QUITAQUE, BRISCOE COUNTY, TEXAS— THURSDAY, SEPTEMBER 3, 1964

PRICE FIVE CENTS PER COPY

## SEASON'S FIRST BALE OF COTTON GINNED IN MOTLEY COUNTY

H & H Gin of Flomot has ginned the first bale of cotton in Motley County, the cotton being produced by Claudie Matney of Whiteflat, according to Wayne Hunter. The first bale was ginned last Friday, August 28.

According to Mr. Hunter the 2200 pounds of seed cotton brought in by Mr. Matney produced a 570 lb. bale and 850 lbs. of cottonseed.

Mr. Hunter said that the gin will buy the bale of cotton and will pay Mr. Matney 40 cents per pound for the cotton. In addition, ginning and wrapping of the bale was free.

Mr. Matney gathered the 2,200 pounds of seed cotton from 5 acres, which was planted in April.

## To The Voters Of Briscoe County:

Due to the resignation of Mr. Dee McWilliams, who had faithfully served this county as Clerk of the County for a number of years, an unusual situation has arisen to confront us in the General Election on November 3rd.

You, as voters, will be called upon to elect a Clerk to complete the unexpired term of this office. At a regular meeting of the Commissioners Court on June 22nd., 1964, the Court appointed me to fill the office until the next regular election, which will be the General Election on November 3rd. On August 1, (the date of the resignation of Mr. McWilliams) I qualified as Clerk of the County and District Court, and am now serving in that capacity, and will continue to serve until a duly elected Clerk qualifies.

The Democratic Committee of Briscoe County has seen fit to select me as their nominee for this office and my name will appear on the General Election Ballot as the Democratic candidate for this office.

The Commissioners Court felt that I was qualified to fill the office. The County Democratic Committee felt that I was qualified to fill the office. I sincerely appreciate their confidence in my ability. I feel that I am qualified to fill the office. To most of you, I am not a stranger. I have lived in Silverton and Briscoe County all of my life and have worked for, among and with you for a number of years. I appreciate and understand our mutual problems, and share in our mutual pleasures. The past fourteen years I have spent in the abstract business, working in the Court-house and in close contact with the county records. At various times I have assisted in the office of the County Clerk, which has been valuable experience in qualifying me for his office. I have resigned my position in the abstract office, and am now devoting my full time to the duties of the Clerk's office. I would like to keep the office for the balance of this unexpired term.

I am a widow, having lost my husband two years ago, and have no income other than from my employment as I own no income property. I am conscious of the responsibility of this office, and regardless of need, I would not ask for the office if I did not feel that I am qualified to give you the very best of service.

I hope to see each of you personally between now and November 3rd., but in case I do not, please remember that I

Mrs. Gus Gibson Jr., and children visited her parents, Mr. and Mrs. D. M. Bonner and other relatives in Sunray from Thursday until Sunday.

Recent visitors in the home of his parents, Mr. and Mrs. Leon McCracken were Mr. and Mrs. Son McCracken and David of Pecos.

Mrs. Fay Tidwell of Tulia and Mr. and Mrs. Sid Christopher from San Bernardino, Calif. visited Minnie Mae Roberson last Friday evening.

Mr. and Mrs. Clayton Johnson and girls were in Lubbock last week on business.

Mr. and Mrs. T. J. Reeves of Plainview spent Thursday and Friday with their daughter and family, Mr. and Mrs. Bud Bailey and girls. Mrs. Reeves is doing fine after receiving a broken hip some time ago. She is able to walk with the aid of a walker now.

## FORMER QUITAQUE RESIDENT OBSERVES 94th BIRTHDAY

Mrs. Ada (W. H.) Giles a former resident of Quitaque was honored with an all-day picnic and birthday party at Towel Park Barn in Snyder, Saturday, August 29.

The party was arranged by her granddaughter and her husband, Mr. and Mrs. Merl Richardson of Snyder.

Mrs. Giles is the widow of W. H. Giles, who owned and operated the City Shoe Shop in the west end of Quitaque on Main Street. Mr. Giles passed away on June 28, 1956. Mrs. Giles is in good health and spends her time piecing quilts and quilting. She stays most of the time with her daughters, Mrs. Earl Twilla of Turkey and Mrs. L. D. Bilberry of Flomot. She has spent much of her time this past year in the home of her granddaughter, Mrs. Richardson at Snyder, who is the daughter of Mrs. L. D. Bilberry.

Mrs. Giles and the late Mr. Giles have 11 living children: 4 sons and 7 daughters. Six of the daughters and their husbands were present for the occasion. She received telephone calls from two of the sons, one from Wakefield, Mass. and a huge bouquet of yellow gladioli and carnations from Chandler, Ariz.; also a beautiful bouquet of red anthurium cut flowers from Mr. and Mrs. John Durrell, her granddaughter in Hawaii.

Among her many guests was Mrs. Julie Wilson from Brownfield who was a friend of Mrs. Giles before either married.

More than 50 friends and relatives registered. Mrs. Giles' brother, Bill Kelsey and her sister, Mrs. May Ghal of Carrizozo, N. M. were unable to attend the celebration.

have a sworn obligation to take care of the duties of the office, which, to me comes first. My personal gains are secondary. I assure you that I sincerely appreciate the influence and encouragement you have given me thus far, and earnestly solicit your continued influence, and your vote in November.

Sincerely,  
BERTHA PAVLICEK

## And Now . . . The Late, Late News

Sometimes we feel that we at The Tribune office are the last ones to hear things, and we sincerely hope that you don't think that all the news we print is not longer news—but sometimes we just fail to find out happenings. For instance, we were casually informed by a person who thought we knew it already, that O. V. Johnson had spent a week in the hospital at Matador with a case of strep throat. It has been two weeks now, but we thought there might be others, the same as we, who did not know it.

Mr. and Mrs. Clarence Barrett drove to Ruidoso, N. M. last Friday and visited Mr. and Mrs. Howard Cooper until Sunday evening.

The two couples were friends before either of them married.

Charles Reeves of Edmonson spent Thursday night with Mr. and Mrs. Matthew Owens and visited Mr. and Mrs. Bud Bailey Friday.

Mr. and Mrs. Leonard Parker of Wichita Falls spent a recent week-end with her brother, F. C. and Mrs. Benson.

## CITY TENNIS CHAMPIONS DECIDED

All the championships except one have been decided in the City Tennis Tournament.

Johnnie Pointer defeated L. W. Hamilton in the finals of the Junior Boys Singles division. Other entries in that division were Max Ham, Donald Ramsey, Perry Brunson, David Brunson, Scottie Stark, Lynn Payne.

Sherry Stark is the champion in the Girls Singles division, winning over Barbara Chandler in the finals. Others competing were Anita Hunter, Pam Loudermilk, Beverly Rogers, Donna Mason.

David and Perry Brunson won over Donald Ramsey and L. W. Hamilton for the Junior Boys Doubles title.

Sherry Stark and Beverly Rogers won over Donna Mason and Debbie Brunson to win the Junior Girls Doubles crown.

Johnnie Pointer and Sherry Stark defeated David Brunson and Barbara Chandler for the Junior Mixed Doubles championship.

Donna Bedwell, Gwen McKay, Renee McKay and Cheryl Mason were the entries in the High School Girls Singles division. Cheryl Mason won over Gwen McKay in the finals of that division.

Gwen McKay - Renee McKay, Marilyn Hutcherson-Donna Bedwell, Cheryl Mason-Jill Johnson were the entries in the H. S. Girls Doubles division with Mason-Johnson the winners.

The team of Eddie Monk-Earl Lee Woods won over Jimmy Pointer-Joe Mack Jacobs to win the H. S. Doubles.

In the H. S. Mixed Doubles division, teams entered were Eddie Monk - Donna Bedwell, Cheryl Mason-Jimmy Pointer, Joe M. Jacobs - Gwen McKay, Earl Lee Woods-Marilyn Hutcherson, Jamie Johnson-Renee McKay. The team of Mason-Pointer were the winners in that division.

Senior Boys Singles entries were Robert Pierce, David Brunson, Jimmy Pointer, Eddie Monk, Earl Lee Woods. Pointer, defeated Woods in the finals.

Entered in the Senior Girls Singles were Jill Johnson, Charlene Bailey, Janet Bailey, Donna Bedwell, Cheryl Mason. Mason defeated Johnson in the finals to win that division.

Eddie Monk-David Brunson, won over Earl Lee Woods-Jimmy Pointer in Sr. Boys Doubles. Entered in Sr. Girls Doubles were Cheryl Mason - Jill Johnson, Janet Bailey-Charlene Bailey and Donna Bedwell-Marilyn Hutcherson. Mason - Johnson were the winners of that division.

James Starkey is the City Open Singles champion, winning over Terry Woods in the finals of that division. Other singles entries were Jamie Johnson, Eddie Monk, Melvin Carter, Joe Hamilton, Sammie Johnston, Earl Lee Woods. The doubles team of James

## New School Year Underway Here

A goodly crowd of students, teachers and patrons filled the Quitaque School auditorium as school got under way here.

Supt. Johnny Mason welcomed the students and teachers back for the new year and introduced three new teachers to those present. Mrs. Murray Wise and Ted Schwarz are new teachers in the Elementary School and Mike Burris will teach English and Spanish in High School. Mr. Schwarz is also Junior High Coach.

Mr. Mason reported on the improvements that had been done during the summer months to the buildings and grounds.

The Homemaking Department has had considerable al-

Mr. and Mrs. Ray Persons were in Plainview last Friday. They visited their son, Tom and his family while there and stopped in Lockney on their return home for a visit with Mrs. M. T. Witcher.

Each year, the Chairman explained, such qualified voters—farmers who are taking part or are eligible to take part in one or more of the farm programs which the committees administer—elect a community committee from among their own number. The chairman, vice chairman, and the regular member of this committee also serve respectively as delegate, alternate delegate, and second alternate delegate to a county convention, where the ASC county committee is elected.

Programs administered by the committee include the Agricultural Conservation Program, acreage allotments, marketing quotas, commodity loans, the feed grain program, the vol-

terations, and some new stoves. The Superintendent's quarters were moved just across the hall east of the old location. Principal George R. Colvin now occupies the office that formerly belonged to the Superintendent.

New curtains have been added in the auditorium, a new roof was put on the auditorium; and the grounds at the rear of the high school was graveled and the buses now load and unload and park there instead of in front of the schoolhouse as has been the custom all these years.

Mr. Mason reported Wednesday that a total of 239 students have enrolled in school. In the grades there were 172 enrollments, while in high school a total of 67 enrolled. During the first week last year 171 enrolled in the grades and 71 in high school for a 242 total.

## SCHOOL BUDGET HEARING WILL BE HELD MONDAY NIGHT

Supt. Johnny Mason has announced that a budget hearing is to be held at 8 p. m. next Monday, September 7 at the High School.

All school patrons are urged to attend this meeting when the budget for this school year will be explained.

## MASONIC LODGE WORKSHOP TO BE HELD HERE TUESDAY, SEPTEMBER 15

Officers and members of four Masonic Lodges in this area have been invited to attend a workshop, to be held at 8:00 p. m., September 15th in Quitaque Lodge 1248, Tulia, Silverton, Happy and Quitaque Lodges are invited.

The workshop is being held to enable Masons to study common problems of Masonic Lodges and their operations. It will be conducted by R. Furman Vinson off Flomot, chairman of the Masonic Workshop Area covering ten nearby counties.

The workshop is part of a statewide semi-annual program held for the quarter - million members of nearly 1,000 Texas Masonic Lodges. It has been authorized by John R. Collard, Jr. of Spearman, Grand Master of Masons in Texas. He urged all officers and members of the invited Lodges to attend and said other Masons are also welcome.

Mr. and Mrs. S. T. Bogan and family of Richardson spent from Wednesday until Saturday of last week with his father, Sid and Mrs. Bogan.

## SIGN-UP FOR BOLL WEEVIL SPRAY PROGRAM STILL FAR FROM COMPLETE

County Agent Leon Grosdidier said Wednesday that approximately 75 percent of the cotton farmers in this community have signed up to take part in the giant spray program designed to prevent overwintering of the boll weevil in this area.

This is the only sure way known to halt the spread of the dreaded pest.

Some farmers have stated that they will not take part in the program. Some of these who do not plan to take part in the program say that they are afraid of the spray and what it might do to livestock.

According to information received here at The Tribune, the chemical that will be used in this fall's program is Technical

malathion, one of the safest pesticides known. Malathion is commonly used in flea powders for dogs, in livestock sprays, etc. Properly handled it is as safe as the fly spray used in homes.

The \$1,000,000 Federal appropriation to match the High Plains money has been approved and contracts are being let to aerial applicators. One BIG job remains—ALL farmers in the control zone must sign spraying permits if the program is to have maximum effect.

If you have not signed a spray permit, get one from the County Agent, ASC office, Bank or the Department of Agriculture.

Permission to spray your farm is essential to the complete success of the program.

## ASC COMMITTEE ELECTIONS TO BE HELD SOON

Farmers today got a "last-minute" reminder about important elections which will be held in Silverton, Briscoe County, on September 8, 1964. The elections are to choose ASC farmer-action programs.

According to Louie Kitchens, Chairman, Agricultural Stabilization and Conservation Texas Briscoe County Committee, "These ASC committeemen have broad important program responsibilities, which makes it all the more urgent that representative farmers be elected to the job." He urged all qualified voters to be sure to cast their ballots.

Each year, the Chairman explained, such qualified voters—farmers who are taking part or are eligible to take part in one or more of the farm programs which the committees administer—elect a community committee from among their own number. The chairman, vice chairman, and the regular member of this committee also serve respectively as delegate, alternate delegate, and second alternate delegate to a county convention, where the ASC county committee is elected.

Programs administered by the committee include the Agricultural Conservation Program, acreage allotments, marketing quotas, commodity loans, the feed grain program, the vol-

## R. L. Anderson Rites Held Sunday

Funeral services for Raleigh L. Anderson, 88, were held at 3:00 p. m. Sunday in the First Methodist Church at Matador. He was the father of D. J. Anderson of Quitaque.

Rev. Wilbur Gaede, pastor, and Rev. W. B. Vaughn, retired Methodist minister, officiated at the service.

Burial was in East Mound Cemetery under the direction of Seigler Funeral Home.

Mr. Anderson died in Fort Worth last Friday at the home of a daughter, Mrs. Jesse Spencer, with whom he had been visiting.

A retired farmer, Mr. Anderson had been living at Matador for the past 5 years, having moved there from Flomot, where he had lived since 1924.

Mr. Anderson was born in Hood County, Texas, December 16, 1875. He was 88 years, 8 months and 12 days old at the time of death.

He was married to Miss Bertha May Loving at Desdemona, Texas, Dec. 23, 1910. They came to Motley County in 1917 from the Margaret community near Crowell. He had been a member of the Baptist Church since early manhood.

Survivors include his wife; three daughters, Mrs. Deola Caddell, Mrs. Jesse (Lois) Spencer, both of Fort Worth and Mrs. E. B. (Donnie) Jenkins of Matador; one son, Denver J. Anderson of Quitaque; two brothers, A. L. of San Diego, Calif. and J. S. of Cordell, Oklahoma; two sisters, Mrs. May Smith of Carlsbad, N. M., and Mrs. Cora Sparks of Abilene; 4 grandchildren and 8 great-grandchildren.

Pallbearers were Sam Ross, Ross Herrington, Odie Crowell, Charles Daniel, Jody Graham and Homer Jenkins.

## H. O. Dyer Buried Here Tuesday

Funeral services for Hubert O. Dyer were held in the First Baptist Church here Tuesday afternoon at 2:30. Mr. Dyer died at 6:00 a. m. Monday in Lockney General Hospital where he was taken Sunday afternoon after becoming suddenly ill.

The Rev. Bob Beck of Paducah officiated at the funeral service, assisted by Rev. Roy Davidson, pastor. Burial was in Rest Haven Cemetery under the direction of Roberts Funeral Home. Pallbearers were Elmore Pointer, Elmer Berryhill, Wayne Whittington, Leroy Hamilton, Pete Blankenship and Pete Rice.

He was a member of the Baptist Church and Odd Fellows Lodge.

Hubert Otis Dyer was born in Howard County, Arkansas, March 9, 1884. He was 80 years, 5 months and 22 days old when he died.

Mr. Dyer married Rhoda Jacobs in Empire, Arkansas on December 21, 1919. They moved to the Gasoline community in 1920 where he farmed until his retirement in 1949. Mr. and Mrs. Dyer moved to Quitaque following his retirement.

He is survived by his wife of the home; three sons, Otis of Empire, Ark., and Dean and Jean of Whitehouse; one daughter, Mrs. Florene Cobb of Quitaque; 13 grandchildren and 3 great-grandchildren.

## GRAVESIDE RITES HELD FOR MOSLEY INFANT LAST SATURDAY

Graveside rites were held Saturday, August 29 at 3:00 p. m. for Jacqueline Mosley, 13 day old daughter of Mr. and Mrs. Willis Bert Mosley of Oklahoma City. The infant died in Groom Memorial Hospital on Thursday of last week.

Survivors include her father and mother; a brother, Stanley Eugene of the home; the maternal grandparents, Mr. and Mrs. Bill Clardy of Quitaque; and the paternal grandparents, Mr. and Mrs. William Mosley of Oklahoma City.

Starkey-Melvin Carter defeated Johnny Mason-O. R. Stark to win the Open Doubles title. Also, entered in that division were Gus Gibson-Joe D. Payne, Terry Woods-Joe Hamilton and Jamie Johnson-Jon Johnson.

## Build With Concrete Any Time Of The Year

Ready, set, go! You no longer have to wait for warmer or cooler weather to start that concrete building project.

New ingredients and techniques now make it possible for concrete contractors to begin new jobs at any time of the year.

Concrete has emerged as the glamour material of the building industry, and is no longer limited only to footings, foundations and structural members.

Thanks to steady advances in concrete technology, concrete is being used in fancy facades, colorful patios, and dramatic free-form "flying roof" designs.

Moreover, according to the Master Builders' Company, manufacturers of admixtures to improve the performance of concrete, year-around concreting is economical.

Today, a delay of even one day on big building projects adds to the cost. Builders insist on materials that can be used regardless of temperature. And with modern methods and admixtures, concrete meets this requirement.

A chemical admixture is included with the cement, sand, water, and gravel or stone of the concrete mix to control its rate of hardening at different temperatures.

In cold weather, for instance, the ready-mix concrete producer preheats the ingredients and adds an accelerating admixture. The area where the concrete is to be placed is enclosed and heated. The admixture shortens the setting time and speeds up the early strength of the concrete, which are slowed by low temperature.

There is another type of admixture that is used to delay the setting time of concrete in hot weather, giving workmen more time to properly place and finish it.

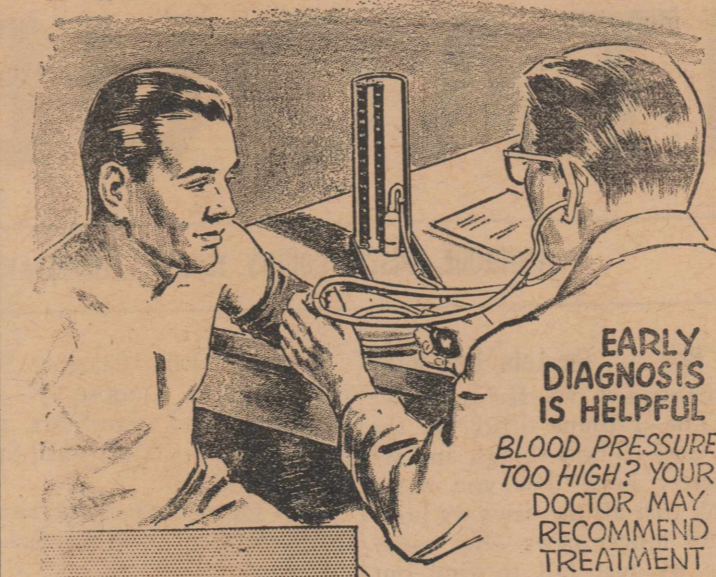

With this kind of concrete control, you can have your contractor proceed with the project whenever your impulse and money match.

Mr. and Mrs. Morris Wilson returned Tuesday from a ten-day vacation trip to Colorado. They report that it was raining there and was nice and cool.

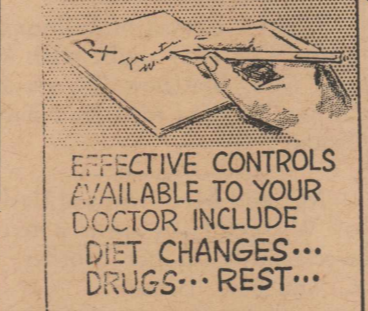

ton was a recent weekend visitor of Marilyn Hutcheson. George Fulkerson of Odessa was a visitor of Ray Gene Hutcheson the same weekend.

Mr. and Mrs. Shorty Woods took a trip to New Mexico and points west over the week-end. They drove to Ruidoso, Cloudcroft and to Hobbs where they visited their daughter, Mrs. Eugene Corgill and family. On Saturday they went to Kermit to visit her sister, then came home Sunday.

Mrs. H. B. Finney spent a few days this week with her daughter, Mrs. Ronald Kaiser and family in Plainview.

Mr. and Mrs. Ray Don King and children of Childress were guests for dinner and supper at the home of his grandparents, Mr. and Mrs. Buddy Morris.

Judge Arthur Tipps and daughter, Carolyn, of Wichita Falls visited his sister, Mrs. N. V. Hamilton and husband last Thursday. They were enroute home from a visit with his mother, Mrs. A. V. Tipps at Hereford.

Mr. and Mrs. P. T. Clark and family of Perryton spent the week-end with her parents, Mr. and Mrs. R. L. Patrick.

Mr. and Mrs. James Kimbell, James Lynn, Randy Clay and Melissa Jo Dudley spent Wednesday night with Mr. and Mrs. J. C. Mabry, Jr. of Tulia. They drove to Amarillo Thursday and visited until Saturday with Mr. and Mrs. J. W. McBee and Mr. and Mrs. Oscar Kimbell.

obtain "micronaire" readings on their 1964 - crop upland cotton to be eligible for price support loans.

This action was taken to comply with provision enacted by Congress last week in the Agriculture Appropriation Act which prohibits use of CCC funds to formulate and administer loan program for current crop which includes mandatory micronaire readings.

At present only a small part of the 1964 crop has been harvested and relatively few bales of cotton have been pledged to Commodity Credit Corporation as collateral for loans.

After asking for comment from trade and other interested parties, USDA announced on April 28, 1964 that micronaire readings would be a quality fac-

tor under the 1964 loan program. Micronaire reading, a measurement of fineness and maturity of cotton, would have been made at the same time a bale sample was examined by Agricultural Marketing Service cotton classing offices to determine grade and staple of fiber. The farmer would have paid six cents per bale for this service.

This micronaire provision provided for a loan premium of 65 cents per 500-pound bale, for cotton in the most desirable range, with discounts applying to cotton with high or low micronaire readings. Schedule of these premiums and discounts will continue to be applied on loans disbursed through Aug. 29. Thereafter, micronaire readings will not be considered as a quality factor for cotton offered as collateral for loan.

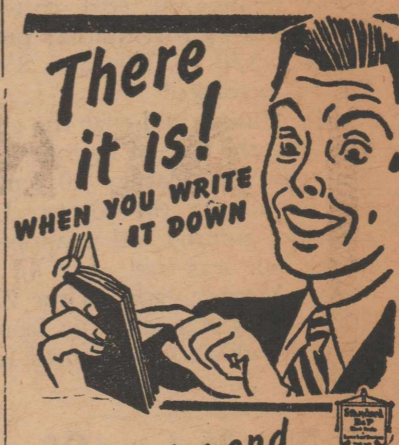

The value of cotton under the loan program will be established as in 1963 and prior years, on basis of grade and staple as determined by AMS cotton classing offices in accordance with regulations issued pursuant to the Cotton Standards Act, with discounts on wasty cotton, spindle twist cotton and cotton containing extraneous matter.

The voluntary micronaire reading service offered through AMS cotton classing offices will not be affected. Classing offices will continue to supply micronaire readings to ginners who have applied for the service as long as their applications remain in effect. Ginners now receiving the micronaire service may terminate the service by giving notice, preferably in writing, to the AMS cotton classing office.

and discounts based on micronaire readings now applicable in connection with CCC cotton sales programs will continue in effect, except that the schedule will not be used in calculating the loan rate for cotton sold under Announcement NO-C-16.

**DRAMATIC CHANGE**

What do you see in your mind's eye when you think about your neighborhood drug store?

Do you envision rows upon rows of cosmetics, toiletries, and perfumes? This is a large part of the modern drug store, reflecting the dramatic change which has come about in latter years to keep pace with new merchandising trends.

However, one thing has not changed — the prescription department. The same reliable pharmacist is available to fill your prescriptions.

He may now be a separate entity in the modern drug store — his department is only one of the many. But his knowledge and products today are better than they were when the pharmacist was the drug store.

CLAUD WILSON                      W. W. MULLIN  
 Phone 5371 — Turkey, Texas

Visitors in the home of Mr. and Mrs. James Kimbell Sunday night were Mrs. N. G. Smith of Plainview and Mr. and Mrs. John Mercer of Oklahoma City.

**MOTORISTS URGED TO DRIVE WITH CARE DURING HOLIDAY**  
 Austin — Col. Homer Gar-

rison, director of the Texas Department of Public Safety, announced today that "Operation Motorcade," the grim tabulation of Labor Day traffic deaths as they occur, will go into effect at 12:01 a. m., Saturday, September 5. The Department has estimated that 36 persons will be killed on Texas streets and

highways during the 72-hour holiday period, which will last until 11:59 p. m. Monday, September 7.

Garrison called upon the driving public to join in a "crusade of common-sense driving to lessen the toll of tragic holiday deaths caused by motor vehicles."

"The heaviest concentration of moving vehicles is during holiday periods," he pointed out, "and it is during these times that drivers should exercise caution to the utmost."

"There is always a chance that estimate of traffic deaths can be proved too high if all motorists put forth a concerted effort toward holding the line against accidents by staying especially alert to the added dangers of holiday travel."

The DPS Director said Labor Day this year comes at a time when traffic tragedy appears to be outstripping that for 1963, when an all-time high of 2,729 deaths were tabulated. He reported that more than 1,700 persons have been killed already this

year for an increase of over 12 percent, adding that if the trend continues the toll for 1964 will exceed 3,000 traffic deaths.

The Department of Public Safety will continue in their all-out effort to curb traffic accidents and to stop reckless and illegal driving on the highways, Garrison said. Officers from other DPS uniformed services will be assigned to Highway Patrol duty during the holiday period to add to the enforcement effort.

Garrison listed several items for positive action in his appeal to all drivers. He urged each person driving during the holiday to:

Make sure the car and all its equipment (tires, brakes, lights, etc.) are in proper working order at all times.

Be sure the driver is in good physical and mental condition.

Be alert for unexpected actions on the part of other drivers.

Be alert for unexpected road hazards and dangerous road conditions.

Avoid improper passing and maintain control of the car at all times.

Slow down and be able to cope with all existing conditions and circumstances.

And to use caution and good sense at all times.

"Your cooperation as a driver can be the deciding factor in leading to a reduction of traffic accidents and fatalities in our State," Garrison concluded.

NEWS from the High Plains Research Foundation

G. W. McCullough, Vice President, Engineering, Phillips Petroleum Company, is to be guest speaker at the Eighth Annual Field Day on September 10 at the High Plains Research Foundation, Halfway, Texas. McCullough, who joined the Phillips Petroleum Company in 1925, has advanced through the ranks to his present position in 1963.

A graduate of Oklahoma State with a degree in mechanical engineering, McCullough, in 1955, was named to the Engineering Hall of Fame at Oklahoma State University. In 1956 he was the recipient of the Outstanding Alumni Award from Oklahoma State.

McCullough, who is interested in civic affairs in Bartlesville, is active in engineering and industry organizations, the author of several technical papers, is a strong believer in the private enterprise approach to business. The private enterprise approach is also the criteria of operation for the High Plains Research Foundation.

The Field Day, to be held this year on Thursday, September

10, will start its day's activities for the public at 1:30 p. m. with field tours continuing until 5:00 p. m. Along with a full complement of other activities for the guests is the traditional free barbecue which will be held at 5:30 p. m. Guest speaker of the evening, G. W. McCullough, will deliver his address at 6:30 p. m. The last item on the agenda for the day is a new event for the Foundation at Halfway. A drawing will be staged after the major speech by McCullough for those who are in attendance.

The High Plains Research Foundation is located on Highway 70, and is 10 miles east of Olton and 15 miles west of Plainview, Texas.

The Board of Trustees of the High Plains Research Foundation will hold its semi-annual meeting at 10:00 a. m. preceding the Eighth Annual Field Day. The meeting will be held

in the conference room of the Foundation's Killgore Memorial Building at Halfway. Mr. Harold Hinn of Plainview and Dallas is Chairman of the Board of Trustees and will preside at the meeting.

The Board will review the progress made in the agricultural research program of the Foundation for 1964. They will also determine the research program to be followed for 1965 and the budget for 1965 to accomplish this program. Plans will be finalized for operation during 1965 of the new 504 acre demonstration research farm. The new farm is located between the Mayfield community and Cotton Center, 9 miles directly west of Hale Center.

Wives of the board members will be entertained during the board meeting by the Plainview board members' wives and the wives of the Foundation staff.

**CARDS OF THANKS**  
 We wish to express our sincere thanks to the Fire Department for answering our call so promptly last Sunday. Although as it turned out there was no fire, we are really grateful for their answering our call.  
 Mr. and Mrs. E. J. Hamilton

**CARD OF THANKS**  
 We want to thank each of our many friends and loved ones for the many thoughtful things you did for us during the illness and death of our husband, father and grandfather. Thank you so much for the beautiful flowers, food and especially for your prayers. May God bless each of you.

**CARD OF THANKS**  
 I wish to take this means of thanking each and everyone of you for the many cards, flowers, messages of cheer and the visits by friends following my recent accident. Again I thank you from the bottom of my heart.  
 Seab Washington

**Flomot News**  
 (By Mrs. Arnold Johnson)  
 Mrs. Vivian Merrell of Silvertown and granddaughter, Jan Barnes of Washington visited Mrs. Lois Martin Sunday.

Mrs. Raymond Kendall left Friday for her home in Westminster, Calif. after a visit with her mother, Mrs. Lois Martin. She will be remembered as the former Jacqueline Martin.

Visiting Seab Washington Sunday were Steve Crowell of Amarillo, Johnny Baird of Silvertown and several local friends.

Mr. and Mrs. James Monk were in Childress Sunday to attend the Timmons Reunion at Childress Park.
