**A \$1.5 BILLION APPROPRIATION CUT**  
The House sliced another substantial amount—\$1.5 billion—from the latest appropriation bill coming before us. The measure, which reached the House floor Thursday, provided funds for activities in this fiscal year of the 26 Federal agencies, bureaus, boards, commissions, corporations and offices grouped according to government parliances as the "independent offices." The bill provided \$13.1 billion less than had been submitted in budget requests. To accomplish the recommended reduction, the Appropriations Committee had done its work well. It had heard 450 witnesses and compiled 4,000 pages of testimony in subcommittee hearings stretching over 4 months.

The committee cuts sustained by the full House amounted to an overall reduction of 10.6 per cent in the budget requests. This is in line with the kind of substantial reductions Congress must make if we are to attain the goal I've long pursued of balanced budgets and a reduced public debt.

The \$5.1 billion budget approved for space activities (the budget for the National Aeronautics and Space Administration) had been cut by \$600 million in committee and that cut was sustained by the House. Also approved by a House majority was an amendment to forbid the use of any funds in this year's space budget on any joint venture with the Soviet Union in an effort to send a man to the moon. Other amendments adopted to the bill bar the use of any funds to pay salaries of a study group for creation of a domestic peace corps or national service corps (a legislative proposal that appears to be dead, at least for this Session of Congress), and to reduce by \$100,000 funds requested for salaries and expenses by the Federal Power Commission.

Three other regular appropriations bills remain to be reported to the House before this Session can end. They are the military construction bill, the foreign aid bill, and the public works bill. Action on these ap-

propriations must await the disposition of the authorizations bills which provide for the programs.

So far this year the House has cut \$4.7 billion from budget requests considered in the nine regular appropriations bills for the fiscal year which began July 1. Four regular bills have been cleared by both the House and Senate and sent to the President, those providing money for the Interior, Treasury, Post Office, Labor, Health, Education and Welfare, and Defense departments. The defense appropriation, at \$47.2 billion, is the largest of all appropriations and represents well over half of all Federal money to be expended.

The chairman of the House Appropriations Comm., Honorable Clarence Cannon of Missouri, estimates that an earlier outlook remains valid for final congressional budget reductions of approximately \$5.4 billion. In my newsletter of August 10, I predicted that the budget will have been cut by \$5 or \$6 billion when all appropriations matters have been disposed of.

A reduction of at least another \$1 billion may be expected in the foreign aid appropriation, a cut that added to past actions would bring reductions approved by the House to \$5.7 billion. I will continue my efforts to eliminate the foreign aid program entirely. If this could be accomplished, and the bipartisan support for the foreign aid program indicates that the odds are against it, the resulting \$4.4 billion reduction in the budget coupled with cuts previously made would all but insure a balanced budget. A budget deficit of \$9.2 billion had been expected based on original budget proposals. As you can see, if the House cuts already made were added to complete elimination of the \$4.4 billion foreign aid request, the total budget slash would amount to \$9.1 billion—and I feel sure that another \$100 million could be chopped from other pending bills in order to achieve a balance.

## SCHOOLS GET CLEAN SLATE FROM STATE EDUCATION AGENCY

Supt. Johnny Mason has received a most welcome letter from the Texas Education Agency recently, one that will be of much interest to all patrons of the school system.

After a regular inspection of the schools last year a number of recommendations were given to our system in order that the school could be fully accredited.

These recommendations were taken care of and Mr. Mason reported that fact to the Agency and the following is the letter received by Mr. Mason:

From:  
Texas Education Agency  
Division of School Accreditation  
Austin, Texas

To:  
Mr. Johnny Mason, Supt.  
Quitaque Ind. School Dist.  
Box 326  
Quitaque, Texas

Dear Mr. Mason:

I was pleased to receive your recent letter and particularly so to learn of the additional school improvements.

Since we recommended that your school be granted full accreditation following our visit, I feel that you, your school board, and patrons of your community are to be commended for making these additional improvements.

This completely clears up the situation in so far as accreditation is concerned, and your school will be carried as a fully accredited system. I should like very much to visit your school again as you suggested, and if scheduled to visit schools in your area, I will try to drop by for a visit—and that cup of coffee.

Thank you again for the information and if I can be of further assistance in school matters, please let me know.

Very truly yours,

Signed:  
Ken C. Clover, Consultant  
Division of School Accreditation  
Texas Education Agency

## Dickie Johnson Injured In Auto Mishap

Dickie Johnson, 6 year old son of Mr. and Mrs. Ober Johnson, is reported to be recovering satisfactorily at Stanley Hospital in Matador from injuries sustained when he was struck by an automobile at First Baptist Church last Sunday evening about 6:30.

According to witnesses the accident was unavoidable. Dickie was with a group of the youngsters around his age that were outside between Training Union time and the Evening Worsihp hour and he darted into the path of the auto driven by Mrs. Jan Fulton, who did not have time to stop before striking the boy. He was knocked down and the vehicle passed over him but none of the wheels rolled over him.

Dickie was rushed to Stanley Hospital where it was determined that he suffered bruises and lacerations and a small fracture of one collar bone. None of his injuries are believed to be serious, according to reports.

## Good Showers Fall In Area

Nine-tenths of an inch of rain was the official measurement at the City Hall last Saturday with amounts varying over the area. Some reports were as much as an inch and a quarter but most reported about an inch around Quitaque.

### NOTICE!

This is to remind everyone to in the community to send in or bring your P.T.A. Membership dues before November 14, to help the class you are most interested in to win the Membership Drive Contest.

Each class in school is participating in this contest and you do not have to be a member in attendance of P.T.A. to help.

Your presence, however is desired.

Mrs. Seburn Neatherlin, who suffered severe burns in a home accident last week, is reported by her husband to be recovering as well as can be expected at Stanley Hospital in Matador. Seburn said that she might be released from the hospital the end of the week if all goes well. She will have to have some skin grafting later.

### DUCKS SEE A LOT OF FOOTBALL LAST WEEK

Mr. and Mrs. D. C. Duck drove to Amarillo last Thursday to see their new grandson, Michael Scott King. He was born Monday, October 14, in Northwest Texas Hospital in Amarillo and weighed 6 lbs. 12 1/2 ozs. His father, Gary, is attending school at Caprock High in Amarillo and is on the B squad football team.

Mr. and Mrs. Duck attended the football game in Amarillo Thursday afternoon between Caprock High and Lubbock Monterrey B teams, then drove to Dumas to attend a Junior High game and to see Jimmy King, Gary's brother play. Friday night was Homecoming in Dumas and the Ducks attended the football game that night. Saturday they drove back to Amarillo and saw the Amarillo High-Caprock High game and returned home Sunday evening and report a very enjoyable week-end.

## Panthers Kayo Champs

Basketball has come to Quitaque and if the season continues as fast and furious as the first two sets of games, many a fan will likely die of heart failure.

The local teams took on two sets of Eagles in their opening games, the Samnorwood Eagles on Friday night and the McAdoo Eagles.

There was much clawing and feathers flew all over the place and the local teams wound up with three victories and one loss. Biggest noise of course was the Panthers 69-68 win over the proud state champion Eagles of Coach Fabian Lemly. Very little less impressive were the scrappy Pantherettes who battled the Eaglettes all the way and took a 68-64 win in the night's opening game that had the fans limp at the finish. Janice Dudley, Pantherette forward, burned the nets for 50 points to lead the Quitaque team to a win in that contest.

Friday night the local teams split games with Samnorwood, the Pantherettes losing 57-64, and the Panthers winning 54-48.

The Pantherettes started fast against Norwid, leading 20-14 at the end of the first period

### NOTICE!

School will dismiss at 12:00 noon next Thurs. and buses will run at that time. No lunches will be served in the lunch room. This is being done in order that the Senior Class may prepare for the Halloween Carnival that night.

Classes will resume Friday morning as usual.

### ACCIDENT VICTIMS RELATIVES OF ROY AND GUY SMITH

An automobile accident last Saturday on rainslick roads resulted in death for five persons and injury to three other members of the family of Laurence Q. Smith, Sr. of Albuquerque, N. M. They were Mrs. Juanita Smith, 51, her son, Laurence Q. Smith, Jr., 18 of Albuquerque, a daughter, Mrs. Marjorie Juanita Brown of Los Angeles; another daughter, Mrs. Helen Smith Daughy, 31, of Albuquerque and her daughter, Gloria Ann Daughy, 9.

Mrs. Smith, her son, two married daughters and a grand-daughter were killed early Saturday on U. S. 285, 11.2 miles south of Roswell. Three other passengers in the car were listed in critical condition at St. Mary's Hospital in Roswell following the accident. They are two other children of Mrs. Daughy, Wanda and Jimmy, and another son of the Smiths, James Roger Smith, and a third son was in fair condition. The car in which the family was riding smashed into the side of a dump truck loaded with 40,000 lbs. of sand.

Mrs. Smith and her children and grandchild were cousins of Roy Smith and Guy Smith.

Guests in the James Barefield home Sunday were their daughter and her husband, Mr. and Mrs. Jesse Rivers of Amarillo. Jim Saul was a guest of Phil Barefield.

Mr. and Mrs. Arless Brooks and children of Paducah spent the week-end with Mr. and Mrs. Mack Truelock. Kenneth Lane of Turkey spent Sunday afternoon with the Truelocks.

of play, increased it to 34-32 at half time but cooled off during the intermission and saw the Eaglettes score 13 points in the third quarter before they were able to mark again. The Quitaque girls came battling back to more than hold their own the final ten minutes of play.

Janice Dudley dropped in 38 points in that game to top all scorers. Kay Parkey of the visitors netted 32 points for the honors in the Eaglettes lineup. Others scoring for the Pantherettes were Deborah McKay 15, Jennifer Whittington 2 and Jill Johnson 2 points.

In the second game of the evening the Panthers looked very sharp at times, then almost sloppy at other times but managed to hang on and win over a good team. Jim Saul lead the Panthers in the scoring department, closely followed by Jack Johnson with 17. Robin Brown with 9 points and Bobo Morrison with 7 rounded out the scoring for the Panthers. Kendrick and Martindale each racked 17 points for the losing 'Norwood team.

In Tuesday's contests the local teams came to play and play they did. These were games the local fans had looked forward for a year. In early season games last year both the Panthers and Pantherettes took two strapplings from the McAdoo teams and were out for revenge—and got it.

The Pantherettes are playing with three new starters this season. Deborah McKay at forward.

## Junior High Teams Win Two At Flomot

Thursday night, October 17, the Quitaque Junior High basketball teams journeyed over to Flomot for a pair of basketball games and both Quitaque teams won, the boys winning 23-19 and the girls outscoring the Flomot lasses 18-14.

For the young Panthers, Nestor Cavazos won scoring honors with 12 points and George Calvert led Flomot with 13.

Carol Myers led Quitaque's girls scoring with 11 points, followed by Sherry Stark with 7. Donna Rogers and Barbara Moseley each had 7 points for Flomot.

## Seniors To Stage Halloween Fun

A Halloween Carnival will be held Thursday, October 31, in the Quitaque High School. Members of the Senior Class are presenting a "Style Show", a "Womanless Wedding", games, King and Queen Contest, Spook House. Their candidates for King and Queen are Janice and Clyde Dudley.

The crowning of the King and Queen will be the last event. Be sure to make plans to attend for you will miss a lot of fun if you are not there.

Mrs. Gene Purcell of Fort Worth, the former Irene Purcell of this city, underwent major surgery Monday, October 21. Her mother, Mrs. T. J. Reeves of Plainview, called Mrs. Bud Bailey, Mrs. Purcell's sister. Monday night and reported Mrs. Purcell stood the surgery fine and is doing as well as can be expected. Mrs. Purcell attended school in Quitaque and is well known to many here.

ward and Charlene Bailey and Donna Bedwell at guards but what they lack in experience, and height, they make up for in desire and hustle. The locals got in early foul trouble and Coach King had to call on soph Barbara Reagan and freshma Jill Johnson to alternate with the starters and both of them play very well under pressure and with more game experience should prove top hands. The Pantherettes trailed 14-16 at the end of the first period but caught up during the second period and led the rest of the way. The score was 34-32 at half-time and 53-44 at the end of three quarters.

The fifty points racked up by Janice, 32 of which came in the first half, marked the second time during her career that she has scored 50 or more points. In one game last year Janice bombed the baskets for a whopping 54! She has started a fabulous pace for this season, 88 in two games, only a 44 per game average. This was a sweet victory for both the girls and fans alike because for the past several years the Pantherettes were sort of snake-bit on the close ones.

Fans who were hoping to see "at least a close game" when the Panthers met the mighty state champs were not disappointed for it was just that all the way from the opening buzzer down to the wire. The Panthers owned a five point lead at one time during the third period which was about the widest lead enjoyed by either team during the game. The Panthers trailed 18-21 at the end of the first quarter, and by the same margin, 40-43 at half-time but caught up and went ahead to lead 59-55 at the end of three. The McAdoo lads tied it up then went ahead by one point with a minute and a half to go and all-state Larry Morris took over

Mrs. Bud Bailey drove to Plainview Friday to bring her daughter, Sharon home for the week-end. Mrs. Bailey and Sharon visited her parents, Mr. and Mrs. T. J. Reeves before coming home. Mrs. Bailey and Janet returned Sharon to Plainview Sunday afternoon.

Mr. and Mrs. Bill Daniels of Lubbock visited Mr. and Mrs. F. C. Benson on Tuesday of this week.

Mrs. Mort Hawkins has been on the sick list for some time and she has been advised by her doctor that she must give up her work at Roberson Dry Goods.

## FUND STARTED TO BUY GLASS BACKBOARDS FOR LOCAL GYM

A group of interested basketball fans got together in the Community Room at the First National Bank Building Wednesday to talk over the possibilities of getting glass backboards for the local gym. The glass boards are a great improvement over the old type and are in use in most of the other gyms in which the Quitaque teams will be playing.

After discussing ways and means of financing such a project, it was agreed that probably local fans and friends would buy the boards if they were told of the need.

Alton Johnson, manager of Willson & Son Lumber Co. has agreed to order the backboards and let them go for just what it will cost to get them here. The actual cost of glass backboards and brackets will be near \$450, plus the cost of putting them up which is estimated will be an

with the intention of stalling it out the remainder of the time. Although he put on a fancy exhibition he was cornered by the Panthers and then was caught fouling by the referees.

The Panthers found themselves in trouble early in the contest when Jim Saul and Jack Johnson started picking up fouls and Coach King started shuffling his seven seniors. All seven of them played well and refused to panic. Even with Jack Johnson and Jim Saul on the bench for much of the game, the combination of Bobo Morrison, Terry Woods, Robin Brown, Phil Barefield and Joe Hamilton continued to click and refused to be awed by the Eagles. Terry Woods turned in what was probably the finest game of his career and was the high point man for the Panthers with 19 points, 15 of them coming on free shots. Jim Saul collected 16 points, all in the first half; Jack Johnson and Bobo Morrison each dumped in 11 points. Phil Barefield scored 4 points. Robin Brown made 2 points and Joe Hamilton 1.

The game was marred by a great deal of fouling but the officials kept the game well in hand. A total of 25 fouls was called against Quitaque and McAdoo drew 38. Two Panthers, Jack Johnson and Jim Saul fouled out of the game while McAdoo lost 5 of their men via fouls.

McAdoo's Larry Morris, a very fine basketball player, won scoring honors for the evening with 31 points.

The local teams have an open date Friday night of this week, and by next Tuesday night, Oct. 29 they will drive over to McAdoo and prove to everybody that the games here were no flukes. They will need a lot of moral support and all fans are urged to load up and go to McAdoo Tuesday night.

Mrs. Mort Hawkins has been on the sick list for some time and she has been advised by her doctor that she must give up her work at Roberson Dry Goods.

She went to work at Roberson's when Slocum bought the store in 1946 and has worked there since that time. She has been working in the public since 1943. Edna stated that she may be able to work part time after a good rest.

additional \$100.

Each one present at the meeting selected names of 5 or 6 people here in the community and will try to get in contact with them within the next few days. The basketball teams do not have another home game until Nov. 19, so the new glass backboards have already been ordered so that they will be ready when the next games are played here.

All fans and friends of the school are urged to help if they feel that they can. No one will be pressured. Give if you can, but if you can't, support the teams the best way you can.

If there are those who may not be contacted by anyone and want to give on the project, Mr. Johnson at the Lumber Co. has agreed to handle the fund.

A sum of \$130.00 was collected at the meeting to get the drive started.

Mr. and Mrs. J. W. Harvey drove to Floydada last Friday to see the optometrist. After Mrs. Harvey got her glasses, they drove to Childress, where they visited a cousin, Mr. and Mrs. Luel Hamner, and found Mr. Hamner just out of the hospital following surgery. While they were visiting the Hamners another cousin, Mar-

vin Harvey and two daughters, Grace and Ethel of Chillicothe arrived for a visit. Later another cousin, Mrs. Watts and son, who live there in Childress came for a visit and they had a nice reunion. Neither of the guests knew the other was coming or was there until each arrived. Mr. Luel Hamner is a brother of the late Mr. C. H. Hamner of Quitaque. He had surgery at Galveston about five weeks ago and is just now able to be up and about. The Harveys did not know of his surgery until their visit with him Friday.

Mr. and Mrs. Ray Don King, Kelly and Kirk, of Childress, visited Mr. and Mrs. Buddy Morris Sunday evening and had dinner with them. Kirk is just four weeks of age, and this was the first time his great-grandparents the Morris', had seen him.

### AGRICULTURAL SHORTS NOTES

Cows milked four times daily produced nearly eight percent more milk than those milked twice daily in experiments conducted at the University of Minnesota. Investigators also discovered that cows would milk faster and hold less milk back if the machine rate was 70 pulsations per minute rather than 50 or less.

About one-half of the privately owned agricultural land in the U. S., or about 640 million acres, is suitable for cultivation, according to the U.S. DA. Almost 60 percent of this land is now used for cropland, the balance forming a reserve that could be cultivated if need-

ed. However, nearly 50 million acres are now in cultivation that are suitable for crops but should be devoted to timber or grass use.

**KING-LANGDON VOWS SPOKEN IN HOME CEREMONY SUNDAY**

Ronda King of Ralls, the daughter of Mr. and Mrs. R. J. Harmon of Quitaque, became the bride of Paul Langdon of Lorenzo, Sunday, Oct. 20, at 4 P. M. in the home of the bride's parents. The vows were read by the Rev. Roy Davidson, pastor of the First Baptist church.

The bride wore a toast colored two-piece ensemble with brown accessories, and her corsage was white carnations. Mrs. Thomas Glenn of Bedford was the bride's attendant and she was dressed in beige with gold accessories.

A. J. Langdon of Lorenzo was his brother's attendant.

After a short wedding trip to Dallas and points east, the couple will be at home in Ralls where the bride will continue working for the General Telephone Co. for awhile.

The groom and his brother are engaged in the Irrigation and Supply business in Lorenzo and he will commute from Ralls for the present.

Out of town guests present for the wedding were Mr. and Mrs. A. J. Langdon of Lorenzo, Mr. and Mrs. Langdon, parents of the groom, the groom's sister, Mrs. Irving Wapler and her 3 children of Ralls, and Mr. and Mrs. Thomas Glenn of Bedford.

Mrs. F. M. Sachse returned to her home Tuesday after spending ten days in Lubbock with her daughters, Mrs. E. P. Lewis and Mrs. S. L. Montgomery

She had a check-up with her doctor while in Lubbock.

Mr. and Mrs. Orval Cobb, Janice and Walter Cobb spent Sunday in the home of Mr. and Mrs. Woodrow Cobb and girls at Hale Center.

Mrs. Harley Eddleman and children of Bushland visited her parents, Mr. and Mrs. Jack Hulsey Sunday afternoon. Mr. and Mrs. Gary Rowell and children of Amarillo visited her grandparents, the Hulseys, also.

Mr. and Mrs. John Lindsey and Paul of Lubbock spent the week-end with her father, Ollie and Mrs. Nell. Other guests at the Nell home were Mrs. J. R. Nall and Mrs. Erma Piercy of Turkey.

Mrs. Ollie Nall was in Plainview shopping Monday.

Mr. Ted Copeland of Arkansas visited Mrs. Daisy Bedwell Wednesday morning.

Visitors of Rev. and Mrs. Melvin R. Mathis on October 17 were Mr. Jess Robinson, head vocational agriculture teacher in Hereford, and one of his seniors students, Jack Andrews was with him. They were returning from the State Fair in Dallas. Mr. Robinson is Mrs. Mathis' brother.

Mrs. Joe Edd Helms honored her husband on his birthday anniversary with a birthday dinner Sunday, although his birthday was Monday, October 21. Those present to help him celebrate were his parents, Mr. and Mrs. Bill Helms, his brother, W. E. Helms, Jr. of Childress, and an aunt, Mrs. O. S. Gray of Post.

Mrs. C. M. Wells of Colgate, Okla., who has been visiting her sister Mrs. W. J. Carter and other relatives here for the past several weeks, returned to her home recently. Word was received here from relatives that she has a new great-grandson since returning home.

der, and Miss Pam Curtis sang a beautiful solo. Then Mr. Gordon Bain of Turkey presented a very stimulating address for Layman's Day.

Monday, October 28, is the regular date for the Commissions and Official Board to meet, at seven and eight, in the evening, respectively.

Wednesday, October 30, at 7:30, is the time for the W.S.C.S. and W.S.G. to hold the service entitled "Call To Prayer and Self Denial." Mrs. George Owens is in charge.

Next Sunday morning the special feature is to be a promotion of Together Magazine, by Jimmy Davidson. The sermon titles for the day are "His Kingdom Is Forever," from two separate places in Hebrews, for the morning message on the reformation theme; and "Our Only Living Hope," from Rom. 8:31-39, for the evening message.

**JEHOVAH'S WITNESSES DISTRICT SUPERVISOR TO SPEAK HERE**

The presiding minister of the Quitaque congregation of Jehovah's Witnesses, Mr. Von D. Tiffin, announced the regular visit of their circuit supervisor, Mr. L. D. Bell and his wife, beginning October 22 and con-

cluding October 27. Bell is presiding over 15 congregations in Texas and New Mexico and one in Oklahoma.

The program for the week's visit of Mr. and Mrs. Bell will begin Tuesday at 7:30 P. M. with a ministry training school, followed by a 30-minute discourse by Bell.

Wednesday through Sunday some time will be spent in field missionary service. Mr. and Mrs. Bell will accompany those of the local congregation in making calls on residents of the community. This is a part of the door-to-door ministry of Jehovah's Witnesses all over the world.

Mr. Tiffin commented on this activity of Jehovah's Witnesses and said: "The education of persons desiring accurate knowledge of God is a community responsibility that Christian ministers must be equipped to meet."

The Saturday evening program begin at 8 o'clock with a Bible question session on new things learned, which is to be participated in by all the audience.

Highlight of the week's visit will be the public talk given on Sunday by Bell, "Building a Happy Human Family." The time for this meeting will be at 3:00 P. M. and the public is invited to attend all the meetings.

Mr. and Mrs. W. J. Carter received an announcement from Mr. and Mrs. Joe Young telling of the birth of a daughter, Jennifer Jill, born Friday, Oct. 18, in the General Hospital in Tucson, Ariz., at 1:30 A. M. She weighed 8 lbs., 8 ozs. Maternal grandparents are Mr. and Mrs. Boone McCracken and great-grandparents are Mr. and Mrs. W. J. Carter of this city. The new arrival is the 13th great-grandchild of Mr. and Mrs. Carter.

**GENERAL TELEPHONE TOWNS ON THE MOVE**

**MoorMan Manufacturing comes to Comanche**

When a Texas town of about 4000 population gains a branch plant of one of the Nation's top manufacturers of livestock mineral and protein concentrates, it is a shining example of civic progress.

Because this is the heart of a vast market area, the Comanche Chamber of Commerce was able to secure a division of MoorMan Manufacturing Company. In its new plant, MoorMan makes a large number of products with other products warehoused

and distributed from the Comanche facility. This is another reason we say big things are happening in General Telephone towns.

These towns are on the move. Community improvements are under way, local resources are being developed, new businesses, new industries are coming in. If your town seeks additional information about expansion, perhaps we can help. Just write our Community Development Department, Box 1001, San Angelo, Texas.
