vs. Aspermont game.

If the Panthers are sharp, and they are due to be, they are capable of handling Aspermont. An added incentive for the Panthers is that Aspermont is the team that knocked them out of the State race a year ago at Austin. Another thing that would add to the Panthers desire to take Aspermont, is the fact that a win over Aspermont wisl probably give the Panthers another crack at McAdoo, a team that gave the local lads a couple of pretty good lickings early this season. The Panthers and all of their fans feel that the team has come a long way since that and would like a chance

Another thing in the Panthers favor is the fact that they are the defending champions of this region and will be the champions until someone beats them. It usually is good policy to go along with champion.

A lot of fans from all over this area will be in Canyon tomorrow night come game time! Tuesday night's box score:

The women of the W.S.C.S. and the W. S. G. will hold the "World Day of Prayer program this evening, in the sanctuary of the church, beginning at 7:00 P. M.

On Wednesday evening, the third Seminar on Christian Education will be held at 7:00 P. M.

Sunday, the first Sunday in Lent, is the "Day of Preparation." The Sacrament of Holy Communion will be celebrated at the morning worning worship sservice. The Lenten season is indeed a time of preparation, a time that Chhristians examine their faith and seek guidance and strength for the facing of the days that lie ahead. Zophar, one of the three friends of Job gives Job these words of advice:

If thou prepare thine heart, and stretch out thine hands toward him: if iniquity be in thine hand, put it far away, and let not wickedness dwell in thy tabernacles. For then shalt thou lift up thy face without spot; yea, thou shalt be steadfast, and shalt not fear. (Job 12:13-15. King James Version.)

MANY ATTEND FINAL RITES FOR FLOMOT RESIDENT

Among the relatives attending the memorial services for Fred McNeely, which were held Tuesday afternoon, February 12, were the following:

Mrs. Doyle Fletcher, Ponder,

Tex.; Mr. and Mrs. Jim Lee Fletcher and Steve, Mr. and Mrs. J. B Yarber, Mr. and Mrs. Fred Yarber and children of Bowie; Mr. and Mrs. E. W. Carpenter and boys and Ervan Crunk of Denton; G W. Crunk of Dallas; Mr. and Mrs Cyril Welsey of Gainsville: and Mr and Mrs. A. J. Burchard of Green wood. Friends from out-of-twon attending were: John Wheelock of Silverton; Mr. and Mrs. Billy Roys and Mr. and Mrs. Barney Martin of Plainview, Rev. and Mrs. E Spivey of Lefors; Frank Pohl, and Mmes. Roy Smith, Joyce Markham and C. B. Jones of Matador.

Frank McNeely was laid to rest in the Flomot Cemetery. He and his wife had made their home here since 1949. The McNeelys were industrious people and did farm labor,, pulling bolls, fencing and plowing until they became established in the community. They opened a cafe in the early fifties and made friends with old and young. This is verified by the fact that school children and adults alike were their customers.

They purchased their present home several years ago and retired from the cafe business. They did not retire from work ,however for he worked for his neighbors in the fields, and at the gin but his immediate work was at George Grocery. Mrs. McNeely furnished not only her table with vegetables from her garden but many a vege table dish appeared on the table of neighbors and friends.

About a year ago Fred McNeely was stricken with a heart attack while attending services at the Flomot Baptist Church. He had a brief stay in the hospital and a temporary rest at home. He had been very active the past months and had attended services Sunday norning. Church.

Mrs. McNeely plans to continue to make her home here in the place where they established their home people they love. To the McNeelys and of them we can say, "Tis the every day things that really count
