### Ladies' Night Is Well Attended

Monday night was Ladies' Night at Lions Club, the night when the Lions stage their annual feed for their wives.

Sixty-nine members, their wives and other guests were present Monday night to enjoy a very fine western style feed, catered by Underwoods, of barbecued beef, beans, potato salad, onions and topped off with ice cream.

Boss Lion Elmer Berryhill emceed the proceedings.

Appearing on the program was the High School Choir, under the direction of Mary Stark, which presented several fine numbers, and the Rev. Gene Hawkins, pastor of the First Baptist Church of Lockney, who addressed the ney, who was the speaker of the evening.

Several former Lions Club members were present and presented. They were Lila Jones Ramsey, Judy Colvin Morrison, Chloez Woods and the present Sweetheart, Charlene Bailey.

Other guests present were Mr. and Mrs. J. W. Ewing, Mrs. Aline Welch, Mrs. Cleo Ham and Mrs. Estelle Davidson. Jim Saul and Deborah McKay were presented special awards by the Club.

Opal Brummett left last Thursday to spend the Christmas holidays with her nephew and his family, Thurman Rogers, in Fort Worth.

Mrs. F. C. Benson returned home Friday after a week's visit with her daughter, Mrs. R. J. Hoey and family at Brownfield.

Mr. and Mrs. Vance Robison and children were in Childress on business Sunday.

Mrs. Ray Persons and Mrs. Lela Mae Hutcheson and Ronnie were in Plainview Saturday for Ronnie to see a dentist.

### TWO LONG-TIME LOCAL RESIDENTS DIE AT HOMES WEDNESDAY NIGHT

Funeral services for Everett Boyles, 73, who died of an apparent heart attack at his home about 6:15 P. M. Wednesday, will be conducted at 3:00 P. M. Friday in The First Methodist Church of Quitaque.

Mr. and Mrs. Boyles had observed their 50th Wedding Anniversary on December 8. They had spent all of their married life in this community.

Survivors include his wife, three sons and three daughters. A complete obituary will be printed in next week's issue of The Tribune.

Mrs. Buster Chadwick and girls visited Mrs. Chadwick's parents, Mr. and Mrs. Guy in Turkey Sunday.

Mrs. Bobby McWilliams and Mrs. Billy McWilliams visited Mrs. John Pigg in Kress Sunday.

### High School Elects Cheer Leaders

The student body of the High School met Tuesday and elected Cheer Leaders.

Selected to lead the cheers at future basketball games were Pam Curtis, Sammie Sue Johnson, Melinda McWilliams, Donna Bedwell, Brenda Whittington and Charlene Bailey. Three of these girls play on the basketball team and three do not, and thus there will be three leaders to lead the yells when the Pantherettes are playing.

Mrs. Gene King will be sponsor of the pep squad and will coach the leaders.

A section of the seats in the gym will be set aside for the student body and the pep squad.

It is felt that a pep squad will boost the school spirit and team spirit and adults are invited and urged to join in with the pep squad.

Mrs. D. E. Brunson returned home last Thursday from Oklahoma City where she had been with her mother who had been seriously ill. She reported her mother improving when she left her.

As we rapidly approach another Christmas season we are made aware of the many blessings we have had bestowed upon us, both as a nation and a community. The Lord has seen fit to permit us to have an abundant harvest again and our community for the most part has prospered in a material way.

As we meet with loved ones and friends during the coming holiday may we truly remember from whence comes all good things and to especially remember why we celebrate Christmas.

We the publisher of The Tribune wish for our readers a most happy and Merry Christmas. May your stockings be filled with all the things you desire and your hearts be filled with joy!

### W. E. Hawkins bags a fine trophy

W. E. Hawkins bagged this Aoudad sheep on the Bert Hawkins land north of Quitaque last Sunday afternoon. The Palo Duro Canyon was stocked with the Aoudad about six years ago and this is the first open season on the animals. The season, which lasted only six days, closed Sunday night.

W. E. said that he killed the sheep with a .270 rifle at about 175 yards. The sheep weighed 140 pounds field dressed and an estimated 200 pounds live weight. His horns measured 10 inches around the base and 24 inches across the widest part. W. E. will have the head, mounted and will have a fine trophy.

The Quitaque Panthers sailed by Silverton in the finals of the Silverton Tournament last Saturday night 79-41 to successfully defend their tournament championship.

Earlier in the day the Pantherettes took a 44-39 decision from Estelline to win the Consolation trophy.

The Hedley Owlettes defeated the Silverton Owlettes in the final game of the girls division. Last year the Silverton girls won over Hedley in the finals.

The Happy Cowgirls won Third place. In the boys division the Boys Ranch Rough Riders won Consolation and Hedley won Third place.

Jack Johnson and Jim Saul of the Panthers were placed on the All-Tournament team, along with Chessir of Hedley, Tomlin of Silverton and Reed of Boys Ranch.

The Pantherettes were defeated in their first game 39-53 and won 34-28 over Tulia B to advance to the consolation finals.

The Panthers were too tough for Happy, winning 53-43 in their first outing, with the starters sitting out the entire second half. Friday night the Panthers had their hands full in downing Hedley 53-45. In fact the Panthers trailed most of the time for three periods of play before pulling it out in the final quarter.

Saturday night's game against Silverton was never very close, and after the Owls lost their top scorer, Freddie Stafford, in the second quarter, the Owls

were unable to stay within striking distance.

Meanwhile the Quitaque lads were feeding their big Panther, Jack Johnson, who responded with a fine 33 point performance. Jack made 10 field goals and 13 of 16 free shots. The entire team looked much better and sharper than it did the night before.

This is the last activity for the high school teams until December 31 when the Floydada teams come to Quitaque for a doubleheader. Floydada is one of the three teams owning wins over the Panthers this season and the locals will be out to get even, if possible. The Whirlwinds gave McAdoo a great battle Tuesday night before falling by a seven point margin, the difference being in free shots missed by the Floydada team.

It was announced late Thursday that the Floydada games to be played here have been moved up one day and will be played Monday night, December 30. Three games will be played and will begin at 6:00 P. M.

The Panthers now stand at 13 wins and 3 losses for the season. The Pantherettes have won 5 and lost 11.

ATTENDS FUNERAL SERVICES FOR UNCLE

Mr. A. E. Gragson was called to Denison Friday following the death of his uncle, Nilo Munn, 72.

Mr. Munn died following a stroke, about 10:00 P. M. Funeral services were held on Tuesday of this week.

Mr. and Mrs. Gaston Owens and Eddie visited Mrs. Owens' sister, Mrs. Bud McMinn at Northwest Texas Hospital in Amarillo Sunday. They visited for a short time with her niece, Mrs. Melvin Watkins and her family while in Amarillo. They returned by Silverton for a late supper with their son and his wife, Mr. and Mrs. Dwain Henderson.

Mr. and Mrs. J. C. Rhoderick of Silverton visited their daughter, Mrs. Clayton Johnson and family Monday.

## MISS HAMILTON, T. J. NICHOLS EXCHANGE WEDDING PROMISES

Miss Gwendolyn Hamilton and Thomas James Nichols were married recently in the immaculate Conception Catholic Church at Denton.

The bride is the daughter of Mr. and Mrs. Paul Hamilton. The bridegroom's parents are Mr. and Mrs. Roy Nichols of Tucson, Ariz.

The Rev. Joseph M. Thomas, pastor of the Immaculate Conception Catholic Church, officiated in the double-ring ceremony.

Sunburst arrangements of white fuji mums, large white dovewflower and pom poms banked the altars. On either side of the main altar, tall brass trees, garlanded in smilax, held white tapers. Jewell foliage trees and tall baskets of mums, dovewflower and pom poms completed the chancel decorations. The bridal aisle was marked by tall candles leading to the altar.

Given in marriage by her father, the bride wore a formal length gown of bouquet taffeta. The fitted bodice was fashioned with a neckline deeply outlined with hand run re-embroidered Alencon lace and tiny seed pearls. The bouffant skirt, enhanced by lace appliques, was designed with deep unpressed pleats which flowed from the back to the waist line. Two large obi bows complemented by lace appliques fell over the full chapel train. Falling from a lace crown, her veil of imported silk illusion cascaded in tiers beyond the waist.

She carried a cascade of white fuji mums, polished ivy and white orchids with a graceful spiral of flowers falling to the hemline.

Miss Pauleta Hamilton was her sister's maid of honor. She wore a cranberry velvet dress designed with a bodice featuring an oval neckline and elbow sleeves. A satin train fell from the back of the bell shaped skirt. Two satin roses highlighted the waist. She carried a spiral cascade of white fuji mums and polished English ivy. Mrs. Paul Krueger was organist.

The bride's mother wore a mauve imported crepe ensemble. Her blouse was accented by imported French chantilly lace.

The bridegroom's mother chose a crepe ensemble in dusty blue. Chiffon covered the bodice.

The mothers wore corsages of orchids.

Sgt. Robert Nichols of California, was his brother's best man.

Michael Nichols of Tucson, Ariz.; Ronald Oehlerking of Denver, Colo.; and Ray Garrison and Ronald Garrison, cousins of the bride, both of Lubbock, were ushers.

A reception followed in Flinn Hall of the First Methodist Church.

Members of the house party were Mr. and Mrs. Hubert Johnson, Mr. and Mrs. James

Prothro, Mr. and Mrs. Chester Strickland, Mr. and Mrs. C. C. Davis, Mr. and Mrs. T. W. King, Mr. and Mrs. J. D. Hall, Mrs. Keltz Garrison, Mrs. George Setliff, Mrs. Lonnie Thurman, Mrs. Lynn Wiley, Mrs. Julian Coon, Mrs. Charles Gaiter, Mrs. Charles Higgs, Mrs. Woodrow Brownlee and Mrs. William Tilley.

The bride is the granddaughter of Mrs. J. N. Hamilton of Quitaque.

The bride is a graduate of North Texas State University at Denton and is teaching in Tucson public schools. Her husband attended the University of Arizona and is employed by the Tucson Police Department.

The couple will make their home in Tucson, Ariz.

Mary Pittman took her parents, Mr. and Mrs. C. T. Rucker, to consult with an eye doctor in Lubbock Monday and they spent the night with Mr. Rucker's niece, Mrs. Ben Maxey and family.

### SAFE HOLIDAY

Christmas is a time to remember the happy things. Yet it is sometimes a time of tragedy.

More holiday accidents take place during the last 6 hours before Christmas Eve than during the remainder of the holiday. The hourly rate for fatal accidents is 5 times greater during this 6-hour period than during the rest of the holiday season.

These accidents happen on the highways and in the homes. If you are driving, don't get in too big a hurry. If you are at home, be sure your tree is a safe one, that your wiring is adequate. Turn off the Christmas tree lights if you leave the house.

## HOLIDAY SCRAPBOOK

Caught up in the excitement of the approaching holiday, children begin to get restless as Christmas day comes nearer. They need a "project" to keep them occupied.

Most children will enjoy making a Christmas scrapbook. Give them a place to work, in their own room or the family playroom.

Give them a scrapbook, scissors, paste container and a supply of December magazines that you have finished reading, or save saved from last year. Get them started by clipping out an illustration of Santa Claus or some Christmas scene—then show them how to paste the cut-out into the scrapbook. They'll get the idea quickly and they'll have hours of fun.

## Here's Wishing . . .

for each of you the deep joy of the Christ who is able to save the last, the least, and the lost, at Christmas, His Birthday; and in the New Year opportunities for fresh beginnings in Service.

**MEN!** Put New Sparkle In Your Dishwasher's Eyes

Buy her a portable electric dishwasher for Christmas. There's no installation and it comes on rollers for convenience of moving. Later on, if you wish it can be permanently installed.

With an automatic dishwasher your lovely wife can relax after dinner over a second cup of coffee instead of jumping up to face a hot steamy sink full of dirty dishes and harsh detergent. Besides all this men, face it . . . a soggy dishtowel is no substitute for the sports page or your favorite TV program, and an automatic dishwasher doesn't drop a dish.

Stop in this week and see your local electric appliance dealer or WTU.

**Be Grateful For Christmas**

"Peace on earth."  
How old is this Christmas greeting! For how many years has Christmas returned to a world in which the promise of peace was yet unfulfilled? For how many Christmases yet to come will the world be yet awaiting peace on earth to ALL men of good will?  
The answer is not readily at hand. Yet, this we know; for this one single day of the year we can be grateful for the true meaning of the holiday we observe.  
We can give thanks for mankind's greatest gift, the birth of the Christ Child, and do so with the knowledge that on His birthday once each year the spirit of god will become the motto of all men everywhere.

**DON'T FORGET . . .** This young fellow seems to be reminding one of Santa's helpers that the holiday is really only a short time away and there's much to be done in the meantime.

I would like more than everything clothes. Thank you a lot. I'm waiting for Christmas. I hope you a pleasant, Merry Christmas.

Sincerely,

**HOLIDAY CANDLES**

Don't deny yourself a candle-light atmosphere at Christmas if such is your desire. Just remember that the candle represents a potential fire hazard.

Never place lighted candles on a Christmas tree, or in the window. Do not use them in any manner with decorations that are flammable. Light them only in rooms where someone will be able to watch them closely.

Extinguish candles whenever you leave the room or the house.

**WINTER SOLSTICE**

Today's Yule Log, other Christmas fires, even our tree lights, are thought by some to hark back to the days when our remote ancestors built huge fires during the brief daylight of the Winter solstice because they feared the waning sun might darken forever. When the days began to grow longer, there were great celebrations by these ancients, who felt that their earthly fires had helped revive the sun.

**YULE LOG**

The Yule log figured prominently in the inauguration of "The Twelve Days of Christmas." A huge log was selected by men and, which children sitting atop the log, they brought it upon their shoulders from the forest. The log was set afire and kept burning for twelve days, at the end of which time the fire was quenched and a portion of the log saved to kindle a new log the following year.

**METHODIST NEWS**

Quite a few persons helped to make Sunday a good day attendance-wise, except for the Morning Worship. This service, usually the best attended of the day, lagged in third place with Sunday School and the evening Christmas Program tied

for first, so far as we could determine. Mrs. Mary Pittman continued with her outstanding work of providing an appropriate worship center setting; Mrs. Geneva Curtis, playing the organ, and doing a number of other deeds of helpfulness; Mrs. J. M. Davidson, Mrs. M. C. Jones, Mr. J. M. Davidson, Mrs. Walter Taylor, several

other mothers, and doubtless other persons not mentioned; all of these have helped to make the rehearsals and the performances helpful. There were special musical numbers; and Mr. Santa Claus, that well-known 'Mysterious' Gentleman, appeared. There were the youth who put up the tree and decorated it.

It seems to be in order right

now to say we are grateful for a weekly newspaper with the personal touch. A daily sheet has mostly bad news, especially on the front page, and often an air of impersonality, but a neighborhood weekly is strong on the friendly touch, the sympathy of a near-by friend. The Tribune is to be commended for this warmth which goes with the imparting of information.

Walter Wayne Taylor, who is a Sub-district officer, helped in putting on the play that showed what Christianity is all about, as the M.Y.F. Caprock group of Church Youth met at Floydada Sunday afternoon. Also attending from Quitaque were Larry Tipton, local president; Lynette Taylor, Don Lyles, a visitor, and the pastor. Every member of the St. John's group from Plainview was present, and this gave them the attendance banner. Petersburg took the plaque, which denotes best all around work. Rev. Kenneth Metzger, the last Quitaque pastor, is now at St. John's.

The parsonage family is in receipt of a very substantial cash gift from the Adult Class, for which they are very grateful.

Next Sunday evening the pas-

tor's sermon is titled, "These Belong Together," as he discusses Scripture, Theology, and persons, using Heb. 1:1-12 and John 1:1-14 as the Scripture basis. In the morning Luke 2:14 is the text, with the title, "It can be True!" The first song in the special music, all except the anthem being sung by the entire congregation, is "O Come, O Come, Immanuel," which is the first in a series of hymns to be learned in Methodist Churches throughout the nation on a monthly basis. It expresses the longing of Israel for a Savior. The anthem is from the hauntingly beautiful song using the Greensleaves music, "What Child Is This?" which one man has called "A gorgeous tune." The other songs are familiar Christmas words, with one tune slightly changed.

If you wish to share in Christmas joy, worship with us or some other of God's many congregations next Sunday. You will be glad you took the time.

# Yes, Virginia

*(Editor's Note: The following editorial appeared in the New York Sun in 1897 in response to a letter from Virginia O'Hanlon, then eight years old. She wrote the editor of the New York Sun: "Dear Editor: Some of my little friends say there is no Santa Claus. Papa says, 'If you see it in the Sun it's so'. Please tell me the truth, is there a Santa Claus?")*

Virginia, your little friends are wrong. They have been affected by the skepticism of a skeptical age. They do not believe except what they see. They think that nothing can be which is not comprehensible by their little minds. All minds, Virginia, whether they be men's or children's, are little. In this great universe of ours man is a mere insect, an ant, in his intellect, as compared with the boundless world about him, as measured by the intelligence capable of grasping the whole of truth, and knowledge.

Yes, Virginia, there is a Santa Claus. He exists as certainly as love and generosity and devotion exist, and you know that they abound and give to your life its highest beauty and joy. Alas! how dreary would be the world if there were no Virginias. There would be no child-like faith then, no poetry, no romance to make tolerable this existence. We should have no enjoyment, except in sense and sight. The eternal light with which childhood fills the world would be extinguished.

Not believe in Santa Claus! You might as well not believe in fairies! You might get your papa to hire men to watch in all the chimneys on Christmas Eve to catch Santa Claus but, even if they did not see Santa Claus coming down, what would that prove? Nobody sees Santa Claus, but that is no sign there is no Santa Claus. The most real things in the world are those that neither children nor men can see. Did you ever see fairies dancing on the lawn? Of course not, but that's no proof that they are not there. Nobody can conceive or imagine all the wonders there are unseen and unseeable in the world.

You tear apart the baby's rattle and see what makes the noise inside, but there is a veil covering the unseen world which not the strongest man, nor even the united strength of all the strongest men that ever lived, could tear apart. Only faith, fancy, poetry, love, romance, can push aside that curtain and view and picture the supernal beauty and glory beyond. Is it all real? Ah, Virginia, in all this world there is nothing else more real and abiding.

No Santa Claus! Thank God! he lives, and he lives forever. A thousand years from now, he will continue to make glad the heart of childhood."

St. Francis of Assisi is remembered as a great friend to animals. Traditionally, he gave extra food to domestic animals because he wanted "all creation to share in Yuletide happiness."

He is also given credit for authorship of this Christmas prayer:

Lord, make me an instrument of Thy peace.

Where there is hatred, let me sow love.

Where there is injury, pardon.

Where there is doubt, faith.

Where there is despair, hope.

Where there is darkness, light.

Where there is sadness, joy.

O Divine Master, Grant that I may not so much seek to be consoled as to console;

To be understood, as to understand;

To be loved, as to love;

For it is in giving that we receive,

It is in pardoning that we are pardoned.

And it is in dying that we are born to Eternal Life.

#### Mother's Aid: Get Kids Busy At Play

The last few days before Christmas are probably the busiest of the year for the average housewife—and her task is not easier because of the excitement the coming holiday generates among the children in the household.

Mother will find it easier to get things done if she first takes the time to give the children something interesting to do and get them from underfoot.

Pre-school youngsters, for example, will greatly enjoy soap painting. It's easy. Add a small amount of water to soap flakes or granulated soap and whip thoroughly. Using dry paper, children can make designs with the fingers, as is done in finger painting.

Make your own holiday decorations—and enjoy them more—by letting the whole family get into the act.

Let the youngsters put their imagination to work bending pipe cleaners into various shapes. Dipped into a whipped soap mixture or sprayed with mica, they will make interesting and colorful tree decorations.

Small drinking cups (not the wax-coated variety, of course) can be colored with crayons or poster paint to make Christmas bells.

Pine cones are an old favorite. Painted or sprayed, they add color wherever used as decorations.

Walnuts, pecans or other nuts from a Christmas basket can be put to use as well. Let children wrap them in aluminum foil or scraps of colored foil to make tinsel balls.

**NATIONAL TREE**

In 1926, the U.S. Department of the Interior officially designated a "National Christmas Tree"—a giant Sequoia located in King's Canyon National Park, California.

A coniferous evergreen, the redwood trunk of the Sequoia rises 267 feet. It is estimated to be 4,000 years old, which means it was growing 2,000 years before the birth of Christ in Bethlehem.

**CHRISTMAS TAMALES**

A popular Christmas dish in Central America is tamales or nacatamales. Nacatamales are carefully prepared and cooked for several hours.

The "stuffing" is made from finely ground corn meal, turkey, vegetables, spices and seasonings. In quantities of about one pound, the stuffing is wrapped in banana leaves and then boiled or steamed for several hours.

### Buy 'Moist' Tree; Keep It That Way

A moist Christmas tree is a fresh one. A dry Christmas tree is a fire hazard.

These are the simple facts of Yuletide tree selection. Remember them and you won't go wrong in buying the family Christmas tree.

You can't gauge a tree's moisture or dryness entirely by appearance. Some species retain their color fairly well even when dry enough to burst into flame at the first spark or short-circuit.

Feeling, not seeing, is the answer. Feel twigs and needles to determine if they are dry and brittle. Then bang the tree butt against the floor. If a shower of needles results, look for another, moister tree.

### Child's Parents Are Gift Experts

Relatives should not hesitate to ask a child's parents what toys to buy the child for Christmas. This small gesture might prevent the child from receiving two or three toys of the same kind.

Parents, of course, will not suggest that relatives give their child a certain gift. They can, however, offer helpful advice, and they certainly are in the best position to know the type of gifts suitable to each child's skills and abilities.

This planning ahead can also make for goodwill from parents as well as children. Some parents, especially those with large families, are not too appreciative when relatives and friends bring children gifts which are noise-makers or "sets" of one kind or another that separate into one thousand and one pieces.

Relatives with only one or two children to buy gifts for, should consider the idea of combining their money to send one big gift, perhaps a tricycle or a bicycle, instead of separate toys that the child may not enjoy. Here, too, it would be wise to first consult the parents. They might be planning to ask Santa to bring a bicycle on Christmas Eve.

ions. Next Sunday evening, at  
 the regular time of six, the an-  
 nual Christmas Program is to be  
 given. It is based on Sunday  
 School classes, with general  
 Church School Superintendent  
 J. M. Davidson serving as Mas-  
 ter of Ceremonies.

J. M. Davidson, J. W. Ewing  
 and the pastor were in attend-  
 ance at the District Conference  
 last Wednesday at Sudan. The  
 devotion was brought by the  
 Earth pastor, Rev. Albert F.  
 Lindley, one of the most versa-  
 tile ministers this pastor has ever  
 known. Dr. Marshall Rhew  
 substituted for the scheduled

guest preacher in the late morn-  
 ing session and did a fine job,  
 pointing out our unity in Christ  
 and our need for surrender, repen-  
 tance, and prayer. The pas-  
 tor served as assistant Secretary  
 of the Conference, which is to  
 meet next year at Hart.

Dr. J. E. Shewbert, Plain-  
 view District Superintendent,  
 promised the pastor that he  
 would be with us soon to preach  
 in one of our regular services.

Next Sunday afternoon, at 2  
 o'clock, the youth are to go to  
 Floydada for a meeting of the  
 Caprock subdistrict. Feature of  
 the program is "A Christmas  
 Play", put on by the Council,  
 which is made up of officers of  
 the organization.

The morning sermon, brought  
 by the pastor, is to be on the  
 theme, "We have seen His Star,"  
 based on Ga. 6:1-10 and John  
 3:11-21. Although in the  
 course of the Christian year the  
 accent of the star comes after  
 Christmas, it is good for us at  
 any time to see what men steer  
 their lives by.

Mr. and Mrs. Ray Persons  
 visited Mrs. M. T. Witcher in  
 the Lockney rest home Sunday.  
 Mrs. Witcher had been ill with  
 a cold but she was feeling bet-  
 ter Sunday afternoon.

Perry Don Seaney of Dallas  
 stopped by the Tribune Mon-  
 day morning to visit with his

cousin, Mrs. Gaston Owens. He  
 was in Quitaque on business.

Margie Price and her employ-  
 er, Mrs. Zimmerland of Mid-  
 land, spent the Thanksgiving  
 holidays with Margie's parents,  
 Mr. and Mrs. Cecil Price.

Mrs. George Owens and Mrs.  
 Gaston Owens were in Silvertown  
 on business Monday afternoon.  
 They visited a short time with  
 Linda Gattis, niece of the Geo.  
 Owens and Janet Henderson,  
 daughter-in-law of the Gaston  
 Owens.

Betty June Owens will go  
 to Silvertown Friday morning  
 to have the cast removed from  
 her leg. It has been five weeks  
 since she fell at her home and  
 fractured her knee cap. The  
 doctor hopes that it has healed  
 enough so that she will not  
 have to wear the cast any longer.

Mr. and Mrs. Jack McFall  
 of Snyder spent Thanksgiving  
 here with his parents, Mr. and  
 Mrs. Sid McFall. Sid, Jr. and  
 his family, of Cedar Hill, and  
 her parents, Mr. and Mrs. Roy  
 Sheppard of Matador, were al-  
 so dinner guest at the McFall  
 home.

Mr. and Mrs. Hubert Gilbert  
 and daughter of Big Spring  
 spent the past week-end with  
 friends here in Quitaque.

*Toys are designed to please  
 the hearts of children, and they  
 do. But all toys are not always  
 completely safe for children of  
 all ages.*

*If you have youngsters of  
 varying ages in the home, toys  
 selected for an older child may  
 be the source of an accident or  
 illness in the hands of a toddler.*

*When you shop for toys this  
 year, avoid toys made of lead or  
 colored with lead-based paints.  
 Small children sometimes chew  
 off the lead paint and swallow it,  
 and serious illness could result.*

*Be careful, too, about small  
 toys that can be swallowed,  
 flammable toys and toys with  
 rough or sharp edges.*

*Electric toys are for older  
 children—and be sure that these  
 bear the UL (Underwriters Labo-  
 ratory) label on the cord and  
 the toy itself.*

*Missile-throwing toys, particu-  
 larly air rifles and sling shots,  
 are dangerous, particularly to  
 the eyes. Toy archery sets can  
 also cause injury. If your child  
 receives a missile-throwing toy  
 for Christmas, for his own  
 safety, and for the welfare of  
 other children, set down rules  
 for safe use and be sure they are  
 enforced.*

### NEWS FROM THE MEMPHIS COTTON CLASSING OFFICE

Increased Sample Receipts Not  
 To Deter USDA's Prompt  
 Cotton Classing Service

The farmers and ginners are  
 actively engaged in harvesting  
 and ginning this season's late  
 crop and this makes the Agri-  
 cultural Marketing Service's cot-  
 ton classing office a very busy  
 place, says K. E. Voelkel of the  
 Memphis office.

Until the latter part of the  
 week, sample receipts were  
 light. However, over the week-  
 end the larger gins were ginning

around the clock and a back-log  
 of trailers with seed cotton were  
 crowding most gin yards.

The killing frost two weeks  
 ago, and the second frost last  
 Tuesday morning plus the high  
 wind on Thursday did much  
 to get the cotton ready for me-  
 chanical harvesting.

With heavy sample receipts  
 anticipated this week the Cotton  
 Division has assigned two ad-  
 ditional classers to this office,  
 making 8 classing tables in op-  
 eration. We will also inagur-  
 ate a third micronaire set-up. This  
 will mean the micronairing of  
 over 4,000 samples a day. All  
 these additions will result in an  
 increase of personnel and this  
 will make it possible to continue  
 a prompt and efficient classing  
 service for the farmers and ginners  
 of the Memphis office classing territory.

This week, which was a short  
 one, we classed only 8,841  
 samples for a season total of  
 79,251. This represents roughly  
 40 percent of the predicted  
 production. As of this date last  
 year 72,002 samples had been  
 classed.

As mechanical harvesting in-  
 creased, samples reduced in grade  
 because of Preparation. Bark  
 and Grass also increased. More  
 than 6 percent of the cotton  
 classed during the week was re-  
 duced in grade compared with  
 slightly over 3 percent the pre-  
 vious week. Several inquiries were  
 made as to the CCC loan rate and  
 penalty on cotton reduced in grade

because of Bark, Grass and  
 Preparation. The bale will go  
 into the loan on the basis of the  
 grade shown in the grade box  
 on the Form 1 or green class  
 card, and a penalty of 1 cent a  
 pound is assessed against the  
 bale because of Bark or Grass.  
 There is no penalty against a  
 bale that is reduced because of  
 Preparation, and it is eligible  
 for the CCC loan on the basis  
 of the grade shown in the grade  
 box of the Form 1 or green class  
 card. A Gin Cut bale, which  
 reduces a bale 3 or more grades  
 is not eligible in the CCC loan.

Texas is the leading agri-  
 cultural state in the nation.

Hereford, Texas, is known  
 as the "town without a tooth-  
 ache" because of the flourine  
 in its water.
