LAWLESSNESS

Mankind lives in constant physical dangers from many sources. This is a fact of life that must be faced. These dangers, however, through the advance of civilization have been minimized by the development of laws and rules of conduct under which mankind can live, one with another, and enjoy rights, privileges, powers, and immunities intended for the individual by our Creator. One is thus spared the fears, the trials, and the tribulations that constantly beset the wild animal. This is one of the major differences between the civilized and the uncivilized.

However, it must be remembered that man is an animal and has not always been civilized. Many places in our world today have inhabitants who are uncivilized and resemble in many respects the wild beasts of the forests and the field. Especially is this true with relation to their reaction to emotional disturbances.

Even the most civilized man in many instances is faced with challenges and causes that sorely test his mettle and cause him to border on reverting to the uncivilized. We have had many evidences of this in recent months and the law-abiding people of this country are justly and duly alarmed. It has been suggested that these disturbances, this mob violence, and these riots have been triggered by deliberate acts on the part of hate peddlers, bigots, and others who have little regard for their fellow man and none for the best interests of our nation. It has also been suggested that these disturbances, these riots, and this violence are the direct result of spontaneous reactions on the part of minority groups as an expression of their dissatisfaction and their distrust. Frankly, I prefer to believe the former until adequate evidence is produced to establish the latter.

In either event, these reprehensible activities are uncalled for, unjustified, and criminal. If these participants have such limited character, and disregard for the rights of others, and such questionable patriotism, then it becomes the duty and the responsibility of constituted authority in this country to intervene and to stop such lawlessness.

The duty is clear: the question is, what agency under constitutional authority is charged with this primary responsibility. Many who in recent years have abhorred, criticized, and condemned the use of Federal troops and Federal official in quelling disturbances (and in my opinion they were correct in many instances) are now clamoring for Federal intervention and are caustically criticizing the Presi-

dent of the United States for failure to send in Federal troops. It is my opinion that if the President should yield to these demands, the same people would immediately change their tune and begin to criticize him for the use of Federal troops. This is a matter that is entirely too serious to be used as something with which to play politics. It strikes at the very taproot of sound government.

No community, no State, and no nation can survive that yields to mob rule or permits flagrant lawlessness. This should be foremost in the minds of those who are really sincere in their desire to solve this tragic problem. The law enforcement agencies of the various areas in which these activities have occurred are entitled to the highest praise and acclaim of every citizen of the United States.

If the ranks of these local and State law enforcement agencies are not sufficient in number to cope with the problem, then these ranks should be enlarged and these officers should be equipped with proper weapons to meet this challenge. If Federal help is needed in providing assistance to the local communities and the States, it should be promptly furnished. If these criminal activities reach the point either in fury generated in a single disturbance or in constantly recurring instances, that Federal intervention is indispensable, then it would, in my opinion, be justified for the Federal government to take whatever steps are necessary to see that law and order is maintained. I am sure that whatever may be done will generate bitter and caustic criticism, especially from those who are participating in the mob violence and also from many who know little or nothing about the situation but are willing to offer their unsolicited advice.

But if the United States of America is to preserve and maintain its status as the nation that has reached the highest peak of civilization and has made the greatest contribution in providing the laws and the rules of conduct by which man can live with man in peace, then this lawlessness must be stopped.

Recent visitors included Mr. and Mrs. J. D. House and daughter, Katy, of Turkey.

Mr. and Mrs. Fred Davidson of Amarillo spent the week-end with his mother, Mrs. Estelle Davidson. Mr. and Mrs. Stewart McCracken and children of Tulia and Mr. and Mrs. Jimmy Davidson and boys were also dinner guests Sunday at the home of Mrs. Davidson.

OIL DRILLING ACTIVITY IN AREA

Oil interest has picked up here the past week as a new well is being drilled in this vicinity.

The location of the new activity is on the Vaughn and Mary Hall property southwest of Quitaque just below the Cap, on the Lockney Highway. Drilling was begun last week.

E. B. Clark of Wichita Falls is in charge of production and Cox Drilling Co., also of Wichita Falls is doing the drilling.

According to Mr. Hall, plans are for the drilling to continue to a depth of 9,995 feet.

Mr. and Mrs. Murry Morrison, Bobo Morrison, Melvin Carter, Raymond Lusk of Kerrville, Patricia Brunson, Brenda and Jennifer Whittington enjoyed a picnic at Roaring Springs Sunday.

Mrs. D. W. Baca and girls of Madill, Okla. are spending two weeks with her parents, Mr. and Mrs. W. W. Woods and other relatives while he is on a special assignment in northern Oklahoma.

LOCAL GIRLS DO WELL AT AMARILLO TENNIS TOURNAMENT LAST WEEK-END

Quitaque's girls fared pretty well at Amarillo's tennis tournament over the past week-end, although the lone boys team from Quitaque were eliminated in the first round.

The boys 18 and Under team of Eddie Monk-Jimmy Pointer were ousted in the first round of play by Lubbock, 6-0, 6-0.

The 16 and Under girls team of Marilyn Hutcheson-Jill Johnson went to the semi-finals of the tournament before being tired out. The Quitaque lasses defeated Amarillo in the first round, won over Pyote in the second round, then without a rest had to play the No. 1 & 2 seeded players in the semifinals and lost out. The girls reported stated that they were too tired to put up much of a scrap.

The 14 and Under doubles team of Gwen McKay-Cheryl Mason ousted Albuquerque in the first round, beat the No. 1 & 2 seeded girls of Amarillo in the second round, then lost to Albuquerque in the finals.

VEHICLE INSPECTION TIME AGAIN

Austin — Col. Homer Garrison, Jr., Director of Texas Public Safety, announced today that the time has arrived for Texas motorists to have their vehicles inspected again.

Garrison said September marked the beginning of the 1965 vehicle inspection period as prescribed by the Public Safety Commission. As in previous years, the period will end on April 15, 1965.

"This means that between now and April 15, 1965, more than 5,200,000 Texas registered vehicles will have to be inspected at the 5,200 official inspection stations in Texas," he said.

Garrison urged motorists to have their vehicles inspected in routine visits to garages for ordinary maintenance and repairs and thereby eliminate the necessity of having to wait in line at a later date for an inspection sticker. He further pointed out that with the ever increasing number of vehicles registered in Texas, it is becoming ever more difficult for the motorist to get an inspection sticker without some delay.

"With the hard summer driving coming to an end, fall is an excellent time to have vehicle safety checked for the winter months ahead," Garrison said.

In announcing the new inspection period, the Public Safety Director pointed out that vehicle inspection in Texas has apparently been a valuable tool in reducing traffic accidents due to vehicle defects. When compulsory vehicle inspection began in 1951, 19 per cent of all vehicles involved in fatal accidents had a defect that contributed to the accident, while in 1963, that percentage had been reduced to 4 per cent. In non-fatal accidents, vehicle defects as a contributing factor were reduced from 20 per cent in 1951 to 5 per cent in 1963.

"I graduated from Tulia High School in 1937. I attended college for one year, studying law, bookkeeping, accounting, typing and English. I have prepared Income Tax returns in my home for the past twenty-four years. In addition, I have worked as a receptionist, typist, bookkeeper, saleslady, file clerk, payroll clerk, and newspaper proof reader. I raised chickens and operated an egg route for seven years. I was raised on a farm and ranch. I was born March 25, 1919. My parents, Mr. and Mrs. John C. Anderson, came to Briscoe County in 1901. I am the wife of Roy Beasley. We have a married daughter. We have two sons attending college. My brother, Dave Anderson, farms in Briscoe County, and my sister, Mrs. Letha Elms, teaches in the Silverton school system. I am a Christian. I have lived in the San Jacinto community for forty years, and I welcome you to come to see me, and inquire as to my character in my neighborhood.

FIRST P-TA MEETING SET FOR MONDAY

The Quitaque Parent-Teacher Association will meet next Monday night, September 14 in regular session for the organization and installation of officers for the new year.

Everyone is urged to attend this first meeting of the new school year and enroll in the P-TA.

Mr. and Mrs. I. G. Grundy of Amarillo were Quitaque visitors last week. They were accompanied by their daughter, Mrs. Dick Witten and Mrs. Price Cowell. They were guests for lunch in the Morris Wilson home. Mrs. Colwell visited her mother, Mrs. Jim Tunnell and her sister, Mrs. Alton Johnson and family.

MRS. MARY BEASLEY SEEKS COUNTY CLERK'S OFFICE

In announcing my candidacy for County and District Clerk of Briscoe County, I say "Thanks" to the ones who signed my petition and to all that helped me in different ways.

To the voters in Briscoe County, I ask for your vote November 3, 1964. I am a Democrat running as an Independent.

Since Dee McWilliams resigned after the Second Primary there can be only one name for each office under a political column on the ballot. The Commissioner's Court appointed Mrs. Bertha Pavlicek to serve until the General Election November 3, 1964. She seeks the office under the Democratic column. The only way that she would have an opponent is for the opponent to seek office under another political column, or run as Independent. Since I am a Democrat, I choose to seek the office as an Independent even though it necessitated a notarized petition signed by 5% of the votes cast in the last election for Texas Governor.

I reside in Briscoe County and am interested in the County. I am qualified for the office, and if elected will perform the duties of the office efficiently and courteously.

I am employed in the County and District Clerk's office in Swisher County. I have worked since last October with all phases of the clerk's office: Deed Records, Deeds of Trust, Leases, Mechanic's Liens, Notary Bonds, Marriage Records, Judgement Records, Cattle Brands, and County and District Court Cases.

I graduated from Tulia High School in 1937. I attended college for one year, studying law, bookkeeping, accounting, typing and English.

I have prepared Income Tax returns in my home for the past twenty-four years. In addition, I have worked as a receptionist, typist, bookkeeper, saleslady, file clerk, payroll clerk, and newspaper proof reader. I raised chickens and operated an egg route for seven years. I was raised on a farm and ranch. I was born March 25, 1919. My parents, Mr. and Mrs. John C. Anderson, came to Briscoe County in 1901. I am the wife of Roy Beasley. We have a married daughter. I have lived in the San Jacinto community for forty years, and I welcome you to come to see me, and inquire as to my character in my neighborhood.

I would greatly appreciate your support in the November 3, 1964 election.

Sincerely,
Mrs. Mary Beasley

BRISCOE COUNTY HOSPITAL ISSUE DUE TO BE SETTLED SOON

The Texas State Board of Health convenes in Austin Sunday, September 13.

There should be announcement some time next week concerning the hospital issue here in Briscoe County, according to information received by The Tribune.

Mr. and Mrs. Truman Merrill and children camped out Friday and Friday night on the R. A. Eddleman ranch near Estelline, where they did some fishing. They drove to Claude on Saturday to visit the Jack Merrill family and were overnight guests there.

Mrs. Geneva Curtis and Pam and Mrs. Durwood Lewis of Silverton visited an aunt, Mrs. Maggie Allen in Lawton, Okla. Saturday. Mrs. Allen is very ill.

Tony Lannom of Fort Stockton is spending a few days with his grandparents, Mr. and Mrs. F. C. Benson.

FEED GRAIN PROGRAM TO REMAIN UNCHANGED

Washington, D. C., Sept 8—Congressman Walter Rogers of Pampa said today the Agriculture Department is announcing that minimum and maximum acreage diversion provisions for the 1965 feed grain program will be unchanged from the program in effect for the 1964 crop.

The announcement was designed to help winter wheat producers make better 1965 crop plans, Congressman Rogers said. The diversion provision in the program permits wheat to be grown on feed grain base acreage or feed grains to be grown on wheat allotment acreage. The minimum diversion permitted is 20 percent of the feed grain base. The maximum diversion is up to 50 percent of the feed grain base or 25 acres, whichever is larger.

CRUZADA BAPTISTA NUEVA VIDA BEGINS MONDAY AT PLAINS BAPTIST ASSEMBLY

Crusada Bautista Nueva Vida, The Baptist New Life Crusade, begins Monday night at Plains Baptist Assembly. The five-day Revival, September 14-18, is the first week of a four week Revival in the Latin American Churches of this area.

Sponsored by the Southern Baptist Churches of Texas, the Crusade is a state-wide effort to take the Gospel to 2½ million Latin Americans in Texas.

The Evangelist for the Revival at Plains Assembly is Rev. Francisco Lemus of Garden City, Michigan. Born in El Salvador, Central America, Rev. Lemus has been pastor of the First Spanish Baptist Church of Detroit since it was organized in 1960. A Christian since he was 14, Bro. Lemus began preaching at the age of 15. Having studied in Dallas, Berkeley, Calif., Detroit, Chicago and El Salvador. He holds the B. S. and B. A. degrees, an M. A. and has completed six years of study toward a doctorate in Theology and other areas. Rev. Lemus is an outstanding Latin American preacher and teacher, but by his testimony, "the greatest experience of my life was when I took Jesus as my personal Saviour."

Special events for the five-day Revival, September 14-18, include Youth Fiesta Wednesday, beginning at 6:00 p. m. A great Youth Rally is planned, followed by a watermelon feast at the Assembly grounds. Friday is Family Night at Plains Assembly, with refreshments to be served following the services.

Transportation to the Assembly grounds is being arranged by the Brotherhoods of the sponsoring churches. Services will begin at 8:00 p. m. each night.

Donnie Brunson has produced the first bale of cotton for the 1964 season and the cotton was ginned by Paymaster Gin last Monday, September 7, according to Ross Herrington, manager of the local Paymaster Gin.

The 2040 pounds of seed cotton produced a 560 pound bale and 1,000 pounds of seed.

The Paymaster ginned the cotton free of charge and bought the cotton also, paying Brunson 40 cents per pound for the bale, a total of \$2545.00. The seed brought \$22.00 and that, along with the premium for bringing in the first bale, made it worthwhile.

Last year's first bale of cotton was ginned on September 9 and was brought in by Char-

PHARMACIST'S NEED FOR COMMUNICATION

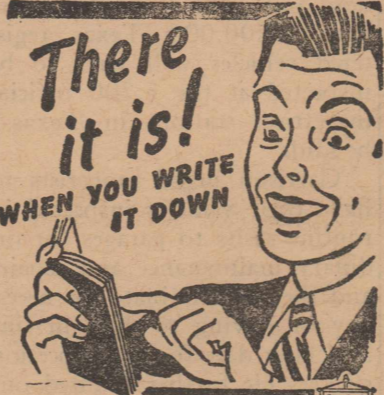

Every intelligent man goes about his work realizing that he is only getting a small portion of the vast store of information available to him. The torrential flow of material available to all of us and particularly the pharmacist who must keep up with an array of scientific information to better serve his physicians and customers is well known.

The material comes from his scientific journals, professional affiliations, pharmaceutical manufacturers and from his customers, the lay public. His knowledge and skill in gathering this vast store of information aids him in serving humanity better through his respected profession, pharmacy.

The need for communication is greater than ever today and with the busy schedule the pharmacist has in going about his everyday chores, it is remarkable to see how he keeps up with available information reaching him from all sides.

WHAT'S BEEN GOING DOWN

UP

AND OUT

FOR YOUR BENEFIT?

DOWN and down the unit price of electricity has dropped over the past years. Today in homes served by WTU, the cost per KWH is 17% less than it was in 1953. While the cost of living continues to rise . . . the cost of electricity continues to fall.

UP and up has gone the amount of electricity the customer is using. WTU has grown in the past years and will continue to grow . . . staying ahead of its customer's needs.

OUT in every direction have gone power lines to supply electricity for all. Customers all through West Texas are provided with benefits from the most modern and efficient generating plants.

ELECTRICITY DOES IN ONE DAY what it would take 228 hours to do by hand in the average American home.

LOCAL BRIEFS

Mrs. Jack Jordan, Dee, Marilyn and Raymond Lusk of Kerrville visited her brothers, James, Leron, and Donnie Brunson and her sister, Mrs. B. K. Hamilton from Thursday night through Sunday. The James Brunsons were hosts for a family dinner Friday evening. Mrs. Jerry Hamilton prepared Mexican food for the group. Those present were Mrs. Jordan, the Lusk children, Mr. and Mrs. Donnie Brunson and family, Mr. and Mrs. Jerry Hamilton and family, Mr. and Mrs. B. K. Hamilton and the hosts, Mr. and Mrs. James

SeReatha Ann Stephens

Mr. and Mrs. Morris Stephens announce the engagement and approaching marriage of their daughter SeReatha Ann, to Ray Henry, son of Mr. and Mrs. George L. Henry of 1207 Childress St., Wellington, Texas. Wedding vows will be exchanged in First Baptist Church of Quitaque, Saturday morning September 26, at 10 o'clock.

Brunson, Raymond Lusk enrolled at Texas Tech Monday. He is a band student.

Mr. and Mrs. George Brunson of Kress visited relatives here Saturday. They came especially to visit his sister, Mrs. Jack Jordan, and the three Lusk children.

Mrs. Millard McNabb, Sherry, Debbie and Pattie of Amarillo spent the week-end with her parents, Mr. and Mrs. A. C. Barrett. The Barretts and Mrs. McNabb and children visited Mr. and Mrs. Cecil Seaney and family at McLean Saturday. The Seaneys plan to take David Seaney to Alpine this week-end to enroll at Sul Ross State.

Perry - Hill Vows Read At Plainview

The First Baptist Church Sanctuary of Plainview was the setting for the Saturday evening nuptials of Miss Iva Juanan Perry and David Oliver Hill. The double ring ceremony was directed by Rev. Roy G. Davidson, pastor of the First Baptist Church, Quitaque.

Both the bride and groom will be mid-term graduates at Wayland Baptist College where she is an English speech major and he is majoring in music education. Hill is minister of music at First Baptist Church in Quitaque.

Parents of the couple are Mr. and Mrs. William Elton Perry, of Plainview and Mrs. O. P. Hill of Fort Worth and the late Mr. Hill.

Miss Linda Caudle, organist, and Miss Sharon Watson, Gary, Okla., soloist, presented the program of wedding music. Prelude selections included "Be Thou Near" — Buxtehude; "Sheep May Safely Graze," — Bach; "Jesu, Joy of Man's Desiring," — Bach; "Prelude" Le Beque and "Pastoral," arranged by Clokey. Miss Watson sang "O Perfect Love" — Barnby; "Entrate Me Not To Leave Thee," — Gounod and "Facing the Future With Jesus," Ackley, an old hymn arrangement.

Mrs. Jerry Blackerby, Canyon, registered guests at the door of the Sanctuary.

The bride's formal gown of white peau le soie was fashioned with tightly fitted bodice, scoop neckline and long tapered sleeves. Re-embroidered Chantilly lace with seed pearl design, accented the frosted sequins, enhanced the front bodice and skirt. A bridal bow repeating the pearl design added back interest to the full skirt that swept into a long chapel train. Her three-tiered ballerina illusion veil was topped by an open

crowns of lace sprinkled with seed pearls and frosted sequins. She carried white Sweetheart roses encircled with pink roses. In the center of the bouquet was a cameo brooch which belonged to her maternal great-grandmother.

Mrs. Warren Smith, Houston, was matron of honor. Bridesmaids were Miss Carrie Sue Perry, sister of the bride, Miss Sharon Waton, and Miss Delores Thomas, Plainview.

Their formal length gowns were designed with fitted bodices of primrose pink velvet featuring scoop necklines and flowing skirts of petal pink satin brocade. Their pillbox hats of matching velvet held illusion veils. They each carried a long stemmed white rose.

Candlelighters were William Edward Perry, brother of the bride and Miss Debra Thomas, Flower girl was Tracy Hill, Greenville, niece of the groom. Miss Thomas wore a frock identical to those of the other feminine attendants. The flower girl's dress of primrose pink velvet was styled similar to other attendants. She wore a velvet bow in her hair.

Ted Hill, Greenville, served his brother as best man. Groomsman was James Hill, Dancanville, brother of the groom. Robert McDonald, Fort Worth, brother-in-law of the groom, and Reed Holder, serving as ushers were Bob Arledge, Fort Worth, and Jerry Morris, Odessa. Troy Lynn Perry, nephew of the bride was ring bearer.

Flanks of greenery and white tapers burning in pyramiding candelabra decorated the altar area.

Following a trip to points in New Mexico they are residing at 408 West 7th St. in Plainview. For travel the bride chose a double knit sheath of petal pink with short sleeves. She wore matching accessories and carried a cranberry purse.

The bride is a member of International Choir and has served as vice president of that organization and president of Wayland Women's Council. The groom is a past president of the International Choir and German Club. He is a member of Phi Mu Alpha Sinfonia, honorary music fraternity and Student Government Association.

A rehearsal luncheon was held Saturday at Wayne's Restaurant hosted by Mrs. O. P. Hill, mother of the groom, and Mr. and Mrs. W. E. Perry, parents of the bride.

What They Wore... by PHYLLIS JOYCE

THE STYLE OF DRESS IN ENGLAND UNDER THE REIGN OF CHARLES I. (1625-1649) WAS INFLUENCED BY THE FRENCH AND WAS LESS ELABORATE THAN THE PRECEDING PERIOD. GOWNS WITH SLASHED SLEEVES WERE WORN OVER UNDERSKIRTS, AND MUFFS AND FACE MASKS WERE IN VOGUE AT THIS TIME.

OVER THIS TAFFETA DRESS OF THE DAY WAS WORN A "FICHU"—AN ORNAMENTAL THREE CORNERED LACE OR MUSLIN KECHIEF, RUFFLES AND THE BEAVER HAT WERE TYPICAL FEATURES OF THE PERIOD. THE COLLARS OR "BANDS" WERE COMPOSED OF ELABORATE LACEWORK OFTEN SUPPORTED BY WIRES.

TODAY, WHEN BUYING WOMEN'S AND CHILDREN'S APPAREL LOOK FOR THIS LABEL... THE SYMBOL OF DECENTY, FAIR LABOR STANDARDS AND THE AMERICAN WAY OF LIFE.

IN COOL WEATHER SHORT JACKETS OF VELVET, TRIMMED WITH ERMINE WERE OFTEN WORN.

WTS COACHES NAMED; FROSH SCHEDULE ANNOUNCED

Canyon — Head football coach Joe Kerbel has named Richard "Buddy" Simpson and former Buffaloes John David Bryant and Jim Ostrander as freshman coaches and, in the same breath, announced the 19-64 freshmen schedule.

Simpson, a 1960 graduate of Panhandle A&M College and a native of Stillwater, Oklahoma, has spent the last three years at Tucumcari High School as an assistant for football and track and head wrestling coach.

After having spent two years in the U. S. Army where he attained the rank of first lieutenant and was commanding officer of a basic training unit prior to his release, Bryant has returned to the West Texas State cam-

pus where he starred as a defensive halfback in 1960 and 1961. John David, a Hereford product, spent two seasons under Coach Kerbel and knows well the Buff leader's style of play.

Ostrander, like Bryant, spent two years under Kerbel, winning two letters at end and averaging 24 yards per reception during 1963, his senior year. Ostrander's big moment in collegiate competition came in the final moments of the 1962 Sun Bowl when he caught a Corky Dawson conversion pass which won for the Buffaloes, 15-14.

The 1964 West Texas State freshman football schedule:

OCTOBER 3 —
New Mexico Military at Roswell (night).

OCTOBER 29 —

McMurry Junior Varsity at Abilene. NOVEMBER 6 —
Air Force Freshmen at Canyon. 1:30 p. m. NOVEMBER 14 —
New Mexico Freshmen at Canyon. 7:30 p. m.

Each year she dries enough washables to clothe an army! More than a half-ton of wet clothes . . . that's the load the average housewife has to dry each year. She deserves a modern GAS dryer to help lighten the load. Instant GAS heat dries clothes faster, fluffier, fresher. Minimum maintenance, too. The heart of the dryer, the GAS burner, has a lifetime guarantee. No flue required and dependable, economical GAS saves you money . . . almost thirty "drying" dollars each year.
