TRUCKS FOR 65!

More models, more engines, more Chevy workpower!

The long strong line of Chevy trucks for '65 is rolling in with miles of new working equipment. Like that handsome Fleetside pickup that leads the pack ... one of the 18 pickup models

in the line this year.

Further along, you'll find economical Chevy-Vans, a wide selection of walkin vans, a bigger choice of big trucks, more job-tailored components—trucks built to fit your business and budget.

And under those hoods you'll find the best in 4- and 6-cylinder, V8 and diesel power, 18 tough truck engines in all including 4 new lower cost diesels. Here's the huskiest bunch of haulers that ever came looking

for work!
Our word for all this is workpower. That's the stuff that makes a fruck a real truck. A hard-nosed money-saver. Yes, workpower's here and Chevy's got it, in such a variety of types and sizes that picking the best truck for your job will be easier than it's ever been before. If you're in the market, just get in touch with your dealer.

SPORTS FARE AT 1964 STATE FAIR

TRYING FOR SIZE Ten-year-olds David Cantrell, left, and John Bonno try out mementos of Texas' great athletes from the Texas Sports Hall of Fame, which will be a featured attraction at the 1964 State Fair of Texas in Dallas October 10 through 25. David wears L. D. (Dutch) Meyer's letter sweater from TCU and holds Kimbrough's football, used in 1940 when Texas A&M defeated UCLA 7-0. John has a bell and mitt that belanged to UCLA 7-0. John has a ball and mitt that belonged to Monty Stratton, Greenville's great White Sox baseball player, and wears Bobby Morrow's jacket from the Olympics in which the Abilene Christian College star raced to victory. The free permanent museum is in the Varied Industries Building adjacent to the Wax Museum.
