MONDAY NIGHT IS LADIES NIGHT AT LIONS CLUB MEETING

Next Monday, night, December 16 is Ladies Night at the Lions Club meeting, an annual night when the Lions Club entertains and feeds their wives.

Festivities will get under way at 6:30 in the school cafeteria. The Rev. Gene Hawkins, pastor of the First Baptist Church of Lockney will be the main speaker for the evening.

Favors will be given all of the ladies and invitations will be mailed to all members' wives and other guests to be invited.

All members and their wives are urged to keep that night open for this special night — that's next Monday night, Dec. 16, at 6:30, in the school cafeteria. Underwood's will furnish catering service.

LAST CALL FOR LETTERS TO SANTA

Time is running out for kids to get their letters to Santa in time for them to be printed in next week's Tribune. All of you kiddoes who haven't done so already, get busy and get your letters in so that we can have them by next Tuesday noon, please. That way we will have time to get them on file here and then fire them on to Santa. So hurry!

COLD WEATHER HALTS HARVEST

The first real cold blasts of winter came to this area late Tuesday afternoon light drizzle brought the cotton harvest to a halt, although the gins continued to operate since they had quite a backlog of cotton on the yards when the light rain began to fall.

The temperatures fell to an unofficial low of 17 degrees here Wednesday morning. Some light snow fell here during the night but what fell was very dry and left only a trace of moisture. Streets were a bit slick Wednesday morning early but did not constitute a great hazard to local citizens.

Skies cleared during the morning hours and most of the ice and snow melted except for that in the shady areas and on the north side of houses.

Quitaque's basketball teams drove to Aspermont Tuesday afternoon and drivers of the autos making the trip reported that roads were quite icy in spots and some trouble was experienced driving home.

The temperatures were predicted to drop to near zero on the plains and near 10 degrees elsewhere but the experts missed this by several degrees. Here the temperature was 19 degrees at 5:00 A. M. under partly cloudy skies.

The local gins have ginned a total of 7,271 bales of cotton to date and the local harvest could be brought near a wind-up with another week of favorable weather.

SISTER OF MRS. OWENS BREAKS HIP IN FALL

Mrs. Bud McMinn of Silverton, sister of Mrs. Gaston Owens, suffered a broken hip when she fell at their home Wednesday morning.

Mrs. McMinn was attempting to open the garage doors when she fell on the ice-covered driveway. Bill Griffin drove Mrs. McMinn and her husband to Amarillo by ambulance, and Mrs. McMinn was admitted to Northwest Texas Hospital.

X-rays verified that her hip was broken and she will undergo surgery Friday morning at 8:30. The McMinn's have a daughter, Mrs. Melvin Watkins, and Mr. McMinn will stay with her and her family while Mrs. McMinn is in the hospital.

JOHN LYNN JOHNSON IS ADMITTED TO STATE BAR

Mr. and Mrs. John Lynn Johnson were in Wichita Falls during the past week-end to arrange for a place to live as they take up residence there next week. John Lynn will be the Assistant County Attorney of Wichita County.

Monday the Johnsons were in Austin where John Lynn was sworn in by the State Bar Association. They returned by way of Fort Hood, where they visited Felix Johnson, who is in the Army and stationed there at the present time.

PVT. JOE SEAY IN GERMANY

U. S. Forces, Germany—Army Pvt. Richard J. Seay, nephew of Mr. and Mrs. J. T. Persons of Quitaque, was assigned to the 78th Engineer Battalion in Germany, early in November.

Seay, a clerk typist in the battalion's Headquarters Company near Karlsruhe, entered the Army in June, 1963 and completed basic combat training at Fort Polk, La.

The 20-year-old soldier is a 1962 graduate of Quitaque High School.

W. W. MERRELL OBSERVE 50th WEDDING ANNIVERSARY

The spacious ranch home of Mr. and Mrs. W. W. Merrell was the scene for their Golden Wedding Anniversary celebration Sunday, December 8.

Jake Merrell met the guests as they arrived and presented them to his parents and small Cheryl Merrell, daughter of Mr. and Mrs. Truman Merrell registered them. The guests were then directed to the gift room, where a great array of beautiful gifts were displayed. Among the gifts were a gold colored bookcase or room divider, two insulated blankets, pictures, towels, washcloths, vases, one vase of milkglass with gold roses, made by Mrs. Aline Welch as a gift, and other gifts too numerous to mention. The children of Mr. and Mrs. Merrell gave them a new living room rug and a television set.

After the guests viewed the gifts, they were directed to the dining room where they were served refreshments from a beautifully decorated table. It was covered with white net, over white, and gathered into deep drapes, held with gold bells. An arrangement of white carnations, fern and other greenery accented with gold beaded sprays centered the table. This was made by Mrs. Aline Welch. Coffee was served from a silver service, and golden punch was served with the wedding cake. The cake was iced with white roses and topped with a miniature bride and groom. Candy bells and Christmas trees and nuts completed the refreshments served with crystal and silver appointments.

There were approximately 150 guests registered. Among the out of town guests were Walter Watters, Mr. and Mrs. Raymond Grewe, Mrs. Vivian Merrell, Mr. and Mrs. C. T. Loudermilk, Mrs. John Pigg, of Silverton; Mr. and Mrs. Boots Gunn, Levelland; Mary Kimbell, Pat Miller, Anne Marie and Marv Wycoff, Mr. and Mrs. Dave Standefer, Mr. and Mrs. Bob Morris, all of Plainview; also

IRENE ELIZABETH CRAIG, FORMER RESIDENT, BURIED RECENTLY IN ARIZONA

Irene Elizabeth Craig, a former resident of Quitaque for many years, died November 23, in Fort Sumner, N. M. after an extended illness.

A funeral service was held in Fort Sumner on Nov. 25 at the Church of Christ, with Minister Grady Pricer officiating. A second service was held in Tucson, Ariz. on November 26 in the chapel of the Arizona Mortuary, with minister John Young, of the University Church of Christ officiating.

Pallbearers for this service were M. M. Craig, Jr., S. E. Rhea, Jr., Joe Bob Ward, Gene Ray Ward, Buddy Rhea and Jack Dawes, all nephews of Mrs. Craig. Interment followed in Evergreen Cemetery, beside her husband, who died several years ago.

Mr. and Mrs. Craig will be remembered as "Aunt Rene" and "Uncle Charlie."

Survivors included a daughter, Mamie Houston of Pietown, N. M.; two sons, C. B. "Sprout" Craig of Ft. Sumner and Olen W. "Mutt" Craig of Amarillo; four sisters, three brothers, 9 grandchildren and six great-grandchildren.

Costa Rica Study Set For Son of Former Resident

Charles W. Koch of Wichita Kansas, is one of six University of Kansas undergraduates selected to spend a year studying in Costa Rica under the KU-Costa Rica University exchange program. Koch, a sophomore, is majoring in Latin America area studies and Spanish.

The students will leave in mid-February to spend the regular academic year at the university in San Jose. Also scheduled is an orientation session in Washington, D. C.

Charles Koch is the grandson of Mr. and Mrs. John A. Johnson. His mother is the former Rosamond Johnson.

ON THE SICK LIST

Mrs. C. P. Richmond has been on the sick list for a week. She returned to see her doctor Tuesday and got a good report.

Sunday visitors at the Richmond home were his brother and wife, Mr. and Mrs. Elmer Richmond, and Mr. and Mrs. Shorty Wheeler of Turkey.

Mrs. Bill Woods and Mrs. Ollie Nall were in Plainview on business Friday.

MRS. SID BOGAN IN HOSPITAL

Sid Bogan, accompanied by Hubert Brooks, took Mrs. Bogan to the Plainview Hospital and Clinic Saturday night, where she was admitted as a patient. Mrs. Bogan had been ill with a virus and when her condition became worse Mr. Bogan felt she should go to the hospital.

Mr. Bogan reports that he talked with her Wednesday night, and she said that she had been permitted to sit up in a chair some that day and was feeling better, though still weak. Mr. Bogan said that she would probably have to remain in the hospital the remainder of this week. Her room number is 269.

MR. AND MRS. EVERETT BOYLES OBSERVE 50th WEDDING ANNIVERSARY LAST SUNDAY

Mr. and Mrs. Everett Boyles celebrated their Golden Wedding Anniversary last Sunday, December 8 in their home here. All of their children were present for the day, helping to make the occasion a very pleasant one for their parents.

Present were Mr. and Mrs. George Boyles and children, Mr. and Mrs. J. J. McKay, and Mr. and Mrs. Tate Boyles of Amarillo; Mr. and Mrs. Kelsey Mayfield, their daughter and her son, of Lubbock; Mr. and Mrs. Dud Watters and Marv Lou and Mr. and Mrs. H. G. Boyles and family of Silverton.

Mr. and Mrs. Boyles were married December 7, 1913 in the Community Building at Gasoline. Mrs. Boyles was the former Willie Lou Kimbell.

They were married by the Rev. Sisk of Matador. He had performed the wedding ceremony for Mr. and Mrs. W. W. Merrell that morning at Flomot and then drove to Gasoline to perform the ceremony for Mr. and Mrs. Boyles that afternoon. The Boyles have lived in this community all of their married life.

Mary Pittman, Ann and Kena Rucker spent the week-end in Abilene with Mrs. Pittman's son, Richard and his family.

MIKE RICE IN HOSPITAL

Little Mike Rice, son of Mr. and Mrs. Jerrell Rice, entered the hospital at Groom Wednesday morning, suffering with bronchitis. Jerrell called his father, Pete Rice, Thursday morning to report that Mike was doing much better.

Lon McKay, who was injured recently in an accident at the gin, returned to Lubbock Tuesday where he entered Methodist Hospital to receive skin grafting. He will remain in the hospital the rest of this week.

Mr. and Mrs. J. W. Ewing spent most of the past two weeks in Plainview with her brother, Homer Gregg, who underwent surgery November 26. Mr. Gregg remained in the hospital ten days but is at home at the present and is reported to be feeling better.

Local farmers voted overwhelmingly in favor of extending the cotton control program for next year. Seventy-two votes were cast here in Quitaque, according to election judge A. L. Morris. Of the 72 votes cast here, 64 were in favor of continuing the cotton quotas and price support program and 8 voted against the program.

LOCAL F.F.A. CHAPTER ELECTS OFFICERS AND A SWEETHEART

The Quitaque FFA Chapter met December 10 to elect officers for the current year and to select an FFA Sweetheart. Officers elected are as follows:

President, Bobo Morrison; Vice-President, Clyde Dudley; Secretary, Robin Brown; Treasurer, Jim Saul; Reporter, Phil Barefield; Sentinel, Terry D. Morrison; Renee McKay, a Freshman in High School was selected as FFA Sweetheart for this year.

Mrs. Ray Persons, Mrs. A. C. Barrett and Mrs. Clarence Barrett were in Lockney Friday to visit the homefolk in the rest home there. Mrs. A. C. Barrett took the ladies some of her Golden Wedding Anniversary cake.

New Arrivals

Mr. and Mrs. Jack Chandler are the proud parents of a new son, Kirby Perrin, born Sunday, morning, December 8, at Lockney General Hospital. The baby weighed 7 lbs. 1 oz.

Both mother and baby are doing fine.

MIKE RICE IN HOSPITAL

Local farmers voted overwhelmingly in favor of extending the cotton control program for next year. Seventy-two votes were cast here in Quitaque, according to election judge A. L. Morris. Of the 72 votes cast here, 64 were in favor of continuing the cotton quotas and price support program and 8 voted against the program.

A two-thirds vote favoring the program was necessary for the program to remain in effect. Nationwide the farmers voted to keep the program in effect, though not by as wide a margin as was polled here in Quitaque.

KIDS TO SEE FREE MOVIE CHRISTMAS EVE MORNING

Local youngsters will be treated to their annual free movie Christmas Eve morning the annual affair sponsored by the Quitaque Lions Club. Festivities will get under way at 10 o'clock Tuesday morning, December 24 at the Queen Theatre.

In addition to the free movie, Santa will be present with a lot of goodies for the kids such as candy, nuts and fruit.

All of the local youngsters have a special invitation from the Lions Club to be present for the fun at the Queen Theatre Christmas Eve morning beginning at 10 o'clock.

SCHOOLS TO DISMISS DEC. 20 FOR CHRISTMAS HOLIDAYS

The local public schools will be dismissed at 2:30 P. M. on Friday, December 20 for the Christmas holidays. Classes will be resumed on Monday, December 30.

The local schools will observe the New Year's Day holiday on Wednesday, then classes will be resumed at the regular hour Thursday morning.

Mr. and Mrs. A. B. Ramsey, Jr. and children, and Mr. and Mrs. D. C. Duck spent last week-end in Amarillo with Mr. and Mrs. Glynn Barrett and Mr. and Mrs. Gary King. They were joined there Sunday by the Joe Kings of Cactus for a visit together.

Local Teams In Silverton Tourney

Quitaque's High School basketball teams broke even in games played the past week, winning a total of three games of six played.

For the first time in several years the Panthers entered a basketball tournament and failed to bring home at least an individual trophy of some sort. The Panthers were entered in what undoubtedly was one of the toughest tournaments to be lined up in this part of West Texas this year, Plainview's annual invitational, won one game and lost the in second round of play. The Pantherettes, who were entered in the Kress Invitational, also won their opening game and then were bumped out in the second of play.

The Pantherettes won 49-41 over Bula with Janice Dudley leading the way with a 40 point scoring burst. Jennifer Whittington tossed in 6 points, Devorah McKay 2 and Renee McKay 1 to round out the scoring in that game. The Pantherettes met the Muleshoe Mulettes Friday morning and lost, 35-48. Janice Dudley again led

at the end of three quarters. The Panthers rallied during the final quarter to narrow the margin the Rebs had gained but could not pull it out after falling so far behind. The Rebels were beaten in the semifinal round and Saturday morning by Plainview and met McAdoo for third place Saturday night and lost to the Eagles by five points.

Biggest surprise of the tournament was Abilene Cooper, who came to the tournament unheralded, ushered favored McAdoo to the sidelines in a double overtime thriller, and then won over Plainview, who was favored to meet McAdoo for the championship. The Panthers made a good showing in the tourney and with a little better luck might have gone to the finals. Jim Saul led the scoring parade against the Rebels, dropping in 6 field goals and 11 out of 12 free shots attempted for 23 points. Jim made 11 free tosses in a row and missed on the last one just before the game ended. Bobo Morrison dropped in 13 points for next high shooter for the Quitaque team. Robin Brown added 8 points,

Jack Johnson 6, Terry Woods 4 and Phil Barefield 1. Jack Johnson turned in a fine game under the boards, bagging a good number of rebounds in spite of the fact that the Rebs had two boys taller than he and both a lot heavier. The entire team played well and, except for the cold third period, might have won.

Tuesday night the two teams journeyed down to Aspermont for a double header and split games there.

Playing without Janice Dudley who was ill, the Pantherettes took a 58-17 drubbing. The Panthers, who had lost two big games to the Hornets the past two years, took a great deal of pleasure in swatting the Aspermont lads 67-62.

Devorah McKay won scoring honors for the Quitaque girls with 11 points. For the boys, it was Jim Saul who led the way with 28 points. Jack Johnson was next with 21. Bobo Morrison had 11, Joe Hamilton 6, Phil Barefield 5, and Robin Brown 4.

This week-end the High School teams wind up basketball

activities until after the Christmas holidays as they enter the annual Silverton Tournament. Play gets under way in this meet today (Thursday) and both Quitaque teams see action this afternoon against the teams from Happy High School.

The Pantherette - Cowgirls swing into action at 2:15 and the Panthers (who are defending champs of the tourney) tee off at 3:30, immediately following the girls game.

If the Pantherettes win they will play the winner of the Lakeview-Hedley game at 5 P. M. Friday. If they lose the Quitaque girls will play the losers of the Lakeview-Hedley contest, that game to be played at 2:10 Friday afternoon.

The Happy - Quitaque boys game winner will play the winner of the Boys Ranch Hedley game at 6:20 Friday and losers will meet at 3:30 P. M. Friday.

Other girls teams entered in the tournament are Kress, Turkey, Estelline and Silverton.

Boys teams entered, in addition to those already mentioned are Kress, Turkey, Estelline and Silverton.

Almonds Glamorize Baked Apples

Baked apples, a standard favorite in so many American homes, go glamorous for "Almond-Glazed Apples." A two-tone effect comes from partially paring the apples before baking. Basting with a tangy orange syrup provides interesting flavor as well as a beautiful glaze. Toasted silvered almonds sprinkled atop each apple add crunchy goodness to give the finishing touch to this appetizing, nutritious dessert.

Whole, silvered, diced or chopped almonds revive interest in numerous oft-served desserts, vegetables, main dish sauces, salads and sandwich fillings.

ALMOND-GLAZED APPLES

6 medium-size baking apples ¼ cup sugar
1 teaspoon grated orange rind ½ teaspoon salt
1 cup orange juice ½ cup toasted silvered almonds

Core and pare apples 1/3 the way down; arrange in shallow baking pan with pared ends up. Blend orange rind and juice, sugar and salt; bring to boil. Pour over apples. Bake in 350-degree (moderate) oven 30 minutes to 1 hour, until done, basting often with syrup. About 5 minutes before apples are done, cover tops with almonds. Baste and return to oven. Serve with whipped or sour cream, if desired. Makes 6 servings.

country and its institutions, search must go on—and on. There are so many, so very many unanswered questions. They are being asked by private citizens as well as by trained investigators and legal authorities. Surely we Texans have a vital stake in seeing that the truth is made apparent to all, whatever that truth may be. Our State pride has been damaged. There is a dark stain on the reputation of one of our principal cities. But the larger cloud is over America, and only the sunshine of truth can remove it.

The assassination of President John F. Kennedy was a crime of such unbridled vengeance that the Nation is still numb in unbelieving shock. That this could happen here! That an American President out among the people could be shot down, here, in the United States, in the mid-Twentieth Century! Why? Why?

Let Americans now study their heritage. The development of this country has been shaped by moderation—not by extremism. The Constitution itself was the product of moderation; in its formulation it represented the coming together of ideas as to an establishment of government under which free men could live out their lives in liberty and justice. On the one bleak occasion in American history when the coming-together processes of moderation failed us, and differences remained unreconciled, a bitter and bloody civil war resulted. In the century since then, our institutions of government were strengthened along with all other phases of our national life, and it seemed to most citizens—until that black hour on November 22, 1963—that we the people of the United States had formed

John Fitzgerald Kennedy car.

ried the burdens of his office with courage, intelligence, dignity, grace and good humor. He was loved by the people, despite raucous calumny directed at him from the left and right fringes of politics, from persons whose political positions are deep in the end zones instead of out on the field. Beyond considerations of his position as the Nation's Chief Executive, the tragic death of this young husband and father, whose family was such an inspiring example of decency, was a source of deep grief for his countrymen.

Let us not forget that the target of the assassination was all for which his country stands, that the bullets were aimed also at the institutions of freedom, of democratic government, of justice under law. We are living in a day when destructive assaults from extremists of every kind are made on our government. The unspeakable horror of the President's murder is bringing home to many Americans how poorly our country is served by the hate and invective that has been heaped not only upon the President and his office but also upon our system of courts, the legislative process, and provisions of the Constitution itself. Did this disorientation from American fundamentals, I ask, help establish a climate in which the vile distillate of sheer contempt could strike down our President?

a more perfect Union, had established Justice, had insured domestic Tranquility, had provided for the common defense, had promoted the general Welfare, had secured the blessings of Liberty to ourselves and our Posterity. The assassination of the President should demonstrate to all that the ideals expressed in the preamble to the Constitution remain unfulfilled.

Unless and until it is proved beyond all reasonable doubt, I cannot accept the theory that one single man, one solitary twisted extremist, one lone monster with a mail-order rifle could contrive by himself to bring death to President Kennedy and rattle the foundations of the government. We must

learn with certainty all that lay behind this dreadful act. As President Johnson said in his sorrowing Thanksgiving Day message to America, "Let us today renew our dedication to the ideals that are American."

NEW CHEVELLE!

BY CHEVROLET

The kind of go-6 or V8—you'd expect from one of Chevy's great highway performers. Come on down and drive it.

The kind of comfort you'd expect in a large interior. Come on down and sit in it.

The kind of fresh styling—inside and out—that makes it the year's smartest surprise. Come on down and stare at it.

New Chevelle Malibu Sport Coupe

Now—Chevy spirit in a new kind of car!

We built this one to do more than just stand around looking beautiful. Held its weight down in the 3,000-pound range. Then built four lusty engines—two sixes and two V8's—with output all the way up to 220 horses*! And if that makes you think this is one frisky car, you've got the right idea.

You've also got a roomy car here. Yet its 115-inch wheelbase keeps it highly maneuverable in traffic and very easy to park.

With its Full Coil suspension, it's got a ride that reminds you of the Jet-smooth kind the

way it muffles noise and cushions bumps.

And the fine hand of Body by Fisher craftsmen shows up beneath this one's suave good looks, too.

Sound good? There's more. Like the fact that Chevelle comes in three series with eleven models—convertibles, sport coupes, sedans, wagons, even Super Sport models with front bucket seats. Like the fact that (and see if this isn't one of the nicest surprises of all) the new Chevelle comes at an easy-to-take price!

Like to hear more? The listening's wonderful at your Chevrolet dealer's—and so's the driving.

While none can deny that there are commercial aspects to our modern-day celebration of Christmas, it must be remembered that each of us observe Christmas in our own way.

Gift-giving is in keeping with the spirit of Christmas—if it is done with emphasis on giving and sharing, rather than on being sure that we give each individual a gift that is as good or better than the one we receive from them. It is even more in the spirit of Christmas if we give to the less fortunate, with no expectation of receiving something in return.

Let us enjoy the practice of gift-giving by keeping it in its proper place. We'll enjoy the holiday if we give wisely. We will give with pleasure if we give no more than we can afford.

NEWS from the High Plains
Research Foundation

Research Foundation Presses Study of Midge

Delbert Langford, Agronomist for the High Plains Research Foundation at Halfway, Texas, reports that a long-term research study of the over-wintering habits of Midge has been set into motion at the Foundation. On November 16, 1963, Delbert made selections of heads of grain sorghum that contained larva and pupa of Midge. Some of the heads will be put into cold storage at temperatures ranging from above freezing to below freezing, as well as field conditions.

The purpose of the study is to find at what stage or stages midge can over-winter under field and experimental conditions. Delbert said that this study will help to determine the time of hatching after over-wintering occurs, and thus will be able to get an idea of the size of the population of midge for the next year.

Langford reports that this

Many Communist countries, after unsuccessful efforts to rename "Father Christmas," the Russian Santa, "Father Winter," have greatly relaxed efforts to prevent the celebration of Christmas as a Christian holiday.

Father Christmas is as popular as ever, as is also the legendary female gift giver, Babushka, which means grandmother. According to tradition, Babushka purposefully gave wrong directions to the Magi when they requested directions to Bethlehem. Babushka repented and, in atonement for her bad deed, has since wandered about the world on Christmas Eve, looking for the Christ Child and distributing gifts to all the children she meets on the way.

Use Right Bulbs To Illuminate Outdoors

For outdoor floodlights to illuminate Christmas displays, your best bet is to stick to the 150-watt PAR-38 bulbs. These are the weatherproof reflector type, like the kind used to light doorways.

You can get 300- and 500-watt reflector bulbs for outdoor use, but those are likely to explode in a cold rain or snow unless protected by expensive fixtures. So just use two or more of the PAR-38's when you wish more light. Indoors, you can use the 150-watt R-40 or 75-watt R-30 reflector spots and floods.

project will give information as to how long midge can live and at what temperatures the insect will survive or die. This will give research information for further studies of control measures. From this, predictions can also be made as to how far north the midge can live as well as midge movement in other areas. This report will aid in the prediction of the possible seriousness of the midge problem for the next growing season.

Dr. Earl H. Collister, Director of the High Plains Research Foundation, said, "This research on midge is something that the area must have now. If some control measures are not found soon that can successfully eradicate this insect (midge), the economy of the entire state of Texas will be seriously affected. We believe that Delbert's study will aid and speed the control of this threat."

MISTLETOE

Some believe the ancient Druids gave mystical significance to the mistletoe because it grows high among the branches of oak trees, touching neither heaven nor earth. It was believed to be immune, therefore, to the malignant influence of evil spirits.

The Druids, from Gaul, settled in the northwest section of France now known as Brittany. The mistletoe is still popular in France, where it is called "gui."

Thursday night, along with Mr. and Mrs. Gilbert Carpenter and Tawnya to help celebrate the birthday of Mrs. Billy McWilliams. Cake and Cokes were enjoyed by all.

Christmas shopping need not be such a chore. Like anything else, it can be made much easier with some planning and forethought.

Shop first in stores where you regularly trade during the year. You know where everything is to be found. Plan your trip through the store, on paper. Make a list of the items you are interested in, separating them by the departments in which they are located.

Don't spend too much time "looking" for a particular item. Pass over it. Get the other items on your list. During this time you may run across the item you "missed." If not, don't continue looking. Ask for help. One question directed to a store clerk can save you several minutes of valuable time.

If the store gift wraps, and most do during the holiday season, don't be fooled into thinking you can do a better job. Maybe you can—but you'll have more time for other necessary things if you let them do it.

HOLIDAY PANCAKE TREAT

Do cranberries always belong with the turkey? Not so. From the Reverse Ware consumer kitchens comes a new idea—and a nice surprise—for a holiday treat.

Holiday Pancakes With Cranberry Sauce
3 cups pancake batter (homemade or packaged)
2 tablespoons orange juice concentrate

Combine pancake batter and orange juice. Bake in small cakes, using about 2 tablespoons batter per cake, on a lightly greased griddle until bubbly and browned underneath. Turn to brown the other side. Serve hot with cranberry sauce. Makes about 24 small pancakes.

CRANBERRY SAUCE
2 cups water
2 cups cranberries
3 tablespoons orange juice concentrate
2 cups sugar
2 tablespoons cornstarch
2 tablespoons cold water

In saucepan combine the 2 cups water, cranberries, orange juice concentrate and sugar. Bring to a boil and simmer for 10 minutes. Stir in cornstarch mixed with the 2 tablespoons cold water and cook, stirring, until liquid is clear and slightly thickened.

**For outstanding success in telling
the U.S. Savings Bond story,
the United States Treasury Department
is pleased to award this special citation:**

UNITED STATES TREASURY DEPARTMENT

CITATION

Awarded to

The Quitaque Tribune

*In recognition of patriotic service in
strengthening the Nation and its citizens
through the
United States Savings Bonds Program.*

Douglas Dillon
Secretary of the Treasury
Ed Gossett
Chairman

For years, this great Texas newspaper has given your government free space in which to advertise U.S. Savings Bonds. You have seen the ads. Lately, their message has been *Keep Freedom in Your Future with U.S. Savings Bonds*. These ads have sold an impressive number of bonds in Texas. And they have helped, and are now helping, your government defend freedom at a moment in history when freedom urgently needs defending.

"The Quitaque Tribune

has earned the gratitude of the people of Texas," says Ed Gossett, Chairman of the Texas Savings Bonds Committee.

"When you buy U.S. Savings Bonds, you serve well the cause of liberty. You enable your country to build up her defenses without doing damage to her economy. The space occupied by the ads that pointed out these important truths was *donated* to your government—and that means to you—by this and other great Texas newspapers. We are grateful, and we think you will be too."

J. M. Davidson, J. W. Ewing and the pastor were in attendance at the District Conference last Wednesday at Sudan. The devotion was brought by the Earth pastor, Rev. Albert F. Lindley, one of the most versatile ministers this pastor has ever known. Dr. Marshall Rhew substituted for the scheduled

guest preacher in the late morning session and did a fine job, pointing out our unity in Christ and our need for surrender, repentance, and prayer. The pastor served as assistant Secretary of the Conference, which is to meet next year at Hart.

Dr. J. E. Shewbert, Plainview District Superintendent, promised the pastor that he would be with us soon to preach in one of our regular services.

Next Sunday afternoon, at 2 o'clock, the youth are to go to Floydada for a meeting of the Caprock subdistrict. Feature of the program is "A Christmas Play", put on by the Council, which is made up of officers of the organization.

The morning sermon, brought by the pastor, is to be on the theme, "We have seen His Star," based on Ga. 6:1-10 and John 3:11-21. Although in the course of the Christian year the accent of the star comes after Christmas, it is good for us at any time to see what men steer their lives by.

Mr. and Mrs. Ray Persons visited Mrs. M. T. Witcher in the Lockney rest home Sunday. Mrs. Witcher had been ill with a cold but she was feeling better Sunday afternoon.

Perry Don Seaney of Dallas stopped by the Tribune Monday morning to visit with his

cousin, Mrs. Gaston Owens. He was in Quitaque on business.

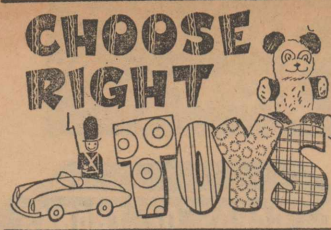

Margie Price and her employer, Mrs. Zimmerland of Midland, spent the Thanksgiving holidays with Margie's parents, Mr. and Mrs. Cecil Price.

Mrs. George Owens and Mrs. Gaston Owens were in Silverton on business Monday afternoon. They visited a short time with Linda Gattis, niece of the Geo. Owens and Janet Henderson, daughter-in-law of the Gaston Owens.

Betty June Owens will go to Silverton Friday morning to have the cast removed from her leg. It has been five weeks since she fell at her home and fractured her knee cap. The doctor hopes that it has healed enough so that she will not have to wear the cast any longer.

Mr. and Mrs. Jack McFall of Snyder spent Thanksgiving here with his parents, Mr. and Mrs. Sid McFall, Jr. and his family, of Cedar Hill, and her parents, Mr. and Mrs. Roy Sheppard of Matador, were also dinner guest at the McFall home.

Mr. and Mrs. Hubert Gilbert and daughter of Big Spring spent the past week-end with friends here in Quitaque.

Toys are designed to please the hearts of children, and they do. But all toys are not always completely safe for children of all ages.

If you have youngsters of varying ages in the home, toys selected for an older child may be the source of an accident or illness in the hands of a toddler.

When you shop for toys this year, avoid toys made of lead or colored with lead-based paints. Small children sometimes chew off the lead paint and swallow it, and serious illness could result.

Be careful, too, about small toys that can be swallowed, flammable toys and toys with rough or sharp edges.

Electric toys are for older children—and be sure that these bear the UL (Underwriters Laboratory) label on the cord and the toy itself.

Missile-throwing toys, particularly air rifles and sling shots, are dangerous, particularly to the eyes. Toy archery sets can also cause injury. If your child receives a missile-throwing toy for Christmas, for his own safety, and for the welfare of other children, set down rules for safe use and be sure they are enforced.

NEWS FROM THE MEMPHIS COTTON CLASSING OFFICE

Increased Sample Receipts Not To Deter USDA's Prompt Cotton Classing Service

The farmers and ginners are actively engaged in harvesting and ginning this season's late crop and this makes the Agricultural Marketing Service's cotton classing office a very busy place, says K. E. Voelkel of the Memphis office.

Until the latter part of the week, sample receipts were light. However, over the week-end the larger gins were ginning

around the clock and a back-log of trailers with seed cotton were crowding most gin yards.

The killing frost two weeks ago, and the second frost last Tuesday morning plus the high wind on Thursday did much to get the cotton ready for mechanical harvesting.

With heavy sample receipts anticipated this week the Cotton Division has assigned two additional classers to this office, making 8 classing tables in operation. We will also inaugurate a third micronaire set-up. This will mean the micronairing of over 4,000 samples a day. All these additions will result in an increase of personnel and this will make it possible to continue a prompt and efficient classing service for the farmers and ginners of the Memphis office classing territory.

This week, which was a short one, we classed only 8,841 samples for a season total of 79,251. This represents roughly 40 percent of the predicted production. As of this date last year 72,002 samples had been classed.

As mechanical harvesting increased, samples reduced in grade because of Preparation, Bark and Grass also increased. More than 6 percent of the cotton classed during the week was reduced in grade compared with slightly over 3 percent the previous week.

Several inquiries were made as to the CCC loan rate and penalty on cotton reduced in grade

because of Bark, Grass and Preparation. The bale will go into the loan on the basis of the grade shown in the grade box on the Form 1 or green class card, and a penalty of 1 cent a pound is assessed against the bale because of Bark or Grass. There is no penalty against a bale that is reduced because of Preparation, and it is eligible for the CCC loan on the basis of the grade shown in the grade box of the Form 1 or green class card. A Gin Cut bale, which reduces a bale 3 or more grades is not eligible in the CCC loan.

Texas is the leading agricultural state in the nation.

Hereford, Texas is known as the "town without a tooth-ache" because of the flouring in its water.
